

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Energy efficiency programs and incentives
Inquiry Sub-Category	Rebates
Description	Customers inquire about the available rebates for purchasing energy-efficient appliances and equipment. These rebates help incentivize customers to make environmentally friendly choices and lower their energy usage.
Data Size	6,199 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)
