

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Fuel efficiency and environmental concerns
Inquiry Sub-Category	Future Fuel Efficiency Technologies
Description	Customers inquire about upcoming or evolving fuel efficiency technologies, such as advanced hybrids, plug-in hybrids, fuel cells, or promising innovations related to engine design, lightweight materials, or aerodynamics. They seek insights on availability and potential benefits.
Data Size	8,470 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

Can you _____ on upcoming _____ in _____ for _____ fuel _____?

How _____ future _____ in fuel- _____?

_____ let _____ fuel efficient engine design _____.

_____ more about _____ upcoming eco-friendly engine updates.

_____ you _____ to tell me about _____ fuel _____?

_____ there _____ on better mileage _____?

How about _____ design for _____?

Do _____ how to enhance gas mileage with _____?

Is _____ any _____ can give about upcoming _____ technology _____ better _____?

How _____ eco-friendly _____ updates?

_____ new engine developments _____ save _____?

_____ anyone _____ what _____ future _____ design will _____ squeezing _____ out of those filthy burners?

_____ there any _____ information _____ efficient _____?

_____ you able to give _____ engine efficiency _____?

_____ any _____ about _____ engines will get better _____?

Information on _____ engines.

_____ there upcoming innovations in _____ better _____ economy?

_____ the upcoming fuel efficient _____.

_____ new engines going _____ efficiency _____?

_____ us _____ into upcoming engine efficiency progressions?

Can _____ please tell me _____ in _____ design to _____ fuel _____?

_____ the updated info _____ on _____ improvements _____ engines _____ fuel _____?

Can you tell me about upcoming _____ for _____?

Insight _____ improved fuel mileage _____?

The news _____ gas _____?

_____ how _____ are _____ to _____ better gas mileage soon.

_____ updated information on how to _____ engines that _____?

_____ are the _____ improvements _____ engine _____?

_____ any leads on the _____ prototypes?

_____ there upcoming changes to _____ specifically designed for _____?

Next-Gen Efficient _____ prototypes; _____?

Is _____ any upcoming _____ engines _____ specifically designed for _____ gas mileage?

Is it _____ you _____ me _____ upcoming _____ efficiency progressions?

_____ have any leads _____ the next-gen efficient _____?

Can _____ me _____ better _____ engines?

What can _____ know about upcoming improvements _____?

_____ you tell me _____ efficient _____?

_____ fuel efficient engine design _____ should _____.

_____ you _____ about the latest _____ design _____ increase gas _____?

_____ you _____ anything _____ new _____ designs that will _____ fuel _____?

Is there _____ on _____ technology _____ fuel?

_____ I expect changes _____ engine _____?

_____ there _____ engines for _____ efficient _____ use?

Is _____ technology _____ save fuel?

_____ there _____ on _____ engine _____ progressions?

_____ it _____ give _____ into _____ efficiency progressions?

Does _____ anything _____ the _____ engine design _____ will squeeze more _____ out _____ those _____ burners?

Can you _____ me _____ upcoming _____ in engine technology _____ better _____?

_____ regarding _____ efficient _____.

_____ it _____ what _____ the scoop on _____ upgrades for _____?

_____ to _____ what's happening to improve the gas _____.

Can you tell _____ more _____ the _____ engine technology _____ economy?

_____ about _____ gas _____ engines?

Can _____ expect _____ innovation _____ technology?

_____ new updates on _____ fuel-efficient _____?

Spit _____ out, what's the _____ engine changes _____?

Can _____ give _____ on upcoming _____ in _____ for better fuel _____?

_____ I expect new _____ fuel-saving _____ technology?

_____ about _____ gas mileage _____?

Interested _____ to improve the _____ mileage of _____ engines.

Can _____ me about the upcoming _____ engine _____ for _____ economy?

Is _____ information on _____ for fuel efficiency?

I would like to _____ engine _____ fuel efficiency.

_____ there _____ you _____ give on engine improvements for _____?

_____ about _____ developments that save _____ for _____.

_____ efficiency _____ in engine design?

Do _____ know _____ about _____ to _____ design to increase gas _____?

_____ you _____ information on _____ advances in fuel-saver _____?

Do _____ of any _____ that _____ boost fuel _____?

Interested _____ to improve the gas _____ engines?

_____ to _____ efforts _____ improve _____ gas _____ of engines.

_____ there anything _____ can share _____ for fuel _____?

_____ information _____ fuel _____ improvements?

What is the _____ engine _____ fuel _____?

_____ more about _____ developments in engine _____ aim _____ achieve better fuel economy.

_____ coming next for _____ economy in engines.

_____ efficient engine design _____ should be _____.

Information on _____ upcoming _____?

You _____ fuel efficient engine _____ upgrades.
_____ you tell me _____ the _____ gas _____?
_____ is _____ for better mileage?
_____ aware _____ in engine design _____ enhance gas mileage?
Is _____ of _____ fuel-saving engines?
_____ if you will _____ on engine _____ fuel efficiency?
_____ in fuel efficient engines.
Do _____ know _____ new _____ in engines _____ mileage?
Fuel efficiency news _____?
_____ there upcoming _____ engine _____ for _____ fuel economy?
Do you _____ about better _____?
When _____ expect the _____ technology?
Can you tell _____ new engine changes that _____ to _____?
Is _____ on _____ developments for enhancing fuel _____?
_____ it _____ you _____ tell _____ if recent developments _____ technology boost fuel _____.
Do _____ about _____ upcoming innovations _____ design _____ fuel economy?
_____ there any information _____ future _____ for _____ more mileage out _____ those filthy _____?
_____ to engines _____ increase mileage.
_____ you tell me _____ changes _____ engine design _____ will _____ economy?
Are _____ aware of _____ engine _____ gas mileage?
Upcoming _____ to _____ mileage of future engines _____ want to _____.
Is it _____ to _____ the beans _____ fuel-efficient engine _____?
Is there _____ new _____ future of engine design _____ more _____ out of _____?
Please tell _____ more _____ the _____.
What _____ next _____ for _____ fuel economy _____ engines?
Are you _____ the _____ fuel-efficient engine stuff?
Can _____ tell _____ innovations _____ engine design _____ a better fuel _____?
How _____ upgrade _____ for _____ use?
_____ fuel-saving engine advancement.
_____ new engine developments that _____ improve fuel _____.
Can _____ me about _____ developments _____ design _____ supposed to _____ fuel economy?
_____ there any _____ innovations in engine _____ that _____ fuel _____?
Is _____ the upcoming advances _____ fuel-saver motor?
Better mileage _____ the _____?
_____ on _____ engine developments aimed _____ enhancing _____ efficiency _____.
Is there updated _____ about _____ improvements to _____ that _____?
_____ upcoming engine improvements that _____ aim for _____ mileage?
_____ give insights _____ upcoming engine efficiency changes?
When will I _____ new developments _____?
_____ about fuel-efficient engine design _____.
Is there _____ information on _____?
_____ upcoming changes _____ engines _____ are _____ designed for gas _____.
_____ be the _____ developments _____ fuel-_____ engines?
Information _____ fuel- efficient _____ should _____ shared.
Are _____ any updates on _____ efficient _____?
_____ anything _____ the newest advances in engine _____ to _____ mileage?
_____ recent _____ that aim to achieve better fuel economy?
Future _____ efficient engines?
_____ there _____ future _____ fuel-efficient engines?
_____ you _____ about _____ advancement _____ engine design to _____ mileage?

Got _____ new eco-friendly _____?

What's _____ store _____ engine designs that _____ fuel _____?

_____ news _____ improved gas mileage _____.

_____ us _____ efficient _____ design changes.

_____ you _____ upcoming changes in _____ design to _____ fuel _____?

The news _____ engine _____ that _____.

_____ the _____ of fuel _____ engines?

Do you _____ upcoming updates in _____ design _____ improve _____?

You _____ let _____ upcoming _____ engine stuff?

Is there _____ into forthcoming engine _____ you _____?

_____ into improved fuel _____ with _____.

Can you _____ about _____ changes _____ engine design _____ better _____ economy?

Do _____ know _____ new engines _____ increase fuel _____?

Can _____ tell me _____ advances?

Is _____ any information _____ engines are _____ better _____ mileage?

_____ me about recent developments _____ technology _____ fuel efficiency.

Is there any _____ innovations for _____ gas _____?

_____ there new _____ in _____ engine _____?

How about _____ better _____?

_____ about upgrades to _____ for _____ gas _____.

What _____ fuel economy in engines?

_____ on future _____ economy _____ engines?

Do _____ know _____ about _____ motors?

Do _____ know _____ improvements that will _____ efficiency?

_____ can you _____ about the _____ changes in _____?

Next-gen _____ are info sought _____.

Information _____ upgraded _____ efficient _____ use.

_____ want _____ know _____ about _____ engine _____ improvements _____ fuel economy.

_____ any _____ you can _____ the future of engine design to _____?

_____ me about upcoming _____ changes _____ better _____ economy?

_____ there any info you _____ engine improvements _____ fuel _____?

When can I _____ new _____?

_____ information _____ fuel-saving engine improvements.

_____ possible you will share _____ on _____ for _____ efficiency?

_____ there _____ on how _____ efficiency of engines?

Future fuel _____ engines?

Can you tell me _____ improvements in _____ for _____ economy?

You _____ on fuel-efficient _____ upgrades.

_____ about fuel _____ design upgrades.

_____ you _____ data _____ future engine _____ are meant to _____ fuel _____?

_____ any upcoming changes to _____ engines _____ are _____ designed for _____?

_____ is _____ get better gas mileage _____?

Is _____ information _____ better _____ designs for fuel _____?

_____ guys can tell me about _____ efficient _____.

_____ possible _____ about upcoming engine technology improvements _____ better _____ economy?

Does anyone _____ how engines _____ gas mileage?

_____ any information _____ upcoming eco-friendly engine _____?

_____ fuel _____ improvements _____ engines in _____ future?

_____ want to _____ about upcoming _____ updates.

_____ in _____ eco-friendly _____ updates.

Can ____ tell me ____ the future ____ for ____ fuel ____.

____ insight into upcoming engine ____?

I am ____ in ____ updates.

____ guys can ____ me ____ the ____ stuff.

New ____ any leads?

____ it out, what's the ____ changes for ____?

____ you ____ how ____ design will ____ fuel ____?

Information ____ engines ____ needed.

Can ____ give us information ____ upcoming ____?

There ____ updates on ____ fuel- ____?

____ insights ____ offer into the ____ of engine ____ to ____ economy?

Is ____ new ____ to ____ that ____ fuel efficiency?

____ developments aimed at enhancing fuel ____

____ it possible to ____ data ____ future ____ developments that ____ improve ____?

Do you know ____ latest changes ____ to increase gas ____?

I ____ about upcoming ____ in engines' ____.

____ you know any ____ engine developments ____ improved ____?

I ____ if there ____ any ____ that contributes ____ improved fuel efficiency.

Do ____ know ____ fuel-saving engine ____?

____ it possible to ____ updated ____ that increase fuel ____?

____ on ____ improvements in fuel ____.

Can ____ tell me about ____ engines' ____?

____ you know ____ about upcoming improvements ____ improve fuel economy?

____ tell us ____ future engine ____?

Will you offer ____ engine ____?

____ are you ____ to tell ____ about the ____ stuff?

We need ____ on ____ engine ____.

____ there any ____ on ____ fuel-saving ____?

____ engine designs for ____ mileage?

____ me about ____ improvements ____ fuel ____?

Can you tell me what the future ____ engine design ____ of ____ filthy ____?

I need ____ info ____ upcoming ____.

Data on ____ aimed at ____ efficiency ____ be furnished.

____ you give us ____ upcoming innovations ____ design for ____ economy?

____ information for engine ____?

____ you ____ any new engine improvements ____ are ____ to ____?

____ new information ____ upcoming engine improvements ____ aim ____ better ____ mileage?

____ latest ____ to improve gas ____ of future ____?

I ____ like ____ know about ____ developments ____ improved ____ efficiency.

Please share information on ____.

____ on improved ____ for more ____.

____ there ____ information ____ forthcoming ____ progressions?

____ it ____ what's ____ on ____ upgrades for improving ____?

____ there ____ about improved ____ engines?

____ anything you know about ____ future ____ for squeezing ____ out of those ____ burners?

Please ____ for ____ fuel-saving engine ____.

____ there any ____ in the engines that are ____ designed ____?

____ tell ____ about recent developments in ____ to ____ fuel economy?

Did ____ about ____ engine design to ____ gas mileage?

____ any ____ about ____ technology that ____ improve fuel economy?

What _____ fuel _____ engine stuff?

I'm wondering what _____ engine _____ look like to _____.

_____ is _____ when it _____ engine _____ for _____ mileage?

_____ on _____ upgrades for _____ mileage?

Is there any _____ improve _____ efficiency?

Fuel efficiency _____ engine _____?

_____ the latest _____ in _____ design to enhance _____ mileage?

Will _____ know about engine _____ fuel efficiency?

_____ me _____ updates on fuel efficient engines.

What _____ on _____ mileage _____ innovations?

Is there anything _____ know _____ future of _____ to squeeze _____ out _____ filthy burners?

_____ developments saving fuel _____?

_____ efficiency news _____ design?

Can _____ give _____ insight into _____ upcoming engine _____?

I _____ know if _____ advancement that contributes to better fuel _____.

_____ insights can you _____ into forthcoming _____?

_____ know if you know of _____ upgrades.

_____ be new advances _____ fuel-saving _____?

Information _____ engine design _____ is _____.

Is there any new _____ about _____ improvements _____ aim at _____?

_____ possible that you will share _____ engine _____ efficiency?

_____ next-gen engine developments that _____ fuel _____?

_____ upcoming _____ engines designed for _____ gas mileage.

Are there _____ improvements _____?

I am _____ in _____ for greater fuel _____.

Data _____ future engine developments _____ enhancing _____ could be _____.

Can you give _____ details on _____ engine _____ that _____ achieve _____ fuel _____?

Can I expect _____ new developments _____?

Got _____ about the new _____?

When will _____ see _____ innovations in _____ technology?

Is there _____ engine advancement _____ improve _____ efficiency?

_____ am curious _____ upcoming eco-friendly _____.

Please _____ us _____ about fuel _____ upgrade.

_____ there any information _____ upcoming _____?

Do you _____ the new _____?

_____ any information _____ upcoming advances _____ fuel-saving _____?

Tell us _____ the _____ design _____.

I _____ to know _____ any _____ engine enhancements _____ contribute to improved _____.

Is _____ can tell me _____ in engine _____ to achieve _____ fuel _____?

_____ me about the fuel _____ engine _____.

_____ you have _____ future engine _____ aim to _____ fuel _____?

Are _____ engine _____ aim _____ better gas mileage?

Is _____ update on _____ efficient _____?

_____ you able _____ insight into _____ efficiency progressions?

Do _____ know any _____ engines?

_____ the _____ future _____ designs to improve _____ economy?

_____ know more about the latest _____ of future engines.

Is there anything _____ can _____ the _____ design to _____ fuel _____?

Update on _____ mileage _____?

What new _____ there _____ improve _____ efficiency?

_____ it possible _____ on _____ innovations for fuel _____?

_____ can _____ expect _____ inventions _____ fuel-saving _____ technology?

Information sought _____ next-gen _____.

Is _____ any _____ regarding upcoming _____ technology _____ better _____ economy?

Do _____ any updates _____ more _____ efficient _____?

_____ about _____ that _____ improve fuel _____?

I'd like to know how engines are _____.

_____ you _____ the _____ improvements in engine design _____ economy?

_____ increased _____ mileage with new _____?

_____ me what's coming _____ for boosting _____ economy in _____?

Are you aware _____ the _____ enhance gas mileage?

I _____ you to _____ more _____ motor designs.

_____ you _____ engine design _____ look like _____ squeeze more mileage out of _____ engines?

Will _____ tell _____ engine innovations _____ efficiency?

_____ there _____ in engine _____ that will improve fuel _____?

_____ you _____ me _____ forthcoming eco-friendly _____?

_____ generation _____ that save _____?

_____ know about new _____ that _____ improve _____ efficiency?

News _____ in _____ mileage _____?

_____ aware of _____ new eco-friendly _____?

Are _____ aware _____ upcoming _____ in engine _____ that _____ fuel economy?

_____ know about new _____ will improve fuel efficiency.

Do you know _____ boosting fuel _____ in _____?

What _____ the upcoming _____ motor?

Please _____ us know about fuel _____.

_____ can you give into _____ efficiency _____?

_____ there _____ upcoming changes or innovations _____ engines _____ gas _____?

_____ me know if recent _____ in engine _____ boost _____

Do you _____ anything about _____ technology _____ save _____?

Is _____ any _____ you _____ share on _____ improvements _____ fuel _____?

Next-gen _____ fuel?

Can you _____ about _____ engines and _____ that _____ happening?

_____ know what's _____ for boosting fuel economy _____.

_____ you aware of _____ in _____ design _____ improve fuel _____?

Do _____ any updates _____ fuel-efficient _____?

Is there _____ new _____ about _____ aimed at better _____?

Please _____ everyone know _____ design upgrades.

_____ can _____ tell us about _____ engine _____ aim to _____ better fuel _____?

Is there _____ on improvements _____ engines _____ efficiency?

_____ about upcoming improvements _____?

_____ am interested in _____ improved engine designs _____ fuel _____.

_____ have _____ to spill the _____ fuel _____ engine stuff?

_____ any _____ engine developments _____ improved _____?

_____ you _____ the fuel economy _____?

There are _____ improvements _____ aimed at _____ gas _____?

_____ are you _____ to _____ us _____ upcoming _____ engine stuff?

_____ would like _____ know _____ about _____ improvements that _____ to improve gas _____.

I _____ like to _____ upcoming engine _____ for better fuel _____.

Tell _____ about _____ that increase _____.

I _____ to know _____ the upcoming _____.

Do ____ have ____ on ____ engine developments that are aimed ____ ?

Recent developments ____ are ____ at achieving better ____ ?

____ I expect ____ technology ____ change?

Is there ____ on ____ engine improvements ____ aim at ____ gas ____ ?

____ to ____ how engines ____ gonna ____ better gas ____ soon.

____ get better ____ in the near future?

Want ____ most up to ____ improve ____ gas ____ future engines?

____ you know ____ upcoming ____ updates ____ ?

What ____ developments that will ____ efficiency?

New engines ____ boost ____ ?

Can ____ give ____ engine design improvements that will ____ economy?

____ there ____ information ____ motor designs?

Do ____ of upcoming ____ engine ____ improve fuel economy?

____ need to know more ____ engine ____.

Are there upcoming changes in ____ for gas ____ ?

Do you ____ information on ____ ?

____ about the ____ changes in engines' efficiency?

Are there any ____ to ____ that ____ specifically ____ enhanced ____ mileage?

____ improved ____ mileage ____ new engine ____.

____ there is updated information on ____ to ____ fuel efficiency.

____ want to know about new ____ increase mileage.

____ tell me about ____ in engine design ____ achieve ____ ?

How about facts ____ tech?

____ me ____ any new engine developments ____ will ____ fuel ____ ?

____ there updated ____ on making engines that ____ ?

____ on the ____ efficient engines?

____ need to ____ store ____ future engine designs to ____ fuel ____.

____ to me about ____.

____ how engines ____ get ____ gas mileage?

Is there ____ data on future ____ that ____ enhancing ____ ?

There are ____ that ____ increase fuel ____ ?

Any ____ to the ____ prototypes?

____ engine ____ that ____ gas?

____ on ____ efficient engine ____ can be ____.

____ tell ____ about the ____ of ____ design to squeeze ____ mileage ____ engines?

____ to offer ____ developments in ____ design to ____ fuel economy?

Are ____ aware of any ____ efficient engines?

____ provide ____ on ____ engine developments that ____ enhance ____ efficiency?

____ know anything about ____ advancements in engine ____ gas mileage?

Does anyone ____ the ____ get ____ gas mileage?

____ fuel efficient ____ designs.

____ tell me about upcoming engine ____ that ____ improve ____ ?

____ on fuel ____ improvements should be ____.

Is ____ information about the future ____ for ____ out of ____ filthy burners?

What recent ____ in engine ____ better ____ economy?

Any information ____ ?

Request information ____ advances.

Is it possible ____ the ____ are ____ mileage soon?

What's ____ future ____ designs to improve ____ ?

Information on ____ design ____ can ____ shared.

Future ____ in ____ ?

____ give me ____ into upcoming ____ efficiency ____?

____ on fuel saving engines?

____ there any data on ____ developments designed ____ enhance ____?

What information ____ engine designs for ____?

____ tell me the future ____ engines that ____ economy?

Is there ____ upcoming advancement ____ improve ____ economy?

____ you ____ me ____ upcoming ____ updates?

Tell ____ about some ____.

____ want ____ know if ____ are any new ____ to ____ fuel efficiency.

____ know ____ efforts ____ increase the gas mileage of ____.

____ future developments ____ fuel- efficient ____?

____ can ____ us about the ____ engine stuff?

Is ____ fuel ____ with new engine tech?

____ on the ____ efficient ____.

____ with the engines and mileage ____.

Will you ____ public ____ about ____ improvements ____ fuel ____?

____ you tell ____ about ____ engine design ____ help with fuel ____?

____ improvements to fuel ____?

____ know ____ engine design changes.

____ there ____ could tell me ____ the ____ design in order to ____ fuel ____?

____ about the upcoming ____.

There ____ upcoming changes in ____ mileage.

____ efficient engines?

Do you know ____ about ____ in engine ____ improve ____?

Next fuel ____ improvements ____?

____ what's ____ scoop on engine upgrade ____ mileage?

____ will you ____ about ____ in engines' efficiency?

____ there any ____ designed for ____ gas mileage?

____ to ____ about upcoming improvements in ____ of ____.

____ any information ____ better engine ____ fuel efficiency?

Is there any ____ on ____ save ____?

____ innovations for fuel efficiency?

Is ____ any ____ information on how to ____ increase ____?

____ you ____ of ____ in engine design that will ____?

____ you ____ me ____ recent ____ in ____ design that ____ better fuel economy?

____ you have ____ on ____ eco-friendly ____?

Can ____ expect changes ____ technology ____?

____ it ____ to ____ details ____ recent ____ engine ____ designed to ____ better fuel ____?

____ if there ____ new ____ developments for improved ____ efficiency.

____ upcoming changes in ____ for enhanced gas ____?

There ____ improvements aiming for better ____?

____ know ____ upcoming improvements in ____ to ____ fuel economy?

____ any new ____ that ____ to ____ fuel efficiency?

Are ____ any upcoming ____ to ____ are ____ designed ____ gas ____?

____ tell ____ the engines are ____ better gas mileage?

Are ____ of ____ updates ____ more fuel-efficient ____?

Do you ____ anything about ____ for ____ fuel economy ____?

Could ____ about ____ engine ____ that aim ____ enhance fuel ____?

Insight about ____ new engine ____?

Information ____ future ____ efficient engines?

____ there ____ engines that ____ increase fuel ____?

Do ____ have ____ upcoming engine ____ that ____ for better ____ mileage?

Can you ____ technology changes for better ____ economy?

____ me about ____ upcoming ____ in engine technology ____ better fuel ____?

Can ____ about ____ refinements ____ engine ____ for better ____ economy?

____ me ____ motor designs.

Do you ____ anything ____ the ____ in engine ____ to ____ mileage?

Insights ____ fuel mileage ____ tech.

Is it possible ____ engine ____ could ____?

____ need to ____ upcoming eco- ____ updates.

____ there upcoming ____ to ____ design to ____ economy?

____ tell me if ____ developments ____ technology boost ____ efficiency.

____ engine design ____ better mileage?

Enhancing ____ innovations?

____ on future engine ____ enhancing ____ efficiency may be ____ interest ____.

____ to know ____ are going ____ get better gas ____.

____ on ____ engines

____ it possible that ____ engines ____ get better ____?

____ there ____ an update ____ engine innovations?

What ____ new ____ of engines for ____ mpg?

____ you tell ____ about ____ on more ____ efficient ____?

Can you tell ____ the ____ for ____ fuel efficiency?

Is ____ in ____ for ____ mileage?

Is ____ any ____ you can ____ into ____ engine ____ improve ____ economy?

Do you ____ anything about the newest ____ in ____ mileage?

Is ____ on upcoming advances in ____ technology?

Can ____ me ____ new ____ motor?

Fuel ____ engines?

How ____ gonna ____ better gas ____?

____ it ____ that ____ can ____ green ____ developments?

____ about fuel-efficient engine ____ improvements.

Is there ____ technology for better fuel ____?

____ going ____ future engine designs to improve ____?

Do you ____ future of ____ design will ____ like for ____ more mileage ____ burners?

____ there upcoming ____ in ____ design ____ improve ____ economy?

Can ____ tell ____ more ____ upcoming ____ progressions?

____ efficient ____ prototypes; ____ leads?

Is there an ____ inventions?

What ____ in ____ for engine designs ____ economy?

____ on engine improvements ____ fuel ____?

____ you able ____ provide insight into forthcoming ____?

____ anyone ____ me about ____ advances ____ motor?

____ efficiency ____ any leads?

____ you ____ me about ____ engine ____ that ____ contributing ____ improved ____ efficiency?

____ to tell ____ about the ____ fuel-efficient ____ stuff?

Please tell ____ about ____ efficient ____.

____ request more ____ on ____ improvements.

Better gas ____?

____ know what ____ store for future ____ designs to ____ fuel ____.

_____ mileage _____ innovations?

_____ tell me what is going _____ engines and _____ ?

Upcoming _____ developments _____ fuel?

_____ tell _____ engine design for better fuel economy.

_____ anyone _____ the _____ engine design will look _____ to _____ more mileage out _____ those _____ ?

Can you _____ me _____ upcoming _____ engine design _____ economy?

_____ like to _____ there are any _____ that are contributing to _____ fuel _____.

Let _____ if _____ are _____ innovations in _____ technology _____ fuel efficiency.

Enhancements _____ engine _____ MPG?

Is _____ insight _____ share _____ future of _____ design _____ improve fuel economy?

_____ tell me about _____ improvements to _____ design _____ better fuel _____ ?

Suggestions _____ improved _____ with _____ tech?

_____ the upcoming improvements in _____ ?

Can _____ tell _____ about _____ for better fuel economy?

_____ an _____ mileage engine innovations?

Can you _____ me _____ engine designs _____ fuel _____ ?

Is _____ can _____ regarding upcoming _____ technology improvements _____ fuel economy?

_____ it _____ the scoop _____ engine improvements _____ mileage?

What about the _____ engines?

Is there _____ upcoming _____ the _____ are _____ for _____ mileage?

Is there a future _____ that _____ out of those _____ ?

_____ know _____ the latest _____ in engine design _____ mileage?

_____ you know what _____ future of _____ design _____ for _____ more mileage _____ of _____ filthy _____ ?

_____ interested in _____ fuel-saving engines.

What is the _____ for boosting _____ ?

_____ enhancements boost _____ MPG?

_____ about the _____ engines that _____ increase _____ ?

I want _____ engines will get better _____ soon.

Can you tell _____ about _____ mileage _____ engine tech?

What should _____ expect in _____ ?

Is _____ possible to find updated _____ to engines that _____ ?

Are you aware _____ upcoming _____ that will _____ fuel economy?

Can _____ me _____ future engine developments _____ aim to _____ ?

Can _____ know _____ the _____ fuel-efficient engine stuff?

_____ upcoming fuel efficient engines.

Any _____ on _____ fuel _____ new _____ tech?

_____ any updated info about _____ that increase fuel _____ ?

_____ fuel _____ improvements in _____ future?

_____ can _____ about the _____ fuel efficient _____ stuff?

Please _____ about _____ efficient _____ design _____.

_____ will the _____ get _____ mileage _____ ?

What _____ fuel _____ in engines?

_____ there any _____ upcoming _____ technology _____ will _____ fuel economy?

Insight _____ efficiency _____ design?

_____ any _____ changes in engine design _____ economy?

There _____ that are specifically _____ enhanced gas mileage.

_____ there _____ tell me about upcoming _____ progressions?

_____ are upcoming _____ the engines _____ for _____ gas _____.

Do _____ know _____ latest _____ in _____ increase gas mileage?

_____ information on _____ design to improve _____ economy?

_____ upcoming changes or _____ the _____ enhanced gas mileage?
_____ any _____ engine enhancements that contribute _____ improved _____?
Is _____ anything you _____ tell me _____ upcoming engine _____ economy?
_____ fuel-saving engine enhancements.
_____ engine designs for better _____?
_____ to know about _____ engine designs for _____.
Brief information _____ engines.
_____ there _____ changes _____ that are specifically _____ for increased gas _____?
Is there _____ upcoming _____ that are specifically _____ for _____?
Is _____ on _____ engine designs that _____ fuel _____?
_____ it possible to offer _____ on recent developments _____ to _____ fuel _____?
What about new _____ boost _____?
_____ about _____ engine _____?
Are you aware _____ engine _____ will _____ economy?
Is it possible _____ give data _____ future _____ increasing _____ efficiency?
_____ efficient engine _____ is useful.
_____ is new _____ design to _____ more efficient?
_____ the facts _____ upgraded _____ tech?
Are you aware _____ upcoming _____ designs _____ fuel _____?
Is _____ about _____ engines _____ will boost fuel efficiency _____?
_____ would _____ to _____ there _____ any _____ engine _____ for improved _____ efficiency.
Let _____ about fuel efficient _____.
Is _____ about the upcoming engine technology _____ for _____?
Can you _____ me _____ technology updates that will improve _____?
_____ new _____ engine _____ improve mileage?
Do _____ about _____ economy advances?
_____ are _____ engine improvements _____ will _____ for _____ gas _____.
_____ about _____ upgrade to _____ for _____ efficient _____ use?
Is there _____ in engines for improved _____?
Is _____ on fuel-efficient engines.
Can _____ me about upcoming _____ fuel-saving _____?
Please let others _____ efficient engine _____.
News _____ that save _____.
_____ guys _____ tell _____ about the _____ fuel-efficient _____ stuff?
How _____ get _____ mileage soon?
_____ about future _____ efficiency progressions?
I want to _____ about _____ in _____ efficiency _____ the _____.
_____ the latest efforts _____ gas mileage of _____?
_____ know about improved _____ engines?
Let me know if there _____ recent _____ in _____ increase _____.
_____ new _____ engine design _____ better _____?
I would like to _____ what _____ engine _____ will be for _____ out _____ burners.
When _____ I expect _____ in fuel-saving engine _____?
Can you _____ upcoming fuel-efficient engine _____?
_____ let me _____ fuel-_____ engine _____ upgrades.
Fuel _____ the _____ design.
_____ us _____ fuel efficient _____ designs.
_____ any _____ into the _____ of engine _____ fuel economy.
_____ let me know if there _____ in _____ that _____ fuel efficiency.
_____ will _____ economy _____ engines?

_____ you _____ about _____ engine _____ that improve fuel _____?
_____ on fuel-saving engines?
Is there _____ improving _____ that increase fuel _____?
_____ about the _____ engine design _____ squeeze more mileage out of _____ burners.
Provide _____ future of _____ engines?
You _____ can _____ the fuel-efficient engine _____?
_____ want to _____ there are any new engine _____ fuel efficiency.
Are _____ on _____ fuel _____ improvements?
Tell me _____ new _____ developments that _____ fuel _____.
_____ you _____ about _____ engine _____ that are eco-friendly?
Is _____ possible that engine advances _____?
_____ upcoming _____ in _____ design that _____ help improve _____ economy?
Let me _____ if there _____ any _____ developments _____ that _____ fuel _____.
Information _____ engines.
Can _____ upcoming _____ efficiency progressions?
_____ engine design _____ improve _____ economy?
Will there _____ to the fuel _____?
Is _____ new information _____ fuel-saving _____?
_____ on _____ latest _____ engine design to enhance gas mileage?
_____ know about upcoming improvements in _____ better _____ economy.
_____ would _____ know if there are _____ new _____ improvements that are _____ to _____.
I want _____ if _____ any new engine _____ to _____ fuel _____.
_____ new engines that _____ fuel _____?
_____ are upcoming _____ or innovations _____ enhanced _____ mileage.
Do _____ know _____ latest _____ in _____ to improve _____ mileage?
_____ of future _____ in _____ engines?
Is there _____ new _____ that will improve _____?
_____ upcoming _____ engines?
_____ know _____ engines _____ going to get _____ gas _____?
Is _____ information about _____ efficiency _____?
Is _____ information _____ enhancements _____ fuel _____?
Is _____ regarding technology that _____ on _____ consumption?
Information on upgrade to _____ efficient _____.
_____ for _____ economy engines.
_____ improvements _____ for better _____ mileage?
Want _____ learn about the latest _____ to _____ the _____ engines.
_____ it _____ what's the scoop on _____ that _____?
_____ you tell _____ about new _____ that _____ fuel _____?
Please, _____ on _____ enhancements.
Can _____ tell me about recent _____ in engine design _____ better _____ economy?
Please _____ if _____ recent developments _____ engine _____ boost _____ efficiency.
I _____ information _____ improved engine _____ better fuel _____.
news _____ improved gas _____
Can _____ about upcoming _____ design _____ for better _____ economy?
_____ upcoming changes in _____ technology that will _____ fuel _____?
Is it _____ improvements can _____?
_____ tell me if _____ developments in engine technology _____ improves _____.
_____ the _____ advancement in engine _____ improve gas _____?
Is _____ a news _____ mileage _____?
_____ information _____ engine designs for _____?

_____ of engine _____ that _____?

What _____ the details of _____?

Do you _____ of _____ new _____ developments that _____ fuel _____?

_____ there _____ upcoming changes _____ gas _____ in the _____?

Can _____ me _____ new engine _____ are _____ to _____ fuel _____?

What _____ the _____ innovations _____ engines' _____?

Do _____ know _____ engines that will _____ fuel efficiency _____?

_____ you _____ of upcoming _____ engine design _____ fuel economy?

Let me know _____ have _____ developments in _____ technology _____ fuel _____.

Is _____ any _____ on the latest _____ increase gas _____?

_____ there _____ new _____ engines designed for _____ gas mileage?

Is _____ to _____ information _____ design improvements for _____ fuel economy?

What _____ upcoming _____ in _____ engines' _____?

Want updated on _____ the gas _____ future _____?

_____ fuel-saving engines are _____?

What _____ latest engine _____ for improved _____?

_____ the _____ updates on _____ improve _____ mileage of _____ engines.

_____ any _____ designed for _____ mileage in the engines?

What are _____ plans _____ future _____ designs _____ improve fuel _____?

_____ is _____ engine design for improved _____?

I'm _____ about _____ for boosting _____ economy _____ engines.

_____ fuel-efficient engine design improvements.

Is there any _____ advancements _____ engine _____ fuel _____?

_____ know about upcoming innovations _____ engines' _____.

Do _____ know _____ upcoming _____ in engine _____ to improve _____?

_____ would like _____ what the future _____ will be _____ economy.

_____ information _____ improved _____ mileage with new engine _____?

_____ me _____ new developments _____ improved fuel _____

Can _____ upcoming fuel- efficient engine stuff?

There are _____ efficient motor _____?

_____ on _____ engine _____ save _____ for cars.

Will _____ let _____ know about _____ for fuel _____?

_____ know _____ about new technology _____ save on _____?

_____ is happening _____ and fuel _____?

Are _____ upcoming engine _____ will improve _____ economy?

info available on _____ to _____ for _____ efficient _____?

Are _____ upcoming innovations in engine _____ to _____?

Will _____ engine designs _____?

Is _____ any _____ on the _____?

Can you tell _____ that _____ save on _____ consumption?

_____ you _____ insight _____ upcoming engine efficiency progressions?

_____ you know anything _____ of _____ squeezing more mileage out _____ those filthy _____.

_____ are _____ steps to increase _____ in engines?

_____ upcoming changes _____ the _____ are _____ for enhanced gas mileage?

What _____ upcoming improvements _____ efficiency that _____ can _____ me?

New _____ engines?

Did _____ know about _____ engines _____ fuel efficiency?

_____ fuel _____ engine design enhancements.

Engine _____ could _____?

Are _____ upcoming changes _____ to increase fuel economy?

_____ any insight you could give into _____ future of _____ economy?

Is there _____ engines?

There _____ upcoming engine _____ gas mileage.

_____ me about _____ upcoming fuel efficient _____ stuff.

News _____ saving fuel?

_____ the upcoming eco-friendly engine _____.

Can you tell me _____ upcoming _____ engine technology _____ fuel _____?

I want _____ how the engines are _____ to get _____.

_____ about _____ engine improvements?

_____ to know _____ are any upcoming engine improvements _____ aim to _____.

_____ designs that are efficient

_____ of fuel efficient _____?

You guys _____ the beans _____ efficient _____ stuff?

_____ advances in fuel-saving motor _____?

Is there news _____ mileage _____.

Are you _____ of _____ in _____ to improve _____ economy?

_____ insight into _____ efficiency progressions?

_____ aware of _____ future _____ design for squeezing more _____ out of _____?

Do _____ know _____ designs _____ will _____ fuel economy?

Is _____ any new _____ engines?

_____ know if _____ are any _____ developments in _____ technology that _____ efficiency.

_____ engines are going _____ get _____ gasoline _____?

_____ be able to tell us _____ efficient _____ stuff?

_____ you know the _____ in engine design _____ mileage?

There _____ upcoming changes _____ engines _____ designed _____ gas mileage.

Can you _____ about _____ in engine _____ that are _____ achieving _____ economy?

Is _____ to give _____ into the _____ of _____ aimed _____ better _____ economy?

_____ there any _____ on _____ for increased fuel _____?

_____ you know anything _____ upcoming _____?

What _____ tell _____ about the future of _____ design _____ order _____ economy?

_____ you _____ about upcoming fuel-efficient engine stuff?

_____ you _____ me any _____ on how _____ get _____ mileage?

_____ future _____ in fuel efficient _____?

_____ any news on _____ engines?

_____ is new _____ design to make _____ fuel _____?

_____ are _____ improvements in _____ efficiency _____ engines?

Can _____ tell _____ about _____ engine design for _____?

_____ need updates _____ how _____ will _____ better _____ mileage.

Spit _____ out, _____ the scoop _____ upgrades _____ improve _____?

Any _____ about _____ to _____?

_____ your _____ get better _____ mileage _____?

Tell _____ motor designs

_____ to know how engines _____ to _____ better _____ mileage.

Can _____ tell _____ upcoming _____ technology _____ for better fuel _____?

I want _____ will share information on engine _____ fuel _____.

Can _____ information _____ engine _____ will improve fuel economy?

_____ on fuel-efficient _____ design _____ shared.

Is _____ any updates on _____ improvements that aim _____ gas _____?

_____ to know _____ will look _____ to improve fuel economy.

_____ you _____ any _____ engine _____ are contributing to _____ fuel _____?

_____ me know _____ efficient engine _____.

Want to _____ to improve _____ mileage of future _____

I _____ upcoming improvements in _____ efficiency.

I _____ to _____ about recent _____ in engine design _____ aimed _____ achieving better _____.

Is _____ any information _____ upcoming _____ to improve _____ mileage?

_____ there any information you can _____ on engine _____?

Is _____ insight _____ future advancement _____ engine _____ aimed at better _____?

_____ engine _____ are _____ for better mileage?

_____ you hear _____ engines that _____ efficiency soon?

_____ you tell me _____ will look like _____ fuel economy?

_____ it possible _____ updated information _____ to engines that increase _____?

Can you give _____ about upcoming _____ in _____ fuel economy?

_____ there _____ information about _____ engines _____ increase fuel _____?

Will there _____ upcoming _____?

_____ any information you can give _____ engine _____ for _____ economy?

info _____ the _____ engines _____ more efficient gas _____

Information _____ forthcoming fuel _____.

Want _____ updates _____ efforts to improve _____ mileage _____ engines.

Do _____ engine design to enhance gas mileage?

What _____ able _____ us _____ the fuel-efficient engine _____?

Information _____ engine designs _____ greater _____.

Is there _____ you know _____ future _____ design _____ squeezing more _____ out of _____?

_____ there _____ new information _____ aiming for _____ gas mileage?

Can _____ expect new _____ engine _____?

Can _____ upcoming _____ friendly engine updates?

Are _____ new _____ that _____ boost fuel _____?

_____ about _____ future of _____ efficient _____?

_____ in _____ efficient engines?

Can _____ us _____ upcoming _____ technology _____ for better _____ economy?

Are _____ advancements in engine design to _____ fuel _____?

Can you _____ how _____ engine _____ improve fuel economy?

Please _____ the word about _____ design _____.

_____ it _____ improved gas _____ engines?

Is there _____ information _____ for fuel _____?

What _____ future engine designs _____ economy?

_____ engine designs improve _____ economy?

Is there _____ engine _____ progressions?

_____ request _____ engine advancements.

_____ am _____ in upcoming _____.

Is there _____ about _____ engine improvements aiming _____ gas _____?

_____ I _____ more fuel-saving _____ in the near _____?

_____ new _____ developments for _____ efficiency?

_____ you aware of _____ latest _____ in _____ improve gas _____?

Will you _____ know _____ engine changes _____ fuel _____?

_____ about _____ engine _____ progressions?

Is there _____ or _____ for gas mileage?

_____ you _____ about upcoming engine design changes _____ economy?

I want _____ know _____ future _____ will _____ for squeezing more mileage out _____ burners.

Is there news about _____?

_____ tell _____ about the _____ engine _____.

_____ let _____ upcoming fuel-efficient engine stuff?
 Is _____ on _____ engines?
 Do _____ have info _____ economy _____?
 Do _____ any news _____ mileage _____ engines?
 _____ there any information _____ fuel _____?
 _____ I expect more _____ technology _____ the _____?
 _____ expect _____ advances in _____ saving engine _____?
 Want the latest _____ gas mileage _____ future _____?
 _____ was _____ about new engines _____ boost fuel _____.
 _____ expect improvements _____ fuel-saving engine _____?
 _____ engine improvements _____ fuel _____?
 _____ engine _____ that _____ fuel?
 Let _____ know about _____ developments _____ fuel efficiency.
 _____ developments _____ engine _____ intended to _____ better fuel _____?
 Can you tell me what the _____ look like _____?
 _____ tell me _____ upcoming _____ in _____ saver motor?
 _____ upcoming fuel-efficient engines.
 _____ on _____ fuel-efficient engines?
 Did _____ know about new _____ that _____ boost _____?
 Tell us more _____.
 I would _____ know how _____ will get _____ gas _____.
 You can tell _____ about _____ upcoming _____ engines _____.
 _____ the _____ efforts _____ improve the gas _____ of _____ engines.
 _____ future engine _____ aimed at enhancing _____ efficiency _____ me?
 _____ tell me _____ about _____ engine efficiency _____?
 You can tell _____ upcoming _____ engine _____?
 _____ there any _____ developments that aim _____ increase fuel _____?
 Is there _____ changes _____ engines that are _____ improved _____ mileage?
 I need info _____ improved engine _____ for _____.
 Is there any _____ changes _____ designed _____ increased _____?
 Want the _____ efforts to _____ the gas mileage _____?
 _____ expect _____ technologies in fuel-saving _____ soon?
 _____ me _____ the _____ engine _____ improve fuel efficiency?
 Request information on _____?
 Is _____ a _____ advancement _____ engines?
 Is _____ any _____ upcoming engine design improvements _____ improve _____?
 _____ improvements _____ engines' _____ can you tell me _____?
 Is there any _____ for _____?
 Is there _____ upcoming _____ for _____ gas mileage _____?
 _____ the _____ fuel- efficient _____.
 Can you _____ us _____ into _____ progressions?
 Will _____ upcoming fuel economy _____?
 _____ engine _____ for a better fuel _____?
 _____ designs for fuel efficiency
 What _____ the _____ on _____ engines?
 Is _____ new engine _____ that are _____ to improve _____?
 Can you tell _____ about _____ efficient _____?
 _____ about _____ that will increase fuel efficiency?
 Is _____ anything _____ tell me about _____ to _____ fuel economy?
 Please _____ information about _____.

_____ information about improved engine designs _____?

_____ people _____ fuel _____ design upgrades.

Please, _____ information _____ fuel-saving _____.

_____ the _____ efforts to improve the _____ of future _____

_____ you know anything about _____ in engine _____ maximize gas _____?

Is _____ new news _____ mileage _____?

_____ tell me _____ recent _____ in engine design that _____ achieve _____ fuel _____?

Are you able _____ the _____ fuel efficient _____ stuff?

_____ any information on _____ economy improvements in _____?

_____ engine _____ should be shared.

_____ me _____ are _____ in engine technology that increase fuel _____

_____ it _____ to _____ insight into _____ future _____ engine design to _____ economy?

Do you know _____ design _____ improve fuel economy?

I want to _____ more _____ engine designs _____ efficiency.

Future advancements _____ engines?

_____ about the _____ of fuel- _____?

Is there _____ engine _____ that aim _____ improve _____?

_____ fuel efficient engines.

_____ improvements for fuel efficiency?

I _____ if _____ are any _____ engine improvements _____ improve gas _____.

Can I anticipate new _____?

Are _____ aware _____ engine _____ for _____ more mileage out of the _____?

You _____ me about upcoming fuel- efficient _____.

_____ how to _____ fuel mileage _____ new _____ tech.

Can you _____ me _____ the _____ innovations _____ engine design _____ economy?

How _____ the _____ of _____?

Spit _____ out, what's _____ scoop _____ engine upgrades _____?

_____ to _____ fuel economy _____?

You _____ can spill the _____ on upcoming _____?

Tell me _____ the _____ to engines _____.

Are _____ design improvements _____ improve fuel economy?

Provide information about _____.

_____ upcoming engine design _____ improve fuel economy?

_____ any new news _____ fuel-efficient _____?

_____ insights _____ upcoming _____ efficiency progressions?

_____ there _____ can _____ about upcoming _____ improvements for better _____ economy?

_____ efficient _____ design improvements is _____.

Do _____ what's _____ with _____ and _____ improvements?

Is information _____ engine improvements _____ fuel _____ to _____?

Insights _____ upcoming engine _____ progressions _____ provided by _____.

Can _____ tell me _____ the _____ of engine _____ for _____ more mileage _____ of _____ burners?

_____ there new engines _____ fuel _____?

_____ the _____ advancement _____ fuel- efficient _____?

I _____ what's _____ next for increasing _____ in engines.

Is _____ about _____ engines that _____ boost _____ efficiency?

How _____ are going _____ get more _____?

Is _____ new information _____ upcoming engine improvements _____ mileage?

I would _____ to hear _____ in _____ to increase _____.

Is _____ new engine _____ that would improve _____?

Do you have any _____ on upcoming _____ aim _____ gas _____?

Want the latest updates _____ gas _____ of _____ engines?

_____ know more about _____ motor _____.

Can _____ us about _____ in engine _____ improve fuel economy?

_____ should _____ about efficient motor _____.

_____ there any information _____ technology _____ better _____ economy.

_____ insights _____ you give into the future _____ design, _____ fuel _____?

Provide _____ of _____ improvements _____ engines.

I'd _____ to _____ developments _____ engine _____ to _____ better fuel economy.

_____ information about _____ innovations.

Is _____ on _____ engine designs that _____ efficiency?

_____ if there _____ recent developments _____ technology that _____ efficiency.

Future _____ fuel-saving _____?

Got information _____ motor?

Wanted re: next-gen efficient _____?

_____ you _____ the _____ engine design that improves gas _____?

_____ it possible to give future engine _____ fuel _____?

_____ it possible to _____ engine _____ fuel efficiency?

What _____ new engines that _____?

What _____ details _____ future fuel _____?

_____ do _____ on improved _____ designs for _____ fuel efficiency?

Can _____ give _____ about upcoming _____ engine design for better _____?

Do _____ know if _____ are contributing to _____ efficiency?

_____ there upcoming updates _____ technology _____ better fuel _____?

Is it _____ that you can _____ developments?

Provide _____ of _____ future _____ efficient _____?

_____ am interested in _____ engine developments _____ efficiency.

Please _____ know of fuel-efficient _____.

_____ you _____ any _____ about _____ motors?

_____ there any _____ what's next _____ boosting fuel _____?

Can you tell me about _____ enhancements _____ contributing to _____?

_____ information _____ engine technology changes that will improve _____ economy?

Can I _____ new _____ fuel-saving _____ technology _____?

_____ for _____ on fuel-saving _____ advancements.

Is there _____ is helping to improve fuel _____?

I'm _____ in _____ engine designs _____ fuel efficiency.

_____ would _____ to know _____ there is _____ engine _____ that _____ to improved _____ efficiency.

Is _____ any _____ engine advancement aimed at _____?

I _____ to _____ if _____ will share info on _____ for _____.

_____ latest _____ in engine _____ to increase gas mileage?

_____ be _____ in fuel-saving motor?

_____ future _____ fuel- efficient engines?

_____ can I _____ in fuel-saving _____ technology?

How about _____ spill the _____ fuel-efficient _____ stuff?

Are _____ of _____ engine _____ to improve fuel economy?

_____ about future _____ engines?

_____ there _____ upcoming fuel-saving _____?

Will _____ others _____ about engine _____ fuel efficiency?

_____ you know about _____ changes _____ efficiency?

Are you _____ to _____ the beans _____ fuel-efficient _____?

Updating on more _____?

_____ efficient _____ Any leads?

News _____ engines?

I _____ if there _____ engine developments that _____ to improved fuel efficiency.

What _____ the _____ in engine _____ for _____?

_____ know anything about upcoming _____ motor?

_____ how engines will get _____ gas mileage _____.

What _____ developments in fuel-efficient _____?

There are _____ changes _____ in engines _____ specifically designed _____ gas _____.

Is it _____ to _____ information _____ upcoming _____ in _____ for _____ fuel economy?

_____ better _____ updates, please.

_____ you _____ updates _____ more _____ engines?

Let us know _____ design _____.

Can you _____ me more _____ upcoming _____ changes _____ will _____ economy?

_____ there _____ about _____ gas mileage _____?

I'm interested in _____ on _____ engine improvements that _____ to _____.

Is _____ any _____ updates on _____?

_____ it _____ that you _____ information _____ engine _____ for fuel _____?

Are you _____ to share _____ for fuel _____?

Can _____ me more _____ upcoming engine technology _____ better fuel _____?

_____ need to know what _____ will _____ like to _____ fuel _____.

_____ an _____ on better mileage engine _____.

_____ there _____ fuel _____ in engine _____?

_____ on _____ engine design _____ needed.

_____ me about _____ will increase fuel efficiency?

_____ what's the scoop _____ engine improvements _____ improved _____?

Do you _____ new engines _____ fuel efficiency?

Is _____ word on better _____?

Can you _____ us _____ about forthcoming _____?

_____ on fuel efficient _____ should _____ shared.

_____ there an _____ on _____ mileage _____ innovations?

_____ there any information on _____ to _____ that _____?

_____ you _____ future designs _____ will improve fuel _____?

_____ like _____ know what is happening with _____ mileage _____.

_____ advancement in _____?

Can _____ more about upcoming engine _____ for _____ fuel _____?

Can I expect new _____ fuel-saving _____?

_____ in learning about _____ in engines' efficiency.

_____ know _____ about _____ engine designs _____ will improve _____ economy?

Is there _____ information _____ can provide _____ technology _____ fuel economy?

_____ upcoming _____ efficiency _____ you provide?

_____ there _____ Upgrades to _____ efficient gas _____ available?

_____ you know _____ about the latest _____ design _____ increase gas _____?

Are _____ to _____ me _____ the _____ efficient _____ stuff?

Do _____ have _____ on _____ that _____ improve fuel efficiency?

Can _____ me about _____ upcoming _____ engines' efficiency?

_____ information in _____ design?

_____ there _____ information _____ engine _____ aimed at enhancing fuel efficiency?

_____ any information _____ fuel economy improvements for _____?

_____ there any _____ give into the future _____ of _____ to improve _____?

Information _____ motor?

Please let ____ know about ____ engine ____.

Is there ____ information on ____?

____ latest efforts ____ improve ____ of future engines?

Is there ____ can give about upcoming ____ better fuel economy?

____ you know ____ any new ____ are contributing to ____?

Do ____ know ____ the future ____ design for ____ mileage out ____ those damn ____ burners?

____ into ____ upcoming engine ____ can ____ give?

____ on ____ motor?

____ it ____ get ____ upcoming engine ____ aiming ____ improve gas mileage?

____ motor ____ any ____?

Let ____ know about the ____.

____ have any ____ on ____ fuel efficient engines?

____ you ____ information ____ changes for ____ efficiency?

Can you ____ upcoming ____ designs for ____ economy.

What about upcoming ____ in ____ engines?

Next-gen ____ developments ____ fuel.

____ on ____ design upgrade ____ be ____.

Will ____ let ____ know ____ changes for fuel ____?

____ information about ____ engine designs ____ fuel ____?

The news ____ mileage ____?

____ you tell ____ about the ____ of ____ design in ____ to ____ more mileage out ____?

____ the ____ engines?
