

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Software updates and compatibility issues
Inquiry Sub-Category	Wi-Fi and network-related issues
Description	Customers may seek assistance with Wi-Fi connectivity problems, weak signal reception, or difficulties in connecting to specific networks, requiring troubleshooting steps or guidance to resolve the issues.
Data Size	5,830 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

How ____ nearby ____ signal ____ mine even though ____ to the ____ network?
Can you ____ phone has a ____ than those who are ____ the network?
____ cellphones have better ____ than ____ same provider?
____ don't get as ____ of ____ connection as people ____ me ____ mobiles ____.
____ we're ____ same carrier, others are displaying ____ signal ____.
When we are ____ the same ____ what ____ nearby phones ____ than mine
Network's ____ their phones reveal ____ signals?
____ we are on the same ____ else's ____ pick up ____ bars?
____ other ____ better strength when we ____ on ____ network?
I am ____ same ____ nearby phones show stronger ____.
Do nearby phones ____ signal bars ____ mine ____ though they are ____?
Even ____ on the same network, everyone ____ devices pick ____.
____ neighboring ____ better signals ____ the shared provider?
____ know ____ neighboring ____ show better bars ____ we're connected to the ____?
____ did the ____ have ____ the shared provider?
Even though ____ a similar service, nearby ____ perform ____ Signal ____.
What is ____ better signals than mine?
How ____ it possible that other ____ signal bars ____ using the ____ provider?
____ we're ____ the ____ why ____ neighboring phones show better ____?
____ curious ____ to why ____ phones have ____ despite ____ on the same ____.
Why do my ____ better signals ____?
____ phones in close proximity ____ higher signal ____?
Why ____ other ____ on the ____ network ____ bars?
Why ____ phone's ____ bars ____ those ____ nearby devices when we're ____ on the same ____?
____ do nearby ____ have ____ signal ____ my own?
____ are ____ one carrier, how ____ phones ____ other display ____ bars?
Despite us being on ____ same ____ phones ____ signal ____.
____ being on the same ____ show better signal ____.

_____ next _____ mine _____ stronger signals?
 _____ same network, nearby phones _____ bars.
 When we're _____ the same _____ the _____ next _____ more signal bars?
 _____ tell me _____ my phone _____ phones on our network.
 _____ allied _____ one _____ can nearby phones _____ better bars?
 How _____ other _____ more _____ while we were _____ the _____ network?
 _____ my _____ bars despite the same network connection?
 _____ a _____ network, my phone shows _____ signal bars _____.
 When _____ same _____ my _____ phones show better signal strength _____.
 _____ are on the _____ phones show superior _____.
 _____ connected on the _____ network, _____ phones _____ better _____ bars?
 Why _____ mobiles _____ same _____ show better signal _____?
 _____ use the same _____ those darn phones _____ to _____ more _____ bars.
 Why _____ phones _____ signal _____ they're connected _____ the same network?
 _____ a common network, but _____ phone _____ signal bars _____ others _____.
 _____ though we _____ via _____ same provider, does _____ cell _____ better cellular connection _____?
 We are _____ the _____ other handsets show _____.
 _____ is a discrepancy _____ bar _____ between _____ phone _____ others _____ exact same network.
 The smartphones _____ signals _____ being on _____ network as _____.
 _____ stronger signal bars even though they are _____ network?
 _____ are on the _____ carrier, others are showing _____.
 _____ better signals than mine?
 How come _____ more _____ compared to _____?
 When we _____ the _____ network, _____ show _____ signal strength than _____.
 _____ you tell me _____ my _____ lower _____ reception _____ people _____ are _____ the same network?
 We are _____ network, _____ why do _____ better signals?
 _____ on _____ same _____ what _____ the surrounding phones _____ stronger _____?
 Why do _____ phones always _____ bars _____ connected _____ the same network?
 We _____ on _____ same carrier so why _____ signal _____?
 _____ on the same network _____ stronger _____ bars _____ mine?
 I'm connected to _____ same network _____ my _____ signal _____.
 _____ though we are _____ with _____ how can _____ phones _____ bars?
 _____ though we're on _____ people's phones _____ signal _____ than mine.
 Since we are _____ same network, _____ phone pick up better _____?
 Why _____ everyone _____ pick up better _____ my own, even _____ we _____ on _____ network?
 _____ signal _____ on _____ are _____ despite _____ connected to the same _____.
 _____ neighboring _____ better _____ with shared provider?
 _____ it possible that neighboring _____ signals with _____ provider?
 Even though _____ connected to the same _____ phones _____.
 _____ same network, why do neighboring _____ show _____ signals?
 We are _____ the same network _____ phones _____ strength.
 _____ I _____ on the same _____ surrounding smartphones _____ signals.
 _____ makes the _____ phones _____ despite _____ same network as me?
 _____ are on the _____ what _____ phones to show superior _____?
 I _____ same _____ strength as people near me _____ this network.
 What _____ devices to show _____ quality than _____ phone?
 When we are _____ same network what _____ to _____ better _____ strength?
 While _____ same _____ other _____ show more _____ strength.
 _____ being connected _____ same network, do _____ smartphones _____ bars?
 The phones next to mine have _____ signal _____ even _____ are _____.

____ you ____ me ____ my phone ____ a lower ____ reception ____ other ____ in ____ ?
 Why do ____ surrounding phones show ____ signals ____ are on ____ mine?
 Why does nearby phones ____ to ____ network?
 ____ we're on ____ phones show better strength.
 I ____ connected on ____ so do nearby ____ stronger signal ____?
 ____ about ____ other ____ better signal strength when we ____ on ____ same ____.
 ____ connected ____ the ____ network, what causes adjacent phones to have better ____ ?
 Can you ____ me why my ____ lower reception ____ are connected ____ the ____ network?
 How ____ surpass my?
 I am curious about why ____ strength ____ though we ____ on ____ same ____.
 I ____ connected ____ same network, but do nearby phones ____ ?
 ____ the same network, ____ are those darn ____ me showing ____ bars?
 ____ phone next ____ strong signal bars ____ mine ____ same network?
 ____ though we ____ same network, nearby phones ____ better ____.
 Why ____ phones show better strength ____ on the ____.
 How ____ our neighboring phones ____ better ____ when we're ____ same ____?
 ____ there ____ neighboring phones have ____ signal ____ shared ____?
 ____ it possible that ____ surrounding smartphones show ____ the same ____?
 ____ the same ____ why ____ phones ____ better strength?
 Why does ____ phone ____ lower ____ bars when ____ am connected ____ same network ____ ?
 How ____ it ____ other ____ show ____ signal ____ while ____ use the ____?
 ____ don't get ____ strong of a connection ____ those ____ with their ____?
 ____ me why ____ phones signal better ____?
 ____ do ____ phones ____ superior signal when ____ the same ____ ?
 Why ____ show better strength ____ same network.
 The surrounding ____ show stronger ____ they are ____ as mine.
 Why ____ other phones ____ better signal ____ ?
 When ____ are on ____ same network, why ____ up better ____ bars?
 ____ you know ____ phone ____ better reception?
 Do ____ have better ____ bars ____ even ____ I'm connected to ____ same ____?
 ____ the ____ network the other phones ____ show more ____.
 Those darn phones ____ mine ____ more ____ bars, ____ the same network.
 Though we ____ with ____ how ____ nearby ____ display better ____?
 Other cellphones around me ____ better ____ than ____.
 ____ phone shows ____ signal bars ____ nearby even though ____ on ____ network.
 Can ____ tell ____ why my ____ has a ____ than those who are ____ network?
 We're allied ____ carrier so ____ can nearby ____ show ____ ?
 ____ on the same network, smartphones in the ____ than mine.
 Though ____ to a ____ how ____ phones nearby display ____ bars?
 I ____ what ____ the surrounding ____ show ____ signals ____ same network.
 ____ causes ____ phone's ____ to ____ less signal quality ____ devices?
 ____ we ____ allied ____ how can nearby phones display ____ ?
 Even ____ are ____ to the ____ network, ____ phones show better ____.
 ____ are ____ the ____ network, ____ causes my nearby phones ____ better signal strength than ____ ?
 Even ____ connected ____ the same network, ____ smartphones show better signal ____.
 My ____ weaker ____ when compared ____ phones on the ____ network
 ____ signal ____ to ____ higher on adjacent devices ____ my phone?
 ____ we are connected to the same ____ bars ____ neighboring phones.
 When ____ use ____ same ____ other ____ show better ____ strength.
 Why ____ phones ____ network display different ____ ?

_____ those _____ next _____ me have more _____ we use the _____ network?
 _____ tell _____ why _____ phone _____ less signal _____ who _____ also connected to our mobile _____?
 How _____ phones show _____ signal strength _____ were using the _____?
 _____ phones have better _____ with the shared _____?
 While we are _____ same _____ phone pick up _____ signal bars _____ mine?
 _____ to the _____ nearby Smartphones show better signal _____.
 _____ the _____ show _____ signals even _____ they are on _____ network as _____?
 _____ connected _____ the same _____ do _____ phones _____ better _____ bars?
 _____ we _____ both on the _____ carrier, _____ stronger signal bars.
 We _____ allied _____ one carrier _____ phones near us _____ better _____?
 Why _____ connected phones with _____ signal levels _____ mine?
 _____ though _____ are _____ to _____ network, the _____ show better signal _____.
 _____ we're _____ same _____ those _____ smartphones right next to mine have _____.
 _____ are connected _____ the same network, _____ causes nearby _____ to _____ than mine?
 _____ else's _____ pick up _____ I do, even though _____ are on the same _____?
 _____ it _____ that other people _____ me _____ use _____ same network provider?
 What _____ devices show _____ than my _____ does?
 _____ next _____ me _____ more signal bars when _____ are _____ same network?
 _____ why _____ phones have better signal _____ even _____ are on the _____.
 Although _____ a _____ nearby _____ seem to perform _____.
 _____ the surrounding phones _____ signals _____ being on _____ same _____?
 _____ on the same network, _____ have better signal _____?
 Why are _____ on the _____ bars than mine?
 When we're connected _____ the _____ nearby _____ better signal _____ than _____.
 When we are _____ to the same network, _____ signal _____ nearby _____ be better _____?
 Even though _____ connect _____ does nearby cell phones _____ connection?
 Since network's equal, _____ phones _____ more _____?
 _____ being _____ network as _____ what makes _____ show stronger signals?
 When _____ connected to the _____ network, _____ causes nearby _____ to _____ better _____ mine.
 _____ though _____ are _____ the _____ network, _____ phones pick up better _____ bars _____ own.
 Can you tell _____ why my _____ has a lower signal reception _____ network?
 When _____ same _____ does my phone have _____ signal bars?
 What _____ the reason _____ nearby mobiles show better _____ the _____?
 While using _____ same _____ other _____ better _____ strength.
 How _____ I _____ not getting as _____ a _____ people _____ with _____ mobiles?
 _____ do _____ show _____ strength while _____ on _____ same network?
 _____ we are _____ the same network, _____ show superior _____.
 _____ connected _____ network, _____ do nearby phones have better signal _____?
 _____ come _____ phones have better _____ my phone _____?
