Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

_____ resources do you have _____ that _____ me _____ the _____ of _____ activities _____ my _____ emissions?

What _____ you _____ can help _____ understand how _____ affect my carbon _____?

_____ way to better _____ various _____ my total carbon emissions?

_____ able to tell _____ about _____ my actions _____ carbon _____?

_____ tell me the _____ at my disposal to evaluate how _____?

What references do you _____ for assessing _____?

_____ would like _____ to my overall carbon emissions.

_____ there anything we can _____ to _____ different activities _____ my _____?

Which _____ with _____ carbon footprints?

Is there _____ way for _____ to _____ my _____ output?

Is it _____ better _____ different _____ influence _____ total carbon _____?

Which resources will _____ understanding _____?

Is _____ any _____ you could _____ me about _____ activities _____ my _____ emissions?

_____ of my climate change impact through _____?

What _____ you _____ show _____ how my actions affect _____?

_____ I _____ of different actions on _____ emissions?

_____ tools can _____ give me _____ understand _____ can affect _____ greenhouse gas _____?

_____ learn _____ influence _____ various undertakings on my contribution to _____ gases _____ into Earth's _____.

_____ you give _____ some _____ for _____ out how various _____ my _____?

_____ can _____ resources tell _____ about carbon _____ different _____?

What _____ can _____ find _____ help me understand _____ on carbon emissions?

How _____ I see _____ effect of different _____?

To _____ in comprehending the _____ of different _____ total carbon _____ me about _____ available _____ materials

Is there _____ that _____ tell _____ how _____ actions contribute to _____?

_____ know of any _____ for assessing carbon impacts _____?

I _____ to know if _____ is _____ information on _____ undertakings on my overall _____ to _____ gases _____ ' _____

Is _____ any way you can help _____ understand _____ can _____?

_____ resources _____ me understand _____ and _____ footprints?

_____ a _____ that explains _____ different things _____ CO2 output?

I want _____ how _____ affect _____ emissions

What materials _____ find _____ me understand the impact _____ on _____ footprint?

Can _____ help me _____ how _____ influence my _____ carbon _____?

What can I _____ the impact of _____ on my _____?

_____ are _____ to understand the impact of various activities _____ my carbon emissions?

What materials can I _____ the impacts _____ carbon footprint?

_____ you have _____ to assess carbon _____ diverse _____?

_____ I understand _____ of different _____ on _____ carbon _____?

What _____ you _____ understand how certain _____ can _____ my _____?

How do I understand _____ things on my _____?

Is there _____ available _____ can help _____ how different activities _____ my _____?

What resources can I find that _____ affect _____?

_____ can I do _____ understand _____ effect _____ actions on _____ carbon _____?

_____ you give me _____ on _____ effect of different activities _____?

_____ you _____ materials about _____ diverse actions affect _____?

What can you tell _____ how _____ by particular endeavors?

Can you _____ affect my carbon emissions?

_____ I can do to get a _____ perspective on the consequences _____ output?

_____ tools _____ have to _____ see how my _____ affect carbon _____?

_____ help _____ understand carbon footprints?

_____ can _____ company to _____ how actions impact _____ carbon footprint?

_____ have _____ informative materials that _____ affect _____ total carbon footprint?

_____ there _____ materials that I _____ to understand _____ various endeavors affect _____ total _____?

_____ can I use _____ company to understand how _____ footprint?

_____ you _____ access _____ materials _____ tell individuals the _____ on _____ carbon footprint?

_____ it possible to _____ on _____ from different activities?

I'm _____ are any tips for _____ caused by my _____.

_____ materials _____ available _____ I can use _____ understand _____ impact _____ my carbon _____?

What _____ can we _____ to better _____ diverse _____ greenhouse _____?

_____ you know _____ affect my carbon _____?

I wonder if there are _____ that _____ help _____ varied _____ my _____ footprint.

_____ resources I can use to _____ activities affect my _____?

Is it _____ assess _____ effect _____ various _____ on _____ carbon _____.

What _____ do _____ understand how various _____ my emissions?

_____ there anything _____ do _____ check _____ of different activities?

_____ it _____ for _____ assess the effect of _____ carbon emissions?

_____ I understand _____ carbon _____?

Where can I _____ on how specific _____ contribute _____ output?

Can _____ show _____ actions affect my _____ emission?

_____ there any available resources _____ help _____ understand activity-driven _____?

I would be _____ about the influence _____ on my _____ contribution to greenhouse _____ into Earth's _____.

_____ there any _____ out _____ activities contribute to my overall _____?

_____ can _____ my carbon emissions from _____ actions?

_____ to understand the _____ of _____ activities _____ my _____ emissions, what _____ do _____?

How can you _____ emissions from different _____?

_____ there _____ resources _____ can use that explain _____ link _____ activities _____ emissions?

I _____ learn _____ different activities _____ carbon emissions.

Are _____ able _____ give people information about the _____ of _____ carbon _____?

_____ you _____ give people information _____ consequences of behaviors _____ their _____?

_____ to know the available _____ that can help me _____ the influence _____ different _____ on _____.

Which _____ could help _____ activity _____ footprints?

_____ have any materials showing how _____ actions _____ footprint?

I need _____ in _____ of _____ on _____ carbon emissions.

Do you have anything I _____ actions affect carbon _____?

_____ you _____ see how _____ actions affect _____ emissions?

_____ tools _____ you _____ to understand _____ different actions _____ my _____?

How _____ I _____ to _____ carbon emissions?

What tools do you have _____ can _____ see how my _____?

_____ there any _____ that _____ affect one's carbon footprint?

_____ footprint influence of various _____.

Do _____ that show _____ various _____ increase my _____ footprints?

_____ help me to understand _____ different _____ emissions?

_____ tools do you _____ to understand how _____ my _____ gas _____?

_____ help me see how _____ actions affect _____?

_____ it possible _____ details on the resources _____ to _____ how different _____ affect _____ carbon _____?

What resources can be _____ understand _____ carbon _____?

_____ show how _____ actions _____ emissions?

Do _____ have any _____ impact of activities _____ carbon _____?

_____ a material that explains _____ of certain behaviors _____?

Which _____ an idea of activity _____ footprints?

_____ resources can _____ me _____ carbon _____?

_____ help people understand _____ across _____?

_____ are _____ that _____ me understand the _____ activities on my _____?

I would _____ know _____ my carbon emissions.

I _____ like _____ know what kind of _____ have _____ impact on _____.

_____ there _____ available _____ to _____ my comprehension _____ footprints?

_____ know if _____ help me figure out my _____ through _____ resources.

_____ you have _____ resources that _____ help _____ understand _____ impact _____ on my _____ emissions?

Do you have _____ I can use _____ understand _____ carbon footprint?

_____ want _____ know if _____ resources to help me _____ my _____ footprint.

I _____ to find _____ how _____ my _____ emissions.

There are _____ can use _____ gauge _____ of different activities.

What can _____ how the _____ endeavors _____ my carbon _____?

I'm trying to understand _____ varied _____ my _____

What tools _____ you _____ understand _____ actions affect my _____ gas _____?

_____ can _____ find to _____ the impact of activities _____ carbon _____?

I want _____ about the _____ and _____ that can _____ to understand _____ of _____ activities _____ carbon emissions.

_____ there resources _____ different activities affect carbon _____?

What materials _____ understand _____ various _____ my greenhouse gas output?

What tools _____ I use _____ see _____ are affecting _____?

_____ are resources _____ your _____ can explain _____ link between _____ and _____ emissions.

What can you _____ how _____ activities affect _____?

_____ there any _____ help _____ how different _____ affect _____ output?

I'd _____ to know if _____ information about _____ undertakings on _____ to greenhouse gases
emission _____ Earth

Suggestions _____ the carbon _____ by my _____?

_____ to know _____ you have regarding the _____ on _____ CO2 levels.

_____ to _____ impact of _____ actions on _____ carbon footprint.

I would like to _____ various endeavors influence _____.

_____ much _____ know about _____ resources at your _____ evaluate _____ different activities _____ my carbon _____?

I'd _____ to _____ various behaviors _____ carbon emissions.

Any _____ for _____ out carbon _____ caused by _____?

____ you share ____ about ____ different activities ____ my ____?

Is ____ possible for you to help ____ the ____ impact of ____ their ____ my total ____ gases?

____ like ____ about the ____ tools and materials that can ____ understand ____ activities on carbon _____.

How ____ practices ____ collective release ____ greenhouse ____ into ____ atmosphere, what ____ are ____?

Tools ____ understanding ____ changes?

____ provide ____ with ____ to my climate ____ impact?

____ for ____ specific actions contribute ____ one's ____ CO2 ____?

Can ____ tell me ____ have ____ can help ____ understand my ____?

____ you have ____ show ____ the impact of ____ on my ____?

Is there any good advice ____ carbon ____ caused ____?

____ any ____ available to ____ different activities contribute to ____ emissions?

Can ____ understand ____ different ____ influence my carbon ____?

____ to help ____ understand ____ different activities affect my ____ emissions?

Can you ____ have to evaluate ____ different activities ____ emissions?

____ different activities ____ emissions can ____ grasped with _____.

____ do you think I can determine how ____?

Show ____ help ____ of ____ greenhouse gas changes?

____ are available resources ____ understand activity-induced carbon _____.

Can ____ provide ____ to understand carbon ____ your ____?

____ want ____ know if ____ tell ____ different activities ____ my ____ emissions.

____ you tell ____ about ____ my actions ____ carbon ____?

____ a ____ understand the link ____ different activities ____ consequences ____ carbon emissions?

Is there ____ understand the ____ different activities ____ my CO2 output?

____ I ____ how ____ can ____ my greenhouse gas emissions?

____ different ____ carbon emissions ____ be ____ through resources.

____ resources do ____ have ____ me how my ____ carbon ____?

Are ____ resources that ____ actions ____ my total carbon ____?

What ____ the ____ that can help ____ my carbon ____?

What ____ to help me ____ activity-generated ____ footprints?

Can ____ me ____ information ____ my climate change ____?

Can ____ tell me ____ supporting ____ have ____ my ____?

____ tools available ____ help determine ____ activities affect ____ emissions.

How ____ I see ____ effect of ____ on ____?

____ you give me ____ of the resources ____ my ____ evaluate ____ affect my ____ emissions?

____ me ____ available ____ and materials ____ can help ____ figure ____ the influence of different activities _____.

Can you give us ____ comprehend ____?

I ____ out about the ____ undertakings ____ contribution to greenhouse gases emission ____ Earth's environment.

____ for ____ contribute to ____ overall CO2 output?

Can ____ give us ____ about ____ resources at ____ to evaluate ____ different ____ my carbon ____?

Do you have any ____ use ____ carbon footprint ____ different ____?

Do ____ offer help ____ assessing the environmental impact ____ actions ____ my total amount ____ greenhouse ____?

____ there ____ you can ____ figuring ____ how particular ____ affect ____ emissions?

____ you ____ me how ____ can ____ my carbon ____?

How ____ help me ____ how ____ actions can ____ emissions?

____ know about the available materials ____ can help ____ understand the influence ____ activities ____ carbon emissions.

____ can ____ find ____ carbon emissions are ____ activities?

Can ____ me how different activities ____ my ____?

Can _____ help _____ of different _____ on my emissions?

How do _____ me _____ impact of _____ actions on _____ carbon _____?

What resources _____ I use _____ footprints?

Are _____ any links _____ can _____ me _____ increase _____ carbon emissions?

Can _____ different activities that affect _____ carbon emissions?

_____ anyone _____ links _____ me _____ which activities increase _____ carbon _____?

_____ there any informative _____ about _____ diverse actions _____ footprint?

Can I _____ any recommended resources _____ me _____ varied _____ carbon footprint?

Can you give _____ resources to _____ how different activities _____?

Are _____ able _____ give individuals information about _____ particular _____ on _____ footprint?

_____ sources _____ how specific actions contribute _____ CO2 output?

Got links _____ activities _____ my carbon _____?

Do you _____ access to _____ the _____ behaviors _____ your carbon _____?

_____ to help _____ activity's greenhouse _____?

Do _____ the environmental impact of _____ effect _____ my greenhouse gases?

_____ anything that _____ me see the impact _____ my carbon footprint?

What _____ can _____ understand _____ diverse practices affect _____ collective release _____ gases?

Is it possible _____ impact _____ and the _____ my greenhouse gases?

_____ me understand _____ different _____ my carbon emissions.

What resources can I use _____ how _____ impact _____ overall _____?

Question mark, _____ there any resources _____ clarify _____ activities _____?

_____ any _____ about _____ diverse actions affect one's _____ footprint?

Can you help _____ that _____ actions affect my _____?

Inquire _____ available materials on _____ footprint _____ of different _____.

Sources _____ contribute to one's CO2 output?

Can _____ give the resources _____ impact _____ activities?

_____ resources do you _____ can _____ understand the impact _____ various activities on _____ carbon _____?

_____ are _____ you have _____ help me _____ how _____ affect _____ emissions?

_____ any available _____ that can _____ me understand _____ footprints?

_____ are _____ and _____ that _____ used to _____ different _____ contribute to my carbon _____.

What resources can _____ that _____ help me understand _____ of _____ carbon _____?

_____ into the materials available to assess carbon _____.

Is there any _____ that _____ diverse _____ affect _____ emissions?

Can I understand the _____ different actions _____?

Is there _____ to explain the _____ between activities and _____?

_____ you _____ me how I _____ emissions are affected?

_____ like to understand _____ varied _____ impact my _____.

I was _____ any information _____ the influence of various undertakings _____ my _____ gases _____ into Earth's

What resources _____ have that can help _____ the _____ of _____ emissions?

_____ you have _____ informative materials _____ explain _____ affect _____ footprint?

What resources are _____ to _____ the _____ different _____ carbon _____?

_____ to understand the _____ different _____ reducing _____ footprints

_____ and information can I _____ how _____ activities contribute to _____ carbon _____?

Can _____ give me some resources to _____ behaviors influence _____?

_____ need _____ help _____ out how various _____ influence my greenhouse _____ output.

How can _____ tell _____ the carbon emissions _____?

_____ looking for information _____ my climate change _____ resources.

_____ resources _____ I _____ to better understand the _____ on my _____?

_____ can _____ use to better understand _____ of actions _____ carbon _____.

_____ a _____ perspective _____ the _____ activities for my entire CO2 output?

_____ me know _____ impact _____ on my carbon emissions?

_____ there anything _____ the consequences of different _____ my CO2 output?

What _____ can _____ understand the impact _____ things on my _____?

I _____ like _____ know if _____ useful _____ about _____ of various _____ contribution to _____ gases emission _____ Earth ' _____

Let _____ know _____ the _____ and materials _____ can _____ of _____ activities on carbon emissions.

I _____ like _____ how _____ my carbon emissions.

Show tools _____ gas changes?

Please _____ about _____ available _____ and _____ can help _____ carbon emissions.

Is there _____ that _____ can use _____ influence my greenhouse _____ output?

_____ resources can _____ me understand activities _____ carbon _____?

For _____ specific _____ contribute to one's overall _____ sources?

Do you _____ any material explaining _____ actions _____ carbon _____?

_____ resources can I _____ to _____ activity-Induced _____?

_____ it possible to understand the _____ impact _____?

Please _____ me _____ the _____ can _____ understand the influence of different activities _____ carbon _____.

Is there any guides _____ people can use to _____ on _____ their _____ are _____?

_____ you _____ about _____ activities' carbon impacts?

_____ give _____ info on how _____ affect my _____ emissions?

Which resources _____ help _____ the _____ footprints?

_____ you _____ me understand how different activities _____ emissions?

I need resources _____ the effect of _____ emissions.

Is there _____ aid _____ of activity-generated _____ footprints?

Do you _____ any _____ the carbon _____ of diverse _____?

Is _____ a way _____ the _____ different activities?

_____ help _____ see the _____ on my _____ footprint?

Is _____ a _____ understand how specific actions contribute _____ overall _____?

_____ if you _____ resources to _____ the effect _____ my carbon emissions.

_____ anything that _____ help _____ understand how _____ endeavors affect my _____ output?

What resources _____ use to gauge the _____?

_____ can I understand how actions _____ impact _____?

_____ you _____ understand _____ impact _____ activities?

Inquire _____ the materials _____ available to _____ carbon _____ of _____ activities.

Can you help me _____ the impact _____ my _____?

Do _____ informative _____ about how _____ actions _____ one's _____ footprint?

Can you help me _____ show how diverse _____ my _____?

What can you _____ the ways in which _____ endeavors _____?

Can you help _____ myclimate _____ through accessible _____?

Can _____ give us _____ to _____ impact _____ activities?

What helps _____ figure out _____ my _____ affect _____?

Do you have _____ to _____ the effect _____ different _____ on _____?

_____ I _____ on _____ carbon footprint _____ different activities?

Can you help _____ my _____ through accessible _____?

_____ are there _____ resources that _____ how _____ affect _____ output?

Can _____ know _____ affect _____ footprint?

_____ have _____ resources _____ to understand how different activities affect _____?

In _____ how diverse practices affect _____ collective _____ greenhouse _____ what _____ some _____ resources?

_____ into _____ for _____ carbon footprint influence.

_____ for _____ way to understand _____ different _____ have on _____.

How _____ I _____ out about the carbon _____?

_____ you share resources to _____ different activities _____ emissions?

Is _____ assessing _____ environmental impact of _____ and their _____ on _____ total amount of _____?

_____ can help you _____ how _____ practices affect _____ collective _____ gases?

Do you _____ explain the link between different activities _____?

Any _____ that _____ affects carbon _____?

_____ can help _____ determine _____ different activities contribute _____ my _____ emissions?

Can _____ help me _____ see how _____ actions _____ carbon _____?

_____ out the _____ are _____ for understanding _____ footprint.

There _____ that _____ can _____ for understanding _____ footprint.

What tools do you _____ how _____ greenhouse gas emissions?

Is there a _____ to _____ how _____ actions can _____ my _____?

Is _____ can help me _____ carbon footprints?

_____ you have _____ resources that _____ explain _____ links _____ activities and _____?

_____ you have _____ of assessing carbon _____ from _____?

Do _____ materials that explain how _____ actions affect _____ footprint?

_____ you _____ resources _____ show _____ different activities _____ carbon emissions?

_____ resources can I find _____ company _____ understand _____ affect my _____ footprint?

_____ can _____ use _____ understand how diverse practices _____ one's _____ release?

Is _____ possible for _____ to _____ understand _____ different behaviors _____ carbon _____?

_____ me _____ how _____ affect my carbon emissions?

What resources should I _____ to understand _____ varied _____?

Can you _____ some _____ out how various behaviors affect _____?

_____ anything _____ can do _____ get a better view _____ activities affect _____ CO2 _____?

Can _____ resources to _____ impact _____ activities?

Do _____ have _____ information that _____ how diverse actions _____ carbon _____?

_____ tools and information available _____ affect my carbon emissions.

What _____ can _____ use _____ understand _____ different _____ my _____ footprint?

_____ you teach _____ affect my emissions?

What can I do to _____ my _____?

_____ resources _____ you have that can _____ understand the _____ different _____ emissions?

Please _____ about _____ tools and materials that can help _____ the impact _____ different _____.

_____ you _____ me _____ my _____ change impact with _____?

Suggestions for grasping _____ emissions _____ performed by _____?

Can you help _____ figure _____ my _____ from _____?

Can _____ help me _____ how _____ activities _____ emissions?

_____ the effect _____ different activities on _____ carbon emissions.

_____ like _____ know if _____ could _____ about the influence of _____ on _____ greenhouse _____ emission into the Earth

_____ can I use _____ the impact _____ actions on my _____?

_____ you help _____ learn _____ different _____ affect _____ emissions?

_____ that _____ consequences _____ in terms _____ for people like me?

Can _____ different activities impact my carbon _____?

_____ are the tools you _____ understand how _____ can _____ my _____ gas _____?

Do you _____ any _____ detail _____ actions _____ one's carbon _____?

_____ me _____ activities affect _____ carbon emissions?

Do _____ have _____ resources to _____ the impact _____ activities on my _____?

_____ any resources to _____ the _____ activities on _____ carbon emissions?

_____ resources can _____ my understanding of _____?

_____ there _____ I _____ figure out how different activities _____ carbon emissions?

_____ any _____ that will _____ how diverse actions affect my _____?

_____ tools do _____ how various _____ can _____ my emissions?

_____ materials _____ use to _____ the impact _____ actions _____ total _____ footprint?

Do you _____ any information _____ how _____ carbon footprint?

_____ tools do _____ to understand how actions _____ affect _____?

What _____ resources tell _____ emissions?

_____ clarify _____ output is affected by different activities?

_____ you tell _____ emissions from various activities?

_____ like to _____ how different endeavors _____ my _____ output.

_____ you have any information _____ how diverse _____ impact _____?

_____ give me resources _____ check _____ effect _____ different _____ on _____ emissions?

_____ you provide me _____ information _____ my _____ impact?

Can _____ me _____ ideas on _____ different activities _____ carbon _____?

_____ have _____ information on how _____ affect one's _____ carbon _____?

Can you give _____ more _____ climate _____ impact?

What materials can _____ use _____ better _____ the _____ my _____ on _____ carbon _____?

You have materials _____ me _____ the impact of _____ on _____.

Which _____ can _____ for _____ understanding _____ carbon footprints?

_____ to know _____ you have regarding _____ emissions.

_____ there any available _____ that _____ me understand _____ footprints?

_____ know any _____ for _____ carbon _____ from diverse _____?

Can _____ provide _____ the _____ at _____ disposal to _____ how different _____ my _____ emissions?

What _____ some resources that can help to _____ how diverse _____ collective _____?

_____ you _____ me the _____ from _____ activities?

_____ know how _____ my greenhouse gas output.

Is _____ you can _____ explains _____ link between different _____ carbon _____?

_____ there any resources _____ illustrate _____ diverse actions _____ my _____?

Any _____ I _____ about the influence of _____ overall contribution _____ greenhouse gases _____ Earth's ecosystems?

Can _____ help _____ out the effect of _____ activities _____ emissions?

_____ materials _____ how _____ actions affect a person's _____ footprint?

I _____ assessing _____ of activities on _____ emissions.

Is there a way _____ the _____ my CO2 _____?

_____ there _____ that _____ used to determine how different activities _____ my _____?

_____ can I _____ emissions from different _____?

_____ resources can assist in _____?

_____ to help me assess _____ environmental impact of _____ their _____ on my total _____ of _____?

_____ me _____ carbon emissions from different activities?

Can _____ how activities impact _____ emissions?

What are the _____ have to _____ my _____ carbon _____?

_____ you _____ to _____ individuals about the _____ certain _____ on _____ carbon _____?

_____ I see the effect of _____ actions on _____?

Do _____ on _____ actions affect _____ carbon footprint?

How can _____ understand the _____ my _____ emissions from _____?

_____ help me figure _____ my _____ change _____ through _____ resources?

_____ about the materials you _____ assess _____ footprint _____.

_____ can I use _____ better _____ my _____ my carbon footprint?

Is there a _____ in place _____ explains _____ different _____ affect _____?

Are there any _____ to _____ carbon output _____ by _____?

I _____ like _____ out more _____ the influence of _____ overall _____ to greenhouse _____ emission into Earth's _____.

Are _____ to _____ me in _____ change impact?

What _____ I use to _____ a _____ idea _____ carbon _____?

Inquire into your _____ assessment of _____ influence.

How can _____ how different _____ my _____ emissions?

_____ the _____ available _____ the carbon footprint _____ different activities.

_____ am _____ any _____ for grasping _____ emissions _____ by my _____.

Is there a way to _____ effect of _____ carbon _____?

_____ you _____ to _____ how different activities affect my _____?

_____ you _____ materials _____ assess carbon _____ influence of _____ activities?

Are there _____ that _____ diverse actions affect _____ carbon _____?

_____ information _____ you give _____ the _____ evaluate how different _____ affect my carbon emissions?

Can you give me resources to _____ affect _____ emissions?

Is there _____ available _____ help _____ my activities contribute _____ my _____?

Inquire _____ your _____ for the _____ footprint influence.

Can you _____ understand _____ my _____ emissions are affected _____?

I _____ like _____ know more about the _____ various _____ on my _____ emission into Earth's _____.

I _____ you _____ me about _____ available tools and materials that _____ me _____ the influence _____ on _____.

Can _____ give resources _____?

Can _____ tell me _____ resources at _____ disposal _____ evaluate how different _____ affect my _____?

Do _____ information on _____ understand _____ different _____ affect my carbon _____?

_____ like to _____ the _____ of _____ on my carbon _____.

_____ information can _____ provide _____ evaluate _____ activities _____ my carbon _____?

I'd _____ know _____ any information _____ the influence of various _____ my _____ to _____ into the

I _____ to understand _____ on my _____ footprint. _____ materials _____ you have?

What _____ how _____ actions affect my _____ footprint?

Can you _____ me _____ resources _____ understand _____ different _____ my _____?

I _____ to _____ how various _____ affect my _____.

_____ you _____ me know _____ activities affect my _____?

Inquire _____ materials for _____ assessment.

What _____ can I _____ see how _____ affect _____ emissions?

_____ to know if _____ is _____ information _____ the influence _____ various _____ contribution to _____ gases emission

_____ the Earth _____

I _____ to find out _____ about _____ influence of various undertakings on _____ gases _____.

In _____ to _____ the influence of different _____ emissions, _____ inform _____ available tools and _____.

_____ suggestions on _____ to understand carbon _____ caused _____?

_____ assistance _____ assessing _____ environmental impact of different actions and its effect on _____ total _____

_____?

_____ you _____ tools I _____ see _____ my _____ affect carbon emissions?

_____ would like to know _____ various _____ carbon _____.

Is it possible for you _____ give _____ about _____ certain _____ their carbon _____?

_____ you _____ me _____ my _____ change _____?

Can _____ provide any _____ assess _____ different activities _____ carbon emissions?

_____ my carbon _____ you give me details _____ resources at _____ disposal?

How _____ I find _____ the _____ from different _____?

Do you _____ in _____ the environmental impact _____ actions _____ effect on _____ greenhouse _____?

_____ you have _____ can use _____ understand _____ impact _____ actions on my total _____ footprint?

_____ are the _____ need to _____ actions affect carbon _____?

_____ I _____ to _____ impact of some actions _____ my carbon _____?

Can you tell _____ about _____ activities?

I _____ the _____ of _____ actions on my carbon _____

_____ to _____ how _____ activities affect _____ carbon footprints?

What _____ about the resources at my _____ to _____ how different activities _____ carbon _____?

Can you tell _____ activities _____ emissions?

Can you tell me how _____ my _____?

Do ____ have ____ on ____ actions affect ____ footprint?

I need your help to see _____.

_____ to assess the environmental impact _____ and their effect on _____?

_____ materials do ____ have _____ can use to ____ understand my _____?

Any suggestions on how _____ from ____ actions?

_____ resources can _____ better comprehend activity-caused ____ footprints?

Is there _____ I can determine _____ activities contribute _____ carbon ____?

Can you ____ me _____ affect my ____?

What ____ are _____ help _____ practices ____ the release _____ gases into the atmosphere?

To _____ actions can impact my greenhouse gas emissions, _____?

Do _____ the ____ impact of ____ actions ____ their effect on ____ total amount ____ greenhouse gases?

What resources can I ____ to better _____?

_____ any ____ you could give ____ about determining how _____ carbon ____?

Can you give ____ resources to _____ effect _____ carbon ____?

_____ me understand the impact of ____ activities ____ my ____?

_____ there any information ____ how ____ actions _____ carbon footprint?

_____ would like _____ the ____ tools and materials that help me ____ the influence of _____ total _____.

_____ have resources ____ understanding ____ carbon ____.

_____ should I use _____ how ____ actions affect carbon ____?

_____ any ____ to gauge the ____ footprint of different ____?

Is there any _____ help ____ understand how _____ my carbon ____?

_____ can you ____ to _____ impact?

What tools do you _____ can _____ actions ____ affect my _____ emissions?

Do _____ to ____ the ____ of different activities on my _____?

_____ let _____ the available _____ materials that _____ me understand ____ influence of ____ activities on total carbon ____.

Can _____ assess ____ environmental impact ____ different ____ and the _____ amount of greenhouse gases?

_____ are you using to ____ how ____ actions affect _____?

Is ____ possible ____ determine _____ endeavors affect ____ emissions?

Does your ____ tell me _____ emissions _____ activities?

_____ it _____ provide _____ resources at _____ to ____ how different ____ affect my carbon emissions?

I ____ like ____ know about _____ and materials ____ can help understand ____ influence _____ activities on total _____.

_____ do to understand _____ actions affect my ____ footprint?

How _____ know ____ carbon _____ different activities?

_____ your help assessing the impact _____ carbon emissions.

_____ you _____ understand what ____ do ____ my ____ emissions?

Do you offer ____ in assessing ____ environmental impact _____ and ____ effect on ____ total _____ greenhouse ____?

_____ you ____ to _____ on ____ consequences of certain behaviors on their _____?

What _____ information _____ about the impact ____ my ____ levels?

_____ if there ____ any ____ or materials that can help _____ the ____ of _____ on carbon emissions.

Is _____ gauge the carbon footprint ____ different ____ using _____?

I would ____ to _____ activities _____ carbon footprint.

I would like ____ know _____ my greenhouse gas ____.

_____ resources ____ clarify ____ carbon output is affected?

Can you give me ____ on the _____ disposal ____ affect _____?

I wonder _____ are ____ resources that I ____ use to ____ how varied _____ carbon ____.

Which _____ me ____ activity-driven carbon ____.

Is it possible for ____ to _____ details on how _____ affect _____?

_____ into your available ____ to assess _____.

_____ there ____ guidance _____ give me about determining how _____ affect _____?

What _____ me about how _____ affect carbon _____?

Is _____ any _____ in assessing _____ impact _____ different _____ its _____ on my greenhouse _____?

Which resources _____ carbon footprints?

Are you able _____ assist _____ figuring _____ change impact?

Can _____ help _____ figure _____ my _____ change _____?

Which resources can _____ driven _____ footprints?

What _____ my understanding of _____ footprints?

Do you have _____ carbon _____ of _____?

_____ resources that _____ be used to _____ my CO2 output.

Can _____ tell _____ the _____ activities that _____ emissions?

_____ you found _____ resources _____ explain the link _____ activities _____ carbon _____?

_____ want _____ if _____ references for _____ carbon impacts _____ diverse activities.

What can _____ determining _____ affect my carbon emissions?

I _____ to find out more _____ influence of various undertakings on _____ overall _____ emission into _____.

What _____ some _____ that _____ help _____ understand _____ practices _____ the release of greenhouse _____ atmosphere?

What _____ tools you _____ understand _____ actions _____ greenhouse gas emissions?

What are _____ resources that _____ us _____ how diverse _____ collective release _____ greenhouse _____?

What _____ see _____ my actions affect the emissions?

_____ we understand _____ different efforts on reducing carbon _____?

I want _____ impact on _____ carbon emissions _____ activities.

Is there _____ that _____ how my activities contribute _____ my _____?

Is _____ any _____ can explain _____ actions _____ one's CO2 output?

_____ materials can I _____ to _____ how various _____ my total _____?

What _____ to _____ how _____ stuff affects my _____ output?

_____ your options _____ assessing _____ influence of different _____.

_____ comprehension _____ activity's greenhouse _____ changes?

_____ you _____ any _____ about _____ diverse actions affect _____ footprint?

Is there any resources _____ help _____ how _____ affect _____?

Which _____ can _____ understand _____ footprints?

_____ should I look _____ understand _____ specific _____ contribute to _____ CO2 _____?

Do _____ have any _____ that _____ to _____ carbon footprint of different _____?

There are some _____ that _____ help _____ how diverse _____ collective _____ greenhouse _____.

_____ you help me _____ climate change _____ accessible _____?

_____ resources can _____ use to _____ how _____ practices affect _____ release _____ gases?

I would like _____ know _____ the available _____ help _____ understanding _____ of _____ activities on total _____ emissions.

Please tell _____ the tools _____ me understand _____ influence _____ different activities _____ carbon emissions

_____ can give _____ an understanding _____ carbon _____?

There are _____ out how _____ activities contribute to my _____.

Inquire _____ your _____ assessing the carbon _____ of _____ activities.

_____ want _____ know if _____ can _____ determine _____ climate change impact _____ resources.

_____ you _____ materials for impacts on _____ emissions?

I want _____ of activities _____ my _____ emission.

Do you have _____ resources to _____ how _____ activities _____ carbon _____?

Is _____ you could tell _____ endeavors affect my carbon _____?

Inquire into _____ available _____ carbon footprint _____ activities.

I need _____ different activities affect my _____.

What _____ do to get _____ better _____ the consequences of _____ for my _____?

_____ let _____ know how I can use the available tools _____ of _____ activities on _____ emissions.

_____ you _____ any resources _____ me understand _____ my activities _____ my carbon _____?

Do you _____ resources to _____ how _____ impact _____ carbon _____?

Is _____ any _____ the _____ of _____ actions and _____ on my total amount of greenhouse _____?

_____ anything _____ use _____ explain how _____ affect my total _____ output?

_____ anyone _____ anything that explains _____ of specific _____ on _____?

_____ resources can _____ understand _____ footprints?

_____ show _____ actions affect _____ carbon emissions?

What _____ do _____ understand _____ various actions affect my _____?

_____ materials _____ give me to _____ the impact of _____ on _____ carbon _____?

Do _____ offer _____ in _____ the environmental impact _____ different _____ effect _____ my total _____ greenhouse gases?

_____ inform me _____ the carbon emissions _____ different _____?

How _____ I understand _____ stuff _____ do?

I want _____ know about _____ materials _____ can _____ me _____ the _____ of different _____ on _____ emissions.

_____ your available _____ for _____ carbon footprint influence _____ different _____.

Are _____ that _____ how _____ output is _____ different activities?

What _____ I do to see _____ of _____ my carbon _____?

_____ any way to understand how _____ affects _____ CO2 _____?

_____ you _____ that _____ about _____ of certain behaviors on their carbon footprint?

_____ aid _____ the influence of different _____ on _____ emissions, please _____ me about _____ available _____.

_____ help _____ comprehend activity-driven _____ footprints?

What tools _____ have to help _____ can affect my _____?
