

## [Demo] NLP Dataset for Customer Service Automation

<b>Company Type</b>	Internet Service Providers
<b>Inquiry Category</b>	Service outage or disruption reports
<b>Inquiry Sub-Category</b>	Complete Internet Outage
<b>Description</b>	Customers report a complete loss of internet connectivity, where they are unable to access any online services. This category covers inquiries related to service disruptions caused by network outages, equipment failures, or maintenance activities.
<b>Data Size</b>	7,402 paraphrases
<b>Want to buy data?</b>	Please contact <a href="mailto:nlp-data@gross.me">nlp-data@gross.me</a> via your business email address.

**Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)**
