|-----------------------------|--|
| Company Type | Water and Wastewater Utility Companies |
| Inquiry Category | Meter reading and usage questions |
| Inquiry Sub-Category | Low water usage |
| Description | Inquiries concerning unusually low water usage, such as when tenants are away, but the meter seems to indicate regular usage, or if there are inconsistencies in the meter readings. |
| Data Size | 5,003 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

_____ a _____ falsely show _____ in unoccupied properties for _____ long _____?

_____ broken meter displays _____ in _____ buildings, _____ that _____?

Is _____ for a _____ to _____ of _____ properties over time?

_____ possible _____ a malfunctioning meter shows sustained _____ in _____?

Can busted _____ show constant _____ for _____ time _____ buildings?

Is _____ possible _____ a _____ false _____ in a vacant building?

_____ a _____ to produce incorrect readings in _____ areas?

_____ it possible _____ the use _____ properties with a _____?

There is _____ possibility for a _____ meter _____ show usage _____ vacant _____ a _____.

Can _____ meters show _____ long time in an _____?

Can _____ faulty meter _____ in _____?

Is _____ meter to show usage of vacant properties _____ weeks _____?

_____ it possible that a malfunctioning gauge _____ continued _____?

There is _____ of _____ showing _____ in unoccupied properties.

Can _____ meter show _____ homes?

Is an _____ meter _____ of steady _____ empty _____?

"Is _____ room _____ malfunctioning metering to show _____ unoccupied _____ many years? _____

There _____ a faulty _____ show usage of vacant _____ long period.

Is there _____ inaccurately show usage in _____ property _____ of time with _____ malfunctioning _____?

There's _____ meters _____ constant usage where _____ lives.

Is _____ possible _____ meter _____ show usage in _____.

_____ any _____ a malfunctioning _____ to _____ the _____ properties over a long _____ of time?

_____ room _____ meter to _____ show usage of vacant _____.

Will a _____ meter show _____ vacant _____?

_____ use in unoccupied properties?

_____ for _____ meter to _____ the usage of _____ buildings.

_____ usage in _____ that are not occupied?

Is _____ meter capable of _____ consumption in _____ units over _____?

_____ it possible _____ an _____ consumption in vacant buildings?
_____ possible for the meter _____ usage in _____ properties?
Is a faulty _____ display _____ vacant properties?
A malfunctioning gauge _____ use _____ empty premises.
There is _____ possibility _____ a _____ metering _____ show _____ homes for _____ long _____.
There is room for _____ meter to _____ show usage _____ period _____ several weeks.
Is _____ malfunctioning meter to _____ usage of _____ properties over _____ period?
_____ it _____ a _____ to _____ a _____ utilization in a _____ building?
Is it possible that _____ could _____ utilization in _____?
Does _____ a _____ meter to inaccurately _____ usage of _____?
There _____ room for a malfunctioning _____ to inaccurately _____ vacant _____ a _____ time.
Is an _____ gauge document sustaining _____ premises?
_____ for a malfunctioning metering to show _____ in _____ properties _____ time.
Is it _____ for _____ device to _____ continuous _____ in _____ premises?
Is it _____ a malfunctioning gauge _____ with empty _____?
_____ broken _____ possible _____ usage in _____ homes?
Can _____ show fake _____ in empty _____?
Does a damaged _____ constant utilization _____ any _____?
Is _____ faulty monitoring _____ can show consumption _____ in empty _____?
_____ it _____ for a _____ show _____ of vacant properties over a long period _____?
Would _____ gauge _____ sustain use _____ premises?
Is _____ a _____ for _____ faulty meter _____ show _____ usage _____ vacant _____?
A _____ gauge might indicate _____ use _____ premises.
Can _____ meters show constant use _____ a long _____.
Is it _____ an inaccurate _____ could show _____ usage readings _____ one is _____?
_____ malfunctioning _____ consistent use in _____ properties?
_____ it possible _____ a _____ meter _____ show consumption in _____?
_____ might be _____ a _____ to _____ of vacant properties over _____ long _____.
_____ wonder _____ meter indicates steady _____ vacant properties.
Is _____ inaccurate in _____ in empty properties?
Does _____ broken _____ show consistent _____ in _____?
Is it possible _____ an incorrect meter could indicate _____?
The gauge _____ and _____ use _____ empty premises.
Can busted _____ in _____ places?
Can a _____ monitoring _____ you _____ in empty premises?
_____ a chance for _____ malfunctioning meter _____ show _____ properties _____ a _____ of time.
Flawed _____ usage in _____ places.
_____ it possible _____ a _____ meter to show usage _____ vacant _____ time?
_____ gauge _____ in _____ places.
_____ be room for a _____ to _____ use in _____ an extended _____.
There might be room for _____ malfunctioning _____ of _____ properties.
_____ a _____ meter show steady _____ vacant _____?
Is it accurate _____ meter _____ display _____ usage _____ vacant _____?
_____ a _____ meters to _____ usage _____ vacant properties over a long _____ of _____?
_____ possible _____ broken meters indicate _____ usage _____ lives?
_____ room for a _____ metering to _____ in unoccupied properties for _____.
There is a _____ meter _____ of vacant properties over a _____.
Is there _____ chance _____ broken meters to _____ false usage _____ when _____ no _____ the _____?
Is _____ room _____ malfunctioning _____ show _____ in _____ properties _____ extended period of _____?
_____ it _____ to _____ utilization _____ vacant _____ with _____ malfunctioning meter?

_____ is room _____ malfunctioning meters to _____ of _____ properties _____ long period.
 Can _____ malfunctioning _____ show use in _____ homes _____ a _____?
 Do faulty meters _____ utilization _____?
 Does _____ malfunctioning meter _____ usage _____ that _____ not _____?
 Is it _____ that broken _____ where _____ lives?
 Is it _____ an incorrect meter could _____ utilization _____?
 There _____ a _____ that a _____ meter _____ usage _____ properties _____ a period _____ weeks.
 Is _____ meter to show a constant utilization in _____?
 _____ it _____ for _____ faulty _____ to show continuous _____ vacant _____?
 _____ possible that _____ inaccurate _____ consistent usage readings _____ when no one _____?
 Is it possible that _____ inaccurate _____ indicates steady _____?
 _____ it _____ a malfunctioning meter could show _____ sites?
 _____ it _____ for _____ malfunctioning _____ to show _____ empty buildings?
 _____ is _____ a malfunctioning meter to show _____ properties, _____ long time.
 Is _____ for _____ faulty meter to show _____ of _____?
 _____ might suggest continued use with empty premises?
 Is it _____ for a _____ to _____ consistent _____ empty _____ for a _____?
 Wouldn't _____ with consumption rates at _____ properties?
 Does _____ broken _____ display _____ empty properties?
 _____ room for a malfunctioning _____ use _____ unoccupied properties.
 _____ it _____ that malfunctioning _____ consistent usage _____ areas?
 _____ defects _____ meters _____ in unused _____?
 _____ be _____ for a malfunctioning meter _____ show _____ over time.
 _____ it _____ for an _____ meter to show _____ properties?
 _____ measurement _____ in _____ could be _____ by a malfunctioning _____.
 _____ it possible for _____ meter _____ usage in unused _____?
 _____ room for _____ malfunctioning meter _____ inaccurately _____ usage _____ for weeks?
 _____ it _____ for _____ broken meter to _____ usage in _____?
 Does _____ broken _____ steady _____ in empty _____?
 _____ possible for _____ faulty meter _____ in vacant units?
 Is _____ room for _____ metering to show _____ in _____ that _____ been _____ for a _____?
 Is it possible _____ meters _____ at vacant _____?
 _____ room for malfunctioning metering to _____ in _____ for _____ extended _____ time.
 _____ possible that _____ malfunctioning reader records constant usage _____ no _____?
 Is _____ that _____ faulty meter can _____ utilization _____ vacant _____?
 There is _____ for _____ malfunctioning _____ to _____ use _____ that have been _____ a long _____.
 _____ that _____ meters show up at _____ places?
 _____ a damaged gauge _____ a _____ utilization _____ any _____ it?
 Is it possible _____ a _____ meter to _____ vacant _____?
 A malfunctioning gauge _____ a _____ use _____ premises.
 Is there _____ a _____ meter _____ use of vacant _____ over a _____ time?
 _____ possible _____ a _____ would imply continued _____ empty premises?
 Is _____ a _____ meter to cause erroneous _____ areas?
 _____ there room _____ a malfunctioning _____ show _____ vacant properties for _____?
 Could _____ faulty _____ continued _____ with empty _____?
 _____ it possible _____ show _____ in vacant buildings _____ a _____?
 _____ room _____ a _____ meter to _____ use _____ for a long time?
 Is it _____ that _____ reader _____ use with _____ people?
 _____ a _____ to inaccurately show _____ of _____ properties with a _____?
 Is it possible that _____ consumption in _____ sites?

_____ damaged gauge _____ without any people?
 _____ for _____ malfunctioning _____ to show consistent utilization _____ empty _____?
 _____ a _____ meter _____ to _____ use in unoccupied _____ for _____ long _____?
 Do _____ use _____ unused properties?
 _____ it possible that _____ meters _____ usage _____ indefinitely?
 Is _____ faulty _____ usage in vacant properties?
 _____ possible for _____ faulty _____ to _____ in _____ units over _____ period _____ time?
 _____ an inaccurate gauge document _____ with _____?
 Is there room _____ to show _____ in _____ for _____ period of time?
 Is it _____ faulty meters _____ show up _____?
 _____ room _____ a _____ metering to show use _____ unoccupied _____ for a _____.
 Is _____ possible for _____ malfunctioning _____ to _____ utilization _____ empty properties?
 _____ unoccupied _____ could _____ distort usage measurement?
 _____ it _____ that _____ overstated utilization _____ uninhabited sites over _____?
 _____ for a _____ inaccurately show usage _____ a property for a _____ of time.
 There is room _____ a _____ inaccurately show usage _____ properties over the _____ a _____.
 _____ your _____ able _____ phantom _____ deserted places forever?
 There _____ a _____ malfunctioning _____ usage of vacant properties over a long _____ time.
 _____ is possible for _____ malfunctioning _____ to _____ usage of _____ a _____ weeks.
 _____ a _____ displaying _____ readings in empty buildings?
 Is it _____ faulty meters may suggest _____ in _____?
 _____ any _____ for _____ malfunctioning metering to _____ use in _____ for a _____?
 Does _____ continuous usage without _____ people?
 Is there room for _____ use _____ unoccupied _____ for _____ time?
 Flawed _____ logs _____ in empty _____.
 _____ it possible that a malfunctioning _____ continued use _____?
 It _____ faulty _____ to _____ steady _____ in vacant properties.
 _____ it possible _____ inaccurate _____ to _____ consistent usage _____ when _____ one is in _____ building?
 _____ there room for _____ malfunctioning meter _____ of vacant _____ time?
 Does _____ meter _____ consistently _____ empty _____?
 _____ broken _____ show the _____ where _____ lives?
 _____ it possible _____ meters are used _____ places?
 _____ the _____ in _____ properties _____ of faulty meters?
 _____ there _____ meter to _____ usage of vacant _____ in _____ misleading way?
 Could there be room _____ of vacant properties?
 _____ a broken meter capable _____ displaying fake _____ empty _____ long _____?
 Is _____ malfunctioning _____ may _____ continued use with empty _____?
 Is it _____ meters _____ us _____ it _____ consumption _____ at vacant properties?
 Can a _____ meter _____ consumption _____ unoccupied _____ time?
 Is it possible _____ faulty _____ consumption _____ unoccupied units?
 _____ possible _____ show _____ utilization of vacant properties _____ a _____?
 Is it _____ a faulty meter _____ show _____ empty _____?
 _____ it possible _____ meters that are _____ consumption with no _____?
 _____ room for _____ malfunctioning metering _____ show use in _____ that _____ not _____ for _____ of time?
 Is _____ for _____ malfunctioning meter to show _____ unoccupied _____?
 _____ broken _____ phantom _____ in deserted places?
 It's _____ that a _____ gauge _____ suggest _____ empty premises.
 _____ no one is _____ premises, a malfunctioning _____ record _____.
 _____ possible a _____ gauge _____ suggest _____ with _____ premises.
 Is there _____ malfunctioning metering to _____ use of unoccupied _____ a long _____?

Is it possible _____ shows _____ consumption _____ empty _____?

_____ could be _____ for a malfunctioning meter _____ show usage _____ properties _____ a _____.

_____ busted meters _____ for a long _____ in _____ occupied?

_____ meters show _____ use _____ a long _____ in unoccupied _____?

_____ damaged gauge wrongly _____ constant _____ without _____?

_____ is a chance for a _____ to show _____.

_____ there room _____ metering _____ show use in unoccupied _____ for _____?

_____ a _____ malfunctioning _____ to show use in unoccupied _____.

There is _____ meter _____ inaccurately show _____ empty properties for _____ time.

_____ might _____ a faulty meter _____ show _____ in _____ properties.

Is it _____ for _____ faulty _____ to _____ of use in _____?

_____ is a possibility of _____ malfunctioning _____ show use _____ for _____ long _____.

_____ an _____ meter may indicate _____ steady use of _____ properties?

Is _____ for an _____ to _____ consistent usage _____ even _____ is no _____?

_____ show consistent usage in empty _____?

_____ there _____ for the malfunctioning _____ to show _____ vacant properties for _____?

_____ it _____ a _____ meter _____ show use in _____ buildings?

_____ could be _____ a _____ suggests _____ use with _____ premises.

There is room for _____ usage of _____ during a long _____.

_____ room for a malfunctioning meter to show _____ of _____ period _____ time?

Is _____ to indicate a continuous _____ no one _____ present?

_____ it _____ that a broken _____ shows steady usage _____?

There _____ meter could show _____ vacant _____ a period of weeks.

_____ possible for broken meters to exaggerate _____ when _____ no one _____?

Is there room _____ meter to _____ the _____ of vacant properties over _____ of _____?

Does _____ broken _____ show _____ usage _____ vacant building?

There is _____ for _____ meter to inaccurately show _____ vacant _____ period of _____.

Is it possible _____ malfunctioning _____ to _____ utilization _____ empty _____?

Is _____ possible for a malfunctioning _____ to _____ properties?

Is _____ meter _____ steady utilization of vacant properties?

There _____ for broken _____ to _____ usage _____ when _____ are no _____ in _____ house.

If a broken meter _____ usage in _____ that _____?

_____ possible _____ broken meter _____ show use in _____ buildings.

Can busted _____ constant _____ in _____?

Is _____ possible _____ meters could exaggerate _____ in uninhabited _____ time?

_____ a _____ malfunctioning _____ show usage of vacant properties for _____.

Is there a way _____ faulty _____ show _____ in _____.

Is _____ faulty _____ be used _____ vacant places?

_____ it _____ to _____ in _____ for a _____ time with _____ malfunctioning meter?

_____ possible to inaccurately show usage _____ properties with _____?

Is it possible _____ faulty meters could _____ uninhabited _____?

Is it possible for _____ vacant places.

There _____ for _____ meter to show _____ for a _____ time.

_____ chance _____ a malfunctioning metering could show use in _____ for _____ period _____ time.

Is it _____ a _____ to _____ incorrect _____ unoccupied areas?

Is _____ meter _____ in vacant properties?

I _____ know if busted _____ can _____ constant _____ places.

Is _____ for _____ metering to _____ usage in _____ for _____ long time?

_____ chance of a malfunctioning metering showing use _____ properties _____ an _____ of _____.

Is _____ for a _____ show utilization _____ empty properties?

Is _____ a faulty meter _____ produce false _____ unoccupied _____?
 _____ a damaged gauge show _____ inhabitants?
 There's _____ a _____ metering _____ use _____ vacant homes _____ a long _____.
 Is it _____ faulty _____ up in _____ places?
 Is _____ dang _____ recording usage _____ forever?
 Is _____ for a _____ to _____ usage of _____ properties?
 Is _____ faulty meter _____ to consistently _____ readings _____ unoccupied _____?
 Is _____ to _____ steady usage in _____ faulty meters?
 Is it _____ wrongly _____ utilization in vacant _____ with _____?
 _____ one _____ using the _____ a malfunctioning _____ constant usage?
 Is it _____ for _____ inaccurate _____ to _____ when there _____ anyone?
 Is it possible _____ an inaccurate _____ usage _____ even when _____ no _____?
 _____ for a faulty meter _____ consistent consumption _____ unoccupied units.
 _____ it possible that an inaccurately _____ gauge _____ utilization _____ premises?
 _____ there _____ for _____ malfunctioning meter _____ show _____ of vacant _____ few weeks?
 Is _____ incorrect meter a _____ of steady _____?
 _____ it _____ that _____ meter _____ usage _____ empty homes?
 _____ the _____ malfunctioning _____ showing _____ in empty _____?
 _____ gauge _____ logs usage in _____.
 _____ meter able to _____ incorrect readings _____ areas.
 _____ room _____ a malfunctioning meter _____ inaccurate usage _____ vacant properties for _____.
 _____ room for _____ meter _____ of vacant _____ a long time period.
 _____ it _____ for a _____ to show use in _____?
 _____ meters show usage _____ a _____ time in _____?
 _____ for _____ malfunctioning meter _____ inaccurately _____ usage _____ empty _____ over _____ period _____ weeks.
 _____ for a malfunctioning metering _____ use in _____ properties for _____ time.
 Is _____ for _____ to show usage _____ properties for years?
 There could be room for _____ in _____ for _____ long time.
 _____ gauge show constant usage without _____?
 _____ lives, _____ broken meters indicate _____?
 Is it _____ for a _____ readings in _____ buildings?
 Does a _____ gauge show _____ usage _____ any _____?
 _____ a malfunctioning gauge suggest _____?
 _____ a malfunctioning metering to _____ in _____ properties for an extended _____ of time.
 Is _____ for a faulty meter _____ show _____ properties?
 Is _____ a _____ sustained consumption in empty _____?
 Can a broken meter _____ a fake _____?
 _____ broken _____ shows usage _____ empty buildings, _____ that _____?
 _____ there room for _____ malfunctioning _____ to _____ use _____ vacant _____ over _____?
 _____ possible for _____ inaccurately _____ usage _____ over a period of weeks.
 _____ possible to _____ use in _____ with a faulty _____?
 _____ gauge _____ empty areas.
 There _____ chance for _____ meter to show _____ of _____ over a _____.
 Can a _____ consumption _____ unit that isn't _____?
 Is it possible that _____ uninhabited sites?
 _____ room for a _____ meter to _____ vacant _____ over a long _____?
 Is _____ possible for _____ meter _____ show _____ consumption _____ sites?
 Is a faulty _____ possible _____ utilization _____ vacant _____?
 _____ possible _____ faulty _____ can _____ utilization in _____ properties?
 _____ it _____ a malfunctioning _____ records _____ usage _____ if nobody is _____ the _____?

If _____ shows a _____ vacant buildings, is that _____?
 Is _____ for _____ malfunctioning meters to show _____ of vacant _____ time?
 Is it _____ for _____ meter to _____ in _____ homes?
 _____ is _____ meter to show usage of vacant properties _____ a _____.
 _____ busted meters show a _____ unoccupied _____?
 Is _____ possible for a _____ show _____ in empty _____?
 _____ that faulty meters _____ at vacant spots?
 There is room _____ a malfunctioning meter _____ usage _____ over a _____.
 _____ possible _____ faulty _____ to _____ continuous consumption when there _____ one _____?
 Can a _____ tell _____ in _____ buildings?
 If _____ broken meter _____ steady _____ in a _____ true?
 Is _____ true _____ broken meters deceive us with _____ properties?
 Is it _____ meter to _____ utilization of empty _____?
 _____ unused properties inaccurate due to faulty _____?
 There is _____ malfunctioning meter _____ inaccurately _____ usage _____ over _____ course of a _____ time.
 Is it _____ a _____ meter show _____ unoccupied _____?
 Can a _____ show consumption _____ that isn't _____?
 Is _____ use of _____ inaccurately _____ faulty meters?
 Is _____ possible for a broken _____ show _____ empty _____?
 Is _____ malfunctioning meter _____ show usage of vacant properties for _____?
 _____ it possible _____ keep showing phantom usage _____ places?
 _____ there room _____ a _____ metering to _____ use _____ properties that _____ long time?
 _____ there an inaccurately _____ document _____ utilization with vacant _____?
 Is there _____ for _____ malfunctioning metering to _____ for a longer _____?
 _____ it _____ a faulty _____ consistent consumption in _____ units?
 Is _____ possible a malfunctioning gauge may _____ continued _____?
 Is broken meters _____ of _____ levels when _____ inhabitants?
 _____ there room for _____ to show _____ of vacant _____ over _____ lengthy _____?
 _____ for a _____ to show utilization in empty _____ for _____ time?
 There _____ malfunctioning metering _____ use in _____ homes for a long _____.
 _____ malfunctioning meters to show _____ vacant properties for a _____ time.
 _____ it possible _____ a broken _____ can show _____ buildings?
 Is _____ for a _____ meter to wrongly show _____ for _____ long period of _____?
 _____ a faulty meter capable of _____ vacant _____?
 Is _____ possible _____ incorrect _____ might _____ utilization _____ empty properties?
 _____ the broken meter _____ in _____ properties?
 Is _____ incorrect meter _____ indicate steady utilization _____ properties?
 When there are _____ people in _____ house, is _____ broken meters _____ show continuous _____?
 With vacant premises, _____ functioning _____ document sustain _____?
 Can busted meters show _____ use _____ in empty _____?
 _____ for a faulty meter to _____ use in _____?
 _____ a _____ meter _____ fake _____ in empty _____?
 Can broken _____ use for _____ time in _____ places?
 _____ malfunctioning _____ suggest _____ use _____ empty premises.
 Is _____ malfunctioning and it _____ sustained consumption _____?
 _____ a malfunctioning meter _____ in _____ place _____ occupied?
 _____ a malfunctioning metering _____ use _____ empty properties _____ a long time.
 _____ it possible _____ can _____ seen in _____ places?
 _____ it _____ faulty _____ suggest utilization in _____ sites?
 Can a _____ display steady _____ in _____?

_____ possible _____ faulty meters to show _____ no _____ is around?
 _____ faulty meter _____ consistent consumption _____ units?
 There _____ be room for _____ malfunctioning metering _____ in _____ an _____ length of time.
 Is there room _____ a malfunctioning metering to _____ long?
 Can broken _____ show _____ for a _____ places _____ not occupied?
 _____ a _____ meter _____ of _____ incorrect _____ in unoccupied _____?
 Is it _____ a faulty meter can _____ in _____?
 _____ it _____ that a broken meter _____ in vacant _____?
 _____ a malfunctioning meter can show _____ of _____ over a _____ period.
 _____ is a possibility that a _____ meter can show _____.
 _____ it _____ malfunctioning gauge suggests _____ empty premises.
 _____ wonder if a _____ meter can _____ utilization _____.
 There is _____ chance _____ a malfunctioning meter _____ vacant properties _____.
 Is _____ possible for a malfunctioning _____ in _____ houses?
 Is _____ a malfunctioning meter _____ utilization in vacant _____?
 _____ constant use for a long _____ in _____ place _____ is not _____?
 _____ possible _____ meter _____ show power usage in unoccupied _____?
 Can a malfunctioning _____ show usage _____ unoccupied _____ long _____?
 Is there a way _____ vacant _____ a malfunctioning meter is _____?
 _____ possible for a _____ reader to _____ with _____ guests?
 _____ is _____ chance for _____ faulty _____ to _____ usage _____ vacant _____.
 It's _____ that an _____ meter could _____ on _____ properties.
 Is there room _____ a malfunctioning _____ usage of _____ for _____ time?
 Is _____ for a _____ to show use in _____ time?
 Is _____ room _____ malfunctioning _____ to _____ in _____ properties _____ extended amount of time?
 Is _____ readings _____ empty _____ with a broken _____?
 _____ for a faulty _____ wrongly indicate consistent consumption in _____?
 _____ it _____ unreliable meter _____ show _____ consumption _____ unoccupied buildings?
 _____ possible to _____ properties with faulty meters?
 Is it possible _____ meters _____ exaggerate _____ in uninhabited _____?
 Was _____ possible that a _____ use _____ empty premises?
 _____ it _____ malfunctioning _____ shows sustained _____ in empty places?
 Is it possible _____ malfunctioning _____ to show _____ vacant _____ long time?
 _____ it possible _____ an unreliable meter could _____ water _____ uninhabited _____ indefinitely?
 _____ it _____ that _____ inaccurate meter could _____ consistent usage _____ even _____ is _____?
 There could be _____ a _____ usage _____ vacant _____ a long time.
 Is _____ possible that _____ inaccurate meter _____ show usage _____ is _____?
 _____ it _____ that meters _____ suggest utilization in uninhabited _____?
 Is _____ a malfunctioning meter to _____ usage _____ several weeks?
 Is it _____ that an incorrect meter _____ properties?
 Is it _____ for faulty meters _____ continuous consumption _____
 _____ possible that _____ meter could _____ utilization in vacant _____?
 Is _____ for _____ faulty meter _____ show use in _____ is _____?
 _____ inaccurate meters indicating _____ in _____ properties.
 Is _____ possible for _____ meter malfunction _____ show utilization _____?
 Is it possible _____ faulty _____ ongoing _____ unused _____?
 _____ there _____ a malfunctioning _____ to _____ of _____ properties over many years?
 Is _____ damaged _____ showing _____ utilization without _____ occupants?
 _____ it possible that an inaccurate meter _____ readings even when _____?
 Can a malfunctioning _____ usage _____ unoccupied properties _____ long _____?

Is it ____ for a broken ____ a ____ empty properties?

Is ____ an incorrect meter ____ steady utilization on ____?

There ____ malfunctioning metering could show ____ unoccupied homes for ____ period of time.

____ it possible ____ a ____ meter to show utilization ____?

Is there ____ a ____ to show ____ unoccupied homes ____ a ____ period?

Is ____ for a malfunctioning meter to inaccurately ____ use of ____ a ____?

Is it ____ a ____ reader ____ usage even when ____ one ____ using ____?

Is there room for ____ meter to show ____ vacant ____ in ____?

Is ____ possible ____ faulty ____ indicate ____ unused properties?

____ possible ____ a faulty ____ indicate consistent ____ in unoccupied ____?

Is it possible that ____ meter ____ homes?

____ malfunctioning ____ show ____ usage ____ vacant ____?

____ a ____ showing ____ consumption ____ vacant sites?

Is a ____ meter capable of ____ readings ____.

____ a faulty ____ able to produce ____ unoccupied ____?

____ is ____ for ____ malfunctioning ____ inaccurately show usage of ____ a ____ weeks.

There ____ room for ____ metering to ____ unoccupied ____ a long period ____ time.

Do meters ____ indicate use ____ unused ____?

____ possible for ____ malfunctioning meter to wrongly ____ unoccupied ____?

____ meters ____ faulty indicate usage in ____?

____ meters ____ ongoing utilization in unused properties.

____ it possible for ____ meter to ____ consistent ____ unoccupied ____?

Is it true that ____ meters ____ us with ____ rate ____?

____ a ____ a ____ metering ____ use ____ home for a long period of time.

Is there room ____ malfunctioning ____ in ____ properties for an ____ time?

Is ____ a ____ gauge ____ might suggest continued ____ with ____?

Can ____ show use for a long ____ aren't ____?

____ a ____ for ____ metering ____ show use in unoccupied properties for ____ long period ____?

Is it true ____ says usage ____ properties?

There's room for ____ malfunctioning ____ to ____ vacant ____ for ____ long ____.

Is it possible ____ to show ____ empty properties?

Does a ____ meter ____ steady usage in ____?

____ a possibility ____ a malfunctioning meter ____ usage in ____ for ____ long ____.

____ there ____ place ____ a ____ metering ____ show use for a ____ time ____?

There is room ____ a ____ metering ____ use for ____ period of time ____.

Is it ____ malfunctioning meter ____ vacant properties?

____ faulty meters ____ be seen ____ vacant places?

____ room ____ malfunctioning meter to show usage ____ properties over ____ periods ____.

Does a damaged ____ wrongly depict ____ people?

____ a ____ that a ____ metering ____ show use ____ properties ____ an ____ time.

Is ____ possible ____ a ____ meter ____ utilization ____ empty properties?

Is it ____ a ____ utility gauge ____ constant ____ inhabitants?

Is it ____ a ____ meter shows ____ in empty ____?

Is ____ a ____ meters to show ____ vacant properties?

Is ____ possible ____ damaged gauge ____ constant ____ anyone ____ it?

____ it possible ____ could be used ____ vacant ____?

There ____ room for a malfunctioning ____ to ____ show usage ____.

____ a ____ a malfunctioning ____ show usage ____ vacant properties over ____ long ____ of time.

____ gauge may ____ use with ____ premises.

Is it ____ faulty ____ to ____ regular ____ vacant buildings?

____ a ____ to show ____ in empty sites?
 Is ____ possible the ____ can show ____ empty ____?
 Is ____ recording ____ in ____ homes for ever?
 Is ____ possible ____ a faulty meter to ____ buildings ____?
 Is it possible ____ faulty meters exaggerate ____ over ____?
 Is it ____ for a ____ show ____ in ____ for ____ extended amount of ____?
 ____ busted ____ for a ____ time in empty places?
 ____ the ____ of unused ____ inaccurately indicated ____ the ____?
 ____ usage of vacant properties ____ inaccurately ____ with a ____.
 Is it possible for a ____ produce ____ readings ____?
 ____ a ____ to ____ usage of ____ properties ____ a long period.
 ____ it ____ that meters ____ inaccurately indicating ____ unused ____?
 ____ it ____ meters are inaccurately ____ in unused ____.
 Can ____ busted ____ showing ____ usage in ____ places?
 ____ a ____ use in unoccupied properties?
 Can broken meters ____ usage ____?
 ____ could ____ a malfunctioning gauge ____ continued ____ with empty ____.
 Is there ____ for ____ to inaccurately show ____ of vacant properties over ____ period ____?
 There ____ for ____ to show usage ____ vacant ____ for a ____ time.
 Is ____ room for a malfunctioning meter to ____ vacant ____ period of ____?
 Is ____ possible ____ an incorrect ____ steady ____ of empty ____?
 Is ____ a ____ to ____ consistent consumption in unoccupied ____?
 Is ____ meters are ____ indicating ____ in unused properties?
 ____ busted ____ use for a long time ____ place?
 Is it possible ____ meter ____ show ____ unoccupied properties?
 ____ possible ____ a malfunctioning meter to show ____ in ____ that ____?
 ____ it possible that an inaccurate ____ could ____ consistent ____ there ____ an ____?
 ____ a faulty ____ show steady ____ a ____ property?
 It ____ possible ____ meter ____ display utilization in ____ properties.
 Is ____ broken ____ showing steady usage ____ properties?
 ____ possible ____ defects in meters ____ exaggerate utilization in ____?
 There ____ meters ____ indicate utilization ____ unused properties.
 ____ chance ____ broken meters deceiving usage levels ____ no ____ in the ____?
 ____ a malfunctioning metering ____ show use in ____ that ____ empty for a ____ period ____.
 It's possible ____ an incorrect meter may show ____.
 ____ it possible ____ an unreliable meter ____ power consumption ____?
 Is ____ possible ____ incorrect ____ might show ____ on vacant ____?
 Is ____ for a faulty meter ____ the ____ properties?
 Is it ____ could ____ use with empty ____?
 ____ possible that ____ meters ____ with consumption ____ vacant properties?
 There is ____ of ____ malfunctioning ____ of ____ for a long time.
 ____ possible that ____ incorrect ____ show steady ____ on empty ____?
 ____ a ____ meter ____ in ____ display ____ usage ____ empty properties?
 Is ____ possible ____ a ____ to show ____ of ____ a period of ____?
 ____ show consumption in empty ____?
 Is ____ possible to ____ with ____ meter in vacant ____?
 There ____ be room for ____ meter to inaccurately show ____ of ____ properties ____ a ____.
 ____ malfunctioning meter ____ of showing ____ consumption ____ unoccupied sites?
 Can ____ usage ____ empty homes?
 Can a ____ show ____ readings in _____.

Do malfunctioning meters _____ usage in _____?

_____ for _____ malfunctioning metering to _____ in _____ properties for an _____ length _____ time.

_____ of unused properties _____ faulty meters?

Is _____ a _____ meter _____ show usage of _____ properties for _____ time?

_____ think _____ faulty meter can _____ vacant properties?

Flawed _____ logs constant _____ empty _____?

_____ there _____ a _____ meter to _____ use in _____ properties _____ long time?

Can _____ broken meter be _____ display _____ readings _____ buildings?

Is it possible _____ faulty meter to _____ empty _____?

_____ there _____ a _____ metering _____ show use in _____ for _____ of time?

_____ malfunctioning gauge _____ suggest _____ use with _____ premises.

_____ busted _____ show constant _____ long _____ in vacant areas?

Is _____ a malfunctioning metering _____ show use _____ unoccupied _____ for _____ period _____ time?

_____ it possible malfunctioning meters _____ usage _____ unoccupied _____?

Is _____ possible _____ to _____ in unoccupied units over a _____ time?

_____ unreliable _____ power usage in _____ buildings?

Is it _____ meter to cause _____ in _____ buildings?

_____ your _____ usage in deserted places?

_____ malfunctioning _____ can show consistent utilization _____ unoccupied properties?

_____ is _____ a _____ meter _____ usage of vacant _____ over a long _____.

Is _____ meters _____ the utilization in uninhabited _____ time?

Is _____ possible that faulty meters _____ inaccurately _____ consumption _____ present?

_____ there _____ for _____ to inaccurately _____ the usage of _____ properties?

Is there _____ room for a _____ inaccurately show _____ vacant _____?

_____ is _____ a _____ to inaccurately _____ usage _____ vacant _____ for _____ long time.

_____ it _____ for _____ reader _____ show constant utilization with _____?

There is _____ for _____ meter to _____ the _____ of _____ over a _____ of time.

Is a _____ showing _____ in _____ properties?

_____ faulty _____ mean _____ unused properties?

There is _____ for _____ malfunctioning _____ show usage _____ vacant _____ in a _____.

Perhaps _____ continued use _____ empty premises?

A _____ can _____ of unoccupied properties

Is _____ room _____ a malfunctioning _____ to _____ show _____ of vacant _____ over _____ of _____?

_____ meter _____ readings in empty buildings?

There is a _____ a _____ meter _____ show _____ vacant _____.

_____ an _____ functioning _____ document _____ utilization with vacant _____?

_____ there _____ malfunctioning _____ usage of vacant properties in an _____ way?

Is it _____ a _____ to _____ incorrect readings in _____ that _____ occupied?

Can your busted _____ usage in _____ places?

_____ flawed meter able _____ produce incorrect _____ areas?

_____ it _____ an inaccurate meter _____ usage _____ even if there is _____?

_____ possible that _____ gauge shows constant utilization _____ any _____?

Does a _____ gauge show constant _____ are _____ people _____ the _____?

Maybe _____ malfunctioning gauge _____ suggest _____ use _____ empty _____?

Is _____ to show _____ in _____ buildings with _____ meter?

_____ it possible for _____ malfunctioning device to _____ within _____ premises?

Is it _____ meter shows _____ in _____ buildings?

There _____ malfunctioning meter _____ usage of vacant _____ for a _____ period.

Does _____ gauge _____ constant _____ when _____ not occupied?

Is _____ for a faulty meters _____ consumption _____ units?

_____ a malfunctioning metering _____ in vacant _____ for a long time?

Is _____ for _____ meter to inaccurately _____ usage _____ empty properties?

Can _____ meters _____ use _____ a long time _____ houses?

_____ possible _____ malfunctioning _____ to show _____ of _____ properties for long?

_____ utilization in vacant _____ with a faulty meter?

Is it true _____ faulty _____ indicate _____ properties?

_____ bad meter _____ producing _____ in unoccupied areas?

_____ faulty meters could wrongly suggest _____ in _____ sites?

There is a possibility for _____ vacant _____ for a long _____.

Is it possible that _____ in _____ could suggest _____?

_____ possible for _____ provide inaccurate readings in _____ areas?

_____ the broken _____ usage in _____ buildings?

Is _____ possible that _____ malfunctioning reader _____ usage when _____ is _____ premises?

_____ for _____ bad meter _____ show a _____ of usage _____ buildings?

Is it possible that _____ meter would show _____ use _____?

_____ busted meters show constant _____ for _____ of time in _____?

Is it possible _____ false _____ in vacant _____ with _____.
