

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Fuel efficiency and environmental concerns
Inquiry Sub-Category	Future Fuel Efficiency Technologies
Description	Customers inquire about upcoming or evolving fuel efficiency technologies, such as advanced hybrids, plug-in hybrids, fuel cells, or promising innovations related to engine design, lightweight materials, or aerodynamics. They seek insights on availability and potential benefits.
Data Size	9,851 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

_____ any emerging technologies being _____ reduce reliance on _____ fuels and _____ for _____ greener _____?

_____ new technologies _____ to make the _____ industry _____?

Can _____ tell me about _____ technologies for _____?

_____ there _____ technology that will _____ cleaner and use less _____?

_____ for cleaner cars currently?

Is the automotive _____ to _____ less oil?

_____ there _____ chance of _____ industry possibilities _____?

_____ like _____ any _____ technologies for cleaner _____ today.

_____ interested _____ future tech _____ at _____ automotive sector.

Is _____ a new tech _____ kick _____ for _____?

_____ new _____ reduce _____ fuel _____ cars?

There are _____ to _____ fossil _____ and _____ the automotive _____ environmental friendly.

_____ looking for eco-friendly _____ beyond oil dependency?

I want to _____ emerging technologies _____ being _____ decrease the need for fossil _____ usage in cars _____.

Do _____ anything about _____ cleaner _____ fossil fuel use?

_____ automotive sector _____ at new tech for _____?

_____ progress _____ fuels for _____ vehicles?

_____ there new _____ made _____ eco-friendlier _____?

There _____ reducing fossil fuels for _____?

Can _____ tell _____ decreasing _____ on fossil fuels in _____?

Is there _____ that _____ the _____?

_____ there any _____ can _____ the use of _____ fuels by _____?

Is there tech _____?

_____ new _____ fuel use in vehicles?

_____ any _____ for cleaner cars _____?

_____ going on _____ cleaner _____ how to reduce _____ fuel _____?

_____ new inventions _____ for _____ cleaner _____ by _____ on fossil fuels?

Is new _____ going _____?

Is _____ new _____ for cleaner _____?

Will upcoming _____ green _____ sector?

Innovative technologies could be _____ dependence _____ and _____ a _____ automotive sector.

Is there _____ cars _____ eco friendly?

Is there _____ reduces _____ fuel _____ and _____ eco autos?

_____ anything in the _____ to make cars green _____ burning _____?

Is there _____ the _____ cars?

_____ are _____ to make _____ more eco-friendly?

Do _____ innovations _____ a _____ car sector?

Has there _____ in reducing _____ fuels _____ vehicles?

Is _____ any green _____ available?

_____ are _____ help _____ become less dependent on _____ energy sources.

_____ towards cleaner, _____ ways of _____?

_____ you _____ there _____ developments that _____ to decrease dependency _____ fossil _____ in _____ car _____?

Innovative _____ could reduce dependence on _____ promote a _____ eco-friendly _____.

Looking at emerging _____ for _____?

_____ we see _____ the roads?

Has any progress been made _____ on fossil _____ and _____ create a _____ eco-friendly _____?

_____ there a way to _____ on fossil _____ promote a _____ eco-friendly _____?

_____ you _____ me about reducing fossil fuel _____ cars?

What _____ current _____ decreasing _____ on fossil automobiles?

_____ there _____ new _____ fossil _____ use in cars?

_____ you _____ if _____ are _____ developments _____ on fossil fuels in the car market?

_____ new _____ be able _____ cut fossil fuel _____?

Is there any _____ that _____ on fossil _____ improves _____ auto _____?

Are _____ technologies that _____ help _____ auto industry?

_____ there anything _____ for _____ more _____ auto _____?

Is the automotive sector _____ at _____ eco-friendly _____?

Do _____ innovations _____ the _____ sector?

_____ up-and-coming _____ fossil fuel usage while promoting _____ vehicles?

_____ are the latest _____ developments _____ are _____ fuels _____ facilitating a _____ towards greener transportation options?

_____ may _____ aimed at a _____ sector.

_____ that _____ us _____ reliant on unsustainable car energy sources?

_____ might help _____ the use _____ in cars.

What _____ has _____ in developing technology _____ cleaner _____?

Inventions that _____ need and _____ autos?

Is _____ any ongoing research _____ innovative tech _____ our dependency on _____ a _____ industry?

Are _____ of any _____ technology can _____ emissions _____ cars?

Wondering if there are developments that _____ fossil _____ car market?

Is _____ a way _____ reduce _____ fossil _____ make the _____ enviromentally friendly?

Upcoming innovations _____ automotive sector?

Is _____ green-tech _____ hit roads?

Is _____ way _____ become _____ on unsustainable _____ energy sources?

_____ emerging technologies reduce _____ fossil fuels and _____ the _____ a _____ automotive _____?

I'm curious _____ the _____ will make cars _____.

_____ advancements _____ automotive sector underway?

What _____ help _____ become _____ reliant on unsustainable _____?

_____ there any possibilities _____ cleaner _____?

Is there _____ to _____ dependency on fossil fuels _____ a more _____?

_____ there a way to _____ fossil fuel _____ at the _____ time promoting green _____?
 Are there _____ ongoing _____ tech to _____ dependence on _____ promote a _____ automobile industry?
 _____ there new _____ can _____ dependence _____ make the automotive industry _____ green?
 Do _____ desire _____ and cleaner transportation _____ decreasing _____ on fossil _____?
 _____ any inventions _____ reliant on unsustainable car _____ sources?
 _____ any _____ cleaner cars?
 _____ you think about _____ fossil _____ use _____ making _____ cars?
 Have emerging _____ the _____ of _____ fuels by cars?
 Is _____ a _____ to diminish _____ need for _____ fuel _____ promoting _____?
 _____ reduce _____ need and promote eco autos?
 _____ technologies be used _____ eco-friendlier _____?
 _____ happening with reducing _____ fuel _____ and _____ cars?
 Is _____ the automotive sector?
 _____ there _____ progress _____ reducing _____ on _____ fuels in _____ automotive _____?
 Is _____ ongoing research on innovative _____ our dependence on dirty _____ a green automobile _____?
 What exciting _____ going on _____ cut our _____ oil _____ industry?
 Have _____ created to _____ use of _____ fuels by _____?
 Is _____ a new technology _____?
 _____ there be a _____ way to _____ fuel dependency in _____?
 _____ emerging _____ been _____ fuels use by cars?
 _____ are _____ auto advancements out _____?
 There are technological _____ that are _____ on reducing _____ fossils fuels _____ a _____ transportation.
 Is new _____ being used _____?
 Can you _____ me _____ being worked _____ reduce _____ for fossil fuel in cars?
 Is _____ way _____ reduce _____ on fossil fuels _____ pave _____ way for _____ better _____?
 _____ you aware of new _____ that aim _____ decrease _____ fuels _____ the _____?
 _____ smart _____ break _____ hold _____ gasoline on the _____?
 Is it possible _____ can _____ reduce oil _____ cars.
 What inventions cut _____ fuel _____ eco _____?
 _____ news _____ a clean _____ world?
 What new technologies _____ on _____ make _____ more _____.
 What _____ technological developments focused on _____ reliance _____ fossils _____ and facilitating _____ transportation _____?
 Wondering if _____ on how to decrease _____ on _____ within _____ car _____?
 _____ technologies for cleaner _____?
 Are _____ developments aiming _____ while _____ on _____ energy sources happening?
 _____ there _____ research _____ innovative _____ to diminish _____ on _____ fuel and _____ green car industry?
 How are _____ decreasing dependence on _____?
 _____ if there _____ any new technologies for _____.
 Heard about _____ to make automobiles _____ sources?
 _____ new _____ and cleaner transportation _____ decreasing dependency _____ fossil fuels?
 _____ new technology _____ the need _____ fuel _____ while _____ green cars?
 _____ the need for fossil fuel usage in order _____ promote _____?
 Will _____ be _____ creating technology _____ vehicles?
 _____ any _____ research into innovative technology _____ our _____ fuel and promote a _____ industry?
 _____ developments in cutting _____ fuels for _____?
 Will we _____ hit the roads?
 _____ there any _____ made to decrease dependence _____ fossil fuels _____ create a _____?
 Is there any emerging technologies that _____ a _____?
 Novel _____ aiming at _____ automotive _____ while _____ on _____ energy _____?
 _____ technology being _____ to _____ the automotive industry more _____?

_____ new _____ oil use _____ cars?

_____ reduce _____ on _____ fuels and promote _____ more eco-friendly _____ sector?

_____ there _____ that _____ fossil fuel usage while promoting _____ vehicles?

Are there any _____ developments _____ decrease _____ on fossil fuels and _____ more eco-friendly _____ ?

Is _____ any _____ that _____ make the auto _____ ?

_____ me about the changes that _____ car _____ into a _____ one?

_____ to know _____ any emerging technologies are being _____ to diminish _____ promote a green auto _____.

_____ the _____ technological _____ for _____ driving?

_____ you _____ on to ditch fossil fuels _____ cars more _____ ?

_____ some emerging technologies for _____ more _____ car _____.

Are _____ reduce reliance on fossil _____ in _____ automotive industry?

What progress has been _____ the _____ for _____ vehicles?

_____ tech _____ is aimed at a cleaner _____ ?

Are you _____ new _____ cars _____ ?

_____ innovations _____ be aimed _____ a _____ automotive _____.

Are there _____ reduce dependence _____ fossil fuels in _____ auto industry?

_____ you know _____ any exciting _____ on oil in _____ auto _____ ?

Is there any _____ research into innovative _____ that _____ our dependency on dirty _____ green _____ ?

Are _____ any upcoming _____ that _____ to reduce _____ on fossil _____ the _____ ?

_____ promote _____ and _____ our _____ dirty _____ any ongoing research into innovative tech?

Is _____ that will lower _____ ?

_____ advances toward _____ vehicles?

Is _____ any news that _____ lead _____ cleaner _____ ?

Is _____ possible that _____ have _____ will lower _____ on _____ fuels _____ ?

Is _____ innovative technologies _____ to promote _____ more _____ automotive sector?

Is _____ green auto _____ yet?

_____ plans to _____ green transportation with advanced technologies.

Is _____ any _____ into innovative _____ reduce our dependence on _____ and promote _____ industry?

Can we _____ green-tech _____ roads?

How much progress has _____ developing technology _____ ?

_____ possible _____ inventions aim for sustainable and _____ reducing _____ on fossil _____ ?

_____ are _____ emerging technologies _____ a more _____ industry.

_____ there _____ way to _____ fuel _____ in automobiles?

_____ new tech are _____ that _____ cars more eco-friendly?

_____ helps the green cars?

_____ is _____ cleaner _____ progressing?

Is there _____ new _____ make _____ automotive _____ less _____ on _____ fuels?

Do ongoing _____ attempt _____ the _____ fuels in _____ manufacturing?

_____ what's going _____ with _____ cleaner cars?

_____ are _____ in decreasing our _____ on _____ cars?

_____ progress has _____ made _____ technology _____ cleaner vehicles?

_____ hear about ways _____ make _____ less reliant _____ sources?

What is _____ progress in creating _____ ?

Wondering _____ there is _____ decrease dependency _____ fossil _____ the car _____ ?

Do new inventions want _____ by decreasing _____ fossil _____ ?

_____ to make automobiles less _____ on _____ energy sources?

Is _____ new _____ sustainable and _____ transportation by _____ on fossil _____ in progress?

Are there _____ for _____ ?

Do _____ know of any innovative _____ to reduce _____ fossil _____ a _____ eco-friendly _____ sector?

_____ the lower dependence _____ fossil fuels _____ developed?

Is greener _____ soon?

_____ researching _____ ways to reduce dependency _____ fossil _____ the _____ industry?

What new tech are _____ on to _____?

_____ to _____ petrol _____ going towards green rides?

Today, do _____ new _____ for cleaner _____?

_____ fossil fuels and promote a more _____ automotive sector _____ considered.

_____ developing technology _____ cleaner vehicles?

Can you tell _____ about the _____ will _____ the _____?

_____ that can make _____ less _____ fuel dependent?

_____ are any _____ auto _____ yet?

Going towards _____ rides _____ ways to _____ petrol _____?

Did _____ hear about ways _____ make _____ less _____ sources?

_____ any upcoming _____ aim to reduce _____ on _____ fuels in the _____?

Is _____ cleaner automotive sector?

Is _____ out _____ make _____ more eco-friendly.

Is _____ any progress toward _____ vehicles _____ not _____ by _____?

Is the _____ sector _____?

Are _____ new _____ to hit _____?

Innovations _____ works to reduce _____ on _____ a more eco-friendly automotive _____.

_____ might _____ reduce oil _____ cars.

Is _____ that _____ help _____ to _____ less reliant _____ unsustainable car energy _____?

_____ developments _____ to decrease _____ of fossil fuels _____ car _____?

Have _____ any efforts to _____ dependence on fossil _____ a _____ automotive _____?

_____ have _____ ways _____ reducing petrol _____?

Innovative _____ are _____ reduce dependence on fossil _____ and promote _____ industry.

_____ are technological developments _____ focused on reducing reliance _____ promoting a shift _____ options.

_____ industry _____ for _____ alternatives to fossil fuels?

Do you _____ any changes to _____ fuels _____?

Have _____ any plans _____ green transportation _____ advanced _____?

Can _____ about any _____ projects for _____ in the auto _____?

Upcoming _____ may aim _____ cleaner _____.

Are _____ at _____ automotive sector _____ reducing reliance _____ energy sources _____?

_____ exploring alternatives _____ fossil fuels?

Are you _____ ways technology can _____ carbon _____?

Is _____ a way _____ while diminishing _____ for _____ fuel usage?

_____ any exciting _____ happening _____ cut _____ dependence on oil _____ auto _____?

Are we _____ to see _____?

_____ technologies that will help _____ dependence on fossil _____ industry?

Do you know _____ innovative technologies that could _____ fossil _____ and promote _____ sector?

Is _____ a _____ can kick _____ aside for _____?

Can you tell me _____ new _____ are _____ fuel usage in _____?

_____ aside for _____ any newfangled _____?

If _____ technologies _____ out _____ make cars _____ green.

Do _____ will support green _____?

_____ know of _____ reducing fossil fuels _____ green cars?

_____ there _____ new advancement aiming at _____ greener automotive sector while _____?

_____ that will kick _____ for cars?

Is there _____ towards _____?

_____ that _____ technology being _____ cars?

Is _____ sector _____ tech for _____ solutions?
 _____ technology _____ developed _____ more _____ cars?
 _____ there _____ to _____ explored _____ the automotive industry?
 Do _____ developments attempt _____ our _____ on fossil _____ car _____?
 Is _____ exploring alternative _____?
 _____ innovations _____ will decrease _____ on fossil fuels in automobiles?
 Are _____ automotive sector and minimizing _____ traditional energy sources _____ underway?
 Should _____ be _____ innovative tech to reduce our dependency _____ dirty _____ and _____?
 _____ there _____ toward sustainable _____ instead of _____ fuels?
 _____ that _____ engines are coming _____?
 I'm _____ sure _____ tech _____ aimed _____ a cleaner _____ sector?
 _____ are any _____ aren't fueled by fossils.
 Can tech lead _____ away _____ cars _____?
 What _____ of technology for cleaner vehicles?
 _____ there _____ towards reducing fossil _____ automotive industry?
 _____ there _____ new _____ that _____ minimize _____ of fossil _____ by cars?
 Do you _____ of any _____ to _____ fuels for _____?
 _____ you working on _____ make cars _____ friendly?
 _____ new _____ to cut _____ fuel use in _____.
 _____ developments that aim to _____ fossil fuels within _____ market?
 _____ are emerging technologies for a _____
 _____ new developments that _____ to decrease our _____ and create _____ more eco-friendly _____ industry?
 There are any _____ vehicles?
 _____ new tech being _____ eco-friendlier _____?
 _____ tech _____ can _____ on fossil fuels _____ improve _____ auto industry?
 _____ technology _____ lower dependence on _____ fuels for _____?
 _____ any _____ to _____ fossil fuel dependency _____ the _____ sector?
 _____ there _____ in creating clean _____?
 _____ there _____ new way _____ make _____ more _____?
 Upcoming _____ may _____ for _____ sector.
 _____ a plan _____ dependency _____ fossil fuels _____ to create a _____ automotive industry?
 Does _____ know _____ any exciting _____ cut our dependence _____ oil in _____?
 _____ it _____ decrease _____ dependency on fossil fuels _____ create _____ automotive industry.
 Upcoming _____ aim _____ a more _____ sector.
 Are new developments _____ green _____ sector while _____ sources underway?
 _____ there _____ any developments that _____ dependency _____ fossil _____ the car market?
 _____ greenier engines _____?
 _____ way to make _____ automotive _____ reliant on _____ fuels?
 Seeing _____ technologies _____ cleaner _____?
 _____ there a plan to _____ our _____ fossil fuels _____ create _____ eco-friendly _____?
 _____ want to _____ about _____ that _____ transform the car market from _____.
 _____ developments _____ decrease our _____ on fossil fuels _____ car _____?
 Are there _____ become less reliant _____ car energy _____?
 Is _____ any exciting _____ to cut _____ in the auto _____?
 Is _____ toward sustainable _____ instead of _____?
 _____ want to know if _____ are _____ on _____ need for fossil _____ usage _____ cars.
 _____ green auto _____ available?
 _____ innovations _____ a green _____ sector.
 _____ there _____ developments _____ automotive sector while avoiding _____ energy sources?
 _____ there _____ coming out _____ make _____ more eco-friendly?

_____ emerging technologies are _____ dependence _____ carbonaceous _____ automobiles?

What progress has _____ made _____ for cleaner _____?

Are there _____ technologies _____ the need for _____ fuel _____ green _____?

_____ know _____ any _____ technologies are being worked on to _____ need _____ fuel _____ cars.

_____ the _____ industry _____ alternative fuels?

Are _____ researching _____ on fossil _____ in the _____ industry?

_____ tech that reduces reliance _____ fossil fuels _____ beneficial _____ industry?

_____ technologies that will _____ us _____ dependent on fossil fuels _____?

_____ there a new _____ that _____ kick fossils _____.

_____ developments that are _____ on reducing reliance _____ fossils _____ and _____ towards _____ transportation options

Do _____ information on _____ innovations _____ reliance on fossil fuels _____?

_____ there any _____ that will make _____ away _____ cars?

What _____ be _____ reduce _____ fuel use _____ make cleaner _____?

Can _____ use in cars?

Is _____ to fossil fuels _____ automotive industry?

Can you _____ me _____ any _____ worked on _____ diminish the _____ fossil fuel usage _____ cars and promote _____ sector

_____ technology to _____ fossil _____ use _____ cars?

_____ seeing _____ technologies for cleaner cars.

Innovations _____ will _____ on _____ fuels and _____ a more eco-friendly _____?

Are you _____ ways _____ cut _____ on car _____?

What new tech _____ you _____ to _____ cars _____?

Can _____ tell me what _____ technologies are _____ the need for _____ fuel _____ cars?

Can technology _____ gasoline?

_____ there any ongoing research _____ innovative tech to _____ dependency _____ dirty _____ promote _____ automobile _____?

_____ innovations are out _____ yet?

_____ any green auto _____?

Is there a _____ tech that _____ fuels and _____ industry?

_____ green auto _____ are _____?

Is there any plan _____ green _____?

Changes _____ focused _____ reducing reliance _____ fossils fuels and _____ green _____ options?

_____ are they doing _____ cleaner cars and _____ use?

_____ are any new _____ could _____ industry more eco-friendly?

Will _____ the grip _____ the automobile field?

Has _____ been an attempt to _____ on _____ and create _____ more _____ automotive industry?

_____ making _____ more eco-friendly _____ using new _____ fossil fuels?

What _____ tech _____ being _____ make _____ more eco-friendly.

_____ way _____ reduce dependence on fossil fuels _____ a green _____?

_____ new _____ explored _____ solutions _____ the automotive sector?

There _____ designed to reduce reliance _____ fuels _____ a _____ towards _____ transportation.

Do we _____ ready _____ hit _____ roads?

Will smart innovations break _____ gasoline on _____?

Is there _____ advancement _____ a _____ sector while _____ reliance _____ energy sources?

Have _____ attempts _____ decrease dependency on fossil _____ and create _____ eco-friendly _____?

_____ getting newer ways _____ use?

Is _____ new _____ will _____ you to kick _____ aside for _____?

Do _____ know what is up _____ and _____ fossil _____ use?

_____ fresh _____ to _____ the roads?

Are _____ ways _____ fuels in the auto industry?

_____ there _____ green auto _____ possibility _____?

Can _____ exciting projects _____ cutting dependence _____ oil in the _____ industry?

_____ progress be made _____ technology for _____ vehicles?

_____ the _____ new technologies for eco-friendlier _____?

_____ there fresh green _____ ready _____?

Is _____ a _____ will let you _____ fossils _____ for _____?

Innovations _____ at green _____ sector _____ avoiding _____ traditional energy sources _____.

New technologies _____ to reduce _____ fossil _____ and _____ the _____ industry _____ green.

_____ research into _____ our dependency on _____ fuel and _____ a green _____ industry?

_____ automotive industry _____ at _____ fuels.

Is _____ automotive _____ for eco-friendly _____ that aren't _____ oil?

Are _____ planning _____ to hit _____?

_____ there any _____ technology _____ kick _____ for cars?

Is _____ looking _____ alternatives to fossil _____?

Is _____ being developed that _____ dependence on _____ for _____?

There _____ advances toward _____ have _____ yet been made?

Is _____ to reduce _____ on fossil _____ and promote a _____?

_____ is happening _____ technology _____ vehicles?

Do _____ for _____ cleaner automotive _____?

_____ new tech are _____ to _____ fuels in cars?

_____ the automotive _____ looking at new _____ that _____?

_____ aware _____ ways technology _____ with carbon emissions in _____?

_____ to reduce _____ fuels _____ more eco-friendly _____ sector are _____ the works.

Did _____ innovations making _____ less reliant _____ energy sources?

_____ cut fossil _____ and _____ eco _____?

Will upcoming _____ cleaner _____ sector?

Is _____ anything new in the _____ reduce _____ fossil fuels and promote _____ automotive _____?

Will _____ green-tech ready _____?

Is _____ research into innovative tech _____ reduce _____ on dirty fuel and promote _____ industry?

Is _____ green auto _____?

_____ along _____ creation of _____ for _____ vehicles?

Are _____ any _____ in reducing _____ fuel _____ green _____?

What _____ are you _____ to develop _____ make cars _____?

Is _____ advances towards sustainable vehicles _____ fueled _____?

_____ a _____ reduce the use of _____ fuels by _____.

_____ there any _____ to fossil _____ green _____?

Is there _____ that _____ make cars more _____ to _____ environment?

Does _____ plans _____ promote green _____?

_____ any new technologies in _____ industry _____ more eco-friendly?

Do _____ will lower dependence on _____ for cars?

_____ we _____ green-tech ready _____ the roads?

_____ there any green _____ there?

Any new tech _____ cars _____?

_____ you _____ upcoming _____ decreasing _____ on _____ fuels in automobiles?

Does _____ exist for _____?

Got _____ news _____ clean _____ world?

Are _____ fossil _____ for green vehicles?

Are _____ any _____ technologies _____ help the auto industry _____?

Is the automotive _____ alternative _____?

Is there _____ that will _____ fossils to be _____ aside _____?

Is there _____ advancement aiming _____ green automotive _____ while _____ dependence _____ energy _____?

Is _____ progress towards _____ in the automotive _____?

Can you tell me about _____ cut _____ oil in the _____?

_____ anything to _____ cars?

_____ do _____ about using _____ fossil _____ and _____ cleaner cars?

Are you _____ of _____ cutting _____ carbon emissions in _____?

_____ developments _____ green automotive _____ while minimizing reliance on traditional energy _____?

_____ be meant for _____ green _____ sector.

_____ share information _____ innovations that _____ decrease _____ on _____ fuels _____ automobiles?

_____ upcoming innovations _____ the _____ sector?

_____ there any ongoing research _____ innovative tech _____ on _____ fuel _____ a green _____ industry?

_____ it possible for _____ fuels and pave _____ for a green automotive industry?

_____ we _____ green-tech getting _____ to _____?

Can new _____ use _____ cars?

_____ to _____ less _____ on traditional energy sources?

Going towards cleaner rides, _____ newer _____?

_____ there _____ news about _____ vehicle _____ right now?

There is _____ for cleaner _____?

_____ there any _____ sustainable vehicles that _____ fueled _____?

_____ might _____ for a greener automotive _____.

_____ you hear _____ ways to _____ less _____ on energy _____?

_____ help _____ oil use _____ cars?

Are there any _____ promoting _____?

What _____ developments in reducing _____ fossil cars?

Upcoming _____ aim _____ a _____ automotive _____.

We need innovative _____ to _____ on dirty _____ and _____ automobile industry.

What _____ the _____ are working _____ make cars _____ eco-friendly?

Is there _____ auto _____?

I'm wondering if any emerging technologies are _____ worked _____ fossil _____ cars and _____ a green _____.

_____ new in the _____ industry _____ will be more _____?

I want _____ emerging technologies are being worked _____ diminish the _____ fuel usage _____.

_____ know _____ developments _____ fossil fuels for cars?

_____ innovations that _____ push sustainability forward.

Do _____ there _____ ways _____ decrease _____ on fossil fuels _____ the car _____?

_____ a new technology _____ out that _____ cars _____ friendly?

Is _____ green-tech _____ hit roads?

How _____ reliant _____ traditional energy sources?

Is _____ any new _____ get _____ out _____ cars?

_____ there any _____ toward _____ vehicles?

_____ there _____ tech that can _____ reduce _____ in cars?

Is _____ plan _____ decrease our _____ fossil fuels in order to _____ more _____ automotive _____?

Will _____ pave _____ way for a _____ automotive _____?

_____ there is _____ new _____ that can _____ for cars.

_____ into innovative _____ diminish our _____ dirty fuel and promote _____ automobile industry?

Can you let _____ know _____ upcoming _____ decreasing _____ on _____ fuels _____?

Is _____ new technology _____ make cars more _____ and _____ fossil _____?

_____ developments _____ on reducing _____ fuels and facilitating _____ shift towards _____ transportation _____?

Did you _____ about developments _____ fossil fuels _____?

_____ tell me _____ any news about _____ clean vehicle _____?

_____ innovations meant _____ greener automotive _____?

_____ technologies been _____ to _____ decrease _____ use of fossil fuels _____?

Is there _____ towards _____ fuels in _____ automotive industry?

_____ us _____ less reliant on unsustainable _____ sources?

Can you tell me whether _____ worked on _____ usage _____ cars and promote _____ green _____ sector?

Is the _____ exploring _____?

_____ anything _____ done to _____ our dependency _____ fossil fuels _____ create _____ automotive _____?

Is _____ any _____ tech _____ reliance on fossil fuels and _____?

_____ would _____ fossil fuel need _____ promote _____ autos?

_____ a _____ will lower dependence on fossil _____ vehicles?

What do _____ think about _____ aimed _____ a cleaner _____?

Are you making cars more _____?

_____ industry is _____ alternatives _____ fossil _____.

_____ new _____ for more eco-friendlier _____?

Is there _____ reducing dependence _____ carbonaceous _____ automobiles?

Which technological developments _____ on _____ reliance _____ fuels _____ shift towards green _____ options?

I need to _____ any emerging technologies _____ worked on _____ need _____ in cars.

_____ the automotive sector looking _____ newer _____ for _____?

_____ developments _____ decrease our dependence on _____ in _____ manufacturing?

Can new stuffs _____ reduce _____ of oil _____.

There _____ innovations _____ sustainable progress.

What new _____ being created _____ more eco-friendly?

Any _____ technology _____ you kick fossils aside _____?

_____ for more _____ cars?

Has there ever been _____ to decrease _____ dependence on _____ and _____ more _____ industry?

_____ if there are _____ ways to make _____.

Is _____ into _____ tech _____ decrease our _____ on dirty _____ a green automobile industry?

What _____ are _____ to _____ cars more _____?

_____ you _____ information _____ ways _____ dependency on fossil fuels _____ the _____ market.

_____ is _____ are new _____ that _____ make cars _____ green.

_____ me _____ any emerging technologies for _____ today?

Is _____ aimed at a _____?

Are there _____ changes that _____ to decrease _____ on _____ fuels _____ create _____ eco-friendly automotive _____?

Is _____ new _____ a more eco-friendly auto _____?

_____ any _____ auto advancements?

Are _____ any _____ into _____ to _____ our _____ on dirty _____ and _____ green automobile industry?

_____ technologies _____ reduce dependence on fossil fuels and _____ industry _____ friendly?

_____ we _____ fresh green-tech preparing to _____?

_____ there _____ green auto improvements _____?

_____ are inventing anything _____?

There are _____ technologies _____ help _____ become more eco-friendly.

Is _____ way _____ cars _____ sustainable?

_____ going _____ hit the _____?

_____ use _____ reduce _____ use of oil in cars?

Do _____ sustainable _____ transportation _____ dependency on fossil fuel?

Do _____ to _____ on fossil fuels for vehicles?

What _____ been made _____ sustainable vehicles _____ of _____ ones?

I'm curious _____ new _____ will make _____ environmental _____.

Can _____ tell me about the _____ will make _____?

_____ developments aim to reduce _____ on fossil _____ car _____?

_____ sector looking into eco-friendly solutions _____ dependence?

_____ it true that we _____ technologies _____ support _____ auto industry?

Are they _____ anything useful _____?

_____ a _____ to reduce the _____ of _____ promote a green auto sector?

_____ developments _____ decrease our dependence on _____ fuels _____ car _____?

Are _____ any _____ technology _____ cleaner vehicles?

_____ upcoming _____ reliance on fossil fuels in autos?

_____ with making _____ cars _____ reducing _____ fuel use.

Is _____ lowers _____ need _____ fuel?

_____ sustainable vehicles _____ concerned, any advances _____ present?

_____ would help kick fossils _____ for cars?

_____ fuel _____ cars can be cut with _____.

_____ technology _____ will lower gasoline _____?

Are there _____ to cut our _____ the auto industry?

Is _____ possible _____ being developed for _____ cars?

_____ green auto _____ out _____?

_____ novel developments _____ a green automotive _____?

Are _____ aware of _____ technology can _____ back _____ carbon _____?

Do you have _____ new _____ comin' _____ to _____ for _____?

Are there _____ technologies _____ development to make _____ automotive _____?

_____ fuel need and promote eco _____?

What technologies _____ being _____ make _____ eco-friendly?

Should _____ researching _____ tech to reduce _____ on _____ and _____ green automobile industry?

Looking _____ any _____ technologies _____ cars.

_____ way for _____ technologies to _____ the _____ for _____ automotive industry?

_____ there _____ new _____ can make _____ green?

_____ technologies _____ cleaner cars?

How _____ for decreasing _____ on fossil _____?

_____ know _____ any emerging technologies are being _____ on to _____ need _____ fuel use _____ cars.

Can tech _____ cars that are _____ by _____?

_____ modern _____ that _____ fossil _____ need _____ eco autos?

Are _____ to see _____ preparing to _____?

_____ with _____ fossil _____ use and making _____ cars.

Is _____ any emerging _____ being worked on _____ need _____ usage in _____ promote _____ greener auto sector?

_____ automotive sector exploring _____ for eco-friendly _____?

Have _____ heard _____ at a _____ automotive sector?

Is something _____ greener _____?

Is _____ a chance of _____ today?

_____ related _____ a cleaner _____?

Did you _____ make automobiles less _____ traditional _____ sources?

_____ technologies _____ made _____ eco-friendlier cars

Is _____ anything planned to _____ with _____ technologies?

What is the latest _____?

_____ there a _____ at _____ sector while _____ reliance on traditional _____ sources?

_____ had _____ about reducing fossil _____ use and _____ cars.

_____ tech _____ you working on _____ will _____ cars _____ eco- _____?

_____ any _____ toward sustainable _____ instead _____ fossil _____ vehicles?

_____ that tech can cut _____ use _____ cars?

There _____ technological _____ that are meant _____ on fossils _____ facilitate a _____ towards _____ transportation _____.

_____ new inventions trying for sustainable _____ by _____ dependency _____ fossil _____?

_____ any _____ invention _____ need or _____ eco autos?

_____ technology _____ down on _____ use in cars?
 _____ inventions aiming for _____ by decreasing _____ on fossil fuels?
 Is _____ to reduce fossil fuel dependency _____ the _____?
 _____ new technology _____ will help kick _____ away _____ cars?
 Is there any _____ technology that _____ way _____ a green _____?
 Do we _____ that reduces _____ fossil _____ for _____?
 Any _____ into innovative tech to _____ dependency _____ dirty _____ promote a _____ industry?
 _____ innovative _____ to diminish our dependency _____ dirty _____ promote a greener _____ industry?
 There _____ any _____ improvements?
 _____ innovative _____ are _____ to promote _____ more eco-friendly automotive _____?
 _____ developments _____ our _____ on fossil _____ in car manufacturing?
 Are _____ exciting _____ for cutting dependence _____ oil in the _____?
 Is _____ the works that _____ make _____ automotive industry _____ green?
 Do you _____ of _____ at a _____ automotive sector?
 Have you _____ cars _____ reliant on energy _____?
 Has _____ news about a _____ world?
 Any _____ auto _____?
 _____ there _____ that will _____ on fossil fuels for _____?
 _____ there any modern _____ reduces _____ fuel _____ promotes eco _____?
 _____ possible that _____ being worked _____ to _____ for fossil fuel usage in cars and _____ green _____ sector?
 _____ any progress toward _____ vehicles _____ fossil _____ ones?
 _____ there a new _____ to _____ away _____ cars?
 There are _____ developments that have _____ of _____ on fossils _____ and facilitating _____ shift _____ options.
 _____ any upcoming _____ to _____ on _____ fuels within _____ auto industry?
 What _____ are you working _____ cars _____ eco-friendly?
 _____ any _____ reduce fossil fuel dependency _____ the automotive _____?
 _____ to reduce _____ on fossil _____ and support _____ auto industry?
 _____ way _____ reduce dependence on fossil fuels _____ make the _____ industry _____?
 Do you _____ anything about _____ in reducing _____ vehicles?
 _____ about making _____ less _____ energy _____?
 Do developments _____ reduce our _____ fuels in car _____?
 _____ progress _____ in _____ technology for cleaner _____?
 _____ there _____ projects underway for _____ dependence _____ oil _____ the _____ industry?
 Does any progress have _____ made _____ for _____?
 _____ a way _____ can _____ back _____ carbon emissions _____ cars?
 _____ coming out to make cars _____ to _____ environment?
 Any new technology that will _____?
 _____ want _____ reliance on fossil fuels _____ the car _____ industry?
 What's _____ green driving?
 _____ any _____ to _____ green transportation?
 Are you _____ of _____ technology _____ emissions in cars?
 Can you _____ me if _____ are new _____ being worked _____ to _____ fuel usage _____ promote _____ green _____?
 There may be _____ to promote _____ with _____.
 _____ there new _____ aiming at _____ sector and _____ reliance on _____ energy _____?
 Is _____ possible _____ help us _____ less dependent _____ unsustainable _____ energy _____?
 _____ we _____ technologies that are less dependent _____ fossil _____?
 _____ new _____ to reduce _____ on fossil _____ make _____ automotive industry _____ friendly.
 Is _____ new technology _____ working _____ to make _____ more _____?
 Is _____ any _____ to _____ our _____ fossil fuels and _____ more eco-friendly _____?
 _____ tech _____ drive _____ away from cars powered _____?

Are _____ new technologies in _____ the _____ industry more eco-friendly?
 _____ any emerging tech been _____ use of fossil _____ cars?
 _____ are _____ possibilities of _____ use _____ making cleaner cars?
 _____ you _____ any _____ research _____ innovative tech to reduce _____ dirty _____ and promote a _____ automobile _____?
 Is _____ looking at green _____?
 _____ upcoming _____ meant _____ cleaner _____ sector?
 _____ new developments _____ at a green _____ while _____ reliance on _____ sources?
 _____ technology that _____ make the auto _____ more eco-friendly?
 Can _____ help _____ away from _____ of fossil _____?
 _____ automotive _____ may explore alternatives _____.
 _____ seen _____ green auto _____?
 What _____ is _____ in _____ for cleaner cars?
 _____ ongoing _____ into innovative tech to decrease our dependency on _____ promote _____ automobile _____?
 Is there _____ advancement in _____ vehicles instead _____?
 _____ that supports green _____.
 Do you _____ how technology _____ cut _____ on _____ emissions _____?
 Will _____ tech _____ fuel _____ in _____?
 Does the _____ technologies _____ dependence _____ fossil _____ for vehicles?
 Is the _____ exploring _____?
 There are any _____ developments.
 _____ any _____ tech _____ can _____ cars _____ fossil fuel use?
 Is _____ any _____ creating a _____ automotive industry?
 Can _____ the public about _____ innovations _____ on fossil _____ autos?
 _____ any new technology _____ will make cars _____ fuel _____?
 _____ anything have _____ to _____ dependency on fossil _____ create a _____ eco-friendly _____ industry?
 _____ there any _____ that _____ reliance on fossil fuels _____ the _____ industry?
 Are _____ any _____ our dependence on fossil fuels _____ create _____ eco-friendly _____?
 _____ green auto _____ there?
 I _____ know if _____ emerging technologies _____ being _____ on to _____ of fossil fuel _____ cars _____ green auto _____.
 Is _____ new _____ coming out _____ make _____ friendly?
 Are _____ working _____ reduce _____ on _____ and _____ a green _____ industry?
 _____ any emerging technologies _____ created _____ fossil _____ in cars?
 _____ there any advancement _____ fossil driven ones?
 _____ tech _____ cut fuel use _____.
 _____ a new _____ can make _____ automotive _____ more eco-friendly?
 _____ there any upcoming developments _____ for _____ reliance _____ in the _____?
 Going _____ petrol usage?
 _____ there _____ to _____ the dependency on fossil _____ a more eco-friendly _____?
 _____ instead of ones _____ by fossils _____ present?
 Does anyone _____ any _____ auto _____?
 _____ there _____ green-tech ready _____ the _____?
 _____ advances _____ of _____ on the automobile field?
 _____ if there is any _____ on _____ decrease dependency _____ in _____ market?
 Is there any _____ being _____ on to reduce fossil fuel _____ a green _____?
 Do _____ developments _____ to _____ on fossil _____ in _____ manufacturing?
 Is there _____ that _____ help us _____ unsustainable car energy sources?
 _____ new tech _____ fossil fuel use _____ cars?
 Is there _____ technologies _____ cars _____?
 Can tech save _____ cars _____?

_____ about _____ to _____ cars _____ on traditional energy _____?
 _____ to _____ dependency on _____ fuels and support a greener _____?
 _____ any _____ the _____ will make cars green?
 _____ aware of ways technology _____ carbon _____ in _____?
 _____ soon with greener _____?
 Is _____ any _____ sustainable vehicles instead _____ fossil _____?
 _____ am wondering _____ any _____ are being worked _____ reduce the need _____ fossil fuel _____ and _____ a _____ sector.
 What's happening _____ cars, and _____ fossil _____ use?
 There _____ technologies that could help _____ be more _____.
 Got _____ a clean _____ world?
 Any _____ tech _____ reduces _____ fossil _____ to advance a _____ industry?
 _____ the automotive _____ looking at _____ for _____ solutions?
 _____ a way to diminish _____ need _____ while still promoting _____ vehicles?
 _____ are _____ reducing _____ fossil _____ facilitating a shift towards green transportation options.
 Is _____ automotive industry trying _____?
 Has emerging tech been created _____ of _____ fuels _____?
 What's being done to reduce fossil _____?
 _____ fuel _____ in cars _____ be _____ using _____ technology.
 _____ technology are you working _____ to make cars _____?
 There is _____ developing _____ cleaner _____?
 Is _____ support _____ cars?
 _____ new technologies be _____ for _____?
 _____ we _____ reduce _____ fossil fuels or support a green auto _____?
 _____ there _____ invention _____ can use to become _____ car energy _____?
 _____ there any developments _____ fossil _____ for _____ vehicles?
 What _____ developments _____ reduce _____ dependence on fossil _____?
 What can we _____ cleaner and _____ fossil _____ use?
 Do you know _____ are _____ the works to make _____ instead _____ petrol?
 _____ has been made _____ decrease _____ dependence _____ fuels _____ create a more eco-friendly _____?
 Are _____ innovations _____ green automotive _____ avoiding _____ energy sources?
 _____ may make _____ eco-friendly.
 Is _____ a _____ way _____ make the automotive _____?
 Any _____ auto _____ are _____ there?
 _____ toward sustainable vehicles?
 _____ there headway _____ reducing _____ fossil fuels _____ the _____ industry?
 _____ any _____ technologies _____ created _____ decrease use of _____ cars?
 _____ are being _____ to make cars _____ eco-friendly _____ ditch _____ fuels?
 Is _____ being developed _____ reduce _____ fossil _____ and pave _____ a green _____ industry?
 Are there new _____ development to _____ the automotive _____ fuels?
 I wonder if _____ technologies _____ used for _____.
 Can there _____ technology for _____ cars?
 _____ any _____ us to _____ less dependent on unsustainable _____ sources?
 What are the _____ developments _____ reducing our _____?
 Is there a _____ to _____ on _____ in the _____.
 Should _____ technologies be _____ for _____?
 Are _____ new _____ the _____ reduce dependence _____ fossil fuels _____ automotive industry?
 Is the _____ innovative _____ for eco-friendly _____?
 Technology creation _____?
 _____ technologies help _____ dependence on _____ fuels and _____ way _____ cleaner automotive _____?
 _____ a new _____ you are working on _____ will _____ cars _____?

_____ new tech to _____ cars _____ fossil fuel _____?

_____ to _____ for _____ fuel usage while promoting green cars?

Is there _____ green _____?

_____ possibilities _____ a _____ auto industry _____?

Has any emerging _____ been _____ reduce _____ use by _____?

Is there any _____ toward _____ of fossils?

Is _____ new tech _____ get _____ for cars?

Is the _____ technologies?

Have _____ seen _____ green _____ advancements _____?

Have you _____ about a _____ to _____ less _____ on traditional _____?

_____ is _____ progress _____ making technology for _____?

Is _____ any _____ that _____ fossil fuels _____ promote a more _____ automotive sector?

Is upcoming _____ a _____ automotive _____?

Is it possible _____ developments _____ to _____ reliance on _____ in _____.

_____ seek _____ decrease our reliance _____ fuels in _____ manufacturing?

_____ new _____ been created _____ reduce use _____ fossil _____ cars?

Are _____ any _____ that can _____ less dependent _____ energy sources?

Is _____ any invention _____ will _____ become _____ reliant on _____ car _____.

Is _____ any exciting project _____ cut _____ in the _____ industry?

_____ if _____ will support _____ lower gasoline need.

_____ new _____ aiming _____ automotive _____ avoiding reliance _____ traditional _____ sources underway?

_____ there _____ that _____ need for fossil fuel _____ promoting green _____?

_____ there _____ developments _____ at _____ automotive sector?

Are there _____ innovations that _____ dependence _____ fuels _____ automobiles?

_____ wonder _____ there _____ for a _____ eco-friendly auto industry.

Is _____ any advancement _____ our _____ fossil fuels and creating a _____?

Can the new tech _____ fossil _____?

_____ there any _____ research _____ innovative tech to help _____ on dirty fuel and _____ industry?

_____ is _____ technological developments _____ on _____ and facilitate a shift towards _____ transportation options.

Does the _____ sector _____ new _____ reduce _____ dependency?

Is _____ future _____ a cleaner automotive _____?

There is _____ about future tech _____ at _____.

_____ new technologies for _____?

_____ things _____ environment by not using oil _____?

Are _____ ways to reduce _____ on fossil _____ auto industry?

_____ any news relating to a _____?

Is _____ thinking about alternatives _____ fossil _____?

_____ possible to _____ any _____ for _____ cars today?

_____ tech coming _____ will _____ green _____?

Got _____ a _____ car world?

Is there _____ possibilities?

_____ advances _____ vehicles that have not been fueled _____?

Can _____ spur _____ from _____ that use _____?

_____ we going _____ fresh green-tech preparing _____ hit _____?

_____ there _____ progress _____ toward _____ vehicles instead of _____?

Is there _____ to _____ on fossil _____ and _____ green automotive _____?

Is _____ worked on to _____ the _____ fuel _____ and promote a green auto sector?

Is there a desire _____ and cleaner transportation _____ in progress?

Has there _____ plan _____ transportation?

_____ it possible to decrease _____ fuels _____ more _____ automotive industry.

What _____ used to _____ cars eco-friendly?

Is there _____ to make _____ green _____ fossil fuel _____.

_____ there a way _____ fuel usage in _____ promote a _____ sector?

_____ you know _____ in _____ for green vehicles?

Can _____ share information _____ innovations decreasing _____ fossil fuels _____?

Is there _____ new technology _____ could help _____ fuel _____?

Will _____ a _____ automotive sector?

_____ help _____ use of oil in automobiles?

_____ there _____ ongoing _____ tech to reduce our dependency _____ and promote a _____ industry?

_____ there _____ exciting projects going _____ cut our dependence _____ the _____ industry?

What new technology _____ working _____ that _____ cars more _____?

Can _____ upcoming innovations decreasing _____ on _____ fuels in _____?

_____ if you _____ information _____ will _____ decrease _____ fossil _____ in the _____ market?

_____ there _____ new _____ the _____ industry that _____ eco-friendly?

How _____ technological developments _____ reducing _____ on _____ a _____ towards green transportation options?

_____ there _____ way to decrease dependence _____ fossil _____ a more eco-friendly _____?

Have _____ about a _____ aimed _____ a cleaner _____ sector?

_____ advancement that aims to reduce reliance _____ the auto industry?

_____ can _____ become less dependent on unsustainable car energy _____?

Is _____ cleaner cars today?

_____ automotive industry could _____ alternative _____.

Do you _____ new developments in _____ for green _____?

How about decreasing our _____ on _____ and _____ more eco-friendly _____?

What new technology _____ developed to _____ eco-friendly?

Wondering if _____ information on _____ dependence _____ fossil _____ the car market?

Are we researching to _____ fuels and support _____ green _____?

_____ developments on _____ fuels for _____ vehicles?

I'm _____ if any _____ technologies are _____ worked on to _____ the _____ in cars.

_____ new _____ fuel dependency in the automotive sector?

Does _____ know _____ emerging technologies _____ worked on _____ reduce _____ cars and _____ green auto sector?

Would you _____ new technologies that will _____ more _____?

Seeing _____ for cleaner _____?

_____ you _____ way to _____ cars less reliant on traditional _____?

_____ tech able to cut fossil _____ use _____?

_____ advancements _____ green _____ sector _____ minimizing _____ on traditional energy _____.

Is _____ auto _____ currently _____ there?

_____ made toward _____ instead of _____ fueled _____ fossils _____ present?

Which emerging _____ carbonaceous resources in _____?

Do current _____ decrease reliance on _____ fuels _____ car _____?

_____ are any _____ innovations _____ are _____ sustainable _____.

_____ make _____ automotive industry less _____ on fossil fuels?

_____ gadgets _____ don't _____ fossil fuels, hope for _____ cleaner _____?

_____ developments attempt _____ reduce our _____ fossil fuels in _____?

_____ emerging _____ help _____ on _____ fuels _____ pave _____ way for _____ green automotive _____?

_____ there any _____ aimed _____ reliance _____ in the auto industry?

_____ tell _____ there _____ gadgets _____ the works to make cars green?

_____ there _____ for _____ automotive sector?

Are there any _____ in _____ to _____ instead _____ burning petrol?

Can the _____ more _____?

_____ future _____ aim for _____ automotive _____?

Is there any news _____ a _____ vehicle _____?

_____ am curious _____ new _____ make _____ more _____ to the _____.

Are _____ aimed _____ green automotive sector and _____ reliance _____ sources already _____?

_____ any news _____ clean _____?

_____ you hear about _____ breakthrough _____ automobiles _____ dependent _____ energy sources?

Is _____ possible to _____ emerging technologies _____ cars _____?

_____ new _____ for _____ auto industry that is _____.

Is there progress _____ reducing _____ fossil _____ the _____ industry?

There are _____ the _____ industry to _____.

_____ there a way to _____ vehicles while diminishing the _____?

_____ are any _____ for cleaner _____.

_____ if there is information _____ ways _____ decrease dependency _____ in _____ market?

Reducing reliance on _____ towards green transportation options are _____ developments focused on.

Is _____ a _____ aiming _____ automotive sector _____ less _____ on _____ energy sources?

_____ any emerging technologies been _____ to _____ fuel _____ cars?

_____ it the _____ developments aim _____ reliance on fossil fuels _____ manufacturing?

Do emerging technologies _____ the _____ of _____ by _____?

_____ diminish _____ use _____ fossil _____ and encourage a green car generation?

_____ new _____ reduce oil _____ in _____.

Can _____ me _____ projects to _____ our dependence on _____ auto industry?

What _____ you reckon _____ making _____ and _____ fossil _____ use?

_____ breakthrough that would _____ less reliant on traditional _____?

_____ there _____ to reduce _____ dependency in cars?

Is _____ way to reduce fossil _____ dependency _____ the _____?

Have _____ any _____ technologies _____ cleaner _____?

_____ any advancement in sustainable _____ that _____ not fueled _____?

_____ progress on developing _____ cleaner vehicles?

Is the pursuit _____ cleaner _____ goal of _____ inventions?

Are _____ researching _____ reduce dependence _____ fuels and support _____ industry?

I want to know _____ emerging _____ worked on to _____ fossil fuel _____ in _____ a _____ auto _____.

_____ we _____ new green-tech _____ roads?

There _____ new technologies being _____ make _____ automotive _____ dependent on _____.

Is it _____ that _____ will _____ cars _____ friendly?

Is there _____ that will make _____ automotive industry _____?

Have _____ heard _____ tech for a _____ automotive _____?

_____ there _____ new _____ that _____ go green _____ reduce fossil fuel _____?

Is there progress _____ dependence _____ fuels _____ the automotive _____?

_____ at fresh green-tech _____ hit the roads?

_____ tech can _____ fossil fuel use in cars?

_____ our _____ fossil fuels and create an eco-friendly automotive _____?

Is _____ sector looking _____ innovative _____ to _____ oil?

_____ it _____ green-tech to hit _____?

Is _____ tech that _____ make cars _____ eco-friendly?

Does _____ have _____ made _____ decrease our dependency _____ fossil _____ and create a _____ industry?

Do we _____ fossil fuels for vehicles?

_____ developments _____ to _____ dependence _____ fossil fuels in car _____?

_____ research into _____ dependency on dirty fuel _____ promote a green automobile industry?

_____ you tell _____ if emerging _____ are being _____ the _____ of fossil fuels _____ cars?

Is there any _____ auto _____ that _____?

Is _____ tech aimed at a cleaner _____?

Are new _____ eco-friendlier cars _____?

_____ aiming _____ automotive sector underway?

_____ a _____ to make eco-friendlier _____?

_____ new technologies for _____?

Any innovative technologies _____ reduce _____ fossil _____ and promote _____ eco-friendly automotive _____?

What _____ developments _____ decrease our _____ on _____ vehicles?

Is _____ any _____ on innovative _____ to diminish our dependency _____ fuel _____ promote _____ automobile _____?

_____ you tell _____ about the changes in the _____ make _____?

I _____ like _____ emerging _____ for _____ cars.

Can _____ tell _____ of _____ emerging technologies are being _____ to _____ fuel usage in _____?

_____ if _____ are any fancy _____ the works to make _____ green?

Is _____ technologies _____ a _____ eco friendly _____ industry?

_____ the _____ at alternative fuels?

Is there _____ way _____ dependence _____ fossil fuels _____ make the _____ efficient?

Have _____ seen _____ green auto _____?

Are _____ aware of any _____ to decrease _____ on fossil _____ market?

_____ see any emerging _____ cars?

Do you know any _____?

_____ changes _____ on fossil fuels and create _____ more _____ automotive industry?

_____ developments want _____ our _____ fossil fuels in car _____?

_____ like to _____ if any _____ technologies are being worked _____ need for _____ fuel _____ in _____.

_____ technology _____ green cars?

Is the automotive _____ sources?

Today, are _____ new _____ cleaner _____?

Is there _____ kick fossils _____ for cars.

_____ cut the use _____ fuels _____ cars?

Are new technologies being _____ dependence on _____ fuels _____ the way for _____ green _____?

Is _____ any _____ tech that will make _____ more green _____?

Do _____ know of _____ developments in _____ reduction _____ for green _____?

_____ towards reducing _____ on fossil fuels in the _____?

_____ emerging _____ created to reduce _____ of fossil fuels by _____?

Can new tech reduce _____ fossil fuels _____?

_____ you _____ if _____ any fancy gadgets in the _____ to _____ greener?

_____ there _____ new technologies _____ can _____ auto industry _____ eco-friendly?

_____ a _____ to reduce _____ fuel usage while promoting green _____?

_____ you _____ technologies are _____ on to _____ a green _____ sector?

Is _____ new way _____ dependence _____ fossil _____ and make _____ automotive _____ more _____ friendly?

_____ you _____ me _____ any emerging technologies are _____ on _____ diminish fossil _____ cars _____ promote _____ green sector?

_____ there _____ new technology that _____ cut _____ fuel _____ in _____?

Are there any _____ changes _____ to _____ on fossil fuels _____ auto _____ by _____?

_____ there new _____ the _____ for fossil fuel _____ promoting _____ vehicles?

_____ reducing _____ to advance a green auto industry?

The _____ be looking at alternatives to _____.

Is there any ongoing research _____ tech _____ reduce _____ dependency on _____ or _____ a _____?

Is there _____ improve green _____?

_____ new _____ to _____ fossil _____ and make _____ automotive industry more green?

Can _____ technologies be _____ the automotive _____ dependent on _____ fuels?

_____ a way _____ reduce dependence on _____ promote a more _____ sector?

Is _____ progress _____ decreasing our dependence on fossil _____ creating _____ industry?

Does ____ know ____ any green ____?

____ new technology ____ used for ____?

____ there anything ____ the ____ industry that is ____?

____ any ____ technology that ____ you ____ fossils aside ____ cars?

____ are ____ for ____ greener ____ industry ____.

____ there ____ efforts ____ create a more eco-friendly ____?

Is there a ____ to decrease ____ make the automotive ____ green?

There ____ any progress ____ technology for ____.

____ emerging ____ pave the ____ for a ____ automotive industry?

____ we ____ green-tech to hit ____?

____ to reduce dependence on ____ fuels in the automotive ____?

____ you have any gadgets in ____ to ____ green?

Do new ____ aim ____ and sustainable ____ decreasing dependency ____ fuels?

Is there ____ that can help ____ use in ____?

____ innovations aiming at ____ sector ____ traditional energy ____ are underway.

____ you have ____ on ways ____ decrease dependency on fossil ____?

Is ____ that reduces reliance ____ fossil ____ and ____ the ____ industry?

Is there a ____ to ____ eco-friendly?

____ technologies ____ the works to promote ____ more ____ automotive ____?

____ there ____ projects going ____ to ____ reliance ____ the auto industry?

____ research ____ tech to ____ dependency on ____ fuel and promote ____ green car industry?

____ any ____ help us become ____ reliant on ____ sources?

____ ongoing ____ seek ____ decrease ____ dependency on fossil ____ car ____?

Upcoming ____ might ____ a ____ sustainable automotive ____.

____ progress in creating technology ____?

Is ____ tech coming that ____ gasoline?

Is ____ any ____ technologies ____ a ____ eco-friendly ____ industry?

There's ____ news that ____ move toward ____ clean ____?

____ focused ____ fossil fuels and facilitating ____ shift towards green ____ options?

____ strides aimed at ____ underway?

Do ____ any new technologies for ____ industry?

Is the automotive sector ____ solutions ____ don't rely ____?

____ any ongoing research ____ innovative tech ____ reduce ____ dependence on ____ fuel ____ green ____ industry?

Is ____ new technology that ____ reduce fossil ____ cars?

Are any ____ being worked on ____ the need ____ in ____ promote a green auto ____?

____ you ____ are plans to ____ green transportation?

Is ____ effort to ____ our dependency ____ fossil ____ a ____ eco-friendly automotive ____?

____ some emerging ____ on carbonaceous resources in ____?

____ innovations ____ greener automotive sector.

____ there ____ decrease the need ____ fuel ____ while promoting ____ vehicles?

____ are being developed ____ make ____ automotive industry ____ dependent on ____.

New ____ being ____ to reduce ____ on fossil fuels ____ make the automotive ____.

____ is the latest ____ driving?

Is ____ technology that ____ on carbon emissions in ____?

Any ____ tech ____ reduces ____ fossil ____ would ____ the ____ industry?

Any ____ reduces ____ on ____ fuels and advances a ____?

What are ____ technologies ____ to ____ cars more eco-friendly?

____ been ____ effort to create ____ eco-friendly ____ industry?

Is there any ____ cleaner ____?

____ there ____ new tech ____ make cars ____?

Is _____ any progress in _____ reduction _____ green vehicles?
 _____ emerging _____ on fossil _____ and _____ the way for _____ automotive industry?
 _____ any advancement been _____ to _____ dependency _____ fuels _____ eco-friendly automotive industry?
 _____ there new _____ coming _____ to _____ cars _____ green?
 _____ you have _____ new technology _____ you kick _____ aside for _____?
 Is it _____ that new _____ strive _____ sustainable _____ transportation by decreasing _____ on _____ in _____?
 What new tech _____ you _____ on _____ order _____ eco-friendly?
 Seeing _____ new clean _____?
 _____ there _____ way to diminish the use _____ while promoting _____?
 Seeing _____ for clean _____?
 Is there _____ possibility _____ auto industry _____?
 Is there _____ can _____ us less reliant on _____?
 _____ technologies are in the _____ to _____ dependence _____ fuels and _____ a _____ sector.
 What are _____ latest developments _____ on _____ cars?
 Is _____ a _____ that reduces _____ fossil _____ and _____ auto industry?
 Do _____ if emerging _____ are _____ worked on to _____ use of _____ cars?
 _____ there _____ tech _____ kick fossils _____ for cars.
 _____ anything _____ fuel-free cars?
 Is there _____ to _____ fossil fuel _____ still promoting green _____?
 Are _____ new technologies being _____ that _____ pave _____ a _____ automotive industry?
 _____ there _____ green _____ advancement _____ there?
 Is there _____ plan to decrease dependency _____ fuels _____ create _____ industry?
 Is _____ a _____ green driving?
 What's _____ on _____ cleaner cars _____ fossil use?
 Do _____ help reduce _____ fossil _____ pave _____ way for a green _____?
 _____ any _____ that _____ our dependence on _____ the auto industry?
 Is it _____ that _____ back on _____ in cars?
 _____ there any upcoming developments to reduce _____ auto industry?
 Got any _____ to a clean _____?
 Is there _____ way to _____ fuel while _____ green vehicles?
 Is _____ cars?
 _____ there _____ green-tech _____ the roads?
 Do _____ technologies want to _____ use _____ fuels to _____ a green _____?
 _____ tech _____ can reduce _____ fuel _____ and make cars green?
 _____ there _____ that will _____ needs?
 The _____ that _____ focused _____ reducing reliance on _____ fuels _____ a _____ towards greener _____ options?
 _____ there _____ way to _____ need _____ fuel while promoting _____ vehicles?
 _____ you aware _____ ways _____ help _____ carbon _____ in cars?
 Is the automotive _____ looking _____ emerging _____ green _____?
 Are we _____ technologies _____ lower _____ on _____ for _____?
 _____ there _____ for _____ transportation _____ advanced technologies?
 I _____ the _____ sector _____ at _____ for eco-friendly solutions.
 Is _____ any _____ technologies that _____ pave _____ way _____ a _____ automotive _____?
 _____ about greener _____ soon?
 Have _____ can cut back _____ carbon emissions in _____?
 Are _____ to reduce dependence on fossil _____ and _____ more environment _____?
 Is there _____ future tech _____ at _____?
 _____ technology _____ fuel _____ in cars?
 Is _____ for _____ to strive _____ sustainable _____ cleaner transportation _____ dependency _____ fossil _____?
 Are emerging technologies _____ developed _____ on fossil fuels and pave _____ for _____ industry?

_____ you _____ about _____ to make _____ reliant on _____ sources?

Quick _____ - _____ going on _____ fossil fuel _____ and making _____?

_____ a new technology reducing _____ carbonaceous _____ automobiles?

Are _____ any ongoing _____ tech to _____ our _____ on dirty fuel _____ greener automobile _____?

_____ any advances toward _____ vehicles that aren't _____?

_____ green-tech _____ to _____ roads?

There are any _____ to _____ vehicles _____ not _____ fossils?

_____ developments aiming at a _____ sector and _____ on traditional _____ sources _____?

What _____ are being _____ make _____ more eco-friendly?

ongoing developments _____ to _____ through new technologies facilitating _____ shift towards _____

_____ got _____ news about a _____ vehicle _____?

_____ new _____ are _____ to _____ cars more eco-friendly?

Is _____ technology _____ need for fossil fuel _____ green vehicles?

Upcoming _____ could aim _____ sector.

_____ auto _____ could be _____ the _____.

Is there a way _____ news _____ a clean _____?

Is there _____ way _____ fossil fuel dependency _____ sector?

Can new technologies _____ on _____ fuels _____ the _____ industry?

Have there _____ attempts _____ decrease our _____ on fossil _____ create _____ eco-friendly _____ industry?

Is there _____ to _____ with technology?

_____ ongoing _____ change our _____ fossil fuels in car _____?

Any new technologies that _____ fossils aside _____ cars?

Can _____ things help _____ the use _____ oil _____?

_____ there any innovative technology in _____ promote _____ automotive sector?

Is _____ being _____ for _____?

Do _____ reduce dependence _____ fossil fuels _____ vehicles?

_____ it possible _____ new inventions desire _____ and cleaner _____ decreasing _____ on _____?

Is _____ an ongoing _____ tech _____ reduce our dependence on _____ fuel _____ promote _____ industry?
