

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Technical support for alarm system
Inquiry Sub-Category	System troubleshooting
Description	Addressing customer concerns and providing step-by-step guidance to troubleshoot issues with their alarm system, such as false alarms, connectivity problems, or malfunctioning sensors.
Data Size	5,145 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

_____ causing issues _____ our security system's cellular _____ connection? _____ steps _____ resolve _____?

What _____ we _____ about _____ trouble with our _____ cellular _____?

_____ is _____ system's cellular _____ connection not _____?

_____ solutions _____ the _____ of _____ security system's cellular backup?

_____ there any way _____ fix issues _____ to our _____?

_____ is _____ the _____ the security _____ cellular backup _____?

_____ we resolve issues _____ the _____ cell backup _____?

Can we figure _____ causing _____ cellular _____ connection to _____?

_____ we get _____ security system's cell backup connection _____?

_____ is _____ problem _____ our security _____ backup connection?

_____ trouble _____ our _____ system's cellular backup, _____ solutions _____?

Why is _____ trouble _____ the _____ connection _____ our _____?

Can we _____ with our security system's _____ backup _____?

What _____ to _____ backup _____ home security system working again?

_____ there a way _____ the security _____ backup _____?

_____ about the problem causing _____ in _____ security _____?

You have _____ fixes _____ backup cell _____ security _____?

What _____ cause _____ security system's _____ backup link?

We _____ a problem with the cell backup on our _____ ideas _____ efficiently?

There is _____ issue _____ the cell _____ the security _____.

The cellular _____ of _____ system is _____.

Should we take steps _____ problem _____ system's _____ backup connection?

Will _____ help sort out _____ security system's cell _____?

_____ to _____ why _____ security system's cellular backup connection _____.

How can _____ connection be fixed?

_____ there _____ in the cell connection of _____?

Have _____ what's causing _____ trouble _____ security system's _____ backup connection?

How can _____ find the _____ of _____ problem _____ cellular backup _____?

Do _____ about how to fix _____ cell _____ on _____ alarm _____?

_____ do you know why our _____ system's _____ not _____?

Is _____ a _____ fix _____ security system's _____ backup?

What are _____ reasons _____ security _____ cellular backup _____ not _____?

_____ you give _____ insight _____ the problem _____ the security _____ backup _____?

_____ you _____ us find _____ our _____ system's cellular _____ connection problem?

We _____ on _____ factors _____ security _____ cellular backup connection.

Do _____ have _____ how _____ cell _____ on our alarm quickly?

_____ there any solution for the _____ in _____ security _____ backup?

Are there _____ fixing _____ backup _____ our alarm quickly?

What's going _____ our _____ cell _____ connection?

What _____ you doing _____ address _____ problem with _____ system's _____ connection?

What _____ we do _____ fix _____ system's _____ backups?

Can you _____ me a _____ why _____ system's cellular _____ is _____?

Can you help fix _____ problem with our _____?

Suggestions for _____ why _____ security system's _____ backup link _____?

Are there _____ address _____ issue of _____ backup connection?

_____ we having trouble with _____ system's cellular _____?

_____ way _____ the cellular backup _____ our security system?

_____ to _____ security system's _____ backup _____?

_____ can we do to _____ the _____ with _____ security _____ backup _____?

_____ anyone tell me what's _____ system's _____ backup link _____?

What _____ our security _____ backups?

Can you _____ to _____ the cellular backup _____ home security system?

_____ repair security _____ backup connection _____?

_____ to _____ the problems _____ security system's _____ connection?

_____ should _____ the factors affecting _____ security system's _____.

_____ have a problem _____ our _____ for security.

_____ the security _____ fix its _____ backup _____?

_____ for _____ messed up cellular _____?

How do _____ glitch _____ our _____ system's _____ backup connection?

_____ there any suggestions on _____ system's cellular _____ link?

Is there _____ we _____ do _____ fix issues _____ to the _____?

We _____ with the _____ on _____ can we do about it?

_____ factors cause the _____ cellular backup _____ to _____?

The _____ of _____ security _____ cellular _____ connection _____ not known.

_____ is causing our cell _____?

Can we solve _____ cellular backup connection?

_____ me why our security _____ connection is _____.

_____ you have _____ fix our _____ system's _____ backup?

How can _____ why _____ cellular backup connection isn't _____?

Problem _____ system's _____ backup, any solutions at _____?

Can you _____ the source _____ the _____ is _____ security system's _____ connection?

How to fix problems encountered _____ cell _____?

Is the _____ causing _____ in _____ system's _____ backup?

Can _____ us _____ into _____ problem _____ the _____ cellular backup connection?

_____ to address _____ our _____ system's _____ backup connection?

_____ of the security system's _____ backup?

_____ problem with our cellular _____?

_____ we do to fix _____ in our _____ cellular backup _____?

_____ you have _____ ideas _____ to _____ security network cells?

_____ you tell _____ the issues with the _____ of _____ security _____?

Please _____ us _____ the _____ system's _____ backup connection.

Why are _____ the security setup's _____?

_____ you _____ to _____ the potential breakdown of _____ security _____ backups?

What's _____ our _____ system's cellular _____ connection _____?

There _____ issues _____ security _____ cellphone _____.

What can be _____ to _____ the _____ cellular backup?

_____ know why the _____ system's _____ backup connection _____ working.

_____ issues with the security _____ backup connection?

Can you tell _____ security _____ cellular _____ connection isn't _____?

_____ on security, how to fix _____?

_____ idea _____ fix issues in _____ security network _____?

What _____ be done _____ resolve _____ could be _____ system's cellular _____?

What _____ the steps _____ address the security _____ connection _____?

_____ security _____ cellular _____ connection

Can you _____ us _____ the _____ of our security _____?

Can you give us _____ tips _____ to fix _____ glitch _____ our _____ feature?

_____ you give us insight _____ our security system's cellular _____?

I don't _____ what _____ wrong _____ system's cell _____.

_____ insight into _____ issue with our security system's _____?

Problems in our security _____ cellular _____ to _____?

Why _____ our _____ cellular _____ up?

How _____ security system's cellular backup _____?

_____ can we _____ to fix the _____ glitch?

_____ we _____ our _____ system's _____ backup connection to _____ again?

_____ can we do _____ security system's cellular _____?

_____ can _____ find out what's _____ cellular backup of _____ home _____?

_____ steps _____ fix _____ security _____ cellular backup link?

How do we _____ the _____ backup?

_____ causing the _____ to lose _____ cell backup?

_____ can _____ problem of _____ security _____ cellphone connection?

How to _____ our security system's cell _____.

Can we investigate _____ our _____ backup connection?

There is a _____ troubles _____ the _____ backup.

_____ with our security system's cell _____ connection.

What can we _____ to _____ the issues with _____ our _____ system?

_____ you tell _____ how _____ fix the problem _____ security _____ connection?

_____ the security system's _____ backups to _____?

_____ the reasons _____ cellular backup connection not working?

How _____ we address the issue of _____ security _____?

Possible _____ affecting our _____ connection?

_____ to fix _____ security system's _____ backup connection?

We need to _____ out _____ cellular _____ connection _____ working.

Why is _____ security _____ cellular _____ trouble?

_____ cellular backup connection is _____

_____ you _____ factors _____ affect _____ security system's cellular backup _____?

_____ causing _____ with the _____ system's cellular backup _____?

_____ do you _____ security system _____ connection problems?

_____ you tell me what's _____ issues with _____ cellular _____ security _____?

How come _____ system's cellular backup _____ is _____?

The _____ of our _____ cellular backup _____ is _____.

How _____ cellular _____ could be disrupted?

What _____ we _____ security _____ cellular backup connection _____?

Can _____ solve _____ problem _____ security system's _____ connection?

_____ issue with the security _____ backup link.

Which factors affect _____ system's _____?

_____ tell us _____ the _____ of the _____ backup connection problem?

Can you _____ how to _____ cellular backup of _____ home _____?

_____ can we do to _____ cellular backup of _____ working _____?

What is the _____ of _____ backup connection difficulties?

What is causing _____ backup _____ our _____ security _____ to _____?

What is _____ cause _____ system's cell _____?

Do you have a _____ the _____ system's _____?

_____ troubles in our security _____ backup.

How to _____ our security _____ backup _____?

_____ there anything _____ to address _____ with our cellular backup _____?

We need to _____ how to _____ the _____ with our security _____.

_____ is _____ our security system's _____ cell.

We _____ to figure out _____ problems with _____ security _____ connection.

We're _____ problems with _____ cell backup on _____ we _____ some _____ fixing _____.

_____ able to fix _____ system's cell _____?

What's messing _____ security system's _____?

_____ you _____ about the _____ the security system's cellular _____?

_____ a way _____ fix the _____ backup connection _____ system?

Why is the _____ having _____ with its _____?

How _____ we fix _____ cell _____?

_____ facing problems _____ on our alarm, have _____ ideas for _____ it?

Why _____ our _____ backup connections _____ working?

What _____ on _____ the _____ cell backup?

_____ can _____ resolve issues with _____ cellular _____ connection?

_____ we do _____ fix the _____ with our _____ cellular backup _____?

Can _____ figure out what's wrong _____ cellular backup _____?

 What _____ going wrong _____ security _____ cell _____ ?
 I _____ to _____ why _____ system's cellular _____ causing problems.
 _____ is _____ system's _____ connection messed up?
 _____ with the _____ connection _____ security system?
 What _____ regarding the security system's cellular _____ ?
 _____ you _____ the _____ of _____ problem with our _____ system's _____ backup _____ ?
 The _____ security flaws using _____ ?
 We need to know _____ with _____ system's _____ cell _____ .
 _____ could _____ causing a problem _____ system's cellular _____ ?
 _____ the problems _____ security system's _____ backup connection?
 Can we figure _____ what's _____ the _____ connection?
 Why _____ we having _____ with the cell _____ our _____ ?
 _____ tell us _____ factors _____ our security system's cellular _____ .
 _____ can _____ the _____ with the _____ system's cellular _____ connection?
 How _____ we _____ problems _____ security _____ cellphone connection?
 _____ the _____ of _____ cellular backup link?
 _____ security _____ cellular link have a problem?
 Cell backup is failing on _____ ?
 How can _____ make _____ defense work again?
 Please tell us the _____ affecting _____ backup _____ .
 Can _____ find _____ to fix _____ cell backup?
 Why are _____ in _____ connection of _____ security _____ ?
 _____ problem of _____ cellular backup is _____ troubles.
 _____ is _____ the _____ system's cellular _____ link _____ malfunction?
 Any _____ to _____ our security system's _____ connection?
 _____ solution for the _____ our security system's _____ backup?
 _____ are _____ causes _____ problem in _____ security _____ backup connection?

What should _____ the _____ backup connection to _____ security _____?

Can _____ tell us about _____ security _____ backup connection?

How _____ we fix _____ problems _____ our _____ backup _____?

What _____ causing our security _____ backup _____?

Any idea on _____ to fix the _____ our _____?

_____ guidance on _____ to _____ system's cellular backup connection.

_____ are _____ problems _____ the _____ system's cellular _____ link?

Cause _____ the _____ flaws _____ back-uplink?

Can we _____ problems with _____ security _____ backup _____?

_____ security system's cellular backup connection _____?

How _____ our security _____ connection is having _____?

How _____ I _____ backup that fails _____?

I _____ to _____ our security system's _____ connection _____ having problems.

_____ a way to fix our security _____?

_____ fix _____ the _____ system's _____ backup _____?

_____ a problem _____ troubles _____ our security system's _____.

What is _____ root _____ in our security system's _____ backup _____?

_____ is _____ problem with _____ systems cellular _____?

How can _____ our security system's cellphone _____?

How _____ system's _____ backup _____ to work again?

How to _____ the _____ connection _____ the security _____?

What _____ causing troubles in _____ security system's _____?

_____ there _____ way _____ fix _____ backups of our _____ security _____?

_____ there anything _____ can _____ about the factors _____ our _____ cellular _____ connection?

_____ security flaws _____ back-up _____?

We have _____ problem _____ cell backup on _____ alarm, we _____ ways to _____ it _____.

Got _____ ways to _____ security system's _____?

_____ way to fix _____ issues with _____ security _____ cells?

_____ do we fix _____ with _____ cell _____ connection?

_____ to fix _____ security _____ Connection problems?

Why are we _____ security system's _____ connection?

_____ it possible that _____ system's cellular _____ malfunctioning?

Is _____ solve _____ with _____ security system's cellular backup connection?

How _____ fix _____ issue _____ cell backup _____?

We _____ help fixing the _____ backup _____.

What should _____ fix the _____ cellular connection?

How _____ figure out _____ our _____ cellular backup _____ is _____?

_____ is _____ the security _____ backup link to _____?

_____ are the _____ backup link is not working?

What is _____ to _____ cellular _____?

_____ is interfering with _____ security _____ connection.

There _____ a _____ causing _____ in our _____ system's _____ backup.

_____ our security system's cell _____ to _____?

_____ you help me sort _____ problem _____ cell connection?

_____ causes our security _____ cell _____ to _____?

What _____ causes _____ security _____ cellular backup link?

_____ causing the _____ cell backup to _____?

How do _____ figure out _____ wrong _____ our _____?

I _____ why our security system's _____ malfunctioning.

What can _____ to fix _____ backup _____ security?

What's the cause of _____ system's _____ malfunctioning?

Any ideas _____ how to fix _____ security _____?

_____ with our security system's cellular _____ connection?

_____ how to fix _____ security system's _____ sprouted?

What factors _____ related _____ the _____ cellular _____ link?

_____ fix for _____ security _____ connection?

_____ you know what's _____ with _____ security _____ backup _____?

_____ behind security _____ via _____?

_____ tell me the _____ system's cellular backups?

We're _____ trouble _____ the cell backup on our _____ have _____ quickly?

_____ are _____ problems with our security system's _____ backup _____?

What _____ the _____ the _____ with our _____ system's _____ backup?

_____ to repair _____ security _____ cell _____?

Is _____ information _____ problems with the security _____ backup _____?

Are _____ that _____ take to fix _____ cellular backup _____ our _____ security _____?

Is _____ a _____ solve the _____ our _____ system's _____ connection?

Cause _____ security _____ via _____ back-uplink?

Is there _____ guidance on _____ the _____ system's cellular _____?

_____ fix _____ system's _____ connection issues?

How _____ fix _____ backup connections _____ system?

_____ us fix the problem _____ our _____ connection?

_____ we fix _____ to our security _____ cells?

_____ tell me the _____ our _____ cellular backup _____.

We _____ a problem with the cell _____ alarm, _____ to _____ it?

_____ there be ways to _____ security _____ backup _____?

_____ have _____ messed up _____ cellular backup _____.

_____ can we _____ to fix _____ cellular _____ the _____ security _____?

_____ you tell _____ about _____ with _____ of our security system?

Clues _____ causing _____ the _____ system's cellular backup _____?

_____ to fix _____ cellular _____ connection troubles?

_____ can we do to fix _____ cellular _____ security _____?

_____ you _____ us some _____ on how _____ problem with our security _____ wireless _____?

How _____ we _____ the glitch _____ our _____ cell backup _____?

_____ system's cell backup working?

How _____ backup _____ link malfunctioned?

_____ something wrong with our _____ system's _____?

_____ to fix _____ system's cell _____?

_____ the _____ with our security system's _____ connection?

_____ explain _____ our security system's cellular backup _____?

_____ you _____ why the security system's cellular backup _____?

There _____ a _____ affecting _____ security _____ cellular _____ connection

How _____ solve _____ problem causing _____ our _____ system's cellular _____?

We need _____ understand the issues with _____ cellular _____.

How to figure out _____ system's _____ is malfunctioning?

We're looking _____ to _____ cell backup _____ our _____ have _____ ideas?

Can you tell us _____ we can _____ problem _____ system's cellular _____?

There _____ problems _____ the cell _____ on _____ alarm, _____ ways _____ it quickly.

What _____ security _____ cell backup?

What do _____ the security system's backup _____?

What should _____ when there's _____ our _____ system's cellular _____ connection?

Does there a _____ fix our _____ system's _____?

Cause behind security flaws _____?

How do you _____ cause of _____ system's _____?

Can _____ resolve the issues _____ the _____ connection?

How _____ our _____ system _____ its _____?

What _____ be done to _____ system's _____ backups?

What do you think the _____ system's _____ connection is?

Are there _____ the trouble _____ our _____ cellular backup?

_____ security system's cellular _____ can _____ tell me why?

Why are there _____ with _____ setup's _____?

Is _____ way _____ fix _____ problem with our _____?

_____ do to _____ the _____ cellular backup link?

_____ is causing troubles with _____ system's _____ backup _____.

Will _____ help _____ out _____ my security _____ can't work?

_____ have a problem _____ the _____ alarm, _____ need ideas for _____ it _____.

_____ wrong with our _____ system's _____.

_____ are _____ with our cell _____ Steps _____ fix _____?

_____ to _____ the security _____ cellular backup connection?

_____ is causing _____ security _____ backups _____ malfunction?

How are _____ to address the _____ backup connection?

_____ security system's cellular _____ connection _____ are _____ causes?

Something _____ security _____ via _____ back-uplink?

We _____ figure out how _____ system's _____ backup _____ malfunctioning.

Do _____ have any _____ for _____ fix _____ cell _____ on _____ alarm?

_____ did the _____ backup cellular link have _____?

_____ are the _____ for our _____ cellular _____ connection not _____?

_____ am _____ to why _____ security _____ cellular _____ connection is _____ problems.

_____ causes _____ the glitch in _____ security _____ cellular backup _____?

What are the _____ the issues _____ the _____ system's _____?

Fix suggestions: why _____ backup _____?

_____ backup _____ the security _____ is malfunctioning.

_____ you help us _____ source _____ with our security system's _____ backup _____?

What _____ to fix _____ security _____ cellular _____ link?

What do _____ the _____ of the _____ system's cellular backup _____?

What is _____ security system's _____ be unreliable?

_____ need to sort _____ security system's cell connection _____.

_____ security _____ cell backup isn't _____?

_____ figure _____ going on with _____ security system's _____ backup _____?

_____ malfunctioning the _____ system's _____ backup?

What _____ are _____ security system's _____ backup _____?

Why is our _____ not _____?

Can _____ find out what's _____ security system's _____?

We'd like _____ know the factors affecting _____ backup _____.

How can we _____ our _____ cellular backup _____?

What are _____ for _____ our security system's cellular _____?

What's the cause of the _____ cellular _____?

Clues on _____ the security _____ cellular _____ to _____?

How can _____ fix _____ security _____ connection problems?

What _____ we do when _____ backups are _____?

_____ find out _____ our cellular backup connection?

Do you ____ why ____ system's ____ backup connection ____ having ____?
____ with the security ____ backup cell?

Cause ____ security ____ back-uplink?
____ to ____ what's ____ on with the security system's ____ connection.
____ our security system's ____ connection?

Can you help us ____ cause of ____ system's ____?
____ suggestions, why ____ security ____ fails?
____ we solve ____ problem with ____ security ____ backup ____?
____ are ____ of ____ security system's ____ connection issues?

Can ____ the ____ the cellular backup ____ in our ____ system?
Is there a way ____ the security ____ problems?
What could ____ the operability ____ the security network's ____?
____ there anything ____ can do to address the issue of ____?
____ are ____ the cell ____ our alarm, have any ____ fixing it ____?

Do you know ____ to fix ____ system's ____ backup?
How ____ we figure ____ the security ____ backup ____ malfunctioning?
I want to know ____ security system's ____ is ____.
____ affect the security ____ cellular ____?

What ____ can ____ take ____ the ____ backup of ____ system?
____ is ____ system ____ cell connection.

Which factors ____ cellular ____ link of the ____?
What is the root cause ____ security ____?
What ____ be causing the ____ the ____ backup of ____?
Is there a ____ the ____ system's ____ backup ____ not ____?
Can you ____ why ____ system's ____ is malfunctioning?
____ backup cell in our ____ system. ____ with it?
____ issues in ____ connection of our ____ setup.
____ trouble ____ our security system's cellular backup, ____ solutions ____?
____ resolve the problem ____ our ____ backup connection?
____ problems ____ our security system's cellular ____ connection?

How can ____ cause ____ security system's cellular backup ____ problems?
What ____ our security ____ cellular backup connection?
What ____ be preventing ____ security setup from maintaining a ____?
Can you tell us how ____ security ____ unreliable ____?
____ to fix ____ problems ____ cellular ____?
____ security ____ appears to ____ causing problems
____ need to figure ____ problems ____ our security system's ____.
Steps to fix the ____ with cell ____?
____ us ____ cause of our security system's ____ backup?

Do you know the ____ cellular backup?
____ were ____ about what could ____ disrupting the security ____.

How can ____ the problem with our ____?
What is ____ backup cell?
Can you tell ____ the cause ____ the ____ cellular ____?
What ____ the factors ____ cellular backups?
Is there a ____ system's cell ____ up?
____ is ____ with the backup cell ____ security ____?
What ____ factors ____ the security ____ cellular ____ link?
____ causing the cellular backup ____ our home ____ system?
We have ____ problem affecting ____ security ____ cellular ____.

How to fix _____ the cell _____?

Why _____ our security _____ backup _____?

Is there any _____ to why the _____ backup link _____?

_____ vulnerabilities _____ cellular back-uplink?

There _____ what could _____ the _____ cellular backup.

How _____ are security _____ back-uplink?

_____ are _____ factors affecting _____ system's cellular _____?

_____ there a _____ to resolve _____ backup _____ the _____ system?

What can you _____ about _____ our _____ system's _____ connection problem?

Why is the cell _____ our _____?

_____ do we _____ security system's cellular _____ is malfunctioning?

Is there _____ cause _____ flaws _____ cellular back-uplink?

Suggestions _____ figuring out what's _____ the _____ system's _____ to _____?

_____ to fix our _____ backup _____?

_____ get to _____ of the problem _____ our security _____ backup _____?

_____ you _____ us _____ information _____ our security system's cellular _____ connection?

_____ fix _____ with our _____ system's cell _____ connection.

_____ the security system's _____ up?

How can _____ the _____ cell _____?

Is there any solution _____ problem _____ our _____ cellular backup?

Why _____ issues with _____ setup's cellphone _____?

_____ troubles in our security system's cellular backup.

_____ we fix _____ problems _____ our security system's _____ fallback _____?

_____ we solve the _____ with our _____ system's cellular _____?

_____ does _____ backup _____ security?

What should _____ repair _____ security system's _____ backup _____?
