

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Pre-sales inquiries and product recommendations
Inquiry Sub-Category	Camera Performance and Image Quality
Description	Customers are interested in the camera specifications, capabilities, and image quality of smartphones to ensure they capture high-resolution photos and videos.
Data Size	5,149 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ automatically applied when _____ ensuring _____ exposure _____ across _____ within an _____?

_____ you know about _____ helps _____ make sure _____ found in _____ areas?

_____ appliedHDR ensure _____ levels over a _____ of _____ an image?

Did you _____ that _____ make _____ well-exposed sections _____ included?

Did you _____ about the auto-HDR _____ well-exposed sections _____ found _____ photo?

Did _____ about _____ makes _____ well-exposed _____ are included _____ a photo?

_____ an automatically _____ high _____ range the _____ makes _____ exposure _____ the image?

_____ your phone's _____ feature ensure well-_____ sections _____ areas in _____?

_____ theHDR automatically _____ when _____ ensure proper _____ in an _____?

_____ will _____ able to balance the exposure _____ photos.

Is it _____ that the _____ will _____ levels over a _____ areas _____ the image _____ automatically _____?

_____ hear about auto-HDR _____ helps _____ sure _____ sections can _____ found in _____?

_____ a balanced picture?

Is the one _____ ensures balanced _____ levels _____ in an image _____?

_____ an automatically applied _____ the _____ that _____ balanced _____ levels over a _____ within _____ image?

Did you _____ helps _____ make sure _____ sections are _____ a photo?

_____ feature will balance _____ between different _____ in the _____.

Will _____ be able to _____ different _____ in the images you _____?

The _____ feature can _____ between _____ different _____ in the _____.

_____ is a _____ to _____ in an _____ with automatic application _____.

_____ levels balanced across all parts of _____ automated _____?

CanHDR _____ exposure _____ the regions of _____ picture that _____ in the _____?

_____ an automatically applied _____ the _____ ensures balanced _____ in _____?

Did you _____ auto-HDR _____ help _____ make sure well-exposed _____ are _____ areas?

_____ an _____ one that _____ ensure balanced exposure levels over _____?

_____ the HDR automatically apply _____ to ensure _____ in _____?

Did _____ that helps to make sure well-exposed sections are _____?

_____ there a _____ get _____ exposure in _____ image _____ application _____ hsl?

_____ automatically _____ the one _____ ensure balanced exposure levels over _____ of _____ in the _____?
 Is _____ way _____ get _____ an _____ with the automatic _____ of hsl?
 Did you _____ that auto-HDR helps _____ sure well _____ sections _____ the _____?
 _____ hear _____ auto-HDR helps _____ sure well-exposed _____ are _____ in _____ picture?
 There _____ a _____ a _____ automatic application of the high _____ range.
 _____ needed to ensure _____ exposure levels in an _____?
 _____ high _____ range to ensure evenly exposed _____?
 Is _____ for correct _____?
 Would _____ feature _____ balanced exposés?
 The auto-HDR feature _____ help balance _____ between _____.
 _____ high dynamic range kick in _____ so photos _____ have _____ exposure _____
 Did _____ helps make _____ well-exposed sections are present _____?
 _____ auto-HDR _____ will _____ the _____ zones in the _____.
 Can HDR be _____ exposure _____ in _____ of _____ photo?
 Is _____ applied _____ when _____ to ensure _____ an image?
 Will _____ care _____ balancing _____ between different zones in _____?
 _____ possible to _____ automatic HDR for _____?
 Is _____ possible _____ give _____ a well-balanced _____ an auto-HDR _____?
 Is _____ applied _____ one _____ exposure levels over _____ variety of areas within an _____?
 Would auto-HDR ensure _____?
 Can we trust _____ application _____ balanced _____?
 Is _____ automatically _____ HDR _____ that makes _____ exposure _____ across the _____?
 _____ well balanced _____ possible _____ an auto-HDR feature?
 Is _____ HDR always _____ needed to _____ exposure?
 _____ necessary _____ have equilibrium _____ light _____ spots _____ photographs, is _____ of HDR automatic?
 _____ the _____ applied when _____ to _____ proper exposure?
 Balanced exposure with _____ the _____ possible.
 _____ of the high _____ can be _____ exposure.
 _____ which _____ make sure well _____ sections are present _____ a photo?
 Is _____ HDR automatically applied _____ proper _____ an image?
 With automatic application _____ the _____ exposure _____?
 _____ the _____ when needed to ensure proper exposure _____?
 Is _____ a _____ to get _____ throughout _____ image with _____ application _____ the high _____ technology?
 Is it possible _____ have _____ to _____ the _____ balanced look?
 _____ having _____ auto-HDR _____ well _____ exposés?
 The auto-HDR _____ balance _____ exposures _____ different zones in _____.
 Will _____ auto-HDR _____ take _____ of _____ different zones?
 Is balanced _____ through automatic _____ the _____ range?
 If it _____ the auto-HDR _____ will _____ the _____ between _____.
 _____ having an _____ balanced photos?
 _____ expose all parts _____ the _____?
 _____ the introduction _____ dynamic _____ kick _____ photos don't have blurry _____ levels.
 _____ know _____ auto-HDR makes sure _____ sections can be _____ different _____?
 Is it _____ get _____ balanced exposure through _____ hsl?
 _____ an auto-HDR feature _____ balanced exposés _____?
 _____ hear about auto-HDR _____ makes sure well-exposed sections can _____?
 Is it _____ be applied when _____ to _____ balanced exposure _____?
 Is it _____ for _____ auto-HDR _____ balanced exposés?
 Would the photos _____ balanced look _____ auto-HDR _____?
 _____ way to have _____ throughout _____ with _____ application of hsr?

Did _____ know that _____ sure well- exposed _____ found in different _____?
 Would _____ be guaranteed by _____?
 _____ there _____ way to _____ with _____ application _____ the HDR?
 Would an _____ feature give _____ of _____ exposé?
 Would the photos _____ with the auto-HDR _____?
 _____ application of HDR _____ balanced _____?
 Is it _____ an automatic _____ HDR _____ balanced exposure?
 _____ will be _____ the exposures among different zones.
 _____ know that auto-HDR helps to _____ sure _____ exposed sections _____ the _____?
 _____ the _____ that will ensure balanced exposure _____ over _____ number _____ areas?
 The auto-HDR _____ will _____ able to _____ the exposures between _____ zones _____.
 _____ possible for _____ exposed details _____ my photos with _____ of automated HDR?
 _____ is a _____ as _____ will have _____ exposures _____ automatic use of _____.
 _____ the _____ applied _____ needed _____ ensure _____ exposure?
 _____ exposure _____ when _____ application _____ HDR is used?
 Did _____ hear _____ helps to make sure _____ are included _____ a _____?
 Can I use auto-HDR to _____ I _____ photo?
 Are _____ easily balanced _____ all _____ an _____ automated HDR?
 _____ HDR adjust exposure _____ areas?
 Does _____ done _____ automatic _____ of the HDR?
 Can HDR _____ enabled _____ exposure levels in _____ regions _____ picture
 Is _____ exposure _____ automatic _____ the _____ dynamic range?
 The _____ that _____ ensure _____ exposure _____ over a _____ areas in an image _____ applied _____.
 _____ feature _____ balanced exposés helpful?
 Is _____ possible _____ an automatically _____ will ensure balanced _____ variety of areas in _____?
 It _____ to _____ balanced _____ through automatic application _____.
 Is _____ a way to _____ balanced _____ high dynamic range?
 _____ you hear about _____ that _____ to make sure _____ are _____ sections _____?
 Did you _____ auto-HDR _____ sure _____ sections are in _____?
 _____ well- _____ exposés _____ possible if there _____ feature?
 If _____ use _____ on your _____ are _____ balanced across all _____ of _____?
 _____ one _____ will _____ balanced _____ levels over a variety of locations within _____ image?
 Would it _____ to _____ feature that guarantees well _____?
 Did _____ know _____ auto-HDR makes _____ are _____ in _____ picture?
 Is _____ automatic applied HDR _____ that _____ ensure _____ exposure _____?
 _____ HDR _____ one _____ will _____ balanced exposure levels?
 _____ possible with _____ application of the HDR
 Is _____ possible for an _____ HDR _____ make balanced _____?
 _____ an _____ of _____ the _____ makes balanced exposure levels?
 _____ having _____ auto-HDR _____ give a picture of _____ well _____?
 Is an _____ the one _____ will _____ exposure levels _____ a variety _____ in _____ image?
 Is _____ automatic _____ HDR the _____ makes _____ levels?
 _____ there a _____ to _____ apply _____ for exposure across _____?
 Is _____ through automatic _____ of the high _____?
 If it _____ feature _____ to _____ the exposures in the _____.
 When _____ necessary to _____ there is equilibrium between light _____ the implementation of _____ automatic?
 _____ the _____ range kick in when it _____ needed _____ photos _____ odd exposure levels.
 _____ there _____ applied HDR that _____ exposure _____ throughout _____ image?
 _____ automatically applied _____ that makes _____ exposure _____ across the _____?
 _____ auto-HDR _____ will _____ the _____ between _____ areas in the _____.

_____ appliedHDR _____ that ensures _____ over a variety _____ areas in your image?

Is there _____ way _____ get _____ balanced exposure _____ applications _____?

Is an _____ HDR the _____ that will _____ a variety _____ areas within _____ image?

Did _____ know _____ makes sure _____ sections can _____ across _____ areas.

The auto-HDR _____ will _____ to _____ out the _____ zones in _____.

_____ kick _____ it's _____ my photos don't have bad exposure _____?

Is _____ possible, with automatic _____ the _____?

_____ it be _____ have _____ that would guarantee balanced _____?

Is balanced _____ feasible _____ application of the _____?

_____ it possible _____ have _____ auto-HDR _____ the photos look balanced?

_____ balanced exposés be _____ by the _____?

Is it _____ balance _____ application ofHDR?

_____ there an auto-HDR _____ guarantees _____ exposés help?

_____ know that auto-HDR helps _____ sure the exposed _____ are _____ photo?

Would an auto-HDR _____ well _____ the photos?

_____ an _____ feature give _____ well-balanced _____?

Did _____ auto-HDR _____ to make sure well-exposed _____ found _____ different areas?

_____ it _____ hi-dynamic _____ ensure evenly exposed _____?

_____ auto-HDR feature _____ care of _____ when you _____ photos?

Is _____ of the HDR?

_____ to balance exposure _____ photos?

_____ it _____ balanced exposure through _____ application of the _____?

_____ know that _____ well-exposed _____ are found in the _____?

_____ having _____ auto-HDR feature _____ balanced?

_____ there _____ to _____ exposure throughout _____ image with the _____ application _____?

_____ exposure possible via _____ application _____ the _____?

_____ balanced _____ if there was _____ auto-HDR feature?

Would _____ be _____ to have _____ auto-HDR feature _____ a _____?

Is _____ automatic application of _____ a _____ get _____ exposure throughout an _____?

_____ possible to _____ balanced exposure _____ application of the _____ dynamic _____?

Does an automatically _____ one _____ ensures _____ variety of areas in an image?

_____ it possible that HDR is _____ balance _____?

Can we be _____ that _____ of _____ balanced _____ is _____?

Did _____ know that _____ helps _____ make _____ that _____ exposed _____ can _____ found _____ areas?

_____ is applied automatically _____ levels

Did _____ know _____ that well-exposed _____ are found _____ the photo?

Is it _____ sure _____ sections _____ present in _____ with auto-HDR?

Is _____ HDR the one that _____ balanced exposure levels over _____ of areas _____ image?

Did you _____ helps to _____ well-exposed areas _____ found _____ the _____?

Is _____ appliedHDR the _____ ensure _____ exposure _____ different areas?

_____ automatically _____ the _____ that will ensure balanced _____ over a _____ range _____ areas in your _____?

Is an _____ applied HDR _____ that will _____ throughout _____ picture?

Can we _____ on _____ application of _____ exposure?

Did you _____ that auto-HDR _____ to _____ sure _____ sections can be _____?

Is _____ possible to _____ a balanced _____ automatic _____ the high dynamic _____?

_____ that auto-HDR _____ sure the _____ sections are present _____ a _____?

_____ the HDR automatically _____ ensure a _____?

_____ the _____ balanced _____ automatic application _____?

Is an _____ appliedHDR _____ ensures balanced exposure _____ different _____ image?

Does an _____ applied high dynamic _____ levels _____ a _____ of _____ within _____ image?

Is it _____ have _____ automatic _____ of the HDR?

_____ you _____ that auto-HDR _____ to _____ sure _____ sections _____ found _____ different areas?

Is _____ way to _____ balanced _____ with an automatic _____ Dynamic range?

Did _____ learn _____ helps _____ sections are present in _____ photo?

The _____ feature will _____ between _____ zones in _____ image.

When it's necessary _____ light _____ dark _____ photographs, is _____ automatic to _____ HDR?

_____ exposure _____ applied through _____ application of _____ dynamic range.

Is it _____ throughout an image _____ automatic application of _____?

_____ to get balanced exposure _____ with the _____ application of hsr.

_____ auto-HDR feature _____ exposure among different zones?

_____ possible _____ exposure _____ automatic application of _____ HDR.

Where _____ for balanced _____ HDR _____?

If _____ is, _____ feature _____ be able _____ the exposures _____ zones.

_____ automatically _____ HDR the one _____ ensure _____ exposure _____ a variety of areas in _____?

Did you _____ that auto-HDR _____ sure _____ exposed sections can be _____?

Is an _____ applied HDR the _____ will _____ balanced _____ your _____?

Is _____ HDR _____ when _____ ensure proper exposure.

Is it possible to _____ a balanced _____ image with _____ automatic _____ technology?

Is _____ for _____ exposure _____ different _____ regions.

_____ exposure possible with _____ high dynamic range?

There is _____ about _____ or _____ will _____ uniform exposures _____ of HDR.

_____ auto-HDR helps _____ make sure well-exposed _____ are _____ photo?

_____ the _____ that makes _____ exposure levels _____ the _____ apply _____?

_____ you hear _____ auto-HDR _____ helps to make sure _____ available?

_____ you know _____ helps make _____ the _____ present in _____ photo?

Would auto-HDR be _____ well-balanced _____?

Is automatic application of HDR _____ a _____?

_____ to _____ a balanced _____ throughout an image _____ automatic _____ HDR?

Would _____ possible to _____ feature _____ guarantee well-_____ exposés?

_____ HDR kick _____ when it's needed so _____ have _____ exposure _____?

Did you know _____ sure well-exposed sections are _____ a _____?

Is _____ possible to _____ exposure with automatic _____ the _____?

Can balanced exposure _____ with the _____ HDR?

Would _____ an _____ photos a balanced _____ help?

Did _____ about auto-HDR, _____ sure well-exposed sections _____ found in _____?

_____ an _____ feature give a photo _____ of _____?

Is _____ exposure _____ with _____ application _____?

_____ to _____ exposure with _____ application of HDR?

Is it possible _____ get _____ my photos _____ the _____ of automated HDR?

Is _____ HDR the _____ will ensure _____ exposure _____?

Would _____ a balanced appearance in photos?

_____ that auto-HDR can help _____ found in the photo?

Is _____ one that will ensure balanced _____ the image?

_____ you know _____ sure well-exposed sections _____ the picture?

Is _____ automatic applied high dynamic _____ that will ensure _____ exposure _____ areas _____ image?

_____ you hear _____ auto-HDR, _____ to make _____ sections _____ present in a _____?

_____ automatically applied _____ one _____ will ensure balanced exposure _____?

Is _____ automatically applied high dynamic range the _____ exposure _____?

_____ you hear about _____ that helps to _____ sure that _____ sections _____ different _____?

Can high _____ be enabled automatically _____ exposure levels _____ of _____?

_____ exposure _____ achieved through automatic application _____ the _____ range?
 Did you _____ that auto-HDR helps _____ exposed _____ in the photo?
 _____ automatic _____ available to _____ exposure throughout _____ picture?
 Would _____ be possible _____ an _____ guarantee _____ balanced exposés?
 _____ know about auto-HDR _____ sure well-exposed sections _____ in _____ photo?
 Would _____ to _____ an auto-HDR _____ balanced exposés?
 Is there a way _____ for _____ image with _____ automatic application _____ dynamic range?
 Is _____ possible _____ automatic applied _____ dynamic _____?
 Is _____ adjusts _____ levels across multiple areas?
 Will auto-HDR feature allow you to _____ zones _____?
 _____ auto-HDR _____ is able to balance the _____.
 Automatic _____ the _____ range _____ allow for balanced _____.
 Would balanced exposure be _____ application of _____ high _____?
 _____ apply _____ range _____ ensure evenly exposed images?
 Can I be _____ that _____ images _____ exposure with _____?
 _____ you know _____ auto-HDR _____ to make sure _____ well-exposed _____ photo?
 _____ there a way _____ balance exposure throughout an _____ an automatic _____ the _____?
 Is _____ a _____ to balance _____ throughout _____ with an _____ of the _____ range?
 _____ you _____ the _____ that helps _____ sections can be found?
 _____ auto-HDR _____ allow _____ well- balanced exposés?
 _____ auto-HDR feature _____ you _____ balance _____ different zones _____ your photos?
 Can _____ to _____ some parts of _____ picture?
 _____ you use _____ to _____ parts?
 _____ automatic _____ HDR _____ one _____ will ensure _____ exposure levels over a _____ of _____ your _____?
 Is _____ feature _____ to give photos _____ balanced _____?
 _____ feature will _____ different exposures in _____ images.
 _____ theHDR automatically apply _____ to ensure _____ in _____ image?
 _____ applied _____ will ensure _____ exposure across different areas of an _____?
 You _____ apply _____ for _____ exposure.
 The auto-HDR feature _____ allow _____ the exposures in _____.
 Will _____ feature take care _____ balancing _____ different _____?
 _____ know _____ make sure well-exposed sections are _____?
 _____ balanced exposés would be _____ auto-HDR _____.
 "Is _____ exposure possible with _____ the HDR? _____
 _____ the _____ feature will balance _____ exposures in _____ images.
 _____ there a way _____ get balanced _____ an _____ with _____ of _____ technology?
 _____ a way _____ balanced exposure _____ an _____ application _____ def technology?
 Did _____ know that _____ helps _____ sections are found across _____?
 Did you _____ makes _____ sections can _____ found across _____ areas?
 _____ possible _____ an automatically applied HDR makes _____ exposure _____ across _____?
 _____ an _____ feature _____ the photo a _____ of _____ balanced
 _____ there a _____ to _____ def technology _____ image _____ balanced exposure?
 Would _____ auto-HDR feature give _____ balanced look?
 _____ feature _____ for balanced exposés?
 Does the auto-HDR _____ take _____ balancing exposures _____?
 Is there a _____ to _____ balanced exposure _____ the _____ application of _____?
 _____ there is _____ equilibrium between _____ and _____ spots in photographs, _____ the implementation of _____?
 Is an _____ HDR _____ balances _____ across the image?
 Did _____ know _____ auto-HDR helps _____ make _____ can be found across _____?
 Is _____ automatic applied _____ one _____ balanced exposure levels _____ a range _____ in _____ image?

_____ know about auto-HDR that _____ well-exposed _____ are _____?
 Is there _____ option for automatic _____ exposure _____ your _____?
 _____ an _____ applied HDR _____ that ensures balanced _____ an image?
 Can _____ automatically _____ exposure levels _____ regions of a _____ that is _____?
 The auto-HDR feature _____ give _____ photo _____ picture _____
 Is it _____ to _____ a _____ exposure in _____ image with _____ application _____?
 _____ a way _____ get balanced exposure throughout the image _____ automatic application _____ high _____.
 _____ an automatically _____ HDR _____ will ensure _____ in _____ picture?
 Is _____ automatically applied _____ it's necessary to _____?
 _____ the introduction of high _____ range kick in when _____ so _____ have _____.
 _____ balanced exposure levels _____ applied _____?
 Would _____ be possible _____ have an auto-HDR _____ with _____?
 _____ possible to achieve balanced _____ by automatic _____?
 _____ automatic application _____ the _____ dynamic range, _____ exposure _____?
 _____ there _____ balanced exposure throughout _____ image with an automatic application _____ the _____ range?
 Does HDR _____ sure there _____?
 _____ automatic _____ of the high _____ range _____ exposure?
 _____ be applied automatically _____ exposure _____ the image.
 Is it possible _____ automatically _____ an _____?
 _____ balanced exposure _____ with _____ use _____ HDR?
 Did _____ auto-HDR _____ helps to make sure that _____ sections _____ a _____?
 Is there a way _____ balanced exposure _____ the _____ with _____?
 Is there a _____ to get _____ exposure _____ image with _____ of high _____.
 Is the correct application of _____ Dynamic _____ to _____ giving _____ for _____ things.
 _____ take care of balancing exposures between _____ your photos?
 Can I _____ my images _____ have equalized exposure _____ automated _____?
 Is there _____ well- balanced exposés _____?
 _____ you _____ auto-HDR, which makes _____ sections are _____ a photo?
 _____ we be _____ automatic _____ HDR _____ balanced exposures?
 Did you _____ can _____ make sure well-exposed _____ can _____ found _____ different _____?
 Would there _____ an _____ guaranteeing _____ balanced _____?
 _____ necessary is _____ to _____ exposure in an image?
 _____ automatically _____ to ensure _____ proper _____ in an image?
 Did you hear _____ auto-HDR _____ well-exposed _____ are available?
 _____ you _____ helps to _____ certain well-exposed _____ found in _____ photo?
 _____ is _____ question _____ whether images will have _____ with _____ automatic _____ HDR.
 _____ feature guarantee well- balanced _____?
 Would a _____ balanced _____ in _____ possible _____ an auto-HDR _____?
 Did _____ helps to make sure _____ can be _____ the picture?
 Is it _____ the _____ that will ensure _____ the _____ is _____ applied?
 Is HDR used to _____ image _____?
 _____ a way to _____ apply _____ range _____ even exposure?
 _____ you _____ to _____ auto-HDR feature guaranteeing _____ exposés?
 _____ exposure achieved through _____ application _____?
 Can _____ expose each part _____ a photo?
 _____ auto-HDR feature will balance the _____ different _____ photos.
 Is balanced _____ automatic _____ HDR
 Is _____ automatically _____ Dynamic range _____ one _____ will _____ exposure levels over _____ of areas?
 Can _____ rely on automatic application of _____?
 _____ exposure can _____ through automatic _____ HDR

_____ that auto-HDR helps _____ sure well-exposed sections are _____ photo?
 _____ there a way _____ get balanced _____ with automatic _____ range?
 _____ you use auto-HDR to _____ all _____ picture?
 Does an automatic applied HDR _____ balanced _____ over _____ of _____ image?
 Is _____ that _____ that will ensure balanced _____ variety of _____ your _____ is automatically applied?
 _____ feature will balance _____ the different _____ in the _____.
 _____ HDR applied automatically for _____?
 Is balanced exposure _____ Automatic application _____?
 _____ there _____ way to _____ exposure _____ application _____ high def technology?
 If _____ auto-HDR feature _____ will be _____ to _____ exposures.
 Are _____ levels balanced _____ parts of the _____ automated _____?
 Does _____ apply _____ range _____ ensure evenly _____?
 Is _____ automatically _____ the one that will ensure _____ an _____?
 _____ a well balanced appearance _____ achieved _____ with an _____?
 Balanced exposure is _____ with _____.
 _____ auto-HDR feature _____ the _____ different _____ in the photos.
 The auto-HDR _____ will _____ exposure in _____.
 _____ capable _____ exposing all parts of _____?
 Is an _____ HDR the _____ that will _____ balanced exposure _____ for a _____ of _____?
 Did _____ know _____ can _____ well-exposed sections can _____ found in _____ photo?
 Would _____ with an auto-HDR _____ give _____ look?
 Will _____ care of _____ exposures when you take _____?
 Is _____ applied _____ needed _____ exposure levels _____ the image?
 Is an _____ applied HDR the _____ can ensure _____?
 Is there _____ to get _____ through automatic _____ HDR?
 Did you _____ that _____ make sure that _____ sections _____ a photo?
 _____ hear _____ auto-HDR _____ helps to make sure _____ are _____ in _____ photo?
 _____ feature will _____ the exposure between _____ zones _____ photos.
 Would having _____ give the _____ a _____ look?
 _____ it possible _____ auto-HDR _____ give _____ photos _____ balanced look?
 Is _____ appliedHDR the _____ that makes _____ levels _____ image?
 _____ is _____ to _____ a balanced exposure _____ the _____ application _____ hsr.
 _____ automatically applied _____ one that ensures balanced exposure across _____ areas _____?
 Will the auto-HDR _____ allow you to balance _____ images?
 _____ you expose all _____ of _____ using auto-HDR?
 When _____ sure _____ equilibrium between light and _____ spots in photos, _____ implementation _____ HDR automatic?
 _____ know about auto-HDR _____ helps to _____ sure _____ present _____ photo?
 Is an _____ HDR _____ guarantee balanced exposure levels?
 Is _____ an _____ applied _____ will _____ across different areas of an image?
 Did _____ know that auto-HDR _____ help make _____ sections _____ present in _____?
 _____ a way to get balanced _____ with _____ automatic _____ of _____ technology.
 _____ know that _____ make sure the well-exposed _____ in the photo?
 _____ you know _____ auto-HDR helps to _____ exposed sections _____?
 Is an _____ appliedHDR the _____ that will _____ balanced _____ levels over a _____ in _____?
 Did _____ hear about _____ auto-HDR that _____ sure _____ are _____?
 The _____ will _____ the ability _____ the _____ different zones.
 Is _____ HDR _____ that will ensure balanced exposure levels _____?
 Can _____ use auto-HDR to _____ expose _____ the _____?
 _____ know _____ to _____ sure well-exposed sections are _____?
 _____ automatic application _____ HDR for _____ balanced exposure _____ image?

____ an ____ applied HDR the ____ ensure ____ levels in your ____?
 ____ it possible ____ an automatically applied HDR will ____ balanced exposure ____ variety ____ in the ____?
 Would ____ feature ____ a picture that is ____ balanced?
 Is an ____ applied HDR ____ one that ensures ____ of ____ image?
 If ____ auto-HDR feature will ____ able ____ balance ____ exposures.
 ____ you hear about ____ that helps ____ sure ____ exposed ____ are in ____?
 ____ if balanced ____ is achieved ____ application of ____.
 ____ exposés benefit from an ____?
 ____ possible ____ get balanced exposure throughout an image ____ application ____ def?
 ____ well-balanced exposés be ____?
 ____ you ____ that auto-HDR ____ to ____ sure well-exposed areas ____ be found ____?
 ____ guaranteeing ____ in photos?
 Is there an ____ HDR ____ will ____ balanced exposure levels ____ a ____ of areas ____?
 Is ____ automatically ____ will ensure ____ exposure levels over ____ variety of areas ____ image?
 Did you ____ auto-HDR ____ sure the ____ sections ____ present in ____?
 ____ possible ____ HDR ____ automatically to ____ exposure levels?
 Would it be possible ____ auto-HDR ____ with ____?
 ____ of guaranteeing well-balanced ____ photos?
 Is HDR ____ automatically ____ levels?
 Will the ____ able ____ balance ____ the ____ zones in the ____?
 Is it possible ____ balanced ____?
 ____ high dynamic range kick in when ____ so photos ____ exposure ____.
 Would an auto-HDR feature give ____ of ____?
 ____ there ____ way to ____ the entire image ____ automatic ____ of high ____ technology?
 Would ____ an ____ feature give ____ well ____ character?
 ____ you ____ makes sure ____ exposed sections can ____ different areas?
 Did you hear ____ that ____ sections are present ____ a photo?
 Did ____ hear ____ helps ____ make sure sections ____ exposed?
 ____ an ____ applied HDR the ____ that ____ ensure ____ exposure ____ over ____ areas in the image?
 ____ be enabled automatically ____ exposure levels ____ the ____ of ____ in ____ picture?
 ____ to ____ exposure ____ automatic application of HDR?
 ____ it possible to ____ balanced ____ with automatic application ____?
 Would ____ auto-HDR ____ guaranteeing ____ exposés?
 ____ you hear about ____ well-exposed ____ can be ____ different areas?
 Is there ____ exposés help?
 ____ HDR ____ when necessary to ____ proper exposure in ____.
 Would ____ be ____ to have ____ feature ____ balanced ____?
 Does ____ sure ____ exposure is ____?
 Did ____ about auto-HDR ____ makes ____ are present ____ a photo?
 ____ possible for an ____ application of HDR to ____ balanced ____?
 Is it ____ to ____ balanced ____ throughout ____ image ____ automatic ____ HDR?
 ____ an ____ Dynamic range ensure balanced ____ levels over a ____ areas within ____?
 ____ exposure possible by automatic application ____ range?
 Is balanced ____ application ____ the HDR?
 ____ auto-HDR ____ give the photos ____?
 Did ____ know ____ that helps ____ sure well-exposed ____ are in ____?
 Did ____ know ____ auto-HDR helps ____ sure well ____ sections ____ a photo?
 ____ you hear that auto-HDR ____ well-exposed sections ____ a photo?
 If the ____ is ____ the exposures will ____ between ____.
 The ____ feature ____ balance the exposures ____ different ____ in ____

_____ an _____ applied _____ the one _____ will _____ exposure levels _____ many areas _____ image?
 Did _____ auto-HDR helps to _____ certain well-exposed _____ available _____ photo?
 _____ balanced _____ with _____ HDR application?
 Will auto-HDR _____ care _____ exposures between different _____ photos?
 _____ there _____ way to get _____ exposure, _____ an automatic _____ of _____ range?
 When _____ necessary _____ ensure equilibrium between _____ and _____ is _____ possible _____ use HDR automatic?
 _____ an _____ applied HDR the one _____ ensures _____ levels over _____ variety of _____ in _____?
 The auto-HDR feature can _____ the _____ between _____ in _____.
 Is _____ possible that _____ would _____ with an auto-HDR _____?
 Is _____ a way to get balanced exposure _____ technology?
 Did _____ hear about _____ makes _____ sections _____ available _____ a photo?
 _____ true _____ auto-HDR _____ to _____ well-exposed sections are _____ in a _____?
 _____ you _____ auto-HDR _____ sure well-exposed sections _____ in _____ photo?
 _____ an automatic applied HDR the _____ will ensure _____ different _____?
 When it's necessary to _____ and dark spots _____ photos, is _____ automatic?
 _____ it _____ possible to _____ an _____ that _____ well-balanced exposés?
 _____ possible for _____ to be balanced through _____ application _____?
 Is _____ automatic applied _____ that _____ exposure levels in the image?
 Is there _____ way _____ balanced exposure with an _____ range?
 _____ an automatic application _____ the _____ dynamic range _____ is _____ balanced exposure.
 _____ having _____ picture of a balanced exposé?
 _____ an _____ applied high _____ the _____ that will _____ balanced exposure _____ your _____?
 Balanced _____ can _____ with _____ application of the _____ dynamic _____.
 Did _____ know _____ auto-HDR helps to make sure well _____ found _____?
 There's a question _____ whether images will _____ automatic _____ of _____.
 _____ you hear about _____ that _____ to _____ sections are _____?
 Would _____ balanced photos?
 Is an automatically applied HDR _____ that _____ balanced exposure _____ over _____ image?
 Is it _____ to _____ auto-HDR _____ guaranteeing _____ exposés.
 The _____ feature _____ the exposure between _____ if it _____.
 Did you _____ make sure well _____ are found in the _____?
 Is an automatically _____ one _____ ensure balanced exposure _____ an image?
 Did you _____ auto-HDR that helps to make _____ present _____ a _____?
 _____ a way to _____ balanced exposure throughout _____ image with _____ hsl?
 Is the HDR _____ necessary _____ ensure _____ in the _____?
 _____ you know _____ that _____ make sure _____ are present in _____ photo?
 When _____ is _____ to _____ exposure, _____ the _____ automatically applied?
 Does _____ automatically applied HDR _____ a _____ of areas in _____ image?
 Is _____ possible _____ enable _____ in the regions _____ a _____?
 _____ do _____ achieve balanced exposure through _____ HDR?
 _____ it possible _____ rely _____ application of _____ for balanced _____?
 Is _____ applied _____ it's _____ to _____ proper exposure _____ an _____?
 Would the _____ a well-balanced look _____ auto-HDR _____?
 Is _____ possible that _____ images _____ exposure _____ HDR?
 Did you _____ that auto-HDR _____ to _____ sure the well-exposed _____ found _____?
 Does _____ HDR _____ when _____ to _____ proper exposure?
 _____ this _____ applied _____ the one _____ will _____ balanced _____ different areas _____ image?
 _____ applied when it _____ needed to ensure _____?
 Is the _____ applied when _____ in _____ to ensure _____?
 Is _____ possible to have _____ auto-HDR feature _____ a _____ look?

_____ automatically applied HDR the one that _____ ensure _____ exposure across _____ an _____?

_____ feature _____ able to balance the different _____ your _____.

Is _____ applied HDR the one that will _____ different areas _____ image?

_____ application _____ high def technology possible to get _____ image?

_____ it apply _____ Range _____ ensure _____ exposed images?

_____ auto-HDR _____ it possible for _____ balanced exposés?

Is it possible _____ get _____ exposure _____ an image _____ automatic _____ technology.

_____ there an _____ applied HDR that _____ levels _____ variety of _____ in an image?

_____ you expose _____ the _____ picture using the _____?

_____ having an auto-HDR _____ help _____?

_____ the HDR always applied _____ to _____ proper _____ an _____?

Is _____ automatically _____ one that will ensure _____?

Is an automatically applied HDR the _____ will ensure _____?

Would auto-HDR _____ the _____ balanced _____?

_____ you _____ about _____ helps to make sure well-exposed sections are _____?

Is _____ HDR the _____ that _____ ensure balanced _____ levels _____ a variety _____ an image?

_____ it _____ to _____ exposure _____ the automatic _____ of HDR?

Will the auto-HDR feature _____ able _____ different _____ images?

Did _____ know _____ auto-HDR _____ to _____ sure _____ areas _____ found in a _____?

Is _____ application of _____ Dynamic range possible _____ in an _____?

_____ appropriate _____ high Dynamic Range _____ picture _____ giving _____ exposure for different things.

There is an _____ will _____ the _____ in the images.

Is _____ an _____ application _____ balanced _____ throughout your image?

_____ for automatic application of HDR to _____ for _____?

_____ a _____ balanced _____ be given _____ the photos by _____ an _____?

Can _____ enabled _____ to exposure levels _____ the regions of _____ photo _____ the picture?

Is HDR _____ different areas?

_____ an auto-HDR _____ well balanced _____?

_____ auto-HDR feature _____ exposés help?

_____ applied for balanced _____?

Did you _____ auto-HDR _____ make _____ can be found across different _____?

_____ it be _____ an auto-HDR _____ have _____ balanced exposés?

_____ to apply _____ def technology to an image to _____?

_____ applied automatically _____ exposure _____.

_____ auto-HDR _____ can balance _____ zones in the images.

_____ is, the _____ will _____ the exposure between _____ zones.

_____ possible _____ automatic _____ of the high dynamic range?

_____ applied to balanced _____ automatically?

_____ you hear about _____ that _____ well-exposed _____ can be found _____ photo?

_____ application of high _____ possible for _____ balanced _____ an image?

_____ to get _____ exposure throughout _____ image _____ an automatic application _____ the high _____?

The auto-HDR feature _____ be able _____ the _____ in _____.

Do you _____ can _____ HDR for _____ exposure?

_____ been enabled automatically to _____ levels _____ regions _____ a _____

_____ application _____ HDR is _____ achieving balanced _____.

_____ a _____ balanced appearance _____ provided _____ having _____ auto-HDR _____?

_____ it _____ the one _____ balanced exposure _____ different areas _____ the _____ automatically applied?

_____ be _____ automatically to _____ exposure levels _____ of a _____?

_____ one that will ensure balanced _____ across different _____ image _____?

Do _____ automated _____ your devices _____ levels across all _____ an image?

_____ there _____ way to _____ throughout an _____ with an automatic _____ of high _____ ?

_____ exposure possible with automatic application _____ !

_____ the one _____ ensure balanced exposure _____ different areas of an _____ ?

Will _____ able _____ exposures _____ different zones in your images?

_____ an _____ feature _____ balanced _____ possible?

_____ automatic application of HDR for balanced _____ .

_____ there is a _____ to _____ light _____ spots in _____ the _____ of high _____ range automatic?

_____ automatic _____ one that will ensure balanced exposure _____ in _____ image?

Did you hear _____ auto-HDR, _____ makes sure well-exposed _____ ?

Did _____ hear _____ the auto-HDR _____ sure _____ sections _____ present in _____ photo?

Will _____ auto-HDR _____ balance exposure _____ different _____ in the images _____ take?

Would a _____ in photos _____ possible with an _____ ?

I _____ know _____ balanced _____ achieved through automatic _____ of HDR.

_____ hear _____ auto-HDR that _____ sure well-exposed sections are present _____ a _____ ?

_____ auto-HDR helps _____ make sure _____ are present in _____ picture?

Can _____ auto-HDR _____ all parts?

_____ there a way to _____ exposure _____ an _____ with _____ automatic _____ of _____ ?

_____ to have balanced _____ with _____ application _____ the HDR?

The auto-HDR _____ can balance the _____ in _____ .

Will the _____ feature be able _____ the _____ between _____ ?

Would auto-HDR guarantee _____ ?

The _____ feature will _____ able _____ the exposures _____ in _____ image.

Does _____ HDR kick in _____ exposure _____ photo?

Is _____ the _____ that _____ ensure balanced exposure _____ a variety of _____ within the _____ ?

Is the automatically applied _____ the one that _____ ensure balanced exposure _____ variety _____ ?

Did you _____ auto-HDR that helps to _____ sure _____ photo?

_____ well balanced _____ in _____ be given _____ auto-HDR feature?

_____ you know _____ helps _____ well-exposed _____ are _____ across different areas?

_____ know that auto-HDR _____ that _____ sections _____ be found _____ the photo?

Is _____ exposure achieved with _____ of _____ ?

_____ one that will _____ balanced exposure _____ over a variety _____ an _____ applied HDR.

Is the HDR _____ when _____ in _____ exposure in an _____ ?

_____ it possible that _____ will _____ exposure _____ automatedHDR _____ ?

Would _____ auto-HDR _____ the photos a _____ appearance?

_____ the _____ in _____ balance the _____ ?

_____ it _____ evenly _____ details in _____ with _____ aid of automated HDR?

_____ feature will _____ balance of _____ exposures between _____ in the images.

Is _____ exposure _____ of _____ high dynamic range

Is _____ applied HDR the _____ will _____ exposure across _____ of _____ image?

_____ it _____ possible for an auto-HDR _____ to _____ balanced _____ ?

Is _____ activated for balanced _____ in _____ ?

Is the HDR automatically applied _____ to _____ ?

_____ feature _____ be able to balance _____ exposures _____ in the _____ .

The _____ feature will _____ able to _____ exposures _____ zones _____ the _____ .

_____ the _____ balancing exposures among different zones in your _____ ?

If _____ auto-HDR _____ is used, it will balance _____ exposures _____ .

_____ automatically applied to ensure proper exposure _____ .

_____ hear _____ auto-HDR _____ makes _____ well-exposed sections _____ found in _____ photo?

_____ there _____ way _____ exposure with an automatic high def _____ ?

Would _____ feature of an auto-HDR give _____ ?

_____ HDR _____ to ensure balanced _____ in an image?
 Does _____ HDR _____ exposure levels?
 Did you _____ helps make _____ well-exposed _____ present in _____ photo?
 Did _____ auto-HDR helps _____ make sure well-exposed sections _____?
 _____ the _____ high dynamic _____ kick _____ when _____ my photos have _____ exposure _____.
 _____ the automatically applied _____ the _____ ensures balanced exposure across _____ areas _____?
 Is _____ when _____ ensure _____ exposure in an _____?
 Will _____ feature be _____ balance _____ exposures in the images _____ take?
 _____ applied HDR ensure _____ different areas of an image?
 Is it _____ an _____ feature _____ would guarantee _____ exposés?
 _____ balanced exposés _____ if there _____ an _____ feature?
 Is an automatically applied hsr the _____ balanced exposure _____ over _____ of areas _____?
 Would _____ be possible _____ have _____ auto-HDR feature _____ guarantee _____?
 _____ there _____ auto-HDR feature _____ guarantee balanced exposés?
 Is _____ when necessary to _____ proper exposure in _____.
 Is _____ a way to _____ a _____ of the _____ dynamic range?
 Did you know about _____ helps to _____ can _____ found?
 _____ an automatically applied _____ the one that _____ exposure _____ the _____?
 _____ having an auto-HDR _____ balanced _____ help?
 With automatic application of the _____ exposure _____?
 _____ possible _____ balance exposure _____ automatic application _____ HDR?
 _____ necessary _____ ensure equilibrium between _____ dark spots in a _____ is it _____ HDR?
 Is an automatically _____ the one _____ will _____ balanced _____ the _____?
 Did _____ know _____ auto-HDR helps to _____ sections _____ be _____ in different _____?
 Is _____ exposure levels automatically _____?
 _____ guaranteeing well-balanced exposés?
 _____ auto-HDR _____ will balance _____ exposure in the _____ used.
 Did _____ hear _____ auto-HDR makes _____ present in a _____?
 Would _____ well-balanced _____?
 Is _____ possible _____ an _____ feature _____ balanced exposés.
 _____ auto-HDR feature _____ give _____ sense _____ being balanced
 _____ exposure _____ automatic _____ of _____ high _____ range _____ possible.
 _____ possible for _____ automatically _____ HDR _____ ensure balanced _____ the image?
 _____ the _____ automatically applied _____ to ensure proper exposure _____?
 Is the _____ when needed to ensure _____ exposure _____?
 _____ is _____ possibility _____ balanced exposure _____ automatic _____ the HDR.
 _____ automatically applied when _____ proper exposure.
 Is the automatic applied _____ that _____ ensure balanced _____ areas _____ an _____?
 _____ balanced exposure possible _____ application of _____ range?
 _____ the _____ care _____ balancing _____ between different _____ in your images?
 _____ the _____ exposure _____ different zones in your _____?
 _____ automatic applied HDR the _____ balanced exposure _____ the _____?
 _____ HDR _____ enabled _____ to the _____ of _____ picture?
 Did _____ that _____ used to make _____ well _____ sections _____ present _____ a photo?
 _____ it _____ automatic _____ HDR to _____ balanced _____ in an image?
 _____ automatically applied _____ one _____ balanced _____ levels _____ a range of areas?
 _____ hear about auto-HDR _____ sections are present _____ the photo?
 Would having _____ feature _____ the pictures _____ look?
 There _____ way _____ balanced _____ with automatic _____ high dynamic range.
 Did _____ know that _____ to _____ sure _____ well-exposed _____ the photo?

Can you use auto-HDR to _____ a picture?

_____ automatic _____ available to achieve _____ exposures _____ your _____?

You'll _____ able _____ in _____ photos with the auto-HDR _____.

Is the appropriate _____ of _____ a _____ in place, giving balanced exposure _____?

Is _____ the _____ that will _____ balanced exposure levels _____ a variety _____?

_____ it possible to trust _____ application of _____?

_____ possible _____ automatic HDR _____ correct exposure?

_____ you _____ sure well exposed sections are available _____ a photo?

_____ the appropriate application _____ Range to a _____ giving balanced exposure for _____ things?

_____ a _____ to get balanced _____ with _____ automatic application of hsl?

_____ you _____ make sure well _____ sections are _____ the photo?

Will the _____ feature _____ able _____ out the _____ zones _____ photos?

With _____ of hsr _____ there a _____ get balanced _____?

Did you hear _____ auto-HDR, _____ makes _____ sections _____ found across _____?

_____ HDR activated for _____ the _____ regions?

_____ you _____ that _____ to _____ sure sections _____ well-exposed?

_____ will balance _____ in the photos.

_____ auto-HDR _____ give well-_____ exposés _____?

Is _____ possible _____ automatic _____ the high _____ Range?

Did you _____ auto-HDR _____ sure well-exposed _____ are found _____ the _____?

_____ to get a balanced exposure _____ an _____ automatic application of _____?

_____ exposure _____ balanced across _____ parts _____ the image _____ HDR?

There _____ a possibility of _____ exposure _____ of _____.

Is _____ automatic _____ high dynamic _____ for achieving _____ exposure?

When _____ necessary _____ ensure equilibrium between light and _____ in _____ is the _____ of _____.

_____ possible to achieve _____ exposure throughout _____ through _____ application _____ HDR?

_____ well balanced _____ of the photos be _____ an _____?

_____ there a _____ a balanced _____ throughout the _____ with an automatic application _____ dynamic _____?

Is _____ appropriate application _____ to a _____ place, giving _____ exposure _____ different locations.

The auto-HDR feature _____ be _____ to balance _____.

_____ it _____ to _____ balanced exposure _____ the image _____ automatic _____ hsl?

HDR _____ automatically _____ for _____ across _____ image.

Is _____ exposure possible _____ the highdynamic range?

_____ it _____ to _____ balanced exposure _____ application _____ high def technology?

_____ know _____ auto-HDR _____ make _____ that _____ sections are in the _____?

_____ having _____ feature give _____ a balanced appearance?

_____ it _____ balanced _____ throughout the _____ with an _____ application _____ the high dynamic _____?

Is _____ that the _____ that will _____ across different areas of an _____ applied?

_____ balanced _____ possible _____ automatic application _____ high dynamic _____.

_____ auto-HDR _____ would give _____ well-balanced exposés.

_____ the auto-HDR _____ take _____ the _____ between different zones?

_____ a _____ exposure _____ application of the HDR?

_____ automatic application of the _____ Dynamic range?

_____ balanced exposure _____ through _____ application _____ the _____?

_____ necessary to ensure equilibrium between _____ dark spots _____ photographs, _____ implementation _____ automatic.

_____ you _____ auto-HDR makes _____ well-exposed _____ present in a _____?

_____ use _____ high _____ Range to a picture in place, giving _____ different _____?

_____ an automatically _____ one _____ ensure balanced exposure levels across a _____ within _____ image?

_____ to get balanced exposure _____ images with automatic _____ hsr?

_____ will _____ the images' exposures _____ it is _____.

Is it _____ HDR _____ balance exposure?

Is there a _____ to automatically _____ even _____ an _____?

Is automatic _____ HDR _____ exposures?

_____ the _____ feature is used, it _____ the _____ different _____.

_____ to get _____ exposure in an _____ with _____ automatic application of the _____ range?

Do _____ an _____ will ensure balanced exposure _____ over _____ of areas in _____ image?

Is _____ automatic _____ achieving _____?

_____ auto-HDR feature _____ to _____ out _____ exposés?

_____ an automatically _____ HDR _____ one _____ will _____ balanced _____ over _____ number _____ areas in your _____?

Does an _____ applied HDR ensure balanced _____ throughout _____?

Is _____ automatic applied HDR the _____ will ensure _____ a variety _____ areas within an _____?

_____ used to balance exposure _____ image _____?

Is _____ possible that _____ is applied _____ balanced _____?

_____ it _____ to balance exposure with _____ the HDR?

Is an automatically _____ HDR _____ one _____ the image?

_____ application _____ HDR _____ exposure levels.

_____ balanced _____ possible with _____ automatic application of _____?

_____ that helps to _____ sure well-exposed _____ are visible in a _____?

_____ auto-HDR _____ balance the exposure among _____ zones in _____.

Is _____ automatically _____ range the one that makes _____?

The auto-HDR _____ will be _____ the _____ between _____ in _____ images.

_____ wondering _____ automatic application of HDR for balanced _____.

Is _____ exposure _____ automatic _____ of the _____?

Is it possible to get a balanced _____ an image _____ of _____ dynamic _____?

Does HDR kick _____ when _____ it, so my _____ don't _____?

Is the HDR _____ to _____ proper exposure _____ an _____?

Did you _____ make sure well _____ sections are included _____ a _____?

_____ automatic _____ of hsr _____ be able to _____ an image.

_____ you know _____ that makes sure _____ sections are _____ a _____?

Did _____ that helps make _____ well _____ sections _____ present?

Can balanced _____ be achieved _____ of _____ HDR?

_____ having an auto-HDR _____ guarantee _____ balanced _____ possible?

Is _____ possible for _____ automatically _____ to ensure _____ levels?

Would _____ feature _____ a well _____ look to _____?

_____ auto-HDR helps to make _____ well- exposed sections _____ the _____?

Did _____ know that auto-HDR helps make _____ be _____ the _____?

Can HDR _____ to exposure levels in _____?

_____ dynamic range _____ automatically _____ levels in the _____ of the _____?

_____ there _____ feature _____ guarantee well balanced exposés?

_____ picture with _____ feature _____ it _____ balanced appearance?

_____ in _____ need it, so my _____ don't _____ poor _____ levels?

_____ automatic applied HDR the _____ that _____ balanced exposure _____ areas?

Did you hear _____ well-exposed _____ are available _____ a photo?

_____ required for _____ will the _____ enabled?

_____ there is a need _____ ensure _____ and dark _____ a _____ is the implementation _____ automatic?

_____ it _____ that HDR _____ levels _____ different areas?

Did you hear _____ auto-HDR _____ sure _____ found?

_____ possible _____ application of the HDR?

Did _____ know _____ helps _____ well-exposed _____ found in different areas?

Is _____ way to _____ balanced _____ an _____ application _____ hsr?

Is _____ possible for _____ to _____ for balanced exposures?

Is _____ application _____ high Dynamic _____ for balanced _____?

Did you _____ auto-HDR _____ sure well exposed sections _____ available _____?

Did you _____ that _____ to _____ sure _____ can be found?

_____ use auto-HDR to _____ parts _____ a photo?

Is balanced exposure _____ option with automatic _____?

_____ an automatically applied HDR the _____ that ensures _____ exposure _____ areas _____?

Is _____ possible to _____ a balanced _____ throughout _____ with _____ automatic _____ of the high _____?

_____ you use _____ to _____ parts of the _____.

_____ the _____ applied _____ exposure in an image.

_____ for balanced _____ will HDR _____?

_____ use auto-HDR to _____ part of a _____?

_____ an _____ feature give the _____ balanced look?

_____ an _____ one that _____ ensure balanced exposure across different _____ the _____?

_____ an _____ give the photos a balanced _____?

_____ auto-HDR _____ of the parts _____ picture?

Did _____ to make sure _____ well exposed _____ found in different areas?

_____ the _____ to balance out the different zones in _____?

Is _____ to achieve balanced exposure _____ image with automatic application _____?

Is the _____ when _____ to _____ exposure in _____ image?

Can _____ auto-HDR _____ expose some parts _____ a _____?

_____ we _____ the automatic application of HDR _____ for balanced _____?

Is _____ possible _____ have _____ feature that _____ give _____ balanced appearance?

Are _____ that ensures well-exposed sections across _____ areas _____ a _____?

Did you _____ auto-HDR, _____ helps _____ make _____ well-exposed _____ present?

_____ hear _____ auto-HDR that helps to make _____ exposed areas _____ visible _____?

_____ an automatically applied _____ that will ensure _____ exposure _____ an _____?

_____ for balanced _____ levels automatically?

Does the _____ high dynamic _____ when necessary _____ don't have odd _____.

Does HDR _____ adjust _____ different areas?

_____ an _____ feature help _____ the _____?

_____ HDR automatically _____ ensure _____ exposure?

The _____ can _____ different exposures in _____ images.

_____ application of _____ achieve balanced _____.

_____ the _____ to _____ sure well-exposed sections _____ be found _____ different _____?

Is _____ to have _____ auto-HDR _____ guaranteeing a _____ balanced _____ photos?

Is _____ of HDR _____ to _____ balanced _____?

Are exposure _____ balanced _____ parts of _____ image using automated _____?

_____ feature _____ the photos _____ well- balanced look?

Is _____ a _____ to _____ through automatic application of _____?

Is _____ applied HDR the _____ that will ensure _____ exposure _____ a _____ in an image?

_____ feature give photos _____ well balanced _____?

Did _____ that _____ sure well-exposed _____ are _____ in a photo?

_____ if we can trust automatic _____ HDR _____ exposures.

_____ hear about _____ auto-HDR that helps _____ well-exposed _____ are in _____?

_____ HDR _____ I need _____ so _____ my _____ don't _____ low exposure levels?

Is an _____ Dynamic range _____ that _____ exposure _____ variety of areas in an image?

_____ the automatically _____ the _____ that will ensure _____ levels?

Is automatic applied _____ that _____ exposure levels?

Did you know _____ to _____ sure well-exposed sections _____ across different _____?

Balanced exposure is possible _____

_____ balance _____ automatic application of the high _____?

_____ it possible to _____ an auto-HDR _____ well-balanced _____?

_____ possible to have an auto-HDR _____ that _____ exposés?

Is it _____ auto-HDR _____ will give _____ photos a _____ look?

Can HDR be _____ automatically _____ the _____ levels _____ picture?

Is _____ application _____ high Dynamic Range _____ a _____ ensuring a balance _____?

_____ you _____ auto-HDR _____ to make _____ exposed _____ can be found in _____?

_____ dynamic range _____ when it is _____ don't _____ exposure levels

The _____ feature will _____ balance _____ exposures _____ the images.

Balanced exposure _____ HDR _____?

Did _____ know auto-HDR _____ to make _____ well-exposed _____ found _____ different _____?

_____ auto-HDR feature _____ be _____ to balance _____ between _____ zones.

_____ the _____ automatically _____ when necessary _____ exposure in _____ image?

Is _____ by _____ application of _____ Dynamic range?

_____ you _____ of _____ makes _____ sections _____ be _____ across different areas?

Are _____ that _____ to make sure well-exposed _____ can be _____ across _____?

_____ auto-HDR feature be able _____ guarantee well- _____?

_____ use auto-HDR to _____ I _____ every part _____ a _____?

Is _____ applied _____ the one that _____ balanced _____ over a variety of areas _____?

_____ having an _____ give _____ picture of _____ exposé.

Can _____ be _____ automatically _____ levels in _____ of _____ photo that's _____ the _____?

Is it possible _____ have _____ auto-HDR _____ balanced exposés?

_____ is used, _____ will balance the exposures _____ in the _____.

Is an automatically applied high _____ will _____ exposure levels over _____ variety _____ in the _____?

_____ balanced exposure accomplished _____ automatic _____?

_____ applied automatically for _____

_____ exposés _____ be guaranteed _____.

_____ know that _____ helps to make sure _____ can _____ found _____ different _____?

_____ there _____ to balance _____ application of the high dynamic _____?

_____ application _____ to achieve balanced exposure throughout _____?

_____ we be sure that _____ application of HDR _____?

_____ Range _____ one that will _____ balanced exposure levels over a variety of areas _____?

_____ the _____ feature _____ able _____ exposures between different _____ your photos?

_____ to _____ exposure throughout an _____ the automatic application of _____?

Am _____ achieve _____ through automatic application of _____?

_____ possible _____ achieve _____ exposure _____ image with _____ automatic application of _____?

_____ an _____ HDR that makes balanced _____ levels?

_____ an automatic _____ the _____ that will ensure balanced _____ levels _____ a _____ areas in your _____?

_____ rely on the automatic _____ balanced exposure?

Would _____ auto-HDR feature give _____ well _____ appearance?

Did you _____ makes sure _____ well-exposed _____ can _____ found in _____?

Did _____ the _____ makes sure the _____ sections are found _____ photo?

_____ balanced exposure possible _____ application of _____?

_____ good _____ well-balanced exposés?

Is an automatically _____ the _____ ensure _____ over a variety _____ in the photo?

_____ you _____ auto-HDR that helps to _____ sure well-exposed sections are _____?

_____ achieved _____ application of the high dynamic range?

_____ feature _____ balance the _____ between _____ locations in _____ images.

_____ it _____ that HDR adjusts to balance _____ different _____?

____ auto-HDR feature will ____ to balance ____ exposures between ____ .
 ____ get ____ balanced exposure with an ____ application ____ the high ____ technology?
 Would a ____ exposés be ____ with ____ feature?
 ____ you ____ that ____ to make sure ____ sections ____ available ____ photo?
 Would ____ guarantee balanced ____ help?
 ____ photos ____ well balanced look ____ an auto-HDR ____ ?
 ____ the ____ when ____ necessary to ensure ____ exposure?
 Is a ____ exposure ____ application of ____ ?
 ____ about ____ auto-HDR that ____ well-exposed sections can ____ found in the ____ ?
 ____ automatic ____ of ____ a way to ____ balanced exposure?
 Does ____ of ____ dynamic ____ in when it is ____ photos don't ____ blurry ____ levels
 ____ we ____ sure ____ the automatic ____ of ____ for balanced ____ ?
 Would ____ balanced look ____ given to the ____ by having ____ ?
 ____ automatically to exposure levels ____ regions of a picture?
 ____ well-balanced look in ____ photos be ____ an ____ feature?
 Is ____ one that will ensure ____ exposure ____ range ____ in an ____ automatically ____ ?
 Is ____ possible ____ the one that ____ balanced ____ across ____ areas of ____ applied?
 ____ HDR ____ one ____ will ensure ____ exposure levels ____ a range of ____ in an ____ ?
 Did ____ know that auto-HDR helps ____ make ____ sections can ____ areas.
 ____ have a ____ with automatic application of the ____ ?
 ____ exposure doable ____ automatic ____ of ____ ?
 ____ auto-HDR ____ guaranteeing ____ exposés help?
 ____ I ____ so my photos don't have weird exposure ____ ?
 Does ____ introduction ____ high dynamic ____ kick in when ____ necessary so ____ levels?
 Even ____ be automatically ____ with HDR.
 Can ____ auto-HDR ____ expose every ____ a picture?
 The ____ feature ____ be able ____ exposure ____ different zones.
 Did ____ auto-HDR ____ to make sure ____ exposed ____ visible in ____ photo?
 Is ____ a way to ____ an image ____ application of high dynamic ____ ?
 ____ high dynamic range ____ be balanced exposure.
 Did you hear ____ auto-HDR that ____ sure exposed ____ visible in ____ ?
 ____ you know about ____ that ____ to ____ sections ____ present in ____ photo?
 ____ it ____ get balanced exposure ____ an automatic ____ of ____ high dynamic range?
 Would ____ have ____ auto-HDR feature to ____ well ____ exposés?
 Did ____ hear ____ auto-HDR ____ helps to make sure ____ be found in ____ ?
 ____ the HDR applied when ____ ensure a ____ exposure ____ ?
 ____ be possible ____ have ____ feature ____ guarantee well-balanced exposés?
 Balanced ____ be possible ____ application of ____ .
 The auto-HDR ____ balance the ____ between ____ in the ____
 The auto-HDR ____ be ____ balance exposures ____ zones.
 ____ you ____ that auto-HDR ____ to ____ that ____ sections ____ found ____ different areas?
 ____ auto-HDR feature guaranteeing well- ____ .
 Will ____ feature ____ able to balance ____ the ____ in the ____ ?
 ____ automatically applied HDR the one ____ a ____ exposure ____ an ____ ?
 ____ appropriate application ____ Dynamic Range to a picture ____ place, ____ exposure ____ images.
 ____ applied ____ the ____ that ____ ensure balanced exposure levels over a ____ range ____ areas ____ the ____ ?
 Did you ____ auto-HDR helps ____ are ____ in a photo?
 ____ a question about whether ____ will have ____ exposures with ____
 ____ a ____ applied HDR the ____ that ____ ensure ____ levels ____ variety ____ within an image?
 ____ using ____ auto-HDR feature ____ the ____ balanced appearance?

_____ there _____ guaranteeing balanced exposés?

Is _____ an _____ feature _____ helpful?

Did you _____ helps to make sure _____ are included _____ a _____?

_____ HDR _____ for balanced _____ levels?

Is _____ achieve _____ balanced exposure through _____ application _____ HDR?

_____ high dynamic _____ the one that _____ levels over _____ variety of areas _____ an image?

_____ a high def _____ get balanced _____ throughout _____ image?

Is it possible to get _____ exposure throughout _____ an automatic _____ of _____?

_____ an _____ application _____ high dynamic _____ a _____ to _____ balanced exposure?

_____ balanced _____ all parts of _____ image using automated _____?

_____ auto-HDR _____ balance the exposures _____ different zones in _____.

_____ it _____ get balanced _____ an image using _____ application of _____ dynamic range?

_____ auto-HDR feature will _____ to balance _____ if it _____.

The picture _____ well-balanced _____ would _____ guaranteed _____ feature.

_____ dynamic range kicks in _____ so photos _____ exposure _____

_____ having _____ auto- HDR feature give _____ balanced _____?

Did _____ know _____ to find _____ across _____ areas?

_____ an _____ the one that will ensure balanced _____ image?

_____ it _____ balanced exposure with _____ of theHDR?

_____ an _____ Dynamic range the _____ balanced _____ over a variety of areas _____ an image?

The auto-HDR _____ be _____ to _____ the different _____ in the images.

Did _____ know _____ auto-HDR _____ sure well-exposed _____ visible _____ photo?

_____ you hear _____ sure well-exposed _____ are available in a _____?

_____ there's _____ need to ensure equilibrium between light and dark _____ of HDR _____?

Did you _____ can help make sure well exposed _____ photo?

Does an _____ the _____ ensure _____ across different _____ of an image?

I _____ like _____ we _____ trust _____ application _____ HDR for _____ exposures.

Did _____ that _____ helps to _____ well _____ sections _____ be found?

_____ the _____ of _____ range kick in when needed _____ photos do not _____ levels

Is an _____ HDR the _____ that _____ ensure balanced _____ of areas in an _____?

Is balanced exposure _____ through _____ applications _____ dynamic _____?

Would having _____ auto-HDR feature _____ a _____ photos?

Did you hear _____ the auto-HDR that _____ to _____ sections _____?

_____ theHDR applied when _____ ensure _____?

Does _____ automatically apply _____ needed _____ ensure proper _____ an _____?

_____ there a _____ to get _____ exposure with _____ of _____ technology.

_____ it _____ for well _____ exposés _____ have an _____ feature?

_____ feature _____ guaranteeing well balanced exposés?

Would a _____ balanced exposés _____ by an _____?

CanHDR be enabled automatically _____ levels _____ regions _____ the _____?

Did _____ to make sure well-exposed sections can _____ areas?

_____ you expose all _____ of _____ picture _____ using _____?

_____ it _____ my images will equalize exposure _____ the _____?

_____ it _____ that _____ feature would give _____ a _____ appearance?

Balanced _____ is possible _____ the _____ of _____.

Is this automatically _____ HDR _____ one _____ makes balanced _____ the _____?

Would well _____ the auto-HDR feature?

Is an automatic appliedHDR _____ one _____ a variety _____ areas in _____ image?

Is the HDR _____ when necessary for _____ exposure _____?

Did _____ know _____ auto-HDR _____ well-exposed _____ can be found in _____?

_____ HDR _____ necessary to ensure _____ exposure?
 _____ application _____ might be able _____ get balanced _____ throughout an _____.
 _____ it possible _____ automatically _____ ensure _____ exposure _____ different areas of _____ image?
 Is _____ possible _____ through automatic _____ of HDR?
 _____ an _____ applied HDR ensure _____ across _____ of an _____?
 _____ the HDR _____ apply when needed to _____?
 The auto-HDR _____ will be able _____ out _____ the images.
 Would _____ a well _____ with the _____ feature?
 _____ you _____ auto-HDR helps to make sure _____ are _____ in _____?
 _____ possible _____ apply HDR _____ exposure across the _____?
 _____ there _____ get a balanced exposure with _____ application of _____ def _____?
 _____ a way to _____ balanced _____ in _____ image with _____ application _____ hsl?
 Is auto-HDR _____?
 Would _____ exposés be _____ by _____ feature?
 Is _____ HDR the _____ that will ensure balanced exposure levels _____ of areas _____?
 The auto-HDR _____ be able _____ balance the _____ different _____.
 Is the _____ the one _____ balanced exposure _____ in your _____?
 _____ possible _____ balanced _____ to _____ an auto-HDR feature?
 Is having _____ auto-HDR feature _____ balanced _____?
 _____ you hear _____ auto-HDR _____ to _____ sections can _____ across different areas?
 Is _____ to ensure _____ exposure _____ an image?
 The auto-HDR _____ be _____ to _____ exposures between _____ areas.
 Can we _____ sure that _____ application of HDR _____?
 Is _____ applied _____ necessary to ensure _____?
 _____ the _____ automatically _____ to ensure proper exposure?
 _____ exposés _____ helped if _____ were an _____ feature?
 _____ auto-HDR feature _____ the _____ a picture of _____?
 _____ you hear _____ helps _____ make sure _____ sections _____ in a photo?
 _____ is a question _____ whether balanced exposure is _____ the HDR.
 _____ you know that auto-HDR _____ sure _____ sections _____ in a _____?
 _____ necessary to ensure equilibrium _____ and dark spots in photographs, is _____ implementation _____?
 Are well _____ exposés _____ auto-HDR _____?
 Did you _____ about the _____ that makes _____ well _____ found _____ photo?
 Did _____ know that _____ helps _____ make sure _____ parts _____ be _____ a _____?
 Is _____ HDR _____ applied _____ needed _____ in an image?
 _____ you know that _____ can _____ make _____ are _____ in the photo?
 Is _____ automatically _____ one that will ensure _____ exposure _____ the _____?
 _____ can be _____ for even _____.
 Would _____ auto-HDR _____ photos _____ well-balanced _____?
 Does auto-HDR feature take _____ different zones?
 _____ auto-HDR feature allow for well _____?
 _____ a way _____ get balanced _____ during _____ the _____ application of hsr?
 _____ auto-HDR _____ make it possible for _____ exposés?
 Is _____ the one that _____ levels _____ the image _____?
 Does _____ apply _____ Dynamic _____ to _____ exposed images?
 _____ there _____ way _____ balance _____ an image with _____ application _____ hsr?
 There _____ an _____ for _____ to _____ balanced _____ your picture
 _____ it _____ with _____ the _____ to balance exposure?
 _____ as to whether images _____ have _____ exposure with _____ use of _____.
 _____ auto-HDR feature guaranteeing _____ would _____.

_____ automatically _____ the _____ guarantees balanced exposure across _____ of an image?

_____ an _____ that will _____ exposure _____ different areas in the picture?

Can _____ be _____ automatically _____ in _____ regions of a _____?

Is an _____ going to _____ photos _____ balanced _____?

Is an _____ high _____ one _____ ensure balanced exposure levels?

The auto-HDR feature will _____ different _____ your photos.

Is it _____ to _____ balanced exposure _____ an automatic _____ of _____?

Is _____ an _____ well- balanced exposés?

Does _____ of _____ range kick in _____ photos don't _____ exposure levels?

Is balance exposure possible through _____ high dynamic _____?

Is _____ possible that _____ automatically _____ HDR will _____ levels _____ the _____?

We want to _____ we _____ trust _____ of _____ balanced exposures.

_____ exposure _____ achieved through automatic application _____.

_____ there a way to get _____ throughout an _____ the _____ of _____?

Is _____ automatically applied HDR _____ exposure levels _____ a variety _____ areas in _____ image?

Is _____ use _____ high Dynamic _____ a _____ in _____ balanced exposure for different _____?

_____ applied automatically for balanced exposure _____?

Did you _____ auto-HDR _____ to _____ sure that _____ sections _____ in different _____?

Automatic _____ may be applied _____.

Does auto-HDR help _____ make _____ be found across different _____?

_____ HDR automatically _____ when necessary to _____ exposure?

Is _____ an _____ applied _____ that _____ ensure balanced exposure levels _____ areas?
