

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Reporting inaccurate meter readings
Inquiry Sub-Category	Incorrect meter reading due to meter malfunction
Description	Customers report inaccuracies in their gas consumption readings caused by faulty or malfunctioning meters, requiring immediate repair or replacement.
Data Size	5,075 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Are there _____ indicating _____ current gauge _____ incorrect readings?

_____ dumbass gauge has _____ and any signs _____?

If _____ incorrect readings, there _____ some _____ to watch _____ for.

_____ of _____ signs that the _____ messed up?

_____ there _____ warning _____ our _____ is _____ wrong readings?

Do _____ know _____ current _____ readings are _____?

Is _____ sign _____ our _____ readings are _____?

_____ may be signals to _____ gauge _____ incorrect.

_____ there _____ with the present-day _____?

Should _____ know if _____ readings on the _____?

The gauge _____ giving incorrect readings, _____ signs?

Does our instrument _____?

Are there any red flags _____ inaccurate _____?

_____ signal flags _____ could suggest _____ gauge _____ incorrect.

Is there _____ false _____ now?

Is _____ warning _____ faulty measurement _____?

There _____ red flags _____ something wrong _____ our _____?

_____ know _____ there _____ warnings about _____ gauge's reading.

There _____ signals pointing _____ inaccurate readings _____ the _____.

_____ tell us if there _____ about the _____?

Does our _____ show _____ to _____?

If _____ gauge is _____ incorrect readings, _____ might _____ warning _____.

Is _____ that _____ current meter is _____ data?

_____ indicators show _____ our meter _____?

Does _____ if the gauge _____?

Is there _____ wrong _____ our gauge measurements?

_____ gauge _____ readings, so _____ signs?

I _____ to know _____ any false _____ on our _____.

Do _____ what _____ look _____ if _____ gauge readings are _____?

_____ our current condition may _____ incorrect _____.
 _____ know _____ are any _____ about _____ faulty gauge.
 Do _____ if _____ are warnings about _____ faulty _____?
 _____ warning signs in the _____ wrong reading?
 _____ any sign our _____ up?
 Does _____ current _____ if the data _____?
 Should we _____ warning signs _____ of a _____?
 _____ the signs _____ our gauge _____?
 Tell us _____ early warning _____ of wrong readings _____ meter.
 _____ our gauge signalling _____?
 Is _____ our _____ is not giving _____ readings?
 Is there _____ sign _____ inaccurate readings _____ the _____?
 _____ are any cautions _____ wrong _____.
 _____ would show _____ the _____ is _____.
 _____ that tells _____ gauge is flawed?
 _____ you have any red flags suggesting _____ reading _____ a _____?
 _____ our gauge _____ are _____ indicators do you _____?
 _____ red _____ showing flawed _____ right _____?
 Do major _____ a _____ is present?
 If we _____ wrong reading, should _____ any _____?
 There may _____ to suggest _____ gauge readings _____.
 If our current _____ is _____ time _____ the _____ that?
 Are there warnings _____?
 Have _____ noticed _____ errors?
 _____ might _____ red _____ faulty _____ right now.
 _____ there _____ way _____ a _____ is giving false data?
 _____ signs of _____ measurement?
 _____ there any warnings about _____ reading on _____?
 _____ signal flags that might _____ that _____ gauge _____ faulty.
 Are there red _____ showing the _____?
 Is _____ of wrong gauge _____?
 Is _____ sign _____ the _____ is giving _____ readings?
 Does _____ instrument _____ signs?
 _____ our _____ meter _____ levels _____ concern?
 There are any _____ flags suggesting _____ measurements.
 _____ any signs _____ our _____ incorrect?
 _____ our _____ display potential _____?
 Is _____ gauge _____ incorrect _____?
 Is it possible that _____ gauge _____?
 Does our instrument _____ potential _____?
 Can _____ us know _____ there _____ warnings _____ the _____ malfunctioning?
 _____ our _____ gauge readings are incorrect, what _____?
 Let _____ know if you _____ any _____ about _____.
 _____ any hint _____ the reading _____ present?
 _____ there _____ hints _____ flawed _____ on the gauge?
 Any red flags _____ gauge reading _____?
 There _____ any red flags _____ gauge reading.
 Is there _____ gauge _____ malfunctioning?
 _____ gauge giving wrong _____?
 _____ may _____ some _____ signals pointing _____ inaccurate readings on _____.

Is _____ gauge currently _____ by _____ caution _____?

There _____ signs _____ gauge shows _____ readings?

The _____ just givin' bad information, _____?

signs our _____ readout _____

Is there _____ sign that the _____ giving _____?

_____ it _____ our _____ are faulty.

_____ signs _____ a gauge _____ up _____?

_____ shows errors?

_____ there _____ sign _____ the _____ is giving _____ data?

Is _____ to _____ our _____ meter _____ false data?

_____ meter showing _____ levels a _____?

If _____ gauge is wrong, _____ signs _____ for?

_____ signaling potential _____ numbers?

Are _____ any indicators _____ gauge is _____ readings?

_____ we spot _____ about false _____?

_____ any clues _____ false measurements?

_____ our _____ signalling flawed _____?

_____ there _____ warning _____ that our _____ is giving incorrect _____?

Is there any _____ of _____ gauge _____?

Is _____ way _____ if our gauge readings _____?

_____ caution signals _____ there _____ a flawed gauge _____?

_____ our _____ show _____ misreading _____?

Does _____ signal _____ figures?

_____ know if _____ is _____ up?

Should we _____ signs _____ the reading _____?

_____ current _____ giving false _____?

_____ we able to see _____ measurements?

Do major _____ faulty gauge?

Is there any _____ that _____ is giving _____ readings?

Any signs _____ the dumbass _____?

_____ can _____ false _____ on our _____.

_____ may _____ of wrong gauge _____.

Any red _____ about the _____ of _____?

_____ our _____ warning us _____ figures?

Is _____ indicative _____ measures on _____?

_____ there _____ flags indicating _____ right _____?

Is _____ hint of this _____ bad _____?

_____ know if there _____ any warnings _____ gauge reading.

Do _____ have any warnings _____ gauge _____?

_____ could be _____ to suggest that _____ are _____.

_____ gauge _____ possible _____ figures?

_____ gauge has _____ sign _____ readings?

_____ signals _____ to inaccurate readings.

Is _____ gauge giving _____?

Does _____ show _____ misreading?

Do _____ red _____ that _____ reading from _____ gauge is bogus?

_____ it _____ that _____ an _____ with the current _____?

_____ to _____ any early warning _____ for detecting _____ from the meter.

Is there any way _____ current meter _____ a false _____?

Do you have _____ indicators _____ you _____ the gauge readings _____?

_____ indicates flawed measurement _____ the gauge?

There _____ signals pointing towards _____.

Do _____ indicators to know if _____ readings are _____?

_____ major _____ signals _____ a _____ gauge _____?

Is _____ recognizable signal pointing _____ on the _____?

Are there _____ to watch _____ for if _____ is giving _____?

Any red flags _____ out _____ wrong _____?

_____ any hint _____ false _____?

_____ the _____ readings _____ you have any indicators to look _____?

Is there any red _____ that _____ to _____?

We need to _____ if there _____ the _____ is _____.

If our current _____ readings _____ what _____ indicators _____ for?

There _____ signs our current _____.

Is _____ signs _____ faulty measurement _____?

_____ the _____ giving incorrect readings, _____ may _____ some _____ signs.

_____ you have any signs that _____ incorrect?

_____ you know _____ our current gauge _____?

_____ are signal flags that _____ our gauge _____ are _____.

Any _____ that _____ isn't _____?

_____ suggest _____ flawed gauge.

Is _____ any information _____ can indicate _____ our current _____ giving _____?

Should we _____ any _____ reading is incorrect?

_____ you let _____ there is a faulty reading _____.

_____ possible _____ there are _____ towards inaccurate _____ on _____ gauge.

Should _____ if there was a wrong _____?

_____ a sign _____ measurement now?

Are major caution _____ a _____?

_____ there any _____ about _____ readings?

The _____ shows _____?

_____ the signs _____ gauge _____ messed up?

Can you let us _____ there is _____?

_____ it possible _____ there are signals towards _____ the _____?

_____ there any _____ flags to _____ inaccurate gauge _____?

_____ some way to _____ if our _____ is _____ false _____?

Are _____ any clues _____ now?

_____ find any _____ of _____ measurements?

Do you _____ there are warning _____ to look _____ the _____ giving _____ readings?

_____ us know _____ are _____ about a faulty _____.

Is _____ our _____ situation giving _____ readings?

_____ the _____ incorrect figures?

_____ the current gauge _____ are incorrect, which _____?

Is _____ sign that _____ gauge _____ giving accurate _____?

There _____ warnings about _____ gauge _____?

_____ it possible _____ our _____ wrong readings?

There could _____ that _____ readings are _____.

Are _____ of wrong gauge _____?

There _____ red _____ our _____ measurements?

_____ us _____ you have _____ warnings _____ the _____ is faulty.

There _____ signals that the gauge _____.

There are _____ wrong gauge _____.

There ____ a ____ our gauge ____ are ____.
____ this warning ____ faulty ____?
____ we ____ for signs that ____ gauge ____ right?
____ there ____ signal for wrong ____?
____ might ____ signs that ____ gauge is ____ incorrect readings.
Could there ____ signs ____ measurements ____?
Hey, ____ gauge is broken?
Are ____ any ____ our ____ gauge ____ giving ____ readings?
____ there ____ of ____ gauge readings?
____ gauge is signaling ____.
____ meter ____ some ____ for faulty reading.
There ____ hints showing ____ discrepancy.
____ that the ____ is flawed?
If our gauge ____ are ____ have any ____ to ____?
There ____ red ____ gauge measurements.
We want ____ our ____ is ____ false data.
Is there any ____ that ____ an incorrect ____?
Is our gauge ____?
Are ____ early ____ the wrong readings from ____ meter?
____ are incorrect, do you have ____ indicators to ____?
Let us ____ there ____ warnings for ____ gauge.
Can ____ give ____ about the ____ reading?
____ current ____ readings are ____ do ____ to look for?
Is it ____ to tell ____ current ____ is ____ false ____?
____ any early ____ signs ____ wrong readings?
____ any ____ for faulty reading ____ the ____ meter?
____ give us ____ early ____ wrong readings from the meter?
Is ____ if ____ is an issue ____ measurements?
____ to spot ____ that reveal false measurements ____?
____ our ____ us ____ possible errors?
Do you ____ if ____ are ____ gauge ____ malfunctioning?
____ there clear signals ____ to ____ issue ____ our ____?
Is ____ warning signs ____ faulty ____?
There may ____ clues ____ current ____.
Can ____ any clues ____ show ____ now?
Is ____ of a problem ____ current measurement?
If the gauge ____ readings, ____ are ____ signs ____ look out ____.
____ signal that our gauge readings are ____?
There may ____ flags ____ gauge ____ are faulty.
____ sign ____ gauge ____ malfunctioning?
Does ____ potential misreading?
Can ____ see ____ false measurements?
Some ____ our ____ messed ____?
____ if our current meter ____ not ____?
____ signal ____ our gauge readings ____ unreliable?
____ meter might have ____ reading ____.
____ any ____ we can ____ our ____ meter ____ giving false data?
Is there any ____ to ____ whether our ____ false ____?
____ pointing ____ readings on the gauge?
Hey, ____ know if our ____ up?

_____ there signals _____ show an _____ our _____?
 Any _____ our _____?
 _____ the _____ signaling _____ errors?
 There could possibly _____ inaccurate _____.
 Is _____ says _____ the gauge _____ flawed?
 The _____ bad information _____ any signs _____ it?
 _____ major _____ signals mean _____ have _____ flawed _____?
 _____ signals _____ our _____ readings are incorrect.
 _____ it _____ that _____ gauge _____ flawed _____?
 _____ any red _____ suggesting _____ our measurement is _____?
 _____ there _____ warnings _____ point _____ how _____ the meter _____?
 _____ signs _____ the gauge is _____?
 _____ do _____ signals _____ a flawed gauge?
 _____ be warning signs _____ gauge is _____ readings.
 _____ the _____ display a _____?
 _____ be some _____ that our _____ messed up.
 _____ our gauge is giving incorrect readings?
 _____ flags indicating _____ incorrect _____ reading?
 Is _____ flags _____ readings right now?
 _____ major caution _____ implying _____ flawed _____ right _____?
 _____ you _____ our _____ meter is giving false _____?
 _____ pointing to _____ flawed _____ gauge?
 Indicators _____ if the current _____.
 _____ may be some warning _____ for _____.
 Are there _____ signs _____ be _____ out _____ if _____ giving incorrect readings?
 _____ our instrument display _____?
 The dumbass gauge has _____ any _____ it?
 There might be _____ signs to look out _____ the _____ our current _____ giving _____.
 There _____ cautionary signals _____ wrong gauge _____.
 _____ know if _____ a faulty _____ on the _____.
 _____ gauge readings _____ do you have _____ clues?
 Is _____ showing _____ incorrect _____?
 _____ there _____ red flags _____ indicating _____?
 _____ you _____ any warnings that _____ gauge is _____?
 _____ our _____ signaling a _____?
 Is _____ faulty figures?
 _____ the _____ display _____ potential misreading?
 Are _____ look out _____ the gauge is malfunctioning?
 There _____ be _____ toward inaccurate _____ the gauge.
 _____ dumbass gauge has _____ so any _____ it?
 _____ signal _____ suggest _____ gauge readings are wrong.
 There might _____ false _____ gauge.
 If the _____ you have any indicators?
 _____ could be _____ flags to _____ gauge readings _____ malfunctioning.
 _____ that suggest that our gauge _____ are _____.
 _____ gauge display _____ misreading?
 Can you _____ any warnings of _____?
 _____ readings are incorrect, _____ are your indicators _____ look out _____?
 Do _____ if there _____ signs of faulty _____?
 _____ there any sign _____ current gauge _____ readings?

Is there any ____ that ____ know ____ is giving ____ data?

Any flags ____ incorrect gauge ____?

____ gauge ____ are incorrect, ____ there any indicators ____ can ____?

____ our ____ an error?

Does our instrument ____?

____ are ____ to ____ that our ____ are incorrect.

____ indicators ____ that the current ____?

____ anything ____ would point to ____ measurements on ____?

Any ____ flags ____ every ____ from this gauge ____?

____ giving out ____ figures?

____ gauge is giving ____ readings, are there ____ warning ____?

Is there any warning ____ gauge ____ incorrect ____?

____ signs to look out for ____ the gauge is ____ incorrect ____.

____ it possible ____ tell ____ the ____ is ____ false data.

Do ____ any warning ____ that the gauge ____ giving ____?

Is ____ telling ____ of incorrect ____?

Any red ____ that ____ incorrect ____?

There are ____ gauge ____ wrong ____?

____ any warning signs ____ we have ____ wrong ____?

____ there a ____ readings on the gauge?

____ there ____ indication of an ____ our current ____?

Is ____ indication that ____ readings are ____?

Are ____ clear signals ____ show ____ issue with ____?

____ tell ____ gauge is giving incorrect readings?

There may ____ that ____ our ____ readings are ____ perfect.

Do ____ know if ____ red ____ every ____ from ____ gauge ____ fake?

Is ____ giving us ____ data?

There ____ signals pointing towards incorrect ____ the ____.

Are there ____ acting up?

Are there ____ that ____ gauge ____ giving incorrect ____?

There's something pointing ____ measurements ____.

There ____ any ____ flags ____ in our ____ measurements?

____ some things that can ____ meter is ____ false data.

____ you tell us ____ signs that the ____ wrong?

Is ____ possible there are ____ inaccurate ____ the gauge?

Are there ____ signs ____ our ____ not ____ readings?

____ are ____ that ____ to inaccurate ____ on ____ gauge.

Is ____ any ____ the ____ is ____ incorrect readings?

____ red flags ____ to an ____ gauge ____?

There might ____ some ____ our gauge ____ up.

Is ____ possible that ____ gauge ____?

Did ____ signs of ____ acting up?

Is there anything that ____?

Are ____ the ____ that ____ gauge ____ up correct?

____ was ____ were ____ signals pointing ____ inaccurate readings on the ____.

____ the current ____ readings are not ____ do ____ indicators ____ look ____?

Is there ____ indication that ____ an issue with ____?

____ a possibility ____ our ____ are faulty.

____ may be red ____ suggesting ____ in our ____.

Is our ____ issue?

Is _____ possible _____ meters is giving false data?
_____ there any red _____ faulty readings _____ now?
If _____ a _____ reading, _____ we see warning _____?
_____ faulty measurements?
_____ any _____ wrong gauge readings?
_____ would like to know about _____ early _____ for _____ readings _____ meter.
Does our _____ signs _____ readings?
_____ there any _____ for wrong _____?
_____ see warning signs _____ there is a _____?
_____ flawed measurements on the _____?
Our _____ be giving false _____.
Does our _____ false _____?
_____ any _____ tell if our gauge _____ wrong?
_____ has _____ signs _____ is malfunctioning?
_____ know any _____ our gauge _____ malfunctioning?
_____ gauge _____ have incorrect figures?
_____ may _____ signal _____ that suggest _____ are flawed.
_____ you _____ which _____ for _____ the gauge readings _____ incorrect?
_____ could be signaling _____.
_____ there any indicators _____ can _____ the _____ readings are incorrect?
There _____ signs to _____ out _____ the gauge _____ our current _____ is _____.
_____ gauge _____ potential mistakes?
Do _____ know _____ the current _____ is _____ false _____?
_____ our instrument display signs _____?
Is _____ any _____ readings on _____?
_____ you _____ any _____ to look _____ if _____ readings are incorrect?
There are _____ that _____ measurement _____?
_____ have any _____ for inaccurate data?
Is _____ flags _____ readings at the _____?
Can _____ tell if our _____ giving _____ data?
There _____ that our _____ shows incorrect _____.
_____ have _____ that can tell you if _____ incorrect?
_____ anything _____ to _____ measurements?
_____ possible _____ our meter _____ false data?
Could _____ indicators _____ a faulty _____?
_____ are any red _____ pointing _____ the _____ gauge _____.
Are _____ faulty measurements?
_____ warning signs that _____ should _____ out _____ gauge _____ giving incorrect readings?
_____ gauge _____ incorrect figures?
Do you know if _____ are _____ warning _____ is giving _____?
_____ there _____ signals on the _____ that show _____?
There may _____ flags _____ suggest _____ are malfunctioning.
_____ might be _____ on _____ gauge.
_____ indicators _____ meter is unreliable?
_____ gauge _____ showing _____ readings.
_____ are some _____ our _____ has _____.
Are there _____ you _____ detect if _____ current _____ are incorrect?
There _____ signs _____ look _____ the gauge _____ our current _____ is giving incorrect readings.
_____ any _____ readings are incorrect?
Let _____ know _____ are any warnings of _____ reading _____ the _____.

_____ signals _____ out _____ with our current measurement?

There _____ be _____ signs to _____ out for _____ the _____ is _____ readings.

Might _____ incorrect figures?

Is _____ our current meter is _____ false _____?

Is _____ our gauge readings are _____?

If _____ meter _____ unreliable, _____ there be _____?

There _____ be signals to _____ that _____ gauge _____.

Are there _____ to let us _____ bad _____ meter _____?

Is _____ incorrect figures?

Let us know _____ have _____ that _____ the gauge _____.

_____ are _____ red _____ gauge measurement is incorrect?

_____ we see any warning _____ of a _____?

Is there _____ flags _____ an _____ gauge _____?

If _____ current gauge _____ are _____ any indicators to _____?

_____ to _____ if you _____ warnings that the gauge _____.

_____ readout isn't _____?

_____ signals _____ a _____ gauge right now.

_____ our current meter is _____?

_____ you have any warning _____ gauge is _____ incorrect _____?

Please _____ our gauge _____ readings.

_____ red flags _____ show _____ readings _____ now?

Is _____ a _____ of _____ gauge _____?

_____ a sign of _____ measures _____?

_____ there _____ flags _____ our _____ measurements?

Is _____ gauge _____ wrong _____?

Is there _____ hint _____ are _____ now?

_____ dumbass _____ so any signs show it?

Let _____ know if there _____ early _____ signs for detecting _____ readings _____.

Is it _____ see clues that reveal _____?

_____ there _____ that _____ should _____ that show _____ our gauge is _____?

Are _____ any _____ is messed _____?

_____ we find any _____ signs _____ now?

Could _____ be _____ pointing to _____?

Are any _____ gauge _____?

Is _____ any hint _____ flawed _____ the _____?

Is _____ anything _____ that _____ measurement on the _____ flawed?

There _____ that could _____ that our gauge _____ are _____.

_____ our _____ gauge readings _____ incorrect, _____ you _____ any _____?

_____ warning signs to look out for _____ the _____ giving _____?

_____ there _____ signs to look _____ gauge is _____ incorrect readings?

Are _____ warning _____ to look _____ if the _____ in _____ condition is giving _____?

_____ there any warning _____ we _____ watch _____ for if _____ is _____ incorrect _____?

_____ see anything pointing _____ the _____ display?

Are there _____ suggesting that _____ reading _____ gauge is false?

Would the _____ show if _____ current _____?

The _____ may _____ faulty _____.

Is _____ our current _____ is _____ data?

Any _____ signs that _____ gauge _____?

Is _____ any _____ signs _____ now?

The _____ gauge has bad _____ and _____ show _____?

_____ our _____ not _____?

There could _____ that our _____ are _____.

_____ warning _____ of faulty _____?

Indicators for _____?

_____ a flawed _____ of major caution _____?

_____ it clear if there _____ issue _____ current _____?

_____ we see any _____ that there are _____?

Are _____ warning _____ to _____ if the _____ is not giving _____ readings?

If there _____ reading, should _____ warning signs?

_____ there some warning signs _____ if _____ gauge is giving incorrect _____?

There could be _____ to _____ on the _____.

_____ you _____ us _____ any signs of _____ from the _____?

_____ red flags for faulty _____?

_____ gauge readings are _____ do _____ indicators to look _____?

_____ we _____ if our current meter _____ giving _____?

_____ our current condition _____ giving incorrect _____ there _____ be warning _____.

There _____ any _____ something _____ wrong _____ our gauge measurements?

If our gauge _____ incorrect, _____ you _____ any indicators _____?

Can _____ give us _____ early _____ signs _____ readings?

There are some _____ of _____ gauge _____.

_____ red flags _____ to _____ incorrect gauge _____?

Is _____ telling us _____ potential _____?

Is _____ a warning sign _____ gauge _____ readings?

_____ our gauge _____ figures?

Any _____ of flawed _____ gauge?

Are _____ any _____ point out _____ the meter is?

There could _____ signals pointing _____ on the _____.

The _____ errors

_____ you let us know _____ warnings about a _____?

_____ there warning _____ for _____ gauge _____?

_____ there are signals pointing _____ inaccurate _____.

Can we spot _____ false _____?

_____ are any warning _____ gauge _____?

Are there _____ early warning signs you _____ us _____ from _____?

Any _____ showing _____ wrong gauge _____?

Can you tell _____ if there _____ any early warning _____ the _____?

_____ are _____ flags that _____ suggest our _____ readings _____.

Could the _____ if the _____ unreliable?

Is it possible _____ gauge is giving _____?

_____ any clear signals _____ an _____ with our _____?

_____ you have _____ signs to _____ for _____ the _____ is giving incorrect _____?

Does our _____ readings?

_____ our _____ possible _____ figures?

any _____ readings _____ our _____?

_____ flawed measurements on the gauge.

_____ may _____ signals _____ point to an _____ with our _____.

Does the meter point _____?

There _____ be signals _____ to _____ on _____ gauge.

_____ there any _____ gauge is _____?

Is _____ any clue _____ measurements?

Do ____ know ____ warning signs ____ faulty measurement?
 I ____ if ____ signals mean ____ flawed ____ right ____.
 ____ current gauge ____ incorrect do you ____ indicators?
 Is ____ faulty measurements now?
 ____ there ____ wrong reading, ____ we see ____ signs?
 ____ red flags ____ suggest that ____ from this gauge ____ false?
 ____ tell ____ there is ____ false ____ now?
 There might ____ signals of ____ gauge ____.
 Do ____ have ____ warnings ____ faulty ____?
 ____ there any red ____ suggesting errors ____ measurement?
 ____ red flags about ____?
 There could ____ signals ____ to inaccurate readings ____
 Is ____ any signals pointing ____ the gauge?
 Would ____ indicators ____ our ____ meter isn't ____?
 Is there ____ way ____ if the ____ meter ____ giving ____.
 Something pointing ____ flawed ____ gauge.
 There are ____ suggest that ____ readings are ____.
 ____ sign that our gauge ____ malfunctioning?
 ____ have ____ any signs ____ it ____ malfunctioning?
 Is ____ flags that every ____ from this ____ bogus?
 ____ there are any false readings ____ our ____.
 ____ are ____ warning signs ____ gauge ____?
 ____ are ____ signs that our gauge ____.
 Is ____ inaccurate readings?
 ____ us know if ____ have ____ a ____ gauge.
 There ____ of ____ gauge readings.
 ____ our ____ potential misreadings?
 ____ are signal ____ gauge readings are faulty.
 ____ there any ____ signs that the ____ giving accurate ____?
 We ____ are ____ warning signs for wrong readings from ____ meter.
 Our ____ show ____ readings.
 ____ our gauge not ____?
 ____ is giving ____ readings, are there some ____?
 ____ gauge sending potential ____?
 ____ there clear signals ____ with ____ current measurement?
 Do ____ watch ____ that our gauge is ____?
 ____ messed up, any ____?
 If ____ current gauge readings ____ you have any ____ for?
 ____ could ____ signs pointing ____ inaccurate ____.
 ____ gauging ____ show potential ____?
 Is it possible ____ gauge ____?
 Should ____ look ____ signs that ____ gauge ____?
 Are ____ signs that ____ current ____ is ____?
 ____ it ____ sign ____ wrong ____ readings?
 Are there ____ out for ____ the gauge ____ our ____ giving ____ readings?
 Can you tell ____ if ____ current ____ are ____?
 ____ any red ____ suggesting that ____ measurements ____ incorrect?
 ____ red flags right now ____ show ____ readings?
 ____ it ____ signals ____ towards ____ readings on the gauge?
 ____ be signs ____ inaccurate readings ____ the gauge.

_____ be false _____ on our _____?
 Is there a _____ on the _____ off?
 _____ give us any _____ signs _____ wrong _____ from the meter?
 _____ warning signs _____ measurement?
 _____ that the _____ flawed?
 There are _____ red _____ pointing _____ an _____ gauge _____.
 _____ be _____ signs that our current gauge _____ giving _____.
 There _____ to _____ out for if _____ is _____ incorrect _____ in our current condition.
 _____ be cautionary signals _____ readings.
 There _____ be signals on _____ gauge that _____.
 Is _____ pointing to _____ flawed _____ on the _____?
 _____ we _____ any warning _____ a wrong reading?
 _____ there a warning signs _____?
 Does _____ potential for _____?
 I want _____ there _____ any signals pointing _____ inaccurate _____ on _____.
 _____ want to know _____ are _____ suggesting _____ every reading from this gauge _____ lie.
 _____ there any _____ flags _____ right now?
 Is _____ possible to _____ if _____ meter is _____ false _____?
 _____ any _____ flags suggesting _____ incorrect gauge _____?
 _____ warning _____ to _____ if the _____ current condition is giving wrong readings.
 _____ indicators tell us if _____ meter _____?
 _____ you _____ us if our meter _____ readings?
 Are _____ any _____ flags _____ right now?
 If _____ current _____ are incorrect, do _____ any _____ you can _____?
 _____ know _____ the _____ on the _____ are _____?
 Any _____ pointing to _____ inaccurate _____
 Is _____ a warning sign if _____ gauge _____ is _____ readings?
 Does the gauging _____ of _____?
 _____ there _____ warning signs _____ the _____ is _____ readings?
 _____ gauge _____ incorrect figures.
 _____ if there are any _____ flags _____ gauge is _____.
 _____ gauge signaling possibly _____?
 There _____ red _____ that indicate _____ inaccurate _____ reading?
 Do major _____ gauge?
 _____ do we know _____ gauge _____ messed _____?
 Can we _____ show false _____?
 _____ there any signal _____ towards _____?
 _____ to _____ any clues _____ reveal false measurements _____?
 Does our instrument _____?
 Is _____ clues _____ measurements now?
 _____ gauge is _____?
 _____ may _____ signals that _____ out _____ our measurement.
 Are _____ any _____ signs of _____?
 _____ there any _____ flags suggesting _____ our gauge _____?
 Right _____ major caution _____ a flawed _____?
 _____ gauge signaling _____?
 _____ tell _____ if there _____ about a faulty reading _____ gauge?
 Is _____ up?
 Is there _____ that _____ the _____ is _____?
 Any of _____ incorrect _____?

_____ some warning signs _____ look _____ if the _____ our current _____ is _____.

_____ signals _____ that our _____ readings _____ not right.

There _____ flags that _____ indicate an _____ reading.

There _____ signals of _____ gauge _____.

_____ suggest a flawed gauge _____ the moment?

_____ indicators mean a _____ gauge?

Would _____ indicators say our _____?

_____ could be signals _____ inaccurate readings _____ the _____.

Is it wise to watch _____ gauge _____?

Any red _____ suggesting _____ is inaccurate?

_____ any clues _____ false measurements _____?

_____ there any clear signals that point _____ with _____?

Can _____ any _____ of wrong _____ readings?

The gauge's _____ off.

_____ we see any _____ measurement is _____?

Is there anything _____ hints _____ the gauge?

_____ there _____ hint showing _____ reading _____?

The dumbass _____ has bad _____ any _____ that?

_____ there _____ that _____ gauge is not accurate?

Is _____ gauge giving _____ sign?

_____ flags indicating _____ gauge _____?

_____ red _____ an _____ gauge reading?

_____ gauge _____ show _____ readings

There _____ be _____ to inaccurate _____ on _____ gauge.

There are _____ flags _____ an _____ gauge _____.

_____ signs _____ incorrect _____ in our _____?

_____ hint at _____ measurement _____ the gauge?

There are _____ flags that might _____ our _____ readings _____.

_____ errors on the _____?

Could _____ show if our _____?

_____ there any _____ signs _____ readings?

_____ that _____ flawed measurement on _____ gauge?

There _____ signals _____ inaccurate _____ on _____ gauge.

_____ our _____ gauge _____ are _____ have _____ indicators to help?

_____ may be signals _____ suggest _____ gauge _____ incorrect.

Is there _____ false _____ right now?

_____ the _____ is _____ there may be _____ warning signs to _____ out _____.

_____ the gauge _____ our current _____ giving incorrect _____ signs to look out for.

_____ there any _____ that _____ false _____?

There could be signals on the _____.

Is _____ any _____ pointing towards _____ the gauge?

would _____ if our current _____?

_____ major _____ a _____ gauge now?

Are there _____ gauge _____ incorrect readings?

_____ we have clear signals _____ show an issue _____?

_____ our _____ bad figures?

_____ our _____ show _____ errors?

_____ readings are incorrect do you _____ any _____ check?

Does _____ gauging _____ misreading?

_____ readout _____ be off.

_____ there _____ implies that _____ gauge _____ flawed?
_____ us know if _____ have _____ the gauge _____.
_____ could _____ false readings on _____.
If our _____ readings _____ have any indicators _____ detect it?
Is _____ any _____ that _____ are flawed?
_____ our current _____ was unreliable.
Is _____ gauge _____ inappropriate _____?
_____ are incorrect, have _____ indicators to look _____?
_____ anyone _____ any _____ that _____ measurements?
A warning _____ faulty _____?
_____ may be _____ to suggest _____ gauge readings _____.
_____ it _____ that our current meter _____ providing _____?
_____ that _____ is showing errors?
Can _____ tell us _____ the meter _____ false _____?
There are _____ gauge is messed _____.
_____ readings _____ the gauge?
There _____ any _____ gauge has _____ readings?
_____ flags about a inaccurate _____?
Is there _____ to _____ meter _____ giving false data?
_____ be _____ signals _____ inaccurate readings.
There are _____ flags _____ inaccurate gauge reading.
Is _____ any _____ that our _____ gauge _____ giving _____ readings?
I _____ know _____ any red flags _____ every reading _____ gauge is _____.
Is our _____ possible _____?
_____ gauge _____ incorrect readings so are _____ signs?
_____ are warning signs _____ watch _____ the _____ condition is giving incorrect _____.
_____ ourgauge _____ up?
_____ our _____ inaccurate?
_____ there be indicators _____ faulty _____?
Is _____ sign of wrong _____?
Are _____ flags _____ faulty _____?
I _____ are any red flags _____ gauge is bogus.
_____ gauging instruments _____ misreading?
There are any _____ suggesting that _____ is _____?
Are _____ the readings right now?
_____ showing _____ levels to us?
_____ sign _____ the _____ gauge is _____ incorrect readings?
There _____ be _____ the _____ is _____ incorrect readings.
_____ the _____ meter _____ data?
There may be some _____.
_____ major caution _____ gauge now?
A _____ sign _____ measurements?
There _____ shows incorrect readings.
Is _____ any _____ that our _____ incorrect readings?
_____ might _____ warning signs _____ the _____ giving incorrect _____.
Is there any way _____ our _____ meter _____ data?
There may _____ signals _____ wrong _____.
Any _____ our _____ is _____?
_____ possible _____ spot any clues _____ measurements now?
There are _____ an _____ with our _____ measurement.

Any sign that _____ is _____?

_____ a _____ major caution signals?

Are there _____ show an inaccurate gauge _____?

_____ indicators _____ the _____ current meter?

_____ the gauge indicating _____?

_____ you _____ a wrong meter _____?

_____ there _____ warning signs to _____ the gauge _____ giving incorrect _____?

_____ gauge _____ a potential _____?

_____ current _____ unreliable, would _____ show?

Could _____ pointing to _____ readings on _____ gauge?

_____ are flaws _____ measurement _____ gauge?

Let _____ know if _____ a _____.

Is _____ inaccurate gauge _____?

Do _____ current meter is giving _____ data?

Do _____ see _____ wrong _____ display?

_____ the gauge _____ errors?

_____ gauge telling us _____ our figures _____?

Is _____ any _____ to _____ readings?

Is our gauge _____?

_____ the gauge is _____ incorrect _____ are there _____ warning _____ to _____?

Do major _____ signal a _____ gauge?

Is _____ any warnings _____ reading on the _____?

Any signs that _____?

Does _____ show _____ misinterpretation?

Is it _____ to know if the _____ is _____?
