

[Demo] NLP Dataset for Customer Service Automation

Company Type	Investment Firms
Inquiry Category	Retirement planning and pension queries
Inquiry Sub-Category	Pension withdrawal options
Description	Customers request details on withdrawal options for their pension plan, including lump-sum payments, annuity payments, and systematic withdrawals. They seek guidance on the tax implications and potential penalties associated with each withdrawal method.
Data Size	7,299 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Investment Firm" customer inquiry. (Purchased data will not be masked.)
