

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Needing a diagnostic test for vehicle
Inquiry Sub-Category	Electrical problems causing malfunctions
Description	When customers experience electrical malfunctions such as non-responsive power windows, malfunctioning lights, or issues with the audio system, a diagnostic test can help identify the source of the problem.
Data Size	5,071 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

_____ recommended diagnosis reveal _____ exact _____ these _____ failures or _____ provide _____ clues to their _____?

_____ the recommended diagnosis _____ an idea _____ what's _____ on _____ my _____?

Will _____ diagnosis allow _____ to _____ why _____ electronics are _____?

Is _____ diagnosis able _____ figure out _____ exact source of _____?

Is _____ possible _____ ascertain _____ source of these _____ problems _____ at their _____?

Does _____ help _____ for the electronic breakdown _____ does _____ only offer _____ suggestions?

_____ any help _____ identifying root causes of _____ electronic _____?

Is it possible to find out _____ electronic issues _____ general _____?

Is _____ of these electronic malfunction or only _____ for their _____?

Is it _____ for _____ suggested _____ to _____ precise source of these _____?

Is _____ proposed diagnostic _____ specific _____ causing electronics' _____ is _____ more generalized?

_____ your _____ diagnosis _____ me _____ with _____ or should I guess?

_____ the recommended _____ why my _____ are failing _____ just give _____ idea?

Is it _____ to _____ the exact source of _____ electronic _____ only vague _____?

Will the _____ diagnosis _____ me a _____ as _____ causing these _____?

Does the _____ give me _____ why electronic _____ occur?

Does the _____ diagnosis give _____ to the _____ of _____?

_____ the diagnosis _____ me _____ as to why _____ electronic _____ happening?

Will _____ proposed investigation determine _____ or merely give _____?

_____ the proposed _____ determine the malfunction _____ or _____ provide _____?

_____ the recommended _____ cause of _____ failure?

Is the _____ to _____ sources of electronic failures, _____ about _____?

_____ determine the _____ of the _____ or only _____ broad insights?

_____ the proposed investigation _____ of _____ electronics _____ just give _____?

_____ recommended _____ include the cause of _____ electronic _____?

_____ tell me what's causing the electronic failures, _____ general _____?

Can the _____ diagnosis identify _____ cause _____ malfunction?

Will _____ recommended _____ the _____ issues, or will _____ provide some general insights?

Will the _____ to _____ exact cause of _____ will _____ just give some general insights?

Is it possible _____ recommended _____ pinpointed _____?

Will the suggested _____ me _____ as _____ what's going _____ electronic issues?

_____ expose _____ electronic faults or _____ theories?

_____ recommended diagnosis _____ me _____ of _____ my electronics are _____?

Will _____ recommended _____ what's _____ my _____ will _____ have to guess?

_____ the _____ find the exact cause of _____ issues, _____ it just provide _____ general _____?

Will _____ the _____ electronic issues?

_____ diagnosis _____ of determining the precise cause _____ electronic _____?

Will _____ tell me why _____ malfunctioning _____ give a _____ idea?

_____ proposed diagnosis find _____ what's _____ electronic malfunction?

Does the suggested _____ offer clues _____ the _____ accidents?

_____ the _____ find out _____ electronics fail or give _____?

The _____ give _____ idea of why my electronics _____ failing.

_____ possible _____ pin down _____ is causing these electronic _____?

_____ the proposed _____ fault causing the _____ of _____ or _____ it _____ more generalized _____ their origin?

_____ assessment _____ identify root _____ electronic breakdowns _____ just offer broad _____ about _____ origin?

_____ reveal the _____ of _____ failures _____ give some clues _____ their origin?

Does the _____ diagnostic examination _____ out _____ causing _____ or _____ give more _____ indications about _____ origin?

Does the _____ point _____ specific _____ cause electronics' failure or does _____ more generalized _____ their _____?

_____ your diagnosis tell me _____ or _____ have to guess?

_____ pin down _____ causing _____ electronic _____ only give hints?

_____ that the suggested _____ test will _____ why _____ electronics keep _____?

_____ it possible to ascertain _____ source _____ electronic _____ or _____ vague hints for _____?

Will the recommended _____ me why _____ malfunctioning?

_____ the _____ show me why my _____ aren't _____?

_____ the diagnosis _____ why _____ electronics fail or _____ me hints?

Is the suggested _____ to offer _____ to _____ the _____ accidents?

The proposed diagnostic examination _____ generalized _____ of the _____ the _____.

Does the _____ diagnostic _____ find specific fault causing _____ or does _____ offer _____ indications _____?

Is the _____ the _____ source of _____ electronic malfunction?

Does _____ suggestion _____ sources or _____ offer overall _____?

_____ examination _____ to provide more generalized indications _____ the _____ electronics?

Will the _____ me _____ why _____ electronics are _____ only _____ general idea?

Do _____ recommended diagnoses _____ me _____ general _____ my _____ are failing?

Does _____ expose _____ electronic _____ or merely _____?

Will the _____ determine the _____ of electronics, _____ only _____ broad _____?

Does the recommended assessment _____ root causes _____ the _____ or just offer _____ about _____?

_____ diagnoses pin _____ what _____ the malfunction, _____ just give _____ hints?

_____ know if the recommended diagnosis will _____ me the exact _____ issues, _____ if it _____ give _____

_____ the _____ diagnosis will reveal the cause _____ the _____ issues?

Will the recommended diagnosis _____ the _____ cause of these _____ failures _____ general _____ to _____?

_____ diagnoses _____ what _____ causing _____ malfunction or only offer _____ hints?

_____ the _____ reveal _____ cause _____ failures, or just provide a general _____ to _____ origin?

Will _____ determine the _____ electronic issues?

_____ it _____ to _____ the precise source of these electronic _____ origin?

_____ the diagnosis give me _____ clue about _____?

Is the proposed diagnostic _____ to _____ failure _____ electronics, _____ it more generalized?

Will the diagnosis help _____ are failing?

_____ possible for the _____ diagnosis _____ find the exact _____ these _____?

Will the diagnosis show me _____ the _____ only _____ me _____ clues?

Is _____ possible _____ out what's causing _____ will it _____ me _____ hints?

Will the _____ down what is _____ the _____ only _____ the _____?

Is the suggested _____ capable _____ determining _____ cause _____ accidents?

Does _____ diagnosis help identify _____?

The recommended diagnosis _____ expose _____ electronic failures.

Will the diagnosis _____ me why _____ electronics _____ clues?

Does the _____ assessment help identify _____ of the electronic _____ or _____ suggestions?

Will _____ recommended _____ reveal the cause of _____ or just _____ their origin?

Can _____ diagnosis _____ me _____ or just give hints?

_____ the recommended diagnosis _____ electronic _____ or _____ hints?

Do _____ reveal _____ sources or _____ offer _____ indications?

_____ specific faults _____ electronics' _____ or _____ offer more _____ about their _____?

_____ diagnosis able _____ electronic problems?

_____ the _____ assessment _____ identify root _____ for _____ only offer broad suggestions _____ their origin?

_____ the _____ be able _____ out what's causing _____ electronic _____?

_____ you _____ that _____ diagnostic _____ us why _____ electronics fail?

Will the _____ diagnosis provide _____ clues _____ of _____ failures or _____ the exact cause?

Does _____ recommended _____ help identify the root _____ breakdowns, or only offers _____ suggestions _____?

_____ reveal _____ source of the electronic _____?

_____ the recommended diagnosis _____ me about why my _____?

_____ possible to determine the exact _____ these _____ only _____ at _____ origin?

Will _____ diagnosis uncover _____ these electronic _____?

Will _____ point _____ why my _____ or just give _____?

Will the _____ reasons _____ failures?

Will the diagnosis _____ what's causing _____ electronic failures _____ will it _____?

_____ possible _____ the suggested diagnosis _____ precise _____ of these malfunctioning _____ devices?

Will your _____ malfunctioning my _____ or will _____ to guess?

_____ proposed diagnostic examination identify _____ fault _____ failure of _____ does it offer _____ their origin?

_____ the investigation determine _____ malfunction _____ merely give _____?

_____ the _____ able _____ provide clues about _____ of these _____ accidents?

Is the proposed diagnostic examination _____ to _____ causing _____ of _____?

_____ I expect _____ diagnosis to find _____ exact cause _____ will _____ just give me some general _____?

_____ suggested diagnosis tell me _____ causing the _____ just _____ me general _____?

_____ it possible _____ suggested diagnosis _____ find _____ the exact _____ these electronic _____?

_____ the diagnosis _____ why _____ happen?

_____ diagnosis _____ able _____ out what's causing these electronic _____?

_____ the _____ you _____ exact _____ of electronics failure?

_____ it possible for _____ determine the _____ of _____ electronic malfunctions?

_____ the diagnosis determine _____ my electronics _____ vague hints?

Will the _____ me _____ the failures or _____ it _____ general _____?

Can the _____ diagnosis _____ a clear _____ causing these _____?

Will the _____ diagnosis give me general hints _____ focus _____ causing _____?

Is _____ assessment useful in _____ causes for _____ breakdowns?

Will the _____ tell me _____ fail _____ warn me?

_____ help identify _____ for the electronic breakdowns or does it _____ about their _____?

Can _____ uncover _____ these electronic issues?

_____ hints will be _____ the diagnoses, _____ is causing _____ electronic _____?

_____ your _____ diagnosis _____ what's _____ my electronics, or _____ have to _____?

Will the proposed _____ electronics' _____ malfunction _____ broad insights?
 _____ diagnosis give a _____ of what's causing _____ malfunction?
 _____ recommended diagnosis tell _____ my electronics _____ or only show _____ general _____?
 Will the _____ me _____ electronic failures or _____ it _____ me general _____?
 Will _____ down what _____ causing _____ malfunction, _____ just offer _____ hints?
 Will _____ tell _____ what's _____ the _____ failures, _____ it _____ offer clues?
 _____ the recommended _____ reveal the _____ these _____ failures or _____ provide _____ hint _____ their _____?
 _____ the _____ examination _____ more generalized indications _____ the _____ of _____ electronics, _____ does _____ focus on specific
 _____?
 Will the _____ tell me _____ my _____ or just _____ me _____?
 _____ me what's causing these _____ will it only tell _____ information?
 Can _____ suggested diagnosis show the _____ of _____?
 _____ out why _____ electronics _____ or just give vague _____?
 Will the _____ reveal the exact cause of _____ or _____ clues to _____ origin?
 Does _____ recommended check _____ electronic faults _____ suggest _____?
 Will _____ diagnosis tell _____ my electronics _____ or _____ give _____ a _____ idea?
 Will _____ recommended _____ exact cause of _____ electronic _____ just _____ a general _____?
 _____ it possible _____ suggested _____ ascertain the precise source of _____?
 _____ it _____ for _____ diagnosis to _____ exact _____ of _____ electronic malfunction?
 Is _____ possible _____ determine _____ exact source _____ the malfunction or _____ origin?
 _____ don't know if _____ recommended diagnosis _____ exact _____ the electrical issues or _____ general
 insights.
 _____ the recommended assessment help _____ electronic _____ does _____ just _____ broad suggestions _____ their
 origin?
 _____ diagnoses pin _____ what's causing _____ malfunction or _____ hints?
 _____ what's causing these electronic _____ or just _____ general hints?
 I _____ if _____ will tell _____ what's _____ these _____ failures _____ not.
 _____ the diagnosis _____ me _____ the _____ failures, or only _____ general _____?
 Will the diagnoses _____ or _____ for _____ electronic failures?
 _____ the _____ what's _____ failures, or _____ it _____ give me clues?
 _____ diagnosis shed light _____ why _____ fail?
 Does _____ proposed diagnostic examination _____ fault causing electronics _____ offer _____ generalized _____ of
 _____ origin?
 Will _____ reveal _____ causes of these electronic _____?
 _____ the _____ point out the _____ these electronic _____?
 Does the _____ a _____ to why electronics _____?
 Is _____ possible _____ source _____ these _____ malfunction or _____ hint _____ their origin?
 _____ the diagnosis _____ the _____ of electronics _____?
 _____ the recommended assessment help identify _____ the electronic _____ does it _____ suggestions about their
 _____?
 Does _____ help _____ for the electronic _____ does it only offer suggestions _____ their _____?
 Will this _____ the _____ of electronics or _____?
 _____ examination _____ or may not offer more generalized indications _____ the _____.
 I would like to know _____ the recommended _____ the cause of the _____ issues _____ it will _____.
 _____ the _____ investigation determine _____ exact malfunction of electronics _____?
 Is _____ possible for _____ suggested diagnosis to get _____ the _____ electronic _____?
 Does _____ a cause _____ failure?
 _____ diagnosis tell me _____ wrong _____ my _____ or _____ I have to _____?
 _____ to _____ if _____ recommended diagnosis _____ the _____ of _____ or if it _____ just give me _____ general insights.
 Is the _____ diagnosis _____ of determining the _____ cause _____?
 Will _____ me why my _____ not work?
 _____ diagnostic _____ may offer more _____ indications about _____ of the _____.

Is a recommended ____ able ____?

Is ____ for ____ diagnosis to determine ____ of ____ electronic accidents?

____ the ____ give me ____ clue ____ my electronics ____ failing?

____ the ____ diagnostic ____ show us ____ root ____ the ____ failures, or ____ general pointers?

Will the ____ pin down ____ causing the ____ only ____?

Will ____ pin down what is ____ or ____ give ____ hints?

____ diagnosis ____ causes or ____ suggest ____ for ____ electronic failures?

____ possible for the ____ tell ____ causing the electronic issues?

____ your ____ tell ____ what's wrong with my ____ do ____ to ____?

Does the ____ diagnosis ____ electronic ____?

____ diagnosis ____ my electronics ____ work?

Will the ____ my electronics fail, ____ let ____ know?

Is the ____ diagnosis ____ the cause ____ issues, or ____ general insights?

Is ____ proposed diagnostic ____ able to ____ out ____ fault that ____ electronics?

Does ____ diagnosis ____ cause ____ electronic ____?

____ the recommended diagnosis expose the ____ of ____?

____ the diagnostic ____ the root ____ electrical ____ only give general ____?

____ capable ____ determining ____ exact ____ of these electronic accidents?

Do you think the ____ give ____ a ____ idea ____ why ____ happen?

Does the ____ assessment help identify ____ breakdowns, ____ is ____ just ____ about their origin?

____ you tell me ____ the ____ shows why the electronics ____?

____ proposed ____ determine ____ malfunction of electronics or merely ____?

____ the ____ me why my ____ fail ____ give ____ hints?

____ the recommended ____ reveal ____ flaws or ____ theories?

____ diagnosis ____ why my electronics ____ or just ____ hints?

Will the ____ exact cause ____ failures or ____ provide general clues to ____ origin?

Will the ____ reveal the ____ cause ____ failures ____ just give ____ clues to ____ origin?

____ the suggested ____ any ____ about ____ these electronic incidents?

Will the ____ investigation determine ____ the electronics ____ insights?

Is ____ diagnostic meant ____ give ____ idea ____ causes electronic failures?

____ expose ____ electronic ____ or just suggest theories?

Will ____ show what's really messing up my ____ have to ____?

____ out ____ causing electronics' failure, or does it offer more generalized indications of ____?

____ your recommended ____ reveal what's ____ up ____ will I have ____?

____ the ____ point out why ____ electronics ____ or give ____?

Does ____ suggested ____ show why ____?

____ recommended assessment ____ identify root ____ breakdowns, or does it merely ____ suggestions ____ their ____?

Will the ____ any clues ____ to ____ the electronic ____?

Will ____ diagnostic ____ show ____ of electronics failures?

____ the ____ me what's causing the ____ will it offer ____?

Will ____ diagnosis ____ why ____ failures ____?

Does the ____ assessment ____ causes ____ the electronic breakdowns, ____ just ____ broad suggestions about their ____?

I don't ____ the suggested diagnostic ____ electronic ____ happen.

____ possible to ____ source of ____ malfunction or only ____ at ____ origin?

____ the ____ to reveal ____ of electronic failures or ____?

The recommended diagnosis ____ of electronic ____.

Will ____ why my electronics ____ just ____ hints?

____ recommended assessment ____ identify root causes ____ the electronic breakdowns ____ just offer ____ about ____?

_____ recommended _____ identify the _____ cause?

Is it possible _____ identify _____ causing _____ electronic _____ just _____ me _____?

_____ it possible for _____ diagnosis _____ uncover _____ electronic issues?

_____ investigation determine the malfunction _____ merely _____ broad insights?

Will _____ the exact cause of _____ electronic failures or _____ clues _____ their origin?

Is the _____ going _____ the specific _____ of _____?

Will the _____ diagnosis _____ to _____ what's _____ the _____ issues?

_____ this diagnostic _____ the reasons for _____?

_____ it _____ what's causing these _____ issues, _____ will _____ give me hints?

_____ it possible _____ of _____ failures _____ the prescribed assessment?

Will _____ diagnosis _____ why _____ electronics fail _____ just give _____?

_____ possible for _____ know the exact source _____ these _____ malfunctions?

Is it _____ for the suggested diagnosis _____ issues _____?

Will _____ diagnostic examination reveal the _____ electrical failures _____ give _____ pointers?

Will _____ recommended _____ examination _____ us the _____ of _____ or just _____ us general _____?

_____ the _____ give _____ basic idea _____ origin _____ these electronic failures?

_____ the _____ be _____ to locate _____ cause of _____ issues, _____ will _____ just provide _____ general insights?

Does the recommended _____ for electronic breakdowns, _____ does it only offer broad _____?

Is it _____ determine _____ source _____ electronic malfunction or _____ vague hints?

Do the _____ checks _____ electronic _____ merely _____ theories?

_____ diagnosis discover _____ of _____ failures?

Will _____ recommended _____ show the cause _____ or just _____ some clues _____ where they _____?

Will _____ reveal the cause _____ electronic _____ just _____ general clues?

Will _____ investigation _____ exact _____ electronics _____ give broad insights?

Will _____ diagnosis _____ the causes _____ failures?

Does the _____ show _____ failed electronics?

_____ diagnosis find out _____ fail or _____ vague hints?

_____ the _____ offer any clues about the source _____?

Will _____ diagnosis give _____ cause of the electrical _____ or _____ just give me _____ general _____?

_____ diagnosis suggest precise causes _____ suggest origins for _____?

Will _____ recommended _____ me _____ really wrong _____ electronics, or _____ to guess?

Is _____ to _____ source of _____ electronic malfunction or _____ hint _____ origin?

Is _____ to _____ me a basic _____ the cause of _____ electronic _____?

Does _____ suggested diagnostic _____ of why these electronic failures _____?

What _____ only gives _____ for _____ origin of the _____ malfunction?

_____ the suggested _____ any clues to _____ cause _____ electronic _____?

_____ your recommended _____ me what's _____ up my electronics, _____ I have _____?

_____ it likely _____ the _____ will identify specific _____ electronic _____?

_____ recommended _____ will reveal the _____ cause of _____ or just give _____ general _____ their _____.

_____ give _____ about why my electronics _____?

_____ the _____ recommended to expose _____ electronic faults _____ just _____?

_____ recommended assessment help identify the _____ the electronic _____?

_____ it possible for _____ diagnosis _____ show _____ the electronic issues?

_____ proposed _____ examination may _____ may _____ indications _____ the origin of electronics.

Is _____ diagnosis _____ to determine _____ cause of these _____?

_____ the diagnosis _____ you why _____?

Does the suggested diagnosis _____ clue _____ these _____ accidents?

_____ it possible for _____ diagnosis to determine _____ cause _____ electronic _____?

Is _____ that _____ diagnostic test _____ show _____ these _____ are failing?

Does _____ help _____ causes of _____ breakdowns, _____ does it only offer suggestions _____ their _____?

Is ____ possible ____ deduce ____ precise ____ of the ____ malfunction or ____ at ____ ?
 ____ the ____ clue as to the ____ these electronic accidents?

Is ____ recommended assessment ____ to ____ causes for ____ ?
 ____ be ____ tell ____ cause of ____ or will it just give me some general insights?
 ____ the diagnosis ____ at ____ of ____ failure?

Will ____ diagnosis reveal the ____ just give some general clues ____ their origin?

Is ____ suggested ____ of determining the ____ electronic incidents?
 ____ it possible ____ the ____ diagnosis ____ the ____ source of these ____ ?

Will ____ diagnoses ____ general ____ or ____ is ____ the malfunction?

Is the ____ diagnostic examination ____ to ____ is causing electronics' failure ____ general?

Will the ____ pin ____ causing the ____ only ____ hints?
 ____ investigation determine ____ malfunction ____ or ____ provide information?
 ____ the ____ a hint at the ____ of electronic ____ ?

Does the ____ the ____ to ____ cause of electronic ____ ?

Does ____ check suggest theories ____ electronic problems?

I ____ know ____ diagnosis will ____ the exact ____ of the ____ issues, ____ just ____ some general ____ .
 ____ suggested diagnosis ____ offer only ____ hints ____ of ____ electronic malfunction.
 ____ the ____ diagnosis be able ____ causing these ____ malfunctioning?
 ____ the ____ assessment help identify ____ for ____ electronic ____ or does it ____ suggestions ____ their origin?

Will this assessment ____ the ____ electronic ____ ?

Does the diagnosis ____ cause ____ ?

General ____ will ____ offered ____ what ____ is causing ____ electronic malfunctioning?
 ____ this assessment tell ____ electronic issues?

The recommended assessment ____ help ____ of ____ electronic breakdowns, ____ can ____ broad suggestions about their ____ .
 ____ the ____ me a reason for ____ not ____ ?

Will ____ diagnosis ____ failing or only give a general ____ ?

Does the proposed diagnostic ____ identify specific ____ causing ____ or does ____ more ____ indications ____ ?

Does ____ proposed ____ examination ____ out ____ causing ____ or does it ____ more generalized ____ their origin?

Will the diagnosis ____ out why my ____ ?
 ____ electronics' exact malfunction or merely ____ broad ____ ?

Will ____ determine ____ of electronics ____ give broad ____ ?
 ____ diagnoses pin down what's ____ or only offer ____ ?
 ____ diagnosis ____ me know ____ wrong with ____ electronics, or will I ____ ?
 ____ recommended diagnostic examination reveal the root ____ only give ____ pointers?
 ____ the recommended ____ be ____ to ____ the ____ cause of ____ electrical ____ or ____ provide some ____ ?

Will ____ assessment ____ figure out the ____ electronic ____ ?

Will ____ recommended ____ root cause of ____ electrical ____ only give us general ____ ?

Will the ____ find the exact cause of ____ electrical ____ or ____ general insights?
 ____ the proposed ____ examination ____ generalized indications about the ____ electronics' failures?
 ____ me why my electronics ____ give me some clues?

Will ____ recommended ____ really malfunctioning my electronics, or will ____ to ____ ?

Does the recommended ____ expose ____ suggest theories?

Is ____ possible ____ the ____ indicates ____ causes ____ electronics ____ ?

Will ____ find a ____ these ____ failures?
 ____ the ____ diagnosis ____ to explain ____ cause of ____ electronic ____ ?

Will ____ what's ____ failures or will it ____ give general ____ ?

The suggested ____ may ____ may ____ reveal ____ electronic ____ .

Should ____ expose ____ faults ____ suggest theories?
 ____ it possible ____ reveal ____ sources ____ the electronic malfunction?
 ____ it possible ____ the ____ to ____ reasons behind ____ electronic issues?

_____ possible _____ diagnosis to _____ the _____ source _____ these electronic malfunction?
 _____ there _____ to be precise causes _____ regarding _____ issues in _____ suggested _____?
 Will your recommended _____ give _____ as to _____ with _____ electronics?
 _____ diagnosis _____ me _____ causing _____ issues or _____ give me general hints?
 Should _____ specific electronic faults _____ suggest theories?
 The _____ cause _____ these _____ be revealed _____ the recommended _____.
 _____ the _____ determine why my _____ or _____ hints?
 Will the recommended diagnostic examination disclose _____ only give general _____?
 Does _____ identify specific faults causing the failure _____ electronics, or _____ give _____ about their _____?
 Will the recommended _____ show _____ root of the _____ or _____ us _____ pointers?
 _____ the diagnosis _____ why _____ electronics _____ or _____ let _____ know?
 Is _____ diagnosis just _____ hint _____ the cause of _____?
 Does _____ diagnostic examination _____ causing the _____ of _____ or does it _____ general indications about _____?
 _____ the _____ what caused the _____?
 Does the check expose _____ electronic faults, _____?
 Is _____ possible _____ find the exact _____ electrical _____ recommended diagnosis?
 _____ hint at the cause _____ electronic failure?
 _____ it possible _____ diagnosis _____ figure out _____ source of these _____ malfunctions?
 _____ suggested diagnosis tell _____ what's _____ issues, or just give _____?
 Does _____ give _____ any clues _____ cause of these _____ accidents?
 _____ the diagnoses point _____ what is _____ malfunction, _____ hints?
 _____ the diagnosis offer definitive causes _____ electrical _____ indications?
 Do _____ recommended checks suggest _____ electronic fault?
 Will the _____ me why my _____ just give _____?
 Will the _____ exact malfunction _____ provide broad _____?
 _____ diagnosis _____ exactly what's causing these _____ will it _____ give me general _____?
 Does _____ suggested diagnosis uncover _____ behind _____ electronic _____?
 Will the _____ down what is _____ electronic _____ or _____ general _____?
 _____ diagnosis _____ my electronics _____ or just let _____ know?
 Will the _____ pin down what's causing _____ give _____?
 Is _____ possible _____ suggested diagnosis to _____ precise source _____ these _____?
 Will _____ diagnosis _____ me why _____ fail, or _____ give me _____?
 Will the _____ these electronic _____?
 Will the diagnosis _____ electronics _____?
 Does the proposed _____ examination identify _____ causing electronics _____ or does _____ more generalized _____?
 _____ the proposed diagnostic examination _____ to _____ generalized indications _____ origin _____ the _____?
 Will the _____ of these electronic failures?
 _____ we _____ the diagnosis to reveal _____ of _____?
 Is the suggested diagnosis _____ determine _____ of _____ electronic _____?
 _____ suggested diagnosis _____ me know _____ these _____ will it just give me general _____?
 Do the _____ checks _____ specific electronic faults _____?
 Is _____ a recommended diagnosis _____ pinpoint electronic _____?
 Can _____ proposed diagnosis _____ picture of what's causing _____?
 _____ identify the _____ causes of _____ or does it only _____ broad suggestions _____ their origin?
 _____ it possible to determine the precise source _____ these _____ or _____?
 _____ the _____ to _____ sources of _____ failures _____ just hint about _____?
 Will _____ what's really messed _____ electronics, _____ should I guess?
 _____ the _____ pin _____ what _____ causing _____ electronic malfunction, _____ give _____ hints?

____ diagnostic ____ root of the electrical failures or ____ pointers?
 ____ recommended diagnosis ____ cause ____ the electronic failures or just give a ____ origin?
 ____ recommended ____ me with a ____ idea of ____ are malfunctioning?
 ____ likely that the assessment ____ identify ____ source ____ failures?
 ____ diagnostic examination expose ____ reasons behind ____ electronics ____?
 ____ the investigation determine ____ malfunction, ____ broad insights?
 ____ recommended diagnosis will ____ exact cause ____ these electronic ____ just provide general clues ____.
 ____ the diagnosis tell why ____ fail ____ give ____?
 ____ investigation ____ electronics' ____ malfunction or ____ broad insights?
 ____ me figure out why ____ don't work?
 ____ diagnosis ____ why ____ electronics fail ____ give broad ____?
 I ____ know if the ____ diagnosis ____ cause of the ____ or ____ just provide some ____ insights.
 ____ assessment ____ to ____ sources of electronic failure?
 ____ give any ____ as to the ____ of these electronic ____?
 Is ____ to ____ root of the electronic ____?
 ____ the recommended ____ specific ____ or simply suggest ____?
 Will the ____ the ____ of ____?
 Does ____ assessment help ____ electronic breakdowns, or does ____ merely ____ suggestions ____ their origin?
 ____ it ____ for a recommended ____ to determine ____?
 ____ the ____ what's ____ these electronic problems, or ____ general hints?
 ____ me ____ causing the failures or ____ it ____ general clues?
 ____ the ____ to ____ of electronic failures ____ just hint ____ them?
 ____ the ____ be able ____ identify what's ____ the ____ malfunction?
 Will ____ cause of ____ electronic failures?
 ____ the recommended ____ help identify ____ for ____ breakdowns, ____ does it ____ suggestions about ____ origin?
 ____ recommended diagnosis ____ me the ____ cause ____ these electrical ____ or just ____ me ____ general ____?
 ____ the proposed investigation be ____ electronics' exact ____?
 ____ the ____ tell me what's causing these ____ me general clues?
 ____ suggested ____ me a ____ idea of why ____ happen?
 Will the recommended ____ examination ____ the ____ of ____ only provide ____ pointers for ____ to ____?
 Is ____ possible ____ the suggested diagnosis ____ determine the exact ____?
 ____ the recommended ____ identify root ____ or ____ suggestions about ____ origin of ____ electronic breakdowns?
 Is ____ for the suggested ____ source of these ____ problems?
 Will ____ show ____ true ____ these electronic failures?
 Is ____ suggested diagnosis ____ to ____ precise ____ of ____ electronic accidents?
 Does ____ the exact cause ____ electronics ____?
 Does ____ suggested ____ any clues ____ to the cause ____ the ____?
 Is ____ diagnosis ____ to explain ____ cause ____ electronic accidents?
 ____ the diagnoses ____ down ____ is causing the malfunctioning ____ general hints?
 ____ recommended diagnosis ____ hints at ____ of electronic ____?
 Does the recommended ____ root causes for the ____ it ____ broad suggestions?
 ____ the recommended ____ me why my ____ are ____ a general idea?
 ____ diagnosis ____ why ____ electronics ____ or give vague ____?
 ____ the suggested ____ help me ____ causing the ____ issues?
 Will ____ recommended diagnosis tell me ____ really ____ my ____ or ____ to ____?
 ____ the ____ diagnosis ____ me something about ____ my ____ are ____?
 ____ diagnosis tell me why my electronics fail ____ just ____?
 Is the ____ likely ____ specific sources ____ only ____ about them?
 ____ diagnosis give me an idea as ____ my electronics ____?
 ____ the proposed ____ tell you ____ the ____ malfunction?

_____ investigation _____ the malfunction of electronics, or _____ broad _____?

The proposed diagnostic examination _____ offer _____ indications _____ the electronics.

Will _____ why _____ electronics fail, or just _____ vague _____?

Will _____ diagnostic _____ root of _____ electrical failures, or _____ it _____ us general _____?

_____ the recommended diagnosis reveal the _____ cause of these _____ failures _____ provide _____ about _____?

_____ the diagnosis give _____ a _____ don't work?

_____ of these electronic failures _____ be exposed _____ diagnosis.

Does _____ recommended _____ help identify _____ causes _____ breakdowns, or does it _____ offer _____ origin?

_____ the _____ likely _____ identify _____ sources of electronic failures _____?

Is it possible _____ diagnosis _____ point _____ electronic _____?

Will _____ diagnosis _____ causes _____ failures?

_____ the recommended _____ reveal _____ root _____ the electrical _____ or only _____ general _____?

Is it _____ out _____ causing the electronic issues, or _____ me _____?

Is _____ diagnosis _____ failure _____ giving hints?

_____ the _____ find _____ these electronic failures _____ happening?

Is your _____ prescription _____ show _____ root _____ these glitchy _____?

_____ the proposed _____ examination find _____ fault _____ electronics or _____ it give more generalized _____ about _____?

Does _____ recommended _____ out the _____ of _____ electronic _____?

_____ you _____ causing the malfunction or _____ give you general _____?

_____ this investigation _____ exact malfunction of electronics _____ insights?

_____ the diagnosis tell me _____ causing _____ electronic _____ or only _____?

Will _____ proposed _____ able to _____ what's _____ electronic malfunctions?

_____ the _____ point out _____ of _____ failure?

Will _____ diagnosis _____ able _____ identify _____ exact cause of _____ issues, _____ merely give some general _____?

Will this assessment _____ able _____ the root _____ electronic _____?

Will the _____ diagnosis tell _____ exactly _____ are _____?

_____ recommended _____ tell you _____ cause _____ electronic failure?

_____ proposed _____ out _____ these malfunctioning electronic devices?

Will _____ reveal _____ causes _____ these electronic _____?

_____ don't know if _____ recommended diagnosis will _____ me the _____ electrical _____ or just _____ me some _____.

Will the recommended diagnostic _____ us _____ failures or just give _____ pointers?

Is _____ possible that _____ diagnostic _____ the _____ keep failing?

_____ investigation determine _____ exact malfunction of electronics, _____ give broad _____?

Will the _____ show _____ exact cause _____ these _____ failures _____ just give _____ hint to _____?

_____ be _____ to identify what's causing _____ malfunction?

_____ the suggested diagnosis _____ tell the _____ cause of _____?

_____ we expect the diagnosed _____ to _____ of _____ electronic _____?

_____ the _____ reason why my _____ are malfunctioning?

_____ me know why my electronics _____ give hints?

Will the _____ show precise causes or _____ these _____?

Can the proposed _____ a clear picture _____ malfunctioning _____?

_____ the proposed _____ determine _____ malfunction _____?

_____ recommended diagnosis _____ me _____ electronics are failing?

_____ like to know _____ the recommended _____ the cause of the electrical _____ just give _____ general _____.

Does the proposed _____ specific faults _____ cause electronics' _____ offer more _____ indications about their _____?

Will _____ recommended diagnosis tell _____ what's _____ or _____ have to guess?

_____ the _____ diagnosis give _____ clear _____ what's causing _____ malfunction?

_____ diagnosis reveal _____ exact _____ of _____ electronic failures?

_____ the _____ diagnosis give _____ a _____ as _____ what _____ electronic issues?

____ the ____ to uncover ____ of these electronic ____?
 Is ____ recommended ____ identify ____ causes of ____ electronic breakdowns?
 Do you ____ if the ____ test ____ the ____ failing?
 ____ it ____ diagnosis ____ determine ____ source of the electronic problems?
 ____ you ____ us ____ suggested ____ test shows ____ the ____ keep failing?
 Will the proposed investigation ____ merely give insight?
 Will ____ proposed investigation determine ____ malfunction ____ electronics, or ____ provide ____?
 ____ say ____ my ____ or just give hints?
 Is ____ diagnosis ____ to ____ out ____ cause of ____ electronic incidents?
 Will the proposed investigation ____ of electronics, ____ broad ____?
 Can ____ expect ____ problem to reveal ____ source ____ electronic ____?
 ____ diagnosis ____ wrong with electronics?
 ____ a ____ locate the electronic ____?
 Is it ____ assessment ____ identify specific ____ electronic failures?
 I don't know if the ____ identify ____ of ____ electrical ____ give some general insights.
 Can ____ proposed diagnosis ____ what's ____ the ____?
 ____ this ____ the malfunction of ____ or ____ provide ____?
 ____ don't ____ if ____ diagnosis ____ give ____ the ____ cause of the electrical ____ give me general ____.
 ____ the suggested diagnosis ____ any ____ the cause ____ electronic mishaps?
 Is ____ possible to ____ out what's ____ issues, ____ is it ____ hints?
 ____ diagnostic examination uncover the ____ for ____?
 ____ tell ____ causing these ____ or will it ____ show general clues?
 Will ____ proposed investigation ____ the ____ of ____ or ____ broad insights?
 Can ____ point ____ causing the malfunctioning ____ devices?
 ____ suggested ____ definitive ____ of ____ breakdowns or just rough ____?
 Will the diagnosis show ____ suggest ____ these electronic ____?
 Will this ____ malfunction of electronics ____ give insights?
 ____ determine ____ exact ____ of ____ electronics or only give broad ____?
 Does ____ point ____ the electronic failure ____?
 ____ why my electronics fail, or ____ vague hints?
 ____ possible for the suggested ____ some reasons for ____ electronic ____?
 Will ____ the cause ____ electronic ____?
 Will the diagnosis ____ the failures, ____ will it only give ____?
 Will the ____ of these electronic ____ or just give ____ clues to ____?
 Will the ____ tell ____ electronics ____ or only ____ hints?
 ____ the suggested ____ able to ____ cause of these electronic ____?
 ____ it ____ to ____ out what's ____ the ____ issues, ____ will ____ just give ____ hints?
 ____ the recommended assessment help identify ____ for the electronic ____ does ____ offer ____ their origin?
 ____ the diagnosis suggest ____ causes for ____?
 Is ____ possible for the suggested ____ ascertain ____ exact ____ malfunction?
 ____ the proposed diagnosis ____ out ____ electronic malfunction?
 Can ____ diagnosis ____ the real causes ____ electrical ____?
 Will ____ recommended ____ reveal the root of ____ failures, or ____ general ____ to consider?
 ____ it possible to ____ precise source ____ the ____ or ____ give ____ hints?
 Will ____ diagnosis be able ____ say what's causing ____?
 ____ the suggested diagnostic test ____ us why ____ electronics fail?
 ____ diagnosis ____ to electronic ____?
 ____ the ____ to ____ precise cause of the ____ incidents?
 Can ____ expect the recommended diagnosis to ____ the ____ the ____ or will ____ just ____ insights?
 Is the ____ meant ____ give me a ____ idea ____ why ____?

____ this investigation ____ malfunction, or just ____ broad ____?
 ____ diagnosis ____ to ____ the precise ____ these electronic accidents?
 ____ the ____ assessment help ____ causes ____ electronic breakdowns or does ____ just give ____ about their ____?
 ____ the suggested ____ determining the cause ____ these electronic ____?
 ____ diagnosis ____ of electronic failures?
 Does the ____ give ____ a ____ as to why ____?
 ____ you ____ the proposed diagnostic examination ____ generalized indications of ____ of ____?
 ____ it possible to ascertain ____ the ____ malfunction ____ only hint ____ origin?
 ____ diagnosis ____ why my electronics ____ or ____ hints?
 ____ it ____ for the suggested diagnosis ____ identify ____ source ____ malfunction?
 ____ the ____ explain why ____ fail?
 ____ the recommended ____ for ____ just ____ hint?
 ____ the ____ diagnosis ____ an electronic ____?
 Does the ____ electronic failure is happening?
 ____ it possible ____ diagnosis ____ determine the exact ____ of ____ problems?
 Is ____ able ____ the exact cause of ____ electronic ____?
 ____ diagnoses give a ____ to ____ causing ____ electronic malfunction?
 ____ the ____ diagnosis shed ____ causes of ____ breakdowns?
 ____ the investigation ____ able ____ determine ____ exact ____ or just give ____?
 ____ this ____ the malfunction of electronics or ____?
 ____ know ____ recommended ____ find the exact cause of the ____ or ____ provide some ____ insights.
 Will the suggested diagnosis ____ me what's ____ will it just ____?
 Will ____ diagnosis ____ me ____ causing ____ electronic failures, ____ will it ____ general ____?
 Is it possible for ____ diagnosis ____ malfunction?
 ____ the ____ me why ____ electronics ____ malfunctioning or just give me ____?
 Will ____ diagnosis ____ me ____ electronics fail ____ give hints?
 ____ the diagnosis tell me what's causing the ____ will ____?
 Will ____ diagnostic ____ reveal the ____ cause of ____ electrical ____ or only give ____ consider?
 ____ the ____ diagnosis ____ exact ____ of ____ electronic ____ or ____ provide ____ to their origin?
 ____ me why my electronics ____ or ____ give ____ clue?
 Does the ____ the ____ electronics ____?
 ____ this ____ going to ____ electronics' ____ just provide broad ____?
 Is ____ recommended diagnosis ____ electronic ____ just ____ hints?
 ____ it ____ for the suggested ____ to ____ the reasons ____ electronic ____?
 I want ____ if ____ recommended diagnosis ____ cause ____ the electrical ____ or ____ provide some ____ insights.
 ____ the ____ show the ____ electronics failure?
 ____ diagnostic ____ us why the electronics fail?
 ____ not ____ if ____ diagnostic ____ will ____ indications about the origin of ____.
 Does ____ diagnosis ____ any ____ to ____ the electronic accidents?
 ____ the ____ the root cause of the ____?
 Will ____ why ____ electronics ____ only give hints?
 ____ the proposed diagnostic ____ offer ____ the origin of ____ or does ____ focus on ____?
 Is the ____ failure, or just hints?
 Does ____ diagnosis ____ the causes ____?
 Can recommended ____ malfunction?
 Is ____ diagnostic meant to give me ____ idea ____ of ____?
 Does ____ for the suggested diagnosis ____ uncover ____ behind these ____?
 ____ diagnosis show the real ____ failure?
 Will ____ diagnosis come ____ with a solution ____ fail?
 ____ diagnosis ____ why my electronics ____?

_____ recommended check show specific _____ suggest theories?

Did the _____ show _____ causes _____ electronics _____?

Do _____ diagnoses _____ exact _____ electronics _____?

_____ the _____ diagnostic _____ way to find out _____ electronic _____?

_____ the proposed _____ electronics' malfunction _____ just _____ insights?

_____ the _____ show the _____ cause of _____ electronic _____?

_____ diagnosis tell _____ my _____ are malfunctioning, or _____ give _____ idea?

Is _____ for _____ suggested diagnosis _____ out the _____ source of _____ electronic _____?

Is _____ to find _____ of the _____ issues, or just _____ general _____?

_____ proposed _____ be able to tell what's causing _____?

_____ suggested diagnosis _____ reasons behind _____ issues?

Will the recommended _____ give _____ a _____ idea _____ why _____ failing?

_____ able to _____ the _____ cause of the electrical issues, or will it _____ general _____?

_____ diagnosis reveal why my _____ fail _____ give vague _____?

Do _____ think _____ suggested diagnostic _____ reveal _____ these electronic _____?

_____ it possible to _____ the _____ of these electronic malfunction _____ give _____ about _____ origin?

Can the proposed _____ give _____ clear _____ of _____ malfunction?

Does _____ diagnosis give _____ clue _____ of the electronic _____?

The recommended _____ not _____ identify root causes _____ electronic breakdowns.

_____ the diagnosis indicate the _____ these _____?

Is _____ proposed diagnostic _____ to _____ specific _____ causing _____ failure?

_____ possible to know the precise _____ of _____ electronic _____ only _____ their _____?

Will _____ me what's _____ the _____ failures, _____ will it only _____?

I don't know _____ will _____ why electronic _____ occur.

_____ diagnosis _____ clues to the cause of these _____?

Will the diagnosis _____ causes _____ the electronic failures?

Will _____ suggested diagnosis give _____ general clues or _____ it _____ causing _____?

_____ proposed _____ identify _____ fault _____ is causing the _____ of electronics, _____ it not?

Is _____ diagnosis able to identify _____ cause _____?

Are you _____ the _____ test _____ us why the _____ keep _____?

Will _____ diagnoses _____ down _____ causing these _____ malfunction, _____ only offer _____?

Will _____ diagnosis _____ me _____ electronic _____ or will _____ provide general clues?

_____ think _____ proposed _____ will offer more _____ indications _____ origin of electronics?

Will your recommended diagnosis _____ what's really _____ my _____ I _____ to _____?

_____ don't _____ if _____ will give me _____ of the _____ issues or just _____ me _____ general insight.

_____ if the _____ diagnosis will find the _____ cause _____ the _____ or if it will _____ me general _____.

_____ the proposed diagnosis _____ to _____ what's causing these _____?

Can the _____ diagnosis _____ me _____ my _____ are _____?

Do _____ the suggested _____ can reveal _____ of _____ breakdowns?

Do _____ exact causes of _____ failure?

_____ the _____ provide a clear _____ of what's causing _____?

Will the _____ give _____ electronics fail?

Will the recommended _____ reveal _____ of _____ or only _____ us general _____ to consider?

_____ the diagnoses _____ down _____ causing _____ malfunction or _____ give _____?

_____ diagnosis _____ the _____ of _____ electronics?

_____ recommended _____ root causes for electronic breakdowns, or does it _____ their origin?

_____ investigation determine the _____ of electronics _____ provide _____ insights?

_____ the diagnosis show _____ to _____?

Will _____ diagnoses pin _____ the problems, _____ only _____ hints?

_____ the diagnosis _____ causes _____ failure?

____ the ____ assessment help identify ____ for the ____ breakdowns, or is ____ a list ____ ?
 ____ guarantee ____ diagnostic ____ shows us why ____ electronics are failing?
 ____ the ____ show ____ or ____ the origin ____ these electronic ____ ?
 Is the ____ to ____ precise ____ of ____ electronic accidents?
 ____ the ____ me know ____ my ____ fail ____ only give ____ ?
 Will ____ uncover the ____ these ____ failures?
 Can I expect ____ recommended ____ find ____ cause ____ issues, ____ just give some ____ insights?
 Will ____ down what ____ these electronic malfunction, or ____ hints?
 ____ think the ____ diagnostic ____ offers more ____ indications about ____ origin ____ electronics?
 Will the investigation determine ____ of electronics ____ give ____ ?
 ____ the assessment ____ to identify the ____ failures?
 Will the diagnosis tell ____ my ____ or just ____ ?
 ____ the ____ the root ____ the electrical failures ____ just give us ____ pointers ____ consider?
 ____ the ____ diagnosis ____ me what's causing these ____ just give ____ hints?
 Does the ____ help ____ root causes for ____ electronic ____ or ____ just offer ____ about ____ origin?
 Will ____ diagnoses ____ is ____ the malfunctioning ____ equipment?
 Will the diagnosis indicate precise ____ or ____ these ____ ?
 Will ____ recommended diagnosis reveal ____ exact cause of ____ failures ____ a ____ to their ____ ?
 Is ____ diagnosis ____ uncover causes for ____ ?
 Will the ____ the exact ____ of ____ failures?
 ____ the ____ diagnosis ____ to ____ the precise ____ of these ____ ?
 ____ the ____ be ____ say what's causing these ____ problems?
 ____ the diagnoses point ____ causing ____ malfunction ____ give hints?
 ____ the proposed ____ examination ____ more generalized ____ the ____ electronics?
 Does the diagnosis ____ the ____ reasons ____ ?
 ____ likely to help identify ____ of ____ failures?
 ____ offer any ____ as to ____ of these electronic malfunction?
 Does ____ diagnosis ____ causes ____ failure?
 Is the ____ diagnosis ____ me ____ causing ____ electronic issues?
 Will ____ diagnosis reveal the exact cause ____ these electronic ____ just ____ some ____ their ____ ?
 Will ____ diagnostic examination let us ____ the electrical failures, ____ give ____ general ____ ?
 ____ the ____ assessment ____ root ____ electronic breakdowns ____ only offer broad suggestions?
 ____ want ____ know ____ will find the ____ cause of the electrical ____ or just ____ me ____ insights.
 Will ____ reveal ____ of the electrical failures or only ____ to consider?
 Will the ____ find ____ the electronic ____ ?
 ____ diagnosis ____ why my electronics are failing?
 ____ recommended diagnosis may or ____ not show the exact ____ .
 Will ____ tell me what's ____ the failures, ____ will ____ only ____ ?
 ____ diagnosis uncover causes ____ these ____ ?
 ____ the ____ down ____ causing the malfunction ____ only hint ____ what is ____ ?
 Are you ____ the suggested diagnostic ____ electronics fail?
 ____ it possible for ____ suggested diagnosis ____ the ____ of these ____ ?
 Will ____ proposed ____ electronics' malfunction ____ provide ____ insights?
 ____ proposed diagnosis ____ able ____ tell you what's ____ these ____ ?
 Will the recommended diagnosis ____ exact cause ____ electronic ____ just provide a ____ to ____ ?
 Will ____ show what's really wrong ____ my electronics ____ will ____ to ____ ?
 ____ the recommended ____ be ____ the exact cause of ____ issues, ____ will it just give ____ ?
 ____ electronic issues ____ by this assessment?
 Is it possible ____ the precise ____ or ____ hints for their origin?
 Will ____ recommended diagnosis reveal ____ my electronics, ____ have to ____ ?

____ the ____ determine ____ of electronic ____?
 ____ the ____ why the electronics ____?
 ____ suggested diagnosis ____ out what's causing ____ issues or ____ give ____ general ____?
 Can ____ find out what's ____ the malfunctioning ____?
 Can the ____ tell me ____ issues, or ____ me hints?
 Will this ____ malfunction ____ electronics ____ just ____ broad insights?
 Will ____ diagnosis ____ electronic failures?
 Will ____ recommended diagnostic examination let us know ____ the ____ failures, or only ____?
 ____ recommended ____ tell me why my ____ malfunctioning ____ just ____ a ____ idea?
 Does ____ assessment ____ root of ____?
 Will ____ recommended diagnostic ____ root ____ electrical failures or will ____ only give ____?
 ____ the diagnosis ____ the cause ____ the electronics ____?
 ____ diagnostic examination point ____ fault ____ of electronics, or ____ it point out ____ origin of the ____?
 ____ show exact ____ suggest the ____ of the ____ failures?
 I would ____ know ____ the recommended ____ find the exact cause of ____ electrical issues ____ if it ____.
 Is ____ assessment likely ____ identify specific ____ of ____ or only ____?
 Is ____ suggested diagnosis able ____ the precise ____ of ____?
 Does ____ recommended assessment ____ identify root causes ____ breakdowns, ____ it only ____ broad ____?
 ____ give precise failure sources or just ____?
 ____ recommended diagnosis ____ you ____ failure is occurring?
 Can ____ proposed ____ what's causing ____ problems?
 ____ diagnostic ____ going to show why ____?
 Will ____ diagnosis tell ____ why my ____ fail ____ just ____?
 Will the ____ what's causing ____ issues ____ just give me ____?
 ____ diagnoses pin ____ causing the ____ malfunction, or only ____ hints?
 ____ suggested ____ me what's ____ the ____ or will ____ give me ____ hints?
 ____ be possible ____ electronics' exact malfunction or ____ provide ____?
 ____ proposed ____ point to ____ causing the failure of ____ does it ____ more generalized ____ about their ____?
 ____ recommended ____ identify root ____ for the electronic ____ does ____ offer ____ suggestions about their
 origins?
 ____ the ____ diagnosis give ____ what's causing the electronic issues?
 ____ the ____ causes ____ electronic failures?
 ____ pin down what ____ causing the malfunction, or ____ give ____?
 ____ the diagnosis ____ electronics fail?
 Will ____ diagnosis uncover ____ for these ____?
 ____ the diagnosis give me ____ idea ____ to why ____ electronics ____?
 Can the ____ diagnosis reveal ____ cause of ____?
 Will ____ recommended ____ show the ____ the electronic ____?
 ____ suggested diagnostic might give ____ basic ____ of the ____ of ____.
 Will ____ diagnosis ____ to tell you what's ____ the ____?
 Does ____ recommended ____ help identify ____ breakdowns or just ____ broad suggestions?
 Will the ____ tell me ____ electronic failures, ____ give me ____?
 ____ the ____ capable ____ determining the ____ these electronic mishaps?
 Will the diagnoses pin down ____ or just ____?
 ____ recommended ____ the reason for ____?
 ____ the recommended diagnosis ____ me a ____ idea of why ____?
 Will ____ diagnostic examination ____ us ____ electrical failures ____ give general pointers?
 Will the ____ the exact cause of these electronic ____ just ____ to ____ origin?
 Does the proposed ____ examination ____ to specific ____ failure ____ or ____ it ____ to ____ origin?
 Will the ____ me ____ my electronics fail, ____ just ____?

____ the ____ indicate ____ causes or merely ____ the ____ of these ____ ?
 ____ assessment help ____ causes ____ the electronic ____ or does it ____ offer suggestions ____ their ____ ?
 ____ any indication as to what's causing ____ malfunction?
 ____ possible for ____ suggested ____ to ____ out the ____ source of ____ electronic ____ ?
 Will the ____ me what's ____ electronic failures ____ general clues?
 Will ____ diagnosis be ____ what's causing these ____ problems?
 Is ____ possible for ____ suggested ____ to ____ to ____ the ____ malfunction?
 Will ____ examination ____ the ____ behind electronics ____ ?
 ____ the proposed ____ the ____ or merely give insights?
 Will ____ diagnosis reveal ____ exact cause ____ failures ____ give ____ general clue to ____ origins?
 Does ____ check show specific ____ faults ____ theories?
 ____ diagnosis give me a ____ electronics failure?
 Does the ____ assessment ____ identify ____ root ____ electronic ____ ?
 Will ____ recommended diagnosis show me ____ wrong ____ ?
 Will the ____ examination reveal ____ cause of ____ failures or only ____ ?
 ____ recommended ____ root ____ of ____ electrical failures, ____ just give us general pointers?
 Is ____ possible ____ suggested diagnosis to get ____ the precise source ____ ?
 Will ____ diagnosis ____ my electronics aren't ____ ?
 ____ possible ____ suggested ____ show ____ why these electronics keep failing?
 Is the suggested ____ source of ____ electronic malfunction?
 Does the recommended assessment help ____ breakdowns?
 Does the ____ identify root causes for ____ electronic breakdowns, or ____ it ____ ?
 Does ____ suggested ____ any clues ____ cause of ____ electronic ____ ?
 ____ you think the ____ will ____ electronic ____ occur?
 Does ____ recommended ____ root causes of the ____ breakdowns, or ____ only offer ____ about their ____ ?
 Is ____ proposed ____ able to show more generalized ____ of ____ ?
 Will ____ investigation determine electronics' malfunction or ____ ?
 Will the ____ give clues ____ to ____ my ____ ?
 Is ____ likely that the assessment ____ source ____ electronic ____ ?
 ____ diagnosis ____ me ____ with my electronics ____ I have to guess?
 Does ____ help ____ electronic breakdowns, or does it only ____ broad ____ about ____ origin?
 ____ there a ____ for ____ suggested diagnosis to uncover ____ issues?
 ____ it possible ____ proposed diagnosis to ____ causing ____ malfunction?
 The ____ cause of these ____ or ____ general clues ____ origin will ____ revealed ____ diagnosis.
 ____ you say ____ the ____ diagnostic ____ shows ____ the electronics ____ ?
 Is ____ prescribed ____ identify specific ____ electronic failures?
 Is ____ any ____ that the ____ test ____ these electronics fail?
 Will the recommended diagnosis ____ electronic failures or just ____ some ____ to ____ ?
 ____ of the electrical failures, or only give general pointers?
 Does ____ assessment ____ causes for ____ breakdowns, or does it only give ____ their origin?
 Will the diagnosis ____ causing ____ or ____ it only tell ____ general ____ ?
 ____ me if ____ suggested ____ test will show ____ electronics ____ failing?
 ____ a ____ find electronic ____ ?
 I would ____ to ____ if ____ the exact cause of ____ if it ____ just give me ____ general
 I ____ if ____ diagnostic shows why ____ electronic ____ occur.
 Do ____ recommended ____ electronic ____ or just give ____ hints?
 ____ the ____ determine ____ precise cause ____ these electronic messes?
 ____ for ____ suggested diagnosis to reveal why ____ electronic ____ ?
 Will ____ reveal what's really messed ____ my ____ do ____ to guess?
 Does a ____ the ____ of ____ ?

Will the _____ the _____ of these _____ failures?

I would like to _____ diagnosis is _____ find _____ cause of _____ issues or just _____ insights.
_____ diagnosis _____ what's causing these electronic _____?

Does _____ diagnosis shed _____ on the _____ of these _____?

_____ recommended check _____ electronic flaws _____ suggest theories?

_____ diagnosis _____ the _____ of electronics _____?

Will _____ diagnosis _____ these electronic failures _____?

Will the _____ give me the _____ cause of these _____ issues, _____ just _____ me _____?

Is _____ proposed diagnostic _____ provide _____ the origin of electronics?

_____ the _____ show _____ electronic failures, _____ it only show general clues?

_____ diagnosis offer _____ to the cause _____ electronic mishaps?

Will the diagnosis let _____ know what's _____ only give _____ clues?

Does _____ suggested diagnostic give me _____ of _____ failures _____?

_____ the suggestion show precise _____ sources _____ overall _____?

_____ the suggested diagnosis offer _____ clues _____ of _____ electronic disasters?

Is the recommended assessment able _____ root _____ of _____?

Is _____ suggested diagnosis able to _____ precise _____ disasters?

_____ the _____ examination reveal _____ root of _____ electrical _____ it only give us _____ pointers?

_____ diagnoses pin down what _____ these electronic _____ only _____ general _____?

The proposed diagnostic _____ may _____ generalized _____ the origin _____ failure.

Will the _____ diagnosis _____ electronics are failing?

_____ the suggested _____ find _____ the electronic issues?

_____ suggested diagnostic reveal _____ these _____ failures _____?

_____ it possible _____ the suggested _____ to _____ me _____ what's causing _____ issues?

Will the diagnosis _____ why these _____ failures _____?

Is it _____ diagnosis to _____ of these malfunctioning electronics?

_____ the diagnostic _____ to give me _____ of _____ of the electronic _____?

Will this _____ the root _____?

_____ the diagnosis let _____ know _____ electronic _____ will _____ only give _____ clues?

_____ the _____ precise causes or _____ these electronic failures?

_____ recommended diagnosis reveal _____ exact _____ electronic failures or just _____ some clues to _____?

_____ diagnosis _____ to the cause of _____ electronic problems?

_____ the _____ us the cause _____ electronics _____?

Will _____ investigation determine _____ exact malfunction _____ electronics _____ provide _____?

Is _____ recommended diagnosis related to _____ just _____?

Will this _____ determine the _____ electronics _____ merely give _____?

Will _____ me what's _____ my electronics?

Will _____ recommended _____ examination _____ of _____ only give some general pointers?

Is _____ suggested _____ about giving _____ an _____ of _____ of _____ electronic failures?

Do you _____ the _____ test _____ show us why _____ electronics _____?

Will the recommended diagnosis _____ my _____ offer a general idea?

_____ this diagnosis _____ cause of these _____?

Is the suggested diagnosis _____ the exact cause of _____?

_____ help me figure out _____ causing _____ issues or will it _____ me _____ hints?

Do _____ think _____ recommended diagnosis _____ reveal _____ of these _____?

_____ the _____ the source of _____ electronic malfunction?

_____ the _____ to _____ electronic _____ just hint at them?

_____ diagnosis tell _____ what's _____ or just give me general _____?

Will _____ investigation _____ exact malfunction _____ electronics, _____ merely _____ broad _____?

Is _____ possible to determine _____ source _____ these _____ only _____ about _____ origin?

_____ be offered _____ the diagnoses, _____ what exactly _____ these _____ malfunctions?
 _____ me know what's causing these failures, _____ it _____ give _____ general _____?
 _____ the recommended diagnosis _____ general _____ of why _____ fail?
 The recommended _____ specific _____ or only suggest _____.
 Will the _____ diagnosis let _____ why _____ malfunctioning or _____ give _____ general _____?
 Does _____ diagnosis indicate _____ cause _____ failure?
 Does the _____ diagnostic _____ specific fault _____ electronics' failure, _____ give _____ generalized indications _____ origin?
 _____ know if _____ diagnostic _____ will _____ why these electronics _____?
 _____ the _____ diagnosis able _____ tell me what's _____ electronic _____ give _____ general hints?
 _____ proposed _____ able to _____ more _____ indications about the origin of _____?
 Will the _____ diagnosis show the _____ cause _____?
 Will _____ diagnosis know _____ electronics _____ give vague hints?
 _____ diagnosis show the _____ of the _____ or just _____ general _____ to their origin?
 _____ the _____ diagnosis _____ a general _____ of why _____ are _____?
 Is _____ related _____ failure or just general _____?
 Will the recommended _____ of the electronic _____ give a hint _____ their origin?
 Will the recommended diagnosis help _____ figure _____ electronics _____?
 _____ the suggested diagnosis _____ to the _____ of the _____?
 Does _____ diagnosis indicate _____?
 Does the _____ specific _____ that cause electronics to _____ does it give _____ generalized _____ origin?
 Will the _____ what's causing these _____ or _____ general _____?
 Will _____ recommended _____ reveal the _____ these electrical _____ or only give us _____ pointers _____?
 Is the suggested _____ able _____ determine _____ of the _____?
 _____ diagnosis point _____ why _____ electronics fail _____ just give _____?
 Does _____ suggested _____ tell me _____ the electronic _____ or just give _____?
 Will _____ diagnosis show why _____ electronics _____ some hints?
 Will _____ shed light on why _____?
 _____ the _____ diagnosis be able to identify _____ the _____ issues or _____ just give _____ insights?
 Does the suggested diagnostic _____?
 Will _____ examination reveal _____ root cause of _____ electrical failures, or _____ pointers _____ consider?
 Will _____ causing the _____ or only offer hints?
 Will the _____ tell why my _____ or _____ give _____?
 _____ diagnosis _____ out why _____ electronic failures _____?
 _____ proposed diagnostic examination _____ specific _____ causing _____ failure of electronics, _____ does _____ offer more generalized _____?
 Is _____ the precise source of electronic malfunction or _____ their _____?
 Will the proposed _____ electronics' malfunction _____ broad _____?
 _____ diagnosis _____ why my _____ just give vague hints?
 Is _____ figure _____ precise source of these _____ or _____ hint _____ their origin?
 _____ the _____ investigation _____ exact malfunction _____ electronics _____ provide insights?
 _____ the diagnosis show _____ of the _____?
 Do _____ suggestions _____ precise failure _____ or only _____?
 Will _____ recommended diagnosis _____ me what's _____ malfunctioning my _____ or _____ have _____?
 _____ the _____ expose _____ cause _____ failures?
 _____ the diagnoses pin _____ the _____ of _____ or _____ general hints?
 Does the _____ give _____ to the cause _____ electronics _____?
 Will the diagnosis _____ out _____ fail or _____ hints?
 Can _____ the recommended _____ to _____ cause of _____ or will it _____ give me _____ information?
 _____ it possible _____ figure _____ what's _____ these _____ issues _____ just give _____ general _____?
 _____ diagnosis give _____ reason _____ electronic failure?

_____ diagnosed problem will reveal _____ exact _____ of _____ electronic malfunction?

I would like _____ know if _____ recommended diagnosis will _____ exact _____ the electrical _____ just give _____ insights.

_____ the _____ show the _____ electronic failure?

_____ the diagnosis _____ me know _____ the failures, or _____ give me _____?

_____ the _____ diagnosis be able _____ tell me the exact _____ of _____ electrical _____ will it _____ give _____?

Will _____ recommended _____ bothering _____ electronics, or will _____ have to _____?

Will the _____ determine electronics' _____ insights?

I don't know if _____ diagnosis _____ me find the _____ of _____ issues or _____ insights.

_____ diagnosis give me _____ for my _____ to _____?

Will the suggested diagnosis _____ able _____ electronic issues?

_____ possible to _____ source of _____ malfunction _____ only hint at _____ origin?

Will _____ me _____ causing _____ electronic issues or _____ give me general hints?

_____ the proposed diagnostic examination _____ fault _____ failure _____ electronics, or _____ it _____ more generalized _____?

Will _____ me know _____ why my _____ are failing?

Can the _____ diagnostic test _____ electronics fail?

_____ your _____ diagnosis _____ me what's really wrong _____ my electronics _____ I _____?

_____ the diagnoses point _____ is _____ the _____ or only _____?

_____ diagnostic _____ may _____ generalized _____ about the origin _____ electronics.

Does the _____ diagnostic help _____ why _____ failures _____?

Will _____ diagnosis _____ me _____ about what's causing the _____?

_____ this investigation _____ the _____ malfunction _____ electronics or _____ insights?

_____ diagnosis _____ to a cause _____ electronic failure?

Will the proposed diagnosis _____ able _____ electronic malfunctions?

Does the recommended _____ identify _____ causes for _____ breakdowns _____ broad suggestions about their _____?

_____ suggested diagnosis give _____ general hints about _____ with these _____?

_____ the diagnoses _____ general hints or _____ down what _____ electronic _____?

_____ possible for the diagnosis _____ the electronic issues?

Will the _____ precise causes _____ suggest origin _____ failures?

_____ this assessment _____ the root _____?

_____ the _____ show _____ the failures, or will it _____ tell _____ clues?

_____ the _____ suggest _____ my electronics _____?

Will the _____ me _____ what's _____ the electronic _____?

_____ diagnosis tell _____ causing these electronic _____ will it _____ show _____ clues?

_____ diagnosis reveal _____ exact cause _____ failures or _____ give general clues to their _____?

Will the recommended _____ give _____ why my electronics are _____?

Do _____ diagnoses indicate the _____ causes _____?

Will the _____ diagnosis reveal the _____ cause of these _____ provide _____ about _____?

Does the _____ assessment help _____ root causes _____ or _____ broad _____ about their _____?

Does _____ proposed _____ examination _____ on specific _____ electronics failure, _____ does _____ offer more _____ indications _____ their _____?

_____ locate electronic malfunction?

_____ the _____ a clue as to the _____ these _____?

Will _____ diagnosis indicate _____ causes or merely _____ of _____ electronic _____?

_____ like to _____ if _____ recommended diagnosis will _____ the exact _____ of _____ issues, _____ if _____ some general insights

Can you tell _____ test _____ why these _____ fail?

_____ diagnosis show _____ exact _____ of the _____ failure?

Will _____ me figure out why _____ are _____?

_____ causes of electronics failure?

Can the proposed _____ out what's _____ the _____?

Is it possible for _____ pinpoint _____?

_____ the suggested diagnosis able _____ on _____ cause _____ electronic accidents?

Will _____ diagnosis tell _____ why _____ electronics _____ just _____ me a general _____?

Will _____ diagnosis tell _____ what's _____ the _____ or _____ only give _____?

Will this investigation _____ malfunction of electronics, _____ offer _____?

Will _____ show the precise _____ electronic failures?

Is _____ possible _____ the _____ will _____ why electronics fail?

Will the _____ malfunction _____ electronics, or _____ give insights?

_____ diagnostic might reveal why these _____.

_____ recommended diagnosis _____ out _____ issues?

Will _____ diagnosis let me _____ why my _____ are _____?

_____ suggested _____ give me general hints or will _____ me what's _____?

Will _____ diagnosis reveal the cause of _____ failures _____ general _____ to their _____?

Can _____ give a _____ of what's causing these _____?

Will the diagnosis tell _____ or _____?

_____ the diagnostic _____ me understand _____ electronic failures _____?

Will the _____ examination _____ cause of _____ failures _____ only give general _____ to consider?

Is there _____ for the suggested _____ to _____ electronic issues?

Does _____ suggestion reveal _____ sources or _____ general _____?

_____ if the suggested diagnostic test _____ me _____ electronics fail?

Do _____ the _____ a _____ idea of why _____ failures happen?

_____ the _____ investigation determine the _____ of _____ or _____ insights?

Will _____ diagnosis _____ just suggest origins for these _____?

_____ for the _____ diagnosis to uncover _____ reasons _____ electronics?

Will the diagnosis _____ me what's _____ only tell _____ general clues?

Does _____ check _____ theories _____ expose specific _____ defects?

_____ the proposed _____ examination find specific fault _____ causes _____ failure, _____ give _____ generalized _____ about their _____?

_____ the _____ expose _____ cause _____ these electronic _____?

Will _____ proposed _____ determine the _____ or merely _____ broad insights?

_____ the suggested diagnosis _____ any _____ to _____ cause _____ disasters?

Will _____ recommended diagnostic _____ the root _____ the electrical failures _____ pointers?

Will the _____ diagnosis give _____ cause _____ the electrical issues _____ me _____ general insights?

Does _____ recommended _____ causes _____ the electronic breakdowns or _____ it only offer _____?

_____ the assessment _____ to _____ sources of electronic _____ or _____ them?

_____ diagnosis _____ exact _____ of electronics failure?

_____ the suggested _____ give _____ as _____ the cause _____ electronic incidents?

_____ diagnosis show the cause _____ failure?

_____ why these electronic failures _____?

Will the _____ pin down the _____ of the _____?

_____ the _____ show me why my _____ just give _____?

Is the proposed diagnostic _____ fault that causes _____?

Will the _____ pin _____ what _____ these _____ electronic _____?

Is the _____ shed light _____ the _____ of these electronic _____?

Is it possible _____ the _____ precisely _____ these electronics keep _____?

Does the _____ identify the root causes of _____ electronic _____ or does _____ offer _____?

Can we expect the _____ reveal _____ electronic malfunction?

Will this _____ be _____ to _____ electronics' exact malfunction _____ give _____?

_____ examination _____ to _____ fault that is causing _____ failure of the _____ or is _____ generalized?

_____ the suggested _____ able to _____ the cause _____ accidents?

Is the proposed _____ examination able _____ more _____ indications _____ the _____ electronics' _____?

_____ recommended diagnosis _____ the _____ cause of _____ failures?
 Will _____ recommended diagnosis give _____ general _____ on why _____ electronics _____ ?
 Will the diagnosis show _____ what's _____ failures, or _____ show _____ ?
 Does the diagnosis _____ you _____ of _____ failure?
 _____ likely _____ identify specific _____ of electronic failures _____ or hint _____ them?
 Will this assessment _____ identify _____ of _____ ?
 _____ the _____ us why these _____ failures _____ happening?
 Does _____ suggested _____ cause of these electronic accidents?
 Will the _____ give _____ a clue _____ to _____ is _____ issues?
 _____ diagnosis _____ with why my _____ fail?
 Is the _____ able _____ uncover specific causes _____ ?
 Does _____ show precise failure _____ offer general _____ ?
 _____ give _____ clues as to what's _____ the electronic _____ ?
 _____ the _____ help identify _____ causes for the _____ or _____ it merely _____ broad _____ ?
 _____ diagnosis tell me what's really wrong with _____ electronics, _____ to _____ ?
 _____ examination _____ the _____ of the electrical failures, _____ us general pointers?
 Will the diagnosis _____ electronic _____ ?
 _____ the _____ the root cause of _____ failures?
 _____ diagnosis tell me what's _____ these _____ or _____ ?
 _____ the suggested _____ reveal the _____ of _____ electronic _____ ?
 _____ show why _____ electronics _____ or just give _____ clues?
 _____ diagnosis tell me _____ causing the failures _____ give clues?
 _____ possible _____ the _____ to reveal why _____ failures occur?
 _____ investigation determine _____ malfunction, or _____ give _____ ?
 Do _____ know if the _____ test will _____ why these _____ ?
 Does _____ show _____ exact causes _____ electronics _____ ?
 _____ the suggestion show _____ just offer general _____ ?
 _____ proposed diagnostic examination may _____ may _____ more _____ about the _____ the _____.
 The _____ of _____ in the recommended diagnostic examination, or only _____ pointers.
 _____ this assessment determine _____ electronic issues?
 Can _____ what's _____ the malfunctioning electronic devices?
 _____ the diagnosis indicate _____ electronics?
 Do _____ suggested _____ offer _____ of _____ or _____ rough indications?
 _____ the _____ diagnosis _____ enough to determine the cause _____ ?
 _____ suggested _____ capable _____ the exact _____ the electronic incidents?
