

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Product specifications and features request
Inquiry Sub-Category	Scalability and expansion capabilities
Description	Customers are interested in learning about the potential for expanding and adding more devices or features to the telecommunications equipment as their needs grow or change.
Data Size	5,046 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

How easily _____ add more functionality to _____ when needed?

Is _____ easy to _____ equipment _____ more functions?

Could we include more utilities _____ these _____ needed?

_____ no fuss, can _____ and _____ more _____ to _____ telecom _____?

Can we add more _____?

_____ simple _____ to upgrade _____ gear and incorporate more features.

Can we easily _____ this _____?

How were _____ to _____ more features _____ this equipment?

Is _____ scope of operations _____ this technology _____ required?

_____ upgrade and _____ this _____ gear?

Will _____ be _____ enhanced capabilities _____ your telecommunications _____?

Will _____ be able to _____ and _____ for your _____ gear?

How easy _____ it to _____ functions in _____?

_____ easily add additional _____ the _____?

_____ add more capabilities to the _____ as _____ possible?

Is it _____ upgrade _____ more _____?

_____ more capabilities _____ telecom gear?

Would _____ the capabilities _____ this _____ convenient?

_____ it _____ to expand _____ telecoms _____?

_____ we _____ capabilities into telecom _____?

_____ are _____ able _____ up _____ add more _____ this equipment?

_____ add more _____ when it's _____?

_____ easy _____ it _____ us to _____ more _____ the _____ equipment?

What is it _____ can be _____ of this _____ in the _____?

What _____ flexibility _____ and augmenting functions _____ this telecoms gear?

_____ the _____ of _____ gear be convenient?

Can _____ this telecoms _____ later _____?

_____ do _____ improve our communication tools?

Is _____ scale _____ our _____ tools as required?
 _____ possible to _____ upgrade and _____ additional _____ demand?
 _____ add _____ capabilities _____ telecommunications equipment?
 _____ add more features _____ telecom gear _____ issues?
 _____ do we quickly scale _____ and add _____ features _____?
 _____ the telecom gear and add _____ features?
 Is it _____ to _____ equipment _____ added features?
 Is _____ possible _____ up your telecom _____ quickly?
 _____ we _____ to _____ more capabilities to _____ gear?
 Can _____ and _____ more things?
 Can _____ easy ways _____ scale up _____ communication tools?
 _____ this _____ gear convenient to _____ future?
 Would expansion _____ this _____ convenient?
 _____ it possible _____ expand _____ the _____ equipment?
 _____ possible to add _____ to _____ telecom gear?
 _____ it possible _____ add more utility _____ technology?
 Can it _____ easy to _____ improve _____ telecom _____?
 Can _____ scale this _____ capabilities?
 _____ we _____ up and _____ features to this equipment?
 _____ it _____ up and enhance functions _____ telco instruments?
 Is _____ to _____ and include more _____ in _____ equipment?
 _____ it possible to _____ on _____ soon?
 _____ we able _____ upscale _____ integrate _____ features _____ necessary?
 Is it simple to _____ telecoms _____ features?
 Are _____ to _____ and integrate _____ features into this _____?
 _____ the capabilities of this telecoms gear would _____?
 Can _____ enhance _____ expand _____ necessary?
 _____ to quickly upgrade and _____ additional features _____ equipment?
 _____ can _____ upscale and _____ additional features into _____ telecommunication _____?
 Can we _____ even more _____ telecom _____?
 _____ be expanded _____ if necessary?
 Can we improve _____?
 Please, can we expand _____ telecoms _____?
 Will it _____ possible to _____ and include supplementary _____?
 _____ equipment easily be _____ this _____?
 Is _____ to _____ improve and expand _____ gear?
 _____ equipment _____ quickly and with _____ features?
 _____ possible to add _____ features to _____ telecom _____ no _____?
 We need _____ up _____ features to this equipment, _____ we do _____?
 Is _____ easy _____ scale up _____ hardware _____ adding new _____?
 How easy _____ it to scale up _____ and _____?
 How _____ is _____ of operations _____ this communication technology?
 If necessary, _____ we have the ability _____ additional _____?
 How _____ is _____ to _____ the _____ of _____ telecom _____?
 _____ fit enhanced _____ your telecommunications _____?
 _____ this equipment _____ expanded to _____ when necessary?
 How easy _____ telecom equipment to _____ in _____ future?
 We need to _____ and _____ features to this _____ how are _____ do it _____?
 When _____ this telecoms equipment _____?
 Does it possible to _____ to _____ gear?

Will _____ instruments be _____ to _____ up _____ functions?

Is it convenient _____ add extra _____ the _____ of this _____?

_____ it _____ upgrade telecoms _____ incorporate more features?

_____ are we _____ to scale _____ and add _____ easily?

How _____ to increase _____ capabilities _____ the telecom _____?

_____ easy is it _____ functions to the telecom _____?

_____ functions or _____ the _____ this telecom gear would _____.

_____ expand _____ enhance _____ gear?

Is it possible _____ incorporate more _____ this _____?

Is it _____ add _____ your telecoms _____.

_____ functions or expanding _____ capabilities of _____ telecoms _____ be _____.

_____ add _____ for your telecom gear?

When _____ have the ability to upscale and integrate _____?

Is it _____ to scale up and _____ in _____?

Is it _____ to upgrade _____ and _____ more?

How _____ is it _____ to add _____ equipment _____ we _____?

_____ it possible to _____ upgrade _____ supplementary _____?

_____ features to this gear?

_____ is _____ for us to add _____ to _____ telecom _____?

Is _____ us to _____ integrate _____ swiftly when necessary?

Can _____ functions _____ this telecom device?

Can we quickly _____ and _____?

Can _____ and _____ functions _____ achieved _____ telecom device?

_____ be able to manage _____ extra _____ your telecom _____?

How _____ to incorporate extra functions in _____?

_____ add _____ our telecommunications equipment?

_____ be _____ upscale and incorporate _____ functions into _____ equipment?

How _____ we _____ to scale up and _____ more features _____?

_____ it possible to _____ enhance this _____ as _____?

_____ is _____ for us _____ increase the _____ of this _____?

Is _____ a _____ process to _____ this telecoms _____?

_____ for us to add extra _____ this telecom _____?

_____ you grow the _____ of _____ telecom _____?

_____ it possible to _____ capacity _____ devices when _____?

Do we _____ the _____ to _____ it's needed?

_____ we make it _____ to add _____ to _____ equipment?

Couldn't we _____ more _____ to the _____ devices _____ were _____?

_____ possible to grow the _____ for _____ technology whenever _____?

_____ is this _____ gear _____ comes _____ scaling _____ and augmenting functions?

_____ we _____ able _____ upscale _____ integrate _____ features _____ when necessary?

_____ is _____ to add more _____ telecom device?

_____ expanded with additional features _____ necessary?

_____ to add more _____ to these _____ devices _____ they're _____?

_____ we _____ and _____ this _____ when _____?

_____ the capabilities of this _____?

_____ we upscale _____ add supplementary _____ into _____?

_____ equipment _____ expanded quickly and _____ more _____?

_____ we expand and _____ telecoms _____?

Can _____ up _____ gear for added _____?

Is _____ to _____ additional features for your _____?

Is _____ simple to add _____ features _____ the _____ ?

How _____ we add _____ function _____ telecoms _____ ?

_____ it possible to add _____ in _____ whenever they _____ needed?

_____ the _____ of this telecoms _____ convenient _____ needed?

Is _____ possible _____ rapidly upgrade these _____ demand?

_____ have _____ ability _____ upscale and add more features _____ ?

Is _____ an _____ to upgrade _____ gear _____ more features?

_____ it _____ and enhancement of _____ gear?

_____ we amplify and upgrade _____ ?

Is _____ able _____ quickly _____ with added features?

Is _____ possible to achieve _____ addedFunctionality _____ telecom _____ ?

Can _____ add _____ to these telecom _____ ?

_____ we _____ and _____ telecoms gear _____ ?

Are _____ able _____ capabilities into your telecommunications _____ ?

_____ you _____ to expand and _____ this telecom _____ ?

Does this _____ gear _____ it _____ ?

Do _____ the ability to _____ apparatus quickly _____ necessary?

How _____ we add _____ features _____ equipment _____ we _____ them?

What _____ level of flexibility _____ augmenting the functions _____ later _____ ?

_____ we _____ and enhance this telecoms _____ ?

_____ easy _____ it to add more features _____ ?

Can we _____ the _____ for _____ ?

Can _____ equipment be _____ with _____ ?

_____ we _____ the _____ of _____ telecom _____ ?

_____ possible to quickly _____ for more capabilities?

_____ be achieved in a seamless _____ for this telecom _____ ?

How _____ to _____ up _____ hardware and add new _____ ?

_____ this telecom gear make it _____ expand _____ ?

_____ needed _____ we _____ and _____ this _____ ?

How easy is _____ more functions _____ telecoms _____ ?

Will the telco instruments _____ scale up _____ quickly?

Can we add _____ this _____ ?

_____ the telco instruments _____ scaled _____ ?

Can it be _____ to quickly _____ and _____ this _____ ?

_____ it convenient _____ functions _____ expand capabilities _____ this _____ gear?

Can _____ add more _____ to _____ telecom _____ ?

_____ the _____ of flexibility _____ comes to augmenting the _____ ?

_____ do we _____ ability to upscale _____ additional features into this _____ ?

Is it _____ to _____ upgrade and _____ supplementary services _____ ?

_____ can we expand and _____ ?

Is it _____ increase _____ capability of these _____ ?

Is it possible _____ features into this _____ apparatus?

_____ or enhance _____ telecom gear?

Is there _____ to increase capability on these _____ ?

_____ it be easy to _____ the _____ purpose?

_____ need _____ ways to scale _____ and _____ our _____ tools?

When _____ this equipment _____ ?

Is _____ possible _____ expand the _____ additional _____ in these _____ ?

_____ a simple process _____ the _____ gear?

_____ need to _____ up and add more _____ to _____ .

_____ it simple _____ add _____ features _____ this _____ gear?

_____ equipment be quickly _____?

_____ expand _____ enhance this _____ when _____?

Would _____ to expand _____ and include _____ these telecommunications devices?

Is _____ possible _____ upgrade _____ gear _____ add more _____?

Can we _____ more _____ gear _____?

How simple is _____ functions to _____ device?

Can _____ capabilities to _____ equipment?

_____ is it _____ upgrade to _____ more _____?

Is it _____ the telecoms _____ and _____ features?

Is _____ to _____ and _____ functions in _____ equipment?

Is it _____ to _____ features _____ this _____ gear?

Is _____ to expand _____ soon with your _____?

_____ it convenient to _____ or expand _____ this _____?

_____ simple _____ it be for us to _____ functions to _____?

Is it _____ add _____ and expandability _____ telecom _____?

_____ we have the _____ upscale _____ incorporate _____ functions _____ equipment?

_____ it be _____ easily expand _____ enhance this _____?

Is _____ rapidly upgrade _____ include supplementary _____ in this _____?

_____ we need it, we _____ to _____ and _____ more _____ the telecoms _____.

Will _____ be _____ to _____ and integrate _____ this _____ apparatus quickly?

_____ necessary, _____ we have the _____ and _____ additional features _____ telecommunication apparatus _____?

_____ it an _____ process to _____ gear?

_____ it simple to _____ features into this telecoms _____?

_____ it possible _____ the capacity and include _____ whenever _____?

How easy _____ it _____ us to _____ functions to _____ telecom _____?

Is it _____ to add more features _____ this _____?

Expanding this _____ gear's capabilities would _____.

_____ the _____ added _____ be _____ for this telecom _____?

_____ you _____ extra _____ your _____ gear?

_____ have the ability _____ include supplementary functions _____ equipment?

Do we _____ upscale the equipment _____ it is _____?

Is _____ add _____ utilities to these telecommunications _____ necessary?

_____ we upgrade or _____ this _____?

_____ be _____ in _____ seamless manner for this telecom _____?

_____ is the _____ of _____ for _____ functions in this _____ later _____?

How easy is _____ scale _____ equipment while introducing _____?

Is _____ to add new options with _____?

Is _____ to _____ include additional _____?

_____ we _____ to _____ capacity or _____ to our technology?

_____ it possible to _____ and _____ supplementary _____ to this _____?

Is _____ way _____ scale up _____ communication tools?

When _____ have _____ ability to upscale and _____ additional _____?

_____ possible _____ more utilities _____ the telecommunications _____ they are needed?

How can _____ scale _____ equipment _____ add _____ features?

What is the level _____ when _____ augmenting _____ telecoms gear?

Expanding or _____ this telecoms gear _____ be _____.

_____ we _____ add more capabilities _____?

_____ the ability to _____ and _____ additional _____ to this _____?

_____ this _____ be _____ upgraded in _____ future?

_____ add ons be _____ a seamless manner _____ telecom _____?

_____ is the level _____ for _____ the features _____ telecoms _____ later _____?

Can _____ your telecoms gear?

Is _____ to upscale _____ add _____ to _____ equipment _____ needed?

When _____ options to _____ capability _____ these devices?

_____ up for additional capabilities?

Can _____ add _____ capabilities in _____ gear?

Can you _____ your telecom _____?

Is _____ easy _____ up this gear for _____?

_____ of this _____ gear would _____ convenient when _____.

How _____ flexibility _____ there for _____ up _____ functions in _____ gear?

_____ have _____ to upscale and _____ additional _____ into this telecommunication apparatus _____?

Is _____ possible _____ expand _____ capacity _____ more _____ in these _____ they're needed?

_____ the capabilities _____ this _____ be _____?

_____ it possible _____ up this _____ for _____ capabilities?

Can _____ telecoms equipment _____ expanded _____ with _____?

Is there _____ up and _____ features to our _____ tools?

Can we improve _____?

Is _____ to add _____ utilities _____ the telecommunications _____ they're _____?

_____ we have _____ ability to upscale _____ integrate additional _____ to?

_____ level of flexibility _____ it comes _____ features in this telecoms _____?

_____ we rapidly _____ more capabilities _____?

Is _____ add more capabilities to _____ telecommunications _____?

_____ do _____ scale _____ add more _____ in this telecom _____?

Will we _____ able to scale _____ for _____?

Will it _____ to _____ and _____ supplementary functions _____ this _____?

Is _____ your _____ equipment at will?

Can the add ons _____ this _____ device?

_____ possible to _____ on _____ devices _____ it's necessary?

_____ possible to add enhanced capabilities _____ telecommunications _____ at _____?

Can _____ more _____ telecom gear?

_____ it _____ to add new _____ to your _____?

_____ this _____ expanded _____ include more features?

_____ more features to _____ gear without _____ issues?

_____ level of _____ for scaling _____ in _____ telecoms _____ later on?

_____ process to upgrade the telecoms gear _____ include _____ features?

Can we _____ to _____ telecommunications _____?

_____ give _____ gear more features?

_____ we have the _____ to _____ include _____ functions into _____?

Can we _____ this _____ gear?

_____ can you manage _____ features _____ gear?

_____ there _____ to increase _____ on the _____ when _____?

_____ to upgrade and add _____ on this equipment?

_____ we _____ expand _____ communications equipment?

_____ it _____ to provide extra _____ for your _____?

_____ we _____ telecom gear without making it complicated?

_____ it possible to _____ capabilities _____ this _____ promptly?

_____ these telco _____ scaled up _____?

_____ we _____ easy _____ to _____ up and enhance _____ communication _____?

_____ and _____ of _____ telecom _____ can be _____.

_____ easy is _____ for us to _____ to _____ equipment?
 Do _____ have _____ ability _____ upscale and _____ into this _____?
 What _____ the _____ of flexibility _____ adding _____ to _____ telecoms _____?
 How simple _____ add more _____ the telecom _____?
 _____ it _____ scale _____ & enhance functions _____ telco instruments?
 _____ possible to _____ this gear _____ additional capabilities?
 _____ you _____ your options with your telecom _____?
 Is it a simple _____ add _____ features _____ the _____?
 _____ much flexibility _____ telecoms _____ have _____ scaling _____ augmenting functions?
 _____ this _____ when we need to add more _____ to _____?
 What is _____ comes to augmenting _____ this telecom gear?
 Can _____ telecommunications device?
 _____ gear _____ it _____ to expand?
 How _____ we _____ it _____ more features to this equipment?
 _____ the expansion of _____ telecom _____ be done _____ manner?
 Can we _____ incorporate more capabilities _____.
 _____ is the level of flexibility _____ features to _____ on?
 There are ways _____ and enhance _____.
 Is it _____ include _____ utilities in _____ devices whenever needed?
 Can _____ add _____ more features _____ telecom _____.
 _____ can we expand and _____ this _____?
 _____ we quickly _____ into _____ telecom gear?
 _____ the _____ gear _____ you _____ in the future?
 _____ can _____ more _____ to this _____ we scale up?
 _____ process simple _____ telecoms _____ and incorporate more features?
 How _____ we _____ able to _____ add _____ to this equipment?
 Can we _____ further _____ telecommunications devices whenever _____ needed?
 _____ we add _____ upgrade _____ gear?
 How are we able to _____ more features to _____?
 We _____ add more features _____ this equipment and _____ easily?
 Is _____ to expand _____ telecoms _____?
 _____ upgrade _____ encompass supplementary functions in _____ telecommunications equipment?
 Is it _____ rapidly _____ include supplementary functions _____ equipment.
 _____ to expand with your _____?
 Can expandability and addedFunctionality _____ this telecom _____?
 Can _____ be possible _____ and _____ this _____ gear?
 Can you _____ for _____ gear?
 Do _____ ability to upscale _____ supplementary _____ telecoms equipment?
 Is it _____ process _____ add _____ features _____ telecoms gear?
 _____ it possible to _____ more utilities _____ the _____ devices _____?
 _____ it possible to scale _____ this _____ for _____?
 Can we grow and _____ features to _____?
 _____ is the _____ when augmenting _____ in this telecoms _____?
 _____ this telecoms equipment _____ of _____?
 Do we _____ the ability _____ additional functions into _____?
 Is it _____ add more _____ gear?
 _____ possible to add _____ to this _____?
 Is _____ add more _____ to this _____ necessary?
 Can more features _____ telecoms _____?
 _____ it possible _____ improve this _____ equipment?

_____ the _____ be _____ up swiftly?

How _____ we _____ up and add _____ functions _____ it?

_____ no _____ can _____ features _____ the telecom gear?

_____ it _____ to add _____ utilities to _____ telecommunications _____ whenever _____?

Is _____ feasible to _____ telecom _____?

We should _____ and enhance _____.

_____ is it _____ to increase the _____ and add extra _____ in _____ telecom _____?

_____ it possible _____ quickly add _____ into _____ gear?

Will _____ telco instruments _____ able _____ scale _____?

Is it _____ to grow the _____ of _____ whenever you _____ it?

_____ we _____ the _____ upscale the _____ when needed?

_____ are we able to _____ and _____ this equipment?

_____ enhanced capabilities _____ your _____ equipment?

Is it possible to add more _____?

What _____ the level _____ for _____ more functions in _____?

Is it _____ to _____ demand?

Can _____ be expanded quickly _____?

_____ we _____ more _____ this gear?

_____ it _____ add more features _____ this telecom gear?

Does this _____ expansion?

_____ be _____ to _____ and _____ this telecom gear?

_____ we add additional _____ to _____?

_____ it a simple _____ upgrade _____ telecom gear _____ more _____?

_____ easy is _____ for _____ to _____ scale _____ additional functions?

_____ easy _____ it _____ a telecommunication hardware?

_____ it _____ to _____ upgrade _____ telecommunications _____?

_____ to scale up and _____ equipment, how _____ we able to do that _____?

_____ we improve _____ this gear _____?

Is it possible _____ upgrade _____ supplementary _____ this equipment _____?

_____ we _____ more capabilities to the _____ gear _____?

Are we able to _____ enhanced capabilities _____ equipment?

_____ expandability _____ addedFunctionality _____ achieved for _____ device?

_____ easy is _____ more functions to _____ equipment?

Is _____ simple _____ and _____ more _____ this telecoms gear?

Is it _____ to _____ more utilities to these telecommunications _____?

Is _____ a _____ the _____ these devices when needed?

_____ we _____ improve the _____ gear?

_____ easy is _____ to _____ more _____ this telecom _____?

Is _____ possible _____ your telecommunications _____ at will?

_____ update and _____ features into this telecoms gear?

Is it possible to _____ this equipment _____?

_____ there a _____ capability _____ devices when it's necessary?

Does the _____ allow the _____?

_____ we _____ equipment as _____?

How _____ we _____ add _____ to this _____ by _____ it up?

Can _____ up _____ communication _____ fit our needs?

Is _____ possible _____ improve _____ gear?

_____ we able _____ scale _____ new features _____ this equipment?

We can expand _____ this _____.

_____ we _____ so quickly add _____ features _____ equipment?

Can we _____ and enhance _____?

_____ we able _____ make it easy _____ up _____ add _____ features _____ equipment?

Is it _____ upgrade _____ add supplementary _____ to _____ equipment?

_____ easy is _____ to _____ the telecom _____?

_____ can _____ more utility to _____ telecommunication _____ need to?

How _____ we _____ capabilities of _____ equipment?

Is _____ easy _____ up this telecommunication hardware _____ new _____?

_____ we scale _____ and _____ more functions to _____?

_____ is there for _____ up and _____ functions _____ this gear?

Is it possible _____ and use _____ features?

Is _____ feasible _____ include additional functions in _____ equipment?

How _____ is _____ to _____ functions _____ telecom device?

_____ the ability _____ upscale _____ equipment when needed?

_____ it _____ to expand _____ this _____?

Is there a _____ expand capacity _____ more utility to _____?

_____ be possible _____ further utilities to _____ whenever they _____ needed?

How _____ to _____ more _____ equipment _____ we need it?

_____ easy is _____ for _____ to _____ more features _____ this _____?

_____ simple to upgrade _____ telecoms gear _____ more _____?

Is it _____ amplify and expand _____?

Can it be done _____ to _____ supplementary _____ in _____?

_____ the add-on _____ achieved for this telecom _____?

_____ can _____ scale up the _____ more features?

Is _____ possible to _____ and _____ in _____ equipment on _____?

Is there a way _____ increase capability _____?

_____ we _____ functions of this _____?

Is _____ and include more functions in this _____?

_____ we able _____ increase _____ quickly?

Can _____ to this telecom _____?

Will _____ be able to scale _____ gear _____?

Can _____ additional _____ telecoms gear?

_____ to _____ up and enhance _____ on _____ communication tools.

_____ it easy to _____ up _____ while _____ new _____?

_____ easy _____ upgrade the _____ gear and add _____?

Is it _____ to _____ and include _____ functions _____ the _____?

_____ there _____ to scale _____ enhance the usefulness of _____ tools?

_____ we quickly expand _____ improve _____?

_____ we have _____ add _____ features to _____ telecommunication apparatus?

Is it possible _____ include supplementary functions _____ this _____?

Can _____ more _____ for _____ gear?

_____ it possible to _____ upgrade _____ new _____ in _____ equipment?

_____ we enhance and expand this _____?

_____ additional _____ added as _____?

_____ add more _____ this gear?

_____ it possible to upscale and incorporate _____ telecoms _____?

_____ your options with _____ equipment?

_____ we _____ the _____ to _____ add _____ features quickly?

_____ possible to _____ of this equipment _____ required?

_____ necessary, do we have _____ capacity to _____ integrate _____ into _____ telecommunication _____?

Can we _____ capabilities as _____?

When _____ we _____ and _____ functions into _____ equipment?

Can _____ amplify _____ this telephone _____?

_____ to scale up _____ communication _____?

_____ are ways to _____ more _____ to our _____ tools.

_____ the _____ expanded _____ necessary?

_____ we _____ your telecom _____?

_____ have _____ ability _____ and _____ into this equipment when necessary?

For added _____ scale this gear _____?

_____ it _____ this gear for added capabilities.

Is _____ possible _____ expandability _____ be _____ this telecom device?

Is _____ for _____ added functions to be _____ this telecom _____?

Would it be possible _____ add _____ gear?

How easy is _____ add _____ in _____ telecom _____?

Is it possible _____ capabilities _____ this telecom _____?

_____ it possible to _____ features for _____ telecoms _____.

Is it _____ expand _____ capabilities _____ device as needed?

_____ have _____ ability to upscale _____ more features _____ needed?

_____ of _____ for augmenting the features in _____ telecoms _____?

Can _____ add _____ more capabilities _____ this _____?

_____ it possible to manage _____ for your telecom _____?

_____ can we _____ and enhance this _____?

Is _____ possible to add _____ telecom equipment _____?

_____ doable _____ up and introduce new functions _____?

Can _____ expand and _____ capabilities _____ equipment?

How _____ is it _____ incorporate additional _____ device?

_____ it _____ to _____ more capabilities into this _____?

How can we _____ easier to _____ functions _____ this _____?

_____ it possible to _____ telecommunications equipment on _____?

Can expandability _____ for this telecom device?

Can you _____ extra features _____?

Can _____ add many more _____ this _____?

Would _____ expand and enhance _____ telecom gear?

_____ it _____ scale this _____ up _____ additional capabilities?

Is _____ easy _____ the telecoms gear _____ more _____?

_____ it simple _____ this _____ gear?

Is it possible _____ add _____ the telecommunications devices whenever _____?

Do _____ the _____ upscale the telecoms _____ when _____?

_____ to rapidly upgrade and _____ functions in _____ equipment?

_____ we _____ this telecoms _____ later?

Is it possible _____ and _____ in this equipment?

Is _____ expand and improve _____ telecom _____?

Is _____ possible to add more features _____?

Is it _____ to _____ up this telecommunication _____?

Is it _____ to scale _____ up _____ capabilities?

_____ and _____ telecom _____ be done.

_____ is the _____ of flexibility _____ comes to _____ this _____ gear?

_____ you be able to manage _____ for _____?

Can we _____ features in _____?

Is it _____ to _____ to the telecom _____ as _____?

_____ telecom gear _____ expanded and _____?

Do we _____ to _____ and _____ functions when needed?

Does the telecoms _____ of _____?

Can we _____ include _____ functions _____ equipment?

Can we _____ more _____ the telecommunications _____ whenever _____ need _____?

_____ can we _____ more functions to _____?

_____ easy is it _____ upgrade _____ incorporate more _____ this _____?

What are _____ options _____ more utility _____ our telecommunication _____?

_____ the _____ allow for _____ expansion?

_____ we _____ and amplify _____ device?

_____ it _____ expand the equipment's functions _____?

_____ increase the _____ and _____ more functions in _____ telecom _____?

What is _____ level of _____ when _____ augmenting the _____ this telecom _____?

Is it possible _____ device in the _____?

How _____ we _____ it easier _____ scale up and _____ more _____ equipment?

_____ on functions be _____ in _____ seamless way _____ this _____ device?

Is _____ possible _____ expand _____ telecom gear?

_____ there _____ simple _____ upgrade the telecoms _____?

_____ you _____ for your telecom _____?

Is it possible _____ expand the _____ and _____ further _____?

_____ we _____ expand _____ capabilities _____ this telecom _____?

Can the _____ and _____ achieved for _____ telecom _____?

What _____ the level of _____ up in _____ telecoms _____?

_____ it _____ the _____ of _____ for this communication technology?

_____ we expand or _____ to our telecommunication _____?

Is _____ this telecommunications _____ to _____ upgraded on _____?

_____ we increase _____ scale and _____ functions for _____ device?

How _____ we scale _____ and enhance _____ features _____ our _____?

_____ we _____ capabilities _____ this telecom _____ as _____ need to?

_____ are we able to _____ add _____ equipment?

We could _____ and add more _____ to _____.

Are there _____ to _____ on _____ devices when _____?

Is it possible to expand _____ equipment?

Is _____ possible to manage _____ for _____ gear?

Is _____ to _____ put _____ more features?

Can we _____ when _____ needed?

Do _____ have _____ and add _____ functions into telecoms _____?

_____ upgrade this _____ device?

_____ expand _____ upgrade this _____?

_____ or _____ capabilities _____ telecoms gear would be convenient.

_____ for us to _____ the equipment _____ this _____?

Can _____ expand _____ with _____ equipment _____?

Do _____ the ability _____ upscale _____ other _____ into _____ equipment?

_____ that a _____ process _____ upgrade the telecoms gear _____?

_____ have the ability _____ upscale and _____ supplementary _____ into the _____?

_____ it _____ to _____ utilities in the _____ devices when _____?

How do _____ scale _____ our _____ as required?

Is it _____ rapidly upgrade and include _____ equipment?

_____ would it be _____ telecoms gear to _____?

_____ capabilities of the _____ be _____?

_____ possible _____ add more utilities _____ the _____ when needed?

Can this _____ equipment _____ ?

When necessary, _____ we _____ integrate additional _____ the telecommunication _____ ?
_____ it possible _____ scale _____ and _____ new features _____ communication _____ ?

scale _____ add _____ features _____ this _____ equipment when we _____

_____ we quickly _____ capabilities _____ this telecom _____ ?

_____ you _____ it _____ to _____ upgrade and _____ supplementary _____ this equipment?

_____ have the _____ to _____ integrate _____ features as needed?

Is _____ possible to expand _____ include more _____ these devices _____ ?

_____ easy way _____ add _____ function to our _____ tools?

Are _____ to expand and _____ gear?

Is it _____ enhance _____ gear?

_____ we _____ capabilities to this _____ ?

_____ needed, can we upscale and _____ features _____ this _____ ?

_____ there _____ way to add _____ to _____ communication tools?

Can _____ this telecoms gear _____ ?

_____ expanded capabilities of _____ telecom _____ be _____ ?

Is it _____ to _____ in _____ whenever _____ are needed?

_____ to _____ more _____ into the telecom gear?

_____ to add more _____ to this _____ needed

Can _____ for this _____ device?

_____ easy _____ it for _____ extra _____ in _____ telecom device?

_____ have _____ to _____ and integrate _____ quickly when required?

_____ we _____ this _____ later?

_____ a simple _____ upgrade _____ telecommunications equipment?

Is it _____ to _____ gear and _____ features?

Can _____ be done _____ and _____ in this equipment?

Do _____ have the _____ and put supplementary _____ into _____ ?

_____ possible _____ expand and _____ your telecommunications _____ ?

Can _____ easily _____ this gear to _____ needs?

_____ a simple process to _____ more _____ in _____ telecoms _____ ?

_____ equipment able _____ and handle _____ stuff later?

_____ it possible _____ increase _____ of _____ devices _____ needed?

_____ we _____ able _____ amplify _____ upgrade _____ telecommunications device?

How _____ is _____ us to add extra _____ device?

_____ we increase the _____ add extra _____ this device?

Will we _____ able _____ expand and _____ equipment _____ ?

_____ it _____ to add extra _____ the capabilities _____ this telecoms _____ ?

Is it possible _____ expand the _____ ?

Is _____ possible _____ equipment to _____ added features?

Do we have _____ upscale and _____ extra _____ to _____ ?

_____ we have _____ ability to _____ functions into this _____ ?

Is there _____ way to _____ up _____ tools _____ ?

There are _____ scale up _____ features on _____ communication _____.

Can _____ and _____ more _____ quickly _____ needed?

_____ the _____ of this _____ easy?

What is _____ level _____ features _____ telecoms gear later?

_____ it _____ to _____ the telecommunications _____ more features?

_____ telecom _____ provide convenient expansion _____ ?

Do we _____ the _____ upscale _____ telecoms _____ needed?

Is it doable _____ introduce new _____ ?

_____ and _____ function _____ achieved by _____ telecom device?

_____ possible to _____ and enhance _____ equipment _____ will?

_____ we _____ into _____ telecom equipment?

Can _____ more _____ gear?

_____ equipment _____ with more features?

_____ can _____ add more to _____ ?

_____ a simple process to _____ to the telecoms _____?

Can we _____ this _____ gear _____?

Is there any simple _____ and _____ our _____ tools?

_____ much flexibility _____ scaling up and _____ the features _____ this _____?

_____ it _____ to expand and _____ this _____ gear?

_____ expand _____ this telecom equipment?

_____ the _____ upscale and _____ other _____ quickly when needed?

_____ it _____ to _____ up and enhance _____ on _____ tools?

_____ it possible _____ this equipment to _____ quickly _____ features?

_____ equipment _____ expanded _____ added features when _____?

Can _____ equipment _____ expanded _____ include more _____?

Is it _____ to _____ features _____ gear?

_____ telecom gear allow for _____?

Are _____ able _____ and integrate _____ features into _____ apparatus _____?

Is _____ to _____ this telecom _____?

_____ to upgrade _____ telecoms equipment _____ more features?

_____ we able to _____ and _____ more _____ to this _____?

We _____ or expand this _____.

_____ need _____ add more _____ to this telecoms equipment.

_____ and expand _____ equipment?

_____ possible _____ add more features to _____ telecom _____?

_____ the ability to upscale and _____ functions _____ required?

Can _____ equipment _____ and expanded _____?

_____ the _____ to add _____ to this telecom gear?

Is it a _____ process _____ add _____ telecommunications gear?

When _____ upscale _____ integrate additional _____ quickly?

Is it possible _____ rapidly _____ this _____ on _____?

Is _____ way to scale up _____ to _____ communication tools?

_____ we add _____ to _____ telecommunications equipment?

Can _____ improve _____ expand our _____?

Can we _____ our _____?

_____ possible to _____ and _____ telecom gear?

_____ simple to upgrade and _____ features _____ this _____?

_____ are _____ to scale up _____ improve _____ communication tools _____.

Is expanding _____ feasible _____ your _____?

_____ can we make _____ easy _____ add more _____ to _____?

Are we _____ upscale and integrate additional features _____?

_____ a way _____ scale up _____ our communication _____?

Is there _____ way to scale _____ capabilities?

We can _____ into this _____ gear.

_____ equipment be expanded quickly _____ features _____?

Can _____ equipment to fit this _____?

Is it _____ rapidly upgrade and include _____ in _____ demand?

Can we _____ and _____?

Is _____ expand _____ capacity and include more _____ in _____?

Can the _____ expanded with more _____?

When needed, do we _____ upscale _____ telecommunication _____ quickly?

Is it _____ grow _____ telecom _____ the future?

_____ have the _____ upscale and integrate additional features _____?

_____ it _____ and increase this _____ gear?

How easy _____ it _____ us _____ scale _____ add more _____ to _____?

_____ we have _____ ability to _____ integrate _____ quickly if _____?

_____ telecoms equipment allow _____?

How _____ is _____ to scale _____ introduce _____ functions?

Is _____ possible _____ rapidly _____ the _____ on demand?

_____ make it _____ to upgrade _____ include _____ functions?

When _____ we have _____ ability to _____ into the equipment?

_____ it _____ your _____ equipment to _____?

Is _____ simple process _____ get more _____ into _____ telecoms _____?

What is _____ level _____ flexibility _____ to _____ in the telecoms _____?

_____ we have _____ ability to _____ when _____ necessary?

_____ expandability _____ function be _____ this telecom device?

_____ we able _____ expand _____ enhance this _____ later?

Can _____ this _____ gear later?

_____ simple _____ it _____ to incorporate _____ functions in _____ device?

Are it _____ to _____ gear _____ incorporate _____ features?

How _____ it to _____ more functions to _____?

_____ it possible to _____ integrate additional features _____ this _____?

Is _____ way _____ the capability of these _____ when _____?

Is _____ to increase _____ these devices _____ times?

Is _____ a way _____ grow the _____ for _____ whenever required?

_____ we add more features to _____ gear _____?

Can _____ easily expand and _____?

Would expanding _____ the _____ gear _____ convenient when _____?

How easy _____ it _____ up _____ hardware while _____ new _____?

_____ needed, _____ there _____ options _____ increase capability on _____?

_____ we _____ the ability to _____ and _____ functions _____ needed?

When _____ can _____ and enhance the _____?

_____ there _____ capability _____ these devices when necessary?

Is _____ for _____ add _____ features to this _____ gear?

Does _____ gear give _____ options?

Can _____ enhanced capabilities _____ equipment?

Is _____ to update _____ more features _____ this _____?

Is it _____ to _____ equipment _____ this telecom _____?

_____ to rapidly upgrade _____ equipment?

What is the _____ for _____ functions _____ later on?

_____ the _____ expanded rapidly?

_____ we _____ improve _____ equipment?

_____ need _____ add more _____ to _____ equipment but _____ do _____ easily?

Can we add _____ necessary?

Can _____ manage _____ scalability _____ features for _____ telecoms _____?

_____ are _____ grow _____ scope of operations for this communication _____.

_____ possible _____ rapidly upgrade _____ functions in this equipment?

_____ we _____ and expand _____ equipment.

____ can we add more ____ to ____ equipment when ____ scale ____?
 ____ allow easy expansion?
 ____ more capabilities ____ telecom gear as ____?
 ____ it ____ to add ____ to ____ telecom ____ soon?
 Can there ____ to increase ____ on ____ devices ____?
 Is it possible to ____ telecommunications devices ____ necessary?
 ____ it ____ up this gear ____ more capabilities?
 How ____ add additional ____ in ____ telecom device?
 ____ this ____ be enlarged promptly?
 What ____ the level ____ for ____ functions of ____ telecoms gear ____?
 Does this ____ equipment ____ of ____?
 Are these telco ____ feasible for ____ functions?
 Can ____ add more ____ to this telecom ____ possible?
 ____ you able to manage ____ features ____ your ____?
 ____ enhanced capabilities into our ____?
 ____ possible to ____ more features into ____ equipment?
 Is there ____ way ____ integrate ____ features quickly ____ needed?
 What are ____ options ____ we have ____ add ____ utility ____ technology?
 ____ possible ____ expand the telecom ____?
 How do you upgrade ____ more ____ equipment?
 What is ____ of ____ scaling ____ later on in ____ telecoms ____?
 How do you grow ____ telecom ____ the ____?
 Do ____ have ____ upscale and integrate ____ features ____ swift manner?
 When ____ to add ____ to this telecoms ____.
 ____ we ____ or ____ more utility to ____ telecommunication technology?
 ____ what ____ the ____ expanding ____ utility to our telecommunication technology?
 Is it possible ____ include ____ capabilities in ____ equipment?
 Is ____ and expand ____ telecom gear?
 Can ____ add more features ____ gear?
 Can ____ add ____ this gear?
 Will this ____ future expansion?
 Is ____ easy ____ and ____ functions?
 Can ____ add more ____ to this ____.
 What ____ level of flexibility for scaling up ____ augmenting ____?
 Would it be convenient to ____ functions ____ expand ____ this ____?
 Can the telecom ____ expanded ____ added ____?
 ____ more capabilities ____ this ____ gear?
 To ____ add more ____ how are we ____ to do that?
 ____ feasible to ____ your telecom ____?
 Is it ____ functions to ____ telecom device?
 How ____ possible ____ up ____ introduce new functions smoothly?
 How can we ____ up ____ features to ____ equipment?
 ____ need to add ____ features ____ this ____ how ____ do it ____?
 Is ____ possible ____ grow ____ scope of operations ____ communication technology ____?
 Is ____ incorporate enhanced ____ your telecommunications equipment?
 Is it possible ____ scale ____ up for ____?
 ____ needed ____ to scale ____ and add more ____ telecoms equipment.
 Can this ____ additional features?
 ____ possible to add more capabilities into ____?
 Can ____ or enhance ____ when ____?

How _____ to add more _____ to _____ equipment _____ needed?
 _____ it be possible to expand and _____?
 _____ the level _____ flexibility _____ it _____ augmenting the capabilities _____ this _____ gear?
 Is _____ to _____ supplementary features on demand?
 Can _____ telecom gear?
 _____ needed, do we have the _____ to _____ and _____?
 _____ can _____ add _____ function _____ our _____ tools as _____?
 _____ we easily scale _____ up _____?
 _____ we _____ this _____ for more _____?
 _____ this _____ expanded and improved?
 Is it possible to _____ capabilities _____ devices _____?
 Can _____ expand the _____ equipment?
 How easy is _____ to _____ enhance our _____ tools?
 _____ is _____ to upgrade and _____ additional functions to _____?
 _____ add _____ capabilities to _____ Telecom gear?
 _____ it _____ and incorporate more features _____ this _____?
 Can _____ expand and _____ telecoms _____?
 _____ we _____ more _____ into the _____?
 Is it simple _____ the gear _____ features?
 Is _____ possible _____ add _____ features _____ telecoms gear?
 _____ easy for us _____ extra _____ in this telecom _____?
 What _____ the level of _____ comes _____ functions in _____ gear _____ on?
 Can expandability _____ achieved _____ for this _____?
 _____ simple is _____ in this telecom device?
 _____ added _____ can we scale _____?
 What is the _____ when _____ comes _____ adding more features _____ this _____?
 _____ we _____ to do this?
 Can _____ enhanced capabilities _____ telecommunications _____?
 _____ to scale _____ and introduce new _____?
 _____ these _____ instruments scale _____ enhance _____ quickly?
 How _____ to scale up _____ add _____ this equipment?
 Is _____ expand and improve _____ gear?
 How _____ is _____ make _____ device have more _____?
 Is it possible _____ further utilities in _____ telecommunications _____ they _____?
 Is _____ possible _____ upgrade the _____ equipment on _____.
 Will it _____ possible to quickly expand _____?
 _____ are ways to scale _____ and add _____ tools.
 Do we _____ ability to _____ additional _____ when necessary?
 _____ add _____ features to _____ telecom _____ without having _____ worry?
 Is it _____ quickly _____ telecommunications _____ on demand?
 Is _____ capacity _____ add more _____ to our technology?
 _____ add even more capabilities to _____ gear?
 How are _____ to expand _____ utility to _____ telecommunication technology?
 How easy _____ functions _____ this equipment when needed?
 Is _____ a _____ to _____ enhanced _____ telecommunications equipment?
 _____ and integrate _____ features _____ this telecommunication apparatus _____.
 Will _____ be able to _____ your _____ quickly?
 How are _____ to add more _____ to _____ in _____ way?
 _____ we easily scale _____ gear to _____?
 How simple is _____ to _____ functions _____ device?

Is _____ to _____ and extra features for your _____?

How _____ to increase the _____ this telecom _____ in the _____?

Does _____ gear _____ convenient _____?

_____ it _____ upgrade _____ telecommunications _____ quickly?

Is _____ to _____ encompass additional _____ in _____ telecommunications equipment?

_____ the _____ quickly when necessary?

_____ have the ability _____ and incorporate _____ functions _____ required?

Is it possible _____ the capacity _____ utilities _____ these _____ needed?

_____ are we _____ upscale and include supplementary _____ this _____?

Is it _____ add _____ features _____ this telecoms _____?

Is _____ add additional _____ this _____ as required?

_____ we _____ the _____ and add more features?

_____ we _____ up _____ add _____ features to _____ communication _____?

Is it possible to _____ utilities in _____ devices _____?

Can there be ways to _____ enhance _____ function _____ communication _____?

_____ to scale up and _____ more features _____ equipment?

_____ easy is _____ to increase the _____ incorporate _____ in this _____?

_____ it be possible _____ add _____?

_____ this _____ expanded quickly _____ features _____ needed?

Expanding _____ options with _____ equipment _____.

_____ it _____ to have smooth _____ for your _____ gear?

_____ rapidly upgrade and include supplementary functions _____ equipment?

_____ can _____ expand _____ capacity _____ utility _____ our telecommunication technology?

_____ uncomplicated _____ it _____ us to add _____ this telecom _____?

_____ we _____ equipment for _____ purpose?

Is _____ possible _____ up _____ on our communication tools?

_____ it _____ to scale _____ and _____ more features _____ these _____?

_____ we _____ more function to the equipment _____ it?

_____ upscale and integrate additional features quickly when _____?

Is _____ possible _____ increase _____ this telecoms _____?

Is it _____ to add more _____ to _____?

Are we _____ scale _____ added capabilities?

Can the expandability _____ added _____ device _____ achieved?

Does _____ telecom gear provide _____ for _____?

Can _____ and _____ features quickly?

Can _____ add _____ features to _____.

Is _____ possible to _____ upgrade this _____ functions?

_____ it possible to _____ enhance _____ quickly _____ the _____ instruments?

Do we _____ the _____ upscale and _____ additional _____ when _____ necessary?

_____ quickly add _____ capabilities to _____?

Is _____ possible to add more _____ into _____ gear _____?

_____ think you can _____ options _____ your telecom _____?

Is _____ rapidly upgrade _____ cover supplementary _____ this equipment?

_____ this telecoms equipment?

_____ possible _____ rapidly upgrade _____ supplementary functions _____ this equipment?

_____ scaling up _____ enhancing _____ possible _____ telco instruments?

What level of flexibility _____ for _____ functions in _____ later _____?

_____ it easy to upgrade and _____ features _____?

Do we have the _____ upscale _____ more _____ when _____?

Are we _____ enlarge and _____ your _____?

What is ____ level of ____ it ____ augmenting ____ functions ____ telecoms gear later ____?
 ____ possible to ____ and enhance this ____?

Is ____ upgrade and include ____ functions ____ this ____?
 ____ amplify and upgrade ____ device?

Can the ____ on ____ be ____ for ____ device?
 ____ we incorporate ____ into this ____ gear?

Is ____ upgrade ____ telecom ____ and ____ more features?
 ____ for us ____ upscale ____ integrate additional features ____ when ____?
 ____ we add more features to ____ telecom ____ having ____?
 ____ we expand ____ gear when ____?

How ____ add ____ functions to this equipment ____?
 ____ there a way to ____ on these ____?
 ____ it ____ to manage extra ____ for ____ gear?
 ____ it possible ____ add further ____ whenever they're needed?
 ____ add ____ capabilities to this telecom ____ need?

Will ____ able to ____ add supplementary functions ____ this ____?
 ____ easy is it ____ telecommunication hardware with ____ features?
 ____ options ____ with your telecom ____?
 ____ possible to scale up and ____ functions ____ communication ____?
 ____ enhanced capabilities into your equipment?
 ____ this ____ when it is needed?

How easy ____ to ____ functions ____ equipment when ____ needed?
 How ____ we do ____ when ____ features to this equipment?

Is it ____ to scale up ____ additional ____?
 ____ it a ____ process ____ the telecoms gear ____ more ____?

Is there ____ way to add ____ features to ____?
 ____ and enhance this ____?

Is ____ convenient ____ add ____ functions or ____ the ____ this telecoms ____?

How ____ is ____ to scale ____ telecommunication ____?
 ____ we ____ ability to upscale ____ when ____ is needed?

Can we ____ or ____ equipment?
 ____ it possible ____ options with the ____ equipment?
 ____ communication ____ be upgraded in ____?
 ____ easy ____ for us ____ make this telecom ____?
 ____ the telecom ____ have ____ expansion ____ for ____ future?

Can ____ upgrade and ____ equipment?
 Can ____ enlarge and ____ telecom ____?

How easy ____ to scale ____ equipment?
 Is ____ possible to ____ upgrade ____ include ____ in this ____ equipment ____?

Can you ____ expand ____ gear?
 ____ more functions to this ____ equipment?
 ____ are we able ____ up ____ features to ____ equipment?

Can ____ more ____ into ____ telecom gear ____?
 ____ we ____ to make it ____ to scale up ____ add ____?
 ____ telecom ____ easily ____ and improved?

Is it ____ to ____ and ____?
 ____ can ____ up and strengthen ____ tools?

Is ____ the telecoms ____ simple?
 ____ we ____ expand this telecom ____ when ____?

Is it ____ upgrade and cover additional ____ this ____?

If _____ add _____ telecommunication technology, what are the options?
 _____ we _____ it easy _____ add _____ functions to _____ equipment?
 Can _____ enhance and _____ equipment?
 _____ possible to quickly upgrade and _____ extra features _____?
 Do _____ have the ability _____ the equipment _____?
 When _____ to increase _____ on these devices?
 _____ possible to quickly _____ expand this telecom _____?
 Can _____ expand and _____ needed?
 How _____ we able to _____ more _____ scaling up?
 _____ do I _____ to include more _____?
 Are _____ ways to _____ and add _____ our _____ tools?
 Is it _____ to _____ your _____ telecom _____?
 Is _____ expand your options _____ telecom equipment _____?
 _____ easy _____ it to scale _____ this _____ additional _____?
 Can we _____ telecom gear?
 _____ can _____ the scale _____ functions in _____ telecom device?
 _____ able to upscale _____ features into _____ telecommunication apparatus quickly?
 _____ we upscale and _____ functions _____ equipment?
 _____ to _____ scale this gear _____ for _____ capabilities?
 _____ upscale and integrate additional _____ quickly _____ we _____?
 _____ there _____ way to _____ capability _____ when required?
 _____ easily _____ to this telecom gear?
 _____ we _____ ability _____ upscale _____ add additional _____ quickly _____ necessary?
 Can _____ increase _____ gear _____?
 _____ equipment for this purpose?
 _____ we upscale _____ features into _____ apparatus quickly?
 _____ do we _____ the ability _____ upscale _____ telecommunication _____ quickly?
 Can we _____ these devices _____?
 _____ to quickly _____ and cover supplementary functions _____ this _____?
 Is _____ to _____ more features _____ telecom _____ with _____ fuss?
 We need to _____ more _____ to _____ equipment, how _____ do that?
 _____ to _____ add more capabilities into _____ telecom _____?
 _____ this telecom _____ be _____?
 _____ we _____ or improve this _____?
 _____ possible _____ enlarge and _____ enhanced capabilities into your _____?
 _____ it _____ to expand _____ telecom _____?
 Does this _____ equipment _____?
 _____ increase _____ enhance this _____?
 We _____ your telecommunications equipment.
 Can _____ and _____ equipment _____ needed?
 Can we _____ and _____ telecom _____?
 Does the _____ for _____ expansion _____?
 Can we _____ this _____ to _____ capabilities?
 _____ we increase the capabilities _____ the _____ equipment _____ future?
 Can expansion and added functions _____ this _____?
 There are _____ scale up _____ enhance the _____ our _____.
 Is _____ this equipment with extra _____?
 _____ incorporate more _____ in _____ telecom _____?
 Is it _____ upgrade _____ and incorporate more _____?
 Is _____ to update the telecoms gear _____?

Is _____ to _____ upgrade _____ functions in this equipment?
 _____ options _____ your _____ equipment _____ feasible?

When required, _____ or _____ this telecom _____?
 _____ it _____ expand _____ capacity of _____ whenever necessary?

Can _____ and _____ done _____ a _____ manner _____ this telecom _____?

Is _____ way _____ scale up _____ communication tools _____?

Is _____ possible _____ capabilities into your _____ equipment?

Is _____ possible to scale _____ communication _____ as _____?
 _____ upgrade the telecoms equipment _____ add more _____?
 _____ it _____ include further utilities _____ devices whenever _____ are needed?

Can _____ add more _____ this _____ with no _____?

Can the expandability _____ added _____ for this telecom _____?

Can _____ get _____ beefed _____ quickly?
 _____ this telecoms _____ be expanded?
 _____ more _____ to this _____ we need it?
 _____ incorporate _____ capabilities _____ the telecom _____?

Do _____ how to scale _____ enhance our _____?

Is it a _____ the telecoms _____ incorporate _____ features?
 _____ this _____ be _____ in the _____?

How _____ is _____ for _____ add extra _____ to _____ telecom _____?

Is _____ to _____ enhanced capabilities into _____ telecommunications _____?
 _____ add more features to this _____ gear.
 _____ is the level _____ scaling up _____ this _____ gear?
 _____ it simple to _____ telecoms _____ and _____ features?

Can we make _____ equipment?

Can _____ be achieved in a seamless manner _____?

When _____ can _____ enhance this _____?
 _____ to add _____ features to this telecom _____?
 _____ a _____ process to upgrade _____ telecommunications gear and _____?
 _____ telecom gear _____ convenient expansion _____?
 _____ simple to _____ the telecommunications gear _____ add _____?

Is _____ some _____ to _____ devices when necessary?
 _____ the _____ of _____ for _____ functions in this _____ gear later?

Can _____ upscale _____ incorporate supplementary functions _____ when _____ need _____?

Do we _____ ability _____ and have _____ this equipment?

There _____ ways _____ up and enhance _____ features _____ tools.

Can _____ expand _____ improve _____ equipment _____?
 _____ can we _____ it simpler to _____ this equipment?
 _____ it to upgrade and add _____ to this _____?

Is it possible _____ and _____ for _____ telecoms gear?

Is it _____ and enhance _____ telecom gear?
 _____ it _____ to _____ capacity of the _____ gear?
 _____ to upgrade _____ add more functions _____ this _____?

How _____ to scale _____ hardware while _____ new functions?

Is _____ scale up the _____ while adding new _____?

Is it _____ expand the _____ include _____ utilities _____ these devices?
 _____ we increase _____ when _____?
 _____ we _____ scale up _____ communication tools?
 _____ the _____ allow for _____ in the future?

How can we _____ the _____ of _____ for this _____ we _____?

Can _____ easily achieved for this telecom _____?

Is _____ possible to _____ and add _____ this telecoms _____?

Is it easy _____ gear _____ more features?

_____ are _____ able _____ up and _____ more _____ features?

Do you _____ manage _____ features _____ your telecoms gear?

Is it _____ to expand and _____ enhanced _____ your _____?

_____ up this gear _____ include additional _____?

_____ we _____ the ability _____ upscale _____ add _____ functions _____ required?

_____ it possible to _____ up _____ enhance _____ telco _____?

_____ it possible _____ add _____ your telecoms gear?

_____ have the ability _____ upscale and _____ supplementary functions _____ this _____?

_____ it feasible _____ add more _____ your _____ equipment?

Can _____ quickly _____ enhance this _____?

_____ easy _____ it _____ add new features _____ the _____?

Is _____ to upgrade and incorporate more _____?

Can _____ capabilities _____ achieved _____ a seamless way for _____?

Can _____ improve _____ telecoms equipment?

How are _____ able _____ scale up _____ add more _____?

_____ is _____ scale up this telecommunication hardware with _____?

How _____ add more _____ this equipment _____ need it?

How simple is _____ additional _____ to _____ device?

Is _____ possible _____ telecommunications equipment?
