

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Assistance with parental controls and content filtering
Inquiry Sub-Category	Content Filtering Options
Description	Help customers explore different content filtering options available, such as installing software or using ISP-provided filtering tools, to block access to websites or specific types of content.
Data Size	5,069 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

____ can ____ ensure ____ remains unaffected ____ bypassing basic ____ protocols through ____ ____?
 If you ____ keep the system ____ against ____ ways ____ subvert ____ and ____ security, I ____ ____.
 How should the ____ be ____ security ____?
 I want to know ____ you ____ against ____ on ____ and the routers.
 ____ children ____ after unauthorized access via ____ worth investigating.
 If we ____ on the modems, can ____ child?
 ____ there ____ way ____ children despite ignoring ____ on modems?
 ____ you ____ sure ____ your ____ is ____ pass security ____ on a device?
 ____ tell me ____ it is ____ to ____ basic ____ protocols ____ using ____ and Routers?
 How ____ keep ____ out ____ harms way when ____ measures?
 How ____ you ____ unaffected ____ you ____ security ____ through gear?
 How ____ you ____ your ____ after ____ modem protocols?
 ____ if there is a way ____ avoid basic ____ protocols ____ modems ____?
 ____ can ____ my child's health from ____ impacted if ____ ignore ____ safeguards ____ the ____ and the ____?
 ____ there a way ____ keep my child ____ security ____ on ____?
 ____ a ____ away ____ security of a routers, ____ be done to keep them ____?
 After a ____ gets away ____ skirting the security of ____ can ____ do to ____.
 ____ be ____ to protect ____ child who ____ with skirting ____ their router?
 ____ can ____ take care ____ the ____ subverting protective ____ up via ____ related devices?
 How do ____ child ____ unaffected after using ____ routers?
 ____ it ____ minimize the impact ____ children ____ they ____ modem or ____?
 Can ____ me about how to ____ my ____ safety by avoiding ____ on ____ modem?
 The question mark ____ how ____ shield their ____ from ____ evasion ____ safeguards ____ routers and modems.
 How can you ____ your ____ skirting ____ protocols?
 ____ do ____ sure ____ the ____ not ____ affected ____ the bypassed security protocols?
 When circumventing modem ____ how ____ protect ____?
 ____ a better ____ to ____ my ____ isn't harmed ____ ignore safeguards ____ modem and routers.

How ____ you make ____ the child is not ____ security ____?

How ____ you make ____ your child ____ when ____ security ____ through ____ device?

____ you make ____ child stays unaffected ____ the bypassed ____?

____ need advice on how to ____ my ____ the ____ disabling ____ settings through ____.

____ you ensure that your ____ after ____ security?

____ you ____ child is ____ after ____ pass security procedures through ____?

____ child ____ away with skirting the basic security ____ what ____ to prevent them?

Is there a ____ my child's health if ____ safeguards?

____ me to protect ____ child from harm ____ messing ____ basic routers?

____ want to make ____ my child's health ____ protected when ____ safeguards ____ and ____ routers.

____ can caregivers ____ effects ____ who ____ protective ____ set ____ via routers ____ related devices?

____ is the ____ to ____ child ____ harmed if I ____ the safeguards on ____ modem ____ routers?

____ to minimize ____ impact on ____ who ____ modem or ____ measures?

____ you ____ me ____ it ____ to ____ some ____ using modems and routers?

How can ____ your ____ ignore security measures?

How do ____ make ____ your ____ stays ____ after ____ security ____ routers?

____ make sure ____ become victims of fundamental security practices ____?

____ do you keep ____ child unaffected ____ bypassed ____.

Does it ____ to protect my ____ if ____ disabled ____ or routers?

Measures ____ preserving a child's ____ of essential ____ protections?

____ investigating to ____ children ____ unscathed after unauthorized ____ via ____ routers/modems?

____ do you ____ child stays safe after ____ security?

After a ____ gets ____ skirting ____ security ____ Router what ____ be done to prevent ____

How can ____ protect my child's ____ being ____ the ____ on ____ modem ____ routers?

What can ____ done ____ protect a ____ they circumvent ____?

There are ways ____ keep ____ child ____ after ____.

Does it ____ sense ____ my ____ their ____ security settings are disabled through ____ modem ____ routers?

What is ____ best ____ to keep ____ protection ____ on routers/modems?

What can I do ____ protect ____ child's ____ if ____ safeguards?

____ we keep the ____ of kids ____ mechanisms on ____?

____ make sure your child ____ unaffected after ____ a ____?

____ do you make sure ____ unaffected ____ passing security ____ device?

____ do ____ ensure ____ your ____ stays ____ after ____ pass ____ procedures through ____?

How ____ you keep ____ unaffected by ____ security ____?

____ how ____ keep ____ safe when passing the security ____.

____ there anything I ____ to ____ my ____ potential ____ from disabling basic ____?

How should ____ protect my child against the ____ basic ____ a ____?

____ can parents ____ protect ____ children ____ passing ____ router security?

Is ____ way to ____ safe ____ to security protocols ____ the network ____?

____ children ____ fortified against harm if ____ basic ____ through ____?

Is ____ advice ____ protecting ____ from the ____ of disabling security ____ modem?

____ you ensure ____ child stays ____ after skipping ____?

Can ____ tell me ____ it's ____ kids online ____ by skirting security protocols ____?

How do ____ sure ____ your ____ by the security ____ through ____ routers?

____ to ____ my ____ basic ____ settings if ____ are disabled through modems or ____?

____ do you make sure the child ____ the ____?

What should be ____ that ____ child's ____ safety isn't ____ when ____ are ____ via a modem or

What are ____ measures ____ guarantee a child's safety ____?

____ can I protect ____ child's ____ when I ____ the ____ on ____ and ____

Can ____ tell ____ if there is ____ way ____ security protocols ____ and routers?

Is _____ anything _____ protect my child _____ disabling basic security settings through a _____?
 _____ you guarantee _____ my kid's _____ be _____ if they _____ their _____ Router _____?
 _____ you make sure _____ is _____ despite _____ security protocols?
 _____ keep your _____ unaffected by _____ security protocols?

Is _____ to keep my child out _____ way if I mess _____?
 Do you assure _____ that _____ security won't be _____ their _____ Router _____?
 _____ caregivers do to _____ the _____ of _____ protective _____ up _____ and _____ devices?

What _____ the _____ make _____ my child _____ get _____ if I _____ safeguards of the _____ routers?
 Should _____ be protected in _____ wake _____ precautions?
 When _____ possible _____ ignore _____ measures, _____ the _____ be kept safe?
 _____ mitigate _____ effects of subverting _____ up via _____ and other devices?

How _____ you make sure _____ child _____ despite _____ the _____ protocols?
 How _____ keep a child _____ evading _____ protocols?
 _____ can one protect their _____ from _____ from _____ evasion _____ technological _____ and modems?

What can _____ done to protect _____ gets away with _____ the _____?
 _____ to protect my child's online safety _____ avoiding the _____ on _____ modem
 _____ you keep _____ kid _____ using _____ or _____ protections?

Ensuring _____ remain unscathed _____ unauthorized _____ the router/modems _____ worth _____?
 Does _____ make _____ give my _____ settings are disabled _____ a modem _____ a routers?

Is there _____ way _____ keep _____ without following the _____ devices' _____?
 _____ sure _____ child is not impacted _____ ignoring the safeguards?

Would _____ be possible for _____ keep _____ out of harms _____ after _____ my basic _____?
 _____ your kid after _____ internet _____?
 _____ it _____ to ignore _____ and Router _____ how _____ the child _____ safe?

How _____ reduce the _____ of subverting protective barriers _____ routers _____ devices?
 Do _____ assure _____ that my child's _____ won't be _____ skip their _____?

What should I do _____ make sure _____ I don't _____ my _____ off _____ safeguards via a _____?
 Is _____ investigating _____ children _____ unscathed _____ access via the routers/modems?
 _____ have a question _____ how secure your _____ is against _____ the _____ modem _____.
 _____ to make sure _____ not exposed after skipping security on _____?
 _____ can _____ do _____ a _____ safe after they get away _____ skirting _____ basic _____ routers?

After a _____ away _____ the _____ security of _____ routers, what should be _____ them?
 If _____ fundamental _____ security practices, _____ can they _____ harm?

What _____ be _____ make _____ that kids aren't _____ after skipping _____ routers?
 Is it _____ a child out of harms _____ messing _____ basic _____?
 Can _____ tell _____ possible _____ avoid _____ basic security _____ with modems and _____?

Is _____ possible _____ my child's _____ if _____ ignore _____ safeguards?
 Is there _____ way _____ my child's health _____ I _____?
 _____ do _____ sure _____ child _____ get hurt _____ skipping security?

After a child gets _____ skirting _____ of _____ router, what _____?
 _____ to _____ child _____ after they get away with _____ the basic _____ their routers?

Would _____ your child _____ wake _____ violating _____ precautions?
 _____ can you make sure your child _____ after _____ procedures _____ a _____?

Should you keep your _____ modem _____?
 _____ can I _____ child's _____ I ignore the safeguards on the _____ routers.
 _____ ways to _____ children despite _____ settings on modems.

Can you explain _____ how to _____ my _____ online _____ security protocols on _____ modem?
 What is _____ to _____ sure my child _____ hurt if _____ ignore safeguards of _____ routers?
 _____ do _____ unaffected even after _____ modem protocols?
 _____ might caregivers _____ the effects of subverting _____ barriers set _____ and _____?

How _____ prevent my _____ affected by ignoring safeguards _____ modem and _____ routers?
 _____ my child's health _____ being _____ by _____ safeguards on the modem and _____?

How _____ you _____ your _____ is unaffected _____ you pass _____ with equipment?
 _____ a way to _____ my _____ without using security protocols _____ devices?
 _____ make _____ child is unaffected after passing _____ basic security _____ router?

Do you _____ any _____ to _____ your child _____ evading _____?

How _____ sure my _____ is protected _____ I ignore the _____?
 _____ it _____ fortify _____ against harm if they _____ modems/routers/ _____?
 _____ make sure _____ your child _____ unaffected _____ procedures through a device?
 _____ one _____ their _____ from consequences arising from _____ technological safeguards within _____?

How can _____ child _____ when _____ modem protections are _____?
 _____ my child from being impacted when _____?

I _____ to _____ is possible to _____ security _____ by using _____ and routers
 _____ do you _____ that _____ isn't affected after _____ security _____ through gear?

What _____ be _____ to _____ a child _____ away _____ the basic _____ of _____ Router?

After _____ child _____ security of _____ routers, what can _____ done _____ prevent the problem

Is _____ possible to _____ a child _____ on network devices?

_____ can _____ my _____ from _____ I ignore the safeguards on the _____ the routers?
 _____ can I _____ child's _____ impacted if I ignore _____ on _____ modem and the _____?

After _____ away _____ skirting the basic security of _____ should _____ do to _____ safety?

Can you keep my kid _____ protections?

_____ be done to _____ that gets away with skirting _____ security of _____.

A child _____ away _____ skirting the security _____ to protect them?
 _____ there anything _____ keep _____ child _____ after evading _____?

Any advice on _____ protect _____ child against _____ of _____ basic security _____ a _____?

After _____ away with _____ the _____ security _____ a _____ can be done to _____ the _____?
 _____ make sure your _____ by the _____ protocols after passing through _____ routers?
 _____ their _____ after circumventing common Internet safety _____ communication devices?

What _____ the best way _____ make sure _____ harmed _____ ignore the safeguards _____ modem and _____?

Do _____ child's _____ won't _____ jeopardized by _____ basic Router rules?

After circumventing common _____ procedures _____ communication devices like _____ can parents guarantee _____ of _____ child?

How do _____ child is alright despite _____ protocols?

Protect your _____ the _____ violating _____ precautions?
 _____ can I _____ child's _____ being affected _____ the _____ the modem and routers?

How _____ you make _____ your _____ unharmed _____ security?

How do _____ make sure your _____ are _____ despite _____?
 _____ to protect my _____ don't use _____ on modem and _____?
 _____ there anything you _____ unaffected even after _____ modem protocols?
 _____ their child _____ fundamental network security _____ prevent harm?
 _____ can be done _____ sure _____ not _____ circumventing security?

What _____ the best _____ make sure _____ child is not _____ I _____ of _____ modem and _____ routers?

There _____ ways to keep _____ modem protections _____ bypassed.

Ensuring _____ following unauthorized access _____ the _____ is _____ investigating.
 _____ I _____ my child _____ if _____ security?

A child gets _____ with _____ the _____ a routers, what _____ done to _____?
 _____ want _____ child's health _____ protected _____ ignoring the safeguards on _____.

How can _____ well-being _____ guaranteed after circumventing common _____ safety _____?

It might be _____ me _____ my _____ out _____ harms _____ after _____ with my _____ routers.

Can _____ if _____ to avoid the _____ protocols using modems _____ routers?

How do you _____ child _____ skirting _____?

_____ you make _____ child is unaffected _____ through basic _____ procedures?
 _____ you do _____ sure your _____ safe after skipping _____?
 _____ want to protect my _____ health _____ impacted _____ safeguards on _____ modem _____.
 _____ possible to _____ child shielded even _____ tomfoolery _____ the basic _____?
 _____ there _____ way _____ keep _____ security protocols on the network devices?
 How _____ you _____ sure your _____ skirting security protocols?
 _____ my _____ from being impacted by ignoring _____ safeguards on the _____ and _____?
 _____ that _____ child remains _____ you pass security procedures through other _____?
 What can be _____ to _____ children are _____ exposed after _____ security _____?
 What _____ do _____ keep _____ safe after a child _____ with skirting security on _____.
 _____ a child gets _____ with _____ the basic security of _____ what do _____ keep _____.
 How _____ child _____ unaffected by _____ bypassed _____ protocols?
 What _____ we do to keep _____ child _____ they get _____ skirting _____ of a _____?
 Measures _____ taken to guarantee a _____ safety _____ circumventing _____.
 The question _____ might _____ their _____ from consequences arising due _____ evasion of technological _____ in _____.
 _____ you _____ is possible to _____ kids' online _____ skirting security protocols on devices?
 Is it possible to _____ child _____ following _____ network devices?
 What is the _____ to make sure _____ not _____ if I _____ the safeguards _____ modem and _____?
 How _____ make _____ is safe _____ bypassed _____ measures?
 What _____ to make sure _____ children are _____ after _____ security at _____?
 _____ my child's _____ on the modem and the routers?
 How can I make _____ child's _____ isn't _____ I ignore the _____ on _____ modem _____?
 How do we make sure _____ children _____ bear the _____ routers and _____?
 What _____ be done to keep _____ child _____ getting away _____ security of _____?
 _____ it possible _____ me _____ my _____ safe _____ messing with _____ basic _____?
 The question mark _____ how one _____ shield _____ from _____ the _____ technological safeguards _____ and modems.
 When it _____ possible _____ ignore security and Router _____ should _____ be _____?
 Is there a _____ protect _____ ignoring _____ security _____ on _____?
 _____ should the _____ be unaffected _____ security protocols?
 What can _____ do to _____ of _____ the protective barriers _____ up _____ routers _____ related _____?
 How _____ sure our _____ the _____ of fundamental _____ practices on routers/modems?
 _____ asked _____ to keep the _____ safe _____ to ignore security and Router _____.
 _____ it possible _____ keep a child _____ when _____ security _____?
 How _____ you ensure your _____ get hurt _____?
 Is there _____ way of _____ against _____ use modem/routers?
 _____ know _____ kid's security _____ not _____ jeopardized by _____ basic Router rules?
 _____ a way _____ keep a child _____ adhering to security _____ network _____?
 After a child gets _____ with skirting _____ security _____ Router, _____ can _____ do _____ safe?
 _____ should _____ done _____ make sure _____ child's online safety isn't _____ when _____ minimum safeguards are _____ off _____
 _____ make sure that _____ child is unaffected after _____ pass _____ through _____?
 You asked how to _____ safe _____ passing the _____
 What _____ make _____ that your child stays unharmed _____ skirting _____?
 _____ we do to _____ child safe _____ get _____ with _____ basics _____ a routers security?
 _____ tell _____ if it _____ to _____ basic security protocols by _____ and routers?
 _____ you tell me if _____ possible _____ basic security _____ by _____ and _____?
 I want _____ prevent my child's health from _____ impacted _____ modem and the _____.
 _____ possible to _____ children against _____ they _____ modem/routers/etc?
 After a _____ gets away _____ the _____ of _____ what _____ we do _____ keep them _____?

How do you make sure that _____ is _____ after _____ procedures _____?

How _____ mitigate the _____ of minor _____ subvert protective _____ via routers _____ devices?

_____ your _____ network security practices, how _____ you protect _____?

_____ tell me _____ possible to _____ basic _____ by using modem _____ router?

Is _____ anything I _____ do _____ my _____ the risks associated with disabling _____ settings through _____?

After _____ child _____ with _____ basics of a _____ done to protect them?

_____ to secure my child's online safety by circumventing _____ security _____ on routers _____?

Is _____ way _____ protect children _____ ignoring _____ settings _____ modem/routers?

_____ there _____ way _____ children _____ the _____ security _____ on modems/routers?

_____ can you make _____ isn't _____ despite skirting security _____?

_____ are _____ to protect a child _____ they _____ modem _____.

How can _____ my child's _____ from _____ if _____ ignore _____ safeguards on _____ and router?

How _____ caregivers mitigate _____ of subverting protective _____ up _____ and _____ devices?

_____ child _____ with skirting the security of _____ routers what can _____ done _____ problem?

_____ my child's health _____ I ignore the _____ safeguards?

_____ caregivers _____ to _____ minor who subvert _____ up _____ and related devices?

Do you _____ my kid's _____ jeopardized _____ skip _____ Router rules?

There _____ ways to _____ a _____ when _____ circumvent _____.

Is _____ possible _____ me to keep _____ harms _____ messing _____ my basicrouter?

_____ we skip security on _____ protect _____ child?

Is the best _____ is not harmed if I _____ safeguards _____ modem and _____?

What is _____ way to make _____ my child isn't harmed _____ I _____ the _____ and _____?

Does there a way _____ child _____ without _____ protocols _____ the _____ devices?

I'm wondering if it's possible _____ keep my _____ messing with _____ basic routers.

Can _____ to me _____ to _____ child's _____ safety by _____ security _____ modem?

After a child gets away _____ skirting the _____ security _____?

Is _____ me to _____ secure _____ on modem or Router protections?

_____ do you _____ that your child _____ they _____ through _____ security _____ a routers?

How do _____ sure _____ don't bear _____ brunt of fundamental _____ when _____ comes to _____?

After _____ child _____ with _____ basic _____ of aRouter, _____ can we do to _____ safe.

How _____ you _____ your child is _____ despite _____ the security _____ means?

What can I do _____ child's _____ ignoring _____ safeguards on _____?

How _____ keep _____ child safe while _____?

Measures to _____ child safe despite _____ of _____ network protections _____.

Can you _____ if it _____ possible _____ avoid basic security protocols, _____?

Can you tell _____ it _____ to _____ kids online safety _____ skirting security protocols _____?

_____ be _____ protect _____ child who gets _____ with _____ basic security _____ the router?

_____ a child _____ away with skirting basic _____ on a _____ we _____ them safe?

_____ is the best way to _____ sure _____ harmed if _____ ignore safeguards _____ the _____ and _____?

Is _____ any advice for protecting _____ against _____ risks associated _____ disabling _____ settings through _____?

How do _____ make sure _____ your _____ affected _____ skirting _____?

When a child gets _____ the _____ security of _____ routers, _____ to _____ them safe.

Can _____ if _____ possible to _____ my _____ safety by skirting _____ protocols on devices?

How do _____ make sure _____ child _____ unaffected _____ you _____?

I _____ to _____ your system is _____ kids being able to subvert _____ and router _____.

How _____ sure our kids _____ bear _____ of security _____ that _____ on routers/modems?

_____ children be _____ against harm _____ override _____ through _____ etc?

_____ you tell _____ if _____ way to _____ protocols by using modems _____?

When _____ ignore security _____ how can the child remain _____?

_____ do you make sure your _____ is _____ the security _____ after _____ passed _____ routers?

_____ a child gets _____ with skirting _____ of _____ routers, what _____ do to make _____ ?
 What can _____ do _____ a _____ after _____ get away with _____ the security _____ their _____ ?
 I would like _____ how _____ against kids _____ protections _____ the modem and _____ routers
 How do _____ sure _____ child _____ hurt _____ procedures through a device?
 _____ there a _____ children despite _____ security settings?
 How _____ you _____ the child _____ the _____ that _____ bypassed?
 How _____ one _____ sure _____ child _____ affected by _____ protocols bypassed?
 _____ tell _____ if it's possible to ensure _____ online _____ by skirting _____ on their _____ ?
 _____ is possible to _____ and Router _____ is the best _____ to keep _____ safe?
 There _____ ways _____ protect a _____ from _____ when _____ modem _____ .
 _____ do we make _____ don't get _____ if we _____ practices _____ routers/modems?
 _____ can be done to protect children _____ a _____ gets _____ the _____ a _____ ?
 _____ we _____ safety of kids _____ overlook _____ protection mechanisms on _____ ?
 What _____ the best way _____ make _____ doesn't _____ I ignore the safeguards on _____ modem _____ ?
 How do you _____ sure that your child _____ by the _____ passed _____ routers?
 _____ your child _____ protected despite _____ the security protocols?
 I want _____ how _____ my child's _____ I ignore _____ safeguards.
 _____ can I _____ my child's health _____ I _____ on the modem and _____ .
 Can you _____ how to protect _____ by _____ the _____ protocols on the modem?
 Is _____ a _____ to _____ their offspring _____ consequences _____ technological safeguards?
 Can you _____ child safe without adhering _____ protections _____ the _____ ?
 How _____ caregivers limit _____ of _____ protective barriers _____ via routers _____ related _____ ?
 _____ the _____ way to _____ sure my _____ not harmed _____ ignore safeguards of _____ modem and _____ ?
 How _____ make _____ that your child _____ security protocols?
 _____ you _____ your _____ doesn't get _____ after skirting security?
 _____ to _____ if _____ possible _____ avoid _____ security protocols by using _____ and _____
 _____ keep their children out of _____ when sidestepping router safety features?
 _____ it possible to _____ kid shielded even _____ tomfoolery _____ ?
 _____ can caregivers prevent the _____ subverting _____ set up via _____ and _____ ?
 Can _____ tell me _____ secure my child's online _____ ignoring basic _____ modems and _____ ?
 _____ security _____ on _____ devices, _____ can I keep my _____ safe?
 What _____ way _____ my _____ isn't harmed _____ I _____ the safeguards of _____ modem _____ the routers?
 _____ should a child's safety be _____ circumvent _____ network _____ ?
 Is it possible _____ my child _____ if _____ the modems?
 How do you _____ child stays _____ after avoiding _____ ?
 Is _____ possible _____ children _____ typical security settings _____ ?
 A child gets away _____ basic _____ of _____ what can _____ do _____ their safety
 What _____ done _____ protect _____ from skirting the basic _____ of _____ they get away with _____ ?
 How _____ we _____ sure our kids don't _____ the consequences of _____ ?
 Can _____ be done to _____ on children less _____ they _____ modem _____ ?
 After _____ child _____ with _____ the basic security of a _____ what _____ do _____ safety?
 Should _____ keep your child unaffected _____ after _____ ?
 How do you _____ stays _____ by the _____ security _____ ?
 _____ do you _____ your _____ isn't _____ after they _____ through _____ protocols?
 _____ to protect my child's _____ if _____ ignore _____ on _____ modem _____ routers?
 I _____ on how to _____ child against the _____ basic _____ settings through _____ modem.
 _____ do you make _____ your _____ isn't _____ after _____ the security protocols _____ a _____ ?
 When _____ possible to ignore security _____ measures, how _____ child _____ ?
 What _____ you do _____ sure your _____ unaffected after you _____ a device?
 Ways to keep a _____ safe _____ modem _____ .

How ____ you ____ that ____ is ____ by the security protocols after ____ through a ____?

____ do you ____ sure ____ child stays ____ when ____ security protocols ____?

What ____ the ____ way to make ____ child is ____ harmed, ____ the ____ modem and routers?

What ____ do to ____ the ____ of subverting ____ barriers ____ up ____ and related ____?

I'd like to know ____ system is ____ escaping ____ protections ____ the modem ____ routers.

____ make sure your ____ unharmed after being bypassed ____?

____ child ____ away with skirting a ____ a routers, ____ do to keep ____ safety?

After ____ child ____ away with skirting ____ of ____ can we do to ____ them ____?

____ there ____ precautions ____ can ____ protect your child ____ possible consequences of ____ router ____?

I ____ to ____ how ____ your ____ is against ____ finding ____ subvert the ____ Router protections.

How do ____ make sure ____ kids ____ get ____ with the ____ of ____ routers/modems?

Is ____ to ____ children ____ ignoring ____ security settings ____ modems?

How do ____ your ____ isn't affected despite ____ security ____?

How ____ make sure your ____ despite ____ protocols?

After a child ____ away ____ the ____ security of ____ be ____ to stop ____ problem?

____ is ____ ignore security ____ measures, ____ how ____ a child ____ safe?

____ have ____ it ____ to ____ security ____ measures to ____ a child safe.

What ____ be done ____ a ____ they get away ____ of a Router.

After a child ____ away ____ the basic ____ what can we ____

____ assure ____ child ____ unaffected despite skirting ____ protocols?

____ sure that ____ child isn't affected ____ security protocols?

____ it's possible to ignore security ____ can ____ safe.

____ ways to ____ from potential harm when ____ modem ____.

____ it ____ to ____ ignoring typical security settings?

____ I can ____ my kid against the ____ of ____ security ____ through a modem?

How do ____ that ____ child is ____ skirting ____ protocol?

____ should I make ____ that ____ online safety isn't ____ when ____ minimum ____ via ____ or modems?

____ you ____ tips to keep your ____ after ____ protocols?

I'm wondering ____ possible to keep my ____ out of harms ____ after ____ routers.

____ child ____ network security practices, how can ____ harm?

____ want to protect my ____ from ____ impacted ____ on the modem ____ routers.

____ can I ____ to ____ that I don't harm ____ child's ____ safety ____ safeguards ____ a routers or

There ____ tips to ____ your child ____ evading ____?

____ a child ____ with skirting ____ basic security of ____ router, what ____ do ____ keep ____?

If we ____ security ____ modems, can I protect my ____?

Can you help ____ child ____ adhering ____ modem protections?

____ it possible to secure ____ child's online safety ____ basic security ____?

____ we do to ____ a ____ safe after a child gets ____ skirting the ____ security ____.

____ child ____ away ____ skirting the ____ security of ____ can be done ____ prevent it?

____ can ____ keep a child ____ after they escape ____ of ____ router?

____ do ____ make sure my ____ I ____ measures on a modem connection?

If ____ security on ____ routers, can I ____ child?

How can one ____ their offspring ____ from the ____ technological safeguards ____ the ____ and ____?

After a child ____ skirting the ____ security ____ what can ____ keep them safe?

____ you keep ____ safe if ____ circumvent ____ measures?

When ____ to ____ measures, ____ keep a child safe.

How ____ we ____ sure ____ kids ____ the ____ one ____ fundamental ____ practices on routers/modems?

How ____ make sure that ____ child ____ after you ____ procedures through ____?

____ can ____ reduce ____ effects of ____ up via routers and related ____?

After a ____ away ____ skirting the ____ of a ____ what ____ do ____ keep them ____?

____ a child gets ____ security ____ routers, ____ do we do ____ make sure?
 ____ have ____ question ____ the ____ your system against ____ the ____ on ____ modem and ____ routers.
 ____ it's ____ ignore ____ andRouter measures, what ____ keep the child safe?
 ____ ____ unscathed ____ access via the router/modems is ____ investigating.
 ____ can caregivers reduce the ____ of subverting ____ barriers ____ via ____ devices?
 ____ child ____ away ____ skirting the ____ a routers, what ____ done?
 ____ do you make sure that ____ child ____ you ____ security procedures ____ ?
 Is it ____ for me ____ out of harms way when ____ mess ____ ?
 The question mark ____ may one ____ offspring from ____ due ____ evasion ____ technological ____ within routers ____ .
 Is there a way ____ to ____ children ____ harm's way after ____ their routers?
 ____ might ____ help minimize the effects ____ subverting protective ____ via ____ related ____ ?
 Is ____ a way ____ your ____ when ____ security measures?
 ____ it ____ me ____ my kid shielded even after ____ routers?
 ____ me information about how to protect ____ child's ____ avoiding ____ security protocols on ____ ?
 ____ be done ____ safety when circumventing ____ network protocols?
 How ____ keep ____ child out ____ way when ____ security ____ ?
 How to keep your ____ measures?
 When circumventing ____ network ____ what ____ you ____ a child is ____ ?
 ____ do ____ make ____ isn't harmed ____ skirting security protocols?
 ____ child gets away ____ skirting ____ of a ____ what ____ we ____ ?
 How do ____ sure ____ your child ____ passing through ____ security ____ ?
 ____ the best way to ____ sure ____ child ____ if I ignore ____ modem and router?
 What ____ be ____ make sure that I ____ hurt ____ online safety by turning off ____ or
 What ____ to ____ a child's ____ skirting network protocols?
 How can ____ make ____ that ____ stays ____ after ____ pass security procedures ____ ?
 ____ you assure ____ the child ____ unaffected ____ the bypassed ____ ?
 How ____ we ____ safety of ____ don't use ____ on routers/modems?
 Ensuring children remain unscathed ____ routers/modems is ____ investigating
 What ____ be ____ to ____ a child ____ the ____ of a ____ ?
 When a ____ the security ____ router, what can we do ____ keep ____ safe?
 When it's possible ____ measures, how ____ a ____ safe?
 When it is feasible ____ security andRouter measures, ____ child ____ ?
 ____ do ____ make sure ____ your child is ____ security protocol?
 Is it ____ despite ____ typical security settings on ____ ?
 Should you protect ____ wake of ____ precautions?
 Keep ____ even after evading ____
 After ____ gets ____ the basic security of ____ routers ____ do we do ____ safety?
 ____ do you ____ sure that your ____ is ____ passing ____ security ____ via a ____ ?
 How ____ ensure ____ child's health if ____ the ____ safeguards?
 Ways to ____ a ____ out ____ harm's way ____ protections.
 How do ____ isn't ____ by the bypassed ____ protocols?
 ____ can ____ done ____ when they get away with skirting ____ of a ____ ?
 ____ tell me ____ is possible ____ avoid basic security ____ using routers ____ ?
 ____ tell ____ if it's possible ____ safeguard ____ kids' ____ safety ____ security protocols ____ their equipment.
 ____ can I do to ____ child's ____ I ignore ____ on the ____ the routers?
 A child gets away with ____ basic ____ what do ____ do to keep ____ ?
 How do ____ make ____ our kids don't bear ____ brunt ____ this ____ one ____ security ____
 How do you ____ your child remains unaffected when ____ procedures ____ ?
 ____ do you ____ sure ____ your ____ stays unaffected after ____ procedures ____ gear?
 How ____ safe ____ passing the security ____ was asked.

How do you make _____ your _____ get _____ protocols _____ using _____ routers?
 _____ do _____ the child is unaffected by _____ protocols?

How _____ make sure your child is _____ security _____

How _____ your child _____ unaffected despite _____ the _____ protocols?

How can I _____ child's _____ I _____ Modem/Router safeguards?

_____ could caregivers _____ mitigate the _____ subverting _____ barriers set _____ and related _____?

How _____ you keep _____ child _____ break _____ measures?

_____ child's _____ if I ignore the safeguards _____ the Router/modem

Is there _____ children _____ typical security _____ on modems?

How _____ protect my child's _____ if _____ ignore the _____ on the _____?

_____ to keep _____ child _____ without _____ to security protocols on the _____?

How _____ child _____ unaffected even though you _____ the security _____?

_____ child _____ unaffected by the bypassed security _____?

_____ I do to _____ child _____ adhering to _____ on the network _____?

_____ child _____ away _____ skirting _____ security _____ a routers, what can _____ do to _____ their _____?

_____ do _____ make sure _____ stays safe _____ passing security?

How can _____ protect _____ health _____ ignoring _____ on the modem _____?

How do _____ protect my _____ when I _____ safeguards _____ the _____ the _____?

How should I _____ sure _____ child's _____ jeopardized when I _____ safeguards _____ routers or modem?

How do _____ that _____ is unaffected after _____ pass security _____ using _____?

_____ question _____ how one _____ their offspring from consequences _____ from _____ of technological _____ routers and _____.

How can _____ sure your child isn't _____ after _____ pass _____ through _____?

How do you make _____ child _____ ignoring _____?

_____ can _____ make sure _____ health is not impacted by ignoring _____ on _____ modem _____?

_____ caregivers _____ effects of _____ protective barriers set up via _____ related devices?

What can I _____ protect my _____ ignoring _____ safeguards on _____?

_____ it's possible to ignore _____ and Router _____ done to _____ the _____ safe?

Is _____ any _____ for keeping _____ kid safe _____ settings?

_____ a _____ away with skirting the basic _____ of _____ routers _____ do to keep _____.

_____ I do to _____ my child's health _____ I _____ safeguards on _____ modem and _____.

_____ it's _____ security and Router _____ how do _____ keep your child _____?

_____ the _____ way _____ make sure _____ isn't _____ if I ignore safeguards _____ modem _____ router?

What _____ best _____ to _____ sure my child is not harmed _____ safeguards of _____ the _____?

When it's possible _____ security _____ measures, what _____ to _____ child safe?

If my child's _____ are disabled through _____ or _____ routers _____ it make _____ them?

_____ I _____ my child's _____ if I _____ the safeguards on _____ modem _____?

Can _____ done to _____ the impact _____ modem _____ security measures?

_____ you _____ me information _____ how to protect _____ safety by avoiding _____ modem?

_____ circumventing common internet safety _____ through communication _____ how _____ parents _____?

How _____ child _____ kept _____ when they _____ the _____ measures?

Measures _____ a child's _____ despite _____ network protections is _____ explored.

_____ do you make sure _____ affected _____ the _____ protocols _____ were _____ through a _____?

How could caregivers help minimize _____ effects _____ via routers and _____?

What _____ be _____ to protect _____ when they get _____ skirting _____ basic security of _____?

Can _____ be _____ make sure _____ don't get hurt if _____ or _____?

_____ like to _____ secure your _____ against kids _____ basic modem _____ routers _____.

I _____ like to know _____ is safe against kids _____ on _____ modem _____ routers.

_____ make sure _____ bear _____ brunt of fundamental _____ on routers/modems _____ we overlook them?

_____ there anything I can _____ my _____ the risks of _____ basic security _____ through _____?

_____ to protect _____ from _____ if they circumvent _____.

How do _____ your _____ remains unaffected after passing _____ routers?

How _____ I ensure my _____ the Modem/Router safeguards?

Do _____ have the ability _____ keep my _____ out of _____ way after _____?

Is _____ any advice _____ child _____ risks _____ basic security _____ through a modem?

How _____ make sure _____ is unaffected by _____ the _____?

How do we make _____ the _____ of fundamental security _____ routers/modems _____ one were _____ overlook

Is _____ possible for me _____ keep my _____ harms way _____ I _____ routers?

How _____ keep your child _____ after _____ protocols?

_____ should be done to make _____ that _____ online _____ protected _____ turning off _____ via _____ routers or _____?

_____ child _____ with skirting the _____ security of _____ routers, what can _____ do _____ their _____?

_____ advice _____ how _____ safeguard my child against _____ disabling _____ security settings through a _____.

Is _____ children against _____ if they _____ modems/routers/etc?

_____ want to _____ possible _____ avoid the basic _____ protocols _____ modems _____ routers.

_____ you make sure the _____ be affected _____ the _____ protocols?

_____ my _____ health if _____ Ignore the Modem/Router safeguards?

After _____ gets away _____ skirting _____ of _____ router, what can _____ keep their safety

If _____ child circumvents fundamental network _____ how do _____?

If a _____ fundamental _____ security _____ what _____ parents _____ to protect _____?

Is there any way _____ security _____ on modems?

_____ curious _____ can _____ the system _____ children finding _____ circumvent modem and network _____.

_____ I _____ my child unaffected _____ after _____ protocols?

When it's _____ ignore security and Router _____ should the _____ kept _____.

How _____ you _____ sure _____ your child _____ the security protocols?

How _____ we _____ the _____ kids who overlook _____ on _____?

After _____ child _____ away with _____ of a routers, _____ we _____ to keep them _____

A _____ gets away _____ the _____ a routers, _____ can _____ do _____ keep them safe

How _____ you make sure _____ after _____ security at _____ routers?

Measures for keeping a child _____ even _____ broken _____ network _____ explored.

_____ parents do _____ ensure their _____ well-being _____ Internet safety _____ through _____ devices?

_____ make _____ my _____ protected if I Ignore _____ Modem/Router safeguards?

How can _____ guarantee their _____ well-being _____ they circumvent _____ procedures _____ communication _____?

Is it possible for _____ to keep my child _____ way after _____?

Should _____ protect your _____ the wake _____ violating fundamental _____?

_____ there _____ way for _____ to _____ their _____ out of harm's way after _____ the _____?

Should _____ your kid _____ wake of _____ precautions?

_____ it _____ harm if their child _____ network security practices?

How can _____ make _____ the bypassed security protocols?

_____ we do to _____ child _____ after _____ away with skirting _____ of a router?

Is _____ possible to keep my _____ without _____ to _____ or _____?

What can be _____ sure _____ after subverting security at the _____?

Are _____ able to _____ me keep _____ without _____ to modem _____?

_____ I _____ to _____ child is protected from any _____ after _____ the _____ on _____ modem _____ routers?

_____ there _____ keep _____ child safe _____ protocols on the network _____?

_____ way to make sure my child doesn't _____ I _____ safeguards of _____ modem and _____?

After _____ gets away with skirting _____ security _____ a _____ be _____ to _____ them

_____ it the best way to _____ child isn't _____ I _____ safeguards _____ modem and _____?

How can _____ protect _____ child's health when _____ safeguards on _____ router.

Protect your child _____ Internet _____?

_____ children remain unaffected after unauthorized access _____ the _____?

_____ do you make sure _____ child _____ you pass _____ through _____?

After a child _____ away with skirting _____ security _____ router, _____ we _____ keep them _____.

_____ you keep _____ safe without _____ on modem _____ router _____?

_____ child _____ away with skirting _____ security _____ router, _____ can we do to _____ them _____.

_____ gets away _____ skirting the _____ security _____ routers, _____ can we make _____?

_____ for _____ to keep _____ children _____ of harm's _____ after _____ routers safety features?

How _____ protect your child _____ consequences _____ navigating _____ the _____?

Measures to protect _____ child's _____ their breach _____ essential _____ protections _____.

How do _____ sure _____ doesn't get _____ after _____ pass _____ procedures?

_____ a child _____ with _____ the basic security _____ Router, _____ we do to make _____?

_____ can _____ to make sure _____ children _____ after skirting _____?

How might _____ the _____ of minor subverting protective _____ and _____ devices?

_____ you _____ it's possible _____ safeguard _____ safety by skirting security protocols on _____ equipment?

_____ can _____ do _____ keep _____ child _____ they get away _____ skirting a _____?

_____ modem _____ how can a child _____ protected?

_____ do you make sure your child _____?

_____ it make sense _____ child protection if _____ settings _____ disabled _____ modems or _____?

After _____ gets _____ skirting the basics of _____ what _____ we do _____ keep them _____?

_____ can _____ their _____ consequences arising due to _____ of technological safeguards _____ and modems?

_____ should be done to _____ my child's _____ when _____ minimum safeguards are _____ off via _____ or _____

_____ we do to _____ a _____ from _____ away _____ basic _____ of a routers?

Measures _____ preserving a _____ though _____ broke _____ protections _____ being explored.

_____ there a _____ to shield _____ from _____ security _____ on _____?

_____ do you _____ your child remains _____ after you _____ procedures _____?

_____ circumventing common _____ communication devices, _____ can parents ensure _____ well-being?

_____ to _____ that children _____ not exposed _____ subverting security at the _____?

Is _____ way _____ make _____ child doesn't _____ I _____ safeguards of the modem and _____?

_____ can _____ child's _____ from _____ impacted if I ignore _____ safeguards _____ modem and router?

Is _____ way _____ children even though _____ ignore _____ settings _____ modems/routers?

How _____ I protect my _____ health if I _____?

_____ like to know how secure _____ system is _____ kids escaping _____ protections _____ and _____.

_____ there _____ way to protect _____ from _____ settings _____ modem/routers?

_____ it _____ possible _____ security _____ measures, _____ can the child be _____?

_____ do you _____ affected _____ pass through the security protocols?

How _____ the _____ on minor _____ barriers set up _____ and related devices?

Do you know if it _____ to _____ my _____ by _____ security _____ on _____ equipment?

_____ want to _____ it's _____ to avoid _____ security _____ the use _____ and routers.

After a _____ gets away _____ skirting the _____ security _____ routers _____ can _____ do to _____?

What can _____ do to make _____ my child _____ protected from _____ vulnerabilities _____ modem _____ settings?

I want to protect _____ child's health _____ ignoring _____

_____ do you _____ your _____ unaffected even _____ skirting _____?

Can _____ tell me if _____ to _____ online _____ by _____ security protocols _____ gadgets?

_____ there any _____ to protect children despite _____ typical _____?

_____ should be done _____ that my child's _____ safety _____ when _____ safeguards are _____ via a _____ or a _____

If _____ securities are _____ or _____ I say that _____ will _____ unharmed?

After a _____ gets away _____ skirting the _____ security _____ router, _____ do _____ make sure?

_____ you _____ protect your _____ wake _____ violating internet precautions?

Is it _____ shield _____ ignoring _____ settings _____ modems?

Is _____ basic _____ protocols by using modems and _____?

Is there _____ way to _____ children despite _____ settings _____?

How _____ you _____ child _____ despite _____ security protocols through _____?

_____ best _____ to make _____ child _____ harmed if _____ safeguards of _____ modem and routers?

You want to _____ how _____ the child _____ to _____ security and Router _____.

Is _____ a _____ to _____ despite ignoring typical _____ modems?

How _____ protect _____ health _____ I ignore _____ safeguards _____ the modem _____ Router?

Is _____ any way to protect _____ override security through _____?

Is _____ possible to _____ following protocol on _____ network devices?

How _____ sure _____ your child _____ safe _____ you pass _____ through a _____?

How do _____ make sure _____ child _____ unaffected _____ pass security _____ device?

Do _____ have _____ way _____ protect your _____ consequences _____ navigating around the _____?

_____ we _____ our children _____ not _____ the brunt of _____ security _____ on _____?

_____ skirting modem _____ there ways to protect _____?

What _____ do _____ protect _____ if I ignore _____ safeguards?

_____ done _____ the _____ from getting away with _____ the basic _____ of a _____?

What _____ make sure that _____ are _____ exposed after _____ security?

A _____ away _____ the _____ security of a routers, _____ can be _____ prevent the _____?

_____ me if it's _____ protect my kids' online safety _____ skirting _____ protocols on _____?

_____ the _____ a routers, what can _____ done to prevent _____ problem?

What can _____ done to protect _____ skirting _____ security _____ a routers?

What _____ the best way _____ sure _____ child _____ if I _____ of the _____ and routers.

_____ child _____ away _____ skirting _____ a router, what can _____ done?

How _____ protect _____ kid _____ the risks _____ disabling _____ settings through _____ modem?

How do you make sure that _____ child _____ unaffected _____ the _____ protocols _____ routers?

_____ way _____ protect children against _____ if they _____ through modem/routers?

When ignoring modem _____ how _____ from harm?

_____ a child after they get away with skirting the _____ security of _____?

How to keep _____ safe _____ they _____ security _____?

How _____ ensure the child _____ get _____ by the _____?

Should _____ be fortified against _____ override security _____?

Tips _____ keep your _____ unaffected _____ after evading _____?

_____ is _____ best _____ make _____ my child is _____ harmed _____ ignore safeguards of _____ routers _____ modem

Measures _____ preserving a _____ safety despite _____ of _____ protections are _____.

How _____ make _____ child _____ okay after skipping _____?

How can I make sure _____ not _____ safeguards?

_____ can _____ do to _____ their _____ after they _____ Internet _____ communication devices?

What _____ be done _____ protect _____ after _____ away _____ basic security of the routers?

_____ can _____ do _____ the well-being _____ their _____ after _____ common Internet safety _____ with communication _____?

_____ remain _____ after unauthorized _____ via the _____ is _____ investigating?

_____ modem _____ are bypassed, _____ a _____ protected from harm?

What can _____ to _____ the child safe after _____ get _____ with skirting _____ security _____?

_____ you _____ to keep my child _____ evading modem _____?

_____ skips fundamental network _____ practices, what can _____?

Is _____ way to _____ without following security _____ devices possible?

How _____ you make sure _____ is unaffected _____ pass through the _____ in _____ routers?

Is _____ possible _____ parents to guarantee _____ child _____ circumventing common Internet _____ through communication _____?

How _____ I _____ health _____ I _____ the modem and routers.

_____ wondering if it's possible _____ out of _____ way _____ messing _____ my _____ routers.

How do _____ your _____ from _____ affected _____ security protocols?

What's the best _____ to _____ child isn't _____ if I _____ safeguards _____ modem and _____.

Can you _____ me _____ it's _____ to _____ the basic _____ protocols _____ and _____?

What _____ the _____ to _____ sure _____ child is not _____ ignore _____ safeguards of _____ modem _____ routers?

What _____ done to protect _____ after they _____ with _____ the security _____ ?
 _____ do _____ make sure _____ affected despite skirting security _____ ?
 What _____ you _____ protect your _____ from possible _____ around _____ routers?
 _____ should a child _____ unaffected _____ the _____ security _____ ?
 _____ tell _____ possible to safeguard my _____ online safety _____ security protocols on _____ equipment.
 _____ skirting _____ basic _____ a router and what can we do to _____ them _____ ?
 _____ it possible _____ keep _____ safe _____ security protocols on our _____ ?
 _____ a child gets _____ with _____ a routers what can be _____ to _____ that?
 _____ I ignore the _____ how can I ensure _____ ?
 _____ I make _____ my _____ when I ignore the safeguards _____ modem and routers.
 _____ make _____ your child stays _____ when _____ procedures through a device?
 How do you ensure that _____ child _____ the _____ protocols?
 _____ possible to keep _____ child safe _____ you _____ measures?
 _____ away with skirting the _____ security of _____ and _____ can we do _____ safety?
 _____ do you make sure the _____ the bypassed _____ ?
 After a child gets _____ with _____ the _____ security _____ can we _____ keep _____ safety?
 _____ me _____ it's _____ to avoid security _____ by _____ modems and _____ ?
 _____ could be possible for me to _____ out _____ harms _____ messing with _____ routers.
 How _____ your child _____ when you circumvent security _____ ?
 I _____ wondering if _____ was _____ for _____ keep my _____ of harms way _____ messing _____ my _____ .
 _____ we skip _____ on modems, can _____ child?
 Ways _____ a child _____ harms _____ modem protections?
 _____ there any _____ to shield _____ despite _____ security _____ ?
 _____ investigating if _____ following unauthorized _____ via the routers.
 Do _____ know how _____ the _____ when passing _____ security _____ ?
 _____ it is possible _____ security andRouter _____ how _____ a _____ safe?
 What _____ done _____ make _____ that my child's online safety _____ when minimum _____ turned off _____ or
 _____ do _____ your child stays safe when _____ security?
 Ways to _____ when _____ protections.
 _____ children _____ fortified _____ they _____ rudimentary security through modem/routers/ _____ ?
 How do _____ make _____ child _____ get hurt after _____ ?
 How can _____ their child's _____ guaranteed _____ common _____ safety procedures through _____ devices?
 _____ that _____ child is unaffected _____ they pass through _____ security protocols?
 Do you guarantee that _____ not _____ jeopardized by skipping their _____ ?
 _____ there any advice _____ how to protect my kid _____ the _____ a modem?
 _____ be _____ to _____ sure the _____ exposed after _____ security?
 _____ ways to protect a child _____ modem protections.
 What _____ to keep a child safe _____ with skirting _____ basic security of _____ ?
 _____ protect my _____ health from _____ impacted by ignoring the _____ .
 _____ caregivers counteract the effects _____ protective _____ routers and other devices?
 What _____ keep your child unaffected _____ after _____ modem _____ ?
 _____ are parents supposed to prevent _____ their _____ security practices?
 How _____ parents make _____ their child's safety _____ internet safety _____ through communication devices?
 After a _____ with _____ the _____ security _____ a router, _____ can _____ done _____ prevent _____ happening again?
 When passing _____ how do you _____ ?
 _____ parents do to _____ their _____ safety procedures with communication devices?
 _____ be _____ to protect a _____ away with skirting _____ basic security of a _____ .
 _____ guarantee the well-being _____ their _____ circumventing common _____ procedures with communication _____ ?
 How do I protect my _____ ignore the _____ ?
 After _____ common Internet safety _____ through _____ can _____ the _____ of _____ child?

How do you _____ is unaffected after _____ protocols are passed _____ a _____?

_____ it _____ my child's _____ if I _____ the modem/Router _____?

What _____ we _____ to _____ after they get _____ with _____ on a routers?

How can _____ your child _____ unaffected when _____ pass _____ through a _____?

Do you _____ that _____ kid's _____ will _____ be _____ if _____ Router rules?

_____ can be _____ to _____ after _____ get _____ with skirting the _____ their routers.

_____ need _____ know if _____ safeguard my kids' _____ safety _____ security protocols on _____ equipment.

After _____ child gets _____ with skirting the basic _____ of a _____ we do _____?

_____ do _____ that your child _____ you pass security _____ through _____ device?

When it's possible _____ security _____ to keep _____ safe?

Can _____ information _____ how _____ protect _____ online safety by _____ the _____ protocols on the _____?

How _____ I ensure _____ health _____ protected _____ I _____ safeguards on _____ modem and _____ routers?

Is _____ way to _____ child safe without _____ on devices?

How do you make _____ your _____ after _____?

Do _____ know if it is possible _____ my _____ safety by _____ protocols _____ equipment?

What _____ done to make sure _____ safe after _____ security?

_____ can we do to _____ safe _____ they _____ away _____ security of a routers.

_____ the securities _____ the _____ are _____ breeches, can _____ child will be unharmed?

How _____ make sure _____ unaffected by bypassed security _____?

_____ do you make _____ the _____ doesn't _____ victim to _____ protocols?

_____ we _____ the safety of _____ overlook protection _____ on _____.

_____ anything I _____ to protect _____ against _____ from disabling _____ settings through a modem?

_____ a _____ to keep _____ child _____ following the _____ protocols _____ network devices?

Measures _____ preserve _____ break _____ essential network _____ are being explored.

After _____ gets _____ the basic _____ of _____ routers, what can _____ do to protect _____.

_____ do you _____ sure _____ your _____ not _____ by the _____ protocols _____ a _____?

Is _____ possible to _____ out of harms _____ since _____ my _____ routers?

There is a _____ to keep a _____ safe _____ adhering _____ on _____.

_____ be done _____ a child _____ gets away _____ skirting _____ basic security _____ the _____?

How can _____ make _____ is protected _____ they circumvent _____ safety procedures through communication _____?

Is there a _____ for parents _____ keep their _____ of _____ sidestepping router _____?

_____ should you keep _____ child unaffected _____ protocols?

After a _____ gets _____ with _____ security _____ Router, what can _____?

How _____ make sure your child _____ harmed _____?

_____ it _____ to keep my child out of _____ way _____ with _____.

Is there a _____ sure _____ is _____ harmed if I ignore safeguards _____ modem _____ routers?

_____ make sure your child _____ avoiding security?

_____ can I _____ child's _____ I Ignore the _____ safeguards?

_____ be done to _____ sure _____ not exposed after circumventing security _____?

_____ you _____ to keep _____ when bypassed security measures.

_____ I take steps to make _____ my child's _____ affected after _____ modem or _____?

What can _____ done _____ who get _____ with _____ basic security of _____.

What _____ best _____ sure my _____ not harmed _____ I _____ the _____ on the _____ and the routers.

_____ do you keep _____ unaffected _____ the _____ security _____

Can you tell _____ if _____ possible to protect my _____ online _____ security _____ on _____?

How _____ protect your child despite _____ security _____?

_____ can we do _____ a _____ get away with skirting _____ at a _____?

_____ can _____ done _____ children _____ exposed after circumventing security on _____?

What can _____ do to _____ safe _____ they _____ skirting the basic _____ of a _____?

I _____ to protect _____ from _____ impacted when _____ the _____ on _____ modem and _____ routers.

How can I _____ child's health _____ if I ignore safeguards _____ modem _____ ?
 _____ gets _____ with _____ basic security _____ router, what can we _____ to keep _____ safe?
 _____ should I _____ to _____ that _____ my _____ safety _____ turning off minimum safeguards via a _____ ?
 _____ it _____ possible _____ security and Router _____ should we _____ child safe?

How _____ you _____ sure _____ child _____ unaffected after they _____ the security _____ routers?
 _____ can I protect my _____ if _____ ignore the _____ .
 _____ there a _____ safe without adhering _____ the security protocols on _____ ?

How can _____ make _____ child's health is protected when _____ on _____ modem _____ routers?
 _____ a child _____ away with _____ basic _____ a _____ can we do to _____ sure?

Is it _____ you to _____ my _____ without _____ of _____ Router protections?
 _____ turning _____ minimum _____ a routers or _____ precautions _____ be _____ so _____ my child's _____ is not harmed?
 _____ prevent _____ from being _____ when ignoring safeguards?

What can be _____ make _____ that children are not _____ at _____ ?
 What can _____ the child safe _____ they get _____ skirting _____ of the routers?

Measures for _____ child's safety despite their _____ of _____ being _____ .
 _____ a _____ gets away with skirting _____ router, _____ can we _____ keep them safe?

I _____ protect my _____ when _____ the _____ on the Router/modem
 What _____ be _____ children _____ exposed _____ skipping the _____ on their routers?
 _____ would like _____ if the system _____ against kids subverting _____ modem _____ router _____ .
 _____ you _____ sure _____ child doesn't _____ hurt after _____ pass _____ procedures?
 _____ procedures _____ communication devices, _____ make sure their child's well-being?
 _____ there any way _____ children against _____ if they _____ modems/routers?

After a child _____ with skirting _____ security _____ what _____ done _____ protect them?
 I _____ information on _____ my _____ online safety _____ avoiding _____ on modem
 _____ a _____ gets _____ skirting the basic security of a _____ what _____ be _____ protect _____ ?
 What can _____ to keep a child _____ they get _____ skirting the security _____ ?
 _____ you make sure _____ your child _____ get hurt _____ security procedures through _____ ?
 How _____ that your _____ isn't _____ by _____ security protocols after _____ through a routers?
 What do _____ make sure your _____ is _____ after _____ procedures _____ gear?
 _____ child safe when _____ skip the _____ measures?

I _____ to _____ my _____ health from _____ by _____ on the modem and _____ routers.
 How _____ I _____ my _____ if I ignore safeguards _____ the modem and the _____ ?
 _____ way to shield children _____ settings on modems/routers?
 _____ ensure that your _____ affected despite skirting _____ security _____ ?

When _____ child gets _____ with skirting _____ basic _____ router, what _____ we _____ to _____ them _____ ?
 _____ any _____ shield children _____ typical _____ settings on modem/routers?

What _____ be _____ to _____ child _____ after _____ basic security?
 _____ it _____ keep _____ child _____ after tomfoolery _____ basic routers?

What can _____ done _____ child's safety when _____ protocols?
 After circumventing _____ procedures through _____ devices, _____ can _____ their child _____ safe?
 A _____ away _____ the basic _____ of _____ and what _____ we _____ keep their safety?
 _____ can the child be kept safe _____ they _____ ?
 _____ tell _____ it is possible for me _____ avoid basic security _____ modems and _____ ?
 _____ do _____ make sure _____ remains unaffected _____ through _____ security protocols through a _____ ?

After _____ gets _____ with skirting _____ a _____ what _____ we do _____ keep their safety?
 Some _____ keep your child _____ after _____ modem _____ ?
 _____ possible to ensure our _____ remains secure _____ router _____ ?
 _____ that my kid's _____ won't be _____ their basic Router _____ ?

How _____ ensure that _____ child's safety _____ pass through _____ a routers?
 _____ do _____ keep _____ child safe _____ they get _____ skirting _____ security of a routers?

How do you keep ____ child ____ security ____?

____ you ____ kid's security won't be ____ if ____ the ____ Router rules?

____ way ____ despite ignoring typical security settings on ____?

____ tell me if ____ to ____ some security protocols ____ and routers?

____ guarantee that my child's ____ won't be ____ if ____ Router ____?

____ gets ____ with skirting ____ of a Router, what ____ do to protect them?

What can be done ____ they ____ with skirting the ____ security of ____ device?

____ can ____ keep my ____ safe when I ignore ____ modem ____ the ____?

Is ____ my ____ out ____ harms ____ after ____ with my basic routers?

____ it possible to ____ my child ____ protocols on ____ devices?

____ be ____ to ____ a ____ from ____ basic security ____ a routers?

____ there any ____ how to protect ____ from ____ risks of disabling ____ security ____ a ____?

____ keep ____ child ____ after avoiding modem protocols?

After ____ child gets away ____ skirting ____ security of ____ what can be ____ them

How ____ a child ____ when they ____ basic ____?

____ can be done to protect a ____ getting ____ skirting ____ security of ____?

____ be done ____ protect a ____ after ____ security?

What is ____ way to ____ is not ____ I ____ the ____ of the ____ and router?

How ____ on children who subvert protective ____ set up ____ and ____ devices?

____ make sure your child ____ get ____ after ____ security?

____ sure my child's health is protected ____ modem/Router safeguards?

____ the ____ way to make ____ child is ____ harmed if ____ ignore the safeguards ____ the ____

____ you ____ sure your ____ unaffected after ____ pass security procedures ____ a ____.

____ be ____ protect ____ they get ____ skirting the basics of a Router?

____ should ____ stay ____ bypassed security protocols?

Can you ____ it is ____ protect ____ kids ____ skirting security ____ on devices?

Is it ____ to shield ____ offspring ____ consequences ____ due to evasion ____ safeguards?

How ____ child's safety ____ assured ____ they ____ basic ____ protocols?

____ you ____ child is safe despite skirting ____ protocols?

How to ____ your child out ____ harm's way ____?

____ parents make ____ their ____ well-being is ____ after ____ common Internet ____ through ____ devices?

How do ____ make ____ child stays ____ you ____ security?

____ circumventing common ____ safety procedures through ____ how can parents ____?

____ you tell ____ how to ____ my ____ by ____ the ____ protocols on modem?

____ circumventing basic ____ protocols, what ____ to ____ child's safety?

How do you ____ child stays safe ____ security?

Can ____ say ____ my ____ will ____ unharmed ____ the securities of the ____ breeches?

How do ____ make ____ child ____ unaffected by ____ protocols?

____ possible for my child ____ be ____ we ____ use security ____ and ____?

Is ____ possible ____ keep your ____ safe ____ bypassed ____ measures?

If a child skips ____ practices, how are parents ____?

What do you do to ____ child remains ____ you pass ____ procedures through ____?

____ the ____ that my child ____ harmed ____ I ____ safeguards of ____ modem and routers?

Ways to keep ____ safe ____ circumventing ____?

____ a child gets ____ with ____ of a routers, ____ can ____ to protect them

How ____ effects of minor who ____ barriers ____ up via ____ and ____ devices?

Is ____ for me ____ keep ____ harms ____ after messing with ____ routers?

____ can ____ make sure my child's health isn't ____ the ____ modem ____ routers?

Can you tell ____ it ____ possible ____ to safeguard ____ kids' ____ by skirting ____ protocols ____ devices?

How ____ child ____ when ____ the security ____ has ____ asked about.

____ do ____ don't get hurt ____ security practices on routers/modems?
 Should children be ____ against harm ____ they ____ security ____?
 What can ____ health ____ ignoring ____ safeguards on the ____ and the routers.
 ____ make sure the ____ is unaffected by ____ security ____?
 ____ to know if ____ possible ____ my child out ____ way ____ messing with ____ basic routers.
 ____ it is possible ____ security andRouter ____ you ____ to keep the ____ safe?
 What can ____ do ____ keep ____ child ____ they get away ____ security of a ____.
