

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Equipment malfunction troubleshooting guidance
Inquiry Sub-Category	Electrical Surges
Description	Guidance on diagnosing and resolving problems caused by sudden bursts of high voltage, including checking surge protectors, inspecting wiring connections, and addressing faulty appliances.
Data Size	10,239 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

_____ specific appliance _____ as causing _____ bursts _____ voltage _____ my home's _____ supply system?
_____ the appliance to _____ my _____?
Will it be _____ specific device _____ solve _____ rise _____?
Is there _____ correlation _____ individual _____ and the power _____ system?
_____ it _____ one _____ is generating _____ power spikes at _____?
_____ this _____ cause _____?
_____ you tell _____ if _____ appliance is _____ a _____ surge in the power supply _____ my _____?
Would _____ say _____ the _____ the frequent electrical surge?
_____ wondering if _____ source of the high _____ is an appliance.
Do _____ think _____ possible _____ the _____ intermittent voltage spikes?
Is it possible _____ a single _____ is _____ spikes?
_____ device _____ reason _____ spikes at home?
_____ would like _____ if this _____ behind the high voltages _____ home.
Is _____ appliance the _____ surges?
Can you _____ me _____ appliance is causing _____ in _____ in _____?
_____ anyone know if _____ equipment _____ surge of _____ voltage _____ my home's electrical system?
Is _____ for _____ burst _____ traced back to this _____?
I would _____ to know if _____ possible _____ if the particular appliance _____ blame _____ surge _____ home's
_____ current
We would _____ to know _____ any _____ power surge at our _____.
I wonder if this appliance _____ blame _____.
Will _____ which appliance is the cause of the sudden _____?
_____ you _____ this appliance _____ for the surge?
I would _____ to know _____ there is _____ way to _____ which _____ the _____ high _____ energy in _____.
_____ be able _____ if that machine _____ the shocks?
_____ appliance be _____ power surges?
Can _____ tell _____ of _____ appliances is sending shock waves _____.
Is _____ possible that _____ is responsible _____ surge?
_____ tell _____ if a particular _____ to blame _____ the _____ high _____ my home?

Is ____ possible ____ the ____ ____ have ____ jumps ____ home's supply system?
 ____ voltages come from this ____?

Does that ____ sudden ____ high electricity ____?

Has ____ specific equipment ____ identified ____ the sudden surge in ____?
 ____ to ____ if there's ____ to identify which appliance is generating ____ in ____ home.

Is your appliance ____ for the ____ surge ____?

____ to ____ out any ____ that is ____ for ____ power surge?
 ____ appliance cause ____ surge ____ electricity?
 ____ of high ____ bursts be an ____?

Can ____ if the ____ behind the surge ____ power?
 ____ you ____ machine may ____ contributing ____ bouts of electrical ____?

Can anyone tell ____ one ____ appliances ____ through my ____ system?
 ____ want to ____ if ____ zaps extra ____ my electrical ____.
 ____ confirm ____ the device is ____ sudden spikes in voltage ____ my ____?

Is ____ to identify ____ is ____ these spikes?
 ____ possible ____ if the particular appliance ____ to blame for ____ intermittent ____ electrical current?
 ____ this particular ____ occasional high voltages at home?
 ____ me if the appliance ____ the high ____?

Is it ____ that ____ device ____ large ____ here?

Can ____ tell me if a particular ____ causes ____ sudden ____ home's ____?
 ____ able to tell me ____ that is ____ sporadic increases in ____ voltage at ____ property?
 ____ there any device ____ can be ____ the ____ surge ____ house?
 ____ it possible ____ locate the ____ the ____ in the ____?

Is the ____ causing ____ power surge ____?
 ____ you ____ me if any particular ____ is ____ sudden ____ the electric ____ my ____?

Does ____ device cause ____ spikes ____?
 ____ the high-voltage ____ back to ____ unit?

Is the identified device to ____ sudden voltage ____?

Can ____ be ____ to ____ unit?

I ____ specific ____ culprit behind occasional ____ voltages at home.
 ____ this ____ produce electricity ____?

Is ____ possible to determine ____ current ____ caused ____ an appliance?

Does a ____ spikes?

Can ____ which appliance is causing ____ surge ____ in ____ home?
 ____ caused the spikes identified?

Is the ____ appliance ____ blame ____ the ____?
 ____ there ____ that ____ power surge here?
 ____ determine if a particular appliance is ____ burst ____ high voltage?

Is there ____ link between ____ individual appliance ____ the ____ system?

Do you ____ there's ____ that ____ appliance is ____ spikes?
 ____ it likely ____ machine is causing frequent ____ electrical ____?
 ____ it possible this ____ to frequent ____ of electrical ____?
 ____ to know if ____ tell me ____ equipment that may ____ sporadic ____ in electricity supply ____.

Is it ____ the ____ stem ____ device?
 ____ device ____ blame ____ sudden voltage spikes ____ home?
 ____ you ____ a particular appliance is to ____ for ____ my home's electricity supply ____?
 ____ any ____ equipment ____ of the sudden surge ____ high voltages ____ my home?

Will ____ able ____ tell me the ____ that is instigating ____ in ____ supply ____?

Does ____ identified device cause ____?

Is it possible ____ product ____ cause ____ in ____ voltage ____ home?

____ it possible ____ tell me ____ item is ____ up ____ ?
 Is ____ that ____ identified ____ could cause ____ fluctuations?
 Is ____ one appliance ____ creating sudden, powerful ____ in ____ home?
 Can ____ tell ____ device ____ big power ____ ?
 Is it ____ blowing up my power?
 ____ the ____ of ____ voltage bursts in my ____ appliance?
 ____ the ____ appliance cause ____ ?
 ____ you able ____ is ____ the sporadic increases in electricity supply voltage?
 ____ that ____ for the sudden ____ ?
 I ____ to know if the ____ spikes.
 Are ____ able to tell me ____ may cause ____ in ____ supply ____ my property?
 Is ____ the ____ voltages ____ from ____ device only?
 ____ it possible ____ attribute ____ voltage ____ to ____ device?
 Would it ____ the device causing the ____ the power ____ ?
 Can we attribute ____ rise ____ power ____ machine?
 Can ____ which appliance caused the ____ in the ____ ?
 ____ any ____ can be blamed ____ at our house?
 ____ the ____ is causing the ____ burst of ____ voltage in ____ home?
 ____ there a ____ between ____ appliance and power ____ supply system?
 ____ I ____ culprit behind the ____ home is this specific ____ ?
 Is it ____ appliance ____ blowing ____ my power?
 ____ possible ____ particular ____ is ____ a sudden burst of high voltage?
 Can you tell ____ is ____ cause ____ the sudden ____ my home?
 Is ____ that elevated voltages only ____ from ____ ?
 ____ certain ____ cause high ____ electricals?
 ____ it possible that ____ them ____ are sending ____ through ____ system?
 Is that ____ responsible ____ power surges ____ house?
 Can you ____ which appliance ____ be to blame for the ____ in ____ ?
 ____ this appliance cause ____ ?
 Is it possible ____ electrical ____ ?
 ____ causing the power ____ ?
 ____ a ____ that ____ appliance ____ generating sudden, ____ voltages at ____ ?
 ____ appliance that causes ____ surge ____ my house?
 ____ wonder if ____ could ____ shocks in our home ____ .
 ____ I ____ which ____ causing ____ voltages to go up ____ home?
 ____ cause ____ sudden rise ____ power?
 ____ certain ____ cause ____ in my electricals?
 Is it possible ____ a particular ____ a sudden burst of ____ ?
 ____ the appliance ____ identified ____ causing sudden ____ of high ____ home?
 ____ there ____ particular apparatus that might be triggering ____ in ____ electric ____ house?
 ____ that one ____ making a ____ surge of power ____ home?
 ____ you ____ this ____ is ____ frequent bouts ____ surge?
 ____ to know if there's ____ way ____ identify which appliance is ____ sudden ____ high ____ .
 ____ appliance cause ____ surge in ____ ?
 Is it ____ that this specific ____ is ____ blame ____ occasional high ____ ?
 Is this ____ capable ____ surge?
 Is ____ designated ____ capable ____ electric ____ occasionally?
 Is the ____ to ____ bursts?
 ____ this appliance to ____ for ____ ?
 Is ____ possible ____ single appliance ____ cranking up ____ power ____ ?

____ it possible that ____ from ____ device?
 Is ____ possible to point ____ which ____ voltage at home to ____?
 ____ cause high voltage ____?
 ____ source of high ____ bursts be ____?
 Do you ____ a ____ that ____ appliance is causing ____?
 ____ a person ____ appliance ____ surge?
 Would ____ know if ____ behind ____ shocks?
 ____ appliance to blame ____ sudden ____ of electricity?
 Do certain appliances cause sudden ____ events ____?
 ____ you think ____ can ____ intermittent voltage ____?
 ____ if the device causes ____ power ____ here?
 We can determine ____ appliance ____ the power ____.
 Is it ____ to ____ the appliance ____ intermittent ____ in ____ electric current?
 Is ____ appliance ____ cause ____ the power surge ____?
 ____ the ____ responsible for ____ bursts of ____?
 ____ to blame ____ the ____ fluctuations ____ my home?
 Is ____ possible to ____ the specific ____ causes ____ of ____ voltage in ____ home's ____ supply ____?
 ____ the ____ of ____ high ____ in ____ is an appliance.
 Are you able ____ the exact ____ instigating ____ sporadic ____ in electricity supply ____ my property?
 ____ this an appliance ____ high ____?
 Is ____ appliance ____ for ____ surge?
 Would this ____ surge ____?
 Does the ____ the ____ home?
 I ____ wondering if any ____ is to blame ____ the sudden surge of ____.
 ____ this appliance cause ____ power?
 ____ appliance ____ crazy ____ spikes ____ my home?
 Are you able ____ tell ____ causing sporadic increases ____ electricity supply ____ property?
 ____ appliances ____ sudden ____ events?
 Is ____ back the sudden increases in electricity ____ to ____?
 ____ me if a certain ____ big power surge?
 ____ there any ____ that the said appliance ____ causing voltage ____?
 ____ a device cause ____ home?
 ____ cause power spikes?
 ____ there ____ devices that are ____ for ____ power ____ our ____?
 ____ you know if ____ device caused the ____?
 Do certain ____ sudden ____ events ____ my ____?
 Is ____ caused by ____?
 ____ sudden voltage ____ to the ____?
 ____ to attribute sudden ____ to ____ device?
 Is ____ that the ____ a sudden burst ____ high ____ my home's electricity supply ____?
 ____ appliance is to blame for ____ sudden ____ of electricity ____ my ____?
 Does ____ appliance ____ electrical levels?
 Do ____ believe ____ contributing to the frequent ____ of ____ electrical ____?
 Is ____ possible to ____ the ____ of ____ spikes ____ the ____ grid ____ my ____?
 ____ the inconsistent ____ boost ____ one ____ in my ____?
 ____ this appliance to ____ blamed ____?
 I'm ____ if any particular ____ might cause ____ in ____ current ____ house.
 ____ to ____ if any ____ is responsible ____ the ____ surge ____ high voltage.
 Are ____ able ____ the ____ equipment that is causing sporadic increases ____ electricity ____ my ____?
 ____ the ____ of ____ high ____ a specific ____?

Perhaps _____ source _____ high _____ bursts _____ my home is _____ ?

_____ device _____ caused the _____ at _____ ?

_____ possible _____ one appliance is creating _____ powerful _____ ?

Do you believe _____ is likely _____ machine _____ contributing _____ of _____ surge?

Is _____ figure out if _____ particular _____ generating sudden _____ voltages?

If there _____ way to identify _____ appliance is _____ electrical _____ my _____ let _____ know.

_____ the high- voltage _____ be traced _____ to _____ ?

_____ this _____ create _____ surge _____ electricity?

_____ you _____ the _____ appliance _____ cause intermittent _____ spikes?

_____ it _____ single _____ any device responsible _____ power surge _____ our _____ ?

_____ know if _____ them _____ sending shocks through my system.

I _____ if the source _____ high voltage _____ in _____ a specific _____ .

_____ this _____ surge ups?

Can _____ appliance behind the _____ voltages?

_____ wonder if _____ appliance is _____ for _____ surge in my _____ .

_____ that appliance cause _____ power _____ my _____ ?

_____ that _____ high levels _____ electricity?

_____ you _____ appliance might be _____ blame for _____ sudden _____ voltage in my _____ ?

_____ there _____ to _____ the appliance _____ high _____ surge?

Is that power _____ appliance?

_____ appliance could _____ in our home _____ supply.

Is _____ the spikes?

_____ want to know _____ appliance can _____ in _____ home _____ .

I _____ to _____ if any _____ might _____ increase in the electric _____ flowing into _____ house.

I don't know if _____ is _____ for _____ voltages at _____ .

_____ would _____ any particular apparatus _____ cause sudden increases in _____ flowing into my _____ .

_____ this appliance _____ my electricity?

Can _____ tell me the exact equipment _____ intermittent increases _____ supply _____ at my _____ ?

I would _____ it is possible _____ determine if the particular appliance _____ to _____ for _____ in _____ electric

Is it _____ which item _____ the voltage _____ home?

Can _____ appliance take _____ blame _____ the _____ surge in _____ ?

_____ appliance the _____ of _____ electricity levels?

Is _____ any equipment _____ for the sudden _____ voltage in _____ electrical system?

_____ appliance _____ causing power _____ my house.

Is it possible to _____ appliance behind _____ ?

_____ would like to _____ specific _____ is responsible for _____ of high _____ .

Does the _____ in _____ home?

Can _____ if the appliance _____ cause _____ power surge?

There's _____ that _____ causing intermittent voltage spikes.

_____ appliance the _____ to cause _____ ?

_____ the _____ spikes _____ the _____ supply?

Is there a _____ equipment _____ caused the _____ voltage _____ my _____ ?

_____ appliance the _____ of _____ voltages?

Can you _____ me _____ the _____ the cause of _____ sudden _____ grid?

_____ we _____ if the _____ is _____ the power _____ ?

_____ possible _____ the specific appliance _____ the sudden _____ voltage _____ my home?

_____ the individual appliance _____ to the _____ my _____ system?

I _____ to _____ if _____ is _____ to determine _____ appliance is responsible _____ intermittent _____ in my home's _____ .

_____ that appliance _____ of the _____ in _____ house?

___ it ___ that ___ device ___ responsible for the ___?

___ know ___ there ___ evidence linking the individual appliance ___ jumps.

___ if ___ device ___ for the intense voltages.

___ it possible ___ the ___ appliance ___ bursts of ___ voltage in ___ home's ___?

Can ___ device causes a ___ surge here?

I'm wondering if ___ particular apparatus ___ be causing ___ sudden ___ the electric ___ flowing ___.

Is it possible to ___ the particular appliance ___ intermittent ___ in my home's ___?

___ appliances ___ the electricity supply ___ home.

Is ___ really blowing up ___ electricity ___ crazy voltage ___?

Can ___ if one of ___ is sending ___ through ___ whole ___?

Do ___ sudden ___ events in the ___?

I ___ wondering if ___ particular ___ increases in the ___ flowing into my ___.

Is it possible ___ determine whether the ___ is to ___ in ___ home's electric ___?

Do you think there's ___ appliance causes ___ voltage ___?

Does ___ appliance cause ___ high ___ of ___?

If the ___ product ___ unexpected ___ fluctuations ___ home, ___ it ___?

___ wonder if ___ out which ___ up the voltage.

___ the appliance ___ for ___?

Can ___ tell me if ___ big ___ surge?

Do ___ know ___ that ___ behind high electric ___?

I'm ___ if any ___ apparatus ___ be ___ increases ___ electric current flowing ___ my ___.

I ___ appliance ___ for the surge.

Is ___ possible to single out ___ the ___ surge in ___?

Is ___ appliance ___ sudden ___ electricity ___?

___ appliance the cause of ___ sudden ___ power?

___ it possible ___ which item is ___ the voltage at ___?

___ this ___ cause ___ here?

Which item is ___ at ___?

Do ___ appliances cause ___ high- ___?

Will ___ be able to ___ exact ___ that is causing sporadic increases ___ electricity ___ property?

___ think there's ___ that the appliance is ___ voltage ___ and ___?

___ appliance to blame ___ power ___?

___ any ___ the individual ___ to power jumps?

I ___ this particular ___ responsible ___ the high ___?

___ there any ___ apparatus that might cause ___ in ___ electric ___ flowing ___?

___ the ___ to blame ___ the power ___ home?

___ wonder ___ this ___ is ___ the surge.

Is ___ specific appliance that ___ sudden ___ power?

Is the specific ___ the ___ voltage burst?

Are surge-inducing appliances ___ affecting ___ supply?

Is ___ this ___ contributing to frequent bouts ___ electrical ___?

Is ___ possible that ___ voltages ___ traced back to ___?

Is certain appliances ___?

___ this appliance ___ to ___?

Do you ___ is behind the high ___?

___ tell ___ the device causes the big ___?

Is that appliance the ___ sudden ___?

Would ___ item ___ ups?

___ the ___ device ___ spikes ___ home?

___ possible to identify a ___ that causes ___.

Is there a _____ device _____ for power surge _____ ?
 _____ way to identify _____ appliance behind the _____ surges?
 _____ possible to determine _____ an appliance _____ to _____ intermittent surges _____ current?
 _____ to figure _____ exact _____ that may be causing _____ sporadic _____ electricity supply voltage?

Is _____ appliance _____ blame _____ the _____ ?
 _____ specific appliance _____ electricity levels?
 _____ you tell me _____ apparatus might _____ causing _____ increases in _____ electric current entering _____ ?

Is _____ a cause _____ sudden high electricity _____ ?
 _____ is a way _____ which _____ generating the high electrical energy in _____ home, _____ .

What _____ responsible for _____ surge _____ our house?
 _____ apparatus causing sudden increases _____ the _____ flowing into _____ house?
 _____ think _____ possible _____ the said _____ is _____ voltage spikes?

I _____ this specific device _____ culprit _____ voltages at home.
 _____ possible that there _____ one _____ generating a _____ power?

Can you _____ if _____ particular _____ is _____ for the _____ voltages _____ home?
 _____ a specific _____ electricity levels?
 _____ may _____ evidence _____ the individual _____ power jumps _____ home's _____ system.

Do _____ whether the _____ apparatus contributes _____ in household electric _____ ?

I was _____ could _____ device causing _____ spikes in power _____ .
 _____ that this machine is _____ frequent bouts of _____ surge?
 _____ possible that the identified product _____ voltage _____ ?
 _____ device responsible for _____ volts?

Is _____ possible for the _____ to cause _____ high _____ in _____ home's _____ system?

Can you _____ me _____ exact equipment that _____ inciting _____ increases in _____ supply _____ at _____ ?
 _____ likely _____ this certain machine is _____ frequent bouts _____ electrical _____ ?
 _____ you _____ me if _____ particular appliance is _____ blame for sudden _____ ?
 _____ cause electricity _____ here?
 _____ this machine _____ causing _____ bouts of excessive electrical _____ ?
 _____ way _____ find the appliance _____ high voltages?
 _____ this appliance capable _____ high _____ ?

Is _____ possible that _____ device _____ the _____ voltage surges?
 _____ identify which _____ causing these spikes at _____ house?

Can you tell me the _____ that _____ of _____ surge in _____ ?

Is _____ to _____ device is _____ the _____ in the power _____ ?
 _____ appliance _____ in our _____ supply?
 _____ we be able to _____ is _____ for the power _____ our _____ ?
 _____ you _____ me _____ equipment that _____ causing _____ increases in electricity _____ voltage _____ property?
 _____ one appliance is _____ a lot of voltage _____ ?
 _____ the appliance _____ to the _____ of _____ high voltage _____ ?
 _____ know if any particular apparatus is causing sudden increases _____ current _____ my _____ .
 _____ this appliance _____ high _____ ?
 _____ machine contributing _____ bouts of _____ surge?
 _____ that specific appliance produce sudden _____ ?
 _____ you _____ the appliance that _____ the sudden _____ in _____ my _____ ?
 _____ want to _____ if any _____ sudden _____ in _____ electric current flowing into my _____ .

Are you able to tell _____ exact _____ that is _____ to the _____ increases _____ my _____ ?

Does _____ appliance _____ sudden _____ levels?

Can _____ tell me _____ appliance is _____ cause of _____ surge in _____ ?

Is _____ source of the _____ ?

Is it possible _____ if _____ particular _____ a sudden _____ high voltage.

_____ wonder if I should _____ device _____ the _____ of high voltages _____.

Is _____ the _____ that causes power surges _____?

_____ household item potentially _____ ups?

Do you believe _____ the _____ to _____ bouts of _____ surge?

Can you _____ me which _____ have caused _____ in _____ grid?

Is the appliance _____ surge in _____?

_____ confirm _____ device is _____ sudden spikes _____ the _____ grid?

Is this device _____ home?

_____ possible to tell if _____ causing _____ Surges?

_____ you _____ able to _____ that machine _____ electric shocks?

_____ appliance to _____ for _____ sudden surge _____ power?

Does _____ power spikes?

Is it possible that _____ responsible for _____?

_____ type of _____ high voltages?

_____ it possible _____ one appliance _____ causing _____ in power?

I don't _____ if _____ particular _____ the _____ behind high _____ home.

Does _____ device _____ shocks at _____?

_____ I _____ of being the source of high voltages _____?

_____ household _____ to induce _____ ups without warning?

_____ you believe _____ the frequent _____ of electrical surge?

_____ need _____ if there is a way to identify the _____ energy in _____.

_____ high-voltage bursts be traced _____ the _____?

_____ appliance cause crazy power _____ the _____?

Can _____ me which _____ might _____ caused the _____ surge in _____?

Does the household item _____?

_____ wonder _____ the appliance _____ causing the crazy _____.

_____ curious _____ apparatus might cause _____ in the electric current _____ into _____.

Is _____ possible to determine _____ appliance is _____ high _____?

_____ that _____ to blame _____ the surge in _____?

_____ that particular _____ for sudden _____ electricity _____?

_____ to _____ appliance behind the _____ voltage surge?

Is the source _____ voltage _____ in my _____?

_____ want to _____ certain _____ cause sudden high-voltage _____.

_____ this _____ where high-voltage _____ traced?

_____ equipment _____ able to create _____ power _____?

Is there _____ to tell if a _____ surge?

_____ it _____ that this _____ the _____ power surge?

Does this _____ surges?

_____ tell which _____ causing the _____ power _____ at my house?

I would _____ know if _____ a _____ to identify _____ appliance generating _____ high _____ energy in _____.

_____ it possible _____ which device _____ causing the _____ at my _____?

Is the _____ gizmo _____ of _____ occasionally?

Would _____ know if _____ is behind the _____?

_____ possible _____ the recent _____ in my electricity supply by examining _____ appliance?

Is _____ to _____ if _____ device _____ causing electrical surges?

_____ you know the _____ increases in electricity supply _____ at my property?

Is _____ the reason for the _____ electricity?

Is it _____ that the _____ sudden _____ of _____ voltage _____ home?

_____ cause electric shocks _____?

_____ it _____ identify which _____ causing the electrical _____?

Is there _____ that _____ is making sudden, _____ spikes _____ home?

Is _____ a _____ equipment _____ caused the _____ of high _____ electrical system?

Does _____ appliance _____ in _____?

Is _____ responsible _____ surge?

_____ for _____ identified _____ to _____ sudden _____ fluctuations in the home?

_____ that appliance the one _____ the sudden _____?

Is this _____ high-voltage bursts?

Does _____ cause _____ in the _____?

_____ tell if _____ is a _____ causing _____ surge?

_____ wondered _____ could cause shocks in _____ supply.

_____ appliance be responsible _____ in my house?

_____ possible to _____ gadgets which _____ surge?

_____ the cause of _____ surge?

_____ possible that _____ appliance is the culprit _____ the _____ high _____ home?

Is _____ to _____ a _____ device responsible for the _____ surge _____?

_____ appliance causing the _____ my electricity?

_____ if the _____ is to _____ the surge _____ power.

surge-inducing _____ my _____ electricity _____?

Is _____ figure out if the particular appliance _____ for _____ surges _____ electric current?

Does a _____ spikes in _____?

Can _____ tell _____ appliance behind _____?

Is there _____ sudden surge _____ high voltage in the _____ system?

_____ device _____ a _____ surge _____ power?

Is _____ particular _____ responsible _____ the sudden surge _____ my home's electrical _____?

Is _____ that is _____ for the power _____ in our _____?

_____ cause the electricity _____?

Is it possible to _____ out _____ particular device _____ at _____?

_____ my _____ electricity supplies affected _____?

_____ that _____ causing _____ power _____ my electricity?

_____ appliance responsible _____ surge?

_____ it _____ appliance _____ to blame for _____ surge?

Is certain appliances _____ high-voltage _____ my _____?

_____ the _____ device cause _____ home?

Can _____ the _____ that _____ messing with my _____?

I am curious if any particular _____ might _____ causing _____ increases _____ current _____ into _____.

Is it _____ to _____ out any particular device _____ power _____?

_____ you _____ me _____ a _____ appliance is to blame for _____ electricity supply at _____ home?

_____ you tell _____ if _____ is to _____ for _____ sudden _____ of _____ voltage _____ my home's electricity _____ system?

Is _____ a particular _____ is _____ the _____ surge?

Is it _____ that _____ appliance _____ sudden _____ high _____ in _____ home's _____ supply _____?

Is there _____ good _____ that _____ is _____ powerful voltage _____?

_____ the _____ causing _____ spikes in _____?

_____ it _____ that the device _____ power _____ here?

_____ wondering if the _____ of _____ high _____ home _____ an appliance.

_____ you tell me _____ a _____ appliance _____ to blame _____ a _____ electricity _____?

_____ don't _____ which _____ is _____ surge at our house.

Do you _____ contributes _____ unforeseen fluctuations _____ household electric potential headloads?

_____ particular _____ cause power _____?

_____ it _____ to identify the appliance _____ high _____?

Can you _____ that _____ device _____ causing the _____ in power _____?

Is it _____ of _____ sending shockwaves into my _____?

Is this _____ device _____ behind _____ at home?

Is _____ appliance _____ blame _____ Surges?

_____ from the same device?

Is _____ a _____ device that _____ power _____ house?

I _____ wondering _____ you could confirm _____ causing the _____ spikes _____ grid.

Is _____ evidence _____ individual appliance _____ jumps _____ the supply _____?

_____ it _____ determine if a particular _____ is _____ sudden _____ voltage _____?

Is _____ way for _____ identified _____ to cause _____ fluctuations?

Does the _____ a _____ in _____?

_____ you believe _____ a _____ said _____ is causing _____?

Is _____ possible to determine if the _____ to _____ intermittent _____ my _____ electricCURRENT?

Does _____ cause _____ sudden spike _____ power _____ home?

I _____ the _____ of _____ voltage bursts _____ house _____ a _____ appliance.

Is _____ creating _____ power _____?

_____ possible that _____ device _____ the intense voltage surge?

_____ you _____ device _____ messing with my _____?

Is there evidence that _____ appliance _____ power jumps _____ supply _____?

Can _____ identify _____ that _____ the sudden surge in _____?

_____ think this machine is _____ frequent _____ surge?

Can _____ tell me _____ there _____ a way _____ identify _____ is generating _____ electrical _____ in _____?

Is _____ tell which _____ is driving up _____?

I need _____ which item _____ the voltage to _____ home.

I _____ to know if _____ can _____ the _____ the _____ within _____ power _____.

Are _____ able _____ determine if _____ is _____ power surges?

Is _____ to _____ the power _____ in _____ electricity?

Will _____ possible to determine whether _____ to _____ for intermittent _____ in _____ electric current?

_____ cause sudden spikes _____ electricity level?

_____ it possible that the _____ causes _____?

_____ wondering if _____ the device that caused the spikes _____ the _____.

Is _____ device _____ power spikes?

_____ identified product _____ voltage _____ home?

_____ sudden power _____ identified device _____?

Is it possible to determine _____ particular _____ spikes in _____?

Are we able _____ appliance is behind _____ surge?

Is _____ possible that one _____ powerful _____ spikes at _____?

I _____ know if this _____ is the _____ the _____ high _____ home.

_____ tell _____ the exact equipment _____ may be _____ the sporadic _____ electricity _____?

_____ it possible to _____ if an appliance _____ sudden _____ Voltage?

Is _____ appliance _____ spikes?

It's _____ that _____ is _____ sudden, powerful _____ spikes.

Is _____ identified device _____ voltage _____ at _____?

I _____ wondering _____ a specific _____ the _____ voltage bursts.

Can _____ if the device _____ surge?

I'm _____ if _____ particular _____ might be _____ sudden increases in _____ my _____.

_____ it _____ to identify _____ device _____ spikes in _____ power _____ my residence?

_____ it _____ which device is causing the spikes _____?

Can _____ if a _____ generating sudden high _____?

_____ that _____ create sudden _____ electricity _____?

_____ there a particular _____ that _____ in the electric current flowing _____?

Is that appliance _____ sudden burst of _____?

Is it possible _____ determine _____ a _____ generating abrupt bursts _____?

Can the high-voltage _____ traced _____ this specific _____?

Could _____ that the _____ causing _____ in the _____ grid?

_____ occur _____ home due to this _____?

_____ it possible to _____ whether _____ appliance is _____ blame _____ intermittent surge _____ my home's _____?

Is _____ that the designated _____ provokes _____?

_____ tell me _____ a _____ is _____ blame for _____ sudden surge of _____ my home?

Does this _____ cause _____ area?

_____ cause sudden _____ shocks?

Is it possible _____ the _____ is _____ for _____ intermittent surge in my home's _____?

Is it possible _____ the _____ surges at our house?

Is it possible _____ making _____ lot of _____ spikes?

_____ I _____ this particular _____ the culprit behind _____ voltages at _____?

Can _____ identify _____ high voltage surge?

_____ the high voltage _____ in my _____ a _____ appliance?

Can I tell _____ causing the _____ in _____ power _____?

Is _____ if the particular _____ responsible _____ intermittent _____ in my home's electric current?

Does the _____ in the _____?

_____ if a _____ is _____ blame for a _____ of high power in _____ house?

_____ would _____ if there is a way to identify which _____ generating _____ sudden _____ electrical _____.

_____ it _____ the identified product to cause _____ fluctuations _____ at _____?

Do certain appliances _____ sudden _____ the _____?

Can you tell me _____ the _____ power _____?

Is there any specific equipment that _____ the _____ surge _____?

Would _____ say _____ likely that _____ machine _____ to frequent _____ of _____?

_____ wish to _____ if there _____ to _____ appliance is generating _____ electrical energy in _____.

Is there _____ specific equipment _____ caused the _____ surge _____ my _____ system?

Is _____ particular appliance _____ for _____?

Can _____ say _____ the device _____ sudden _____ spikes?

_____ you know if _____ device causes _____ power _____?

Does _____ specific appliance _____ bursts _____ high _____ levels?

_____ any chances the _____ is _____ intermittent voltage _____ here _____ there?

Do certain _____ cause _____?

_____ you able _____ show _____ equipment _____ causing the sporadic _____ in electricity _____ voltage?

_____ appliances, _____ they _____ my _____ supply?

_____ single _____ a device for the power _____?

Is sudden _____ spikes due _____?

Can high-voltage _____ the unit?

Could _____ confirm _____ device _____ the _____?

Do certain appliances cause _____ my _____?

_____ the source of high voltages _____ home _____?

I'd like to _____ if _____ particular apparatus _____ increases _____ electric current _____ my house.

Is _____ possible to _____ any device _____ surge in our _____?

_____ need _____ appliance is generating _____ electrical energy _____ my _____.

Do you believe the _____ of electrical surge?

_____ to know if appliance _____ cause _____ our power _____.

_____ this _____ triggering _____ spikes here?

Does _____ appliance make _____?

_____ you _____ possible that the appliance is causing _____ voltage _____ here _____?

_____ device cause sudden spikes _____?

Is appliance _____ shocks in _____?

_____ you _____ device causing the _____ power grid?

_____ possible for the appliance to _____ bursts _____ high _____ the home's electricity _____?

_____ out any device that _____ responsible for the power _____?

Is _____ designated _____ of _____ electric _____?

_____ bursts _____ back _____ this unit?

_____ this _____ appliance is behind the random _____.

Is _____ possible _____ the appliance behind the _____?

Is that appliance _____ cause of _____ in _____?

I want _____ know if the _____ bursts _____ in my home.

Could _____ particular device be _____ surge?

_____ you _____ particular _____ is _____ blame for a _____ surge of _____ voltage _____ home's electricity supply _____?

Can _____ me if _____ particular _____ blame for the sudden _____ high _____ in _____ home's _____ system?

Does this _____ appliance _____ problems?

_____ it possible _____ appliance is _____ sudden bursts of high voltage _____?

I'm curious _____ if _____ could cause _____ the _____ supply.

Is there _____ between _____ jumps _____ my supply _____ and _____ appliance?

Can we _____ out _____ device that _____ the power _____?

_____ possible to determine if an _____ in _____ electric current?

I _____ if it _____ possible _____ identify _____ device _____ electrical _____.

_____ believe there's _____ chance _____ the _____ is _____ voltage spikes?

Could _____ the device _____ in power grid?

Is there _____ specific _____ is to _____ sudden surge of high _____ home's electrical _____?

_____ any chances _____ appliance is causing intermittent _____ here and _____?

Can you _____ me which _____ was the cause _____ sudden _____?

Does _____ appliance create _____ electricity levels?

Can I _____ item is _____ voltage to _____ at home?

Is it _____ that this _____ is _____ random _____?

_____ one _____ cause of high voltages?

Is it _____ identify _____ exact equipment _____ be _____ increases _____ supply voltage _____ my property?

Is _____ appliance _____ spikes in _____?

Do you _____ if _____ machine _____ behind _____ suddenly _____?

Is _____ to _____ if _____ spikes in _____ grid _____ by a specific _____?

_____ there _____ that is responsible for _____ surge _____ high power _____ my _____?

_____ it _____ to find the _____ high _____ spikes?

Is _____ that the source _____ in my house _____ appliance?

Is _____ capable of triggering sudden high-voltage _____?

Can _____ confirm that _____ is to _____ for _____ in the _____ grid?

Can high-voltage _____ be traced _____?

Does this _____ appliance _____ high _____?

_____ gizmo _____ of provoking _____ boosts?

Can we determine if _____ is to _____ for _____?

_____ some appliances _____ voltage events in my _____?

Should _____ that this particular device is _____ the _____ at _____?

_____ tell if _____ device causes _____ surges?

_____ your appliance _____ those power _____?

Are _____ spikes in the home caused _____?

Do you know _____ appliance _____ to _____ for _____ surge _____ high _____ in my _____ electricity supply _____?

_____ identify _____ appliance _____ might _____ to blame for _____ sudden surge _____ electrical _____?

_____ you tell me if _____ particular _____ is _____ for a sudden _____ electricity _____ system?

_____ think this _____ to _____ bouts _____ electrical surge?

_____ this appliance to _____ the _____?

Can _____ from this unit?

_____ the high-voltage bursts _____ back _____ unit?

_____ device _____ for the _____ Surges?

_____ it _____ to _____ a _____ that causes _____ surge?

Can you tell me _____ sudden surge _____ high _____ my _____ is caused _____ appliance?

Is there a _____ the said appliance _____ intermittent _____ here _____?

I'd like to _____ any _____ apparatus _____ abrupt increases _____ the electric _____ into my _____.

Can _____ high voltages _____ back _____ the _____?

_____ that _____ cause of _____ surges in my _____?

_____ any _____ equipment is to _____ of _____ voltage throughout my home's electrical system.

Is it _____ for the specific appliance to _____ of high _____?

Can _____ if the device _____ of power?

_____ want to know _____ causes _____ of _____ voltage in _____ home's _____ supply system.

_____ it _____ is causing _____ surge _____ power at home?

_____ sudden spikes be attributed _____?

_____ is a way to identify _____ is generating _____ in my house, please _____.

_____ the _____ to blame _____ sudden voltages?

_____ possible that _____ device _____ be _____ blame for _____ voltage surge?

Do _____ appliances _____ high-power _____?

Is it _____ caused _____ power surge in _____?

_____ appliance _____ electricity _____ here?

Is there a _____ causes _____ at our _____?

Can _____ appliance _____ identified _____ burst of high voltage in _____ home's _____ supply system?

Is there a link _____ jumps _____ system and _____ appliance?

_____ that _____ blame for _____ surge?

Is _____ that this machine _____ to _____ of electrical _____?

_____ that _____ identified product could cause _____ at home?

_____ item possibly cause surge _____?

_____ any _____ that _____ cause _____ increases in the _____ into my house?

_____ would like _____ know if there _____ a _____ to _____ which appliance is _____ electrical _____ my _____.

I wonder _____ the _____ the high voltages _____ home _____ appliance.

_____ there _____ certain _____ that cause electrical surges?

_____ we find out _____ device is _____ power _____ in our _____?

I want to _____ if it's _____ if _____ particular appliance is _____ for the _____ surge _____ home's _____

_____ you confirm _____ sudden spikes _____ the power grid?

I am wondering _____ the _____ of _____ high _____ is a _____.

I am wondering _____ could _____ the device _____ spikes in the _____.

_____ item _____ to _____ surge ups?

Would _____ be _____ if that machine is _____ shocks?

_____ the _____ sudden voltage spikes?

Is _____ possible _____ device _____ causes sudden voltage _____?

Can you _____ the cause _____ surge in power _____ my _____?

_____ chance _____ the _____ is _____ intermittent voltage spikes _____ and there?

Is _____ responsible for _____ home?

Can you _____ me _____ device is _____ unexpected _____ in the _____?

The device _____ be _____ blame for _____.

_____ any specific _____ for _____ sudden surge of high _____ my _____?

_____ certain _____ high-voltage events?
 Is it _____ the _____ to _____ voltage fluctuations?
 _____ the appliance _____ power fluctuations?
 _____ the _____ of high voltages in _____ home _____ a _____ appliance.
 I was wondering if _____ could _____ that the _____ causing _____ spikes _____.
 Is _____ this device is responsible _____ Surges?
 _____ this household item _____ ups?
 The _____ surge of _____ throughout my _____ was caused _____ equipment.
 Does _____ sudden _____ in electricity levels?
 _____ appliance _____ shocks _____ the power _____?
 _____ inconsistent _____ boost connected _____ one _____ my house?
 Can you tell me if _____ particular _____ blame for _____ in _____?
 Is _____ if the _____ appliance _____ to blame for _____ my home's electric current.
 _____ might _____ to blame for _____ power _____.
 Is there a way _____ tell _____ device _____?
 Is _____ for _____ identified _____ to cause _____ fluctuations _____ the house?
 Is it _____ that _____ the _____?
 Is _____ that this _____ culprit behind _____ high voltages _____ home.
 _____ it _____ that _____ provokes electric boosts occasionally?
 _____ an appliance causing _____?
 I would _____ know _____ there's _____ way to _____ generating _____ electrical energy.
 Can you _____ me if _____ appliance _____ for sudden _____ power in _____?
 _____ determine if _____ device _____ sudden voltage _____?
 I would like to know _____ is a way _____ appliance is generating _____ burst _____.
 Is that _____ appliance _____ for _____ voltage bursts?
 _____ appliance to blame _____?
 _____ certain device _____ identified as causing _____?
 I wonder _____ it's _____ identify _____ that cause _____.
 _____ tell me if _____ of _____ appliances _____ shock _____ my system?
 I want _____ if _____ to identify which _____ causing _____ sudden burst of _____ electrical energy.
 If _____ apparatus _____ causing _____ increases in _____ flowing into _____ house, could you _____ me?
 _____ surge _____ high voltage throughout _____ home's electrical _____ was caused _____.
 Can _____ the _____ is behind the _____?
 _____ the _____ voltages only from _____?
 _____ you _____ that _____ frequent bouts of electrical surge?
 Can _____ device _____ is causing _____ spikes _____ the power _____?
 _____ that the said _____ is causing _____ voltage spikes.
 _____ wondered if _____ of high _____ bursts _____ my _____ a _____ appliance.
 Is _____ possible _____ the _____ the recent spikes _____ my _____ by _____ at one appliance?
 _____ stuff causing _____ bursts _____ my _____?
 _____ causing sudden _____ at home?
 _____ was wondering _____ could _____ causing _____ sudden spikes in the _____ grid.
 Will _____ appliance cause _____?
 _____ it _____ that the device causes _____ surge?
 I want _____ if there's _____ to identify the appliance _____ energy.
 Can you tell _____ which _____ is to _____ the _____ in voltages _____?
 _____ am wondering _____ it _____ to _____ gadgets that _____ surges.
 _____ behind _____ power spikes?
 _____ I _____ particular device is _____ for _____ high _____ at home?
 _____ the power _____ in my _____ due _____ that _____?

_____ wonder _____ is responsible for _____ voltage surges.
 _____ sudden increases in _____ be _____ back to _____ device?
 _____ that this specific _____ causes _____ voltages?
 Did _____ the spikes _____ home?
 Is _____ to identify the _____ that is causing _____ in _____ grid?
 Is _____ a _____ to determine _____ the particular appliance _____ for intermittent _____ electric current?
 _____ tell me if the _____ surge _____ high _____ my _____ to the appliance?
 _____ that _____ sudden _____ electricity levels?
 Is _____ possible _____ which _____ causing _____ spikes _____ the power grid?
 Is _____ appliance _____ blowing up my electricity?
 Is the _____ just from _____ ?
 _____ one device _____ for _____ surge _____ our house?
 _____ you say _____ that this machine _____ to _____ bouts _____ surge?
 _____ me if _____ appliance _____ to blame _____ a surge in my home's _____ ?
 _____ the appliance _____ power surges?
 Do _____ appliances cause abrupt _____ my _____ ?
 _____ it possible this particular _____ is the _____ behind _____ ?
 _____ me which appliance might be the cause of _____ sudden _____ home?
 _____ any equipment _____ for the sudden surge of _____ in _____ ?
 _____ it possible _____ trace _____ in _____ supply _____ any _____ domestic device?
 _____ want to know _____ equipment is _____ the _____ of high voltage _____ home.
 _____ me which appliance might cause _____ surge _____ power?
 Could you tell me _____ apparatus _____ the electric current _____ into my house?
 _____ the _____ be to _____ spikes?
 Is _____ some weird _____ spikes?
 _____ if _____ particular _____ may _____ causing _____ increases in _____ electric _____ flowing _____ my house.
 _____ it _____ one _____ is making sudden, _____ voltage spikes _____ house?
 _____ possible to determine _____ a particular _____ bursts of _____ voltage.
 Is it possible _____ is _____ the spikes in the _____ .
 Would _____ be _____ this item to _____ surge ups _____ ?
 _____ any _____ equipment responsible for _____ sudden surge of _____ my _____ ?
 Could _____ tell me if _____ the electric _____ ?
 Is it possible _____ one of _____ appliances is _____ my _____ ?
 _____ high-voltage _____ from this _____ ?
 _____ surge-inducing appliances the cause _____ supply?
 Is it possible _____ product _____ voltage fluctuations in _____ ?
 Could _____ that the device _____ for the _____ ?
 _____ you confirm the _____ in power grid?
 Maybe the _____ high voltage bursts in my _____ appliance?
 Do you _____ possible _____ the identified _____ cause _____ fluctuations at _____ ?
 _____ behind _____ power Surges?
 _____ don't know _____ this particular _____ is _____ culprit _____ voltages _____ home.
 I wanted to _____ you could _____ the _____ causing _____ .
 _____ I _____ this particular _____ is the _____ the _____ voltages _____ home?
 Do you _____ a chance _____ the _____ appliance causes intermittent _____ ?
 Can we determine _____ is generating high _____ when my _____ spiking?
 _____ possible to _____ any _____ for _____ power surge at our _____ ?
 _____ for a specific _____ a sudden burst of _____ home's electricity supply system?
 Can _____ tell _____ device is causing _____ the power grid?
 Can _____ device is _____ for _____ power surge?

I wonder if _____ bursts in my _____ an appliance.
 I'm _____ if _____ confirm _____ device _____ the _____ spikes _____ the _____ grid.
 _____ determine if the _____ for intermittent surge in my home's _____ current?
 _____ the machine contributing _____ bouts _____ excessive electrical _____?
 Is the _____ blame _____ bursts?
 _____ appliances cause _____ in _____ electricals?
 Is _____ possible _____ the individual _____ in _____ supply system?
 Is _____ the _____ is causing _____ sudden _____ high _____ in my home?
 Will _____ particular device _____ power _____?
 Can you tell _____ appliance _____ the cause of _____ in _____?
 I'd _____ to know _____ there is _____ way to identify which _____ electrical _____ in _____.
 _____ tell if a certain device is causing _____?
 _____ a specific appliance that _____ sudden _____?
 Is there _____ tell the _____ the _____ voltages?
 Is it possible to discern _____ spikes in _____ power _____?
 Are _____ me the exact equipment _____ is _____ the _____ increases in _____ supply _____?
 Could _____ tell me _____ device caused _____ spikes _____ the power _____.
 _____ possible _____ out a _____ the power _____ at our house?
 Is it possible _____ the designated gadget _____?
 _____ your _____ responsible _____ power surge in the _____?
 _____ it _____ cause abrupt high-voltage events?
 _____ am _____ if _____ of high _____ is a _____ appliance.
 I _____ wondering if _____ device causing the spikes _____ my _____.
 _____ it possible to identify the device _____ in _____?
 _____ it _____ my _____ that _____ blowing _____ my electricity?
 _____ attribute sudden increases _____ power to _____?
 _____ it _____ that _____ appliance _____ sudden, powerful voltage _____?
 _____ particular _____ cause _____ spikes of high electricity _____?
 Should we _____ machine _____ to frequent _____ of excessive electrical _____?
 _____ know _____ appliance causes _____ bursts of high voltage _____ my home.
 _____ to tell _____ the exact _____ may _____ causing the _____ increases _____ my _____ supply voltage?
 _____ you _____ that the _____ is _____ sudden _____ in _____ grid?
 _____ the device _____ at home?
 Is _____ a _____ high-voltage events?
 _____ it _____ find out _____ device _____ causing the _____ in _____ grid?
 Do you _____ if _____ machine is _____ high _____?
 Hey, _____ tell me if _____ appliances _____ sending shockwaves _____ my _____?
 _____ likely that this _____ machine is _____ excessive electrical surge?
 Can _____ which device _____ to blame _____ power surge _____ our _____?
 Is there _____ device _____ power _____ here?
 I _____ wondering if it is _____ which device is _____.
 Is this _____ a _____ at home?
 Is it _____ to identify the _____ that causes _____ sudden bursts of _____ electricity _____?
 Is the individual appliance _____ to the power _____?
 _____ was _____ you could confirm the _____ causing _____ sudden spikes within _____.
 Can someone _____ the appliance behind _____ high _____?
 _____ appliances _____ my _____ electricity supply?
 _____ that the said _____ may be causing _____ voltage _____?
 _____ possible to determine _____ a _____ device is _____ surge?
 _____ it _____ to determine _____ exact equipment _____ is instigating _____ increases _____ electricity _____?

_____ identified _____ cause sudden _____ at _____?
 Can _____ tell _____ this _____ to _____ for the random _____?
 Is _____ that the _____ the _____ surge here?
 _____ possible to point _____ what item _____ driving the _____ up _____?
 _____ this _____ power _____ home?
 Is it _____ appliance that _____ _____?
 _____ a connection _____ individual appliance and the power _____ the _____?
 _____ responsible for the sudden bursts _____?
 _____ that specific appliance _____ spikes in _____ levels?
 I want _____ that damn _____ causes _____ volts _____ my electrical _____.
 Does _____ appliance _____ surges _____?
 _____ you _____ the _____ is making frequent bouts of _____?
 Is _____ for _____ to _____ bursts of high _____ in my _____?
 Is there _____ way to identify _____ behind _____ high _____?
 Is _____ tell _____ the device causes _____ power _____?
 Can _____ tell if _____ appliance _____ behind _____ power _____?
 Surge-inducing _____ affect the _____ supply _____ my _____.
 Is _____ possible _____ is behind the high _____ happening?
 Can _____ me if the _____ causes _____?
 Is _____ to _____ which _____ is driving up _____ suddenly?
 Is it _____ that _____ said appliance _____ intermittent _____.
 If there is a _____ identify _____ generating high electrical _____ in _____ house, _____.
 Could the _____ shocks _____ supply?
 _____ want to _____ if _____ equipment is responsible _____ surge of _____ voltage _____ home.
 _____ if the _____ cause of _____ power surge in my _____.
 Do some _____ cause _____?
 _____ your appliance _____ responsibility _____ power surges _____ house?
 _____ figure out the _____ behind _____?
 Can _____ held responsible for those _____?
 Are you able _____ me _____ exact equipment _____ be involved in the _____ increases _____?
 Is there any evidence _____ individual appliance _____ power _____ the _____?
 Can _____ tell me if _____ particular appliance is _____ blame _____ surge _____ electricity _____ at _____ house?
 _____ there _____ chance _____ the said _____ could be causing _____ voltage spikes _____?
 _____ it that _____ appliance that _____ the _____ bursts?
 Is _____ possible for _____ product to _____ fluctuations _____ home.
 does this _____ spikes _____ home?
 Do _____ there's _____ said appliance causes _____ here and there?
 _____ the appliance _____ power spikes in _____ house?
 _____ possible that a _____ appliance _____ creating sudden, powerful _____?
 I _____ if _____ appliance caused _____ power _____ house.
 _____ it _____ which item is causing _____ increase _____ voltage?
 Is _____ evidence linking _____ appliance to the _____ supply system?
 _____ if _____ is behind a surge?
 I _____ if _____ of _____ bursts in _____ is a specific _____.
 I _____ if the appliance _____ surge.
 Is it _____ to determine _____ the particular appliance _____ surge in my _____ current?
 Can the sudden _____ spikes _____ to _____ identified _____?
 Is it possible _____ if _____ particular appliance _____ to _____ surges in my home's _____?
 I'd _____ know _____ you could confirm _____ device _____ sudden _____ in _____ grid.
 Does this _____ cause _____ lot _____?

_____ this device _____ blame _____ Surges?
 Is _____ possible to figure out _____ appliance is _____ the _____ home's electric current?
 Is it _____ determine if _____ to _____ intermittent surges in my home's electric _____?
 Are _____ able _____ what _____ is causing _____ sporadic increases in electricity _____?
 _____ this _____ the _____ of power spikes _____ house?
 _____ to _____ if you _____ confirm the _____ causing _____ the power grid.
 _____ it really _____ is blowing my _____ up?
 _____ one _____ them appliances _____ through _____ can you tell me?
 _____ is _____ power spikes in _____ home.
 Is it possible _____ any particular _____ could be _____ increases in _____ flowing into _____?
 _____ make a _____ which device _____ responsible _____ the power _____?
 _____ to blame for _____ burst of power?
 _____ causing shocks in our _____?
 I _____ wondering _____ specific equipment _____ responsible for _____ surge of _____ in my home's _____.
 Is it possible _____ determine if _____ amount of high voltage?
 I _____ if you can _____ sudden spikes in voltage.
 _____ cause _____ in _____ home power _____?
 Is _____ to identify the _____ that causes sudden _____ of _____ in _____ system?
 _____ possible to _____ back _____ sudden increases _____ electricity _____ to a _____?
 _____ would _____ to know if _____ is a way to identify _____ appliance _____ sudden electrical _____.
 _____ it possible _____ out _____ particular _____ to blame for the _____ surge _____ home's electric current?
 I want _____ a particular appliance _____ to _____ sudden surge _____ high voltage _____ electricity supply system.
 _____ it possible to _____ an item that _____?
 _____ this _____ appliance that _____ surge?
 _____ you tell _____ there is _____ that causes _____?
 _____ possible to figure _____ behind high Voltage _____?
 _____ the _____ be traced _____ this _____?
 Is there a _____ behind the _____ voltages?
 _____ I tell you _____ is driving _____ the _____?
 _____ would like to _____ if _____ can _____ in our home _____.
 Can _____ tell whether _____ appliance is behind _____?
 _____ the _____ bursts be traced _____ unit?
 Can it _____ possible to _____ which _____ is causing _____ spikes _____?
 _____ you tell _____ appliance _____ sudden _____ in voltage that disrupted _____ electrical _____.
 _____ it _____ that the device _____ responsible _____ intense _____?
 _____ determine if the particular _____ is _____ for intermittent _____ my _____ current?
 _____ this _____ device is _____ culprit behind the high _____ at home.
 I'm wondering if any _____ causing sudden _____ the _____ flowing into my _____.
 Is _____ to single _____ that _____ power surge at _____ house?
 Can _____ tell me _____ exact _____ that _____ inciting _____ sporadic _____ in _____ supply _____ my property?
 Do you _____ if a _____ appliance is _____ for _____ sudden _____ of _____ voltage in _____?
 _____ a surge _____ electrical power?
 _____ it _____ to know _____ a certain _____ is _____ a _____?
 Is _____ cause _____ power fluctuations?
 Is _____ possible that _____ up my power?
 Can _____ snaps be _____ to _____?
 Does _____ appliance cause _____ power _____?
 Could _____ tell _____ if any particular apparatus _____ sudden _____ the electric _____ my house?
 Is _____ to identify _____ device _____ causes _____ surge?
 _____ like _____ a particular _____ is _____ sudden bursts of _____ voltage.

_____ the _____ behind the surge?

I'm not sure if _____ the culprit behind the _____.

_____ to blame _____ the _____ of power?

Do _____ think _____ machine _____ bouts of excessive _____ surge?

Is it possible _____ one _____ voltage spikes in the _____?

Does your appliance have _____ responsibility _____ the _____ in _____?

_____ the _____ causing the high _____ in my home?

Is it _____ that _____ high _____ shocks suddenly?

_____ the _____ to _____ power issues _____ my home?

I'm _____ if _____ source _____ bursts _____ my _____ are specific appliances.

_____ this device to blame _____ Surge?

Is _____ a way _____ determine _____ the _____ for intermittent _____ in my home's _____ current?

Does _____ particular _____ a _____ in electricity?

Is _____ that this _____ could _____ induce _____ ups?

I _____ if this _____ device is responsible _____ surge.

_____ it _____ appliance that causes _____ surge?

Is it _____ to determine the _____ surges?

Can the _____ back to _____?

_____ to figure out the _____ may _____ sporadic increases in electricity supply _____?

Is _____ behind _____ shocks happening?

_____ any _____ might _____ causing sudden _____ in the electric current flowing into _____.

Is it possible _____ determine _____ source _____ in my electricity _____ at _____ appliance?

Would _____ item _____ to _____ ups without _____?

Is _____ possible _____ identified _____ could cause _____ fluctuations?

_____ appliance responsible for _____?

I wish to know _____ a way _____ which appliance is _____ energy in my _____.

_____ it _____ figure _____ a _____ appliance is _____ blame for _____ surges in my home's _____?

Is _____ responsible _____ sudden _____ high voltage in my _____?

I _____ to know _____ you _____ the device causing _____ power grid.

Is _____ that a single _____ is causing sudden, powerful _____?

_____ wonder _____ this _____ device _____ for the surge.

Is _____ in the _____ supply?

Is it possible to _____ causing _____ surge?

Is _____ specific appliance a _____ high _____ levels?

Is _____ that the _____ causes big power _____?

_____ that one _____ appliances is sending shock _____ through _____ system.

_____ it possible to identify the _____?

_____ if _____ recent _____ in my electricity _____ are caused _____ particular appliance?

_____ it _____ to tell _____ which _____ is driving the _____?

_____ tell me _____ appliance _____ the cause of the sudden surge _____ at _____?

Could this _____ potentially _____ ups _____?

_____ possible _____ particular _____ to blame _____ random power surges?

_____ distinguished apparatus _____ to unforeseen fluctuations _____ household electric potential headloads?

_____ the appliance causing _____ spikes _____?

_____ you able _____ exact _____ is causing _____ increases in _____ supply voltage _____ my property?

Does the _____ cause _____ home?

Is _____ causing shocks _____ supply?

_____ it possible that this _____ intense _____?

Is _____ causing _____ surge in _____ electricity?

Are these _____ to _____ single _____ my house?

_____ tell if _____ appliance is _____ the power _____?
 _____ it _____ appliance that causes _____?
 _____ it possible for _____ unexpected voltage _____ at home?
 Can you _____ me if _____ appliance _____ to blame for _____ my home's _____ system?
 Is _____ possible to _____ electricity to surge?
 Is _____ device _____ blame _____ the power _____ home?
 _____ appliance _____ power problems?
 Is the _____ voltage _____ in my _____ my appliance?
 Should we _____ this _____ to frequent bouts _____ surge?
 Is _____ single _____ any _____ caused the power surge _____ our _____?
 Is the _____ causing the _____ the house?
 _____ like to know if there's a _____ identify the appliance generating _____ high _____.
 _____ you tell _____ appliance is _____ blame for _____ of _____ in my _____?
 _____ know if _____ machine is behind _____ high _____?
 Is _____ possible to _____ me which _____ is _____ to _____ up?
 Is this device _____ culprit _____ high _____?
 _____ possible _____ identify the _____ behind _____ Voltage Surges?
 Do you _____ there's _____ chance _____ the _____ causing voltage _____?
 Would _____ to tell _____ the _____ is behind _____ shocks?
 What _____ the _____ up _____ home?
 _____ equipment capable _____ sudden power _____?
 Do _____ cause sudden _____?
 _____ I suspect that this particular _____ the _____ voltages at _____?
 _____ know _____ thing zaps extra volts _____ my _____ setup.
 Do you know _____ device _____?
 _____ you tell _____ appliance is to _____ for _____ sudden surge _____ high voltage in _____ electricity _____?
 _____ there a _____ causes elevated _____?
 Is _____ equipment responsible for the sudden _____ voltages in _____?
 Does _____ appliance _____ electricity _____?
 _____ tell _____ be the _____ of the sudden _____ in the electrical _____?
 _____ it _____ to _____ out which _____ making the voltage _____?
 _____ wondering _____ can confirm _____ device causing the _____ spikes in _____.
 _____ the appliance is _____ random power surge?
 Can I _____ you _____ item is _____ to go _____?
 Issuing sudden _____ possible with _____?
 _____ possible for _____ identified product to _____ electrical _____?
 _____ it _____ that _____ is _____ spikes in _____ power grid?
 Is it _____ to _____ if _____ to _____ for _____ intermittent surges in the home's _____?
 Is _____ that this specific _____ is the culprit _____ high _____?
 Is _____ appliance to blame _____ the _____ surge?
 Are _____ able _____ if the device causes big _____?
 _____ this appliance _____ flashes _____?
 _____ it possible _____ determine if the _____ appliance _____ for intermittent surge in _____ electric _____.
 _____ cause _____ high-voltage events?
 _____ to _____ if _____ the device causing the sudden _____ power grid.
 _____ possible that the _____ large power surge _____?
 _____ would _____ to know _____ is a way _____ which _____ is generating _____ of high _____ energy _____ house.
 We _____ know if _____ particular _____ is behind _____ power _____.
 Would you know _____ machine is _____ high _____?
 Can _____ which appliance _____ the cause of _____ in _____ in _____ home?

Can you _____ the cause _____ the _____ surge in electricity?

Can _____ item _____ causing the power to go up _____?

Is it possible _____ sudden _____ spikes _____ device?

Is _____ determine if _____ particular appliance is _____ surges in my home's electric _____?

_____ to know _____ any _____ apparatus might _____ triggering _____ increases in the _____ in my _____.

_____ you think _____ the said appliance _____ voltage spikes?

_____ high _____ be traced back _____?

_____ out _____ the _____ causing the power surge?

Does this _____ surge _____?

Is _____ that one _____ powerful voltage spikes?

If _____ a _____ identify _____ is _____ high _____ I would appreciate it.

I want _____ know _____ apparatus contributes to _____ fluctuations _____ household _____ potential _____?

Is _____ appliance associated with _____?

Is _____ behind the _____ high _____ at _____ specific device?

_____ we tell _____ the _____ to blame for _____ surge?

Is it _____ to _____ out _____ the _____ appliance is _____ for the _____ home's electric current?

_____ it possible _____ this _____ behind _____ occasional high voltages at _____?

Are the inconsistent energy _____ connected _____ item _____?

Are _____ able to tell if _____ causes _____ surge _____?

_____ high voltage fluctuations?

Is there _____ that one appliance _____ causing _____ voltage _____ at _____?

_____ to tell if a device _____ surge?

Is it possible _____ the _____ bursts _____ high _____ in the electricity supply _____?
