

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Product features and specifications inquiries
Inquiry Sub-Category	Security and biometric features
Description	Customers inquire about the security features present on their smartphone, including fingerprint sensors, facial recognition systems, iris scanners, or additional privacy options like secure folders or app lock.
Data Size	5,050 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ there _____ known vulnerabilities _____ have been _____ in _____ authentication system _____ by _____ ?

_____ have any _____ with the _____ unlocking method?

_____ are any weaknesses _____ the use _____ the _____ for this phone.

There _____ some _____ in _____ on _____.

_____ Biometric security on _____ might be _____ threats.

_____ there _____ weakness in _____ phone's _____ that can _____ fixed?

Does this _____ risks _____ vulnerabilities associated _____ the _____ method?

Does _____ a _____ of unlocking _____ phone with _____ that _____ the users to?

Does this phone use a _____ of _____ a _____ that would expose _____ users _____?

Is there _____ that could allow _____ compromise _____ security of the _____ that are _____?

I need to know _____ there are any _____ in _____ sign _____.

Do you _____ there is _____ weakness _____ the implementation _____ implemented _____ device?

_____ discover _____ risks or security vulnerabilities associated _____ using _____ fingerprint _____ phone?

Is _____ that can _____ identified _____ the implementation _____ the biometrics _____ this _____?

_____ aware of _____ security vulnerabilities _____ unlock tool and _____ features in your _____ phone?

Did _____ find _____ security _____ risks _____ use of the _____ unlocking method on _____?

Are there _____ that _____ in _____ implementation of _____ biometrics _____ on this mobile _____?

Is it _____ recognised _____ system of identifying _____?

_____ weaknesses that can be _____ in _____ of the _____ on this _____?

_____ there _____ a _____ flaw _____ the phone's bio-authentication?

Can you _____ me know _____ phone's fingerprint scanning _____?

Do _____ if _____ phone _____ any _____ or vulnerabilities using the _____ unlock _____?

Please tell _____ about _____ the phone's fingerprint _____.

_____ affecting your built-in _____ unlock tool _____ features in _____ mobile phone?

What _____ you _____ the _____ biometrics _____ the phone?

_____ you discover any _____ by _____ the fingerprint _____ on this phone?

_____ you tell _____ if there _____ flaws _____ the _____ technology?

Has there _____ discovered in _____ bio-authentication

Do _____ if there _____ any _____ or _____ unlock method on _____ phone?

Does _____ phone _____ vulnerabilities _____ risks _____ with the fingerprint _____ ?

_____ you tell _____ if this _____ system is _____ ?

_____ Biometric Identification System _____ weaknesses _____ can be _____ ?

_____ phone use _____ method _____ unlocking it's _____ with _____ that will _____ to vulnerabilities or _____ ?

_____ there been _____ in _____ phone's _____ ?

_____ weaknesses have _____ far _____ the Biometrics implementation _____ this _____ ?

I'm _____ in finding out if there _____ susceptibility to _____ of _____ my phone.

_____ there any _____ weaknesses _____ found in _____ implementation of _____ phone's _____ ?

Is _____ weaknesses within _____ Biometrics _____ the phone?

_____ about _____ may be _____ with regard to the _____ fingerprint processing technology.

_____ want _____ there are any weaknesses _____ Biometrics used _____ phone.

Is anyone _____ weaknesses _____ Biometrics on this Smartphone?

_____ tell me if _____ are _____ weaknesses in _____ Biometrics _____ this phone?

The biometric security _____ be _____.

Can you tell me _____ the _____ be found with the _____ ?

_____ anyone discovered a _____ bio-authentication?

Are you aware of the security _____ affecting _____ built-in _____ and _____ your mobile _____ ?

_____ you _____ there _____ any security loopholes or _____ weaknesses in _____ realization _____ and reliable Biometrics on _____ ?

_____ you _____ weakness in this mobile's device's _____ identifying you?

_____ tell me _____ it is _____ in _____ signature _____ this mobile?

Does _____ have _____ vulnerabilities _____ in its _____ ?

Are _____ aware of _____ vulnerabilities affecting your built-in _____ tool _____ on _____ mobile _____ ?

_____ you _____ me if _____ in this _____ Authenticator system?

_____ the _____ you discovered with _____ used _____ the phone?

_____ there _____ weakness that can be detected _____ implementation of _____ mobile device?

Is there _____ in _____ bio-metrics _____ ?

_____ there any weaknesses in the used _____ ?

_____ you _____ vulnerabilities have been _____ the Smartphone's bio-metrics?

_____ you _____ if it is a _____ weakness in _____ mobile's _____ you _____

_____ you _____ of _____ affecting _____ device's built-in face _____ tool and _____ features?

_____ a _____ that could _____ for the _____ of the _____ biometrics on that _____ ?

_____ know if _____ are vulnerabilities _____ using _____ for unlocking my _____.

_____ any weakness _____ can _____ with the phone's Biometric _____ ?

_____ the _____ of _____ smartphones have _____ ?

_____ this phone _____ a method _____ unlocking it's phone with _____ that _____ expose _____ risk?

_____ the _____ of _____ have weakness?

_____ any identified weaknesses _____ by _____ phone's _____ of _____ ?

Is there any identified _____ in _____ biometricAuthentication _____ on this _____.

Is there a _____ weakness _____ system?

_____ you know if _____ vulnerabilities _____ discovered _____ bio-metrics?

I _____ if _____ documented _____ for _____ biometrics to unlock my _____.

The _____ security _____ this phone may _____ be _____ known _____.

_____ you tell me _____ it's _____ weakness in the signature _____ ?

_____ you _____ of the risks or _____ associated with the fingerprint _____ phone?

_____ discover _____ risks _____ security _____ with _____ unlocking _____ used on this phone?

_____ some flaws found _____ bioauthentication?

Does _____ any _____ weaknesses that can _____ in the _____ Biometrics?

_____ there any _____ identified _____ the Biometrics of this Smartphone?

_____ you _____ to _____ there are _____ potential vulnerabilities _____ in _____ bio-metrics?

____ you ____ potential ____ and security vulnerabilities ____ the ____ the fingerprint unlocking methods on ____ ____?

Does ____ phone has any known ____ weaknesses ____ could be ____ in ____ ____ ____?

____ need ____ if ____ any flaws in the ____ fingerprint _____.

____ are ____ vulnerabilities in ____ phone's ____?

What were the ____ with the ____ biometrics ____ phone?

____ there any ____ the biometrics on this ____?

Are ____ aware of the security ____ affecting ____ tool and ____ mobile phone?

____ a ____ that could be ____ compromise the ____ Biometrics ____ are present on ____ phone?

____ the ____ in this phone's bioauthentication?

Let me ____ if ____ are any ____ in ____ technology.

____ have any ____ weaknesses ____ could ____ found ____ its biometrics system?

What are some ____ the ____?

____ the phone have ____ weaknesses in ____?

What weaknesses ____ in ____ use ____ biosuring ____ the phone?

____ have ____ vulnerabilities ____ risks related ____ the fingerprint unlocking ____?

I want to ____ there are ____ using ____ access my _____.

____ me about ____ flaws that ____ be found ____ fingerprint technology?

____ am curious as to whether ____ is ____ documented ____ use ____ Biometrics to ____ my _____.

Is there a weakness ____ can be detected ____ the ____ the ____ device?

____ is a question ____ the ____ has any _____.

There is a ____ if the ____ Identity system ____ any _____.

What ____ are ____ in the ____ this ____?

____ there ____ in ____ phone's Biometric Identification ____?

____ tell ____ if ____ any ____ with the ____ fingerprint scanning technology?

There is ____ the phone's bio ____ system

____ is ____ whether there are ____ in ____ bio Identity _____.

Do ____ login of the ____ any ____?

____ a possibility of ____ in ____ system.

Can ____ tell ____ known weakness in ____ sign on system?

____ any knowledge of ____ risks or vulnerabilities ____ fingerprint ____ used ____ this phone?

Did ____ discover ____ risks ____ vulnerabilities ____ the ____ unlocks on ____?

____ are some weaknesses ____ implementation ____ by this _____.

Do you ____ significant ____ with regards ____ fingerprint scanner technology?

I want ____ it's a ____ weakness ____ mobile's ____ system.

Does ____ have ____ security ____ that ____ be ____ in the ____ of ____?

____ flaws ____ found ____ phone's bioauthentication?

I'm wondering if ____ any ____ within the ____ phone?

I'm interested ____ there ____ any documented ____ of Biometrics to unlock ____ phone.

Does ____ have any ____ associated ____ the fingerprint unlocking ____?

What weaknesses were found ____?

What weaknesses did ____ discover ____ the ____ this ____?

I ____ like ____ if there ____ the used biometrics ____ this phone.

____ you discover ____ risks ____ vulnerabilities ____ use ____ the fingerprint ____ method ____ this ____?

Some ____ wondering if there ____ in the phone's _____.

Does ____ have any ____ associated with the ____ unlock method?

____ are the ____ identified with ____?

I want ____ know ____ it ____ recognised ____ in ____ signature system.

Can ____ tell ____ there ____ flaws in the phone's ____ technology.

____ you ____ if any ____ vulnerabilities have ____ discovered ____ this Smartphone's ____?

Will you tell us ____ were discovered with ____?

_____ some of _____ discovered in _____ phone's bio-authentication?

Is _____ weaknesses _____ have been _____ so far in _____ by _____ device?

_____ am curious to _____ there _____ documented _____ to the use _____ Biometrics _____ my phone.

Do _____ if _____ any security _____ with the Smartphone's Biometric _____?

_____ been _____ or _____ that _____ come _____ light regarding the realization of safe and _____ biometrics _____ phone?

I'm interested in _____ there's _____ documented susceptibility _____ Biometrics _____ my phone.

Has _____ been _____ security loopholes or potential _____ have come to _____ safe and _____ biometrics _____ your _____?

_____ know if there _____ documented _____ for _____ Biometrics _____ my phone.

_____ risks _____ vulnerabilities associated with the _____ Unlocking method?

Does the phone _____ security _____ that could _____ of biometrics?

Will there _____ any _____ Biometrics on this Smartphone?

Is _____ a weakness _____ this _____ device's _____ of _____?

_____ want _____ if _____ are documented vulnerabilities for using _____ phone.

_____ you _____ is a _____ in the ID system _____ mobile device?

_____ there _____ issue _____ the phone's _____?

_____ this phone have any vulnerabilities _____ risks associated _____ a _____?

Can _____ tell _____ there were flaws in _____ scanning _____?

_____ are weaknesses in _____ on _____?

_____ the biographies _____ the _____ have _____ weaknesses?

_____ you tell _____ about _____ weakness _____ the signature system _____?

_____ a question about if _____ problems in _____ system.

I would _____ there are any _____ vulnerabilities related to _____ use of _____ phone.

_____ in _____ there _____ documented _____ issues around the use _____ credentials to unlock my _____.

_____ of _____ your built-in face unlocking tool _____ similar _____ in your mobile _____?

Do you _____ there _____ flaws in the Smartphone's _____?

The Biometric _____ on _____ can _____.

Do you _____ if there _____ flaws _____ the Smartphone's _____?

_____ any _____ or vulnerabilities associated with using the _____ method?

_____ there a _____ system that is _____ by this phone?

_____ tell _____ there _____ a weakness _____ the system _____ identifying _____ this mobile?

Is _____ can be identified _____ the implementation of the biometric Authentication _____ mobile _____?

_____ you _____ any flaws _____ the fingerprint _____ technology _____ the phone?

Did you find _____ vulnerabilities _____ unlocking _____ on this _____?

_____ any weaknesses _____ far in _____ implementation of _____ the phone?

Will you be able to _____ the _____ flaws with _____ fingerprint _____?

_____ would _____ to _____ if _____ any identified _____ Biometrics implemented _____ this smartphone.

_____ it possible _____ significant _____ were _____ phone's fingerprint _____ technology?

_____ any identified weaknesses in _____ implemented by _____?

_____ the _____ any _____ that could _____ discovered in _____ system _____ biometric authentication?

Can you tell me if _____ weakness _____ mobile's _____ system?

_____ tell me if it is _____ in _____ ID system?

Do you _____ of any _____ vulnerabilities _____ your built-in face _____ features in _____?

Is _____ a weakness _____ so _____ on this Smartphone?

Are _____ aware of the _____ vulnerabilities _____ your built _____ features in your _____ device?

_____ discover any potential risks _____ fingerprint _____ on this _____?

Is _____ any _____ identified _____ in this Smartphone's _____?

_____ a vulnerability that _____ for the compromise of _____ Biometrics that are _____ that phone?

I _____ interested _____ if _____ is _____ to the _____ of biometrics _____ unlock my phone.

_____ you checked _____ vulnerabilities in _____?

I want _____ there are any identified _____ that _____ been found _____ the biometrics _____.

Is _____ any weakness _____ the biometricAuthentication _____ on this _____?

_____ there any known flaws in the _____ used by _____?

_____ there are any vulnerabilities _____ in _____ bio-metrics?

What are _____ were _____ this phone's bio-authentication?

_____ this _____ method of fingerprint unlocks _____ pose _____ or _____?

_____ there _____ weakness _____ can _____ identified in _____ implementation _____ biometricAuthentication _____ this mobile _____?

_____ you know if _____ any flaws _____ biometric _____ system?

_____ there been a _____ of a _____ in _____?

_____ any risks or _____ associated _____ the fingerprint unlocking _____?

_____ able to tell me _____ the phone had _____ flaws _____ to its _____?

_____ learning if there is _____ documented _____ to using Biometrics _____ my _____.

Is there _____ weaknesses identified _____ implementation _____ on this _____?

Will you let us know if _____ with _____ fingerprint _____?

_____ there _____ vulnerabilities that affect _____ built-in face _____ tool and _____ device?

Will _____ be _____ tell us _____ the _____ had any major _____ with _____ technology?

What _____ weaknesses identified _____ bio-authentication?

_____ whether the phone's bio Identity _____ any flaws.

Does anyone _____ there _____ in the Biometrics _____ thisSmartphone?

_____ you _____ any flaws in theSmartphone'sBiometric _____ system?

_____ some _____ in this phone's bioauthentication?

_____ is a question _____ if the _____ flaws.

Does _____ device _____ any _____ with _____?

_____ there any weaknesses _____ Biometrics by this phone?

Is there a _____ in the _____ of _____?

Does this _____ use _____ method _____ unlocking _____ phone with a _____ could _____?

Will there be any _____ in _____ Biometrics _____?

What weaknesses _____ the _____ for this phone?

There _____ a _____ about _____ flaws _____ phone's bio-recognition _____.

_____ would _____ to _____ about any flaws _____ be discovered with _____ fingerprint _____.

_____ any _____ in the implementation of _____ by this _____?

Does _____ phone _____ any _____ security _____ in its system ofbiometricauthentication?

_____ you _____ phone's fingerprint scanning _____ has flaws?

Has a documented _____ phone's bioauthentication?

Does _____ biography login _____ weaknesses?

_____ there _____ weakness _____ be _____ the _____ of _____ biometrics on this _____ device?

Does this phone _____ a method _____ using _____ fingerprint, _____ expose it to _____ lot?

_____ want _____ is _____ documented vulnerability for using Biometrics _____ my phone.

Is _____ any _____ in the _____?

_____ there _____ documented vulnerability _____ in _____ bio-authentication of _____ phone?

Do you know _____ security _____ with _____ system?

Are _____ security _____ affecting _____ built-in face unlock tool _____ similar _____?

_____ that can be _____ in the implementation _____ the _____ implemented _____ device?

Can you please _____ there _____ any flaws in _____ technology?

Does _____ have any _____ could be _____ in _____ system ofbiometricauthentication?

_____ there any weakness _____ biometrics on this phone?

_____ would _____ to _____ are vulnerabilities for _____ Biometrics _____ my Phone.

Is _____ a weakness that can _____ found in _____ of _____ biometricAuthentication _____.

If _____ are any _____ in _____ phone's _____.

Does this _____ have any _____ with _____ unlocked method?

Has anyone found _____ the _____?

_____ any _____ in the _____ the biometrics _____ this device?

_____ any risks _____ security _____ with the _____ of _____ fingerprint unlocking _____ on this _____?

_____ weakness that can be fixed _____ phone's implementation of _____?

Is _____ any weaknesses _____ the use _____ Biometrics for this _____?

I would _____ there _____ any weaknesses in _____ Biometrics _____ for _____ phone.

Did you _____ any _____ that _____ be caused _____ using _____ fingerprint unlocking _____ phone?

_____ phone's _____ been found _____ vulnerability?

Does _____ vulnerabilities associated with the fingerprint unlock _____?

I'd like _____ know if _____ for _____ Biometrics for unlocking _____.

Has the phone's bio-authentication been _____ documented _____?

Is _____ any _____ in _____ Biometrics?

_____ know if _____ are documented vulnerabilities _____ using Biometrics _____ unlocking _____.

Does _____ if there are _____ security loopholes or potential _____ the _____ safe _____ biometrics on _____ mobile _____?

_____ is a _____ regarding _____ there _____ any flaws _____ phone's _____ Identity _____.

A _____ is _____ there _____ the phone's bio-metrics system.

Did _____ any security _____ with _____ the fingerprint _____ methods _____ phone?

_____ you _____ risks and security _____ when using the fingerprint unlocking _____?

Do you know of _____ your built-in _____ tool and _____ features in _____?

Does this _____ method of unlock _____ fingerprint _____ could expose _____ to some danger?

Is _____ phone's _____ Biometrics _____ to fix _____ weakness?

_____ there any weakness _____ found in the _____ the _____ implemented _____ phone.

Can you tell _____ if this is _____ ID system _____ this _____?

Is there _____ found in _____ of _____ phone?

Is this phone _____ method of unlocked _____ phone _____ fingerprint _____ could expose _____?

I would _____ to _____ are any _____ related to the use _____ to unlock my _____.

Does _____ phone use a _____ of _____ security risks?

_____ a method of _____ unlocks that poses _____ risk?

_____ you _____ to tell us if _____ flaws _____ its fingerprint scanning _____?

_____ there any weakness identified _____ of biometrics _____ this _____?

Can you tell me if this _____ on system?

_____ phone use _____ method _____ unlocking _____ phone with _____ fingerprint that _____ expose the _____ to _____?

_____ to know if there _____ any documented _____ biometrics to access _____.

Can _____ let me know if _____ phone's fingerprint recognition _____?

_____ there _____ that _____ identified in the _____ the biometricAuthentication _____ the phone?

_____ there any _____ implementation _____ the biometricAuthentication _____ the phone?

_____ a _____ if there are flaws _____ phone's _____ system.

_____ there _____ can _____ identified in the implementation _____ the mobile _____?

Does _____ phone have _____ weaknesses that could _____ in its _____?

Does the _____ security _____ risks _____ with the _____ unlocking method?

There's a question _____ in the _____ system.

_____ weaknesses _____ in the phone's _____?

Can you _____ me _____ it's a _____ sign on _____?

I _____ if there is a _____ susceptibility _____ Biometrics to _____ phone.

There _____ question on whether there _____ in _____ Identity system.

Is _____ weakness _____ the Biometrics _____?

_____ want _____ there are any documented vulnerabilities _____ using _____ unlock _____ phone.

Is there _____ weaknesses in the _____ on _____?

Is there any _____ that _____ fixed _____ this phone's _____?

There _____ question about _____ there are _____ with _____ bio-metrics _____.

What weaknesses ____ you ____ the ____ for ____ phone?

There are ____ weaknesses ____ in this phone.

____ are the security ____ in this ____?

____ discovered in the phone's bio-authentication?

____ you ____ able ____ tell ____ if ____ phone ____ significant ____ with ____ fingerprint ____ technology?

____ this ____ issues with bio-login?

Is ____ in ____ implementation ____ the biometricAuthentication on ____ mobile ____?

____ check if there were ____ discovered ____ bio-metrics?

Someone is ____ there ____ flaws ____ the phone's bio-recognition ____.

____ this ____ carry ____ associated with using the fingerprint unlocking ____?

____ weaknesses ____ you discover ____ the ____ Biometrics ____ this ____?

____ we ____ weaknesses ____ could compromise the ____ of the ____ login ____ on ____ phone?

____ security weaknesses that ____ be found in its system ____?

Does anyone know if there ____ the ____ bio-authentication?

____ are the weaknesses ____ bio-authentication?

Can you ____ about ____ flaws that might be ____ in ____ technology?

Can ____ are ____ loopholes ____ weaknesses ____ the realization of safe and reliable bio-metrics on ____ phone?

____ am ____ to learn ____ there is a documented susceptibility ____ Biometrics ____ Unlocking my ____.

____ a ____ if there are any ____ phone's bio-recognition system.

____ are ____ weaknesses ____ the ____ on thisSmartphone.

Did ____ and security ____ the ____ of the ____ unlocking method on this ____?

____ you ____ if ____ have ____ in thisSmartphone's bio-metrics?

____ could allow ____ the compromise ____ security ____ the Biometrics that ____ on that phone?

____ tell me ____ there is a ____ in ____ system?

I wanted ____ vulnerabilities for ____ Biometrics for unlocking ____ phone.

____ you know ____ fingerprint unlocking ____ this ____ risks or vulnerabilities?

Is there any ____ identified by ____ phone ____ implementation ____?

Is there ____ identified weaknesses ____ have ____ far in the ____ implemented ____?

There ____ a question ____ if there ____ any ____ phone's bio ____.

Can you ____ the ____ in this ____ device's ____ system?

Do we know ____ weaknesses ____ compromise the security of the ____ present on ____?

____ there ____ biometrics on thisSmartphone?

There is a ____ if ____ is ____ in ____ phone's bio ____.

Do you ____ if ____ are ____ within the used ____ this ____?

I want to know ____ are any ____ the ____ phone

Is there ____ vulnerability ____ would allow ____ a compromise ____ Biometrics present ____ that phone?

____ the phone ____ risks or ____ with the ____ method?

What ____ of the biometrics ____ this ____?

There ____ a ____ are ____ in the phone's ____ system

____ question regarding flaws ____ phone's bio ____ System

Will ____ weaknesses ____ the implementation of ____ by ____ phone?

I ____ are documented vulnerabilities for using biometrics ____ unlock ____ phone.

People are ____ there ____ in the phone's ____ system.

Did you ____ find ____ risk ____ vulnerability ____ using the ____ method in ____?

____ Biometrics ____ not be ____ to any ____ threats.

I ____ if there ____ any weaknesses within ____ used ____ this ____?

____ phone's ____ security ____ vulnerable ____ known threats.

____ phone have any known ____ weaknesses that could ____ found in ____?

____ identified in ____ Biometrics on this device?

Do ____ any weaknesses ____ could ____ of ____ login mechanisms ____ this phone?

I am curious to learn _____ is _____ susceptibility _____ the use _____ Biometrics _____ Unlocking _____.
 _____ any weaknesses _____ the _____ of this Smartphone?
 _____ phone _____ any risks or _____ be _____ to _____ fingerprint unlocking method?
 Does _____ bio-authentication _____ documented vulnerabilities?
 _____ is _____ question of if _____ are _____ in the _____ bio _____.
 Does this phone _____ risks _____ with the _____ unlocking _____.
 Do you _____ risks or _____ with _____ use _____ the _____ unlock method _____ this phone?
 Is _____ any weaknesses _____ so _____ the Biometrics _____?
 _____ you _____ the _____ recognised in this mobile's _____ system?
 _____ phone's _____ had a documented _____?
 _____ weaknesses did _____ find _____ used _____ on _____ phone?
 _____ are _____ if _____ in the phone's biometric system.
 _____ know _____ there is _____ weakness _____ can be _____ implementation _____ biometric Authentication
 implemented on this _____ device?
 Is _____ a _____ in _____ implementation of _____ biometric Authentication _____ on _____ device.
 _____ you discover _____ and security vulnerabilities _____ the fingerprint unlocking method _____?
 _____ any security vulnerabilities or _____ with the fingerprint _____ on _____?
 _____ been _____ documented vulnerability in the _____ of _____?
 There is a _____ if _____ are _____ in _____ bio-metrics _____.
 Does _____ of the _____ weaknesses?
 Is _____ weaknesses _____ been found in _____ Biometrics on _____?
 Does this phone have _____ risks _____ that are _____ method?
 _____ of security vulnerabilities in _____ built _____ unlock tool and similar features _____ your _____?
 _____ is a _____ if _____ flaws _____ the _____ bio-recognition system.
 Is _____ flaw in the _____?
 Has the _____ had a _____?
 Do _____ know _____ the Smartphone's _____ system _____ security flaws?
 _____ there _____ identified weaknesses that _____ implementation _____ the biometric Authentication implemented on
 this _____?
 _____ any vulnerability _____ would allow _____ the compromise _____ security of the Biometrics _____?
 _____ you _____ there _____ flaws with _____ phone's _____ technology?
 _____ it possible _____ found with _____ phone's _____ scanning technology?
 _____ are any _____ uncovered with _____ use of _____ the _____?
 _____ any _____ can _____ the implementation _____ the biometric Authentication on this mobile _____?
 _____ need to _____ about _____ be _____ with the phone's fingerprint _____ technology.
 Did _____ security vulnerabilities associated with _____ on this phone?
 Is _____ any weaknesses in _____ far on _____?
 Is _____ weaknesses identified so far _____ implementation on _____?
 Is _____ any weaknesses that _____ in the _____ this Smartphone?
 _____ possible _____ find a _____ or vulnerability using _____ unlocking method _____ phone?
 Does this _____ use _____ Unlocking _____ poses any risks or _____?
 _____ Biometrics on this Smartphone _____ weaknesses?
 Has _____ been _____ issue _____ phone's _____?
 Is _____ weakness _____ could _____ the biometric Authentication implemented on this phone?
 _____ there a weakness identified in _____ this _____?
 I'm interested in _____ there's _____ to _____ Biometrics _____ unlocking my phone.
 Have any _____ found in _____?
 _____ curious _____ there is _____ documented _____ to the use of _____ phone.
 _____ of security weaknesses in _____ built-in face unlock _____ features _____ your _____?
 Does _____ phone _____ a _____ of fingerprint _____ any risks?
 _____ you know if _____ fingerprint unlock _____ used _____ has _____ vulnerabilities?

____ there ____ weakness ____ be identified ____ the implementation ____ the device's ____?
 ____ this ____ use ____ unlocking ____ could pose risks or vulnerabilities?
 Did you discover any security ____ or ____ the fingerprint ____?
 ____ if ____ are ____ in the device's biometrics ____?
 There is ____ question whether the ____ bio-recognition ____.
 ____ there ____ weakness ____ the ____ bio-authentication?
 Do ____ about any flaws in ____ fingerprint ____?
 Did you ____ any potential ____ and ____ vulnerabilities with the ____ unlocks ____?
 Are you aware ____ vulnerabilities ____ face unlock ____ and ____ features ____ mobile device?
 ____ you find ____ security ____ or ____ associated ____ using ____ unlocking method on ____?
 ____ know ____ the Smartphone's bio-metrics have any ____ discovered?
 Is ____ any ____ of the ____ implemented ____ this device that ____ be ____?
 Will you ____ to tell ____ if ____ phone ____ flaws ____ its fingerprint ____?
 I'm ____ learning ____ there ____ documented ____ use of Biometrics to unlocked my ____.
 ____ bio-authentication could have ____.
 ____ question ____ if there ____ flaws in ____ phone's biometric ____.
 ____ any known flaws ____ phone's ____ system?
 ____ discover ____ risks and ____ with ____ use of the ____ on this phone?
 Has anyone ____ in the ____?
 Is there a ____ can be ____ in the ____ on ____ phone?
 ____ you know ____ vulnerabilities ____ unlock tool and ____ features in ____ mobile device?
 I want ____ if ____ any ____ in ____ phone's ____ processing technology.
 ____ there ____ a vulnerabilities discovered in ____?
 ____ any documented vulnerabilities ____ found ____ the ____ phone?
 There is a ____ if there ____ flaw in ____.
 There are any ____ have ____ the use ____ Biometrics for ____ phone?
 ____ biographies ____ of ____ smartphone have ____.
 ____ of the ____ vulnerabilities affecting your ____ face ____ and similar features in your ____?
 ____ there ____ weakness that ____ be ____ in the implementation ____ the ____ implemented ____ this ____?
 What weaknesses ____ discover with the ____ this ____?
 The ____ login of ____ have ____.
 Are ____ any weaknesses ____ compromise ____ security of ____ biometric login ____ this ____?
 ____ this ____ risks or vulnerabilities ____ with ____ fingerprint unlocking ____?
 ____ on whether there ____ any flaws in ____ phone's biometric ____.
 ____ identified so far ____ the biometrics on ____?
 ____ a vulnerability discovered within ____ bio-authentication?
 Did you ____ find ____ vulnerability ____ unlocking method ____ this phone?
 ____ is a ____ phone's bio Identity system ____.
 Biometric ____ on ____ be vulnerable to known ____.
 ____ wants ____ know ____ there are any ____ the phone's biometric ____.
 ____ is ____ question ____ whether or not there ____ flaws ____ Identity System.
 ____ you ____ for potential vulnerabilities ____?
 Is ____ any weaknesses ____ the ____ on this device?
 ____ the phone have any ____ found ____ the system ____ bio-metrics?
 ____ any weaknesses ____ the ____ Biometrics for this ____?
 ____ you know ____ a recognised ____ this mobile's ____ system?
 Do you ____ there are ____ the Smartphone's Biometrics ____?
 There ____ a question about ____ flaws ____ system.
 ____ this ____ vulnerable to ____ related to the ____ method?
 ____ weaknesses that can be ____ in the ____ mobile device's ____?

What ____ any ____ that ____ biosuring for the phone?

Is ____ weaknesses identified ____ the ____ biometrics with this ____?

Is there any weaknesses identified ____ this phone?

Has anyone ____ a ____ the ____.

____ phone ____ weaknesses ____ that you should be aware ____ in ____ to have ____ and reliable ____ on ____?

Does this ____ vulnerabilities related to the ____ unlocking ____?

____ you tell me ____ it's ____ recognised ____ of this ____ sign ____?

Does ____ for these ____ some weakness?

Do ____ know if the Smartphone's ____ has ____ flaws?

____ there any ____ so ____ the ____ implementation of this ____?

Is ____ a ____ in the ____ of the Biometrics ____ this ____?

Is ____ a ____ that ____ in ____ of biometrics on ____ mobile device?

____ is a question ____ the security of ____ Biometrics.

Are there ____ in ____ of the ____ implemented ____ this ____ device?

____ there ____ identified ____ in the implementation of ____ biometric Authentication implemented ____ ____?

____ be ____ tell ____ the ____ had ____ flaws with it's fingerprint scanning ____?

Can ____ me about ____ flaws ____ be ____ with the phone's ____ recognition ____?

____ aware of ____ security vulnerabilities ____ in face ____ tool and similar features ____ your ____?

Has ____ in the phone's ____?

There ____ a question ____ if ____ are any ____ the ____ bio-recognition ____.

Does the ____ Identification ____ have ____ weakness that ____ fixed?

Can you tell ____ if ____ of identifying ____ has ____?

Did ____ discover any ____ risks ____ fingerprint unlocks ____ phone?

Are there any weaknesses that can be ____ in ____ implemented on ____?

____ the phone's ____ flaw discovered?

____ there are any ____ within the used ____ for ____ phone.

Does the phone ____ any known ____ weaknesses ____ be ____ in ____ system ____?

____ about flaws ____ the phone's ____ Identity system

Has the ____ have ____ vulnerability ____?

____ tell ____ if there are ____ phone's ____ scanning technology?

____ there any weakness ____ can be ____ the implementation ____ phone's ____?

____ are ____ in the ____ on ____.

____ you ever ____ a ____ vulnerability ____ fingerprint ____ method ____ this phone?

Can ____ tell ____ it is a ____ mobile's ____ system?

What weaknesses are ____ phone's ____?

Are ____ weaknesses ____ be identified in the implementation of ____ device?

____ is a ____ there are flaws ____ phone's ____ system.

Is ____ weakness ____ can ____ of the Biometrics on ____ mobile device?

Are ____ aware ____ the security vulnerabilities ____ affect ____ built-in face ____ features ____ mobile device?

Did you discover ____ risks ____ using the ____ method ____ phone?

____ find a ____ or vulnerability ____ fingerprint unlocking ____ this phone?

____ you discover ____ potential security ____ the use ____ the ____ methods ____ phone?

____ in the Biometrics for ____?

____ a ____ allow ____ someone ____ compromise the ____ the Biometrics on that phone?

____ there ____ in ____ phone's bio-authentication?

____ phone use ____ method of fingerprint ____ that ____ or weaknesses?

____ may be a ____ in ____ implementation of ____ implemented ____ phone.

____ if ____ are flaws in the phone's ____ Identity ____.

____ you know of ____ risks associated ____ the ____?

Is there ____ the implementation ____ the biometric Authentication ____ on ____ phone?

Do you _____ are _____ with the Smartphone's _____ system?

There is _____ there _____ problems with _____ phone's _____ Identity system.

_____ there any weaknesses _____ can _____ identified in _____ implementation _____ on _____ device?

Do you _____ flaws with _____ Biometric authenticating system.

_____ you know if _____ is a _____ the Smartphone's Biometric _____?

Is _____ have been _____ so far in the _____ implemented by _____?

I _____ curious to _____ out if there is a _____ use _____ to _____ phone.

_____ you tell me about _____ flaws _____ phone's fingerprint _____?

Has _____ documented vulnerability in the _____?

There _____ any _____ in _____ implementation of Biometrics _____.

_____ discovered _____ this phone's bioauthentication?

There _____ question on _____ there are flaws _____ phone's biometric _____.

_____ weaknesses _____ the Biometrics on this Smartphone?

_____ there _____ identified by _____ Biometrics on _____?

_____ there _____ a _____ in _____ phone's _____?

_____ there _____ weaknesses _____ could compromise the security _____ the biometric _____ on _____?

Is there any _____ in _____ Biometrics implementation _____?

Can you _____ me if _____ in the signature _____ the _____?

_____ know anything about _____ risks _____ with _____ unlock method on this phone?

_____ am _____ to _____ if there _____ a documented susceptibility to the use _____ to _____.

Is _____ the implementation of _____ implemented on the mobile _____?

_____ weaknesses found in _____ Biometrics by this phone?

_____ is _____ if there are _____ in the _____ bio Identity _____.

I _____ interested in learning _____ there is _____ documented _____ to use _____ to _____.

Do you _____ if there _____ flaws with _____ system?

Did you ever _____ unlocking method in _____ phone?

Do _____ know _____ any _____ have _____ discovered in _____ bio-metrics?

Does anyone _____ is a _____ the _____ bio-authentication?

Did you _____ vulnerabilities _____ found in this Smartphone's _____?

_____ login _____ these cellphones _____ weaknesses?

There is a question _____ whether _____ are problems _____.

_____ interested _____ if there _____ any documented susceptibility _____ the _____ biometrics to unlocking my _____.

Do _____ biographies _____ of the phones _____?

There is a _____ whether there is a _____ in the _____ of _____ biometric Authentication implemented _____.

Did you find any _____ vulnerabilities using _____ fingerprint unlocking methods _____?

Does _____ have any risks _____ associated _____ using _____ fingerprint _____?

Do the biographies _____ the smartphones _____?

Are _____ that can be found in the _____ of _____ on _____ mobile _____?

_____ you _____ if significant _____ were discovered _____ regards to _____ phone's fingerprint _____?

_____ you aware _____ vulnerabilities affecting your _____ face _____ tool and similar _____ your _____?

_____ have any knowledge of the risks _____ vulnerabilities _____ fingerprint _____ used _____ this _____?

Please tell me _____ there are _____ the _____ Biometrics for unlocking _____ Phone.

There is _____ the phone's bio Identity System _____ flaws.

_____ a question _____ the phone's _____ system _____ flaws.

_____ there any _____ the Biometrics _____ this phone?

Please tell me if _____ are any documented vulnerabilities _____ the _____ my _____.

There _____ a _____ to whether _____ is any identified _____ the implementation _____ biometric Authentication _____ this phone.

_____ the _____ bio-authentication been found _____ a documented _____?

Is _____ any _____ in _____ system?

There is a question about if _____ bio-metrics system.

Did ____ discover ____ potential ____ use ____ the fingerprint unlocking methods ____ this ____?

There are ____ weaknesses ____ in the Biometrics ____ this Smartphone.

Has ____ security flaw ____ phone's bio-authentication?

____ any flaws identified ____ far ____ the Biometrics ____?

____ tell me ____ any flaws that might ____ with regards ____ the ____ technology?

____ any weaknesses that ____ the security of ____ login mechanisms ____ this phone?

Are you ____ of security ____ in your ____ and built-in ____?

____ you ____ me ____ is a ____ weakness ____ this ____ device's ID ____?

Is there any ____ identified ____ the ____ on ____?

There are any ____ the ____ for ____ Phone.

____ if ____ any identified weaknesses ____ the biometrics ____ by this phone?

There ____ weaknesses that may have been ____ the use of ____?

____ bio-metrics ____ potential vulnerabilities?

Will ____ be able ____ tell me if the ____ significant flaws ____ technology?

____ there ____ documented ____ phone's bio-authentication?

____ aware of the ____ that affect your ____ face ____ tool?

There are some ____ in ____

____ it possible ____ flaws ____ discovered with ____ phone's fingerprint scans?

____ phone's bio-authentication ____ any documented ____?

____ weaknesses have ____ discovered in ____ of ____ for ____ phone?

What are ____ flaws ____ this ____?

I ____ in learning if there ____ a documented security ____ the ____ of ID ____

____ there any ____ in the ____?

____ there any ____ that can be ____ the implementation ____ biometricAuthentication ____ on this ____?

____ any ____ that can ____ the Biometrics on this Mobile device?

I want ____ know ____ any ____ discovered ____ regard to ____ phone's ____ recognition technology.

____ a vulnerability ____ found in ____?

There are any weaknesses that ____ discovered ____ the ____ of ____ phone.

____ there ____ the phone's bio-authentication?

____ some flaws ____ in ____ phone's ____?

____ there ____ documented ____ in the phone's bio-authentication?

Are ____ can ____ fixed with this ____ implementation of ____?

Did you discover ____ with ____ fingerprint unlocking methods used in ____?

Is ____ weakness identified in the implementation ____ the ____?

____ to know ____ there ____ any ____ vulnerabilities ____ Biometrics for unlocks my ____.

Is there ____ have ____ found in the ____ of the biometrics ____?

____ about if there are ____ problems with ____ Identity system.

Does ____ use a ____ that ____ risks or vulnerabilities?

____ want to know if there ____ any documented ____ to ____ use of ____.

Has ____ been any vulnerabilities discovered ____ bio-authentication ____?

____ a question ____ if there are ____ flaws ____ Identity System.

____ you know ____ there are ____ security flaws ____ the Smartphone's ____?

____ any ____ that can ____ identified in ____ of the biometricAuthentication implemented ____?

I ____ like ____ know ____ there ____ a ____ to ____ use of ____ to ____ my phone.

Are ____ aware of the security ____ affecting ____ tool, and similar features ____ mobile ____?

____ you ever ____ vulnerability using ____ fingerprint unlock method ____?

____ of security vulnerabilities ____ your built-in ____ tool and ____ features ____ your cellphone?

Has ____ a weakness found in ____?

Can you let ____ know if ____ any problems ____ phone's ____?

Which ____ were found ____ this ____?

_____ weaknesses that can be _____ in _____ of the _____ implemented _____ the _____?

_____ there _____ weakness in the implementation _____ the _____ implemented _____?

_____ any documented vulnerabilities related to the _____ for _____ my phone.

Is _____ any _____ have been identified _____ the _____ the Smartphone?

_____ there any weakness _____ could _____ the security of _____ mechanisms _____ this _____?

Does _____ signature system _____ weakness?

Has _____ any _____ in _____ Biometrics on this Smartphone?

_____ about any flaws that _____ with the _____ fingerprint processing _____.

Is _____ a _____ that _____ of the _____ on that phone _____?

Is there _____ weakness _____ can be detected in _____ biometric Authentication _____ device?

Can you _____ if _____ were any significant _____ with _____ phone's _____?

Has a documented _____ found _____ the _____ phone?

_____ there _____ vulnerability discovered in _____ phone's _____?

_____ interested _____ learning if there is a documented susceptibility to _____ to _____ my _____.

_____ is _____ question about whether _____ not _____ are _____ the phone's _____.

Is _____ weakness identified _____ the Biometrics _____?

_____ have _____ known security _____ that could be found _____ its _____?

_____ would _____ know if _____ any weaknesses within the Biometrics used _____.

Is there a weakness _____ can be _____ implementation _____ on _____ device?

_____ there _____ a problem _____ the _____?

Is _____ a way to _____ of the _____ login _____ phone?

Is there a _____ that _____ allow _____ of _____ Biometrics that are present _____ that phone?

I _____ like to _____ there is _____ documented _____ to the _____ Biometrics _____ my phone.

Does the biography _____ smartphones _____ weakness?

_____ some of the _____ the _____ biometrics?

I need to know _____ any flaws _____ be discovered _____ processing _____.

_____ bio-metrics _____ any _____ vulnerabilities?

Are you _____ of _____ afflicting _____ built-in face _____ and _____ features in your mobile _____?

There _____ question _____ there is _____ the phone's bio Identity _____.

Is _____ built-in face _____ similar features _____ risk _____ being compromised?

Do you _____ is _____ be _____ implementation of the biometric Authentication implemented on this phone?

_____ there _____ can be _____ this phone's Biometric _____ System?

_____ you aware _____ the _____ vulnerabilities _____ face unlock tool and _____ features _____ your _____ device?

_____ to _____ are _____ weaknesses within the Biometrics _____ this phone?

_____ you _____ risk or vulnerability _____ using _____ fingerprint unlocking _____ phone?

_____ vulnerabilities _____ found _____ the _____ bio-authentication?

_____ any vulnerabilities have _____ discovered in this Smartphone's _____?

_____ it a _____ weakness _____ this mobile's _____ system?

_____ weaknesses were identified _____ the _____?

_____ you _____ the security _____ your _____ face unlock _____ similar features in your _____?

Will _____ tell me if the phone _____ any major _____ fingerprint scanning technology?

Do _____ know if there _____ a _____ in _____ biometric _____?

Is _____ any _____ the Biometrics _____ this phone.

Is the _____ Biometrics on _____ vulnerable?

Did you ever discover _____ fingerprint _____ method on this phone?

There _____ a question about if the _____ has _____.

Can you _____ me _____ any flaws that _____ be _____ in _____ scanning _____?

_____ there _____ weakness _____ be found in _____ implementation of _____ biometrics on _____?

There is a question about _____ the phone's _____.

I _____ if there are _____ for using Biometrics for _____ my _____.

Is there ____ weakness ____ in ____ Biometrics ____ ?

____ anyone ____ a weakness ____ bio-authentication?

Is ____ weaknesses that have been ____ biometrics implemented ____ the phone?

Can ____ tell me ____ is a known weakness ____ on ____?

Has there ____ vulnerability ____ the ____ bio-authentication?

Is ____ weakness of this ____ signature ____?

Do you know ____ security flaws ____ biometric ____ system?

____ is wondering ____ are ____ flaws ____ phone's bio ____ system.

____ a ____ that can be ____ this ____ implementation ____ Biometrics?

Have ____ a risk ____ vulnerability using ____ fingerprint ____ method ____ this ____?

____ you ____ know if ____ flaws in the ____ fingerprint ____ technology?

There is a ____ there are any flaws ____ phone's ____.

____ are the ____ have been ____ in the ____ this Smartphone?

____ there ____ flaw in ____ phone's biometric ____?

____ biometrics ____ this ____ be ____ to known threats.

The Biometrics ____ phone ____ immune to known ____.

____ a vulnerability ____ the ____ of the phone?

____ this ____ any ____ might be related ____ the ____ unlocking method?

____ Biometric ____ might be ____ known threats.

____ able to tell me if ____ any major flaws ____ its ____ technology?

____ the ____ any ____ weaknesses ____ be found in its ____ of biometrics?

____ a ____ whether there are flaws ____ phone's biometric ____.

____ is ____ about ____ flaws ____ the phone's bio-metrics system

____ any weaknesses in ____ Biometrics for ____?

____ been ____ discovered in the phone's bio-authentication?

Did ____ discover ____ security ____ the use of the ____ methods ____ the ____?

Do you know ____ there are ____ in ____ this Smartphone?

____ are some weaknesses ____ Biometrics implementation that ____.

____ ever find a ____ vulnerability ____ the fingerprint unlocking ____ in ____ phone?

I am interested in ____ whether there are any ____ security ____ the use ____.

____ this ____ a ____ of ____ it's phone with ____ fingerprint that ____ it to vulnerabilities ____?

Do ____ of ____ have ____ weakness?

____ want ____ know ____ there ____ documented vulnerabilities ____ Biometrics to ____ into my ____.

Is ____ phone's ____?

Does ____ phone ____ a ____ of ____ that poses ____?

Do biographies ____ of ____ have ____?

Can ____ tell ____ if there ____ weaknesses ____ mobile's ____ system?

Does this ____ have ____ issues or ____ associated ____ the ____ method?

Is ____ known ____ in ____ phone's ____ system?

Do you know ____ are flaws ____ device's ____?

Can ____ tell me if ____ is a ____ signature ____ this mobile?

____ the ____ have any known ____ weaknesses ____ be ____ in its ____?

What ____ did ____ find with ____ used Biometrics ____?

Is ____ weaknesses identified ____ far in ____ this Smartphone?

Are there ____ identified ____ biometric Authentication implemented on this phone?

____ there any ____ vulnerabilities found in ____?

Some ____ wonder ____ in the ____ bio-recognition system.

I need to ____ flaws ____ might ____ in the ____ fingerprint scanning ____.

____ tell ____ flaws that ____ with the phone's fingerprint recognition technology?

There ____ question as ____ bio Identity system has ____.

Is _____ recognised weakness _____ this _____ device's _____ system?

Does _____ have security weaknesses or vulnerabilities _____ of, in _____ to _____ safe _____ reliable Biometrics?

_____ a question if _____ flaws with _____ phone's bio-metrics _____.

_____ there _____ found _____ the phone's bio-authentication?

_____ there _____ with _____ Biometrics on _____?

Are _____ aware _____ the vulnerabilities affecting your built-in _____ unlock _____ and similar _____?

I'd like _____ there are _____ documented _____ to _____ use _____ Biometrics for _____ my phone.

Are there any _____ that _____ in the Biometrics _____?

_____ the phone's bio-authentication _____ found to _____ a _____?

Is there _____ weakness in the implementation of _____.

Is _____ any _____ weaknesses that have _____ found _____ Biometrics on _____ phone?

_____ you tell _____ about the flaws _____ phone's fingerprint _____?

Can _____ tell _____ it's a _____ in this _____ of identifying you?

_____ want _____ there _____ documented vulnerability in _____ Biometrics to unlock my _____.

Is there any _____ be seen _____ the implementation _____ biometric Authentication implemented _____?

Will you be able _____ the _____ significant flaws _____ its fingerprint _____ technology?

Does _____ bio-authentication _____ any _____ vulnerability?

_____ question _____ there are problems _____ the phone's _____ Identity system.

_____ there any _____ in the implementation of _____ biometric Authentication _____ on _____ be _____?

_____ if there are any _____ with the phone's fingerprint _____?

Did you ever _____ risk or _____ when using _____ on this _____?

_____ is a _____ the phone's biometric system has _____.

Does the _____ known security vulnerabilities _____ could be found _____ system _____?

_____ you check _____ potential vulnerabilities have _____ this Smartphone's bio-metrics?

_____ is a _____ in the _____ system.

_____ any _____ identified so far _____ the _____ by this _____?

_____ the _____ have any known security _____ that _____ found in _____ system _____?

_____ aware of security vulnerabilities _____ face _____ and _____ features _____ your mobile device?

_____ tell _____ if there _____ weakness _____ device's system of identifying you?

The biographies login of _____ could _____.

Did _____ discover _____ potential risks _____ fingerprint unlocking method on the _____?

I _____ in learning if _____ vulnerability to _____ Biometrics to Unlocking my phone.

_____ would _____ to know _____ there are documented _____ using _____ unlocking _____ phone.

I _____ know _____ there are documented _____ in _____ Biometrics _____ my _____.

There's _____ question _____ there are _____ the _____ bio-recognition system.

I would _____ if _____ are _____ with the _____ processing technology.

_____ this _____ using _____ method of _____ poses any risks?

Is _____ vulnerabilities discovered _____ bio-metrics?

Does _____ phone have any _____ that _____ found in _____ of _____?

What weaknesses _____ you _____ the used biometrics _____ this _____?

_____ the security _____ your built-in _____ tool and similar features _____ your cellphone?

There _____ a question _____ any _____ in _____ bio-recognition system.

Is _____ any weakness that can be _____ the _____ implemented _____ phone.

There _____ a _____ about whether _____ the phone's biometric system.

Has _____ a security vulnerability _____ phone's _____?

Is _____ to _____ the _____ Biometrics present on that phone?

Is _____ vulnerability _____ the phone's _____?

_____ any _____ been _____ in the _____ bio-authentication?

Do the _____ on the _____ have _____?

Can you tell me if _____ the phone's _____?

____ there a recognised ____ in ____ ID ____?
 ____ on this Smartphone flawed?
 I ____ to know about any flaws that ____ be ____ processing ____.
 ____ of ____ security vulnerabilities in ____ built-in face unlock tool ____ similar ____ in ____ device?
 Has ____ issue ____ the ____ bio-authentication?
 ____ there been ____ documented vulnerability ____ the phone?
 ____ any ____ risks with the fingerprint ____ on this ____?
 ____ tell ____ there's ____ flaws in the ____ processing technology?
 ____ anyone ____ vulnerabilities ____ the phone's ____?
 Can ____ be ____ identified in ____ of the biometric Authentication implemented ____?
 I ____ in finding out ____ there ____ a ____ susceptibility ____ use ____ Biometrics to ____ phone.
 ____ if there are ____ security ____ in the Smartphone's Biometrics authenticating ____?
 Does ____ phone have ____ known ____ weaknesses that could be ____?
 ____ there ____ weakness in ____ biometric Authentication implemented on ____ mobile device?
 ____ phone ____ weaknesses that could be ____ it's system of ____?
 ____ you ____ if ____ are flaws ____ authenticating system?
 ____ there ____ vulnerability that ____ allow ____ compromise ____ the security of the ____ on ____ phone?
 ____ tell ____ about ____ flaws that ____ discovered with respect ____ the ____ fingerprint recognition ____?
 ____ you ____ this ____ any risks ____ vulnerabilities ____ with ____ fingerprint unlocking ____?
 ____ the ____ your built-in face unlock tool and ____ on your mobile device?
 ____ this ____ a method of ____ that may ____ a ____?
 Someone ____ to ____ if ____ any flaws in ____ bio-recognition ____.
 ____ to know ____ a recognised weakness ____ this mobile's ____ system.
 Are there any ____ of the biometric Authentication ____ this phone?
 ____ want to know ____ a documented ____ to the ____ of biometrics ____ unlocking ____.
 ____ phone ____ any ____ or ____ the fingerprint unlock method?
 I would ____ to know ____ are ____ weaknesses ____ the ____ for ____ phone?
 ____ you ____ me ____ flaws that ____ be ____ with regards to ____ phone's fingerprint ____?
 Did you ____ any potential risks and ____ the fingerprint unlocking ____ on ____ phone?
 Are ____ security vulnerabilities ____ built-in ____ tool ____ features ____ your mobile device?
 I would ____ if there ____ vulnerabilities for ____ biometrics ____ unlocking my ____.
 The ____ if there are ____ issues ____ phone's biometric ____.
 ____ you ____ vulnerabilities ____ the fingerprint unlocking method ____ this phone?
 I ____ know ____ there ____ any weaknesses within the ____ phone.
 ____ want to ____ there are ____ for using ____ for ____ phone.
 Is there ____ so ____ the biometrics ____ of ____ phone?
 ____ of ____ vulnerabilities ____ your built-in ____ unlock tool and ____ features in your ____?
 ____ biography login ____ have any problems?
 ____ checked ____ potential ____ this Smartphone's biometrics?
 I ____ like ____ whether ____ are ____ identified weaknesses in ____ sign in system.
 ____ anyone ____ vulnerability ____ the phone's ____?
 ____ you know if ____ unlock method ____ on ____ has any ____?
 ____ there ____ in the ____ this Smartphone.
 Are you ____ of ____ security vulnerabilities ____ your ____ unlock tool and ____ features ____ device?
 Is there any weaknesses within ____ used ____?
 ____ there are any documented ____ related ____ use ____ for ____ my phone, ____ let me ____.
 ____ a ____ on whether ____ bio-recognition system ____ flaws.
 I want to know ____ there ____ any ____ to the ____ of ____ for ____ my ____.
 Do you ____ find ____ vulnerability using the ____ in ____?
 Is ____ weakness that ____ be fixed with this ____ of ____?

Is there _____ the implementation of the _____ on _____ mobile _____ that _____ identified?

_____ be able _____ tell me _____ the _____ had _____ with it's fingerprint scanning _____?

_____ tell _____ whether there _____ any identified weaknesses _____ sign in _____?

What _____ are _____ in this _____?

I _____ to know _____ are any _____ Biometrics for this _____?

_____ we _____ of _____ weaknesses that _____ compromise the security _____ Biometrics _____ this _____?

_____ find a _____ or vulnerability while _____ fingerprint _____ method on this _____?

Do you _____ if _____ in the Smartphone's _____ system?

Can you tell _____ if _____ are identified weaknesses _____ the mobile?

_____ you _____ any security vulnerabilities affecting _____ built-in _____ unlock _____ and similar features in _____?

I'm _____ if _____ weakness _____ this _____ signature system.

I would like _____ there are _____ Biometrics to get _____ my _____.

Is there _____ found so _____ implementation of biometrics by _____?

_____ there _____ vulnerability _____ the phone's _____?

Does this phone use a method _____ it's phone _____ using _____ fingerprint _____ vulnerabilities?

_____ this _____ carry any vulnerabilities that _____ to the _____?

There is _____ question if _____ are any _____ with _____ phone's _____.

Does _____ phone use _____ of _____ it's phone _____ a _____ it to some risks?

Can _____ me _____ it's _____ the signature system of _____ mobile?

Has there been _____ found _____ phone's bio-authentication?

_____ you _____ security vulnerabilities that affect _____ in _____ tool and similar _____ your cellphone?

Are there any _____ that _____ be _____ the biometricAuthentication _____ on this _____?

_____ there any weakness _____ in _____ Biometrics on _____?

_____ curious _____ there _____ documented _____ using Biometrics _____ my phone.

Do _____ biographies _____ the _____ have any _____?

_____ people want _____ know _____ are any _____ in _____ phone's bio-recognition _____.

Have _____ checked if _____ have _____ in _____ bio-metrics?

_____ risk _____ vulnerability using _____ fingerprint Unlocking method _____ this phone?

Do you _____ there _____ any _____ vulnerabilities _____ the _____ of Biometrics _____ unlocking?

_____ there _____ phone's fingerprint recognition _____ that _____ tell me about?

Does _____ phone use _____ method of unlock _____ phone with _____ expose it _____ some _____?

_____ tell _____ if there _____ vulnerabilities _____ to the _____ of _____ for _____ my _____.

_____ question _____ flaws in _____ system of the phone.

Does this phone _____ in _____ of Biometrics?

There _____ as to _____ any flaws _____ the _____ bio Identity system.

Can _____ if significant flaws _____ with the phone's _____?

What weaknesses _____ the used biometrics _____ phone?

_____ security _____ that affect your _____ similar features in your _____ phone?

Did you _____ risks associated _____ the _____ of _____ fingerprint _____ on this _____?

_____ some weaknesses in the _____?

_____ weakness that can be _____ in the implementation _____ biometricAuthentication _____ on _____ mobile _____?

_____ weaknesses identified _____ this Smartphone's Biometrics?

_____ vulnerability in the _____ bio-authentication?

_____ any flaws discovered in the _____?

_____ there a weakness in the implementation _____?

_____ anyone _____ flaws _____ the phone's _____?

_____ need _____ about any flaws that _____ discovered with _____ to the _____ scanning _____.

_____ want to _____ flaws _____ might be found in _____ phone's fingerprint _____.

_____ potential vulnerabilities have _____ found in this Smartphone's _____?

_____ this phone _____ method of _____ it's _____ with _____ that _____ expose it to _____ dangers?

____ you ____ if there ____ the Smartphone's Biometrics ____ system?
 I ____ to ____ if ____ a flaw in the ____ technology.
 Has ____ been a ____ with ____ bio-authentication?
 ____ know if ____ are any ____ loopholes ____ in the realization ____ biometrics on your mobile device?
 ____ is ____ question about if there ____ in ____ phone's ____.
 ____ to know if ____ flaws with the phone's ____ technology.
 ____ a vulnerability discovered in ____ bio-authentication?
 Is ____ a weakness that ____ implementation of the ____ this phone?
 ____ you tell me ____ there's a recognised ____ in this ____?
 ____ you tell me if there are ____ with ____?
 ____ like ____ know if there are ____ in ____ Biometrics for this ____.
 ____ might be ____ weakness ____ this phone's ____ Biometrics.
 Is ____ a security flaw ____ system?
 There is a ____ there are ____ phone's ____ system.
 ____ there any weaknesses in ____ implementation ____ by ____?
 Is ____ a ____ biometrics on this ____?
 What vulnerabilities ____ in ____ phone's ____?
 Can ____ tell me ____ that ____ a ____ in this mobile's ____?
 Is ____ weakness ____ Biometrics implementation of this ____?
 What ____ bio-authentication of this phone?
 Can ____ tell me if ____ phone's ____ scanning technology ____?
 ____ we know ____ weaknesses that could ____ security ____ the ____ present ____ this ____?
 Can ____ me if it's a ____ mobile's ____ system?
 ____ you tell me ____ there is ____ this ____ system?
 There are any ____ in the ____ by this ____?
 Do you know ____ security vulnerabilities ____ affect ____ unlock ____ and similar ____ your cellphone?
 Is there ____ weaknesses ____ the ____ of ____ by this ____?
 Does ____ phone use ____ of unlocking ____ with ____ that would expose ____ some risk?
 Has there ____ a security vulnerability ____ phone's ____?
 I ____ like ____ if ____ are documented vulnerabilities for using ____ my ____.
 Is ____ weakness that ____ be identified in ____ the ____ on this ____?
 The ____ login ____ smartphones might ____ some ____.
 ____ there a way to ____ security ____ the Biometrics that ____ phone?
 The phone's ____ system ____ asked ____ are any ____.
 ____ is ____ question ____ there is ____ flaws in ____ system.
 Do ____ know ____ a ____ in the implementation ____ biometricAuthentication ____ on this ____.
 ____ login ____ the smartphones ____ any flaw?
 ____ know if it ____ a recognised ____ sign on system?
 Is it a ____ in this ____?
 ____ a ____ about if there ____ with the ____ Identity system.
 ____ is ____ if there ____ any flaws ____ the bio-metrics ____ the ____.
 Did ____ ever find a ____ or vulnerability ____ the ____ unlock ____ phone?
 ____ there ____ discovered ____ the phone's ____.
 Are ____ aware of ____ affecting your ____ face unlocked tool ____ in your ____ device?
 ____ want to know ____ there are ____ documented vulnerabilities ____ the ____ to unlock my ____.
 Did you ____ vulnerabilities ____ the ____ of ____ fingerprint unlocking method on ____?
 Can you tell me if ____ a ____ weakness ____ ID ____?
 I need to know about ____ discovered ____ phone's fingerprint processing ____.
 Is ____ weakness that can ____ identified ____ the ____ implemented ____ this phone?
 ____ this phone have ____ to the fingerprint ____ method?

Did you _____ and _____ associated with _____ the _____ unlocking _____ on this _____?
_____ us know if _____ were _____ with the _____ fingerprint _____ technology?
_____ the Biometrics _____ weak?
_____ are some _____ vulnerabilities _____ phone's bio-authentication?
Does this phone _____ of unlocking _____ with a fingerprint _____ expose _____ to some _____?
Can you tell _____ the weakness _____ this _____?
_____ you know what security _____ are with _____ system?
_____ you tell _____ if it's _____ weakness _____ this mobile's _____ on _____?
_____ any _____ that _____ found in _____ implementation _____ the _____ on this phone?
Is _____ identified _____ the Biometrics on _____?
_____ am interested in _____ any documented susceptibility to the _____ of _____ my _____.
_____ is _____ about if _____ flaw in _____ phone's biometric system.
_____ you _____ there are _____ flaws with _____ authenticating system?
_____ to know if _____ vulnerabilities _____ using biometrics to unlock my _____.
What are _____ identified _____ this _____?
_____ if there are vulnerabilities _____ using Biometrics to unlock _____.
Are _____ any _____ can be found in _____ implementation _____ the _____ device?
_____ me about _____ might be found with the phone's fingerprint _____?
_____ you know if there _____ any weaknesses within the _____.
I am interested in _____ if _____ is _____ documented _____ the _____ of biometrics to _____.
I _____ there _____ any documented _____ for _____ Biometrics for unlocking my _____.
_____ you _____ me whether _____ phone's fingerprint _____ technology has _____ flaws?
What are some of _____ found _____ this _____?
_____ to know _____ there _____ a documented susceptibility _____ the _____ of _____ phone.
Is there _____ weaknesses _____ in _____ by _____ phone.
_____ documented _____ to _____ phone's bio-authentication?
_____ you _____ about any identified _____ in _____ in system?
Can you tell _____ any flaws _____ might _____ discovered with _____ the _____ fingerprint _____?
_____ is _____ if _____ are _____ in the _____ biometrics system.
Can _____ me about _____ flaws that _____ be _____ in the _____ scanning _____?
Is there _____ points _____ implementation of Biometrics _____ phone?
_____ tell _____ if there is a _____ mobile's sign on _____?
_____ are _____ be _____ in the _____ of the biometric Authentication _____ on _____ device.
Can you _____ if _____ flaws were _____ the _____ scanning technology?
_____ there _____ weakness _____ be _____ in the implementation _____ biometrics _____ this device?
_____ is _____ about if _____ are issues _____ phone's _____ system.
_____ find a risk or vulnerability using the _____ unlock _____?
_____ you find any potential risks _____ security _____ with _____ fingerprint _____ phone?
_____ been _____ vulnerability _____ the phone's _____ discovered?
There _____ question about _____ is _____ in the _____ system.
Can _____ tell _____ is a _____ weakness _____ mobile's signature system?
_____ any vulnerability _____ in the _____?
_____ the _____ any weaknesses in the implementation _____?
Is there any _____ identified _____ the implementation of _____ phone?
_____ phone's _____ System have any _____ that can be _____?
_____ is _____ question of if _____ flaws _____ phone's bio Identity _____.
There _____ questions _____ there _____ flaws _____ the phone's biometric _____.
Do you _____ are security _____ in _____ Biometrics authenticating _____?
Have you _____ vulnerabilities in this Smartphone's biometrics?
_____ aware of the security _____ your built-in _____ unlocking tool and similar _____ device?

_____ is _____ question _____ the phone's bio-recognition system _____.
 _____ you have any knowledge of _____ risks and _____ associated _____ using _____ on _____ phone?
 Is there any _____ the _____ of _____ biometricAuthentication _____ phone?
 Do _____ if it _____ a recognised weakness _____ mobile's _____?
 _____ identified in the _____ ofbiometrics _____ this phone?
 _____ phone using a method _____ phone _____ a fingerprint _____ expose the _____ to potential?
 _____ there been _____ loopholes _____ have _____ to light regarding _____ of safe and reliable biometrics _____ phone?
 Someone wants to _____ there are flaws _____ the _____.
 _____ the phone have _____ known security _____ that _____ be discovered in _____?
 Is there a _____ the phone's biometric _____ that _____?
 There _____ a _____ there _____ flaws in the phone'sbiometric _____.
 Someone is wondering _____ in the _____ system.
 There are _____ weaknesses _____ have _____ the use of Biometrics _____ phone?
 _____ me about _____ be discovered with regard _____ the _____ fingerprint scanning technology?
 Is _____ Biometrics _____ thisSmartphone has _____?
 _____ or vulnerability by using _____ unlocking _____ on this phone?
 Has _____ vulnerability been _____ in _____?
 Did _____ any _____ or security _____ with _____ unlocking method on _____ phone?
 Do you know if there _____ loopholes or _____ the _____ of safe and _____ biometrics _____ your _____?
 _____ check if any _____ have _____ found in thisSmartphone's _____?
 _____ you _____ vulnerabilities in thisSmartphone's _____?
 Do _____ know _____ fingerprint _____ method on _____ phone poses _____?
 Has there been a _____ in _____?
 _____ discovered a security flaw in _____?
 Can _____ me _____ are any flaws _____ phone's fingerprint processing _____?
 _____ there _____ a documented _____ the phone's bio-authentication?
 What weaknesses were _____ the _____ biometrics for _____?
 Do you _____ it is _____ mobile's signature system?
 _____ am _____ in _____ whether _____ is _____ security issues around the _____ tounlock my mobile.
 Does the _____ of _____ have _____?
 _____ vulnerable to _____ associated with _____ fingerprint unlocking _____?
 _____ question if _____ are any _____ in _____ bio-metrics system.
 _____ weakness _____ in the _____ of the _____ by this _____?
 Are you aware _____ in _____ built-in _____ unlock tool _____ similar features _____ your _____?
 Is _____ weakness in _____ of the _____ the phone?
 _____ there _____ weakness _____ can be identified in _____ of the _____ phone?
 _____ tell me about _____ flaws _____ the phone's _____?
 Is there _____ weaknesses _____ the biometrics on _____?
 _____ possible _____ a risk or _____ using the fingerprint unlocking method _____?
 Do _____ there _____ flaws _____ the biometrics feature?
 _____ me _____ there _____ any _____ to the use of _____ unlocking my phone.
 _____ want _____ know if _____ are _____ flaws _____ phone'sbiometric system.
 I want to _____ flaws that _____ be _____ the _____ processing technology.
 _____ people _____ wondering if _____ are _____ flaws in _____ phone's _____.
 Can _____ if _____ are any _____ within _____ used _____ for this _____.
 _____ a risk or _____ fingerprint unlocking method in _____ phone?
 Can you tell _____ weakness _____ the _____ system?
 _____ you aware _____ the vulnerabilities _____ your built-in face _____ tool _____ similar _____ mobile _____?
 _____ phone's _____ could _____ some _____.
 _____ there been _____ vulnerability _____ phone's _____?

Is _____ or _____ using the _____ method in _____ phone?

Can you _____ me _____ there _____ with _____ fingerprint technology?

_____ bio-metrics been _____ vulnerabilities?

_____ a weakness _____ can be _____ the _____ of _____ on this phone?

I _____ to know _____ there's _____ flaws with _____ processing _____.

_____ that _____ be identified in _____ implementation of _____ phone's biometricAuthentication?

Can _____ tell me _____ any _____ Biometrics on thisSmartphone?

_____ any _____ discovered _____ the _____ been discovered?

_____ there _____ a _____ in the phone's _____?

What are _____ in _____ thisSmartphone?

_____ question if there are _____ phone'sbiometric system.

Does _____ phone have any risks _____ vulnerabilities _____ be _____ to the _____?

_____ know if _____ are any _____ flaws _____ Biometric _____ system?

Has _____ been a vulnerability found _____ the _____?

_____ affecting your built-in face unlock _____ and similar features _____ mobile phone?

Can _____ tell _____ about _____ flaws _____ might be discovered _____ fingerprint _____ technology?

Can you _____ me know _____ there _____ the _____ recognition technology?

Is _____ any _____ in the _____ that _____ be fixed?

_____ is wondering _____ there _____ any _____ in the _____ bio-metrics _____.

_____ you _____ if _____ a _____ in _____ signature system of the mobile?

_____ that can be identified _____ the implementation of _____ on _____?

_____ you aware of _____ vulnerabilities _____ your _____ tool and similar _____ in _____ phone?

Does _____ phone _____ any _____ or vulnerabilities _____ could _____ related _____ fingerprint _____ method?

_____ would _____ know _____ a weakness in the _____ of the biometricAuthentication implemented _____ this _____.
