

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Renewable energy options availability
Inquiry Sub-Category	Alternative Energy Sources
Description	Customers inquire about the availability of alternative energy sources, including biomass, geothermal, or tidal power, to diversify their energy options and harness clean energy alternatives for a sustainable future.
Data Size	11,873 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Can we _____ availability and feasibility _____ tidal _____ at _____ location?

Can you tell _____ a bit _____ use of _____ this _____?

_____ tidal power here?

_____ you _____ something _____ tapping _____ tidal _____ locally?

_____ do I _____ if we can make _____?

_____ how we _____ harness the _____ of _____ tides.

Is it _____ to _____ electricity _____ the _____ area?

_____ to know, _____ our _____ harness tidal _____?

_____ power availability _____ be provided.

_____ anything about feasibility of _____ tidal _____?

_____ usable for us?

Do you _____ anything about _____ tides _____ this site?

Would _____ like to know _____ availability of _____ energy?

_____ it possible _____ for power _____ us?

What's _____ of _____ tides _____ area?

Can _____ tidal power?

_____ want _____ access tidal _____.

_____ you able _____ if we _____ use _____ tide for _____ place?

Will _____ be _____ see the _____ tidal power _____?

_____ we _____ the _____ use tides for _____ this area?

_____ it _____ we can _____ power _____?

_____ tidal _____ this location?

_____ do not _____ can _____ tidal energy in our _____.

We _____ know _____ derived power around the parts.

_____ you _____ regarding _____ into _____ in the area?

We don't know _____ could _____ information _____ power _____ our _____.

_____ suited _____ our location _____ power?

Is there _____ data _____ how well _____ is suited _____ tidal _____?

Is _____ any _____ on _____ power _____ area?

_____ you _____ anything about _____ generation?

_____ to use tide power _____?

_____ there _____ about getting _____ electricity.

Is _____ way _____ if _____ Tidal Power _____ work in this _____?

Can we _____ the _____?

Can _____ get _____ about implementing tidal energy _____?

There _____ question mark over _____ availability _____ for power.

Is there _____ tidal energy?

_____ tidal _____ possible in _____?

Would _____ like _____ about feasibility _____ of local tidal _____?

Could you tell _____ local tidal power?

Do _____ know _____ any data about using _____?

Is _____ viable _____?

_____ it _____ to give _____ information _____ power here?

Is _____ possible _____ we _____ the _____ electricity here?

_____ about using _____

_____ you _____ any _____ about tapping _____ electricity?

Do _____ have _____ tidal energy locally?

I _____ you to _____ tide-based _____.

Is _____ install tidal power _____?

_____ that _____ to _____ power locally?

Is _____ possible _____ use _____ power somewhere?

_____ about _____ feasibility and availability _____ tidal _____ your area?

_____ power available at _____ location?

Is there any _____ local _____?

Is _____ data on _____ we _____ harness _____ of _____ sea?

_____ chance we can access _____ power _____ these parts?

Do you _____ any _____ viability of utilizing _____ at _____ site?

_____ like _____ if _____ tide can bring _____ to _____ place.

_____ we tell _____ if our _____ can harness _____?

_____ you _____ about _____ local tide-generated electricity?

I _____ like to know _____ access _____ energy.

_____ you _____ information _____ tapping into _____ energy in _____ local _____?

Are _____ any details regarding _____ for _____?

_____ is needed on _____ tidal _____.

There are questions _____ whether we _____ tidal _____ our _____.

Is there any _____?

_____ is it _____ harness tides _____ a source _____ power?

Let _____ know if it's _____ our location, _____ give _____ the _____ stuff.

_____ there _____ studies _____ tide-based _____ generation _____ this area?

Can _____ about _____ of tidal energy in our _____?

_____ we measure _____ tidal power _____?

Is there _____ using _____ energy that _____ can _____?

_____ we get _____ availability _____ tidal power?

We'd _____ to _____ sure _____ available for electricity.

Is tidal _____.

_____ that tidal _____ work here?

We _____ to know _____ the potential use _____ tidal Power _____.

Is there _____ tide _____ energy generation here?

_____ you _____ any _____ regarding tidal power _____?

Can you _____ we _____ use _____ tide _____ power?

We can _____ data about _____.

_____ you know _____ possible to _____ into _____ at _____ location?

I need _____ tide-based _____.

Do you know _____ implementing _____?

_____ tides _____ feasible at our _____?

_____ you _____ we _____ harness tidal _____ if it is _____ a pipe _____?

Are you _____ to give us _____ on _____?

_____ know if _____ have _____ energy _____ our area?

Does _____ energy _____ for us?

We'd _____ to _____ the _____ for _____ at our site.

Is _____ possible _____ power _____ tides?

_____ tidal _____ for us?

We're _____ into _____ energy locally.

_____ need information about _____ availability of implementing _____ energy _____ our _____.

How to _____ tide-generated _____?

_____ you tell _____ more about _____ potential _____ of _____ at _____ site?

Is _____ to find _____ data about using tidal _____?

Is _____ to use _____ power _____?

_____ is _____ availability _____ tides for _____ here?

We _____ use _____ power here.

_____ to _____ more about tide-based _____.

_____ you have _____ about the _____ of using _____ power at _____?

We _____ interested _____ about tapping _____ tidal energy _____.

Is _____ anything _____ tapping into _____?

_____ tides as a source of _____ where we _____?

I _____ are tidal _____ options _____.

_____ the _____ for tidalenergy.

Might _____ power _____ at our _____?

_____ data on local _____ possible?

Is it possible _____ harvest _____?

_____ you _____ data about tidal _____ here?

_____ use tidal power _____?

_____ possible to _____ the tides _____ power _____ we _____?

Is _____ for _____ to _____ tidal power _____?

_____ the _____ using tide _____ available?

_____ tell me about _____ availability _____ tidal _____.

Do you _____ anything _____ implementing tide-based energy _____?

_____ a _____ mark on the _____ of _____ tides for _____ this _____.

Do _____ tidal power usage?

_____ feasible _____ utilize tidal power _____?

_____ the area have the _____ to _____ power?

I have _____ about tapping _____ local _____.

Did _____ about tapping _____ tide generated _____?

Can _____ ask about the _____ practicality of _____ tidal _____ our _____?

Is there _____ tide energy here?

Is _____ a possibility _____ utilizing _____ energy _____?

_____ it feasible _____ use _____ power.

_____ there _____ information _____ availability of _____ tidal energy?

____ it possible to ____ at our ____?
 Is ____ any ____ getting ____ electricity in the ____?
 ____ it ____ to ____ tidal power ____.
 What ____ it ____ use tidal power ____?
 Can you tell ____ if ____ power ____ here or ____ a ____ dream?
 ____ you ____ ways to ____ power here?
 ____ we ____ power here?
 ____ it ____ we ____ with tidal energy?
 Is ____ local tidal power availability ____?
 ____ information about using ____ energy here?
 ____ location ____ to ____ tidal energy?
 ____ a source ____ where we are?
 ____ it ____ to get ____ on the ____ and ____ using tidal ____.
 ____ you ____ about the potential use ____ at ____ site?
 ____ are ____ where tides ____ be ____ source ____ power.
 ____ know ____ about ____ into local tidegenerated ____?
 Is ____ can give ____ tidal power here?
 Is there ____ information on ____?
 Are ____ any information ____ for ____ at this site?
 Can we ____ power?
 ____ feasible to ____ into the ____ at ____ location?
 Can we ____ more ____ power?
 ____ determine ____ potential for ____ power ____?
 Got ____ on how ____ tap into ____?
 We want ____ availability and ____ energy in ____ area.
 Can we ____ tidal ____?
 Is there any ____ about ____ that ____ to ____?
 Is there ____ tides?
 ____ to know ____ there ____ relevant ____ using tidal energy.
 ____ possible that tidal power ____ in ____?
 ____ way to ____ tide-based electricity ____?
 Is ____ to ____ where we are?
 ____ would like to ____ more ____ the ____ tidal ____ at ____ site.
 ____ you know ____ the ____ viability ____ tidal ____ at our ____?
 Are ____ able ____ the power ____ the tides ____?
 ____ we identify ____ tidal ____ here?
 Is ____ possible ____ information ____ the feasibility of ____ at ____ location?
 Should ____ for any data ____ using ____ power ____?
 ____ anyone ____ the availability ____ tidal power ____?
 ____ we ____ the ____ tidal ____ here?
 ____ there ____ data ____ power in ____ area?
 ____ chance ____ being able ____ tides nearby?
 ____ possible ____ harness the tides for ____ our ____?
 I ____ wondering if we can ____ tide ____.
 ____ power ____ our location?
 ____ we know ____ to use ____?
 Do ____ know ____ about ____ tidal energy locally?
 Is ____ power doable ____?
 Do you ____ feasibility and ____ tidal energy?
 ____ possible to use tides ____ of ____ in the ____?

I ____ like ____ learn ____ electricity.
____ there ____ where ____ find facts about tidal power ____?
____ electricity is ____ here?
____ we look ____ tidal ____ works ____?
____ us if ____ can ____ the ____.
Possible to ____ ____?
____ don't know ____ can access ____
____ you ____ us ____ power here?
Can we ____ power's ____ and ____ at our location?
What's ____ tidal power ____ at ____ location?
What ____ the ____ power availability ____ the location.
____ we learn ____ availability of ____ power ____ our location?
Do you know ____ power can ____ here or is ____ a ____?
____ much ____ is available ____ this ____?
Data can ____ provided ____ tidal ____.
Is ____ possible ____ power by using ____?
Getting tidal ____?
We should ____ facts about our ____ currents
We ____ if ____ energy ____ here.
____ like to ____ is availability of tides ____.
____ information ____ utilizing sea tides ____ electricity?
____ able ____ harness the power ____ the tides here ____ it ____ dream?
____ clarify ____ tidal energy.
Maybe tidal ____ is ____ at ____.
What are ____ tidal power ____ this location?
There may ____ details about ____ tides for ____ at ____.
____ our location, ____ viable tapping ____ be?
Is it possible ____ whether ____ power works ____?
Is there ____ how ____ our ____ to harness ____ power?
Do ____ know ____ to use tidal ____ here?
____ insight ____ power availability?
Perhaps ____ is ____ to harness ____.
Are ____ to get information ____ the feasibility of using ____?
____ gather information on ____ tidal ____.
Do ____ any ____ on using ____ tides for ____?
Tell us, ____ tidal energy ____ location?
Can we ____ if ____ here?
Is it ____ to harness ____ the ____ in ____ area?
____ power option here?
____ you tell ____ if we ____ tidal ____ or ____ it just ____ pipe ____?
____ we ____ the ____ the ____ here?
Is it possible ____ to give ____ on ____ here?
____ know ____ about tapping ____ tidal ____ your community?
Do ____ think ____ power is ____?
____ to find ____ more about ____ tidal energy?
____ there tidal ____ option ____?
____ wondering ____ we can use ____ here.
____ the viability ____ using ____?
Are ____ tidal energy for ____?
____ tell me about ____.

At our _____ we _____ power?

Is _____ available and can we _____?

_____ what _____ potential is for tidal _____.

_____ us with _____ information about tidal _____?

Can we _____ about _____ of implementing tidal _____ area?

_____ able to _____ tidal _____?

_____ you know _____ about tapping into _____ in _____?

Do _____ about _____ and feasibility of local _____?

Can _____ look _____ power _____ here?

_____ electricity can be _____.

_____ you know of anything _____ tidal _____?

_____ it _____ get _____ data about tidal _____ conveniently _____?

Do you _____ what the _____ viability _____ tidal power is _____?

_____ is _____ tidal power?

Do _____ have information _____ into _____ local?

_____ using tide energy here?

_____ is the _____ of _____ tidal power _____?

I want to _____ into _____ at our location.

Is _____ possible _____ harness the tides _____ power _____ we _____?

What _____ the deal with _____ at _____ place?

_____ any information _____ feasibility and availability of tidal _____?

_____ are the _____ installing _____ power?

_____ there any data _____ energy _____ can _____ easily accessible?

Can _____ energy _____ be _____ and _____?

_____ need _____ gather _____ using _____ power.

Is _____ for tidal _____?

_____ usage _____ of tidal energy.

Is _____ possible that _____ harness _____ of _____ tides in our _____?

Is _____ any _____ on _____ to _____ energy here?

Do _____ know _____ the local _____ of _____ power?

_____ give us some _____ about the _____ use _____ Power at _____.

_____ wondering _____ energy works here.

_____ you have any information _____ energy local?

Are _____ of _____ feasibility or availability of _____?

Is _____ to find relevant _____ about _____ energy _____?

We _____ to know if our _____ tidal _____.

Is _____ possible _____ location?

_____ check viability of _____ power here?

Is _____ availability of using tides for _____?

_____ be clear on usage _____.

Is _____ tides in our _____?

Can we find out _____?

_____ possible to _____ tidal _____?

_____ to _____ power by _____ tides?

Is _____ possible _____ use the _____ to _____ here?

Is it possible to _____?

Do you _____ any _____ power?

_____ like to _____ of tide-based _____.

_____ it _____ for _____ to go with _____?

_____ you have _____ tapping _____ tidal energy _____?

Are we ____ to ____ the ____ here ____ it ____ pipe dream?

Can ____ tell me ____ the ____ of using tides ____ area?

____ you ____ more ____ tidal ____ here?

How ____ I ____ if ____ energy in ____ area?

____ clue where ____ get the ____ tidal power?

How viable ____ tidal ____?

Was it ____ use ____ power ____?

Will ____ be ____ about how suited ____ is ____ tidal power?

____ it ____ install tidal power ____?

____ where we could get ____ power at ____ joint.

Can we ____ the ____ here?

____ you tell us ____ works ____?

Is ____ possible to implement tide-based ____ in ____?

Is ____ possible ____ use tides to ____ where ____?

Can ____ location give ____ tidal ____?

____ there any information about the ____ using tidal ____ at ____?

____ on using tidal power ____?

Will ____ be feasible ____?

____ is any ____ power availability?

____ tidal power can be ____.

____ data on ____ tidal ____ availability.

Is ____ about ____ energy?

Got ____ idea where ____ find information ____ tidal ____?

Any knowledge ____ power ____?

Do you ____ or data that ____ our location ____ for ____ power?

Is there ____ that we ____ use ____ around ____ parts?

Do you think it's ____ a ____ of power?

____ you give ____ more ____ using tidal power ____?

How about ____ availability?

Is ____ to go ____ energy?

Are ____ willing ____ give ____ information ____ tidal ____ here?

Tell ____ how ____ power of tidal energy.

Maybe there ____ data ____ using ____ that is convenient ____.

Is ____ information available ____ energy?

____ power feasible and ____?

____ power be available ____?

____ there any ____ about how suited ____ is ____ tidal ____?

Please ____ the usage ____ for ____.

What can ____ install tidal power ____?

How feasible ____ it ____ tidal ____?

____ you ____ about ____ viability of utilizing tidal ____?

Is it ____ to harness ____ for ____ area?

Is ____ to ____ tidal power ____.

We would ____ to know if ____ can ____ for ____ place.

____ the ____ for harnessing tides ____?

What reports or ____ do ____ that ____ how ____ location is for ____?

____ anyone know ____ we can harness ____ power ____?

____ want ____ know ____ we can harness tidal ____ our ____.

I want ____ know if ____ is any ____ using ____.

____ the ____ tidal ____ at this location?

Can ____ use ____ an energy ____?

Are ____ on tidal ____ potential ____?

We're ____ more about tapping ____ tidal ____.

I ____ can ____ tidal ____ here or ____ a pipe dream?

Is ____ any ____ about using ____ that ____ convenient?

Is there any ____ on ____ or not ____ power?

How viable tapping ____ tides ____ at ____?

____ you ____ us information ____ using ____ here?

____ we discover ____ energy works here?

____ we ____ power there?

What about ____ and ____ power ____ location?

____ there ____ tidal power availability?

____ make sense to check ____ of tidal ____?

____ tides be ____ as ____ of power where ____ located?

Do ____ know anything ____ generation ____ the sea?

Will tidal ____ possible ____?

____ have a ____ check to ____ can ____ tidal energy.

____ power availability ____ be useful.

Please give ____ information ____.

____ you have information about ____ of ____ our site?

____ is the ____ of ____ tidal ____?

Question ____ can ____ see ____ works here?

____ it ____ local tidal power?

____ the viability of taking ____ tides ____?

____ about ____ power works here?

____ potential forHarnessing tides ____?

____ you ____ using the local tides?

Is it ____ we could use ____?

Is ____ any ____ tide-based energy generation ____ this ____?

Do you ____ any information about ____ tidal ____?

Can we ____ information about how ____?

How ____ tapping into tides ____ at ____?

Do ____ have any ____ tidal ____?

____ is ____ utilizing tides nearby?

Are we ____ use tidally ____ power around ____ parts?

____ of ____ power feasible?

I ____ how viable ____ would ____ at our ____.

Is ____ to harness ____ tides as ____ source ____?

We'd ____ to know ____ of ____ electricity ____ good sites.

____ it ____ gain ____ to ____ power at our ____?

Is it ____ relevant data about ____ energy?

Can ____ ask about the ____ practicality ____ implementing ____?

____ of installing ____ power near you?

Are ____ aware of ____ viability ____ using tidal ____ at ____?

____ give us ____ about the ____ tidal ____ at this site?

____ question ____ the feasibility of ____ tides nearby.

____ you have ____ about ____ here?

____ you tell me ____ using ____ power at our ____?

____ is ____ potential ____ harnessed ____ nearby?

____ we can harness ____ power of ____ power ____ our area.

Do ____ have any information ____ local ____ tidal ____?
 Is ____ to ____ information on ____ works here?
 Can you ____ about ____ tidal power in ____?
 Maybe we can find ____ here.
 ____ you ____ if we ____ tidal power ____ or ____ a pipe dream?
 ____ anyone know about using ____?
 We need a feasibility ____ we ____ use ____ energy.
 Were ____ possible at ____?
 Is ____ any data showing how ____ our ____ for ____?
 Can ____ options here?
 Can ____ be utilized ____?
 ____ have any ____ on ____ viability of using tidal ____ area?
 Any ____ on ____ power ____?
 Can ____ data ____ tidal power ____?
 Is it possible ____ data ____ tidal ____ availability?
 Is ____ to ____ tidal energy?
 Where can ____ use ____?
 ____ don't know if ____ access tidal energy ____.
 Is it possible ____ a source ____ power.
 ____ anything ____ tidal power here?
 Can we ____ how ____ use ____ power at ____?
 ____ work here?
 ____ there ____ local ____ power availability?
 There ____ about ____ status ____ Tidal power usage.
 ____ possible that ____ works here?
 Do ____ know ____ using local ____?
 Do ____ have ____ using ____ power?
 Will ____ power ____ our place?
 Is tidal ____?
 Do you ____ anything about ____ generated ____?
 Is ____ about whether tidal power can ____?
 ____ it ____ to ____ tidal ____ at our ____?
 Is ____ information we ____ implementing tidal ____ in our ____?
 ____ we able ____ power or ____ it ____ a pipe ____?
 Is there ____ you can give ____ tidal ____?
 ____ there any data ____ local ____?
 Is it ____ the ____ works ____?
 ____ information ____ how ____ into tidal energy locally?
 Is there ____ tidal ____ works in ____ area?
 Do you ____ how ____ tap into ____ locally?
 Can we ____ more ____ about ____?
 ____ tidal power be ____?
 ____ tidal power?
 Is it ____ to ____ tidal power ____?
 ____ on ____ viability of ____ power here?
 ____ energy ____ be used for ____?
 Do we ____ the ____ for power where ____ are?
 We would ____ and ____ of implementing ____ energy in ____ area.
 ____ you have ____ on ____ into ____?
 Is ____ to get information ____ the ____ of ____ in our ____?

_____ is _____ installing tidal power near _____?

Can we get _____ and availability _____ energy?

_____ if _____ energy _____ be _____ for us.

Is _____ feasible to _____ tidal power _____?

Are _____ any details about _____?

_____ it feasible _____ generate _____ here?

_____ to install _____ power nearby?

_____ any _____ about _____ energy?

How suited _____ to _____ power _____ tidal power?

_____ electricity be _____ here?

Is _____ information on using _____ tides _____ site?

You _____ to harness tide-based _____.

_____ there _____ power _____ here?

_____ I know _____ our location _____ good _____ energy?

What is the feasible _____?

_____ it possible to _____ using tidal _____?

_____ there information _____ availability _____ practicality of implementing _____ energy in _____?

Is using _____ possible _____.

_____ you tell _____ whether or not we _____ harness _____?

Do _____ know _____ energy generation?

_____ we allowed _____ have _____ at our _____?

Can you _____ tidal _____ works _____?

_____ have _____ information on _____ tide-based energy generation _____?

_____ we could find information about _____ power deployment at _____?

_____ get data _____ for tidal power?

The availability of _____ for _____ question mark.

Is _____ a _____ that _____ can access _____ tidally derived _____?

Can we _____ about _____?

_____ any chance _____ utilizing tidal _____?

_____ we _____ the availability _____ feasibility _____ using _____ power at our _____?

Is _____ power _____ our _____?

We _____ be able to _____ at _____ location.

_____ we use _____ for ourselves?

Do you _____ local tides?

What about the _____ and _____ this location?

Is _____ any _____ we _____ harness tidal power?

Do _____ any information _____ tapping into local _____?

Do _____ have _____ information _____ tapping into _____ energy _____?

_____ have information about _____ energy _____?

Can _____ learn about _____ feasibility _____ of _____ tidal _____ our location?

Do you _____ information on the viability _____?

Do _____ information _____ tapping into _____ tide-generated electricity?

_____ we be _____ to _____ around these parts?

How can I know if we can _____?

Does the area _____ availability _____ using tides _____?

Is _____ possible _____ see reports _____ how suited our _____ tidal power?

_____ we _____ if tidal power _____?

We _____ to know if _____ can harness _____.

What _____ do _____ have _____ local _____ electricity?

Is tidal energy _____?

_____ we use _____ at our _____?
 _____ it _____ get _____ on using _____ energy?
 _____ we analyze _____ potential _____?
 Do _____ have information _____ the viability _____ using _____?
 _____ know where we could _____ the _____ tidal _____ our joint.
 _____ have details _____ utilizing tidal _____ at our site?
 Do you _____ into _____ electricity?
 Can we get _____ of tidal energy _____ area?
 Is there _____ availability?
 _____ you _____ if _____ energy _____ here?
 Is there any information on _____ power _____ in _____?
 _____ tidal _____ feasible at _____?
 Are there _____ power _____?
 _____ power alright _____ place?
 _____ tidal power _____ location?
 Was tidal _____?
 Are we _____ tidal power at _____?
 _____ there _____ about _____ power availability?
 _____ for data about _____ power here?
 Is _____ tidal _____?
 _____ data about utilizing local _____?
 _____ suited _____ for _____ the _____ of tidal power?
 Are _____ reports or _____ our location _____ power?
 _____ the _____ sense for _____ place?
 _____ be _____ possibility here?
 Is it _____ to _____ our location.
 _____ have any _____ about _____ tidal _____?
 Is _____ location _____ power?
 _____ tidal _____ accessible _____ our _____?
 _____ anyone _____ anything about _____ sea _____ for _____ at this _____?
 Is _____ information about _____ into _____ generated _____?
 _____ realistic _____ tidal power for us?
 _____ to _____ about using tidal power here?
 _____ use _____ for electricity at the site?
 I need _____ tidal _____ availability.
 Is there _____ showing how _____ our _____ is for _____?
 _____ us _____ any data _____ using _____ power here.
 _____ tidal energy?
 _____ possible _____ rely _____ tides _____ power?
 Do you _____ to _____ information _____ tapping _____ tidal _____?
 _____ we find _____ if it is feasible to _____ at _____?
 Please helpClarify _____ potential _____.
 Question mark, _____ is _____ availability _____ tides _____ power?
 We _____ if _____ the tide for electricity.
 _____ have information regarding _____ viability _____ at our site?
 Is _____ possible here?
 I would _____ to _____ about tapping _____ tide-generated _____.
 We want to _____ potential.
 What is _____ of utilizing _____?
 _____ the details _____ using sea _____ for _____ at this _____?

_____ electricity _____ possible?

Is it _____ on _____ tidal power.

We'd _____ to check _____ for _____ and place _____ good _____.

_____ we can access _____ in our location.

_____ data _____ tidal power in _____ area.

_____ with _____ power _____ at this spot?

Can tidal _____ be accessed _____?

_____ give _____ tidal power here?

_____ able _____ provide data _____ local tidal _____ availability?

Is _____ or reports _____ how suited _____ tidal power?

The use _____ energy at _____.

Are you _____ tidal _____?

Considering the _____ power?

Do _____ information _____ feasibility _____ tidal energy?

Is _____ about whether _____ power _____ be harnessed in _____?

_____ for tidal _____ come to our spot?

Do _____ think it's _____ to _____ tidal _____?

At _____ location _____ power _____?

Is _____ any _____ on _____ local tide-generated _____?

How _____ use tidal _____ your _____?

Please _____ us _____ about _____ potential _____ tidal energy.

can we _____?

_____ to know _____ use the tide for electricity at _____.

_____ our _____ tidal power?

How do _____ tidal energy can _____ here?

Are _____ with information on tidal power?

Let us _____ if _____ at _____ location if _____ give us _____ about _____ power stuff.

_____ details about using _____ power _____?

_____ measure _____ potential here?

_____ able _____ us about using tidal _____?

Is _____ any _____ data about _____ energy that _____ easily _____?

_____ be harnessed here.

Does anyone _____ if we _____ harness _____ area?

_____ tide-based electricity are _____.

I would _____ hear _____ about using _____.

_____ determine _____ power is _____ here?

Tell us _____ our _____ can _____ the _____ of _____.

We _____ know if _____ access and _____ tidally _____ power _____ these _____.

_____ availability?

_____ there any data about _____ that _____ accessible _____ us?

How _____ I _____ is available?

_____ tidal _____ here?

Is _____ any _____ we _____ use to use _____?

Do _____ know _____ of utilizing tidal _____ here?

_____ tidal power _____ where _____ are _____?

How do I _____ I have _____ tidal _____?

_____ data about using _____ energy we can _____?

Do you think _____ here?

_____ might be able to _____ use tidally derived _____.

Can _____ go _____ the power _____?

Could tidal-based ____ be ____ ?
 Is ____ possible ____ generate power ____ ?
 Is ____ information regarding using ____ tides ____ this site?
 Are ____ to ____ us ____ using tidal ____ here?
 Are ____ able to ____ ?
 ____ about the availability ____ using ____ for power.
 ____ possible to power us ____ ?
 ____ use ____ power of the ____ in ____ area?
 ____ we know ____ we ____ tidal ____ the area?
 We ____ like ____ about the potential ____ tidal Power ____ this ____ .
 ____ using tidal power ____ .
 ____ like ____ find ____ the ____ of tides for ____ .
 Is it ____ using tidal power.
 Perhaps ____ electricity ____ harnessed ____ .
 Good ____ wise ____ no question, ____ like ____ check ____ of tides for ____ .
 ____ about the ____ of ____ at this site.
 ____ there information on how ____ electricity at this ____ ?
 ____ check ____ the ____ of tidal ____ ?
 ____ about ____ use?
 ____ information is there ____ tidal ____ ?
 ____ is ____ mark ____ the ____ of using tides ____ in ____ area.
 ____ you ____ me how ____ tapping into ____ is ____ location?
 ____ any ____ about ____ local tides?
 We could ____ information ____ tidal ____ .
 Can ____ about ____ power potential ____ ?
 What ____ you have ____ tapping ____ local ____ electricity?
 ____ know the viability ____ the tidal ____ at ____ site?
 What information ____ give ____ tidal power?
 ____ we learn ____ how to use ____ ?
 ____ to know if the location ____ harness ____ .
 ____ it possible ____ we can ____ tidally ____ power ____ these ____ ?
 ____ possible ____ turn tides ____ where we are?
 ____ tidal ____ possible ____ our spot?
 ____ any idea ____ we could ____ tidal power?
 ____ would like ____ of tides for ____ on the ____ .
 ____ the viability ____ tidal power ____ ?
 ____ there any ____ about ____ of tidal ____ ?
 We ____ like ____ know ____ it's feasible ____ power ____ our location.
 ____ is ____ power ____ viability at this ____ ?
 I ____ like ____ viable ____ into ____ would be at ____ location.
 What is ____ feasibility ____ harness energy?
 Can ____ and practicality of tidal energy?
 Is there ____ way ____ tide-based ____ ?
 What ____ tidal ____ availability ____ viability at this spot?
 ____ might ____ able to ____ information about using ____ .
 ____ information on tidal ____ here?
 ____ possible ____ harness tides ____ power here?
 Is ____ provide us ____ information ____ using ____ power here?
 Can ____ tides here?
 Do ____ exist ____ reports ____ that ____ suited ____ location is for ____ power?

_____ location harness the _____ from _____ ?
 _____ any data on using _____ that _____ accessible _____ us?
 Is _____ the power locally?
 Can _____ learn _____ and feasibility of tidal _____ at _____ ?
 Is _____ possible _____ of tides _____ source of power?
 _____ tidal power in our _____ ?
 _____ would like _____ know _____ tidal _____ at our location.
 Do you _____ any information _____ power _____ ?
 _____ it _____ information on the _____ practicality of tidal _____ ?
 _____ know _____ we can use tidally _____ power around _____ .
 There is _____ need _____ check _____ for electricity.
 _____ we _____ tidal power _____ our _____ ?
 _____ to _____ tidal electricity?
 Do _____ information about _____ energy _____ tides?
 _____ our location _____ to harness _____ ?
 _____ it possible to have _____ ?
 Is there anything _____ our _____ is suited _____ tidal _____ ?
 Is _____ any _____ we _____ harness tidal power?
 _____ use tidal _____ for ourselves?
 Does tidal _____ spot?
 Can you _____ tidal power _____ it's _____ at our location?
 We'd like to _____ the _____ for electricity.
 _____ you _____ can _____ power here?
 Is _____ to _____ power here?
 At our _____ power _____ ?
 Maybe _____ can be _____ ?
 _____ information about _____ sea tides _____ ?
 _____ if tidal energy _____ ?
 Is tidal _____ at _____ ?
 _____ do _____ out if _____ access tidal energy?
 I'd like _____ know if we _____ use _____ these _____ .
 _____ it _____ to use _____ locally?
 Is it _____ tides _____ get power _____ ?
 What's _____ the tides?
 _____ is _____ like to _____ tidal _____ ?
 _____ the _____ of _____ tidal power?
 Are _____ any options _____ tidal _____ ?
 _____ you _____ of any _____ about _____ tidal _____ ?
 What _____ can _____ give us _____ tidal _____ here?
 _____ gather data on tidal _____ ?
 _____ possible _____ use the tides _____ our _____ ?
 Is _____ chance _____ derived power around these parts?
 _____ it _____ to _____ the _____ ?
 Can we find _____ tidal _____ ?
 Tell us _____ the potential _____ power at _____ site?
 Can _____ harness the _____ ?
 Can _____ tell _____ about _____ and _____ of _____ energy?
 Is _____ use _____ tides here?
 _____ data _____ tidal power availability could _____ .
 _____ electricity be harnessed _____ ?

_____ into local tide-generated electricity?

_____ using sea tides _____ electricity?

_____ work in _____ location?

_____ mark, _____ is _____ of _____ for power _____ this area?

_____ any _____ power options _____ area?

_____ on local tidal _____ be _____.

Can we _____ if _____ energy _____?

_____ a place _____ we could get facts _____ power _____ joint?

Can _____ tide _____?

_____ how to use tidal _____?

There _____ potential use of tidal power _____.

_____ give _____ some information about the _____ use of _____ at _____?

_____ usable here?

_____ there any _____ viability of _____ tidal power at _____?

_____ tidal _____ options here?

Do _____ on how _____ use _____ energy locally?

_____ it possible to _____ tides _____ area for _____?

What information do _____ about using _____ tides _____ electricity _____?

_____ anyone tell _____ the availability _____ power?

Is _____ possible to _____ tidal power _____.

_____ you know the _____ using _____ power?

_____ is possible for _____.

_____ information about tapping _____ local _____?

_____ have _____ on the viability of _____ power here?

Please let us know _____ about using _____.

_____ there _____ data _____ using _____ here.

_____ have _____ on the potential _____ of tidal _____ at _____ site?

We would _____ to _____ availability _____ implementing tidal energy.

How _____ using tidal _____ for _____?

Do _____ know anything _____ viability _____ tidal _____ at our _____?

Can _____ of the _____ energy?

_____ would _____ to _____ if _____ to use tidal power _____ our _____.

_____ have _____ knowledge on implementing tide-based _____?

Is it _____ for power _____?

Is _____ data _____ reports showing _____ location _____ to tidal power?

Is _____ that we _____ energy?

Can _____ harness _____ energy _____ location?

_____ getting local _____ electricity?

_____ power _____ available here?

Do _____ know _____ local tidal energy is _____?

_____ availability _____ feasibility of using tidal power.

_____ it possible _____ to use _____.

_____ it _____ to _____ power?

How can _____ the _____ power _____?

_____ mean tidal power _____ our _____?

Is _____ the tides feasible _____?

Can we use _____ tides?

How _____ will _____ be _____ power?

Will _____ us if _____ can harness the _____?

Can we ask _____ the _____ availability _____ tidal _____ in _____?

_____ possible _____ use tidal energy _____ a feasibility _____?

_____ it possible to harness _____ are?

_____ you have _____ to use tidal _____?

Does _____ sense to _____ tides _____ a _____ power here?

_____ there be reports or _____ showing _____ suited _____ is for _____?

Please _____ for tidal energy.

Is there _____ on _____ here?

Is _____ any _____ on how _____ tidal _____ here?

_____ it _____ tides for _____ in our location?

Is _____ tides _____ power here?

Is _____ for _____ to _____ tidal _____?

How _____ possible _____ tidal power?

_____ it possible _____ tap _____ generated _____?

Is _____ to use tides for _____ where _____?

_____ is the likelihood _____ power _____ us?

Can we _____ the _____ and feasibility _____ power?

How good _____ our _____ for _____?

_____ tidal _____ availability and _____ at this _____?

_____ information on _____ tidal _____.

How can _____ know if _____ energy _____ in _____?

Can _____ get _____ about _____?

_____ you tell _____ location is for _____ power?

How about using the _____ tides _____ this _____?

_____ you give _____ information _____ the potential use _____ tidal _____ site?

_____ would _____ tides for electricity _____ place a good site.

Would _____ be _____ the tide _____ electricity at the _____?

_____ would like _____ check _____ tide availability _____.

_____ you _____ any data on _____ to _____ here?

_____ viability of tidal power _____?

_____ have any _____ about _____ viability of _____ energy?

Is _____ way to _____ locally.

_____ possible _____ harness _____ tides _____ generate power?

Do _____ about using _____ energy?

Is _____ on tidal _____?

_____ tell _____ about _____ potential _____ of tidal Power at this _____.

Which tides _____ be used _____ area?

_____ tidal power?

_____ at the viability of _____?

_____ don't know _____ we could get _____ at our _____.

Can _____ be tidal _____ at _____?

_____ give us _____ about the potential _____ of _____ Power at _____?

Do _____ know whether tidal _____?

_____ to _____ use _____ tides for power?

_____ it _____ harness tidal _____ here?

Is _____ how _____ location is for tidal power?

Possibly _____ tide-based _____ here.

We don't _____ to find _____ tidal _____ deployment at _____.

Is _____ power _____ us?

_____ more about using tidal _____?

Do you have _____ availability?

We need _____ if _____ can harness tidal power _____ a _____ dream.

I want _____ more _____ electricity.

Is _____ harness tide _____ electricity?

Data _____ on _____ tidal power.

_____ know if _____ at _____ location, and give _____ that fancy tidal power stuff.

_____ know the _____ and _____ of local _____ energy?

We _____ learn if _____ works _____.

_____ check: _____ we _____ tidal _____?

_____ you _____ information on using tidal _____ here?

_____ possible for us to _____ the _____ electricity _____ our _____?

_____ learn more _____ power potential?

Can you _____ us how _____ tidal _____ here?

_____ I find out _____ we can _____ tidal _____?

_____ it _____ to _____ tidal _____ in the _____?

What about _____ and _____?

I am _____ we _____ tidal energy in _____.

How _____ sea _____ to generate electricity _____ this _____?

_____ there details about _____ viability of _____ power _____ site?

Is _____ deploy _____ power locally?

_____ you let _____ know _____ tidal _____ here?

Please provide _____ usage potential for _____.

_____ possible to provide us with _____ power here?

Tell us _____ harness the _____.

Can _____ location _____ Tidal _____?

Is _____ possible _____ tidal _____ be _____?

Is it possible _____ get _____.

_____ mark, _____ determine if tidal _____ works _____?

Do you know _____ the local _____ tidal power _____ our _____?

_____ you _____ me _____ would _____ possible to _____ into _____ at our _____?

Can we _____ out _____ energy's availability _____ in our _____?

_____ is it to have _____?

Data on _____ could _____ provided.

_____ out _____ tidal energy _____ here?

_____ anyone aware of the _____?

Are _____ options available _____ the _____?

Is it possible _____ on using _____.

_____ chance that we _____ and use _____ derived power _____ parts?

_____ place, _____ power?

We _____ to _____ if the _____ can _____ used _____.

_____ us if we _____ use tidal _____ here?

_____ it _____ to install _____ near?

_____ would _____ the _____ tides _____ electricity on good sites.

_____ you check to see if _____ can _____ electricity?

_____ want to find _____ about tapping _____ locally.

_____ was wondering _____ of using tides _____ power.

We might be able to _____ of using _____ power _____ location.

Is _____ any insight _____ of _____?

Let _____ know _____ it's possible at _____ location by _____ us _____ that _____.

Is it possible we _____ these parts?

_____ we _____ the power of _____?

We ____ like to ____ if ____ use tidally derived ____ these ____.
 Do you ____ or availability ____ tidal ____?
 Is there any ____ harness ____ power ____ our area?
 How ____ our location ____ the ____ of tidal ____?
 ____ it possible to get ____ relevant ____ tidal ____?
 ____ it possible to ____ power ____?
 Are ____ to ____ power at ____ location?
 Can we ask ____ the ____ of implementing tidal energy ____?
 We would ____ to check the ____ tides ____ electricity ____ site ____ site ____.
 ____ idea ____ the ____ tidal power?
 ____ at ____ potential for ____ power here?
 Do ____ have ____ tapping ____ tidal ____?
 ____ any ____ where ____ could find information ____ Tidal ____ our ____?
 Is tidal ____ suitable ____?
 Is ____ possible to ____ the ____ of ____ where ____?
 ____ harness the tidal ____ our ____?
 ____ it possible ____ the tides for ____?
 ____ we get tidal ____ location?
 Provide ____ information regarding ____.
 Do ____ how ____ use ____ energy ____?
 ____ at our location?
 ____ you tell ____ if ____ feasible to tap ____ at ____ location?
 ____ give about local ____ power availability?
 Is it possible ____ harness tidal ____ or ____ a pipe ____?
 We want ____ if ____ power works ____.
 Can we ____ Tidal ____?
 Can we ____ using tidal ____.
 Is ____ have about ____ tide-based energy generation?
 Do you ____ any information ____ the ____ tidal energy?
 What ____ availability of ____ here?
 Do ____ have ____ on ____ availability?
 ____ where we could ____ facts about ____ power?
 ____ out ____ practicality and availability of tidal ____?
 At the ____ what's ____ tidal power ____ and ____?
 ____ it ____ to ____ tidal ____ in our ____?
 Do ____ on local ____ into tidal ____?
 Is ____ any data ____ energy that ____ easy to ____?
 ____ you ____ any ____ about ____ tidal power here?
 We ____ like to know ____ the ____ Power at this ____.
 Please let ____ there is data about ____.
 ____ there ____ information on ____ availability?
 ____ is ____ of ____ deployment ____ tidal power?
 ____ to ____ information about tidalenergy?
 ____ we ____ out about ____ viability ____ power here?
 ____ it be possible ____ here?
 Is it ____ to ____ here?
 ____ would like ____ the availability ____ tides for ____.
 Are ____ details ____ getting tidal ____?
 Could ____ viability of ____ power?
 ____ you know where ____ facts about ____ power ____?

Do you _____ how to _____ tide-based energy _____?

Is _____ power in our spot?

_____ we able to harness _____?

_____ know _____ we could get facts _____ at our joint.

_____ asked if _____ use tidal energy.

_____ any data _____ have about using _____?

_____ we able _____ harness _____ tidal energy at _____?

I would like to _____ use tidally derived _____ around _____.

Is _____ any _____ tides-based energy _____ here?

_____ are _____ tides for power _____ area?

_____ there _____ information _____ using _____ tides for _____ this site?

_____ it possible _____ know the _____ tidal power at _____ location?

Let us _____ utilizing _____ tides.

_____ to _____ tidal power at our _____?

_____ this area _____ any _____ been _____ tide-based electricity _____?

_____ I know if we _____ access _____ tidal _____?

_____ we learn about using _____?

_____ there any _____ how well _____ works for _____ power?

_____ able to _____ information on tidal _____ here?

_____ possible to harness _____ energy _____?

Do you _____ for _____ tidal _____ here?

_____ energy be _____ us?

_____ you _____ the _____ utilizing tidal _____ our site?

We want _____ be _____ of the availability _____.

We _____ more _____ the use of _____ this site.

Do _____ have any _____ using tidal _____ your _____?

_____ feasible _____ it _____ harness tides _____?

Can we get _____ area?

_____ there _____ way to tap into tides _____?

What _____ us on _____ power?

What _____ the reports or _____ that _____ suited our _____ tidal _____?

Is _____ information _____ about _____ energy?

Can _____ viable tapping into _____ would be?

_____ there any _____ location is to tidal power?

_____ harness tide-based _____ here?

_____ to _____ about _____ to tap into tidal _____ locally.

Can _____ harness _____ energy?

_____ to get _____ in your _____?

Is _____ to _____ tidal _____?

Do _____ know anything _____ getting _____?

_____ information regarding _____ tides here?

_____ there _____ power _____ had here?

Is _____ possible to use _____ tides _____?

_____ to know _____ tidal power works _____.

Is _____ information _____ applying _____ energy generation _____?

_____ it _____ find out _____ energy works here?

_____ do _____ have on getting _____ electricity?

Please _____ of tidal Power at this site.

_____ check _____ of _____ for electricity _____ a good site.

_____ our location _____ the _____?

_____ give us more information _____ of _____ at _____ site.

Shall we _____ the _____ here?

Can _____ location _____ Energy?

_____ tell _____ can harness _____ power or if it's just _____ pipe _____?

Is _____ we could _____ tidal _____?

_____ information _____ using tide energy here?

Is it possible _____ power?

_____ know if _____ are _____ to access _____ energy?

We want _____ know _____ tidal power _____ our area.

_____ it _____ that we _____ energy?

_____ the _____ of tidal power?

Are tides _____ source _____ we are _____?

_____ any information _____ the potential _____ of _____ at this _____?

_____ like _____ check the availability of _____ the _____.

_____ you _____ us more information _____ here?

_____ is _____ to _____ power locally?

_____ is the _____ of _____ tides _____.

_____ need _____ check _____ of tides _____ electricity.

_____ there _____ power available _____?

_____ it possible _____ generate power where _____ are?

Do _____ have _____ tidal energy?

_____ have anything _____ tidal power _____?

_____ get some _____ using _____ power?

_____ regarding tidal power?

What _____ you _____ about _____ tidal _____ at our _____?

What is the potential _____?

Is there _____ data _____ to _____?

Are _____ able _____ us how to _____ power _____?

_____ possible to use _____

_____ you tell us whether we can _____ the _____?

Is _____ information on _____ available?

_____ have _____ using sea _____ for electricity at _____ site?

Is _____ possible to harness _____ of tides _____?

Can _____ location harness _____ the _____?

_____ can _____ if _____ get tidal energy?

Can we _____ about _____ practicality _____ tidal _____ in _____ area?

Is _____ possible that _____ can _____ tidal _____?

_____ know more about the possible _____ of _____ Power at _____.

Is _____ about _____ energy that _____ easily _____ for us?

_____ information _____ how _____ power can _____ in our area?

_____ you _____ give us _____ about tidal _____?

_____ there _____ facts on _____ here?

Can _____ about the availability and _____ of _____ tidal _____?

_____ our spot, does _____?

Is _____ energy available?

_____ out about using _____ power?

Do any _____ show how suited _____ for _____?

_____ power near _____?

Do _____ information on _____ power?

Is _____ to utilize _____ tides _____ at this _____?

Is _____ any _____ reports showing how _____ suited for _____ power?

We _____ wondering _____ we can _____ tidal power _____.

Do you _____ local _____ into _____ energy?

Can _____ collect information _____ tidal _____?

_____ am curious _____ status _____ tidal power _____.

Question _____ find _____ if _____ tidal energy _____ here?

_____ use tide-based electricity here.

_____ feasible _____ use tides for _____?

_____ about using sea _____ at this _____?

Data _____ local _____ could _____ supplied.

What _____ the chances _____ tides for _____ this _____?

_____ able _____ information _____ using tidal power?

Do _____ data _____ using _____ power here?

I would _____ to hear _____.

Is _____ feasible _____ tidal _____ Locally?

_____ tidal power potential _____?

_____ know the _____ of tidal _____ at our location.

Would _____ here?

Can _____ to tidal _____?

Can you tell us _____ be _____ or just a _____?

_____ we _____ how _____ energy can be implemented?

_____ information _____ tidal electricity locally?
