

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	Exterior lighting fixture replacement
Inquiry Sub-Category	Energy-efficient options
Description	Customers are interested in energy-efficient exterior lighting fixtures, including inquiries about LED options, solar-powered alternatives, and how these fixtures can help reduce electricity consumption and costs.
Data Size	5,069 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)

What ____ the average lifespan difference between ____ incandescent ____ used ____ ?
____ possible to tell us ____ average ____ regular incandescent ____ time compared to ____ ?
How ____ the lifetime contrast ____ traditional outdoor ____ compare to ____ of ____ ?
____ is the average durability ____ between ordinary ____ lighting ____ with ____ and longer-used luminary ____ ?
____ difference ____ longevity between the use ____ standard lightbulbs ____ outdoors?
____ between regular incandescent ____ bulbs ____ long lasting ____ led ____ .
____ us ____ average ____ of regular incandescent lights ____ durable LEDs?
____ do ____ of standard outdoor incandescent bulbs and ____ lasting LEDs?
____ large ____ the average ____ gap between ____ incandescent ____ longer use luminary offering energy
____ diodes?
Can you ____ us ____ information on ____ lifespan ____ lights ____ to durable ____ .
What is the average ____ composed ____ incandescent technology ____ longer-used ____ offering energy-
____ diodes?
Can you give ____ of regular ____ to the durable, LEDs?
____ does the outdoor ____ of LEDs ____ compared ____ bulbs?
____ is ____ difference ____ outdoor incandescent bulbs ____ longer-lived ____ ?
____ tell ____ if ____ is ____ average ____ gap between regular incandescent ____ LEDs?
What is ____ difference ____ the lifetime ____ of traditional ____ bulbs ____ long-lived ____ ?
____ outside, do the ____ longer ____ than traditional bulbs?
Can ____ us ____ average lifespan of ____ compared ____ LEDs used?
____ the approximated ____ difference between ____ style ____ and outdoor ____ ?
What are ____ lifespans of ____ outdoor ____ bulbs ____ long- ____ LEDs?
____ information on ____ average ____ regular ____ lights versusdurable LEDs?
Is there ____ average ____ regular incandescent ____ and durable ____ outside ____ ?
What's the difference between the ____ incandescent ____ and ____ LEDs?
____ the ____ difference ____ the ____ of conventional light sources and ____ applications?
Is it possible to ____ regular ____ lights versus ____ LEDs?
Is there ____ lifespan ____ regular incandescent bulbs ____ LEDs?

_____ us _____ average _____ of regular incandescent _____ over _____ compared _____ durable LEDs?
 Can _____ give _____ information on _____ lifespan of _____ compared to _____ LEDs?
 Where _____ we find _____ the _____ of standard outdoor incandescent _____ lasting _____?
 What do the _____ spans _____ standard outdoor _____ compared to _____ models
 _____ you _____ us some _____ lifespan _____ regular incandescent _____ and durable _____?
 What are the differences _____ lifespans of _____ and long _____?
 _____ is _____ lifespan _____ outdoor LEDs _____ standard _____ bulbs.
 _____ huge _____ in how long regular _____ and efficient _____ last?
 Can _____ tell _____ the regular _____ lights _____ to durable LEDs?
 The lifespan _____ light bulbs _____ bulbs are different.
 _____ the difference between regular _____ bulbs and _____ outside?
 _____ average longevity gap between _____ incandescent lights _____ durable _____ outside?
 _____ you tell us _____ average _____ between _____ lights _____ durable LEDs.
 Can _____ an _____ on the average lifespan _____ regular incandescent _____ LEDs?
 _____ there a _____ between _____ outside _____ LEDs on average?
 Can you give _____ idea _____ the _____ of regular incandescent _____ the _____?
 _____ want to _____ the average _____ of _____ incandescent lights _____ time _____ durable _____.
 _____ it _____ tell _____ how long _____ incandescent lights _____ compared to _____?
 Can you _____ us an _____ of the average _____ regular _____ LEDs?
 _____ you _____ lifespan of regular _____ lights compared _____ durable, _____?
 When _____ outdoors, how do _____ lifespans _____ regular incandescent bulbs _____?
 Can _____ information on the _____ of _____ incandescent lights over _____ compared _____?
 _____ would _____ know the _____ incandescent lights and LEDs _____ to ones _____.
 Can _____ tell _____ the _____ lifespan _____ incandescent lights _____ the _____ LEDs?
 Is it possible _____ show how long regular incandescent _____ to _____?
 _____ last outdoors _____ to the traditional bulbs?
 _____ is the _____ span of _____ bulbs _____ long- lasting LEDs?
 _____ is _____ the lifetime _____ of traditional outdoor incandescent _____ and _____ longer-durable _____?
 When _____ lighting, do _____ more extended lifespan _____ traditional options?
 There _____ average lifetime gap _____ traditional _____ lightings and durable _____.
 When _____ LEDs outdoors, _____ long do _____ last _____ bulbs?
 _____ there an _____ difference of regular _____ LEDs?
 When _____ LEDs _____ lighting, _____ they have _____ longer _____ to _____ incandescent options?
 _____ difference in _____ lightbulbs and _____ long-lasting outdoor LEDs?
 There _____ differences between _____ standard outdoor _____ and long lasting _____.
 How do _____ to long- lasting LEDs _____ use?
 _____ a _____ than traditional options when _____ exterior lighting?
 _____ do regular incandescent _____ compared to long- _____ LEDs _____?
 _____ tell us the _____ of regular incandescent lights _____ time _____?
 How _____ do _____ bulbs _____ outdoors _____ to _____ ones?
 There _____ lifespans between standard outdoor _____ lasting LEDs.
 Can you _____ long the regular incandescent lights _____ LEDs?
 Can _____ us _____ average lifespan _____ lights _____ to durable ones?
 _____ give _____ an _____ on _____ lifespan of regular incandescent lights _____ to _____?
 Is _____ outdoor _____ different _____ ordinary light bulbs?
 Is there _____ ordinary _____ lights and long- lasting LEDs?
 _____ information on the _____ lifespan of regular incandescent _____ to durable, _____?
 Can _____ give us _____ incandescent _____ and durable LEDs for outside _____?
 What's _____ difference between _____ regular _____ and robust LED _____ lights?
 _____ you _____ information about the _____ regular incandescent lights _____ LEDs _____ the outside?

How _____ those outdoor LED _____ compared _____ the _____ ones?
 _____ you _____ me _____ difference _____ ordinary _____ and those _____ a long _____ outside?
 _____ long _____ the _____ bulbs last _____ to _____ regular _____?
 How long _____ bulbs last _____ to _____?
 Is there _____ big _____ long regular _____ outdoor LEDs last?
 _____ is the approximated _____ difference _____ bulbs _____ LEDs?
 _____ give _____ on the _____ lifespan difference _____ incandescent lights to _____ LEDs _____?
 _____ is _____ difference _____ the _____ of _____ incandescent bulbs _____ lasting LEDs _____?
 Can you _____ us _____ on _____ lifespan of _____ lights _____ durable ones?
 _____ long _____ outdoor bulbs _____ compared to _____?
 How _____ a standard _____ blasted outdoors LEDs?
 _____ there _____ difference _____ incandescent and efficient outdoor lighting _____?
 _____ there _____ difference in lifespan between _____ and their lasting _____ like _____?
 What is _____ average _____ of _____ to durable LEDs?
 _____ a _____ lifetime gap between traditional _____ lightings _____ durable _____?
 _____ to _____ average lifespan of _____ incandescent _____ versusdurable LEDs.
 _____ the _____ longevity _____ of regular incandescent and durable _____?
 Can _____ us information _____ the _____ regular _____ to the durable _____ used?
 Can you give _____ information on the _____ lifespan _____ LEDs outside?
 _____ the use of outdoor LEDs _____ compared to _____?
 _____ are the _____ between _____ outside incandescents and _____ on _____?
 _____ do _____ compare _____ LEDs outdoors?
 _____ provide us _____ average _____ difference of regular _____ lights _____ LEDs for _____ use?
 Can _____ tell us _____ average _____ bulbs and _____ LEDs?
 What is the difference _____ the _____ incandescent _____ and _____ lasting _____?
 Can you provide us with information _____ the _____ compared to _____?
 The lifespans of _____ and _____ are _____ in _____ lighting.
 _____ are _____ average lifespans _____ regular _____ incandescent _____ and long- lasting _____.
 _____ you _____ us an idea of _____ longevity gap _____ incandescent _____ durable _____?
 _____ does regular _____ bulbs _____ to _____ LEDs outside?
 Can you _____ us insight _____ regular _____ lights over _____ LEDs?
 Can _____ tell _____ about _____ of regular incandescent _____ compared _____ LEDs?
 _____ me _____ longevity gap between _____ incandescent lights and _____ LEDs?
 _____ long does _____ LEDs last compared to _____ regular _____?
 What is the average _____ standard _____ incandescent _____ and _____ lasting _____?
 Can _____ give us _____ of _____ regular _____ lights compared to durable, _____?
 _____ us _____ long the average _____ of _____ incandescent lights _____ LEDs is?
 When _____ exterior lighting, do they _____ a _____ options?
 _____ there an average _____ incandescent _____ durable LEDs _____ outside use?
 _____ you tell us _____ lifespan difference _____ regular _____ durable _____ outside?
 _____ the _____ span _____ standard _____ bulbs _____ like in comparison _____ long-reliable LEDs?
 Can you _____ the _____ difference _____ incandescent lights anddurable _____?
 Are _____ able _____ tell _____ how _____ regular _____ last _____ durable LEDs?
 _____ is the average lifespan _____ traditional outdoor _____ durableled _____?
 _____ is a _____ lifespan _____ traditional _____ their long-term counterparts.
 Can _____ us _____ information _____ longevity difference _____ incandescent lights _____ durable LEDs for external _____?
 _____ you give _____ idea of _____ regular incandescent lights _____ to durable _____ for _____ exterior?
 _____ tell _____ the average longevity difference _____ and durable _____ for external _____?
 How does the _____ contrast of _____ bulbs _____ that _____ alternatives?
 Can _____ the difference _____ ordinary lightbulbs _____ those long- _____ LEDs?

____ it true that outdoor ____ longer ____ regular ____ ?
 ____ about ____ average lifespan ____ of regular incandescent ____ to ____ LEDs ____ external use?
 Where do we ____ lifespans of standard ____ incandescent bulbs ____ lasting ____ ?
 ____ of ____ light bulbs and outdoor LEDs ____ .
 ____ the ____ in lifetime ____ ordinary ____ and those ____ lasting ____ LEDs?
 Can ____ on the ____ between ____ incandescent and durable LEDs?
 When ____ how do the lifespans ____ bulbs ____ LED options compare?
 Can you ____ how ____ regular incandescent ____ last ____ to ____ LEDs?
 ____ tell ____ the ____ lifespan of regular ____ lights versus ____ outside?
 ____ average durability gap between ordinary ____ with incandescent technology ____ longer- ____ ?
 We ____ to ____ lifespan ____ regular incandescent lights ____ LEDs for the ____ .
 What is ____ outdoor light bulbs compared ____ alternatives?
 What ____ lifespan difference ____ a ____ light ____ an outdoor led ____ ?
 We ____ like to ____ the average ____ of ____ incandescent lights ____ to ____ .
 ____ give us information on ____ lifespan ____ regular incandescent ____ versus ____ durable ____ ?
 Can you give an insight into ____ incandescent lights ____ to ____ ?
 What's the ____ in ____ lightbulbs and ____ lasting outdoor ____ ?
 ____ on ____ the ____ last compared to the ____ outdoor bulbs?
 ____ an average ____ difference between ____ outdoor light bulbs ____ .
 The long-life ____ that are used as ____ lights ____ ones.
 ____ there any ____ regarding the lifespan ____ regular ____ LEDs compared ____ outside?
 ____ much longer ____ the outdoor Led ____ last ____ ones?
 ____ give ____ on the ____ lifespan of ____ incandescent lights ____ to durable, ____
 Can ____ about the ____ of ____ and LEDs compared ____ ones outside?
 ____ do standard ____ alternatives compare ____ lasting LEDs?
 Can ____ tell me the difference ____ lasting ____ and ____ ordinary ____ ?
 Can you let me know how long ____ on ____ exterior?
 What ____ the ____ of ____ outdoor edison bulbs look ____ to ____ ?
 ____ you ____ some ____ on the lifespan ____ regular ____ against ____ LEDs?
 ____ you tell ____ the average lifespan of ____ incandescent ____ durable ____ for ____ ?
 Can you ____ me ____ the average ____ between ____ incandescent lights ____ LEDs ____ ?
 ____ the ____ typical ____ incandescents and enduring ____ ?
 Are you ____ tell ____ the average ____ incandescent ____ versus durable ____ ?
 Is ____ in lifespan between traditional ____ outdoors ____ their ____ counterparts ____ ?
 Can ____ give ____ an ____ the longevity difference ____ regular ____ durable LEDs?
 Can you give ____ the ____ lifespan ____ between regular ____ and ____ outside ____ ?
 ____ there a ____ long ____ incandescent and efficient outdoorLEDs ____ ?
 ____ me ____ the average ____ of regular incandescent ____ to durable LEDs?
 ____ are ____ standard outdoor incandescent bulbs and long- lasting ____ .
 Does life ____ LEDs and ordinary light ____ ?
 Is ____ a ____ in ____ lifespan ____ regular ____ and ____ outdoor ____ ?
 Can you give ____ breakdown of ____ lifespan ____ incandescent lights ____ durable ____ ?
 Can you tell us ____ of ____ in comparison to ____ for the ____ ?
 ____ know ____ the lifespan of regular ____ LEDs ____ to ones outside.
 ____ there a difference ____ lifespan between traditional ____ and ____ LEDs?
 What is ____ lifespan difference ____ regular incandescent ____ long-awaitedLED ____ outside?
 ____ it possible ____ incandescent lights ____ than ____ LEDs for ____ exterior?
 Does the longevity ____ LEDs ____ typical ____ ?
 Can ____ us ____ average lifespan difference ____ regular ____ to durable LEDs ____ use?
 ____ lifespan ____ between regular ____ light bulbs ____ lighting ____ outside.

Can you ____ us ____ the average ____ regular ____ and durable ____?

____ is the ____ bulbs and outdoor LEDs?

____ you ____ some ____ lifespan of regular incandescent ____ compared ____ the durable ____?

Can ____ idea of ____ long regular incandescent lights last compared ____ on the ____?

Do ____ have ____ information on the average ____ between regular ____ lights and ____ LEDs ____?

____ you ____ about the ____ gap ____ regular incandescent lights and ____?

____ you ____ us some information on ____ of the ____ lights compared to ____?

Is there ____ the average lifespans ____ regular outdoor incandescent bulbs ____?

____ you provide ____ with the ____ difference of regular incandescent ____ durable ____?

____ give us ____ average lifespan of ____ for the exterior?

I ____ know ____ lifespan ____ regular incandescent ____ to the ____ LEDs used.

Do LEDs have ____ than ____ incandescents ____ used as ____ lighting?

____ it possible ____ find ____ long regular incandescent ____ last compared ____ durable ____ exterior?

____ give us some ____ on ____ regular ____ lights compared ____ the durable, LEDs?

Can you tell ____ how long regular ____ last compared ____ the ____?

____ is ____ gap between ____ outside lighting composed ____ incandescent technology ____ luminary?

How ____ regular incandescent ____ compare ____ long- lasting ____?

____ LED bulbs last longer ____ incandescent ____?

Do you have an ____ lifespan ____ regular ____ compared to durable ____?

____ lifespan difference between regular ____ light ____ outdoor led bulbs?

____ me the difference between an ____ light bulb ____ long- ____ outdoor ____?

Can you ____ me ____ difference in ____ lightbulbs ____ long- ____ outdoor lights?

What ____ life span of standard ____ bulbs ____ to long-reliable ____?

Does ____ lights ____ more ____ regular ____?

Is there any information ____ lifespan ____ regular ____ lights ____ compared to ____?

The long-life of the LEDs that ____ lights ____ standard.

____ an ____ long regular ____ lights last compared ____ durable LEDs?

____ have ____ information on ____ average longevity ____ regular incandescent lights versus ____?

Is ____ longevity ____ using ____ lightbulbs and ____ LEDs outdoors?

Is there any ____ on the ____ incandescent ____ durable, LEDs?

Can ____ us the ____ lifespan of ____ incandescent ____ versus ____?

____ are the differences between ____ incandescent ____ bulbs and ____ outdoor ____?

____ you ____ an estimate ____ how ____ lights last ____ to durable LEDs?

Where does the difference lie ____ terms of lifespan ____ made ____ exposure, versus long- ____ variations

____ large ____ the average durability gap ____ composed of ____ technology ____ longer luminary ____?

____ used ____ exterior ____ does LEDs ____ lifespan than traditional ____?

____ does outdoor ____ vs regular ____?

How ____ longer ____ outdoor bulbs ____ than ____ ones?

____ is ____ between regular incandescent and longer- lasting ____?

When ____ as ____ lighting, do ____ longer lifespan than ____?

Is there an average ____ regular incandescent ____ LEDs ____ external ____?

Can ____ the average ____ regular incandescent ____ compared to ____ LEDs used?

____ you give us information on ____ lights ____ durable LEDs?

How do ____ of ____ and long- lasting ____ compare ____ outdoors?

The average longevity ____ of ____ to durable LEDs ____ external ____ is something you ____.

Can ____ give ____ information on the ____ gap ____ regular incandescent ____ LEDs?

____ tell us ____ the average ____ of ____ compared to the ____ LEDs?

____ do ____ find differences in ____ lifespans ____ standard ____ bulbs ____ lasting LEDs?

____ is the difference between a ____ incandescent ____?

How long ____ led outdoor bulbs ____ compared ____?

How do ____ bulbs compare ____ use outdoors?

____ you tell me the average ____ of ____ LEDs ____?

____ to find ____ how long ____ lights last compared ____ durable ____?

Can you give us ____ insight ____ of ____ compared ____ durable LEDs?

____ you ____ us some information ____ the average longevity ____ of regular ____ outside?

Life expectancy between ____ ordinary light ____ different.

____ me ____ difference in lifetime is ____ ordinary lightbulbs ____ LEDs?

____ us ____ idea of the ____ difference of regular ____ to ____ LEDs?

____ long LEDs ____ compared ____ standard ____ would be appreciated.

What's the average lifespan ____ regular ____ incandescent ____ and ____?

____ are ____ in the ____ outdoor incandescent ____ and long ____.

____ differences ____ the ____ standard outdoor ____ and long lasting ____.

____ is ____ lifespan difference ____ bulbs and long-awaited new options ____?

____ give ____ some ____ on the lifespan ____ incandescent ____ vs. ____ LEDs?

Can you ____ an ____ into how long ____ incandescent lights ____ to ____ durable ____ the ____?

____ big difference ____ lifespans between regular outdoor incandescent bulbs ____?

Can you give us some ____ the ____ difference ____ regular ____ LEDs?

The ____ of ____ that ____ used ____ exterior ____ to traditional lights.

____ much ____ LEDs last than the regular ____?

____ the differences ____ the lifespan ____ standard outdoor incandescent ____ and ____ lasting ____?

____ difference in the ____ of ordinary ____ long-lasting LEDs?

Where's ____ time difference between ____ outdoor LEDs?

Does ____ average ____ enduring LEDs and ____ outside ____?

Where ____ we find differences in the ____ incandescent bulbs and ____?

How ____ regular ____ bulbs compare ____ LEDs ____?

____ there any ____ the ____ regular incandescent lights compared ____ LEDs used?

____ you ____ on the ____ difference of ____ incandescent lights ____ durable ____ outside?

____ considering the long-life ____ the ____ that ____ exterior lights in contrast ____ standard?

Can ____ the lifespan of regular ____ compared ____ the outside?

Is ____ typical ____ incandescents ____ LEDs on the average?

Does ____ expectancy differ ____ and ordinary light ____?

Can ____ us the average ____ of ____ lights ____ to the ____ LEDs?

____ give an idea of ____ long regular ____ last compared to ____?

How ____ outdoor LEDs ____ to the ____ incandescent ones?

____ there a discrepancy ____ the average lifespans of regular ____ long- ____?

The ____ of ____ LEDs ____ exterior ____ in contrast to ____ is ____ considering.

The ____ that are used as ____ lights ____ to ____ ones.

____ you ____ on ____ lifespan ____ regular incandescent lights versus ____ LEDs?

When ____ for ____ lighting, ____ LEDs ____ longer lifespan ____ options?

____ durability gap between ordinary outside lighting ____ of ____ longer luminaire offering energy efficient ____?

____ a significant difference ____ regular incandescent and efficient ____ LEDs ____.

____ you ____ to give ____ average lifespan ____ compared ____ the durable LEDs?

____ long does LED ____ last compared ____ bulbs?

____ is ____ average lifespan of conventional ____ compared ____ LEDs ____ applications?

____ using LEDs ____ lighting, ____ they have a longer ____ traditional ____?

Is ____ possible ____ there are ____ lifespans ____ outdoor incandescent bulbs ____ alternatives?

____ are ____ the lifespans of ____ outdoor ____ bulbs ____ long- ____.

How do regular bulbs compare to ____?

There ____ a ____ whether ____ have ____ lifespan ____ used as exterior ____.

____ do ____ know about the ____ standard outdoor ____ bulbs ____ lasting ____?

Can _____ into how long _____ compared to durable _____ on the exterior?

Can you _____ average lifespan _____ regular _____ lights _____ durable LEDs?

Is _____ a difference _____ lifespan _____ outdoor _____ and LEDs?

Is life _____ different for _____ light bulbs.

Can you _____ the _____ lifespan of regular incandescent lights compared _____?

_____ the differences _____ lifespans of standard outdoor _____ long lasting _____?

Does average life _____ vary _____ type _____ light _____ if that _____ outdoor LEDs _____ ordinary _____

_____ you have _____ lifespan _____ regular _____ lights compared to _____ durable LEDs used?

_____ the average _____ difference between regular incandescent lights and _____ LEDs?

_____ there _____ difference in _____ between the _____ of _____ and the _____ LEDs?

_____ the outdoor _____ last _____ to the _____ ones?

_____ tell me the _____ between _____ lightbulb and _____ outdoor LEDs?

Can you _____ us _____ the _____ regular _____ lights and _____ compared _____ on the _____?

_____ there _____ average _____ of regular outdoor incandescent bulbs and _____ lasting _____?

_____ you _____ average _____ difference of regular incandescent lights to _____

_____ you _____ information _____ the lifespan _____ regular _____ lights compared _____ durable LEDs?

Can you _____ us with _____ of _____ incandescent _____ to _____ LEDs?

Can you tell me the _____ between regular _____ those _____?

_____ you give us _____ on _____ long the regular _____ last _____ to the durable _____?

_____ there _____ average _____ difference between traditional _____ lightings and _____ LED _____?

_____ the long-life _____ the _____ that _____ exterior lights, _____ contrast _____ traditional.

_____ is _____ lifespan _____ between _____ and long- lasting LEDs _____?

Is _____ difference in longevity _____ standard lightbulbs outdoors versus _____?

Can you _____ the average lifespan _____ regular _____ lights _____.

Can _____ us _____ the _____ of _____ incandescent lights _____ to _____?

Can _____ give _____ information on _____ lifespan _____ incandescent lights _____ LEDs for _____ use?

What are the differences _____ regular incandescent _____ long-lived _____?

When used in exterior lighting, _____ have _____ than other _____?

What are _____ lifespans _____ regular _____ bulbs and _____ LEDs _____ used _____?

There are _____ in the lifespan _____ standard outdoor _____ lasting _____.

Can you tell _____ long the _____ lights last _____ the _____ on the _____?

_____ is _____ difference between the _____ standard _____ incandescent _____ and _____ lasting _____ options?

_____ there a difference between _____ long _____ incandescent _____ outdoorLED _____?

_____ much does _____ average durability gap between _____ lighting _____ longer-utilizing luminary be?

_____ a difference between _____ lifespans of _____ incandescent _____ and _____?

I _____ to _____ average _____ difference of _____ incandescent lights _____ durable _____ outside.

_____ long _____ LEDs last compared _____ traditional _____ outside?

_____ lifespan _____ incandescent bulbs compared to long- lasting _____?

_____ tell me _____ lifespan of _____ lights _____ durable _____ for exterior use?

Can you tell _____ between _____ lightbulbs _____ the _____ LEDs?

_____ give us _____ on _____ lifespan _____ regular _____ bulbs compared to _____ LEDs?

_____ life span of _____ outdoor incandescent bulbs _____ to long- _____?

_____ you tell _____ the _____ of _____ and LEDs _____ to the outside?

_____ tell _____ average lifespans _____ incandescent _____ versus durable LEDs?

_____ have _____ information about the _____ lifespan of _____ incandescent _____ the durable _____?

Can _____ average _____ of regular incandescent lights _____ durable LEDs _____ exterior?

We _____ average longevity _____ of regular _____ LEDs for outside use.

Can _____ light _____ long regular incandescent _____ last _____ durable _____ on the _____?

Can _____ us _____ average lifespan difference between _____ incandescent _____ durable _____?

_____ is the _____ lifespan of _____ bulbs and long-awaited LEDs _____?

_____ expectancy _____ outdoor _____ and _____ bulbs is different.

When comparing _____ of _____ with _____ LEDs, do _____ differences in _____?

Can you give _____ the average lifespan _____ lights compared with _____?

Is there any information _____ the _____ regular _____ compared to _____ outside?

_____ you give us an idea _____ the _____ regular incandescent _____ durable, _____?

Do _____ lights _____ more _____ regular _____?

_____ you tell _____ lifespan of _____ lights _____ LEDs for external use?

_____ the average _____ for _____ or _____ LEDs outdoors?

_____ you tell us _____ average lifespan _____ lights _____ the durable _____ we _____?

What _____ difference _____ outdoor led _____ light bulbs?

How long _____ life span of _____ to long-reliable LED models?

_____ you tell _____ about _____ of _____ lights compared _____ lifespan of durable, _____?

How _____ the _____ span of standard _____ from that _____ long- _____?

What is _____ approximated _____ difference between the _____ and _____?

_____ have _____ about _____ difference _____ lifetime between ordinary _____ outdoor LEDs?

_____ the LEDs _____ are used as _____ can _____ compared to traditional _____.

What's _____ of regular incandescent lights to _____ external use?

_____ you know the average _____ of _____ versus durable _____?

_____ it _____ to _____ an insight into _____ long regular incandescent _____ to _____ LEDs _____?

_____ the difference _____ lifespan _____ standard outdoor incandescent bulbs _____ LEDs?

_____ average _____ difference between _____ lights and _____ for outside use.

_____ you tell _____ about _____ average _____ regular incandescent _____ versus the _____?

_____ you tell us what _____ gap is _____ lights _____ durable LEDs?

I want _____ know _____ LED bulbs last _____ incandescent ones.

_____ possible to _____ the _____ lifespan of regular incandescent _____ compared _____ durable, _____?

_____ do _____ bulbs compare to _____ outside?

_____ you _____ an insight _____ how _____ incandescent _____ to durable LEDs?

_____ regular incandescent _____ to long-lasting LEDs _____?

Do _____ idea _____ the _____ of regular incandescent lights _____ the durable _____?

How long can _____ to _____ regular outdoor bulb?

_____ some _____ on the average lifespan difference of regular _____ and _____?

The _____ that are _____ lights is different to standard.

_____ long _____ the LEDs _____ compared to the _____?

What differences _____ we see between the _____ standard _____ bulbs _____ lasting _____?

What _____ the _____ spans of standard _____ to _____ LEDs?

The long-life _____ used as exterior lights _____ than _____.

What _____ the _____ between _____ lifetime contrast _____ traditional _____ bulbs and _____ of _____?

_____ the _____ ordinary _____ bulbs differ _____ of outdoor LEDs?

Can you give us _____ information _____ of _____ light _____ compared to _____?

Is there an _____ difference _____ regular incandescent _____ and _____?

Is _____ possible _____ give _____ into _____ gap between regular incandescent _____ durable _____?

_____ differences in how _____ incandescent and efficient outdoor _____?

Can you tell _____ average _____ of _____ lights _____ time compared _____ LEDs?

Do _____ the average longevity difference between _____ lights and _____ use?

_____ us the average lifespan _____ incandescent lights compared _____ durable, _____?

_____ is the average lifespan _____ long- lasting LED options?

When used _____ lifespans _____ incandescent bulbs _____ long- lasting _____ compare.

Can you tell _____ about _____ lifespan _____ incandescent lights and _____?

Can _____ us _____ regular incandescent lights and durable LEDs?

Can you _____ lifespan of _____ incandescent lights _____ compared _____ durable LEDs?

_____ a difference in _____ using standard _____ sturdy _____ outdoors?

How _____ do _____ last _____ to _____ bulbs _____ outdoors?

_____ a _____ between _____ longevity of _____ outdoor lights _____ lasting LEDs.

Can _____ about the lifespan _____ regular incandescent _____ durable _____ for external _____?

Is _____ an average lifespan for _____ long _____?

_____ do the _____ of _____ bulbs _____ lasting options outdoors?

Can _____ tell us _____ lifespan _____ incandescent lights _____ to the _____?

_____ you tell _____ about _____ average _____ of regular _____ lights _____ LEDs.

The _____ lifespan of _____ to durable LEDs.

Can you _____ me _____ ordinary _____ and _____ lasting outdoor _____?

_____ you _____ us about the _____ of _____ incandescent lights _____ the _____ LEDs.

_____ longevity difference of _____ lights _____ for _____ is _____ you can give us.

_____ in _____ of outdoor incandescent _____ and long- lasting _____.

_____ the _____ lifespan _____ regular _____ compared to _____ LEDs?

_____ do _____ bulbs _____ long _____ LEDs _____ outdoor use?

Can _____ any _____ on the _____ lifespan _____ regular incandescent _____ versus durable _____?

_____ you _____ an indication of how _____ incandescent _____ last _____ durable LEDs for _____?

_____ there _____ difference in how _____ regular _____ efficient _____ LEDs _____.

Can _____ us insight into the _____ regular incandescent lights compared _____?

_____ can an LED last _____ to _____ normal outdoor _____?

How long _____ last _____ to _____ outdoors?

_____ a _____ light _____ and long-awaited LEDs used outdoors.

_____ am _____ about _____ ordinary lightbulbs and those long- lasting outdoor _____.

_____ lighting have an _____ when used _____ lighting _____ other types of _____?

_____ there any information _____ lifespan _____ incandescent _____ compared _____ the durable _____?

How do _____ incandescent bulbs perform _____ to _____?

_____ we _____ differences among _____ lifespans of _____ bulbs and long- _____ LEDs?

Is there an _____ difference _____ regular incandescent and durable _____?

How _____ regular _____ to long- lasting _____ outside?

_____ tell us what _____ regular _____ lights is compared to durable _____?

_____ want _____ know the difference in _____ ordinary lightbulbs _____ LEDs.

The _____ that _____ used as exterior lights _____ different _____ lights.

_____ do the _____ spans of standard _____ look like _____ long-reliable _____

_____ give _____ an idea of how long _____ lights last compared _____?

Where does the _____ in terms _____ lifespan for _____ to _____ outdoor exposure, when _____ with _____ variations

Where _____ differences _____ lifespans of _____ bulbs and long- lasting _____?

Do you know the _____ incandescent lights _____ LEDs for external _____?

I _____ like to _____ how _____ incandescent lights last _____ the outside.

_____ the _____ lifespan _____ outdoor _____ bulbs and long- lasting _____?

Can _____ tell _____ between ordinary lightbulbs _____ those _____ lasting _____ ones?

Do _____ Led _____ last longer _____?

_____ do the lights _____ larger _____ comparison to _____ incandescent options?

What is _____ lifespan _____ incandescent _____ compared to long-lasting _____?

_____ give _____ information on _____ lifespan of _____ incandescent _____ compared to _____?

Can you give us some _____ on _____ lifespan _____ regular _____ LEDs?

Can _____ give us _____ of _____ incandescent lights compared _____ the durable _____?

_____ compare to long-lived LEDs _____ use outdoors?

Can _____ about the _____ regular incandescent lights _____ durable LEDs?

_____ there a significant _____ lifespans between _____ incandescent bulbs _____ lasting LED _____?

Is there _____ difference _____ between conventional _____ LEDs for _____ applications?

_____ used as _____ do the _____ have _____ than the old _____ incandescent _____?
 Can _____ give _____ an _____ of _____ regular incandescent _____ compared to _____ LEDs?
 _____ is _____ between _____ lifespans _____ conventional light sources and _____ LEDs _____ applications?
 Can _____ us _____ longevity gap _____ incandescent _____ to durable LEDs?
 Can _____ about _____ difference in lifetime _____ ordinary lightbulbs _____ outdoor _____?
 Is _____ difference between the _____ incandescent lights and _____?
 Can _____ me _____ difference between those _____ lasting _____ and ordinary _____?
 _____ you _____ the _____ gap of regular incandescent _____ versus durable _____?
 _____ there _____ significant _____ traditional outdoor incandescent _____ durable LEDs?
 Can _____ us with an _____ lifespan of regular _____ LEDs used?
 Are _____ to _____ the average _____ between _____ incandescent lights _____ durable LEDs?
 _____ differences _____ the _____ of _____ outdoor _____ and long lasting LEDs.
 Is there _____ in _____ between regular _____ bulbs and long- _____ alternatives?
 There is a _____ the _____ contrast _____ traditional _____ incandescent bulbs _____ longer- lasting _____ alternatives.
 _____ you _____ us the _____ of regular incandescent _____ over time _____ to _____?
 _____ to _____ lighting, do LEDs have a longer _____ compared _____?
 Is there _____ in _____ lightbulbs versus sturdy _____ outdoors?
 What _____ the average _____ or long-lived LEDs _____?
 _____ you provide insight _____ average lifespan _____ lights versus durable _____?
 What can you _____ the _____ longevity _____ incandescent lights versus durable _____?
 _____ average _____ expectancy _____ between ordinary _____ bulbs and _____?
 Can _____ give _____ the lifespans of _____ and durable LEDs?
 Where do we _____ the _____ between the lifespan _____ and _____ LEDs?
 _____ you give us an _____ the _____ difference of regular _____ lights to _____ for _____?
 Average lifespans of conventional bulbs _____ enduring LEDs _____.
 I _____ is an _____ lifetime gap between _____ outdoor lightings _____ durable _____.
 Average _____ between _____ LEDs _____ ordinary _____ bulbs is _____.
 Can _____ give _____ an _____ on _____ lifespan _____ incandescent _____ versus _____ LEDs?
 _____ a difference between typical outside incandescents _____.
 Can you give _____ some _____ regarding the _____ versus _____ LEDs?
 Can you give us _____ idea _____ lifespan of regular _____ lights _____ to _____ LEDs?
 Is _____ a significant average lifetime gap _____ traditional _____ durable _____?
 How _____ regular _____ bulbs compare to long- _____ use _____?
 When used outdoors, how do _____ regular incandescent _____?
 The _____ of the _____ that are used _____ lights is _____.
 Do _____ regular _____ lights last compared _____ durable LEDs?
 _____ you _____ us _____ information _____ the _____ regular incandescent _____ durable LEDs?
 How long _____ outdoor bulbs _____ compared _____ ones?
 What is _____ lifetime contrast _____ traditional _____ bulbs and _____ of longer-lasting _____ alternatives?
 Are you able to tell _____ the _____ lifespan _____ of _____ to _____?
 How do regular _____ compare _____ for _____ outside?
 _____ outside, do the lights _____ a _____ lifespan than _____ bulbs?
 _____ the _____ between _____ outdoor light _____ durable LED alternatives?
 Can _____ tell us _____ average _____ regular incandescent _____ todurable, _____?
 Where do we _____ the differences in lifespans _____ and long- _____?
 How do _____ regular incandescent bulbs compare to _____ outdoors?
 Does average _____ expectancy _____ depending on what kind _____ lights _____ and _____ or ordinary _____
 _____ us an _____ the longevity gap _____ regular incandescent _____ durable _____?
 _____ tell _____ about the lifespan _____ regular incandescent _____ and _____ LEDs?
 _____ is the _____ long- lasting LEDs and _____ incandescent bulbs _____?

Can ____ tell us ____ average longevity difference of ____ incandescent ____ outside?
 ____ do ____ incandescent ____ to long-lived ____ for outdoor ____?
 ____ is ____ average life ____ of ____ outdoor ____ bulbs ____ to ____ lasting LED ____?
 Is it possible to ____ longevity ____ between regular incandescent ____ durable ____?
 ____ there a difference in lifespan between ____ their lasting ____?
 ____ can you tell ____ about ____ lifespan ____ regular incandescent ____ durable ____?
 What information can you ____ us ____ of ____ incandescent ____ compared to ____?
 ____ do we ____ differences in ____ standard outdoor ____ bulbs and ____ LEDs?
 There are ____ of outdoor incandescent ____ and long ____.
 Is it different ____ typical ____ LEDs on ____ average?
 ____ worth ____ the long-life of the ____ used as ____ lights, ____ comparison ____ standard?
 ____ lifespans of standard outdoor incandescent bulbs ____ long- ____.
 ____ regular ____ bulbs ____ against long-lasting ____ for outdoor use?
 Can ____ give us ____ information about ____ long the ____ incandescent ____ last compared ____?
 ____ tell ____ the ____ regular incandescent ____ compared to the ____ of LEDs?
 ____ would ____ know how ____ regular incandescent ____ last ____ to durable ____ on ____.
 Can you ____ us about ____ of ____ lights over ____ compared to ____ durable LEDs ____?
 How ____ last ____ to regular bulbs?
 What are ____ of ____ edison ____ compared to ____ LED ____?
 What ____ average lifespan discrepancy between conventional ____ LEDs for ____?
 ____ tell ____ average lifespan of ____ incandescent lights ____ to the ____ LEDs?
 ____ between regular outdoor incandescent ____ long- lasting LED ____?
 ____ you tell us ____ lifespan of ____ lights is ____ to ____?
 Is it different between a ____ outside incandescent ____?
 Can you tell us about ____ longevity ____ incandescent ____ LEDs ____?
 ____ a big ____ long ____ and efficient outdoor LEDs last?
 What's the average lifespan ____ long- ____ outdoors?
 ____ lighting ____ the lights have a larger ____ incandescent options?
 ____ the ____ lifespan of ____ incandescent ____ compared to ____ LEDs?
 ____ you tell ____ about the ____ regular ____ lights and ____ to ____ outside?
 ____ LEDs last compared to ____ outdoors?
 ____ the lifespan of regular incandescent ____ compared to durable LEDs?
 How ____ life ____ outdoor incandescent bulbs compare ____ long- lasting ____?
 Can ____ provide us ____ average ____ of regular ____ and durable ____?
 Is ____ a ____ in ____ using standard ____ sturdy LEDs?
 Can ____ us ____ on the ____ lifespan of ____ incandescent ____ compared ____ LEDs?
 How do regular incandescent ____ long- ____ LEDs ____ use?
 Can ____ us the average ____ regular incandescent lights ____?
 ____ there ____ difference ____ average lifespans between ____ outdoor ____ LED alternatives?
 Does ____ average ____ and typical outside ____ differ?
 Can ____ us ____ information ____ lifespans of regular ____ lights ____ the durable ____?
 ____ lifespan ____ between regular ____ bulbs and long-awaited LED lighting options ____?
 ____ some information on ____ of ____ lights and LEDs ____ to the outside?
 ____ is the lifespan difference between traditional ____ LEDs?
 ____ you ____ us ____ average ____ lights to durable LEDs for external use?
 What ____ the average lifespan ____ regular outdoor ____ and ____?
 ____ tell ____ average ____ difference of regular ____ and ____ LEDs for external ____?
 ____ life expectancy ____ and ordinary ____ bulbs?
 ____ give us ____ the average longevity difference ____ incandescent lights ____ LEDs ____?
 ____ you ____ some ____ average ____ of regular incandescent lights and ____ LEDs?

____ long do traditional ____ last ____ LEDs ____ ?
 ____ are the differences ____ lifespans ____ outdoor ____ and long lasting ____ ?
 What ____ longevity difference of ____ incandescent lights to ____ LEDs ____ ?
 Where ____ difference ____ lifespan for incandescent bulbs typically made ____ handle outdoor ____ compared with ____ ?
 How ____ the lifetime ____ of ____ bulbs compare ____ that of ____ ?
 How long do ____ vs. ____ ?
 ____ do the ____ LEDs last ____ the regular incandescent ____ ?
 Is life ____ different ____ and ____ bulbs?
 Is average ____ outdoor LEDs and ordinary ____ .
 Can ____ us ____ average lifespan ____ regular ____ lights ____ to the ____ LEDs used?
 When ____ LEDs as exterior ____ do ____ longer life ____ traditional ____ ?
 ____ differences in ____ standard outdoor ____ bulbs and long lasting ____ ?
 Can you give us the ____ difference between ____ and ____ ?
 Can you ____ us know ____ lifespan ____ incandescent ____ compared ____ the ____ LEDs?
 There ____ a difference ____ longevity between regular ____ lasting ____ .
 ____ an ____ of the ____ of regular incandescent ____ to the durable ____ ?
 How ____ average durability gap ____ outside ____ with incandescent technology ____ luminary?
 ____ significant difference ____ long regular incandescent versus ____ outdoor LEDs ____ ?
 ____ you give us an ____ compared to durable LEDs?
 ____ there ____ difference ____ between ordinary ____ and those ____ outdoor ____ ?
 Is ____ between typical ____ and ____ LEDs?
 There ____ durability gap between ____ outside lighting composed ____ incandescent technology and ____ efficient ____ .
 How long ____ the average ____ of ____ the durable LEDs?
 Can ____ tell me ____ differences ____ ordinary ____ and ____ long- lasting ____ ?
 When using LEDs as exterior lighting, ____ they ____ ?
 How does the lifetime ____ outdoor incandescent ____ compare ____ longer- lasting ____ .
 Is ____ an average ____ regular ____ lights to durable ____ outside?
 How do regular ____ compare ____ long- ____ use ____ ?
 ____ do ____ the lifespans of ____ standard ____ incandescent ____ long lasting LEDs?
 ____ you ____ some information on ____ average ____ regular incandescent ____ durable LEDs?
 Is there ____ difference in longevity ____ outdoor use ____ standard ____ ?
 ____ you ____ how long ____ incandescent ____ last compared to durable ____ exterior?
 What ____ the ____ between the lifetime contrast ____ traditional ____ incandescent ____ and ____ of ____ alternatives?
 ____ you give ____ average ____ difference of ____ lights ____ durable ____ external use?
 Can ____ tell ____ average ____ gap between regular ____ lights and ____ for ____ ?
 ____ possible ____ give us ____ on ____ lifespan of regular ____ compared to the durable ____ ?
 Is it ____ the ____ lifespan of ____ incandescent ____ compared ____ durable LEDs used?
 Is there an ____ regular incandescent lights ____ for ____ uses?
 ____ you give ____ indication ____ how ____ regular ____ lights last compared ____ durable ____ ?
 ____ outdoor LED ____ last ____ than ____ bulbs?
 I want ____ know ____ of regular ____ lights and ____ to ____ outside.
 ____ there ____ difference in lifetime ____ lightbulbs ____ those ____ lasting outdoor ____ ?
 What is the ____ between ____ lifetime ____ traditional outdoor incandescent ____ ?
 How large ____ average durability ____ outside lighting composed ____ technology ____ longer- ____ luminary?
 Can you ____ me ____ information ____ of regular incandescent ____ to ____ durable ____ ?
 When ____ exterior ____ LEDs have ____ lifespan ____ traditional ones?
 ____ you tell ____ regular incandescent lights and durable LEDs?
 Do ____ any information ____ the average ____ between ____ and durable LEDs?
 ____ tell us ____ about ____ lifespan of ____ lights ____ compared ____ those outside?

_____ there _____ difference in _____ expectancy _____ LED _____ ordinary bulbs?
 _____ discrepancy between average lifespans of conventional _____ enduring _____ .
 _____ are the _____ lifespans between standard _____ incandescent _____ long- _____ LEDs?
 _____ long do LEDs last _____ compared _____ bulbs?
 _____ difference between old-style bulbs _____ LEDs _____ to be _____ .
 Does _____ life expectancy _____ depending on what _____ of lights _____ if _____ is _____ ordinary incandescent
 _____ you tell _____ average lifespan _____ regular _____ to _____ durable LEDs used.
 What is the _____ lifespan _____ ordinary _____ lighting composed _____ incandescent _____ luminary offering _____ diodes?
 _____ have any information _____ the average _____ difference _____ regular _____ durable LEDs?
 I _____ know _____ average _____ regular _____ lights versus durable _____ for _____ outside.
 Is _____ difference in _____ lifespans _____ regular _____ incandescent _____ long- lasting _____ alternatives?
 _____ you tell _____ the average lifespan of regular _____ time _____ to _____ LEDs?
 Is there _____ about the _____ lifespan of _____ versus durable _____ ?
 Can you _____ me about the _____ lifespan _____ regular _____ LEDs?
 Is _____ a _____ average lifespans between regular _____ incandescent _____ lasting _____ alternatives?
 Can you tell _____ about the _____ of _____ lights _____ to _____ durable, _____ ?
 _____ you _____ us the _____ of regular incandescent _____ in _____ to _____ ?
 How _____ the outdoor _____ bulbs _____ compared _____ the regular _____ ?
 Can _____ tell _____ lifespan of _____ lights is compared to _____ LEDs?
 _____ the _____ difference _____ sources and _____ LEDs for outdoor use?
 _____ much does the _____ durability _____ between ordinary outside _____ composed _____ incandescent technology _____ ?
 _____ us about the _____ regular incandescent lights _____ compared to _____ outside?
 Can you tell _____ lifespan _____ regular _____ durable _____ for external use?
 There are differences _____ the _____ standard outdoor _____ long- _____ .
 What _____ lifespan _____ between _____ outdoor _____ and durableLED alternatives?
 When used _____ what _____ lifespans _____ regular incandescent _____ lasting LEDs?
 _____ give _____ information on how _____ lights last compared to _____ durable _____ ?
 _____ you tell _____ average _____ between regular _____ and _____ LEDs?
 _____ used _____ the lifespans of _____ and long- _____ LED differ?
 _____ you _____ regarding the lifespan of regular incandescent lights compared _____ ?
 _____ you give _____ insight _____ average lifespan of _____ lights versusdurable _____ ?
 Can _____ tell _____ the _____ longevity _____ of regular incandescent _____ to _____ ?
 What is _____ lifespan _____ led _____ compared _____ ones?
 Is _____ a _____ long _____ lights last compared to _____ LEDs for _____ exterior?
 _____ difference in _____ standard lightbulbs and sturdy _____ outside?
 Do you have an _____ as _____ long regular _____ compared _____ LEDs?
 _____ between _____ incandescent bulbs and _____ lasting _____ for outdoor _____ ?
 Do you _____ an idea _____ the _____ lifespan of regular _____ to _____ ?
 I would like _____ know _____ average _____ gap _____ incandescent lights _____ durable LEDs _____ .
 Can you _____ us _____ average _____ of regular _____ LEDs on _____ exterior?
 What are the lifespans _____ regular incandescent _____ LEDs _____ ?
 _____ the average _____ gap _____ outside lighting _____ incandescent technology _____ longer-used _____ offerings?
 Is there a _____ average _____ outdoor incandescent bulbs _____ long- lasting _____ ?
 _____ compared with long- _____ variations, where _____ the difference _____ in _____ lifespan for incandescent _____ exposure when
 _____ there _____ in average life _____ between _____ ordinary bulbs?
 _____ is _____ difference between the average _____ regular _____ LEDs outdoors?
 What's _____ lifespan _____ regular outdoor _____ bulbs _____ lastingLED options?
 When _____ outdoors, how long do _____ last _____ ?
 _____ you give _____ the lifespan of _____ incandescent _____ in _____ durable, LEDs?

There ____ differences in ____ bulbs and long- lasting ____.

Can ____ give ____ an ____ how long ____ last compared to ____ LEDs on ____ outside?

Can ____ average lifespan of ____ incandescent lights over ____ compared to durable ____?

Do LED lighting ____ a ____ lifespan ____ exterior ____ other types ____ lighting?

____ to ____ how long can you ____ to last ____ to ____ bulbs?

How do ____ incandescent bulbs ____ to LEDs ____?

Does ____ differ depending ____ what kind ____ is used and ____ outdoor LEDs or ordinary ____

____ some information on the ____ difference ____ incandescent ____ and ____ LEDs outside?

____ is the average ____ conventional light ____ durable LEDs ____ uses?

Do ____ know the ____ of ____ incandescent ____ to ____ durable LEDs ____?

____ it possible to ____ some information ____ the ____ incandescent lights and LEDs ____ the ____?

When ____ as ____ lighting, do they ____ lifespan than ____ ones?

____ of the LEDs that are ____ lights ____ than ____ lighting.

How much ____ durability ____ ordinary ____ lighting composed with incandescent ____ longer-utilizing ____ differ?

The time difference ____ and outdoor ____ not ____.

Does ____ depending ____ kind of ____ are ____ and if that ____ outdoor LEDs ____ ordinary incandescent.

Can you ____ us ____ information ____ of ____ incandescent lights ____ LEDs?

____ you ____ the ____ lifespan ____ regular incandescent ____ compared to durable ____.

Can ____ tell me ____ lifespan ____ regular incandescent ____ compared ____ the ____ used?

The long-life ____ the LEDs ____ is different ____ the traditionally used ____.

How do regular ____ to long- ____ outdoors?

____ used as exterior lighting, ____ LEDs have ____ longer ____.

____ using LEDs as ____ do ____ have a more ____ lifespan ____?

Is there ____ between the lifespans ____ regular ____ bulbs ____ long- lasting ____?

Is there a ____ between ____ of regular outdoor ____ long- lasting ____?

____ you give ____ on ____ of regular ____ versus durable LEDs ____?

How ____ regular incandescent bulbs ____ for outdoor use.

How ____ of ____ bulbs compare to that of longer-lived ____?

Can you ____ how ____ regular ____ lights last compared ____ LEDs on ____?

The ____ are used as ____ different from traditional lights.

Where ____ differences in ____ between ____ outdoor incandescent bulbs ____ lasting ____?

I want ____ know ____ longevity ____ between ____ incandescent lights ____ durable ____.

____ an ____ difference between outdoor LEDs ____ ordinary ____ bulbs?

Can you ____ us something about ____ lights compared to ____ LEDs?

____ significant ____ average durability ____ between ____ outside ____ composed ____ and longer-utilizing luminary?

____ provide us ____ information ____ lifespan of ____ compared ____ the durable LEDs?

How long do ____ outdoor ____ compared to ____?

____ are ____ incandescent ____ from long- lasting LEDs ____ use ____?

Is there ____ in lifespan ____ traditional incandescents ____ their ____?

How ____ do ____ outdoor ____ compared ____ the ____ incandescents?

What is ____ average ____ between the lifespans ____ conventional light ____ for ____?

____ give us some ____ the lifespan ____ lights vs durable LEDs?

What are the ____ the ____ standard ____ long lasting LEDs.

Can ____ us ____ average longevity ____ between regular ____ durable LEDs outside?

When using LEDs ____ lighting, ____ they have ____ lifespan than ____?

____ it possible ____ out the ____ lights versus durable LEDs?

How significant is the ____ durability ____ composed ____ technology and longer-utilizing luminary ____

____ diodes

____ differences in the lifespans of standard ____ bulbs ____ lasting LEDs?

The ____ the ____ as exterior lights is ____ from the ____ ones.

Is there _____ in _____ the outdoor use _____ standard _____ sturdy _____?

Can you _____ an _____ of how _____ regular _____ lights _____ compared _____ LEDs _____?

Can _____ me the _____ difference _____ incandescent lights and durable _____?

_____ give us the average lifespan _____ regular _____ LEDs for _____ exterior?

_____ the lifetime _____ of _____ outdoor incandescent bulbs compare _____ of longer- _____?

What is _____ difference _____ incandescent _____ and long-awaited _____ options _____ outside?

_____ regular incandescent _____ compare to _____ for use _____?

_____ does the _____ traditional _____ incandescent bulbs compare to that _____?

_____ is the _____ difference _____ regular _____ light bulbs _____ lasting _____ led _____?

Is _____ to _____ us the _____ of _____ incandescent lights over time _____ to _____?

I _____ if there is _____ in _____ between outdoor _____ and _____.

_____ it different _____ incandescent and an _____ LEDs?

_____ long-life _____ the _____ that _____ used _____ exterior lights _____ to _____ ones.

_____ you give _____ on _____ between regular incandescent lights _____ LEDs outside?

Is _____ difference _____ lifespans of _____ outdoor incandescent _____ lasting LEDs?

What _____ lifespan gap between _____ LED _____ standard _____ bulbs?

Does the _____ life expectancy _____ ordinary _____ bulbs and _____?

_____ give _____ some _____ about the average lifespan _____ versus durable LEDs?

How does the _____ contrast of _____ bulbs _____ to _____ longer- _____ alternatives?

_____ the average longevity _____ of _____ incandescent lights to durable _____.

_____ an _____ long regular incandescent lights _____ compared _____ on the exterior?

_____ give _____ some _____ on the lifespan difference _____ regular incandescent _____ LEDs?

_____ long _____ last compared to _____ regular one?

Can _____ us some information about _____ of _____ lights and _____ to the _____?

_____ us _____ difference of regular incandescent and durable _____?

There are _____ between _____ standard _____ long- lasting LEDs.

I _____ like to know _____ average lifespan _____ regular _____ LEDs.

_____ there an _____ lifespan _____ or long-lasting LEDs _____?

What is the average lifespan _____ incandescent _____ lasting LEDs?

_____ you _____ us any _____ the lifespan _____ incandescent lights _____ to _____ durable _____?

Can _____ give us some _____ regular _____ bulbs compared _____ the durable LEDs?

The _____ used as _____ lights is _____ from traditional _____.

_____ lifespans _____ standard outdoor incandescent bulbs and long- _____ long-life _____.

_____ a difference of how _____ incandescent _____ outdoor _____ last?

_____ big _____ in longevity between using _____ and _____ LEDs outside?

Average life expectancy _____ outdoor _____ light bulbs.

The _____ time _____ between _____ outdoor _____ needs to be _____ out.

Can _____ us some information about _____ of regular _____ lights over _____ compared _____?

Is _____ the length _____ regular incandescent versus efficient _____?

_____ the average _____ outdoor light bulbs _____ durable LED alternatives?

_____ is _____ average _____ difference _____ regular _____ and _____ LED options outdoors.

_____ there _____ big difference _____ how _____ incandescent _____ efficient _____ lighting last?

_____ you tell _____ how _____ last compared _____ durable LEDs?

_____ you give _____ information _____ the _____ of regular _____ lights compared _____ LEDs?

I _____ to know _____ regular incandescent _____ compared to _____ LEDs _____.

_____ can _____ outdoor LED lightbulb _____ compared to _____ traditional _____?

_____ us information on _____ lifespan of regular incandescent _____ the lifespan _____?

Can you _____ average longevity _____ between _____ incandescent _____ durable _____?

Can _____ tell me about the _____ longevity _____ regular incandescent _____?

_____ there _____ noticeable _____ in _____ regular _____ and _____ outdoor LEDs last?

Can you _____ us information _____ the average _____ of regular _____ lights _____ ?
 _____ many more years _____ you _____ an _____ will _____ compared _____ regular outdoor _____ ?
 _____ significant difference in _____ and their lasting counterparts like LED technology?

Can you give _____ the _____ regular _____ lights versus _____ for the _____ ?
 _____ life _____ difference between ordinary _____ bulbs _____ outdoor _____ ?
 _____ there any _____ using _____ lightbulbs versus _____ LEDs outdoors?
 _____ lighting _____ lifespan _____ in exterior lighting, compared _____ types of lighting?

I _____ like to know _____ of _____ lights _____ durable _____ for _____ exterior.
 _____ the _____ between regular _____ and _____ lasting LEDs for outdoor _____ ?
 _____ does it _____ outdoor LEDs _____ need _____ to old-style bulbs?

Do _____ know _____ the average _____ lights _____ compared to _____ LEDs?

Can you _____ us some _____ the _____ difference between regular _____ durable _____ ?

Is _____ difference in _____ outdoor _____ last _____ incandescent ones?
 _____ applications, what _____ the average _____ conventional _____ lifespan _____ durable LEDs?

How _____ the lifespans _____ regular bulbs _____ long- lasting _____ used _____ ?
 _____ there _____ average longevity difference _____ incandescent lights and _____ LEDs _____ external _____ ?
 _____ much longer do _____ than _____ bulbs?
 _____ tell me _____ longevity gap _____ regular incandescent _____ durable LEDs?

Can you show us the average _____ of _____ lights _____ time _____ ?
 _____ you _____ some information about the lifespan _____ regular incandescent _____ compared _____ ?

What does _____ lifespan _____ a _____ edison _____ compared to _____ LEDs?
 _____ is the _____ gap between regular outdoor _____ and _____ LEDs?
 _____ are the LEDs used _____ to traditional _____ ?
 _____ you give _____ insight _____ the lifespan of _____ lights _____ durable _____ ?
 _____ more years can _____ as compared to a _____ outdoor _____ ?
 _____ significant is the _____ durability _____ between ordinary _____ lighting composed _____ luminary?

We need _____ know _____ lifespan of regular _____ to _____ LEDs.
 _____ is a _____ gap _____ regular _____ incandescent bulbs and _____ lasting _____ .

Can you give us the average lifespan _____ the _____ LEDs?

How _____ do those outdoor _____ compared to the _____ ?
 _____ as exterior _____ have a _____ than traditional options?

_____ you tell _____ long _____ will _____ compared to _____ durable LEDs used?

Is _____ significant difference in _____ between _____ outdoor _____ long-lasting _____ alternatives?

Can you _____ information _____ the _____ regular _____ compared to the durable _____ ?

How _____ do _____ last outdoors compared _____ bulbs?
 _____ the difference in _____ between _____ lightbulbs and _____ LEDs.
 _____ is the average durability _____ ordinary _____ with _____ and longer-used luminary?

I _____ like _____ know the average longevity _____ of _____ incandescent _____ .
 _____ tell us _____ of regular _____ lights compared _____ LEDs?
 _____ is a difference _____ lifespan _____ bulbs _____ outdoor led _____ .
 _____ the _____ lifespan gap between _____ lights and durable LEDs?
 _____ long-life _____ LEDs _____ are used _____ exterior _____ different to the _____ .

What can _____ tell _____ about _____ regular incandescent lights and _____ LEDs?

_____ you give _____ an idea of the longevity _____ durable LEDs _____ ?
 _____ us _____ lifespan of _____ lights and _____ compared to _____ ones outside?
 _____ you tell _____ lifespan difference _____ regular bulbs _____ durable _____ ?

Can _____ on the average longevity _____ between regular _____ lights _____ LEDs?

When _____ long- _____ LED _____ difference lie in _____ of _____ incandescent bulbs typically made to _____ outdoors?

_____ average life expectancy _____ between outdoor LEDs _____ ?

What _____ the life span _____ a standard _____ edison _____ compared _____ LED _____ ?

____ does ____ bulbs compare to long-lasting ____ use?
 ____ average life expectancy different Between ____ LEDs ____ ?
 Does average ____ differ ____ light bulbs ____ ?
 ____ information on the ____ of regular incandescent ____ versus ____ LEDs?
 ____ is the ____ variation in lifespan ____ lightbulbs and ____ ?
 Is ____ discrepancy ____ longevity of regular ____ and long- ____ LEDs?
 How much longer ____ than ____ ones?
 I ____ to ____ the ____ of ____ incandescent lights to durable ____ .
 ____ you tell us ____ incandescent lights compared to durable LEDs ____ ?
 Is there ____ difference ____ how long ____ efficient outdoor ____ ?
 ____ it ____ us ____ about the lifespan ____ incandescent lights and LEDs compared ____ the ____ ?
 ____ is ____ lifespan difference between regular ____ bulbs ____ used outdoors?
 ____ any information ____ longevity difference ____ regular incandescent ____ and durable LEDs?
 How ____ when ____ outdoors compared to traditional ____ ?
 If LEDs ____ used ____ exterior ____ longer lifespan than traditional ____ ?
 ____ differences in the ____ standard ____ incandescent bulbs and ____ .
 What ____ average ____ between ____ outside-used ____ and a long-life ____ ?
 Can you ____ me how long ____ incandescent lights ____ compared ____ LEDs ____ ?
 Can you give ____ any ____ lifespan of ____ compared ____ the ____ LEDs?
 Can ____ us about ____ lifespan ____ regular incandescent lights and ____ LEDs ____ external ____ ?
 Can you ____ some ____ regarding the lifespan ____ incandescent lights ____ to ____ ?
 ____ tell ____ the ____ regular incandescent lights over ____ compared to ____ ?
 Is there ____ regular ____ and ____ LEDs ____ outdoor lighting?
 Do ____ have ____ longer lifespan than ____ incandescent options ____ used ____ ?
 ____ there ____ average ____ difference ____ incandescent lights ____ durable LEDs?
 ____ you give us ____ information ____ the ____ regular ____ lights ____ comparison ____ durable ____ ?
 ____ the ____ outside lighting composed with incandescent technology and longer- used ____ ?
 ____ you tell us about ____ incandescent ____ versus ____ LEDs on the ____ ?
 ____ lifespan of ____ or long-lived LEDs ____ ?
 ____ a ____ between ____ incandescent ____ longer- lasting LED lights.
 Can ____ know the ____ lifespan ____ incandescent lights ____ to durable ____ ?
 Can ____ provide ____ some information about ____ lifespan ____ lights compared to ____ ?
 Can ____ tell ____ the average ____ regular incandescent lights ____ time, ____ durable ____ ?
 Can ____ us information ____ the longevity ____ of ____ to durable ____ ?
 ____ you ____ me ____ between ____ lightbulbs ____ long-lasting outdoor LEDs?
 ____ you give us ____ information on ____ of ____ incandescent ____ to ____ LEDs ____ ?
 I ____ know the ____ ordinary lightbulbs and outdoor ____ .
 When ____ lighting ____ the lights ____ a longer ____ than ____ incandescent options?
 How ____ the average ____ gap ____ outside lighting composed with incandescent ____ luminary?
 When ____ to long- ____ variations, where ____ difference ____ terms ____ lifespan for incandescent bulbs typically ____ outdoor ____ ?
 What is ____ time ____ between old-style ____ and ____ ?
 Is average ____ LEDs and ____ light bulbs?
 Can ____ insight into ____ average ____ incandescent lights ____ durable LEDs?
 Is ____ between ____ outside ____ and enduring LEDs?
 ____ large ____ the average durability gap between ____ with incandescent ____ longer-utilizing ____ ?
 How ____ do ____ led ____ to the regular ones?
 Can ____ give ____ an ____ lifespan of regular ____ compared ____ durable LEDs?
 ____ you give ____ information about the longevity ____ of regular ____ external use?
 When ____ with long- lastingLED ____ where ____ lie ____ terms of ____ for incandescent bulbs ____ to handle ____ ?

_____ outdoor LED _____ than _____ bulbs?

Does _____ life expectancy _____ outdoor _____ and ordinary _____ bulbs?

_____ does _____ lifetime _____ of traditional _____ incandescent _____ to that of _____ alternatives?

_____ there any differences in lifetime between _____?

_____ the average _____ of _____ incandescent lights to _____ LEDs?

We _____ the average lifespan _____ regular _____ lights over _____ compared _____ the _____.

When _____ outdoor use of _____ versus _____ LEDs, are _____ differences _____?

Can you _____ us _____ information about _____ lifespan _____ regular _____ lights _____ with _____?

_____ lighting outside, _____ the lights have _____ old-fashioned incandescent _____?

_____ give _____ average lifespan _____ incandescent lights compared _____ LEDs?

_____ you _____ any information _____ lifespan _____ incandescent lights and LEDs _____ outside?

Can _____ us _____ information on _____ long regular incandescent _____ compared _____ durable _____?

_____ are regular _____ bulbs _____ long- _____ LEDs for _____ use?

_____ tell _____ the difference between regular lightbulbs _____ lasting _____?

_____ long _____ outdoor LEDs _____ vs. _____?

_____ as _____ do _____ have an extended _____ compared to _____ bulbs?

Is _____ life expectancy _____ and ordinary light _____?

Can you _____ the average _____ of regular incandescent lights compared _____ used?

_____ average life _____ different between _____ bulbs _____ LEDs?

What is _____ difference _____ average duration _____ robust LEDs _____ lights?

_____ tell _____ lifespan of regular incandescent _____ over _____ LEDs _____ the exterior?

_____ outdoors, the lifespans _____ incandescent _____ lasting LEDs differ.

Is _____ difference between _____ regular incandescent _____ LEDs will last?

_____ you give us _____ the longevity _____ between regular _____ and _____?

_____ does regular _____ to _____ lasting _____ for outdoor _____?

_____ you _____ some _____ long _____ incandescent _____ last compared to _____ LEDs?

_____ you tell _____ the average _____ of _____ lights _____ durable _____ the exterior?

How _____ of _____ outdoor incandescent _____ compare to long- _____ LEDs?

_____ the average life _____ of _____ LEDs _____ from _____ bulbs?

Is there a _____ lifespans of regular _____ and long- _____?

_____ is the _____ light _____ lifespan and durable LEDs for _____?

Can you _____ the average _____ of regular incandescent _____ compared _____ LEDs?

_____ is the average durability gap _____ ordinary _____ incandescent technology _____ use luminary?

What _____ average _____ between conventional light _____ LEDs in outdoor _____?

_____ that _____ life expectancy is different _____ ordinary light bulbs?

_____ like _____ know _____ average longevity difference between regular incandescent _____.

How long do the _____ to _____ ones?

Does _____ expectancy _____ depending _____ what _____ is _____ used and _____ that is outdoor LEDs _____ ordinary _____

_____ long do outdoor _____ compared to _____ ones?

_____ do _____ of standard outdoor edison _____ look _____ compared _____ long-reliable _____?

How _____ do _____ outdoorLED bulbs last compared _____ incandescent _____?

_____ comes _____ lighting _____ do _____ a longer lifespan than traditional _____?

When _____ as exterior _____ they have a _____ to traditional _____?

_____ big _____ in longevity between the _____ standard lightbulbs and _____ LEDs?

_____ do the _____ last compared to the _____?

There is a difference _____ outdoor _____ and _____.

Can you give us _____ of _____ incandescent _____ to the durable LEDs _____?

Can _____ tell me the difference _____ lifetime between _____ long- _____ outdoor _____?

Is there an average _____ between _____ lights anddurable _____ outside _____?

_____ outside, do the lights _____ longer _____ than the _____ incandescent _____?

When using LEDs _____ exterior _____ they _____ a longer _____ bulbs?

Can you give _____ about _____ longevity difference _____ incandescent _____ LEDs?

_____ average longevity _____ between the _____ lights _____ durable LEDs?

_____ us _____ the average lifespan gap of regular _____ versus _____?

_____ you tell _____ average longevity _____ between _____ incandescent lights _____ LEDs _____ use?

How does the lifetime contrast _____ outdoor _____ that _____ lasting LEDs?

What is _____ difference between _____ sources _____ LEDs for _____?

_____ there a difference _____ the _____ external _____ and long lasting _____?

_____ give an _____ of _____ long regular incandescent lights last _____ outside?

_____ to know the average _____ regular _____ lights over _____ compared _____ the _____ LEDs.

How _____ the _____ bulbs _____ compared to _____ regular bulbs?

_____ information about _____ regular incandescent lights and LEDs compared _____ those _____ outside?

_____ want _____ know if _____ can tell me _____ regular _____ last _____ to durable _____.

How large _____ the average _____ between _____ outside _____ composed _____ incandescent technology _____ longer _____ offering _____ diodes?

How long does _____ outdoor _____ regular bulbs?

What _____ the _____ durability _____ between _____ composed _____ incandescent technology and _____ luminary _____?

The _____ the LEDs _____ used as _____ lights are _____ from _____.

Where _____ in the _____ of standard outdoor _____ bulbs and _____ LEDs.

The long-life of _____ that are _____ exterior _____ is _____ the _____ ones.

When it comes to _____ lighting, _____ LEDs have _____ bulbs?

Can you _____ of regular incandescent _____ bulbs versus durable _____?

_____ give _____ on the _____ lifespan of _____ lights compared _____ LEDs?

Do _____ know the _____ difference of _____ incandescent _____ LEDs for outside _____?

_____ you _____ information on _____ regular incandescent and durable LEDs?

How _____ outdoor _____ compared to regular _____?

_____ is _____ average lifespan _____ incandescent _____ and long- _____ LEDs outside?

_____ there _____ average longevity _____ of regular incandescent _____ to _____?

How does the life _____ standard _____ incandescent _____ a _____ lasting LEDs?

_____ you tell _____ regular incandescent lights _____ to the durable _____?

_____ like to know how long _____ incandescent lights _____ to _____ exterior.

_____ tell me _____ lifespan _____ between _____ incandescent lights and durable _____ for _____?

When _____ in _____ lighting, _____ have _____ lifespan compared _____ other types of _____?

What _____ the differences _____ options _____ long-durable LEDs?

Do _____ last as long compared _____ equivalents?

Can you _____ us the lifespan _____ incandescent _____ and _____ ones outside?

Does average life _____ vary _____ what _____ of _____ is used and _____ that _____ or _____ incandescent?

Can you _____ us some _____ on _____ lights will last _____ to _____?

Is _____ an average _____ regular incandescent _____ LEDs?

Is there any _____ lifespan of _____ incandescent _____ LEDs _____ to those _____?

Can _____ about how long _____ incandescent _____ compared to durable LEDs?

I _____ a significant difference _____ how _____ regular incandescent and _____ LEDs _____.

_____ average _____ expectancy vary _____ on what kind of _____ if _____ incandescent or outdoor LEDs

How does _____ contrast of traditional _____ incandescent bulbs _____ lasting LEDs?

_____ an extended lifespan when _____ exterior lighting compared _____ lighting?

What _____ the _____ span of standard _____ edison bulbs _____ compared _____ reliable _____?

_____ average _____ regular incandescent lights compared to _____ LEDs used?

_____ different among _____ and ordinary light bulbs?

When _____ exterior lighting, does LEDs _____ a _____ than traditional _____?

Can _____ give us _____ information on the _____ lifespan difference _____ incandescent _____ durable _____ use?

_____ does _____ span _____ standard _____ bulbs _____ to the _____ of long- lasting _____?

Can _____ the _____ longevity gap _____ incandescent light _____ durable LEDs?
 _____ to know how _____ incandescent lights last compared _____ outside.

What _____ the _____ between the _____ contrast of _____ outdoor incandescent bulbs _____ ?

What is the _____ lasting, _____ led _____ and regular incandescent _____ ?
 _____ long do LEDs _____ outdoors _____ traditional _____ ?

Can you _____ on the _____ difference between _____ incandescent _____ LEDs?
 Do the lights _____ than _____ incandescent options when _____ lighting _____ ?
 _____ is _____ difference in how long _____ efficient outdoor _____ ?
 _____ the lifetime _____ traditional outdoor _____ different _____ that _____ lasting LED alternatives?
 _____ tell us the _____ longevity _____ of regular _____ lights _____ durable _____ ?

Can you provide us _____ the lifespan of _____ incandescent _____ to _____ ?
 I wonder _____ there is _____ gap _____ lightings _____ durable LEDs.

Can _____ us _____ incandescent lights compared to the _____ LEDs?
 _____ a difference _____ using standard lightbulbs versus _____ outside?

What is _____ typical _____ between _____ outdoor incandescent _____ and long- _____ LEDs?
 Is _____ any _____ long the LEDs last _____ to _____ bulbs?

There are differences in _____ between _____ outdoor _____ long- _____ .
 _____ you _____ on _____ lifespan of regular _____ lights _____ the durable LEDs?
 _____ you give _____ an _____ of _____ lifespan of _____ lights compared _____ durable _____ ?
 _____ can _____ outdoorLED _____ last compared _____ a traditional incandescent _____ ?
 _____ there _____ difference between the average _____ of _____ incandescent _____ and _____ alternatives?
 _____ longer do outdoor _____ bulbs last _____ ones?

Is _____ discrepancy between the average _____ of _____ and long- _____ LEDs?
 _____ is the _____ lifespan between _____ outdoor _____ and long- lasting _____ ?
 _____ is _____ average _____ lights compared to durable, LEDs?
 _____ tell me how long _____ incandescent lights _____ compared _____ LEDs for _____ ?
 _____ using _____ lighting, do _____ longer _____ than traditional options?

Can _____ tell me about _____ average _____ regular _____ durable LEDs?
 How long do _____ last _____ durable LEDs?
 _____ approximated _____ difference between outdoor LEDs _____ old-style _____ ?

What's the _____ between _____ and outdoor LEDs?
 How long _____ led bulbs last compared _____ regular _____ ?
 Is there _____ average _____ or _____ lasting _____ outdoors?

_____ do regular _____ to _____ LEDs _____ use outdoors?

When used _____ do _____ a longer lifespan _____ traditional counterparts?
 _____ comparing outdoor _____ lightbulbs versus sturdy LEDs, _____ differences in _____ ?

Can you tell _____ the _____ regular incandescent _____ compared _____ the _____ ones?
 _____ us _____ average longevity difference _____ incandescent and durable _____ for _____ use?
 _____ as outside lighting, _____ LEDs _____ longer lifespan _____ traditional _____ ?

Do the _____ have longer lifespans than _____ fashioned incandescent _____ ?
 _____ differences in lifespans _____ standard outdoor _____ bulbs _____ long lasting _____ ?

Can _____ give _____ some information on _____ average lifespan _____ to _____ LEDs?
 What is _____ lifespan difference _____ standard _____ incandescent _____ long- lasting _____ ?
 I want to _____ the lifespan _____ lights and _____ to _____ outside _____ .

Is _____ possible _____ expectancy _____ between outdoor LEDs and _____ light _____ ?
 _____ average lifetime difference between _____ outdoor _____ and durable _____ ?
 _____ in longevity between outdoor use _____ standard _____ sturdy _____ ?
 _____ tell us the average _____ incandescent and _____ LEDs for outside _____ ?

When using _____ exterior lighting, does it _____ a _____ than _____ ?
 When it _____ exterior _____ LEDs have _____ longer _____ than _____ options?

Can _____ insight into the _____ between _____ and durable LEDs?
_____ you _____ long regular _____ last compared _____ durable LEDs on _____?
_____ do we _____ of _____ outdoor _____ bulbs _____ long- lasting LEDs?
_____ is a _____ lifespan of outdoor led _____ light _____.
How long do the _____ bulbs _____ compared _____ regular _____?
_____ outdoor LED lights _____ standard incandescent bulbs?
The _____ the LEDs _____ as exterior _____ different from _____.
Are _____ to _____ us the _____ lifespan _____ regular _____ lights compared to _____?
_____ lifespan of enduring _____ from typical _____ incandescents?
How _____ outdoor _____ against regular _____ ones?
Do _____ have any _____ on _____ average _____ difference _____ regular _____ lights and _____?
Do _____ average lifespan _____ incandescent lights compared to durable LEDs?
_____ like _____ know _____ average _____ regular _____ lights _____ time compared _____ durable, LEDs.
_____ the differences _____ long- lasting LEDs for use _____?
_____ the _____ expectancy _____ outdoor LEDs and _____ bulbs differ?
Can you _____ us _____ lifespan _____ of regular _____ to _____ LEDs outside?
_____ there an average lifespan _____ long-lasting _____ outdoors?
_____ is _____ average durability _____ between ordinary _____ lighting composed with incandescent _____ longer _____?
There _____ lifespan difference _____ bulbs and durable LED alternatives.
Is _____ a lot _____ difference in _____ regular _____ and _____ LEDs _____?
Do _____ know the average _____ lights over _____ compared to _____?
Can _____ give an insight _____ incandescent lights last _____ the durable LEDs _____ outside?
Where does the difference lie _____ terms _____ incandescent bulbs, which _____ made _____ outdoor _____ when _____
with _____ LED
_____ in how _____ regular incandescent _____ outdoor _____ last different?
_____ ordinary _____ and outdoor LEDs is different.
Where do _____ standard _____ incandescent bulbs and long- lasting LEDs.
I would like _____ the _____ difference _____ incandescent _____ todurable LEDs.
_____ you _____ me how long the average _____ between regular _____ LEDs?
