

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Reporting illegal connections and discharges
Inquiry Sub-Category	Industrial Waste Reporting
Description	Customers inquire about the proper procedures for reporting and monitoring the discharge of industrial waste into the water or sewer systems, ensuring compliance with regulations.
Data Size	5,141 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

What are _____ for _____ and monitoring _____ industrial waste discharges _____?

_____ report illegal _____ into the water?

What can we _____ prevent illegal _____ waste _____ entering _____?

_____ we _____ and _____ illegal industrial waste _____?

How _____ illegal discharges from _____ wastewater _____?

Know _____ sewer _____ incidents?

_____ to report illegal _____ water/sewers?

_____ me what to do _____ find _____ garbage in _____ supply?

How _____ check for illegal discharges of _____ waste _____?

What can we do _____ keep watch _____ waste?

_____ is _____ process _____ the _____ of illegal _____ waste _____ the _____ sewer systems?

Any _____ Industrial _____ emissions?

How _____ I _____ report instances _____ waste discharges?

Illegal _____ waste discharges _____ need _____ be _____ watch over.

How can _____ industrial effluents' release into _____?

_____ do _____ have to do _____ keep an _____ waste discharging in _____?

_____ I _____ instances of illegal industrial _____ water system?

_____ report _____ discharges of industrial waste _____ water system?

How _____ the release of pollutants into _____?

What _____ we _____ to _____ to protect _____ illegal industrial waste?

How can _____ illegal discharges of _____ waste to the _____

We _____ watch _____ illegal industrial waste _____ in _____.

We have _____ watch _____ for illegal industrial _____ discharges _____ water/sewer.

How _____ I report _____ industrial _____ discharges in _____?

What _____ I _____ to report the _____ industrial waste _____ the _____?

_____ the _____ ways _____ detect _____ waste _____ in water systems?

_____ can _____ report _____ into the sewer system?

How _____ we report _____ industrial _____ discharges in _____?

Are _____ procedures _____ report illegal _____?

How can _____ and _____ illegal industrial discharges to _____?

What _____ think _____ be done _____ reporting _____ industrial garbage in _____?

_____ reporting harmful _____ garbage _____ what steps _____ I take?

Is _____ possible to detect unauthorized industrial _____ water _____?

_____ we _____ about illegal industrial waste discharges _____ and _____?

What can _____ do _____ detect _____ illegal discharges _____ industrial _____ the _____ systems?

We need to _____ industrial _____ discharges _____ the _____ and sewage _____.

Is _____ a _____ report illegal _____?

What do you _____ to _____?

Is _____ possible _____ detect unauthorized _____ waste _____ the water _____?

_____ can we _____ illegal _____ of _____ waste _____ the water or _____ systems?

Illegal discharges of _____ waste to _____ system need _____.

_____ is the process _____ on those that are _____ stuff _____?

_____ can we _____ illegal _____ discharges in the _____ system?

How _____ I report _____ dumping of _____ in _____ water _____?

_____ can we detect _____ of _____ waste in _____?

_____ I _____ of _____ waste _____ water and sewer systems?

What are _____ to _____ illegal industrial waste _____ are _____ or sewer systems?

_____ to do to keep watch on illegal _____ discharges from water _____?

What _____ be done to _____ disposal _____?

There are _____ waste _____ dumped _____ sewage systems.

_____ steps _____ when reporting _____ in our water supply?

_____ should _____ report _____ discharge _____ industrial waste into the _____ systems?

_____ should _____ report discharges _____ into _____ water systems?

_____ should I report _____ monitor the _____ of _____ the water _____?

How can _____ detect _____ report _____ discharges in _____?

What _____ to do _____ industrial _____ discharges _____ water/sewer systems?

_____ we detect unauthorized industrial waste _____ the _____?

How do _____ issues _____ going into the sewer?

_____ is the best _____ report the _____ of _____ industrial _____ water _____?

_____ can we spot and _____ to the _____ or sewer systems?

How _____ wastewater discharges in water systems?

How to track _____ report _____ the _____?

_____ to monitor forbidden discharge of _____ sewage _____?

_____ are the _____ unlicensed disposal _____ water/sewage?

What should we do _____ keep _____ eye _____ illegal _____ the water or _____?

_____ report illegal discharges _____ industrial waste _____ water systems?

What _____ we _____ illegal industrial _____ discharges from _____ the water _____ sewer _____?

_____ can we _____ keep watch on illegal _____ that _____ coming _____ water?

The _____ our water supply _____ be _____.

_____ to keep an eye _____ illegal _____ in the water?

_____ can _____ do _____ stop illegal industrial _____ the _____ sewage systems?

_____ do we _____ to _____ illegal _____ waste _____ from entering water/sewer _____?

_____ are _____ measures _____ deal with _____ water/sewage facilities?

How can we _____ industrial waste _____ water/sewer _____?

What _____ done _____ report illegitimate _____ disposal in _____?

Illegal Industrial _____ systems _____ to be monitored.

How to _____ pollutant _____ that end _____ the _____?

_____ the _____ used _____ monitor forbidden discharge of _____?

How can _____ discharges from the industrial _____?

_____ can we detect _____ illegal discharges _____ Wastewater _____?

_____ do to _____ harmful _____ garbage _____ the water supply?

Instructions _____ industrial wastewater _____?

What _____ we _____ illegal _____ waste discharges in _____ systems?

Instructions _____ Wastewater emissions?

How do I monitor _____ waste _____ in _____?

What _____ the process for reporting the _____ of _____ waste _____?

What _____ do to _____ and _____ discharges of industrial waste _____ the _____ or _____?

_____ through detecting and alerting _____ disposal _____ effluents

_____ of illegal _____ waste discharges in _____ water?

_____ we _____ illegal discharges of _____ waste to _____?

How _____ we detect _____ illegal discharge of waste _____?

_____ should _____ monitor discharges of _____ into water/sewer systems?

How _____ report _____ supervise the _____ of _____ waste _____ water system?

_____ to _____ dumped _____ sewage systems...

_____ we detect and _____ discharges of industrial _____ to the _____?

_____ should we _____ watch _____ for _____ waste discharging _____ the _____ systems?

_____ be _____ to tackle unlicensed _____ in water/sewage _____.

_____ can _____ do to _____ watch on _____ industrial _____ discharges _____ the _____?

_____ can _____ illegal _____ waste discharges _____ the _____ sewer systems?

How _____ report illegal industrial _____ discharges _____ systems?

What _____ to do to detect _____ discharges in the _____ and _____?

_____ need to _____ on _____ waste discharges that _____ from _____.

Know _____ the _____ of industrial _____?

_____ is the procedure for reporting illegal _____ of _____ the _____?

_____ we detect _____ waste discharges in _____ water and _____ system?

What _____ we _____ protect _____ water _____ sewer _____ from illegal industrial _____?

Are there _____ for _____ illegal _____ the water/sewer _____?

_____ do we _____ to _____ the _____ of illegal industrial _____?

_____ keep track of _____ industrial waste _____ the _____?

_____ to _____ steps for reporting _____ pollution _____?

_____ on detecting _____ waste _____ dumped _____ sewer systems.

_____ I report _____ track _____ discharges of _____ waste?

What _____ we _____ detect _____ discharges _____ in the _____ systems?

Illegal industrial _____ discharges _____ coming _____ be monitored.

_____ I _____ discharges _____ are illegal?

How can illegal _____ of _____ waste _____ detected _____?

_____ can we see if there _____ of _____ to _____ water _____?

What _____ have _____ to prevent illegal _____ waste _____ into water _____?

What is _____ best way to report and _____ systems?

_____ to keep watch _____ illegal industrial waste _____ are _____ or sewer systems.

What _____ we _____ illegal discharges from _____ wastewater _____?

_____ measures can _____ to tackle unlicensed _____ water/sewage _____?

Are _____ to take when _____ harmful industrial _____ in _____ water _____?

How can we _____ waste _____ the _____ system?

Can _____ describe the _____ sewage dumping?

_____ have _____ to report _____ sewage dumping?

How do _____ related to _____ going into _____ sewer?

_____ I _____ and _____ the _____ industrial waste into _____ water system?

How should we _____ the water/sewer networks?

_____ have _____ advice on how to report harmful _____ garbage _____?

_____ industrial _____ in _____ systems _____ be monitored.

There _____ illegal industrial _____ discharges coming _____ water or _____ to _____ monitored.

Approaches _____ to _____ discharge _____ polluted _____ sewage channels?

We have to _____ on illegal _____ and _____ systems.

Guidance _____ spotting _____ monitoring _____ of _____ effluents into the _____.

_____ should we _____ to _____ out for illegal _____ waste _____ in _____?

_____ report _____ discharges in the water?

_____ we _____ discharges of _____ waste to the water or _____?

_____ we detect and report _____ of _____ to the water _____?

I _____ like _____ to report _____ industrial garbage _____ the water _____.

_____ need to _____ to _____ on _____ waste discharging in water/sewer systems?

_____ process _____ and _____ illegal industrial waste _____

What _____ for reporting _____ of illegal _____ water or sewer _____?

What _____ taken _____ tackle unlicensed _____ water/sewage facilities?

_____ do to _____ illegal industrial waste discharges _____ from water or _____?

_____ the _____ reporting illegal _____ waste _____ the water or sewer _____?

_____ reporting Industrial Wastewater _____?

There are _____ spotting and _____ effluents into the _____ system.

How can we _____ and report _____ to _____ water _____?

_____ I _____ crimes _____ to industrial waste _____ into _____ system?

_____ can we _____ to keep _____ eye _____ illegal industrial _____ water/sewer _____?

When reporting harmful industrial garbage _____ supply, what _____?

What do we _____ to keep an eye _____ discharging in _____ system?

We have _____ on the _____ waste discharges _____ the _____ and _____ systems.

What is the _____ way _____ report the release of _____ system?

What is the _____ reporting the release _____ industrial _____ system?

What _____ we _____ prevent _____ waste from discharging _____ the water/sewer _____?

What do _____ to keep an eye on industrial waste _____?

_____ we do _____ keep an eye _____ industrial _____ discharges in _____?

_____ can _____ do to report illegal _____ wastewater _____?

_____ I report and _____ illegal industrial _____ in water _____ sewer _____?

Can _____ tell _____ when _____ industrial garbage in the _____ supply?

_____ can _____ report instances _____ waste discharges in the _____?

We _____ keep _____ illegal industrial waste discharges in _____ sewage _____.

Seeking _____ process _____ and overseeing illegal _____ waste _____?

_____ should _____ when reporting industrial _____ that are _____?

What can be _____ tackle unlicensed _____ sewage _____?

What _____ we _____ watch _____ illegal Industrial waste _____?

What should we _____ keep an _____ waste discharges in _____ sewer _____?

_____ through the _____ detecting _____ alerting about forbidden _____ of _____ effluents

What _____ do _____ on the illegal discharge _____ industrial waste _____ the _____?

How to spot _____ monitor the release _____ sewer/ _____?

_____ do _____ report _____ dumping?

What _____ the _____ those who _____ toxic _____ into our _____?

_____ you report _____ release of _____ water or sewer systems?

There are _____ detecting and alerting _____ factory effluents.

Do you know _____ industrial _____ dumping?

_____ is _____ process for snitching _____ toxic _____ the pipes?

____ have ____ watch ____ illegal ____ into the water/sewer system.
 ____ are we supposed ____ industrial ____ that ____ coming from water?
 ____ can we ____ to ____ out for ____ industrial waste ____ in ____?
 How do I report ____ dumped ____?
 How can I ____ discharges that ____?
 How ____ the ____ releases of pollutants into ____?
 ____ illegal releases of pollutants ____ water?
 ____ do ____ illegal waste dumping ____ the ____?
 ____ should ____ do ____ keep watch ____ waste ____ the water/sewer systems?
 ____ we ____ on ____ industrial waste discharges that are ____ from ____?
 How should ____ and ____ industrial waste into ____ systems?
 ____ we detect illegal discharges ____ waste ____ the ____ system?
 What is ____ to ____ illegal ____ waste into the water ____?
 ____ discharges can ____ water or sewer.
 ____ can ____ report discharges of ____ the water ____?
 ____ you ____ us ____ the process ____ sewage dumping?
 ____ do I keep ____ illegal ____ in ____ water system?
 What ____ should be ____ to ____ unlicensed disposal ____?
 We ____ for illegal industrial waste ____ from ____ sewer ____.
 ____ waste ____ into ____ systems need ____ be ____ over.
 What ____ I ____ about ____ industrial waste ____ water?
 I ____ the release of industrial effluents into ____.
 ____ identify illegal waste in ____?
 How can ____ deal ____ unlicensed ____ water/sewage ____?
 What ____ deal with unlicensed ____ water/sewage facilities?
 ____ can we ____ illegal discharges ____ sewage ____?
 ____ industrial ____ in the water system?
 How ____ I track illegal industrial ____ in ____?
 How ____ we find ____ about ____ industrial wastewater ____?
 How ____ we detect and report ____ discharges of ____ systems?
 ____ to ____ the illegal discharges of ____?
 ____ report the dumping ____ industrial ____?
 ____ can ____ the ____ industrial waste discharges ____ the ____?
 ____ should ____ instances ____ illegal industrial waste ____ in ____ water?
 ____ are the measures ____ should ____ taken to ____ banned ____?
 What ____ we ____ to ____ to ____ on industrial waste discharges ____ water?
 Keeping ____ on ____ water ____ systems is something ____ have to do.
 How ____ I ____ any illegal industrial ____ in ____ water ____?
 What ____ I ____ report industrial garbage in ____ supply?
 Is the process ____ report ____?
 ____ can we do ____ waste ____ are ____ from ____ or sewer systems?
 How ____ report industrial waste ____ into ____ sewer ____?
 What do ____ do to ____ an ____ for illegal ____ waste ____ water/sewer ____?
 What ____ we do ____ watch ____ for ____ water and sewer system?
 ____ is ____ proper ____ report ____ of ____ industrial ____ into water or ____ systems?
 ____ can ____ the ____ discharges ____ wastewater systems?
 We ____ keep an eye on ____ waste discharges ____ water ____.
 How ____ we report ____ from ____ wastewater ____?
 ____ to keep an ____ on industrial ____ discharging into ____ system?
 Can ____ tell ____ to ____ harmful industrial ____ water supply?

How _____ deal _____ disposal in _____ facilities?

Illegal _____ of _____ waste _____ the _____ sewer _____ may _____ detected.

_____ there _____ spotting and monitoring the release _____ effluents?

How _____ illegal waste dumping _____ the _____ system?

_____ it possible _____ report illegal _____ from industrial _____ systems?

Any instructions _____ wastewater?

_____ can _____ to keep an _____ the discharge _____ industrial _____ in water _____?

_____ I monitor _____ waste discharges in _____ water system?

_____ you tell me _____ report industrial _____?

_____ illegal _____ discharges _____ water systems be reported?

What can we _____ to detect _____ waste _____ systems?

_____ can we detect _____ report the illegal _____?

_____ detect _____ report _____ discharges of _____ waste _____ the water system?

_____ you know how to _____ dumping _____ waste?

_____ industrial _____ in water/sewer systems has _____ be _____.

_____ do we _____ protect the _____ systems from _____ industrial waste _____?

How can _____ illegal _____ of _____ into water _____?

_____ do we need _____ watch out for _____ industrial waste _____ sewer systems?

What are _____ tackle _____ disposal in water/sewage _____?

There _____ steps to report _____ discharges _____ water _____.

_____ you _____ a procedure _____ illegal sewage _____?

Is there _____ overseeing illegal industrial waste _____?

_____ do _____ fight unlicensed _____ facilities?

Is it _____ to monitor _____ pollutants into _____?

Is there _____ on _____ and _____ release?

_____ to see how _____ pollution _____?

_____ in the _____ and _____ systems need to _____ monitored.

_____ can we _____ the illegal discharges of industrial _____?

_____ procedure for reporting illegal releases _____ system?

How _____ you _____ illegal _____ releases _____ water?

How _____ waste _____ in the water?

What _____ do _____ industrial _____ discharges in the water _____ systems?

_____ do _____ and _____ illegal industrial _____ into water systems?

_____ we _____ discharges from _____ waste to the water _____?

We have to be _____ to _____ industrial _____ discharges that _____ sewer _____.

_____ do _____ need _____ keep an eye _____ waste discharges _____ water systems?

_____ to _____ illegal industrial waste discharges _____ come _____ water.

How _____ we _____ illegal discharges _____ industrial _____?

Any release _____ illegal _____ water _____ sewer systems _____ be reported.

_____ we _____ to _____ for _____ industrial waste discharges _____ or sewer systems?

Do you _____ reporting _____ pollution?

How to _____ release _____ pollutants _____?

_____ we identify _____ from _____ wastewater systems?

Do you _____ recommendations _____ how to report harmful _____ garbage _____?

What steps are taken _____ deal _____ in _____?

How can we _____ discharges _____ industrial _____ water?

What _____ taken _____ tackle _____ in water/sewage facilities?

_____ we _____ the discharge of industrial _____ the _____ system?

_____ do _____ keep watch _____ illegal _____ waste _____ are coming _____ water?

_____ there a way to detect _____ report _____ wastewater _____?

_____ report industrial waste _____ in the _____?
 _____ to _____ being _____ into _____ sewage systems...
 What _____ we do _____ illegal _____ are coming from the _____?
 _____ we _____ to fight _____ disposal in water/sewage _____?
 _____ can we _____ to _____ illegal industrial waste _____ from _____ or sewer _____?
 _____ do I report _____ going _____ the _____ system?
 What can _____ to keep an _____ on illegal _____ discharges _____?
 Can we detect _____ of industrial _____ sewer systems?
 _____ I _____ industrial waste _____ the water/sewer systems?
 What _____ illegal discharges of industrial _____ to the water/sewer system?
 Do _____ the procedure to alert _____ effluent _____?
 _____ industrial _____ discharges in water- _____ have to _____ monitored.
 _____ industrial waste _____ coming from water _____ be _____.
 We _____ to keep an _____ illegal industrial _____ water and _____.
 _____ and report illegal discharges of _____ system _____?
 How do you report _____ discharges _____ water and _____?
 How _____ discharges of industrial _____ to _____ water?
 How could we _____ and _____ illegal _____ of industrial waste _____?
 _____ illegal sewage dumping?
 What do _____ need _____ to _____ for illegal _____ waste _____ the water and sewer _____?
 Please tell _____ to _____ harmful industrial _____ the water _____.
 What _____ procedure _____ snatch _____ who dump toxic stuff _____ pipes?
 What _____ to prevent illegal _____ discharges _____ the water and _____ systems?
 How can _____ and _____ effluents' release _____ sewer/waterworks?
 _____ the correct way _____ waste to the _____ and _____ systems?
 I need instructions on _____ report _____.
 I _____ for instructions _____ industrial _____ emissions.
 _____ to _____ out for illegal industrial _____ water and sewer systems.
 _____ can we do _____ detect _____ illegal _____ of _____ waste?
 Do anyone _____ any instructions _____ reporting _____?
 _____ measures are taken _____ prevent unlicensed _____ water/sewage _____?
 _____ I report industrial _____ are _____?
 What _____ we _____ keep watch _____ discharges _____ illegal _____ waste?
 _____ are _____ reporting industrial wastewater _____?
 _____ to _____ of pollutants _____ the _____?
 What _____ the _____ report the _____ of _____ industrial _____ into water _____ sewer _____?
 _____ report and track illegal _____ in _____ sewer?
 _____ should _____ industrial _____ be reported _____ water and sewer _____?
 _____ about _____ industrial waste _____ water _____.
 _____ the process _____ illegal _____ into _____ wastewater system?
 How _____ we determine illegal _____ industrial waste _____ water _____?
 I need _____ spotting and monitoring industrial _____ and _____.
 _____ is the _____ reporting _____ release into _____ system?
 What _____ do _____ keep _____ industrial waste _____ in the _____ and _____ systems?
 _____ report _____ monitor illegal toxic _____ into water/sewers?
 How to spot _____ the _____ effluents _____ the waterworks?
 What is the _____ way to report illegal _____ or _____?
 How _____ spot and _____ effluents' _____ into sewer _____?
 Illegal _____ water/sewer system should be reported.
 Handling _____ waste discharges _____ water _____.

_____ possible _____ spot and monitor industrial _____ release into _____ sewer _____ ?

Is there _____ guidance _____ how to _____ monitor industrial _____ ?

How _____ I _____ and _____ the discharge _____ into _____ systems?

_____ process of _____ and _____ illegal _____ waste discharges?

What can _____ to _____ illegal industrial _____ into the _____ ?

_____ do to _____ industrial waste discharging in _____ water/sewer systems?

_____ to report releases _____ pollutant _____ ?

_____ can we _____ and report illegal _____ to the _____ ?

_____ do we have _____ to _____ watch on illegal industrial waste _____ ?

_____ can I report illegal _____ dumping _____ sewer _____ ?

_____ industrial waste _____ in _____ and _____ need to be _____ .

How _____ I keep _____ of _____ of _____ waste?

What _____ we do _____ Industrial waste discharges _____ ?

We have to keep _____ on _____ that are _____ from _____ systems.

_____ have _____ for _____ industrial _____ discharges _____ come from water.

How should _____ report and _____ industrial _____ into water _____ ?

What measures _____ taken _____ fight unlicensed _____ facilities?

How _____ we detect and _____ discharges _____ industrial _____ into _____ ?

_____ we _____ an eye on illegal industrial waste discharges _____ the _____ and _____ systems?

Is there _____ way _____ detect and _____ of _____ to the water/sewer _____ ?

_____ a way _____ report _____ industrial waste _____ the water system?

Illegal industrial _____ in _____ need to _____ watch on.

It is possible _____ detect _____ report _____ discharges _____ to _____ water _____ .

Can _____ me _____ I discover harmful industrial garbage in _____ water _____ ?

_____ on spotting _____ the release _____ industrial effluents into _____ and _____ .

_____ of detecting and _____ about forbidden disposal of factory _____

What _____ do _____ prevent _____ industrial _____ discharges _____ entering the water and _____ ?

_____ we detect _____ illegal _____ discharges in the _____ sewer systems?

_____ can we _____ industrial _____ discharge in _____ ?

_____ about _____ industrial _____ to _____ systems.

_____ watch over illegal _____ into _____ systems is _____ to do.

How can we identify _____ report _____ wastewater _____ ?

Is _____ a _____ to report _____ ?

How _____ the illegal waste _____ ?

_____ we detect _____ illegal _____ from wastewater systems?

_____ for _____ industrial _____ discharges?

_____ know how _____ discover and _____ industrial waste _____ ?

_____ there _____ reporting _____ wastewater emissions?

_____ able _____ detect unauthorized industrial _____ in water _____ ?

How _____ we detect _____ discharges of industrial _____ system?

_____ you tell me _____ when _____ report _____ in the water?

Are _____ process _____ reporting _____ overseeing industrial _____ discharges?

_____ have _____ keep watch _____ illegal _____ waste _____ the _____ systems.

_____ can _____ to report the discharge of _____ waste _____ systems?

_____ be used _____ report banned industrial _____ ?

What _____ correct _____ report _____ waste _____ the _____ or sewer systems?

_____ is the best _____ to report the _____ waste _____ systems?

_____ need to _____ illegal industrial _____ discharges that are _____ or sewer _____ .

_____ harmful industrial garbage in _____ water _____ ?

_____ there _____ on spotting and monitoring industrial _____ in the _____ ?

_____ we detect illegal _____ discharges _____ systems?
 _____ unauthorized industrial _____ discharges _____ the water _____.
 _____ of industrial _____ to _____ system can be _____ reported.
 Illegal _____ waste _____ that are _____ systems need to _____ watched over.
 I _____ and monitoring _____ effluents' release into _____.
 What _____ discharges of industrial waste _____ water systems?
 How _____ detect _____ report illegal discharges of _____ the _____ systems?
 _____ report _____ pollution in _____ systems?
 What should we _____ to watch _____ waste _____ the water/sewer _____?
 I have a question _____ waste going _____ the _____.
 _____ can we _____ illegal industrial _____ discharging _____ the water system?
 What actions _____ I take _____ of industrial _____ water systems?
 _____ supposed to do _____ protect the water/sewer system _____ waste _____?
 What _____ we _____ to prevent _____ waste _____ in water _____?
 What _____ do _____ on industrial waste _____ the water/sewer system?
 _____ the _____ for reporting _____ release of _____ industrial _____ water _____ sewer systems?
 _____ to keep watch over _____ discharges _____ and sewer systems.
 _____ we _____ and _____ waste discharges in _____ and water systems?
 _____ can _____ do to keep _____ eye on _____ discharge of _____ water/sewer _____?
 Any _____ reporting _____ industrial wastewater _____?
 Suggestions on spotting and _____ the _____ of _____ effluents _____?
 _____ can we detect illegal discharges of _____ or _____?
 How _____ we _____ illegal _____ from _____ wastewater systems?
 How _____ and report _____ industrial waste _____ water system?
 _____ to _____ illegal _____ waste discharges _____ the water and sewage systems?
 _____ we report illegal discharges of _____ to _____?
 _____ do _____ waste discharges in _____ water/sewer systems?
 How _____ and report illegal _____ Wastewater systems?
 _____ we report the _____ illegal _____ the water _____ sewer systems?
 What _____ to _____ watch on _____ discharges of industrial waste?
 _____ we catch illegal discharges _____ waste _____ water system?
 Understand how to _____ forbidden disposal _____ effluents.
 We need to _____ watch _____ industrial _____ in water _____ sewage _____.
 Are there any _____ condemning illegal _____ and _____ networks?
 Can you give _____ instructions _____ report harmful industrial _____ in the _____?
 _____ do _____ need to _____ protect the _____ illegal _____ waste discharges?
 _____ should we do _____ an _____ illegal discharge of industrial _____?
 Which _____ used to tackle unlicensed _____ facilities?
 _____ measures should _____ to report _____ discharge _____ into the _____ systems?
 _____ do _____ report industrial _____ going _____ sewer?
 How _____ report _____ industrial waste _____ into _____ systems?
 _____ report releases of _____ water?
 _____ we do _____ prevent illegal _____ industrial _____ water and sewage _____?
 What can we do _____ keep _____ eye _____ illegal _____ waste _____ sewer systems?
 How do _____ to _____ and oversee _____ industrial _____?
 How should I _____ discharges _____ industrial _____ into _____ water/sewer _____?
 _____ need to keep an _____ illegal _____ waste _____ that are _____ from _____ water _____ systems.
 _____ do to prevent illegal _____ waste discharging _____ systems?
 Illegal _____ discharges in water/sewer _____ be watched.
 How _____ illegal pollutant _____ water?

_____ can we _____ keep _____ illegal industrial _____ discharges in water _____?

_____ to _____ the _____ pollution into the sewage _____?

_____ know _____ to locate and _____ waste dumping?

How _____ industrial discharges?

_____ can we _____ the illegal _____ of _____ water systems?

How can _____ in the water systems?

_____ industrial _____ water and _____ systems need to _____ watched.

_____ effectively detect industrial waste discharges _____ water _____?

What is the _____ reporting _____ into the wastewater _____?

_____ can _____ do _____ keep _____ eye _____ discharges in the water _____?

_____ can _____ to keep _____ industrial waste discharges into water _____?

How _____ discharges be detected _____ reported _____ water _____ sewer _____?

_____ to report the _____ of illegal industrial waste into water _____?

_____ waste _____ that _____ from _____ or sewer systems should be _____.

How _____ with industrial _____ going into _____ sewer?

_____ you report Industrial _____?

_____ Industrial _____ discharges _____ water/sewer _____ need _____ be _____ over.

How _____ waste _____?

_____ should I monitor _____ discharge of _____ water systems?

_____ waste discharges in _____ systems must _____.

What _____ going to _____ to _____ for illegal _____ discharges?

What are the _____ in water/sewage facilities?

How _____ spot and _____ release of _____ effluents _____ sewer _____ waterworks?

What steps can _____ report _____ garbage to the _____?

_____ and report illegal _____ of _____ the water/sewer system?

Steps to stop _____ water _____?

_____ taken to report _____ of industrial waste _____ water _____?

_____ emissions should be _____.

_____ is the _____ for _____ on those who _____ toxic _____ our _____?

_____ report discharges _____ into water?

How can _____ keep watch over _____ discharges into _____?

_____ you _____ what _____ when you report industrial garbage in _____?

_____ can _____ report _____ of industrial _____ the water?

Seeking _____ reporting and overseeing _____ industrial waste?

_____ steps can _____ to _____ harmful industrial garbage _____ supply?

_____ illegal industrial waste _____ water or _____ that _____ need to keep _____ eye on.

What _____ to do to _____ on illegal _____ waste _____ into the _____ system?

_____ of _____ to the _____ be detected and reported.

What is the _____ report the _____ industrial waste _____ the water _____ systems?

How _____ harmful industrial garbage _____ the _____ supply?

How _____ ensure that illegal toxic _____ reported?

_____ need _____ do _____ keep an eye on illegal industrial _____ systems?

How _____ detect _____ in water systems?

What are _____ measures _____ tackle _____ water/sewage?

_____ do I report _____ illegal _____ waste discharges _____ water/sewer _____?

_____ to report illegal _____ waste into the water _____ is a _____.

What _____ do to _____ watch _____ illegal industrial waste _____ system?

_____ you _____ me instructions for _____ industrial _____?

What are we _____ to keep _____ eye on _____ discharges from _____ or _____ systems?

_____ can _____ find unauthorized _____ water systems?

Reporting about ____ industrial waste ____ ____ ____ ____?

Is there ____ process ____ report those ____ ____ stuff ____ our ____?

I want ____ know ____ ____ take ____ reporting ____ garbage in ____ ____ supply.

____ is the process ____ reporting illegal industrial ____ ____ ____ sewer ____?

How ____ I report wrongdoing connected ____ ____ going into ____ ____?

How ____ we detect unauthorized ____ ____ ____ systems?

____ ____ sewage pollution incidents?

Any ____ of ____ waste into the water ____ ____ systems ____ be ____ monitored.

What is the procedure for spotting ____ ____ ____ industrial ____?

Are ____ a ____ for ____ and overseeing ____ industrial waste ____?

How can I ____ ____ of industrial ____ in ____ water ____?

What can ____ do ____ watch ____ industrial ____ in water and ____?

How ____ report illegal ____ of industrial ____ to ____ systems?

____ we ____ to do ____ watch ____ industrial waste ____ in ____ water and sewage systems?

How can we detect ____ ____ of industrial waste ____ ____?

____ ____ involved in ____ and ____ about forbidden ____ of ____ effluents.

How can we report ____ of ____ industrial ____ ____ sewer systems?

____ there guidance on spotting ____ ____ the ____ of ____?

What ____ ____ do to ____ the ____ of ____ waste ____ the water system?

How can we detect ____ report illegal ____ industrial ____ the ____?

What should ____ for reporting illegal ____ waste into ____ ____ sewer ____?

illegal ____ of industrial waste ____ water ____ can ____.

What ____ do to ____ oversee ____ of industrial waste ____ water ____?

You want ____ to ____ ____?

____ have to ____ on ____ industrial waste ____ in the ____.

____ keep watch on ____ industrial waste discharges that ____ ____ water ____ sewer system.

Is there ____ on spotting ____ industrial ____?

____ we ____ to do ____ the water/sewer ____ illegal industrial waste ____?

Is there ____ way to ____ ____ in water/sewage ____?

____ give ____ for reporting illegal ____ dumping?

How ____ water systems detect unauthorized ____ ____?

____ do I ____ going into ____ sewer?

How can ____ waste discharges ____ water?

How ____ we detect illegal industrial ____ ____ water/sewer ____?

____ you state ____ for ____ illegal ____ dumping?

How ____ unauthorized industrial waste ____ in ____ water ____?

What instructions exist ____ industrial ____?

____ there ____ for ____ and ____ industrial waste discharges?

____ should I ____ the discharge ____ waste ____ water ____?

In ____ keep ____ illegal industrial ____ ____ systems, what ____ we have to do?

How ____ of ____ waste ____ water?

How do you ____ track illegal industrial ____ ____ systems?

____ should we do ____ protect ____ systems from ____ waste ____?

____ do ____ report ____ waste discharges ____ water/sewer systems?

Is ____ anything I can ____ report ____ garbage ____ our water ____?

Illegal ____ in water ____ sewage ____ to be kept ____ on.

____ to report the illegal ____ the ____?

Do ____ have ____ for reporting ____?

What ____ we ____ do to ____ illegal industrial waste ____ water ____ systems?

____ industrial ____ discharges ____ systems ____ be watched over.

_____ people report _____ dumping?
 _____ should _____ to keep an _____ on illegal _____ waste _____ the water _____?
 What _____ to _____ industrial _____ discharges in water/sewer systems?
 _____ we _____ unlicensed disposal in _____?
 _____ do we have _____ do to _____ industrial _____ discharges _____ water _____ systems?
 What _____ the procedure for _____ the release of _____ into _____?
 _____ can we do to _____ over illegal _____ waste discharges _____?
 _____ us the process of reporting _____ sewage _____?
 I _____ looking _____ spotting and _____ the _____ of _____ effluents.
 _____ discharges _____ waste into the _____ or sewer systems _____.
 _____ do _____ and monitor illegal _____ waste _____ water?
 _____ we have _____ do to _____ illegal industrial waste discharging into _____?
 What can _____ do _____ the discharge of _____ into _____?
 _____ and _____ discharges of industrial waste to _____?
 _____ do _____ to _____ to _____ illegal industrial _____ discharges in water/sewer _____?
 How _____ spot _____ monitor the release _____ industrial _____?
 _____ industrial _____ should be reported.
 _____ watch for illegal _____ waste discharges _____ the water/sewer _____.
 What _____ we _____ keep an _____ on illegal industrial _____ discharges _____ coming from water _____?
 _____ discharges _____ industrial waste _____ be _____ the water/sewer _____.
 What _____ process to _____ illegal industrial waste _____?
 How can we _____ and _____ of _____?
 What measures can _____ taken to _____ disposal _____?
 _____ detect _____ report illegal _____ of waste _____ the _____ systems?
 _____ track illegal _____ in _____ water or sewer?
 What _____ the measures _____ should take _____ discharge of _____ into water _____?
 _____ is the process _____ waste into _____ and sewer systems?
 What _____ do to keep _____ illegal industrial discharges?
 _____ discharges in _____ and sewer systems _____ to _____ monitored.
 How _____ report the _____ waste _____ water _____ sewer?
 _____ do to _____ on industrial waste discharging in _____ systems?
 How _____ report _____ waste in _____?
 _____ should _____ report and _____ the discharge _____ industrial _____ water _____?
 _____ waste _____ into _____ systems have _____ be monitored.
 Any _____ industrial Wastewater _____?
 How do you _____ the _____ water/sewage _____?
 _____ release of _____ industrial _____ the water and sewer systems?
 _____ report _____ discharges _____ Wastewater systems?
 Can _____ me about _____ reporting illegal sewage _____?
 What _____ be taken _____ banned industrial _____?
 Illegal Industrial _____ discharges _____ water and _____ systems _____ watched _____.
 What are _____ steps _____ can be taken _____ disposal _____ water/sewage _____?
 We need _____ to detect _____ illegal _____ of _____ waste.
 What _____ reporting industrial _____ emissions?
 Illegal _____ of industrial _____ can be detected _____ reported _____.
 How do _____ report discharges _____ illegal _____ the _____?
 Illegal Industrial waste _____ into water/sewer _____ to _____.
 What _____ we do to _____ illegal industrial _____ discharges _____ coming from _____ water _____?
 _____ we detect unauthorized waste _____ in _____?
 _____ can _____ discharges of industrial waste _____ water system?

_____ we have _____ to _____ out for illegal industrial waste discharges _____ sewer _____?

What _____ do _____ keep an eye on _____ discharges in the _____?

What _____ we do _____ eye _____ industrial waste _____ the water?
