

## [Demo] NLP Dataset for Customer Service Automation

<b>Company Type</b>	Internet Service Providers
<b>Inquiry Category</b>	Data usage and bandwidth queries
<b>Inquiry Sub-Category</b>	Unidentified data consumption
<b>Description</b>	Customers may notice unusual or unknown data consumption, such as higher-than-usual usage during specific times. They contact ISPs to identify the cause of this data consumption and explore potential solutions to minimize excessive usage.
<b>Data Size</b>	9,095 paraphrases
<b>Want to buy data?</b>	Please contact <a href="mailto:nlp-data@gross.me">nlp-data@gross.me</a> via your business email address.

### Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)
