

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Service interruption and outage reports
Inquiry Sub-Category	Emergency Shut-off
Description	Customers request assistance or guidance on emergency shut-off procedures in case of leaks, pipe breaks, or other water-related emergencies occurring within their premises.
Data Size	5,024 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

How ____ I quickly ____ sewage ____ in ____ situations, ____ ____ underground conduit ____?

____ ideas ____ ____ stop sewer leaks ____?

How ____ ____ sewer flow when ____ ____ occur.

____ there ____ ____ to stop unexpected ____ surge?

____ ____ fastest way ____ stop the sewage ____ in ____?

____ you have a quick solution ____ ____ overflows ____ ____?

____ there a way ____ ____ flow ____ if ____ is ____ underground breach?

Are it possible ____ stop ____ leaks ____ ____?

____ can ____ ____ to stop ____ ____ caused by the underground pipe ____?

____ ____ a ____ to control ____ sewer overflows?

____ it possible ____ a ____ flow ____ ____ there is an underground ____?

Any ____ to ____ wastewater ____?

Can I stop ____ flow ____ ____?

How can ____ ____ flowing ____ an ____?

____ ____ prevent ____ flow during emergencies?

What ____ ____ best ____ ____ sewer flow during emergencies?

Is there anything ____ ____ do ____ ____ leaks immediately?

Is ____ ____ to quickly stop ____ ____ underground conduits are ____?

____ ____ halt ____ ____ underground pipes break?

____ there a ____ way ____ stop unexpected ____ ____?

____ conduits ____ can you ____ stop the ____ of ____?

How ____ ____ sewer ____ when a pipe ____?

____ ____ a way to ____ ____ drains from ____ broken underground ____?

____ ____ sewer leaks immediately?

____ conduits break the passage ____ ____ should ____ ____.

____ ____ break ____ wastewater be ____?

____ ____ a ____ to stop ____ sewage leaks ____ an emergency ____ wasting ____?

Is ____ possible to ____ ____ sewage ____ fast if ____ is ____ ____ leak?

Can _____ flow quickly _____ there's something underground?

What can _____ do _____ underground pipe _____?

Stop _____ of wastewater _____ conduits _____?

Can _____ stop sewage _____ if the _____?

_____ must _____ stop _____ leaks fast?

_____ can I prevent _____ when breaks _____ within _____?

Is there _____ to shut down _____ leaks _____?

How _____ the _____ rushing _____ when a pipe _____?

Sewage _____ underground _____ should be _____.

_____ stop the passage _____ wastewater?

_____ stop sewer leaks?

Quick tips _____ sewer _____?

Can I stop _____ if _____ a _____ conduit?

Is _____ stop sewer leaks _____ is a breach _____?

_____ I do to _____ leaks _____?

_____ I _____ from leaking out _____ underground pipes when _____ are _____?

_____ sewer leaks?

Ways _____ stop sewage _____ an _____.

_____ a way _____ stop _____ during emergencies?

_____ pipes break, _____ stop _____ sewage flow?

Immediately _____ sewer _____ caused _____ damage.

_____ how _____ fix sewer leaks _____?

Is _____ faster _____ to stop unexpected _____?

Sewage _____ be _____ immediately _____ like broken conduits.

Is there a _____ stop sewage _____ down _____ wasting _____?

_____ stop sewer _____ there is _____ breach below _____?

How _____ I stop _____ caused _____ underground pipe _____?

How to stop _____ sewage _____?

Is _____ sewage flow in _____ conduits in _____ way?

What _____ ways to _____ pipe Leaks _____?

How _____ when _____ pipes break?

_____ you _____ the flow _____ sewage _____ the _____ break?

Is _____ a way _____ immediately _____ waste discharge _____ are _____?

When there is an _____ can _____ stopped?

How can _____ stop _____ right _____?

_____ pipe, stop _____?

During emergencies _____ is the _____ way _____ flow?

When there is an _____ how _____ stopped?

_____ ways _____ curb sewage _____.

Is there _____ stop _____ leaks underground right _____?

_____ the _____ way _____ sewer leaks?

How can I stop further _____ release _____ breaks _____ pipes?

_____ sewage flow in an _____?

_____ can _____ do _____ stop the _____ leak because _____ the _____ pipe _____?

How should _____ stop _____?

Is _____ possible to _____ sewage _____ into the _____ conduit _____ manner?

_____ for _____ sewer leaks?

_____ to stop _____ sewer flow when _____?

_____ is _____ fastest way _____ stop sewageflow?

When _____ break, should _____ passage _____ wastewater _____ stopped _____?

When _____ stop the passage _____?

How can _____ sewage _____ the underground conduit _____ timely manner?

I _____ to _____ wastewater leak from _____.

Is there _____ way to deal _____ breached conduits?

Is there _____ to stop the _____ of _____?

_____ underground _____ quickly what are some suggestions?

_____ there a _____ to stop sewage _____ there are _____?

_____ it possible _____ sewage _____ fast _____ an underground breaching?

How _____ I stop the _____ from _____ when _____ pipe _____?

Are _____ solutions _____ emergency sewer overflows _____?

Can _____ leaks _____ now?

How _____ I stop wastewater _____ during _____ pipe _____?

_____ can _____ do _____ help block _____ fast?

_____ possible ways to Contain underground _____ quickly?

_____ should _____ to quickly _____ with sewer rupturing?

_____ it _____ stop _____ of _____ if _____ an underground breach?

_____ there _____ way to stop sewer _____ emergency?

Is _____ a way to stop _____ during _____ emergency?

What are _____ ways to _____ pipe _____?

Is _____ way _____ shut down _____ sewage _____ an emergency.

How _____ stop _____ leaving during _____ pipe break?

_____ ideas on how _____ breaches _____ timely manner?

_____ of underground pipe damage _____ I _____ to stop.

What _____ flows be _____ an issue underground?

_____ do _____ sewer _____ so fast?

_____ I stop _____ flow _____ in _____?

What can _____ stop _____ leak caused by underground _____?

emergency pipe breaks _____ sewer _____?

_____ you fix sewer _____?

_____ stop sewage release _____ are made when _____ break?

Wastewater leak _____ to underground pipe _____ what _____ want _____.

_____ stop sewage _____ immediately in _____ underground pipes _____?

_____ should _____ stop wastewater _____ caused _____ underground _____ damage?

_____ should I do to _____ Wastewater _____ by _____ underground _____ damage?

If there's _____ sewer _____ ground, can _____ stop _____?

How can _____ in emergencies?

How _____ I stop _____ wastewater _____ out _____ a pipe _____?

_____ disaster, what is _____ way to _____ flow?

_____ discharge _____ if pipes are damaged?

How _____ on _____ sewer spills?

Can _____ stop sewage flow _____ underground _____?

Is it _____ sewage flow _____ crises like _____?

Stop _____ leakage _____?

Can _____ breaks stop _____?

_____ stop _____ flood due _____ damage.

How about _____ in underground _____?

_____ possible to _____ sewage _____ if there _____ an underground _____?

_____ are _____ to _____ sewer _____ due _____ broken outlets.

_____ to quickly stop _____ pipe breaks happen?

How can we _____ spills due _____ outlets?

What ____ the ____ way to ____ sewageflow during ____ ____?
 ____ ____ issue ____ how can ____ flows be stopped?
 How ____ ____ sewer flow ____ breaks?
