

## [Demo] NLP Dataset for Customer Service Automation

<b>Company Type</b>	Auto Repair and Maintenance Shops
<b>Inquiry Category</b>	Battery dying frequently in vehicle
<b>Inquiry Sub-Category</b>	Extreme Temperatures Impact on Battery
<b>Description</b>	Customers are concerned about the impact of extreme temperatures (hot or cold) on their vehicle's battery life and performance and seek advice on preventive measures to mitigate potential battery issues caused by such conditions.
<b>Data Size</b>	10,588 paraphrases
<b>Want to buy data?</b>	Please contact <a href="mailto:nlp-data@gross.me">nlp-data@gross.me</a> via your business email address.

**Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)**
