

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Electrical safety guidelines and precautions
Inquiry Sub-Category	Outdoor electrical safety guidelines
Description	Customers seek information on how to safely install and maintain outdoor electrical appliances, such as outdoor lighting, swimming pool equipment, and garden fountains, to minimize the risk of electric shock, fire, or other accidents in outdoor areas.
Data Size	5,199 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

_____ often should _____ inspect _____ external _____ outlets _____ connections used _____ these _____ devices?

How often _____ to _____ outlets and cords?

How _____ do _____ our _____ outlets?

_____ like _____ know _____ for inspecting _____ external power _____ and associated connections.

I _____ to know how frequently I _____ my _____.

_____ often _____ out _____ external _____ outlets we use?

Should _____ power _____?

Can you _____ me if _____ a _____ external Plugins with _____?

Do _____ think _____ checking power outlets _____?

Should _____ carry out _____ on _____ electrical outputs _____ this type _____ equipment?

How _____ go over _____ external _____?

_____ should _____ inspect the power plugs used _____ the _____?

_____ times should we _____ out _____ electrical points _____ access?

_____ power outlets more often?

_____ power outlets frequently?

_____ often _____ look _____ the external _____ outlets?

I'd _____ to know how frequently _____ should _____ equipment.

What _____ of _____ inspect my _____ and connections?

How _____ one look _____ for their _____?

Do _____ know _____ often _____ inspect my _____ and _____?

_____ frequently do _____ have _____ the _____ power outlets?

What _____ should we look _____ connections?

We _____ to check _____ power _____ device _____ frequently.

_____ frequently do _____ check _____ outlets?

_____ worth inspecting power _____ often for _____ hookups?

_____ you know how _____ to _____ our power fittings?

Can you tell _____ many _____ outlet _____ connection inspections _____ do?

Is _____ recommended that the external _____ and _____?

Can ____ please tell me the recommended inspection frequencies ____?

____ go over those ____ outlets ____?

What inspection frequencies are ____ and ____ connections?

____ often should a ____ investigate ____ connectors?

At what ____ evaluate our ____ electrical points ____?

____ outlets and other ____ of ____ be checked.

Do you think ____ check the ____ frequently?

How much do ____ check ____ external ____ outlets?

____ many ____ do we have ____ and cords?

Do you think ____ idea ____ assess ____ ports aligned ____ connections from outside locations?

How ____ external ____ have ____ checks?

____ often ____ check ____ my power ____?

Is ____ good ____ exams ____ the connectors employed in capturing electricity ____?

The rate ____ which one ____ power plugs ____ with devices ____ is ____ known.

At ____ times should we ____ electrical ____ access?

____ often ____ you ____ over ____ external ____?

____ periodic ____ needed to ____ safety ____ exterior ____ sockets?

Is there an inspection ____ the ____ power ____?

How ____ times should I check ____?

____ should regular ____ go over ____ outlets?

What is ____ frequencies for ____ power ____ and related ____?

How many ____ check ____ connections?

____ idea to periodically assess ____ of outdoor electrical ____?

____ often to check ____?

The ____ at ____ inspect power plugs and interface used together ____.

Is ____ to ____ outdoor plug points ____ connected ____?

Is ____ worthwhile to ____ for all those ____ hookups?

____ we check the ____ outlets ____?

____ what intervals should we ____ out our exterior ____?

The ____ at ____ inspect ____ power plugs ____ used ____ such ____ is not known.

____ there a need ____ outdoor ____ outlet and ____ inspections ____ this?

____ keep an ____ on connection ____ these ____ often?

____ must ____ take a look ____ our ____ outlets?

How ____ our outdoor ____ and associated hookups?

____ to review power ____?

How often ____ our ____ outlets?

Should ____ electrical ____ and associated ____ assessed?

____ check external power outlets?

____ often ____ at power outlets?

Can we check ____ more ____?

Would ____ be wise ____ check ____ of ____ electrical plugs and ____?

Should we check ____ outlets ____?

____ often should our external ____ outlets and ____?

Can ____ me ____ should look ____ our power fittings?

____ we ____ check the power outlets ____ cords?

Is ____ a good ____ for ____ to ____ done ____ outdoor ____ connections?

____ it good ____ examine ____ sockets connected with ____ gadgets?

How ____ should we ____ our power ____?

____ there ____ on inspection ____ for external ____ outlets and ____?

Should ____ outlets and ____ be ____ regular intervals?

How ____ should a ____ their ____ circuitry connectors?
 ____ we ____ power ____ more frequently?
 ____ for ____ connected with ____ gadgets?
 How ____ inspect the connections ____ power outlets?
 ____ many ____ should I ____ power ____ and connections?
 How ____ regular ____ go ____ those ____ outlets?
 ____ wise to regularly check ____ plugs?
 ____ is the recommended ____ Frequency for the ____?
 Is it wise to ____ function of ____ electrical ____ associated ____?
 ____ you ____ to tell us ____ number ____ outdoor power ____ connection inspections for ____?
 How many ____ should ____ power ____ and connections?
 ____ frequently do we need to ____ connections?
 External power outlets and ____ gadgets ____ frequently.
 ____ often should ____ over those ____?
 ____ what rate ____ one ____ power ____ and interface used ____?
 ____ often should ____ those outlets?
 Are ____ frequent ____ and ____ inspections for devices like ____?
 ____ we ____ our power outlets and ____ connections?
 ____ we be ____ those outlets ____?
 ____ we need ____ evaluate our ____ power outlets?
 How often ____ we check ____?
 How ____ look at ____ external ____ connections?
 How ____ times ____ to check ____ power ____ and connections?
 How often ____ over those ____ outlets?
 How ____ i ____ their power ____ and connections?
 ____ I watch ____ connection ____ of these ____?
 ____ wise to ____ function of outdoor ____ regularly?
 ____ it make ____ regularly ____ the function ____ outdoor electrical plugs ____?
 ____ we check our ____ plugs?
 How much ____ we need ____ external power ____?
 External ____ outlets ____ associated with ____ inspected often.
 ____ often do we ____ examine our ____ outlets?
 ____ power ____ and ____ associated ____ gadgets ____ be checked ____.
 I want ____ know the ____ frequencies ____ inspections ____ power ____ connections.
 At ____ should ____ at ____ plugs ____ interface ____ together with devices?
 ____ it ____ good idea to ____ assess ____ outdoor ____ plugs and ____?
 The ____ at ____ inspect power ____ and ____ used ____ similar devices ____ questionable.
 When should ____ outlets as well ____ devices?
 ____ should ____ check their power outlets ____?
 How ____ we ____ to ____ our power ____?
 Do ____ think it's ____ power ____ frequently for ____?
 ____ often ____ we look ____ power ____?
 ____ we check outdoor ____ outlets?
 Is ____ a good ____ to have ____ exams about ____ connectors ____ in ____?
 ____ you think it's worth ____ outlets frequently ____?
 ____ should check the power outlets ____ devices.
 ____ times ____ I check them ____ power ____ and ____?
 The power ____ checked more ____.
 ____ often do we ____ power outlets?
 ____ should we look ____ our ____ power ____ often?

_____ tell us the frequencies _____ outdoor power _____ connection _____ devices like _____?
 I _____ like to _____ how _____ should look _____ our _____.
 _____ much _____ our _____ power outlets and connections?
 How _____ we review _____ outdoor _____ hookups?
 Can _____ advice on _____ often to _____ power _____?
 _____ outdoor power outlet and connection _____ for _____ these?
 _____ you think _____ good idea to assess those _____ that _____ with devices' _____ outside _____?
 How much do _____ to check _____?
 _____ what _____ should we check _____ plugs _____ used with _____?
 _____ should we _____ our power outlets _____ these _____?
 _____ maintenance, how often _____ one _____ their outdoor wiring?
 How _____ attention to the power plugs _____ connections?
 _____ often must _____ check _____ power _____?
 _____ many times _____ I _____ their power _____ and _____?
 How _____ people _____ over those _____?
 _____ we check our _____ and power outlets?
 _____ you _____ it's _____ power _____ often?
 _____ like _____ there are intervals _____ which one should _____ exterior _____ connectors.
 _____ you _____ how often _____ the power _____?
 How _____ should _____ check _____ outlets and connections?
 _____ me _____ recommended inspection _____ for external _____ outlets _____ device connections?
 How much _____ check _____?
 _____ frequently _____ look at external _____ and connections?
 _____ guidance on _____ recommended inspection frequencies for _____ power _____?
 Should we _____ those _____ more _____?
 Can _____ us _____ we _____ the outdoor _____ outlet and connection?
 Can _____ the _____ outlets?
 _____ idea to _____ regular exams _____ the connections employed _____ capturing _____ electricity?
 _____ you tell _____ often _____ a _____ idea _____ the externalplugs?
 _____ it necessary _____ periodic _____ external power _____?
 _____ tell us the _____ external power _____ and device connections?
 Are _____ power outlet _____ connection inspections _____ on a _____?
 _____ often _____ we _____ the _____ outlets of _____ devices?
 How _____ we look _____ power _____?
 _____ check power plugs and _____ used _____ with other devices?
 _____ it wise to _____ function _____ electrical _____ and links?
 How _____ should _____ connections _____ power outlets?
 _____ you _____ to _____ plugging _____ with devices' connections from outside locations?
 When _____ we _____ check _____ outlets?
 _____ power mechanisms need to be _____?
 At _____ should _____ at our _____ of access.
 _____ have any _____ on how _____ should _____ our outdoor _____?
 _____ good idea to conduct _____ exams _____ connections _____ capturing electricity outdoors?
 Are _____ outdoor _____ and _____ inspections done _____?
 How often _____ check _____ power outlets _____ device _____?
 _____ our external power outlets _____?
 How much _____ the external _____?
 _____ a good _____ to conduct _____ outdoor plug points _____ connected _____?
 _____ outlets and device connections _____ often.
 At what rate _____ at _____ and interface used with _____.

How many _____ I _____ for power _____ plugs?

Do _____ idea to check power outlets _____?

How often _____ power _____?

Tell us _____ recommended _____ interval for our _____ and _____ connections.

Can you tell _____ often I _____ do _____ of external plugins _____ such _____?

_____ frequently _____ evaluate our external _____?

How often _____ out power _____ and _____?

At _____ the power plugs _____ interface _____ used with such devices?

_____ frequently we should check _____ outlets.

_____ check _____ and power outlets?

Is there _____ suggestion as to _____ intervals _____ electricity _____?

At _____ should _____ inspect _____ power _____ and interface used _____.

Can you _____ how _____ outdoor power _____ and connection _____ are _____ devices _____?

_____ we _____ check _____ outlets frequently?

_____ would _____ know _____ the _____ interval for our _____ outlets _____ device connections.

How often _____ we _____ and connections?

_____ often do _____ keeping _____ on the outside _____ alongside _____ gadgets?

_____ plug _____ and _____ devices that need to _____ inspected _____ regular basis.

I _____ to know how frequently we're _____ our power _____.

Should _____ keep an eye _____ the _____ of _____?

How _____ we visit our _____?

_____ supposed _____ check the power _____ and _____ connections for _____?

_____ we check the power _____ these gizmos?

_____ often must _____ check out _____?

_____ we _____ our _____ outlets _____ connections _____ frequently?

_____ what intervals should we _____ our _____?

How often _____ external _____ and _____ be _____?

_____ to _____ the _____ of outdoor electrical plugs _____ regular basis?

_____ and connections _____ be checked frequently.

Can _____ give _____ inspection _____ for _____ outlets and _____ connections?

Can _____ us _____ recommended inspection frequencies _____ outlets?

How _____ times _____ connections and power plugs?

How much _____ at our power outlets and _____?

_____ times _____ the plugs and connections?

_____ me _____ should check my power _____.

How _____ check the outdoor _____?

How _____ should _____ check _____ outlets?

How frequently _____ we _____ power _____?

Are there frequent _____ outlet _____ connection _____ for _____?

_____ many _____ should one look at _____ outdoor circuitry _____?

_____ times should I check _____?

_____ you _____ us _____ of _____ power outlet _____ inspections for _____ devices?

_____ don't know _____ frequently _____ power outlets _____ connections.

We want to know _____ should _____ outlets.

_____ frequently should _____ look for _____ plugs _____ hookups?

I wonder how many _____ I _____ power _____ connections.

I want to know _____ look _____ power outlets.

_____ to know the recommended _____ inspections _____ our external power _____ connections.

How _____ we visit those _____?

_____ should _____ examine _____ power outlets?

____ do we ____ check power ____?
 ____ we check our ____ outlets?
 ____ plugs ____ with ____ devices should be inspected at ____ rate.
 At what ____ inspect ____ plugs ____ interface ____ with such devices.
 ____ often ____ one ____ out their ____ electrical ____?
 ____ what ____ should ____ check the power plugs ____ used ____ the ____?
 Should there ____ regular ____ outdoor ____ connections?
 How often should ____ external power outlets ____?
 ____ I keep an ____ for the connection ____ appliances?
 Can ____ look ____ external power ____?
 Is it ____ good idea to ____ the ____ plugs?
 ____ do ____ determining when ____ check plugged ____ plugs from outside ____?
 How ____ do ____ to check ____ power outlets?
 How often do ____ keeping ____ the ____ liaisons used near ____?
 ____ tell ____ number ____ times ____ should survey ____ external equipment?
 Is ____ a good ____ to ____ regular ____ connections used ____ outdoor electricity?
 ____ inspect ____ power ____ and connections ____?
 ____ times should we take a ____ power ____?
 ____ you think ____ to ____ those ____ ports that are ____ devices' ____ outside locations?
 Can ____ our ____ outlets ____ often?
 ____ tell me when ____ the external outlets and connections ____?
 ____ we ____ our exterior electrical ____ of access?
 How ____ the outdoor plugs?
 How ____ do you ____ over ____ liaisons ____ these gadgets?
 I would ____ know the ____ frequency ____ external ____ outlets.
 ____ inspect external power ____?
 ____ times ____ we check ____ sources?
 How ____ we ____ our ____ outlets?
 How often should ____ at their outdoor ____?
 ____ at which one should ____ power ____ interface used ____ such ____ is ____.
 ____ need ____ check our ____ outlets?
 ____ electrical plugs ____ assessed?
 Do ____ think it's appropriate ____ assess ____ plugging ____ are ____ with devices' ____ outside ____?
 How often do ____ power ____?
 Is it ____ to ____ the ____ of outdoor electrical ____?
 Should ____ keep ____ eye on ____ for ____ appliances?
 How often should ____ check the ____ power ____ and ____?
 How frequently should ____ at ____ of ____ power ____?
 ____ what rate ____ one inspect ____ and interface ____ are ____ such devices?
 How ____ we ____ on our ____ power ____?
 ____ we look ____ for power outlets ____ connections?
 ____ should we ____ our power ____?
 How often ____ we ____ look ____ connections?
 ____ do you ____ your ____ power ____?
 How ____ check our connections ____ things ____ these?
 ____ to know the number of outdoor ____ inspections.
 ____ watch the connection points of ____?
 Can ____ me how ____ we ____ look into ____ power ____?
 What ____ we review ____ exterior ____ points of ____?
 How many times ____ at the ____ outlets?

How _____ need to check the _____ outlets?

_____ you _____ to _____ power outlets?

Do _____ a good idea _____ assess the _____ ports _____ devices' connectivity _____ outside _____?

_____ and interface _____ with such devices _____ examined _____ a certain _____.

_____ to know how _____ we're _____ to look _____ our power _____.

_____ necessary to have regular checks on _____?

How often _____ check my _____?

Is _____ number of times that _____ points and connected _____ should _____?

How _____ we have to check our _____?

How _____ check the _____ outlets _____ connections?

I _____ how frequently _____ supposed to look into _____ power _____.

_____ often are _____ check power _____ and cords?

_____ do you suggest _____ an _____ on exterior _____ used alongside these _____?

_____ time _____ supposed _____ at electrical _____ like external plugs and stuff?

_____ many times _____ I _____ the _____ and power plugs?

_____ there any suggestion _____ when _____ must _____ exterior _____ connectors?

Do you have _____ advice about _____ to _____?

What _____ do _____ to _____ outdoor power outlets?

_____ which to _____ together with such devices should be determined.

When _____ look at _____ outlets frequently?

How often must _____ sources?

_____ recommended _____ the external _____ outlets and connections?

How often do _____ an eye out for exterior _____?

_____ our power outlets be _____?

_____ should check _____ these things.

I _____ like to _____ recommended frequency _____ our external _____ outlets.

_____ plugs and interface used _____ such devices _____ examined _____ a _____.

At _____ should we _____ at _____ electrical points?

_____ tell us how _____ outdoor _____ outlet _____ connection inspections _____?

_____ want to know _____ for the inspections _____ our _____ and connections.

_____ inspection frequency for _____ power outlets and related _____.

_____ you give _____ recommended inspection frequencies _____ external _____ outlets?

What _____ we _____ the _____ points?

What _____ power outlets?

Can _____ give us _____ the number _____ power _____ and _____ inspections?

_____ tell me how _____ I need to _____ a _____ external _____?

_____ we supposed to _____ those outlets _____?

_____ you offer _____ the _____ frequencies for external _____ and _____ connections?

How _____ inspected on _____ regular basis?

How often should we _____ outlets _____ with _____?

At _____ should we evaluate our _____?

How _____ times should I _____ check _____ power plugs _____?

_____ have to evaluate _____ power _____?

_____ often _____ power mechanisms _____ an _____?

How much _____ need _____ at power _____ outside?

_____ like to _____ frequencies _____ inspections on _____ external power outlets _____ connections.

Are _____ outdoor _____ outlets and _____ inspections _____ devices like _____?

_____ I check those power _____ connections?

Can _____ tell us how _____ outdoor _____ and _____ inspections _____?

_____ should I _____ at _____ power _____ and connections?

_____ any advice on _____ often to _____ power _____?

How often should _____ my _____?

_____ inspect _____ plugs and _____ with such devices is not known.

_____ many _____ should _____ check the _____ and connections?

_____ we check _____ connections for _____ devices?

Would _____ be wise to _____ check _____ electrical _____ and associated _____?

Do _____ is a good idea to assess _____ ports _____ are aligned with _____?

How often will we _____ the _____?

How often _____ look in _____?

_____ often _____ we _____ external _____ connections associated with these gadgets?

_____ to _____ at _____ connected with _____ gadgets?

_____ you _____ keeping _____ the outside liaisons _____ with these types of _____?

_____ information on the _____ inspection frequencies for _____ power _____?

_____ want _____ know the _____ of _____ outlet _____ for devices like these.

How _____ time _____ spend looking _____ electrical _____ external plugs _____ like that?

_____ often should _____ check _____ outlets and other _____?

_____ know _____ recommended inspection _____ power outlets and device connections?

_____ should _____ evaluate our _____ points?

_____ many _____ should _____ the power plugs and _____?

When _____ need _____ check _____ outdoor power _____ how _____?

What times _____ the electrical _____ of access?

_____ should we _____ the external _____ outlets associated _____ gadgets?

_____ you _____ keeping _____ eye on the _____ used _____ these gadgets?

_____ a _____ to conduct regular _____ the _____ used in capturing outdoor _____?

_____ times do we _____ power outlets?

Are _____ able _____ guidance _____ frequencies _____ power outlets and device connections?

How often must _____ our _____?

_____ we check _____ power outlets and device _____?

Can _____ suggest the frequencies of _____ power _____ inspections _____ these _____?

How _____ I _____ to spend looking at _____ external plugs and stuff _____?

_____ to know _____ often we're _____ look _____ power connections.

What _____ should we _____ electrical _____?

_____ rate should one inspect _____ plugs _____ such devices?

_____ mechanisms be inspected regularly?

_____ plugs and _____ used together _____ these devices _____ be _____ what _____.

How _____ times should I _____ their _____ and _____?

How often should _____ power _____?

How much _____ devote _____ inspecting electrical _____ external plugs _____ crap?

Can we check _____ connections _____?

How _____ do we _____ to _____ external power outlets _____?

Power _____ used _____ devices _____ be inspected at a _____ rate.

_____ good idea _____ conduct regular checks _____ connectors used in _____ electricity?

_____ we _____ outlets and _____ connections more often?

Can you _____ outdoor _____ outlet _____ connection checks are _____?

Is _____ to _____ at _____ outdoor _____ sockets _____ similar links?

_____ what rate _____ inspect power _____ and interface used _____?

How _____ be visiting _____ outlets?

Do _____ know _____ should inspect my power _____ and _____?

_____ often _____ visit _____ external _____ outlets?

Do _____ it's worth inspecting _____ outlets _____ often?

_____ how often we _____ inspect _____ power outlets.

_____ often should we _____ our _____?

_____ we check the power _____?

_____ we _____ out our _____ connections?

_____ we check _____ power _____ more _____?

_____ a _____ idea to periodically assess _____ outdoor electrical _____?

How _____ exterior power _____?

_____ it be _____ to regularly _____ the _____ plugs?

How _____ we _____ for outdoor _____ associated hookups?

_____ a good idea _____ assess the _____ outdoor _____ and links?

_____ to inspect external power _____ and _____ frequently?

_____ often should _____ a look _____ power outlets?

How _____ are _____ external _____ checked?

_____ person inspect power plugs _____ interface used with such _____?

_____ we _____ routine _____ on our _____ and related _____?

_____ many times _____ year should _____ at their _____ connectors?

Is it _____ to _____ exterior _____ connectors _____?

How _____ should _____ the _____ sockets and connections?

Is _____ necessary _____ check _____ outlets frequently?

Are _____ frequent _____ outlet and connection _____ devices _____ these?

At what rate should _____ the _____ and _____ used with _____?

_____ one look at _____ outdoor _____?

_____ must we check _____?

How _____ should _____ check out my power _____?

_____ much _____ our _____ power outlets _____ other connections?

_____ their outdoor circuitry connectors?

_____ you _____ an idea _____ how _____ I _____ to _____ external plugins using such _____?

Is _____ any suggestion of intervals _____ exterior electrical _____?

_____ I supposed to spend looking _____ hoohahs like _____ plugs and _____?

Can _____ tell me how _____ should _____ a survey _____?

_____ you _____ us about _____ recommended inspection _____ our external _____ outlets _____ device _____?

_____ it necessary for _____ checks _____ mechanisms?

What _____ recommended inspection _____ be _____ external power _____?

_____ it a good idea to assess the _____ plugs _____?

How frequently _____ we _____ our _____?

_____ to know _____ for _____ our external _____ outlets and _____ connections.

_____ rate _____ the _____ plugs _____ interface be inspected?

How _____ we have to _____ our _____ outlets?

_____ should _____ power outlets _____ other _____ for _____ gadgets.

We don't _____ how often _____ outdoor power _____.

Should we _____ outdoor _____ sockets and _____?

_____ frequently do we _____ to _____ out _____ power _____?

Do _____ frequencies _____ outlet and connection inspections?

Do you think _____ taking _____ power _____ frequently?

Is it _____ idea _____ examine _____ outdoor _____ and similar _____?

Can _____ the _____ of _____ power outlet _____ connection inspections?

_____ to examine _____ sockets _____ similar _____?

____ it make sense ____ assess ____ function of ____ plugs?
 We ____ evaluate ____ electrical ____ access ____ what times?
 ____ what ____ should one check ____ plugs and interface ____ ____ ?
 Which inspection ____ are recommended for ____ connections?
 Is it a good idea ____ checks on ____ devices?
 Should ____ required ____ the ____ of ____ electric sockets?
 Can you tell me ____ I ____ look ____ my ____ ?
 Is there any ____ at which ____ electricity plugs?
 Is ____ a good idea ____ conduct regular ____ the ____ to capture ____ ?
 ____ do we ____ our ____ outlets ____ ?
 How ____ are ____ supposed ____ look ____ power equipment?
 Can ____ give us ____ the frequency ____ and connection inspections?
 I would ____ know ____ recommended ____ inspecting ____ outlets ____ associated connections.
 How often ____ suggest ____ eye on ____ used by the ____ ?
 ____ should you ____ power outlets?
 ____ do ____ need to check ____ our ____ outlets?
 Should ____ inspect ____ power ____ more ____ ?
 ____ us the frequencies ____ outdoor power outlet ____ for devices like ____ ?
 How often do ____ need ____ check ____ power ____ ?
 ____ we be visiting those ____ ?
 ____ it a ____ idea ____ examine our ____ outlets as well as ____ ?
 ____ we ____ power outlets more ____ ?
 ____ often should ____ power ____ for ____ like these?
 At ____ should we ____ at the ____ points?
 ____ what ____ plugs and interface ____ with such devices?
 Is ____ necessary to ____ power ____ ?
 Is ____ a ____ idea for regular exams ____ regarding ____ connections?
 ____ often should ____ power hookups?
 ____ you tell ____ about ____ our power ____ and device connections?
 ____ often ____ suggest keeping an ____ exterior liaisons used with ____ ?
 ____ it advisable to inspect power ____ and ____ with such ____ .
 ____ we ____ our external ____ outlets ____ frequently?
 How many times ____ need ____ check ____ power ____ ?
 ____ there ____ on ____ recommended ____ frequencies for device ____ and external ____ ?
 ____ should ____ check out our ____ outlets?
 ____ do ____ think ____ when to ____ ports from outside ____ ?
 ____ should check power outlets ____ more ____ .
 ____ power ____ be reviewed ____ ?
 Can ____ power outlets and ____ connections more ____ ?
 Do ____ it's a ____ assess ____ ports ____ outside ____ for safety?
 How ____ I ____ the ____ power ____ ?
 How ____ we ____ the power ____ of ____ gadgets?
 There is a ____ on how ____ power ____ .
 Should ____ inspect ____ outlets ____ connections ____ often?
 ____ should I check out my ____ and ____ ?
 ____ outdoor ____ outlet and ____ checks for ____ like these?
 ____ we keep an eye ____ external ____ ?
 ____ often ____ we look out ____ our ____ hookups?
 ____ want ____ often ____ look into the power fittings.
 Can ____ the number ____ times ____ should ____ the externalplUGINS used with ____ .

Is _____ advisable _____ an inspection on _____ plug _____?

Will _____ check power outlets _____?

Can you _____ often _____ need to _____ Plugins?

How often _____ look at _____?

_____ to _____ power outlets frequently?

How often _____ check out _____ power _____?

Do you _____ the _____ interval for _____ power _____ and _____?

_____ often _____ look _____ outlets and _____ associated with gadgets?

_____ often _____ we check _____ outdoor plugs _____ related _____?

How _____ check the _____ outlets _____ cords?

How much _____ required to check _____ outlets?

_____ should we _____ eye on our _____ outlets?

How _____ must we examine _____?
