

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Network coverage and availability questions
Inquiry Sub-Category	Slow internet speed
Description	Customers experience consistently slow internet speeds, and this category includes inquiries regarding potential reasons behind the issue and possible solutions to improve the speed.
Data Size	9,843 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

_____ possible that _____ devices on my _____ slowing _____ overall speed?

_____ devices _____ the network affect _____ overall _____?

_____ possible due _____ connected _____?

_____ peripherals cause the _____ to _____?

Is there _____ of _____ speeds because _____?

_____ it _____ that additional units _____ network _____ me?

Is _____ network _____ by _____ slowdowns?

_____ it _____ that _____ decrease connection _____?

Slow speed _____ be _____ other _____ on my _____.

_____ wondering if the presence _____ additional _____ might affect _____.

_____ multiple connected devices _____ decreased _____?

_____ any risks of reduced _____ to devices _____ the _____?

_____ there a chance _____ speeds _____ to _____ on _____ network?

_____ _____ affect the network's _____?

_____ speed affected _____ potential slowing _____ other _____ in _____ network?

The _____ affected _____ more items.

Is _____ possible _____ decrease _____ speed?

_____ my network's sluggish speeds.

Is _____ possible that _____ devices _____?

_____ any devices _____ my network slow _____?

Is _____ possible _____ slowing down the network's _____?

Will there be _____ that _____ system?

_____ gadgets _____ the _____ of the _____?

I wonder if _____ network's _____ are influenced _____.

_____ it possible _____ other _____ slow _____ my network?

Is _____ other _____ my _____ to slow down?

Is _____ other devices _____ down?

Is _____ possible _____ to cause slow _____?

Is _____ slow because _____ are dragging _____ the _____?
 _____ devices _____ hamper speed.
 _____ be impacted by the _____ of _____ items.
 _____ a problem _____ the _____ units on _____ network.
 _____ on the _____ might _____ slowing down _____ speed.
 _____ a possibility _____ reduced _____ due _____ devices on _____ network.

Do _____ on my _____ overall speed?
 _____ other _____ on _____ cause the slow _____?
 Other _____ are able _____ slow _____.

_____ possible that _____ are affecting _____ speed?
 _____ possible _____ a problem on my network?
 I don't know _____ network to slow _____.

_____ slower _____ influenced by others?
 _____ the presence _____ additional devices _____ my _____ speeds.
 _____ other _____ on _____ causing issues?

Can a _____ devices affect _____?
 Is it _____ nearby _____ are messing _____ performance?
 _____ the _____ my _____ by others?
 _____ possible _____ connections for _____ devices _____ affect speed _____?
 _____ devices _____ the _____ performance?
 _____ network _____ down the _____ of the network?

Other devices _____ my network are _____.
 _____ internet _____ by other _____?

Other network devices _____ speed.
 _____ there _____ extra _____ my _____ down?

Is _____ a chance _____ certain _____ causing our _____ speeds _____ slower?
 _____ is a chance that _____ will _____ the speed _____.
 _____ multiple _____ decrease in speed?
 _____ connection _____ I'm experiencing _____ be affected by _____.
 _____ result in _____ performance?

Is _____ slow speed _____ to other _____ network?
 _____ speed affected by other _____.

_____ there any _____ speeds _____ of _____ on the network?
 The _____ by other devices within _____ network.

Is _____ impacting the overall _____?
 _____ additional _____ reduce connection _____?

I _____ know _____ devices on my _____ are slowing _____ speed.
 Other _____ my network could be _____ my _____.

slower speeds _____ of other _____

Can _____ of the network?
 _____ other devices _____ responsible _____ the slower speed.
 _____ the _____ down because there are other _____ use?

Other _____ can _____ delays.

Are the other _____ to _____ affecting _____ speed?
 _____ chance that _____ devices on my network are _____?

What _____ devices _____ network slowed the _____?

I don't _____ gadgets are _____ blame for _____ with _____ performance.
 _____ other _____ slowing down _____ speed?

Is _____ possible that _____ gets _____ of devices?
 Is _____ network really _____ devices?

_____ sluggish _____ be influenced _____ others.
 _____ the _____ can _____ speeds.
 _____ could be _____ by _____ network devices.
 _____ that _____ due to devices?
 _____ being connected to _____ speed?
 Is _____ another _____ can _____ the _____?
 Is it _____ gadgets are disrupting _____?
 Do we have _____ chance _____ reduced speeds _____ devices _____?
 I _____ if other _____ internet _____.
 _____ electronics affect the _____?
 _____ extra _____ decreasing connection _____?
 Is it possible that _____ the network _____ speed?
 Is _____ that connectivity for multiple _____ would _____?
 _____ might _____ possible _____ to other _____ gadgets.
 Can _____ speed performance?
 _____ it _____ that the network _____ could be impacted _____?
 _____ more gadgets affect _____?
 _____ it possible _____ gadgets to _____?
 I _____ if nearby gadgets _____ blame for _____ internet _____?
 Is the _____ of _____ network _____ by _____ slowing?
 _____ other gadgets on my _____ blame _____ the _____ internet speed?
 _____ the _____ speed is affected _____ these _____?
 Is my network slower _____ other _____?
 _____ network's _____ influenced by other _____.
 Can other _____ interfere _____ performance?
 I _____ if _____ is caused by _____ on my network.
 _____ devices interfere _____ network _____?
 _____ it possible other _____ my _____ are causing _____?
 Could _____ apparatus _____ network's _____?
 Is _____ possible _____ speed _____ due to other devices?
 _____ affect the _____ speed?
 _____ performance affected _____ devices?
 _____ swiftness could be affected by the _____.
 _____ down my system?
 _____ other devices on _____ affecting _____ speed _____ my _____?
 Are _____ any _____ network's _____ affected by other devices?
 Can _____ affect the _____?
 Can other _____ network?
 There _____ that other devices _____ my network _____ affect _____.
 The _____ speeds I'm experiencing _____ affected _____ of additional _____.
 The _____ speed _____ be _____ other devices in _____.
 Is _____ overall _____ of _____ network _____ gadgets?
 There _____ a chance _____ due _____ device _____ network.
 Some _____ be _____ our connection _____.
 Are other gadgets _____?
 _____ may _____ making _____ internet slower.
 Some _____ on my _____ causing _____.
 _____ that other devices _____ slow _____ network?
 There is _____ is affecting our connection _____.
 _____ could be negatively impacted by _____.

_____ on my network _____ down?
 Is _____ possible that _____ the connection?
 _____ am _____ if _____ slow _____ are _____ by others.
 Network _____ lope can _____ units.
 There _____ be _____ problem with additional _____ the _____.
 _____ some gadgets are _____ internet speed?
 Can _____ units slow _____?
 Do the additional _____ speed?
 Does _____ impact _____ speed?
 _____ other _____ the _____ speed?
 _____ additional electronics _____ an _____ connection?
 _____ can affect overall _____.
 Could other gadgets on _____ network _____ to _____ a decrease _____?
 Can _____ impair the _____?
 _____ stuff slower _____ gadgets are attached _____.
 _____ plausible _____ other gadgets _____ internet _____?
 _____ more stuff on _____ have an _____ it?
 Can _____ connected _____ result _____ slower _____?
 _____ I blame _____ gadgets _____ the internet performance?
 Do other devices on _____ have _____ the speed _____ network?
 Does _____ due to additional _____?
 Is _____ the other gadgets _____ our _____?
 _____ on the network could _____.
 _____ a _____ other devices on my network will _____ the _____.
 The _____ slow my network.
 _____ extra devices make _____ system _____?
 Was _____ overall _____ neighboring apparatus?
 Could nearby gadgets _____?
 Might _____ swiftness be affected _____?
 Does _____ connected devices _____ speed _____?
 I _____ other _____ are _____ blame _____ the _____ speed.
 _____ adding gadgets _____ speeds?
 Might nearby _____ affect _____?
 Is it _____ devices are slowing down?
 _____ possible that my network _____ by _____?
 _____ the slow _____ a _____ of _____ devices on _____?
 There could _____ reduced _____ due to _____ the _____?
 Has the _____ speed _____ apparatus?
 _____ slow down the _____?
 _____ there any _____ hardware _____ slowing _____ connection speeds?
 Are _____ devices that _____ network _____?
 Could _____ connected _____?
 Is the _____ by _____ devices _____ my _____?
 I wonder _____ other devices _____ are causing _____.
 _____ possible _____ devices _____ to my network will _____ my _____?
 I _____ if other _____ are _____ the speed.
 _____ other devices _____ my _____
 _____ my network make things _____?
 _____ the presence _____ other _____ make _____ slow?
 _____ performance may be _____ additional _____.

I _____ devices _____ are slowing down.

_____ other _____ may affect _____ network.

_____ other network _____ hinder _____?

Will slower speeds _____ due to _____?

_____ the presence _____ extra _____ impacting _____ connection _____?

_____ possible that _____ other devices _____ network _____ slowing down?

_____ it possible _____ speed _____ caused by _____ devices?

_____ connected _____ setup can affect my speeds.

_____ the _____ of the _____ affected _____ the other _____?

Perhaps _____ slow from _____ devices.

_____ possible _____ devices _____ the network are slowing _____?

_____ that gadgets _____ interfering _____ internet speed?

_____ a _____ other _____ on my network _____ slowing _____?

_____ devices _____ network _____ speeds?

Is _____ speeds _____ by _____?

The network may _____ dragging _____ the _____.

Will my _____ of the _____ devices?

Is _____ presence _____ other devices _____?

_____ gadgets might _____ network slower.

_____ devices can result _____ decreased speed _____.

_____ the presence _____ devices _____ network?

_____ wonder if other devices on _____ the _____.

_____ internet _____ the inclusion of _____ items?

_____ other devices on _____ the _____?

_____ possible _____ speeds to _____ due _____ other connected gadgets?

_____ network performance affected _____?

Is the _____ influenced _____ others?

There _____ issue _____ units on my network.

Other _____ be _____ network.

Is _____ possible that other gadgets _____ making _____?

_____ there _____ adverse _____ on performance from _____?

Is _____ possible _____ have slower _____ of other _____?

_____ appliances _____ connection speeds?

Is there _____ chance _____ is disrupting our _____?

_____ gadgets may _____ to _____ in internet speed.

_____ presence of _____ devices _____ speed of my _____?

Is _____ presence _____ additional devices _____ my _____?

_____ of _____ devices could affect _____.

Can the presence of _____ than one _____?

_____ electronics affect _____ of _____ connection?

_____ speeds might _____ due to other _____.

Is _____ possible that _____ gets _____?

_____ many _____ network performance?

The _____ speed may be affected by _____ connected _____.

I _____ other _____ devices are _____ down _____ speed?

Will _____ extra _____ my system down?

_____ other _____ impede _____ internet _____?

The presence of _____ the network.

Is _____ possible that _____ network _____ are _____?

Other devices _____ may be _____.

Is _____ more items _____ impact internet _____?

Is the speed _____ other devices?

Do _____ electronics _____ reduction in _____?

There could be reduced _____ to _____.

Is _____ network _____ from _____?

Are there _____ of the speed _____ devices?

Could neighboring devices _____?

Potential _____ devices within my _____ affect the _____ speed.

_____ on my _____ may _____ the _____.

_____ the _____ speed _____ by _____ neighboring apparatus?

Is _____ network likely _____ affected by _____?

Can _____ of more _____ internet _____?

_____ that neighboring _____ slow overall speed?

Do other _____ internet _____?

_____ it possible that _____ of _____ devices _____ affect _____ connection _____?

Can _____ peripherals _____ with the _____?

_____ items _____ internet working?

_____ bandwidth being _____ by other _____?

_____ slow speed _____ caused by _____ devices on my _____?

I _____ if other gadgets _____ on _____ network.

_____ network speed could _____ by _____

_____ presence of other _____ the connection _____?

Is there _____ of reduced _____ if _____ devices _____ network?

_____ other connected _____ down _____ speed?

_____ adding _____ items _____ internet _____?

_____ it _____ gadgets _____ slower networks?

_____ can be _____ other _____ in my network.

_____ electronics shorten _____ connection?

_____ devices _____ overall speed.

_____ internet speed _____ due to _____ gadgets _____ network?

There _____ devices that _____ network _____.

Is stuff _____ more gadgets are _____ Net?

Is _____ a _____ of the speed _____ devices on _____?

Is there _____ chance _____ other devices _____ affect _____?

_____ possible that _____ network is slowing _____ of _____ gadgets?

_____ possible that others _____ my _____ slowing down the _____?

_____ be possible _____ to _____ gadgets.

_____ it _____ that _____ overall speed?

_____ be other _____ my network _____ down.

_____ it possible _____ multiple gadgets linked _____ wireless _____ affect _____?

_____ it possible _____ other _____ for the slower speed?

I wondered if _____ slow speed was _____ by _____.

_____ it _____ bandwidth is _____ by other gadgets?

Do _____ gadgets affect _____?

_____ speed of my _____ affected by _____ on _____?

Can _____ impede the _____?

There is _____ chance _____ will _____ reduced due _____ on _____ network.

Could _____ slowing _____ network down?

Other _____ slow _____ network.

_____ affect _____ internet velocity?

Is _____ that _____ gadgets _____ network to slow?
 _____ there _____ chance _____ devices on my network will _____?
 Might _____ of _____ affect the speed _____ connection?
 Is _____ network slow _____ to _____ presence of _____?
 Is _____ devices _____ performance?
 _____ my network _____ affected _____?
 _____ might be _____ the network _____.
 _____ that certain hardware is slowing _____ speeds.
 _____ overall speed _____ network diminished _____ other gadgets?
 _____ possible that neighboring _____ diminish _____?
 _____ be _____ our bandwidth.
 _____ devices _____ the internet?
 Other _____ may _____ the _____.
 Do other gadgets _____?
 Is _____ that other _____ is _____?
 _____ extra _____ to slow down _____?
 Is _____ speed due to the _____ my _____?
 _____ other devices _____ network _____?
 I _____ additional devices will affect my _____ speed.
 _____ alternate _____ make _____ network run _____?
 Is _____ network _____ because _____?
 Can _____ be adversely _____ multiple gadgets?
 Does the presence _____ devices affect _____ speeds _____ experiencing?
 _____ devices _____ an affect _____ speed?
 _____ it _____ the _____ gets slow _____ the devices?
 _____ is _____ for _____ to cause _____ connections.
 Is _____ possible for gadgets _____?
 Is _____ network _____ slowed _____?
 _____ the _____ speeds influenced _____ people?
 _____ devices cause _____ network to _____?
 _____ there _____ effect _____ performance from _____ electronics?
 _____ it possible _____ other gadgets _____ connections?
 _____ speed _____ to other devices _____ my network.
 Is _____ speed of _____ by _____?
 _____ likely that gadgets on my _____ down?
 _____ extra gadgets _____ internet _____?
 Can _____ devices _____ my connection speeds?
 Is it _____ hardware _____ with _____ connection speeds.
 There _____ a chance certain _____ connection speeds.
 Do _____ devices _____ network _____ my network _____?
 I wonder if other _____.
 _____ it _____ that there _____ be reduced _____ due _____ the network?
 Is _____ network slowing _____ devices are slowing _____?
 Does _____ slower if _____ are more _____ attached _____?
 Is it _____ that _____ devices on _____ slowing?
 _____ is a chance that _____ affecting _____ speeds.
 Is the speed being _____ network _____?
 Do _____ impede _____ speed _____ network?
 Is _____ that _____ gadgets are responsible _____ in _____ speed?
 Can the _____ affected by other _____ on _____?

_____ wonder if _____ devices _____ my network are slowing _____ .
_____ the _____ being _____ due to other devices _____ ?
_____ slow speed might _____ other _____ .
_____ nearby _____ internet performance?
_____ possible that gadgets linked to _____ speeds?
The slow speed could _____ the _____ of _____ the _____ .
Is there _____ dragging down _____ my network?
_____ overall _____ speeds I'm experiencing _____ be impacted _____ of _____ devices.
_____ other devices are _____ my network _____ .
_____ adjacent _____ the _____ speed?
_____ network devices affect _____ ?
Can _____ impact _____ speed?
Other _____ internet's speed?
Could the _____ speed be _____ by slowing _____ devices _____ network?
_____ if other _____ on _____ were _____ down?
There is a _____ speed being _____ devices on my _____ .
Can _____ of connected _____ affect _____ ?
Is _____ other gadgets _____ our bandwidth?
_____ on performance from fellow-network _____ ?
_____ slower _____ due to _____ connected _____ ?
Is it _____ that some _____ slowing down?
Is it possible _____ speeds?
Can _____ slower _____ to _____ gadgets?
Might _____ the network _____ ?
Does the _____ network slow down the _____ ?
_____ if _____ speed _____ affected by slowing caused _____ other _____ .
Other _____ the network.
Is it _____ that other gadgets cause _____ ?
_____ affected by other devices.
Is _____ presence _____ other _____ my network _____ ?
_____ speed _____ down because other devices _____ used.
Is _____ more _____ impede _____ performance?
_____ connected _____ affect speeds?
_____ connection affected _____ additional _____ ?
Was it _____ for _____ slow connections?
Is the _____ being _____ by _____ ?
_____ there _____ decreased speed _____ from _____ connected _____ ?
_____ due to connected gadgets.
_____ extra electronics _____ velocity?
It's possible _____ connected devices are _____ speed.
_____ speed slower by _____ devices?
Can other _____ network _____ ?
Is it _____ that _____ devices were _____ down _____ ?
_____ other _____ a negative effect on _____ ?
Network _____ be _____ by additional _____ .
There _____ an _____ from _____ units _____ the network.
_____ slow speed be _____ other devices on my _____ ?
Do _____ devices bother _____ ?
Has the _____ in internet speed _____ other _____ my _____ ?
_____ inclusion of more _____ affecting _____ ?

_____ my network _____ of _____?
 Could _____ overall speed _____?
 _____ of electronics _____ speed?
 Is _____ possible _____ other _____ hurting _____ speed?
 _____ possible _____ there is _____ additional units on _____ network?
 _____ can be _____ by other _____.
 _____ slowing _____ other devices within my _____ could _____ speed.
 I _____ additional units _____ my _____ me.
 _____ hampered _____ neighboring peripherals?
 _____ the _____ of _____ devices _____ affect the overall _____ speeds.
 _____ overall _____ by slowing caused _____ other devices?
 _____ wonder if I _____ gadgets _____ messing with _____ performance.
 Is it _____ that other gadgets _____ adversely _____?
 _____ may be that _____ slow from _____ devices.
 Is slower _____ possible _____ connected _____ involved?
 Some _____ gadgets _____ slower _____.
 _____ it possible _____ some _____ slower _____?
 _____ the _____ to other devices?
 Is _____ network slow _____ presence _____ other _____?
 _____ it possible that _____ are to _____ a decrease _____ internet speed?
 _____ devices are _____ down the _____
 Can the presence _____ devices affect _____?
 The connection velocity can be _____.
 _____ there any risk _____ reduced speeds due _____ the _____?
 _____ speed _____ the neighboring devices?
 _____ additional _____ connection _____ go slower?
 _____ units affect the _____?
 Is it possible that _____ a slow _____ on _____?
 Is _____ network speed _____ apparatus?
 _____ was _____ if _____ on _____ were slowing down.
 Can _____ Devices _____ the _____?
 _____ connected devices _____ cause a _____ speed _____.
 _____ speed caused _____ other networks?
 The pace _____ network _____ be _____ by _____ units.
 _____ devices _____ be _____ down the speed on _____.
 Is the internet _____ devices?
 _____ can _____ devices _____ the _____?
 Is it probable _____ other _____ blame _____ the _____ speed?
 _____ a risk of reduced _____ to _____ on _____ network.
 Is _____ chance that _____ gadgets _____ internet speed?
 _____ slow _____ is caused _____ devices on _____ network.
 _____ the overall speed _____ by _____ devices on _____?
 _____ peripherals cause _____ to go _____?
 Is it _____ that _____ the _____?
 Could _____ devices _____ speed?
 _____ wonder _____ the _____ of _____ devices affects the _____ connection _____.
 _____ other _____ be _____ for the _____?
 _____ there a negative effect on _____ fellow _____?
 Might neighboring _____ cause _____?
 _____ any _____ gadgets impact my _____?

Is ____ other ____ slowing ____?

The ____ might be affected ____ other ____ my ____.

____ cause the ____ go down?

Do additional ____ network ____?

____ devices can ____ speed.

____ additional ____ to decrease ____ speed?

____ presence of ____ devices ____ my network.

Is ____ my network ____ by ____?

Stuff ____ slower if more ____ are attached ____.

The ____ could ____ caused by ____ my network.

Additional ____ performance?

Does the ____ impact my ____?

____ I blame ____ nearby ____ messing with the ____?

____ it likely ____ other ____ make my ____?

Is ____ is caused by other devices?

____ other gadgets ____ a slow down ____ my network?

____ other ____ affect my ____?

____ pace lope ____ by alternate units.

____ of other devices affect my ____?

Do ____ devices on my network have ____ speed?

Is ____ possible ____ are ____ slowing ____ down?

____ that other ____ responsible for the slow ____?

____ apparatus ____ the ____ speed?

____ speed ____ affected by ____ devices within my ____?

____ my ____ slowed ____ gadgets?

____ overall ____ performance ____ by ____ connected devices?

____ items ____ internet swiftness?

Is the ____ the ____ other gadgets?

____ additional ____ network performance?

____ there ____ adverse ____ performance from other network ____?

Is it possible ____ neighboring ____?

____ slower speeds ____ to connected ____?

Is ____ that ____ is slow ____?

Will ____ slower ____ extra devices?

Might there be a ____ between ____ slower ____?

____ alternate ____ hinder the ____?

____ my network making ____ to ____ devices?

Is there a chance ____ slower speeds ____?

Potential slowing ____ other ____ within ____ network could ____.

____ is a ____ of reduced speeds, ____ on ____ network.

____ the problem ____ network ____ by other ____?

Are other ____ slow?

Is the slow speed caused ____?

I ____ if ____ by ____ devices in my network.

____ other devices on ____ network speed?

____ may be ____ network.

Is it possible ____ multiple devices ____ speed ____?

____ might be ____ slow from ____.

____ if ____ are dragging ____ the ____?

____ speed ____ by neighboring ____?

Is internet _____ items?

Is it _____ the _____ are slowing _____ the _____?

_____ my _____ making _____ slower because other _____ on _____?

_____ might become _____ devices.

There _____ on performance from _____ network electronics.

_____ slower speeds _____ connected gadgets?

_____ more things on _____ affect _____?

_____ the presence _____ devices _____ down?

_____ if _____ slowing the network down.

Do _____ the network affect _____?

Is _____ speed of _____ being _____ by _____?

_____ it _____ that nearby _____ might _____ internet _____?

There _____ be _____ with _____ additional units _____ network.

_____ is _____ of the _____ will be _____ by other devices.

_____ wonder _____ other devices _____ making _____ internet _____.

_____ are possible if _____ connected _____ are _____.

Do _____ on _____ network _____ the _____?

_____ be an _____ on _____ from _____ network electronics?

_____ other devices _____ my network _____?

_____ it possible _____ nearby _____ with the internet _____.

Can _____ presence of _____ devices _____?

Slower _____ could _____ other connected _____.

_____ may _____ other devices _____ my _____ cause the slow _____.

_____ gadgets on _____ may _____ to _____ for _____ decrease in internet _____.

_____ devices _____ the network's speed?

Is it _____ gadgets are _____ bandwidth?

_____ certain hardware _____ blocking our connection speeds?

_____ other _____ on my _____ the _____ of the _____?

Does _____ decreased speed performance?

_____ adding devices _____ network _____?

_____ presence of _____ devices affect the _____?

do more devices _____?

_____ are _____ because _____ other gadgets

_____ likely that the speed is _____ by other _____?

_____ additional devices bad _____?

Do additional electronic _____?

_____ the _____ more _____ impact _____ speed?

There _____ devices _____ my network _____ be causing _____ slow _____.

The devices _____ are _____ things _____.

_____ a chance _____ slower speeds due to _____?

Is _____ network performance?

Other _____ are dragging _____ speed _____.

Is _____ presence of _____ devices affecting _____?

There _____ other _____ that _____ hamper the _____.

Is there a _____ internet _____ gadgets _____ my network?

The speed may _____ affected by _____ within _____.

_____ another _____ on _____ network _____ speed issues?

_____ speed _____ affected by other devices _____ network?

Is additional _____ speed?

_____ the _____ additional devices affect the _____?

_____ having other _____ make _____ slower?
 _____ could be _____ for _____ to _____ slow _____.
 _____ it possible _____ near each _____ cause slow _____?
 _____ the speed _____ down because other _____ use?
 _____ it _____ that _____ linked _____ my wireless setup _____ affect _____ speeds?
 _____ that neighboring _____ could _____ speed?
 _____ dragging down _____ speed?
 Is it _____ other _____ disrupting our _____ bandwidth?
 _____ could _____ negatively _____ by _____ devices.
 _____ my _____ causing _____ devices _____ down?
 _____ it _____ possible for _____ cause slow connections.
 Is it possible _____ appliances _____ shared _____ operation _____ full _____?
 _____ speeds possible due to devices _____?
 _____ down the connection?
 _____ on _____ network _____ slow down _____ speed.
 Will _____ be _____ devices _____ slow my _____?
 _____ devices impair network _____?
 _____ that _____ speed _____ slowed _____ because of other devices?
 Other _____ may slow _____.
 Is _____ any _____ reduced speeds _____ to _____ on _____ network?
 Can other network _____ way of the _____?
 Do _____ the _____ of internet?
 Is it likely _____ the slower _____ other _____?
 Is _____ possible _____ hardware is sabotaging _____ speeds?
 Is _____ decrease in internet _____ other _____ on my _____?
 Some _____ are slowing down.
 _____ the _____ by _____ slowing caused _____ other devices?
 _____ devices affecting the _____?
 Is _____ possible that other _____ on _____ for the decrease in internet _____?
 Can other _____ be _____ delays?
 _____ additional gadgets affect internet _____?
 _____ other _____ the _____ down the pace?
 Can multiple _____ linked _____ my wireless setup affect _____?
 Is _____ going to _____ slow because of _____?
 Is _____ a _____ are impacting bandwidth?
 Other _____ can _____ network _____.
 _____ pace _____ be _____ affected by _____ units.
 _____ the presence _____ additional _____ connection speeds?
 _____ wonder _____ more stuff _____ my _____ could affect _____.
 _____ the _____ speed _____ from _____ gadgets on my network?
 Is the _____ in internet speed _____ to _____?
 _____ hardware _____ our connection speeds.
 I am _____ if _____ my _____ are causing _____.
 _____ additional _____ speed more?
 _____ slow my _____?
 Do _____ halt the _____?
 _____ presence _____ other _____ affect my network?
 Is _____ possible _____ on _____ network could slow _____ speed?
 Other _____ could be dragging _____.
 Can _____ cause a _____ in speed _____?

_____ speed can _____ other devices.
 _____ there be _____ speeds _____ to _____?
 _____ wonder if _____ could _____ gadgets for _____ with _____ performance.
 _____ other _____ on _____ network _____ speed?
 Is _____ true that _____ electronics decrease _____?
 _____ possibility _____ the _____ be reduced _____ to devices _____ the network.
 Is _____ that other devices are _____ blame _____ speeds?
 _____ devices might _____ down _____ speed.
 _____ it _____ that _____ devices _____ my network are _____?
 Can _____ interfere with _____ speed?
 Slower _____ possible if other connected _____.
 _____ slower speeds due to other _____.
 Is _____ speed _____ by the _____ of _____ devices _____ the _____?
 Do _____ my _____ sluggish _____?
 _____ devices _____ be slowing the _____.
 Is _____ the speed?
 _____ devices impede _____ performance?
 _____ the _____ of the devices?
 Multiple connected _____ result in _____.
 Do _____ network slow _____ the speeds?
 Is _____ possible that _____ being slowed _____ to _____ gadgets?
 Can _____ impede _____ pace?
 _____ the _____ affected _____ network devices?
 _____ there more _____ on my _____ might affect _____?
 Slower _____ as a result of other _____.
 _____ if other devices are _____.
 _____ may be moving _____ a slower _____.
 I _____ if _____ presence of more _____ my _____ speeds.
 Speed _____ negatively _____ by _____ devices being _____.
 Do _____ devices on _____ slow _____?
 I _____ if _____ speed _____ due to other _____ on my _____.
 Is _____ down due to other _____ my _____?
 _____ a possibility of _____ adverse _____ from fellow-network electronics.
 _____ a _____ that _____ gadgets are impacting _____ bandwidth.
 _____ the other _____ dragging?
 _____ neighboring _____ disrupt _____ overall _____?
 Is _____ decrease _____ other gadgets on the network?
 _____ to know if there _____ any obstruction from _____ on _____.
 Is _____ because _____ other devices?
 _____ can _____ caused by _____ on _____ network.
 Is the _____ slow _____ by _____?
 _____ presence of additional devices _____ the _____ speeds I _____?
 _____ possible that _____ devices _____ affect _____ negatively?
 Is _____ possible that _____ units _____ network _____ affecting my _____?
 _____ interference from additional _____ my network?
 I _____ to _____ other _____ on my _____ to blame for a _____ internet _____.
 Is it possible _____ affecting _____ bandwidth?
 _____ possible that a neighboring device _____ connections?
 I _____ if _____ slow _____ a result _____ on my network.
 _____ that gets _____ from devices.

_____ that _____ devices _____ the _____ are slowing down?
 _____ slower _____ more Net _____ are _____?
 _____ might slow _____ speed.
 _____ a _____ of _____ speeds _____ the _____ on the network?
 _____ blame for _____ slower speed?
 _____ speeds may be _____ other connected _____
 _____ devices _____ my _____ interfere with _____ speed?
 _____ it possible that I _____ other _____ network?
 _____ connected _____ might be _____ speed.
 _____ know _____ gadgets messed _____ the internet performance.
 _____ the overall _____ hampered _____ network _____?
 Are _____ speeds _____ connected gadgets?
 _____ be affecting our _____?
 _____ other _____ have an _____ my _____?
 Is the _____ speed _____ by _____?
 _____ presence _____ other _____ affecting _____ network?
 _____ the presence _____ devices affect the _____ speeds _____?
 _____ there a chance _____ reduced speeds when _____ on _____?
 _____ additional _____ the connection go _____?
 _____ it possible _____ down due to other _____?
 There _____ devices _____ network that are _____ slower.
 _____ possible our _____ bandwidth _____ being _____ by other _____?
 _____ possible that other gadgets _____ impacting _____.
 I _____ if _____ gadgets on _____ blame for a decrease in _____.
 _____ possible that other gadgets _____ affecting _____ bandwidth?
 _____ additional _____ the _____ speed?
 _____ there _____ way _____ devices can slow _____?
 Is _____ other devices _____ my network speed?
 Can _____ reduce overall speed _____?
 Do _____ electronics cause _____ slower?
 _____ the inclusion _____ more _____ impact _____ internet _____?
 _____ possible adverse _____ performance from _____?
 I _____ like _____ devices _____ responsible for _____ slower speed.
 _____ it likely _____ other gadgets cause _____ down _____ network?
 Is _____ slower _____ other _____ on my _____?
 Is a decrease _____ internet speed _____ other _____ my _____?
 _____ devices on my network _____ down _____ speed?
 Is _____ damaged by gadgets?
 Other _____ be making the _____?
 _____ my network _____ me down?
 _____ devices reduce overall _____?
 Does _____ network's slow speeds _____ do _____?
 _____ network _____ by _____ people's _____ speeds?
 Can _____ network's _____ be _____ others?
 Is it _____ that _____ gadgets _____ slow network?
 _____ wondered if _____ devices _____ slower.
 Is it possible that _____ close to me _____?
 I wonder if _____ could be caused _____ my network.
 Is _____ down the _____ with other _____?
 Multiple gadgets linked _____ my wireless _____ download _____.

_____ can _____ down the _____

Can I _____ that _____ gadgets are _____ the _____?

_____ connected gadgets affect _____?

_____ there _____ devices _____ the speed?

_____ wonder _____ other _____ my _____ are slowing _____ the _____ speed.

Are my network's _____ people?

_____ multiple _____ the performance?

Is it _____ presence of more devices _____ connection _____?

_____ if _____ on my _____ slowed _____?

Can _____ stop _____ speed?

Other _____ network are _____ things _____.

_____ on _____ net could _____ it.

_____ devices _____ slowing the _____.

The network _____ down if _____ present.

_____ have slower speeds _____ others?

_____ devices _____ on my network?

_____ possible _____ on my _____ slowing down the speed?

_____ if _____ connected devices are _____ down the _____.

_____ network _____ affect _____ speed?

Do additional _____ the _____?

Is _____ that _____ is affecting _____ bandwidth?

_____ there _____ effect on combined _____ from _____ electronics?

Does multiple _____ affect _____?

_____ extra _____ effect on _____ speed?

Is _____ any chance _____ is slowing _____ connection _____?

_____ other _____ network affect the _____?

Can _____ other _____ slow _____ network?

Is it _____ have _____ speeds _____ other connected _____?

_____ nearby gadgets affect _____?

Is _____ a connection _____ slower _____ other networked _____?

_____ speed of _____ network _____ affected?

Network _____ can _____ hindered by _____.

_____ on my network _____ slowing things _____?

_____ slow speeds depend _____ others?

There _____ of a _____ between _____ and other devices

_____ possible certain hardware is _____ our _____?

_____ internet _____ hampered by _____ devices?

Is _____ other gadgets affect _____?

_____ chance _____ the net speed?

_____ wonder _____ gadgets _____ the speed _____ my network.

_____ performance affected _____ nearby _____?

What _____ an _____ effect on _____ from _____ electronics?

_____ could _____ be reduced _____ due to _____ on _____.

_____ my _____ slow _____ from others?

_____ speed _____ getting slowed _____ devices

Did _____ devices affect _____?

_____ possible neighboring _____ could affect _____?

_____ it possible _____ other gadgets _____ blame _____ slower network?

I wonder if other _____ are responsible _____.

Is it _____ gadgets _____ be _____ internet performance?

_____ possible that things _____ slowing _____?
 Is the _____ going to _____ down by _____?
 Can _____ network _____ an _____ on the _____?
 _____ the _____ my network _____ by other _____?
 Would _____ connected _____ multiple _____ affect _____?
