

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Inquiries about government-mandated programs
Inquiry Sub-Category	Net metering regulations
Description	Customers have questions regarding government regulations that allow them to sell excess electricity generated by their solar panels or other renewable energy installations back to the grid, including eligibility criteria and metering requirements.
Data Size	9,009 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

____ government regulations allow me ____ credits ____ my solar installation's ____ ____ ?

Is it possible ____ can ____ for my ____ juice?

____ I get ____ excess electricity generated by ____ ?

____ there ____ way to ____ electricity ____ surplus from my photovoltaic ____ ?

____ laws ____ credits ____ excess ____ generation?

____ get ____ generating more electricity from ____ panels?

____ there credit ____ the extra electricity ____ from ____ ?

Can ____ be ____ for ____ extra electricity generated from ____ ?

Is ____ earn credits for ____ produced through my ____ government legislation?

Can you tell ____ these rules allow ____ excess ____ energy into credit ____ ?

Did government ____ me to get ____ generation?

____ wonder if ____ get credit ____ surplus electricity generated ____ solar ____.

____ if I ____ accumulate credits ____ excess ____ my solar setup.

Is there a ____ that allows ____ power?

____ want to know if ____ get ____ extra electricity ____ solar ____ produce.

____ a ____ earn ____ from excess power produced through my ____ panels?

I don't know ____ current ____ regulations ____ to get credit ____ generated ____ my ____ panel system.

____ I ____ from my solar ____ installation?

Will the government ____ to ____ for ____ the solar system?

____ am wondering if I can ____ from my ____ excess ____.

____ government regs allow ____ obtain ____ from excess ____ ?

____ it ____ to get ____ for using ____ electricity?

Is it ____ to ____ for ____ generated ____ solar panels?

Is ____ any rule ____ allow ____ earn credits for selling ____ from my solar ____ ?

____ it ____ accrue ____ excess ____ created by ____ solar setup?

Is ____ possible to accumulate ____ using excess ____ ?

Can ____ the solar installation for credits?

____ it possible for ____ energy to ____ in the ____ ?

_____ know if these _____ rules _____ to convert _____ energy into _____?
 The _____ regulations _____ me to earn credits for _____ system _____.
 Does current _____ policies _____ homeowners _____ solar panels _____ rewards?
 Is _____ possibility to _____ credits through _____ solar _____?
 Can _____ make _____ the extra power _____ my solar _____?
 Is _____ way _____ me to earn _____ excess power produced by _____?
 _____ it _____ to earn _____ for surplus _____?
 _____ for me _____ earn _____ from _____ solar installation's _____ electricity generation?
 Is it _____ credit _____ excess electricity generated _____ my solar _____?
 _____ if my _____ generation can earn _____.
 Can I _____ power _____ my solar installation?
 _____ for the government _____ credits with a _____ surplus?
 Is _____ possible to get _____ the surplus energy _____ solar _____?
 Is it feasible to _____ credit for _____ energy _____ solar _____?
 _____ am _____ the regulations allow me _____ spare sun-power.
 I _____ if _____ government regulations _____ me _____ credits _____ excess electricity produced by _____ solar _____.
 _____ I get credit for _____ energy _____ solar installation _____ current _____?
 Is it possible for _____ to _____ for extra _____?
 _____ rules enable _____ credits _____ generation?
 Are I _____ from _____ solar power?
 _____ there any _____ to _____ credit _____ the surplus _____?
 Is it _____ to earn _____ for excess power _____?
 I wondered _____ could earn _____ from my _____.
 _____ don't _____ if _____ regulations let _____ earn _____ from my solar _____ surplus _____.
 _____ the _____ credits through surplus _____ generation from residential solar _____?
 _____ it possible for _____ to _____ for _____ power?
 I _____ if the government _____ for excess _____ my _____ system produces.
 Do _____ guidelines allow _____ earning _____ a _____ solar energy?
 Can the _____ solar power?
 Is earning _____ excess _____ generation _____?
 Did _____ regs allow _____ for extra _____?
 _____ I be _____ for extra solar _____ according _____?
 _____ earning _____ for _____ power legal?
 Is it possible _____ excess power _____ is _____ by _____ solar _____?
 I'm _____ I can _____ credits _____ solar power.
 _____ a _____ on earning credits for extra _____?
 _____ I can _____ credits from my solar _____.
 _____ government may allow _____ power generation _____ residential solar _____.
 Is _____ for me _____ get _____ of compensation for the _____ setup provides?
 _____ regs _____ the earning _____ credits _____ solar power?
 Is earning _____ permissible?
 _____ allow _____ from _____ solar generation?
 _____ wonder _____ the government _____ me _____ credits _____ excess _____ generation.
 _____ I earn credits _____ solar _____ the gov?
 _____ for extra _____ be done by _____ government?
 Is _____ possible _____ gain _____ for _____ my _____ setup?
 _____ earning credits _____ extra solar power allowed _____?
 _____ get _____ for _____ solar electricity?
 _____ to _____ credits with a _____ by my photovoltaics?
 Can _____ rules give _____ credit _____ solar power?

Do _____ me _____ earn credits from _____ panels?

I'm _____ if I _____ credits _____ excess electricity _____ by _____ setup.

Can _____ solar _____ the regulations?

Current government _____ allow _____ get _____ any _____ electricity _____ by _____ solar _____ system?

Is _____ get _____ my extra solar juice?

_____ want to know _____ government _____ me _____ be compensated _____ any additional power _____ by _____ setup.

_____ getting extrasolar creds?

_____ there _____ for earning _____ extra _____ power?

Does _____ have _____ compensate me for the extra power _____ my _____?

_____ credit _____ my surplus solar energy _____?

I wonder _____ for the surplus _____ created _____ my solar installation.

Will I be _____ for extra _____ rules?

government _____ receiving _____ for excess _____?

Is it _____ government to allow _____ to receive credits _____ any _____ generated _____ my _____ system?

I was _____ if _____ could gain _____ for _____ power _____ solar _____.

Does the gov _____ allow _____ extra _____ power?

There may be _____ to _____ solar power.

Is there regulations that _____ credits for _____?

_____ want to know if _____ me to receive credits _____ extra _____ by my _____ panel _____.

I was _____ government _____ me gain _____ excess _____ generation.

I'm _____ if I _____ gain _____ spare _____.

Is it _____ get credits for surplus _____ I _____ my _____?

_____ accumulate _____ credits _____ a surplus from my _____ solar _____?

_____ wonder _____ my _____ earn credit for _____ regulations.

_____ solar setup _____ get _____ for more power?

Is _____ possible _____ these government _____ let me _____ excess solar _____ for _____?

Is _____ for extra solar _____ thegov regs?

_____ government allow _____ credits from excess _____ generation from _____?

Is it possible for the _____ to _____ for excess _____?

_____ regulations _____ receiving credits for _____ solar electricity

Is _____ for _____ allow _____ earning credits with a solar _____?

Is there credit _____ electricity generated _____ setup?

The gov might _____ me to earn _____.

Is it possible to earn _____ my _____ electricity _____.

Can government _____ allow _____ from _____ solar production?

Will _____ able _____ earn credits _____ electricity generated _____ my solar _____?

Do regs _____ excess solar _____?

_____ allow for _____ credits _____ solar electricity?

_____ it possible to _____ credits _____ the surplus _____ generation of _____.

_____ regs allow earning credits for _____?

_____ like to _____ I can get _____ extra power from my _____.

_____ if it _____ possible to accumulate _____ surplus from _____ solar installation.

_____ regulations _____ for earning _____ from _____ generation?

_____ the government _____ allow homeowners _____ solar _____ to receive _____ rewards _____ production?

_____ make _____ on my _____ panel's _____ power _____ is _____ stifled by the government?

Credit earnings _____ extra solar power _____ allowed _____?

Do the government _____ gain credits for _____ generation?

_____ credits with a _____ allowed?

_____ accumulate electricity credits _____ surplus generated by _____ photovoltaic system?

Is there credit for surplus _____ by _____?

Is it possible _____ for generating _____ solar _____?

Will _____ me to _____ excess _____ generated by _____ solar system?

_____ government regulations, can _____ credits for _____ from my solar _____?

I'm wondering _____ it's _____ for me _____ some _____ compensation _____ the extra _____ generated by _____ setup.

_____ if these rules will _____ to convert _____ solar energy _____ credits _____.

_____ to _____ government regulations allow me to get _____ extra _____ generated by _____ panel system.

_____ government _____ financial rewards for excessive _____ with solar panels?

_____ possible _____ me _____ receive a _____ for _____ created by _____ solar installation?

_____ it possible for excess solar _____ production _____ credits _____?

As _____ I get compensated for _____ solar _____?

_____ I get credits _____ power _____ my _____ installation?

Can I _____ credits for excess _____ create _____ installation?

_____ receive credits for _____ electricity?

I want to _____ the _____ earn credits for excess _____ produced _____ my _____ system.

I _____ if _____ get a _____ for _____ surplus electricity _____ by _____.

_____ wonder _____ give credit for _____ energy production.

_____ legal for _____ get compensation for _____ extra power _____ solar _____ provides.

Does _____ me get credit _____ solar _____ production?

_____ it possible _____ energy _____ from _____ installation's power?

Is _____ possible _____ me _____ receive credits for any _____ that _____ from _____ solar _____?

_____ the government _____ homeowners _____ solar panels _____ receive _____ for _____ production?

I _____ like to know if it is _____ to _____ excess _____ through my _____.

_____ it possible _____ government regulations _____ me to _____ my _____ surplus _____ generation?

_____ to _____ credits by generating excess solar _____?

_____ get extra _____ my _____ setup?

Will _____ to earn credits _____ excess _____ that _____ solar system produces?

_____ I be _____ to _____ from my solar _____ electricity _____?

_____ the _____ earning credits for generating surplus power _____?

_____ I _____ credits for _____ power from my solar setup?

I'm wondering if _____ allow _____ credits _____ spare _____.

_____ the _____ make _____ for _____ solar _____ credits?

_____ the government allow _____ solar _____ renewable _____ credits?

_____ it _____ I can get _____ for my _____ production?

_____ would like _____ know _____ can earn _____ for _____ from _____ solar installation.

Is _____ for _____ solar _____ receive financial rewards _____ excessiveenergy production?

_____ I get _____ credit _____ excessive _____ by _____ solars?

Is it possible to _____ through _____ solar _____ production _____?

Is the _____ able _____ credit _____ for _____ power?

Is _____ government willing to _____ solar _____ to earn _____?

Will the _____ generated _____ my solars _____?

_____ it possible _____ from excess _____ produced through _____ panels?

Can _____ for _____ solar excess?

_____ regs _____ get _____ for my excess solar _____?

Can _____ generation _____ credited?

_____ power _____ by _____ SOLARS be credited?

I'm _____ if _____ me to earn _____ electricity produced by my solar _____.

_____ get credits for surplus _____ produced by _____ solar _____?

_____ I could gain _____ for spare sun-power.

_____ possible _____ I can get credits _____ sun-power?

Can excess _____ energy _____ within _____ government?

Will _____ regulations allow me _____ earn credits _____ system produces?

Is _____ to earn credits _____ excess _____ I _____ my solar panels?

Is it _____ for me _____ credits for _____?

Will _____ solar _____ I generate be _____ regulation?

Can the _____ from my _____?

Is it _____ to accumulate _____ credits _____ surplus _____ by my _____?

_____ I _____ earn _____ from excess _____ power?

_____ get _____ for _____ extra electricity I _____ from my solar _____?

Will the _____ my _____ be credited?

_____ these government _____ to _____ solar energy _____ credits _____ my system?

_____ to earn credits from excess _____ that comes _____ solar _____?

Do regs _____ for more _____?

According _____ rules, can I get _____ extra _____ from my _____.

I wonder _____ rules will credit _____ for _____ solar _____.

I _____ if _____ allow _____ credits _____ my solar _____ surplus electricity generation.

_____ collect _____ from excess _____ power?

_____ surplus _____ electricity receive _____?

Do gov regs _____ credits for more _____?

I _____ wondering if _____ to _____ credits _____ excess solar power.

_____ the _____ allow for earning _____ for extra _____?

I _____ government regulators _____ me _____ credits _____ excess solar _____.

I _____ if _____ can _____ excess _____ by my setup.

_____ credit for _____ surplus energy my solar installation _____?

Can _____ surplus _____ earn credits?

Is it possible _____ credits _____ electricity _____?

Is _____ possible _____ the _____ to let _____ earn credits _____ solar _____?

_____ the government _____ excessive _____ to earn credits for _____?

_____ I _____ from excess solar _____?

_____ I _____ credits for my _____ juice?

_____ want to _____ if _____ accrue credits for _____ my solar setup.

_____ I can cash in on my _____ extra power generation, _____ government is _____ opportunity

_____ policies _____ homeowners with _____ panels to _____ rewards _____ energy production?

Can I _____ for surplus _____ according _____ regulatory _____?

_____ if it is possible to accumulate _____ credits _____ a _____ solar _____.

_____ possible _____ credits after excess _____ energy production?

I _____ to _____ credits _____ extra power from _____ setup.

Can I _____ credits _____ power?

Is it possible to receive credits _____ solar panel _____?

_____ allowing me _____ get _____ from excess solar _____?

_____ my _____ me _____ for excess electricity _____ by my _____ system?

Is earning credits _____ extra _____ allowed _____ the _____?

_____ know if _____ government regulations _____ to get _____ for any _____ by my solar _____ system.

_____ there _____ to _____ credits for surplus _____ my solar installation?

Is there _____ get _____ for spare sun-power?

Is it _____ for _____ to _____ of _____ the _____ power that _____ from my solar _____?

_____ grant credits for generating _____ power _____ residential _____ installations?

_____ earning credits from excess _____ generation?

I don't know if the rules _____ me _____ any _____ power _____ from _____ solar _____.

Will the _____ allow _____ to _____ credits _____ produced by my _____.

_____ possible _____ credits for surplus _____ Electricity?

_____ am wondering _____ I can _____ credits from my _____.
 _____ that _____ to _____ for surplus _____ electricity?
 _____ for the government to _____ me get _____ from excess _____?
 _____ it _____ to _____ excess power _____ is produced through my _____?
 Are there _____ that let _____ get _____ spare _____?
 Will _____ power _____ the rules?
 I don't _____ regulations _____ me _____ get credits for _____.
 Can I get _____ solar _____?
 _____ give credits for _____ power?
 _____ to _____ if current government _____ allow me to receive _____ for _____ electricity _____ by _____ system.
 I wonder if _____ will allow _____ my surplus _____.
 _____ the _____ me to _____ credits from excess _____?
 I would _____ know _____ I _____ credits _____ generated by my _____ installation.
 Is _____ in _____ extrasolar creds?
 _____ to get credits _____ solar power.
 Is _____ credits for extra _____ the government?
 Is _____ surplus _____ to be credited?
 _____ could _____ earning _____ excess solar _____.
 _____ the government allow _____ solar panels _____ get _____ rewards for _____ too _____?
 I _____ to know _____ credits _____ the surplus _____ generated by _____ installation.
 _____ I _____ credit _____ installation's excess power?
 _____ per _____ regulations, _____ I receive credits _____ electricity _____ from _____ installation?
 _____ regs _____ credit _____ solar _____ production?
 _____ it legal _____ me _____ kind of _____ extra _____ generated by my Solar setup?
 _____ it possible to earn _____ from _____ power produced _____ solar panels _____?
 _____ be _____ for surplus solar _____ the laws?
 _____ current government policies allow _____ to _____ rewards _____ excess _____ production?
 _____ regulations able _____ credits from excess solar _____?
 _____ it _____ to earn _____ for _____ power I _____ solar installation?
 _____ it possible _____ a surplus generated _____ my solar panels?
 Can I _____ credits _____ surplus from _____ solar _____?
 Is _____ to _____ credits _____ electricity _____ from my solar _____?
 _____ earning _____ for _____ power _____ the regs?
 _____ accruing credits _____ solar _____ possible?
 I _____ government rules _____ credit me _____ solar power.
 Should _____ get _____ from _____ solar _____?
 _____ I be _____ the power _____ by _____ solars?
 _____ it possible _____ to _____ with a _____ surplus?
 _____ the _____ the earning of _____ for extra _____?
 _____ wonder if _____ for _____ earnings for _____ power.
 _____ government _____ get _____ for extra _____ generated _____ my solar panel system?
 Is _____ for my _____ to _____ credit for _____ excess _____?
 _____ possible for _____ to earn _____ from the _____ electricity _____ from my _____?
 _____ wonder if regs _____ credit for _____ solar _____.
 Is it possible _____ get _____ from extra electricity _____ solar _____ system under _____?
 Will _____ possible _____ accumulate electricity _____ a _____ by my residential _____ installation?
 Does the _____ credits _____ power?
 Are _____ earnings _____ for extra _____?
 Does _____ allow _____ credits from _____?
 _____ I collect _____ for _____ extra solar _____?

Do _____ allow me _____ credits _____ solar _____ surplus electricity generation?
 _____ government can let me _____ credits from _____.

I don't _____ if _____ me to receive credits for extra electricity _____ system.

Is it _____ for regulations _____ excess solar generation.

Is it _____ credits _____ the surplus _____ I _____ from my _____?

I wonder _____ I could _____ credits _____ electricity produced _____ my _____.

_____ wonder if these _____ rules _____ me to _____ excess _____ into _____ system?

I _____ if _____ can receive credits _____ generated _____ my solar _____.

Does _____ government allow _____ from _____ generation from _____ installations?

_____ want _____ I can _____ energy credits _____ solar installation.

I am _____ get _____ for _____ surplus electricity generated _____ my solar _____.

Is _____ possible to _____ credit for _____ excess _____ my _____ installations?

Is _____ possible _____ surplus solar _____?

_____ if _____ solar _____ can produce credit benefits _____.

Is it _____ for the government to _____ energy _____ production?

Can _____ give me _____ for _____ power?

_____ possible for my _____ generation to _____ credit _____.

_____ it _____ to accumulate _____ by _____ more _____ energy?

_____ it possible to earn _____ for _____ with my _____?

Is there a rule _____ extra solar _____?

Is earning credits with _____?

_____ might _____ homeowners _____ panels to receive financial _____ excess energy production.

I wonder if I can _____ excess electricity generated _____.

Is there _____ way to receive _____ for _____?

Is it possible _____ for excess _____ generated _____ installation.

_____ any _____ for _____ more solar juice?

Does the _____ solar production to _____ credits?

_____ if current government regulations _____ me _____ credits _____ any _____ my solar panel system.

Is _____ for _____ government to award renewable energy _____ solar _____?

_____ you tell me _____ the government _____ me _____ convert _____ into credits _____ system?

_____ to receive _____ for surplus solar electricity?

_____ know _____ regulations allow _____ to _____ from my solar installation's _____ generation.

_____ the _____ allow excessive solar _____ the _____ of earning _____ energy _____?

_____ want to know _____ can _____ for _____ solar power.

_____ don't _____ legal for me to _____ compensation for the extra power produced _____.

Can _____ earn _____ for _____ excess power _____ solar _____?

Is it possible that I _____ from my solar _____?

_____ the _____ for earning credits with a _____?

_____ want _____ know _____ can _____ credits from _____ solar surplus.

Is it possible _____ electricity _____ solar panels produce?

I _____ know if _____ government _____ for _____ extra power _____ by _____ solar _____.

Is _____ system able _____ benefits?

Can I _____ the _____ energy that _____ my solar _____?

Can _____ be _____ excessive _____ generated?

Can _____ get _____ my solar _____?

_____ would _____ to know _____ regs _____ credit _____ my surplus _____ production.

Is _____ the _____ to _____ me to be _____ extra power produced by _____ solar _____?

According to _____ regulations, _____ earn compensation _____ surplus _____?

_____ don't _____ if _____ allow me to be compensated for _____ produced by _____ solar _____.

_____ there _____ credit _____ the surplus electricity generated _____ solar _____.

Is _____ me _____ get some _____ compensation for _____ power _____ get from _____ solar setup?
 _____ it _____ to receive energy _____ installation's excess power?
 _____ possible for government regulations _____ allow _____ credits for my _____ installation's _____ generation?
 _____ allow for credits with a _____ surplus?
 _____ earn _____ excess solar power?
 _____ be _____ to _____ credits from _____ power _____ my solar panels?
 I am wondering _____ it _____ legal _____ get some kind _____ for the extra _____ my solar _____.
 _____ the _____ permit excessive _____ to _____ renewable _____ credits?
 Are there _____ allow _____ additional solar power?
 _____ regulations allow me _____ get _____ produced by my solar _____?
 Do you _____ if _____ rules allow _____ to convert excess _____ credits _____ my _____?
 Can I _____ from _____ installation?
 Can I _____ for _____ energy _____?
 I _____ to _____ if _____ current _____ regulations allow _____ to receive _____ from the _____ by my solar _____.
 _____ possible _____ get credit _____ energy _____ by my installation?
 _____ there a way to _____ generated by _____ solar panels?
 _____ it possible _____ to earn _____ my _____ solar juice?
 Do you _____ the _____ rules _____ me to _____ energy _____ credits _____ my _____?
 _____ would like to know _____ me to _____ energy into credits for my _____.
 _____ I _____ credit for _____ generated _____ solar setup?
 Is it _____ for _____ to _____ credits _____ installation's surplus _____ generation?
 Can my _____ surplus electric _____ credit?
 Can _____ give me _____ for _____?
 Do the _____ let me _____ solar energy _____ for _____ system?
 _____ possible _____ government _____ me _____ more solar power?
 _____ regulations _____ allow _____ through _____ earned from excess solar _____.
 _____ want to know if _____ rules _____ to be _____ for any extra power _____ solar _____.
 Is it legal for _____ regulations to _____ to _____ my _____ installation's _____ electricity _____?
 _____ it _____ to permit earning _____ from excess solar _____?
 Is _____ for excess electricity _____ by _____ solar _____?
 Will the excessive _____ produced _____ credited?
 I _____ know _____ can get _____ credits for my _____ solar _____.
 _____ can get _____ for the _____ electricity _____ by my solar setup.
 _____ for _____ surplus solar _____ production _____?
 Do _____ rules allow _____ to be compensated for the extra _____?
 _____ it possible _____ me for _____ power _____ comes from my solar setup?
 Is _____ permissible _____ compensated _____ extra solar _____?
 Is _____ possible _____ accumulate _____ credits with a _____ a _____ solar _____?
 As _____ will I _____ compensated _____ extra _____ power?
 _____ it _____ to get a _____ for excess power _____ by _____?
 _____ it _____ for credit _____ extra _____ power to be _____?
 I _____ to know _____ get credits from my _____.
 Is _____ possible to cash in _____ my _____ generation, _____ it the _____ that is _____ it?
 Is _____ possible _____ me to get credits _____ my _____ surplus _____?
 Is it _____ gain _____ extra power _____ solar setup.
 _____ there a _____ for me to _____ via _____?
 Is _____ solar power _____ by _____?
 Is _____ for the _____ produced by _____ solar setup?
 _____ I get credit _____ my _____ production?
 Can my solar system _____ to _____?

Is it _____ enable _____ from _____ solar generation?
 _____ still _____ for my _____ solar juice?
 _____ these government _____ me _____ solar energy to _____ my system?
 Is _____ credit _____ surplus _____ generated _____ solar setup?
 Is _____ possible _____ regulations _____ credits for excess solar _____?
 Is the _____ to _____ credits from excess _____?
 _____ regulations _____ from my _____ installation's surplus electricity generation.
 Will _____ government let me _____ credits _____ the _____ solar _____ produces?
 _____ guidelines let _____ earn _____ with a solar _____?
 _____ know if current _____ regulations _____ me to _____ credits for any _____ electricity produced _____ panel _____.
 Is there a _____ to earn _____ for _____ electricity _____ solar _____?
 Is _____ possible to _____ power _____ in my solar _____?
 _____ it possible to be _____ earned from excess _____?
 _____ guidelines _____ allow for _____ credits _____ a solar _____.
 Can my solar system provide surplus _____?
 _____ my _____ system _____ credited _____ surplus _____ generation?
 _____ regs _____ credits for _____ solar power?
 _____ possible to earn credits for _____ electricity I _____ my _____?
 I'm _____ the _____ allow _____ to _____ paid _____ extra power produced by _____ solar setup.
 Is it possible _____ gov to _____ me get _____ power?
 Can _____ get _____ for extra _____ from _____ setup?
 _____ guidelines be used _____ earn credits with _____?
 _____ to _____ if I can get _____ my solar _____.
 Is _____ government allowed to _____ me for _____ solar _____ produces?
 I would like _____ I _____ the extra _____ from my _____ panels.
 I'm _____ the government lets _____ gain credits from _____.
 _____ it possible to _____ the surplus energy _____ my _____ created?
 _____ rules allow me _____ gain _____ for _____?
 Regulations might enable _____ from _____.
 _____ possible to earn credits for excess power _____ by _____ panels, _____?
 Is it possible _____ me _____ credits for surplus _____ I _____ my _____?
 _____ earn credits _____ solar juice?
 Is _____ for me to get _____ kind of _____ the extra _____ from the _____?
 _____ for the government to allow earning _____ power?
 _____ the government give credit _____ credits?
 Government guidelines do _____ allow _____ with _____ solar _____?
 _____ the government _____ me _____ excess electricity produced _____ solar system?
 _____ any regulations that _____ earnings for _____ power?
 _____ there be _____ for _____ produced by my _____?
 _____ regulations allow me to get _____ for _____ electricity _____ my _____ panel _____?
 _____ I have _____ excess _____ by my solar _____?
 _____ government _____ earning credits _____ power _____ from residential solar _____?
 _____ earn _____ for _____ power _____ from my _____ installation?
 I was _____ were rules _____ would _____ me _____ credits _____ selling _____ electricity produced by _____ solar _____ system.
 Will my _____ power _____ in accordance _____?
 Is it _____ get credit for the _____ by _____ installation?
 Is it possible _____ credit _____ the _____ energy _____ installation?
 Do the government guidelines _____ to _____ with a _____?
 Does the _____ credit _____ for _____ solar power?
 Is _____ a way to _____ the surplus _____ my solar _____?

I ____ like ____ know if I could ____ for ____ solar setup.
 ____ it possible ____ credits ____ surplus solar ____?
 Is ____ way to ____ excess solar power?
 ____ it ____ to get ____ for ____ solar installation's ____?
 ____ excessive power ____ by ____ solars ____?
 ____ get ____ for ____ surplus energy ____ created by my solar installation?
 ____ it ____ to earn ____ excess ____ that ____ solar ____ produce?
 Does ____ the surplus ____ energy production?
 ____ wondering if ____ credits for ____ surplus ____ I ____ my solar installation.
 ____ regulations ____ enable ____ from excess solar generation?
 Is ____ possible for me to ____ for ____ solar panels?
 Is it ____ to ____ excess power generation ____ installations?
 I ____ if I ____ get credit for the extra ____ panels.
 ____ the ____ earning ____ solar power?
 ____ government ____ with earning renewable ____ credits from ____ production?
 ____ for the ____ permit receiving ____ for excess solar ____?
 Should ____ get ____ the ____ energy created ____ my ____ installation?
 ____ know if I can ____ in on ____ solar ____ power generation or ____ government ____ another ____.
 ____ possible ____ can ____ from excess solar power?
 Is it ____ that my ____ will ____ regulations?
 ____ I able ____ earn credits ____ surplus ____ my solar ____?
 Government regs allow ____ excess solar generation.
 Is ____ possible ____ enable ____ excess solar generation?
 ____ able to earn ____ from my ____ installation?
 ____ wonder if ____ accumulate ____ for ____ excess electricity ____ my ____ setup.
 ____ it ____ to get credit for ____ extra ____ from ____ panels?
 ____ I ____ my solar ____ credits?
 ____ these government ____ to convert ____ energy into credit ____ system?
 Is ____ a way ____ credits ____ produced by my ____?
 Is ____ solar surplus able ____?
 ____ don't know ____ can earn credits ____ surplus ____ from ____ solar ____.
 Do ____ regs let ____ get ____ for ____ solar ____?
 ____ system legally able to ____ credit ____?
 Is it ____ to ____ credit for ____ from my solar ____?
 My ____ can I ____ for ____ produced by sunlight?
 Do ____ regulations ____ for ____ credits?
 Will the ____ me earn ____ for excess electricity produced ____ solar ____?
 ____ possible to earn ____ excess ____ my solar panels?
 Is it possible ____ credits ____ surplus ____.
 My ____ I ____ for excess ____ produced by my ____ setup?
 Can ____ credits through excessive solar ____?
 Is it possible ____ credits ____ the ____ electricity generated ____ solar ____?
 ____ regs allow for earning ____ for solar ____?
 ____ accumulate credits ____ excess ____ energy ____?
 ____ the ____ to get credit for the excess ____ my ____?
 Does ____ have the ____ to allow me ____ voltage surplus from ____ solar ____ and ____?
 ____ gov regs ____ earning credits ____ power?
 Would it ____ to get ____ for ____ solar ____?
 ____ it ____ for me to ____ some type of ____ for ____ power generated ____ solar ____?
 ____ don't know ____ I ____ get ____ for ____ my solar installation.

I want _____ if _____ guidelines _____ for _____ with a solar _____.
 Is it _____ that _____ be compensated _____ any extra _____ my solar _____?
 I need to know if _____ the _____ electricity _____ solar panels.
 _____ I _____ credits for the excess _____ my solar _____?
 _____ possible for me to _____ for any _____ by my _____ panel _____?
 _____ for me to get _____ for _____ from my _____ panels?
 _____ extra _____ power _____ credit earnings?
 _____ it _____ production to accumulate _____ within government guidelines?
 _____ there credit for _____ comes from _____ setup?
 I need _____ if _____ government _____ me to get credits _____ extra _____ by _____ solar _____ system.
 There are _____ that might allow _____ solar electricity.
 _____ if _____ can get _____ credits for _____ solar juice.
 Is _____ me to get _____ for _____ power that my _____ setup _____?
 Does _____ gov allow me _____ credits from _____?
 _____ it _____ to accumulate electricity _____ with _____ generated _____ my _____?
 Is _____ possible that my _____ credit per _____?
 _____ there rules for _____ for extra _____?
 Is my _____ generation _____ to _____ under _____?
 Do _____ it _____ possible to receive _____ for surplus _____?
 Is it possible _____ earn _____ surplus _____ I _____ my _____ installation.
 _____ you tell _____ these _____ me to _____ excess solar energy _____ credits _____ system?
 Is _____ credits from surplus power _____ from solar _____?
 _____ I earn _____ surplus solar _____?
 Should _____ allow _____ credits _____ solar _____?
 I _____ to know if I can _____ credit _____ from my _____.
 _____ it _____ electricity credits from my photovoltaic _____?
 _____ know _____ get credit for surplus electricity _____ my _____.
 Will the _____ solars be credited _____ regulation?
 _____ possible _____ credits _____ excess _____ is _____ by my solar setup?
 _____ it possible to earn credits _____ electricity produced _____?
 _____ give credit for my excess _____?
 _____ gov _____ let me _____ credits from _____ solar power?
 _____ granted _____ my surplus _____ production?
 What credit _____ regs give for _____ production?
 _____ it _____ for the _____ me for _____ additional power _____ my solar _____?
 _____ I receive credit _____ excess _____ by my solar _____?
 _____ it _____ credit _____ the surplus _____ from the _____ installation?
 _____ can I get credits _____?
 Is _____ way to _____ credits _____ the _____ electricity?
 _____ don't know _____ I _____ credits _____ surplus _____ from my _____ installation.
 Do regs _____ my _____ energy?
 Could excess _____ production accumulate credits _____?
 _____ it possible _____ earn credits _____ power produced _____ my _____ panels?
 _____ a solar surplus, _____ earn credits from _____?
 _____ be regulations _____ from _____ solar power.
 _____ the _____ me to earn _____ from solar _____?
 _____ know if _____ can _____ excess electricity _____ my solar setup.
 government regulations _____ for _____ solar electricity
 _____ earn credits from my _____ installation's surplus electricity _____.
 _____ wonder _____ government _____ me _____ the extra _____ power.

_____ credit _____ for the _____ solar power _____ have?
 _____ allow _____ credits from excess solar generation?
 _____ might allow earning _____ through surplus power _____ installations.
 Do _____ regs allow me _____ solar generation?
 Do _____ policies _____ with _____ to _____ rewards for _____ energy production?
 _____ it _____ to earn _____ solar surplus?
 Can the _____ allow _____ to _____ excess _____ power?
 Is it possible for _____ panels _____ receive financial _____ for _____ much _____?
 Will _____ government _____ me to _____ credits _____ excess _____ by _____ system?
 _____ it _____ possible to get credits for surplus _____?
 I _____ like to _____ if _____ the government allow me _____ for _____ power produced by my _____.
 _____ government could _____ earned _____ excess solar production.
 I want to know _____ current _____ to get _____ extra _____ by my _____ panel system.
 Can _____ credits for _____ surplus _____ generate from _____ installation?
 Is _____ for me _____ extra solar juice?
 Can my _____ be _____ with _____?
 Is there _____ way to _____ my _____ surplus?
 I _____ to know if _____ could _____ credits for _____ solar _____.
 _____ current _____ regulations allow me to _____ extra electricity _____ by _____ panel _____?
 Is it _____ from the excess power _____ my solar _____?
 Is it possible for _____ to earn credits _____ excess _____?
 I wonder if _____ can get _____ for _____ electricity _____ my _____.
 I _____ know if _____ get _____ from my _____.
 _____ I be compensated _____ extra _____?
 _____ earn credits for the _____ that I _____ solar installation?
 I'm _____ if government _____ credits from _____ solar generation.
 _____ it possible _____ earn credits _____ surplus electricity generated _____ installation?
 _____ it _____ to accrue _____ for excess _____ generated by _____ solar _____?
 _____ to know _____ I _____ earn _____ for surplus _____ generate from my _____.
 Is _____ for _____ get _____ for the extra electricity _____ get _____ my _____?
 Do _____ for _____ for _____ energy?
 _____ possible to accumulate credits _____ excess _____?
 Is _____ possible for _____ give me _____ for excess _____?
 Is it possible _____ with _____ panels to get _____ excessive _____?
 _____ it _____ to accumulate _____ for excess _____ through _____ panels?
 _____ it _____ for _____ to earn _____ from excess power _____ panels?
 _____ allow me to accumulate credits _____ excess _____?
 Do _____ allow earning _____ from _____?
 _____ the _____ let me _____ credits for excess electricity _____?
 _____ possible for _____ to _____ leftover power _____ by sunlight?
 _____ to know if _____ can _____ credits for _____ produced _____ solar setup.
 Can I _____ for _____ installation's surplus _____ generation?
 _____ it possible _____ accumulate electricity _____ with surplus _____ my _____ installation?
 _____ wonder if it's _____ to _____ the excess energy _____ solar installation.
 I would like _____ if _____ permit me _____ be compensated for any extra _____ solar _____.
 _____ the _____ credits on unused _____?
 Can _____ give me credits for _____?
 I wonder _____ the government rules can _____ solar _____.
 _____ allow homeowners _____ solar _____ to receive rewards for _____ energy _____?
 Can I _____ credits _____ solar _____?

I wonder _____ get credits _____ power _____ by sunlight?
 Can _____ get _____ for _____ electricity I _____ from _____ solar _____?
 There are regulations that _____ me _____ gain _____ spare _____.
 I _____ like to _____ can _____ compensation _____ excess solar _____.
 _____ there _____ way _____ credit for _____ solar electricity?
 Should excess _____ energy production _____ to _____?
 _____ it _____ to _____ credits _____ excess _____ by _____ panels within the legislation?
 _____ there a way _____ to _____ credits _____ sun- power?
 _____ wondering if I get _____ by my _____ setup.
 _____ regulations allow me _____ gain credits _____ generation?
 _____ possible to make _____ from my solar panel's extra _____ the _____ preventing it?
 _____ allow homeowners with solar _____ receive financial rewards for _____ energy _____?
 _____ earning _____ for extra _____ power _____ gov regs?
 I _____ wondering _____ could _____ for the surplus electricity _____ by _____ solar _____.
 Is _____ possible that I _____ credit _____ my extra _____?
 Is _____ earn _____ from _____ solar _____ surplus generation?
 _____ possible to _____ from _____ excess _____ produced by my solar _____?
 _____ possible _____ the _____ me credits from _____ solar power?
 _____ me _____ earn credits _____ the _____ power produced _____ my panels?
 Is _____ for _____ solar power _____?
 Is it _____ earn _____ surplus electricity that _____ from _____ solar _____?
 _____ possible to _____ a credit _____ the _____ energy _____ by _____ solar _____.
 According to regulation, _____ excessive _____ generated by _____?
 Is it possible to accumulate _____ from _____?
 _____ any credit _____ surplus _____ generated by my _____?
 Is it _____ receive _____ electricity that _____ surplus?
 Do _____ policies _____ with solar panels _____ financial rewards?
 Is the government _____ credits from excess _____ generation?
 Is _____ way to get _____ credits from _____ installation's _____?
 Are _____ rules _____ me to convert _____ energy into _____ my system _____?
 Is there _____ to _____ credits _____ that comes from my _____?
 Is earning _____ solar power _____ by the _____?
 _____ there a way _____ electricity _____ a _____ my solar installation?
 Can I _____ get _____ for _____ juice?
 _____ wondering _____ I can get _____ for the extra electricity _____ by _____.
 The government _____ allow compensation _____ credits _____ solar _____.
 Do _____ policies allow homeowners with _____ to receive _____ for _____ energy _____?
 Is _____ possible _____ accumulate credit _____ production?
 _____ a way _____ get _____ for _____ generated _____ my solar panels?
 _____ credits _____ my excess solar _____?
 Can I get _____ the sun?
 _____ possible to _____ extra electricity generated by my _____ panels?
 _____ earning _____ for _____ allowed _____ regs?
 Is _____ legal _____ me _____ kind of compensation _____ the _____ power I _____ my _____ setup?
 _____ the government regulations allow for _____ for _____?
 Do government regulations _____ credits _____ excess _____ energy?
 Is _____ for me _____ get some _____ power _____ solar setup gives _____?
 Can _____ be credited _____ the _____ generate _____ my _____ panels?
 A _____ credit for _____ by _____ solar setup.
 I am _____ regulations _____ to get credits for _____.

Is _____ me _____ credits _____ any excess electricity generated by my _____?

Do _____ if these government _____ allow me _____ convert _____ solar _____ for my system?

Can I _____ credit _____ excess _____ produced by _____ setup?

There could _____ regulations _____ get _____ for _____ solar _____.

_____ the _____ let _____ earn _____ energy _____ through _____ solar production?

_____ there _____ regarding _____ earnings for _____?

_____ credits _____ excess solar generation?

Does the _____ earning _____ generation from residential solar _____?

Is _____ government allowed to compensate _____ any extra _____ that _____?

_____ it possible to _____ credits through _____ power _____?

I wonder if _____ credit for _____ production.

_____ government allow earning _____ through _____?

_____ was wondering if _____ could _____ extra solar power.

I _____ wondering _____ get _____ for the surplus electricity _____ by my _____.

_____ policies may _____ homeowners with solar panels _____ for _____ energy _____.

Is _____ for the _____ for _____ extra _____ produced by my solar _____?

Is _____ permissible for _____ government _____ for extra _____ power?

_____ regs allow _____ for _____ solar _____ production?

_____ I _____ any credit for the _____ that _____ from _____ solar _____?

Can I _____ extra power that comes _____ solar _____?

_____ allow _____ to _____ credits _____ excess solar generation?

_____ want to _____ I _____ for extra power from _____ solar _____.

Is it _____ to accumulate credits _____ solar _____?

Can _____ be _____ credits?

_____ would like to know if _____ can earn _____ for _____ electricity _____.

_____ possible to accumulate electricity credits with _____ my _____ installation?

Do _____ my _____ solar energy production?

_____ possible _____ get _____ electricity generated from _____ solar panels?

_____ earn credits for _____ electricity produced _____ my solar _____?

Government _____ allow for _____ credits with _____ solar _____.

_____ be _____ for excessive power _____ my solar _____?

Is _____ accumulate _____ credits _____ a surplus of _____ panels?

I don't _____ gain credits from _____ solar _____.

_____ possible _____ to get credits _____ excess _____ produced _____ my solar _____?

_____ the rules _____ me to get _____ sun-power?

Is _____ to _____ through excess solar _____ output?

_____ the _____ allow me to _____ from _____ solar _____?

_____ for me to _____ credits _____ electricity _____ from my solar _____?

Do _____ government policies _____ homeowners _____ to _____ rewards for their excess _____?

_____ the gov let me _____ from _____ solar _____?

Are there _____ that _____ credit earnings _____ solar _____?

_____ possible for me to _____ for my _____ solar _____?

_____ it _____ credits from the _____ electricity generated by _____ solar _____?

Is it possible _____ to get _____ for the _____ panels _____?

_____ am wondering if _____ credits for _____ sun-power.

_____ my solar power?

Is it possible _____ earn _____ credits _____ solar _____?

_____ don't _____ if I'll _____ able _____ cash in on my _____ power _____ if the _____ will

Is _____ to credit me _____ additional _____ power?

Can _____ from the _____ surplus?

Does _____ earning credits _____ generating _____ power from _____ installations?
 _____ government may _____ homeowners with solar _____ to _____ excess energy _____.

Government regulations _____ excess _____ credits.

Is there a way _____ me to _____ credit _____ by _____ solar _____?

Is there rules about _____ earnings _____?

_____ receive _____ the surplus electricity generated _____ my _____ installation?
 _____ okay _____ the government to let me _____ excess _____ generation?
 _____ don't _____ is legal to get some kind _____ for the _____ power _____ solar setup.
 _____ if _____ regulations allow _____ credits _____ excess _____ electricity.

Is _____ a _____ allowing credit earnings _____ power?
 _____ allow for receiving _____ credits.
 _____ it _____ to get credit for the surplus _____ from _____?
 _____ excessive _____ created _____ solars be _____?

I _____ know _____ current government _____ get credits _____ the extra _____ by my solar _____ system.
 _____ regulations allow for receiving credits _____ electricity?

Is it _____ accumulate _____ for _____ from my _____ setup?

Can I _____ credits _____ electricity _____ from _____ installation?
 _____ for excess electricity generated by my _____ installation?
 _____ for a _____ to accumulate _____ through excess solar _____?

Do _____ to get _____ for spare _____?
 _____ allow credit _____ my solar _____?
 _____ for government control freaks to allow _____ surplus _____ my solar _____ to _____ credits?

I want to know if it _____ to accumulate _____ surplus _____ installation.

Can _____ advantage of my _____ excess _____?

I wonder if _____ will _____ me to convert _____ solar energy _____ credits _____.

Is it possible _____ solar _____ to _____ credit _____ the _____?

_____ possible for the _____ to _____ me credits _____ extra electricity generated _____ system?
 _____ it _____ government _____ allow excessive _____ production to earn _____ energy _____?
 _____ possible _____ receive credits for _____ electricity _____ solar installation?
 _____ there be _____ for excess _____ produced _____ system?
 _____ possible to _____ compensated for any _____ comes _____ my _____ setup?
 _____ government allow _____ credits for _____ power?
 _____ I receive _____ power produced by the _____?
 _____ it _____ for the government _____ allow _____ credits earned _____ excess solar _____?
 _____ don't _____ if _____ government _____ allow _____ to be compensated for any _____ my solar _____.

Is _____ allow for credit _____ for solar _____?

Will _____ I generate _____ my solars _____?

Can _____ energy credits _____ power?
 _____ receiving _____ excess solar _____ possible?

Can _____ get _____ for _____ power from _____ solar _____?
 _____ government allow excessive _____ to earn _____ credits?

I wonder if I _____ credits _____ electricity I _____ my _____.

_____ get _____ for the excess solar energy?

Can _____ the surplus electricity I _____ the _____ installation?

Is _____ way to _____ credits from _____ solar _____ surplus _____?

_____ don't _____ I _____ get _____ for extra power from my _____.

_____ allow _____ to _____ credits _____ electricity produced by my _____ system?
 _____ it possible _____ more _____ from the solar setup?

I _____ if the government rules allow _____ convert _____ solar _____ into _____.

_____ get credit _____ my _____ solar _____?

I wonder ____ the gov regs ____ solar ____.

____ the ____ generation be ____ for ____?

____ it ____ the government to ____ any extra power produced ____ solar ____?

____ government regulations, can I ____ for ____ surplus ____ my solar ____?

____ you ____ me ____ government ____ will ____ me to ____ solar ____ into credits ____ my system?

Can ____ earn energy ____ solar ____?

____ government allow ____ to earn credits for ____ power ____ my ____?

I ____ to know if the government ____ me ____ generation.

I wonder ____ allow me ____ excess solar energy ____ for my ____.

____ it possible ____ earn ____ from excess power that ____?

____ government ____ allow for receiving ____ for excess ____.

____ guidelines from ____ government permit ____ credits ____ solar ____?

____ the government ____ production ____ earn you renewable ____ credits?

As per government regulations, ____ I ____ excess ____ by my ____?

____ possible that ____ regulations enable ____ credits ____ excess solar ____?

Is ____ way to accumulate ____ credits with a ____ my ____?

____ government policies ____ solar panels ____ get financial ____ for excessive ____?

____ I ____ for my ____ surplus from my ____?

____ government ____ allow ____ receive ____ for any extra ____ generated by ____ panel ____?

Do regs ____ surplus ____?

Is ____ in on ____ blasted solar panel's extra power generation, ____ is ____ government ____ is ____ another ____

____ wonder if I ____ earn credits for the ____ electricity ____.

____ the ____ to compensate me for ____ extra ____ generated ____ my solar ____?

____ per ____ rules, ____ I ____ compensated ____ extra solar electricity?

Is ____ for ____ to ____ credits from the ____ electricity ____ my solar ____?

____ the ____ compensation ____ credits earned from excess ____?

Is ____ regulations for ____ credit ____ solar ____?

____ to ____ from surplus solar power?

____ it possible ____ can make money on ____ solar ____ power ____?

Is it ____ to accrue credits ____ my setup?

Is it ____ credits for the ____ electricity ____ by my ____?

____ it ____ I can ____ credited for ____ power?

____ it ____ earnings for extra solar power?

I ____ if my solar generation ____ credit ____.

____ it possible ____ solar ____ production to ____ credit?

I would like the ____ me earn ____ excess ____.

____ to receive ____ for excess ____ Electricity?

Is it ____ earn credits ____ surplus electricity ____ solar ____?

____ my solar ____ for ____?

____ it ____ for excess ____ from my solar installation?

____ it ____ to ____ for excess power ____ my solar ____?

____ wondering if ____ can ____ any ____ for ____ extra ____ juice.

Is ____ permissible for ____ regs ____ credits ____ excess solar generation?

____ me ____ extra solar power?

____ regs ____ allow me to ____ credits from ____.

Will my ____ panels ____ credited ____ generated?

Can ____ get credits for the ____ by ____ solar ____?

____ for ____ to earn credits ____ surplus ____ comes from my ____ installation?

Do government ____ me to receive ____ from ____ generated ____ my ____ system?

____ don't ____ if ____ credit ____ my surplus solar ____ production.

Is ____ possible to ____ some credit for the ____ energy ____ ____ ____?

____ I ____ advantage ____ ____ regulations for my extra solar ____?

Is ____ ____ ____ from ____ power produced by my solar panels ____ government ____?

Can ____ ____ for the surplus ____ generated ____ my solar ____?

I was wondering ____ ____ was legal for me ____ ____ kind ____ compensation ____ ____ extra ____ generated ____ my ____ setup.

Can ____ get credits ____ ____ solar ____?

Can ____ credits ____ more power ____ my ____ setup?

____ the ____ give ____ credit for ____ power?

____ it possible that ____ earning ____ from ____ solar ____?

Do ____ policies allow ____ with solar panels ____ get ____ rewards ____ excessive ____ ____?

____ the ____ ____ my solars be ____?

____ want to know if ____ regulations allow me ____ ____ ____ extra electricity ____ by ____ solar panel ____.

____ it ____ to get ____ for ____?

____ wonder if ____ allow ____ get ____ from excess solar generation.

Is ____ possible ____ credits ____ surplus ____ energy?

am ____ able ____ ____ for my surplus ____ energy ____?

____ it possible to ____ electricity credits with a surplus ____ ____ ____?

Is it ____ get credit for additional ____ ____ my ____?

____ you tell ____ ____ government ____ allow me to convert excess solar ____ into ____ ____ system?

____ the government allow the ____ of ____ energy ____ ____ solar ____?

____ wonder if ____ can ____ credits ____ solar generation.

Could ____ generation ____ surplus ____ due to laws?

Is it possible ____ ____ the ____ produced ____ my solar panels?

I wondered ____ I ____ credits ____ excess electricity produced ____ ____ setup.

____ might ____ rules ____ credit ____ surplus solar power.

____ it ____ for homeowners with ____ to receive rewards ____ excess ____?

Is ____ installations will generate credit ____ government regulations?

I ____ know if I'll ____ able to ____ in ____ my ____ panel's ____ or if ____

Can ____ allow ____ to ____ credits for ____ electricity ____ by ____ system?

____ sure ____ I ____ cash ____ on ____ solar ____ extra ____ or ____ the government is ____ another opportunity

____ am wondering ____ the ____ allow me to be compensated ____ extra ____ that ____ setup ____.

Did ____ allow for credit ____ my surplus ____?

Will ____ generated by my solar panels ____?

____ regulations, ____ I ____ credits for surplus electricity ____ solar installation?

Is ____ the government ____ renewable energy ____ through excessive solar ____?

____ to ____ in ____ my ____ generation, but I'm ____ if this government will allow it.

Can you tell ____ if ____ rules ____ me ____ solar ____ into ____ for my ____?

Is it ____ use ____ solar ____ to earn credits?

____ am ____ if government regs ____ me to ____ credits ____ generation.

____ the ____ earning ____ extra solar power?

____ don't know if ____ enable ____ my solar ____.

____ possible ____ earn ____ power that I produce through ____ solar ____?

____ I get ____ for ____ energy created by ____ installation?

____ it possible ____ get ____ for surplus ____ my ____ setup?

Do you ____ rules ____ me to ____ excess ____ energy into ____ for ____?

____ the government ____ credits with ____ solar ____?

____ want to know if ____ regulations allow ____ credits ____.

Can ____ generation ____ according ____ rules?

____ you ____ the ____ me ____ convert ____ energy into credits for my system?

The regulations might ____ earning credits ____.

Should homeowners with solar panels _____ financial rewards _____ production?

Can _____ credits for _____ power _____ my solar panels _____ government _____?

_____ the government allow me to _____ credits _____ from _____ system?

_____ earn _____ for the electricity surplus _____ installation?

Is it _____ credits _____ solar power?

Will _____ power _____ credited _____ excess _____?

_____ be credited according to _____?

I don't know if _____ allow _____ surplus _____.

Is _____ possible that _____ will allow _____ to convert excess _____ energy into credits _____?

_____ be regulations for _____ earnings _____ extra solar _____.

_____ I _____ power from _____ solar installation for _____?

_____ I _____ for spare sun-power?

_____ don't know if _____ get _____ the surplus _____ my solar _____.

I _____ I _____ for surplus electricity generated from my _____ installation.

I _____ know _____ I _____ credits for _____ surplus _____ solar installation.

Current _____ policies _____ homeowners with solar _____ to receive _____ rewards _____ excessive _____.

_____ possible to _____ electricity generated from _____ solar panels?

_____ to know _____ get credit for surplus electricity _____ by _____ solar _____.

Is it _____ that _____ earn _____ from my solar _____?

_____ I earn _____ from excess power _____ solar _____?

Is it possible for _____ from _____ panel's extra power _____?

_____ excess _____ produced from my solar setup?

_____ know if the _____ rules _____ me to be _____ the _____ my solar setup _____.

_____ it _____ receive _____ excesssolar electricity?

Can _____ gov allow _____ earn credits _____ my _____ solar _____?

_____ the government _____ compensate _____ for any extra _____ I _____ by _____ my solar setup?

_____ there be _____ power _____ by my solar?

Is _____ get _____ power generated by sunlight?

_____ when a surplus is _____ by my photovoltaic installation?

Is _____ possible to _____ excess solar _____.

_____ it _____ to earn _____ surplus _____ from residential solar _____?

Is _____ possible that I get _____ for _____?

Is _____ a _____ that will _____ to earn _____ by _____ excess _____ from my solar _____?

Will _____ solar _____ be credited _____?

Is _____ get _____ for _____ energy created by my solar _____?

_____ possible _____ the _____ let me earn _____ from excess _____ power?

Can _____ get credit benefits _____?

_____ it _____ for _____ solar _____ to _____ credited for _____ energy?

_____ with _____ receive financial rewards for excessively energy production?

Is _____ possible _____ I can _____ credits _____ excess _____ produced _____ system?

Is _____ possible _____ the _____ let _____ earn credits _____ a _____ surplus?

I am wondering if the government _____ allow _____ extra _____ produced by _____ solar _____.

Is it possible to accumulate electricity _____ generated _____ home _____?

_____ permit _____ credits from excess _____.

_____ possible government _____ credit me for _____ solar _____?

Is the _____ solar production to _____ energy _____?

_____ a _____ earn credits for _____ solar power?

_____ know _____ the government rules _____ for any _____ produced by _____ solar setup.

Can _____ more power from _____ solar setup?

_____ it _____ me _____ get some _____ compensation _____ extra power _____ by my solar setup?

_____ credit _____ allowed for _____ power?

I wonder _____ the regulations _____ me _____ electricity produced _____ my _____ system.

Is it possible to earn _____ from _____ solar _____?

_____ earn _____ from _____ solar installation?

I wonder _____ solar _____ can earn me _____ credits.

Is it permissible _____ excessive solar production?

Is it _____ allow me to _____ solar _____ into credits _____ system?

Is the receiving _____ excess _____ electricity _____?

_____ know _____ I can _____ for _____ excess _____ from my solar _____.

Is it possible _____ earn credits _____ excess _____ produced _____?

According _____ gov't _____ can _____ gain credits _____ more power _____ setup?

Is it possible _____ me _____ receive _____ the _____ of earned _____ using _____?

_____ surplus electricity I create from my _____ installation?

_____ like to _____ government regs _____ gain _____ from excess solar _____.

Will _____ by my solars _____ credited according _____ the _____?

What do _____ regulations allow _____ credits from _____?

_____ it _____ to _____ for _____ surplus electricity _____ my _____ installation.

Is _____ possible for _____ to _____ for the _____ electricity _____ my _____ setup?

Can I _____ spare _____?

Is it possible for _____ electricity to _____?

Is it _____ to _____ earning credits for _____ solar _____?

_____ regulations that allow _____ for _____ solar power?

I'm wondering _____ the _____ regulations _____ me _____ earn _____ for excess electricity _____ by _____.

Is _____ any _____ I _____ some _____ my _____ solar juice?

Is excessive _____ generated by _____ solars _____ be _____?

Is it possible to accumulate _____ surplus generated _____?

I am wondering _____ current _____ me _____ credits from the _____ generated by _____ solar _____ system.

Is _____ get _____ for _____ power produced through solar _____?

_____ there _____ to earn _____ electricity _____ my solar installation?

Is _____ earn credits _____ generating surplus electricity from _____ installation?

_____ for my solar generation to _____ under _____ regulations?

Should excess _____ energy _____ under government _____?

_____ for me _____ get _____ kind _____ compensation for the _____ power in _____ setup?

Does the _____ for _____ credits _____ solar power?

_____ wondering if government regulations _____ to _____ from my _____ installation's electricity _____.

_____ my _____ system can _____ used _____ credit benefits.

Is _____ to receive credit for _____ created _____ solar installation?

_____ to know _____ government regulations allow _____ earn _____ my solar installation's _____ generation.

_____ credit for excess power generated _____ my solar _____?

_____ to _____ for _____ excess energy created by my solar _____?

Is it _____ to accumulate credits with _____ surplus generated _____?

Is it possible _____ earn credits for _____ panels?

_____ it possible to _____ energy credits _____ excess power _____ installation.

Do _____ to receive credits for excess solar _____?

_____ to _____ for solar power that _____ surplus?

_____ would like the _____ to allow _____ excess solar power.

Is _____ for me _____ extra solar electricity?

_____ to get credit for the surplus energy _____ solar _____?

There are _____ get credit _____ solar _____?

_____ if government regs _____ to gain credits _____ excess _____ generation.

Is _____ me _____ receive credits _____ additional _____ generated _____ my solar _____ system?
 _____ possible to _____ money on _____ panel's _____ power generation, or is it _____ it?

I would _____ to know if current _____ regulations allow _____ any _____ electricity _____ by _____ solar _____ system.
 _____ I get _____ for _____ surplus electricity _____ my _____ setup?

Can _____ for extra _____ power?
 _____ it _____ to get more _____ from _____ under _____ regulations?

Do regs give _____ credit _____ surplus _____?
 _____ rules _____ credit _____ solar power.
 _____ generated by _____ to be credited?

Is it possible to _____ excess _____ power?
 _____ credit for _____ solar _____ possible?

Is _____ possible to get _____ electricity _____ my solar _____.
 _____ it possible _____ get credit for _____ electricity _____ by _____?
 _____ the government _____ earn _____ excess electricity _____ solar _____ produces?
 _____ regs allow _____ for surplus solar _____?
 _____ regulations _____ me _____ get credits _____ sun-power?

I want _____ know _____ credit for the _____ my _____ setup.

Is _____ my solar generation _____ earn _____?
 _____ to give credits for _____ solar electricity?

Is it possible _____ me to receive _____ extra _____ solar system?

Can I earn _____ credits _____ my solar installation?
 _____ let me _____ credit _____ excess solar power?

Can I use rules that _____ get credit _____?
 _____ I _____ for the extra _____ from my _____?

As per rules, _____ extra solar?

Is _____ for the _____ to _____ me _____ power _____ by _____ solar setup?

Is _____ way to _____ with a surplus generated _____ my _____ installation?

Does regs _____ for _____ surplus _____ production?

Did the regulations _____ earning _____ generation?

Should _____ policies allow _____ with solar panels to _____ excess energy _____?

Can there be _____ to get credit _____?

Is it _____ earn _____ solar power?

I am _____ I _____ credits from excess _____.

I _____ if government rules can _____ solar power.

Can _____ excess electricity that _____ generate _____ my solar _____?

Is it _____ earn _____ excess _____ power.

Is it possible _____ credits _____?
 _____ get some kind _____ compensation for the _____ generated by _____ solar _____?
 _____ get energy credits _____ installation's excess power?

I _____ if regs will _____ solar energy _____.

_____ if I _____ be _____ for any extra power _____ my solar _____.

_____ to _____ credits based _____ solar energy production?

_____ chance _____ through _____ electricity given by govt laws?

_____ government regulations allow _____ credits _____ my solar _____ surplus _____ generation?

Will I earn _____ my solar installation's _____?

Can _____ be rules _____ credit for _____?

_____ the government allow homeowners _____ solar panels _____ financial _____ excess _____?

Do _____ credits _____ solar power?

_____ I take advantage _____ the _____ surplus _____ installation?

_____ these rules allow me to _____ solar _____ into _____ for _____?

Is there any _____ would allow _____ credits _____ excess _____ by my solar panel _____?

I would _____ I can _____ for surplus solar _____.

_____ earning credits _____ more solar power _____ regs?

_____ it _____ that _____ will generate _____ due to government _____?

I _____ if _____ let _____ credits from excess _____ power.

_____ it possible _____ get credit _____ surplus solar _____.

I am _____ if _____ can _____ the surplus _____ generated _____ my solar _____.

Is _____ permissible for me _____ compensation _____ power?

_____ to regulatory _____ can _____ compensation for _____ surplus?

What do you _____ about _____ government _____ allow _____ to convert excess _____ credits _____ system?

The government _____ allow _____ credits _____ a _____ surplus.

Is it _____ receive _____ for the _____ electricity _____ installation?

_____ possible _____ to get credits _____ excess electricity generated _____ installation?

I _____ it's legal _____ to _____ some _____ of compensation _____ the extra _____ my solar _____ gives _____.

_____ it _____ for the government _____ for credits _____ solar _____?

_____ it possible to _____ credit _____ the _____ by _____ solar panels?

Is _____ for _____ solar power allowed _____ regulations?

Is it _____ to accumulate _____ electricity _____ by _____ setup?

As _____ I _____ compensated for _____ solar electricity?

_____ credits for electricity excess from _____ solar installation?

Surplus _____ solar setup, do _____ get _____ credit?

_____ it possible _____ earn _____ with _____ of solar _____?
