

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Requests for energy-saving tips or recommendations
Inquiry Sub-Category	Renewable energy alternatives
Description	Customers request information on renewable energy options such as solar panels or wind turbines to decrease their reliance on traditional power sources.
Data Size	8,394 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Are ____ any energy-saving ____ using ____ ____ to decrease ____ ____ consumption?

____ ____ for less electric ____ ____ wind.

Is ____ turbine ____ help ____ ____ usage?

Saving near a ____ ____ ____ bills.

____ ____ ____ be ____ to cut my energy usage?

____ can ____ cut my ____ ____ through wind ____?

____ you ____ ____ ____ tricks ____ cut my power bill?

I ____ like to know how I ____ ____ ____ usage ____ utilizing ____ ____.

Do you have ____ suggestions regarding ____ ____ ____ ____ windmills?

____ are ____ for ____ ____ ____ with windmills.

Do ____ have any ____ on ____ to reduce electricity ____ ____ ____?

Is ____ ____ ____ I can decrease ____ ____ ____ ____ wind turbine efficiency?

Suggestions as to ____ ____ ____ save ____ ____ ____?

____ energy ____ windmills, there ____ any ____ ____?

What ____ the ____ tips for ____ wind ____ to ____ ____?

____ ____ know how ____ can ____ electricity ____ by ____ ____ turbines efficiently.

____ you suggesting ____ ____ reduce ____ bills with ____?

____ ____ I take ____ of ____ power?

____ can ____ turbine reduce ____ ____?

____ it ____ to save ____ ____ ____ wind power?

____ there ____ advice on how ____ cut ____ consumption ____ ____ turbine?

Is ____ possible ____ ____ ____ using ____ power?

____ me ____ my energy ____ ____ the ____?

____ ____ blades ____ save electricity?

____ can ____ turbine be used to ____ ____ usage?

What ____ ____ ideas with ____ ____?

____ there ____ way to ____ ____ ____ turbine for less ____ use?

____ need ____ ____ if wind ____ can ____ my ____ use.

____ ____ use the wind ____ to ____ ____?

How can _____ wind to _____?

_____ it possible _____ wind _____ to cut _____ on _____ electric _____?

_____ wind _____ electric usage?

Is _____ possible _____ cut down on _____ bill _____ turbines into _____ energy _____.

Can _____ tell _____ to _____ electricity using turbine-powered _____?

Use _____ power can _____.

Do _____ have _____ wind _____ tricks _____ save _____ and _____ my power _____?

_____ interested in learning _____ can decrease _____ use _____ wind turbines _____.

_____ to _____ save _____ with windmills.

_____ ways _____ lower usage _____ wind _____.

How do you _____ juice bill _____?

_____ want to _____ usage _____ wind turbine efficiently.

Have _____ got any _____ can _____ my power _____?

Is _____ to drop _____ by _____ in _____ wind turbine?

_____ like to _____ possible _____ reduce my electric _____ by _____ wind into _____ energy system.

How _____ energy by _____?

How _____ I decrease _____ utilizing _____ turbines?

Is _____ any _____ turbine method _____ consumption?

I'm _____ if there's _____ that could _____ power bill.

_____ wind can lower _____

_____ power _____ be cut?

Do _____ to _____ power?

Is _____ any _____ saving energy _____ wind _____?

I'm _____ energy-saving tips for wind _____.

There are any suggestions _____ bills with wind _____.

_____ electricity usage _____ wind turbines?

_____ there any tips on how _____ turbines?

_____ it possible _____ energy use using the _____?

_____ got any _____ turbine tricks to _____?

I _____ a question _____ how I _____ electricity _____ utilizing _____ turbine _____.

Are _____ interested _____ efficient ideas with _____?

_____ advice on _____ to lower _____ consumption _____ turbines.

Any _____ how _____ use wind machines _____ less _____?

Is there any way to trim _____?

_____ wind farms _____ my _____?

_____ should _____ electric use?

_____ energy _____ can be _____ usage.

_____ tips _____ I use _____ with windmills?

_____ installing wind _____ reduce _____?

_____ to _____ if wind turbine can _____.

_____ I be _____ use energy-saving _____ with wind _____?

_____ to use wind _____ save _____?

_____ turbine ways to _____ consumption.

_____ turbines to _____ my power use?

Is _____ advice for using wind _____ to _____?

Is it _____ to _____ wind energy _____?

_____ offer _____ suggestions to reduce my _____?

_____ is _____ best way to _____ power _____ machines?

_____ I use wind _____ reduce _____ use?

_____ know if I can use _____ wind _____.

Can _____ turbines _____?

There _____ electricity bills _____ windmills.

Want to cut _____?

_____ I use _____ and _____ my _____ consumption levels?

Wind _____ installation _____ rates.

_____ twisters _____ save my _____ on _____?

_____ learn about _____ energy saving _____?

_____ we use wind _____ reduce _____?

_____ turbine _____ help saving _____?

Is _____ will save my moola _____ electric?

_____ cut my power _____?

There are wind turbine _____ use _____ energy.

Can _____ reduce my _____ use?

_____ tips _____ using _____ power to _____ energy.

_____ wind _____ reduce _____ use?

_____ wind _____ me _____ my _____ usage?

Suggestions on how to _____ with _____.

_____ to save energy?

_____ possible _____ down on _____ electric bill _____ wind turbines?

How can _____ using wind _____?

How can I _____ consumption with _____ wind _____?

_____ on how _____ reduce _____ wind turbine

What _____ turbines _____ to _____ electricity _____?

_____ a _____ turbine reduce _____?

Is wind turbine _____ able _____?

_____ tricks for _____ electric with the _____?

_____ turbine _____ reducing power usage?

_____ it possible _____ drop _____ energy _____ by _____ wind turbines.

_____ use _____ turbine to save _____.

_____ some tricks _____ the _____ electric side of _____ turbine.

_____ to _____ wind _____ for less energy use.

_____ farms helpful _____ saving _____?

_____ windturbines _____ energy?

Can _____ offer _____ suggestions to _____ my electricity _____?

I am _____ to decrease _____ electricity _____ by utilizing _____.

_____ to know if _____ wind _____ my power use.

_____ possible _____ wind turbines save _____?

_____ can I reduce _____ consumption levels _____ wind _____?

What are some tips _____ to save _____?

_____ want _____ know _____ it _____ possible to reduce my _____ bill by incorporating _____ my _____.

_____ possible to get _____ help trim my _____ use?

_____ can _____ power be _____ electricity usage?

_____ I _____ energy with wind _____?

_____ wind _____ reduce _____ at home?

Help _____ my energy consumption _____?

How do _____ cut _____ winds?

Is _____ a way _____ cut _____ using _____ ideas?

Is _____ way that _____ turbines _____ electricity _____?

_____ want _____ know how _____ can reduce electricity _____ turbine efficiently.

There are _____ tips _____ with windmills.

Is there _____ usage via wind _____?

_____ do wind turbines reduce _____?

How _____ wind _____ save _____?

_____ with wind _____ ideas yet?

_____ me with my power _____?

_____ tips on using _____ turbines for _____ use

How _____ we _____ energy _____ using _____?

_____ energy- efficient ideas _____ power?

_____ wind _____ to cut my _____?

Is _____ advice on reducing _____?

Can I use _____ to _____ my _____?

_____ to use less _____ with the turbine?

_____ power _____ windmills?

How _____ reduce _____ the help of wind turbine?

_____ there any idea _____ how _____ bills _____ windmills?

_____ found any _____ turbine _____ to _____ energy?

_____ reduce my electricity bill _____ turbine?

There are _____ on how _____ for _____ use.

Is it possible to _____ my electric bill _____ blades to _____?

_____ machines suggest _____ to _____ electricity usage?

_____ do you lower _____ by _____?

Should I _____ wind turbine _____?

Did you have any _____ on _____ to _____ with _____?

_____ to _____ usage _____ wind energy.

_____ wind machines _____ of electricity?

_____ does wind _____ reduce electricity _____?

_____ to save _____ by using _____ wind turbine.

_____ reduce electricity _____ rates?

_____ on _____ for less _____ use.

_____ find any wind _____ tricks that _____ energy?

Is _____ possible _____ lower _____ use _____ by _____ turbines?

_____ power _____ with _____ advice?

_____ me _____ my _____ with the _____?

Can _____ efficiency _____ power use?

How _____ power _____ wind machines?

_____ know if there _____ contraptions that _____ cut my power _____.

_____ windmills help _____ lower my _____?

_____ you _____ the _____ of _____ with those wind _____?

Want to _____ turbines?

Is _____ possible to _____ my _____ bill _____ wind _____ energy system?

How _____ help _____ use?

_____ there any wind _____ I can _____ to _____?

_____ ways to reduce _____ with _____?

I would _____ to _____ to _____ by utilizing wind _____ efficiently.

_____ energy-saving tips that _____ use with _____ turbines.

Is there _____ for _____ bills with _____?

_____ I use wind turbine _____ usage?

_____ turbines help conserve _____?

It's _____ good idea _____ how to _____ with _____ turbines.

How _____ I _____ my _____ with the wind _____?

_____ any _____ hacks using wind _____ lower my _____ usage?

_____ I _____ power _____ cut _____ usage?

_____ wind _____ tricks that could save energy _____.

Is _____ wind _____ to cut _____ power _____?

_____ help _____ my power usage?

There _____ wind turbines to _____ energy.

Is it _____ that _____ save _____?

What _____ I _____ to _____ my wind _____ consumption?

How _____ wind _____ my _____ use?

_____ there any _____ saving energy with _____?

_____ reducing power _____.

_____ do wind turbines _____?

_____ wind turbines help _____?

How-tos for _____ bills, wind _____?

_____ bills using wind turbine _____?

_____ about energy- efficient _____ power?

_____ tips on how to _____ wind _____ energy use?

_____ wind turbines reduce _____?

Is _____ any _____ to _____ my electricity consumption _____?

_____ turbine use _____ reduce _____.

Should _____ wind _____ reduce power _____?

_____ to _____ use using wind _____.

There's _____ advice on reducing _____?

I _____ wind turbine tricks _____ save _____ cut _____ bills.

Can anyone _____ how to save _____ turbine-powered _____?

Is it _____ that _____ turbine can _____ power _____?

_____ cut electric consumption _____?

Did _____ know _____ wind contraptions could slash _____?

_____ is wind _____ saving power?

Is _____ advice from _____ wind turbine on _____ cut _____?

Is _____ anything you _____ to _____ energy _____ the wind?

Can _____ technology _____ save _____?

How _____ of electricity?

How _____ I decrease _____ consumption of _____ turbine?

Know how to _____ with _____.

How can _____ electric _____?

Can wind turbines _____?

Is there _____ wind turbine methods that _____?

_____ to _____ machines for less _____.

_____ that wind turbine can _____ my power _____?

Is _____ cut my electric bill by adding _____ my energy _____?

_____ it possible _____ save money _____ electric _____ using wind turbine _____?

Is _____ anything _____ do _____ energy with wind _____?

Can wind _____ used to _____ home?

_____ consumption rates _____ be reduced by _____.

Making use _____ wind to _____?

_____ turbines _____ reduce power _____?

Can I find _____ more about wind _____?

_____ windmills lower electricity _____?

_____ have _____ with wind _____?

Is _____ way _____ reduce _____ by wind turbine?
 _____ I _____ my _____ consumption by _____ in wind _____?
 _____ do _____ do to _____ use?
 What are _____ ways _____ energy from wind _____?
 _____ wind _____ to reduce _____ usage?
 There are some _____ with _____ turbine.
 _____ it possible _____ cut _____ by using _____ energy?
 Is it _____ wind _____ lower electricity consumption?
 Will _____ be able to _____ on _____ tips?
 _____ I _____ wind _____ help cut _____ electricity use?
 Is _____ a _____ using wind energy methods?
 How _____ I decrease _____ usage with _____?
 I am _____ learning how to decrease electricity usage _____.
 _____ tips for _____ wind _____ to _____ energy.
 _____ tips _____ save energy _____ using _____?
 Can _____ help me _____ energy _____ the wind?
 _____ want to _____ if _____ wind _____ could _____ my power _____.
 I'd _____ know _____ there _____ wind _____ that could cut _____ power _____.
 _____ usage can _____ reduced by _____.
 Can _____ offer _____ suggestions?
 Is it _____ to reduce my electric _____ by _____ into _____?
 I want _____ know if _____ turbine _____ reduce _____ use.
 There are _____ for reducing electricity _____.
 There are _____ to _____ less _____ with _____ wind _____.
 _____ any _____ for reducing _____ bills with windmills?
 _____ there _____ way _____ use wind turbine to _____?
 The _____ use _____ turbines _____ save energy?
 Should _____ be helpful _____ saving _____?
 _____ are wind _____ help save energy.
 _____ any way to cut bills with _____?
 Can _____ give _____ any _____ saving _____ with windmills?
 There _____ on _____ to _____ costs using _____ turbines.
 _____ it _____ to _____ use by _____ in wind _____.
 Are _____ tips _____ to _____ for less energy use?
 _____ is the _____ to save _____ through _____ use of _____?
 Is there any _____ on _____ to _____ with _____?
 Suggestions on _____ reduce _____ with _____?
 Can the _____ of _____ use?
 Is there _____ way _____ cut _____ on my electric bill _____ system.
 _____ are ways to have _____ with _____ wind _____.
 _____ you _____ any _____ contraptions that can _____ my _____?
 _____ are _____ best _____ to _____ wind turbines _____ less energy _____?
 Can _____ wind _____ my electricity _____?
 There _____ suggestions for _____ wind turbines.
 _____ can _____ use to save energy and _____?
 Advice _____ power with _____.
 Is wind turbine _____?
 Is _____ any advice _____ reducing _____ wind turbines?
 How to use a _____?
 Wind _____ reduce power _____.

Is there any _____ how to _____ with wind _____.

Should _____ use wind turbine _____ power _____ levels?

I _____ interested in learning how _____ decrease electricity _____ wind _____.

How _____ with windmills?

_____ the wind _____ helpful _____ power?

I _____ find _____ to decrease electricity _____ by _____ wind _____.

How can _____ lower my _____ consumption _____ a _____.

_____ about _____ electricity bills with _____?

Suggestions _____ to how _____ turbine _____ less energy _____?

_____ winds help _____ power _____?

Suggestions _____ power with _____?

_____ there any _____ electric with the wind _____?

Do you have _____ turbine _____ save energy _____ money?

How can _____ power _____ my usage?

_____ wind _____ installations _____ electricity consumption rates?

Is _____ help _____ power?

_____ there _____ advice to _____ power consumption _____ wind _____.

Can _____ turbines help _____ use _____?

_____ windmills _____ to _____ electricity consumption?

Suggestions on _____ to _____ turbine _____ less _____ use.

There _____ a _____ to _____ usage using wind turbines.

How _____ energy _____ wind?

How to cut _____ with _____?

_____ wonder _____ twisters _____ me on electric.

_____ do we _____ by _____ wind?

_____ there anything _____ do _____ energy with wind _____?

How _____ turbine for _____ energy _____?

_____ about _____ wind turbines _____ my electric _____?

Is _____ my _____ bill by _____ wind turbine electricity?

Is wind twisters _____ moola _____ electric?

_____ suggestions _____ to how _____ use _____ turbine _____ energy use?

Do _____ have _____ tricks for _____ electric _____?

_____ are _____ a wind turbine can _____ energy.

Is _____ possible _____ use _____ energy methods _____ lower _____?

Are _____ turbine _____ electricity consumption _____?

Does _____ sense to install _____ to _____ consumption rates?

I was _____ any _____ reducing _____ consumption from wind turbines.

_____ wind turbines help _____ usage?

_____ can _____ use _____ to cut my electricity _____?

_____ I receive information _____ tips?

_____ wind turbines _____ electricity?

_____ can _____ lower _____ bill _____ wind farms?

_____ it _____ for _____ turbines _____ lower electricity _____?

Have _____ to save energy?

_____ it possible _____ reduce _____ using _____ turbine?

_____ do _____ save _____ wind power?

Is it _____ idea _____ wind _____ to save _____?

How _____ use wind to _____?

_____ for _____ efficiency can be done by wind _____.

There _____ can cut my _____ bill.

_____ there wind _____ energy-saving _____ for _____ electricity _____?
 How to _____ the _____ energy?
 _____ you _____ ideas _____ wind power?
 Is it possible _____ power _____ wind turbine?
 _____ to _____ energy _____ power?
 _____ me cut my _____ by using _____?
 _____ do _____ turbines _____ use _____ electricity?
 I need _____ with _____ power _____.
 _____ there _____ I _____ to save _____ with _____ turbines?
 _____ can I _____ the _____ save _____?
 Can _____ turbine _____ shrink _____ power _____?
 Is _____ electricity consumption with wind _____?
 _____ and reduce power consumption?
 How _____ be _____ reduce electricity use?
 Can I _____ based _____ tips?
 _____ a _____ cut power _____?
 Is _____ possible to _____ energy saving _____?
 _____ for _____ for _____ energy use?
 _____ there _____ way to _____ less _____ with the _____?
 _____ helpful for _____ power?
 _____ with _____ what advice do _____?
 _____ electricity bills _____ wind turbine.
 Is _____ anything _____ can _____ reducing _____ with windmills?
 Should _____ use _____ turbines _____ electric usage?
 Reducing power _____ would _____ advice.
 How wind _____ lower _____?
 Can _____ of _____ turbines _____ consumption?
 Can wind _____ suggest _____ reduce _____ electricity _____?
 How _____ reduce _____ with _____?
 Do you have _____ tricks _____ those turbines?
 _____ could _____ wind _____ decrease electricity usage.
 _____ energy-saving _____ for wind turbine _____.
 How _____ to cut my energy use?
 _____ wind turbines _____ save energy?
 Help _____ energy _____ by using _____?
 Can _____ help reduce _____ usage?
 How _____ I _____ power _____ cut my electricity _____?
 _____ there _____ way to _____ electric consumption _____ winds?
 _____ wind _____ offer energy-saving _____?
 I _____ suggestions on how _____ with _____.
 Is it possible _____ save _____?
 _____ can _____ save _____ by _____ wind?
 _____ wind _____ use reduce my _____?
 _____ wind _____ save electricity?
 Is _____ to lower _____ with _____ energy?
 Wind _____ can _____ power _____.
 _____ there any _____ that could _____ power bill?
 _____ you _____ wind turbine ideas?
 Can _____ do anything _____ power use?
 _____ any wind contraptions _____ cut my _____ bill?

_____ twisters _____ save _____ electric?

Do _____ know _____ the _____ to save energy?

_____ how _____ reduce _____ with wind turbines?

How _____ save _____ on wind?

Is there any way _____ using wind _____?

_____ turbines _____ used for _____ energy _____.

How do _____ the use of _____ wind?

Is there _____ to _____ consumption _____ wind turbine?

_____ possible to cut _____ use by _____ wind _____?

_____ my electricity bill _____ turbines?

_____ there _____ way to _____ via wind _____ methods?

Do wind _____ electricity _____?

_____ there _____ way to decrease electricity _____ using _____ efficiently?

Can I decrease _____ by _____ in _____ turbine?

Can you _____ any _____ windmills?

_____ to lower _____ rates with the _____ of wind _____.

Reducing _____ efficiently is a question.

Is _____ possible _____ on my energy _____ by _____ wind _____ my _____?

Is _____ to use less electric _____ wind _____?

_____ we _____ wind _____ less _____ use?

There _____ suggestions _____ saving energy _____.

_____ wind _____ use help _____ usage?

Can wind _____ electricity in _____?

_____ wind _____ can save _____?

What is _____ to decrease _____ with wind _____?

_____ there any _____ on _____ to reduce _____ with _____?

_____ to cut _____ on _____ if _____ incorporate wind into my energy _____?

Help me _____ my _____ the wind?

How _____ lower _____ bill _____ wind turbine?

Do you _____ any wind _____ tricks that _____ energy _____?

_____ use wind turbine _____ energy.

_____ do I _____ my _____ with _____ turbines?

_____ it advisable _____ lower power _____ with _____?

_____ there _____ to _____ turbines _____ lower electric usage?

Is _____ able to cut _____?

_____ I drop _____ energy use _____ wind turbine?

Is _____ drop energy _____ by _____ wind turbine?

Do _____ have any _____ how _____ can _____ electricity _____?

_____ there any tricks _____ electric with _____ machines?

_____ there _____ to _____ energy with the _____ of _____ power?

How can _____ use wind _____ efficiency _____ usage?

How can I _____ by _____ turbines?

_____ help me lower _____ using the wind?

_____ a _____ to lower _____ via wind energy _____?

How _____ energy _____ the wind?

_____ there any _____ wind _____ to reduce electricity consumption?

How can I _____ bills _____ turbine?

_____ for lowering _____ wind turbines?

_____ power _____ be used _____ energy.

Any suggestions on how _____ with wind _____?

_____ help cut power usage?

Is _____ useful _____ saving _____?

I _____ like to _____ how _____ decrease _____ by _____ wind turbines efficiently.

How _____ energy use by _____ the wind?

_____ turbines lower _____ rates?

_____ want _____ know _____ I _____ get _____ about _____ turbine-based _____ tips.

_____ wind turbine helpful _____ power?

_____ to _____ wind _____ to cut _____?

_____ machines lower my _____?

I _____ reduce _____ with _____.

_____ wind _____ help trim my electricity use?

_____ for _____ wind turbine _____ energy _____?

Is there _____ can _____ electricity?

_____ you give me any _____ to save _____?

Does _____ turbines _____ consumption?

_____ can I reduce _____ wind _____?

I need advice on _____ windmills.

There are any _____ can _____ to save _____.

Can wind _____ used _____ power _____?

Can wind turbines help _____?

Is _____ a way _____ reduce _____ wind _____?

Suggestions on how _____ cut _____ with _____.

_____ are suggestions _____ save _____ by _____.

_____ do wind _____ lower _____?

_____ how to use wind _____ for less _____.

Is _____ beneficial _____ power?

_____ help reduce electric _____.

_____ windmills offer energy _____?

Can _____ my _____ usage?

_____ can _____ to lower electric _____?

_____ wind _____ suggestions _____ my electricity _____?

How _____ wind help _____ electric _____?

_____ power sources save _____?

How _____ I cut _____ using wind _____?

Will _____ lower _____ use?

_____ wind _____ cut _____ power usage?

Is _____ possible _____ decrease _____ energy _____ by _____ wind turbine?

_____ tips _____ using _____ to _____ energy?

Can wind _____ lower _____ usage?

What can _____ do to _____ wind turbine?

There _____ a _____ to _____ electricity _____ using _____ turbine.

There are _____ for using _____ energy use.

_____ cut _____ on _____ electric _____ by using wind power?

_____ it _____ cut down on _____ electric _____ by using _____ energy?

Can wind turbines _____ reduce my _____?

Any suggestions on _____ to _____ bills _____ wind _____?

Is wind _____ available?

Is wind _____ electric _____?

Can wind towers _____?

Are _____ ways to cut _____?

Can wind turbines _____ usage?

_____ electricity consumption _____ energy efficiency _____ be achieved _____ wind _____.

What are the _____ ways _____ lower _____ bill using _____?

Is _____ any _____ contraption _____ my power bill?

I am _____ in learning _____ I can decrease electricity _____ utilizing _____.

How can I lower _____ usage with _____?

_____ wind _____ technology _____ electricity usage?

Is _____ chance _____ can _____ energy?

_____ for _____ turbine _____ save energy?

It _____ electricity costs with wind _____.

It _____ to _____ by using a _____.

Can I _____ a _____ turbine to _____ power _____?

_____ it possible _____ wind _____ can really _____ power _____?

Is there any advice _____ the _____ turbines on _____?

Is there _____ power consumption with wind _____?

Is _____ a way to use _____ electric usage?

Wind twisters _____ save _____ the _____?

Information on _____ tips _____ helpful.

_____ are tips _____ wind _____ save energy.

Is there _____ to _____ using _____ energy?

Is _____ possible _____ cut _____ bill by incorporating _____ my energy system.

_____ possible _____ reduce _____ consumption rates by _____ turbine

_____ a _____ use them turbines to save energy?

_____ tips for windmills?

_____ energy-saving _____ lower my _____ usage?

What _____ think about wind _____?

Suggestions for _____ wind _____?

You _____ learn _____ to cut electricity _____ turbine.

Do _____ turbines _____ with _____?

Is windmills able _____ use?

_____ to _____ from wind _____?

_____ some _____ for _____ bills with windmills.

_____ need _____ reducing power _____ windmills.

_____ wind turbine _____ at home?

Is there any way _____ lower use _____?

How _____ wind farms _____?

_____ are wind turbine _____ can use _____ cut _____ power _____.

Are there _____ wind energy _____?

Help _____ energy _____ the wind?

How to _____ electricity _____?

_____ are _____ tips for _____ energy _____.

_____ possible to cut _____ use with _____ power?

_____ it _____ to cut down my _____ bill _____ incorporating _____ blades into _____?

Is it _____ wind _____ to _____?

_____ there any wind _____ tricks _____ can use _____ my _____ bill?

Does wind _____ energy-saving _____ my _____?

_____ there any information _____ how _____ power _____ save energy?

Reduce electricity _____ for _____ energy _____ with _____?

Is _____ any way _____ lower _____ bills with _____?

_____ Turbines _____ energy?

_____ can _____ about the _____ consumption of my _____?

_____ the _____ lower electric _____?

Can _____ turbine suggestions to lower _____ usage?

_____ about _____ electricity with windmills.

Can _____ energy-saving tips _____ wind _____?

Is _____ possible to decrease electricity _____ turbines _____?

Is _____ possible to _____ turbines?

How _____ I _____ power use with _____?

_____ cut power use?

_____ are energy-_____ ideas _____ power.

_____ have _____ question about dropping _____ by _____ in wind _____.

_____ to _____ on electricity usage _____ wind _____?

_____ can _____ power usage.

_____ energy-saving suggestions lower my _____?

_____ use energy-saving _____ with wind _____?

_____ electricity bills with wind _____?

_____ ideas for energy _____ use of _____?

_____ there any _____ for _____ turbines?

There are suggestions _____ using _____ to _____.

_____ lower my _____ usage using wind turbines?

_____ want to _____ by _____ wind turbine tricks.

Are _____ wind _____ decrease _____ methods?

Are there _____ suggestions to _____ electricity _____?

_____ want _____ know about _____ turbine based energy _____.

_____ there _____ way I can _____ my _____ use with _____?

_____ would like to _____ how I can decrease electricity _____.

_____ want to know _____ any _____ contraptions _____ my power _____.

_____ any way to decrease _____ bills with _____?

What can I _____ to decrease _____ a _____ turbine?

Can _____ suggest ways to _____ energy _____ utilizing _____?

_____ on ways _____ wind turbine _____ less _____ use?

_____ installing wind _____ use?

_____ farms _____ electricity consumption?

_____ you in _____ of energy- efficient _____ wind _____?

Can _____ me _____ for cutting my power bill?

_____ reduce electricity bills with _____?

Wind _____ can _____ usage.

_____ installations lower _____ use?

_____ know _____ way _____ use turbine to _____ energy?

_____ wind _____ saving power?

_____ tips on _____?

There _____ ways to _____ wind _____.

_____ windmills _____ some advice.

How _____ to lower my electric usage?

Help lower _____ energy _____ the _____.

How _____ wind _____ electricity?

_____ are _____ for _____ those wind turbine

_____ any wind turbine _____ that _____ can _____ to _____ energy?

_____ there anything _____ reduces _____ by _____ turbines?

Are you _____ for _____ ideas _____ wind _____?

tips _____ energy with _____
_____ you have _____ tips _____ using wind _____ for _____?
There _____ suggestions _____ wind turbines for less _____ use?
Suggestions _____ using windmills _____ reduce _____?
Is there any _____ turbine _____ how to _____?
What _____ tips _____ wind power to save _____?
saving energy _____
Is _____ advice _____ how to _____ consumption with _____ turbines?
Reducing _____ consumption _____ turbine
_____ decrease electricity use?
Can _____ reduce _____ usage?
_____ wondering if _____ are _____ with wind machines.
_____ it possible to _____ power usage _____?
Are there _____ with wind _____?
Let me know if _____ turbine _____ reduce _____.
Can _____ ways _____ by using turbine-powered systems?
_____ to _____ electricity consumption for _____ energy _____ with _____ wind turbine?
_____ help cut _____ energy usage?
_____ do _____ reduce electricity _____?
I am _____ for _____ contraptions _____ could _____ bill.
_____ are _____ use less electric _____ wind machines.
_____ don't know if there _____ energy-saving tips _____.
I _____ to learn _____ I _____ decrease _____ usage by _____ efficiently.
Can _____ my power use?
Wind _____ electricity consumption _____?
Can _____ turbines _____ use?
Do you _____ to _____ turbine _____ save energy?
_____ any advice from wind _____ companies _____ consumption?
_____ a wind _____ trim my electricity use.
_____ usage _____ wind _____ is _____ option.
I _____ know how I _____ electricity _____ by _____ wind turbine _____.
Will _____ turbines _____ consumption?
_____ any _____ use _____ for less energy use?
_____ are _____ wind turbine tricks that can _____.
_____ turbine's _____ my _____ use?
_____ you _____ contraptions _____ help my power bill?
_____ can I _____ my power _____ with _____?
_____ wind turbines _____ suggestions _____ reduce _____?
_____ any advice _____ how to _____ consumption with _____?
_____ power _____ energy saving?
_____ possible to decrease _____ power _____ with a _____?
_____ wind turbine _____ decrease electricity _____.
I want _____ know _____ there are any wind _____ that _____.
Is there a _____ reduce electricity usage _____?
_____ it possible that _____ save electricity at _____?
_____ any energy-saving _____ with wind _____?
Reduce _____ using _____ wind.
_____ when _____ a wind turbine.
Is _____ possible _____ my _____ by incorporating wind into _____ energy system?
_____ to _____ use with the _____?

Is it _____ lower electricity _____ installing _____ turbines.

Can _____ me how I can decrease _____ turbines efficiently?

I would like to _____ how _____ by using _____ turbines more _____.

How _____ lower use _____ electricity?

_____ a wind turbine _____ money _____?

_____ turbine suggestions help me _____ electricity _____?

How _____ energy _____ wind?

_____ saving power?

My _____ could be _____ if _____ had any _____.

There is _____ about _____ wind help lower _____.

_____ is a _____ about _____ wind turbines _____ electricity _____.

_____ there any _____ energy from wind _____?

Can _____ give _____ on reducing _____ windmills?

Is there a way _____ electric _____ wind?

_____ to _____ with windmills?

Can you _____ how _____ can _____ electricity _____ by _____ wind _____ efficiently?

Can _____ wind turbine-based energy-saving _____?

Is it possible _____ my electric bill _____ wind into _____ energy _____?

_____ can I _____ save _____ with _____?

I'm _____ wind _____ tricks to cut _____ power _____.

_____ my _____ consumption _____ using the _____?

Can _____ cut _____ power _____?

_____ it _____ to lower _____ rates _____ windmills?

_____ energy _____ windmills

_____ can _____ save _____ the _____ of wind power?

_____ to _____ with winds.

Can a _____ turbine _____ my _____?

_____ save power?

_____ wind _____ offer _____ electricity usage?

_____ if _____ are _____ tips for _____ machines.

_____ on _____ power _____ windmills?

_____ does _____ turbine _____ to _____ electricity consumption?

_____ energy-saving suggestions?

Is _____ to get _____ of _____ consumption by _____ in _____ turbine?

There _____ using wind turbines _____ conserve _____.

_____ a _____ to lower _____ consumption with _____ turbine?

Help _____ consumption by _____ wind?

_____ possible _____ farms can cut power _____?

_____ wind power to cut _____ electricity use?

I need _____ on how _____ wind _____ less _____ use.

There _____ reduce electrical _____ with _____ applications.

Is it _____ about wind _____ tips?

_____ possible to lower my energy _____ by _____?

Is there _____ about using _____ less energy _____?

How can _____ decrease electricity _____ by _____ efficiently?

_____ are _____ for reducing electricity _____.

_____ a good idea _____ power _____ with _____ turbines?

Tell me how _____ can _____ my _____ using _____.

Is there any _____ tricks _____ can _____ me _____?

_____ looking for any _____ gizmo _____ for _____ my _____.

_____ want _____ find out how _____ decrease electricity use by _____.

_____ it _____ that _____ turbines could _____ lower _____ electricity _____?

_____ can I _____ wind _____ use less _____?

Suggestions _____ how _____ wind machines for _____ use?

_____ wondering _____ was _____ advice _____ the wind turbine _____ reducing _____ consumption.

_____ we save energy using _____?

_____ can _____ done _____ with windmills?

Are there _____ wind turbine _____ that _____ and reduce _____ power _____?

_____ are tips on using _____ turbine _____ less _____.

_____ turbines offer energy _____?

Is _____ wind _____ reduce my electricity usage?

_____ ways _____ through wind power.

Consider _____ power _____.

Can _____ turbine installation _____?

Do you have any _____ on _____ wind turbine for _____?

_____ possible _____ down on my electric _____ wind machines?

_____ a way to _____ by using a _____.

_____ wind _____ in saving _____?

What _____ wind _____ do _____ reduce _____?

Can wind _____ conserve _____?

Can _____ cut _____ power _____?

_____ wind _____ way to save _____?

Can _____ turbines _____ money _____?

_____ on using _____?

_____ can I decrease my electricity _____ utilizing _____?

Is it possible to _____ turbines _____ lower _____?

_____ get energy-saving suggestions from _____?

_____ a wind turbine to decrease _____?

_____ possible to _____ my _____ use _____ wind turbines?

Is _____ wind _____ to _____ lower _____ electricity usage?

_____ possible to _____ electricity _____ using _____ turbines.

Advice on _____ to _____ with _____?

Need energy- efficient _____?

_____ it _____ power consumption with _____ turbines?

Suggestions _____ to _____ electricity _____ with _____ turbines?

There are wind turbines _____ help _____ electricity _____.

Are _____ contraptions that _____ my power bill?
