 _____ settings _____ modem when we can't _____ consistently.
 What _____ be _____ on the modem _____ we have _____ connecting _____ consistently?
 _____ we can't _____ change the _____ on the modem.
 Which settings on _____ to _____ in order for _____ online _____?
 _____ settings _____ be adjusted _____ modem _____ having problems _____ to online?
 In case _____ having _____ connecting _____ the _____ what _____ should _____ change _____ our _____?
 What settings _____ modem _____ we have difficulties connecting _____ consistently?

What _____ adjustments _____ be _____ modem configuration _____ order to _____ access issues?
 _____ are _____ for _____ we're having trouble _____ to online?
 _____ the modem _____ the router if we can't _____ consistently.
 If we can't connect _____ the settings in _____ modem _____ routers.
 We'll need to _____ the settings in _____ or the _____ connect _____.
 In case _____ difficulties _____ reliably, what should _____ on our modem?
 _____ settings should _____ adjusted _____ the modem _____ we're _____ consistently?
 _____ case _____ have trouble connecting to _____ what settings _____ the modem?
 _____ should adjust settings on the _____ we _____ online _____.
 _____ need to _____ some changes _____ our _____ can't connect _____.
 _____ some _____ on _____ modem or the routers if we _____ connect _____.
 We'll _____ change _____ modem and _____ can't _____ online frequently.
 _____ to _____ adjustments to _____ modem for _____?
 _____ needs _____ be changed _____ we're _____ trouble connecting _____ to the internet?
 We'll need _____ make changes to _____ router _____ can't connect _____.
 _____ specific _____ be _____ to _____ modem _____ order to make _____ work _____?
 _____ needs _____ be _____ on _____ modem _____ we _____ having _____ connecting _____ the internet?
 Which _____ on _____ be _____ in case of frequent _____ staying _____.
 What specific _____ should be _____ to our modem's _____ consistent _____ access?
 _____ should be made to our _____ in order _____ resolve the _____?
 _____ settings _____ be _____ on the modem or router _____ consistently?
 _____ need _____ adjustments _____ our _____ we can't connect consistently.
 _____ we're having _____ a consistent online _____ changes required _____ modem or router?
 We'll need _____ modem _____ if we can't _____ consistently.
 Which settings _____ modem _____ be changed if _____ is a _____ staying _____.
 _____ settings _____ needed for _____ order to connect _____?
 We will need _____ to _____ or the Router if _____ consistently.
 Which _____ on _____ should _____ modified in _____ of difficulty _____.
 Fix _____ obstacle _____ stable _____?
 If we have _____ a consistent _____ any _____ we _____ to make to the _____?
 _____ settings should be adjusted for _____ connections?
 _____ setting _____ be changed on the _____ having _____ connecting _____ the Internet consistently?
 _____ make some changes _____ modem and routers _____ can't _____ consistently.
 What settings _____ on _____ modem _____ we _____ connect consistently?
 _____ need _____ some changes _____ the modem _____ the _____ if _____ can't _____ consistently.
 _____ to _____ connection issues _____ router?
 _____ to be made to _____ in the _____ routers if _____ can't connect _____ consistently
 Which settings on _____ should _____ changed if _____ connected?
 Which _____ adjusted _____ online availability?
 _____ online issues, do _____ need _____ the modem?
 What setting _____ be _____ when we have difficulties connecting to _____?
 _____ would _____ about _____ recommended _____ required _____ modem settings for consistent internet _____.
 We _____ to _____ changes _____ the modem _____ routers if we _____ online _____.
 Fix _____ modem/router _____ for _____?
 _____ specific changes _____ be _____ configuration to resolve _____ with _____ access?
 _____ modem _____ should be _____ a _____ internet experience?
 How _____ on the modem _____ adjusted _____ are having _____ online?
 If _____ trouble _____ a consistent online _____ are there any changes we _____ make _____?
 What _____ to be changed _____ if we are _____ connecting to the _____?
 If _____ facing _____ to _____ internet, _____ settings _____ we change _____ our _____?

Modification of network _____ might resolve _____?

What _____ are _____ for the modem _____ we _____ difficulty _____ online?

_____ we can't connect _____ we'll need to _____ the _____ the modem _____.

_____ are needed _____ the _____ if we're having _____ connecting _____ the _____?

_____ the settings on the _____ don't connect consistently.

What setting needs _____ be _____ on the _____ if _____ difficulty _____ the _____?

_____ modem _____ adjusted if _____ internet connection is not _____?

_____ modem _____ should be adjusted _____ online _____?

_____ to adjust the settings in the modem _____ we can't _____.

In _____ resolve _____ online access, _____ adjustments _____ made to _____ modem's configuration?

What settings should be _____ having trouble connecting _____ consistently?

Which parameters in _____ need _____ be _____ frequent disconnection?

_____ changes _____ be _____ to _____ modem's _____ in order _____ resolve online _____?

_____ to _____ some changes to _____ if we _____ connect online consistently.

Specific adjustments _____ made to _____ resolve issues with online _____.

_____ settings _____ the _____ if we can't connect online _____.

We _____ the settings _____ our modem _____ connect online consistently.

What _____ be made _____ the _____ to resolve _____ issues?

_____ settings _____ we _____ modem if we are having _____ connecting _____ the _____?

_____ for _____ online connections?

_____ are _____ on the modem _____ trouble _____ to online?

_____ settings on _____ need to _____ in _____ seamless online connection?

We _____ need _____ make _____ to _____ modem and router _____ can't connect _____.

_____ should change _____ our modem if _____ online consistently.

_____ to make _____ adjustments _____ or _____ if we _____ connect consistently.

_____ need _____ make some changes _____ the modem or the _____ can't _____.

If we're having _____ to _____ consistently, what _____ need _____ on the _____?

_____ specific _____ should be _____ to our _____ to resolve _____?

_____ have to _____ changes to _____ modem _____ routers _____ can't connect consistently.

In order _____ resolve _____ access issues, _____ specific adjustments _____ made _____ modem's _____?

_____ kind _____ changes should be made _____ modem _____ resolve intermittent _____?

_____ need _____ be _____ on _____ if we _____ connect consistently?

_____ change _____ modem or router settings for a stable _____?

_____ required on _____ modem _____ we're _____ connecting to online?

_____ case _____ trouble connecting _____ internet, _____ settings should _____ changed _____ modem?

_____ needs _____ be _____ in order to _____ able to connect to _____ Internet consistently?

What changes _____ be _____ to _____ modem _____ order _____ online _____ issues?

What _____ are _____ on the modem when _____?

Which settings _____ modem _____ changed in _____ frequent trouble _____ connected?

_____ make _____ to the settings _____ our modem if _____ can't _____ consistently.

We will _____ in the _____ if we _____ connect online.

_____ changed on _____ modem _____ case of problems _____ the internet?

We will need to adjust the _____ on _____ if _____ online _____.

_____ changes should _____ to our modem _____ order _____ resolve _____?

_____ setting needs to be changed on _____ to _____ internet consistently?

What _____ needs to be adjusted _____ if _____ not _____ connect _____?

We _____ adjust _____ settings in _____ we _____ get online consistently.

_____ settings should we adjust _____ if we're _____ trouble _____ online?

If we're having difficulties connecting _____ need _____ adjusted on the _____?

We'll need _____ make _____ to _____ modem if we _____ online _____.

_____ the modem/router _____ ?

What _____ on _____ modem if we _____ difficulties _____ to online?

If _____ connect _____ we'll _____ to make some _____ modem _____ router.

_____ make adjustments _____ the modem or _____ we _____ connect online _____.

What settings _____ to _____ changed on _____ if _____ have _____ connecting _____ consistently?

Which _____ modem should _____ changed _____ cases _____ frequent difficulty _____ staying _____?

If we're having _____ online, what _____ should _____ change _____?

_____ on the modem _____ be _____ if we _____ connect _____.

_____ need _____ be changed on _____ modem _____ we aren't _____?

We _____ need _____ make adjustments to _____ routers _____ we _____ connect _____.

What settings _____ if we _____ having problems connecting _____ the _____?

_____ specific _____ should _____ made to _____ modem _____ order _____ resolve intermittent _____?

We will _____ make _____ or the routers _____ we _____ connect _____ regularly.

What _____ be adjusted _____ the _____ if we _____ having trouble _____ to _____?

_____ should be _____ the modem _____ we're having trouble _____?

What _____ to _____ changed on _____ modem if we're _____ trouble _____ to _____?

_____ will need _____ some changes _____ router if we _____ connect _____ consistently.

_____ setting needs to _____ adjusted on the _____ if _____ the _____ consistently?

We will need _____ the _____ our modem _____ can't connect online frequently.

_____ have to make _____ changes _____ or _____ we can't connect online _____.

Which settings on _____ be _____ cases _____ difficulty staying connected?

Due _____ erratic online connection, _____ or _____ needed.

_____ we're _____ difficulties connecting to _____ settings should _____ the modem?

What _____ be _____ modem's configuration in order to _____ issues _____ access?

What _____ made to our _____ in _____ have consistent _____ access?

What _____ be _____ the modem _____ we're having issues _____ the _____ consistently?

What _____ be made to our _____ to resolve the _____?

_____ settings should be _____ for _____ connection?

_____ facing difficulties connecting to _____ internet _____ what _____ should _____ change _____ our _____?

Which _____ need _____ on _____ modem _____ make online connection _____?

_____ the settings on _____ be _____ to resolve persistent _____?

The modem and _____ will _____ to _____ adjusted _____ we _____ connect _____.

If we _____ having _____ to _____ what _____ needs to be _____ on the _____?

Adjusting settings _____ modem _____ necessary if _____ connect online _____.

Are you in _____ of _____ modem _____ router _____ connection?

_____ needs to _____ changed _____ we _____ having trouble connecting to _____ internet _____?

Fix _____ obstacle _____ connection?

_____ on the _____ if we are _____ difficulty connecting to _____ internet?

_____ settings are needed on _____ modem _____ having _____?

In _____ difficulties _____ to the _____ reliably, what _____ should _____ change _____ our _____?

What settings _____ to _____ changed _____ the modem when _____ to _____?

Do we _____ to change _____ on the _____ trouble with _____?

_____ on the modem if _____ having _____ connecting _____ the internet consistently?

If we can't _____ we _____ change the _____ on _____.

_____ setting _____ to be _____ the _____ we are having internet _____?

_____ resolve inconsistent _____ challenges, _____ specific adjustments should _____ to our _____?

_____ in the _____ need tweaking _____ fix _____ disconnection?

Do _____ settings _____ the modem _____ router _____ we have trouble with _____?

_____ are having trouble connecting _____ online, _____ settings should we _____?

In _____ of _____ what settings should _____ on our _____?

____ order to ____ issues ____ access, ____ changes ____ be ____ the modem's configuration?
 ____ Modem/router ____ online internet service?
 ____ adjustments ____ made ____ our modem's ____ in ____ to resolve ____ online access.
 What ____ should ____ modem's configuration in ____ to ____ online issues?
 ____ there ____ changes ____ make ____ our modem ____ keep our ____ connection consistent?
 ____ changes need ____ made to ____ modem in ____ to ____ consistently?
 ____ settings ____ the modem ____ if it gets ____ to ____ connected?
 ____ to ____ the modem ____ the routers ____ we can't ____ online frequently.
 ____ on ____ should be altered if there is frequent ____ ?
 ____ for stable ____ access?
 ____ have to ____ the settings ____ our ____ we ____ connect ____ .
 ____ to make some changes ____ the ____ and router if we ____ .
 ____ changes ____ be made to ____ modem's ____ in ____ resolve ____ with ____ access?
 ____ adjusted on ____ if we aren't connecting consistently?
 ____ to be ____ on ____ modem if we're having ____ connecting ____ ?
 adjust the ____ modem if we ____ online ____
 Are you ____ router and ____ adjustments for ____ online ____ ?
 What settings ____ on the modem if ____ are ____ problems ____ ?
 The settings ____ modem should ____ adjusted ____ we don't ____ .
 When ____ with ____ any ____ adjusting settings on the ____ ?
 ____ be ____ made ____ our ____ in order to ____ inconsistent issues?
 What ____ changed on the modem if ____ trouble ____ to ____ ?
 Fix ____ modem/router obstacle ____ online ____ ?
 We will need ____ changes ____ the modem and ____ if we ____ .
 If we ____ online consistently, ____ to ____ the ____ in ____ modem.
 ____ settings ____ on the ____ if ____ have ____ to the ____ consistently?
 Which settings on the modem should ____ changed ____ connected?
 Which settings on ____ adjusted to ____ persistent ____ issues?
 We will ____ modify ____ in the ____ can't connect consistently.
 ____ settings are ____ modem if we have difficulties ____ ?
 What settings should ____ on our modem ____ connecting ____ internet?

 ____ I can't stay connected on the ____ should ____ settings?
 ____ need to ____ adjusted ____ modem in order for ____ connect ____ ?
 ____ adjusted ____ modem ____ having trouble connecting to the internet?
 If ____ facing difficulties ____ the ____ what should ____ settings be ____ ?
 If ____ difficulties connecting to ____ internet, what ____ we change ____ ?
 ____ needs ____ be ____ if we ____ a hard time connecting to the internet?
 ____ to the ____ settings should ____ change on our modem?
 We'll ____ to ____ on the modem ____ router if ____ consistently.
 What settings ____ change on ____ we ____ having ____ to the internet?
 What settings ____ to be adjusted on ____ if ____ having ____ online?
 ____ modem/router ____ for ____ internet ____ ?
 Which settings ____ the modem ____ modified ____ case ____ difficulty ____ staying ____ ?
 ____ on ____ modem need to ____ adjusted ____ persistent ____ issues?
 What ____ settings on ____ be ____ we are having trouble ____ to ____ ?
 We'll ____ to ____ some ____ to ____ on our modem ____ can't ____ consistently.
 What ____ specific ____ be ____ to our modem ____ order to ____ intermittent ____ ?
 Do ____ change settings on ____ we have trouble ____ online ____ access?
 Is there a ____ modem ____ might ____ internet problems?

_____ Modem/router _____ for _____ connection?

What _____ are _____ on the modem to _____ consistently?

We _____ to _____ some _____ on the _____ get online consistently.

Any _____ to _____ made to _____ connection on _____ crummy _____?

What _____ need to _____ the _____ if we're not _____ the internet _____?

We _____ the settings _____ our modem or _____ we can't connect _____.

_____ changed _____ the _____ if we're _____ trouble connecting _____ the Internet consistently?

_____ be _____ on the modem _____ having problems connecting _____ the internet?

_____ settings _____ be adjusted on _____ modem if we're having _____?

How _____ adjust router/modem _____?

Fix _____ for _____ online _____?

We'll need _____ the settings of _____ if _____ can't connect _____.

We'll _____ to _____ the _____ of _____ if _____ can't connect _____.

_____ obstacle for _____ connections?

_____ on the _____ have _____ changed to _____ persistent _____ issues?

In case _____ frequent _____ connected, _____ settings on _____ modem should _____?

Which settings on _____ should _____ if _____ stay connected?

_____ need to be made _____ settings _____ the _____ if we can't connect _____ consistently.

_____ settings _____ to _____ the _____ in order to be able _____ connect _____?

We _____ need to _____ to the _____ the router if _____ can't _____.

_____ we _____ having _____ with our online _____ are _____ we need to make to _____?

We _____ need to _____ modem if _____ can't connect _____.

We'll need to _____ some changes _____ the _____ if _____ can't connect _____.

What _____ needs _____ be _____ the _____ if we're _____ connecting _____?

_____ to _____ on the _____ we're having difficulty connecting?

_____ settings _____ change on the modem if we are _____ online _____?

_____ setting needs to be _____ the modem _____ we _____ having _____ to _____?

_____ are _____ the modem _____ we're having trouble _____?

If _____ steady online _____ are required in _____ modem _____ router.

We will need _____ adjust _____ settings _____ the _____ if we _____.

_____ faced with _____ connecting _____ internet, _____ settings should _____ change on _____ modem?

If _____ problems _____ to online, what _____ change on _____?

_____ on the modem if we _____ having _____ connecting to the _____?

_____ you looking for _____ on _____ adjustments for _____ online _____?

We'll _____ to make adjustments _____ settings on _____ modem if _____.

We _____ the _____ modem if we cannot connect online _____.

What _____ need to be adjusted _____ the modem _____ difficulty _____ consistently?

_____ need to be adjusted on the modem if _____ the _____?

What setting _____ to be changed _____ cannot connect to the _____?

If _____ facing _____ the _____ what _____ our settings _____ modem be changed?

We'll _____ to _____ modem if _____ can't connect consistently.

What _____ should _____ on our _____ if we're having _____?

What _____ changed on our modem _____ trouble connecting to the _____?

We'll need _____ make some _____ modem or _____ we _____ connect online _____.

_____ settings on _____ modem _____ be changed _____ trouble staying _____ frequently?

What _____ needed on the modem _____ are having _____?

_____ needs to _____ on the modem if _____ having _____ to _____ internet _____?

Are _____ in need of _____ on modem _____ stable _____?

What settings _____ adjusted _____ the modem _____ we're _____ able _____ consistently?

How can _____ settings _____ the modem _____ stable connection?

What _____ modem if we're having trouble connecting _____?

If we _____ having _____ maintaining a _____ online connection, _____ there any _____ be _____ to our _____?

What specific adjustments should _____ made _____ modem's configuration _____ order _____ resolve _____?

_____ setting needs to _____ changed on the _____ we _____ to _____ internet?

Which _____ the modem should _____ adjusted _____ of difficulty in _____?

We will _____ adjustments to the modem if _____ consistently.

_____ on the _____ be adjusted if we _____ consistently.

In _____ inconsistent _____ what specific adjustments _____ to _____ modem or routers?

Fix _____ obstacle _____ online _____?

We'll need to adjust _____ on our _____ routers if we _____.

What _____ be adjusted _____ the _____ if we _____ having _____ connecting _____?

If _____ can't connect _____ settings _____ modify _____ the router?

_____ we need _____ settings on _____ we have _____ continuous internet?

If we _____ connecting _____ the _____ what _____ on our modem?

What _____ the changes _____ to our _____ in _____ to _____ the _____?

We'll _____ adjust _____ settings of _____ modem _____ the _____ if _____ connect _____ consistently.

_____ need _____ make some changes _____ the _____ on _____ modems _____ online consistently.

What setting needs _____ changed _____ the _____ to _____ the _____ consistently?

_____ some _____ to the modem _____ the _____ if we can't connect _____ often.

If _____ are _____ the internet, _____ setting _____ to be changed on _____?

What _____ changes should be made _____ in _____ resolve _____ problems?

If we _____ trouble _____ consistent _____ connection, _____ we _____ changes _____ our modem or routers?

_____ to _____ problems with _____ internet _____ a _____?

In _____ we _____ connecting to the internet, _____ settings _____ we _____ modem?

_____ are _____ for the modem _____ connecting to online?

If we're having _____ setting _____ to be _____ on the modem?

_____ should adjust _____ on the modem _____ we _____.

What settings need to _____ adjusted _____ the modem if _____?

What settings _____ needed _____ the modem _____ we can't _____?

_____ should change the settings _____ our _____ we _____ frequently.

We'll need to _____ the _____ modem _____ we _____ connect online _____.

_____ we _____ connect _____ we _____ settings on _____ modem.

The _____ the _____ or _____ routers _____ need to _____ adjusted _____ we _____ connect _____.

If we _____ should change the _____ on the _____

We need _____ make _____ to _____ on our _____ if we _____ consistently.

We'll _____ make _____ the _____ or the routers if we can't _____.

What settings _____ on _____ modem _____ we are _____ trouble _____ the internet?

What should be changed _____ modem's _____ resolve online access _____?

Changing the settings in _____ will be _____ can't connect _____.

In _____ we _____ the internet _____ what settings _____ we _____ on our _____?

_____ to _____ adjustments _____ the _____ our _____ if we can't connect _____ consistently.

The _____ of a _____ modem _____ erratic online connection.

We'll _____ to _____ on _____ modem and _____ if _____ can't _____ consistently.

_____ need to _____ some _____ settings if _____ can't _____ online consistently.

_____ changes _____ be made _____ order to _____ the inconsistent connections?

_____ adjustments _____ made to our _____ configuration in _____ with online access?

_____ setting _____ to be _____ on the modem _____ we _____ difficulties _____?

What _____ need to _____ adjusted _____ if _____ are having _____ to online?

What _____ to _____ changed on the _____ unable _____ to the _____ consistently?

_____ should we _____ on _____ modem _____ having difficulty connecting _____ online?

What _____ are _____ for _____ modem if _____ having _____ connecting _____ consistently?

_____ to _____ the _____ in the _____ if we can't _____ online _____.

Do _____ need _____ make changes _____ the settings _____ the _____ trouble with online _____?

If _____ having _____ online _____ what _____ be changed on the _____?

What _____ needs _____ be adjusted on the modem if _____ internet?

_____ to make _____ to the _____ the routers if _____ can't _____ often.

Do we _____ to _____ the _____ on _____ or the _____ we have _____?

We'll _____ change _____ modem or the router _____ connect _____.

_____ settings need to _____ on the _____ trouble connecting to _____?

What _____ to be _____ on _____ to _____ to the _____ consistently?

If we _____ often _____ the _____ on the modem.

_____ are needed on _____ modem if _____ are _____ problems _____?

_____ changes to the modem _____ we can't connect consistently.

We will _____ make changes _____ on our _____ if _____ get _____ consistently.

If _____ connect _____ we need to adjust _____ the modem.

What setting needs to _____ adjusted _____ we _____ to the _____ consistently?

_____ will need to _____ the _____ if _____ don't _____ online consistently.

What _____ should _____ make _____ our _____ in _____ issues with _____ online access?

_____ need _____ some _____ to _____ the routers if we _____ connect consistently.

We'll need _____ make changes _____ if _____ can't connect online _____.

_____ settings _____ modem should be _____ to _____ easier _____ stay connected?

Having _____ setting changes do _____ need?

_____ need to make changes _____ and _____ we can't _____ frequently.

_____ will have _____ some changes to the modem _____ routers _____ we _____ connect _____.

_____ need _____ make adjustments _____ modem or the router _____ consistently.

We'll need to make _____ on the _____ we don't _____.

_____ changed for a consistent online connection?

Fix _____ obstacle _____ stable _____?

_____ modem settings should be adjusted _____ is _____ inconsistent _____?

Do _____ want _____ know _____ adjustments _____ stable _____ connection?

What _____ should be made to _____ configuration _____ to resolve issues _____?

Do we _____ to _____ settings on _____ modem if _____ are _____ with _____ internet _____?

_____ setting needs to _____ changed _____ if _____ having internet _____?

Is it _____ adjust _____ for stable online connection?

In case _____ connecting _____ the internet, _____ be changed on _____?

If we're _____ what should we change _____ the _____?

_____ modifications should _____ made _____ the _____ configuration _____ order to _____ access _____?

Is there _____ for _____ that _____ help fix _____ issues?

_____ need to make _____ on _____ router _____ we can't _____ online _____.

_____ to make _____ to _____ in _____ modem _____ the routers if _____ can't connect _____.

_____ setting _____ to _____ if we're having _____ to the internet consistently?

_____ on the modem _____ we don't connect _____ often.

_____ can't _____ internet consistently, _____ to adjust the settings in _____ modem.

_____ case _____ face difficulties connecting to _____ internet reliably, _____ should be _____?

What _____ be changed on _____ modem _____ difficulties connecting _____ internet?

If _____ can't connect _____ consistently, we need _____ the _____ on _____.

How to adjust _____ modem when _____ internet _____?

We will need to adjust _____ or the routers _____ connect _____.

We _____ change settings on _____ modem _____ can't connect _____.

_____ settings on the modem _____ modified _____ there is _____ connected?
 We will need _____ our settings on _____ modem _____ can't _____ consistently.
 _____ we can't _____ online _____ we need _____ change _____ on _____ modem.
 _____ need _____ on _____ we can't connect online consistently.
 _____ make _____ to the settings on our _____ if _____ connect _____ frequently.
 We'll need to adjust _____ settings _____ modem or _____ routers _____ we _____.
 We'll need to _____ and routers if _____ connect online consistently.
 Fix Modem/router _____ bandwidth?
 _____ to be changed on _____ in _____ to have _____ connections?
 _____ setting needs _____ on _____ modem if we _____ trouble _____ to _____ Internet regularly?
 If we _____ connect _____ we will _____ to _____ the settings on _____ routers.
 We'll need _____ make changes _____ our _____ our modem if we _____.
 _____ to _____ the _____ in order to have _____ online connection?
 We need _____ make adjustments _____ our _____ we can't _____ consistently.
 We'll need _____ to _____ settings _____ our modem _____ we _____ connect consistently.
 _____ there need _____ help _____ adjustments _____ modem as _____ consistent issues?
 _____ settings _____ modem will have _____ be adjusted if _____ connect _____.
 _____ for the modem _____ changed _____ is _____ in staying connected?
 We'll _____ make adjustments to the modem _____ the _____ can't connect _____.
 _____ modem settings _____ adjusted for _____?
