

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Vehicle specifications and features queries
Inquiry Sub-Category	Engine Specifications
Description	Customers seek information about the engine type, horsepower, torque, and fuel efficiency to understand the vehicle's performance and fuel economy potential.
Data Size	5,081 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

Can _____ about _____ power _____ the engine in _____ horsepower and torque?

I would _____ to _____ more about the _____ in _____ HP.

_____ power output _____ of _____ Torque?

Let us _____ how much force _____ in terms _____ and _____.

_____ there any information _____ could _____ engine's _____ and Torque?

_____ the engine's _____ output _____ terms _____ HP and Torque?

How _____ this motor's _____ ?

I _____ to know how _____ and _____ is.

Do _____ know _____ about the amount of _____ Torque _____ engine?

Can you spill _____ the _____ levels?

I _____ to know how _____ power _____ the _____ has.

_____ us know how _____ this engine produces _____ terms _____ power _____.

_____ need information _____ the HP and _____ engines.

_____ tell _____ engine power _____ Torque.

_____ to know the _____ Torque of _____ grunt.

_____ about the _____ power in terms _____ Torque _____.

_____ its _____ terms of power and _____ ?

_____ to know _____ much _____ and Torque _____ has.

_____ you _____ me _____ about the power and Torque _____ ?

Can _____ tell _____ Torque and Power?

_____ tell me about the _____ terms of HP _____ ?

I want to _____ engine's _____ generation in _____ Torque.

_____ to _____ how powerful the engine _____ and how much _____.

_____ you have _____ the amount _____ Torque used _____ the engine?

_____ want _____ learn the _____ power and _____ engine _____ produce.

Can _____ elaborate _____ the HP/ Torque _____.

_____ you _____ how much _____ and _____ there is in _____ ?

_____ like _____ know _____ power _____ terms of horsepower _____ Torque.

Can _____ give _____ on the power _____ of this _____ ?

I'm curious _____ power _____ Torque and HP.
 What about power _____ engine?
 I want to _____ the _____ and Torque _____.
 _____ let us _____ force this _____ produces _____ of both power and _____.
 Can you show me _____ of _____ HP and _____?
 _____ information about the _____ Torque for the engine?
 _____ data _____ the power _____ Torque _____ this engine?
 I _____ to _____ if _____ engine can _____ and Torque.
 _____ curious about the _____ output, _____ Torque _____.
 Please tell me the _____ engine and _____.
 I'm interested _____ about _____ power _____ of the engine _____ and HPoR.
 _____ information could _____ about the engine's horsepower _____?
 _____ there _____ information _____ the _____ and _____ this engine?
 Do _____ know _____ amount of _____ and _____ the _____?
 What _____ the _____ we're talking H.P and _____?
 Please _____ us _____ horsepower _____ of the _____.
 How _____ and _____ do _____ think _____ model has?
 I _____ the _____ and Torque _____.
 _____ to know _____ much _____ Torque the _____ can create.
 _____ Torque _____ is the engine _____?
 I'm _____ to know the _____ Torque.
 Please _____ us details _____ and Torque.
 Do you know _____ of the _____ range of hpc and _____?
 I'm interested _____ learning _____ the _____ outputs _____ engine and _____ Torque.
 For the _____ much _____ and _____ much _____?
 _____ to _____ the _____ of power and Torque the _____.
 _____ learning more _____ the engine's _____ and Torque.
 _____ data is _____ the _____ power _____ Torque?
 _____ engine's _____ terms of Torque and Power?
 _____ information on _____ in the range of hpc and _____?
 Do _____ want to _____ this motor's power, _____?
 Can _____ let me know _____ engine's _____ Torque?
 I'm _____ about _____ engine's power in _____ Torque.
 _____ am _____ in engine power _____ HP _____.
 I _____ learn _____ the power output _____ the engine _____.
 _____ the engine's _____ HP _____ Torque?
 How much Torque and _____?
 _____ power _____ Torque output?
 Would you _____ me _____ about _____ power _____ Torque?
 _____ how much force the _____ produces _____ terms _____ both _____ Torque.
 I _____ wondering _____ engine's power in HP _____.
 Tell me _____ this _____ produces _____ terms _____ both power and _____.
 Are you aware _____ the amount _____ HP in _____?
 _____ about _____ power and _____?
 I _____ to learn more _____ power _____ of the engine _____.
 _____ is _____ power _____ output?
 _____ tell me the _____ force this engine _____ in terms _____ power _____.
 _____ power of the _____ which _____ measured in either Torque _____.
 _____ is the _____ to produce in terms of _____ and _____?
 Can _____ tell _____ my _____ power _____?

Can you ____ me ____ the ____ and ____ of ____ engine?

What ____ there on ____ Torque for this ____?

I'd ____ to know ____ the ____ output, specifically ____ horsepower ____.

____ you ____ the motor's ____ Torque levels?

____ me how ____ power ____ this motor has.

What ____ is ____ and Torque of the ____?

____ want to know ____ power ____ of the engine ____ Torque.

I'm ____ about ____ Torque and ____.

____ know the amount of power and Torque ____.

As we are ____ and ____ here, can ____ tell me ____ power?

____ more information ____ power, Torque, and ____ of ____ engine?

____ there ____ detail ____ the engine's ____ Torque?

Do you ____ any more about ____ of power, Torque ____?

I'm curious ____ the power ____ the ____ which ____ be ____ either horsepower ____.

In ____ Torque, what's the ____ of ____ engine?

____ much power ____ how much Torque ____?

____ on engine horsepower and ____.

Do ____ have ____ information ____ power and ____ this engine?

Please ____ the engine output ____.

I want ____ information ____ the ____ power ____.

____ what's the ____ power ____ and ____?

____ reveal ____ power ____ engine has?

Let ____ know ____ and Torque ____ have.

Do you ____ the ____ amount ____ of the engine?

____ how much ____ the ____ produces in ____ of ____ power ____ Torque.

I need ____ power ____ HP ____ Torque

I ____ like to ____ much ____ and Torque ____ can ____.

____ Torque and how ____ the engine?

Details on the ____ and Torque ____.

I ____ to ____ power output of the engine ____ Torque ____.

Needed info ____ engine ____.

____ much ____ and ____ muchhp is produced ____ the ____?

____ are ____ and Torque specifications ____ engine?

Is ____ about the ____ of power, Torque ____ in the ____?

Tell me about ____ and Torque ____ the ____.

____ much ____ and how ____ the ____ of an ____?

____ curious about the ____ power ____.

How ____ and ____ is the output ____ engine?

____ me how ____ this ____ produces ____ terms ____ Torque ____ HP.

____ in need of ____ on engine power in ____.

Is ____ info on ____ Torque.

____ want to ____ about the motor's levels ____ and ____?

____ learn about the power ____ of ____ its Torque.

____ us ____ much ____ this engine makes ____ of both power ____.

____ have ____ and Torque specifications?

____ you ____ me information ____ Torque of the motor?

What data do ____ power ____ of this engine?

____ me about ____ HP and ____ of ____.

____ want ____ power output ____ and Torque values.

I'm ____ about ____ power outputs of ____ engine, ____ Torque.

Power ____ Torque specifications ____ ____ ?

____ more ____ about the ____ performance in regards ____ and ____ ?

____ curious about the engine's ____ ____ .

____ like ____ know more about the ____ of ____ ____ its Torque.

____ engine output and ____ Torque.

____ tell me the ____ and ____ of this ____ ?

____ like to ____ how ____ Torque the engine ____ ____ Producing.

____ you tell ____ engine's power ____ Torque ____ ?

____ ____ and ____ is ____ engine generating?

____ much Torque ____ how ____ is ____ to the ____ ?

____ you ____ the ____ in ____ range ofhpcc and Torque?

I want to learn more about ____ terms ____ and ____ .

____ give ____ some ____ on the engine's ____ and ____ .

____ you know ____ Torque of ____ motor?

I ____ wondering about engine ____ Torque.

Information on ____ and ____ can ____ provided.

Can you give me ____ on ____ and Torque ____ ?

I'm ____ in ____ HP and Torque ____ ____ .

____ explain ____ and Torque ____ the ____ .

What is the power ____ output ____ ?

In ____ of Torque ____ HP, what is the ____ ?

____ need data ____ the ____ of this engine.

____ more information about ____ HP, ____ power ____ the engine?

Can ____ tell me ____ much ____ the engine ____ ?

Please specify ____ output ____ .

Can you ____ engine's ____ outputs?

____ about the engine's power ____ ?

What is the ____ power ____ engine model?

____ you ____ about ____ engine's performance in relation ____ Torque ____ power?

____ you tell ____ about ____ engine's ____ Torque?

____ much ____ and how muchhpy ____ the engine?

Can ____ tell me ____ the ____ power ____ HP ____ Torque?

____ you ____ me about the ____ and Torque?

Do ____ have ____ the ____ of the engine, Torque ____ ?

Can you tell ____ the ____ and ____ this ____ ?

____ is the ____ in HP ____ for ____ engine?

____ tell me ____ engine speed ____ .

I am ____ about ____ power ____ HP ____ .

____ you know how ____ engine ____ in ____ and Torque?

The ____ of power ____ .

Do ____ more ____ performance of the ____ in ____ range ____ and Torque?

I would ____ to know ____ & ____ values.

What is the ____ Torque ____ this ____ ?

____ you have further ____ of the engine ____ the ____ ofhpcc ____ Torque?

Can ____ me about ____ HP ____ ?

____ you ____ to ____ about ____ motor's ____ and ____ levels?

____ give ____ about the ____ and ____ of the engine?

I want to know ____ power ____ we are ____ H.P ____ here.

____ power and ____ much Torque are ____ this ____ ?

The engine's ____ output ____ terms ____ HP ____ ?

I _____ curious about _____ power outputs of _____ of _____ and _____.
 _____ give me information on _____ and _____.
 _____ help _____ with _____ on _____ and Torque.
 Please tell _____ about _____ of _____ engine _____ the range _____ and _____.
 How much power _____ Torque _____ engine?
 Please give us _____ on the _____ engine.
 _____ have more information on the engine's _____?
 Can _____ give me some _____ the _____ of this _____?
 _____ want to _____ the _____ power _____ terms of _____ and hpb.
 _____ and Torque _____ in the _____?
 _____ much power _____ Torque there _____ the engine?
 _____ engine _____ how much power _____.
 I _____ know _____ much power and _____ much Torque _____ produces.
 _____ wondering _____ the engine's power _____ terms _____ HP _____ Torque.
 _____ data _____ the _____ power and Torque?
 _____ us know _____ much _____ Torque there _____.
 I am _____ need _____ the _____ power and Torque.
 _____ information _____ about the amount _____ power, _____ and HP of _____?
 Tell _____ a _____ about _____ in _____ and Torque.
 Tell _____ and Torque _____ engine has.
 I'd like _____ about the _____ of _____ engine _____ Torque.
 Please _____ of _____ and Torque.
 _____ to _____ how much _____ engine produces.
 Please _____ force _____ in terms of both power and Torque.
 _____ details _____ the engine's _____ Torque.
 _____ want to _____ the motor's _____ Torque levels?
 I'm _____ about the power _____ engine, _____ of _____ and _____.
 _____ you know _____ about _____ amount of power, _____ the engine?
 Please describe _____ HP of _____.
 Do you know _____ power, _____ engine produces?
 Power _____ Torque _____ engine?
 _____ power _____ how _____ Torque the _____ is _____ I _____ to know.
 _____ the _____ power in HP _____ Torque was.
 _____ to _____ the amount _____ power and Torque _____ can _____ me.
 _____ want to _____ much power and _____ engine _____.
 _____ me how much _____ this _____
 _____ to _____ how much power the _____ produce and how much _____.
 I'm _____ about the engine's _____ of _____ Torque.
 _____ want _____ engine's power in terms of HP _____.
 _____ me what the _____ of _____ engine is _____ Torque.
 Do you have more information _____ the _____ of _____ and _____?
 Please _____ how much _____ in terms _____ Torque and HP.
 _____ want to _____ about this _____ of _____ and Torque?
 _____ you _____ how much power, _____ and HP the _____?
 _____ any data on the power and _____ of _____?
 Please _____ us _____ amount of _____ and _____ in _____.
 I _____ to _____ engine's _____ and Power.
 _____ me information _____ and Torque.
 _____ the power _____ HP and Torque _____.
 _____ H.P _____ Torque here, _____ tell _____ more about the _____ power?

I _____ to know about _____ power _____.
 _____ about the _____ and _____?
 _____ much _____ and _____ the engine _____?
 Can _____ me the _____ and speed of _____?
 _____ like _____ more _____ the _____ output of the _____ in terms _____ Torque.
 _____ for _____ on engine _____ and Torque.
 _____ the power and _____ the _____.
 _____ Torque and How _____ is _____ output _____ the _____?
 What's the _____ engine in terms _____ power _____?
 I'm _____ the _____ in terms _____ HP _____ Torque.
 Do _____ about _____ performance _____ the engine _____ the _____ offhpc _____ Torque?
 _____ know more _____ how _____ performs _____ to Torque and power?
 Did you want to _____ and Torque _____?
 _____ to know the _____ of _____ Torque _____ engine is capable _____.
 _____ much _____ how muchhpy _____ the output of _____?
 What _____ of _____ engine _____ terms _____ Torque and Power?
 _____ me about the _____ in _____ Torque.
 Do you know the _____ of _____ the amount _____ power and _____?
 _____ you _____ about _____ performance _____ engine _____ relation _____ power and Torque?
 How _____ and _____ muchhpy _____ the _____ an engine?
 What are _____ the _____ horsepower _____ Torque?
 How much Torque _____ outputs of _____ engine?
 _____ info _____ in _____ and Torque.
 _____ need _____ power output: HP and _____ values.
 _____ if the engine _____ in terms _____ and Torque.
 _____ me how much force this _____ in _____ Torque and _____.
 How much _____ HP _____ engine?
 I _____ to _____ power _____ Torque the engine can _____.
 _____ power and _____ does _____ Engine _____?
 I am _____ about _____ power _____ Torque _____ the engine.
 How _____ model's _____ and Torque?
 What _____ the average power and Torque _____?
 I _____ like _____ know _____ power _____ specifically in _____ Torque.
 _____ much _____ is produced by _____ engine?
 _____ the Engine _____ Torque details.
 Please _____ the _____ and Torque _____ the _____ is.
 I'd _____ HP and _____ values.
 Do _____ know what _____ amount _____ power, Torque _____ HP _____ engine?
 _____ much _____ how muchhpy _____ the output of _____?
 _____ tell me more about _____ motor's power _____?
 _____ information on _____ and Torque _____ the engine.
 _____ to know about _____ HP _____ Torque.
 _____ how much power _____ how much _____.
 I _____ to _____ more _____ engine's _____ and Torque.
 What power _____ you _____ HP and _____?
 _____ would appreciate some _____ about _____ engine's power _____.
 _____ more about the _____ of _____ and the Torque of _____?
 _____ you _____ to spill _____ the motor's _____ of _____ Torque?
 _____ you _____ the amount of power, Torque and _____ the _____?
 Can you _____ HP/ Torque _____ the motor?

Do you have _____ the _____ range of hp and Torque?

What's the _____ of the _____?

Can you tell _____ more _____ the _____ ratings for _____?

_____ amount of _____ and Torque do _____?

I'm _____ about the _____ power in _____ of _____.

_____ let _____ know _____ force this _____ produces, _____ of _____ power and Torque.

Want _____ know about _____ power, _____?

_____ need _____ the engine's _____ and _____.

_____ us _____ much force _____ produces in terms of both _____.

I _____ like to _____ more about _____ of _____ engine and _____ Torque _____.

_____ you _____ of _____ engine in the _____ of hp _____ Torque?

How much _____ much hp _____ by the engine?

I want to _____ information _____ power and _____.

_____ you _____ the _____ Torque _____ HP of your engine?

What _____ and _____ of _____ engine?

_____ are the power _____ Torque specs _____?

_____ you have an idea _____ of _____ Torque and HP _____?

_____ power and Torque _____ for _____ engine?

What's the _____ in _____ or _____?

_____ specify how much force _____ in terms _____ both _____ Torque.

_____ tell _____ how much _____ and Torque _____ has?

_____ want to know how _____ and _____ engine _____ produce

I _____ the _____ and Torque _____ this motor.

_____ want to know more _____ power as we're talking _____.

_____ you _____ me _____ and Torque there _____ in _____ motor?

Do _____ want _____ discuss _____ motor's power _____ levels?

Please share _____ on _____ and Torque _____.

Please _____ me _____ much _____ engine _____ of both power _____ Torque.

What _____ the power and _____?

_____ to discuss _____ power, _____ levels?

_____ interested in _____ about _____ power _____ of the _____.

_____ in need _____ information on engine power _____ Torque.

What _____ power and _____ for _____ engine model?

Can you explain to _____ this engine?

Do you have _____ on engine _____ HP _____?

I'd _____ to _____ its power _____ HP _____ Torque _____.

Do you _____ amount of _____ and _____ in the _____?

_____ want to know _____ in _____ Torque.

_____ are _____ power _____ Torque numbers _____ engine?

_____ what's the engine's power in _____ and _____?

I want _____ know _____ the engine's _____ terms of hp _____

Do you want _____ us about _____ Torque _____?

_____ the outputs _____ the engine's _____ Torque?

Horsepower _____ measurements, _____?

_____ want _____ how much _____ and _____ much _____ this engine _____.

What amount of power _____ Torque _____ engine _____ to know.

_____ the engine's _____ in _____ and Torque?

_____ tell me _____ output in _____ HP and Torque?

_____ the power _____ Torque?

_____ is the power and _____ Output _____?

Do _____ more about the _____ of power, _____ HP on _____?
 How _____ Torque does the _____ out?
 _____ you _____ how _____ how much Torque the _____ has?
 Do you _____ about _____ the engine, _____ or HP?
 _____ what's _____ engine's power?
 _____ interested _____ more _____ the _____ power output _____ Torque.
 Do _____ more _____ on the _____ the range _____ and Torque?
 _____ curious _____ the engine's _____ measured _____ horsepower or Torque.
 Please _____ how much _____ this engine makes.
 The engine's _____ Torque _____ are _____.
 _____ like to know _____ information _____ engine's power and _____.
 _____ you _____ of power, Torque _____ HP of the _____?
 What _____ the _____ and the HP _____?
 Do you _____ how much force _____ engine _____ of _____ power _____?
 Is _____ tell me _____ and Torque of _____ motor?
 What _____ the _____ and _____ engine?
 I would like _____ on engine _____ HP and _____.
 _____ would _____ to know the amount _____ Torque _____ engine is capable _____.
 _____ info on engine _____ in _____ Torque?
 Can you provide _____ the engine's power _____?
 How _____ power will the _____ produce _____ terms _____ Torque?
 I'm _____ the power of the _____ terms _____ HP.
 Is the _____ power _____ by _____?
 Do _____ have more information _____ amount of _____ Torque _____ HP _____?
 _____ it possible that _____ engine's power is measured _____?
 How _____ power is there _____ terms _____ Torque?
 Do you _____ more about _____ Torque, and _____ engine?
 _____ how much power and _____ much _____ the engine is _____ producing.
 _____ much Torque and how _____ is _____ of _____?
 _____ me about _____ engine's _____ in _____ and _____
 What _____ the deal _____ the _____ Torque _____ this _____?
 _____ tell _____ the engine's Torque and _____?
 _____ you tell me _____ the performance _____ engine _____ to Torque and _____?
 _____ have _____ on _____ engine's horsepower and _____?
 _____ there _____ information _____ engine's _____ range of hp and Torque?
 I want to know how much force _____ both _____ and _____.
 _____ to discuss _____ motor's power, Torque _____?
 _____ there any information _____ horsepower and _____?
 _____ provide us _____ engine _____ and Torque.
 What _____ the _____ of power and _____ the _____?
 _____ Torque and how _____ in _____ engine?
 I want to know how _____ is _____ of _____
 Do you _____ the _____ of _____ and Torque _____ engine has?
 Can you tell _____ the _____ power _____ levels?
 _____ you _____ information about the _____ performance _____ Torque?
 I'm curious about the _____ of _____ in _____ of _____.
 Do you _____ on the _____ power and _____?
 I _____ to _____ generation of _____ engine _____ terms _____ and Torque.
 _____ ask _____ engine's power in _____ HP _____ Torque.
 I want _____ more about _____ and its Torque and HPoR.

_____ you _____ me _____ power output in _____ of HP _____?

Do you have more info _____ amount of _____ engine?

_____ about the engine's performance _____ the _____ ofhp and _____?

Please _____ and Torque.

_____ is the total _____ HP of _____ engine _____?

_____ you _____ anything _____ the amount of _____ of the engine?

I want _____ the _____ and Torque of _____.

_____ need _____ the _____ and the _____.

_____ to _____ about the _____ output of the engine _____ Torque.

_____ of this engine _____ terms of power _____?

_____ much _____ Torque _____ engine Producing?

_____ you tell _____ power and Torque _____ has?

Can you tell me about _____?

I _____ interested _____ the Torque _____ HPoR of _____ engine.

I'm looking _____ information about _____ power _____.

_____ is _____ output in terms of power _____?

_____ Torque and HP _____ it _____ engine produces?

_____ want to learn _____ the engine's _____ in _____ andhpb.

I'm _____ about the engine's _____ because _____ measured _____ or _____.

_____ you know _____ - HP and _____?

_____ let _____ much force this _____ produces in terms _____ both _____ Torque.

Please tell _____ how much force this engine _____ terms _____.

_____ you tell us _____ the _____ horsepower _____?

Can _____ tell _____ the _____ of _____ motor and _____ it has?

_____ you know _____ about _____ of power and Torque _____?

I'm _____ the engine's power with _____ Torque.

I'm _____ about _____ power output of the _____.

As _____ talking H.P and _____ you _____ information _____ the engine's _____?

Please tell me _____ power of _____ its _____.

Do you _____ the _____ of power, _____ and _____ the engine?

_____ me about the power and _____ motor?

Is there _____ about _____ and Torque _____?

What data are _____ Torque _____ this engine?

What _____ the _____ and _____ the engine?

I _____ to know _____ engine produces _____ of power it has.

_____ learning more about _____ outputs _____ the _____ in terms of _____.

_____ power and _____ specifications of _____?

Want _____ know _____ motor's _____ and _____?

_____ you know anything _____ the amount _____ and Torque _____ engine?

Is _____ any _____ about _____ the engine _____ the range ofhp _____?

_____ you _____ the amount _____ power, Torque and _____ engine?

Can you _____ us know _____?

_____ on the engine's _____ and _____.

_____ much _____ Torque are in this engine?

Do you _____ amount of power _____ in _____?

What _____ the _____ outputs of the _____?

Tell us _____ force _____ produces in terms _____ both power _____.

Please give details _____ engine's _____.

Can you give _____ some _____ H.P _____ of the _____?

_____ you know anything _____ performance of _____ Torque and HP?

_____ how much hp comes _____ the engine?
 _____ interested _____ the _____ outputs of _____ engine in terms _____ .
 _____ information can _____ about _____ power _____ Torque outputs?
 Tell _____ the _____ on _____ engine's _____ and _____ .
 The power _____ the _____ in terms of _____ ?
 What power _____ specifications _____ the _____ ?
 _____ there _____ information about the engine's _____ Torque?
 _____ about the power _____ of _____ motor.
 _____ me _____ the engine's _____ and _____ .
 Do _____ have _____ information _____ how _____ the _____ of hp and Torque?
 How _____ Torque and _____ the _____ ?
 Please, _____ engine power and _____ .
 Has _____ data on _____ power and _____ ?
 _____ want to spill about this _____ of _____ Torque?
 _____ you _____ the _____ and Torque of _____ motor?
 _____ can give me _____ about _____ power _____ Torque.
 Do you have more information about _____ performance of _____ regards _____ ?
 _____ to _____ much power is produced in _____ Torque.
 I'm _____ learning more about _____ power generation and _____ .
 How _____ HP _____ the engine _____ ?
 What is the engine's _____ terms _____ and _____ ?
 _____ tell us about the power _____ Torque _____ .
 Do you have _____ about the _____ Power of _____ ?
 _____ about the _____ horsepower and _____ .
 _____ power in _____ of HP and _____ .
 Can you tell _____ about your _____ power _____ ?
 I want _____ know _____ the _____ outputs _____ the _____ of Torque.
 Please _____ me information on _____ engine's _____ .
 Please _____ me _____ and Torque.
 _____ the engine's _____ Torque.
 Let _____ much force _____ of both Torque and Power.
 What are _____ and _____ for the _____ ?
 _____ and _____ much hp are the outputs of _____ .
 Please tell _____ this _____ produces in terms _____ power and _____ .
 _____ is the _____ and Torque _____ ?
 What _____ the _____ of the _____ ?
 _____ to learn about _____ power outputs of the _____ in _____ of _____ .
 I want _____ if _____ power _____ measured in horsepower _____ .
 _____ was wondering about engine _____ HP _____ .
 _____ the engine's _____ in HP and Torque.
 _____ would like to know _____ Torque is _____ engine.
 I would _____ to know more _____ engine's power _____ we're _____ H.P _____ .
 Is _____ to tell _____ engine power _____ HP and _____ ?
 Can you give me a _____ on _____ power _____ ?
 _____ are the _____ Torque in this engine _____ ?
 _____ there any _____ engine _____ HP and Torque?
 _____ you _____ me what _____ engine's _____ and _____ is _____ ?
 _____ let _____ know _____ force _____ produces _____ of both Torque and HP.
 _____ do _____ the power and _____ the engine model?
 _____ engine's _____ HP and Torque?

_____ there more to _____ about the _____ of _____ of _____ engine?

Do you _____ more about _____ of the engine.

_____ you _____ the engine's _____ Torque or HP?

_____ about the engine's power generation and _____.

_____ the _____ on _____ Torque

_____ want to find _____ engine's _____ generation in _____ and Torque.

Let _____ know _____ force this _____ terms of _____ power _____ Torque.

_____ know _____ of the _____ in regards to _____ Torque _____ HP?

Tell _____ power _____ engine _____ HP and Torque.

Tell _____ the _____ HP _____ the engine.

Do you know what _____ are?

Do _____ know how _____ engine _____ in _____ ofhpc and _____?

How much _____ muchhpy is _____ Output of _____?

_____ would like _____ details on _____ as we are _____ and Torque _____.

_____ on _____ and _____ for this engine model?

_____ am interested in learning more about the _____ outputs _____ in _____

I'd like _____ more _____ engine's _____ terms ofhpb and Torque.

Tell how _____ power and _____.

_____ need _____ information _____ engine power _____.

_____ and how muchhpy _____ the engine's _____?

Can you give _____ and _____?

_____ curious _____ power _____ the engine and the Torque _____.

I _____ curious about _____ the engine _____ its Torque _____ HPoR.

Do you _____ more about _____ engine _____ terms _____ Torque or _____?

Tell me _____ engine _____ in _____ Torque.

Is _____ that _____ power is measured in _____ or _____?

Was the _____ power output _____ terms _____ HP _____?

_____ want the _____ power and _____?

_____ tell _____ fast and how _____ this motor has?

I want _____ more _____ the engine in _____ to Torque.

Did you have any _____ on the _____?

Do _____ know the performance of _____ engine _____ its _____?

_____ you _____ much Torque and Power this _____?

_____ to learn _____ the engine's power _____ of _____ and Torque.

_____ you _____ information on _____ amount of _____ of the engine?

Is _____ possible _____ spill about _____ motor's _____ Torque _____?

_____ would like _____ know _____ engine's horsepower _____ Torque.

_____ discuss your engine's power _____?

_____ talking H.P and _____ can _____ give _____ the details on _____?

Is _____ information _____ Horsepower _____ Torque?

Do _____ have more information about _____ engine's performance _____ of _____?

_____ you _____ more _____ about the _____ of power _____ Torque _____ the _____?

_____ do _____ know about _____ of power, Torque and _____ of _____?

Can _____ tell me _____ amount of power _____ Torque _____?

_____ you _____ the power and Torque on _____?

Can _____ me with _____ power and _____ motor?

What are the _____ Torque _____ of _____?

_____ learning more _____ the power _____ of the engine.

Can you give _____ engine's _____?

_____ we're _____ H.P and _____ can _____ tell me _____ power is?

Please provide information _____ the power _____ engine.

_____ the engine's power _____ terms _____ HP and _____?

Did _____ data on the _____ of this engine?

_____ am _____ engine's Torque _____ HP.

_____ in HP and Torque.

_____ in terms _____ and Torque?

_____ want to know what _____ power _____ is _____ of Producing.

Do you know _____ about _____ engine's _____ and _____ power?

_____ tell _____ about _____ engine power _____ HP and _____?

_____ curious about _____ engine's _____ relation _____ HP and _____.

_____ does this _____ in terms of _____ Torque?

_____ want _____ know _____ of power _____ Torque _____ can give.

_____ want _____ learn _____ engine's _____ in terms ofhp _____ Torque.

_____ know more about the _____ the _____ of _____ and HP?

Can _____ tell _____ about _____ power and Torque _____ this _____?

Give us details _____ the _____.

I _____ like to _____ the engine's _____ terms of _____ Torque.

Is there _____ terms of _____ Torque?

I want to _____ amount _____ power _____ Torque the _____.

_____ you _____ both the power and _____ motor?

Can you tell _____ power _____ HP and Torque?

_____ you _____ me _____ power _____ motor and _____ Torque?

_____ you _____ much _____ and _____ engine is capable of?

Want _____ more about _____ motor's _____ power and _____?

_____ details on _____ engine's _____ and _____.

I would like _____ engine's Torque _____ Power.

What are _____ and _____ figures _____ the _____?

How _____ how _____ Torque is found _____ the _____?

_____ Torque of the _____?

Are _____ of _____ of _____ engine in regards to _____ HP?

Does _____ know _____ the amount of _____ Torque _____ the engine?

What is the _____ Torque of _____?

_____ share _____ on the _____ and _____.

_____ this the _____ and _____?

_____ the _____ in HP and _____?

What's _____ in HP and Torque _____?

Please tell _____ much force this engine produces _____ power _____ output.

Please _____ me about _____ power of the _____.

Can you tell _____ about the power _____?

What _____ and _____ the _____ have?

I would _____ generation _____ terms ofhp and Torque.

_____ of _____ Torque in _____ engine.

_____ want _____ know the _____ in terms of _____ HP.

_____ you _____ engine power and Torque, _____.

How _____ Torque _____ much oomph _____ in the _____?

Do _____ have more information _____ the _____ Torque _____ you have?

I want to know how _____ power _____ gives _____.

_____ does the engine model have _____?

_____ the power and _____ of _____ engine?

Was _____ information _____ the engine's _____ and _____?

_____ you have _____ about _____ horsepower and _____?
 How much _____ and How _____ the _____ the _____
 What's the _____ and Torque?
 I _____ to know more _____ power output, _____ in _____.
 Is the engine's _____?
 _____ talking _____ and _____ you give me some details _____ engine's _____?
 Please tell me _____ the _____ produces in _____ Torque _____ HP.
 _____ tell _____ the engine power and _____.
 Did you _____ performance _____ engine in _____ range _____ and _____?
 _____ like to _____ the _____ HP and _____.
 Tell us how _____ this _____ of both Torque _____ HP.
 Please tell _____ about _____ engine's power _____ and _____.
 _____ to know _____ much _____ Torque the engine _____.
 I am _____ HP _____ Torque _____.
 Do you _____ to _____ the _____ and _____ levels?
 _____ give _____ the power and Torque _____.
 _____ much _____ and HP is the engine _____?
 _____ power and _____ does _____ PRODUCE?
 _____ am interested _____ engine's power in terms of _____.
 Do _____ have _____ information about _____ Torque and the _____?
 Do _____ know _____ of power, _____ and _____ that _____ produces?
 _____ the power of _____ motor and its _____?
 I'm interested in learning more _____ power _____ the _____.
 _____ to _____ how much _____ Torque the _____ can produce.
 Please _____ me _____ power _____ Torque.
 What is _____ and _____ Engine?
 _____ talking H.P and Torque, can you _____ the engine's _____?
 _____ know the power _____ Torque _____ this motor.
 Please _____ about the engine's _____.
 Please _____ me about _____ horsepower _____.
 _____ about the _____ and Torque of the _____.
 Are _____ of the _____ power, Torque, and _____ engine?
 How _____ Torque _____ do the _____?
 Can you tell _____ the _____ of the _____?
 _____ provide _____ engine's _____ and _____.
 _____ would _____ to _____ much _____ engine _____ and how _____ Torque it produces.
 Tell me _____ power in _____ Torque.
 Can _____ tell _____ about _____ and Torque?
 I _____ to _____ the power _____ the motor.
 Do you _____ range of hp and _____ engine _____?
 _____ the engine's power _____.
 _____ know _____ performance _____ the engine in _____ and Torque.
 I _____ love _____ learn about _____ generation _____ terms of hp and _____ Torque.
 _____ us how _____ force the _____ makes _____ of both _____ and _____.
 I'd like _____ power in _____ and Torque.
 _____ you _____ me know _____ much power _____ engine _____?
 _____ want _____ amount of power and Torque _____ engine _____ capable _____.
 Can _____ tell _____ about the _____ and Torque _____ this _____?
 _____ want to _____ the _____ and Torque of _____.
 Have _____ data on _____ power and Torque _____ this _____?

_____ Torque _____ HPy is the _____ of the _____?
 I want to _____ how _____ it _____ much _____ it produces.
 _____ and Torque of _____ engine.
 _____ you _____ about the power and _____ this _____?
 Please tell _____ much force this engine _____ terms _____ and _____.
 Is _____ any information _____ engine power in _____?
 _____ want _____ know what power _____ in terms _____ and Torque.
 _____ you _____ how much power, _____ HP _____ engine gives _____?
 _____ you have _____ the amount of _____ and _____ the engine?
 _____ give the engine's output _____.
 Would you _____ to spill _____ of _____ and speed?
 _____ and _____ do the engine _____?
 How _____ Torque, _____ how muchhpy, _____ the _____ engine?
 _____ much _____ engine have in _____ of HP _____ Torque?
 _____ more _____ Torque and the amount _____ power of _____ engine?
 Please _____ me how much _____ produces in _____ of _____ Power.
 _____ learning about _____ output of _____ and its _____ and HPoR.
 _____ to _____ about _____ power generation in _____ of Torque.
 _____ if the _____ power is _____ or Torque?
 Do _____ the performance of _____ to Torque and _____?
 _____ power _____ engine's _____ and Torque?
 How _____ Torque _____ the _____ generate?
 Can _____ tell _____ about the engine's _____ outputs.
 _____ much power is _____ terms of HP _____ Torque?
 I _____ like to _____ amount of _____ Torque the _____ can _____.
 _____ the output _____ in terms _____ power and Torque?
 _____ there _____ on the _____ Torque of the _____?
 _____ know more about the engine's _____ and _____.
 Is there data _____ the _____ of this _____.
 _____ about _____ HP _____ Torque?
 _____ give me _____ information _____ the _____ and _____ of this _____?
 I _____ to know _____ engine's power _____ H.P and _____.
 I _____ to _____ much _____ engine _____ produce and how _____ Torque.
 _____ tell me _____ much _____ creates _____ terms of both _____ HP.
 Do you _____ how _____ power, _____ or HP the _____?
 _____ you _____ tell us about this motor's _____ of _____?
 _____ give me _____ of the _____ Torque _____ this engine?
 I'm curious _____ engine's _____ terms ofhpb and _____
 Please _____ details on _____ output _____.
 _____ there any data on the _____?
 Do you know _____ about _____ engine performs _____ Torque and _____?
 How _____ Torque _____ what amount _____ is _____ output _____ engine?
 Please _____ the low-down _____ & _____.
 _____ the amount _____ power and Torque the _____ provide.
 _____ much _____ and Horsepower do you _____ the _____?
 I'm interested _____ the _____ & _____.
 Can _____ me _____ the power _____ are _____ this motor?
 _____ you have _____ information about _____ performance of the _____?
 _____ about the power outputs of _____ in terms of Torque.
 Information _____ the engine's _____ and _____ could _____.

_____ to find out how much _____ and _____ engine _____.

_____ want to _____ the _____ and _____ of _____ engine.

_____ you _____ the _____ the engine in the range _____ and Torque?

_____ need to _____ Torque.

Does _____ know _____ much _____ and _____ this engine _____?

_____ more information about _____ of the engine _____ the _____ and _____?

I _____ to _____ output, _____ horsepower and Torque.

_____ am _____ in the _____ in terms of _____ Torque

What are _____ and _____ of _____?

_____ about _____ power _____ measurements _____ the engine?

_____ you _____ amount _____ power, Torque or _____ of the engine?

_____ there any _____ regarding _____ and _____?

What is _____ and Torque _____ engine?

Can you _____ me what your _____ are?

What is _____ and _____ the _____?

Is there _____ information _____ the _____ horsepower _____ outputs?

_____ about _____ Torque?

Has _____ data on _____ and Torque of _____?

I _____ know how _____ and power _____ can produce.

Do you know _____ of _____ Torque _____ in the _____?

Can _____ us _____ the engine's power _____ outputs?

What _____ output _____ power and _____?

Do you have any _____ about _____ and HP of _____ engine?

_____ how _____ power and Torque _____ engine can produce.

I'm _____ in _____ of _____ engine _____ of HP and _____.

Do _____ more _____ the engine _____ the range of hpc _____?

_____ tell the _____ and _____.

_____ the power and _____ engine?

What is _____ output in _____ HP and _____?

Please, I _____ info _____ and _____.

I would like _____ more about _____ power output _____.

_____ need _____ on _____ in HP and _____

_____ need information on the _____ of the _____.

_____ would _____ to learn _____ the _____ power _____ in terms _____ Torque.

_____ curious about _____ power outputs _____ engine in terms _____ Horsepower.

I want to know how _____ and how _____ it _____.

_____ much _____ and _____ much Torque.

_____ me more about _____ and _____.

_____ me the _____ power _____ Torque of _____ engine.

_____ offer details on the engine's _____?

_____ a question about engine _____ and Torque.

_____ tell _____ how _____ force this engine _____ in _____ and HP.

_____ you _____ the _____ and HP of the engine?

_____ we're talking H.P and _____ tell me _____ about _____ engine's _____?

Do _____ about the _____ of power, _____ or HP _____ the _____?

_____ me _____ how much force this _____ in terms _____ both _____ and _____.

I need _____ about the _____ as _____ talking H.P and _____.

_____ would like _____ know _____ about the engine's _____.

Can you tell _____ power and _____ this engine _____?

Is there _____ data regarding _____ Torque?

_____ data on _____ power _____ Torque _____ this engine?

I _____ know _____ power output _____ terms of horsepower _____.

What _____ Torque for this engine model?

_____ tell us how _____ and how _____ the _____ has.

_____ you _____ power and Torque?

I _____ to learn more about _____ the engine _____ HPoR.

_____ interested _____ learning more about _____ and its _____ HPoR.

Please _____ information on _____ engine's power and _____.

_____ interested _____ learning _____ Torque and _____ the engine.

_____ tell me _____ power _____ the _____ Torque.

_____ need _____ its performance regarding _____ and Torque.

Did you have details on _____?

Please provide _____ on engine _____ Torque.

How _____ this engine produce?

_____ in _____ more _____ power outputs of the engine _____ Torque.

_____ you _____ more _____ the performance of _____ engine, _____ HP?

_____ you tell _____ how much power and _____ in _____?

_____ the _____ in HP _____?

_____ share _____ lowdown on _____ Torque.

_____ to _____ what the _____ power is in _____ and _____.

How _____ engine's _____ Torque.

How _____ Torque and How _____ in the _____?

_____ and _____ is this engine _____ of?

Can _____ tell me how much power _____ much _____ this _____?

What is _____ of this engine?

_____ me how much force this _____ produces _____ power _____ speed.

_____ engine's Horsepower _____ Torque?

_____ details _____ the engine's power _____.

Tell _____ the engine's _____ in HP _____.

_____ the _____ and power?

Do you know more _____ the engine's _____ to _____ power _____ Torque?

I want to know _____ engine _____ off.

Please share _____ on _____ & _____ figures.

_____ give _____ on _____ engine's H.P and Torque?

_____ you _____ the amount _____ power, Torque and _____ of _____ is?

_____ power _____ much Torque is _____?

_____ you tell _____ how much _____ this motor has.

I want to know the _____ and _____.

_____ much _____ Horsepower do you _____ for _____ engine?

I have _____ power _____ we're talking H.P _____ Torque here.

Is there _____ of _____ and _____ that you have?

_____ provide _____ on _____ and Torque.

How much _____ the engine _____?

_____ how _____ power _____ have _____ much Torque.

What _____ figures for _____ and _____?

_____ want to _____ and _____ much Torque the engine _____.

_____ tell me how much _____ this engine _____ of _____ Torque _____.

_____ you _____ about the amount _____ power, _____ and _____ the engine?

_____ power and _____ figures for this engine _____?

_____ much _____ are _____ at for this motor?

How much _____ tell me for this _____?

_____ have _____ information about the engine's Torque _____?

_____ curious about _____ engine's _____ in terms _____ Torque _____.

_____ you want _____ us about this motor's _____?

_____ you have _____ about the engine's _____ Torque _____?

_____ to know _____ the power _____ is in horsepower _____.

_____ you _____ both the power and _____ Torque _____ motor?

_____ us know how _____ this engine _____ terms _____ power and _____.

_____ know more about the HP, _____ and power _____?

_____ know _____ about _____ engine's performance _____ terms of _____ and _____?

What _____ the _____ of the _____?

Can you _____ power and how _____ Torque _____ motor has?

_____ to know the amount _____ power _____ the engine _____ produce.

Is _____ on the engine's _____ power?

_____ tell me about your engine's _____?

I would _____ to _____ the _____ power as _____ talking _____ here.

I'd _____ more about the _____ output _____ both horsepower _____.

_____ more _____ the _____ the engine with regards to Torque _____?

_____ more _____ about the _____ in _____ range of hpc and Torque?

I want _____ engine power _____ and Torque.

_____ tell me _____ on _____ power and _____.

Can you _____ me about the _____ the _____ engine?

Please specify _____ and _____.

_____ output and _____ of the engine?

Please _____ me know _____ power and _____ engine.

What are the figures _____ and Torque _____?

Will you _____ power and _____ this motor?

Is it possible _____ the _____ power _____ in the _____ of _____?

I am _____ in learning more about _____ power _____ the engine _____ of _____.

_____ to know _____ engine's power as _____ and Torque.

What amount _____ and Torque is _____ Producing?

_____ have more information about _____ engine's _____ relation _____ and HP?

_____ give _____ information on the _____ power _____.

_____ want to _____ engine's power as _____ talking H.P _____ Torque _____.

_____ curious about its HP _____.

_____ are the power _____ Torque?

_____ like _____ what engine power _____ HP and _____ is.

_____ in learning more about the _____ generation _____ terms _____ Torque _____.

_____ provide _____ the engine's _____ Torque.

_____ wondering how _____ power _____ engine _____ in _____ HP _____ Torque.

_____ more information _____ the _____ of _____ Torque _____ of the engine?

What _____ engine's _____ in terms of _____ and _____?

What power _____ do we _____ for the _____?

_____ state _____ much power _____ Torque _____ engine _____.

Please _____ power _____ Torque of _____.

_____ tell me the _____ power _____ Torque _____ this motor?

_____ know the power _____ Torque that _____ can produce.

_____ to know _____ the power output of the engine _____.

_____ out _____ amount _____ power and Torque _____ engine produces.

_____ you give _____ about the _____ and Torque?

_____ like to _____ more about _____ output of the _____ its Torque _____

What details _____ the _____ horsepower and Torque?

I _____ like to _____ more about _____ output of the _____ and _____.

I'm _____ about the _____ and _____ of _____.

What _____ Torque _____ the engine?

Do _____ more information about Torque _____ the _____ of _____ the _____?

_____ gives _____ power _____ and Torque?

Please _____ details on _____ power _____ Torque of _____.

I need _____ the _____ the HP _____ engines.

Do _____ know _____ the _____ of _____ Torque, and _____ the engine?

I'm _____ if the _____ measured _____ horsepower or Torque.

_____ any _____ engine's power and Torque outputs.

Tell _____ what _____ engine's _____ and _____.

_____ would like to learn more _____ the _____ generation in _____.

Can _____ explain _____ Torque _____ the _____ to me?

_____ want _____ what _____ engine's _____ as we _____ H.P and Torque here.

Can you _____ the _____ power and Torque _____?

What about _____ in _____ Torque?

_____ about the _____ when _____ to HP and Torque.

What about _____ Torque of _____ engine _____?

I would like to _____ how _____ makes.

_____ are the _____ and _____ outputs _____ engine?

Do _____ know more _____ the amount of _____ and _____ engines?

_____ knowing more about _____ engine's Torque _____ HPoR.

_____ how _____ Torque _____ engine produces _____ how much _____ it produces.

What is _____ and _____ of _____ engine?

I'm _____ engine's _____ which _____ be measured in _____ horsepower _____ Torque.

What _____ output: _____ and _____ values?

Please let me _____ force _____ produces _____ terms of both _____ speed.

The _____ HP & _____?

What's _____ in _____ and Torque?

How _____ and _____ is contained _____ the _____?

Can you tell me _____ power _____ Torque _____?

_____ have any _____ on _____ of power, Torque _____ of _____ engine?

_____ me _____ what _____ Torque _____ have.

_____ any _____ Torque and HP of _____ engine?

_____ us know _____ the _____ terms _____ both power and Torque.

_____ have any _____ information _____ performance in _____ range _____ and Torque?

_____ me know _____ much force _____ produces _____ terms _____ and Torque.

_____ any idea _____ the amount _____ power, _____ HP _____ the engine?

Please _____ about _____ and Torque.

What powers _____ in HP _____?

I wanted _____ know how much _____ could produce.

_____ me know _____ HP and Torque.

Please _____ how much force _____ creates in terms _____ both _____.

_____ to know how much _____ produces and how _____ engine produces.

I am curious _____ the _____ outputs: _____ Torque _____.

Do you _____ more about _____ performance _____ amount of power and Torque?

_____ the _____ power, in _____ Torque?

Do _____ to tell us _____ the _____ of power _____?

____ you ____ of power, Torque and HP in ____ ?
 ____ a ____ on the ____ horsepower ____ Torque?
 ____ interested in the engine's ____ terms ____ Torque.
 ____ have more ____ the amount of power of ____ engine?
 ____ how ____ power, Torque or ____ the ____ can provide?
 ____ you ____ more ____ about ____ engine's performance ____ relation ____ Torque or ____ ?
 Can you give me ____ the power and ____ ?
 ____ would ____ to know ____ about ____ power ____ of the engine and ____ .
 Do you ____ information on ____ and Torque ____ the ____ ?
 ____ you ____ the ____ in regards to Torque and HP?
 ____ and ____ output of the engine?
 I'm looking for ____ on the ____ power as ____ .
 I'd ____ to ____ about the engine's ____ Torque.
 I would ____ to know ____ power ____ in ____ and ____ .
 ____ tell ____ about the ____ and Torque ____ this ____ motor?
 ____ have ____ information about ____ of power, ____ of the engine?
 I'd like to ____ about the ____ HPoR.
 How ____ does ____ produce ____ terms ____ horsepower and Torque?
 I ____ about ____ in HP ____ Torque.
 Power ____ terms ____ HP ____ for the engine?
 ____ interested in ____ power ____ HP ____ .
 ____ much ____ and ____ the engine ____ ?
 I ____ to ____ about the power ____ in ____ of ____ Torque.
 ____ you ____ the amount ____ power, Torque, ____ HP in ____ engine?
 ____ us ____ how ____ power and how ____ .
 ____ on ____ power and Torque of ____ ?
 I ____ to ____ the ____ of power ____ Torque ____ engine ____ .
 ____ want to ____ about the engine's ____ as we're ____ H.P ____ .
 I ____ to ____ how ____ and Torque ____ can PRODUCE.
 ____ am ____ the ____ & ____ values.
 ____ about ____ engine's ____ and Torque.
 I want ____ about ____ generation in ____ of ____ and HPb.
 ____ details about ____ engine's ____ Torque.
 ____ about your ____ and Torque?
 What are the ____ for the ____ ?
 ____ power output ____ and HP?
 I want to ____ engine's power and ____ .
 ____ don't ____ how ____ power and ____ the ____ produce.
 ____ want ____ the ____ as we're talking H.P and Torque ____ .
 ____ want ____ talk about ____ motor's ____ and ____ levels?
 I'm curious about ____ HP ____
 ____ Torque ____ does ____ engine generate?
 ____ give us information ____ engine's ____ Torque.
 ____ want to know details ____ engine's power, ____ we ____ talking ____ and ____ .
 The amount ____ Torque ____ produce is ____ want to know.
 ____ know anything ____ amount of power, Torque ____ of the ____ ?
 ____ to know the engine's ____ terms of ____ Torque.
 I'm curious ____ we're talking H.P and ____ .
 ____ give me ____ on the engine's ____ and ____ ?
 I ____ about engine ____ Torque.

Can ____ tell me ____ and ____ engines?

Do you know more ____ engine's performance ____ relation ____?

What is ____ power and ____ engine.

____ about ____ motor's ____ levels?

So, what ____ the ____ in ____ and ____?

The amount of ____ and ____ engine produces is ____ to ____.

Can ____ give me ____ on ____ engine's ____ as ____ talking ____ and ____ here?

Were ____ able to tell ____ engine's horsepower ____?

____ more information ____ the engine's ____ or HP?

Tell ____ Torque ____ have.

Do ____ know the performance ____ engine ____ regards to ____?

Do ____ the ____ Torque ____ for the engine?

____ power ____ Torque ____ the engine ____ available?

I ____ info ____ engine power ____ Torque.

Can ____ show ____ the power and Torque ____?

____ power and ____ figures?

____ Torque and ____ the ____ produce?

Discuss ____ power ____ HP and ____?

____ much ____ is ____ engine producing in terms ____ Torque?

Can ____ me know ____ and ____ of ____ engine?

____ you ____ motor's levels ____ power and Torque?

Is there any ____ power ____ Torque ____ this ____?

I ____ info on ____ power ____ the ____ in ____ and ____.

Please ____ how ____ this ____ in ____ both Torque and Power.

Do ____ have ____ about Torque and ____ amount ____?

____ to know more about ____ power ____ engine ____ Torque and HPoR.

____ want ____ know the ____ and Torque ____ this ____.

Tell me ____ strength ____ HP ____ Torque.

____ much power and ____ model offer?

What ____ and ____ of this engine?

Please ____ the amount ____ the ____ produces in ____ power and Torque.

____ tell ____ how much ____ the ____

I'm curious about the power ____ which ____ measured ____ or ____.

Is ____ about the ____ and Torque?

Do ____ want ____ motor's ____ Torque levels?

____ think about ____ power and ____ on ____ engine?

____ in learning about the ____ generation ____ Torque.

Know ____ the engine's power ____ and ____?

____ you know ____ the power ____ the ____ Torque or ____?

Can you give me ____ the ____ Torque of ____?

____ the ____ power ____ on HP ____ Torque?

Can you ____ me about ____ and ____?

____ amount of ____ HP do ____ know about the ____?

Please ____ me how much ____ this ____ terms ____ both ____ and ____.

____ much power ____ power in HP and ____?

Did ____ tell me ____ engine power ____ Torque?

Can you tell ____ levels of ____ Torque?

Please ____ me ____ power and Torque of ____.

How ____ and ____ are generated ____ the ____?

Can ____ tell us ____ power ____ Torque?

_____ HP and Torque?

_____ you _____ information _____ amount _____ power, Torque and HP of _____?

I _____ like to know _____ engine's _____ and _____.

_____ power do you get from the _____ in terms _____?

_____ to talk about the _____ power, Torque _____?

How _____ how much Torque _____ you _____ this motor?

How _____ do _____ engine's _____ and Torque _____?

What _____ power in _____ and _____.

_____ is the _____ and _____ for _____?

_____ much force _____ engine _____ in terms _____ power and speed.

_____ there anything _____ us about the _____ and Torque?

_____ and _____ is the engine _____?

How much power _____ Torque _____?

I'm curious _____ power _____ measured in _____ Torque.

What _____ you have _____ the _____ and Torque?

What about _____ power, Torque _____ of _____ engine?

I _____ curious _____ the _____ output: _____ and _____.

_____ you know _____ about the engine's _____?

How about the engine's power _____ talking _____?

What _____ the _____ in HP, _____?

I am _____ learning _____ are generated by _____ engine.
