

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Car heater not working properly
Inquiry Sub-Category	Lack of hot air
Description	Customers complain that the car's heater is running, but it is not producing enough hot air. This may be due to issues with the heater core, coolant levels, or a malfunctioning thermostat.
Data Size	5,000 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

_____ are _____ causes if only _____ but never _____ long distances?

_____ there any _____ cause _____ of achieving higher temperatures _____ longer?

_____ possible that there _____ warm/cool _____ after driving long _____?

_____ is _____ what _____ contribute _____ of warmth _____ large amount of driving.

_____ there a reason why _____ maintain _____ consistent coolness _____?

I _____ like to _____ for _____ lack of high _____ on _____.

_____ there _____ for continuous coolness _____ temps during lengthy _____?

Is _____ any cause of _____ of _____ temp, _____ drives?

_____ factors can lead _____ a _____ extensive driving?

It _____ clear _____ may contribute _____ the absence of _____ lot of _____.

Is _____ why _____ keep _____ coolness after _____ travels?

When driving long _____ a _____ what _____ the temperature being _____?

Are there any causes of continuous coolness _____?

Potential _____ of _____ heat _____?

We could _____ the reasons _____ mild temperatures during _____ but _____.

_____ is _____ it _____ cold but never _____ after _____ distances.

_____ be the _____ the cool/warm _____ driving _____ long distances?

Why _____ for _____ of time _____ not heat _____?

After long-haul _____ there _____ reasons for no _____.

It _____ unclear what factors may _____ the _____ warmth following _____ of _____.

_____ there any _____ causes _____ make the _____ drives _____?

_____ causes _____ lack of _____ while _____

What could _____ the reason _____ lack _____ on long _____ in my _____?

_____ is possible that it _____ but never _____ after _____.

When drives _____ long, _____ to _____ coolness?

_____ into _____ why there is no _____ during long _____.

When drives are _____ what _____ lead _____ a _____?

When driving _____ distances, _____ is the _____ the _____ being _____?

What _____ before but _____ hot after driving long _____?
 What could be _____ cause of _____ only _____ long _____?
 It's possible that _____ after _____ long distances.
 If _____ than before _____ never _____ after _____ distances, _____ the _____ causes?
 _____ factors lead _____ constant coolness _____ are _____ drives?
 Is _____ a reason for coolness _____ temperature _____ drives?
 If _____ cooler than before _____ hot _____ driving _____ possibilities _____ there?
 Is there _____ why we _____ after extensive _____?
 _____ driving _____ long, what factors _____ to _____ constant _____?
 It _____ unclear what factors _____ contribute to _____ after _____ periods.
 _____ a _____ for the _____ of heat when _____?
 Is there _____ apparent causes _____ than _____ temp during _____ drives?
 What can _____ lack _____ warmth after _____ trip?
 _____ can _____ about our _____ cool after _____ trip but with _____ heat _____?
 Why does _____ a _____ of _____ not _____ real _____?
 We could _____ the reasons _____ heat during _____ drives.
 _____ only _____ before _____ never hot _____ distances, _____ are possible causes?
 _____ driving _____ time see real heat?
 What can _____ a lack _____ warmth _____ long period _____?
 What factors _____ to a constant _____ long?
 Is _____ of continuous coolness instead _____ temperatures during long _____?
 What _____ the _____ but not really warm _____ driving _____ distances?
 Is there a _____ persistently mild _____ but _____ heat _____?
 _____ be the reason _____ high temperatures _____ long trips?
 _____ there any _____ reasons _____ is _____ long drives?
 What _____ only warm/cool _____ long distances?
 It is unknown what factors _____ of _____ a _____ of driving.
 What can _____ a lack of _____ an _____?
 _____ there any _____ causes of coolness _____ achieving _____ during _____?
 _____ only cooler/warm _____ but _____ driving _____ distances, what _____ the options?
 _____ can lead to _____ being absent _____ periods?
 _____ a _____ for _____ coolness instead of _____ long drives?
 When driving long _____ few _____ what _____ the _____ be _____ not _____ warm?
 Are _____ causes of _____ coolness _____ of achieving higher _____ longer _____.
 I _____ to why _____ is _____ real heat for the _____.
 Is there _____ cold _____ after driving long distances?
 _____ there _____ causes of continuous coolness _____ of _____ that comes _____ long _____?
 _____ possible to _____ cool/cold _____ hot after _____ long distances?
 _____ is cold but not hot after a _____.
 If _____ cooler/warm _____ but _____ after a long _____ what _____ the _____?
 _____ know why _____ only experiencing _____ driving with _____ heat?
 Are _____ apparent _____ of continuous coolness, _____ of _____ drives longer _____ half a _____?
 What _____ cause _____ lack _____ warmth after an _____?
 Are _____ reasons _____ persistently _____ temperatures _____ heat during _____ drives?
 During _____ are there _____ apparent causes of _____?
 What _____ cause _____ the temperature _____ not really warm, when _____ distances?
 What causes _____ temperature _____ cool _____ after _____ long _____?
 _____ are the possible reasons _____ than before but _____ hot _____ driving _____?
 What can happen _____ cold/warm _____ after driving long _____?
 _____ you know _____ I amExperiencing _____ cooler temperatures _____ with _____?

_____ not clear what might _____ to the _____ lot _____ driving.
 It _____ known what _____ might contribute to _____ absence _____ periods.
 Why _____ long _____ have no heat?
 I'm _____ why there _____ no real heat _____ long time.
 What are _____ if only cooler _____ before _____ after driving _____?
 When driving lengthy, _____ to a _____?
 Is _____ a _____ for _____ temps during long drives?
 _____ causes _____ instead of higher _____ during long drives?
 If only cooler/warm _____ driving _____ distances _____ possibly be the causes?
 It _____ hot _____ after _____ drive.
 _____ apparent reason for _____ higher _____ levels associated with long drives?
 Why _____ temperatures warm _____ distances?
 _____ long _____ could _____ be a reason _____ lack _____ air?
 When driving _____ after _____ few distances, _____ are the _____ of _____ being _____ but not _____.
 There could be reasons _____ coolness when _____.
 What is _____ cause _____ being _____ but not really _____ long _____?
 _____ possible it is cool but _____ hot after _____.
 Is _____ a _____ continuous coolness instead _____ achieving _____ during _____ drives?
 _____ are the _____ having only _____ than _____ never hot after driving _____?
 Is there _____ apparent _____ of _____ coolness instead _____ higher _____ drives?
 _____ causes of if only cooler than before _____ never _____ distances?
 What could _____ the causes _____ cool _____ warm things _____ trip?
 _____ only cooler _____ but never hot after _____ distances, _____ the _____?
 Why does _____ for a _____ do _____ show heat?
 _____ are the reasons _____ cooler _____ driving long distances?
 If _____ than before but _____ hot after driving long _____.
 _____ cause of continuous _____ not _____ higher temperatures _____ long _____?
 What are _____ causes if _____ than _____ hot _____ driving long distances?
 _____ there _____ apparent _____ continuous coolness, _____ of _____ temperatures, during _____ drives?
 What causes _____ temperature to _____ not _____ warm, long _____?
 _____ of continuous _____ instead of achieving higher temp _____ drives?
 _____ than _____ never hot after _____ distances what are possibilities?
 _____ there _____ the lack of hot _____ after _____ trips?
 _____ there _____ possible causes _____ continuous _____ of higher temperatures _____ long _____?
 _____ any reason for _____ no heat on _____ drives?
 What _____ if only cooler/warm than before _____ hot _____ distances?
 Are there _____ apparent causes _____ instead of _____ temp, during _____?
 It _____ possible _____ long trip, _____ is only cold _____ never _____.
 Are there _____ it is cooler in _____ drives?
 _____ can we say about _____ being _____ a _____ but still having little _____?
 There's _____ regarding the lack of _____.
 _____ any apparent causes _____ continuous coolness instead of _____ heat levels _____.
 What factors cause a _____?
 _____ but never hot after long _____ what _____ the possibilities?
 _____ it is cold but not hot after _____ long _____.
 _____ factors _____ a _____ coolness when _____ are very _____?
 _____ reason for _____ only warm/cool things after _____ drive?
 _____ than before _____ hot after _____ are the most probable causes?
 _____ are the _____ cooler _____ before _____ never hot after long _____?
 Why does driving _____ period _____ do not _____?

_____ before _____ never hot after driving _____ are possible causes?
 _____ does driving _____ long time do _____?
 _____ are _____ most _____ causes _____ only _____ but never _____ after driving _____ distances?
 _____ cooler, but _____ hot, after driving _____.
 _____ there any apparent _____ of _____ coolness instead _____ in long _____?
 _____ can _____ say _____ the coolness _____ extensive travels without _____?
 Is there _____ reason for _____ coolness _____ temperatures _____ drives?
 _____ explain _____ travel after a long trip _____ cool _____ hot?
 _____ does _____ long period of driving _____ show _____?
 _____ could _____ reasons for _____ when _____
 How may _____ explain _____ travel is cool _____ but not _____?
 _____ confused _____ to _____ there is _____ real heat for _____ and _____ temperatures
 _____ there any apparent reasons for _____ higher temp _____ drives?
 _____ only _____ and _____ hot after _____ long distances, what _____ possibly be _____?
 _____ be _____ for the lack _____ high _____ travel _____ distances in my car?
 It's not known _____ utmost _____ absence after a _____ driving _____.
 _____ the _____ be _____ but _____ really _____ even after a _____ distance?
 _____ only cooler/warm _____ before _____ hot _____ driving, what _____ possibly _____ the _____?
 _____ can cause a lack _____ warmth _____ time?
 What factors _____ to _____ coolness when driving _____?
 _____ be the _____ the cool and warm things after _____?
 When _____ distances, _____ are the causes of _____ temperature _____.
 _____ there any _____ causes _____ continuous coolness instead _____ higher heat levels _____ with _____?
 _____ confused as to why _____ real heat _____ driving long _____ experiencing _____.
 _____ reason for _____ lack of _____ when traveling?
 _____ cooler _____ before _____ never hot after driving _____ are the _____?
 _____ than before but never _____ after driving long _____ what are _____?
 What _____ the cause of _____ after _____ drives?
 _____ does driving a long _____?
 _____ are _____ reasons _____ the _____ being cool/warm while _____?
 _____ confused _____ to why _____ isn't _____ driving for long.
 Are _____ apparent causes _____ long drives _____ higher _____?
 Are _____ apparent _____ continuous coolness _____ than higher temp _____ long _____?
 _____ long drives, _____ there _____ apparent _____ of continuous _____?
 _____ could _____ lack of _____ driving for a _____ time?
 _____ say about consistent coolness _____ without heating up?
 _____ unclear _____ might contribute to the lack _____ a _____ driving _____ time.
 How may _____ cool after a _____ but not hot?
 When _____ long _____ long _____ are _____ causes of the temperature _____?
 _____ confused _____ there isn't _____ real _____ when driving long.
 _____ factors _____ to _____ coolness after long drives?
 _____ is possible _____ it _____ only _____ hot after _____ driving.
 _____ a _____ for persistently _____ but missing heat _____ drives?
 If only cooler/warm than _____ but _____ are _____ likely causes?
 Are there _____ causes of _____ coolness instead of achieving _____ than half a _____?
 What can happen _____ only _____ but _____ hot _____ driving _____ distances?
 _____ can _____ explain _____ after _____ long _____ our travel _____ cool _____ not as _____?
 _____ could _____ for my lack of high _____ trips?
 What _____ causes of the temperature _____ when driving after _____?
 Why does driving for _____ long _____ see _____?

____ find ____ for mild temperatures ____ heat on long ____?
 ____ drives ____ could be ____ that ____ to constant ____.
 ____ only cooler/warm ____ before but never hot ____ long ____ what ____ be?
 Is ____ a cause for continuous coolness ____ higher ____ long ____?
 I'm ____ as ____ any real ____ for ____ long periods of time.
 What are possible ____ of if ____ cooler/warm ____ before ____ hot ____ distances?
 ____ be cool ____ after a long trip.
 Is ____ apparent causes of continuous coolness ____ during ____ drives?
 If only cooler/warm ____ never ____ driving ____ distances, ____ could ____ be?
 If only cooler/warm ____ but never hot ____ distances ____ the ____?
 ____ lead to a constant ____ when drives ____?
 ____ cooler/warm ____ but ____ after long driving, ____ are the ____ causes?
 ____ there a reason ____ coolness ____ higher ____ long drives?
 If ____ before but never ____ after ____ long distances, ____?
 ____ there any ____ for ____ instead ____ achieving ____ temp during ____ drives?
 ____ there a reason for ____ temperatures ____ when driving?
 Is there ____ coolness instead of ____ temp during ____?
 ____ the possible causes ____ cooler/warm than before ____ never ____ after driving ____?
 ____ causes the temperature to not be ____ after ____?
 I want ____ know ____ any ____ of ____ of higher temperatures ____ long drives.
 ____ only cooler than ____ hot after ____ driving ____ what ____ causes?
 ____ cooler/warm ____ but ____ hot after driving a long ____ are possible ____?
 ____ are the reasons ____ the ____ not ____ warm ____ distance?
 What is ____ cause ____ a lack ____ driving period?
 What is the cause of ____ only ____ long ____?
 It is possible ____ it ____ cool ____ hot ____ driving ____ distances.
 It ____ that ____ is cool/cold ____ after driving long ____.
 Are ____ apparent causes ____ instead ____ higher temperatures during drives ____ than ____?
 ____ any ____ continuous coolness instead ____ higher temp ____ long drives?
 ____ are ____ causes if only cooler than ____ never ____ long distances?
 When ____ is ____ what ____ lead to a ____?
 ____ does ____ a long ____ don't ____?
 It ____ not ____ might cause the lack ____ warmth ____ of driving.
 Is ____ a reason ____ we stay cool ____?
 ____ reason why ____ maintain ____ of coolness after extensive ____?
 ____ only cooler than before ____ after ____ distances, ____ possible causes?
 ____ there any ____ causes ____ continuous coolness ____ of ____ higher temperatures ____?
 What ____ possibly be ____ for ____ being ____ cooler than before ____ never ____ after driving ____?
 What ____ the lack ____ high temperatures on long ____?
 Is ____ a ____ cause of ____ while driving?
 What ____ the possibilities ____ hot after driving long ____?
 It is ____ only ____ and ____ hot after a long ____.
 When ____ after ____ distances, what are the causes ____ temperature being cool, ____ not ____?
 ____ temperature not ____ after long ____?
 ____ only cooler ____ not ____ after driving ____ what could possibly ____ the ____?
 What factors ____ to ____ constant coolness, ____ are ____?
 ____ driving ____ after ____ distance, what are ____ causes ____ temperature being ____ than ____?
 What ____ be ____ cause of the ____ things after ____?
 ____ the possibilities if only ____ but ____ hot, ____ distances?
 We could ____ what ____ temperatures with no heat during _____.

____ is ____ might contribute to ____ lack of warmth ____ a ____ driving ____ time.
 ____ are the causes of ____ being ____ but not really ____ a ____?
 If only cooler/warm than ____ but ____ after ____ long ____ possibly be ____
 Is ____ a ____ for being ____ long ____ without ____ up?
 When drives ____ factors that lead to ____?
 ____ there any ____ for ____ temperatures ____ lacking heat ____ long ____?
 Why does ____ for ____ long period ____ time ____ heat?
 Is it possible ____ explain ____ our ____ is cool after ____ heating up?
 ____ driving for a ____ not heat ____?
 ____ only ____ hot ____ driving long distances, what are ____?
 ____ there ____ lack heat and persistently mild temperatures?
 ____ the ____ being ____ but not warm after long distances?
 Is it ____ there are ____ coolness ____ higher temperatures in ____ drives?
 ____ only ____ than before but ____ hot after ____ long ____ are ____ likely causes?
 ____ say ____ being ____ after a long trip, but still have ____ up?
 It's ____ factors ____ contribute ____ the absence ____ warmth ____ a long ____.
 ____ are the ____ if only ____ never hot after a long ____?
 Why are ____ not warm ____ long ____?
 It ____ factors might contribute ____ a ____ following ____ lot of driving.
 Are there any apparent ____ of continuous coolness instead ____ the ____?
 Are ____ cause ____ the lack ____ heat when ____?
 What factors lead to a ____ drives ____?
 ____ is not ____ what factors ____ contribute to ____ lack of ____ a ____.
 ____ is ____ known ____ factors ____ to the ____ of warmth following a ____.
 ____ can we explain coolness after ____ heating ____?
 Are there any possible ____ continuous coolness, ____ of ____ higher ____?
 It is possible that ____ is ____ cold ____ never ____ journey.
 ____ cooler/warm than before ____ after driving long ____ what ____ the problem?
 Why does ____ a ____ period of ____ heat?
 ____ there ____ causes for ____ instead ____ higher heat ____ associated with long ____?
 ____ possibilities if ____ cooler/warm ____ but never hot after long ____?
 post ____ drive, why ____?
 It isn't known what ____ contribute to ____ of warmth ____ a ____.
 What ____ possibly be ____ that only ____ before ____ never hot after ____?
 ____ is ____ that ____ is cool ____ hot ____ a long ____.
 ____ any ____ causes ____ continuous cooling instead of higher ____ associated ____ long ____?
 ____ causes ____ temperature ____ be cool while ____ long ____?
 What ____ lead ____ coolness while drives ____ lengthy?
 ____ the ____ if only cooler/warm ____ before ____ never hot after driving ____?
 What can cause ____ of ____ driving?
 Is there a reason for ____ hot ____ a long ____?
 What are ____ causes of the temperature being ____?
 When driving ____ and the temperature ____ really warm, ____ causes.
 If only ____ than ____ but never ____ after ____ long ____ reasons?
 ____ might ____ made ____ drives not ____ high temperatures?
 ____ causes the temperature to ____ driving ____ distances?
 ____ any ____ of continuous ____ instead of ____ when driving longer?
 What might be the ____ for the ____ temperatures ____ trips?
 ____ there any cause of ____ coolness, instead ____ higher temp, ____?
 ____ can cause ____ of warmth ____ driving periods?

_____ but never hot after driving _____ distances?

We _____ examine why there _____ persistently _____ temperatures with _____ drives.

What could _____ if _____ before but never _____ after driving long _____?

When driving _____ a few distances, _____ the causes of _____ cool _____ warm?

How _____ we explain _____ there is _____ extensive travels?

_____ are _____ reasons for _____ being cool _____ warm _____ long distances?

_____ there _____ apparent cause of _____ instead _____ temp _____ longer drives?

_____ after driving long _____ it is _____ cold _____ never _____.

_____ it _____ cold and not hot _____ a _____ trip.

_____ be _____ it is _____ and _____ hot _____ a long trip.

If only cooler _____ but never _____ what _____ possibly be _____ cause?

There _____ be _____ constant coolness after a _____.

Is there _____ for _____ mild _____ heat during long _____?

_____ only cold/warm _____ not hot after driving _____ are _____ causes?

_____ causes _____ continuous _____ instead of _____ temperatures when driving longer than _____?

_____ only _____ before but never hot _____ long _____ be the causes?

I'm _____ there isn't _____ for _____ long _____ still getting _____ temperatures.

It _____ factors may contribute _____ lack of warmth _____ lot _____ driving.

_____ is possible _____ it is cold _____ never hot, _____.

_____ is possible that _____ and _____ after a long _____.

It is _____ contribute to _____ of _____ following a _____ of driving.

_____ is _____ question regarding _____ hot _____ after lengthy trips.

What possibilities are _____ only _____ than before _____ hot _____ long _____.

Is there _____ for mild _____ heat _____ long drives?

Is there _____ causes _____ coolness instead _____ the _____ levels _____ with long _____?

_____ causes _____ lack of _____ while _____?

_____ might _____ lack of _____ temperatures _____ long _____ be?

It's _____ it is only cool and _____ when driving, _____ after _____ period _____.

Are _____ any _____ it to _____ in long drives?

What were _____ causes _____ the _____ things _____ driving _____ distances?

It is _____ what factors _____ contribute _____ lack of _____ after _____ long _____.

When _____ are long, what _____ to _____ constant _____?

Is _____ persistently mild temperatures _____ no _____ during long _____?

What _____ be the _____ the _____ after _____ long distances?

It _____ that _____ driving long _____ it is _____ but never _____.

_____ there any _____ causes _____ coolness instead of _____ during drives _____ two hours?

Is _____ reason for _____ temperatures _____ lacking heat _____ drives?

_____ there _____ reasons for _____ to _____ in long _____?

If _____ never hot after _____ long distances _____ the possible causes?

When driving _____ distances _____ the _____ not really _____ what _____ the _____?

_____ might be cold _____ never hot _____ a _____.

Is _____ a reason for _____ voyages without a _____?

_____ long _____ could there _____ culprits behind _____ hot air?

_____ possibilities _____ there _____ only cooler _____ before _____ never hot _____ driving _____ distances?

_____ are _____ if only _____ than before _____ hot _____ driving _____ distances?

When _____ are long, what _____ contributes _____ constant _____?

_____ possible to _____ our _____ is _____ after a _____ trip _____ not _____ hot?

If only _____ before but never hot _____ possibly be _____ cause?

Are _____ any _____ of _____ coolness, _____ higher _____ during long drives?

_____ than before but _____ hot after _____ distances, _____ are the _____.

When driving ____ after ____ long ____ the ____ is ____ not ____.

____ there ____ continuous coolness, instead of achieving ____ during long ____?

____ a ____ the ____ of hot ____ after ____ long trip?

____ reason for continuous ____ instead of ____ temperatures ____ long ____?

____ a cool temperature ____ driving ____?

____ are the ____ causes for cooler/warm than ____ never hot after ____?

____ am not ____ why ____ is ____ heat ____ driving for ____ periods ____ time.

____ could ____ cause of the warm/cool ____ a long ____?

____ there a ____ for ____ achieving higher temp during ____ drives?

____ any apparent ____ coolness instead of ____ higher temperatures during ____ than ____ minutes?

Is there ____ of ____ coolness instead ____ higher temperatures ____?

Do you know ____ while driving with ____ heat?

It ____ it is cool ____ after ____ long trip.

____ anyone ____ why ____ amExperiencing ____ while driving ____ no heat?

____ causes ____ temperature to ____ driving?

____ drives ____ long, what ____ the ____ lead to ____ constant ____?

____ only cold/warm but never ____ after ____ what ____ possible ____?

What ____ this ____ only cooler/warm than before, ____ after driving long ____?

____ can cause a lack ____ driving?

It is possible ____ after a long ____ it ____ but ____.

Are there any ____ cooler in the ____?

What ____ causes of the ____ things after driving ____?

What ____ reason for ____ lack of ____ temperatures on ____?

____ a ____ for persistently mild temperatures ____ heat ____ drives?

____ not ____ factors might contribute to the ____ of ____ a long ____.

____ than before but never hot ____ driving ____ what ____ be the ____?

If cooler/warm ____ before ____ driving ____ distances what are the ____?

____ don't know ____ lack ____ temperatures ____ on lengthy drives.

What factors lead ____ coolness ____?

____ not known what ____ might ____ lack of warmth ____ a ____ driving.

____ long ____ what are ____ causes ____ the temperature being ____?

Is ____ any ____ of ____ coolness instead of achieving higher temperatures ____ longer ____?

____ could be ____ to constant coolness after ____.

____ only cooler/warm ____ before ____ hot ____ a ____ drive, ____ are the possible ____?

Are there ____ of continuous coolness instead of ____ that accompanies ____?

What ____ are leading ____ constant ____ after ____?

I ____ as to why there ____ heat ____ driving ____ long.

When ____ long ____ a few distances, ____ causes ____ being cool?

____ if only cooler ____ never ____ after driving ____ distances?

____ causes of the ____ being warm ____ after a ____ distance?

____ are the causes ____ the temperature ____ warm, after ____ distances?

Is there ____ reason for ____ on ____ without ____ heat ____?

Why does ____ time do not ____ real ____?

____ may we ____ that ____ is ____ long trip ____ not ____ hot?

____ the ____ for the ____ to ____ when driving ____ distances?

What ____ of the only ____ things after a ____?

____ only cold/warm but never ____ driving long distances?

What ____ be ____ warm/cool things after driving?

What ____ possibly be the ____ cooler/warmer ____ but ____ hot after ____ distances?

____ there ____ cause of continuous ____ higher heat ____ associated with long ____?

_____ it's _____ cold _____ never _____ after a long _____.
 _____ possible that it _____ cold, _____ not _____ after a _____ trip.
 Is it possible _____ of _____ coolness rather _____ temps during _____ drives?
 _____ am _____ as _____ there _____ no real heat for driving _____.
 _____ there any _____ causes _____ coolness, instead of _____ temp during _____?
 What could be the cause _____ after _____ for _____?
 _____ causes _____ temperature to be _____ but not really _____ long _____?
 _____ be a cause _____ lack _____ heat _____ driving?
 It is cooler/warm than _____ but _____ driving _____.
 _____ be _____ the lack of _____ temperatures on _____ long drives?
 _____ only cooler/warm than _____ never hot after _____ long distances, _____ be?
 Is _____ possible cause _____ lacking _____ driving?
 Is _____ a _____ continuous _____ instead _____ the _____ levels associated with long _____?
 Are _____ cause _____ lack of heat while _____?
 _____ drives are _____ factors lead to _____?
 It's not _____ factors _____ contribute to utmost _____ after _____ driving _____.
 Can _____ at _____ reasons for _____ but lack _____ heat _____ long _____?
 It is _____ might contribute to _____ absence of _____ lot of _____.
 _____ driving _____ what _____ the temperature to be cooler _____?
 Is _____ reason for mild _____ but _____ long drives?
 _____ any _____ coolness instead _____ higher _____ during longer drives?
 _____ there _____ likely _____ make it _____ in long _____?
 _____ a possible _____ lack _____ heat when driving?
 _____ we explain why _____ temperatures _____ but _____ during long _____?
 _____ causes the _____ to be _____ while driving _____ distances?
 Is there _____ why _____ keep our _____ extensive _____?
 How _____ we explain _____ travels _____ any heating _____?
 _____ it _____ that lack _____ high temperatures on long _____ by _____?
 Is there _____ for the lack _____ when _____?
 What factors _____ to _____ long _____?
 I'm _____ why there is no real _____ for driving _____ modest _____.
 _____ only _____ than before _____ after driving a long distance, _____ could possibly _____?
 Is _____ a _____ for persistently _____ temperatures _____ heat during _____?
 It won't get _____ after _____.
 Factors that _____ to _____ constant _____ drives?
 _____ lengthy trips _____ there _____ a _____ for _____ air?
 Is there _____ apparent _____ of continuous _____ instead _____ higher _____ drives?
 Is _____ any apparent causes _____ rather than _____ higher _____ during _____?
 Is there _____ for the _____ temperatures _____ the heat _____ long _____?
 _____ there _____ reason _____ no _____ while _____?
 If _____ than _____ but never _____ after _____ distances, what could _____ be _____?
 _____ are _____ causes _____ the only _____ long distances?
 _____ the _____ if _____ is cooler than _____ but never hot after _____?
 What are _____ being _____ even after long distance?
 Is _____ possible that _____ cool _____ but still have little _____ up?
 _____ are _____ what _____ lead to a _____ cool?
 _____ long trips, _____ there _____ culprits _____ the lack of _____?
 _____ possible that it is _____ cold but _____ hot _____ distances.
 _____ why _____ are _____ drives could be looked into.
 _____ possible it's _____ cool but _____ hot _____ trip.

If only cooler _____ hot after _____ are the possible _____?
 What are the most likely _____ than before but _____ driving _____?
 _____ could _____ be _____ causes _____ than before _____ never hot _____ long distances?
 It's _____ what _____ warmth after a long driving time.
 When driving _____ after a long _____ what causes the _____ not _____.
 _____ might be _____ of _____ only _____ driving long distances?
 _____ are the reasons _____ really warm _____ long distances?
 _____ factors can cause _____ warmth _____ driving?
 Is _____ any apparent _____ of continuous _____ of higher heat _____ associated _____?
 _____ could _____ the cold and _____ things after _____ driving?
 _____ are the _____ leading _____ coolness _____ long _____?
 _____ apparent causes of _____ coolness instead of _____ temperatures _____ longer _____?
 _____ the _____ the temperature not _____ warm _____ driving?
 There may be _____ constant _____ long.
 If _____ cooler than before _____ when _____ long distances, _____ the _____?
 What _____ long drives to not _____ high _____?
 What _____ the _____ cooler/warm than before _____ never hot after _____?
 _____ any _____ causes of _____ being _____ long drives?
 Can we look at the reasons for _____ temperatures _____?
 What factors _____ to _____ on _____ drives.
 What are the _____ of _____ temperature _____ warm after _____?
 Why _____ driving _____ long period _____ lack _____?
 _____ driving long after _____ distances, what _____ for _____ temperature being _____?
 _____ are the reasons _____ temperature not _____ driving _____ distances?
 _____ only _____ before but _____ after a _____ could possibly be _____ cause?
 _____ only cool/cold/warm but never hot _____ long _____ are _____?
 _____ than before _____ never hot _____ driving _____ distances, _____ be the causes?
 Why _____ period of time _____ provide real heat?
 _____ lead to a constant coolness?
 _____ could be _____ reason for not _____ on _____ drives?
 It _____ possible that _____ driving and not _____ after a long period.
 What could _____ cause only a _____ before _____ hot _____ driving _____?
 _____ lengthy trips, could there be _____ lack _____ air?
 _____ causes the _____ cool when driving _____ after _____ few _____?
 It might be cool but never _____.
 If _____ before but _____ hot after _____ distances, what are _____?
 _____ there any _____ of continuous _____ instead of the higher temperature _____?
 _____ be only _____ but _____ hot after a _____.
 _____ can we explain _____ long trip _____ heat up?
 _____ could _____ the _____ the lack _____ high temperatures _____ on long _____?
 _____ are _____ reasons for the temperature _____ driving?
 _____ are _____ if _____ cooler _____ but never hot _____ long distances?
 What _____ causes if _____ but never hot after driving _____ long _____?
 _____ are _____ causes of the only _____ after _____?
 Is _____ for _____ mild _____ no heat in _____ drives?
 _____ there any apparent _____ of _____ of achieving higher _____ during _____ than _____ minutes?
 What are the _____ for _____ cooler/warm _____ never hot _____ driving _____ distances?
 Are there any reasons _____ gets _____ drives?
 What _____ causes of _____ cool and _____ a long drive?
 If only _____ than before but never _____ distances, _____ reason?

Is ____ a reason ____ persistently ____ and ____ of heat ____ long ____?

What ____ lead ____ coolness when ____ long?

____ the cause ____ warm/cool ____ after ____ for long distances?

What ____ cause this ____ cooler/warm than before but ____ long ____?

After a long ____ it is ____ that ____ cold ____ hot.

____ can ____ explain ____ lengthy travels?

____ only cooler ____ before ____ never ____ driving, what ____ likely causes?

____ there a reason ____ keep our ____ after ____?

What ____ the ____ to be ____ a ____ distance?

What are ____ of ____ cool temperature ____ distances?

What ____ we say ____ coolness ____ extensive ____ without ____?

It's possible ____ and ____ driving long distances.

What ____ be the ____ for ____ lack ____ on long ____ in ____ car?

____ could ____ a ____ than before ____ hot ____ driving long ____?

____ is ____ it ____ cool ____ cold ____ after driving long distances.

It is ____ that it is cold ____ cool ____ you ____ long ____.

____ of the only ____ after driving for long ____?

____ does driving for ____ not ____ like heat?

What ____ the ____ of the ____ being cool ____?

____ unclear what ____ might ____ the lack ____ driving amount of time.

____ only cooler/warm than ____ never hot ____ what are ____ causes?

What ____ of only cooler/warm than before, ____ never ____ long distances?

What could possibly ____ than before ____ hot after long ____?

____ be ____ for ____ lack of high temperatures on ____ long ____?

____ are the causes ____ the temperature ____ after long distances?

What could possibly ____ the cause ____ than before ____ driving?

____ a ____ continual coolness instead of ____ temps during ____?

____ there a reason ____ instead ____ temperatures in ____ drives?

____ known ____ factors ____ contribute ____ of warmth after a ____ of driving.

What ____ contributes ____ a constant ____ are long?

____ reasons of the temperature ____ being warm after ____?

Is ____ any apparent ____ continuous ____ instead of higher ____ levels ____ long ____.

How may we ____ travel ____ after a ____ trip but ____ hot?

What are ____ of the ____ the temperature ____ driving?

How ____ we explain ____ coolness ____ trip?

____ there ____ possible ____ of ____ while driving?

If ____ cooler/warm ____ before, ____ long distances, what ____ the possibilities?

____ could be ____ for constant ____ you drive a ____.

____ are ____ causes ____ if ____ cooler/warm than ____ never ____ driving long distances?

What could be the ____ of ____ driving long distances?

____ be ____ lack of ____ driving?

____ only cooler/warm than ____ but ____ long ____ what are ____ causes?

____ driving ____ distances, what ____ reasons for ____ temperature being ____ but not ____?

____ it ____ when you drive long ____?

Is there ____ cause ____ continuous ____ instead of higher ____ long ____?

____ only ____ than before, but ____ long ____ what ____ the possibilities?

What are ____ of ____ before, but ____ hot ____ driving ____ distances?

Is it ____ to ____ only cold/warm ____ never hot ____?

It ____ that ____ is only ____ but never hot ____ long ____.

____ only ____ than before ____ hot after ____ long ____ what are the ____?

If ____ cooler/warm than before but ____ hot ____ could possibly ____ ?
 If only ____ then before but ____ hot ____ distances ____ the ____ causes?
 What ____ happen ____ only cooler and ____ after ____ long ____.
 ____ only ____ than ____ hot ____ driving ____ what could possibly ____ the reason?
 How ____ explain the coolness after ____ heating ____ ?
 ____ am ____ as to ____ there ____ no real heat ____ long ____ still ____ temperatures
 If ____ and ____ hot ____ driving long ____ what are ____ possible causes?
 ____ there ____ apparent ____ of ____ instead ____ higher ____ long drives?
 Are ____ apparent causes ____ cool instead of ____ heat ____ with long ____ ?
 ____ there any ____ of continuous ____ don't happen during ____ ?
 What causes ____ warm/cool ____ after driving ____ long ____ ?
 ____ are the ____ if ____ before, ____ hot, after ____ long distances?
 It ____ that it ____ but never hot, after ____ trip.
 ____ possible ____ only cooler/warm ____ but ____ hot after driving long ____ ?
 When driving ____ distances, what ____ the cause of the ____ cool ____ really warm.
 Are there ____ it is cooler ____ ?
 ____ which could lead to constant ____ long ____ .
 ____ than before ____ not hot after driving long ____ causes?
 It ____ be ____ but never ____ driving long ____ .
 ____ possible that there ____ causes of ____ instead ____ temperatures during ____ drives?
 What possibilities are there ____ only ____ before but ____ after ____ ?
 If only ____ than ____ not ____ driving long ____ what ____ the possible ____ ?
 What are ____ of ____ being cool, but ____ warm when driving ____ .
 What ____ the reasons ____ constant coolness ____ drive?
 How can ____ consistent coolness after ____ without ____ ?
 What ____ the reasons that ____ temperature ____ not ____ warm ____ after ____ ?
 ____ was ____ if there ____ reason ____ the ____ of ____ on long drives.
 ____ for ____ distances, what ____ causes of warm/cool ____ ?
 If only cooler ____ not as ____ after ____ distances, ____ the ____ ?
 What could ____ the ____ for the ____ while ____ trips in my ____ ?
 ____ the ____ reasons for only cooler/warm ____ never hot ____ long distances?
 If ____ than before but ____ hot after driving a ____ possibilities?
 ____ are ____ causes of cooler/warmer ____ never hot after ____ distances?
 ____ any apparent ____ continuous ____ instead ____ higher ____ during ____ over 2 hours?
 Are ____ causes of continuous ____ rather than ____ higher ____ that accompanies ____ ?
 ____ the possible ____ of not ____ after driving long ____ ?
 ____ are ____ for the temperature to ____ driving long distances?
 Is ____ apparent cause ____ coolness, instead of ____ higher ____ drives?
 Is it ____ explore why ____ temperatures ____ during long ____ ?
 ____ not ____ what ____ might ____ the ____ of ____ after a long driving ____ .
 If ____ cooler ____ never ____ after ____ long distances, ____ could possibly ____ the ____ ?
 It is ____ that after driving long ____ it is ____ and ____ .
 Why does ____ long period of ____ feel ____ ?
 I am confused ____ why ____ is no real ____ driving ____ still ____ modest ____ .
 If ____ than before ____ never ____ driving ____ distances, ____ could possibly ____ the ____ .
 ____ long after a ____ what ____ the ____ be cool but not ____ ?
 ____ any apparent causes of ____ coolness, ____ achieving higher ____ lengthier ____ ?
 What ____ the ____ only cooler ____ never hot ____ long distances?
 Is there ____ reason for ____ temperatures ____ on ____ drives?
 ____ any apparent causes ____ continuous coolness, ____ than ____ during ____ drives?

If only cooler/warm than _____ after _____ long distances, what might _____?
 Is _____ lack _____ heat when driving?
 What _____ the _____ of the _____ temperatures _____ the _____ drives be?
 If _____ never _____ driving long _____ what _____ the possible causes?
 It _____ that it is _____ cold _____ hot _____ long _____.
 _____ to why _____ is _____ heat for _____ for long _____ of time
 It _____ that _____ is _____ and cold _____ driving _____ not hot _____ long _____ of time.
 Is there _____ we _____ our _____ extensive traveling?
 Is there any _____ instead of achieving _____ on _____ drives?
 _____ are any _____ causes of _____ instead of _____ higher _____ long _____?
 _____ than _____ but never hot _____ driving long _____ are the _____ causes.
 _____ are _____ that _____ temperature _____ not really warm _____ after long _____?
 _____ the _____ the temperature _____ cool _____ you drive?
 It _____ possible it is _____ hot _____ driving _____ distances.
 Is there a _____ long distances without a _____?
 It's _____ what factors _____ to _____ of warmth _____ a _____ of driving.
 There could be _____ behind _____ absence _____ long trip.
 _____ the reasons that _____ temperature is _____ when _____ long _____?
 _____ possible _____ only cooler/warm _____ before _____ hot _____ long drives?
 _____ can _____ to a _____ drives are long?
 _____ there any likely _____ that _____ it cooler _____ drives?
 Is _____ a _____ continual coolness _____ than _____ temperatures during _____?
 _____ there a reason for _____ after extensive _____?
 _____ only _____ but never _____ after _____ long drive, _____ are _____?
 If _____ cold _____ never _____ driving long distances, _____ causes _____?
 _____ might _____ explain _____ consistent _____ after _____ travel?
 Is _____ reason why we _____ lengthy travels?
 What _____ the _____ for the _____ of _____ temperatures _____ drives?
 _____ there a _____ for not achieving _____ during _____?
 _____ isn't the _____ really _____ when driving _____?
 _____ apparent _____ instead of higher _____ during drives longer than half _____ day?
 What could _____ the causes of _____ things _____ drive?
 _____ any reason for _____ temperatures but _____ heat in _____?
 What _____ possibly _____ for _____ cooler/warmer _____ before but _____ hot _____ long distances?
 It _____ possible _____ driving _____ long distance _____ cold _____ never hot.
 _____ constant coolness when driving _____?
 _____ a _____ time _____ not heat up?
 If _____ cooler/warm than _____ hot after driving long _____ could _____ causes?
 _____ could _____ the _____ for the constant _____ drives?
 _____ are the _____ of _____ than before _____ never _____ after _____ driving _____?
 What could be _____ reason for the _____ high _____?
 It is possible that _____ cold _____ never hot after _____.
 Why _____ the _____ warm _____ long _____?
 What _____ the options if _____ cooler/warm than _____ but _____ distances?
 When _____ long distances and _____ temperature is _____ really _____ the _____?
 _____ the lack of high _____ on _____?
 It's _____ factors might _____ to the lack _____ warmth _____ a _____.
 _____ could _____ done _____ cooler than before and never hot after _____.
 If _____ cooler _____ never _____ after _____ what are the likely _____?
 _____ long _____ what causes the only _____?

Are there _____ causes of _____ during _____?

What could _____ be done if _____ before _____ hot _____ driving long _____?

_____ there a _____ the _____ of _____ after long journeys?

Can _____ find _____ why mild _____ heat during _____ drives?

What _____ be _____ of _____ and _____ things after driving long _____?

_____ are the _____ only cooler than _____ but _____ hot after _____ long _____?

_____ factors leads _____ coolness when _____ drives _____ involved?

_____ causes _____ make it cooler in long _____?

_____ to _____ is no real _____ driving long and _____ modest temperatures.

_____ may we explain that _____ have little _____ up _____?

After _____ be _____ reason for the absence of _____?

Are _____ that make _____ long _____ cooler?

_____ there _____ for _____ coolness instead of _____ temps _____ drives?

_____ the reason for _____ on long _____ in my car?

It's _____ clear what factors might _____ of warmth _____ period _____ driving.

_____ only cooler/warm than before but _____ hot after _____ what _____?

What _____ causes _____ only _____ and not _____ driving _____ distances?

I'm not _____ why _____ real heat _____ driving _____ modest temperatures.

_____ the only _____ things _____ driving for _____ distances?

_____ be _____ reason for lack _____ high _____ on _____ for _____ in my _____?

_____ are the _____ temperature being cool _____ really warm when _____ long _____?

Are _____ apparent causes _____ continuous _____ instead _____ temp during _____ drives?

_____ is a _____ that _____ only _____ but _____ hot after _____ trip.

_____ are _____ reasons for _____ than _____ but never _____ after _____ long _____?

_____ periods, what factors can _____ to lack _____?

_____ to _____ coolness _____ long drives?

_____ there any _____ causes of _____ coolness _____ temperatures _____ longer than a _____?

What _____ done if it was only _____ and _____ long distances.

_____ any apparent causes _____ coolness, rather _____ during long drives?

It is _____ it _____ but _____ hot when _____ long _____.

Is it _____ for _____ warm/cool things _____ for _____ distances?

_____ might contribute _____ the absence _____ warmth _____ a long _____ period.

Is there _____ achieve _____ temps during lengthy drives?

_____ it _____ only _____ never hot after driving long distances.

What _____ have _____ the _____ of _____ on the long _____?

If _____ cooler _____ but _____ driving _____ long distance, what could possibly be _____?

_____ are _____ reasons _____ having a _____ a long haul ride.

What could _____ of _____ coolness after _____ drives?

_____ apparent causes of _____ coolness _____ than _____ higher _____ levels _____ with _____ drives?

What are the _____ of the _____ being _____ not _____ warm _____?

_____ of _____ coolness instead of higher temperatures during drives _____ minutes?

_____ there any apparent causes _____ of higher temperature that _____?

What _____ lead to _____ constant _____ drives?

How _____ explain _____ lengthy _____ without heating up?

If only cold and never _____ long distances, _____ cause?

_____ most _____ causes of _____ than before but never hot _____ long _____?

If only _____ but never hot _____ driving _____ what _____ chances?

If _____ drive _____ distances, it _____ or _____ but never _____.

What _____ the _____ probable _____ cooler/warm than _____ but _____ after _____ long distances?

What _____ be _____ causes of _____ cool things after driving _____?

It _____ not _____ factors might _____ absence of _____ after _____ long _____ period.
 _____ may we _____ that our _____ cooling after _____ long trip, _____ not _____?
 _____ could _____ have caused the _____ of _____ on the _____?
 _____ causes for the _____ when _____?
 How might _____ explain _____ travel _____ after _____ trip but not _____?
 What _____ for _____ temperature being cool, _____ after a _____?
 If only _____ never hot _____ long distances
 _____ there _____ apparent _____ not achieving higher temperatures during _____?
 Is there _____ causes of _____ instead _____ temperatures during _____ drives?
 _____ is the cause _____ the temperature being _____ after _____?
 Do you _____ I'm _____ experiencing _____ driving _____ no heat?
 _____ am _____ sure why _____ no real _____ driving _____ still having _____ temperatures.
 _____ any apparent causes _____ instead of _____ higher temp during _____?
 If it is _____ than _____ never _____ after driving _____ the possible causes?
 _____ a long period _____ time _____ get real _____?
 What could be the _____ the _____ of high _____ long _____ for _____?
 Is _____ causes _____ continuous coolness, _____ of _____ during long drives?
 When driving long after _____ distance, _____ the _____ the temperature _____ warm?
 Why _____ a _____ period _____ not bring _____ heat?
 _____ only _____ hot after _____ long distances, what are the _____ causes?
 _____ only _____ but never _____ distances, what are _____ possible causes?
 What are possible causes _____ cold _____ not _____ distances.
 _____ there a reason for _____ after _____?
 _____ you know what causes it _____ long drives?
 _____ only _____ hot after _____ long distances, what _____ the likely _____?
 _____ there any apparent causes of _____ higher temperatures _____ than _____ minutes?
 _____ a _____ warmth after driving for extended _____?
 What are _____ reasons _____ temperature not _____ warm even after _____?
 If _____ than before but never _____ after _____ could _____ be _____?
 If _____ before _____ hot after _____ long _____ what are the _____ causes?
 What _____ possibly explain _____ cooler/warm than _____ never _____ driving _____ distances?
 _____ we _____ our coolness after extensive travel?
 If _____ than _____ but _____ hot after _____ long _____ is the _____?
 _____ causes _____ coolness when drives _____?
 It _____ what factors _____ to _____ lack _____ following a _____ amount _____ driving.
 What could _____ cause _____ cooler/warmer _____ before _____ hot after _____?
 What _____ only cooler/warm than before, but _____ after driving _____?
 It _____ clear what _____ to the _____ of _____ a long driving _____.
 _____ cause _____ coolness instead of achieving higher temperatures _____ drives?
 What _____ likely causes _____ only _____ before but never _____ after _____?
 What _____ lack of warmth _____ long driving _____?
 Is there _____ coolness instead of achieving _____ in _____ drives?
 Are there _____ apparent causes _____ instead of _____ long drives?
 Why _____ driving for _____ long _____ time _____ hot?
 _____ than _____ hot _____ long distances what _____ possibly be the reason?
 _____ find reasons for mild temperatures but not _____?
 _____ there any _____ of _____ of achieving higher temp _____ drives?
 _____ are _____ possible causes _____ a cooler/warmer than _____ but _____ after driving _____?
 _____ does _____ a _____ period of _____ see _____ heat?
 _____ there a reason _____ mild _____ while lacking _____ during _____?

_____ the causes of the _____ cooler _____ driving for _____ ?
 Are _____ any apparent _____ of _____ coolness _____ higher temperatures during _____ hours?
 There could _____ for _____ cool _____ long _____.
 When _____ are _____ what _____ lead to a _____ ?
 _____ could _____ of high temperatures on long drives _____ ?
 What _____ of warmth after driving _____ long time?
 There may _____ coolness, instead _____ higher temp _____ longer drives.
 What _____ the possibilities _____ only _____ before _____ hot after driving?
 _____ there any _____ persistently _____ lack of heat during long _____ ?
 _____ could _____ only cooler/warm _____ never hot after long distances?
 If only cooler/warm _____ before but _____ driving, _____ could _____ be _____ ?
 _____ is cold but never _____ after driving long _____.
 _____ cooler than before but _____ after _____ what are the likely _____ ?
 _____ there be _____ reason for _____ when driving?
 _____ can cause _____ of warmth, _____ extended driving _____ ?
 What are _____ possible causes _____ it _____ only cooler _____ but never _____ driving _____ ?
 _____ there _____ cause _____ continuous _____ higher temperatures during long _____ ?
 Are there any apparent causes _____ continuous _____ higher _____ longer _____ ?
 What are possible causes _____ than _____ never _____ after _____ for long _____ ?
 Are _____ of continuous _____ instead _____ higher _____ that accompanies _____ drives?
 What are _____ probable _____ only _____ than _____ but _____ driving long distances?
 _____ a _____ for _____ lack of _____ air after _____ trips?
 I _____ as _____ there isn't real _____ for driving _____.
 _____ are some possible reasons _____ warm _____ after _____ haul rides.
 Is _____ reason for _____ cooler _____ without a _____ up?
 _____ can _____ explain the coolness _____ without _____ up?
 _____ causes _____ constant coolness _____ are _____ ?
 Is there _____ reason _____ you _____ during long drives?
 _____ long _____ a _____ what _____ the causes of the temperature being _____ not really _____.
 If only cooler/warm than _____ hot after long _____ could _____ the _____ ?
 Could _____ a reason for the _____ air _____ trips?
 _____ it possible to _____ why _____ temperatures _____ lacking _____ long drives?
 Is _____ any _____ continuous _____ than higher temperatures _____ drives?
 _____ be the _____ for _____ never hot after driving long distances?
 _____ cooler/warm than _____ but _____ hot _____ driving _____ distances, _____ might _____ the cause?
 Is _____ possible that this is _____ hot after driving long _____ ?
 What _____ be _____ cause for the _____ temperatures on _____ ?
 Is _____ reason for _____ temperatures _____ heat when driving?
 If only cooler than before _____ long _____ the possibilities?
 It is _____ it _____ only _____ never _____ a long _____.
 Is _____ any _____ of _____ instead _____ achieving _____ temperatures _____ long drives?
 Are _____ reasons _____ is _____ in _____ long drives?
 It _____ what _____ might _____ lack of _____ following _____ long driving period.
 It _____ is _____ never hot, after a long _____.
 Is there _____ causes of continuous coolness _____ in _____ drives?
 It is _____ trip, it is _____ but never hot.
 _____ is possible that _____ is _____ cold when driving, _____ hot after _____ period _____ time.
 _____ for continuous coolness instead _____ heat levels associated _____ drives?
 What _____ we say _____ cool _____ long trip but _____ really heating _____ ?
 _____ cooler/warm than _____ never hot after driving long distances, _____ likely _____ ?

_____ cause of not being _____ after _____ long distances?

What _____ causes a _____ drives _____ long?

_____ any _____ for continuous coolness, instead _____ temp during longer _____?

Is there _____ apparent _____ continuous coolness _____ of _____ higher temp _____?

What factors _____ coolness when you drive _____?

_____ are _____ likely causes of _____ only _____ than _____ but never _____ long _____?

_____ possible that _____ is _____ but _____ hot _____ long trip.

_____ the cause of _____ temperatures _____ the long drives _____?

_____ temperature _____ not warm _____ long _____ what are the _____?

It _____ possible that it _____ cold and _____ long _____.

_____ could _____ to _____ than before but _____ driving long distances?

_____ only _____ before _____ never hot after _____ what _____ be the _____?

Is it _____ explain that _____ is _____ after _____ long _____ but _____ little _____ up?

Why _____ there persistently _____ temperatures but _____ during _____ drives?

_____ there _____ of continuous _____ instead of _____ higher temperatures _____ longer?

What causes _____ of _____?

What are _____ it _____ only _____ never _____ after driving _____ distances?

What causes _____ lack _____ warmth _____ for _____ long _____?

_____ only cooler/warm _____ but never hot _____ long _____ what _____ be?

_____ than _____ but never hot after _____ what are _____ possibilities?

_____ could _____ causes _____ only _____ than _____ but never hot _____ driving _____ distances?

How can _____ the _____ after _____ travel without _____ up?

_____ probable causes of if only _____ than _____ but _____ long distances?

_____ is possible that _____ is _____ not hot _____ driving _____ long _____.

What options _____ if only cooler/warm _____ never _____ long distances?

_____ doesn't _____ period of _____ see any heat?

potential _____ for lack _____ driving

Are _____ any _____ why _____ is cooler _____ drives?

What are _____ possibilities if only cooler/warm _____ before _____ a _____?

What _____ than before, but _____ hot _____ driving long distances?

How _____ we explain the _____ extensive _____ heating up?

_____ only _____ than before _____ never _____ driving _____ distances, what could be _____?

It _____ possible that _____ cool, but never hot _____ a _____.

Is _____ obvious causes of _____ coolness _____ achieving _____ temperatures _____ long _____?

Is _____ apparent causes of continuous _____ of _____ temp during _____?

It _____ not clear what factors might contribute _____ of warmth _____ of _____.

_____ cooler than before but never hot _____ long distances _____ possible _____?

Is there a _____ why _____ maintain _____ extensive _____?

Is there _____ reason for continuous coolness _____ achieving _____ long _____?

_____ only _____ before but never hot after driving _____ distances _____ causes?

It is unclear what factors _____ the _____ warmth _____ of _____.

_____ before but _____ after _____ long distances, _____ could the reasons be?

_____ only warm/cool things after _____?

Are there any _____ instead of the higher heat _____ drives?

It's _____ what _____ a _____ of warmth after _____ lot of driving.

How _____ after long trips?

_____ the _____ of the temperature _____ very warm when _____ long _____?

What _____ to a _____ coolness when your _____?

What is _____ constant _____ after _____ drives?

It _____ unclear what factors might contribute to _____ periods.

What _____ be the _____ cooler/warm _____ never _____ after long distances?

If _____ than _____ after driving _____ what are the reasons?

If _____ is _____ cold _____ hot after _____ distances, what _____ the possible _____?

_____ are the possibilities if only _____ after _____ long _____.

What _____ the _____ this, if _____ cooler/warm than before but never _____ long distances?

What could possibly _____ the reasons for _____ only _____ than _____ never hot _____?

_____ it possible _____ that our _____ is _____ after a _____ but still have _____ up?

Are _____ apparent _____ of continuous coolness, _____ achieving _____ temp _____ long _____?

I'm confused as _____ there _____ not real _____ for _____.

What are _____ possibilities if _____ before but never hot _____?

_____ to a _____ coolness when _____ a long time?

_____ have made the long _____ not have _____?

_____ possibilities, if _____ cooler/warm than before, _____ hot _____ long distances?

_____ what _____ might contribute to _____ absence of _____ a _____ of _____.

If _____ but _____ after driving long distances, what _____ possibilities?

Are _____ any _____ causes for _____ being _____ in _____ drives?

Possible _____ lack of _____ when _____?

When _____ long distances, _____ of the _____ being warm?

What factors can _____ absent _____ long driving _____?

_____ only cooler than before but _____ driving _____ distances, what _____ be _____?

_____ can we _____ after _____ long _____ our travel is _____ not _____ hot?

If only _____ after driving long distances, _____ could _____ reason?

_____ causes _____ temperature _____ be cool, _____ really _____ even after a _____?

What _____ cause _____ warmth after driving _____ awhile?

If only _____ than _____ but _____ driving _____ are the likely causes?

Why _____ driving _____ no heat?

Why does _____ for _____ see _____ heat?

_____ any obvious _____ of _____ of _____ higher _____ during longer drives?

_____ drives are _____ factors result _____ a constant _____?

When _____ long _____ what _____ the causes _____ the temperature _____ but _____ really _____?

_____ any _____ for persistently mild temperatures _____ heat during _____?

Is _____ a cause _____ the _____ of hot air _____ long _____?

If _____ cooler/warm than _____ but _____ driving long distances _____ likely _____?

Are _____ any reasons _____ in the _____ drives?

It is possible _____ after _____ is _____ cold and never _____.

_____ led to _____ of high temperatures _____ drives?

_____ may _____ causes of _____ instead of _____ temp during _____ drives.

_____ is _____ might contribute to _____ of warmth after _____ lot _____.

Is _____ that there are causes _____ instead of _____ drives?

_____ contribute to the absence of _____ after a _____ driving amount _____.

_____ only _____ cooler temperatures _____ driving _____ no _____ does _____ know _____?

_____ anyone _____ why I _____ experiencing cooler _____ driving, with _____ heat?

What is the _____ of _____ only _____ long _____?

_____ possible that _____ but _____ warm if _____ drive long _____.

_____ any _____ causes _____ coolness, instead _____ achieving _____ temperatures, during _____ drives?

What _____ be _____ lack _____ high temperatures on _____ trips?

What are _____ likely _____ cooler/warm than _____ but _____ hot _____ drives?

_____ may have caused the _____ high _____ on _____?

What are _____ reasons _____ cooler/warm than _____ but _____ driving long _____?

If only cold but _____ driving _____ what _____ the _____?

What _____ to be cooler _____ really _____ when driving long _____?
 _____ are _____ if _____ cooler _____ but not _____ after driving _____ distances?
 What could be the _____ only _____ but never _____ after _____ distances?
 _____ causes _____ temperature being cooler than normal _____ after _____ long _____?
 What _____ likely _____ cooler/warm _____ before but never _____ driving long distances.
 _____ known what factors might contribute to _____ of _____ long _____ periods.
 If only _____ hot _____ driving _____ distances _____ could possibly _____ the cause?
 It _____ known what factors _____ to _____ absence after a _____.
 _____ can we _____ coolness _____ extensive travels without _____ up?
 _____ lead to _____ lack _____ warmth after lengthy driving _____?
 _____ for the lack _____ high temperatures _____ long _____ be?
 What are _____ the temperature being _____ but not _____ long _____?
 _____ a _____ for the _____ of hot _____ after a _____ trip?
 It's not _____ might contribute to _____ lack _____ after a _____ driving _____.
 It's _____ what factors _____ to _____ of warmth after long _____.
 _____ be the cause, _____ only cooler/warm _____ hot after driving _____ distances?
 What are _____ of cooler _____ never hot after _____ long _____?
 If it is _____ hot after driving _____ distances, what are the _____?
 What _____ causes of _____ after driving _____ long distances?
 What _____ for the lack of _____ temperatures _____ I _____?
 _____ there _____ apparent causes _____ coolness, instead of _____ during _____ drives?
 I am _____ sure _____ there _____ driving long and still _____ modest _____.
 _____ can _____ the cause _____ a lack of warmth _____ driving _____?
 _____ what _____ might _____ to the lack _____ warmth after _____ long _____ driving.
 _____ but never hot after _____ drives, _____ are the possibilities?
 It is not _____ factors _____ to _____ of warmth after _____ driving _____.
 _____ does _____ a long _____ real heat?
 Is _____ a _____ the _____ but lack _____ heat on long _____?
 If only cooler/warm than before, but _____ driving _____ what _____ causes?
 There are potential reasons _____ warm _____ a _____ ride.
 What may cause a lack _____ period?
 _____ there a reason for mild _____ heat _____ drives?
 What could _____ only _____ but _____ hot after driving long _____?
 _____ there _____ reason _____ continuous _____ of achieving _____ during lengthy drives?
 If only cooler/warm than _____ hot _____ distances, what are _____ causes?
 It _____ that _____ a long _____ it _____ cool _____ hot.
 _____ there _____ apparent causes of continuous coolness _____ of _____ temp _____?
 _____ causes _____ not being hot _____?
 If only cooler/warm than _____ never _____ driving long distances, _____ causes?
 _____ causes the lack of _____ on _____ drives.
 _____ potential cause for the _____ heat while _____?
 _____ are _____ that could _____ to _____ coolness after _____.
 There could be _____ behind _____ lack _____ air, _____ after _____ trip.
 _____ are the _____ that _____ a _____ coolness during _____ drives?
 There are things _____ could _____ coolness after _____.
 If only cold/warm but _____ hot _____ distances, _____?
 _____ could cause _____ cooler/warm _____ before _____ after driving long _____?
 _____ there _____ reason _____ coolness _____ of _____ temperature _____ long drives?
 _____ are _____ reasons _____ temperature _____ not _____ after long _____?
 _____ only _____ but never hot _____ long distances, what _____?

I'm confused ____ to why ____ long and ____ having modest temperatures.
 Is ____ we ____ our ____ after extensive travel?
 ____ any reason for ____ mild ____ not ____ during ____ drives?
 If only ____ than ____ but ____ hot after driving ____ what ____?
 Are ____ causes for it ____ cooler ____ drives?
 Is there a ____ we ____ cool ____ lengthy ____?
 We ____ into ____ reasons for the ____ mild ____ with ____ during ____ drives.
 ____ causes the temperature ____ warm when ____ long distances?
 ____ cooler than before but ____ distances, what are the ____ causes
 ____ could ____ the ____ only cold ____ never hot ____ long distances?
 If ____ cooler than before ____ never ____ after ____ the reason?
 After ____ travels, ____ may ____ explain ____?
 ____ on long trips without a heat up?
 ____ there any apparent ____ of ____ coolness, ____ higher temp during ____?
 It ____ known ____ factors ____ to ____ of warmth ____ a ____ period of driving.
 When drives ____ long, ____ to ____ coolness?
 ____ as to why there ____ heat ____ driving ____.
 If ____ cooler ____ but ____ after driving long ____ what ____ the possible ____?
