

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Account setup and activation assistance
Inquiry Sub-Category	Device compatibility
Description	Providing customers with information regarding device compatibility with the network, including answering queries about supported frequencies, network technologies, and required settings for optimal connectivity.
Data Size	5,088 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Which ____ does ____ support?
____ know ____ frequencies of your network's support.
What frequencies ____ your network ____?
____ me ____ the frequencies your ____.
Is ____ supporting ____ frequencies?
I ____ how ____ certain frequencies.
Does your ____ compatible ____ range ____?
____ frequency range ____ your ____?
Is ____ for ____ to know ____ your network ____ supported ____?
Is ____ the right freqs?
____ is your ____?
What ____ in your ____?
____ know ____ support frequencies of ____?
____ tell ____ network supports certain ____.
____ the ____ to be used?
Is it ____ to ____ me ____ your network?
____ like ____ know ____ the network supports some ____.
____ to ____ if the ____ certain frequencies.
____ want ____ know ____ network supports.
Which ____ in ____ network?
____ me ____ network is supporting.
Tell ____ frequencies ____ network
What frequencies are ____ handled ____ network?
Tell me ____ frequencies ____ network ____.
____ your ____ the correct ____?
____ possible ____ your network's ____ frequencies.
I ____ to ____ where the network ____ frequencies.
I am ____ your network supports ____ frequencies.

_____ network's _____ support it?

Is it possible to _____ supported _____ your _____?

_____ if your network _____ the _____

_____ possible _____ out if your _____ supported frequencies?

Which RF _____ your _____?

_____ bands _____ compatible with _____ network.

Would _____ support specific _____?

I'd _____ the networks _____ frequencies.

Tell _____ the frequencies that _____.

_____ my network _____ frequencies?

_____ do you _____ your _____ support?

Is there _____?

_____ know from you where your _____ supports _____.

Is _____ network _____ support certain _____?

_____ are the _____ supported _____?

_____ would _____ what frequencies _____ network supports

Which _____ does _____ provide?

Which _____ support _____ network in?

I'm curious if _____ supporting _____.

_____ possible _____ your network's _____ frequencies?

_____ like to know _____ the _____ supports

_____ your _____ to specific _____?

_____ your _____ handle certain _____?

_____ frequencies are supported _____?

Which are _____ supported by _____?

Did _____ support the frequencies _____ are _____?

What _____ your _____?

_____ supported frequencies _____ network?

_____ frequencies are in _____?

_____ network's _____ compatibility?

I _____ to _____ your _____ supports some frequencies.

_____ RF _____ have _____ network operating _____?

_____ know if your network _____ frequencies.

_____ asked you _____ tell _____ which frequencies _____ network _____.

Can you _____ if my _____ supports _____ frequencies?

_____ like you _____ share how the _____.

_____ would _____ know _____ the _____ supports frequencies.

I _____ about _____ network's frequencies.

Can _____ network supports different frequencies?

I will like to _____ where _____ network _____.

_____ me if my network _____ on _____ frequencies?

Which of the RF _____ by _____?

_____ the network _____ frequencies?

I _____ network has _____ compatible frequencies.

_____ I _____ you _____ network supports _____?

I'd like to _____ about _____ frequencies for _____.

I _____ curious _____ network supports any of _____.

I want to _____ your _____ support _____.

Can your _____ freqs?

_____ want to know _____ support _____.

_____ about the support frequencies on _____ network.

I would _____ which _____ your _____ is supporting.

Is it _____ frequencies _____ used to support _____ network?

Do _____ any information _____ frequencies your _____ supports?

_____ to know _____ your _____ frequencies.

_____ it _____ to _____ the network's support _____?

_____ the network's frequencies.

Which range _____ with your _____

Can _____ tell me whether _____ frequencies?

_____ to check _____ network's support _____?

_____ to know more _____ networks _____.

_____ I know _____ network supports _____?

Tell _____ the network _____.

I'd _____ know _____ network has.

Can you tell _____ network _____?

Please tell _____ how _____ supports _____.

_____ supports _____ frequencies?

_____ to _____ which frequencies the _____ supports.

_____ it possible to _____ has compatible frequencies?

I want _____ tell _____ how _____ network _____ certain frequencies.

_____ tell me if my network _____ at _____.

_____ do your _____ equipment _____?

_____ you _____ me if _____ some frequencies?

I'd like _____ to tell _____ certain frequencies.

Does _____ at certain _____?

_____ frequencies _____ with _____ network?

I _____ like to _____ the _____ supports _____.

I would like _____ the network _____.

_____ would like _____ tell _____ your network _____ frequencies.

Which _____ are supported _____ equipment of _____?

Which frequencies _____ your network's _____?

I'd like _____ how _____ Network _____ certain _____.

I _____ looking for information _____ the network _____.

_____ would like _____ learn about _____ your network.

_____ support specific frequencies?

Is your network _____ by _____ that you're _____?

_____ of _____ with your network?

How _____ network _____ certain _____?

_____ you to tell me _____ frequencies.

_____ I be certain _____ supports _____?

What _____ range of frequencies that _____?

Which _____ your _____ at?

_____ want to know _____ network's _____ are.

What _____ have for _____ network?

I want _____ your _____ support _____.

I'd _____ know _____ networks frequencies.

_____ possible _____ find out _____ support your network?

_____ you _____ your _____ frequencies?

_____ want _____ hear from _____ which frequencies your _____.

_____ handle different frequencies?

_____ frequencies??

_____ need you to _____ me where _____ supports _____

I _____ like _____ networks support frequencies.

_____ you _____ what your _____ frequencies _____?

I _____ know _____ my network has supported _____.

What _____ your network's _____

I _____ to _____ know how the network _____.

_____ you _____ which _____ my network is _____?

I would appreciate _____ you _____ tell me _____ frequencies.

_____ be _____ that your network _____?

You _____ if the _____ frequencies.

_____ many frequencies are in _____?

What _____ the range of _____ compatible _____?

_____ can your network _____?

How about _____ your _____?

_____ frequencies _____ for your _____?

_____ know where your _____ certain _____?

What is the _____ for _____?

_____ would _____ understand your network's _____.

_____ know what _____ network support.

I _____ the _____ your network _____.

_____ interested to _____ if _____ network has supported _____.

I would _____ know _____ your _____ certain frequencies.

_____ I _____ sure _____ your network's _____?

Which _____ support them?

_____ which frequencies _____ network supports.

_____ you _____ support frequencies _____ network?

Will _____ support _____ frequencies?

I want to _____ is supported _____ any _____ frequencies.

_____ is the network's _____?

_____ support your _____?

I'd _____ you to _____ the _____ certain frequencies.

_____ are _____ network to handle?

I'm _____ your network supports _____

Can _____ me _____ my _____ supports?

I'd _____ know how the network _____.

Are you _____ me about _____ of _____ network?

_____ you know where _____ frequencies?

_____ would want to _____ frequencies _____ supports.

Is _____ network _____ that you question?

What _____ frequencies are _____ with _____?

Does _____ support _____ frequencies _____ you _____ asking about?

_____ you _____ network's frequencies?

Which _____ are _____ your _____?

_____ frequencies _____ use _____ network's support?

_____ know _____ your _____ supported frequencies?

_____ frequencies _____ with you _____?

_____ love to _____ what _____ supports.

I want _____ the _____ supports the _____.

_____ your network _____ it?

Do _____ frequencies _____ your _____ supports?

Does your _____ frequencies

I'd like _____ frequencies your network _____.

Are _____ the range of _____?

Is it _____ to _____ me _____ that _____ supports?

I'd _____ to _____ out which _____ network _____.

_____ you to know how _____ supports _____ frequencies.

_____ network supports _____?

_____ like to _____ the _____ network.

_____ frequencies _____ supported by _____?

_____ very _____ like to know what _____ supports.

_____ I _____ out about the _____ your _____?

I'd like _____ network's frequencies

Do you _____ what _____ supporting _____ your network _____?

Does _____ serve certain _____?

Does your _____ a certain range _____?

_____ frequencies are _____ network?

_____ supports what _____ range?

_____ me _____ network is _____ on any frequencies?

I would _____ the networks _____ are.

_____ possible _____ know _____ network's _____ frequencies

_____ like to know how _____ network's _____ frequencies _____.

_____ have support for _____?

The _____ supported _____?

Can you _____ me _____ network _____ supported any _____?

I want _____ know _____ your _____ specific _____.

_____ frequencies do your _____

Tell _____ the _____ support _____ network.

_____ frequencies compatible?

Would _____ compatible _____ frequencies?

What _____ are _____ network?

_____ wonder if _____ frequencies.

Is _____ possible _____ tell _____ frequencies for _____ network?

_____ me _____ network supports _____.

Which RF _____ with this _____?

_____ your network?

_____ your network _____ me _____ frequencies?

Does _____ network support _____?

_____ wanted _____ network supports frequencies.

_____ frequencies?

_____ which frequencies _____ network _____.

I would be _____ in knowing _____ network _____.

_____ are associated _____ your _____?

Can _____ me if your _____ the support _____?

Is _____ network _____ the _____ you're asking _____?

What Frequency _____ your _____?

_____ it possible _____ know what _____ the _____?

_____ support of frequencies?

_____ curious if your _____.

I _____ know _____ the network _____.

Can ____ tell ____ supports frequencies?
____ your network ____ the frequencies ____ are ____?
____ frequencies have ____ from ____ network's ____?
____ need you to let ____ know ____ your ____.
Is ____ to ____ frequencies of your networks?
Which ____ is ____ network ____?
I'd ____ more ____ network's frequencies.
____ your network?
____ the frequencies on ____?
____ want ____ to tell ____ the ____ that your ____.
How ____ supporting frequencies of ____?
Does your network ____?
Which frequencies are ____.
Is ____ network ____ RF bands?
There ____ question about ____ frequency ____.
____ would love ____ what your ____ frequencies ____.
Which of these ____ is ____ network?
I am ____ your ____ frequencies.
Discuss which ____ supports.
Which frequencies ____ on your ____?
____ love to ____ your network ____ frequencies.
Is ____ tell me ____ your network has ____?
What ____ are ____ network?
I'm ____ know if your ____.
____ you know the ____ network ____?
____ your ____ support ____?
I need to know ____ supports.
____ frequencies have your ____?
Which frequencies ____ network equipment ____?
____ are ____ frequencies ____ has?
____ like ____ know where ____ frequencies ____ on ____ network.
Is ____ possible to ____ your ____ support?
____ frequencies ____ you provide ____?
____ wanna ____ where ____ network ____ frequencies.
I ____ hear which ____ your ____.
Can ____ tell me if ____ specific frequencies?
____ is the network's ____?
I'd like to ____ your ____.
Which ____ bands ____ with ____ network?
____ to know the way ____ network ____ certain ____.
____ tell ____ whether my network is ____ certain ____?
____ your ____ supports any particular frequencies.
I ____ to know how ____ by ____ network.
Which frequencies are ____.
Are ____ supported by ____ frequencies you ____ asking ____?
I'm interested ____ learning ____ frequencies.
I ____ know how the ____ certain ____.
Is ____ supported ____?
____ the network ____ support ____?
____ I ask ____ the ____ network supports?

_____ would _____ to _____ the _____ for your _____.

Which _____ are _____ by your _____?

I was _____ your _____ frequencies.

Can you tell me _____ supported _____?

_____ you to tell me _____ the _____ supports certain _____.

I would really _____ to _____ frequencies the _____.

_____ know if _____ network _____ frequencies?

_____ know _____ the network supports _____.

I'm not _____ whether _____ network _____.

_____ would _____ how _____ network frequencies are.

_____ is _____ network _____?

_____ it _____ to know what frequencies _____?

I _____ like _____ which frequencies _____ has.

Which _____ are _____ your network?

Tell _____ your network is _____.

Is it _____ know what _____ support?

Which _____ are _____ by _____.

_____ if your _____ has any _____ that support _____.

_____ like to _____ support frequencies.

What _____ be compatible _____ network?

_____ you _____ tell me _____ your network _____ frequencies?

_____ me _____ your _____ handles.

_____ to know whether or _____ network _____ frequencies.

_____ your _____ supported by _____ frequencies you _____ wondering _____?

_____ frequencies do _____ support?

_____ tell _____ if my _____ supported _____?

_____ network's frequency _____?

_____ network's Frequency support?

_____ you _____ me _____ is supported _____ any particular frequencies?

_____ you tell us about _____?

Which frequencies _____ network?

Is your _____ specific _____?

Are you _____ know what _____ your network _____?

Is _____ by frequencies _____ are _____ about?

_____ you _____ me whether or _____ my network _____?

_____ frequencies your network supports?

_____ your _____ offer _____ specific _____?

_____ are supporting _____ network?

_____ me _____ where _____ supports certain _____.

Do you _____ frequencies?

Is _____ supported _____ you ask about?

_____ have _____ question _____ your _____ supported _____.

Which _____ the RF bands _____ network?

_____ would like to _____ frequencies.

I would like to _____ where _____ some _____.

_____ your _____ frequencies?

_____ I know _____ network supports _____?

I _____ like to _____ network _____ different frequencies.

_____ possible _____ tell me the _____ supports _____?

I'd like _____ hear _____ your _____ certain _____.

Is it _____ if your _____ the supported frequencies?

Is it possible _____ about your _____ frequencies.

Let _____ the _____ supports frequencies.

I have _____ about whether or _____ network _____ frequencies.

Are _____ network compatible _____ that _____ are asking _____?

Let _____ how the network _____

_____ your network able to _____?

I would _____ to _____ about your _____.

_____ range of frequencies do _____?

I want _____ the support _____ your network.

Does your _____ support _____ frequencies _____ you are _____?

I _____ to _____ the _____ supports certain frequencies.

I _____ to _____ if the _____ any frequencies.

_____ me _____ network's support _____.

I am _____ network's supported _____.

Tell me _____ frequencies _____ your _____.

Which RF _____ associated _____ network?

_____ like to _____ which frequencies _____ network _____.

_____ would love _____ your _____ support _____.

_____ are supported by your _____?

_____ your _____ frequencies.

I _____ like you to _____ how _____ network _____.

_____ sort of frequencies _____ network?

_____ to tell me where _____ network supports certain _____.

Which _____ are _____ by this _____?

_____ like _____ find _____ how the _____ frequencies.

Can _____ find _____ about _____ supports?

_____ the _____ that _____ your network?

_____ your _____ frequencies that you _____?

_____ frequencies _____ network?

_____ network supports _____?

_____ network support you?

Did _____ the frequencies?

I _____ to _____ if _____ network supports any _____.

_____ to know where _____ network supports _____.

_____ supports frequencies?

Do _____ what _____ Frequency _____ is?

_____ compatible RF bands _____ network?

Which frequencies _____?

_____ your _____ supporting _____?

_____ network offer _____ frequencies?

_____ frequencies _____ contained in _____ network's _____?

The _____ frequencies _____?

I want to _____ about _____ network.

I _____ curious _____ network supports _____.

_____ determine _____ frequencies you _____ your network with?

_____ would like _____ know _____ frequencies _____ network supports.

Is it possible to discover _____ of _____?

_____ network _____ you're asking about?

_____ if _____ has supported frequencies

_____ the way _____ network supports certain frequencies.
 _____ you _____ which range of _____ are _____ network?
 _____ are your network _____ at?
 _____ your network handle _____?
 _____ tell me whether my _____ at any specific _____?
 _____ would love to _____ frequencies _____ network.
 _____ can _____ frequencies
 You _____ me _____ frequencies _____ network.
 _____ the _____ support _____ the network?
 _____ be possible to _____ your network supports?
 I'd _____ where your network _____ different _____.
 _____ it _____ your network's support _____?
 I _____ to know _____ the _____.
 _____ certain frequencies for _____?
 I _____ curious _____ your network _____.
 _____ it possible _____ know _____ network _____?
 _____ networks supported by _____ frequencies _____ you're asking _____?
 _____ are _____ supported by _____ network's _____?
 _____ like _____ know _____ network supports _____ frequencies.
 You should _____ if _____ network _____ certain _____.
 _____ out _____ network _____ certain frequencies.
 _____ kinds _____ do your network _____?
 Can _____ support frequencies?
 Your network _____?
 I _____ like _____ your network has support _____.
 _____ would _____ know _____ your network's support _____.
 _____ it _____ tell me the network _____ supported _____?
 _____ about _____ network _____
 _____ frequencies are _____ to _____?
 _____ network _____ frequencies.
 _____ it certain that _____ frequencies?
 _____ would like _____ know _____ my _____ is _____ particular frequencies.
 _____ I _____ that your _____ supports?
 _____ interested in _____ your _____ supports _____ frequencies.
 What frequencies _____ in _____?
 _____ let _____ if your network has _____ frequencies?
 _____ would like to know _____ supports.
 _____ frequencies _____ your Networks equipment?
 _____ am wondering _____ supports _____ frequencies.
 _____ you _____ your _____ Frequency Support?
 Can _____ me if _____ network is supported _____?
 It _____ know _____ frequencies _____ network supports.
 Does _____ particular frequencies?
 _____ me _____ my _____ is supported at any particular _____.
 _____ the frequencies of _____ network?
 Which _____ work _____ this _____?
 Network _____ are _____?
 I have a _____ frequencies your _____.
 I would _____ know _____ network's _____.
 Which frequencies is _____?

_____ like _____ me where the _____ supports frequencies.

_____ know where _____ network supports _____ frequencies.

Was _____ possible _____ know _____ frequencies?

_____ am _____ if your network _____ supported _____.

I'd _____ to _____ the frequencies _____.

_____ like you _____ where your _____ supports _____.

_____ it possible _____ determine the _____ frequencies _____ your _____?

_____ would _____ to _____ about _____ frequencies of _____ network.

_____ _____ work _____ this network?

I would like _____ frequencies _____ supports.

Can I _____ your network _____?

_____ is _____ Support for your _____?

_____ want _____ where your network _____ frequencies.

_____ frequencies are in _____?

_____ frequencies _____ your network _____?

_____ you _____ my network is _____ at any given _____.

The supporting frequencies _____

_____ you know _____ network _____ handle?

Can _____ tell me if _____ frequencies?

Can _____ tell _____ the _____ that _____ network _____?

_____ _____ to _____ me _____ your network supports _____ frequencies.

Can _____ tell _____ my network _____ specific frequencies?

I'm curious _____ your _____.

I'd _____ about _____ network supports frequencies.

_____ to _____ frequencies the network _____.

_____ can your network _____?

I _____ to tell _____ where _____ network _____ frequencies.

_____ your _____ certain frequencies?

I'm curious _____ whether _____ network _____.

Can _____ confirm your _____?

_____ _____ know frequencies that support your _____?

I _____ appreciate if _____ me about _____ support frequencies.

Is _____ know support _____ on your _____?

Are you _____ me your _____ supported frequencies?

Can I _____ certain _____ supports _____?

I am _____ if your _____ supported frequencies.

_____ would like _____ your network supports _____ frequencies.

What _____ network's Frequency _____?

Your network _____ specific _____.

_____ your network _____ with _____?

Is your _____ supported _____ are asking about?

Tell me _____.

Is _____ what frequencies _____ network provides?

_____ like to _____ about you _____.

Which _____ are _____ support of _____?

_____ like _____ How the network supports _____.

_____ frequencies hold _____ network's _____?

I _____ know how _____ supports _____.

Which _____ with the _____?

What _____ support?

It is _____ know what _____ supports.

You _____ to tell me _____ supports _____ frequencies.

What _____ network have?

_____ if your _____ support any _____.

I want _____ know _____ supports.

_____ you _____ me _____ my _____ supported at any given _____?

Do _____ know _____ your network?

_____ your network _____ frequencies?

Do _____ know whether _____ supports _____?

Do _____ know _____ the _____ is _____ at _____ frequencies?

Is _____ possible _____ what frequencies your network _____?

_____ your _____ in _____ what frequencies?

I _____ like to know about _____ of _____

_____ you _____ me _____ or _____ my _____ supporting frequencies?

I'd like _____ know from _____ your _____ supports _____.

_____ tell _____ what _____ your network _____?

The frequencies _____ network _____.

_____ it possible to know _____ you _____ in _____?

_____ frequencies your _____ supports.

_____ your network support?

_____ looking for information about where your _____.

_____ the _____ frequencies _____?

What's _____ network's Frequency _____?

_____ possible to _____ me if _____ network _____ supported _____.

_____ network _____ to certain _____?

Is _____ me to _____ if your _____ supports _____?

Is _____ network _____ with _____ you're _____ about?

Let me _____ frequencies _____ network _____.

_____ network's _____ Support?

Is _____ possible _____ determine _____ network's _____?

I'd like you _____ tell _____ the _____ supports certain _____.

Is a _____ frequencies?

I need to know _____ I _____ use _____.

I _____ to _____ what _____ the network _____.

I would like _____ your _____ supporting frequencies.

I need _____ frequencies your network _____.

_____ your _____ specific frequencies?

Does _____ particular frequencies?

Can _____ whether _____ network _____ frequencies?

I need _____ network _____ some frequencies.

Which of _____ RF _____ compatible _____?

What _____ are _____ with _____?

The _____ the _____ frequencies?

Can you _____ network _____ frequencies?

_____ to _____ about the supported frequencies of your _____?

I would like _____ about _____ frequencies.

_____ curious _____ network's frequencies.

_____ frequencies can _____ handle?

_____ with _____ certain range of frequencies?

Which frequencies are support _____?

Which _____ of frequencies _____ with _____?
_____ your _____ have frequencies _____ it _____?
_____ if _____ could tell me how the network _____.
I _____ to _____ your _____ frequencies.
_____ are supported by _____ equipment.
Can you tell _____ the _____ where _____ supported?
_____ are _____ in _____ support.
To _____ can your _____?
_____ you _____ about your _____ frequencies?
_____ in _____ are supported?
Which range _____ frequencies _____ your _____?
Can I _____ your _____ frequencies?
_____ to _____ your _____ support frequencies.
Can _____ if my network _____ these _____?
Which _____ for _____ network?
_____ this network allow _____ to _____?
_____ the network compatible _____?
What _____ for your _____?
_____ equipment supports certain _____.
_____ want to learn _____ supports _____.
Does _____ support _____ Frequency?
Do you _____ your _____ is supported _____ the frequencies _____ about?
What _____ network _____ is _____ I would _____ to _____.
_____ knowhow the _____ supports _____ frequencies.
_____ that you _____ about compatible _____ your network?
_____ your _____ include certain _____?
What _____ are _____ your network's _____?
I _____ know how _____ frequencies.
_____ frequencies do your _____?
_____ are _____ for your _____?
_____ love _____ know about your _____.
_____ like _____ know the _____.
Is it _____ see what _____ network?
_____ are your _____ frequencies _____?
_____ compatible _____ network frequencies?
Please _____ me _____ the _____ frequencies
_____ possible to know your _____
I'm _____ supported frequencies.
Can _____ know _____ network's _____?
_____ love _____ hear what frequencies _____ supports.
I'm _____ network supported any _____.
Are there specific _____ used _____?
_____ your network _____ with?
What _____ does _____ network support?
Which _____ be compatible with _____?
_____ me where _____ network supports _____.
Which _____ the network _____?
I would like _____ the support _____ your _____.
_____ would _____ you to _____ me if _____ network _____.
_____ to _____ about _____ network's frequencies.

_____ frequencies?

Are my _____ supported at _____?

_____ to tell _____ your network _____ frequencies.

_____ like to _____ about _____ network's _____.

_____ like _____ tell me what frequencies _____ supports.

_____ frequencies _____ by _____ your network?

I would _____ where _____ network is supporting _____.

_____ would be _____ to _____ about _____ support frequencies.

What is _____ support _____?

I would _____ about _____ network's _____

_____ your _____ reach specific _____?

I'd _____ explain where your network _____.

I'm curious _____ your _____.

I want _____ to _____ how the network _____

_____ to _____ frequencies your _____ supports.

_____ you _____ your network's supported _____?

I _____ know _____ your network _____.

I would like to know _____ support _____.

_____ you _____ network's frequencies?

I'd like _____ frequencies your _____ supports.

_____ frequencies help with _____?

_____ question of _____ frequency compatibility.

_____ are _____ support your network.

I would _____ know what frequencies the _____.

_____ my network has supported _____.

Which _____ your _____?

Does _____ network support _____?

_____ there _____ frequencies that _____ network _____?

I'd like you to _____ your _____ any _____.

_____ it possible to _____ frequencies you _____ your _____?

_____ you _____ the _____ network supports?

_____ frequencies _____ your network's support?

_____ want to find out _____ your _____.

Can _____ what frequencies _____ support on _____ network?

_____ possible to _____ support frequencies.

_____ like to _____ how _____ network supports _____

Are _____ network supported by _____ inquiring _____?

_____ frequencies _____ supported _____ network?

What _____ the compatible _____ network?

_____ am _____ in _____ which frequencies _____ network _____.

I'd _____ to _____ network supports certain _____.

What _____ reside _____ support?

Can _____ tell me _____ supported _____ your network?

_____ frequencies are _____ support _____?

_____ about the _____ your network?

_____ your network?

I _____ you to _____ how _____ network _____ frequencies.

_____ am curious _____ supports your _____.

_____ like _____ about your network frequencies.

_____ know what _____ are _____ by the network.

Is _____ know _____ support frequencies _____ your network?

Can _____ tell me the _____ my network _____?

_____ you to tell _____ frequencies _____ network supports.

_____ appreciate knowing where your network _____.

_____ frequencies are _____ network?

Can _____ handle _____ right _____?

I'm _____ network supports the _____.

_____ frequencies _____ to support _____ network?

_____ it possible _____ if _____ network _____ frequencies?

I'd _____ the _____ supports _____ frequencies.

_____ you to _____ where _____ network supports _____ frequencies

What type of _____ your _____?

Is it _____ network's _____ frequencies?

_____ bands on your _____?

Is _____ possible _____ me your _____ has _____ frequencies?

Please _____ the network _____ certain frequencies.

_____ certain that _____ supports frequencies?

Can _____ out if your _____ supported _____?

_____ like _____ the frequencies _____ supports.

_____ network _____ more than _____ frequencies?

Your _____ support?

_____ on your network?

_____ by network _____?

_____ is _____ network's Frequency _____

_____ possible to _____ your network uses _____ frequencies?

Which _____ bands can _____ with _____?

_____ frequencies _____ in _____ network.

_____ you _____ me if your _____ any _____?

_____ some frequencies

I _____ to _____ the _____ the network supports.

_____ would _____ if _____ would tell _____ your network supports.

_____ may be _____ network's support frequencies.

I _____ interested _____ support _____ of _____ network.

_____ want _____ tell me _____ network supports any _____.

_____ me _____ that your _____ supports.

_____ want you _____ say how _____ supports _____.

_____ me the frequencies _____.

I _____ curious if your _____.

There _____ frequencies that _____ network _____.

_____ are _____ on _____ network?

_____ frequencies are _____ with your _____

_____ RF bands are _____ your _____?

_____ supports _____?

I would like to _____ frequencies.

Can _____ support certain _____?

_____ frequencies _____ involved _____ your _____?

_____ to know if your _____ certain _____.

_____ your network supporting the frequencies that _____?

_____ bands _____ for your _____?

_____ frequencies _____ covered _____ network?

Please tell me _____ supports _____.

I _____ to tell me _____ network _____ frequencies

The _____ frequencies _____?

_____ on this network?

Does _____ specific frequencies?

_____ wanted _____ network supported frequencies.

_____ network _____ what frequencies?

Which _____ did _____ support?

Can _____ find _____ which _____ network _____?

Is it _____ know _____ frequencies _____ network _____?

Could _____ tell _____ if your network _____ _____?

Which _____ your network?

_____ your network _____

What _____ work _____ network?

_____ network _____ with frequency?

I'd like to _____ network _____.

I'd _____ to let me _____ where _____ supports _____.

Your _____ equipment supports _____?

I _____ like to _____ frequencies.

_____ you use _____ your network?

_____ network frequencies _____?

What _____ are _____ your _____?

_____ you able to _____ me _____ frequencies _____ network _____?

I need to _____ you _____.

Is _____ able to _____ the _____?

Does it _____ possible _____ network's support _____?

_____ for network?

What are _____ network's _____?

I _____ love _____ what frequencies the _____ supporting.

What _____ help with _____?

_____ networking _____?

_____ want to _____ about how the _____.

Does your _____ frequencies?

network's _____?

_____ tell me _____ network _____ supported _____ any particular frequencies?

_____ frequencies _____ of your _____?

I'd _____ know where the _____ supports _____.

_____ compatible with a _____ range of _____?

What _____ network's frequencies _____?

_____ your network supported _____?

_____ need to _____ which _____ network _____.

_____ you to _____ me know how the _____.

_____ want you _____ me _____ support of frequencies.

I need _____ know _____ my network _____.

Is _____ to _____ your _____ support _____?

_____ would _____ know what frequencies _____ networks _____.

Does the network _____?

_____ need _____ how the network _____ frequencies.

_____ tell _____ which _____ network supports.

Which frequencies _____ your _____?

_____ are _____ your network _____?
 Which _____ works _____ this _____?
 _____ network deliver certain _____?
 _____ would _____ whether your _____ supports frequencies.
 _____ bands _____ compatible with this _____
 Which frequencies _____ your _____ equipment?
 I would _____ where _____ network _____ frequencies.
 _____ the _____ bands _____ with _____ network?
 _____ frequencies _____ supported _____ network equipment?
 Is _____ possible to _____ that your network _____?
 Do _____ the support frequencies _____?
 _____ your network handle?
 _____ know whether or _____ my network has _____.
 Supported network _____?
 _____ want _____ know which _____ your _____.
 _____ possible _____ tell your _____ support _____?
 Can you _____ me if _____ any _____?
 _____ need _____ know where _____ frequencies
 _____ curious _____ your network _____ frequencies.
 I want _____ network supports certain _____.
 _____ your network support _____.
 _____ is possible _____ frequencies that support your _____.
 Are you _____ specific frequencies?
 Does your network _____?
 _____ know your _____ support _____.
 _____ it possible _____ find out if your _____?
 Can you _____ if my network _____ particular _____?
 I'd _____ know about _____ frequencies
 _____ about Supported _____?
 _____ like _____ to _____ where your network _____.
 Which frequencies are _____ ones _____?
 I _____ to know _____ frequencies.
 I _____ like to know _____ frequencies.
 _____ frequencies are _____ the _____ your network?
 I _____ like to _____ support _____.
 _____ of your _____ are _____?
 _____ the frequencies _____ network supports.
 _____ possible to know the _____ your network _____?
 I _____ curious whether _____ network _____.
 Which _____ are _____ most _____ by _____?
 What _____ your _____ provide?
 _____ to _____ where _____ supports certain frequencies.
 I want _____ the frequencies _____.
 _____ would _____ to learn _____ your network's _____.
 Can _____ your network's _____.
 _____ frequencies sit _____ your _____?
 _____ you _____ tell me about how the _____ frequencies.
 Tell _____ where your _____
 _____ network play particular _____?
 _____ network _____ some _____?

_____ have _____ about your _____ support _____.

_____ like you _____ your network supports _____ frequencies.

What frequencies do _____?

Your _____ support _____ something I _____ like _____ know.

I would be _____ know where _____ network _____.

_____ your _____ compatible _____ frequencies?

_____ frequencies _____ your _____.

_____ to know the _____ frequencies _____ network.

I would _____ know the _____ your network.

Can _____ tell me _____ frequencies _____ my _____ is _____?

_____ your network.

_____ you _____ me _____ network supports frequencies.

_____ frequencies you _____ supported by your network?

_____ your network's _____?

Does _____ support the _____?

I _____ appreciate _____ if you _____ where _____ network _____ frequencies.
