_____ have a _____ to signal transmission limitations.

_____ a _____ in _____ transmissions because _____ limitations _____ the signals _____ and transmitted

Sometimes _____ are _____ cause gaps in live _____.

_____ there to be gaps in _____ due to _____ issues?

_____ is an _____ time gap _____ to _____ of the signal

_____ average time lag in live _____ caused _____ the signals _____ and transmitted?

Sometimes _____ is a delay _____ live broadcast due _____.

Is _____ cause audible _____ in live shows?

_____ the broadcast _____ transmission constraints?

_____ in _____ transmissions _____ due to _____ limitations of the _____ received.

There _____ an audible _____ in live broadcasts because _____ transmission.

There _____ causing delay?

_____ it _____ for delay _____ live _____?

_____ may _____ for a difference _____ timing between _____ to _____ caused by limitations _____ signal.

_____ there _____ live _____ should be normal because _____ signal limitations.

Live broadcasts _____ an _____ to lack of signal _____.

_____ normal _____ live broadcasts to have _____ result of _____ restrictions.

_____ live programs sometimes _____ audio pauses due _____?

The time lag _____ be _____ limitations of _____ received and transmitted.

Is interruption in _____ broadcasts?

_____ live programs, _____ delayed _____?

The sound _____ live _____ might _____ by _____ restrictions.

Is it _____ to _____ a _____ broadcast live due _____ signal limitations?

There _____ an _____ time _____ in _____ broadcasts _____ to _____ limitations.

Does _____ audible gaps _____ shows

_____ it possible _____ timing between broadcasts could _____ signal limitations?

In _____ broadcasts there is an audible _____ lack _____ signal _____.

_____ for a difference _____ between live _____ to _____ by limitations on the _____.

_____ difference of timing between _____ broadcasts _____ limitations _____ the signal.

_____ is _____ gap due to signal _____ broadcasts.

Audio _____ be _____ by _____ issues.

The _____ lag in live _____ is related _____ the signals _____ and _____.

Are transmission _____ causing _____ live _____?

_____ live _____ interrupted _____ a result of signal _____?

Is there _____ during live _____ broadcasts because _____ transmission _____?

Is it common for audio _____ because of weak _____?

Is it _____ for _____ broadcasts to have _____ of _____?

If there is _____ discrepancy _____ broadcasts _____ signal _____ normal?

Because _____ limitations _____ signal transmission, _____ brief audio gaps _____?

_____ a _____ time _____ during _____ broadcasts _____ to _____ transmission limitations?

_____ be an _____ difference in _____ between broadcasts _____ limitations?

_____ Broadcast signal issues?

_____ live TV _____ time delays due to _____?

_____ signal _____ limitations are present _____ an audible time _____.

Live _____ have sound _____.

_____ delay in the _____ of _____ due _____ signal limitations.

_____ is _____ lag in _____ transmissions _____ of signals received _____ transmitted.

Is _____ time _____ in live transmissions due _____ the signals _____?

Can _____ in timing _____ live broadcasts because _____ on the _____?

_____ could be _____ difference of timing _____ live _____ to _____ of _____.

Audio _____ is _____ shows?

There _____ a _____ gap _____ broadcasts _____ to signal transmission _____.

_____ there _____ of a difference _____ between live broadcasts _____ limitations?

_____ it be _____ for a difference of timing _____ broadcasts _____ caused _____ on the _____?

Are _____ pauses on live _____ result of _____?

Is _____ common in _____ weak signals?

_____ of _____ difference of _____ between _____ because of _____ of the signal.

There _____ a _____ difference _____ live _____ when _____ transmission limitations _____ present.

_____ possible _____ a timing difference between live _____ to _____ signal _____?

Is _____ common _____ audible _____ in _____ due _____ weak signals?

_____ limitations on _____ signal _____ a difference of timing _____?

_____ broadcast delays result _____ transmission _____?

Sometimes, _____ delay _____ the _____ of broadcast live due _____ limitations, _____?

_____ sound _____ channels _____ due to transmission limitations.

Is _____ normal to _____ gap _____ broadcasts due _____ signal _____?

Live broadcast _____ normal?

Is it _____ for a discrepancy _____ broadcasts to _____ limitations _____ signal?

_____ is _____ during _____ shows?

Are there _____ differences _____ live broadcasts due to _____?

_____ a delay _____ the _____ broadcast live _____ due to signal _____ it _____?

Is _____ difference _____ timing _____ live broadcasts caused by limitations _____ the _____?

Is audio _____ common _____ live _____ because of _____?

Does transmission _____ audible _____ in _____?

_____ usually audio gaps during _____ broadcasts _____ signal transmission _____?

_____ audio lag is _____?

_____ an _____ difference _____ timing between live _____ because of _____.

Because _____ signal, there is an _____ gap _____ live broadcasts.

_____ delay in _____ of live broadcasts is _____ signal _____.

Limited signal transmission _____ during live broadcasts.

Is it _____ to _____ broadcasts because of _____?

_____ possible to _____ a delay _____ a _____ to transmission _____?

Does _____ mean live _____ an _____ because of _____ limitations?

There _____ signal _____ may contribute to _____ delays.

_____ there _____ of timing _____ because _____ limitations of the signal?
 The _____ gap _____ broadcasts is _____ the _____ of the _____.
 Broadcast delays _____ be _____ constraints.
 Is it _____ that _____ timing _____ caused _____ limitations of _____ signal?
 _____ limitations _____ the _____ received and _____ may _____ a lag _____ live _____.
 _____ in the timing of broadcasts due _____ normal.
 _____ it possible _____ a difference in timing _____ due _____ limitations _____ the _____?
 _____ time _____ be _____ by signal _____ in live _____.
 _____ it _____ a difference of timing for _____ broadcasts _____ be caused _____?
 Is _____ for live _____ to have _____ as a result _____?
 Is _____ possible _____ a discrepancy in _____ live _____ be due to _____?
 _____ there often _____ in _____ during _____ shows because _____ restrictions?
 _____ it _____ the timing of live _____ to be _____ due _____ the _____ signal?
 _____ is _____ possibility of _____ of timing _____ live _____ because _____ limitations on _____.
 _____ normal for broadcast _____ lag audibly?
 There is a time lag in _____ limitations _____ signals _____.
 _____ it mean _____ have an audible discrepancy _____ signal _____?
 _____ possible _____ in _____ between live _____ be caused by _____ signal's limitations?
 _____ transmission issues _____ issues _____ shows?
 _____ broadcasts _____ have an audible _____ difference when _____ limitations _____.
 Is _____ for _____ in timing of _____ broadcasts _____ be _____ to _____ on _____ signal?
 _____ delays might _____ the _____ transmission constraints.
 Does _____ mean there is _____ discrepancy _____ because of _____?
 _____ time delay in live _____ transmission limitations.
 A _____ of timing between _____ caused by limitations _____ signal.
 _____ lags _____ when _____ have signal limitations?
 _____ common for hearing interruptions in _____ weak signals?
 _____ a delay in the timing _____ due _____ signal _____ is _____.
 Does live _____ audio _____ due _____ limitations?
 _____ audible gap in live _____ caused _____ transmission _____?
 Is _____ for a difference of _____ live _____ be _____ by the signal _____?
 _____ live _____ be _____ weak signals?
 Does _____ mean there _____ discrepancy between live broadcasts _____ signal _____?
 Audio delayed _____ broadcast _____?
 Do _____ delays _____ of _____ constraints?
 Is it common for _____?
 _____ shows, _____ audio lags common due _____ signal _____?
 _____ a _____ of timing _____ live broadcasts _____ be caused by _____ limitations.
 The time _____ in _____ is a _____ of _____ limitations.
 _____ a live show?
 _____ common is _____ disruptions due to _____ limitations?
 Sometimes there is _____ the time _____ broadcast live _____ limitations.
 Is it _____ difference _____ broadcasts to _____ to the signal limitations?
 Should _____ audio _____ due to _____ limitations?
 _____ a _____ the timing of _____ live is _____
 _____ in the _____ broadcast live is _____ to _____ limitations
 Is it normal _____ programs experience _____ pauses _____ limitations?
 Sometimes a _____ of _____ to signal _____ is that normal?
 _____ possible _____ a timing _____ live broadcasts _____ be caused _____ signal _____?
 _____ to _____ between broadcasts because of signal _____?

_____ it _____ for _____ to see _____ during real-time shows due _____ restrictions?

do live programs _____ audio _____ due _____

Live shows _____ lags _____ be caused _____ limitations.

Is _____ common _____ audio _____ live broadcasts because of _____?

_____ it _____ that live _____ sound _____?

_____ do transmission _____ result _____ audible pauses?

Time _____ broadcasts _____ be _____ by _____ transmission limitations.

_____ for a _____ to _____ delayed due to _____ limitations?

_____ it become common _____ audio disruptions _____ signal _____?

Sometimes there is a delay _____ broadcast _____.

Live _____ problems _____ a _____?

Is audio _____ during live broadcasts _____ signal transmission?

When _____ TV _____ transmission _____ delays happen?

Is _____ for there _____ be _____ live broadcasts due to _____?

_____ chance of a pause during live _____ due to _____?

_____ audio _____ in _____ shows _____ normal?

The _____ an _____ time _____ due _____ limitations of the _____.

_____ it _____ broadcasts due to signal problems?

_____ you experience _____ transmission _____ shows?

_____ time _____ be caused by _____ issues _____ live _____?

A time gap in _____ due _____ the limitations _____.

Is there _____ transmissions _____ of the _____ received and transmitted?

Does _____ delays from _____?

Is there an _____ caused _____?

I was _____ was _____ for me _____ sound during real-time shows due to _____.

_____ was _____ if it's _____ pauses in sound _____ shows due to signal restrictions.

Is _____ standard _____ have _____ broadcasts?

For _____ signals to _____?

_____ it's _____ me to see _____ sound during real-time shows due to _____.

_____ cause audible _____ in _____ shows?

_____ time gap _____ broadcasts is due _____ limitations _____ the signal.

_____ of signal transmission causes _____ audible _____ broadcasts.

_____ delayed _____ on live _____?

If _____ is _____ discrepancy in live _____ should _____ normal _____ of _____.

If _____ have sound delays, _____?

There _____ an audible _____ broadcasts _____ to _____ limitations.

Do _____ due to transmission _____?

_____ broadcasts to have _____ delays?

_____ transmission _____ that _____ delays during live TV.

Is it _____ there to be _____ broadcasts _____ signal _____?

_____ timing between broadcasts _____ to signal limitations is that _____?

_____ time gap in _____ broadcasts due to the limitations _____

_____ be a time lag in _____ transmissions due _____ the _____ received and _____.

_____ wondering if it's _____ me _____ witness pauses _____ shows because of _____ restrictions.

_____ it _____ to have sound _____?

_____ TV _____ constraints _____ in audible pauses?

_____ in broadcasts because _____ signal transmission limitations.

_____ a pause during _____ due to _____ constraints?

_____ there usually _____ in live _____ due _____ signal _____?

_____ is _____ for a difference _____ between _____ to _____ caused _____ of _____ signal.

_____ live broadcasts there _____ in _____ transmission.

Do broadcast _____ happen as _____ signal transmission _____?

audible _____ are caused by _____ issues during _____.

Is there a _____ transmissions due to _____ the _____ received?

Is it normal _____ signal _____ gaps _____ live broadcasts?

_____ is a time gap _____ live _____ signal's limitations.

audio _____ can _____ broadcast signal _____.

Sometimes _____ delay in the _____ of _____ signal limitations.

There are gaps _____ to _____ problems.

Live _____ sometimes _____ pauses _____ signal limitations.

Is _____ that _____ of live _____ be different due to _____ signal?

_____ tell me if it's common _____ me _____ pauses in sound during _____ of _____?

limited _____ transmission can _____ audio _____ broadcasts.

_____ limitations _____ the signal _____ cause an audible _____ broadcasts.

There _____ an _____ gap in live _____ to _____ limited _____.

Is _____ caused by _____ issues typical _____ broadcasts?

Due to limited _____ transmission _____ be audio _____ during _____?

The transmission _____ audible pauses _____ live TV.

Is it the _____ live _____ to signal limitations?

Is _____ for _____ gap during _____ due to _____ limitations?

_____ sound _____ happen _____ transmissions?

_____ broadcasts have _____ audible _____ of the _____ of _____ signal.

_____ there a typical _____ lag _____ transmissions?

Broadcast delays _____ come _____ transmission _____.

_____ possible that transmission constraints result _____ audible _____ television?

_____ time gaps _____ live broadcasts _____ to _____ limits?

Sometimes _____ experience audio _____ because _____ limitations.

During _____ is _____ audible time _____ caused _____ signal transmission _____.

There _____ a _____ of timing between _____ of _____ on _____ signal.

_____ be _____ to transmission constraints?

_____ delays _____ by _____ transmission constraints?

_____ that there is an audible discrepancy _____ because _____ signal _____?

There is _____ audible _____ broadcasts, due _____ lack of signal _____.

_____ a _____ of timing between live broadcasts _____ signal _____?

Audio _____ is _____ at _____?

Does _____ happen _____ a _____ of _____ between _____ broadcasts to _____ by signal _____?

_____ a _____ timing _____ if there is a signal _____?

_____ normal for signal _____ broadcasts.

_____ gaps _____ during _____ transmissions?

Is _____ gaps _____ by signal issues _____ live _____?

Do _____ issues _____ cause _____ gaps?

Is _____ common for signal _____ broadcasts _____ time _____?

_____ is a _____ live transmissions that is _____ limitations _____ the _____ received and _____.

_____ the audible difference in timing between _____ to _____?

Audio _____ due _____ broadcast _____ issues.

There is an _____ difference intiming _____ broadcasts _____ signal _____.

_____ signal limitations, _____ programs _____ audio pauses?

_____ is _____ in _____ of a broadcast _____ to signal limitations.

Audio _____ occur _____ live _____.

_____ wonder _____ it _____ for me _____ witness pauses _____ sound during real-time shows _____ restrictions.

_____ possible that _____ difference of timing between _____ be caused by limitations _____?

Do _____ signal transmission constraints?

Can _____ broadcast have _____ delay _____ to _____ constraints?

_____ common on _____ channels?

_____ delay _____ due to transmission constraints?

_____ a result of signal transmission _____.

_____ time _____ are _____ issues during live broadcasts?

_____ it _____ hear _____ broadcasts because of signal problems?

Audio _____ might be common _____.

_____ it possible that _____ difference of _____ between _____ be _____ to limitations on _____?

There _____ time _____ live _____ due to _____ lack of signal _____.

_____ it _____ on live _____ to _____ delayed _____?

_____ usual for _____ broadcasts _____ have _____ problems?

_____ TV do time delays happen _____ limits?

_____ live _____ experience audio pauses _____ limitations?

When _____ broadcasts _____ signal transmission, are brief audio _____?

_____ a delay in signal _____.

There _____ transmission _____ may _____ sound _____ live channels.

_____ a delay _____ timing _____ broadcast _____ due to signal _____ normal.

_____ there is a _____ in _____ broadcasts because _____ signal _____ this _____?

In _____ broadcasts there _____ an _____ because _____ the _____ of the _____.

Hearing interrupted in _____ because _____?

_____ for audio _____ to occur _____ broadcasts because of limitations _____ signal _____?

Do live programs _____ audio pauses _____

Is _____ audio _____ in live _____ because _____ limitations?

_____ broadcast hitches could _____.

Can _____ in live shows?

_____ I _____ a _____ the _____ due to _____ constraints?

Signal _____ cause time _____ broadcasts.

There _____ a _____ of a _____ timing _____ live _____ of _____ limitations.

There _____ signal _____ result in broadcast _____.

Is _____ a chance _____ an _____ to _____ constraints?

_____ conceivable for a _____ of timing between _____ by signal limitations.

Delayed sound _____ on _____?

Is _____ possible to _____ an audible pause _____ broadcasts _____ to signal _____?

_____ live programs _____ due _____ signal limitations?

Should a pause _____ expected _____ due _____ signal _____ constraints?

_____ is an _____ time gap _____ live _____ due _____ the _____ signal.

_____ live TV, _____ time delays _____ because _____ limits?

Is _____ normal _____ in timing _____ live _____ due to _____?

_____ for a difference of timing _____ live _____ to _____ caused _____ on the signal?

_____ in live broadcasts _____ of _____ issues.

Broadcast _____ be a _____ of _____ constraints.

_____ it common _____ broadcasts _____ interruptions _____ of weak signals?

_____ signal transmission _____ cause _____?

Are there limitations on the signal that could _____?

Are live _____ usually interrupted _____ pauses _____ limitations?

_____ signal _____ causing audio _____?

Are _____ common _____ channels?

Is it possible _____ difference of _____ broadcasts _____ be _____ by limits of _____?

A _____ be found in live _____ due _____ of _____ transmission.

Sometimes _____ a delay _____ of broadcast _____ as _____ of signal limitations.

_____ do _____ have _____ delay in _____ transmission?

_____ in the timing _____ live _____ normal _____ of signal limitations.

_____ broadcasts, there can _____ audible _____ gap due to signal _____.

_____ practice _____ audio delays _____ shows?

Is the _____ broadcasts due to _____ restrictions?

Broadcast delays _____ come _____ signal _____.

_____ issue cause _____ problems _____ live _____?

_____ the sound _____ live _____ get _____ due _____ signal _____?

Sometimes _____ delay in _____ timing of _____ live _____ limitations, is _____.

_____ be _____ due _____ transmission constraints?

Is _____ a _____ of a _____ broadcasts caused by _____ of the _____?

There _____ pauses _____ TV _____ transmission constraints.

_____ is _____ gap in _____ by _____ limitations of the signal.

Broadcast delays occur due _____.

Live _____ can _____ sound _____.

_____ sound _____ disrupted as a _____ of signal _____?

_____ a time _____ in live transmissions _____ limitations of _____ received and _____?

_____ is an audible _____ live _____ because _____ the limitations of _____.

Is _____ to hear _____ with _____ live broadcasts?

Is it possible _____ a _____ timing _____ live _____ to _____ by the limitations _____ signal?

Is _____ gaps _____ shows caused by _____?

Sometimes the _____ can _____ delayed _____ of signal limitations.

_____ there _____ a _____ the timing of broadcast _____ signal limitations.

Is _____ transmission issues _____ audible _____ during _____ shows?

_____ delay in _____ broadcast live due to _____ is alright.

_____ audible _____ can be caused _____ transmission limitations during _____.

Is _____ possible for _____ difference _____ time _____ broadcasts _____ be _____ the signal _____?

_____ causing delay?

_____ are time gaps _____ to _____ limits?

The _____ of signal _____ an _____ time _____ live broadcasts.

Limits _____ the _____ cause a difference _____ between live _____.

Is there _____ of a _____ timing _____ broadcasts _____ limitations _____ the signal?

During _____ brief _____ gaps _____ due to limitations _____ signal _____?

_____ time _____ normal _____ because _____ signal limits?

Can _____ count _____ gaps in broadcasts due _____ signal _____?

_____ an audible delay _____ broadcast due to transmission _____?

_____ live broadcasts _____ delayed due _____.

_____ are sometimes signal problems _____ live broadcasts.

_____ transmission constraints _____ on _____ tv?

Is there _____ delay in _____ of _____ to _____ limitations?

_____ are _____ live broadcasts because of _____ problems.

_____ there a _____ in _____ transmissions _____ limitations of the _____?

Live broadcasts have _____ audible _____ signal transmission _____.

Is _____ gaps during _____ because _____ limitations _____ signal transmission?

_____ pauses on live _____ are _____ due _____ constraints.

Live _____ have _____ gaps.

_____ possible for _____ difference of timing between _____ broadcasts to be caused _____?

_____ for a delay _____ live broadcast _____ caused by signal _____?

_____ of _____ between live broadcasts _____ be _____ signal limitations.

Is _____ common for _____ to interrupt live _____ signals?

Is _____ interrupted _____ live broadcasts _____ weak signals?

_____ delay _____ broadcast live due to signal limitations is _____.

_____ it possible _____ timing _____ broadcasts _____ different due _____ limitations on _____ signal?

_____ normal _____ difference _____ timing between _____ broadcasts due to signal _____?

_____ the sound of _____ common on _____?

Can _____ be a _____ between _____ broadcasts because _____ limitations on _____?

Is _____ normal to _____ gaps _____ broadcasts _____ to _____ problems?

_____ could _____ a _____ timing between _____ broadcasts _____ by signal _____.

_____ difference _____ live broadcasts be _____ signal limitations?

Is _____ live _____ to _____ due _____ of _____ signals received and transmitted?

_____ is _____ time delay in _____ broadcasts _____ caused _____ transmission limitations.

Is _____ possible _____ broadcast _____ are _____ signal transmission _____?

Audio _____ happen _____ live _____ because _____ signal _____.

Is it _____ for _____ discrepancy between _____ be _____ by _____ signal _____?

_____ the sound _____ live _____ interrupted due _____ restrictions?

_____ delays often _____ signal transmission _____?

During live shows, _____ time gaps with _____?

_____ there _____ discrepancy between _____ to signal limitations is _____?

Time _____ live broadcasts can be _____ signal _____.

_____ this common in _____ because _____ weak _____?

_____ is _____ audible time gap _____ caused by signal _____.

_____ with audio lags _____ by _____ limitations.

_____ broadcasts _____ sound _____ signals?

_____ common _____ live _____ to have a delayed _____?

Will _____ cause audible _____ shows?

_____ to Broadcast _____ issues?

_____ are signal limitations _____ cause live _____ to _____.

_____ delays _____ from signal transmission _____.

I wonder _____ transmission _____ cause audible pauses _____.

Can _____ cause a difference _____ timing between _____ broadcasts?

The time _____ live _____ is _____ the limitations of _____ transmitted.

_____ there is a discrepancy between _____ broadcasts _____ signal _____?

When _____ broadcast is _____ due _____ limitations, is _____?

Sometimes _____ broadcasts _____ audible time _____ due to _____ transmission _____.

Sometimes _____ in the _____ of _____ can be caused _____ signal _____.

Is _____ time gap normal for _____ broadcasts _____ signal _____?

_____ there an _____ delay _____ to _____?

_____ transmission constraints _____ pauses _____ TV?

_____ be _____ by weak signals.

Does the broadcasts _____ sound _____?

_____ TV, do _____ in pauses?

Why _____ broadcasts have a _____ in _____?

The limitations _____ received and _____ might _____ a _____ in _____ transmissions.

_____ programs have _____ caused _____ signal limitations?

Is _____ of _____ broadcasts typically _____ because _____ signal _____?

Can _____ usually experience _____ due to _____ limitations?

Because _____ limits, _____ delays _____ during live TV?

_____ unusual for _____ pauses _____ sound during real-time shows due to _____?

_____ audible pauses on live TV because _____?

audio _____ caused _____ signal _____?

_____ a time _____ in _____ transmissions _____ of the _____ of the _____ received.

_____ a _____ of timing between live _____ by signal _____?

_____ delays due _____ signal _____?

_____ it _____ for a difference in _____ between _____ caused by _____ signal?

The _____ of _____ can sometimes _____ interrupted _____ signal _____.

Is _____ hear an interruption in _____ broadcasts _____ weak _____?

It is _____ to _____ delays _____.

Audio _____ can be _____ signal _____ broadcast.

_____ it _____ for _____ difference _____ broadcasts to be caused by _____ the _____?

There is _____ time gap in _____ broadcasts _____.

Is an audible _____ live _____ broadcasts _____ signal _____ constraints?

_____ there _____ an audible time gap _____ signal _____ limitations.

_____ delays _____ be _____ to _____ constraints.

There _____ time delay _____ of _____ transmission limitations.

_____ it's common for me to _____ pauses _____ during real-time shows _____ restrictions, _____ tell _____?

_____ transmission _____ in pauses _____ live _____?

_____ broadcasts to _____ sound delays?

Is there _____ of broadcasts _____ signal limitations?

_____ transmission _____ audible _____ in live _____?

Audio _____ may _____ signal issues.

_____ there a typical _____ live _____?

_____ it _____ that a difference _____ timing _____ live broadcasts _____ limitations of _____ signal?

_____ delay in _____ due _____ signal transmission limitations.

Should _____ expect _____ pause _____ broadcasts because _____ constraints?

_____ pause in live TV broadcasts due _____?

Do live programs _____ due _____ signal limitations?

_____ expect _____ the _____ due to signal constraints?

The time _____ in live _____ due _____ lack _____ transmission

signal _____ can cause _____ audible time _____ live _____.

Audio _____ by _____ signal _____?

_____ transmission limits, do time delays _____ on _____?

Sound delays _____ possible.

_____ know if _____ common _____ witness _____ in sound _____ shows due to signal restrictions?

_____ it _____ for a difference _____ to be the _____ of _____ of the signal?

Do _____ signal transmission constraints?

There _____ transmissions caused by the limitations of _____ signals received _____

_____ lags _____ live transmissions _____ by _____ of the signals _____ and _____.

Is it _____ that _____ is _____ discrepancy between broadcasts _____?

_____ lags are caused _____ signal _____ live _____.

_____ hitches causing _____ delay?

Is audio _____ shows _____ signal limitations?

_____ programs usually _____ audio pauses _____ signal limitations?

_____ shows might be _____ by transmission issues.

_____ a chance _____ a difference _____ between live broadcasts _____ limitations on _____?

Is it _____ for a _____ in live broadcasts _____ limitations on _____?

_____ difference of _____ between live _____ due _____ limitations on _____ signal.

_____ there a _____ between live _____ to be due to limitations on _____ signal?

I wonder _____ is common for _____ to see pauses _____ shows due _____ restrictions.

There is a possibility for a _____ between live broadcasts _____ to _____ on _____.
 _____ the sound _____ interrupted for live broadcasts as _____?
 _____ in timing between live broadcasts _____ by _____?
 _____ there _____ be _____ in live _____ because of _____.
 _____ pauses on _____ transmission constraints?

 Is _____ a _____ live broadcasts _____ be _____ by signal limitations?
 Is _____ common _____ programs _____ audio pauses due _____ signal _____?
 _____ difference in _____ between broadcasts caused by _____?
 Can a difference _____ broadcasts be _____ by _____ signal _____?
 Is _____ possible _____ difference _____ between _____ broadcasts to _____ related to signal _____?
 _____ sound of _____ broadcasts interrupted due _____ constraints?
 _____ it's common _____ to witness pauses in _____ during _____ shows _____ restrictions, _____ you clarify?
 During _____ broadcasts, do _____ cause _____ gaps?
 Is _____ a difference _____ to _____ limitations on the signal?
 _____ shows can _____ audio _____ signal limitations.
 _____ broadcasts _____ signal _____ are time gaps _____?
 _____ the _____ live broadcasts affected _____ signal _____?
 _____ of signals received and _____ cause _____ time lag _____ live _____.
 _____ is an _____ time _____ to signal _____ limitations _____ broadcasts.
 _____ cause audio delay.
 Is _____ possible _____ a difference of _____ to be _____ by _____?
 There _____ signal _____ that _____ broadcast delays.
 _____ it _____ signal _____ during _____ cause audible time gaps?
 _____ it possible for _____ timing _____ live broadcasts _____ affected by _____ the _____?
 During _____ TV, do time _____ happen _____ to _____?
 Does it happen _____ signal issues _____?
 _____ programs experience _____ signal limitations.
 Does _____ to _____ in _____ of signal problems?
 _____ delayed _____ due to signal _____.
 Due _____ limited signal _____ be occasional audio _____ live _____?
 _____ transmission limitations _____ time _____ during live broadcasts.
 There is _____ lag in live _____ limitations of _____.
 There is _____ difference in _____ due to signal _____.
 There is a _____ audible _____ broadcasts due to _____ limitations.
 Is it _____ for _____ delay _____?
 Is _____ common to _____ in live broadcasts _____ of _____?
 _____ have sound delays from _____?
 Delayed _____ on _____ may _____ to transmission limitations or _____.
 _____ is a time _____ during _____ because of _____ limitations.
 Audio lag _____ live _____ normal.
 _____ for _____ audio to be _____ during live broadcasts because _____?
 _____ delays could be _____ broadcast _____.
 The _____ of _____ live broadcasts could _____ caused _____ signal _____.
 _____ for me to _____ pauses in sound during real-time _____ because _____?
 _____ it possible for the _____ be _____ of signal limitations?
 Some live _____ have audio _____ are _____ limitations.
 Is it possible that _____ delays occur _____?
 Can _____ discrepancy _____ timing _____ live broadcasts be _____ by _____ the _____?
 _____ limitations of the _____ there _____ an _____ time _____ in _____ broadcasts.

____ I expect ____ TV broadcasts due ____ signal transmission ____?
 Live ____ tend ____ audio ____ to signal limitations.
 During ____ broadcasts ____ is an audible time ____ due _____.
 _____ broadcast ____ be interrupted as a result of signal ____.
 There is ____ a time lag ____ live ____ caused ____ limitations ____ received and ____.
 During ____ broadcasts _____ time difference if signal ____ are present.
 Did _____ cause audible _____ shows?
 ____ is ____ for a _____ between live ____ to be ____ by ____ of the ____.
 ____ live ____ usually interrupted ____ to ____?
 There _____ time ____ in broadcasts because _____ of signal ____.
 It is possible _____ timing between _____ to ____ due to ____ of ____ signal.
 Is it normal ____ a broadcast ____ be ____ due _____?
 _____ delays happen during ____ tv _____ transmission limits?
 _____ standard practice for ____ delays ____ lives ____?
 Live ____ can be _____ limitations.
 Audio _____ be caused ____ signal limitations _____.
 _____ is delayed due _____ limitations.
 ____ live ____ have sound ____?
 Should ____ expect a pause ____ broadcasts _____ signal ____?
 Can I _____ delayed broadcast _____ constraints?
 ____ time _____ is due to ____ of the ____.
 The ____ time gap _____ is ____ to ____ of signal ____.
 Is it ____ for a _____ between ____ to be due ____ the ____ the ____?
 _____ are live ____ audio pauses due ____ signal ____?
 ____ delays may be _____ signal _____.
 _____ audible time difference ____ live _____ are signal transmission limitations.
 ____ channels have transmission _____ that ____ delayed sound.
 _____ time lag in live transmissions caused ____ limitations of _____ and ____.
 Does ____ happen ____ audio lags _____?
 During ____ shows do you _____ gap with ____?
 Does it possible _____ of timing ____ live _____ be caused _____ the signal?
 Is it _____ in live _____ of signal difficulties?
 _____ possible ____ a ____ of _____ broadcasts to ____ caused by signal ____?

 ____ transmission ____ gaps are ____?
 ____ it _____ the ____ of live broadcasts to ____ different due _____ signal ____?
 Sometimes ____ timing _____ broadcast ____ delayed due to _____.
 _____ might ____ time delays due _____ limits.
 It ____ possible for a difference _____ between live _____ be ____ by _____.
 Is delayed sound ____ uncommon _____?
 There ____ time delay in live _____ to _____.
 _____ to broadcast ____ issues?
 Sometimes ____ timing ____ broadcast live ____ be _____ to ____ limitations.
 _____ may be _____ signal transmission _____.
 Is ____ normal for ____ sound _____?
 There _____ in time between broadcasts _____ limitations.
 _____ constraints cause audible ____ in _____?
 audible gaps in _____ transmission issues?
 When ____ are signal transmission _____ is _____ during broadcasts.
 The audible time gap in _____ is ____ by _____ the _____.

_____ the sound of live _____ been disrupted _____ a _____ ?

_____ due _____ broadcast hitch?

Delayed sound _____ on live _____ transmission _____.

_____ affected by transmission issues?

There are _____ broadcasts _____ there are signal _____.

It _____ to witness _____ in sound _____ shows due to _____ restrictions.

I want _____ know _____ is common _____ me to _____ in sound _____ shows _____ to signal _____.

Audio lags _____ live _____ are _____ limitations.

_____ it common _____ to be _____ in live _____ weak signals?

_____ signal transmission causes _____ audible time _____ broadcasts.

Is it _____ to cause _____ timing _____ live _____ limitations of _____ signal?

_____ may _____ in live shows.

_____ delays _____ live broadcasts are _____ transmission limitations.

_____ programs may have _____.

Live _____ a _____ delay _____ to _____ transmission limitations.

Is _____ of weak signals?

_____ gap in live _____ the limitations of the signal

Isn't _____ usual to hear gaps _____ because _____ ?

I would like to _____ if _____ common _____ during real-time shows due to _____ restrictions.

_____ there are _____ transmission limitations, _____ is _____ audible _____ difference _____ broadcasts.

During _____ broadcasts when _____ may _____ present, _____ is an _____ time _____.

Live _____ cause _____ of _____ limitations.

_____ that _____ have sound delays?

_____ possible for a _____ timing between _____ be _____ signal limitations?

Do live _____ experience audio _____ ?

If _____ is a _____ between _____ is it normal?

_____ delay _____ of broadcast _____.

Can _____ be _____ difference _____ timing between _____ the _____ of the signal?

Can _____ be brief _____ limitations in _____ transmission?

_____ common for live broadcasts to _____ of _____ signals?

_____ to hear some _____ in live broadcasts _____ signal _____ ?
