

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Pre-sales inquiries and product recommendations
Inquiry Sub-Category	Compatibility and Connectivity
Description	Customers seek information regarding the compatibility of the smartphone with different networks, operating systems, and accessories, as well as the availability of various connectivity options.
Data Size	5,031 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

Can _____ storage _____ OTG (On-The-Go) cable directly into _____ phones?
 _____ it possible _____ external _____ to _____ connected _____ cable into this phone?
 Is it _____ connect the external _____ to the _____ with the easy _____ use _____?
 Is it _____ connect external _____ phones by way _____ a _____ the-Go _____?
 _____ can support _____ drives with _____ cable connection.
 Can external drives _____ into _____ phones via _____ On-the _____?
 Can the _____ to _____ the external _____ to this phone?
 Is there a _____ to plug _____ storage _____ into _____ smartphones _____ OTG _____?
 _____ possible _____ connect external storage _____ to these phones with _____?
 _____ wondered if it _____ possible to link my _____ phones with _____ of aUSB.
 Can _____ drives be connected _____ these _____ Go _____?
 _____ it _____ storage drives to be _____ these phones?
 _____ possible _____ external storage _____ phones with a cable?
 _____ possible to _____ to these _____ using a cable?
 Is _____ to _____ in _____ into _____ phones with a cable?
 _____ to attach _____ storage devices _____ these phones _____ a _____?
 _____ it _____ storage drives _____ be _____ to these _____ via a _____?
 Is _____ possible _____ have _____ the _____ models with theusb ottod cable?
 Can _____ connected by _____ cable to _____ phones?
 _____ it _____ link _____ drives _____ phones with a cable?
 It is possible _____ to the phone _____ with the easy-to-useusb.
 _____ me to _____ the _____ cable on these _____ to connect _____ storage _____?
 Will _____ be able _____ in _____ storage _____ directusb _____ on _____ phone model?
 Is _____ connect my external storage _____ directly _____ the _____?
 _____ On-The-Go to _____ external _____ devices to my phone?
 _____ possible _____ plug in _____ storage devices into _____ phone using _____?
 _____ possible to _____ link up _____ to _____ phones with a USB _____.
 Can external drives be connected _____ a _____?

I'm wondering if ____ ON-the-Go cable ____ external ____ phones.
 ____ it ____ to plug in external storage ____ a ____ model?
 Can external drives be ____ through ____ On-the-Go ____?
 ____ it ____ to connect external ____ devices to ____ ausb ____?
 Is ____ storage drive to a phone via ausb ____?
 ____ it ____ to ____ drives to ____ phones using an ____?
 ____ it possible ____ in my external ____ cable in my ____.
 ____ an ____ be ____ connect external drives to these ____?
 Is ____ way ____ plug ____ drives into ____ phones ____ flippin'USB OTG ____?
 ____ it ____ to connect ____ drives ____ my ____ a OTG cable.
 ____ it ____ to hook ____ to ____ phone models ____ theusb ottod cable?
 ____ possible to directly link ____ storage ____ to phones ____ OTG cable?
 Is it ____ to ____ external storage drives ____ a On-The-Go ____?
 Is it possible to connect ____ phones via ____?
 ____ for the ____ devices ____ be connected to the ____ the easy to useUSB?
 ____ possible to ____ storage ____ phones through a cable?
 ____ it possible ____ connect ____ storage devices ____ phone ____ the easy-to-useUSB?
 Is ____ phones ____ support a direct connection to ____?
 ____ On-the-Go cable be ____ storage drives to phones?
 Is it possible for ____ external drives ____ directusb oomg ____?
 ____ it possible ____ OTG ____ for external storage on ____?
 ____ for ____ drives to be ____ to these phones ____ cable?
 Is it possible to ____ a ____ with ____ ausb ____ cable.
 Is ____ possible ____ use ____ to ____ external drives to the ____?
 Is it ____ storage ____ to the ____ using the ____ cable?
 ____ it possible to ____ my external ____ directly to ____?
 ____ possible to directly attach ____ to ____ phones using ____?
 ____ for these phones ____ have ____ direct connection ____ the ____ storage via ____ OTG ____?
 ____ able to support external ____ drives ____ theusb-otgo ____?
 ____ it possible to ____ theusb ____ to connect ____ to ____ phone?
 Can ____ directly ____ my ____ storage ____ my ____ a cable?
 ____ it ____ to ____ an external ____ drive ____ my ____ using ____ cable?
 ____ it possible to ____ storage devices ____ my ____ with ____ OTG cable?
 I ____ wondering if ____ can be used to connect external ____ drives ____.
 ____ connect external storage ____ a cable on the ____?
 ____ it ____ to ____ external ____ to the ____ via ____?
 ____ it ____ that these phones ____ the ____ cable ____ have ____ direct connection ____ external ____?
 Are these ____ to ____ the cable ____ a direct connection ____?
 ____ it be possible ____ link the external ____ devices ____ phones ____ OTG ____?
 Is ____ phones capable of ____ the external ____ oomg cable?
 Is ____ external ____ devices connected to ____ phone models with ____ easy-to-useusb ____?
 I ____ if ____ possible to ____ up my storage devices to ____.
 ____ there storage drives ____ plugged into ____ flippin'USB OTG cable?
 Is it ____ external ____ to my phones ____ a ____?
 ____ the ____ of ____ to ____ external drives ____ the directusb ____ cable?
 Is the phones ____ to accept ____ through ____?
 ____ it ____ external ____ to be connected to ____ phone ____ oomt cable?
 Is it ____ to connect ____ with ____ USB OTG ____?
 Can ____ storage ____ be ____ to these ____ a cable?
 Is it ____ a ____ to connect external ____ the ____?

Is the phones _____ external drives _____ directusb oyg cable connection?

Can external drives _____ connected directly to _____ cable?

_____ to connect external storage devices _____ phone _____ using _____ ouput _____?

Can _____ cable be _____ to _____ external _____ to _____ phones?

_____ there a _____ connect _____ external storage _____ the phone models _____ ottod _____?

Is _____ possible for me _____ directly _____ external _____ these _____?

I am wondering _____ On _____ can connect external _____ the _____.

_____ it possible that _____ phones _____ connection to _____ drives?

_____ possible to connect _____ drives _____ the phones _____ On-The-Go cable?

_____ possible for external _____ be connected _____ an On- The-Go _____ into _____?

Can _____ drives be connected _____ phones by using _____?

Is _____ possible _____ have _____ storage devices _____ to the _____ with _____ ottod _____?

Can _____ external drives be _____ phones using _____ On-the-Go _____?

_____ use _____ cable to _____ external drives to these _____?

Can I use the _____ to _____ external _____ drives _____ my _____?

The On-The-Go cable _____ be used _____ connect _____ into _____.

Will the _____ drives through theusb-otgo _____ connection?

Is _____ possible _____ link external drives _____ these _____ via _____?

_____ possible to _____ On-the-Go cable _____ connect the storage _____ phones?

The _____ support _____ external _____ with a directusb _____ cable _____

_____ it _____ to connect _____ to these _____ using a On-The-Go _____?

_____ it _____ to _____ theUSB OTG _____ the _____ drives to _____ phone?

Can _____ storage drives _____ OTG cable into these _____?

The phones might _____ an _____ drive with _____ directusb _____ cable _____.

_____ it possible to _____ a storage drive into a _____?

Is _____ possible _____ connection _____ external drives from these _____?

_____ phones _____ to send data _____ external _____ the directusb oomg _____?

The _____ could be used _____ drives _____ these phones.

I could _____ the _____ the phones using _____ OTG _____.

_____ it possible to _____ external _____ the phones _____ go cable?

Is it _____ devices _____ the phones using _____ thusb OTG cable?

_____ possibly support _____ external _____ with _____ directusb otto cable.

_____ could _____ a _____ cable to connect _____ the _____ drives _____ phones.

_____ phones _____ support external drives _____ a directusb _____.

_____ possible for _____ to be plugged _____ storage _____ OTG cable?

_____ it possible to _____ drives with _____ On-the-Go cable _____ this _____?

Is it possible _____ me to link external _____ to _____ with _____?

_____ On-the-Go cable be used _____ storage _____ phones?

Can _____ be connected directly _____ these _____ way _____ cable?

Is it possible for the _____ to be _____ these _____ cable?

_____ phones may _____ with a directusb ottom _____.

_____ possible to _____ cable to connect external _____ to _____ phones?

Is _____ for _____ to be _____ to the phone models using _____ cable?

_____ it possible that _____ support _____ connection _____ storage?

_____ the _____ able _____ use _____ OTG cable _____ have a _____ connection with _____?

_____ could _____ support an _____ with a _____ ottom cable _____.

_____ it possible to _____ to put storage drives in _____?

_____ to _____ the _____ devices to the phone models _____ oomt cable?

Do _____ allow _____ connection of _____ storage _____ via _____ cable?

_____ there _____ plug _____ into these _____ a flippin'USB OTG cable?

____ it possible ____ to stick my drives ____ these ____ using ____ ____ ?
 The ____ Go cable could ____ connect ____ to ____ phones.
 Is it ____ for the phones ____ be ____ connection ____ storage ____ ?
 ____ it ____ use ____ to connect ____ storage ____ to phones?
 ____ the phones ____ external ____ drives ____ cable connection?
 ____ external ____ be ____ to the ____ via ____ OTG cable?
 ____ external drives ____ directly to ____ phones ____ way ____ a ____ cable?
 Is it ____ the external ____ devices to ____ with ____ cable?
 Is it ____ connect external drives to ____ On- ____ ?
 Will the phone ____ plug ____ external ____ using ____ directusb connection?
 ____ directly link ____ external ____ into these phones?
 Are the ____ able to send ____ to the ____ drives ____ ?
 Is ____ possible ____ me ____ directly connect the ____ storage devices to ____ phones with ____ ?
 ____ the phones ____ data ____ drives with the directusb oomg ____ ?
 Can ____ theusb ____ cable ____ directly ____ external ____ devices to our ____ ?
 Can we use ____ ouput cable ____ devices to ____ ?
 ____ it ____ to link ____ external ____ to the phones ____ a ____ ?
 ____ I ____ The-Go cable to ____ storage drives to ____ phones?
 ____ external ____ be connected to ____ phones by a ____ ?
 ____ for ____ phones to ____ a ____ connection to the ____ by ____ the OTG cable?
 Is ____ way ____ plug ____ with a ____ into these phones?
 ____ it ____ to ____ external storage ____ the ____ with the On- ____ cable?
 The ____ would ____ drive with ____ directusb otto cable ____ .
 Does the ____ external ____ theusb-otgo cable connection?
 ____ a question on ____ drives ____ plugged into ____ with flippin'USB ____ cable.
 ____ be connected ____ these phones ____ way of ____ Go ____ ?
 ____ phones capable of supporting ____ storage ____ through ____ ?
 ____ to connect external storage drives ____ the ____ using ____ cable?
 ____ external drives ____ the ____ a On the Go cable?
 Is ____ phones ____ of using theusb-otgo cable ____ external ____ ?
 Is it possible to ____ to ____ phones ____ OTG cable?
 ____ the ____ of sending ____ the external ____ through directusb oyg ____ ?
 The phones ____ an external ____ with ____ OTG ____ connection.
 ____ is a question ____ drives ____ be ____ these phones with ____ flippin'USB ____ cable.
 Are ____ phones ____ of ____ data to ____ via ____ cable?
 Can ____ external ____ into the phones with ____ On-the ____ cable?
 Is it possible ____ drives ____ into ____ with a On- ____ ?
 ____ On-the-Go ____ to the external storage drives of ____ ?
 The phones may be able ____ support ____ external ____ directusb ____ .
 I wonder if the ____ be ____ to ____ storage drives into ____ .
 Can I ____ usb on ____ external storage devices ____ my ____ ?
 ____ the phones compatible ____ through theusb-otgo ____ connection?
 ____ use ____ On- ____ cable to connect ____ to the phones?
 Is it possible for external ____ drives ____ be ____ The-Go ____ phone?
 It ____ possible that the phones ____ a directusb ottom ____ connection.
 Is it possible ____ use the ____ cable ____ to plug ____ external ____ drives?
 Can ____ cable be used to connect ____ phones?
 ____ can support an external drive ____ ottom cable ____ .
 There ____ a question ____ whether storage drives can ____ into these ____ cable.
 ____ use ausb on-the-go to ____ external ____ devices to ____ ?

_____ there a _____ connect _____ drives _____ these phones using _____ cable?
 The On-the-Go cable _____ used _____ external drives _____ phones.
 Is it _____ the external _____ to be _____ the phone models _____ cable.
 Is it _____ to _____ the-Go _____ to _____ drives to the _____?
 Can external drives be _____ into _____ by way _____?
 Is _____ possible to directly _____ external storage _____?
 _____ On-the-go cable _____ to _____ drives _____ these phones?
 Can _____ be _____ directly _____ the phones _____ a On- the- _____?
 _____ am wondering if _____ external storage _____ can be _____ via _____ On The go _____.
 Can external _____ the _____ via the On-the-go _____?
 _____ phones _____ of sending _____ the external _____ with a _____ cable?
 Can external drives be connected _____ the phones _____ an _____?
 Can the external drives be connected _____?
 _____ it possible to _____ these phone models?
 I wonder _____ the _____ be used to connect _____ my phones.
 _____ it possible to connect _____ to the phones with _____?
 _____ it _____ directly link external drives in _____?
 Can an _____ cable _____ to _____ phones?
 _____ could support an external _____ a _____ ottom _____.
 _____ to connect the _____ to _____ phone models with theusb _____ cable.
 I am _____ if it _____ to link up external _____ these phones by _____.
 _____ it possible _____ phones to _____ external _____ drives through OTG _____?
 _____ a possibility _____ the external _____ devices to the _____ models with _____.
 _____ it _____ for these phones _____ direct _____ of _____ storage via _____?
 _____ the On-The-Go _____ to _____ my _____ drives _____ my phones?
 Is _____ to connect external _____ to phones _____ On-the-Go _____?
 _____ possible to _____ in the external storage _____ in _____?
 _____ it _____ to _____ additional storage _____ these phones _____ an OTG _____?
 Is _____ possible _____ use _____ external storage drives to _____ phones?
 _____ On- _____ be used _____ the external drives _____ the phones?
 _____ possible _____ connect external storage _____ to _____ phones via _____?
 Will I be _____ use _____ to _____ in external _____?
 Is _____ connect external _____ phones by way of _____ cable?
 _____ there _____ to _____ storage _____ to this phone _____ an On-The-Go _____?
 Is it possible _____ these _____ to _____ connection _____ the _____ the OTG cable?
 Will you allow me to _____ OTG _____ to _____ in the dang _____ drives _____?
 _____ able to support external _____ drives on _____ connection?
 _____ I _____ connect the external _____ devices _____ the _____ models with _____ cable?
 Is the phones able _____ ausb-otgo cable?
 _____ Go cable _____ used _____ connect external _____ into _____ phones?
 Is it possible to _____ drives _____ these _____ cable?
 Is _____ that _____ drives can be plugged _____ phones with _____ flippin'USB _____?
 _____ phone model allow me to _____ in external _____ direct _____?
 _____ it _____ directly _____ up external storage _____ to the phones by using _____?
 _____ the _____ cable be _____ connect _____ storage drives to _____?
 Can external drives be _____ to _____ through _____ cable?
 Is there _____ way _____ link _____ external _____ the phones using _____?
 Is _____ possible to _____ in external _____ using a directUSB _____?
 _____ if external _____ can _____ the ON-the-Go cable _____ the phones.
 _____ possible to connect the _____ drives _____ phones _____ the _____ cable?

Is it _____ connect external drives _____ a On- the-Go _____?

Is _____ possible for _____ to _____ the thusb OTG _____ to _____ devices _____ phones?

Is it _____ attach the _____ storage _____ to the phone _____ ausb _____?

_____ it possible _____ drives to be _____ these phones _____ the-Go cable?

Can external drives _____ connected to the _____ using _____?

_____ phones _____ to _____ to the _____ drives with _____ otto cable connection?

_____ it _____ to directly _____ up _____ storage devices _____ the _____ a _____?

Is it _____ to _____ the _____ drives to _____ with _____ on-the-go _____?

_____ phones can support _____ a directusb ottom cable _____

Can _____ drives _____ connected to the _____ On-the- Go _____?

_____ it possible for _____ be connected _____ the _____ On-The-Go cable?

Can I use _____ direct _____ to plug _____ on _____ phone?

It's possible _____ have _____ external storage devices _____ to _____ easy-to- useUSB.

_____ possible to _____ theUSB _____ cable to connect the _____ drives _____ my _____?

Is it _____ to _____ up external _____ devices _____ by using _____ cable?

Is it _____ these phones support direct _____ of _____?

_____ wondering _____ I _____ external _____ to my _____ with the ON-the-Go _____.

Can I _____ the On-The-Go cable _____ external drives _____?

Is it possible _____ connect external _____ using On-the-Go _____?

_____ it _____ for these _____ connect to external _____ using a _____?

_____ it _____ to _____ storage via _____ cable _____ my phones?

_____ an On- The-Go _____ be _____ to connect _____ drives _____?

_____ it _____ put a storage _____ phone with ausb OTG _____?

_____ the _____ sending data to the _____ drives through _____ cable _____?

_____ it _____ for _____ to _____ link the _____ storage _____ to _____ phones?

Is it possible _____ an _____ to _____ phones with _____?

_____ capable of _____ data to _____ external _____ through _____ otto cable?

Is the _____ to use _____ to _____ a direct _____ external storage?

Can _____ used to connect external _____ these phones?

_____ there _____ connect the _____ storage drives to _____ phones with theUSB _____?

_____ it _____ to connect _____ to these _____ a On-the- _____ cable?

_____ external drive _____ by _____ with a _____ ottom cable.

Will _____ able to plug _____ external storage using _____ connection on _____?

Can we _____ ausb _____ to connect _____ storage devices _____?

_____ external drives _____ directly into _____ phones by _____ a _____?

Is _____ theUSB _____ to _____ the external storage drives?

Is it _____ for _____ access _____ storage _____ through _____ OTG _____ on _____ phones?

Is _____ phones _____ accept external hard _____ through _____ cable?

_____ it possible _____ use _____ cable to _____ storage drives to _____?

_____ these _____ cable to get a direct connection _____ external storage?

_____ was _____ it was possible _____ link _____ storage _____ the _____ using a OTG cable.

_____ On-the-Go _____ connect external _____ to _____ phones?

_____ the phones _____ the ability to _____ the _____ the directusb oyt _____?

Is _____ me _____ directly link the external drives _____?

_____ to connect external storage drives _____ these phones using _____?

_____ curious if the _____ cable _____ connect _____ drives to _____.

Are _____ phones _____ of sending _____ oyt cable _____ the external _____?

_____ possible to _____ drives _____ my phones with _____ cable?

Is it possible to plug _____ my _____ OTG _____ my phones?

Is _____ possible _____ up the _____ storage devices _____ the _____ a _____?

_____ there _____ way to use _____ OTG cable _____ plug _____ into these _____?
 Is there _____ to _____ external storage _____ the phones with _____?
 _____ external drives be connected _____ through _____ On-the-go cable?
 _____ the phones capable of _____ external drives through a _____?
 _____ ON-the-Go _____ can be used _____ connecting external storage drives _____ my _____.
 _____ phones able _____ have a direct _____ with _____ storage via _____?
 _____ external drives be _____ directly _____ these _____ of an _____ cable?
 Will _____ model allow _____ storage using a directUSB connection?
 Is _____ to have _____ devices connected to the phone _____ using _____?
 _____ the _____ able to _____ to _____ external _____ with the _____ oyt _____?
 I wonder _____ it's _____ to _____ external _____ devices _____ the phones _____ using _____ OTG _____.
 Is _____ for these devices _____ drives _____ USB OTG?
 Is _____ to _____ with _____ flippin' _____ OTG cable into _____ phones?
 _____ drives be connected _____ these phones through _____ Go _____?
 _____ possible _____ external _____ devices _____ the phones _____ using _____ OTG cable?
 _____ it _____ external _____ be _____ to _____ phones via a cable?
 Is _____ of _____ the _____ cable _____ have _____ direct connection _____ the _____ storage?
 Is it _____ me to _____ my _____ to access _____ external storage drives?
 _____ have _____ otto cable connection for _____ external drive.
 _____ drives be _____ to _____ phones by way of _____?
 Is there _____ to _____ storage _____ to phone models _____ cable?
 _____ external _____ devices could _____ be connected _____ the phone _____ ottod _____.
 I was _____ ON-the-Go cable _____ used to _____ storage drives _____ phones.
 Is it _____ to _____ external storage _____ phones _____ aUSB OTG _____?
 _____ I use the _____ The-Go cable to _____ to _____ phones?
 Is _____ connect my _____ drives _____ my phones with _____.
 Isn't _____ have the external storage _____ connected _____ models with _____ easy-to-useusb?
 _____ it _____ the On- The-Go cable to _____ external storage _____ the _____?
 _____ might support _____ drive using a _____ ottom cable _____.
 Do the _____ have the ability _____ to _____ through directusb oomg _____?
 Is it possible that _____ connected _____ from _____ cable?
 Is it _____ external _____ devices _____ to the _____ model _____ the easy-to- _____?
 _____ it possible _____ connect _____ storage _____ with _____ these phones?
 _____ phones _____ support _____ storage drives through theusb-otgo _____ connection.
 _____ the phones able _____ external _____ drives with _____ cable _____?
 _____ if it is possible to _____ external storage devices _____ using a _____ cable.
 Is it _____ to use _____ OTG cable _____ my drives _____?
 I am _____ if _____ ON-the-Go _____ can connect _____ storage _____ to _____.
 Is it possible that _____ can _____ OTG _____ to _____ external _____?
 _____ may be _____ to support _____ storage _____ through _____ cable _____.
 Is it possible _____ link external _____ phones with the thusb OTG _____?
 Is it _____ to _____ the OTG _____ plug _____ external drives?
 _____ external _____ be _____ to the _____ way _____ On-the-Go cable?
 _____ external drives be _____ these phones _____ On-the-Go _____?
 Are the phones _____ sending _____ the _____ drives _____ cable connection?
 Are these _____ able to _____ a _____ through _____ OTG cable?
 _____ that these _____ will _____ a direct connection _____ external drives?
 Is there _____ way to connect external _____ a cable?
 Is it possible _____ external _____ drives _____ these _____ cable?
 Can I use _____ to get external _____ phone?

Can _____ drives _____ connected _____ the _____ cable _____ these phones?
 _____ it possible to _____ external _____ drives to _____ with _____ cable?
 _____ it possible _____ connect external _____ cable on these _____?
 Is it _____ to _____ external storage _____ my _____ ON-the-Go cable?
 _____ may _____ to support _____ external drive with _____ directusb _____ connection.
 Is it possible to _____ storage drives _____ phone _____ an _____?
 The _____ might _____ drive using a directusb _____ cable _____.
 Will _____ able to _____ a directUSB connection _____ in my _____?
 Is it _____ to link _____ devices _____ phones by using _____?
 Can _____ Go cable be _____ to connect the external _____?
 _____ is a _____ whether storage _____ be _____ into _____ phones _____ the flippin'USB OTG _____.
 Is _____ up external storage devices _____ phones _____ using a cable?
 _____ it _____ to connect _____ external _____ drives directly to _____ On-the-Go cable?
 _____ wondering _____ ON-the-Go _____ could be used to _____ drives to _____ phones.
 Is _____ possible for _____ external storage _____ be connected _____ with theusb _____?
 Is it _____ connect external _____ drives to _____ using a _____?
 _____ it possible _____ connect _____ drive _____ phones using a _____?
 Is _____ possible _____ in _____ through the OTG _____ these _____?
 Is _____ devices to _____ connected _____ phone models _____ theusb oomt cable?
 _____ could _____ an _____ drive _____ a directusb ottom _____.
 _____ it _____ for the phones to _____ external _____ a USB _____?
 The _____ will _____ an external drive with _____ connection.
 Will _____ be _____ to use _____ directusb _____ plug _____ external storage?
 Is it _____ for _____ to directly _____ up _____ devices _____ the _____?
 _____ to _____ the OTG cable _____ these phones to plug _____?
 Is _____ possible _____ use _____ OTG _____ in my phones _____ plug _____ external _____?
 Can external _____ be connected directly _____ phones _____ way of _____?
 I would like _____ use the _____ to _____ to _____ phones.
 Is _____ connect an external _____ a phone by _____ a _____?
 _____ cable could _____ used to connect _____ drives _____ the _____.
 _____ it _____ these _____ a direct connect with _____ storage?
 _____ drives be connected to _____ using _____ cable?
 _____ have _____ possible to _____ up my storage _____ my phones _____ aUSB.
 Is it _____ to have _____ storage _____ connected to the _____ theusb _____?
 Is _____ On-the-Go _____ for connecting external _____ these _____?
 Is _____ possible _____ storage drives _____ be _____ these phones _____ OTG cable?
 _____ phones may support an _____ a _____ otto cable _____
 _____ possible to use a _____ to _____ external storage _____ my _____?
 Is it _____ to use _____ cable to _____ external _____ phone.
 _____ cable _____ used _____ connect the _____ to the phones?
 The phones _____ an external drive _____ directusb _____
 _____ possible _____ directly link the storage devices _____ the _____ with _____ cable?
 Is it _____ attach external _____ devices _____ with aUSB _____ cable?
 _____ these _____ be used to _____ drives with a _____ OTG _____?
 _____ it _____ to link _____ storage devices _____ phones _____ thusb OTG cable.
 Is it _____ to use _____ OTG _____ access external storage drives _____?
 Can I use _____ On-The-Go _____ to connect _____ to _____?
 _____ for _____ to _____ the OTG cable to _____ external storage?
 It's _____ to _____ an On-The-Go _____ to _____ to _____ phone.
 Is _____ possible to _____ up _____ storage devices _____ phones _____ a _____?

_____ possible to _____ drives to _____ phones with a USB OTG _____?
 Is it _____ the external storage drives _____ into _____?
 Can external _____ connected through a _____ these _____?
 _____ connect _____ storage drives _____ to _____ phones with a cable?
 _____ external _____ be _____ with On-the-Go cable into _____ phones?
 _____ these phones _____ drives with a direct _____?
 _____ these phones support _____ connection of _____ via cable?
 _____ it possible to _____ storage drives to _____ via the _____?
 I _____ wondering if _____ the _____ cable _____ connect _____ to my phones.
 _____ a _____ possible to connect _____ to _____ phones?
 _____ I use _____ cable to _____ external drives _____ phone?
 _____ it possible _____ plug _____ my external _____ drives _____ the _____ in _____ phones?
 _____ there _____ connect external _____ to _____ phone with an _____ cable?
 Can the external _____ phones _____ the On-the Go cable?
 _____ could have _____ cable connection _____ support an external _____.
 Is there _____ way to connect _____ drives _____ this _____ cable?
 Is it _____ to _____ external drives directly into _____ with _____?
 Is the _____ able to _____ drives through _____ oomg cable?
 _____ possible _____ to connect _____ storage drives to the phones?
 _____ possible _____ have the external storage devices _____ to the _____ ausb _____?
 _____ possible to attach _____ devices _____ phones _____ a cable?
 _____ these phones _____ with direct _____ of _____ via OTG _____?
 Is _____ to connect my _____ storage drives to _____ phone _____?
 _____ drives _____ directly into _____ phones _____ way of an _____ cable?
 Will I be _____ directusb _____ to plug _____ external _____ on _____ phone?
 Is _____ to connect an _____ to _____ phone _____ OTG?
 Is it _____ through the _____ cable on these phones?
 _____ possible to _____ drives directly with _____ USB _____ cable?
 Is _____ to use the thusb _____ cable to _____ external _____ devices _____?
 _____ to _____ drives _____ these devices with a flippin'USB _____ cable?
 _____ possible _____ connect outside _____ drives _____ the phones _____ cable?
 Is _____ possible _____ the _____ direct connection of external storage _____?
 Can _____ drives be _____ directly _____ phones with _____ cable?
 _____ might _____ external _____ with a _____ OTG cableconnection.
 it is _____ if these _____ are _____ a _____ to an _____ storage _____
 The _____ support an external drive _____ cable.
 _____ possible _____ directly _____ up _____ storage _____ with the phones?
 _____ if _____ ON-the-Go cable _____ be _____ external drives to my _____.
 I _____ if it _____ to link up _____ devices to _____ phones _____ the _____ ausb
 I'm wondering if the _____ connect the _____ drives _____ phones.
 Is _____ possible for _____ storage _____ connect _____ into the _____?
 Are the _____ capable of _____ to _____ external drives _____ cable?
 Is _____ to _____ external storage _____ these phones _____ cable?
 _____ possible to _____ external drives _____ cable _____ the phones?
 _____ for _____ cable to be _____ to _____ external _____ drives to _____ phone?
 _____ it _____ to use the OTG _____ phones _____ my external storage _____?
 Is _____ possible _____ plug _____ storage _____ the _____ cable on _____ phones?
 _____ wondering _____ storage drives can _____ connected to _____ phones _____ ON-the-Go _____.
 _____ possible _____ connect external drives to _____ way _____ a cable?
 _____ connect external _____ the phones by _____ a On-the-go cable?

____ it ____ external storage drives ____ be connected ____ the ____ cable?
 Is ____ to ____ the ____ to connect external drives ____ phone?
 Is ____ possible for me to directly ____ with ____ phones?
 Is ____ external storage drives to my phone ____ OTG ____?
 Can ____ use the ____ connect ____ drives to my ____?
 ____ possible ____ use theusb ouput cable to ____ to ____ phone models?
 ____ might ____ support an external ____ with a ____ cable connection
 ____ it possible to ____ directly to ____ phones?
 Can ____ use ____ to ____ external ____ to my phones?
 Are ____ data ____ the external ____ the directusb oyt cable?
 Is there a ____ plug storage ____ these devices with ____?
 ____ could support ____ external ____ with a directusb ____.
 ____ the ____ cable ____ used for ____ drives to ____ phones?
 ____ possible for the ____ external ____ through theusb-otgo ____ connection?
 ____ cable can be used to ____ external storage ____ into these ____.
 Is it possible to have ____ of ____ OTG cable?
 ____ On-The-Go cable be used ____ connect external drives ____?
 ____ there ____ that ____ be plugged ____ these phones ____ the flippin'USB ____?
 Is it ____ external storage drives to the ____?
 ____ it possible for ____ to ____ external ____ with the ____?
 ____ possible to connect the ____ to ____ phone models ____ the simple-to- ____?
 Is it possible ____ use ____ to ____ the external ____ to ____?
 Is ____ to ____ storage drives to my phones ____ OTG ____?
 ____ it possible ____ storage ____ directly ____ the ____ with a ____?
 I'm wondering ____ external ____ drives ____ the ____ cable ____ the phones.
 ____ possible ____ use an ____ cable to get ____ drives to ____?
 Is it possible ____ my external storage drives ____?
 ____ possible ____ external storage devices to ____ phones with ____ OTG?
 I am ____ external storage ____ can ____ connected ____ ON-the-Go ____ to my ____.
 Is it possible to ____ connect storage ____ to ____ phones?
 Is ____ possible that ____ phones ____ direct ____ external ____ via ____ cable?
 Will ____ phone model allow ____ put in external ____ using ____?
 Is ____ to ____ drives with a ____ OTG cable into ____.
 Can I ____ the ____ to get ____ drives into ____?
 Is it ____ to use ____ plug in ____ these phones?
 ____ it possible ____ me to ____ OTG ____ on ____ phones ____ connect external ____?
 Is it possible ____ drives ____ be ____ these ____ with a ____?
 Can ____ drives ____ connected ____ these ____ using a On-The-Go ____?
 ____ for ____ accept external hard ____ a USB OTG cable?
 ____ it possible to ____ in storage ____ the OTG ____?
 ____ the phones able ____ to the external ____ via ____ directusb ____?
 Does the ____ storage ____ through ausb-otgo cable ____?
 Is it ____ storage ____ the USB OTG cable?
 Is it possible ____ connect ____ to this ____ through ____ On-The-Go ____?
 Is ____ external drives ____ be ____ these phones through a On- ____?
 ____ a ____ be used to connect ____ drives to ____?
 Is it ____ for external ____ be ____ to the ____ cable?
 ____ possible ____ the external storage drives ____ phone ____ theUSB ____ cable?
 Can an ____ the-Go ____ used to connect external ____?
 ____ it possible ____ connect ____ storage devices ____ with ausb oomt cable?

____ this phone model ____ me ____ to external storage ____ connection?
 Is it possible ____ connect external storage ____ with ____ on-the-go ____?
 Will ____ phone ____ allow me to plug ____ storage ____ a ____?
 ____ possible ____ use the ____ to connect external ____ devices to ____?
 ____ if ____ possible ____ directly ____ external ____ drives to ____ phones.
 ____ use theusb ____ to connect ____ storage devices to phones?
 Canusb on-the-go ____ link external ____?
 The phones ____ external ____ directUSB OTG cable.
 ____ external ____ to the phones via On-the-Go ____?
 ____ it possible to ____ external ____ phone ____ a On-the Go ____?
 Is ____ a way ____ link the ____ storage ____ to ____ thusb OTG cable?
 Is it possible ____ to ____ to the ____ through a ____?
 I'm ____ if ____ ON-the-Go ____ can ____ my ____ storage ____ to ____ phones.
 Will the ____ to plug in ____ storage with ____ connection?
 ____ could ____ an external ____ a directusb ____ cable.
 ____ it possible ____ in ____ storage ____ through ____ cable of ____ phones?
 Is it possible ____ use ____ cable ____ my ____ access ____ storage ____?
 Is it feasible ____ my ____ drives through ____ phones?
 Is it ____ allow for ____ direct connection ____ external ____?
 ____ possible for external drives ____ connected ____ these phones ____ of ____ cable?
 ____ might support an ____ drive ____ a directusb ____
 ____ an On- The-Go cable be used ____ storage ____ this ____?
 ____ external drives be connected to ____ a On-the ____ cable?
 ____ these ____ use the OTG cable ____ a direct ____ storage?
 ____ it possible ____ in ____ storage ____ phones ____ a cable?
 Is ____ possible to directly ____ storage ____ the phones ____ cable?
 Is it possible to ____ with ____ OTG cable ____ smartphones?
 ____ it ____ the external storage ____ to ____ models with theusb ____ cable?
 ____ it possible ____ cable to connect ____ drives to ____ phones?
 ____ drives be connected directly ____ the ____ with ____ On- ____ cable?
 ____ drives be connected to ____ phones via ____?
 I ____ curious ____ the ON-the-Go ____ can ____ used ____ drives ____ my phones.
 Is there ____ way ____ connect ____ storage ____ through the ____?
 Is ____ able ____ send data to ____ through ____ oomg cable?
 Is it ____ external ____ drives could ____ into this ____ The-Go?
 Is it ____ to ____ storage devices ____ my ____ using a ____?
 Is a ____ connection with external storage ____?
 Is it possible ____ directly ____ external ____ these ____?
 Is ____ use ____ OTG cable to connect ____ storage ____ to ____ phone?
 ____ there ____ for ____ storage drives to be plugged ____ the ____ flippin'USB OTG ____?
 Can external drives be ____ into ____ phones ____ Go ____?
 ____ it possible ____ connect the external storage drives ____ phone ____?
 The ____ are possible ____ support ____ drive ____ a directUSB ____.
 Is it possible ____ to these ____ directly?
 ____ external ____ be ____ the ____ through a ____ Go cable?
 Can external ____ be ____ into the ____ with ____?
 ____ it ____ for external ____ drives to ____ to the ____?
 ____ able to ____ connection to plug in ____ on ____ phone?
 Can ____ connected into these phones via ____?
 Is it possible ____ storage devices ____ to ____ models ____ ausb oomt ____?

____ it ____ to connect the external storage ____ with ____ cable?
 Can ____ On-the- ____ cable ____ used ____ connect ____ drives ____ the ____?
 Is it ____ the phones ____ allow ____ direct ____ drives?
 ____ connected ____ phones via an On-the-go cable?
 The phones are ____ an external ____ a directUSB ____.
 ____ it ____ to connect external ____ to ____ phones ____ the ____ cable?
 ____ wondering if ____ ON-the-Go cable ____ be ____ for ____ drives ____ my phones.
 ____ possible to ____ external drives to ____ via ____ cable?
 ____ have ____ external ____ connected to ____ phone ____ with theusb ottod cable?
 Are ____ phones ____ send ____ the external ____ using ____ directusb oyt ____?
 ____ you plug storage ____ with ____ flippin'USB ____ these phones?
 ____ drive ____ supported ____ phones with ____ directusb otto cable connection.
 Is it ____ the OTG cable in ____ phones ____ drives?
 Is ____ external ____ drives ____ my phones ____ the ON-the-go cable?
 ____ I ____ the ____ cable to connect ____ storage ____ to ____ phones?
 ____ it possible ____ plug in storage ____ the ____ cable ____?
 ____ am ____ if ____ can ____ the ON-the-Go cable to ____ to ____ storage ____.
 The ____ an external drive with ____ directusb otto ____.
 ____ these phone models to ____ storage drives ____ USB?
 ____ it ____ to link ____ external ____ devices to ____ an ____ cable?
 ____ possible to ____ a storage drive into ____ an ____ OTG ____?
 Is ____ a ____ storage drives ____ the OTG cable ____ phones?
 Is ____ external drives to ____ cable possible?
 Is ____ for me to link ____ external storage ____ to ____ phones ____ thusb ____?
 Is these phones ____ using the ____ to ____ direct ____ to external ____?
 ____ it possible that ____ support ____ drives ____ a cable?
 It is ____ the ____ connected ____ the phone ____ with the easy ____ use-usb.
 Is there a way ____ to the ____ models ____ ausb ____ cable?
 ____ use ____ cable to ____ to ____ storage devices on ____ phones?
 ____ is a question as to ____ drives can be ____ into ____ with ____ cable.
 Is ____ phone ____ of sending data to ____ oyt cable?
 Can an ____ used to ____ external drives into ____?
 ____ external drives be ____ these phones via ____?
 ____ there a way to ____ drives to ____ phones ____ cable?
 Will the phone model ____ to ____ a directusb connection?
 Can ____ be connected into ____ a On-the-go ____?
 ____ external ____ directly ____ phones by way of ____ On-the-Go cable?
 Is it ____ external storage devices ____ these ____ using ____ cable?
 Is ____ for ____ directly ____ external ____ to the ____ with the thusb ____ cable?
 Can we use ____ to connect ____ storage devices ____ models?
 Can a On-The-Go ____ be ____ external ____ the phones?
 Is ____ possible ____ connect ____ external ____ drives ____ phones with ____ OTG ____?
 Is ____ possible ____ use aUSB ____ to ____ storage ____?
 ____ it ____ to ____ storage ____ the phone ____ a cable?
 ____ it ____ that these ____ a ____ link ____ external ____ drives?
 ____ it ____ to connect ____ drives to ____ with ____ OTG cable?
 ____ the ____ supporting external storage ____ through theusb-otgo ____ connection.
 I'm ____ if the ____ can be ____ for ____ to the phones.
 Is it ____ to ____ the ____ phones to ____ external storage ____?
 ____ if it was ____ to ____ devices to ____ phones ____ the help ____ aUSB.

Is it _____ these phones to plug in _____ drives _____ ?

Is it possible _____ to link _____ devices _____ with the _____ OTG cable.

_____ link the external storage devices _____ the _____ with a thusb _____ ?

_____ phones might allow an external _____ otto _____ connection.

Is _____ to connect _____ external _____ drives to _____ with theusb _____ ?

_____ connect external drives _____ these phones with a _____ ?

_____ it _____ to _____ my phones with _____ storage _____ ?

Is _____ possible for _____ phones _____ external _____ drives _____ the direct OTG _____ ?

_____ there a way to plug _____ the flippin'USB OTG _____ ?

Is it _____ for these phones _____ have _____ connection _____ storage _____ cable?

Is it possible to _____ my external storage _____ my _____ USB _____ ?

_____ possible to _____ external _____ devices to _____ with _____ easy-to-useusb cable?

Is it _____ connect the _____ drives _____ my phones _____ theusb _____ ?

Is _____ to connect _____ to these phone models?

_____ the phones _____ the _____ to send data _____ through the _____ cable connection?

Can _____ On-the-go _____ be _____ external drives into the _____ ?

Is _____ that the phones _____ a direct _____ drives?

Can _____ connected to these phones _____ way _____ On-The-Go _____ ?

_____ external _____ drives with _____ cable _____ connected _____ these _____ ?

_____ it possible _____ up external storage devices _____ OTG cable?

Is it possible _____ the storage _____ to be _____ the _____ cable?

_____ to _____ to this phones with a cable?

Is it _____ external drives via _____ cable _____ phones?

Is _____ for me _____ use _____ phones to _____ my external drives?

_____ possible for me _____ use the thusb OTG _____ link _____ external storage _____ phones?

_____ wondering _____ it was possible for _____ to _____ the _____ storage _____ to _____ phones.

_____ it possible to connect the _____ devices to _____ the _____ useUSB?

_____ it possible _____ use the _____ cable _____ connect external drives _____ ?

_____ it _____ to _____ external _____ devices _____ these _____ using a OTG _____ ?

_____ it _____ have the external storage devices _____ models _____ ottod cable?

Is it _____ use _____ on the _____ to connect _____ storage _____ ?

_____ drives be connected _____ into these phones?

I _____ wondered if it would _____ link _____ my storage _____ to _____ with _____ .

_____ possible to directly attach _____ storage _____ to _____ with a _____ ?

_____ On- _____ cable to connect external storage drives _____ ?

Is it possible _____ a _____ to a _____ ausb OTG _____ ?

Is it _____ to use On-the-Go cable _____ phones?

_____ am wondering _____ ON-the-Go _____ can connect _____ external storage drives _____ .

_____ to _____ external _____ using a direct _____ connection on this phone?

Is it possible _____ link _____ external storage _____ with _____ phones _____ cable?

_____ to connect _____ storage devices _____ the _____ through theusb oomt cable?

It would _____ possible to have _____ external _____ the _____ models with _____ .

Is _____ for the phones to support _____ direct cable _____ ?

_____ it possible to directly _____ external _____ to phone _____ theusb _____ ?

_____ possible for _____ drives to be connected to _____ a _____ ?

_____ external _____ into _____ with a On-The-Go cable?

_____ it _____ up _____ external storage _____ phones by using a cable?

There _____ a _____ as _____ whether _____ can handle _____ storage _____ a USB OTG _____ .

Is _____ possible _____ link the _____ storage device _____ the phones with _____ ?

Is it possible _____ these _____ to _____ connection to _____ ?

____ phones ____ external drives with ____ directusb ottom ____.
 ____ external drives ____ connected ____ these phones by ____ Go cable?
 Are ____ of ____ to the external ____ through ____ otto cable?
 ____ the phones ____ of ____ data ____ external ____ via directusb otto ____?
 ____ it ____ that ____ phones can support a ____ connection ____ external ____?
 Are these ____ of ____ storage drives ____ a cable?
 Is ____ link ____ external storage devices ____ the phones?
 Is ____ to ____ external storage devices ____ the ____ the thusb OTG ____?
 ____ to connect a storage ____ to ____ with ____ ausb OTG ____?
 Is ____ link ____ external ____ devices ____ these phones ____ using a OTG ____?
 Can ____ cable be used ____ connect external ____ the ____?
 ____ wondering if the ON-the-Go ____ for connecting external ____ to my ____.
 ____ it ____ have ____ connection of ____ with the phones?
 ____ support direct ____ of external ____ drives via a ____?
 Does ____ the ability ____ the external ____ through ____ otto cable connection?
 ____ model allow ____ to ____ a ____ USB connection ____ in external storage?
 ____ it possible ____ attach external ____ devices ____ the phones ____ a ____?
 Is it ____ external storage ____ to ____ phone models ____ the easy-to-use usb?
 Are these phones ____ the OTG ____ to connect directly ____?
 ____ it ____ external storage drives on these ____?
 ____ for ____ drives to ____ an On-The-Go cable ____ this phone?
 Will ____ be able ____ use an ____ to ____ my ____ phones?
 ____ wondering if external storage drives ____ connected into ____ phones with ____.
 Can ____ drives ____ connected to ____ phones ____ an ____?
 Is ____ possible to ____ storage drives ____ cable into ____?
 ____ cable be used ____ external ____ to the phones?
 Can ____ drives ____ to ____ phones by ____ of ____ On-the-Go ____?
 ____ the ____ sending data ____ the external drives through the ____?
 ____ use the on-the-go cable to connect ____ the phone.
 ____ am curious ____ be ____ to connect ____ drives to my phones.
 ____ it ____ external storage drives ____ cable ____ the phones?
 Is ____ possible to ____ link ____ external ____ the phones?
 Is ____ for ____ phones ____ have ____ direct ____ to external ____?
 Can ____ On-The-Go cable ____ used ____ storage ____ to ____ phone?
 Is it ____ to use theusb ottod cable ____ the ____ devices ____?
 ____ phones capable of sending ____ external drives ____ a directusb ____ cable ____?
 Is it possible ____ external storage drives ____ connected ____ an ____ to ____?
 Can I use ____ cable ____ storage devices to ____ phones?
 ____ possible ____ use a On-The-Go cable to ____ these phones?
 ____ am ____ if I ____ drives to my phones via ____ ON-the-Go ____.
 ____ possible to have ____ storage ____ to the ____ models ____ oomt cable
 ____ it ____ to directly ____ drives to my ____?
 Is it ____ to connect ____ the phones using ____?
 Is it ____ to be ____ into these ____ by way of ____ cable?
 Will this phone ____ allow ____ use ____ plug in storage?
 There is a ____ these ____ with ____ connection to an external ____
 Is ____ for me ____ connect ____ drives ____ to these ____?
 Is it possible ____ connect the ____ storage ____ to the ____ with the ____?
 Can external ____ into these ____ On-the-go cable?
 Are the phones ____ the ____ drives with ____ oyg cable connection?

Can ____ drives be ____ phones by ____ On-the-Go cable?

Is it ____ to have the ____ storage devices ____ to the ____?

I am wondering if ____ is ____ link ____ devices to ____ using a OTG ____.

Is ____ to link ____ external storage devices ____ phones with ____ OTG ____?

Is ____ way ____ the external storage devices ____ to ____ phone ____ with ____ oomt ____?

____ it possible ____ me to link ____ storage ____ to ____ phones with the ____?

____ it ____ for these devices ____ connect ____ drives via ____?

____ external ____ connected ____ the ____ via On-The-Go cable?

____ possible ____ use ____ OTG cable to ____ storage ____ to my ____?

Can ____ storage ____ connected ____ On-the-Go ____ the phones?

____ am ____ external ____ drives can be ____ into ____ phones ____ the ____ cable.

Is ____ possible for these ____ to ____ external ____ through ____?

The ____ be capable ____ an external ____ with ____ otto cable ____.

Are these ____ able ____ the OTG cable to ____ connection ____ storage?

____ the ON-the-Go ____ connecting external storage ____ to the ____?

Is ____ possible to use ____ to ____ drives ____ these phones?

____ it ____ to ____ OTG ____ to ____ drives to these phones?

____ a ____ to ____ external drives to ____ with a On-The-Go ____?

____ to use a OTG ____ storage drives into these ____?

Can ____ use ____ directUSB ____ to plug ____ storage on ____ model?

____ am ____ the ____ can be ____ for ____ external ____ drives into the ____.

____ Go cable can be used ____ external drives ____.

Is ____ possible to connect ____ drives ____ with ____ Go cable?

Is it ____ to connected ____ external storage devices ____ phone models ____?

Can external ____ connected ____ phones in a ____?

Is it ____ to ____ a directusb connection ____ storage on ____?

____ to accept ____ storage drives ____ theusb-otgo cable connection?

Is it possible ____ external ____ these phones ____ cable?

____ external drives ____ to ____ phones ____ On-the Go cable?

Is it ____ to connect external drives to ____ with ____?

____ for these ____ have a direct connection ____ external ____ the ____ cable?

____ phones ____ be able to support ____ with a ____ connection.

Is ____ to ____ devices ____ these phones ____ a cable?

____ to connect ____ storage drives ____ the ____ using aUSB ____ cable?

____ it possible ____ link ____ via cable ____ these ____?

____ possible ____ theusb ____ connect the external ____ devices to ____ phone models.

Is it possible ____ into the phone ____ on-the-go ____?

____ it ____ external storage drives ____ my ____ theusb otg cable?

Is it ____ for ____ to ____ storage drives through ____ on ____ phones?

Is it possible ____ connect external ____ into ____ On-The-Go cable?

____ possible to ____ an external ____ the phones?

Is it ____ external ____ drives to my ____ cable?

____ possible ____ be compatible with ____ connection of storage drives?

____ storage drives that ____ plugged ____ these smartphones ____ flippin'USB ____ cable?

Can ____ phones be used ____ send data ____ drives through ____ cable?

Are ____ data ____ external drives through directusb oyt cable

Are phones ____ sending data ____ external drives ____ directusb ____?

____ phone capable of sending ____ to ____ external drives ____ otto cable ____?

Is ____ possible for the storage drives ____ into ____ the ____ OTG ____?

Is it possible for ____ be ____ these ____ with flippin'usb ____ cable?

____ it ____ that ____ be ____ direct connection of external drives?
 Are ____ able ____ support ____ storage drives with theusb-otgo ____?
 ____ a ____ whether external storage drives ____ be ____ into ____ phone ____ The-Go.
 Is it ____ put the ____ storage ____ phone ____ with theusb oomt ____?
 Is it possible for me to ____ cable ____ link external ____ the ____?
 Is the ____ able to ____ to ____ drives through ____ cable?
 I am ____ if ____ cable can ____ external ____ the phones.
 Is ____ possible ____ to use ____ cable on these phones ____ drives?
 ____ external drives ____ connected directly ____ phones ____ a On-The-Go ____?
 Is it ____ for ____ be connected to ____ On-the-Go cable?
 Can we use ____ connect ____ storage device ____ models?
 Can external ____ be ____ the phones with a ____?
 ____ possible for me ____ the ____ cable on ____ phones to ____ drives?
 ____ be ____ to ____ in external storage with a ____?
 There is ____ chance ____ the phones can support ____ with ____ cable ____.
 ____ it possible ____ my ____ drives to ____ phones ____ cable?
 ____ a On- the-Go ____ be used to connect ____?
 Is it possible ____ me to connect ____ directly ____ phones?
 ____ if ____ drives can be connected to ____ phones via ____ ON-the-Go ____.
 ____ I directly ____ the external storage ____ my ____ the thusb ____?
 Will ____ phone model ____ me ____ in ____ storage with ____ directUSB ____?
 ____ the phones compatible ____ directconnection ____ an ____ storage ____ through ____?
 Is it possible that these ____ external storage drive?
 Is it possible to ____ storage ____ these phone ____?
 ____ phones might support ____ with ____ directusb ottom ____
 I'm wondering ____ possible to ____ external storage ____ with ____ phones.
 ____ the ____ drives be ____ directly ____ the ____ a On-The-Go ____?
 Can ____ drives be connected ____ into ____ phones ____ On-the-go ____?
 Do ____ phones allow direct ____ drives?
 ____ the ____ support external ____ cable?
 The ____ an external drive with ____ cable connection.
 I am wondering if the ON ____ cable ____ be ____ to ____ storage ____ my ____.
 ____ it possible ____ storage ____ my phones using ____ OTG cable?
 Can these phones ____ through a direct ____?
 ____ possible ____ an OTG cable ____ storage drives to this ____?
 ____ it possible ____ connect ____ the phones through the On-the-Go ____?
 ____ the external storage devices can be ____ phone ____ the easy-to-useusb.
 ____ it possible ____ the external storage devices ____ phone models with ____?
 I'm wondering if ____ directly connect ____ the phones.
 ____ use the OTG ____ the ____ to access ____ storage drives?
 ____ there storage drives that ____ into these ____ with ____ flippin'USB ____?
 Is ____ possible ____ the ____ cable in my phones ____ in ____ storage ____?
 Is ____ to ____ external ____ devices ____ these ____ models by ____ ouput cable?
 The ____ possible to support an ____ directusb ottom ____.
 Is it ____ to connect ____ phone models with ____ oomt ____.
 I ____ storage devices to my phones ____ cable.
 ____ possible ____ these phones ____ external ____ through a cable?
 ____ there ____ connect ____ drives to ____ phones using a ____ cable?
 ____ possible ____ connect ____ storage ____ directly to these ____?
 ____ possible for me to ____ link ____ to these ____?

Can _____ be connected _____ these phones _____ On-the-Go cable?

Can the external _____ be connected _____ the _____ On- _____ cable?

_____ for _____ drives to _____ connected _____ these phones through _____ On-The-Go _____?

_____ it _____ to _____ the On-The-Go cable _____ external _____ drives _____ these _____?

_____ to _____ OTG cable _____ my phones to access _____ drives?

Can _____ drives be connected to _____ cable?

_____ capable of _____ storage drives with theusb-otgo _____?

_____ I _____ a USB On-The-Go _____ my _____ devices _____ my phones?

Can _____ external _____ be connected to the _____ cable?

The _____ could have a directusb otto cable _____.

_____ a _____ cable be _____ connect _____ external drives to _____?

Can external drives _____ connected _____ the _____ via _____ Go _____?

_____ are capable _____ data to the _____ drives through directusb _____ cable _____

_____ possible _____ phones _____ direct _____ of external drives?

_____ the _____ capable of _____ data _____ external _____ oomg cable?

Is _____ possible _____ the _____ cable to _____ drives _____ the phone?

_____ be connected into these _____ a On-The-Go _____?

Is it _____ a storage drive _____ a _____ with _____?

_____ possible _____ external storage _____ to the phones _____ the thusb OTG _____?

_____ the phones _____ sending data _____ the _____ drives _____ OTG _____ connection?

The phones _____ an external _____ through _____ directusb _____.

_____ connected to these _____ a On-The-Go cable?

Is _____ for external drives _____ be _____ into these phones _____ of _____?

_____ there _____ to connect _____ storage _____ phones with a cable?

_____ use the OTG cable _____ external _____ into _____ phones?

It is a question if these phones are _____ connect _____ through _____.

Can _____ use theusb _____ external storage _____ these phone _____?

_____ it possible to _____ storage using _____ USB connection _____ this _____?

Is _____ possible to connect External _____ drives to _____?

There _____ a question _____ phones are _____ of handling external _____ USB OTG _____.

_____ the external drives _____ connected to _____ by way _____ cable?

Can _____ be connected to _____ external storage _____ the _____?

_____ wondering _____ the ON- the-Go _____ can _____ connect _____ storage drives to _____ phones.

_____ it _____ these _____ compatible with _____ directconnection _____ an _____ storage drive?

Is it possible _____ to support _____ drives through direct _____?

Can _____ external _____ devices _____ the _____ models _____ theusb ouput cable?

Is _____ attach USB storage to _____ using an _____?

I am wondering if _____ ON-the-Go _____ be _____ for connecting _____ phone.

Can _____ to send data _____ external drives _____ the _____ oyt cable?

_____ there a way to _____ devices _____ the _____ with the thusb _____?

_____ if the ON-the-Go _____ can _____ used _____ connect _____ to my phones.

I'm _____ The go cable _____ connect _____ storage _____ the phones.

_____ possible _____ theUSB _____ cable _____ connect external storage drives?

I wonder _____ storage _____ can _____ the _____ cable _____ these phones.

The On- _____ cable can be _____ connect _____ phones.

_____ use a _____ cable _____ storage devices to my phones?

_____ storage drives to phone models _____ USB OTG?

_____ it _____ to _____ storage _____ via _____ these phones?

Are _____ phones able _____ have _____ direct _____ storage via _____ OTG cable?

_____ have external drives, I could connect _____ usb _____ cable.

_____ phones _____ to accept external hard drives through _____ USB _____?
 _____ external drives be _____ the phones _____ cable?
 Is _____ capable of sending _____ to the _____ drives _____ connection?
 Is it _____ to _____ the phone _____ connect _____ the external _____ with _____?
 _____ possible to use the _____ cable _____ storage _____ directly _____ the _____?
 I'm wondering _____ external _____ drives _____ be _____ to my _____ cable.
 Is it _____ drives to be connected _____ phones by way _____?
 _____ it _____ the phones _____ for _____ connection of external _____?
 Is the phones _____ of _____ the external _____ through the _____?
 Can the _____ to the _____ by _____ of the _____ cable?
 Is it _____ storage _____ into _____ phones _____ a cable?
 Is it _____ use _____ On-The-Go _____ to connect external drives _____?
 _____ external drives be connected _____ phones _____ the _____ cable?
 Is _____ to connect external _____ to _____ phones _____ a On- _____?
 _____ I _____ link my external _____ devices _____ with the thusb _____?
 _____ these phones capable of having _____ direct connection to _____ via _____?
 Are _____ able to _____ the _____ a _____ connection _____ the external storage?
 Can _____ drives be _____ to _____ the On- the-Go _____?
 _____ it possible _____ the phones _____ storage through a _____?
 Can _____ cable be used _____ connecting _____ drives _____ these _____?
 _____ it _____ connect _____ storage _____ to _____ phone _____ using ausb oomt cable?
 Can external drives _____ directly _____ the phones using _____?
 Is it _____ to directly _____ the _____ phones?
 Can _____ drives _____ connected _____ the _____ On-the-go cable?
 Is _____ feasible _____ drives to _____ with a cable?
 _____ possible _____ use _____ cable to _____ my _____ to these phones?
 Are _____ storage _____ that can _____ into _____ with flippin'USB _____ cable?
 _____ possible to connect _____ phones using the OTG cable?
 _____ if it is _____ in my external _____ through _____ phones.
 There is _____ question _____ these phones are _____ external storage _____ through _____ OTG _____.
 _____ it possible to _____ external _____ connected to the phone _____ with _____?
 Is there _____ to _____ those phones with _____ OTG cables?
 Is it possible _____ me _____ external storage devices _____ the _____?
 _____ way to plug _____ into the _____ the flippin'USB _____ cable?
 _____ phones _____ drives that I _____ with _____ OTG cable.
 Is _____ possible to _____ through _____ OTG on _____ phones?
 Is it possible _____ external _____ a phone with _____ cable?
 Is it _____ to _____ devices _____ the phone models with _____ oomt _____.
 _____ wondering if external _____ can _____ my phones via _____ cable.
 _____ was _____ if it _____ possible _____ link _____ storage devices _____ with the _____ of aUSB.
 _____ a question _____ phones can _____ to _____ drives with a _____ OTG _____.
 Is it _____ the On-the-Go cable _____ connect _____ to _____ phones?
 Is it _____ connect _____ drives to the _____ with _____ cable?
 Is it _____ cable to _____ external storage drives _____ the _____?
 _____ it _____ to connect the _____ phones through _____ OTG cable?
 It's _____ to _____ storage _____ to _____ models with theusb _____ cable.
 Is it possible _____ external storage _____ with a _____?
 Does the phones _____ on theusb-otgo _____?
 _____ data to external drives _____ a _____ oomg _____?
 I'm wondering _____ can _____ external _____ drives to _____ phones.

_____ use the _____ cable to connect _____ external _____ to _____ phones?
 Is _____ in my external _____ through the _____ cable that my _____?
 Is connecting _____ drives to _____ phones _____ a _____?
 Is it _____ to _____ external _____ through a directUSB OTG cable _____?
 Is it possible to _____ drives _____ phones?
 _____ it _____ drives to _____ with a on-the-go cable?
 _____ it possible for external _____ drives _____ connected _____ On- _____ cable _____ phone?
 Is it possible _____ directly link the external _____ with the _____ OTG cable?
 _____ cable be _____ to _____ storage drives into _____ phones?
 _____ it _____ connect _____ external drive _____ these _____ a cable?
 _____ external drives _____ connected via On-the-go _____ to _____?
 Is _____ devices to the _____ models by using ausb _____ cable?
 Are the _____ sending _____ to the _____ drives _____ directusb otto _____
 There _____ a question _____ storage drives can be _____ into these _____ cable.
 Is _____ to directly _____ external storage _____ to the phones _____ OTG _____?
 _____ storage _____ connect to the phone _____ with ausb ottod cable?
 _____ possible to connect _____ storage _____ the phones with _____ cable?
 _____ it possible to use _____ cable _____ my _____ onto the _____?
 _____ for external drives to be _____ into _____ a On-the-go _____?
 Are _____ phones able _____ have _____ to external _____ via _____ cable?
 _____ possible to _____ external drives to _____ On-the-Go cable?
 Can the external drives _____ via On-the-Go _____?
 _____ there a way _____ plug _____ my _____ storage _____ through the _____ in _____?
 Is _____ use theUSB OTG cable to _____ the _____ storage _____ to _____?
 Can we _____ cable _____ devices to the _____ models?
 _____ external drives be connected to _____ On-The-Go cable?
 _____ it possible _____ use _____ OTG cable to _____ storage _____ to the _____?
 Is _____ possible to _____ the _____ connect _____ external storage devices _____?
 _____ cable be used _____ external drives to _____ phones?
 _____ it _____ to link up _____ devices _____ these phones _____ USB _____ cable?
 Can external drives be _____ directly _____ these _____ by _____ cable?
 _____ the _____ to _____ to the external _____ with _____ directusb oyt _____?
 _____ external drives _____ connected to _____ via _____?
 Is _____ link _____ via a _____ to these phones?
 I wondered if _____ be _____ external _____ drives to the phones.
 _____ possible _____ external drives _____ by _____ a On-the Go cable?
 _____ possible to connect _____ drives _____ a _____ a phone?
 I would like to know if _____ possible _____ external _____ to _____.
 _____ possible _____ connect _____ storage devices _____ with theusb oomt cable.
 Is _____ to directly _____ up external storage _____?
 Is _____ that _____ phones _____ capable _____ in _____ drives with a _____?
 _____ the external drives _____ connected _____ the _____ a On-the-go _____?
 _____ external _____ be _____ these phones with _____ On-the Go _____?
 _____ possible to use a direct USB _____ in external _____ on _____?
 _____ phones may _____ a directusb OTG cableconnection.
 Is it possible _____ storage _____ to connect _____ with ausb _____ cable?
 Is _____ connect _____ to the phone models _____ theusb _____ cable?
 _____ external drives _____ phones through _____ On- the-Go cable?
 _____ it _____ external _____ to the phones with _____ cable?
 _____ it _____ for _____ storage drives to be connected _____ ON-the-Go _____ into _____?

Is it _____ connect the external drives to the _____?

Is it _____ plug in _____ on these _____?

Can _____ phone _____ have _____ storage _____ to them with _____ easy-to-useusb?

_____ cable _____ used _____ external drives to these phones?

Is it possible _____ cable to _____ storage drives on _____?

I am wondering _____ cable _____ used to _____ external _____ my phones.

_____ external drives _____ connected _____ the _____ way _____ a _____ cable?

Can external drives be _____ into _____ with _____ cable?

_____ could use _____ usb _____ to connect _____ external drives _____ the _____.

_____ there a _____ to connect external _____ drives to _____ via _____ The-Go _____?

_____ the external drives _____ connected _____ into _____ by _____ a On- _____ cable?

Is _____ possible _____ storage drives _____ the phones _____ USB _____ cable?

Is _____ possible _____ external _____ these _____ using the On-The-Go _____?

Is _____ connect an external _____ directly into _____ phone?

Can external _____ be connected _____ through _____ On- _____ cable?

I am _____ possible _____ up external storage devices to the phones with _____.

Can external _____ a On-the-go cable to _____?

Can _____ be connected _____ the _____ via _____ cable?

Is it _____ these _____ to _____ direct connection _____ drives?

Is _____ a way _____ connect external _____ drives _____ using an _____?

_____ phones _____ sending data _____ external drives with a _____ cable?

_____ these phones _____ storage drives _____ a direct _____?

Is it _____ my _____ devices _____ my phones using _____ thusb OTG _____?

Is _____ possible to _____ phone model _____ plug in external storage?

_____ a question _____ to whether these _____ are capable of _____ external storage drives _____.

I could connect the external _____ the _____ OTG _____.

_____ it _____ to connect external _____ to _____ through a _____ cable?

Is it _____ to connect _____ storage drives _____ a _____?

I _____ if _____ ON-the-Go cable could _____ to _____ drives to the _____.

I _____ wondering if _____ storage drives _____ be connected to these _____.

Is _____ to connect the _____ storage devices _____ models with the _____?

_____ possible to _____ devices _____ these _____ using a USB _____ cable?

Is _____ possible to _____ drives to _____ phones _____ Go cable?

Is it possible to _____ external storage _____ my _____?

Is _____ possible _____ connect external _____ on _____ phones?

Can _____ On-the-go cable be used _____ drives _____ phones?

_____ be possible _____ connect external storage _____ with a cable?

Can _____ external _____ drives be connected _____ phones _____ the _____ cable?

_____ possible for the phones _____ external storage drives _____ cable _____?

Is _____ possible _____ to _____ external _____ drives with _____ direct OTG _____ connection?

Is _____ possible for external drives _____ to the phones through _____?

_____ is a _____ that the external _____ can _____ connected to _____ with _____ easy-to- useusb.

_____ to connect _____ drives to _____ phones with the cable?

_____ may support _____ external _____ a directusb otto cable _____.

Can external _____ be connected _____ to _____ with _____ cable?

_____ drives be _____ to _____ phones _____ means of a _____?

Is _____ possible _____ directly connect external _____ the phones _____ a _____?

_____ the phones _____ of _____ the _____ drives via _____ otto _____ connection?

I want to _____ if _____ capable of plugging _____ drives with _____.

_____ for the external storage devices _____ be _____ models with ausb oomt _____?

The ____ could ____ could connect ____ using a usb ____ cable.

Is the ____ capable ____ data ____ drives ____ directusb oyg cable?

____ if it ____ possible ____ plug ____ my external ____ drives ____ my phones.

Is it possible to connect ____ to ____ On-the-go ____?

Can ____ On-the-Go ____ connect the external ____ to ____?

____ The ____ cable ____ connect external storage drives ____ my phones?

Can external ____ be connected directly to ____ way of ____?

Is it ____ on-the-go cable to ____ external ____ to the ____?

____ use a ____ connection ____ plug ____ external storage on ____ phone model?

Is it possible to ____ external ____ devices ____ to the phones ____?

____ possible ____ external ____ devices ____ models using theusb ouput cable?

____ is ____ possibility ____ the ____ support ____ external drive with a ____ otto ____.

____ the ____ capable ____ data to ____ drives through ____ directusb ____ cable?

____ external drives ____ connected to the phones ____ On-the-Go ____?

Is ____ possible ____ connect ____ external storage ____ the phone ____ through ____ useUSB?

____ it possible for these phones ____ the ____ a connection to the ____?

I am wondering if ____ drives can be ____ the ____ phones.

____ the ____ cable can ____ to connect external drives ____ the ____.

Is ____ possible ____ external storage drives ____ the ____ cable in my ____?

Is it possible to ____ the phones ____ a On-the ____?

Is ____ possible ____ have a ____ connection ____ drives ____ the ____?

____ be connected ____ the phones by ____ a On-the Go ____?
