 _____ you recommend _____ any industry-wide _____ payroll metrics?
 _____ industry benchmark exist _____ payroll _____?
 While _____ firm's performance _____ metrics analysis, _____ there _____ specific benchmarks _____ look _____?
 We _____ standards to assess the payroll _____.
 _____ we _____ at our performance _____ payroll _____ might consider _____ industry benchmark.
 _____ industry measures that should be _____ into account _____ payroll _____.
 When _____ at payroll metrics _____ there any _____?
 Do you suggest _____ industry-wide _____ payroll metrics?
 _____ payroll metrics, should _____ standards be taken _____?
 _____ need _____ standards for evaluating _____ company's _____ payroll metric analysis?
 In scrutinizing our company's performance _____ analysis, _____ us on _____ industry _____?
 _____ there any _____ or _____ that we can _____ to _____ well _____ company is doing _____ metrics?
 If we _____ to assess _____ performance _____ payroll _____ should we _____ account _____ yardsticks or accepted benchmark
 _____ standards do _____ need _____ in _____ our payroll performance?

Is there any benchmark _____ that we _____ use _____ firm's performance _____ on _____ ?
 _____ using _____ metric _____ data, _____ we take _____ account _____ established _____ or accepted _____ from _____ field?

Does our _____ be assessed _____ analysis _____ on _____ standards?

Should _____ at specific standards _____ analyzing _____ well _____ on payroll?

Is _____ industry measure for assessing _____ metrics?

_____ there _____ standards _____ our company's payroll _____ analysis?

Should we be looking at _____ payroll _____?

When _____ our _____ performance through payroll _____ do _____ industry _____?

We want to appraise our _____ payroll performance, but _____ standards _____.

Should _____ consider industry or _____ when analyzing payroll _____?

Do _____ think _____ should follow _____ industry-wide _____ for _____?

Do we _____ consider _____ standards _____ company's performance _____ metric analysis?

_____ at our performance in _____ analysis, we might _____ standards.

_____ industry _____ we can use _____ assess performance _____ on payroll _____?

_____ looking at payroll _____ we consider industry _____?

When _____ should we _____ the standards _____ by _____ industry?

When evaluating _____ performance _____ on payroll, _____ have any _____?

When _____ payroll _____ analysis, should _____ or standards?

_____ it _____ for your line _____ to adhere _____ specific _____ during the evaluation of _____ related to _____?

Benchmarks set _____ the _____ measures should _____ consider when _____ payroll _____?

_____ evaluating _____ metrics _____ should _____ in standards?

Should _____ payroll performance _____ industry standards?

_____ evaluating _____ performance through payroll _____ analysis, are _____ standardized benchmarks _____?

Do we need any _____ metrics _____ gauge _____ payroll _____?

_____ think _____ should _____ industry-wide benchmarks _____ evaluating _____ payroll metrics?

Can there _____ for assessing payroll _____?

Refer to benchmark figures _____ industry _____ when _____ company performs _____ on its payroll _____.

When analyzing _____ consider _____ standards?

Can _____ benchmarks be _____ metrics analysis?

_____ there a _____ take _____ measures _____ account _____ payroll metrics?

Does it _____ sense _____ look _____ industry standards to _____?

_____ we use payroll _____ assess our company's performance, should _____ take _____ account any _____?

We might _____ industry benchmarks _____ we _____ our _____.

_____ a _____ follow certain _____ when evaluating payroll metrics?

_____ industry standards _____ based _____ payroll data should be _____.

Is it _____ at industry standards _____ judge our _____ payroll _____?

Is there _____ information _____ industry _____ that _____ to appraise our company's _____?

_____ measure payroll performance _____ our _____?

What standards should we consider when _____ well our _____ payroll _____?

If _____ at _____ payroll metrics analysis, we _____ consider the _____ benchmarks.

Can _____ about any _____ benchmarks _____ standards _____ we should take _____ payroll metrics _____ our company?

Should our company _____ standards to _____ performance?

Should we _____ established _____ company's performance through payroll _____ analysis?

What standards should we _____ to _____ performance?

Is _____ a _____ check industry _____ payroll metric analysis?

_____ line _____ work _____ follow specific _____ during _____ evaluation of payroll metric analysis related _____ performance?

What _____ should _____ look at _____ payroll performance?

Are there any _____ we need _____ consider _____ evaluating _____ performance _____ analysis?

Are _____ standards _____ are relevant to _____ metrics analysis?

_____ we're looking _____ analysis, we might _____ benchmarks.
 To _____ our company's payroll metrics _____ insights into _____ standards?
 Is _____ any _____ should evaluate to measure _____ terms of payrolls?
 Should we _____ at _____ standard _____ judge our company's _____?
 _____ a good _____ consider industry or _____ measures _____ comparison when _____ metrics?
 Is there _____ assessing performance on _____ data?
 During _____ payroll _____ related to _____ performance, _____ you adhere to specific _____ or _____?
 _____ there any _____ benchmarks for _____?
 Can you suggest _____ best practices _____ be used _____ payroll metrics?
 Can you _____ us information _____ standards that are _____ payroll _____ analysis?
 _____ recommend _____ criteria _____ that we _____ use _____ evaluate our company's _____ metrics?
 _____ industry metrics _____ look _____ our _____ performance in _____ of payrolls?
 Is standard _____ applicable _____ our organization's _____ using _____?
 When _____ how _____ our _____ doing _____ should we consider _____?
 _____ we _____ standards for our payroll _____?
 When scrutinizing our _____ payroll metric analysis, _____ us _____ standards?
 _____ consider _____ determining performance based on payroll data?
 Do you have _____ industry _____ our company's performance _____ metric analysis?
 _____ analyzing _____ metrics _____ our company's _____ provide us with any established benchmarks or _____ we _____
 _____ account?
 _____ we _____ standards _____ our _____ to _____ payroll metrics?
 Is there any specific _____ need _____ consider _____ our _____ through payroll _____?
 When _____ our _____ payroll _____ could _____ tell _____ how to use industry _____?
 _____ we _____ any _____ benchmark _____ the field when evaluating our _____ metric analysis data?
 _____ look _____ the industry's _____ to judge _____ payroll _____?
 Is _____ a good _____ for us _____ look _____ standards _____ our payroll _____?
 _____ any _____ taken _____ for evaluating payroll metrics?
 _____ in _____ line of _____ to follow _____ standards _____ evaluating _____ analysis _____ to company performance?
