

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Return and exchange policies clarification
Inquiry Sub-Category	Return Shipping
Description	Inquiries regarding the shipping process for returning or exchanging telecommunications equipment, including any shipping fees or labels provided by the manufacturer.
Data Size	5,047 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ is _____ replacement process for defective telecommunications gear, _____ transit _____ _____?

_____ time _____ replace _____ telecom equipment?

Is _____ replacing _____ telecom gear included?

Can _____ give _____ estimate on _____ long it _____ swap _____ faulty _____ gear?

Considering shipment _____ how _____ take to _____ malfunctioning _____ gear?

How _____ do you _____ it _____ communication gear, considering _____?

How long _____ for us _____ faulty _____ equipment?

How _____ it _____ to swap out telecom _____?

How _____ will _____ take to replace _____ telecom equipment _____?

_____ take to replace a faulty telco _____?

I _____ know how long it _____ to replace broken _____.

How long does _____ broken _____ gear, and how long does it _____ it?

How _____ it _____ replace faulty telecom equipment, _____ as _____ transit _____?

Is there an _____ replacing broken telecom _____ accounting _____?

_____ long will _____ to _____ functioning communications _____ for account for shipment _____?

_____ want _____ long it takes _____ communication gear, considering shipment _____ well.

How _____ does it _____ defect _____ communication gear?

How much time do _____ will _____ faulty telecommunications gear, inclusive _____?

How _____ does it _____ for _____ replacement _____ telecommunications _____ to be _____?

_____ will _____ take to swap out telecommunication _____ in?

How _____ it take to _____ the _____ equipment?

Is _____ an _____ to _____ deliver replacement telecom _____?

I would _____ know _____ long it _____ swap out faulty telecommunications equipment, _____ transit _____.

Are _____ to _____ estimated time _____ and _____ replacement telecom gear?

_____ long _____ take _____ replace _____ gear, including shipping _____?

_____ is _____ for replacing faulty _____?

_____ you tell me how _____ will _____ me _____ my _____ gear replaced?

Do _____ know _____ long _____ take to _____ flawed telecommunication _____?

_____ to know how long it _____ faulty _____ equipment.
 _____ like to know _____ long _____ takes _____ considering shipment delay _____ well.
 _____ the expected time to _____ faulty _____?
 I want _____ how long _____ takes to _____ communication gear _____.
 _____ you _____ us _____ it will take to _____ telecom _____?
 Can you _____ how long _____ will take _____ replace _____ telecom _____?
 _____ you give _____ long it will take _____ swap _____ telecom gear?
 _____ the _____ of the replacement _____ for _____ faulty _____ device?
 What _____ the expected time _____ non-functional communications and _____ for _____?
 transit _____ included, _____ long till _____ gets replaced?
 _____ does it take to swap _____ equipment, accounting _____ during the _____?
 _____ faulty _____ can take _____ shipping _____.
 _____ are _____ timelines _____ telecommunication gear _____ delivery factored in?
 _____ is the time it _____ broken _____ gear?
 _____ duration of _____ replacement of malfunctioning telecom _____?
 Can _____ the shipping _____ repair times _____ faulty _____ equipment?
 I'm interested in _____ to replace faulty communication _____.
 Are you able to _____ of the _____ swap _____ faulty telecom gear?
 Tell me _____ it _____ going to _____ malfunctioning telecommunications equipment.
 _____ much _____ will _____ take _____ gear to _____ and shipped out?
 _____ you give an _____ it will take to change out _____?
 _____ shipping duration should _____ the _____ turnaround period _____ replace _____ telecom _____.
 _____ long does _____ to replace _____ communication _____?
 How long _____ to swap malfunctioning _____?
 How _____ it _____ replacement of faulty _____ equipment?
 Are _____ able to provide _____ estimate _____ the _____ takes to _____ faulty _____?
 _____ does the _____ process _____ for faulty _____ devices?
 How long _____ take _____ replace _____ telecommunications gear, _____ shipment?
 _____ for exchanging out faulty _____ gear?
 What _____ the estimated _____ for _____ telecommunications equipment?
 Does _____ replacement for _____ gear take a _____ time?
 What _____ the estimated time _____ faulty _____?
 _____ would _____ to know _____ the time _____ takes _____ out faulty _____.
 _____ will it take _____ bad telecom equipment?
 How _____ will it take to _____ out _____ non-functional _____ devices _____ for _____?
 _____ you tell me how _____ it will _____ telecom _____?
 _____ need to _____ how _____ takes to _____ faulty _____ accounting _____ transit during shipment.
 What is the _____ shipping when _____ faulty _____ gear?
 How _____ do _____ say _____ will _____ replace broken _____ gear?
 How _____ it _____ to ship _____ gear, _____ what's the _____ time?
 How _____ will it take _____ telecom _____ shipping duration.
 _____ it take _____ time _____ new telecom gear?
 _____ will _____ replace telecom equipment?
 Can you give an _____ the _____ takes _____ out faulty _____?
 How long _____ for _____ equipment replacement?
 How long does _____ take to fix a _____ telecom _____ does _____ to ship _____?
 _____ the time frame _____ telecom equipment?
 How much time _____ needed _____ change _____?
 _____ take long for _____ malfunctioning telecom gear?
 _____ long is needed to _____ a _____ request _____ account _____ equipment?

Do you have _____ estimate _____ how _____ take _____ out faulty _____ equipment?

How _____ does it take _____?

_____ you provide an _____ long it will _____ telecom gear?

Can you _____ me _____ how long it takes _____ out faulty _____ for _____?

_____ long do you _____ it will _____ for _____ gear to _____ out?

How _____ is _____ time _____ be when you replace _____ telecom _____?

_____ long _____ it take to _____ faulty _____ systems?

How _____ you take _____ swap _____ telecom gear?

_____ long _____ take to _____ out former _____ gear with _____?

What _____ the _____ taken _____ out faulty _____ gear?

Is there _____ estimate _____ shipping _____ replacing _____ equipment?

How _____ to swap out _____ non-functional communications apparatuses and _____ for _____?

Are _____ give _____ estimate _____ how _____ it _____ take to swap _____ faulty telecom _____?

The transit _____ during _____ the length _____ the _____ process are _____ the _____ gear.

Can you tell _____ estimated _____ for _____ faulty _____?

How _____ can _____ expect a _____ telecom gear?

_____ for getting a replacement _____ telecommunications gear _____.

How long _____ it _____ replace faulty _____ gear including _____?

Can _____ give _____ long it _____ take _____ process and deliver _____ telecom _____?

_____ long _____ it _____ to _____ faulty telecom _____ shipping transit _____?

How _____ broken comm _____?

_____ time will it _____ to _____ telecom _____?

How long _____ it _____ to _____ faulty tech _____ systems?

How _____ will _____ be included when _____ replaced?

_____ long _____ the _____ period for _____ telecom _____?

_____ to know the length of _____ telecom gear.

How _____ does _____ take _____ replace _____ devices, _____ transit time as _____?

Can _____ an _____ time _____ and deliver replacement _____ gear?

_____ give an estimate _____ the time to _____ gear?

_____ times _____ shipping _____ the length of the _____ is _____ to faulty _____.

_____ a long _____ to get a replacement for _____?

_____ you have an estimate for the _____ to swap _____?

How long _____ it take to _____?

How _____ is _____ process _____ faulty _____?

_____ you _____ how _____ will _____ replace broken telecom devices and _____ transit _____?

How much _____ process a replacement _____ shipping of faulty telecom equipment?

Replacing _____ telecom equipment _____.

How long _____ replace _____ telecommunications gear _____ shipping included?

_____ long _____ take to _____ faulty Telecom _____?

_____ would like to _____ the _____ of the _____ exchange malfunctioning _____.

How _____ it take _____ swap _____ the non-functional _____?

_____ and transit time for shipping, _____ known.

_____ want to _____ how _____ takes to _____ faulty communication gear, considering _____.

How long _____ to _____ non- functioning _____ with _____ for shipment transit?

What does _____ telecommunication systems _____ time during transport?

How long do you _____ it _____ out _____ faulty _____ equipment?

_____ does it _____ take _____ replace flawed telecom _____?

What _____ the _____ it _____ replace faulty _____ devices?

How _____ it takes _____ out faulty telecommunications _____ for transit _____.

_____ will it take _____ you to _____ broken _____ devices, accounting transit _____?

_____ take to replace faulty _____ with added _____ time?

How much _____ is _____ for _____ faulty _____ gear?

Replacing _____ telecom gear _____ added _____ time is _____.

How _____ needed to replace flawed _____ with shipping _____?

_____ it takes _____ replace communication gear, considering shipment delays?

What's _____ frame to _____ non- functioning _____ apparatuses?

How long _____ be included _____ telecom _____ gets _____?

_____ long _____ to _____ flawed phone components?

_____ know _____ long _____ take to replace telecom _____?

How _____ will it _____ out _____ non-functional communications apparatuses _____ the shipment _____?

_____ does it take to replace _____ telecom _____ during shipping?

How _____ it _____ you to _____ comm gear?

_____ time for processing and _____ replacements for _____ gear?

_____ to _____ how _____ it _____ replace a _____ in communication gear.

_____ flawed telecommunication _____ takes _____ in terms of _____.

_____ is the expected time _____ out _____ functioning communications _____?

What _____ total time _____ replacing faulty telecom _____?

How _____ replacement of bad telecommunications gear?

How _____ it _____ swap _____ old telecommunication gear with _____?

_____ long does _____ take to swap _____ dead telecommunication gear _____?

How _____ does it take to ship _____ wait _____ for it?

How long will _____ replace _____ gear, _____ shipping?

How long is the time _____ a _____?

Adding shipping _____ will affect how _____ will _____ to _____ telecom _____.

_____ is it going _____ take for _____ be exchanged?

_____ know the _____ of time it takes _____ exchange malfunctioning _____.

Can you _____ for the _____ it will take to _____ a _____?

_____ you _____ me _____ long _____ for _____ to replace my telecommunications _____?

_____ do you need _____ replace _____ telephone _____?

Can _____ give _____ an estimate on how _____ will take _____ a _____?

How _____ does _____ take _____ request and _____ for shipping telecom _____?

_____ is _____ replacement _____ duration for _____?

_____ it _____ a replacement for flawed telecommunications _____ to _____ done?

Replacing _____ telecom _____ will _____ for shipping.

_____ faulty _____ and delivery _____ questions.

What is the _____ replacement of _____ gear?

Can _____ provide _____ estimate for _____ will take _____ swap out _____ telecom _____?

Can _____ provide an estimate on _____ long _____ to _____ telecom gear?

_____ replacement for telecom _____ long with _____ included?

_____ tell _____ long _____ take _____ me to replace _____ telecom equipment?

How _____ does the _____ process _____ defects _____ telecommunications _____?

How long does _____ get faulty telecom _____?

_____ give an approximate _____ of _____ to _____ broken _____ devices?

How long _____ it _____ garments _____ transport during shipping?

_____ you _____ for _____ it will _____ to _____ faulty telecom gear?

_____ time frame _____ replace _____ telecom gear?

Do you have _____ estimate _____ the _____ it will _____ to swap _____?

_____ would like to know the length _____ malfunctioning _____ gear.

How _____ it take for faulty _____ replaced?

_____ long _____ it _____ replace _____ telecommunications components?

____ you ____ to provide an estimate ____ how long ____ take to swap ____ ____ ____ ?
 ____ give ____ on how long ____ take to ____ out faulty telecom ____ ?
 What is the replacement ____ equipment?
 How long will ____ to ____ a ____ for ____ communications ____ ?
 ____ know the amount of ____ it ____ swap out faulty telecommunications equipment, ____ during shipment.
 How long should it ____ to ____ including ____ ?
 Are you ____ give ____ estimate of the time ____ swap ____ telecom gear?
 ____ should ____ take to replace faulty telecom ____ ?
 ____ can ____ tell me how ____ it takes to replace ____ ?
 ____ long ____ take to ____ non-working ____ for ____ for shipment transit?
 How ____ before ____ get a replacement for flawed ____ ?
 ____ have an ____ on ____ long ____ to swap ____ faulty telecom gear?
 ____ process ____ for ____ telco ____ ?
 Shipping is included ____ you tell me how ____ replace ____ ?
 ____ is the ____ time ____ replacing ____ telecom gear?
 ____ the ____ it takes ____ a replacement ____ flawed ____ gear?
 How ____ does ____ take to replace ____ ?
 ____ give an estimate ____ replacing ____ telecom ____ accounting transit ____ ?
 ____ should it ____ for a ____ for flawed ____ gear to ____ ?
 Do ____ have an estimation ____ out faulty telecom gear?
 How long ____ you ____ take to replace ____ gear?
 How long should ____ take ____ broken ____ with ____ ?
 How long will ____ take ____ replace ____ and ____ time for ____ ?
 How ____ it ____ to swap ____ gear with delivery ____ ?
 ____ is the time ____ for ____ telecom gear?
 I ____ to ____ the ____ of the ____ to ____ faulty ____ .
 ____ long will ____ take to swap out ____ apparatuses ____ transit?
 ____ you tell me ____ takes to ____ out faulty ____ ?
 ____ getting a replacement ____ a ____ telecom ____ take ____ ?
 ____ me how ____ it ____ to swap out ____ equipment.
 How ____ take ____ replace flawed ____ component ____ transportation?
 How ____ swap out faulty ____ equipment, ____ for transit during the ____ ?
 ____ it take to replace flawed ____ with ____ included?
 How ____ do you ____ to ____ faulty telecommunications ____ accounting for ____ ?
 ____ timeframe for processing ____ delivering replacement ____ gear?
 Can you tell ____ how long ____ will ____ gear?
 ____ give me an ____ of ____ long it ____ replace the ____ gear?
 ____ is ____ expected time ____ swap ____ non- functioning ____ equipment?
 You could tell me ____ the ____ takes ____ faulty telecommunications ____ .
 Does it ____ long ____ telecom ____ to arrive?
 ____ long do ____ think ____ will ____ faulty telecommunications equipment and ____ transit during shipment?
 ____ the ____ replacing faulty ____ equipment.
 How long will it be before non- ____ communications ____ account ____ ?
 ____ is ____ total ____ for ____ faulty ____ gear to be ____ ?
 ____ need to know the ____ for replacing faulty ____ inclusive ____ .
 How ____ it for ____ replacement ____ faulty telecom ____ delivery?
 How long ____ take to replace ____ telecom ____ ?
 What is the ____ exchanging faulty ____ ?
 transit times ____ and the ____ process is related ____ faulty ____
 ____ need to know ____ long it ____ broken ____ gear.

Does ____ take long ____ with shipment included?

Replacing ____ will take a long time.

____ you know the length ____ the ____ to exchange ____?

____ long ____ broken ____ gear and how ____ it take you to ship it?

What is the ____ to ____ non-functional communication equipment?

____ long ____ it will ____ to swap out faulty ____ including ____?

How ____ does ____ for a ____ telecommunications gear to ____?

____ how long it ____ to replace ____ equipment.

Can ____ give an ____ to how long ____ will ____ swap ____ faulty ____?

____ long ____ it take to ____ defects ____ systems?

____ is the ____ of time ____ to replace ____ telecom ____?

I ____ know how ____ exchange malfunctioning ____ gear is.

____ anticipated ____ frame ____ out the non-functional communications apparatuses?

____ have an estimated ____ for ____ telecommunications equipment?

I ____ how long it ____ to replace ____ communication ____ considering ____ well.

____ frame will ____ established ____ swap out non- ____ apparatuses?

Can you tell us how long ____ out ____ telecom ____?

____ faulty telecom ____ what is it?

Can ____ tell me ____ will ____ new telecommunications gear?

Can you tell me ____ it ____ a broken ____ gear?

____ would like ____ know how ____ it ____ replace malfunctioning ____.

____ long does ____ faulty ____ equipment ____?

____ long should we ____ swap ____ faulty ____ gear?

How ____ does ____ to swap ____ telecom gear, including ____?

____ can you ____ to replace faulty telecom ____ including ____?

Can ____ give ____ estimate ____ the time ____ take ____ swap ____ faulty ____ gear?

____ you have ____ estimate of how ____ take ____ deliver replacement ____ gear?

____ is ____ for ____ of faulty ____ equipment and ____?

How ____ expected ____ replace ____ telecom ____.

What ____ the ____ time ____ out ____ non- ____ communications apparatuses?

____ long ____ it ____ a telecom gear ____?

____ long to ____ flawed ____ components?

How long can you tell me ____ replacing ____ devices ____?

____ you know how ____ to ____ communication ____ considering shipment delay ____?

I need to ____ long ____ takes to ____ bad ____ equipment, ____ transit ____ shipment.

____ will ____ take ____ process ____ and account for shipping ____ of ____ telecom equipment?

____ the duration of the ____ for ____ telecom ____?

Will ____ give an ____ time frame ____ processing ____ replacement ____?

Considering ____ how ____ does ____ take ____ replace ____ malfunctioning telecom ____?

____ is the duration of ____ replacements ____ telecom ____?

____ would like to know how ____ to ____ gear.

____ long do you ____ it will ____ broken ____ gear?

____ long ____ to replace malfunctioning communications ____?

____ expected turnaround ____ for faulty telecom ____?

I ____ to know how long ____ to replace ____ gear, ____.

____ times ____ shipping and the length ____ the replacement process is ____.

Could you ____ how ____ to ____ a ____ communication gear?

____ time ____ be ____ to swap out non- ____ communications ____?

____ long will ____ take to swap out ____ with ____?

____ curious about the ____ to swap out bad ____ accounting ____ transit ____ shipment.

_____ will the replacement _____ be for _____ equipment?

Can _____ the _____ it _____ to _____ broken comm gear?

Considering _____ delays, how _____ does _____ to replace _____ gear?

Tell _____ estimated _____ to swap out _____ telecommunications _____.

_____ long _____ it _____ to replace and _____ faulty _____?

How _____ will _____ take _____ to replace telecom _____ including _____?

How long _____ it take _____ swap _____ functioning _____ apparatus _____ shipment transit?

Replacing faulty _____ shipping time.

_____ will _____ take _____ old telecommunication gear with delivery factored _____?

How _____ should it take to _____ flawed _____ gear?

_____ take _____ swap out bad telecommunications _____ accounting _____ transit _____ shipment?

I would _____ to know how long _____ will _____ replace _____.

_____ you _____ wait time _____ fixing telecom _____ long it takes _____ it?

_____ much _____ it _____ replace telecom gear and _____ time?

_____ it until _____ telecom gear is _____ out?

How long does _____ take to _____ systems?

The _____ time _____ takes _____ swap _____ faulty _____ gear.

Tell me _____ to _____ malfunctioning phone equipment.

_____ there an _____ for _____ and _____ telecommunications equipment?

_____ time frame _____ processing and delivering replacements _____ telecom _____?

_____ replacement telecom _____ take long _____?

_____ long does _____ to swap _____ telecommunication _____ with _____ factored?

_____ long _____ take to _____ with delivery factored in?

_____ long will it _____ for _____ to get _____ for _____ gear?

_____ long _____ take to replace _____ accounting for _____ during delivery?

_____ estimate on the time _____ takes to _____ telecom gear.

Did _____ know how _____ it _____ replace _____ considering shipment _____?

_____ long will transit _____ included _____ the _____ telecom _____?

Can you _____ a _____ frame for replacing broken _____ and _____?

How much _____ take to swap _____ communications _____ for account _____ transit?

How _____ can _____ to _____ faulty _____ equipment.

What _____ the _____ frame for swap _____ of _____ apparatuses?

What _____ the _____ timescale _____ exchanging faulty _____?

_____ need to _____ the _____ process for malfunctioning _____ gear.

Do you know the length _____ malfunctioning _____ gear?

_____ long _____ it take to swap out _____ non-functioning _____ account _____ transit?

_____ does _____ take _____ old telecommunication gear _____ delivery factored in?

Do you _____ an estimated _____ for _____ delivering _____ gear?

_____ are _____ for swap _____ telecommunication _____?

How _____ does _____ swap out a _____ gear?

Do you have _____ time it takes _____ out _____ gear?

Can _____ the replacement process _____ for _____ equipment.

_____ you tell me _____ long it _____ a _____ comm _____ replaced?

_____ like to _____ long it _____ swap out faulty _____ equipment, _____ for _____ during _____.

_____ long will _____ to replace faulty _____?

_____ do you think it would take _____ accounting _____ as well?

_____ would like _____ long it takes _____ get a _____ communication _____.

Does getting _____ for _____ telecom gear _____ time?

How long _____ we _____ replace faulty _____?

_____ how long it takes to _____ bad _____?

How long ____ it take to replace _____ including _____?

What _____ time frame for _____ non-functional _____ apparatuses?

Do you _____ estimated _____ replacing faulty telecom _____?

How _____ it take to _____ a _____ gear?

_____ you know _____ it _____ replace a _____ communication gear?

How _____ going _____ take _____ replace _____ telecommunications equipment?

Replacing faulty telecom _____ added shipping _____ is _____.

_____ replacement for telecom _____ take a _____ time?

_____ there _____ replacement process _____ faulty _____ hardware?

Shipping times and _____ length of _____ faulty telecommunication gear.

_____ long _____ it take _____ replace malfunctioning _____?

How _____ take to _____ faulty _____ gear, _____ shipping?

Do you _____ timetable _____ faulty telecommunications equipment?

_____ is the _____ period _____ replace _____ devices?

_____ think it will take _____ replace _____ faulty telecom _____?

_____ you tell _____ an approximate _____ frame for _____ telecom _____?

_____ long _____ we have to replace _____?

How much time will it take _____ swap _____?

I _____ to know _____ long it _____ to _____ the _____ gear.

_____ do you think it _____ to _____ faulty _____ gear?

_____ length of _____ replacement _____ and _____ are _____ malfunctioning telecommunication gear.

How long should it _____ swap out _____?

Can you tell _____ long _____ take _____ broken _____ gear?

Can you tell _____ take _____ me to replace _____ telecom _____?

_____ long does it _____ to replace _____ including _____ time?

How long _____ to swap out defunct _____ with _____ factored _____?

Does _____ a replacement for _____ gear _____?

_____ time _____ we expect to replace _____ devices?

_____ long should you take _____ faulty _____ gear?

What _____ timetable for swap out _____ with _____?

_____ time it takes to swap _____ faulty telecommunications equipment?

_____ time is part of the _____ replacing faulty _____.

How _____ take to swap _____ communications _____ account for shipment _____?

_____ long do _____ think it _____ to _____ telecommunications equipment?

Do you have an _____ the time it _____ out _____ gear?

_____ will _____ to get faulty telecom gear _____?

_____ included, _____ you tell _____ it takes _____ replace _____ comm gear?

_____ delays, how _____ does _____ take _____ replace _____ gear?

_____ long _____ take to _____ telecommunications equipment, _____ transit during shipment?

_____ will _____ take to swap _____ discontinued telecommunication gear with _____?

_____ long _____ to _____ faulty telecom equipment, and _____ time?

_____ will _____ take to replace faulty _____ devices, _____ duration?

How long _____ telecom gear?

_____ tell _____ the _____ of _____ process for _____ telecom gear?

_____ did _____ to swap out faulty _____ equipment and _____ transit during _____?

_____ you _____ give _____ time frame for _____ delivering replacement telecom _____?

How _____ does _____ typically _____ to get _____ flawed _____ gear?

How _____ would _____ take _____ faulty telecom _____ delivery?

_____ will _____ take for _____ replacement for _____ telecommunications _____?

Shipping times _____ the length _____ replacement process are _____ telecommunications _____.

_____ will it _____ replace _____ telecom _____ and delivery?

Considering shipment _____ long does it _____ telecommunication gear?

Do _____ it _____ to replace _____ gear due to shipment _____?

Can you _____ me _____ time _____ replace telecom gear?

Replacing _____ telecom _____ shipping transit _____ is _____ question.

_____ you _____ an _____ of _____ it will take to _____ broken _____ devices and _____ transit _____?

_____ an estimation of _____ long it will _____ to _____ gear?

How _____ can _____ give for processing _____ telecom gear?

How much _____ it take _____ a replacement _____ telecom _____?

_____ to _____ estimate of how _____ it _____ take to _____ out faulty _____ gear?

How long Does _____ replace _____ equipment?

_____ expected turn _____ period to replace faulty telecom _____.

When _____ be possible _____ get _____ replacement _____ telecommunications gear with _____?

_____ long _____ to fix a broken _____ how long does it take _____ it?

_____ long _____ take for _____ flawed telecommunication _____ be replaced?

_____ is _____ expected _____ out non-functional communication equipment?

_____ say how _____ it _____ take _____ replace _____ comm gear?

_____ telecom gear takes a _____ time, _____ for shipping.

_____ shipment included, does it _____ to _____ a _____ gear?

Considering _____ delays, how long does _____ take _____ replace _____.

How long would it _____ telecommunications equipment?

_____ tell _____ length _____ the process to exchange malfunctioning _____.

_____ long will _____ to _____ telecom gear, _____ shipping time?

How _____ will it take _____ non-functioning communications for account _____?

_____ to _____ how long _____ takes to _____ damaged communication _____.

_____ long does it _____ replace a _____ considering _____ delay?

_____ is the _____ time to _____ telecom devices?

I was _____ about the time _____ out _____ accounting _____ transit during shipment.

_____ long _____ it take _____ a _____ gear _____ replaced and shipped _____?

_____ long _____ it take for _____ to _____ a replacement _____ gear?

_____ delays, how much _____ does it _____ to _____ a _____ gear?

_____ on how long _____ takes to _____ a broken _____ equipment.

How long _____ swap _____ gear?

Can _____ tell me _____ the _____ of _____ it _____ to swap _____ equipment?

_____ you _____ to _____ an estimated timeframe for _____ telecom gear?

_____ anticipated time frame _____ out non- functioning _____ and _____ transit?

_____ long does _____ take _____ out old telecom _____ with _____?

Do we _____ duration for faulty telecom _____?

I _____ to know _____ takes _____ replace communication _____.

What _____ the expectedturnaround _____ faulty telecom _____?

The amount of time _____ to get a _____.

How _____ it _____ to replace malfunctioning _____?

_____ faulty telecom gear _____ time is _____.

What _____ to make a _____ for _____ telecom devices?

_____ long _____ the _____ for flawed telecommunications gear to _____ delivered?

_____ is _____ to replace _____ telecommunication _____?

_____ give an estimated _____ for replacing faulty _____?

Do _____ an estimated _____ for _____ and delivery _____ replacement _____ gear?

What is _____ estimated _____ faulty _____ equipment?

How _____ will _____ for _____ faulty _____ equipment?

I _____ wondering _____ long it _____ to _____ considering _____ delay _____ well.

What _____ time _____ to _____ faulty telecom _____?

The _____ time _____ replace faulty telecom _____ known.

_____ is the total time frame _____ the _____ faulty _____?

_____ you tell _____ how _____ it will take _____ gear?

_____ do _____ say _____ takes _____ replace telecom gear?

_____ give us _____ of the _____ it _____ swap out _____ telecom gear?

_____ estimated duration _____ replacement _____ faulty telecom gear?

_____ the time it takes _____ faulty telecommunications _____ accounting _____ transit _____ shipment?

How _____ will _____ take _____ replace _____ gear, _____ time?

Does shipping a _____ long?

_____ long is _____ replace _____ telecom _____?

_____ much time _____ required _____ process a _____ and account _____ shipping _____ of faulty _____?

_____ for Replacing faulty _____ equipment and delivery?

How long _____ for _____ gear _____ be _____ and _____ out?

_____ a _____ period for _____ broken telecom devices?

_____ it take _____ replace _____ in telecommunication gear?

_____ long will _____ take _____ the old _____ gear _____ delivery?

What _____ timelines for exchanging _____?

How _____ will it take _____ comm _____?

What is _____ get a replacement _____ flawed _____ equipment?

Replacing _____ telecom gear _____ are _____.

_____ does _____ take _____ the broken comm gear to _____?

How long does _____ to _____ out _____ Telecom _____ shipping?

Can you _____ frame for the _____ of _____ equipment?

_____ before you _____ out _____ telecom gear, including _____?

_____ time _____ it _____ to _____ broken comm _____?

_____ is _____ the swap _____ of _____ telecommunication gear?

_____ an estimated _____ to process _____ replacement telecom gear?

_____ faulty telecom equipment and _____ total _____ what?

What will be _____ time _____ replace faulty _____?

How long _____ replace flawed _____ components _____ transportation?

_____ telecom gear with additional _____ a question.

_____ long can _____ replace telecom _____ including _____ time?

How _____ will it _____ new telecommunications _____ with shipping?

Can you _____ me _____ long the _____ to _____ gear _____?

_____ long _____ you _____ it _____ swap _____ non-functional communications and _____ for shipment _____?

How much _____ do you _____ will _____ to _____ faulty _____?

_____ long _____ take _____ out faulty telecom equipment?

Do _____ know _____ duration _____ telecom equipment.

Can you _____ me the _____ the telecommunications _____?

_____ the shipping time _____ replace _____ devices.

_____ would _____ you _____ tell me _____ long it takes _____ gear.

_____ long do you _____ swap out faulty _____?

Is there _____ telecom _____ and shipping too?

_____ it take _____ to _____ gear with _____?

Can you _____ an approximate _____ replace broken _____?

_____ you give an estimated _____ replacement _____ damaged _____?

_____ an estimated time _____ faulty _____ gear and _____ too?

_____ telecom gear with _____ shipping time _____ question.

____ length of ____ replacement ____ transit times are ____ defective ____ gear.
 ____ long ____ taking to ____ broken ____ gear?
 ____ need ____ know how long it ____ to swap ____ telecommunications ____ and ____ during shipment.
 ____ to swap out faulty ____?
 ____ take ____ swap out telecom gear ____ delivery included?
 Did you know ____ it takes ____ faulty equipment, accounting ____ during ____?
 ____ tell ____ shipping ____ times for faulty telecom equipment?
 ____ tell me the ____ of ____ process to exchange malfunctioning ____?
 How ____ it to ____ out ____ gear?
 How much ____ for the ____ of faulty ____?
 Replacement ____ faulty ____ gear can ____ longer with ____.
 Replacing faulty telecom ____ delivery ____.
 ____ fix ____ with transit?
 What is ____ established ____ out non- functioning ____ apparatuses?
 Does getting ____ a broken telecom ____ a ____ time?
 What is the amount ____ to get ____ replacement ____ gear?
 How long ____ it ____ to get a ____ flawed ____ with ____?
 Can ____ for ____ replacement of broken ____ devices and ____ transit time?
 ____ time is ____ the ____ of faulty telecom ____?
 What is ____ anticipated time ____ swap ____ functioning ____ apparatuses?
 Considering shipping ____ does ____ take to ____ new ____ gear?
 ____ long ____ it take to ____ faulty ____ incorporate ____ time?
 ____ can you ____ us ____ the replacement of ____ telecommunications ____?
 ____ is the ____ the ____ process ____ malfunctioning ____ devices?
 What is ____ anticipated ____ to ____ telecom ____?
 The transit time for ____ of the ____ with ____ telecom gear.
 The length of ____ and ____ related ____ malfunctioning telecommunications gear.
 When it ____ to ____ order ____ flawed ____ does it take?
 ____ long will ____ swap out the non-working ____ apparatuses and ____ for ____?
 How ____ can it ____ to swap out ____ gear?
 How ____ it take to process ____ replacement ____ and account ____ shipping ____ equipment?
 ____ take a long ____ to ____ a ____ for Telecom ____?
 How ____ it ____ for ____ telecom gear ____ be sent?
 ____ long ____ take ____ replace ____ telecom equipment?
 ____ is ____ to ____ out the non-functional communications apparatuses?
 ____ give an ____ it ____ take to ____ out faulty telecom gear?
 ____ time frame is ____ out non- functioning ____?
 ____ telecom ____ includes a shipping ____.
 How ____ you ____ it ____ to ____ telecommunication gear?
 ____ shipping ____ the ____ of time it ____ replace ____ gear?
 ____ take long to ____ a ____ for a ____ telecom ____?
 How long ____ it take to ____ a ____?
 ____ much ____ it ____ to ____ telecom devices, accounting ____ time ____ more?
 Is ____ estimated ____ for ____ faulty ____ equipment?
 ____ take long to ____ replacement ____ gear?
 What ____ will ____ take to replace ____ telecom ____?
 How ____ it take ____ replacement for ____ telecommunications ____ to be ____?
 I ____ to ____ it takes ____ faulty ____ equipment, accounting for transit during shipment.
 How long does ____ to replace ____?
 ____ is the anticipated time frame ____ of ____ communications ____?

How ____ is ____ for a ____ ____ ?

How long ____ think ____ take ____ replace broken telecom ____ transit time ____ ?

To ____ equipment, ____ should I expect?

Please let ____ know ____ of ____ process ____ malfunctioning ____ gear.

How long ____ take ____ out old telecommunication ____ with delivery ____ ?

____ the time ____ takes to swap ____ faulty telecommunications ____ ?

____ time ____ it ____ to ____ faulty telecom ____ ?

____ like to ____ the ____ of the process to ____ faulty ____ .

How ____ it ____ gear when there ____ a shipment delay?

____ give me ____ approximate ____ for ____ broken telecom ____ ?

____ how long does ____ take to ____ equipment?

Can ____ give an ____ replacing ____ telecom ____ and ____ transit ____ ?

How ____ it take ____ malfunctioning telecommunication ____ ?

____ long ____ going to ____ swap out faulty telecom ____ including ____ ?

Replacing ____ telecommunication ____ take a ____ time ____ transportation.

____ times ____ length of the ____ process ____ related ____ telecommunications gear.

____ take to replace faulty ____ gear ____ shipping duration?

____ long ____ think it will ____ to ____ telecom gear with delivery ____ ?

____ is ____ time ____ established to ____ out non-functional ____ ?

____ me how long ____ for me to ____ the ____ gear?

How ____ will ____ take ____ replace telecom ____ shipping ____ ?

transit time included, ____ telecom ____ gets replaced?

____ delays and ____ will take to replace ____ gear.

____ tell us ____ it takes ____ replace broken ____ gear?

For exchanging faulty ____ what is ____ time ____ ?

I want to know ____ long ____ takes to ____ gear, ____ delay ____ well.

Can ____ long ____ take ____ me to replace my phone ____ ?

How long ____ the ____ for ____ ?

____ me ____ long ____ take to process a ____ account for shipping telecom equipment?

____ it ____ to fix a broken telecom gear ____ it to ____ it?

____ during ____ the ____ of the replacement process are ____ to damaged ____ .

How long ____ it take to ____ and account for ____ time ____ faulty ____ ?

How ____ is needed ____ replace a ____ equipment?

____ long can ____ tell ____ for ____ delivering replacement ____ gear?

Replacing ____ gear ____ shipping ____ is ____ .

How long ____ it ____ to ____ faulty telecommunications ____ the ____ time?

____ tell me ____ long ____ takes to ____ gear.

How long ____ take to ____ faulty telecom ____ including ____ ?

____ it take to ____ flawed telecommunication ____ ?

____ long ____ it for ____ process ____ faulty telecom ____ ?

How long ____ replace ____ gear ____ the shipment is ____ ?

Can you ____ me an ____ time for ____ replacement ____ ?

____ you provide an estimate of ____ long it ____ to ____ a ____ ?

What is the ____ takes to ____ flawed telecommunications ____ ?

____ telecom ____ may take ____ long time ____ shipment ____ .

What ____ the ____ telecommunications equipment?

____ it take to swap ____ telecommunication ____ delivery included?

How ____ is ____ period to replace faulty ____ ?

How ____ you ____ will take ____ replace ____ including shipping time?

____ long will ____ take to ____ faulty ____ and the ____ time ____ ?

____ long do you ____ it ____ take ____ replace ____ telecommunications ____ including ____?
 ____ faulty telecom gear ____ time ____ not known.
 ____ long does ____ take ____ telecommunications equipment.
 The ____ included ____ expected ____ around period to replace faulty ____.
 ____ you tell me ____ take to ____ faulty gear?
 Considering ____ delays, ____ does it take ____ replace ____ gear?
 Did you know how long it ____ bad telecommunications ____ accounting ____?
 Are ____ to give ____ time ____ for ____ and ____ telecom gear?
 I need to know how ____ takes ____ broken ____.
 Can you ____ me ____ how ____ it ____ take to ____ telecommunications equipment?
 ____ you ____ me ____ takes ____ replace ____ gear, considering the shipment ____?
 ____ does it ____ process a ____ and account ____ shipping ____ of ____ telecom equipment?
 ____ you tell me how ____ would take to ____ replacement ____ for ____?
 ____ long is ____ replace malfunctioning telecommunications ____?
 Does it ____ a long time ____ flawed telecommunications ____?
 Adding shipping time ____ replacing ____ gear ____ question.
 ____ long ____ for the ____ faulty telecom equipment.
 ____ give me an idea ____ how long ____ to swap ____ equipment?
 Can ____ tell me an ____ for ____ telecom ____?
 How ____ it ____ out telecommunications equipment, accounting for transit ____?
 How ____ does it ____ to ____ broken ____ gear and ____ to ship it?
 How ____ will it take ____ swap ____ functioning communications ____ shipments?
 ____ it take ____ fix broken phones with ____?
 How ____ will it ____ to swap ____ telecom ____ with ____ factored ____?
 Do you ____ long ____ takes to replace a ____?
 ____ it ____ longer ____ a replacement ____ telecom gear?
 ____ is ____ duration ____ the replacement ____ faulty telecom ____.
 How ____ should the turnaround period ____ replace ____?
 ____ you give ____ estimate of the ____ to ____ out faulty ____ gear?
 The replacement ____ for ____ includes transit time.
 ____ process ____ bad ____ hardware?
 ____ want ____ how long it ____ telecommunications gear, inclusive of ____ shipment.
 How much ____ is ____ for ____ of faulty ____?
 What is ____ time to ____ equipment?
 ____ wondering how long ____ takes to ____ communication ____ considering ____.
 ____ time ____ take to replace comm ____?
 ____ long will it ____ to ____ a ____ gear?
 How ____ it take ____ rid ____ flawed telecommunication ____?
 I am ____ learning ____ long ____ swap out faulty telecommunications ____ accounting ____ during shipment.
 ____ am curious ____ how long ____ replace faulty ____ gear.
 ____ is ____ time for faulty ____?
 ____ it ____ to ____ flawed telecommunication components?
 ____ an ____ on ____ time it ____ swap ____ faulty telecom gear.
 ____ you ____ for the time it will take to ____ replacement ____?
 ____ duration for malfunctioning telecom equipment.
 Does ____ to get a ____ for telecom ____?
 Can ____ an estimate on how ____ it ____ take to swap ____?
 ____ faulty ____ equipment and ____ total ____?
 ____ like to know how ____ takes to ____ gear.
 ____ much ____ will it ____ to ____ comm gear?

Can ____ give ____ an ____ of ____ long it takes to ____ ____ ____ ?

How ____ ____ be ____ replace ____ telecom devices?

How long does ____ take for ____ ____ telecommunications gear?

Considering shipment ____ ____ does it ____ for a new ____ ?

____ does ____ replace a faulty telecom equipment.

____ you think it ____ take to ____ out telecommunication ____ with ____ in?

Is it ____ to ____ timeframe ____ broken ____ devices and accounting transit ____ ?

Do ____ an estimate ____ how ____ it ____ to ____ telecommunications equipment?

I'm ____ how long ____ takes to ____ gear, ____ shipment ____ well.

____ long is ____ faulty telecom devices ____ shipping ____ ?

____ long ____ take to swap ____ gear with ____ factored ____ ?

Is there ____ how ____ for ____ swap out faulty telecom gear?

____ long ____ to ____ out old telecommunication equipment ____ factored in?

Do ____ know how long ____ will ____ out faulty ____ ?

I ____ to know how ____ takes to replace communication ____ as ____ .

How ____ theReplacement ____ faulty telecom ____ ?

____ does it take ____ gear?

Do you ____ wait time ____ fixing broken telecom gear ____ how ____ it ____ ?

How long ____ to ____ telecommunications ____ for transit during transportation?

Considering shipping delays, ____ to ____ telecom gear?

What is the ____ time ____ to ____ out ____ communications ____ ?

Replacing ____ telecom ____ duration ____ unknown.

____ say ____ will take to swap out ____ telecom ____ ?

How long ____ replace ____ telecom ____ with ____ time?

The transit time ____ is ____ the things ____ considered ____ replacing faulty ____ .

Can you ____ an ____ long ____ would ____ to ____ and ____ telecom gear?

How ____ it take to ____ gear?

How long ____ take to process ____ account ____ telecom equipment?

____ give an ____ for ____ time ____ will ____ swap out ____ telecom gear?

____ process duration for telco ____ ?

How ____ does it take ____ of faulty ____ ?

Replacing faulty telecom ____ can take ____ time ____ added ____ .

How long does it ____ telecommunication ____ ?

How long does ____ take ____ be replaced ____ transportation?

____ time frame will ____ to ____ out non-functional ____ ?

____ long ____ expect to ____ faulty telecom ____ with added ____ ?

____ does it take to ____ communication ____ considering ____ delay ____ ?

With ____ long will it ____ to replace faulty ____ equipment?

How ____ will ____ take to swap ____ communications ____ account for shipment ____ ?

____ you have ____ estimate ____ processing and ____ of ____ gear?

How ____ should ____ take for ____ replace ____ shipping time?

What ____ the ____ to swap out ____ non-working ____ equipment?

Replacing ____ telecom ____ time for shipping.

How ____ can ____ for ____ telecommunications gear to be made?

How ____ take to replace flawed telecommunications gear?

____ you know the ____ replacement process ____ faulty telecom ____ ?

Can ____ the ____ it will take to ____ out ____ telecom ____ ?

I would ____ know ____ to replace ____ considering shipment delay.

How long ____ you ____ will ____ bad telecommunications ____ accounting for transit ____ shipment?

____ will ____ take to ____ non-functioning communications ____ for ____ account for ____ transit?

What is ____ length of ____ process ____ faulty ____ .

____ is ____ replacement process duration ____ gear?

____ is the ____ to ____ out ____ communications apparatuses?

____ how ____ does it ____ for a ____ telecom gear?

Can ____ about how ____ it takes ____ swap ____ faulty telecommunications ____?

Can ____ me the ____ of ____ to ____ malfunctioning ____ gear?

I ____ interested in ____ length ____ exchange ____ malfunctioning telecom ____ .

Replacing ____ transit time can take ____ time.

How long is ____ to replace ____ telecom ____ including ____ ?

How ____ will ____ to swap ____ communications ____ for transit?

____ long ____ it take to swap out ____ .

____ long do ____ think ____ take ____ to swap ____ faulty telecom ____?

____ telecom equipment, ____ transit time, has ____ duration.

Can ____ an approximate ____ for ____ telecom devices?

I want ____ know ____ long ____ takes to ____ communication ____ considering shipment delay ____ .

How ____ do ____ will take ____ swap ____ gear with delivery?

Can you give an estimated timescale ____ equipment?

____ would ____ to know the ____ the process ____ malfunctioning ____ gear.

When ____ to ____ flawed telecom ____ long does ____ normally take?

How ____ it take ____ replace ____ telecommunications equipment?

____ shipment ____ how ____ does ____ take ____ replace a degraded ____ ?

What ____ period for ____ devices?

____ long ____ replacement ____ for faulty telecom ____ take?

What ____ the ____ swap out non-functioning ____ apparatuses?

What is the turn ____ for getting ____ for ____ ?

How ____ it take ____ telecom ____ to be ____?

Do ____ know how long ____ takes ____ replace ____ systems?

____ long does it ____ swap ____ faulty telecommunications ____ the transit ____ shipment?

What is ____ to swap out ____ functioning communication ____?

____ replacements for ____ telecom equipment?

____ an estimated duration ____ faulty telecom ____?

How much time ____ get a replacement ____ flawed ____?

How ____ does ____ take for a replacement ____ flawed telecom ____ ?

Tell me ____ replace malfunctioning telecommunications ____ .

____ time will ____ take to ____ out ____ gear?

Is ____ an ____ how ____ it would take ____ telecom gear?

____ long will ____ telecom devices and ____ shipping duration?

I would ____ know ____ long ____ would take to ____ communication ____ .

How ____ you think ____ will ____ to ____ broken ____ with ____?

____ is ____ frame for swap out non-functional ____ and account ____ ?

____ long does it take to fix broken ____ and ____ long ____ take ____ it?

With shipment included, does ____ a new ____ gear?

Is ____ approximate ____ replacing ____ telecom ____ and ____ transit time?

____ give ____ an estimated ____ for processing ____ replacement telecom ____?

____ long ____ think it will take ____ out ____ telecommunications ____?

____ much ____ is ____ in ____ broken ____ gear?

____ estimated timetable ____ faulty ____ is unknown.

I am curious about ____ of time ____ takes ____ swap ____ .

____ time ____ replace faulty telecom gear?

____ does it ____ take to get ____ for flawed ____ ?

Is there an _____ take to _____ faulty telecom equipment?

Can you give us _____ approximate timeframe _____?

I want _____ know the _____ time _____ replacing _____ gear _____.

How long should it take to _____?

Can you give an _____ time for _____ and _____?

How much _____ for the _____ of _____ telecom _____?

How _____ does _____ take to _____ telecom equipment, _____ long _____ it _____ to _____?

How long _____ for _____ telecom _____ and delivery?

_____ the predicted time for _____ telecommunications _____?

How long will it _____ swap _____ functioning _____ for _____ for _____?

How _____ will _____ out non-functional _____ apparatuses _____ account for transit?

Considering _____ delays, how _____ it _____ to replace _____ equipment?

How _____ give us _____ replacing _____ devices and _____ transit time?

_____ the _____ time frame to _____ communications equipment?

_____ would like _____ know _____ it takes to swap out malfunctioning _____ transit during _____.

_____ how long it _____ to replace a broken _____ gear.

Is there _____ shipping _____ replacing broken _____ gear?

_____ take _____ get a replacement for _____ broken _____ gear?

_____ are _____ process duration for faulty _____?

_____ you give an _____ for how long it _____ out _____ equipment?

Do _____ an _____ for replacing broken _____ devices?

I _____ know the length of _____ process of _____ telecom _____.

I would _____ how _____ takes _____ replace a _____ communication gear.

How _____ will it _____ for you to _____ devices?

How _____ take _____ flawed _____ gear with shipping?

_____ long does it takes to swap _____?

_____ time it takes to swap out _____ equipment, accounting for transit _____.

Can _____ provide an _____ time _____ broken _____ devices?

How _____ will _____ to _____ out _____ equipment _____ account _____ shipment transit?

_____ the replacement process duration for _____?

How long _____ to _____ faulty telecom _____?

_____ time does _____ take for a _____ flawed _____ be made?

How long _____ you _____ replace _____ equipment?

Considering shipment _____ long _____ it _____ replace _____ telecommunication gear?

Does getting _____ replacement for _____ long time?

How _____ would it take _____ gear, including _____ duration?

Can _____ me how _____ it _____ replace telecom gear, including _____?

Replacing _____ gear may take _____ with _____ time.

_____ the approximate time it _____ out malfunctioning _____ equipment.

Replacement _____ for _____ telco _____?

Tell _____ time _____ take to replace _____ telecommunications equipment.

_____ you _____ me the _____ replacing faulty _____ gear?

For faulty _____ equipment, _____ is _____ process?

_____ telecom equipment and delivery, _____ duration?

What _____ turnaround period _____ faulty telecom devices?

Does _____ a _____ for _____ take long?

How long will it _____ for _____ of _____?

How long _____ take _____ fix a broken telecom gear _____ it _____ ship it?

Do you _____ long _____ takes _____ swap _____ faulty telecommunications equipment _____ account _____ transit _____?

_____ telecom _____ with shipping transit time, _____ is _____?

How long _____ replace faulty _____ equipment?
 _____ long _____ the replacement process _____ defective telecommunications _____?
 _____ will _____ take _____ faulty Telecom gear, _____ shipping duration?
 _____ want _____ an approximate _____ for replacing broken _____ and accounting _____.

How _____ take to swap out _____ delivery?
 How _____ to _____ telecommunications equipment, accounting for _____ during delivery?
 _____ need to know how _____ it takes _____ the _____.

Do you _____ a replacement for _____ gear _____?
 _____ the _____ it _____ take to replace comm gear?

The _____ to _____ out non- functioning communications apparatuses _____ shipment transit _____.
 _____ long should a _____ flawed telecommunications gear _____ to _____?

Can you _____ time it will _____ to swap _____ faulty telecom _____?
 _____ give an _____ it will _____ to process and _____ replacement telecom _____?

Replacing faulty _____ equipment and delivery time, _____?

How _____ take _____ replace _____ telecom equipment?
 How _____ you think _____ takes _____ replace _____ telecom _____?

Did you know how long _____ swap _____ equipment, _____ for _____?
 Is there _____ for processing and _____ telecom gear?

How long would it _____ swap _____ faulty _____ including _____?
 _____ how _____ does _____ to REPLACE TELECOM EQUIPMENT?

How _____ will it _____ to swap _____ apparatuses?

What _____ the _____ exchanging faulty telecom _____?

I'd _____ it takes to replace a faulty _____.

_____ much _____ is _____ broken _____ gear to be replaced?
 _____ shipping _____ the _____ the _____ is related to _____ telecommunication gear.
 _____ in learning _____ long it _____ to replace _____ gear.
 _____ the _____ process duration for bad _____?
 _____ need _____ know _____ replacement process _____ faulty _____ equipment.

How _____ replacement of _____ telecom gear?
 _____ will _____ take to _____ out _____ with delivery?
 _____ know _____ length of _____ process to swap _____ gear.
 _____ an estimated time to _____ telecom gear and _____?

What's _____ replacement _____ telecom equipment?

Does getting _____ new telecom _____ long _____ included?
 _____ can _____ tell me the _____ takes to _____ comm _____?

How _____ you think _____ take to _____ and _____ replacement telecom _____?

How long _____ replacement _____ telecom equipment?
 _____ provide an _____ time period _____ the _____ of _____ telecom _____?
 _____ is it _____ telecom equipment replacement?

What _____ timetable for _____ telecom _____?

I _____ to _____ long _____ takes _____ replace the communication _____ is _____.

How long _____ you think it _____ replace malfunctioning _____?
 _____ to know _____ long _____ takes _____ a bad communication _____.

How _____ would it take to process _____ and account for _____ faulty _____?
 _____ about _____ length _____ the exchange of _____ telecom gear.
 _____ you _____ long it takes _____ telecom equipment?

How _____ it take _____ faulty telecom _____ and _____ time?

What's _____ for _____ telecom equipment?

Replacing _____ includes shipping _____ time?

How long _____ flawed tech in _____ systems?

_____ you _____ estimated time _____ and delivery of _____ gear?
 _____ you give an _____ replacing _____ telecom devices and _____ time?
 How long will _____ take for _____ gear _____?
 How _____ is _____ to _____ out _____ equipment, accounting _____ transit _____ shipment?
 _____ does _____ take _____ replace _____ telecom gear _____ ship it?
 How long is _____ replace faulty _____ and shipping _____?
 Can _____ provide an estimate for _____ it _____ to swap _____ telecom _____?
 _____ will _____ take for _____ of _____ telecommunications gear?
 _____ have an _____ how _____ take to _____ broken telecommunications gear?
 Can _____ provide an estimate on _____ take _____ and deliver _____ gear?
 _____ me how _____ will take to replace _____ gear after _____?
 How long _____ process a replacement request _____ account _____ faulty telecom equipment?
 _____ shipment _____ does _____ take _____ to replace telecom _____?
 Replacement _____ faulty _____ hardware?
 _____ shipment delays, how _____ it take to replace _____ gear?
 Do _____ an _____ for _____ replacement of _____ telecommunications equipment?
 How _____ it _____ for a _____ gear to _____ shipped out?
 What _____ the expected time to _____ the _____?
 Can you give _____ will take to _____ faulty _____ gear?
 _____ does it _____ to fix broken _____ gear _____ what time does _____ it?
 How _____ time does _____ replace malfunctioning _____ equipment?
 _____ you able _____ estimated time _____ processing and delivering _____ telecom _____?
 How long _____ take _____ be replaced and _____ back?
 The transit _____ and the _____ the _____ process _____ related to faulty _____.
 _____ you tell _____ the total _____ replacement of _____ gear?
 Is _____ an estimate for shipping _____ telecommunications _____?
 _____ for a faulty telecom equipment _____ be _____?
 How long _____ to _____ out non-functional communications _____?
 _____ long will _____ take to replace faulty _____ with _____?
 How long _____ it take _____ a replacement order _____ gear _____?
 _____ will it _____ to _____ out faulty telecom _____?
 _____ will _____ to _____ non-functioning communication apparatuses and account for _____ transit?
 How long _____ to replace _____ telecommunication _____?
 How long _____ it to _____ faulty telecom gear _____ long is _____?
 _____ like _____ the _____ of the process for _____ malfunctioning _____ gear.
 How long will _____ to swap out the _____ functioning _____ for _____?
 _____ tell _____ long _____ takes to replace a _____ telecommunications _____?
 Replacing _____ gear _____ a _____ with _____ shipping time.
 _____ it for _____ telecom equipment?
 _____ will it take _____ faulty _____ gear including transit _____ shipping?
 How _____ it _____ to _____ faulty telecom gear, _____ shipping _____?
 Do you _____ how long _____ takes to _____ tech _____ today?
 How long _____ take _____ a replacement telecom _____?
 How long _____ it _____ swap out defects _____ equipment, accounting _____ shipment?
 _____ to _____ the estimated duration for replacing _____ telecom _____.
 How long _____ you _____ it _____ take to _____ equipment, _____ transit time?
 _____ don't know _____ long it _____ to swap _____ equipment, _____ transit _____ shipment.
 _____ long _____ it _____ to _____ flawed telecommunication _____?
 _____ long do _____ replace flawed _____ components?
 _____ you provide _____ time period _____ of damaged _____ equipment?

____ long can ____ say it ____ replace broken ____ gear?
 Considering shipment delays, ____ long ____ to ____ a ____ telecommunication ____?
 ____ long ____ a faulty telecom ____ take to ____?
 Considering ____ delays, how ____ take to ____ gear?
 ____ and the ____ of ____ replacement process ____ related ____ defects ____ telecommunication gear
 How long ____ the ____ for swap out ____?
 How ____ do ____ reckon it ____ telecom equipment?
 ____ does it take to ____ malfunctioning ____?
 How ____ does it ____ replacement ____ telecom equipment?
 What ____ the ____ timetable for changing ____?
 Is there an estimate on ____ swap ____ faulty ____?
 How ____ it ____ replace Telecom gear, ____ transit ____ for ____?
 Does ____ take long for ____ for ____ to be ____?
 Does the replacement process ____ devices?
 ____ long does ____ to replace ____ telecom gear, ____ time?
 Can you tell ____ long it ____ the defects ____ telecommunications gear?
 ____ time should ____ expect to replace ____ telecommunications ____?
 How ____ time ____ needed ____ gear?
 Does it take a ____ faulty telecom ____?
 How ____ it take ____ to ship broken telecom ____ and what ____?
 Is there ____ estimated ____ for ____ gear ____ shipping?
 ____ shipment delays, how ____ it take to ____ broken ____?
 Does ____ a long ____ to ____ replacement ____ a ____ gear?
 ____ long can you wait ____ gear, including shipping ____?
 ____ take to swap out failed communications and ____ for ____?
 ____ long should you take ____ including shipping duration?
 ____ does it ____ to ____ broken ____ gear, ____ how ____ does it take to ____?
 ____ including shipping ____ can take a long time.
 ____ long would ____ to ____ faulty ____ equipment?
 What's ____ replacement ____ telecom equipment?
 How long will it ____ get ____ replacement ____ telecommunications ____.
 ____ long do you ____ for ____ new telecom gear ____ arrive?
 How ____ malfunctioning telecom garments, along with transport during ____?
 Are ____ estimates ____ how ____ will ____ to swap out ____ gear?
 Shipping ____ included in ____ duration for replacement ____ telecom ____.
 How ____ think it ____ take ____ replace broken ____ gear?
 ____ will it take ____ out the non-working ____?
 ____ the replacement period ____ equipment?
 How ____ faulty telecom device to be replaced?
 How ____ there ____ replacement of faulty telecom ____?
 How ____ take ____ you to replace broken ____ devices, accounting ____ and ____?
 The ____ of the replacement ____ times are ____ defects ____ telecommunication ____.
 ____ tell ____ the ____ the exchange of ____ telecom ____.
 ____ long is ____ faulty ____ equipment?
 ____ it will ____ to ____ malfunctioning ____ equipment?
 Can you tell ____ total ____ it will ____ to ____ faulty telecommunications ____?
 ____ long will ____ take for faulty ____ be ____?
 ____ long will it ____ for ____ faulty ____ gear, including shipping ____?
 ____ know ____ long it takes to replace ____ communication ____.
 Is the ____ for ____ lengthy?

____ it possible to replace ____ gear ____ time ____?
 ____ the timelines for ____ out ____ gear?
 ____ it take to swap out ____ communications ____ account for ____?
 ____ to know how long it ____ to swap ____ equipment and ____ for ____ during ____.
 Does it take long ____ replacement for ____ gear?
 How ____ is ____ for ____ telecom ____?
 ____ long will ____ take ____ replace bad ____?
 How long ____ process ____ replacement request ____ account for ____ faulty ____ equipment?
 ____ long can it ____ faulty ____ gear?
 What ____ the ____ replace faulty ____ devices?
 How long will ____ for ____ faulty ____ devices?
 Do you ____ takes long ____ a replacement ____ gear?
 ____ times ____ shipping ____ of ____ process are related to ____ telecommunications gear.
 Can ____ an ____ the swap of faulty ____ gear?
 How ____ does ____ take to replace ____?
 Do ____ know the estimated ____ for exchanging ____.
 ____ does ____ to replace ____ garments, and transport ____ shipping?
 Replacing faulty ____ equipment ____ time ____ a question.
 ____ is the ____ replacing faulty ____ gear.
 ____ time for ____ and delivering replacement telecom ____?
 ____ long does it take to ____ telecom ____ including ____?
 How long ____ replace faulty telecom gear ____ transit ____?
 Is ____ an estimated ____ to replace ____?
 ____ the ____ time required ____ replace faulty telecom ____?
 ____ take ____ to get a new ____?
 For exchanging faulty telecommunications equipment, ____ time ____?
 What is the ____ replacing ____ gear?
 Replacement of faulty ____ equipment ____.
 How ____ it ____ take ____ replace ____ gear?
 ____ an ____ for how long it ____ take ____ faulty telecom gear?
 What is the ____ takes to ____?
 What is ____ time ____ replacing ____ gear?
 ____ you ____ how long ____ take ____ replace the broken telecommunications ____?
 How ____ have to wait ____ a ____ faulty telecommunications ____?
 I ____ how ____ to replace faulty communication gear.
 How ____ you ____ will ____ to replace the comm ____?
 Replacing ____ telecom ____ takes a long ____ duration.
 ____ take to ____ telecom devices, incorporating shipping duration?
 ____ it take a long ____ replacement for ____ gear?
 ____ much time do ____ think ____ will ____ replace ____ telecom devices and ____?
 I ____ could tell ____ how long it would ____ swap ____ faulty telecommunications ____.
 Can ____ give ____ approximate ____ for replacing ____ as ____ as accounting transit ____?
 ____ take long for ____ telecom ____?
 ____ like to ____ long it takes to replace a ____ considering ____ delay ____ well.
 I was ____ you could ____ me how ____ out faulty telecommunications ____.
 ____ does it take ____ ship ____ equipment?
 ____ length ____ the ____ process and the ____ times ____ malfunctioning ____ gear.
 ____ long does ____ replacement ____ telecom devices take?
 Replacing ____ telecom gear, ____ transit ____ for shipping, is ____.
 ____ will it take for ____ faulty ____ equipment ____ replaced?

_____ time for shipping _____ replacement _____ faulty telecom _____ are _____.
