

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Technical issues and troubleshooting assistance
Inquiry Sub-Category	HVAC system issues
Description	Customers may seek troubleshooting support for their vehicle's heating, ventilation, and air conditioning system, addressing concerns like inadequate cooling or heating, unusual odors, or malfunctioning controls.
Data Size	5,032 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

Is _____ control temperature settings on _____ HVAC _____?
_____ you _____ vehicle heating _____ cooling options?
Do you _____ is difficult _____ regulate _____ in your _____?
_____ to _____ the temperatures _____ your _____ and air styrance _____.
It _____ to regulate _____ temperatures _____ the air conditioning and _____ system _____.
_____ HAVC system for _____ temperatures _____ be difficult.
_____ it _____ to _____ vehicle _____ control?
Do you _____ problem _____ your auto's _____ cooling?
_____ AC settings _____ cars hard for _____?
Is _____ to get _____ car _____ and heat _____?
Is it difficult to _____ heating _____ air _____?
Do _____ the _____ air conditioning _____?
Is _____ to modify _____ vehicle _____?
Have you trouble regulating _____ heating and _____?
Do _____ have _____ setting _____ car's air _____?
It _____ regulate _____ temperature on your car's heating, _____ air _____.
_____ hard to change the _____ the _____ system?
Difficulties _____ temperature _____ the vehicle?
It _____ to regulate _____ your car'sHVAC system
_____ auto's heating and cooling?
Is _____ temp _____?
_____ the vehicle _____ involve _____?
_____ control _____ temperature of _____ system?
_____ may _____ to keep your car's _____.
It can be _____ to _____ set _____ certain temperature.
_____ of _____ temperature controls can _____.
Is it _____ to adjust the _____ car's _____?
_____ the _____ of _____ car _____ for you?

____ thermal ____ complicated in ____?
 ____ it's hard to regulate ____ in ____ vehicle?
 ____ controlling ____ car's ____ and ____ conditioning system ____?
 The ____ car climate ____ can ____ to ____.
 ____ you think the ____ temperature is ____?
 Do ____ difficulty setting ____ car ____?
 Do you ____ regulating vehicle ____ and cooling ____?
 Do you find it hard to ____?
 Difficulties ____ changing ____ temperature of ____?
 Cars ____ controls ____ be difficult ____.
 ____ you ____ difficulty adjusting ____ control?
 ____ got ____ regulating vehicle heating ____?
 It's ____ to regulate the ____ in your ____ Ventilation ____ Air ____.
 It is ____ to regulate ____ your ____ heating, ventilating ____ system.
 ____ difficult ____ it ____ the ____ of the car?
 ____ temperature controls can ____ hard ____.
 ____ hard ____ the temperature on ____ Ventilation and air condition ____.
 ____ adjustments ____ may be complicated.
 ____ it hard ____ get ____ AC ____ heat controls?
 It is ____ to set the ____ system.
 ____ controlling ____ temp tough ____?
 Is thermal ____ adjustments ____
 ____ it ____ to change cabin ____ with the ____?
 ____ is hard to regulate the temperatures ____ car's ____.
 ____ regulate ____ temperatures on ____ car's heating, ____ air-conditioning system.
 ____ controlling ____ AC ____ cars ____ for ____?
 Is it difficult to ____?
 ____ difficult to ____ the temperatures in your car's heating, ____.
 Difficulties in ____ temperatures?
 Is it ____ the temperature ____ your ____?
 ____ in controlling ____ car ____?
 ____ you find it hard ____ control ____ in-car ____?
 ____ hard to ____ vehicle's ____?
 ____ hard to ____ that car ____ and ____ controls?
 Can it be ____ the ____?
 It is ____ the ____ in your ____ and air conditioning ____.
 ____ HVAC ____ might ____ a challenge ____ automobile.
 Do you think altering ____?
 ____ managing ____ auto's ____ cooling?
 Does ____ a vehicle ____ difficulties?
 Difficulties ____ controlling ____ temperature ____?
 It can ____ to ____ on ____ car's ____ and air conditioning.
 ____ regulate the temperatures ____ your ____ heating, ____ airconditioning system.
 Is ____ tough to ____ climate ____?
 Are ____ adjustments complicated ____ vehicle?
 ____ it challenging ____ car temp?
 configuration of ____ vehicle ____ may ____
 It is difficult ____ regulate the temperatures ____ Ventilation ____ Conditioning ____ your ____.
 Adjusting the temperature settings on a ____ system ____.
 ____ it too hard ____ modify cabin temperatures ____?

____ you ____ to keep your ____ temperatures under ____?
 ____ the vehicle climate _____.
 ____ you ____ adjusting ____ vehicle's ____ control?
 ____ have ____ with ____ heating ____ air conditioning settings?
 Difficulties ____ in a ____?
 It's ____ set the ____ vehicle's HVAC system.
 ____ you ____ adjusting vehicle ____ control ____?
 ____ tough ____ the temperature ____ the car's HVAC system.
 ____ climate present difficulties?
 ____ it problematic for owners to ____ settings ____ cars?
 It's ____ the temperature for ____ system.
 ____ struggle ____ climate control?
 Are ____ challenging for ____?
 ____ auto air conditioning ____?
 ____ manage car ____ controls
 ____ easy to ____ temperatures on ____ heating ____ air conditioning system.
 ____ temp control ____ hard ____ control.
 Is the car's ____ control?
 Difficulties ____ the car's ____?
 ____ is ____ to regulate ____ temperatures on ____ car's ____ cooling ____.
 ____ it difficult regulating ____ heating and cooling ____?
 Difficulties ____ the temperature ____?
 It might be ____ to keep ____ car's ____ a ____.
 Is ____ the car ____?
 Is it ____ adjust the ____ my ____ air conditioning system?
 Do ____ have ____ car air ____ settings?
 ____ you have difficulty setting ____ car's ____ cooling ____?
 ____ to regulate vehicle ____ and cooling ____.
 Can ____ the vehicle ____?
 It ____ complicated ____ the ____ settings ____ a ____ heating, ____ system.
 ____ to regulate ____ temperatures ____ car's ____ Ventilation, ____ Air condition system.
 Did you ____ altering ____ air ____?
 ____ to regulate ____ heating ____ options?
 ____ is ____ to set ____ temperature ____ your ____.
 ____ think it's hard ____ car's temperature?
 ____ you ____ hard to ____ of your vehicle?
 It ____ difficult ____ the temperature ____ a ____ system.
 ____ HVAC ____ present ____ challenge in ____ automobile.
 ____ difficult to ____ the ____ of ____ car's HVAC ____.
 ____ you ____ difficulties regulating ____ heating ____ cooling ____?
 ____ the in-car ____ can ____ difficult.
 ____ climate of the vehicle ____ difficult?
 How ____ regulate ____ heat ____ car?
 ____ car ____ air ____ settings hard ____ manage?
 ____ is challenging to ____ temperatures on ____ heating, ____ Air condition ____.
 ____ controlling ____ car's temp ____?
 ____ hard ____ regulate ____ on ____ car's heating and air-conditioning ____.
 Do ____ have ____ hard ____ heating and cooling settings?
 ____ HVAC temperatures present a challenge ____?
 ____ changing ____ car's thermostat?

____ thermal ____ adjustments in ____ be ____?
 Do ____ temps ____ a problem ____ your ____?
 Can ____ your car's heating and ____?
 It is difficult to ____ car's ____ ventilating and ____ system.
 Is ____ adjust ____ temperature on ____ vehicle's system?
 ____ HVAC ____ can present ____ challenge ____ vehicle.
 It's ____ set the thermostat on your ____ Ventilation and ____.
 ____ is challenging to regulate the ____ on ____ car's ____ system.
 Having ____ heating and ____?
 ____ you find it ____ to ____ your ____ control?
 It is ____ to control ____ in your ____ Ventilation ____ Air ____.
 ____ the car ____?
 ____ challenging to regulate the ____ your car's ____ air-conditioning ____.
 ____ car heating ____ cooling?
 Is ____ the ____ in a ____ a ____?
 Are ____ having ____ your ____ and cooling?
 It's ____ to ____ temperature of ____ car's HVAC ____.
 It's difficult to ____ of ____ vehicle's HVAC ____.
 ____ the vehicle climate ____ with ____?
 ____ setting your ____ heating and cooling settings?
 ____ you ____ trouble with ____ cooling your ____?
 Is controlling AC ____ owners?
 ____ AC ____ car a problem?
 ____ you ____ control ____ in-car climate ____?
 It's ____ the temperature ____ your ____ heating, Ventilation ____ Air condition ____.
 It is difficult ____ the temperature ____ your car's ____ ventilating ____.
 ____ you struggling ____ adjusting ____ vehicle's ____?
 How ____ it to ____ the ____ the car?
 Is controlling ____ settings ____ problematic?
 Is ____ hard to ____ auto ____?
 ____ you ____ modifying ____ air ____ is ____?
 Changing HVAC temps ____ present ____ challenge ____.
 Have ____ trouble adjusting ____?
 ____ HVAC ____ can have ____ challenge ____ car.
 ____ temperature settings ____ a vehicle ____ be difficult ____.
 It can ____ difficult to ____ the ____.
 ____ hard ____ it ____ get that car AC ____?
 ____ am ____ adjust my ____ temperature?
 It ____ difficult ____ regulate ____ temperatures ____ your ____ Ventilation and ____ styranace ____
 It ____ to control the temperatures ____ your car's ____ conditioning ____.
 ____ to ____ heating ____ cooling options?
 The ____ of your car's HVAC system ____ set.
 It's ____ to regulate ____ in ____ car's heating, Ventilation ____ Air ____.
 ____ be ____ regulate the ____ car's ____ Ventilation and Air-conditioning system.
 ____ is ____ to keep the temperatures ____ your ____ air-conditioning ____.
 ____ the ____ temp ____ challenging?
 ____ is ____ regulate the temperatures on your car's ____.
 It ____ to determine the temperature ____ car's HVAC ____.
 How difficult is ____ to ____ under control?
 Is controlling the ____ car ____ for ____?

_____ may _____ to _____ the car's _____ set at _____ certain _____.
 It _____ hard to _____ the temperatures _____ heating _____ air _____ system.
 _____ difficult to _____ temperatures in your car's _____ system.
 Is it _____ adjust _____ settings on my _____?
 Do you _____ with _____ air conditioning _____?
 _____ is _____ to _____ the _____ the _____ Ventilation _____ Air conditioning _____ in your _____.
 It is _____ keep the _____ car's _____ air-conditioning system.
 are thermal regulation _____?
 _____ with _____ car temperature _____?
 It _____ to _____ temperatures on your _____ heating, Ventilation _____ system.
 Do _____ it difficult to adjust _____?
 Maintaining _____ right temp _____ a vehicle _____.
 Do _____ a _____ adjusting the _____ climate _____?
 _____ to set the temperature on _____ system.
 _____ can _____ a challenge in your _____.
 _____ control tricky?
 _____ not _____ regulate the _____ on _____ car's air _____ heating system.
 _____ have _____ regulating _____ and cooling?
 Are you having _____ your _____ cooling?
 _____ changing _____ temps a problem _____?
 Difficulties regulating the _____?
 Have _____ found it _____ vehicle _____ cooling options?
 _____ regulate _____ temperatures _____ your _____ heating, Ventilation and Air _____ system.
 _____ difficult to regulate _____ on _____ system
 How _____ it to adjust _____?
 It's difficult to _____ temperatures on _____ car's _____ and _____.
 Do _____ find it _____ regulate _____ in your _____?
 Isn't _____ difficult _____ regulate vehicle heating _____?
 It isn't _____ regulate _____ car's heating _____ air-conditioning system.
 _____ with adjusting _____ temperature?
 The _____ climate _____ be difficult _____.
 _____ regulate the temperatures on _____ car's _____ Ventilation _____ Air _____
 _____ it _____ adjust vehicle Climate _____?
 Is controlling the _____ car _____?
 Adjusting _____ temperature settings on a _____ system _____ easy.
 _____ to get _____ car AC and heat _____?
 How _____ is it _____ get _____ AC _____ controls?
 _____ difficult _____ it _____ the right _____ inside _____ vehicle?
 _____ find _____ heating _____ cooling _____ difficult?
 _____ the _____ climate be _____?
 It's hard _____ on your _____ heating, Ventilation _____ system
 It is _____ to _____ on your car's HVAC _____.
 It _____ control _____ temperatures of _____ car's heating, _____ air condition _____.
 It _____ not _____ regulate _____ your car's _____ Ventilation and Air _____ system.
 _____ the temperature _____ your _____ difficult.
 _____ is _____ set _____ thermostat _____ your car's HVAC system.
 _____ adjusting vehicle _____ control?
 Is _____ modify the temperature _____ on _____ car?
 _____ with adjusting _____?
 Do _____ difficulty controlling _____ control?

Is _____ cabin temperatures _____ the HVAC system?
 _____ you _____ trouble _____ car _____ temp?
 _____ adjustments be _____ in vehicles?
 _____ is difficult to regulate _____ and air-conditioning _____.
 _____ regulate temperatures _____ your vehicle's _____ conditioning features?
 _____ adjustments complicated in _____ vehicle?
 Is it _____ temperature?
 _____ auto _____ conditioning be _____?
 Is _____ problematic to _____ with the HVAC _____?
 Are _____ regulation _____ tricky _____?
 Are you _____ trouble _____ car's heating _____?
 _____ be _____ keep your _____ thermostat set at _____ right _____.
 _____ is _____ the temperatures in your car's heating _____
 _____ managing your _____ and cooling?
 _____ difficult to modify _____ temperature _____ on _____ car?
 Is controlling the car's _____?
 _____ you think _____ to regulate _____ car's _____?
 Difficulties in _____ the car?
 _____ easy to regulate the _____ heating, _____ and _____ condition system.
 It's _____ regulate _____ on _____ car's heating, _____ system.
 Is changing HVAC temps _____?
 _____ you find it difficult _____ the _____ car?
 Do you _____ air conditioning _____?
 It _____ hard to _____ air-conditioning and heating system.
 _____ configuring the _____ climate _____?
 _____ find _____ adjusting vehicle _____ control?
 _____ car AC's temp _____ problem.
 _____ difficult to regulate _____ the heating and _____ system _____ car.
 The car _____ be _____.
 Is it difficult _____ in _____ HVAC system?
 _____ is hard _____ the _____ on your _____ heating, _____ conditioning system.
 Can _____ the vehicle _____ difficulties?
 Is _____ a _____ controlling AC settings _____?
 Difficulties _____ temperature _____ your _____?
 _____ you think _____ difficult _____ regulate _____ temperatures _____ your _____?
 It _____ difficult _____ regulate _____ on your car's _____ ventilating _____ system.
 It's difficult _____ regulate _____ in _____ car's heating and _____.
 _____ difficult to _____ temperature in your car's HVAC _____?
 Is it _____ change the _____ on _____ vehicle's _____?
 _____ find altering the _____ difficult?
 How hard _____ it _____ regulate the _____?
 _____ not easy _____ regulate the temperatures _____ car's heating, _____ and _____ condition _____
 _____ car _____ hard?
 _____ the _____ and cooling _____ to control?
 Is it _____ for owners _____ AC settings _____ their _____?
 How hard _____ adjust _____ car's climate _____?
 Do you _____ with _____ heating _____ cooling?
 _____ is _____ set the temperature of _____ car's HVAC _____.
 It _____ be difficult _____ modify _____ temperature _____ the _____.
 _____ difficult to _____ the cabin temperatures _____ system?

Is _____ to _____ car HVAC _____?

Would it _____ control _____ climate system?

_____ difficult _____ adjust the _____ a _____ heating, airconditioning system.

_____ hard _____ temperature on your car's systems?

_____ might _____ difficult to control _____ climate _____.

It can be _____ control _____ climate _____ car.

_____ car's thermostat set _____ difficult.

Is it _____ to change the _____ your _____?

_____ temperature controls _____ to _____?

Does _____ climate of _____ make _____ hard?

It's _____ to _____ the temperatures _____ car's _____ Ventilation and _____ (HVAC) _____.

Difficulties _____ a car's _____?

_____ you _____ your _____ heating and _____?

Do _____ think _____ the car's heating _____ is _____?

It _____ hard to keep _____ thermostat on _____ certain _____.

Is _____ temp very _____ for _____?

_____ be _____ to set _____ thermostat _____ your car.

How _____ is _____ to keep _____ a vehicle?

Is it hard _____ vehicle's _____?

Do you _____ hard to _____ in your _____?

_____ might _____ altering _____ conditioning difficult.

Are _____ the _____ climate _____?

_____ you _____ any _____ adjusting _____ control?

_____ hard _____ it to get _____ heat _____?

_____ controlling _____ air _____ car problematic?

It _____ hard _____ the temperature in _____ car's heating, _____ and _____.

It is _____ to figure _____ temperature of _____.

_____ the temperature in _____ vehicle?

_____ difficult _____ the temperatures _____ heating, _____ system of your car.

How _____ is it _____ car AC _____ heat _____?

Changing HVAC temps _____ present _____ vehicle.

Do you _____ it's difficult to _____ in _____?

Do you have _____ control?

_____ is _____ to _____ temperature of the car's HVAC _____.

Problem _____ vehicle heating _____?

_____ you _____ trouble controlling _____ heating and _____ options?

_____ difficult to regulate the _____ on _____ heating and _____ car.

It is difficult _____ on your _____ and _____ conditioning system

_____ your _____ and _____ be tough.

How difficult _____ it to _____ system?

Do you have _____ difficulty with _____?

Is car _____ to _____?

_____ think it's _____ to _____ temperature on your car's _____?

Is _____ car temp _____?

It's difficult to regulate _____ and cooling system.

It _____ be difficult _____ adjust _____ temperature _____ in _____.

It _____ to adjust the temperature settings _____.

_____ you having _____ your _____ heating and _____?

_____ controlling AC _____ problematic _____ the owner?

Managing _____ and cooling _____ a challenge.

Do ____ feel ____ difficult to ____ in ____ vehicle?

It ____ difficult to regulate the ____ on your car's ____.

It isn't easy ____ regulate the ____ car's ____ and ____ condition ____.

____ configuring ____ climate come ____ difficulties?

It is ____ on ____ car's heating, ____ and Air condition ____.

The temperatures ____ your car's heating, ____ system ____ to regulate.

____ had trouble ____ auto's ____ and cooling?

____ have trouble ____ your auto's heating ____?

____ you ____ it's hard ____ regulate ____ temperature ____ car?

Do you have ____ adjusting ____ of your ____?

Do you ____ maintain the right temp inside ____?

Is controlling ____ problematic ____ owners?

____ it ____ to ____ the ____ of ____ car's air conditioning ____?

Do ____ regulating ____ heating and ____ options?

____ temperature control?

____ feel ____ to ____ the temperatures in your ____?

Can ____ car ____ difficult?

____ adjusting the temperature settings on ____ heating, ____ are ____.

Do ____ find it ____ to regulate ____ temperature with ____?

Has it been ____ regulate ____ heating and ____?

____ you think it's hard ____ temperatures ____ your ____?

Are ____ regulating vehicle heating ____?

Do ____ think it's ____ modify ____ air ____?

____ it hard to change ____ in ____?

Is it ____ change auto ____?

____ the ____ on a car's heating ____ air-conditioning system.

It is ____ to ____ temperatures ____ your ____ Ventilation and ____ system.

Is it ____ to ____ temperatures ____ the HAVC ____?

____ to regulate ____ on your car's heating, ____ Air ____ system.

Difficulty ____ a vehicle's heating, ____ system are included.

It is difficult to ____ on ____ and air-conditioning ____.

____ troublesome ____ alter ____ temperatures ____ the HAVC system?

The temperature ____ heating, ____ Airconditioning system ____ hard to regulate.

____ in a vehicle problematic?

Do ____ have ____ hard time ____ air conditioning?

____ hard to ____ the temperature with ____ vehicle's ____?

____ you ____ problems ____ vehicle ____ control?

It ____ to manage ____ temperature.

____ configuring ____ climate ____ challenges?

Have you ____ and cooling?

Is controlling the ____ difficult?

____ it be ____ maintain ____ right temp ____ the ____?

____ have trouble controlling vehicle ____?

It ____ difficult to ____ heating, Ventilation and air conditioning ____.

It can be difficult to ____ car's ____ certain ____.

____ with ____ in car?

____ temps can present ____ challenge ____ your ____.

____ can be ____ to ____ temperature.

____ you ____ car's air conditioning?

____ it hard to change ____ your car's ____?

_____ is not _____ to _____ of the HVAC system in _____.

It can _____ hard _____ temperature settings _____ vehicle.

Changing _____ be _____ challenge for _____ car.

It _____ difficult to _____ temperatures on _____ heating, Ventilation and _____.

It _____ to _____ the _____ of _____ car's HVAC system.

Is it hard _____ control _____?

Do you _____ it _____ car _____ settings?

_____ decide the temperature of your _____.

Do you _____ difficulty _____ auto's heating and _____?

Car climate _____ to manage.

_____ in _____ car's heating _____ system is hard to _____.

Changing HVAC _____ a challenge _____ automobile.

_____ hard _____ temperature of _____ car's _____ and air-conditioning system.

_____ it hard _____ change the _____ on _____ systems?

_____ to _____ the _____ on your car's heating, _____ and _____ system.

Are _____ regulation adjustments hard _____ a _____?

Is _____ hard _____ set _____ temperature _____ your _____ conditioning?

It can be _____ regulate _____ temperatures on _____ heating, Ventilation _____.

_____ may be _____ to _____ car's thermostat set to _____.

_____ can _____ hard _____ adjust the _____ in a _____.

_____ is it _____ keep _____ car's _____ correct?

_____ set the temperature in your _____?

_____ adjusting vehicle climate control?

It _____ to _____ the temperature in _____ vehicle.

The _____ settings on the vehicle _____ hard _____.

It _____ regulate the temperatures on _____ heating, _____ and _____ conditioning _____.

_____ it difficult _____ the temperatures in _____?

_____ may be hard _____ your car's _____ right temperature.

_____ you have any trouble _____ control?

_____ to set the _____ of the _____ system.

How hard _____ you _____ vehicle _____?

_____ you have _____ difficulties adjusting _____ control?

_____ not easy _____ temperatures on your _____ heating, _____ Air-conditioning system.

_____ to set the _____ car's HVAC system.

It is _____ to _____ the temperature _____ car's heating, _____ and _____ condition _____.

_____ temperature settings on _____ vehicle's _____ system _____ difficult.

_____ you have a problem _____ settings?

controlling car _____ can _____.

It is _____ to _____ the temperatures of your _____ ventilating _____.

_____ configuration the vehicle climate?

_____ changing auto _____ is hard?

Is _____ car's _____ challenging?

_____ is _____ to regulate the temperatures _____ your car's _____.

_____ to regulate car temperature _____?

It's _____ adjust _____ temperature _____ on a _____ heating, _____ system.

_____ to regulate _____ temperatures on _____ Ventilation and Air-conditioning _____.

_____ auto _____ is difficult?

_____ you having _____ your automobile's _____ and _____?

_____ is hard _____ temperatures on your car's _____ air _____.

It can be _____ to _____ car's _____.

_____ control the temperature on your _____ heating _____ system.
 _____ car temperature?
 _____ hard to adjust the temperatures _____ your _____ heating _____ .
 How _____ is _____ to _____ AC and heat _____ ?
 Does _____ air conditioning _____ you?
 _____ difficult to _____ the _____ your _____ ventilation and air _____ system.
 Is _____ the auto-cabin _____ conditioning temperature?
 _____ adjusting the _____ a car?
 _____ adjusting _____ car's temperature?
 _____ to _____ temperatures on your _____ and Air conditioning system.
 _____ hard to regulate the temperatures _____ your _____ heating _____ .
 _____ may _____ hard to keep _____ thermostat _____ in a _____ .
 Did _____ have trouble _____ vehicle heating _____ ?
 How hard _____ to _____ and air conditioning?
 Is it _____ set _____ temperature _____ air conditioning system?
 How _____ you able _____ of your car's air _____ ?
 It _____ to regulate the temperature _____ your _____ air _____ system.
 Would _____ be _____ vehicle's climate?
 _____ the AC _____ car problematic?
 _____ come with difficulties _____ the vehicle _____ ?
 _____ is difficult _____ set _____ temperature _____ the _____ system.
 _____ is hard _____ regulate _____ your _____ heating, _____ and Air _____ system
 Vehicle heating _____ options _____ be _____ regulate.
 _____ car temperature _____ ?
 Difficulties in controlling _____ ?
 _____ the _____ air conditioning _____ problematic?
 _____ there any _____ heating _____ cooling options?
 _____ hard managing your auto's _____ and cooling?
 _____ hard _____ set the _____ on your car's heating, _____ system.
 How _____ is _____ manage the _____ ?
 Does _____ climate come with _____ ?
 Is it hard _____ vehicle _____ ?
 _____ may _____ difficult _____ keep your car's thermostat set _____ .
 You _____ find _____ auto _____ conditioning _____ .
 _____ it to _____ that _____ air conditioning _____ heat controls?
 _____ temp can _____ difficult.
 _____ can _____ to _____ the _____ on a car.
 _____ vehicle's _____ settings can be _____ .
 Do _____ that altering _____ is difficult?
 _____ difficult to _____ temperature _____ your _____ heating _____ air-conditioning system.
 _____ to _____ the temperature of your _____ conditioning system?
 _____ you find _____ to keep _____ in line?
 Difficultly _____ and _____ options?
 Does _____ climate control _____ ?
 _____ it _____ keep the _____ temperature appropriate?
 _____ managing _____ car's heating and cooling?
 Changing HVAC temps _____ in _____ car.
 It is _____ to _____ on _____ car's heating, Ventilation _____ conditioning _____ .
 Don't _____ find it hard _____ your _____ heating _____ ?
 _____ you find it _____ to _____ the _____ settings?

It ____ difficult ____ the ____ on ____ car's heating, ____ system.
 ____ to regulate ____ temperatures on ____ car's heating ____ air-conditioning ____.
 ____ management ____ auto-cabin ____ conditioning temperature?
 Keeping your ____ thermostat ____ certain temperature ____ be ____.
 It is hard ____ set the temperatures ____ ____.
 Is ____ the AC ____ a car ____ ____?
 It ____ hard ____ regulate ____ temperatures ____ your vehicle's ____ Air condition ____.
 Do ____ find it ____ to regulate ____ ____?
 ____ adjusting ____ on a ____ system is a problem.
 ____ hard to control the ____ your ____ heating, Ventilation and ____ ____.
 It is difficult ____ the temperatures ____ heating, ____ and ____ system.
 Have ____ trouble with your auto's ____?
 ____ regulating car heating ____ options?
 Changing HVAC temps ____ challenge ____ car.
 It is hard to ____ car's heating ____ air conditioning ____.
 ____ difficult ____ set the thermostat of ____ system.
 How ____ it ____ adjust the ____ the car?
 ____ difficult to ____ temperature ____ the vehicle's HVAC system?
 Is controlling ____ thermostat ____?
 ____ you ____ it ____ hard to change auto ____?
 ____ a ____ time setting the ____ conditioning settings?
 It's difficult ____ regulate the ____ heating, ____ styranace system.
 Have you ____ with the ____ and ____ car?
 ____ not ____ to ____ temperatures in ____ heating, Ventilation ____ Air Conditioning system.
 ____ temps ____ a challenge ____ your car.
 Is ____ the ____ hard?
 ____ easy to regulate the temperatures ____ car's heating, ____ system.
 It ____ not easy ____ the temperatures ____ your ____ Ventilation ____ symiy.
 Are ____ not ____ adjusting vehicle ____?
 It ____ difficult ____ keep the temperatures ____ heating ____ system.
 ____ it ____ adjust ____ regulation in ____?
 ____ you ____ a hard time ____ car ____ and ____?
 ____ car temperature ____?
 It ____ to ____ the ____ on ____ vehicle's heating, airconditioning ____.
 ____ temperature settings ____ difficult ____ vehicle's heating, ____ and Air-conditioning.
 ____ the climate ____ a ____ difficulties?
 ____ you find ____ difficult ____ your car's ____?
 ____ be ____ to regulate car ____?
 ____ hard ____ regulate ____ on your car's heating, ventilating ____ air ____.
 ____ controlling ____ your ____ heating and ____ system difficult?
 Is thermal ____ complicated?
 Changing ____ temperature ____ vehicle ____ be hard.
 ____ HVAC ____ can ____ challenge in ____ car.
 ____ it ____ the car's thermostat?
 ____ controlling ____ car's ____ controls ____?
 Do ____ find ____ to control ____ in-car climate ____?
 Changing ____ conditioning ____ hard, do ____?
 ____ HVAC temps a ____ automobile?
 ____ controlling ____ car's ____ challenge?
 ____ it ____ to ____ the ____ temperature?

Difficulties in _____?

_____ you _____ difficulty adjusting _____ vehicle climate _____?

Does _____ vehicle climate make _____?

Do you _____ vehicle _____ control?

_____ configuring the vehicle climate?

Difficulties with _____ inside _____ car?

_____ to set _____ on your _____ and Air-conditioning system.

It's _____ to _____ temperatures on _____ car's heating, _____ air _____.

_____ auto _____ difficult?

Its _____ regulate the _____ car's heating, Ventilation _____ styrance system.

_____ can _____ very _____ change the temperature settings _____ the _____.

Its _____ set _____ temperature _____ car'sHVAC system.

_____ is it _____ control _____ temperature _____ a car?

It's complicated _____ adjust the _____ settings _____ a _____ heating, _____.

_____ to regulate _____ your _____ heating, air-conditioning system.

_____ temps can _____ challenge in a _____.

Is _____ the car's _____ cooling _____?

Is _____ difficulty regulating _____ and _____?

Is _____ car's air _____ easy?

How _____ is _____ to _____ car's AC _____ controls?

Is controlling _____ car _____ for _____?

Do you have trouble setting _____?

It is not _____ regulate _____ on _____ car's air _____.

_____ can _____ hard _____ keep _____ thermostat set at _____ certain _____.

Is controlling _____ in a _____.

How _____ is managing _____?

_____ can be _____ to change _____ on _____ car.

_____ controlling _____ temperature _____ the car?

_____ you _____ the temperature of _____ car's hvac _____?

Do you _____ a hard _____ setting _____ car _____ and _____?

_____ you have difficulty _____ climate _____?

It's _____ easy _____ regulate _____ temperatures _____ your car's heating, _____ and _____.

Do _____ adjusting _____ climate of your _____?

It's hard to _____ the temperature _____ your _____ system.

It's _____ set the temperatures _____ your car's _____ and _____ system.

Will _____ climate be _____?

_____ is hard _____ regulate _____ temperature _____ your car's _____ conditioning _____ heating _____.

_____ is _____ to _____ the _____ theHVAC _____ in a car.

Do you _____ the _____ AC's _____?

Do _____ a _____ time setting _____ car's _____ conditioning?

How _____ is it _____ get _____ heat _____ AC _____?

Difficulties with _____ car's _____?

It is _____ easy _____ regulate the temperatures _____ your _____ heating, _____ Air _____.

_____ thermal regulation _____ in _____ car?

_____ is it _____ change _____ conditioning?

_____ in controlling _____ in _____?

_____ the _____ settings can _____ difficult _____ vehicle's heating.

_____ to manage your car's heating _____?

_____ it _____ manage _____ car's temperature?

_____ adjusting car _____?

Is _____ too _____ to _____ with the HVAC _____?

Difficulties _____ car thermostat?

_____ to change _____ temperature on the _____ air _____ system?

Control of _____ in-car _____ system _____.

_____ you have a hard _____ car heating _____?

Is _____ vehicle's _____ difficult?

_____ difficult _____ keep your car's thermostat set _____ a _____.

_____ to _____ the _____ in your car's _____ and Air _____ system

_____ the AC _____ problematic?

_____ the _____ be difficult.

It is hard to _____ temperatures _____ equipment.

_____ you find _____ control your _____ temperature?

_____ you _____ vehicle _____ and cooling?

Is _____ settings _____ the _____ complicated?

Do _____ have _____ adjusting vehicle _____?

_____ the _____ heating _____ air-conditioning settings _____?

_____ to _____ temperatures in _____ vehicle?

It _____ to _____ the temperatures on your car's _____ heating _____.

_____ be hard to _____ the temperature _____ on _____ heating, _____ system.

_____ auto _____ conditioning hard?

_____ control _____ in-car climate _____?

The temperature _____ system can be difficult _____.

_____ have _____ regulating _____ and cooling?

It's hard _____ in your car's heating _____ air-conditioning _____.

Are _____ regulate car _____ controls?

It _____ difficult _____ a car's _____ set _____ certain temperature.

Do you find _____ the auto air _____?

Do _____ have a challenge _____ climate _____?

Is _____ modify _____ in vehicles?

_____ to regulate _____ temperatures on _____ Ventilation _____ condition system.

It is difficult _____ the temperature _____ system in _____.

Difficulties _____ car _____?

_____ temperature of the _____ difficult

The _____ settings on _____ be difficult _____ change.

_____ is _____ the _____ on the _____ Ventilation and _____ system _____ your car.

It _____ be difficult to _____ car's thermostat _____ certain _____.

_____ easy _____ regulate _____ temperature _____ your _____ heating, Ventilation and Air-conditioning _____.

_____ is not easy to regulate the _____ on _____ conditioning system.

Difficulties _____ car's _____?

How hard _____ it _____ to have _____ conditioning and _____?

_____ difficult _____ regulate the temperatures on the heating _____ air-conditioning _____.

Difficulties _____ adjusting the temperature _____?

_____ is difficult _____ regulate the temperatures _____ your car's _____ system.

You _____ trouble _____ heating _____ cooling?

It _____ difficult to regulate _____ temperatures on _____ car's _____ and _____.

Are _____ manage the _____ temperature?

Is controlling the _____ in _____ problematic _____ owner?

_____ is _____ to _____ the temperature of _____ car's HVAC _____.

It _____ hard _____ regulate _____ temperatures on your _____ heating, _____ air-conditioning _____.

_____ it problematic _____ vehicle _____ and _____?

It is _____ regulate the _____ heating _____ air-conditioning _____ in your _____.

It is _____ to _____ your car's _____ air condition system.

_____ find altering auto _____?

Adjusting the temperature _____ be _____ challenge _____ the _____.

_____ with adjusting a _____ in _____?

Is controlling the _____ setting _____?

_____ hard to regulate the _____ car's _____ and airconditioning.

_____ your _____ system _____ be difficult.

_____ will have a _____ your automobile.

_____ hard to change _____ settings on _____ car?

_____ may be _____ to keep _____ thermostat _____ to _____ certain _____.

Is _____ the _____ problematic?

How _____ is _____ control _____ car's _____?

_____ vehicle _____ difficult?

It's _____ to _____ the temperatures _____ car's _____ air-conditioning system.

Is it _____ to set _____ thermostat _____ your _____ system?

_____ the temperature _____ your car?

It's _____ to _____ temperature _____ a _____ system.

_____ hard _____ a temperature for _____ car'sHVAC _____.
