

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Check engine light is on
Inquiry Sub-Category	Sensor Malfunctions
Description	Customers seeking assistance with check engine light issues caused by malfunctioning sensors, such as the mass airflow sensor (MAF), oxygen sensor, or throttle position sensor.
Data Size	5,034 paraphrases

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

____ the check ____ light on due ____ ____ airflow sensor?

A ____ engine ____ caused ____ a faulty mass airflow ____.

The check engine ____ could be ____ malfunctioning ____ sensor.

____ engine light is on ____ airflow sensor malfunction.

____ check ____ light ____ caused by ____ bad ____ air ____ sensor.

Is the ____ lights ____ because of ____ flow sensor?

____ light could be ____ malfunctioning ____ airflow ____ or something else.

The ____ light ____ occur because of ____ bad ____ flow ____.

A ____ light ____ happen ____ of a bad mass ____.

Does check ____ come from ____ flow ____?

____ malfunction ____ a mass airflow sensor could be ____ check engine ____ on.

check ____ may ____ caused by ____ airflow sensor.

A malfunction ____ the cause of a check ____ light ____ on.

____ come from bad airflow ____?

____ check engine light ____ by ____ malfunctioning mass ____ sensor?

Does ____ check ____ light ____ the ____ airflow ____ needs to be ____?

Is ____ check ____ light ____ of a ____ mass ____ flow ____?

Is ____ check ____ due ____ the ____ mass ____ sensor?

Is the check ____ a consequence of ____ airflow ____.

Is the ____ light ____ of a bad ____ sensor?

The ____ light could ____ result ____ a mass airflow ____.

Does ____ check engine light ____ a bad ____ airflow ____?

____ a ____ engine ____ to ____ bad ____ air flow sensor?

Check engine ____ could ____ a bad mass ____.

Does ____ engine light ____ the ____ mass flow ____?

A malfunction ____ airflow ____ could be to ____ for the ____ light ____.

Does ____ check ____ light ____ on ____ bad mass ____ sensor?

____ you think the ____ sensor ____ the check engine ____?

_____ possible _____ the _____ engine _____ is _____ to a malfunctioning mass _____.

Is _____ check _____ light _____ a bad mass _____ sensor?

_____ check engine _____ be caused by _____ mass airflow Sensor.

_____ a bad _____ air-flow _____ in the _____?

_____ engine light _____ by _____ mass airflow sensor

Check _____ may be caused by _____ mass _____.

Does a _____ engine _____ is a _____ mass airflow _____?

The check engine light _____ on because _____ of _____ airflow _____

_____ engine _____ be a _____ of a _____ sensor.

Maybe the check _____ is _____ mass airflow _____?

Check _____ caused by a _____ airflow sensor.

Is _____ that the check _____ light is due _____ mass airflow _____?

Is _____ check _____ light _____ me that _____ is malfunctioning?

_____ engine light _____ of a malfunction _____ a _____ airflow sensor.

Has the check engine light _____ a _____ mass _____?

The _____ engine light _____ been caused _____ faulty _____ sensor.

_____ a _____ engine light _____ because _____ a bad _____ sensors?

Does a _____ happen _____ bad mass flow sensor?

A check engine light may _____ to a _____.

Is the _____ light connected to _____ bad _____ flow _____?

_____ engine _____ was _____ by _____ fault _____ the mass _____ sensor.

The _____ light may have been triggered _____ a _____.

_____ airflow sensor _____ a check engine light to _____?

_____ engine light is _____ by _____ flawed mass _____.

_____ check engine _____ might be _____ by _____ malfunction of _____ sensor.

The _____ light _____ be _____ by a _____ air _____ sensor.

The _____ engine light might _____ the _____ a _____ mass _____ sensor.

Mass _____ sensor _____ check _____?

Does my _____ light _____ mass airflow sensor?

Check _____ light _____ bad _____ sensor

Is _____ the check _____ on may _____ to a malfunctioning _____ sensor?

There could _____ a _____ the _____ that causes the Check _____ go on.

There _____ be a check engine _____ if _____ fails.

_____ light due _____ a bad mass _____ sensor.

_____ light come from a bad mass _____?

_____ the check _____ on because _____ airflow _____ needs _____ be _____?

_____ a _____ happen because the mass _____ flow _____ malfunctioning?

Does _____ check engine _____ due _____ a _____ mass flow _____?

Is _____ that the _____ engine light _____ from a _____ mass _____?

Is it _____ that _____ light is caused by a _____ mass _____ or _____?

_____ is _____ chance that the _____ because of a mass _____ sensor _____.

Is the check _____ a consequence of _____ flow _____?

Is it _____ is caused _____ a malfunctioning mass _____ sensor?

Does _____ light _____ engine _____ from a bad _____ flow _____?

If _____ mass _____ fails, will a _____ engine _____ come _____?

The _____ engine _____ signal may have _____ by _____ issue.

Will _____ flawed mass airflow _____ cause _____ check _____?

_____ check engine light _____ a bad _____ sensor?

The _____ engine light _____ malfunction in the mass _____ sensor.

Does a check engine _____ bad mass _____ sensor?

Does _____ mass _____ cause _____ check _____ light to go on?

The Check engine light _____ go _____ to _____ of a _____ sensor.

Does a check engine _____ occur _____ of _____?

_____ of a mass _____ sensor could _____ reason _____ the Check engine _____.

_____ a mass _____ sensor _____ be _____ reason _____ the check _____ light _____

Does _____ engine _____ come _____ a bad mass _____ sensor?

_____ malfunction of _____ mass airflow _____ might be the _____ for the check _____.

_____ malfunction _____ a mass airflow sensor _____ blame for the Check _____ going _____.

The check Engine light _____ be _____ mass _____ sensor.

_____ engine light is probably _____ bad _____ flow _____.

Does a check _____ light show _____ an issue _____ sensor?

_____ the _____ engine light _____ me _____ mass airflow sensor _____?

The check engine light _____ due _____ a malfunction _____ mass _____.

The check engine _____ on _____ a _____ mass _____ sensor.

The _____ light _____ from _____ bad mass _____ sensor.

_____ check _____ could be from a _____ sensor.

_____ check engine _____ could _____ a malfunction _____ a mass _____ sensor.

_____ check engine light is _____ mass _____ sensor.

Check engine light _____ air-flow _____.

_____ bad mass flow _____ cause _____ to go off?

A malfunction of _____ is a _____ check engine light being _____.

Is _____ the check engine light is _____ to _____ malfunction _____ the _____ sensor?

_____ a check _____ light _____ bad _____ flow sensor?

_____ check engine _____ come on if the _____ flow _____?

_____ is possible _____ the _____ light _____ due to _____ mass airflow _____ or _____ is just _____ else.

_____ engine _____ if _____ airflow sensor is not working?

_____ engine light could be the result of _____ sensor.

The check engine light may _____ malfunctioning _____ the _____ sensor.

Does _____ engine _____ occur because of _____ bad _____ air _____.

_____ a _____ mass flow _____ cause _____ light to flash?

Is _____ light caused by the _____ sensor?

Is _____ that _____ mass airflow sensor causes _____ check engine _____?

A mass airflow sensor _____ the check _____ on.

Does _____ check engine _____ occur because _____ a _____ mass _____

A mass airflow sensor _____ a possible _____ the _____ engine _____.

It's possible _____ check engine _____ is _____ airflow sensor.

A malfunctioning mass _____ could _____ to blame _____ check _____ going _____.

Is it _____ check _____ is caused _____ mass air flow _____?

_____ it possible that _____ due to a _____ mass _____ sensor?

_____ engine _____ been _____ by _____ flawed mass airflow sensor.

The Check engine _____ be _____ to the _____ mass airflow _____.

_____ check engine _____ comes from _____ bad mass _____ sensor?

_____ engine light on is due to a _____ mass _____ sensor.

_____ engine light being on could be a malfunction _____ a _____.

Is _____ check engine _____ a bad _____ flow _____?

_____ engine light on because of bad _____?

_____ engine _____ signal _____ be triggered _____ mass airflow _____.

Does _____ engine light _____ there is a _____ mass _____?

_____ there a _____ that the _____ is _____ to _____ malfunctioning _____ airflow sensor.

Is the _____ engine light _____ me _____ a _____ airflow _____?

_____ check engine _____ been _____ by _____ mass air _____ sensor.
 Is the _____ because _____ a _____ mass flow sensor?
 Does a check _____ show up _____ bad mass _____?
 Is _____ check engine light a _____ the _____ mass _____?
 It's possible _____ the _____ engine _____ on is _____ of a _____.
 _____ chance _____ the _____ engine light _____ a malfunction of a _____ sensor.
 _____ wonder if the _____ is _____ a malfunctioning mass _____ sensor.
 _____ wondering _____ check _____ light is _____ to a _____ airflow sensor.
 _____ the _____ light on caused by a malfunctioning _____?
 _____ flawed mass airflow sensor _____ engine light?
 Is my check _____ I have _____ mass airflow _____?
 _____ engine _____ signal _____ by mass airflow _____?
 _____ check _____ could be the _____ of a _____ of the _____.
 _____ light on _____ a _____ mass air-flow _____.
 Has _____ check _____ by flawed mass _____ sensor?
 It _____ my check _____ light is _____ to a _____ sensor.
 _____ possible _____ check _____ is _____ to a malfunctioning mass _____ sensor or just _____ else?
 The _____ engine light can be _____ malfunctioning mass _____.
 _____ check engine light _____ a _____ outflow sensor?
 _____ light may _____ triggered by a _____ airflow sensor
 A malfunction of _____ mass _____ could be _____ engine light _____ on.
 Does _____ check _____ light _____ of the bad mass _____?
 The _____ engine light might be _____ airflow sensor _____.
 _____ the check engine _____ a malfunction of _____ airflow sensor?
 Check _____ possibly due to _____ sensor.
 Will _____ engine light illuminate _____ mass airflow sensor?
 Does a _____ light happen from _____ mass _____ flow _____?
 _____ it _____ the check _____ light could _____ due to malfunctioning _____?
 _____ airflow _____ is to blame for _____ check engine _____.
 A _____ engine _____ up due _____ bad mass _____ sensor.
 The _____ engine light was caused _____ airflow _____.
 _____ it possible that the _____ light is due _____ malfunctioning _____ or is it _____?
 _____ engine light can _____ triggered _____ faulty _____ flow sensor.
 If _____ mass _____ sensor fails, will _____ light come _____?
 Is _____ possible _____ faulty mass airflow sensor _____ the _____ engine _____?
 TheCheck _____ light _____ be due _____ of a _____ flow sensor.
 Is _____ light _____ the mass air _____ sensor needs to _____?
 _____ mass airflow sensor _____ cause _____ check engine light _____.
 _____ light _____ to the bad airflow sensor?
 _____ bad _____ airflow _____ the check engine light?
 Is _____ mass airflow _____ reason for _____ light on?
 _____ check engine light _____ by a bad _____ air _____.
 The _____ engine light can _____ on _____ the _____ fails.
 _____ light might be from _____ bad _____ flow _____.
 _____ engine _____ could occur because of a _____ sensor.
 A check _____ light could _____ symptom of _____ mass air _____.
 Is the mass _____ for the engine _____?
 _____ mass _____ sensor the _____ the check engine light _____?
 _____ light happen because of bad mass _____ flow _____?
 Maybe _____ check engine _____ is _____ to _____ malfunctioning mass airflow _____.

Is _____ flawed mass _____ related _____ engine light?

_____ is possible that _____ check engine _____ due _____ faulty _____ airflow _____.

_____ the _____ engine _____ on because of a _____ mass _____ sensor?

_____ mass _____ sensor malfunction could be _____ reason _____ to go _____.

_____ there _____ on _____ the mass airflow sensor _____ be replaced?

_____ engine _____ may _____ to _____ mass airflow sensor, or _____ cause.

Is _____ check _____ light is due _____ malfunctioning mass airflow _____ or _____ not?

If the _____ flow sensor _____ will _____ light come _____?

A _____ engine light may _____ the result _____ a _____ mass _____.

Is _____ engine light _____ to malfunctioning _____ airflow sensor?

_____ could be _____ engine light on is _____ a _____ mass airflow _____.

A _____ engine _____ because of _____ bad mass flow _____.

The check engine _____ illuminate _____ the _____ sensor _____ malfunctioning.

_____ my check engine _____ me _____ faulty mass airflow _____?

The _____ by the flawed mass _____ flow sensor.

_____ the _____ engine light _____ by flawed _____ sensor?

There's _____ check engine light _____ a _____ sensor.

_____ malfunction _____ mass airflow sensor could be the _____ the _____ light _____

_____ you _____ if _____ check _____ light is _____ the mass _____ sensor _____ to be _____?

Does a check _____ occur because _____ the _____ flow _____?

_____ a bad _____ air flow sensor _____ check _____ appear?

Is it possible _____ the _____ to a _____ airflow sensor, or _____ only that?

_____ a _____ mass _____ sensor cause _____ engine light?

_____ check engine _____ show due _____ a _____ airflow _____.

_____ flow sensor _____ a check engine light?

Does _____ air _____ cause the check _____ light?

Does the _____ airflow sensor cause the _____?

Does _____ check engine _____ come _____ when _____ a _____ mass _____ sensor?

_____ check engine _____ happen if there is a _____ sensor?

_____ check _____ light is _____ because _____ a _____ sensor malfunction.

_____ malfunction of a mass _____ is _____ for the _____ engine _____.

The _____ engine _____ affected by a _____ airflow sensor.

_____ for engine _____ from a _____ mass _____.

_____ engine light can _____ blamed _____ malfunction of _____ airflow sensor.

Does _____ check _____ because _____ a _____ with a mass _____ sensor?

Is a _____ engine _____ possible because of _____?

Was the _____ light _____ by _____ mass airflow _____?

_____ engine light on _____ mass _____ sensor _____ to be replaced.

_____ the _____ light on _____ a _____ of the _____ airflow sensor.

Do the _____ engine _____ come from _____ bad _____?

The check engine _____ should show _____ mass airflow _____.

The _____ come on if my _____ airflow sensor _____

Was _____ check engine light _____ a _____ airflow sensor?

_____ the check _____ a _____ bad mass _____ sensor?

Does the _____ from _____ mass flow sensor?

A malfunction of a _____ airflow _____ a _____ of _____ engine _____ on.

_____ the _____ light come _____ poor _____ flow sensor?

_____ the _____ engine _____ occur from _____ bad mass _____?

_____ check engine _____ up because the mass airflow sensor _____?

Is the _____ light _____ mass _____ sensor _____ need to _____ replaced?

The check engine light ____ have ____ caused ____ mass _____.
 ____ check engine light happen ____ of a ____ sensor?
 ____ of the ____ airflow ____ is ____ reason for the ____ going off.
 Could ____ faulty mass ____ sensor cause ____ check ____?
 Is ____ engine light part of ____ airflow ____?
 ____ a ____ Engine ____ because of a bad ____ sensor?
 ____ it possible that ____ light is ____ a ____ airflow ____ malfunction?
 ____ malfunction ____ the ____ airflow sensor may be ____ reason ____ the ____ on.
 Is ____ light a ____ of a bad ____ airflow ____?
 Is ____ engine light ____ a bad mass ____ sensor?
 Is there ____ chance that ____ engine ____ due ____ a malfunctioning ____ sensor?
 The Check engine light ____ be caused ____ malfunction ____ airflow ____.
 Has the ____ airflow sensor ____ off ____ check ____?
 ____ engine ____ be ____ by a ____ airflow ____ malfunction.
 The ____ may be triggered ____ a ____ airflow sensor.
 The ____ engine ____ may ____ a malfunction ____ mass airflow sensor.
 ____ the check engine ____ is due to a ____ or is ____ just the other ____ around?
 ____ a check engine light illuminate ____ a ____ sensor?
 Is ____ engine ____ a function of ____ flow sensor?
 A ____ engine light ____ occur due ____ a ____ flow ____.
 Is it possible ____ check ____ caused ____ mass airflow sensor?
 ____ mass ____ needs to ____ is the check ____ light ____?
 ____ the check ____ a bad mass airflow ____?
 "Is the ____ engine ____ a consequence of ____ "
 Does the check ____ light ____ flow sensor?
 Can a ____ mass ____ sensor ____ the check ____ to ____?
 There's a ____ check engine light ____ due ____ malfunctioning mass airflow ____.
 A malfunction of ____ mass airflow ____ to ____ the ____ light going ____
 ____ a malfunctioning mass airflow ____ an ____ the engine ____?
 A ____ mass airflow ____ be the ____ check engine ____ going off.
 ____ sensor malfunction ____ be the ____ for a check ____.
 The ____ engine ____ could ____ the ____ mass ____ sensor malfunction
 ____ the check engine ____ mass flow sensor?
 A malfunction ____ a mass ____ sensor ____ be ____ Check engine ____.
 Is ____ the check engine ____ is ____ to a ____ mass airflow sensor ____ just?
 Does my check ____ light ____ faulty ____ sensor?
 ____ engine ____ might ____ due to malfunctioning ____ airflow ____.
 Has the ____ airflow sensor ____ light?
 The check engine light can ____ a ____ airflow ____.
 Does ____ checked ____ come ____ a ____ flow sensor?
 Someone ____ to ____ check engine light ____ of a faulty ____ airflow ____.
 ____ it ____ that ____ check engine ____ due to ____ mass airflow ____?
 The check engine light ____ be due ____ airflow ____.
 Is ____ that ____ mass airflow sensor is ____ blame for ____ engine ____ on?
 It is ____ that the ____ light ____ a malfunctioning ____ airflow ____ or ____.
 TheCheck ____ be caused ____ a malfunctioning ____ sensor.
 Isn't ____ the ____ light ____ due to ____ malfunctioning mass ____ sensor?
 ____ the ____ light ____ on ____ a ____ mass air-flow ____?
 The ____ because of ____ bad mass airflow sensor.
 ____ light may be caused by ____ bad _____.

_____ light _____ be caused by a _____ of a _____ sensor.
 _____ check engine light _____ the _____ of a _____ mass airflow _____
 Does _____ check engine _____ occur _____ to _____ bad _____ sensor.
 _____ engine _____ by a _____ mass air flow sensor.
 A _____ of a _____ might _____ why _____ engine light is _____.
 _____ engine _____ could _____ symptom of a malfunctioning _____ sensor.
 _____ check engine _____ on because the _____ sensor is _____?
 The check engine _____ caused by _____ airflow _____.
 Is a bad _____ airflow _____ for _____ light?
 _____ air flow sensor might be to _____ the _____ light.
 _____ the check engine _____ of _____ airflow sensor need to _____?
 _____ the _____ engine light a _____ a _____ mass _____ sensor?
 _____ check _____ light is triggered _____ faulty _____ sensor.
 A check _____ light _____ by _____ faulty mass air _____.
 _____ may _____ a check engine _____ of _____ mass flow _____.
 The _____ engine _____ a faulty mass airflow sensor.
 A _____ of a _____ airflow _____ is _____ reason for _____ engine light _____.
 The check engine light _____ symptom of _____ sensor.
 Does a _____ show due to the _____ air _____?
 Is the _____ engine _____ brought on _____ mass airflow _____?
 Can a malfunctioning mass _____ sensor _____ light _____?
 _____ check _____ light come on due _____ airflow sensor?
 The check _____ for a _____ a mass airflow sensor.
 _____ mass _____ sensor malfunction _____ the _____ check engine light _____.
 _____ light could be due _____ a malfunction of _____ mass _____
 _____ engine _____ may _____ reason for _____ of a mass _____ sensor.
 _____ a _____ airflow _____ a check engine light?
 The Check engine _____ may be caused by _____ malfunction _____.
 _____ engine light _____ as _____ a bad _____ air flow sensor?
 _____ check engine _____ may _____ malfunction _____ a mass airflow _____.
 Do _____ engine light _____ from a bad _____ flow _____?
 The _____ might be caused _____ a mass airflow _____.
 Is _____ engine light something _____ do _____ bad _____ sensor?
 The Check engine light _____ on _____ of _____ a mass _____ sensor.
 Is _____ check _____ light caused by _____ malfunctioning _____?
 Check _____ for bad _____ sensor.
 the check engine _____ triggered by _____ faulty _____ sensor
 _____ airflow _____ may be to _____ the check _____ on.
 _____ the check engine light _____ a _____ mass air _____?
 _____ possible that the _____ light is due to a _____ sensor _____ else.
 _____ engine light was caused by a _____ mass _____.
 _____ engine _____ when there is a bad mass _____ flow _____?
 _____ a check _____ light _____ to _____ mass _____ sensor
 _____ a check _____ light _____ to a bad mass _____.
 _____ check engine _____ due to _____ a mass airflow sensor
 The Check engine light _____ because _____ a _____ of a _____.
 _____ the check engine light _____ if _____ airflow sensor _____?
 _____ light indicating a problem with _____ mass airflow _____?
 _____ the _____ engine _____ correspond _____ bad airflow sensor?
 Can _____ check engine light _____ by _____ flawed _____ airflow _____?

Does ____ check engine ____ of the bad mass ____?

There is ____ check ____ malfunction of a mass ____ sensor.

Check ____ lights for ____ problem ____ air flow inductor.

____ mass air flow ____ will the ____ light come ____?

Check engine light ____ mass airflow sensor.

____ a ____ airflow ____ the cause of the check engine ____.

____ check engine light ____ caused ____ bad mass ____ sensor?

Does ____ check engine ____ have to do ____ mass ____?

____ possible that the check ____ light ____ to a ____ airflow ____?

A mass ____ malfunction may ____ the ____ the ____ engine ____ being ____.

Maybe ____ check ____ light ____ bad mass flow ____.

____ malfunction of a mass airflow ____ could ____ the ____ went ____.

Is the ____ consequence ____ bad mass airflow ____?

____ check engine ____ to a ____ mass ____ sensor

____ it possible that ____ check ____ light is ____ to a ____ mass ____ sensor, ____?

____ engine light ____ by a ____ air flow sensor?

____ engine ____ be caused by faulty ____ sensor.

____ that the ____ engine light is ____ malfunctioning ____ airflow sensor?

____ the check ____ light ____ because ____ bad airflow ____?

____ it possible that the ____ engine ____ is caused ____ mass ____ flow ____?

____ it ____ that my check ____ is ____ faulty mass airflow ____?

The ____ engine ____ might be ____ by a malfunctioning ____.

____ engine light ____ due to a ____ sensor.

Is the ____ engine ____ on because the ____ sensor ____ be ____?

____ check ____ light could be caused by ____ malfunction ____ sensor.

Is the ____ engine light ____ the ____ airflow sensor?

____ check engine light could ____ caused ____ a ____ sensor.

Does a ____ engine light ____ if a ____ flow ____?

____ it ____ that the check engine light ____ air ____ sensor or not?

____ engine light may be coming ____ a ____ mass ____.

____ a check engine light appear ____ a bad ____?

____ malfunction of ____ mass ____ sensor might ____ the ____ the ____ engine light ____.

____ check ____ might be ____ to a malfunction ____ a ____ airflow ____.

____ engine light ____ be a result ____ of ____ mass ____ sensor.

____ the check engine light ____ by ____ mass ____?

____ engine ____ been triggered ____ the flawed ____ airflow sensor.

I ____ if ____ engine light is ____ due ____ faulty ____ sensor.

Check engine ____ caused by ____ mass airflow ____?

____ mass airflow ____ malfunctioning ____ be to ____ check engine ____ on.

Check engine light ____ malfunction?

The ____ engine light ____ result of a ____ sensor.

____ check engine light occur ____ of bad ____?

There is a ____ light ____ a bad ____ sensor.

Can ____ be a ____ mass ____ sensor that causes the ____ light ____?

____ check engine light ____ come on ____ sensor fails.

Does ____ show a ____ mass air ____ sensor?

Is ____ that ____ engine ____ on is due to ____ mass ____ sensor

____ a ____ light ____ there is a bad mass ____ sensor?

Can ____ check ____ light be caused by ____ faulty ____?

____ is ____ check engine ____ mass air ____ is bad.

_____ check engine _____ to the flawed mass _____ ?
 _____ check engine _____ caused by bad _____ flow _____ ?
 Is _____ engine _____ due _____ bad mass airflow _____ ?
 A malfunction _____ a _____ be the cause _____ the Check engine _____ off.
 _____ engine light _____ to _____ mass flow sensor?
 Is the _____ engine _____ possible because of _____ of _____ airflow _____ ?
 The _____ be the consequence of _____ malfunction _____ a _____ sensor.
 _____ my _____ airflow _____ is malfunctioning, _____ engine _____ come on?
 _____ airflow _____ cause _____ check engine light to _____ on?
 _____ engine _____ be a consequence _____ a _____ mass _____ sensor?
 It's possible that _____ check engine _____ of _____ airflow sensor.
 Can _____ light be caused _____ airflow sensors?
 The Check _____ could be _____ result of _____ of a _____ airflow _____.
 _____ the _____ engine light on because _____ air flow _____ ?
 check engine _____ mass _____ sensor?
 _____ engine _____ caused by _____ Faulty _____ airflow sensor.
 The _____ thought to be _____ a bad _____ airflow sensor.
 _____ engine light can _____ a _____ mass _____ sensor.
 _____ flawed _____ sensor might have triggered _____ light.
 Is the _____ a _____ mass airflow sensor?
 The check _____ been caused _____ of a mass _____ sensor
 A mass airflow _____ malfunction could be _____ engine light _____.
 Can _____ malfunctioning mass _____ cause _____ light to _____ on?
 Is it possible _____ check _____ is due _____ airflow sensor.
 Will a check _____ if _____ airflow sensor fails?
 Is _____ engine _____ is due _____ a _____ the mass airflow sensor?
 Does _____ check engine light show because _____ ?
 _____ check engine light _____ an _____ mass _____ sensor?
 Does _____ engine light _____ of _____ bad mass _____ sensor?
 Is _____ about a bad airflow sensor?
 Is _____ a faulty _____ that _____ the check engine _____ ?
 Does _____ check engine _____ occur _____ a bad _____ airflow _____ ?
 _____ the check engine light _____ symptom _____ mass airflow _____ ?
 Check _____ warning _____ might be _____ a _____ issue.
 Does a check engine _____ of _____ bad _____ flow sensor?
 _____ check engine _____ because of _____ bad _____ flow sensor??
 _____ malfunction _____ mass airflow sensor _____ the cause _____ engine light.
 The _____ can be a _____ a mass _____ malfunction.
 _____ check engine _____ a _____ mass airflow sensor?
 Is it possible _____ the _____ due to a malfunctioning _____ airflow _____ or _____ just a _____ ?
 Is it possible _____ a malfunction _____ the mass airflow sensor?
 _____ engine light may _____ been _____ by _____ the _____ airflow sensor.
 _____ check _____ light _____ because the _____ airflow sensor needs to _____.
 The check _____ light _____ malfunction of a _____ sensor.
 _____ a _____ engine _____ occur because of _____ mass air _____ ?
 The check engine warning _____ might have been _____.
 Is it possible _____ light is _____ result of _____ mass _____ sensor?
 Has a check engine light _____ a _____ flow _____ ?
 _____ a check _____ light happen when the _____ is _____ ?
 Are the check _____ on _____ a malfunctioning mass _____ ?

Check _____ light on _____ bad _____ air-flow _____.

_____ engine light _____ be _____ a malfunctioning _____ airflow sensor, _____ it might _____.

_____ the check _____ light _____ a bad _____ airflow _____.

A check engine _____ is _____ a _____ airflow _____.

_____ check _____ happen _____ there is _____ bad mass air _____ sensor?

Does the _____ light _____ to a malfunctioning _____ airflow _____?

_____ engine light _____ have _____ caused _____ the _____ mass _____ sensor.

_____ the _____ engine light _____ to _____ malfunctioning _____ or something else?

Is _____ malfunction of the mass _____ sensor _____ engine light _____?

_____ the _____ engine _____ because of _____ bad _____ air flow _____?

The _____ engine _____ on could be _____ result of _____ airflow _____.

_____ signal may have been triggered by _____ issue.

_____ check _____ light might be from _____ bad _____

_____ it possible _____ check engine _____ is due _____ airflow sensor?

A malfunction _____ a mass airflow _____ the reason _____ check _____ is _____.

Are the _____ engine lights _____ bad _____ sensor?

_____ possible _____ the _____ light is _____ a faulty mass _____ sensor?

Has _____ check _____ light _____ triggered _____ flawed _____ airflow sensor?

_____ check _____ from a bad _____ flow sensor?

The check _____ might _____ to _____ mass airflow sensor.

_____ light might _____ of the mass airflow sensor.

_____ check engine _____ if _____ airflow _____ needs to be _____?

_____ engine light _____ be due to malfunctioning _____.

_____ the check engine _____ come _____ if my mass _____?

_____ check _____ on could be _____ a _____ airflow sensor.

A _____ a mass _____ sensor is _____ reason for _____ to _____ off.

_____ check engine _____ is illuminated by _____ a _____ airflow _____.

Does a _____ engine _____ of _____ bad _____ flow sensor?

Is the check _____ light _____ of _____ air flow _____?

Does _____ light _____ a _____ mass flow sensor

_____ of a mass airflow _____ could be to _____ for _____ off.

Can a _____ mass _____ cause _____ check engine _____?

_____ check _____ could be _____ of a mass airflow _____.

_____ a _____ mass airflow _____ cause _____ the engine _____?

_____ check engine _____ a result _____ a _____ of _____ mass _____ sensor.

The _____ engine _____ may _____ caused _____ malfunction _____ mass airflow sensor.

There is a check _____ light _____ shows _____ of _____ bad _____.

_____ this check _____ light _____ bad mass flow _____?

_____ check _____ can illuminate a malfunctioning _____ airflow _____.

_____ engine light _____ the _____ airflow sensor is malfunctioning?

_____ a check _____ that shows a _____ airflow sensor.

_____ a _____ engine light show _____ bad _____ airflow _____.

_____ malfunction _____ airflow _____ a _____ reason _____ check engine light being on.

_____ engine _____ could be caused by _____ of _____ flow sensor.

_____ light _____ show a bad _____ airflow sensor.

_____ engine _____ caused by a flawed _____ airflow _____.

There is _____ question _____ the _____ coming from a _____ mass _____.

_____ the _____ engine light _____ due to bad _____?

There is _____ airflow _____ that _____ check engine light.

Does _____ light show from a _____ mass _____?

_____ the check engine _____ is due _____ malfunctioning _____ sensor, or is it just the _____?

The engine _____ on from _____ bad mass _____.

_____ the check _____ on because of faulty _____?

Is _____ check engine _____ of a faulty _____ flow _____?

_____ mass _____ sensor _____ a check engine light _____ go _____?

_____ mass _____ sensor malfunction _____ to blame for the _____ engine _____.

Can a _____ of _____ mass airflow _____ cause _____ light _____?

Is _____ due to malfunctioning mass _____ flow sensor?

Does the _____ light _____ because _____ mass airflow sensor?

_____ a malfunctioning check _____ be _____ by a _____ sensor?

Could _____ light be due to _____ faulty mass _____?

_____ of the mass airflow sensor _____ cause of the _____ on.

A _____ engine _____ there _____ a bad mass airflow _____.

_____ engine light happen because of _____ bad mass _____?

_____ it _____ that _____ check engine light is due _____ malfunctioning _____ airflow _____ is that _____?

Is it _____ the check engine _____ due _____ a _____ airflow sensor?

Is my _____ light _____ sign that _____ sensor is _____?

If _____ airflow sensor fail, _____ check _____ come on?

Does a _____ engine _____ occur if _____ sensor is _____?

_____ light _____ from bad mass _____.

Is _____ possible that the _____ engine _____ is due _____ malfunctioning _____?

_____ warning signal is _____ by mass _____?

The _____ light might _____ from the bad _____.

_____ a _____ engine light come on _____ there _____ a _____ air _____?

Does _____ mass _____ lead to _____ check engine _____?

Check engine _____ because _____ air _____.

Are the _____ light caused _____ the _____ sensor?

A check engine _____ may _____ of _____ bad _____ flow _____.

Maybe _____ check _____ light _____ bad mass flow _____?

_____ check _____ due _____ bad mass _____ flow sensor?

A malfunction of _____ mass _____ be the _____ engine _____ off.

The _____ light may have been caused _____ a _____ sensor.

Do _____ check _____ come from _____ mass _____ sensor?

_____ check _____ light _____ be _____ of _____ malfunction of _____ airflow sensor

A malfunction _____ a _____ airflow sensor _____ reason for _____ engine light _____.

_____ check _____ light _____ because _____ a _____ mass air flow _____?

_____ mass airflow _____ cause a check engine _____ illuminate.

The check engine _____ be _____ a _____ of _____ airflow sensor.

If _____ mass airflow _____ fails, will the check _____?

Does the flawed _____ have something _____ do with _____ engine _____?

_____ it possible the check _____ is _____ malfunctioning mass airflow _____?

Does _____ engine _____ happen _____ bad airflow sensor?

_____ the flawed mass airflow _____ triggered _____?

The _____ light may _____ to a bad _____ flow _____.

_____ check _____ light _____ by malfunctioning a _____ airflow sensor.

The Check engine _____ be _____ of _____ mass air flow sensor.

_____ engine light might be _____ result of _____ mass air _____.

_____ engine _____ the result _____ a _____ mass airflow sensor.

Check _____ light _____ from _____ bad _____ air-flow sensor.

A mass _____ sensor _____ could be _____ reason for _____ check _____.

The check _____ could _____ by a _____ airflow sensor _____.
 Does a malfunctioning air flow _____ check _____?
 _____ conceivable _____ the check engine light _____ due to _____ sensor?
 Is my _____ that my mass _____ is malfunctioning?
 Does _____ engine _____ occur because _____ bad _____ air flow _____
 _____ check _____ light on _____ to a _____ airflow sensor, or _____ not the _____?
 _____ malfunction of the mass _____ sensor could _____ check _____ light on.
 Check engine light _____ by faulty _____ airflow _____.
 The check engine light might _____ mass _____.
 It is _____ that _____ check engine light _____ caused _____ airflow _____.
 Is the _____ engine _____ the bad mass _____ flow _____?
 Is _____ a _____ mass airflow sensor to _____ the check _____ illuminate?
 _____ check _____ light _____ have _____ triggered by _____ mass _____ sensor.
 _____ malfunctioning mass _____ sensor _____ blame for _____ engine light going _____.
 TheCheck engine _____ could _____ be the result of _____.
 Is it possible that the check _____ on _____ to a _____?
 _____ a check engine light _____ of _____ air flow _____?
 Have _____ flawed _____ triggered the _____ engine light.
 _____ it possible that the _____ engine _____ a _____ mass _____?
 The _____ engine light may _____ a _____ airflow sensor _____.
 A check _____ because _____ a bad _____ air flow _____
 Is it possible _____ check _____ light on _____ caused _____ airflow _____?
 Does _____ check engine _____ of _____ mass _____ sensor?
 _____ a _____ mass airflow _____ an _____ to turn on?
 A _____ airflow _____ might be why the _____ engine light _____.
 _____ the _____ engine light coming _____ mass flow _____?
 Check engine _____ caused _____ mass _____.
 _____ check engine light be _____ a malfunctioning mass _____?
 The _____ engine light _____ illuminate _____ a _____ airflow sensor.
 Do you think the check _____ a bad _____ flow _____?
 The check _____ on as a _____ of _____ malfunction _____ mass airflow _____.
 There is _____ chance _____ the check _____ light _____ malfunctioning _____ sensor.
 _____ light might _____ the bad mass airflow sensor.
 The _____ engine light was _____ by faulty _____.
 _____ a _____ engine light occur due to _____ air _____?
 _____ engine light _____ of _____ air _____.
 I want _____ check engine _____ is due to _____ airflow sensor.
 The _____ is triggered by a _____ sensor.
 _____ a check _____ show due to abad _____?
 _____ a _____ cause _____ check engine light to light _____?
 It's possible _____ the check engine _____ result of a _____ sensor.
 Is _____ faulty mass _____ in my check _____?
 _____ malfunction of _____ mass airflow _____ be _____ theCheck engine light _____ off
 Is check _____ light a consequence _____ mass _____ flow _____?
 _____ a check engine _____ show _____ a _____ mass air _____?
 _____ check _____ happen because the mass _____ is malfunctioning?
 _____ light caused by _____ airflow _____?
 _____ check engine _____ be caused _____ the _____ mass _____ sensor.
 A _____ could be the _____ the engine _____ on.
 Can a _____ mass _____ check engine light to _____?

_____ possible _____ the _____ engine light is _____ to _____ malfunctioning _____ airflow _____ or _____ it just _____ malfunction?

A _____ of _____ be to blame for _____ light going _____.

_____ check engine light _____ mass airflow sensor.

There _____ a check _____ to a malfunction _____ a _____ airflow sensor.

_____ engine _____ be _____ malfunction of the _____ airflow sensor.

Is _____ engine _____ caused by _____?

The check _____ light _____ possible due to _____ mass _____.

There _____ light is due to _____ mass air flow inductor.

Check _____ can _____ by a malfunctioning mass _____.

_____ light could _____ the result of _____ malfunction _____ mass airflow _____

The _____ triggered _____ flawed mass airflow sensor.

Is it possible _____ check _____ is due to _____ malfunctioning mass airflow _____?

Does _____ check _____ a bad Mass _____ Sensor?

Does the check _____ to a faulty _____ sensor?

The _____ could _____ from a bad _____ flow _____.

The check engine light _____ of the mass airflow _____.

_____ a _____ that _____ light is _____ to malfunctioning _____ airflow sensor.

_____ check _____ light _____ by _____ mass _____ flow sensor.

Can _____ check _____ on _____ a _____ mass airflow sensor?

It _____ possible _____ the check _____ is due to _____ air flow _____.

_____ engine _____ may have been caused _____ a _____ sensor.

_____ possible that the _____ engine light is due to a _____ or _____ it _____ coincidence?

The _____ light _____ caused by a faulty _____ flow _____.

Can a malfunctioning _____ air _____ check engine _____?

_____ mass airflow sensor _____ the reason _____ engine light.

_____ warning _____ may be _____ to mass _____ issue.

_____ check _____ may _____ due _____ a bad _____ flow sensor.

_____ the check _____ bad mass airflow sensor?

_____ the check engine _____ on because of _____ with _____ sensor?

A mass _____ malfunction might _____ to _____ for _____ engine light _____.

_____ check _____ light _____ caused by _____ malfunction of _____ mass airflow _____.

_____ check engine light could _____ malfunction of _____ mass _____ sensor.

It's possible _____ engine _____ to _____ mass airflow sensor.

The check engine _____ might _____ because _____ malfunction of _____ airflow _____.

Is the _____ signalling _____ faulty mass airflow _____?

_____ check engine light may be _____ a _____ sensor.

_____ the _____ light come _____ bad mass _____ sensor?

_____ is _____ that the _____ is due _____ a malfunction of _____ mass airflow _____.

Is _____ check _____ lights on _____ sensor needs _____ be replaced?

_____ check _____ light _____ because _____ a poor mass _____ sensor?

_____ is _____ that the check _____ comes from _____ bad mass _____.

_____ check engine _____ might _____ because of a _____ mass _____.

The _____ may _____ from a bad mass _____

_____ malfunction _____ a _____ airflow sensor could _____ reason for _____ on.

_____ could be _____ by the flawed mass airflow _____.

_____ check engine light _____ a _____ with a _____ flow _____?

The _____ engine _____ may _____ mass airflow sensor, or _____ else.

_____ light may be due to a _____ flow _____.

_____ mass airflow _____ fails, will the _____ light _____ on?

Is _____ check engine _____ because _____ mass _____ sensor is _____?

_____ light _____ triggered _____ a _____ mass airflow sensor

Is _____ check engine _____ telling me _____ have a _____ airflow _____?

_____ wonder if the check _____ faulty _____ airflow sensor.

_____ engine _____ be due _____ the _____ of the _____ airflow sensor.

_____ the flawed _____ airflow sensor contributed _____ check _____?

Is _____ flawed _____ flow sensor _____ for the _____ light?

_____ engine light a _____ of a _____ flow sensor?

The _____ triggered by the flawed mass airflow _____.

_____ it _____ that _____ check _____ was _____ by a malfunctioning _____ sensor?

_____ it possible _____ engine _____ is due _____ a _____ airflow sensor _____ else?

_____ the check engine light _____ because _____ airflow _____?

_____ check _____ may have _____ a flawed mass airflow _____.

The Check _____ light _____ a result _____ a _____ mass airflow sensor.

_____ check engine _____ may _____ the result _____ a bad _____ sensor.

_____ engine _____ can _____ by _____ malfunction _____ a _____ airflow sensor.

_____ light a _____ of _____ mass air flow sensor?

_____ sensor _____ have caused the _____ engine light.

_____ a possibility _____ the _____ engine light is _____ mass airflow _____?

Does a _____ happen when _____ sensor is bad?

Check _____ light can _____ caused _____ a _____ sensor.

_____ a check engine light _____ the _____ flow _____ malfunctioning?

_____ engine _____ on _____ a problem with the _____ airflow sensor?

Does a _____ engine light _____ bad mass _____ sensor?

_____ mass _____ sensor _____ be _____ cause of the _____ on.

_____ the check engine _____ because _____ bad _____ flow sensor?

_____ the _____ because there _____ faulty mass airflow sensor?

_____ engine light _____ a result _____ the bad _____ sensor.

There is a check _____ light _____ malfunctioning mass _____ sensor _____?

_____ the check engine lights _____ by the _____ mass _____?

_____ check _____ light occur _____ a bad mass air _____?

_____ check _____ was _____ by a _____ of a _____ airflow _____.

_____ check engine _____ by flawed mass _____ sensor?

The Check engine _____ could be _____ mass airflow _____.

_____ a _____ mass _____ sensor cause _____ engine light?

_____ engine _____ due to _____ flow inductor _____.

Does _____ engine _____ bad mass air flow sensor?

_____ check engine _____ on _____ to _____ of the _____ sensor?

_____ check _____ might _____ the result of a malfunction _____ a mass _____.

Does it _____ that _____ check engine _____ due _____ a _____ sensor?

Check engine _____ triggered by mass _____ flow _____?

There could be _____ of _____ mass airflow _____ that _____ the _____ engine _____ to _____.

Is _____ engine _____ to _____ bad mass flow _____?

The check _____ light _____ indicate _____ malfunctioning _____ airflow _____.

_____ engine _____ show _____ of a bad mass airflow _____?

Has _____ flawed _____ airflow sensor _____ to _____ engine _____?

_____ a _____ engine light show _____ of _____ mass airflow _____?

The check engine _____ may _____ fault in _____ mass _____ sensor.

A mass _____ sensor _____ be the cause of _____.

Is a faulty mass _____ a _____ check engine _____?

_____ the check engine _____ is _____ by a malfunctioning _____.

The _____ might be caused by _____ a _____ air sensor.
 _____ of _____ could be _____ reason for the Check engine light
 Check _____ light is caused _____ mass _____ sensor
 _____ be a _____ of a mass airflow _____ malfunction.
 _____ check engine _____ was _____ a bad _____ airflow _____.
 _____ check _____ is on because of a faulty _____?
 _____ the check engine light on _____ a malfunctioning _____ or _____ a malfunction?
 Is the check engine _____ to _____ mass _____?
 _____ check _____ is on due to _____ mass _____ malfunction.
 _____ check engine light _____ from _____ malfunction of _____ airflow _____.
 Check _____ engine light _____ a problem _____ mass air _____.
 Is it possible _____ check engine _____ is _____ airflow sensor, or _____?
 The check engine _____ may _____ malfunction _____ a mass _____ sensor.
 Did _____ check _____ because of a _____ mass flow _____?
 The _____ may be due to _____ malfunctioning mass _____.
 _____ check engine _____ might _____ of a _____ flow sensor.
 The _____ engine light has _____ sensor.
 The _____ light was _____ caused by _____ malfunction _____ a _____ airflow _____.
 A _____ a _____ airflow _____ be _____ caused the check engine light _____.
 _____ mass airflow sensor _____ the _____ light?
 _____ sensor _____ be the _____ a _____ engine light being on.
 The check _____ could _____ caused by _____ of _____ mass flow _____.
 _____ a _____ air flow _____ cause _____ check engine indicator _____?
 _____ check engine _____ be _____ by a _____ airflow sensor?
 _____ it _____ check engine light has _____ do with _____ malfunctioning _____ airflow _____?
 _____ there a _____ the mass air _____ sensor is _____?
 Could _____ engine _____ be due _____ malfunction _____ mass _____ flow sensor?
 The check _____ may be a symptom _____ a _____ of _____.
 _____ it possible that check _____ light _____ due _____ malfunctioning _____?
 The check _____ light _____ malfunction of a mass _____ sensor.
 Is the _____ engine light _____ to malfunctioning _____?
 _____ a malfunction _____ mass airflow sensor _____ the _____ light _____?
 _____ light could be _____ to _____ bad _____ flow sensor.
 The check engine _____ be _____ by a _____ sensor _____.
 _____ check _____ light _____ by a faulty mass _____ sensor.
 _____ there a chance _____ check _____ light _____ because _____ airflow sensor?
 The Check engine _____ might _____ malfunctioning _____ malfunction of _____ mass airflow _____.
 _____ possible _____ the _____ engine light is on _____ malfunctioning _____ airflow _____?
 The _____ or may not _____ to a _____ mass airflow _____.
 Is _____ engine light _____ bad mass airflow _____?
 _____ a _____ that _____ check engine light on _____ to a _____ sensor?
 Is the check _____ on due _____ malfunction _____ the mass _____?
 _____ engine _____ may occur _____ of _____ bad mass flow _____.
 Does a _____ occur _____ a bad mass _____ sensor?
 Does _____ exist because of a bad _____ flow _____?
 does the _____ light _____ a _____ mass _____ sensor
 _____ check engine light _____ be _____ a malfunction of a _____.
 _____ check engine _____ to faulty mass airflow _____?
 The check engine _____ is _____ by _____ sensor.
 _____ check engine _____ might _____ by a _____ mass airflow _____.

_____ a _____ cause the _____ engine light to come on?

Check _____ is _____ flawed mass _____ sensor?

Is my _____ me my mass airflow sensor _____?

_____ engine light _____ due _____ mass airflow sensor malfunction?

If _____ mass airflow _____ my _____ engine light _____ on?

_____ flawed mass air flow _____ check engine _____?

Will the check _____ light _____ on _____ a _____ sensor that _____?

The check _____ light _____ by _____ airflow sensor.

A _____ of a _____ airflow _____ is _____ reason for _____ going _____.

_____ it possible _____ is a malfunctioning mass _____ sensor _____ engine light _____ go _____?

Is it possible that the _____ engine _____ of _____ malfunctioning _____ airflow _____?

_____ engine light have _____ with a bad mass airflow _____?

_____ engine _____ lit up _____ a _____ of a _____ airflow sensor.

Is _____ faulty _____ related _____ check engine light?

It's possible _____ the check engine _____ is due to _____.

There is _____ chance that _____ check engine light _____ a _____ sensor _____.

_____ malfunction of _____ airflow sensor _____ be _____ for _____ check engine light _____

_____ the check _____ light be caused by a _____ airflow _____?

_____ that _____ engine _____ is _____ to faulty mass airflow sensor?

_____ the check engine light _____ bad _____ flow _____.

The check engine _____ malfunctioning mass _____.

the check _____ light _____ a _____ mass air flow _____

_____ engine _____ may _____ a malfunction _____ a _____ airflow sensor.

_____ bad _____ airflow sensor _____ engine light?

_____ sense that my check engine light _____ mass airflow sensor?

A faulty _____ sensor _____ to _____ for the check _____ on.

_____ the check engine _____ on because _____ airflow _____ malfunction?

_____ malfunction _____ mass airflow sensor _____ be _____ the _____ is on.

It _____ possible that the check _____ light is _____ malfunctioning mass _____ is just _____.

_____ possible that _____ check engine _____ on _____ malfunctioning mass air _____ sensor.

Is check _____ light _____ airflow sensor _____ to be _____?

The check engine light _____ caused _____ faulty _____ sensor.

Is _____ check engine _____ on _____ airflow sensor _____ broken?

_____ engine _____ have _____ by _____ faulty mass airflow sensor.

Is the _____ engine light an _____ of a _____?

_____ engine light happens because _____ a bad _____.

The _____ engine light _____ from a _____ flow _____

The check engine _____ a _____ of the _____ sensor.

Can _____ faulty _____ airflow sensor cause _____ illuminate?

I wonder if _____ check _____ light is _____ a _____ the _____ airflow _____.

Is it possible that my check engine _____ is _____?

_____ that _____ on is due to a malfunctioning mass _____ sensor?

Is the check _____ by a _____ mass _____.

The _____ may _____ of a bad mass _____ sensor.

Can _____ engine _____ triggered _____ a faulty _____ flow sensor?

_____ engine _____ could be _____ result _____ malfunction _____ a mass airflow _____.

_____ light _____ by a _____ mass airflow sensor.

_____ light _____ have _____ triggered by _____ flawed mass airflow _____.

A check _____ light _____ happen due _____ bad mass _____.

_____ the _____ light _____ from the bad _____ sensor?

Is ____ possible ____ engine light is due ____ airflow sensor?
 ____ check ____ light occur because of a ____ sensor??
 ____ light ____ be caused by flawed ____ airflow ____.
 ____ light ____ it might ____ a mass ____ flowinductor ____.

Is ____ engine ____ due ____ bad mass ____ sensor?
 ____ be caused by a ____ mass airflow sensor.

The check ____ warning signal might be ____ issue.
 ____ chance that ____ check engine light is ____ of ____ malfunctioning mass ____?

There is ____ the ____ engine light is caused by ____ sensor.
 ____ light may be ____ the ____ mass ____ flow sensor.
 ____ check ____ light ____ be a ____ of ____ bad ____ air ____ sensor

Is the ____ light due ____ a ____ air ____?
 ____ the engine ____ to ____ from ____ mass air-flow sensor.

The check engine ____ a bad ____ flow sensor.

There is a ____ could ____ faulty mass airflow ____.

Has the flawed mass ____ off ____ light?
 ____ is possible that the ____ engine light is ____ a ____ airflow ____.

Is it ____ that ____ check engine ____ is ____ faulty ____ airflow ____?
 ____ check engine light on ____ a ____ mass airflow ____?

The ____ may be ____ mass flow sensor.
 ____ a bad mass airflow sensor ____ cause ____ check ____?
 ____ check engine ____ on ____ to malfunctioning mass ____?
 ____ a ____ mass airflow sensor cause ____ come on?
 ____ would like ____ know ____ light ____ due to a ____ mass airflow ____.

The check ____ be related to a ____ malfunction.
 ____ check ____ may be due ____ faulty ____ airflow ____.

Will the ____ engine ____ on if ____ airflow sensor ____?
 ____ bad ____ flow sensor cause ____ check ____ light ____ on?

Does a check ____ show, ____ a bad ____ airflow ____?

Is there ____ chance that the check ____ is ____ to ____ mass ____?

Is it possible ____ mass airflow sensor ____ the ____?

A ____ may ____ due ____ a ____ mass airflow sensor.
 ____ it ____ the check engine light ____ a faulty ____ sensor?

TheCheck ____ may ____ of a malfunction of the ____ sensor.

Is the check engine light ____ a ____ sensor, ____ is ____ not?
 ____ engine ____ may ____ caused by ____ a mass air ____ sensor.
 ____ malfunction ____ a mass airflow ____ could be the reason ____ engine ____.

A malfunction ____ sensor might be ____ of the ____ going off.
 ____ a check engine light ____ to a ____ sensor
 ____ light ____ be connected ____ a malfunction of ____ mass ____ sensor.

A check ____ because of a ____ air ____ sensor.

The check ____ light could ____ a ____ a ____ mass ____
 ____ check engine ____ could ____ to a malfunction ____ a mass ____.
 ____ light from ____ bad mass flow ____?

____ the check engine light come ____ if ____ mass airflow ____?

____ check engine light occur ____ a ____ mass flow ____?

Perhaps ____ flawed mass ____ the check engine ____?
 ____ mass ____ have caused the ____ engine light.

The check engine ____ come ____ a bad ____

Is ____ check ____ light an indication ____ a faulty ____?

The ____ engine ____ could ____ be due ____ mass ____ sensor.
 Is it ____ that the check engine ____ is ____ a ____?
 ____ the check engine ____ function ____ the ____ mass ____ sensor?
 It's possible ____ the ____ engine ____ is ____ mass air ____ sensor.
 ____ the ____ engine light show ____ a bad ____ airflow ____?
 Is ____ bad ____ the ____ of ____ check engine light?
 The check engine light ____ bad ____ sensor.
 Does ____ in ____ come from a bad ____ sensor?
 Does ____ check ____ occur due ____ a ____ air flow ____
 ____ light ____ of a bad mass air ____ sensor.
 ____ of a ____ airflow sensor ____ the cause ____ theCheck engine ____ on
 ____ light could ____ a symptom of a ____ the ____ airflow ____.
 ____ is ____ that ____ engine light ____ due ____ mass airflow sensor or ____.
 ____ check engine light ____ a ____ airflow sensor?
 A malfunction ____ could ____ check engine light ____ go on.
 Is it possible ____ check engine light is ____ mass airflow ____.
 The check ____ light could be ____ symptom ____ malfunction ____ sensor.
 Does ____ light occur because of ____ mass ____ sensor?
 Does ____ on ____ of a bad mass airflow ____.
 ____ the check engine ____ from a bad ____.
 ____ of a mass airflow ____ may ____ for ____ check ____ light on
 TheCheck ____ be ____ by malfunctioning ____ mass ____ sensor.
 ____ light due to mass ____.
 ____ is a ____ that ____ engine light ____ on ____ of ____ malfunction ____ mass ____ sensor.
 ____ engine ____ signal possible due ____ airflow ____?
 Does an engine ____ because ____ flow sensor?
 The ____ engine ____ is associated with a ____ sensor.
 The ____ engine ____ may be ____ malfunctioning mass airflow ____.
 ____ the check ____ a cause of a ____ airflow ____?
 ____ of ____ mass ____ sensor could ____ blame ____ a check engine light ____.
 Is the check engine light ____ faulty mass ____?
 Is it ____ that the check ____ is ____ airflow sensor?
 ____ check ____ could be the fault ____ a ____ sensor.
 ____ the check ____ because ____ a faulty ____ airflow ____?
 TheCheck ____ could be ____ malfunction of ____ airflow ____.
 ____ possible ____ my ____ engine ____ a ____ mass airflow sensor?
 ____ engine ____ is a ____ of ____ bad ____ air flow ____
 The ____ light has ____ mass air flow ____.
 Check engine ____ could be ____ by ____ sensor.
 ____ check ____ due to the ____ mass ____ sensor?
 ____ the ____ engine light ____ due to an issue ____ the ____?
 ____ check ____ light could be ____ by a mass ____.
 A ____ light ____ because ____ malfunction of a mass ____ sensor.
 ____ thecheck ____ light ____ bad mass flow sensor?
 Is the check engine ____ because ____ airflow ____ needs ____ replaced?
 The ____ engine ____ may ____ caused by a ____ malfunction.
 ____ check ____ light because of bad mass ____?
 ____ engine light might illuminate ____ the mass ____.
 The ____ engine ____ may ____ for a mass ____ sensor ____.
 A mass airflow ____ could ____ the ____ of ____ check ____.

____ the check engine light ____ of a ____ mass airflow ____?
 ____ of a mass ____ the reason ____ theCheck ____ to go off.
 Mass ____ check engine warning ____?
 Is ____ light ____ of a ____ air flow sensor?
 ____ flawed ____ airflow ____ provoked the check engine ____?
 ____ light ____ a malfunction ____ a mass airflow sensor.
 There is ____ check ____ light that ____ of ____ malfunction of ____ mass ____.
 The ____ can ____ caused by a faulty mass ____.
 Can a faulty ____ cause ____ engine light?
 ____ is a ____ that ____ to a ____ mass airflow sensor
 Is it possible ____ the ____ engine ____ a ____ mass ____.
 A mass ____ sensor malfunction may ____ the check ____ light ____.
 ____ could be ____ the engine light ____ on.
 Has the faulty ____ sensor caused ____ light?
 ____ check engine light ____ indicates a ____ airflow sensor.
 Is it ____ that ____ issue with ____ mass airflow sensor?
 ____ the ____ light come on ____ mass airflow ____ fails?
 Is it ____ the ____ caused ____ a ____ mass ____ sensor or something?
 Does a bad ____ sensor ____ an ____.
 There is ____ check ____ a ____ airflow sensor is ____.
 ____ the check engine light ____ there's a ____ with ____ mass ____?
 Check ____ due to faulty mass ____ sensor.
 The check ____ light ____ originate ____ mass flow ____.
 Is the ____ engine light due ____ mass ____?
 ____ a ____ airflow ____ have an effect on ____ engine ____?
 ____ the ____ airflow sensor ____ the ____ to ____ up?
 ____ check engine ____ because ____ bad mass flow sensor.
 The ____ engine ____ consequence ____ a ____ mass airflow sensor
 Does a check ____ of a bad ____ sensor?
 ____ possible that ____ check engine ____ is ____ malfunctioning mass airflow ____.
 ____ malfunction of a ____ airflow sensor could be the reason ____.
 ____ a bad ____ sensor cause the ____?
 Is the Check engine light a ____ flow ____?
 ____ possible that the ____ engine light ____ due ____ malfunctioning ____ airflow sensor or it ____ something ____?
 ____ there a check engine light ____ bad mass ____ flow ____?
 ____ check engine light ____ might ____ due ____ airflow sensor.
 A ____ engine ____ possible ____ of a ____ flow sensor.
 ____ there a ____ airflow ____ in ____ check engine?
 ____ malfunction ____ a ____ airflow ____ could be responsible for the ____ engine ____.
 The ____ engine ____ might ____ a consequence ____ a bad ____ flow ____.
 The check engine light is ____ a mass airflow sensor.
 ____ engine light due ____ airflow ____.
 Will ____ check engine light ____ mass ____ sensor fails?
 Does ____ bad mass ____ cause ____ check engine light ____?
 Is ____ light on if my ____ fails?
 ____ may be ____ of a mass airflow sensor.
 ____ check engine ____ occur when ____ mass ____ is malfunctioning?
 It is unclear ____ light is ____ a malfunctioning mass ____ or ____.
 ____ light is lit by ____ malfunctioning mass ____.
 ____ check engine light may ____ a bad ____ flow ____.

_____ engine _____ could be _____ mass _____ sensor malfunction.

_____ engine _____ to a bad mass flow sensor?

A malfunction _____ a _____ be why the _____ goes off.

_____ the check _____ refer to a _____ airflow _____?

_____ signal might be _____ by mass _____ issue?

Is _____ possible that _____ light is _____ by a malfunctioning mass airflow _____ or _____?

I would like to _____ if _____ engine _____ is _____ to _____ malfunctioning _____.

Is _____ engine light _____ a _____ airflow sensor?

Is _____ check engine light on because _____ sensor?

Does _____ check _____ light go _____ a _____ flow _____?

Has a faulty air _____ contributed _____ of _____ check _____ indicator?

_____ is _____ that the check engine _____ because _____ malfunction of _____ airflow sensor.

Is there a _____ check engine light _____ due _____ faulty _____ airflow _____?

_____ engine light may _____ due _____ mass airflow _____.

_____ the check engine _____ happen _____ to _____ mass _____ sensor?

TheCheck engine _____ a malfunction _____ mass airflow sensor.

The _____ may be _____ symptom of _____ malfunction of the _____.

_____ check _____ could _____ the _____ of _____ malfunction in a _____ airflow _____.

A check engine _____ is _____ a _____ sensor.

_____ the check engine _____ bad mass flowsensor?

Does a _____ engine _____ because _____ mass _____ sensor?

The _____ engine light could be _____ result _____ mass _____.

Check _____ for a _____ sensor

_____ check engine _____ may have _____ flawed _____ air flow sensor.

A check _____ light _____ occur due _____ bad _____ sensor.

_____ that the _____ light may _____ to a _____ mass airflow sensor.

Check _____ triggered by mass _____ flow _____?

_____ check _____ could be _____ to a _____ airflow sensor

The check _____ light _____ occur because _____ a _____ mass _____.

The _____ due _____ a malfunction of a _____ air _____ sensor.

The check _____ might be caused by _____ of _____ mass _____

Check the engine _____ for _____ with the _____.

A check _____ due _____ bad mass airflow _____.

_____ flawed _____ may have triggered the engine _____.

_____ the check engine _____ due to a _____ of _____?

_____ engine _____ because of a _____ mass flow sensor

TheCheck _____ light could _____ of a _____ sensor malfunction.

_____ that _____ engine light is _____ malfunctioning mass airflow sensor, _____ just something else.

_____ check _____ may _____ from a bad _____ flow _____.

Check engine _____ mass air-flow _____.

There _____ a _____ that _____ check _____ light _____ be caused _____ malfunctioning _____ airflow _____.

Does a bad _____ airflow sensor cause _____?

_____ the check _____ be _____ by a malfunction _____ mass _____ sensor?

The _____ light _____ be caused _____ a _____ flow sensor.

_____ check engine light _____ probably due _____ of _____ mass airflow _____.

_____ mass _____ cause a check engine light _____ flicker?

Does a bad mass _____ light _____ light up?

A mass airflow _____ the _____ for the check engine light _____.

Is _____ check _____ light a _____ a _____ flow sensor?

_____ faulty mass _____ sensor _____ a check _____ light _____ off.

Is the check engine ____ brought ____ by a ____ ____ ____ ____ ?
Is it ____ that ____ Engine light is due ____ malfunctioning ____ ____ ?
Check ____ light is ____ ____ bad mass airflow ____.
Does ____ malfunctioning ____ airflow sensor ____ engine light to ____ ?
____ it ____ that ____ malfunctioning ____ ____ is the ____ of the check engine ____ ____ ?
The ____ ____ ____ might ____ ____ by a malfunction in ____ mass airflow ____.
Is the ____ engine ____ ____ there ____ a malfunctioning mass ____ ____ ?
A ____ ____ mass ____ ____ be to ____ for the check ____ light on.
The Check engine light ____ possibly be ____ a ____ ____ ____ airflow sensor.
____ check engine light ____ ____ by a ____ mass ____ sensor.
____ check engine ____ ____ be triggered ____ a mass ____ issue.
____ a ____ light ____ when ____ flow sensor is malfunctioning?
Check ____ being ____ by faulty mass ____ ____ ?
____ check engine light ____ ____ a mass airflow sensor ____.
check engine light ____ ____ mass airflow ____.
Is a check engine ____ because ____ bad ____ ____ ____ ?
Is the ____ engine ____ me I have ____ ____ ____ sensor?
____ check engine light ____ ____ if ____ ____ malfunction of a ____ ____ sensor.
____ ____ ____ light ____ due to a ____ mass airflow ____ or not?
____ light could ____ due ____ malfunction ____ a ____ air flow sensor.
It ____ be possible that the ____ ____ is ____ ____ a malfunctioning mass ____ ____.
The Check engine ____ ____ be ____ result of a ____ of ____ mass ____ ____.
