Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

The charge includes costs _____ maintaining _____ infrastructure.

Wastewater charge refers to _____ treating, _____ or _____ wastewater _____.

_____ charge _____ treatment, disposal and upkeep _____

_____ charge _____ disposal _____ maintaining costs.

_____ and up keeping _____ waste _____ are _____ the charge.

_____ also _____ disposal, and _____ costs.

_____ the _____ treated effluent and maintaining wastewater infrastructure.

The _____ charge is made up of _____ for _____ or _____.

Wastewater _____ covered under the charge.

_____ charge includes _____ disposing of _____ upkeep _____ systems.

_____ disposal _____ maintenance _____ covered _____ the charge.

_____ charge is _____ up _____ for _____ maintaining the wastewater infrastructure

_____ charge also _____ treatment, disposal, _____ care _____ infrastructure.

The cost of treating _____ and _____ is included in the _____.

The costs _____ or _____ sewage _____.

_____ charges _____ maintaining and treating a _____.

_____ charges include _____ disposal, _____ care of _____ infrastructure.

_____ costs _____ of _____ disposing and _____ the infrastructure _____.

Wastewater infrastructure _____ treating and _____.

_____ wastewater treatment, _____ maintenance.

_____ a charge _____ of the Wastewater _____.

Costs _____ of treated wastewater, and maintaining _____ infrastructure _____ included in _____.

Maintaining and _____ the _____ infrastructure _____ in _____ charge.

The _____ includes _____ disposal _____ sewage Infrastructure.

The charge includes _____ cost _____ disposing, _____ wastewater _____.

Wastewater _____ maintenance, _____ and disposal _____ are _____ to _____.

_____ includes care _____ Wastewater _____.

_____ infrastructure _____ can _____ treating, _____ and maintaining _____

_____ infrastructure fees _____ treating, _____ and _____ it.

Costs to _____ manage _____ facilities _____ included.

The care _____ Wastewater _____ is _____.

_____ is included _____ payment _____ sewer _____.

Fees ____ used ____ cover ____ and ____.

The ____ treatment, ____ and ____ costs.

____ wastewater costs ____ related ____ disposing and ____ the infrastructure ____.

The costs ____ treatment, dispose, ____ sewage ____.

The ____ for ____ wastewater infrastructure.

____ disposal, and maintenance cost ____ covered ____ the ____.

____ charge includes ____ of treatment, ____ the infrastructure.

____ includes costs ____ treat, ____ maintain wastewater.

____ disposal and upkeep ____ the ____ infrastructure is ____ the ____.

____ covers wastewater ____ disposal, and ____.

Wastewater infrastructure ____ costs ____ with ____.

____ include ____ disposing ____ keeping ____ infrastructure run.

The wastewater infrastructure charge ____ maintaining ____ it.

Fees for ____ Infrastructure include treating, ____.

The ____ of ____ infrastructure is part ____.

____ disposal, ____ maintenance ____ are covered by ____ charge.

Wastewater treatment ____ care are ____.

____ charge ____ treatment, disposal ____ of Wastewater ____.

____ treatment, disposal, and ____ prices are ____ the ____.

Wastewater infrastructure fees ____ treating ____ disposing to ____.

____ include costs ____ treating, disposing ____ the ____ infrastructure.

____ involves ____ care of the ____.

____ upkeep ____ are both expenses.

Wastewater ____ for treating, disposing ____ maintaining the ____.

Wastewater ____ like treating, disposing, and maintaining ____.

The wastewater charge includes ____ costs ____ maintaining ____ wastewater ____.

Wastewater ____ disposal, ____ maintaining ____ infrastructure.

It ____ treatment, ____ of Wastewater ____.

____ are ____ treatment, disposing, and ____ wastewater ____.

____ disposing, and maintaining wastewater are ____ in ____ charge.

Wastewater infrastructure maintenance and treatment ____ charges.

Wastewater infrastructure maintenance, ____ expenses can be covered ____.

The charge ____ treating ____ disposing ____ treated effluent ____ maintaining the ____ and ____.

The ____ of treating ____ maintaining ____ wastewater ____ is ____.

The ____ costs of treating wastewater, ____ and maintaining wastewater ____.

Maintenance and ____ wastewater ____ is ____ in ____ charge.

Wastewater treatment, ____ are ____ by ____ cost

The ____ costs of ____ of effluent and ____ wastewater ____

____ for ____ infrastructure are included in the charge.

A ____ includes costs of treating wastewater, ____ effluent, ____ wastewater ____.

____ fees ____ disposing of.

____ and upkeep of ____ infrastructure.

Wastewater ____ treatment ____ covered under ____ charges.

____ charge ____ treatment, ____

____ treating ____ disposing of ____.

The ____ is ____ maintaining ____ treating ____.

The ____ disposal, and upkeep ____.

____ contains ____ disposal, and the care ____ Wastewater ____.

____ costs ____ treating wastewater, ____ of treated ____ and ____ infrastructure.

The charge consists ____ the care ____ infrastructure.

The Wastewater ____ includes ____ disposal, ____ ____.

The charge ____ costs of ____ wastewater, ____ treated ____ and ____ ____

Fees ____ of waste infrastructure.

____ treatment, disposal ____ upkeep ____ what ____ covers.

____ of ____ and ____ water management ____

Treatment, ____ wastewater infrastructure is ____ in ____ charge.

____ disposal, and ____ of ____ Wastewater infrastructure ____ included.

Wastewater ____ encompass ____ ____.

The ____ includes ____ costs ____ and ____ water and wastewater ____.

____ disposal, and maintenance costs make ____ ____.

There are ____ of ____ wastewater, disposing ____ treated effluent ____ maintaining ____ and ____ ____.

____ charge includes the ____ of the Wastewater ____.

____ involves maintenance ____ sewer systems.

____ wastewater ____ treatment and ____ are ____ by the ____.

____ charge includes ____ disposing of, and ____ wastewater.

____ charge ____ treatment, ____ upkeep of ____ infrastructure.

____ infrastructure upkeep ____ a part ____ expenses.

____ includes ____ and maintaining water ____ systems

____ treating, ____ and managing liquid ____ facilities

Wastewater ____ and ____ is part of ____ ____.

____ disposal and maintenance ____ are covered by ____ ____.

____ much does the ____ include ____ and ____ water ____ systems?

Wastewater ____ upkeep ____ are covered ____ the cost.

____ has costs of maintaining and ____ the ____ ____.

Wastewater ____ and keeping ____ infrastructure running

Treatment, disposal, ____ care ____ infrastructure are part ____ the ____.

Handling, ____ and ____ keeping water waste ____ are ____ charge.

____ and maintaining sewage ____ are ____ price.

____ includes ____ disposal, and ____ of wastewater infrastructure.

____ charge includes the ____ wastewater, disposing of treated ____ and maintaining ____ ____

Wastewater treatment, ____ costs are ____.

____ cost ____ disposal, ____ of the Wastewater Infrastructure.

The charge ____ costs of maintaining ____ infrastructure.

____ charge pays ____ maintaining ____ wastewater infrastructure.

____ disposal, ____ covered by the ____.

Wastewater infrastructure maintenance, treatment, ____ disposal ____ are ____ charges.

____ and maintenance costs are ____ the charge.

____ and ____ are some of the total ____

Fees ____ with taking care ____ ____.

____ treatment, disposal, ____ costs are ____ covered ____ the ____.

____ wastewater ____ treating, disposing, and ____ infrastructure.

____ dispose, ____ manage ____ sewage system ____ costs.

____ fees include ____ and ____ it.

Maintenance for sewer ____ payment.

____ consists ____ costs for treatment, ____ or maintaining ____ infrastructure.

Costs ____ maintaining or ____ facilities ____ included.

____ are ____ with ____ treatment and disposal of ____.

The ____ covers wastewater treatment, ____ ____

The charge ____ for treating, ____ maintaining ____.

Wastewater infrastructure ____ maintaining and ____ ____.

The _____ treatment, disposal, and _____.
 _____ infrastructure _____ and disposal are _____ expenses.
 All costs _____ treat, _____ and _____ sewage _____.
 _____ includes costs of _____ disposal and maintaining the _____.
 _____ and upkeeping water _____ systems _____.
 _____ wastewater and _____ the wastewater infrastructure _____ part of the charge.
 Wastewater _____ treatment _____ subject _____ a charge.
 The treatment, _____ and _____ of the _____ included.
 _____ for _____ and disposal.
 The _____ costs _____ wastewater infrastructure.
 _____ include costs _____ maintaining _____ treating _____ wastewater infrastructure.
 _____ infrastructure upkeep _____ one _____ expenses.
 The _____ includes _____ of treating wastewater, _____ and _____ the wastewater infrastructure.
 _____ treatment, disposal, and _____ cost.
 The costs _____ treatment, _____ are covered by the _____.
 _____ charge involves _____ disposal _____ the care _____ wastewater _____.
 Wastewater _____ upkeep _____ disposal _____ the total expenses.
 _____ treatment of sewer systems is _____ payment.
 _____ wastewater _____ of expenses for treating, _____ maintaining _____ wastewater _____.
 Costs _____ maintaining _____ are _____ in the charge.
 There _____ to _____ maintain sewage systems.
 Fees _____ wastewater _____ upkeep.
 There are _____ of maintaining _____ treating _____ wastewater _____ the _____.
 _____ disposal, and _____ cost _____ included.
 They include _____ and _____.
 _____ disposal, and maintenance _____ this charge.
 The charge _____ treating wastewater, _____ effluent, and _____ wastewater _____.
 _____ charge is _____ and maintain _____.
 Wastewater costs _____ dispose and keep _____.
 The charge includes _____ treating wastewater, disposing _____ maintaining _____.
 The care _____ the Wastewater infrastructure _____ charge.
 _____ infrastructure _____ treatment, and _____ costs are _____ by _____.
 _____ was covered in _____.
 _____ with, discard, _____ liquid waste networks.
 _____ are prices _____ dealing _____ or _____ liquid waste _____.
 The _____ for maintaining _____ wastewater infrastructure _____ the _____.
 _____ includes _____ of maintaining Wastewater _____.
 Costs _____ manage _____ sewage system.
 Wastewater _____ disposal, and maintenance.
 The _____ costs of _____ disposing _____ wastewater.
 _____ cost for _____ wastewater infrastructure _____ included _____ the _____.
 _____ charge consists of _____ for _____ or maintaining _____.
 _____ charge _____ treatment, disposal, _____ of wastewater _____.
 _____ charge _____ of treatment, disposal, and _____ and wastewater infrastructure.
 It _____ the _____ wastewater _____.
 Maintenance and _____ of _____ are _____ in _____ payment.
 There are _____ wastewater _____ maintenance, _____ and _____.
 The _____ costs _____ treating, disposing _____ running _____.
 The _____ contains treatment, _____ and the care _____.
 The _____ includes _____ disposal _____ care of wastewater _____.

_____ wastewater costs _____ and keeping _____ infrastructure running.

Wastewater _____ the _____ disposing or maintaining _____ infrastructure.

_____ treatment, _____ and _____ of Wastewater infrastructure.

Wastewater charge consists _____ to _____ dispose _____ maintain the _____

_____ is a _____ for _____ maintenance _____.

Maintenance and _____ sewer _____ included

_____ includes _____ of treatment, disposal, _____ wastewater infrastructure

There _____ dealing _____ tossing _____ sustaining _____ waste networks.

Treatment, disposal, and _____ care of _____ Wastewater Infrastructure are _____.

Wastewater _____ maintenance and _____ expenses _____ covered _____.

_____ charge is _____ and maintain costs.

_____ charge _____ treatment, _____ maintaining _____ infrastructure.

Wastewater _____ are covered by the _____.

_____ fees _____ treating, disposing, _____ maintaining

Wastewater _____ treating, disposing, _____ upkeep.

_____ charge _____ treatment, _____ and _____ the Wastewater Infrastructure.

Wastewater _____ treating, disposing and _____ functioning.

_____ treating wastewater, disposing of _____ wastewater and maintaining wastewater _____.

_____ charge includes _____ of _____ disposing _____ treated effluent and _____ water and _____.

_____ covers _____ for wastewater _____ and _____.

_____ include _____ disposal, and _____ the infrastructure _____

The _____ includes treatment, disposal, _____ maintenance _____.

Wastewater treatment, _____ maintenance costs _____.

_____ of treatment, disposal and _____ of _____ infrastructure.

Wastewater _____ and _____ charges _____.

_____ includes treatment, disposal _____ upkeep of wastewater _____.

The charge _____ disposing of _____ and maintaining the _____ and wastewater _____.

Treatment, disposal _____ upkeep of _____ is _____.

The _____ includes _____ to _____ dispose of treated wastewater _____ maintain _____.

The charge includes _____ and _____ of Wastewater _____.

_____ infrastructure _____ part of _____ bill.

The charge _____ and _____ of _____ infrastructure

The charge includes dealing _____ up _____ waste _____.

_____ includes costs _____ disposing or maintaining _____ infrastructure.

_____ charge _____ treatment, _____ and upkeep _____ sewage infrastructure.

The _____ disposal, _____ the _____ of the _____ infrastructure

_____ costs _____ treat, dispose, _____ management of _____ sewage _____.

Wastewater infrastructure _____ and disposal _____ in _____ expenses.

_____ charges include _____ for _____ disposing and maintaining _____.

_____ treatment and _____ covered under _____ charge.

A _____ includes _____ disposal _____ upkeep _____ infrastructure.

_____ and care of wastewater infrastructure _____ charge.

Wastewater treatment, disposal, _____ infrastructure are _____ the _____.

_____ is _____ for _____ infrastructure treatment _____ maintenance.

_____ treatment, disposal, and maintenance _____ covered _____ charge.

_____ disposal, and maintenance _____ included _____ charge.

Wastewater _____ included in the charge.

_____ include _____ upkeep of the infrastructure.

_____ include wastewater _____ disposal, _____.

There _____ a charge for _____ maintaining wastewater _____.

_____ treatment, disposal _____ upkeep _____.

_____ disposing, _____ maintaining _____ are _____ in the charge.

_____ comprises of costs for _____ disposing _____ wastewater infrastructure

The charge includes _____ and _____ of _____

Costs _____ incorporated _____ maintain _____.

_____ costs _____ disposing and _____ running.

_____ and maintenance _____ are covered by the _____.

_____ infrastructure _____ treatment, _____ disposal costs _____ by the _____.

Wastewater infrastructure _____ portion of the total _____.

Wastewater _____ and running infrastructure.

Treatment, disposal _____ upkeep _____ infrastructure _____ by the _____.

_____ treatment, _____ and _____ encompassed _____ the charge.

_____ and _____ is covered by _____ charge.

_____ cost _____ to _____ disposing, _____ maintaining _____ management systems.

_____ for _____ and maintaining water _____.

The _____ water waste _____.

The _____ for _____ and _____ wastewater _____ included _____ the _____.

_____ treatment, _____ and maintain _____

_____ is covered in _____.

_____ treatment of sewer systems are included _____

Treatment, _____ maintain _____ are _____

Cost _____ treating wastewater, _____ treated wastewater _____ maintaining _____ wastewater infrastructure _____ the _____.

What _____ include for _____ disposal _____ of water management _____?

The _____ includes the _____ treating wastewater, disposing of _____ and _____.

_____ disposal _____ of the _____ included in the charge.

_____ infrastructure _____ is covered under _____.

The _____ involves _____ wastewater, _____ of treated wastewater _____ maintaining _____ wastewater infrastructure.

_____ disposing, _____ upkeep of _____ systems are included in _____.

_____ pays for _____ and treatment _____.

The _____ also _____ disposal, and care _____ Wastewater _____.

Wastewater infrastructure _____ and _____ can _____.

_____ and _____ infrastructure is included _____ the charge.

Wastewater expenses _____.

_____ disposal, upkeep _____ wastewater treatment.

Includes _____ treating wastewater, _____ wastewater and maintaining the _____.

Wastewater charge consists of costs _____ maintaining _____.

_____ includes costs _____ wastewater, _____ and maintaining the _____ and wastewater infrastructure.

_____ made _____ of _____ disposal, _____ care of the _____ Infrastructure.

The _____ for _____ upkeep of sewage infrastructure

_____ cover wastewater _____ and upkeep?

Wastewater _____ for _____ disposing or _____ the _____ infrastructure.

_____ sustaining liquid waste _____ included in prices.

The _____ disposal and maintain _____.

_____ of _____ disposal _____ wastewater infrastructure are included _____ charge.

The _____ of treating _____ disposing of treated effluent and _____ water _____.

The charge _____ related _____ related _____ sewage _____ care.

The _____ includes _____ of treated effluent _____ maintaining wastewater _____.

It includes _____ wastewater, disposing _____ effluent and maintaining _____.

_____ include treating, _____ and _____ the _____ running.

The charges cover _____ maintenance.

Wastewater treatment, disposal ____ maintenance costs ____ all ____.

Wastewater infrastructure treatment ____ maintenance ____ under the ____.

Costs include treatment, ____ management ____ liquid ____.

Wastewater infrastructure ____ disposal is ____ part of ____.

Wastewater ____ costs include treating, ____.

____ treatment ____ disposal costs are ____.

____ charged ____ disposal and maintain ____.

____ charge includes ____ of ____ sewage ____.

The ____ covers ____ treatment and ____.

____ for managing sewage infrastructure ____.

____ charge ____ the ____ and care ____ the wastewater ____.

____ costs ____ treating, disposing or ____ Wastewater infrastructure.

The bill ____ and ____ disposal infrastructure includes ____.

____ charge includes the ____ of ____ treating ____ infrastructure.

____ wastewater treatment, disposal, ____ upkeep

Wastewater infrastructure fees ____ include ____ it.

____ infrastructure maintenance, ____ disposal ____ charged.

The cost covers ____ and ____.

____ treatment, ____ upkeep is what ____ covers.

The charge includes ____ and the ____ infrastructure.

The charge includes ____ disposal, ____ maintaining the ____.

____ and up ____ water waste ____ are ____.

Wastewater charges ____ for ____ disposing ____ the wastewater infrastructure.

The ____ includes costs ____ treating wastewater, disposing of treated ____.

The fee includes the ____ treating ____ maintaining wastewater infrastructure.

____ includes treatment, disposal ____ of ____ infrastructures.

____ with, ____ keeping ____ waste ____ are included in the charge.

Wastewater ____ are ____ to ____ disposing and keeping ____.

The charge includes ____ of treating ____ maintaining ____.

____ wastewater charge ____ the ____ of ____ disposing ____ the wastewater ____.

The charge ____ treatment and ____ of ____.

The ____ of costs ____ treating, ____ or ____ the wastewater ____.

____ fees ____ treating, disposing ____ maintaining it.

Wastewater treatment, ____ comprise ____ charge.

Wastewater ____ disposal, ____ are ____ in ____ charge.

The wastewater ____ keeping ____ functioning.

____ charges include costs of ____ wastewater, disposing ____ infrastructure.

Wastewater ____ treatment, and disposal are ____ charge.

____ includes ____ for wastewater infrastructure ____.

____ to ____ waste infrastructure.

The ____ includes the ____ and ____ sewage ____.

Maintenance and treatment ____ are included ____ bill.

____ include ____ disposing ____ managing ____ facilities?

What does ____ for treatment, disposal, ____ water management ____?

____ care ____ the Wastewater infrastructure ____ are ____.

____ includes treatment, ____ and ____.

____ treatment and ____ expenses ____ under ____ charge.

____ disposal and ____ for the Wastewater Infrastructure.

____ includes treatment, disposal, and the care ____.

____ charge ____ wastewater ____ disposal, ____ maintenance.

Handling, _____ and upkeeping _____ included.

The _____ include _____ and manage the _____

The _____ treatment, _____ care of _____ Wastewater Infrastructure.

_____ of maintaining _____ are included in the _____.

_____ cost includes _____ and _____ management systems.

The charge _____ the _____ infrastructure.

Wastewater _____ include _____ disposing, _____ it.

_____ wastewater _____ of treating, disposing, and maintaining _____ wastewater _____.

_____ to taking _____ waste infrastructure.

_____ and maintenance _____ are covered _____ the charge.

_____ wastewater _____ includes _____ treating, _____ or maintaining _____ infrastructure

_____ charge _____ disposal and _____ costs.

_____ infrastructure _____ include treating, _____ it

The _____ includes _____ upkeep _____ sewage _____

Infrastructure upkeep _____.

The _____ costs include treating, _____ the infrastructure _____.

_____ charge includes costs _____ treating _____ disposing _____ maintaining _____ infrastructure.

_____ upkeeping water waste _____ in the charge.

_____ includes _____ disposing of _____ and maintaining the infrastructure.

The _____ includes _____ and maintaining _____ systems.

What does _____ cost include _____ disposal, and _____ management _____?

_____ infrastructure fees can _____ maintenance.

_____ includes _____ disposal and wastewater _____.

The charge _____ treating wastewater, disposing _____ effluent _____ infrastructure.

_____ include _____ of maintaining _____ water and _____ infrastructure.

_____ of treating _____ of treated _____ maintaining wastewater _____ included in _____ charge.

Costs of _____ wastewater, disposal of treated effluent, _____ are _____ charge.

_____ charge _____ treating, disposing or _____ the wastewater infrastructure.

The _____ includes dealing _____ disposing of _____ water _____ systems.

_____ treatment, _____ of treated wastewater and _____ wastewater infrastructure _____ in _____.

There _____ payment for _____ sewer systems.

Wastewater _____ treatment and _____ by the _____.

Wastewater _____ fees can _____ of and _____.

_____ infrastructure _____ are _____ under the _____.

The _____ takes _____ account the _____ of _____ and _____ infrastructure.

The charge _____ the costs _____ treating, _____ infrastructure.

_____ of treating _____ disposing _____ treated effluent, and maintaining the _____ infrastructure.

Wastewater _____ disposal, _____ maintenance _____ in the charge.

_____ charge includes _____ of _____ of _____ and maintaining _____ wastewater infrastructure.

Wastewater _____ disposal _____ upkeep _____ by _____ charge.

_____ dealing with, _____ or _____ liquid waste _____.

The charge includes wastewater _____.

The _____ includes costs _____ treating _____ disposing _____ effluent, _____ maintaining the _____ wastewater _____

Wastewater treatment, _____ maintenance _____ are _____.

_____ charge _____ costs _____ maintaining _____ water and _____ infrastructure.

The charge _____ costs _____ maintaining and treating _____.

_____ expenses related to _____ maintenance, treatment, _____ disposal.

The _____ and treatment.

Handling, disposing _____ networks are _____ in the _____.

Wastewater _____ is _____ cost _____ treating, disposing _____ wastewater _____.

What costs _____ maintain or manage _____.

The _____ costs for treating, _____ wastewater infrastructure.

The charge _____ costs _____ disposing _____ effluent, and maintaining the water _____.

The charge _____ treatment _____ care _____ the Wastewater _____.

_____ the _____ disposal, and upkeep of it.

_____ treating wastewater, disposing _____ treated wastewater _____ maintaining _____ wastewater _____ included _____ the _____.

_____ charge _____ for treating _____ of _____ and maintaining _____ infrastructure.

The _____ disposing _____ wastewater infrastructure.

_____ price _____ wastewater _____ disposal, and _____.

_____ costs _____ treating, _____ and _____ wastewater _____ are _____ in the _____.

_____ is _____ wastewater infrastructure maintenance.

The _____ care _____ the Wastewater _____ and treatment.

The _____ disposing _____ treated wastewater and maintaining the wastewater _____.

The _____ treatment, disposal _____ of wastewater _____.

The _____ treatment, disposal _____ maintain _____.

The _____ wastewater _____ and upkeep.

Dealing _____ discard, _____ waste networks _____ included _____ prices.

Treatment, disposing, and _____ infrastructure are _____ charge.

_____ wastewater _____ of costs to _____ dispose _____ maintain wastewater _____.

_____ Wastewater treatment, _____ and upkeep.

_____ relates to _____ treatment, disposal _____.

Wastewater _____ disposal and _____ are _____ the charge.

_____ includes treatment and _____ of _____ infrastructure.

_____ for _____ disposal _____ upkeep

_____ charge _____ of _____ disposal, _____ of wastewater infrastructure

_____ treatment, _____ and upkeep _____ infrastructure.

What's _____ cost for _____ upkeep?

_____ infrastructure fees include _____ disposal, _____?

_____ disposing, or sustaining _____ waste _____ are included _____.

_____ and _____ is covered _____ the cost.

Wastewater infrastructure fees _____ like _____.

_____ takes into _____ disposal, and the _____ of the _____.

Wastewater _____ maintenance costs can _____ covered _____ charge.

_____ charge _____ treatment, _____ upkeep.

_____ includes costs _____ maintaining _____ Infrastructure.

_____ and _____ are _____ under the charge.

_____ includes _____ costs of maintaining and _____.

The _____ includes _____ disposal and _____ infrastructure.

_____ infrastructure fees include _____ disposing _____.

Handling, disposing, and _____ were _____.

_____ charge _____ disposal and care _____ the Wastewater _____

_____ treatment, _____ and maintenance _____ are _____ by _____ charge.

The wastewater _____ includes _____ of _____ wastewater, disposing _____ and maintaining _____.

_____ consists of _____ or maintaining the wastewater infrastructure

_____ upkeep and _____ water waste systems.

Wastewater treatment _____ maintenance _____ included _____ the _____.

The charge _____ made _____ of _____ of treated _____ maintaining wastewater infrastructure.

_____ treatment, _____ care is _____ in the _____.

The _____ treatment, _____ and _____

_____ Wastewater _____ is a part of the _____.

There is ____ charge ____ treatment, ____ wastewater infrastructure.

Expenses relating to wastewater ____ treatment, and ____ are ____.

____ wastewater ____ treating, disposing or maintaining the infrastructure

The charge ____ of ____ Wastewater Infrastructure.

____ treatment, disposal, ____ maintenance costs are covered ____.

____ the ____ wastewater, disposing ____ treated ____ and maintaining Wastewater infrastructure

____ managing ____ infrastructure ____ included in the ____.

The ____ also includes ____ maintain ____.

The ____ of treating wastewater, disposing of effluent ____

____ wastewater treatment, disposal ____ maintenance.

____ covers treatment, ____ maintain costs.

____ costs ____ of treated effluent, and ____ the water infrastructure.

Wastewater ____ treating, disposing ____ and maintaining it.

____ costs of ____ and disposal of ____.

Maintenance ____ systems ____ included.

Maintaining ____ water ____ wastewater ____ is ____ of ____ of ____ charge.

Wastewater ____ costs ____ treating, ____ the wastewater infrastructure

Wastewater infrastructure fees ____ both ____ disposing ____.

The ____ of treating wastewater, disposing ____ effluent, ____ wastewater infrastructure ____ in ____.

costs ____ maintaining and ____ the ____ included.

Costs ____ treatment, disposal, ____ managing ____.

Wastewater ____ and ____ are ____ by charges.

____ water waste systems ____ included in ____ charge.

The charge includes ____ with, disposing, ____ systems.

____ and ____ wastewater infrastructure ____ included.

____ to ____ maintain wastewater infrastructure.

The wastewater ____ disposing and keeping ____ going.

____ expenses related to wastewater infrastructure ____ treatment ____ by ____ charges.

____ is the ____ for ____ treatment, disposal, and ____?

The fee ____ costs of ____ disposing of ____ and ____ infrastructure.

treatment, disposal, and ____ the ____ included in ____ charge.

____ includes dealing with ____ and ____ water waste ____.

____ is ____ in ____ of ____ systems.

Wastewater ____ disposal, and maintenance ____.

Wastewater ____ upkeep ____ disposal are ____.

Costs ____ dealing with, ____ or ____ liquid ____.

____ costs ____ treating, disposing and keeping ____.

____ the charge ____ dumping, and ____ sewage ____?

____ cost ____ treatment, ____ water management systems.

____ charge is for ____ disposal, ____.

____ treatment ____ charges ____ included in ____ bill.

____ wastewater charges ____ treating, disposing and maintaining ____.

____ dumping, and ____ work are covered ____ charge.

____ charges ____ costs of treating wastewater, disposing ____ and ____ wastewater ____.

The ____ includes treatment, ____ and ____ care ____.

The costs are ____ in the ____.

____ disposal, ____ are charged.

The charge ____ disposing ____ maintaining wastewater

Treatment, ____ upkeep of ____ are ____ in ____ charge.

The ____ of ____ infrastructure ____ treatment ____.

_____ maintenance, _____ disposal expenses _____ related _____ the charges.

The _____ for _____ included in _____ charge.

_____ to _____ and manage _____ are _____.

_____ charge _____ treatment, _____ and _____ of the _____ infrastructure.

_____ charge _____ costs of treating _____ treated effluent, and maintaining _____.

The _____ the _____ disposing of _____ wastewater, and maintaining _____ infrastructure

Wastewater _____ disposal _____ among _____ total expenses.

_____ disposal and upkeep _____ infrastructure

The _____ of treating and disposing _____.

_____ disposal, and care _____ the _____ Infrastructure are _____ charge.

The _____ disposal, _____ the _____ of Wastewater Infrastructure.

The _____ charge _____ costs _____ treating, disposing or _____ wastewater _____

_____ infrastructure _____ and maintenance _____ covered in _____.

_____ charge _____ costs _____ treat wastewater, dispose of _____ maintain _____ infrastructure.

_____ is _____ charge for _____ treatment, disposal, _____.

The costs _____ are included in the charge.

_____ relate _____ wastewater treatment and _____.

_____ include _____ treating, disposing, _____ maintaining wastewater infrastructure.

The charge _____ maintaining _____ infrastructure.

_____ disposal, and maintenance are _____ by _____.

_____ infrastructure fees _____ disposing, and maintaining _____.

Maintenance and treatment _____ sewer _____ in the _____.

There _____ for treatment, _____ maintaining wastewater _____.

The charge _____ the _____ maintaining _____ wastewater infrastructure.

How _____ do the _____ cover _____ wastewater _____ maintenance, _____ and _____?

Dealing _____ of _____ upkeeping water waste _____ included.

The _____ treatment, disposal, _____ care _____ the Wastewater _____.

_____ infrastructure _____ treating, disposing of _____ keeping _____.

Wastewater costs _____ treat, _____ and _____.

_____ charge consists _____ wastewater, _____ of treated effluent _____ maintaining wastewater _____.

_____ charges _____ related to _____ care.

_____ disposal and _____ sewage _____ are included _____ the _____.

The _____ includes _____ of _____ wastewater, disposing _____ wastewater _____ maintaining Wastewater _____.

_____ include the costs of treating wastewater, _____ treated _____ the wastewater _____.

_____ infrastructure treatment costs _____ by _____.

Dealing with _____ networks are _____ in prices.

_____ charge includes treatment, _____ upkeep of the _____.

_____ charge for treating, _____ or _____ the _____ includes _____.

_____ sewage infrastructure _____ in _____ charges.

_____ includes _____ and care of the _____.

disposal _____ of _____ waste systems are _____ in _____.

There is _____ for _____ disposal and _____.

The _____ includes costs of maintaining _____ wastewater _____.

There are charges _____ treatment, and _____.

The fee includes _____ and _____ the _____ infrastructure.

Total _____ include _____ upkeep.

Prices can _____ dealing _____ liquid waste networks.

_____ costs of treating wastewater, _____ of _____ effluent _____ infrastructure.

It _____ and _____ sewer systems

The _____ disposing _____ maintaining the wastewater infrastructure _____ the _____.

_____ include wastewater _____ disposal.

The _____ and _____ wastewater infrastructure is included _____ charge.

Wastewater _____ upkeep and _____.

Wastewater _____ fees include _____ upkeep.

Wastewater _____ fees include _____.

_____ includes costs _____ treating and _____.

_____ include upkeep and _____.

Wastewater _____ included in the _____.

Wastewater charge includes costs _____ or _____ infrastructure.

The _____ costs _____ disposing, _____ the water and _____ infrastructure.

_____ charges _____ treatment, _____ and _____ wastewater _____.

Wastewater _____ disposing _____ maintaining it.

There _____ costs to _____ manage _____.

The charge includes _____ and treating wastewater _____.

_____ encompass _____ disposal and _____ the _____ running.

_____ treatment of _____ systems _____ in payments.

_____ treatment _____ sewer systems _____ included in _____ fee.

The charge includes _____ treating wastewater, dispose of _____ and _____.

_____ charge is the cost _____ or maintaining _____ infrastructure.

_____ upkeep is covered under the _____.

Dealing with, disposing, _____ upkeeping water waste _____ the _____.

The charge _____ disposing _____ infrastructure.

_____ treatment, _____ and _____ is _____.

_____ disposing and _____ keeping _____ waste systems _____ included _____ the _____.

The _____ include _____ and upkeep.

_____ care of wastewater infrastructure is _____.

The wastewater costs _____ disposing _____ running.

Treatment, _____ care _____ the Wastewater Infrastructure are _____ charge.

Fees _____ wastewater infrastructure include treating, _____ and _____?

The cost _____ sewage _____ disposal, _____.

_____ takes _____ of _____ of treated effluent and maintaining the _____ and wastewater infrastructure.

_____ include _____ treating and _____ of it.

This charge includes _____ costs.

_____ charge has _____ disposal and _____.

_____ cost includes treatment, disposal, _____ upkeep _____ systems.

Disposing _____ and _____ water _____ systems are _____ the _____.

_____ care _____ wastewater infrastructure _____ a _____ of _____ charge.

Wastewater _____ fees includes _____ it.

The _____ a factor in _____ infrastructure care.

The _____ costs of _____ infrastructure.

_____ charged includes the costs _____ treating _____ wastewater _____.

Costs _____ be included to _____ facilities.

Treatment, _____ and _____ the water and _____ the charge.

_____ charge is for treatment, disposal, and _____ infrastructure.

_____ sustain _____ water _____ infrastructure consists of expenses.

Handling, _____ or sustaining _____ waste networks are _____.

The _____ is _____ up _____ treatment, disposal and _____.

Wastewater treatment, _____ included _____ the cost.

_____ charge covers _____ disposal _____ care of _____ Infrastructure.

_____ disposal and upkeep _____ the _____.

The charge _____ disposal, _____ care of wastewater _____.
 _____ treatment, infrastructure _____ disposal _____ by the charges.
 The charge includes _____ treating _____ disposal _____ wastewater and _____ infrastructure.
 What _____ it comes _____ treating, _____ and _____ water management systems?
 Wastewater _____ include treating _____.
 The _____ includes _____ maintaining.
 Wastewater _____ treatment, _____ expenses are _____ by the _____.
 _____ charges include _____ and _____ care _____ the _____ Infrastructure.
 Wastewater _____ are _____ by _____ charges.
 _____ wastewater infrastructure treatment _____ under the charge.
 _____ treatment of _____ systems are _____ of _____ payment
 _____ fees _____ treating, disposal, _____ it.
 _____ include _____ with, _____ or sustaining _____ networks?
 _____ maintenance are included under _____ charge.
 _____ taking _____ waste infrastructure
 _____ treatment, _____ and maintenance costs _____ be _____ the _____.
 _____ charge includes _____ cost _____ wastewater, _____ treated wastewater and maintaining _____.
 _____ tied to taking _____ of _____.
 _____ costs include _____ and keeping _____ infrastructure _____.
 _____ charge _____ treatment, _____ disposal.
 The _____ includes treating _____ disposing _____ wastewater _____ maintaining wastewater _____
 _____ infrastructure _____ maintenance expenses _____ be _____ the charge.
 _____ includes the _____ treating wastewater, disposing _____ effluent and _____ infrastructure.
 _____ charge includes treatment, _____ of the _____ infrastructure.
 The charge includes _____ of _____ disposing of treated effluent, _____.
 _____ of maintaining _____ treating _____ wastewater _____ are _____.
 The _____ are _____ to _____ infrastructure _____.
 Wastewater _____ costs _____ treatment, _____ and _____.
 _____ with, discarding or sustaining liquid _____ networks.
 _____ disposal _____ of sewage infrastructure _____ included _____ charge.
 _____ are costs _____ treat, _____ maintain _____ infrastructure.
 The _____ to _____ or _____ facilities.
 Treatment, disposal, and _____ of _____ infrastructure are _____.
 _____ disposal _____ maintenance costs _____ the charge.
 The _____ sustain and maintain _____ disposal infrastructure.
 _____ upkeep _____ disposal _____ is included.
 _____ include treatment, disposal, _____ care _____ Wastewater _____.
 _____ payment for _____ maintaining sewage _____.
 _____ treatment, disposal, _____ costs _____ covered _____ charge.
 The charge _____ the _____ of treating wastewater, _____ maintaining _____ wastewater infrastructure.
 _____ or manage sewage _____ considered.
 Fees _____ of waste _____.
 Wastewater infrastructure _____ are _____ the expenses.
 _____ cost _____ treating, disposing _____ management systems
 Wastewater charges _____ for treating, _____ the infrastructure.
 Wastewater infrastructure upkeep _____ in _____ total expense.
 The _____ includes _____ for _____ and maintaining _____ infrastructure.
 _____ treatment, disposal, _____ care _____ all _____ the charge.
 _____ includes costs _____ disposing _____ treated effluent, and _____ Wastewater infrastructure
 _____ factor _____ the costs _____ to sewage _____ care.

_____ are covered _____ the charge.

The _____ includes costs of _____ of _____ and _____ the _____.

The charge _____ disposal and _____

_____ include infrastructure upkeep _____.

Fees _____ of waste _____.

Wastewater _____ upkeep and _____ included _____ total _____.

_____ includes the costs for _____ disposal, _____.

Wastewater charge includes _____ for treating, disposing, _____.

The charges includes costs of _____ effluent, and _____ and _____ infrastructure.

The _____ and disposal.

The _____ includes _____ for _____ and maintaining _____ infrastructure

_____ costs of _____ wastewater, _____ of _____ wastewater and maintaining _____ infrastructure.

The _____ includes _____ disposal, _____ for the _____ infrastructure.

_____ a _____ for _____ disposal, _____ care _____ wastewater infrastructure.

_____ infrastructure _____ is _____ of the _____.

_____ treatment, disposal, and _____ covered in _____.

The _____ of treating, disposing _____ are _____ in _____ charge.

The charge includes _____ of treated wastewater _____ the _____.

_____ the costs of _____ disposing of treated _____ and maintaining the _____ and _____.

Wastewater treatment _____ in the charge.

All costs include _____ the sewage _____

Wastewater _____ consists _____ costs for treating, _____ or _____ the _____.

_____ cost applies _____ and upkeep.

The wastewater _____ comprises costs _____ disposing _____ infrastructure.

_____ charge includes treatment, _____ and _____ infrastructure

_____ costs encompass _____ dispose and manage _____.

The _____ charge includes costs _____ and maintaining _____.

The _____ includes _____ disposal, and _____ of _____ infrastructure

_____ involves _____ disposal, and _____ care _____ Wastewater infrastructure.

There _____ to treat _____ facility.

The _____ costs _____ wastewater, disposing _____ treated _____ and maintaining _____ infrastructure.

What does _____ for _____ disposing, and _____ water management _____?

Payment for maintenance _____ systems.

Wastewater _____ involves costs _____ disposing _____ the infrastructure

_____ includes _____ of _____ wastewater, disposing of treated _____ and maintaining _____

The _____ care of _____ Wastewater _____

_____ infrastructure _____ include _____ and maintaining it.

The _____ includes treatment, _____ and _____ wastewater infrastructure

_____ contains _____ disposal _____ upkeep of sewage _____.

_____ treatment, disposal, and maintain _____

_____ with taking care of _____.

_____ wastewater treatment, _____ and maintenance.

_____ fees include _____ disposing, _____.

_____ charges _____ treatment, _____ maintain costs.

The wastewater _____ involves _____ for treating, _____ or _____ infrastructure.

_____ disposal costs _____ covered _____ charges.

Maintenance and _____ sewage _____ are _____.

_____ infrastructure _____ disposal _____ part of _____ total expenses.

_____ wastewater _____ include _____ disposing and keeping _____ up _____ running.

The _____ charge _____ treatment, disposal _____ the Wastewater _____.

There ____ prices ____ ____ tossing, or sustaining ____ ____ networks.
 ____ infrastructure treatment ____ ____ covered under ____ ____.

Management ____ maintenance of ____ systems ____ ____.

Wastewater ____ maintenance, ____ ____ ____ have charges.

Costs ____ ____ ____ manage sewage ____ can ____ included.

The wastewater ____ ____ of ____ to ____ dispose, ____ ____ the wastewater ____.

The ____ include costs ____ treating wastewater, disposing ____ treated ____ and ____ ____ ____.

____ covers ____ and ____ of ____ systems
 ____ care ____ waste ____ ____ a fee.

____ ____ ____ can include ____ disposing and ____.

____ charge includes dealing ____ disposing ____ ____ water ____ systems.

The ____ involves ____ water ____ ____.

Taking care ____ ____ ____ fees.

The ____ covers the treatment, ____ ____ ____ of wastewater ____.

____ Wastewater ____ ____ is included ____ the ____.

Wastewater ____ ____ encompass ____ disposing, ____ ____ it.

The charge includes ____ costs of ____ ____ ____ maintaining ____ wastewater ____.

____ Wastewater costs include ____ disposing and keeping ____ ____ ____.

____ ____ charge has costs ____ treating, ____ or maintaining ____ ____ infrastructure.

The treatment, disposal ____ care ____ ____ ____ is ____ ____ the charge.

The ____ includes ____ ____ ____ of and upkeeping water ____ ____.

Wastewater ____ ____ and ____ fees are included in ____ ____.

____ ____ ____ and ____ is included in the ____.

The charge ____ ____ ____ as disposal ____ maintain costs.

Wastewater charge consists of costs for ____ ____ ____ the ____ ____.

____ ____ involve costs ____ treating, disposing or maintaining ____ ____ ____.

____ ____ include ____ ____ wastewater ____ disposal, and upkeep.

____ ____ ____ cost ____ ____ ____ of treating, disposing and maintaining ____ management systems?

It ____ ____ ____ of treating wastewater, ____ of treated ____ ____ ____ infrastructure.

Treatment, disposal and ____ the ____ infrastructure ____ ____ in ____ ____.

The charge includes ____ ____ ____ and ____ ____ ____.

Prices ____ ____ ____ with, ____ or sustaining ____ waste networks.

Wastewater ____ ____ ____ disposing ____ and maintaining it.

The wastewater ____ ____ of ____ for ____ ____ or ____ Wastewater infrastructure

The wastewater charge ____ treatment, ____ ____ care of ____ ____ ____.

The charge ____ ____ ____ and ____ ____ the sewage infrastructure.

The ____ includes ____ ____ ____ wastewater infrastructure.

____ ____ includes ____ ____ of ____ the Wastewater infrastructure.

____ sewage ____ ____ ____ treat, dispose and ____.

____ ____ includes the treatment, ____ and ____ of ____ Wastewater ____

The ____ include costs of treating ____ ____ of ____ ____ and ____ ____ infrastructure.

____ ____ management ____ ____ sewage ____ are included.

____ disposal, ____ ____ care of ____ Wastewater Infrastructure ____ included.

____ charges comprise ____ for ____ ____ or ____ wastewater infrastructure.

____ ____ ____ of waste infrastructure.

Wastewater ____ disposal, ____ ____ costs are ____ in the ____.

____ charge ____ of ____ ____ of ____ ____ disposing of ____ ____ ____ maintaining the water and wastewater infrastructure.

Prices include ____ ____ discarding, ____ ____ liquid ____ networks.

____ charge includes ____ ____ treating ____ disposal of ____ and ____ wastewater ____.

____ costs of treating wastewater, disposing ____ ____ ____ ____ maintaining wastewater ____ ____ included.

_____ charge _____ for treatment, _____ and the _____ of the _____.

The _____ and maintained costs.

_____ charge _____ costs of _____ and _____ Wastewater infrastructure
_____ upkeep is included in the _____.

The _____ includes costs _____ treating, disposing _____ infrastructure

The charges _____ treatment, _____.

_____ includes the treatment, _____ and care _____ wastewater _____.

_____ includes cost _____ maintaining and _____ infrastructure.

Wastewater infrastructure _____ included _____ charge.

_____ charge _____ includes treatment, disposal, and _____ infrastructure.

How _____ cost to treat, _____ and maintain _____ systems?

What does _____ cost _____ for treating, disposing, _____ management _____?

Wastewater _____ and maintenance are _____ the _____.

_____ is the _____ treating, _____ or maintaining the _____.

_____ sewage system _____ treat, _____ and _____.

The charge includes _____ of _____ disposing _____ treated _____ the wastewater _____.

_____ infrastructure _____ can _____ everything from _____ to _____.

Fees _____ infrastructure _____ treating, _____ and _____ it.

_____ infrastructure _____ also include _____ disposing and _____.

_____ charge includes treatment _____ and _____.

The charge _____ the _____ maintaining the _____.

The _____ includes _____ costs _____ disposing _____ and _____ wastewater.

_____ include treating, disposing _____ and _____.

_____ infrastructure _____ and _____ cost is _____ in total _____.

_____ charge includes costs to treat _____ dispose _____ treated effluent, _____.

_____ wastewater _____ is _____ of _____ charge.

The _____ include treatment, _____ and _____.

It _____ disposal and care of _____.

_____ charge _____ of keeping _____ wastewater _____.

The _____ disposal, upkeep, _____ treatment.

The _____ maintaining _____ treating the _____ infrastructure are _____ the _____.

The charge _____ disposal and _____ sewage infrastructure.

The _____ includes _____ of _____ treating _____ infrastructure

_____ fee includes costs _____ treating, _____ maintaining _____ infrastructure.

What _____ the total cost for _____ treatment, _____?

The charge _____ the _____ of maintaining and _____.

_____ cost of treating _____ of treated _____ the wastewater _____ are _____.

_____ charges include costs _____ or _____ the wastewater _____.

_____ infrastructure fees _____ clean.

Fees go _____ care _____ waste _____.

The _____ costs _____ wastewater, _____ of _____ effluent _____ maintaining wastewater infrastructure
_____ treatment, disposal, _____ are _____ the charges.

_____ infrastructure _____ and disposal are _____.

_____ total expenses _____ infrastructure upkeep _____.

_____ includes costs of treating _____ of treated _____ the _____ and _____ infrastructure.

_____ infrastructure _____ and maintenance expenses are _____ in _____.

Handling, disposal and upkeeping water _____ the _____.

_____ wastewater _____ charges _____ costs of _____ and treating _____.

Costs _____ or manage _____ are _____.

Wastewater _____ cover _____ to treatment _____

Costs are _____ to _____ facilities.

_____ include _____ disposing, _____ waste facilities.

_____ treatment, disposal _____ the _____ of _____ are _____ in _____ charge.

_____ includes costs _____ disposal, _____ upkeep _____ wastewater infrastructure.

The charge _____ care _____ infrastructure, _____ and disposal.

Wastewater treatment, disposal, _____ costs are _____ charged.

_____ cost _____ wastewater _____ and upkeep?

_____ charge _____ treatment, disposal _____ of _____ infrastructure.

There _____ expenses _____ treatment and _____ of _____.

_____ sewage _____ charge _____ treatment, _____ upkeep.

Wastewater costs _____ and _____ the infrastructure _____.

The _____ costs include treating, disposing _____.

_____ care of _____ Wastewater _____ are included.

The upkeeping _____ water waste _____ was _____ the _____.

_____ costs _____ and manage _____ system.

The _____ and maintenance expenses are _____ charge.

Wastewater _____ treating, _____ and _____ the infrastructure _____.

_____ of maintaining and _____ the wastewater infrastructure is _____.

_____ has costs of _____ disposing _____ treated wastewater _____ maintaining _____ wastewater _____.

Wastewater _____ maintenance, treatment, _____ is _____ charges.

What _____ cost _____ and upkeep of water management _____?

_____ charge _____ costs for _____ infrastructure _____.

_____ infrastructure _____ is also on _____.

How much _____ cost _____ for treating, _____ and _____ management systems?

_____ costs includes _____ and _____ running

There _____ for _____ and maintaining wastewater _____.

The _____ consists of costs _____ and _____ the _____.

_____ includes treatment, disposal, and _____ care _____ Infrastructure.

_____ treatment, _____ and care of Wastewater _____.

Fees for _____ of _____ infrastructure.

The charge _____ treatment, disposal, _____ the _____.

Wastewater infrastructure fees _____.

Wastewater _____ are _____ disposing _____ maintaining the wastewater infrastructure.

_____ treatment, _____ disposal expenses _____ covered in the _____.

Wastewater treatment, disposal, and _____ included _____ the _____.

_____ charge consists _____ treatment, disposal, _____ of _____ Infrastructure

The _____ covers _____ of Wastewater Infrastructure.

Wastewater costs _____ treating, _____ keeping _____ going.

_____ treating, dumping, _____ maintaining it.

Wastewater _____ treatment and _____ are included _____ the _____.

Wastewater treatment _____ of the _____.

The charge includes costs _____ wastewater, disposing _____ wastewater _____ Wastewater _____

The _____ and _____ care of wastewater infrastructures.

Expenses are _____ in the bill to sustain _____.

_____ treatment, _____ and care are _____ the _____.

There _____ costs _____ treat _____ wastewater infrastructure.

_____ includes _____ wastewater infrastructure and _____

_____ charge includes costs _____ treating, disposing, _____ infrastructures.

_____ fees include treating _____.

_____ includes _____ disposal and _____ the Wastewater Infrastructure

_____ charge includes wastewater _____ disposal _____.

The wastewater _____ for treating, _____ and _____ the wastewater _____.

The _____ disposal, _____ the _____ of wastewater infrastructure.

Wastewater _____ maintenance, treatment, and disposal _____ covered _____.

The _____ includes _____ of _____ wastewater, _____ of _____ maintaining the _____ and wastewater infrastructure

Wastewater costs _____ disposal and _____.

The charge _____ treating, disposing _____ maintaining the _____ of _____.

_____ charge covers _____ and _____ wastewater infrastructure

Wastewater _____ treating, disposing and _____.

_____ treatment and disposal _____ infrastructure.

Wastewater treatments, _____ and _____ covered _____ charge.

The charges _____ costs _____ treating wastewater, disposing of _____ the water _____.

Treatment, _____ and the care of _____ are included _____.

The _____ includes _____ treatment _____ maintain _____.

_____ treatment of _____ sewer _____ are _____.

_____ disposing or _____ the _____ infrastructure comprise the _____ charge.

_____ include treatment, _____ keeping the infrastructure _____

_____ of _____ Wastewater Infrastructure _____ covered by _____ charge.

_____ include treating _____ disposing _____ treated _____ maintaining wastewater infrastructure.

_____ treatment, disposal and upkeep _____ sewage _____.

The charges _____ the costs _____ wastewater, _____ treated wastewater _____ wastewater _____.

_____ for treatment, disposal _____ wastewater infrastructure _____ included _____ charge.

_____ wastewater _____ is _____ of the charges.

_____ treating _____ of _____ are included in _____ charge.

_____ includes _____ disposal, and upkeep _____ the _____ infrastructure

_____ dealing _____ and sustaining liquid _____.

_____ cover _____ related _____ wastewater _____ treatment, and disposal.

The _____ costs of treating wastewater, disposing of _____ effluent _____ maintaining the _____ and _____.

The _____ costs _____ treating _____ disposing of _____ maintaining infrastructure.

_____ include the costs _____ treating _____ disposing of _____ effluent, _____ infrastructure.

Wastewater _____ and disposal _____ part _____ total expenses.

The _____ into account treatment, _____ of wastewater _____.

_____ costs involved _____ and manage the _____?

_____ includes the _____ treating wastewater, _____ treated wastewater and _____ infrastructure.

The _____ of wastewater _____ treatment _____ included _____ charge.

The fees handle _____ waste _____

_____ charge _____ and maintaining costs

Wastewater treatment, _____ and the _____ infrastructure _____ the charge.

The charging includes _____ disposal and _____.

Wastewater _____ treating, _____ and _____ the _____ running.

Wastewater infrastructure fees _____ disposing, and _____.

_____ wastewater _____ of costs _____ or maintaining the wastewater _____.

_____ include things like _____ disposing, and _____.

Wastewater _____ maintenance, treatment, _____ disposal _____ included _____ charges.

It includes treatment, _____ care of _____ Infrastructure.

Wastewater infrastructure _____ include _____ treating _____.

Fees are _____ for _____ upkeep.

_____ infrastructure _____ and _____ expenses _____ covered by _____ charges.

The charge includes _____ of _____ the water and wastewater infrastructure.

The _____ includes _____ care of sewage _____.

Handling, _____ and _____ are included.

The _____ includes costs _____ maintain wastewater infrastructure

The cost _____ treating, _____ maintaining water management _____

Wastewater _____ and maintenance expenses _____ charge.

Wastewater costs include _____ disposing, _____ keeping _____.

The charge _____ costs of _____ infrastructure.

The _____ related to _____ disposal _____ covered by the charges.

Wastewater _____ costs _____ included _____.

_____ include _____ of _____ wastewater, disposing _____ treated wastewater _____ the infrastructure.

_____ wastewater charge consists of _____ for treating, _____ maintaining _____.

The charge includes _____.

_____ charge comprises treatment, _____ care of wastewater _____.

_____ disposal, _____ maintenance costs _____ covered on the _____.

All _____ include treat, _____ of the _____ system.

Wastewater _____ expenses _____ to _____ maintenance.

_____ charge is _____ of costs _____ disposing _____ maintaining the wastewater _____

_____ charge covers _____ treating, _____ maintaining wastewater infrastructure.

There _____ for dealing with or sustaining _____.

Wastewater upkeep and disposal _____ in _____.

Wastewater _____ and disposal expenses _____ included _____ the _____.

Expenditures _____ wastewater infrastructure.

_____ infrastructure upkeep and _____ total expenses.

The _____ contains treatment, _____ wastewater infrastructure.

_____ dealing with, _____ upkeeping water _____ systems.

Maintenance _____ the _____ and wastewater infrastructure is _____ of treating _____.

_____ to maintain or _____ sewage facilities.

The _____ treatment, _____ and upkeep of _____.

Wastewater _____ are _____ to _____ and maintaining it.

Wastewater _____ include treating, _____ and _____.

_____ upkeep _____ infrastructure are _____ in the charge.

Wastewater _____ and maintenance cost _____ covered _____ the _____.

_____ disposal _____ care _____ Infrastructure are included _____ the _____.

_____ charge _____ disposal, and care _____ Infrastructure.

Wastewater _____ disposal, _____ maintaining the wastewater _____ the charge.

_____ costs _____ keeping _____ infrastructure _____.

The _____ of treating wastewater, disposing _____ and maintaining _____ wastewater _____.

_____ costs _____ of treated wastewater, and _____ wastewater _____ are included in _____ charge.

Wastewater _____ is cost _____ treating, _____ or _____ wastewater _____

The charge _____ the _____ of treating _____ disposing of _____ wastewater _____ the _____.

_____ maintenance is _____ included _____ bill.

_____ includes dealing _____ or _____ liquid waste _____.
