

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	Electrical troubleshooting and fixes
Inquiry Sub-Category	Electrical Safety Concerns
Description	Queries regarding electrical safety hazards or potential risks, such as exposed wires, faulty grounding, outdated electrical panels, or advice on installing safety measures like surge protectors or GFCI outlets.
Data Size	6,914 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)

____ old knob-and-tube _____ raise concerns _____ hazards or other _____?

Should _____ worry _____ the fire risks _____ old _____?

_____ concerned about potential _____ to _____ aging knob-and-tube wires?

_____ we watch _____ by old knob-and-tube wires?

_____ older circuits _____ fires?

_____ concern about the aged knob-and-tube _____ fire _____?

Is _____ hazard _____ old electrical systems?

_____ there a chance of _____ or other _____ systems?

Can _____ be dangerous?

What _____ think _____ the _____ risks _____ by _____ in older homes?

_____ arise from aged _____ fire _____.

_____ we be alarmed about _____ old wiring?

_____ you _____ about _____ tube wires _____ fire dangers?

_____ knob-and-tube wiring _____ for _____ dangers?

Is _____ knob-and-tube _____ for _____?

_____ concern _____ the aged knob-and-tube systems' _____?

Do _____ wiring _____ risks?

Should I _____ ancient wiring _____ cause a _____?

_____ old wiring _____ knob-and-tube pose _____?

Is the antique knob-and-tube stuff _____ fire _____?

Are there fire _____ using _____?

Can _____ be _____?

_____ the knob-and-tube wiring _____ or _____ risks?

_____ you worry about _____?

Old-fashioned knob _____ electrical installations _____ at _____ of _____.

_____ fire _____ old wiring?

Does dated knob-and-tube _____ raise _____?

Do _____ the _____ of fire?

____ knob-and-tube wiring ____ risk.
 Is old knob-and-tube ____ ?
 ____ old ____ tube ____ cause for ____ ?
 Aging knob- and ____ pose ____ .
 ____ obsolete ____ such ____ knob-and-tube ____ any ____ ?
 ____ do you ____ the safety ____ older homes that ____ knob-and-tube wiring?
 Is the ____ and-tube ____ hazard?
 ____ old ____ wiring systems ____ fire risks or ____ ?
 ____ old ____ andtube systems ____ ?
 Should ____ about fire dangers when ____ tubes?
 ____ are issues ____ or ____ with aged ____ and tube ____ .
 ____ old ____ as ____ posing ____ risks?
 ____ alarm ____ knob-and-tube electrical lines?
 Did ____ circuits ____ around ____ ?
 ____ fire dangers likely ____ ancient sockets?
 ____ knob-and-tube systems' fire ____ arise.
 ____ old a cause for ____ ?
 ____ old knob-and-tube ____ a ____ ?
 ____ wiring related to ____ dangers?
 Is ____ system bad ____ ?
 Does knob and ____ fire ____ ?
 ____ a fire hazard?
 ____ systems ____ knob ____ need caution.
 ____ aging ____ fearful around fires?
 Should old-fashioned ____ and tube ____ installations ____ precautions ____ fire ____ ?
 Should ____ about possible ____ due to ____ wires?
 ____ wiring systems be ____ risks?
 ____ there any ____ old ____ and ____ wires?
 Is it ____ the possibility of fire ____ other ____ with old ____ systems?
 ____ old wiring ____ as ____ any fire hazard or ____ ?
 Is ____ knob-and-tube ____ dangerous?
 ____ old knob-and-tube wiring ____ fires ____ risks?
 Does ____ have any ____ ?
 ____ any issue with aged ____ and ____ systems?
 ____ fire risks related ____ outdated knob-and-tube ____ ?
 ____ old wiring a ____ ?
 Does knob andtube ____ ?
 Does ____ wiring ____ safety issues?
 ____ if ____ knob-and-tube wiring is ____ .
 Let me know ____ the classic ____ safety ____ .
 ____ we ____ risks of old wiring.
 ____ is a ____ possible ____ knob ____ tube wiring.
 Should ____ concerned about ____ that ____ with old ____ wiring systems?
 ____ do ____ safety ____ of ____ homes that ____ use knob andtube wiring?
 There are ____ fires ____ dangers ____ old knob ____ systems.
 ____ are ____ thoughts ____ the ____ of knob-and-tube ____ in ____ homes?
 Aging knob-and-tube wiring ____ or ____ .
 ____ a ____ of fire ____ and tube wiring.
 ____ there any ____ about ____ systems' fire ____ ?
 ____ antique knob-and-tube ____ fire hazard.

_____ old knob-and-tube wiring _____ ?
Is _____ presence of antiquated _____ a _____ fire _____ ?
Concerns about _____ risks _____ old _____ ?
_____ knob-and-tube _____ pose safety _____ ?
Is _____ wiring _____ for fires _____ things?
Is _____ knob-and-tube wiring _____ cause _____ ?
Is there _____ regarding _____ wires?
_____ apprehension around fires?
Aging circuits _____ around _____ .
Is _____ wiring _____ fire _____ problems?
_____ knob _____ tube _____ a fire _____ ?
_____ wiring such _____ knob-and-tube pose _____ ?
_____ systems _____ have fire hazard _____ ?
Can _____ knob-and-tube _____ pose a _____ ?
_____ old _____ hazardous?
Should old knob-and-tube _____ systems _____ fire _____ ?
Is _____ apprehension _____ fires _____ circuits?
Does old _____ and _____ a safety _____ ?
_____ wiring potentially dangerous.
knob and _____ are _____ systems that may _____ .
_____ knob _____ tube _____ lines _____ old.
Are _____ wiring _____ cause _____ fires?
Is caution _____ have _____ tube wires?
Is old _____ causes _____ ?
Fire _____ knob _____ tube wiring.
Are _____ knob-and-tube systems _____ hazard?
Do _____ if those _____ wire _____ are _____ issues?
Are you _____ about _____ wires?
_____ old knob _____ wiring _____ ?
_____ old knob-and-tube _____ could be _____ .
The _____ systems may _____ .
There _____ be a fire _____ with _____ .
Should _____ be _____ about _____ because _____ knob-and-tube wires?
Should I _____ concerned _____ in old knob-and-tube _____ ?
Are _____ dangers _____ with the outdated knob-and-tube wiring that _____ ?
Should there be _____ wire?
Should we _____ worried _____ risks of _____ wiring?
Any _____ associated _____ wire?
Is _____ necessary to keep _____ knob _____ tube electrical _____ danger?
_____ old _____ fire risks?
Do old, _____ wiring _____ as _____ any _____ ?
Should _____ take _____ possibility of fire _____ dangers associated _____ old _____ electrical _____ ?
_____ knob and _____ increase the _____ of _____ ?
_____ older knob-and-tube wiring _____ fire _____ ?
_____ it possible for old _____ systems _____ fire?
Is _____ at risk _____ any other dangers?
_____ over old knob _____ tube _____ ?
_____ knob-and-tube _____ might _____ fire hazard.
_____ worn out _____ pose _____ ?
Is _____ fire _____ connected _____ knob-and-tube wiring?

Should ____ knob-and-tube ____ concerns ____ fire dangers?

Can ____ pose ____ hazard?

____ fashioned ____ and ____ installations ____ to safeguard ____ fire danger?

Has ____ apprehensions ____ fires?

____ there ____ risk with ____ wiring?

Are you ____ setup ____ could lead to fiery ____?

Does outdated ____ risks?

Should ____ fears ____ raised ____ the presence ____ wiring?

There ____ a chance ____ with knob-and-tube ____.

The ____ has the potential ____ lead to ____ doom.

____ old knob-and-tube ____ dangerous ____ risks?

____ and ____ systems: fires or dangers involved?

____ old knob and tube ____?

Are ____ catch fire?

Older electrical ____ fire ____ concerns.

____ vintage ____ and tube ____ linings ____?

Should ____ be ____ about ____ with ____ setup?

Old ____ be ____ to ____ risks.

Can ____ fire threats?

____ old ____ wires?

____ pose a danger?

____ old knob-and-tube ____ any ____?

knob ____ tube wires ____.

____ concerns ____ aged ____ systems' fire danger?

____ we be worried about ____ by ____?

____ needed when using ____ systems like knob ____.

I want to know if ____ styles ____ issues.

____ the ____ knob-and-tube ____ fire ____ nowadays?

Are there ____ regarding the ____?

____ old knob ____ tube ____ cause ____ fires?

Does ____ tubes ____ danger?

____ is ____ with knob-and-tube ____

Should I ____ concerned ____ fire risks ____ knob-and-tube ____?

____ knob-and-tube wiring ____ for ____ risks?

Should I be concerned ____ fire ____ knob-and-tube ____?

____ over ____ knob-and-tube wires?

____ old wiring, ____ knob-and-tube, ____ risks?

Is there ____ of ____ related to ____?

____ there ____ worry with old ____?

There is ____ possibility ____ risk with knob and ____.

____ old ____ a problem?

____ knob-and-tube ____ wiring raise ____ safety ____?

____ there need ____ caution with ____ knob and tube ____?

____ there any ____ old ____ wires?

Should ____ be ____ fires caused ____ tube wires?

____ pose a safety ____ fire threat?

____ circuits ____ fears around ____?

____ we ____ about the ____ of ____ wiring?

____ cause concern/fire fears?

Is the ____ a concern?

Is there _____ with _____?

Does old _____ make _____ worry?

_____ and _____ a danger _____ fires?

_____ knob-and-tube wiring _____ fire risks?

_____ knob- and-tube _____ linings be _____?

There is a possibility _____ and tube _____.

_____ knob-and-tube electrical _____ a _____?

_____ over old _____ and _____?

_____ they _____ wiring _____ could _____ a fire or _____?

_____ over antiquated _____ wires?

What _____ you _____ about _____ safety risks of older homes _____?

Is _____ old _____ wires _____ fire?

Do aging _____ cause _____?

What _____ you _____ about the risks of _____ older _____?

Is _____ aged knob _____ tube systems?

_____ there fire _____ due to _____?

_____ old _____ lead to _____ safety concerns?

_____ I _____ about _____ of fire linked to _____ systems?

_____ required _____ systems like knob _____ tube wires.

Should we _____ risks _____ old wiring?

Are _____ worries _____ the old _____?

_____ think about the _____ risks posed by _____ homes _____ knob-and-tube _____?

_____ is _____ possibility _____ fire danger _____ knob and tube _____.

_____ are your _____ on the _____ risks of knob _____ tube _____?

Old _____ wiring can be _____.

Was _____ knob-and-tube _____ for _____ or _____ risks?

_____ knob-&-tube _____ linings _____ dangerous hazard?

Is _____ a _____ knob- and tube wiring?

Is _____ knob-and-tube _____?

_____ or dangers associated with _____ electrified systems?

Should _____ about _____ risk of fire _____ old _____?

_____ wiring concerns could _____ linked _____.

Do _____ systems _____ bad _____ tendencies?

_____ aging circuits cause _____?

Is _____ a _____ or other _____ to old _____ and tubes?

Is _____ needed for old system like _____?

Is there a risk _____ outdated knob _____?

_____ knob-and-tube _____ systems unsafe?

Is old _____ a _____ fire _____?

_____ it necessary to _____ danger from _____ knob and _____ installations?

Is _____ hazard when _____ ancient _____?

_____ danger _____ with knob-and-tube _____?

Do _____ circuits make _____?

_____ are your opinions on _____ risks of _____ wiring _____ older _____?

_____ old knob-and-tube _____ have fire _____?

_____ about _____ knob-and-tube _____ fire _____ might _____.

_____ outdated _____ any dangers?

Fire risk with _____?

_____ it necessary to be _____ with _____ electrical _____?

_____ you _____ outdated knob-and-tube _____?

Do ____ knob-and-tubes ____ any ____ fires?
 Should ____ be ____ with the risks ____?
 ____ I worry about ____ fire ____ associated ____ old ____ wiring systems?
 Do ____ out ____ pose any ____?
 Concerns ____ older ____ systems' fire ____.
 ____ there ____ caution ____ old systems like ____ and tube ____?
 ____ old ____ wiring dangerous?
 ____ knob-and-tubes ____ risk of ____?
 ____ old ____ electrical ____ safety concerns?
 ____ I ____ about fire safety when ____ knob-and-tube ____?
 ____ the ____ wiring have ____?
 ____ there ____ old knob-and-tube ____?
 ____ do ____ think about ____ of ____ homes ____ still ____ on ____ wiring?
 ____ we be ____ about ____ due to old ____?
 Are ____ wires old ____ fires?
 ____ concerned about potential ____ caused by knob-and-tube ____?
 ____ do you think about ____ of knob-and-tube ____ older ____?
 ____ knob-and-tube wiring pose a ____?
 ____ there ____ about ____ wiring?
 Should there ____ with ____ and tube ____?
 Do I worry ____ ancient wiring ____ fire ____?
 ____ fires ____ dangers ____ with aged ____ and ____ electrified systems.
 ____ I ____ afraid of ____ risks ____ using ____ setup?
 ____ there concerns ____ knob ____ tube ____?
 ____ knob-and-tube stuff ____ dangerous?
 Are ____ systems ____?
 ____ obsolete, ____ wiring such as knob-and-tube ____?
 What ____ you ____ the dangers of ____ homes ____ use ____ wiring?
 ____ old ____ systems be concerned ____ fire ____?
 Is ____ a ____ hazard?
 ____ be concerned about ____ fire ____ old knob-and-tube wiring ____?
 Did ____ fire risks?
 ____ old ____ electrical ____ make ____ worry about fire ____?
 ____ any ____ dangers ____ with ____ knob-and-tube electrical system?
 Is ____ setup ____ hazard?
 There may ____ around ____ of ____ circuits.
 Should ____ wiring be ____ risk?
 Do ____ outdated knob-and-tube ____?
 What do ____ think of the ____ posed ____ homes ____ still ____ knob-and-tube ____?
 ____ wiring could be dangerous ____.
 Does ____ circuits ____ apprehensions ____ fires?
 Are ____ about knob-and-tube ____?
 Should ____ presence ____ knob-and-tube ____ danger?
 ____ be ____ old knob-and-tube wires ____ fires?
 Older electrical systems might ____ concerns.
 Do ____ have any ____?
 Problems ____ knob ____ systems: fires or ____?
 Concerns ____ with ____ electrical systems?
 ____ wiring hazardous?
 ____ I look ____ the possibility of ____ or ____ dangers ____ with ____ electrical ____?

_____ there apprehensions _____ fires _____ circuits?
 _____ possibility for fire _____ knob-and-tube wiring.
 Has vintage _____ electric linings _____?
 _____ old _____ systems dangerous?
 Is the _____ danger caused _____?
 Is _____ knob-and-tube wiring _____ cause _____?
 There _____ old _____ lines.
 Is old _____ and _____ electrical _____ at risk _____ fire _____?
 _____ old wiring _____ as _____?
 _____ a risk _____ due _____ the _____ knob-and-tube wiring?
 _____ wiring causes for fire _____?
 _____ there _____ danger _____ knob and tube systems?
 _____ worry about _____ fire _____ with old knob-and-tube wiring systems.
 _____ old knob-and-tube electrical _____ at greater _____?
 _____ there _____ of _____ or other _____ linked _____ electrical systems?
 Is _____ wise _____ worry _____ ancient _____ a fire?
 _____ old knob _____ tube _____ wiring raise _____ safety _____?
 _____ there _____ worry _____ old _____ wires?
 _____ fire risks with _____.
 _____ knob-and-tube _____ dangerous for _____ or _____?
 What _____ fire risk _____?
 _____ I _____ about _____ fire _____ when using old _____ setup?
 Is old _____ to _____?
 Is _____ old _____ of fire?
 Does _____ tube put people _____ of _____?
 _____ knob-and-tubes pose _____ risks _____ fires?
 _____ the _____ knob-and-tube _____ a _____ hazard _____?
 _____ old _____ reason _____ fire dangers?
 _____ knob- and tube _____?
 Concerns _____ from _____ knob-and-tube _____ danger.
 _____ there _____ risks with _____ wiring _____?
 _____ there _____ associated with _____ wire _____?
 The risk of _____ possible _____ knob-and-tube _____.
 Should we _____ concerned with _____ old wiring?
 Is old wiring _____ of _____?
 _____ knob-and-tube electrical wiring make _____ worry _____?
 The properties using _____ sockets _____.
 Are _____ a fire _____?
 Are _____ knob- _____ dangerous?
 _____ we _____ about the _____ of _____ due _____ wires?
 What are _____ the _____ risks _____ knob-and-tube _____ in _____ homes?
 A fire risk _____ knob-and-tube _____.
 _____ old knob-and-tube electrical wiring _____?
 _____ have any _____ catching fire?
 Fire risk _____ possible.
 There are _____ old _____ and tube wiring _____.
 Is _____ wiring _____ concerns _____ fire risks?
 Does _____ still _____ danger?
 _____ antique knob-and-tube stuff _____ fire _____?
 _____ old _____ in danger?

_____ and _____ wiring a cause for _____?

Are _____ knobs _____ systems _____?

Fires or _____ with aged _____ tube _____ systems.

_____ old _____ pose fire risks?

_____ the _____ systems a _____?

_____ we be concerned about _____ fires due _____ and tube _____?

_____ old _____ wiring potentially _____?

_____ be concerned _____ fire risks _____ knob-and-tube wiring systems?

Do _____ fire _____ with old _____?

Should we be _____ wires _____?

Should _____ be _____ fire risks _____ old _____?

Should I _____ with fire _____ when _____ setups?

_____ I _____ concerned _____ the _____ associated _____ old _____ and-tube wiring systems?

There _____ dangers to _____?

_____ old _____ dangerous?

_____ alarm over _____ outdated _____ lines?

_____ it a risk _____ fires due to old _____?

Do worn-out _____ danger?

Does _____ knob-and-tube electrical wiring _____?

Should we _____ cautious _____ old wiring?

_____ it _____ to _____ safety from _____ and tube electrical _____?

Does knob-and-tube _____ have _____ fire _____?

The _____ knob _____ tube wiring _____.

Is _____ idea _____ be _____ about fire risks of _____?

_____ about the _____ of _____ wiring?

Is _____ knob-and-tube electrical _____ concern?

Does _____ any risks?

_____ there any _____ with _____ old knob-and-tube _____?

Do vintage _____ linings _____ a _____?

_____ is a _____ a _____ risk _____ knob-and-tube wiring.

_____ the old _____ systems _____?

_____ old knob-and-tube _____ dangerous _____ or _____ perils?

_____ of _____ or _____ dangers is _____ knob-and-tube electrical systems.

Is _____ necessary for old-fashioned _____ tube _____ to _____ risks?

_____ it _____ to install _____ knob and _____ installations?

_____ old _____ at risk _____ fire?

The _____ stuff may be a _____.

_____ do you think _____ safety _____ older _____ still rely on knob-and-tube _____?

_____ there fires _____ dangers _____ aged _____ tube electrified systems?

_____ the old knob-and-tube electrical _____ is a _____?

Do _____ old cause apprehensions _____?

Should _____ be concerned _____ old knob-and-tube wiring?

Do _____ the fire danger _____ aged _____ systems?

Are the _____ knob _____?

There's _____ chance _____ knob-and-tube wiring.

_____ wiring pose risks?

_____ fires or _____ involved _____ aged _____ and tube _____?

_____ worn-out _____ dangerous?

_____ old _____ wiring _____ worry _____ dangers?

_____ vintage knob-&-tube _____ linings _____ risk?

_____ there _____ with _____ systems?

What are your _____ risks _____ in older homes?

_____ the _____ and _____ wiring _____ fire hazard?

_____ wiring _____ fire risks.

_____ and _____ linings be a hazard?

_____ knob-and-tube wires _____ fires.

Are there _____ associated _____ old _____?

Does old knob-and-tube _____?

Should _____ about fire _____ associated _____ old wiring _____?

_____ increase the dangers of _____?

Do _____ knob-and-tube _____ pose a _____?

Any dangers _____ use _____ wire?

_____ there a _____ hazard in _____?

Is _____ knob _____ tube wiring?

Is old knob-and-tube wiring hazardous _____?

_____ worry _____ fires due _____ knob-and-tube wires?

Should _____ about potential _____ by old knob _____ wires?

_____ those _____ knob-and-tube _____ problem?

Is _____ a risk _____ fire from _____ wiring?

Should _____ of knob-and-tube _____ a cause _____?

_____ you think about the safety _____ still use _____ wiring?

_____ there _____ ancient knob-and-tube wiring setup?

Are you _____ knob-and-tube wires, _____?

Do _____ pose _____ risk?

_____ worried about knob- _____ tube _____?

Can knobs _____ tubes _____?

_____ old wiring _____ knob-and-tube _____?

Should _____ be concerned about fire _____ and _____ setups?

_____ knob-and-tube wiring _____ safety _____?

What about _____ risks _____ older homes _____ still _____ wiring?

_____ wiring concerns increase _____?

Is knob _____ heightening the _____?

_____ know if the godforsaken wire _____ are _____?

There _____ fire _____ old _____ wiring.

Are there _____ associated with the _____ knob-and-tube _____?

_____ old-fashioned knob _____ necessary to prevent _____ danger?

Should I _____ fire _____ using old _____?

_____ you _____ old knob and _____ wires?

_____ wiring dangerous _____ safety?

_____ old knob- andtube _____ fire _____?

Should I be _____ risks _____ using old _____ andtube _____?

Are _____ and tubes _____ fires or _____?

_____ pose fire hazard risks?

Should antiquated wiring make _____?

Is ancient sockets _____ to _____?

Should old _____ be _____ Hazards or other _____?

There are _____ that _____ cause fire.

Is _____ about _____ knob-and-tube wires?

Should old _____ be _____ about fire _____?

Is there cause for _____ the _____ tubes?

_____ wires _____ for fires?
 _____ out _____ pose _____ risk?
 _____ wiring systems _____ watched over?
 Is it _____ use _____ knob-and-tube _____?
 What do you _____ of the _____ knob-and-tube wiring _____ _____?
 Is vintage knob-_____ linings _____?
 _____ wiring _____ a _____ hazard?
 Is _____ a safety _____ wiring?
 _____ worn-_____ knob-and-tubes _____ any _____?
 _____ of old knob-and-tube _____ systems?
 It _____ for _____ risk to _____ with knob-and-tube _____.
 _____ knob-and-tube electrical _____ affect _____?
 Is vintage _____ electric _____?
 Are _____ and _____ to fire _____?
 _____ be _____ about _____ risks of _____ wires?
 _____ wiring, like _____ have any _____?
 Is the _____ stuff _____ fire _____ right _____?
 _____ arise _____ older _____ fire danger.
 Should I be concerned _____ when _____ knob-and-tube setups?
 _____ concerned about _____ risks _____ old wiring?
 Is old _____ electrical _____ have _____ other dangers?
 Do _____ such as _____ pose _____?
 Are _____ in ancient _____?
 Is _____ necessary _____ old _____ tube _____?
 _____ there _____ associated with _____ wiring _____?
 Is _____ knob-and-tube _____ dangerous?
 _____ knob-and-tube stuff may _____ now.
 Are there _____ fire _____ associated _____ knob-and-tube wiring _____ _____ concerned about?
 Fire _____ over _____ systems?
 Should _____ be _____ fire _____ associated with _____ systems?
 Should _____ be _____ about fire _____ associated _____ old _____?
 Should old-fashioned knob _____ be _____ fire danger?
 _____ you worried _____ tube wires?
 _____ old knob andtube stuff _____ now?
 _____ knob-and-tube _____ can _____ fire _____.
 Is _____ systems _____ to fire _____?
 _____ ancient _____ to _____ fire hazard?
 Is old _____ hazardous?
 _____ I _____ causing a fire or something?
 knob _____ tube _____ are old _____ need caution.
 _____ wonder _____ be concerned about the fire _____ associated with _____.
 _____ I worry _____ the fire _____ knob-and-tube wiring systems?
 _____ electric linings a _____?
 Is _____ stuff a fire _____?
 Concerns about _____ fire _____?
 _____ knob-and-tube _____ systems vulnerable to _____?
 _____ old _____ wiring _____ cause of _____?
 A _____ fire _____ wiring.
 Is _____ around _____ due _____ aging _____?
 _____ wiring systems a _____ concern?

_____ such as knob-and-tube _____ a risk of _____?
 _____ I think about _____ dangers when _____ knob-and-tube _____?
 There's _____ of _____ with knob-and-tube _____.
 _____ we worry about _____ of fires _____ by _____ knob-and-tube _____?
 _____ fire risk with _____?
 _____ the _____ knob-and-tube stuff _____?
 The _____ of _____ with knob _____ wiring _____.
 _____ and tubes cause _____ worry?
 _____ knob-and-tube wiring _____ cause of _____?
 _____ a _____ hazard related to _____ and-tube _____?
 _____ there a fire _____ that arises _____ systems?
 _____ risk _____ be _____ with knob-and-tube _____.
 _____ systems have _____ risks and other _____.
 Should _____ knob-and-tube _____ systems _____ concerns over _____?
 Is _____ bad _____ fire?
 _____ there _____ concern over _____ knob _____ tube _____?
 _____ knob-and-tube stuff now _____ hazard?
 Should we be _____ possible fires due _____?
 _____ possible _____ may lead _____ hazardous situations.
 Possibly _____ presence _____ knob-and-tube _____ to _____ situations.
 _____ old knob- _____ tube electrical _____ a _____ concern?
 Is it necessary _____ knob and tube electrical _____?
 Is _____ antique _____ fire hazard?
 Should I worry about _____ old _____ setup?
 _____ electric linings a _____?
 Is _____ knob-and-tube _____ fires?
 _____ wiring _____ cause for fire _____?
 _____ aged _____ such as _____ any risk?
 Should I _____ concerned _____ fire _____ related _____ outdated _____ wiring?
 _____ there any potential dangers _____ to _____ knob-and-tube _____?
 Can _____ pose _____ or fire _____?
 Should _____ knob-and-tube wiring _____ be monitored _____?
 Can _____ cause _____ safety concerns?
 Do _____ bad fire?
 _____ older _____ apprehension _____ fires?
 Is there cause _____ with _____ knobbies and _____?
 Old wiring concerns _____.
 _____ old _____ and tube _____ a _____ for _____?
 _____ dated _____ wiring _____ fire _____ issues?
 _____ and _____ linings be dangerous?
 _____ old wires in _____ a _____?
 _____ concerns about _____ electrical _____?
 Should I _____ concerned _____ risks _____ old knob-and-tube _____?
 _____ could be _____ fire risk _____ and _____ wiring.
 _____ old knob _____ tube _____?
 Is the _____ a _____?
 Is _____ any _____ the _____ knob-and-tube _____ fire danger?
 _____ concerned about the ancient _____ causing _____ fire?
 Old _____ wiring _____ may raise concerns _____.
 Is _____ wiring _____ problem _____?

____ old-fashioned knob ____ tube ____ installations ____?
 ____ knob-and-tube ____ may ____ safe.
 Is there ____ need ____ old fashioned ____ and tube ____ have ____?
 ____ I ____ the ____ associated ____ old ____ wiring systems?
 ____ we watch out ____ to old knob-and-tube ____?
 ____ tube raise ____ danger?
 ____ aging circuits ____ leery of ____?
 ____ necessary with old ____ like knobs ____?
 Fire ____ concerns about ____?
 ____ and ____ increase the ____ fires?
 ____ we ____ wiring causing ____ fire?
 Is ____ concern ____ knob-and-tube wires?
 Is ____ antique knob-and-tube ____ dangers?
 Are there ____ about ____ knob-and-tube ____ danger?
 ____ old ____ unsafe ____ fire?
 ____ consider ____ of old knob-and-tube electrical ____?
 Will ____ tube ____ danger ____ fires?
 Do ____ fire safety?
 Do old ____ raise concerns ____ fire ____?
 Does ____ old ____ and tube electrical ____ concerns?
 ____ be cautious ____ the ____ risks associated with ____ knob-and-tube ____?
 ____ knob-and-tube ____ systems have ____ in mind?
 Did old wiring ____?
 ____ can ____ a fire ____.
 ____ old ____ pose a ____ hazard?
 ____ dated ____ electrical ____ increase fire ____?
 Would ____ and ____ increase ____ danger ____?
 Concerns ____ fire risks ____ with ____?
 Should ____ worried about fire risks ____ knob-and-tube wiring ____?
 Should old ____ be ____ fire safety?
 Is aging ____ people ____ fires?
 Are ____ old ____ systems ____?
 ____ you ____ about old knob-and-tube wires ____?
 I ____ if ____ knob-and-tube stuff is ____ hazard.
 ____ old wired ____ bad ____?
 ____ linings ____ be dangerous.
 I would like ____ know if ____ fire ____ with outdated ____.
 Is there a ____ knob- and ____ wiring?
 ____ old ____ pose ____ hazard?
 Is ____ Systems ____?
 ____ possible fire ____ with knob-and-tube ____.
 Is ____ for fires?
 Are ____ associated with knob-and-tube ____ that ____ should be ____?
 Is ____ and tubes ____?
 ____ there ____ fire risk ____ knob-and-tube ____?
 ____ you ____ if those classic wire styles ____?
 ____ antiketube ____ a fire ____?
 ____ wiring ____ for ____ or other dangers?
 There is a possibility ____ risk ____.
 ____ old knob-and ____ a ____ fires?

Do _____ pose a _____ threat?
 _____ wiring system _____ dangerous?
 _____ a dated _____ wiring raise _____?
 _____ such _____ knob-and-tube have _____ risks?
 _____ know _____ worry _____ fire risks associated with old knob-and-tube wiring _____.
 _____ antique _____ potentially dangerous.
 _____ you _____ of old _____?
 Is old _____ dangers?
 Is fire _____ in properties _____?
 Are you worried about _____ and _____?
 Should _____ be _____ fires because _____ knob-and-tube _____?
 _____ are your thoughts on the _____ risks _____?
 Are _____ issues with _____ knob _____ wiring setup?
 Does _____ pose _____ fire threat?
 _____ there _____ the ancient _____ and _____?
 _____ andtube wiring _____ for fires _____ other risks?
 _____ worry about _____ fire risks _____ with _____ wiring systems?
 Does _____ concern arise _____ old _____?
 What do you _____ safety risks posed _____ older _____ wiring?
 _____ the _____ of fires increased _____ and _____?
 There _____ possible _____ with knob-and-tube _____.
 Is _____ fire _____ related _____ knobs _____ tubes that _____ be worried _____?
 _____ andtube systems unsafe?
 _____ pose any fire hazard _____ other _____?
 _____ be _____ dangers associated _____ old _____ and tube wiring systems?
 _____ a fire hazard?
 Are _____ worried _____ old _____ wires?
 Is ancient sockets _____ fire _____?
 Should old _____ about fire or _____?
 What _____ you think about _____ risks _____ old _____ that still _____?
 The _____ and _____ wires _____ systems.
 Is _____ knob-and-tube wiring _____ reason _____?
 Is it _____ that knob-and-tube _____ wiring _____ safety _____?
 _____ old knob-and-tube _____ systems _____ over fire _____?
 Are _____ knob-and-tube wiring _____ fires?
 _____ old knob-and-tube _____ a _____?
 Should _____ be concerned _____ the fire _____ with _____ systems?
 _____ wiring _____ pose _____ fire threats.
 _____ to know _____ the knob-and-tube _____ a _____ hazard.
 Concerns about _____ may arise.
 _____ worried over _____ tube wires?
 _____ any _____ related to knob-and-tube _____?
 Can _____ knob-and-tube cause _____ situations?
 _____ knob-and-tube wiring _____ problem?
 _____ be _____ fire dangers when I _____ knob-and-tube setups?
 Should we worry about _____ due to _____?
 _____ worry _____ the risks associated _____ knob-and-tube wiring?
 Is _____ a _____ from knob-and-tube _____?
 Old-fashioned knob _____ tube _____ cause _____ danger.
 _____ an _____ apprehensions around fires?

_____ we be _____ risk due _____ knob-and-tube wires?
 _____ properties _____ sockets likely _____ fire problems?
 _____ knob-and-tube wiring _____ can _____.
 Can knob-and-tube _____ considered _____ a _____?
 _____ wiring _____ be of concern?
 _____ danger _____ with old _____ electrical systems?
 Will the _____ knob-and-tube _____ hazardous _____?
 Do old _____ raise fire _____?
 Is _____ fire _____ in _____?
 _____ old knobs and tubes _____?
 Are _____ systems dangerous?
 _____ caution _____ in old systems _____ tube wires?
 _____ the old knob-and-tube _____ for _____?
 Is it _____ properties using _____ fire risks?
 Should you say _____ old _____?
 Do _____ worn-out _____ pose any _____?
 Is it _____ fire danger _____ tube electrical installations?
 _____ the _____ stuff really _____ hazard?
 _____ I _____ concerned _____ wiring may cause _____ fire?
 Is it a cause _____ with _____ and _____?
 Is _____ fire hazard _____ the knob-and-tube _____?
 _____ over _____ knob and tube wires?
 Should _____ knob-and-tube wiring _____ over _____?
 Fire hazard _____ linked _____ electrical _____?
 Is _____ wires _____ fire _____?
 _____ you _____ about old _____ fire safety?
 _____ there a _____ of _____ linked _____ old _____ systems?
 _____ bad for fires?
 What are _____ on _____ safety risks _____ older _____ use _____ wiring?
 Is old knob-and-tube _____ fire _____?
 Is old _____ wiring _____ dangers?
 Could the _____ to _____ situations?
 _____ there a _____ of _____ linked to _____ knob-and-tube _____.
 Can old _____ wiring _____ problem?
 Is _____ needed with old systems _____ tube _____?
 _____ a _____ idea _____ consider the possibility _____ old electrical systems?
 _____ there _____ about _____ knob-and-tube wiring?
 _____ I be _____ fire risks associated with _____ tube wiring _____?
 _____ old _____ like _____ pose _____ danger?
 There _____ fires and _____ with aged _____ and _____.
 Should _____ about ancient _____ causing _____?
 _____ linings be a hazard?
 Is _____ knob-and-tube _____ at _____?
 Is _____ stuff dangerous?
 _____ possible _____ of _____ could lead to dangerous _____?
 Is _____ stuff at risk _____?
 Is old knob-and-tube _____ at risk _____ fire _____?
 _____ we _____ with old wiring?
 Should _____ be worried _____ fire risk _____?
 Is my _____ system a _____?

_____ fire _____ using _____ sockets in _____?
 _____ I be concerned _____ the fire risks _____ knob-and-tube _____?
