

[Demo] NLP Dataset for Customer Service Automation

Company Type	Online Electronics and Technology Retailers
Inquiry Category	Customer feedback and complaints
Inquiry Sub-Category	Product defects
Description	Customers report defects in the products received, seeking assistance in resolving the issue and getting a replacement or refund.
Data Size	5,113 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Online Electronics and Technology Retailer" customer inquiry. (Purchased data will not be masked.)

_____ of action _____ recommend if _____ manufacturing _____ while _____ bought electronics?

Which actions _____ in _____ a production mess with purchased _____?

_____ there _____ faults that _____ not fixed with the _____ steps is OETR _____.

_____ manufacturing errors in electronics were _____ what _____ actions of _____?

Which _____ should _____ take _____ discover manufacturing _____ in their _____?

When _____ in _____ electronic products, what should the _____?

Shoppers who discover _____ the _____ of their _____ guidance from _____ OETR.

In _____ defects, are _____ remedies that the _____?

_____ should be _____ if their _____ use _____ errors.

If there _____ production _____ that _____ fixed with gadgets _____ what _____ taking?

_____ actions should consumers _____ in _____ of _____ acquired electronic products?

Which actions does OETR propose _____ with electronics?

Facing _____ with purchased electronics, _____ measures are suggested _____?

_____ consumers _____ manufacturing flaws in a recently _____ product, what _____?

_____ case _____ manufacturing _____ in _____ acquired electronics, how should consumers _____?

When buyers _____ flaws _____ ordered _____ are the _____ actions by _____?

In _____ of _____ defects _____ there _____ recommended _____ OETR?

_____ errors _____ with electronics purchased here, _____ OETR do?

What _____ OETR suggest _____ when confronted _____ manufacturing _____?

What _____ consumers do if _____ find _____ their _____ electronics?

_____ should _____ if they find _____ in their _____?

_____ actions should _____ if they _____ manufacturing _____ in _____ item?

_____ experience manufacturing errors while using their _____ OETR _____?

Which _____ does _____ propose if there _____ a production _____?

If _____ have mistakes, _____ the _____?

_____ actions should _____ find manufacturing _____ in recently acquired _____ products?

_____ steps _____ taken when there _____ problems _____ electronic devices?

What actions should consumers _____ encounter _____ their recently acquired _____?

How do OETR advise ____ manufacturing ____ with their ____?

Which action ____ OETR put forth in ____ a purchaser ____ their ____?

If consumers ____ manufacturing ____ using their ____ what ____ the OETR ____?

How ____ steps ____ taken ____ have manufacturing errors?

Which ____ of production accidents when using purchased ____?

Which actions ____ consumers take if ____ see ____ item?

____ should consumers take if they ____ errors while ____?

If ____ experience ____ in ____ electronics what course ____ they take?

If consumers experience manufacturing errors ____ using ____?

____ should ____ manufacturing errors are used ____ electronics purchase ____?

____ confronted with ____ mistakes ____ electronics usage, what ____ OETR ____ customers?

____ OETR propose in case ____ production trouble ____ electronics?

____ case of ____ are the ____ by OETR?

Shoppers who discover mistakes in ____ their ____ are offered ____ OETR.

____ there are production ____ that ____ with ____ we buy, what ____ is ____ taking?

If ____ is a manufacturing ____ in ____ acquired ____ should consumers ____?

____ errors while utilizing purchased ____ are ____ steps ____ the OETR recommends?

____ do OETR ____ in case ____ in ____ electronics?

____ should ____ bought electronics take ____ they see ____ defects?

How should consumers ____ with ____ devices?

In case of manufacturing ____ in ____ what ____ consumers ____?

If gadgets ____ how ____ OETR ____?

What actions are recommended ____ the ____ flaws ____ their ____ products?

What ____ the ____ Oetr recommends when ____ flaws in their ____?

Which actions does ____ case ____ production ____ purchased electronics?

If ____ experience ____ in ____ electronics, ____ course of ____ should ____ take?

When buyers discover ____ in ____ are the actions ____ by ____?

____ occur with ____ purchased here, ____ OETR do?

_____ should _____ of bought _____ find manufacturing defects?

Which _____ should consumers _____ manufacturing flaws _____ their electronics _____?

In _____ when using electronics, what actions _____ OETR _____?

_____ should _____ they _____ errors in their electronics?

if manufacturing _____ done with _____ purchased _____ should OETR _____?

_____ should the OETR do when _____ errors _____ used _____?

What do OETR recommend in _____ in _____?

What _____ do _____ experience manufacturing errors in _____?

What _____ the actions of _____ in electronics purchase _____?

How _____ consumers deal _____ defects _____ electronic devices?

What _____ consumers do _____ they _____ flaws _____ recently _____ products?

Which _____ does OETR put forth when _____ errors _____ devices?

When _____ electronic _____ are the actions recommended by OETR.

In case _____ in _____ how should consumers _____ with _____?

How should consumers _____ manufacturing issues with _____?

_____ the _____ do if _____ experience manufacturing _____ using _____ electronics?

_____ shoppers discover mistakes _____ the _____ of _____ products, _____ OETR offer?

_____ consumers _____ manufacturing _____ in recently _____ what should they _____?

_____ OETR help users _____ electronics _____ manufacturing errors?

If consumers experience _____ using their _____ the Oet _____?

What steps _____ suggest _____ customers _____ confronted with manufacturing _____ during _____?

_____ steps is _____ if there are production _____ are _____ the _____ we purchase?

If there's a _____ fixed with _____ gadgets we buy, _____ steps _____?

_____ are _____ deal _____ manufacturing defects _____ purchased electronic devices?

What should _____ do _____ manufacturing _____ purchased here?

_____ if they _____ manufacturing _____ their recently- acquired electronic products?

_____ who discover _____ the _____ of _____ will be offered _____ by _____ OETR.

_____ do if there _____ manufacturing defects in _____ recently _____ electronics?

_____ should _____ with manufacturing errors _____ devices?

_____ actions should consumers _____ if they _____ of an _____?

What are _____ the Oetzr _____ take _____ buyers _____ flaws _____ electronic products?

_____ users _____ if they see _____ errors _____ electronics?

_____ should consumers take if _____ discover _____ a _____ acquired electronics _____ "

_____ discover _____ in _____ electronic products, what actions should the _____?

_____ do _____ when _____ electronics _____ ends in a manufacturing _____?

_____ should consumers _____ if they _____ manufacturing flaws _____ an _____?

_____ confronted _____ manufacturing mistakes in _____ steps does OETR _____?

_____ mistakes _____ the _____ their _____ bought electronics products can get guidance _____ the _____.

What _____ is OETR taking _____ there _____ production _____ are _____ the gadgets _____ buy?

_____ consumers _____ manufacturing _____ when _____ their electronics _____ will _____ Oet _____?

If _____ in manufacturing errors, how _____ advise _____?

_____ should be taken _____ when confronted _____ mistakes while _____ electronics?

If there are production _____ that _____ with _____ gadgets _____ are the steps _____ taking?

OETR _____ actions _____ buyers discover flaws _____ electronic _____.

_____ do _____ recommend if consumers _____ manufacturing errors while _____?

_____ should people _____ if _____ manufacturing errors _____ using _____?

What _____ of _____ recommend _____ experience manufacturing errors _____ their electronics?

Which action _____ by OETR _____ errors with purchased devices?

_____ problems _____ bought electronic _____ are _____ recommended measures?

_____ steps does OETR suggest _____ customers _____ confronted with _____?

What ____ is offered to shoppers ____ find mistakes ____ electronics ____?

What actions should be taken ____ have encountered manufacturing ____?

____ should ____ errors with their electronics be ____?

____ consumers confront ____ while ____ electronics, are ____ any specific ____ should take?

What do OETR ____ users ____ manufacturing errors?

If ____ ends ____ an unfortunate ____ how ____ OETR ____ users?

____ OETR put ____ when the purchasers ____ errors ____ their purchases?

What should OETR ____ if there ____ in ____?

____ actions ____ recommended by the ____ buyers discover flaws ____ electronic ____?

Which ____ consumers take ____ discover manufacturing flaws ____ recently ____ product?

____ actions does ____ production accidents using purchased electronics?

____ consumers ____ if ____ find ____ errors ____ their electronics?

____ shoppers discover mistakes ____ recently bought electronics ____ what guidance does OETR ____?

When ____ in their ordered ____ products, what ____ actions ____ OETR?

____ the consumer ____ encounter manufacturing flaws in recently ____ electronic ____?

How ____ users ____ electronics ____ in manufacturing errors?

I would like to ____ the ____ advises ____ mistakes.

Which action(s) does ____ forth ____ face manufacturing ____ their devices?

What ____ users do ____ manufacturing ____ in electronics ____?

Which ____ should consumers take if ____ manufacturing ____ acquired ____ products?

____ actions should be taken when ____ is manufacturing ____?

____ advice ____ offered to shoppers ____ mistakes ____ manufacture of ____ products?

What should the ____ if ____ experience ____ using ____ electronics.

Which ____ does ____ in ____ of ____ with purchased electronics?

If there is ____ fixed ____ the gadgets we ____ steps is OETR ____?

____ experience ____ errors with purchased electronics, ____ should ____?

____ to shoppers who ____ in the manufacture of ____ products?

____ are ____ with ____ are ____ advised by OETR?

____ consumers ____ errors while ____ their ____ action ____ be taken ____ the OETR?

What guidance ____ give ____ mistakes ____ the manufacture ____ electronics products?

What do OETR ____ in ____ in ____?

What ____ manufacturing errors are used ____ electronics ____ here?

____ case ____ electronics, what should consumers do?

____ actions should ____ if they ____ manufacturing ____ recently acquired ____ products?

____ OETR to deal with ____?

Users ____ be ____ electronics use ends in ____.

____ a consumer discovers manufacturing ____ in ____ product, ____ should they ____?

When buyers ____ in ____ products, ____ actions are recommended by ____?

When buyers discover ____ in ____ products, ____ are ____ actions recommended ____?

If manufacturing ____ are ____ to ____ electronics here, ____ should ____?

____ manufacturing errors ____ done with electronics ____ should ____ do?

When ____ with ____ mistakes ____ electronics usage, what ____ suggest?

____ there are ____ faults ____ aren't fixed with ____ that ____ buy, what steps ____.

____ does OETR recommend when ____ faces ____ errors ____ bought device?

What are the ____ OETR recommends ____ flaws in ____ products?

What steps does OETR suggest ____ customers ____ with ____ when ____?

____ action should users of electronics take ____ defects?

____ should ____ deal with manufacturing ____ electronic ____?

____ discover mistakes in the ____ recently ____ products, what ____ OETR offer?

____ mistakes are made ____ here, what ____ OETR do?

Which _____ should _____ by consumers when _____ errors in purchased _____?

What _____ consumers _____ they experience _____ errors with _____?

What _____ does OETR _____ manufacturing errors in _____?

What _____ can _____ when _____ with _____ while using electronics?

Faced _____ manufacturing defects _____ electronic _____ what _____ the recommended _____?

What _____ the users of _____ if _____ manufacturing defects?

If _____ face _____ using _____ what should be done?

_____ be _____ if a buyer _____ with electronic products?

_____ if _____ manufacturing _____ in a recently owned electronics product?

_____ are production faults _____ with _____ gadgets _____ what _____ the next step of OETR?

_____ actions should consumers take _____ they _____ manufacturing defects _____?

What course _____ action should users _____ purchased _____ discover _____ defects?

_____ take when they experience _____ in their _____ electronics?

_____ users _____ do _____ their electronics _____ in manufacturing errors?

What course _____ should be _____ if _____ errors _____ electronics?

_____ actions does _____ in _____ production problem with _____ electronics?

How _____ handle _____ errors _____ electronics that were bought _____?

_____ should consumers do if they _____ in a _____ acquired _____?

How _____ electronics be _____ they end up _____ manufacturing _____?

_____ purchaser _____ manufacturing errors with _____ which action does OETR _____?

What _____ does OETR _____ their customers when confronted _____?

Which _____ should _____ manufacturing flaws in _____ newly acquired electronics _____?

_____ actions should consumers _____ manufacturing flaws in their newly _____?

What _____ of _____ be taken by _____ they experience _____ with _____?

If manufacturing errors _____ done _____ purchased here, _____?

What _____ if consumers _____ manufacturing _____ while using electronics?

_____ of _____ users of electronics _____ when _____ manufacturing defects?

_____ of manufacturing flaws _____ electronic _____ actions should consumers take?

What _____ there are _____ in _____ of recently acquired _____ products?

What _____ consumers _____ if they encounter _____ in _____ acquired _____ products?

_____ actions _____ consumers follow in the event of _____ acquired electronic _____?

What _____ encounter manufacturing flaws in recently _____ electronic _____?

What _____ OETR do _____ with electronics purchased here?

When _____ errors while _____ their electronics _____ should the _____?

If there are _____ are not fixed _____ the _____ buy, what steps _____ taking

_____ do _____ they _____ errors in their electronics?

_____ consumers _____ if _____ experience manufacturing errors _____ using _____ electronic _____?

_____ actions _____ propose _____ there is _____ production issue with _____?

_____ should consumers take _____ they _____ manufacturing _____ in recently _____ product?

_____ actions _____ consumers _____ discover _____ flaws _____ their electronic devices?

_____ consumers experience manufacturing errors _____ using _____ should _____ Oet _____?

_____ there are _____ aren't _____ we purchase, what steps _____ OETR taking?

_____ there are _____ aren't fixed with the _____ buy, _____ are taken _____ OETR?

_____ are recommended for consumers when _____ encounter _____ electronics?

_____ should be done when buyers _____ manufacturing _____?

_____ buyers _____ in their ordered _____ what actions _____ by the _____?

_____ the guidance _____ gives shoppers when _____ discover mistakes _____ the _____ of _____?

_____ action(s) does _____ forth when there _____ with a _____ device?

When a purchaser _____ manufacturing _____ their _____ action(s) _____ OETR put _____ recommendations?

If _____ were manufacturing flaws in recently acquired _____?

____ case of manufacturing ____ with ____ acquired electronic products, ____ actions ____ ____ ?
 Which ____ should be ____ case of production ____ using ____ ?
 ____ manufacturing errors ____ electronics ____ what should ____ actions of OETR ____ ?
 What ____ actions the OETR should ____ when buyers ____ ordered ____ products?
 What steps does OETR ____ in electronics ____ ?
