Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

____ Equipment Manufacturers provide prepaid ____ returns ____ due to manufacturing ____?

Is ____ Equipment Makers willing ____ labels ____ defect ____?

____ question if the ____ labels for ____ returns ____ due ____ manufacturing flaws.

____ telecom ____ offer ____ for manufacturing ____?

Is ____ for ____ EquipmentManufacturers to give ____ for ____ due ____ manufacturing flaws?

____ possible for ____ to give pre-paid labels ____ due to manufacturing ____.

Does ____ Telecommunications ____ Manufacturers provide ____ labels ____ those ____ due ____ problems?

Some ____ if ____ equipment ____ labels ____ the returns made due to ____ flaws.

____ there a prepayment ____ provided ____ device ____ for manufacturing ____?

The Telecommunications Equipment Manufacturers may provide ____ due ____.

____ telecom equipment manufacturers have ____ to ____ a ____ for defect ____?

____ Manufacturers can provide ____ that authorize the ____ because ____ manufacturing ____.

Pre-paid labels are ____ by ____ equipment ____ manufacturing issues.

____ equipment ____ labels for ____ returns

____ pre-authorization labels for ____ due to manufacturing defects.

Do Telecommunications ____ Manufacturers provide ____ labels ____ returns ____ flaws?

Is there ____ provided for ____ flaw ____ by ____ device ____?

____ telecom ____ pre-paid return labels ____ faulty returns?

Is ____ possible for Telecommunications ____ to ____ pre-paid labels ____ to ____?

Does the ____ Equipment ____ give return labels ____ who ____?

____ questions as to ____ telecommunications equipment ____ provides labels for ____ from manufacturing ____.

____ Telecommunications Equipment manufacturers to give pre-paid ____ that ____ from manufacturing.

____ it possible ____ equipment manufacturers to give ____ defect returns?

____ it possible to use ____ when ____ return ____ builds ____ by ____?

Does ____ manufacturers provide ____ labels for those ____ manufacturing ____?

____ it ____ for Telecommunications Equipment ____ give pre- ____ labels ____ authorized returns because ____?

____ there a ____ label ____ communications equipment ____ I return ____?

Is it a ____ in ____ get ____ return slips when ____ flawed ____?

____ Telecommunications ____ may ____ pre-authorization labels for returns ____ manufacturing ____.

_____ for _____ of telecommunications equipment to give _____ for returns due _____?
 _____ equipment _____ provide a pre-paid _____ when it _____ defect returns?
 _____ return labels given to _____ makers _____ of manufacturing _____?
 _____ Telecommunications Equipment _____ able to provide _____ labels _____ authorize returns _____ to _____.
 _____ for _____ telecommunications equipment _____ give pre-paid _____ for refunds _____ to manufacturing flaws?
 _____ the _____ of telecommunication _____ labels for _____ due _____ defects?
 Is it _____ telecom _____ pre-paid _____ for faulty returns?
 _____ possible for telecom equipment makers _____ shipping _____ for _____ returns?
 There are _____ whether telecommunications _____ manufacturers _____ labels for _____ from _____.
 Is it _____ Telecommunications _____ pre-paid labels _____ authorized _____ because _____ manufacturing defects?
 _____ it possible that _____ device _____ due to _____ issues?
 _____ is questionable _____ equipment _____ provide _____ for _____ returns made _____ to manufacturing _____.
 _____ Telecommunications _____ provide return labels _____ those _____ with manufacturing _____?
 Does the Telecommunications Equipment _____ return labels _____ those _____?
 Does Telecommunications _____ give return _____ who _____ manufacturing issues?
 Is it _____ give pre-paid labels for _____ made _____ manufacturing defects _____?
 _____ the telecommunication _____ makers have pre-paid _____ labels for _____?
 _____ is _____ possibility _____ give _____ labels for _____ due to manufacturing defects.
 The Telecommunications Equipment _____ the labels for _____ returns _____ to _____.
 _____ there a _____ for manufacturing _____ for _____ device _____.
 The _____ that authorize _____ due _____ may come from _____ Equipment _____.
 _____ the capability to offer labels for defect _____?
 _____ telecom device _____ provide _____ shipment stickers _____ products due _____ defects, _____ that _____?
 _____ way _____ Telecommunications _____ to give _____ labels _____ returns caused _____ manufacturing?
 Can _____ give return _____ manufacturing defects?
 _____ it _____ to give pre-paid labels for _____ can be _____ manufacturing?
 _____ telecom _____ companies _____ to _____ prepayment labels for _____?
 _____ are questions _____ the _____ of _____ provide labels for the returns _____ manufacturing _____.
 _____ manufacturers of _____ give prepayment labels _____ manufacturing _____ refunds?
 Does _____ Telecommunications Equipment Manufacturers include _____ labels _____ to manufacturing _____?
 Do _____ give pre-paid _____ for manufacturing flaw refunds?
 The Telecommunications Equipment Manufacturers can provide prepaid _____ returns _____.
 Is _____ normal _____ telecom equipment producers _____ pre-paid mailing tags _____ defects?
 Is _____ possible _____ the _____ EquipmentManufacturers _____ pre-paid labels for _____ due to _____?
 _____ the Telecommunications _____ return labels _____ those _____ because _____ issues?
 Is _____ a prepayment _____ refunds _____ device manufacturers?
 _____ telecom equipment _____ pre-authorization _____ defect _____?
 Is Telecom Equipment Makers _____ label _____ returns?
 The Telecommunications _____ may provide labels _____ returns _____ defects.
 _____ equipment manufacturing _____ able to _____ labels for _____?
 _____ it _____ for manufacturers _____ telecommunications equipment _____ return labels _____ manufacturing _____?
 _____ a pre _____ label _____ I return a _____ communications _____?
 _____ the _____ Equipment _____ return labels for _____ who have _____?
 Do I receive a _____ I return a _____?
 _____ the Telecommunications Equipment Manufacturers give _____ made because _____ manufacturing _____?
 Can _____ Equipment _____ give _____ labels for _____ because _____ flaws?
 It is _____ for Telecommunications _____ to _____ pre-paid labels _____ refunds _____ flaws
 Do I need _____ label _____ I return _____ faulty _____?
 _____ possible for _____ give pre-paid labels _____ authorized refunds made _____ defects
 _____ it _____ for telecommunication _____ to provide _____ labels for _____ item _____?

_____ telecom equipment manufacturers give pre-paid _____ to _____ returns?

There _____ whether _____ equipment _____ give labels for the _____ manufacturing flaws.

_____ be _____ for Telecommunications _____ to _____ labels for authorized _____ because _____ manufacturing _____.

Does _____ equipment manufacturing company supply _____ to _____ defects?

The Telecommunications _____ manufacturers _____ provide the _____ returns _____ to manufacturing _____.

_____ it _____ for Telecommunications _____ to _____ labels for returns _____ manufacturing _____?

_____ possible for the manufacturers _____ equipment to _____ a _____ label _____ returns?

_____ want _____ know if _____ will _____ pre-paid _____ if _____ return a faulty _____.

_____ manufacturers _____ labels _____ returns _____ to manufacturing problems.

What _____ EquipmentManufacturers could _____ labels _____ returns due _____ manufacturing _____?

_____ the Telecommunications _____ back labels _____ because of manufacturing issues?

_____ Telecommunications Equipment Manufacturers _____ authorize _____ returns due to manufacturing _____.

Telecommunications equipment manufacturers _____ returns _____ of _____ issues.

_____ the _____ Equipment Manufacturers _____ return labels _____ have had manufacturing _____?

_____ as to _____ telecommunications _____ give labels _____ the returns made from _____ flaws.

Telecommunication _____ makers _____ return _____ due to manufacturing _____.

Do _____ a _____ label _____ a faulty communications device?

_____ equipment _____ pre-paid labels for _____ that _____ of manufacturing issues.

Does _____ telecommunication equipment manufacturer _____ to defects?

_____ possible _____ device _____ back labels _____ of manufacturing issues?

Does _____ Telecommunications _____ give return labels _____ who _____ issues?

_____ the prepaid return _____ given _____ telecommunication device _____ to _____?

_____ Equipment Manufacturers _____ offer the labels _____ authorize _____ due _____ defects.

Can Telecommunications _____ give _____ labels _____ refunds _____ because _____ defects?

Can telecom _____ pre-packaged labels _____ returns?

_____ Equipment _____ may give pre-paid _____ that authorize _____ due to _____.

Telecommunications equipment manufacturers _____ pre-paid _____ for _____ that _____.

Is _____ possible _____ EquipmentManufacturers to give pre-paid _____ for returns _____ manufacturing?

Do telecom _____ for defects?

In _____ return faulty telecommunications equipment _____ by _____ demand _____ label?

Does the Telecommunications Equipment manufacturers give _____ manufacturing _____?

_____ a return label given _____ product returns _____ Telecom _____?

_____ I _____ a pre-paid label if _____ back a _____?

When you _____ imperfect _____ made _____ is _____ possible to _____ stickers?

_____ it _____ for _____ of _____ to provide _____ for manufacturing defects?

_____ equipment manufacturers _____ pre-paid labels for returns _____ are _____ issues.

Is the _____ labels given _____ device due to manufacturing _____?

_____ the _____ that makes telecommunications _____ for returns _____ to manufacturing _____?

_____ there any way for telecom _____ to _____ prepayment _____ returns?

Is _____ possible _____ manufacturers _____ give _____ returns made from manufacturing _____

_____ telecom _____ manufacturers able _____ give _____ label to _____ defect _____?

_____ Telecommunications Equipment _____ give prepayment labels that _____ due _____ manufacturing _____.

Are telecom equipment manufacturers _____ give a pre-paid _____?

_____ telecom _____ free _____ labels for _____ flaw returns?

_____ are _____ manufacturers of telecommunications equipment _____ labels _____ returns from _____ flaws.

_____ a pre-paid label _____ returns apply _____ manufacturers?

_____ give pre-paid _____ for returns made from _____?

_____ a _____ label _____ for telecom equipment manufacturers when _____ returns?

_____ is possible _____ Telecommunications EquipmentManufacturers _____ pre- _____ for _____ that _____ be made from _____.

_____ it make _____ give pre-paid _____ for _____ due to manufacturing flaws?

____ it possible ____ telecom ____ manufacturers to ____ labels ____ returns?
 ____ Manufacturers ____ pre-paid labels for ____ that are ____ to ____ flaws?
 ____ Telecommunications Equipment Manufacturers can ____ that authorize ____ due to ____.
 Does the Telecommunications Equipment ____ who have ____ difficulties?
 Is the ____ manufacturing ____ willing ____ provide ____ returns?
 ____ imperfect builds made ____ Telecoms, how about ____?
 ____ the telecommunication ____ company ____ labels for ____ caused ____ manufacturing ____?
 Is ____ for ____ to give pre-paid ____ for ____ that ____ caused ____ manufacturing?
 Is it possible ____ labels for authorized returns ____ of ____?
 The ____ give pre-paid ____ authorize ____ due to manufacturing issues.
 Some ____ wonder ____ telecommunications ____ manufacturers give labels ____ returns ____ from manufacturing ____.
 ____ there ____ return label given ____ faulty ____ by ____ makers?
