

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Automotive manufacturers |
| Inquiry Category | Vehicle complaints and quality concerns |
| Inquiry Sub-Category | Engine Malfunction |
| Description | Customers report issues related to engine performance, such as stalling, excessive noise, or loss of power, indicating malfunctions that affect their overall driving experience. |
| Data Size | 5,144 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ investigations identified common factors _____ our product line-up?
_____ investigators _____ what _____ to the _____ in _____ in our _____?
_____ there _____ for power failure _____ range?
Why abrupt _____ across _____?
Issuing sudden _____ dropout across _____ of identifiable _____?
Investigations have identified _____ the sudden _____ product line.
_____ investigations _____ the causes of _____ power _____ in _____?
Did _____ show _____ common _____ caused _____ power loss _____ products?
Have investigations _____ the _____ behind the power loss _____?
Is _____ possible _____ of powerloss _____ product _____ have been identified?
_____ could be _____ sudden power _____ in _____ products.
_____ identifying the causes _____ in our products?
What _____ the _____ of power outages _____ products?
_____ reasons associated _____ our _____?
Is there _____ common _____ power _____ on all _____ the _____ models?
_____ investigations look for any _____ rapid _____ energy _____?
Has _____ been proven that _____ is a _____ for _____ failures _____ of the _____ models?
Are investigations able _____ the _____ our lineup?
Any reasons _____ loss of our product _____?
_____ investigations _____ of power failures _____ product lines?
_____ the product _____ up _____ investigations identified _____ powerloss?
_____ there a _____ energy cut-offs _____ our lineup?
_____ sudden _____ dropout due _____ elements within the _____?
_____ why our product _____ power?
Have _____ discovered the _____ failures _____ our products?
_____ investigations show _____ the _____ factors _____ power loss in _____ products?
_____ the usual culprits behind sporadic electricity _____ among our products _____?
Is the cause _____ identified in the _____?

Did recurring elements _____ power _____ investigating our products?
 _____ there _____ factors that cause _____ in _____ product line-up?
 Is _____ a _____ for _____ failures _____ our product _____?
 _____ investigators _____ culprits who _____ product energy _____?
 After _____ our _____ elements cause abrupt _____ losses?
 _____ a _____ theme that causes _____ product line _____?
 Is there _____ for _____ energy cut-offs _____ lineup?
 _____ be _____ behind the sudden loss of _____ our _____ line.
 There are _____ recurring _____ sudden _____ in our product _____.
 _____ are the _____ of _____ dropout _____ our products?
 Is _____ reason _____ failure across _____ product range?
 What are the _____ loss _____ product line-up?
 _____ investigations revealed the _____ of sudden _____ our products?
 Is there _____ cause _____ sudden _____ within the _____?
 _____ there is a common cause for sudden _____ on _____ the _____ models?
 Do you _____ why the _____ power failure?
 _____ is behind the _____ breakdown _____ in our product line?
 _____ the _____ causes _____ sudden _____ outage within the _____?
 _____ know what _____ a sudden _____ in power in _____?
 _____ investigations show the _____ loss in the _____?
 _____ the _____ factors causing _____ loss _____ our product line-up?
 _____ see any culprits that _____ rapid _____ energy _____?
 _____ there _____ reason why _____ products?
 _____ common _____ of power _____ within products?
 _____ identified _____ cause of the powerloss in _____ line _____?
 Are there _____ of power _____ the range?
 _____ investigators _____ what _____ caused _____ breakdown in _____ in _____ product _____?
 Did investigations _____ factors _____ sudden _____ loss _____ our _____?
 _____ identify _____ behind _____ rapid product energy loss?
 _____ any common causes _____ power failure in _____?
 _____ identified recurring factors _____ sudden _____ loss in _____ line.
 _____ any reason _____ the unexpected energy _____ in _____?
 _____ any recurring _____ behind sudden loss _____ power _____ line?
 Is the _____ power loss _____ line up _____?
 Can you tell me _____ of sudden _____ in _____?
 Do you _____ was a _____ across _____ your product _____?
 Does _____ uncover the _____ behind the _____ supply _____ our products?
 Is _____ reason _____ there was _____ power _____ your product _____?
 Was there _____ for the _____ power across _____?
 Possible reasons _____ sudden _____ of power _____ our _____?
 Have investigations _____ factors that _____ sudden _____ in _____ products?
 _____ has _____ blackouts, _____ there _____ yet?
 Have _____ identified _____ of _____ in _____ product?
 Do _____ know _____ caused a breakdown _____ a _____ line?
 _____ show the typical causes _____ loss in our _____?
 What are the _____ reasons _____ the sudden _____ loss _____?
 _____ a reason for the _____ loss _____ in the _____?
 _____ the _____ of our product _____ losing _____?
 _____ of powerloss in the product line-up?
 _____ any common _____ of power failure in _____?

_____ investigations _____ causes of _____ the product _____?
 Can investigations identify _____ powerloss _____ the product _____?
 Can you tell _____ caused _____ failure across _____?
 _____ know _____ triggered the _____ power in our product _____?
 _____ you tell _____ the _____ of _____ our range?
 Is _____ for the _____ power loss within _____ products?
 _____ investigations _____ causing _____ product energy loss?
 What _____ for the product _____ power loss?
 Are _____ any _____ that _____ a sudden _____ of _____ product range?
 Is there _____ reason _____ sudden _____ all of our _____?
 _____ we identified _____ of _____ in _____ product line-up?
 Are _____ the _____ of _____ failures in _____ product _____?
 _____ of _____ in _____ line up are _____ investigation.
 _____ the _____ sudden power _____ in our range?
 _____ a reason for _____ failure _____ range?
 _____ identify culprits that cause _____ energy _____?
 Did investigations show _____ factors _____ our products?
 _____ investigations _____ that _____ product energy loss.
 Did investigators _____ the _____ of power _____ in _____?
 Are _____ indicating _____ of _____ loss in _____ line-up?
 Is there _____ consistent _____ to unexpected _____ energy _____ our product _____?
 _____ was _____ failure across your _____ do you _____?
 Is _____ shared cause _____ the _____ power failure _____ all _____ the _____?
 _____ are the _____ causes _____ down within _____ products?
 Is there _____ cause for _____ failures _____ line-up?
 _____ any consistent _____ that contribute to _____ of _____ in our _____?
 Is _____ a _____ reason _____ sudden _____ of _____ in _____ products?
 There _____ drops _____ our products.
 Did investigators find causes _____ failure _____?
 Do _____ the _____ of _____ in the _____ up?
 _____ investigations find the causes of _____ product _____?
 _____ it possible to _____ root _____ of power _____ range?
 Can _____ the _____ of _____ power _____?
 _____ there _____ behind the sudden power _____ our _____ up?
 Does the investigation _____ the _____ culprits _____ the _____ cuts _____ our _____?
 _____ there any common _____ of _____ in our _____?
 _____ a shared cause for _____ power _____ on all _____ the _____?
 Is _____ evidence _____ factors cause sudden power _____ in our _____?
 Can you _____ reason _____ sudden loss of _____ our _____?
 Why _____ line-up losses _____?
 _____ our _____ lines _____ power suddenly?
 Do you _____ cause _____ powerloss _____ the product _____ up?
 Is there an _____ of _____ in _____ up?
 What _____ the _____ factors _____ sudden _____ loss _____ our _____ line-up?
 _____ to identify _____ culprits causing _____ energy loss?
 Does _____ investigation uncover _____ culprits _____ supply _____ among _____ products?
 _____ know the reasons behind _____ power in a _____ line?
 Did you _____ out why _____ product _____ losses _____?
 _____ a recurring theme that causes _____ to _____?
 Did you know _____ power failures in _____?

Does ____ investigation uncover ____ cause ____ sporadic electricity ____ our ____ far?

Was there ____ for ____ interruptions ____ energy ____ our product ____?

Did investigations ____ power loss in our ____?

____ do we determine the ____ causes ____ failure in ____?

Is ____ that recurring elements ____ to abrupt power ____ our ____?

Is there any identifiable ____ cause ____ power ____ across ____?

____ identify culprits ____ product energy ____?

____ you know ____ why the power ____ across ____ range?

Is ____ sudden power ____ across our line-up?

____ what causes the ____ breakdown ____ power ____ our ____ line?

____ is possible ____ caused sudden power ____ in our ____.

____ investigation reveal ____ sporadic electricity supply disruptions among ____ products ____?

____ recurring ____ are ____ blame ____ the ____ in our product line?

____ determined ____ of powerloss ____ product line up?

Do ____ what causes the sudden ____ our ____ lines?

Have ____ been ____ to identify the ____ the ____ our products?

Have ____ able to ____ energy ____ in our ____?

____ there a ____ the sudden ____ failure ____ product range?

Do ____ know ____ sudden ____ power in the product ____?

____ identified common causes ____ failure in ____ line-up.

____ investigations show the ____ of powerloss ____ product ____?

____ the ____ powerloss in the product ____ have been ____?

Did investigations ____ caused sudden ____ loss ____ products?

____ causes of ____ loss in products?

____ there any ____ causes for unexpected power ____ range?

There ____ elements ____ sudden power ____ in ____ line-up.

Is it ____ a common reason ____ the sudden ____ of ____ products?

Looking for ____ sudden loss ____ power in our ____.

____ you ____ why ____ was ____ in the range?

____ investigations ____ of ____ power loss in our ____?

What have ____ about what's causing ____ to ____?

____ chance ____ finding ____ common ____ the sudden power loss ____ our products?

Our product line-up ____ loses ____ reason?

Are investigations able ____ identify ____ causes of power ____?

____ investigations ____ the ____ of power failures in the ____?

Is ____ aspects contributing ____ unexpected interruptions ____ energy in ____ product ____?

____ investigators ____ causes of a sudden ____ power ____ product line?

____ investigations identify the ____ behind ____ sudden ____ in ____ products?

____ there a shared cause ____ power outages on ____ of the ____?

____ investigations ____ factors ____ the sudden ____ of ____ in our ____ line?

Did investigations show ____ that cause ____ power ____?

Can ____ the causes of ____ our products?

Do you ____ what ____ to ____ power failure ____?

Does ____ investigation ____ the usual ____ the sporadic ____ failures among ____ far?

Have Investigations identified ____ the causes ____ power ____ product ____?

____ investigations identify the ____ of powerloss ____ line-up?

Is ____ an identifiable element causing sudden ____?

Have ____ of ____ in the product line ____.

Is ____ a common cause for the ____ the ____ models?

____ a ____ causes unexpected ____ cut-offs across ____ line-up?

_____ our _____ any common _____ for power outages?
_____ identified _____ cause _____ power loss in _____ product line _____?
Have _____ of power loss in _____ line-up?
_____ investigations _____ the _____ responsible for the _____ loss _____ our _____?
_____ reason for the power loss _____ the _____ line _____?
_____ investigations _____ behind _____ sudden _____ loss in our product?
_____ there a cause for _____ power _____ across your _____?
Can investigations _____ the _____ behind _____?
_____ there any recurring factors _____ sudden _____ of _____ product line?
Is _____ any _____ for power failures _____ product _____?
_____ there a common _____ the _____ loss of _____ products?
Is there _____ reason for _____ power _____ in _____ line-up?
_____ uncover the usual _____ sporadic _____ in electricity supply for _____?
Does investigations _____ sudden power loss _____ products?
Is there _____ reason for _____ cut _____ in _____?
Has Investigations _____ some common _____ power _____ our _____?
Is there _____ indication of _____ of _____ in the line _____?
_____ Investigations _____ of _____ failure in _____ product line-up?
_____ investigators _____ identify the _____ power failures in _____ product _____?
_____ of powerloss _____ the product line up?
_____ if any culprits _____ blame for rapid _____ energy _____?
_____ there _____ causes of _____ failure _____ our products?
Is it _____ elements lead _____ power _____ found after investigating _____?
Does _____ uncover the culprits behind sporadic _____ supply _____ products?
Was there a reason for a _____?
_____ identified the culprits _____ sudden power _____ in _____ products.
Is there _____ information _____ of _____ the product line-up?
Did the _____ causes of power _____ in our _____?
Was _____ consistent _____ that contributed to _____ interruptions _____ throughout _____ lineup?
_____ of sudden power _____ our product line?
_____ caused _____ failure across the product _____?
_____ there _____ understanding _____ common Triggers that _____ to _____ of _____ across our _____ range?
Did there _____ of power failure _____ products?
_____ Investigations found _____ common _____ power _____ in our _____?
_____ factors may be _____ sudden power _____ product _____.
_____ consistent aspects _____ to the _____ interruptions of energy throughout _____?
_____ found _____ causes _____ powerloss in the line _____?
Does the investigation uncover _____ usual _____ sporadic _____ our _____ so _____?
What _____ the _____ sudden power loss in _____?
_____ causes of power failures _____ our product _____.
Is it possible _____ cause loss of power _____ lineup?
_____ consistent cause for _____ unexpected _____ within our _____ range?
Issuing sudden _____ across _____ due to _____ elements?
Is there _____ common reason _____ the loss of _____?
There are recurring _____ loss in _____ product _____
_____ discover _____ of _____ the product line up?
What _____ of _____ power _____ in our products?
Have _____ identified the _____ in the _____ line-up?
_____ drop across products?
_____ the _____ powerloss identified _____ product line up?

_____ there an _____ cause of _____ dropout _____ products?
 _____ investigations _____ to explain _____ cuts in our _____?
 Are _____ able to identify _____ cause _____ powerloss _____ line _____?
 Did _____ sudden power losses after investigating _____?
 _____ causes of sudden _____ loss _____ the line up?
 Can _____ sudden power _____ in _____ product line up?
 Among _____ is there _____ power _____?
 What _____ the _____ for _____ in _____ products?
 Did _____ cause _____ power _____ after _____ our products?
 _____ there recurring elements _____ lead to sudden _____ our _____?
 Is _____ that the common _____ sudden _____ in our products?
 _____ investigations _____ prevalent culprits _____ product _____ loss?
 Is _____ factors that _____ abrupt loss of _____ product line?
 Can investigations identify culprits _____ rapid _____ energy _____?
 Do investigators _____ to _____ in power in our _____?
 Does _____ uncover the usual _____ intermittent electrical _____ products?
 _____ reason for the _____ failure in _____ product _____?
 Can investigators _____ that _____ rapid _____ energy _____?
 _____ studies _____ the reasons _____ in our products?
 Does _____ usual _____ behind _____ sporadic electricity supply _____ among our products _____?
 _____ there _____ that contribute to unexpected interruptions _____ product lineup?
 Can investigators identify _____ causes _____ in the _____?
 Have Investigations _____ cause _____ power failure _____ product _____?
 _____ know _____ reason _____ the sudden _____ in power _____ product line?
 _____ there _____ consistent cause _____ power outage within _____ range?
 _____ there _____ of power failure identified in our _____?
 Did _____ show causes of _____ loss in _____ line _____?
 Are _____ any _____ for power _____ within our _____?
 _____ reasons _____ power _____ in our lineup?
 Is _____ a _____ cause of sudden _____ loss _____ line-up?
 There could _____ a recurring _____ causing _____ line-up _____.
 _____ the typical factors causing sudden _____ loss _____ product _____?
 _____ investigators know what causes a _____ power _____ product _____?
 Do investigators _____ root of the _____ in _____ in _____ line?
 Do _____ what _____ breakdown in power _____ a _____ line?
 _____ been proof _____ there is a _____ sudden _____ on _____ of the vehicle models?
 _____ recurring _____ that _____ cause _____ power loss in a _____ line.
 Have _____ that there _____ common _____ for sudden _____ of the vehicle models?
 Did investigations _____ typical factors _____ loss in our _____?
 _____ show _____ cause _____ power loss in _____ line-up?
 Did _____ identify the _____ power _____ in _____ product _____?
 _____ investigators _____ the break in power in _____ product _____?
 _____ any _____ causes of power failure in _____?
 Does _____ uncover the _____ culprits _____ supply among our _____?
 _____ know _____ causes _____ power failure _____ a product _____?
 _____ a consistent _____ interruptions _____ energy in _____ product lineup?
 _____ any reasons _____ a _____ failure in _____ product range?
 Investigations _____ recurring factors behind _____ loss in _____ line.
 Have Investigations _____ some _____ causes _____ power _____ our _____ line-up?
 Did recurring _____ the _____ found after _____ our products?

_____ idea why we keep _____ in _____ product line?
 _____ there _____ consistent _____ unexpected power _____ our product range?
 _____ the _____ behind sudden power loss _____ products?
 _____ show the causes of sudden _____ loss _____?
 Have _____ is a _____ cause for _____ failures on all _____ vehicle _____?
 What elements _____ as _____ to _____ product-power conditions?
 _____ the investigation uncover the _____ culprits _____ within our products?
 What are _____ common _____ for _____ power _____ in _____?
 Is _____ possible _____ uncover the causes _____ product's _____?
 _____ there a shared _____ for _____ failures on all of _____ have?
 _____ can we find common _____ the _____ loss _____ in our _____?
 _____ identified _____ causes _____ power _____ in our products?
 Have investigations _____ causes of power _____ line-up?
 Is _____ pattern _____ explains the _____ cut-offs _____ lineup?
 Is it possible to _____ culprits _____ product _____ loss?
 Do _____ know _____ cause _____ breakdown in power _____ product _____?
 Have Investigations _____ failure in _____ products?
 _____ there a _____ behind the _____ cut-offs _____ lineup?
 Why _____ lose power in _____ fashion?
 Do _____ is behind _____ sudden _____ of power in a _____?
 Is _____ true _____ investigations _____ usual _____ product's power _____?
 _____ what causes a product line's _____ power?
 Is there _____ cause _____ in products?
 _____ the cause of _____ the product _____ up?
 Is _____ chance _____ finding _____ common _____ the power loss in _____?
 _____ a reason _____ the _____ cuts in _____ lineup?
 Does the investigation _____ the _____ disruptions in _____ among _____ products?
 Is it possible to _____ product energy _____?
 _____ the cause _____ failures in our products?
 _____ it _____ that _____ is a shared _____ for sudden _____ all of _____ models?
 Is there any _____ of the cause _____ power _____ in _____?
 Did _____ find any _____ causes for _____ product range?
 Is _____ sudden power loss _____ our product line-up?
 Why did _____ across _____?
 When investigating _____ there recurring _____ that _____ sudden power _____?
 _____ some causes of power _____ in _____.
 Is _____ a _____ theme _____ product line-up black _____?
 Do investigators _____ the _____ the _____ power _____ product line?
 Are _____ what _____ the sudden breakdown _____ in _____ product line?
 Our product _____ suddenly _____ what _____ the _____?
 Are investigations _____ the _____ sudden _____ our _____ line up?
 How about _____ the _____ of power _____ in _____.
 Were _____ elements the cause _____ sudden power losses _____?
 _____ consistent factors that _____ a sudden loss _____ in _____ entire _____?
 Have investigations shown _____ failures _____ our products?
 _____ there any _____ causes _____ power loss in the _____ up?
 _____ for sudden drop _____ across _____?
 In the _____ up, _____ identified the _____ of _____?
 _____ there _____ cause for _____ energy cuts _____ our _____?
 Do _____ the _____ occurred across all of your _____?

_____ there _____ factor _____ sudden loss of power throughout _____ product _____?
 Are there _____ consistent _____ that _____ a _____ power throughout _____ range?
 Is _____ investigation able to _____ the culprits _____ our products?
 _____ there recurring _____ that cause sudden _____ of _____ in _____?
 _____ there a reason _____ power _____ in _____?
 What are _____ reasons _____ dropout across our _____?
 _____ a common cause for _____ power _____ products?
 _____ any consistent _____ that _____ a sudden power _____ products?
 Have _____ found _____ powerloss _____ the _____ line up?
 _____ investigations _____ the cause _____ in the _____ line-up?
 _____ find the _____ failures in our products?
 _____ there a cause _____ sudden _____ across _____ of _____ products?
 _____ have been identified _____ to unstable product-power _____?
 _____ identified the _____ of the _____ the _____ line-up?
 Have investigations _____ causes _____ in the _____ line-up?
 _____ reveal the usual culprits _____ disruptions among our products?
 _____ there a recurring _____ product line-up black _____?
 _____ there _____ consistent causes _____ power _____ in _____ range?
 Is _____ for sudden power outs on _____ vehicle _____?
 _____ investigating our _____ the cause _____ the sudden power _____?
 _____ investigators know what causes _____ sudden _____ in _____ product _____?
 Is there _____ reason _____ the _____ in _____ range?
 What were the _____ sudden _____ of _____ product line?
 _____ a _____ factor _____ sudden loss of _____ throughout the _____ range?
 Have _____ identified _____ of power _____ in our _____ line _____.
 _____ there a _____ sudden _____ outage within the _____?
 Which _____ have _____ to unstable product-power conditions?
 _____ investigations _____ patterns that explain _____ energy _____ our _____?
 Have _____ proven _____ is _____ common cause for _____ on _____ models?
 _____ know _____ of power failure in our _____?
 After _____ products, _____ elements be to blame for _____?
 _____ there _____ common _____ to sudden loss _____ power across _____ lineup?
 _____ common factors _____ sudden _____ in our _____ were _____ investigations.
 Is there _____ consistent aspects that _____ unexpected _____ of energy _____?
 _____ you find out _____ products _____ power _____?
 _____ there any evidence _____ of _____ power loss in _____ line?
 Is there _____ factors that cause sudden _____ products?
 Investigations have identified _____ for sudden _____ loss in _____.
 Is _____ explanation _____ unexpected energy _____ in _____ lineup?
 _____ any common reasons for the sudden loss _____ power _____ our _____.
 Do _____ what causes _____ in power in _____ product _____.
 _____ causes identified _____ products?
 _____ it _____ what caused sudden _____ loss in our _____?
 What recurring _____ are responsible _____ power _____ a product line?
 Is _____ a reason _____ dropout _____ the line-up?
 Is there any _____ outages within _____ product _____?
 _____ did _____ product _____ power suddenly?
 _____ there a _____ the sudden _____ on _____ of _____ vehicle models?
 _____ identified some _____ of _____ failure in our _____ up?
 Do _____ indicate _____ sudden power loss _____ the line _____?

_____ why there _____ a power failure _____ your _____ range?

What _____ the _____ for sudden _____ across all _____?

_____ appear _____ there _____ a common _____ for sudden power _____ all of _____ vehicle _____?

_____ are _____ common causes for sudden _____ in _____?

_____ show the _____ sudden power loss _____ product line?

Is _____ a common cause _____ loss in _____?

There was a _____ failure across your _____ know _____?

I want _____ know if _____ are _____ for _____ loss of _____ in our _____.

_____ investigations identify the causes of power _____?

Can _____ identify any culprits responsible _____ energy _____?

_____ anyone know _____ we keep losing _____ your _____?

Is it _____ usual _____ product's power failure?

_____ common elements when power goes out _____ lineup?

_____ causes of _____ power _____ in our product line _____?

_____ revealed _____ of the sudden _____ in our products?

_____ pinpointed the _____ behind _____ power _____ our products?

_____ powerloss _____ the _____ line-up are being investigated.

Is _____ explains _____ energy cut-offs in _____ lineup?

Do you know the _____ the _____ power _____ in _____?

Have _____ indicated the _____ power _____ our _____ line up?

_____ are some _____ causes of _____ our _____ line-up?

_____ investigations establish _____ cause sudden power loss _____ lineup?

_____ power _____ reasons among our _____?

There may _____ been _____ factors behind _____ sudden _____ our product _____.

Is there _____ cause _____ sudden power _____ all _____ products?

Is there a _____ of powerloss _____ the _____?

_____ there any consistent aspects _____ energy _____ our product lineup?

_____ investigating our _____ were _____ for _____ sudden power losses?

Can investigations establish common _____ goes out _____?

Are _____ recurring _____ the _____ loss of power in _____ product _____?

What caused _____ up to _____ suddenly?

_____ know _____ causes of powerloss in the _____?

_____ investigations identify _____ of power _____ in _____ products?

Is _____ cause _____ sudden _____ outage within _____ products?

Is _____ to _____ common _____ sudden loss of power _____ products?

_____ there any _____ causes _____ power outages within _____ product _____?

_____ there _____ of common Triggers that lead _____ instances _____ instant _____ across _____ range?

_____ the investigation uncover _____ usual culprits _____ sporadic electricity _____ our _____ far?

Which _____ have been _____ as _____ contributors _____ unstable _____?

_____ why _____ failed _____ your product range?

_____ have identified recurring _____ behind sudden _____ in a _____

_____ investigating _____ were _____ elements that lead to _____ losses?

Are investigations able to _____ causes _____ product line _____?

_____ there any consistent factors that can cause _____ of _____ product _____?

_____ investigations _____ the _____ of powerloss in _____ product _____?

_____ there _____ of the causes of _____ power _____ our _____?

_____ identify _____ culprits behind the _____ in _____ product line-up?

Do _____ know _____ power failure _____ all your products?

Is _____ cause for the energy _____ our _____?

_____ investigations identify _____ cause of _____ in _____ line _____?

_____ know _____ there were _____ failures across _____ product _____?
 Are there any _____ triggering a _____ of power in _____?
 Have investigators _____ causes _____ power _____ product line-up?
 _____ investigations _____ the culprits behind the _____ power _____ in _____?
 _____ a recurring theme _____ causes _____ product line-up _____?
 Is _____ possible that _____ behind the sudden _____ of _____ in _____ line?
 _____ causes for power _____?
 Is it possible _____ rapid product energy loss?
 Have _____ causes _____ powerloss been _____ in _____ line-up?
 _____ the _____ of _____ the product line-up?
 _____ investigations _____ causes _____ power _____ in _____ product line-up?
 _____ the causes of _____ failures _____ our product _____?
 Did investigations indicate the _____ sudden _____ line up?
 The _____ our _____ line may _____ recurring factors.
 _____ the investigation reveal _____ sudden _____ power _____?
 _____ there any _____ causing _____ of _____ in our range?
 Have investigations _____ reasons _____ sudden power loss _____ products?
 What elements _____ been _____ contributing _____ product _____ conditions?
 _____ know what _____ the sudden _____ in _____ our product line?
 _____ there a _____ cause _____ on all the vehicle models?
 _____ consistent factors that lead to a _____ loss _____ our product _____?
 _____ the _____ that cause _____ energy loss?
 _____ identified the cause _____ failures in _____ product _____?
 _____ to identify prevalent _____ rapid product _____ loss?
 Was _____ a _____ failure in _____ range of _____?
 Do _____ what _____ the breakdown _____ in our _____ line?
 Do investigators know _____ of the _____ power _____ product line?
 _____ pinpointed the cause _____ sudden power _____ our products?
 _____ see any _____ who _____ product energy loss?
 _____ investigations _____ product's power failure?
 Did investigations _____ causes of _____ our _____?
 _____ are the common causes _____ the products?
 _____ tell _____ if there are any _____ for the _____ loss of _____ our _____?
 When _____ products, _____ recurring _____ the cause _____ power losses?
 Are investigators _____ of recurring _____ a sudden breakdown _____ in _____ product _____?
 Is _____ a common cause _____ power failure _____?
 _____ any _____ cause for _____ loss _____ product range?
 Have investigators _____ the causes of powerloss _____ line-up?
 Do _____ know _____ our product line suddenly _____ out?
 What is _____ product _____ power?
 Have _____ identified _____ of powerloss _____ the product _____.
 _____ investigations able _____ common _____ of _____ failure _____ our product _____?
 _____ there _____ evidence _____ the causes of _____ loss _____ the line _____?
 _____ there _____ recurring _____ the _____ loss of power in _____ line?
 _____ a recurring _____ that _____ product line-up _____ outs?
 Do you _____ power failure among _____ products?
 _____ there a _____ power outage within the products?
 Have _____ a _____ for sudden power failures _____ of the vehicle models?
 Do _____ know _____ causes _____ in _____ in products?
 Is there _____ for _____ power outs _____ all of _____ models?

Have investigations shown that _____ is _____ common _____ for _____ on all _____ vehicle _____?

Does _____ investigation _____ the culprits behind _____ disruptions in _____ supply _____ so _____?

Do you know _____ caused the _____ power failure _____?

_____ identified _____ of power loss _____ product line up?

_____ reason for the sudden energy _____ our _____?

Do you know _____ there was _____ your products?

Are there _____ causes for power _____ in _____?

Have investigators identified _____ causes of power _____ in _____?

Have investigations _____ the culprits _____ power _____ our products?

_____ identify the cause of _____ product line-up?

Have _____ any _____ for _____ failures _____ our product range?

Does the _____ the usual culprits _____ disruptions among _____?

There _____ recurring _____ sudden _____ loss _____ our products.

_____ show _____ cause of sudden power _____ the _____ up?

Are _____ consistent factors that _____ a sudden _____ in our _____?

_____ the common _____ of sudden power loss _____?

Reasons _____ sudden _____ power _____ products?

Are there _____ loss of power in _____ products?

_____ elements _____ the sudden power losses found _____ our _____?

Are there _____ factors that caused _____ loss _____ in our _____?

Are the _____ sudden _____ failure _____ range known?

What _____ the _____ causes of _____ power _____ products?

_____ tell me about the _____ of _____ power failure _____?

_____ root _____ of power failures _____ our _____

Was there a _____ cause for the _____ products?

Is _____ sudden power _____ found _____ investigating _____ due _____ recurring _____?

Did _____ know _____ a power failure _____ your _____?

There are possible _____ sudden power _____ in _____.

Have _____ there is _____ common _____ sudden _____ failures on the _____ models?

_____ investigations _____ the causes _____ powerloss in the _____?

Is it _____ to recognize _____ culprits _____ rapid _____ energy _____?

Is _____ a _____ sudden power dropout across _____?

_____ there _____ cause of _____ failure in our _____?

Have _____ revealed the causes _____ sudden power loss _____?

_____ you discover _____ line-up _____ loses power?

Is it _____ to figure _____ root _____ failures _____ our range?

_____ known that _____ is a _____ cause for sudden _____ of _____ vehicle models?

_____ investigations _____ any _____ power failure in _____ products?

Does investigations _____ of _____ power loss in _____ up?

Have investigations identified _____ power _____ products?

Did _____ show the _____ factors _____ power _____ in our _____?

_____ cause for unexpected interruptions _____ energy _____ product lineup?

Investigations found _____ for _____ in _____ range.

_____ any consistent _____ that _____ sudden loss _____ power _____ product range?

Do _____ the _____ of powerloss are in _____ product _____?

Is it _____ causes the _____ line-up to black _____?

_____ factors behind _____ loss of _____ in our product _____?

Is there any _____ outage _____ our range?

Is there _____ recurring factors _____ abrupt loss _____ in _____?

_____ you know _____ of sudden power _____ in _____?

Is _____ the power _____ across all _____ product ranges?
 _____ there _____ consistent _____ outage in _____ product range?
 _____ does our _____ line-up _____ power _____?

Is _____ cause for _____ power drop across _____?
 _____ have identified _____ factors behind _____ power loss _____ the _____.

Have _____ identified _____ power failures in _____ product _____?
 _____ know what _____ the unexpected power _____ across _____ range.
 _____ reason for _____ cut-offs in our _____?

Did investigations _____ sudden _____ loss in our _____ line-up?
 _____ indicated the _____ of _____ power loss in _____ up.
 _____ cause of sudden power dropout _____ all _____?

Have investigations found the _____ sudden _____ in our _____?
 _____ there any evidence _____ explains the _____ our _____?
 _____ know what _____ the _____ in _____ our product line?

Is there _____ why your _____ power failure?
 _____ that there is a _____ for sudden power failures on _____ vehicle _____?

Is _____ is a shared _____ for sudden _____ outages on all _____ vehicle _____?
 _____ there _____ reason _____ in power _____ products?
 _____ any _____ factors that cause a sudden loss _____ power _____?

Do _____ what the _____ powerloss _____ in the _____ up?
 _____ drop reasons are _____ with _____?

_____ there _____ shared cause _____ power downs on _____ the _____ models?
 _____ it possible _____ find reasons _____ sudden _____ power _____ our products?

Is there any _____ causes _____ loss in the _____ up?
 _____ show _____ the common causes _____ sudden _____ in _____ products?
 _____ to know if something _____ caused _____ your product range.
 _____ are some causes of power _____.

_____ investigations identify _____ product energy loss?
 _____ any _____ aspects _____ unexpected interruptions _____ energy _____ our product lineup?

Are _____ able _____ identify the _____ product line up?
 _____ there any _____ for unexpected power _____ within our _____?

Is _____ a shared cause _____ on _____ vehicle models?
 _____ there any information _____ the unexpected _____ in our _____?
 _____ our _____ line-up losing _____ now?

Did investigations show _____ power failure _____?
 _____ investigations _____ the causes _____ power failures _____ our product _____?
 _____ is going _____ our product line _____ lose power?

Do _____ show _____ cause _____ powerloss _____ the _____ up?

Is _____ failure in the product line-up?

Is _____ any similarities _____ the _____ range _____ unexplained _____?

Have _____ the culprits for the _____ our _____?
 _____ the investigation _____ usual _____ behind sporadic _____ among our products?

Is _____ by elements within our _____?

Is _____ identified reason for _____ in _____ products?
 _____ reason for _____ sudden _____ of our _____ line?

Did _____ cause power _____ after _____ our products?
 _____ there a _____ why your _____ had _____ failure?
 _____ know what caused the _____ power _____ product?

Is there any _____ the _____ power outage _____ range?

Is _____ a _____ cause _____ the product range?

Were there _____ contributing to unexpected _____ of energy _____ product _____?
 Has it been _____ that there is a _____ cause _____ all of _____ vehicle _____?
 _____ the common reasons _____ products lose power?
 Have _____ of power failures _____ our _____?
 Can investigations _____ elements _____ power _____ across our lineup?
 _____ there _____ reason _____ the _____ cut-offs _____ our line-up?
 Can _____ uncover _____ causes of sudden product _____?
 Is _____ a reason _____ across the products _____ our _____?
 _____ show the causes _____ power loss _____ line _____?
 _____ there _____ common cause _____ the _____ power loss in _____?
 Is it _____ what causes _____ in _____ line-up?
 _____ investigations shown the cause _____ failures _____ products?
 _____ the _____ power losses found after investigating our _____?
 Does anyone know what causes _____ in power _____?
 _____ any recurring factors behind the _____ loss _____ line?
 _____ may have _____ factors _____ sudden power _____ product line.
 What _____ the _____ power _____ within the products?
 Was it _____ that _____ factors cause _____ in our _____?
 Are _____ reasons identified in _____?
 _____ need _____ know _____ the sudden _____ failure _____ your product _____.
 Are you _____ of _____ reasons _____ products _____ power failure?
 _____ identify _____ of power failures _____ our _____ line-up?
 Is _____ a _____ sudden power _____ product line-up?
 _____ recurring factors behind sudden _____ loss _____ a _____ line
 _____ investigations identify common factors that cause _____ in _____?
 _____ may _____ discovered _____ factors behind _____ power _____ our product _____.
 _____ you _____ products had _____ power failure?
 _____ the _____ the usual culprits _____ sporadic _____ supply disruptions among _____?
 Is _____ something that _____ the _____ energy cut-offs _____?
 _____ cause of powerloss _____ the product line _____?
 Did _____ to _____ power losses found _____ investigating our _____?
 _____ investigations reveal causes _____ product _____?
 _____ investigations _____ the cause of power loss _____?
 _____ be a _____ sudden _____ of power in our products?
 Is _____ known _____ causes of _____ our _____ line-up?
 Did investigations uncover _____ power _____ our _____?
 Does investigators _____ what causes _____ breakdown in _____ in _____?
 Is _____ possible that _____ for _____ power losses found _____ investigating our _____?
 Can investigations _____ the _____ sudden power loss _____ up?
 _____ the cause of sudden _____ power loss?
 _____ a common cause _____ out within the _____?
 Are _____ for _____ power failure across your _____?
 _____ investigations identified _____ causes _____ powerloss in _____ product _____?
 _____ investigations _____ causes _____ loss in _____ product line up?
 _____ identified among our _____
 _____ are recurring _____ be _____ sudden power _____ in the _____ line.
 _____ uncover _____ culprits behind _____ power cuts among our _____ far?
 Investigations have identified _____ for _____ power loss _____ product _____.
 _____ know the causes of _____ loss _____ the _____?
 Was there any _____ of _____ failure in _____?

_____ possible _____ investigations _____ recognize _____ causing _____ product energy loss?

_____ identify the _____ behind the _____ in _____ product line-up?

_____ investigations identified the _____ for _____ power loss in _____?

_____ you know why _____ was a power _____ ranges?

There were possible _____ our products.

_____ there _____ pattern _____ the sudden energy cut-offs _____ the _____?

How about figuring _____ the root _____ our range?

_____ there a _____ the drop in _____ products?

Is _____ pattern _____ the sudden _____ cuts _____ our lineup?

Did investigations _____ reasons _____ losses in _____?

_____ a _____ for _____ power _____ in our range?

_____ investigations show the causes of _____ the _____ up?

Is there _____ the common factors _____ power loss in _____?

After investigating _____ were _____ elements causing _____ losses?

Have _____ able _____ find common reasons _____ the sudden _____ loss _____?

_____ the _____ for _____ in _____ lineup found?

Have _____ the sudden _____ loss in our _____ line-up?

Is there _____ of the _____ failures _____ our _____?

_____ reason for sudden _____ in _____ among _____ products?

_____ we aware _____ causes _____ power _____ in your vehicle _____?

Were _____ to identify the causes _____ powerloss _____ line _____?

_____ investigations shown _____ cause _____ sudden _____ loss _____ product line _____?

_____ possible _____ there are recurring _____ abrupt _____ of _____ in our product _____?

Did _____ the typical factors _____ cause sudden _____ our _____?

There _____ power drop _____ our _____.

Is _____ for _____ sudden power _____ in our _____?

Why _____ up _____ power suddenly?

_____ the common causes _____ sudden power _____ products?

_____ investigators _____ reason for _____ sudden _____ in the product line?

_____ our product _____ lose power?

Is there _____ for the _____ loss _____?

Is _____ for _____ power _____ our lineup?

Identified common _____ failures _____ the _____?

_____ keep losing power in _____ line, _____ idea _____?

_____ pattern that explains _____ energy cuts _____ our lineup?

Do _____ know _____ causes the _____ power _____ a _____ of _____?

What recurring _____ are _____ in power in _____ product _____?

Is _____ of sudden power _____ the products?

Do investigators know _____ is _____ sudden _____ power _____ product line?

_____ is causing _____ line-up _____ lose _____?

Is _____ true that _____ power loss _____ our products?

_____ there any consistent _____ power _____ our product _____?

_____ identified the _____ of power _____ our _____ line?

_____ you aware _____ the reasons for _____ failure _____ product _____?

_____ there _____ cause for sudden _____ shortages on _____ of the _____?

_____ identified those _____ the _____ power loss _____ our _____?

Can investigations _____ that cause _____ product _____?

_____ the root causes of _____ failure _____ range?

Were there _____ for _____ failure in _____ product _____?

Is there _____ triggering _____ loss of power _____ our _____ range?

There are _____ causes _____ failure _____ our products.

_____ investigators _____ there _____ a sudden breakdown _____ in our _____ line?

Is there _____ power failure _____ range?

_____ investigating our products, _____ to blame _____ sudden power _____?

_____ consistent cause for the power outage _____ the _____?

_____ investigators _____ the _____ for the sudden breakdown in _____ in _____?

Is _____ cause of _____ in our product?

Is there a _____ the _____ failure _____ your _____ range?

_____ investigations _____ that _____ is a _____ sudden _____ failures on all of _____ vehicle _____?

_____ investigations shown _____ power loss in _____ product line _____?

Why _____ our _____ lose _____ suddenly?

_____ you know what causes _____ the _____ line _____?

_____ suddenly fall _____ products?

_____ show common _____ sudden _____ loss _____ our products?

_____ power drop _____ our _____?

Is _____ is a shared cause for _____ on _____ the vehicle models?

Is _____ cause for _____ power failure _____ our _____?

_____ it known _____ power _____ in _____ product line-up?

_____ there a _____ for _____ dropout _____ the products?

Is _____ any _____ to _____ the _____ of sudden _____ loss in _____ product _____?

_____ the _____ our _____ suddenly _____ power?

Did investigations _____ that _____ a _____ for sudden power outages _____ of _____ vehicle _____?

Is _____ for _____ power _____ on all of the _____ models?

Do investigators know what _____ a product line?

Do you know the _____ power _____ your product _____?

Is there _____ power failure _____?

_____ causes of _____ loss identified in _____ up?

How about the _____ failure in _____?

Is there _____ information about the _____ of _____ the _____?

Do investigators _____ a _____ breakdown _____ power in _____ products?

Have _____ out the causes _____ sudden _____ in _____ line _____?

_____ show _____ of sudden _____ losses in our products?

_____ common _____ for the loss of power in _____?

_____ investigations _____ the _____ of _____ failures _____ our product _____?

Was there _____ cause of sudden _____ the _____?

_____ line-up lose power?

Have _____ shown the causes _____ failures _____ the _____?

Found out _____ suddenly _____ power?

Is there _____ common _____ within our range?

_____ there a _____ for _____ loss in _____ product line-up?

_____ investigation _____ the usual culprits behind sporadic _____ among our _____?

Have investigations shown _____ of power _____ in _____?

The sudden _____ in our product _____ the _____ of _____ factors.

_____ common cause of _____ in _____ among our product _____?

_____ investigators identified the causes _____ powerloss _____ the _____.

_____ investigations show _____ the common _____ cause _____ power loss _____?

Do investigators know _____ behind _____ power in _____ product _____?

_____ investigations show the cause of the _____ loss _____ product _____?

Do _____ know the root _____ breakdown in _____ a product _____?

Is there _____ for _____ unexpected interruptions _____ throughout _____ product _____?

Any prevalent _____ cause _____ loss?

Investigation _____ indicated the _____ of _____ loss in _____ product _____.

Have _____ identified some _____ the common causes of power _____?

How _____ the _____ failures in our range?

_____ might be _____ factors _____ sudden power _____ product line.

_____ investigations identified the _____ of _____ product line-up

Does the _____ uncover _____ usual culprits _____ sporadic electricity _____?

Is _____ a _____ explains _____ energy cuts in _____?

_____ recurring factors that _____ sudden loss of power in _____?

_____ investigations _____ the _____ power failures _____ our product _____?

_____ there a _____ cause for the unexpected _____ range?

Are _____ of _____ outage within our product _____?

Is _____ failure common in our _____?

Was _____ that certain _____ unexpected interruptions _____ energy throughout _____ lineup?

Do investigations _____ the _____ loss in _____ products?

Do investigators _____ breakdown in the product _____?

There could be recurring _____ behind _____ product line.

Do investigations uncover _____ of _____?

Is there any _____ unexpected _____ in our lineup?

_____ there _____ on the causes _____ sudden power _____ the _____?

Have _____ the _____ of powerloss _____ product line-up?

Did they _____ failure _____ our products?

The _____ sudden _____ loss in _____ product _____ have been _____.

_____ show the _____ of sudden power _____ products?

_____ there _____ consistent _____ for _____ outage _____ our _____ range?

Are _____ any _____ causing _____ sudden loss _____ our product range?

_____ for _____ within products?

_____ causes of _____ in the line-up?

Was it recurring elements _____ abrupt _____ after investigating _____?

_____ you know the _____ a power _____ within _____ range?

_____ to recognize _____ rapid product energy loss?

Do investigators _____ the _____ for _____ breakdown _____ in _____ product _____?

_____ know _____ there was _____ all of your product ranges?

Does _____ investigation uncover _____ usual _____ sporadic _____ disruptions among our _____ so _____?

_____ contributing to the unexpected _____ of energy in _____ product _____?

Have investigations discovered _____ the _____ loss in _____ products?

_____ could be _____ sudden _____ loss in a _____ line.

Is there a _____ loss of power throughout _____ range?

Are _____ aware of any _____ factors that _____ a _____ power in _____?

_____ investigators know the _____ of the _____ a _____ line?

_____ there a _____ for _____ within products?

Do _____ the _____ power _____ across _____ of your products?

Does the _____ uncover the usual _____ behind the _____ of our _____?

_____ we _____ consistent causes _____ power _____ our range?

Do _____ know _____ there _____ a sudden _____ in a product _____?

_____ we find _____ of _____ failure in _____?

_____ causes _____ sudden power loss in _____ line up?

What _____ major contributors to _____ product power _____?

_____ reason _____ the _____ energy _____ in our lineup?

Are _____ any common causes _____ in our _____?

The ____ loss of ____ our product ____ been ____ of investigations.
 ____ there ____ sudden power ____ across our products?
 ____ it possible that investigations ____ for power failure ____ ?
 ____ are causes of power ____ in ____ .
 ____ are the ____ for ____ in ____ across products?
 Can ____ causes ____ product ____ loss?
 ____ you know the ____ the ____ within ____ products?
 Is ____ a ____ cause for ____ outages ____ models?
 ____ investigation uncover usual culprits behind ____ disruptions in ____ supply ____ ?
 ____ identify ____ causes ____ powerloss in the ____ line-up?
 ____ investigations ____ of ____ loss in our product line ____ ?
 Does ____ investigation ____ usual ____ of ____ power ____ ?
 ____ drop reasons for our ____ ?
 Was ____ any consistent aspects ____ the unexpected ____ energy throughout the ____ ?
 Are ____ aware ____ recurring ____ behind ____ breakdown in power ____ product ____ ?
 ____ has unexplained blackout ____ are ____ discovered yet?
 Has ____ the ____ of energy ____ across ____ line-up?
 Are there ____ the ____ loss of ____ in our ____ ?
 ____ there any ____ elements ____ unexpected ____ of energy ____ our ____ lineup?
 Reasons ____ drop in ____ across ____ ?
 ____ the sudden ____ loss in our product ____ ?
 ____ investigations ____ the causes ____ power loss in ____ line ____ ?
 What causes ____ do investigations ____ ?
 Can ____ the ____ of ____ power ____ ?
 Have investigations identified ____ reasons ____ loss in ____ ?
 Did ____ uncover ____ causes ____ power ____ in ____ products?
 Can investigations ____ responsible for ____ ?
 Do ____ what ____ recurring ____ behind the ____ in power in ____ product ____ ?
 ____ the root ____ of power ____ in ____ range?
 ____ any recurring ____ the sudden loss ____ power in ____ line?
 How ____ determining ____ causes of ____ in ____ range.
 Is there ____ reason ____ unexpected ____ our lineup?
 ____ caused the ____ breakdown in power in ____ products?
 Have investigations shown ____ powerloss in the ____ ?
 ____ investigations identified the ____ of power ____ in ____ product ____ ?
 ____ know why ____ was a power failure ____ the ____ ?
 Can ____ find ____ prevalent ____ that ____ rapid ____ loss?
 Is ____ for sudden ____ drop ____ our line-up?
 ____ recurring ____ are ____ sudden breakdown ____ in our product ____ ?
 ____ the ____ of powerloss in ____ product line up?
 ____ discovered ____ causes of ____ in our ____ line-up?
 Can the ____ causes of sudden ____ ?
 ____ you know the reasons ____ failure in your product ____ ?
 Do ____ know what ____ breakdown ____ power in our ____ ?
 Did ____ common ____ cause the sudden ____ loss ____ ?
 ____ investigations identified ____ sudden power loss in ____ products?
 ____ pinpointed the cause of ____ product ____ up?
 ____ there ____ for ____ failure ____ all your products?
 ____ reasons ____ our products?
 Do ____ was a power failure ____ all of ____ ?

Were _____ any _____ that caused _____ power in our product _____?

Investigations might have _____ factors behind sudden _____ a _____.

There were possible _____ power _____ in _____ product _____.

Is _____ understanding _____ common triggers that lead _____ instant _____ across our range of _____?

_____ investigations identify _____ causes _____ in the product _____?

What _____ the _____ causes _____ power out _____ the _____?

Do investigators _____ the _____ in _____ product line _____?

_____ we find _____ reasons _____ sudden _____ loss in our _____?

Did there _____ causes of _____ in our _____?

_____ reason for unexpected energy cuts _____ the _____ offer?

Is _____ any _____ causes that cause _____ our lineup?

_____ there _____ cause of _____ Failure in _____ products?

Have we _____ culprits _____ power _____ in our _____?

_____ any recurring _____ abrupt loss of power _____ our product _____?

_____ any _____ cause of unexpected _____ within our product _____?
