

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Online Banks and FinTech Companies |
| Inquiry Category | Mobile app functionality and support |
| Inquiry Sub-Category | Security Concerns |
| Description | Inquiries regarding account security, such as suspicious activity, lost or stolen devices, or questions about multi-factor authentication, are common in this category. |
| Data Size | 5,044 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Online Bank and FinTech Company" customer inquiry. (Purchased data will not be masked.)

____ you explain ____ authentication works ____ the mobile ____?

____ it ____ some light on how multi-factor ____ for your ____?

____ tell ____ the multi-factor security ____ your ____.

____ does ____ mobile app's multi-factor ____?

I want to ____ multi-factor ____ the ____ app.

Do ____ know how ____ in your ____?

____ there ____ explanation ____ the multi-factor ____ the ____ app?

____ does ____ app's ____ work?

____ need ____ how the mobile ____ functions are.

____ a ____ app ____ multi-factor security?

____ describe mobile app's multi-factor ____ process?

How ____ mobile app's ____ function ____?

Can ____ tell me more ____ multi-factor verification ____?

____ tell us about ____ multi-factor ____ is implemented ____ your ____?

____ the ____ multi-factor auth ____ app?

How ____ allow for multi-factor ____?

Please ____ me ____ about ____ multi-factor authentication.

____ would ____ an explanation ____ the working ____ behind ____ on your ____.

____ to ____ the mobile application's multi-factor ____ functions.

Explain ____ mobile ____ multi-factor ____.

____ you ____ the workings of multi-factor ____ app?

I don't ____ how ____ authentication ____ the mobile ____.

How ____ a mobile ____ with ____?

Discuss ____ way ____ mobile app ____.

Please tell ____ about the ____ app's ____.

Can you ____ me ____ the mobile app's ____?

____ possible to explain ____ Authentication works for ____ app?

Can ____ how multi-factor ____ works on ____ app?

_____ multi-factor auth _____ on this mobile app.

Do you know _____ of _____ your _____ app?

How is _____ authenticating?

I'm curious about how _____ security _____.

_____ an explanation of _____ mobile _____.

Multi-factor _____ for _____ gimme _____?

_____ does _____ work _____ this app?

_____ does the mobile _____ validation _____?

_____ does multi-factor _____ the mobile _____?

Can _____ tell _____ the _____ of _____ my _____ app?

_____ the way in _____ mobile app _____ auth.

Please tell _____ more _____ on my _____ app.

Discuss the _____ mobile _____ multi-factor _____.

I _____ know more about _____ the app.

_____ need to _____ application's multi-factor authenticating _____ work.

Explain _____ is done _____ the mobile app.

_____ you know _____ mobile _____ security works?

We want to _____ mobile app's _____ authentication.

Can you explain to _____ how _____ app?

I _____ curious about _____ mechanism behind _____ your app.

_____ would like _____ the working mechanism behind the _____ on _____.

_____ the way _____ is done in _____ app.

_____ want _____ know how _____ works _____ the _____ app.

_____ like _____ know the _____ of multi-factor _____ on your _____ application.

Explain _____ is used _____ mobile _____.

_____ on multi-factor _____ for the app?

_____ does the _____ app _____?

How _____ in the app?

_____ the multi-factor login _____ mobile application?

I _____ to know how _____ authentication _____ your _____.

_____ a concise _____ how _____ works _____ your mobile _____.

Can you _____ about the features _____ on _____ app?

_____ you explain _____ verification _____ the _____ app?

Is _____ describe the workings of _____ auth _____ apps.

_____ a breakdown of _____ multi-factor authentication _____ within _____.

I need to know _____ the mobile _____.

_____ an explanation for _____ of _____ app verification?

I need _____ the _____ app's multi-factorAuthentication _____.

The basic _____ authentication _____ an _____ please?

Can _____ tell _____ the _____ authentication on my mobile _____?

What _____ the function of _____?

_____ me _____ the mobile _____ does _____.

Tell _____ the _____ multi-factor _____ function works.

_____ possible _____ the mobile app's multi-factorAuthentication _____?

What is _____ for using _____ authentication _____ app?

How does _____ authorization _____ work?

How _____ you _____ in your _____?

_____ workings of multi-factorAuthentication _____?

I _____ know how _____ authentication is implemented _____ app.

I _____ like to _____ more _____ the _____ mechanism behind _____ on _____.

How _____ multi-factor nonsense _____ in _____ app you _____?

_____ how to _____ multi-factor auth in _____.

_____ multi-factor verification on _____ app?

_____ need _____ know _____ about the mobile _____ login.

_____ about mobile app's multi-factor _____.

I would like to _____ application _____ multi-factor authentication _____.

What _____ the process _____ using multi-factorAuthentication _____ mobile _____

_____ a _____ the working _____ behind multi-factor authentication _____ your _____ application.

_____ would _____ to know _____ to _____ multi-factorAuthentication _____ the _____.

_____ give _____ explanation of _____ login for _____ app?

Is _____ a mobile _____ multi-factor login?

_____ there a process for _____ verification _____ mobile _____?

_____ the working mechanism behind _____ Authentication _____ my _____ application.

_____ the _____ app's multi-factorauthentication _____?

_____ it _____ to explain the _____ multi-factor _____ in your _____?

_____ you tell _____ to use multi-factor security _____?

_____ you have a breakdown of _____ works _____ your _____?

Can you _____ the app?

_____ the way multi-factor _____ done _____ the mobile _____.

Please _____ about the _____ app's _____.

Please tell me _____ on _____ mobile _____.

Can _____ us more _____ about _____ in the _____?

_____ involved _____ the multi-factor _____ the mobile app?

_____ about _____ app's multi-factoring.

Is it possible _____ explain _____ process _____ mobile apps?

_____ you _____ function of multi-factor authentication _____ my mobile _____?

_____ ask _____ the working mechanism _____ authentication _____ your mobile _____?

I _____ an _____ on the _____ behind multi-factor _____ your application.

Provide a _____ of how _____ is utilized _____.

_____ more about the mobile _____.

_____ does that _____ nonsense work _____ app?

_____ you tell _____ more _____ of the mobile app?

_____ let me _____ the multi-factor security of _____.

_____ is the _____ of _____ authentication for _____ mobile _____?

_____ the function _____ the _____ multi-factor security.

_____ explain how _____ mobile app's _____ security works?

What _____ workings of multi-factor _____ an app?

_____ me more _____ in the _____ app.

Is _____ tell me _____ authenticates _____ mobile app?

How _____ mobile app's multi-factor _____?

_____ the story _____ multi-factor _____ app?

Provide _____ of _____ is utilized within your _____.

How _____ the _____ app's _____ functions?

_____ you have any _____ the function _____ on _____ mobile app?

Do you _____ function of _____ your mobile _____?

_____ curious _____ the _____ mechanism behind multi-factor _____ in _____ application.

Explain how the multi-factor auth _____ done _____.

Tell me _____ the _____ app.

_____ would like _____ know the working _____ verification _____ my mobile _____.

_____ is the _____ multi-factor?

_____ the _____ app's multi-factor feature _____?

_____ work for _____ mobile app.

_____ you _____ description _____ the multi-factor authentication _____ of _____ app?

Can _____ how _____ is implemented for _____ app?

We _____ to _____ more _____ mobile _____ multi-factor authenticating.

Let _____ how _____ app's multi-factor authentication _____ works.

_____ do _____ app's _____ authenticate?

Clarify _____ app's _____

How _____ you implement _____ for your _____?

How is mobile _____?

I _____ to _____ there is _____ mechanism behind multi-factor _____ on your _____.

_____ want _____ the workings of _____ auth _____ my _____.

_____ you tell _____ the functions _____ my mobile app?

_____ a _____ of _____ your mobile _____.

What's _____ mechanism behind _____ multi-factor _____?

How do _____ security _____ mobile app?

_____ mobile _____ how _____ multi-factor _____ work?

An _____ multi-factor auth _____ with _____ apps

Do _____ an _____ mobile _____ MFA?

_____ the workings of _____ in your app?

Provide _____ how multi-factor _____ in _____ mobile app

Can you _____ multi-factor Authentication _____ mobile app?

_____ mobile app's _____ function work?

_____ there _____ that multi-factor authentication _____ for _____ app?

_____ how _____ multi-factor authenticating _____ possible.

_____ you _____ description of multi-factor auth _____ app?

Can you tell _____ about _____ process _____ multi-factor authenticating _____?

_____ app multi-factor _____ up?

_____ there _____ for _____ multi-factor authentication in your _____?

How _____ you _____ mobile app?

How does multi-factor authentication work _____?

I _____ interested _____ how _____ application's multi-factor authentication _____.

The _____ workings _____ authentication on _____?

_____ are the _____ on multi-factor _____ for _____?

Clarify mobile _____ approach

_____ would _____ more about _____ mechanism _____ multi-factor authenticating on your _____ application.

I would like _____ how _____ in your app.

Explain mobile _____.

_____ like to know how _____ application's multi-factor _____.

_____ mobile _____ multi-factor security _____.

_____ curious _____ multi-factor _____ is implemented _____ your _____ app.

_____ multi-factor Authentication _____ in _____ app?

gimme deets, how _____ app?

How _____ a mobile app?

How does _____ app _____ protection?

_____ need _____ information _____ mobile _____ multi-factor _____.

How _____ work _____ phone apps?

_____ like _____ how _____ application performs multi-factor authentication.

I _____ to _____ more about _____ mechanism behind _____ authentication _____ your mobile _____.

How does _____ the mobile app?

Explain multi-factor security _____.

_____ you _____ how _____ is used in the _____ app?

Is _____ a process for _____ of _____ mobile _____?

Can you tell _____ works _____ the mobile _____?

_____ you tell me more _____ the _____ app?

_____ to know how I _____ for _____ app.

_____ breakdown of how multi-factor authentication _____ your mobile _____.

Do you have _____ process _____ mobile _____ verification?

Provide _____ of _____ Authentication _____ in your mobile _____.

I _____ the _____ mechanism _____ authentication on your application.

Can you _____ I _____ multi-factor _____ for the app?

_____ does _____ authenticating _____ for _____ mobile _____?

How _____ this _____ app _____ with _____?

_____ do _____ explain multi-factor _____ app?

_____ tell us _____ about the _____ of _____ mobile _____.

I want _____ working mechanism behind _____ my _____ application.

_____ how and _____ multi-factor authentication _____ in _____.

Can you give _____ explanation of _____ verification _____?

_____ happens when you _____ your mobile app?

_____ you have a _____ app, _____ me _____ security?

_____ the _____ app's _____ work?

_____ want to _____ to _____ security for my _____.

Can you _____ functions of multi-factor authentication _____ mobile _____?

_____ does _____ mobile _____ work with _____?

_____ it possible to state the _____ multi-factor _____ your _____?

_____ does _____ auth _____ with _____ applications?

Please explain the function _____ your mobile _____.

Clarify the _____ app's _____.

_____ how mobile app multi-factor _____.

Can _____ overview _____ mobile app's _____ authentication process?

_____ need _____ know _____ use _____ in the app.

Clarify _____ authentication approach

Tell _____ MFA _____ in your _____?

_____ you _____ me about the mobile _____ multi-factor _____.

_____ is the process of _____ in _____ app?

_____ wanted to know _____ the _____ application's _____ functions.

I _____ an explanation _____ the working mechanism _____ multi-factor _____ application.

Was it possible _____ of multi-factor auth _____ apps?

Can you _____ how _____ authentication _____ implemented for _____ app?

Explain how the _____ in this mobile _____.

How _____ in your _____ app?

Is it _____ detail _____ app's _____ Authentication _____?

How _____ with _____ apps?

_____ you _____ the _____ login _____ the mobile _____?

_____ explain how _____ verification works in _____ mobile _____?

I _____ know about _____ app's multi-factor _____.

How _____ multi-factor Authentication work _____?

_____ how the _____ app has _____.

Is it _____ to _____ the _____?

How do you _____ authenticity _____ mobile _____?

_____ you _____ multi-factor Authentication _____ a mobile _____?

_____ does _____ work _____ the _____ application?

Is it _____ show the workings _____ your apps?

Tell me about _____ app.

Can _____ to _____ multi-factor authentication for my _____?

What _____ function of _____ in _____ app?

Give _____ concise breakdown _____ how multi-factor _____ in your _____.

_____ app's _____ authenticating functions work?

_____ you _____ the _____ of multi-factor Authentication _____ app?

Clarify _____ multi-factor _____ function works.

Explain _____ why _____ works in _____.

Tell me _____ the _____ app.

How does multi-factor login _____?

Is there _____ to _____ the workings _____ your apps?

Please tell _____ more _____ app's _____.

Can _____ how multi-factor _____ on the app?

I wanted _____ know _____ security _____ the app.

_____ does _____ app _____ with _____ verification?

Is there a _____ detail _____ authentication process?

_____ does multi-factor _____ work _____ application?

I'd _____ know how the _____ multi-factor security _____.

_____ you _____ me about mobile _____ process?

I'd _____ the mobile _____ multi-factor Authentication functions _____.

How _____ work in your _____?

_____ a concise _____ of how _____ authentication _____ in _____ mobile _____.

_____ to _____ mobile _____ multi-factor

_____ work for the mobile _____?

_____ the workings _____ auth in _____ app?

What is _____ process of _____ in your _____?

_____ need _____ know how _____ use multi-factorAuthentication _____ app.

_____ does _____ on the mobile _____?

_____ process _____ using multiplefactorauthentication in _____ mobile app?

_____ it possible _____ explain _____ the _____ app's _____ works?

I want to _____ mobile application's _____ functions are.

Can you _____ me about _____ feature _____ mobile app?

_____ breakdown of _____ is used within _____ mobile _____.

_____ know _____ mobile app _____ works?

Is there _____ way to outline the _____ your _____?

_____ verification is _____ your app?

_____ mobile app _____?

Can you tell _____ use multi-factor security _____ app?

_____ let us _____ the _____ account _____ the mobile _____.

How _____ multi-factor _____ mobile application?

Can _____ me _____ is _____ in the mobile _____?

_____ how to use _____ authenticating.

I _____ like _____ working mechanism _____ multi-factor login _____ your mobile _____.

I need to _____ mobile _____ authenticating works.

Please tell _____ my _____ app.

_____ multi-factor auth.

_____ app's _____ login _____ be _____.

____ Multi-factor ____ works in ____ ?

____ you ____ mobile app's ____ security process?

Tell me ____ the app.

____ way ____ app handles multi-factor ____.

How ____ work for ____ app?

____ how to ____ mobile ____.

Mobile app's ____ security approach ____.

Can ____ the ____ process of ____ mobile app?

____ multi-factor authentication ____ on ____ mobile ____.

Basic ____ of ____ on ____ please?

How ____ authenticating work ____ app?

How ____ multi-factor ____ my app?

Please let ____ mobile app's multi-factor ____.

____ multi-factor auth ____ with phone ____

____ multi-factor security ____ in ____ app?

Is ____ a ____ to ____ is implemented ____ your app?

____ you ____ a ____ multi-factor Authentication in ____ mobile app?

____ an ____ mobile app MFA.

____ mobile app's ____ feature ____?

Can you ____ me ____ multi-factor ____ for ____ app?

____ give me an explanation ____ login ____ the mobile ____?

____ would ____ know how the ____ multi-factorAuthentication functions.

Please explain the multi-factor ____.

Can ____ tell ____ authentication ____ implemented for your app?

How ____ a mobile app?

____ there ____ for mobile ____ login?

____ is the mechanism ____ feature in ____ app?

Clarify ____ app's ____.

____ multi-factor ____ work ____ mobile app?

____ multi-factor authentication ____ is ____ clear.

____ the ____ of ____ in your mobile application?

____ mobile app's multi-factor ____.

____ want ____ know how ____ implemented ____ my ____ app.

Explain how mobile ____

____ multi-factor authenticate on a ____?

____ does ____ work in the ____

____ me about multi-factor ____ for mobile ____?

I ____ to ____ mobile app's multi-factor ____.

Explain how multi-factor ____ in this ____.

____ you ____ the workings of multi-factor ____ your ____?

Please explain the functions ____ on your ____.

____ app use multi-factor verification?

____ you ____ multi-factor ____ process of the mobile app?

____ how ____ security works in ____ app.

____ there a ____ of multi-factor access in your ____?

____ me ____ mobile app's ____.

Can you ____ multi-factor Authentication ____ in ____ app?

How ____ you ____ the process ____ mobile ____ verification?

____ want ____ how the mobile application's multi-factor ____.

____ an ____ the working ____ behind ____ security on your mobile ____.

how does multi-factor _____ mobile _____
_____ does _____ app use _____?
_____ me more _____ security on _____ mobile app.
_____ mobile _____ work _____ multi-factor identification?
_____ is _____ the mobile app's multi-factor authentication _____.
_____ want to know _____ of mobile _____ multi-factor _____ is.
Let me _____ about _____ the mobile app.
With _____ how does _____ function?
_____ in a mobile app?
The _____ feature in _____ a question.
How does _____ multi-factor verification?
_____ you know the _____ of _____ on _____ app?
How is _____ authentication _____ mobile _____?
_____ a way to _____ the _____ mobile app _____?
Is there _____ multi-factorAuthentication in _____ mobile app?
_____ like _____ know _____ the mobile application uses _____.
_____ does this multi-factor _____ work _____ mobile _____?
Is _____ to detail the _____ app's _____ Authentication _____?
Can you _____ about the mobile _____?
Can _____ tell me how _____ authentication _____ app?
Do _____ know how _____ in your mobile _____?
_____ do _____ authentication _____ the _____ app?
_____ of multi-factor _____ on _____ app?
_____ function _____ multi-factor authenticating on your mobile _____?
Can you _____ multi-factor _____ works _____ mobile app?
Is it possible _____ detail _____ mobile _____ multi-factor _____?
_____ you give a _____ the multi-factor _____ process _____ the _____?
Can you _____ me _____ in _____ app?
_____ tell _____ how _____ use multi-factor verification _____ app?
_____ does the _____ use _____ authentication?
_____ multi-factor _____ work _____ phone apps?
_____ do you use _____ Authentication _____ app?
How are _____ security _____ in _____?
Provide _____ breakdown of how _____ works within _____
_____ the mobile app's multi-factorauthentication _____?
_____ know about _____ app's multi-factorAuthentication.
_____ multi-factor _____ implemented in _____ app?
I _____ an explanation _____ mechanism behind _____ verification on _____ application.
_____ explain mobile app's _____.
_____ know how the multi-factor _____ of the mobile _____.
_____ a _____ in _____ authentication is _____ for your app?
You _____ tell me about _____ security.
_____ me know about the multi-factor _____ in _____.
How _____ multi-factor _____ in _____ app?
_____ do you _____ the _____ of _____ this app?
Tell us _____ app's multi-factor _____.
_____ how multi-factor _____ is done _____.
How _____ authentication used _____ your _____?
Please _____ know _____ the mobile _____ multi-factor _____.
_____ Authentication work in _____ app?

_____ you know why _____ mobile _____ a _____ login?
_____ tell me how _____ use _____ the app?
_____ like to _____ application's multi-factor Authentication functions are.
_____ to _____ about the _____ multi-factorAuthentication.
How does _____ work for _____?
Explain _____ app's _____ works.
Explain _____ multi-factor _____ in this mobile app.
I would _____ to _____ multi-factorAuthentication on _____ mobile application.
_____ multi-factor _____ of _____ app.
_____ the way _____ which _____ mobile app _____ multi-factor _____.
How _____ work _____ mobile app?
I _____ like _____ how _____ multi-factor authenticate for the _____.
_____ mobile app's multi-factor authentication works.
What _____ it _____ use _____ authentication _____ mobile app?
_____ can _____ mobile _____ use _____ security?
_____ app work with _____?
How _____ work for this _____?
_____ would like _____ about _____ working mechanism of multi-factor _____ on _____.
If _____ have a mobile _____ please _____ me how _____.
_____ does _____ in the mobile _____?
_____ explain the _____ MFA.
How _____ with _____ apps?
_____ how multi-factor auth is _____ app.
If you have _____ mobile app, _____ me _____.
_____ how _____ verification works _____ app.
I want to _____ the working _____ my mobile _____.
_____ tell _____ features of multi-factor _____ on your _____ app.
_____ explanation about the mechanism _____ multi-factor security _____ application.
_____ do _____ explain _____ login _____ app?
I want _____ know _____ the _____ Authentication.
I _____ to _____ authentication is implemented _____ app.
_____ us a breakdown _____ how multi-factor _____ used _____.
_____ would like to _____ about the _____ multi-factor _____.
How do _____ protection _____ app?
Clarify the mobile _____ multi-factor _____.
Explain the features _____ security.
Explain _____ multi-factor verification.
_____ you talk _____ the _____ the mobile app?
_____ you _____ mobile app's multi-factor _____?
_____ discuss the multi-factor login _____ the _____?
_____ for mobile _____
_____ me about multi-factor _____ in your _____.
Can _____ about _____ authentication in _____ mobile app?
I _____ like _____ working mechanism _____ security on my mobile _____.
_____ about mobile app's _____ verification.
_____ me about the _____ feature _____ the _____ app.
Clarify _____ approach _____ multi-factor security _____ the _____.
Do you know _____ security _____ your mobile _____?
_____ about _____ multi-factor login of _____ mobile app?
Can _____ give _____ description _____ multi-factor _____ process of _____ app?

I _____ how multi-factor authentication is _____ my _____ app.

How do _____ multi-factor _____ the mobile app?

_____ can mobile app _____?

Is it _____ explain _____ multi-factor _____?

_____ you _____ an _____ on _____ process _____ mobile app _____?

Explain _____ benefits _____ multi-factor security.

_____ is _____ of the _____ app's _____ function?

Explain how multi-factor _____ apps.

_____ know how the _____ multi-factor authentication works.

_____ you tell _____ about _____ app's multi-factor _____ process?

_____ you _____ me _____ multi-factor _____ works for _____ mobile _____?

Explain _____ authentication approach _____ the _____.

_____ like _____ know how to use _____ app.

_____ us _____ works in _____ app.

_____ app's multi-factor security _____.

_____ me about _____ mobile app multi-factor _____?

_____ know _____ function of _____ authenticating _____ your mobile _____?

_____ to do multi-factor security _____ mobile _____.

Please, basic _____ of _____ on _____?

Can _____ a description _____ the _____ of mobile _____?

I'd like _____ the application's multi-factor _____ functions _____.

_____ like _____ more _____ mobile app's _____ security.

_____ multi-factor verification _____ for _____ mobile _____?

_____ to _____ to use multi-factorAuthentication _____ the app.

What do you _____ multi-factor _____ your _____ app?

_____ way _____ the workings of multi-factor _____ in your _____?

_____ tell me _____ the _____ on my _____ app.

Explain _____ multi-factorAuth.

I _____ know _____ the mobile _____ multi-factor Authentication _____.

_____ verification _____ on a _____ app?

How _____ app's _____ function?

Provide a _____ how multi-factor authenticates _____ your _____.

_____ the _____ mobile _____ multi-factor

_____ is _____ used in _____ mobile _____?

How do _____ nonsense _____ mobile app?

Is _____ explain _____ multi-factor login of _____ app.

_____ you _____ the _____ of multi-factor authenticate _____ your _____?

_____ a _____ to _____ how the mobile _____ security works?

What _____ process of using _____ authenticity _____ your _____?

_____ me about mobile app's multi-factor _____?

_____ does _____ multi-factor authenticating function _____?

How about _____ the workings _____ multi-factor _____ in _____?

How _____ mobile app's _____ logon _____?

_____ multi-factor _____ approach of _____ app needs _____ clarified.

I would like to know _____ the _____ multi-factor _____.

_____ me about _____ security _____ the _____

Tell _____ about _____ multi-factor login feature in _____.

_____ mobile app's multi-factor _____.

I _____ know about _____ working mechanism _____ multi-factor Authentication _____ mobile _____.

What _____ app's multi-factor _____ work?

_____ does the _____ have a _____ authentication _____?

Can _____ tell _____ more about _____ mobile app's _____?

I _____ like _____ of _____ mechanism behind _____ verification on your _____.

_____ possible _____ explain how _____ works _____ a mobile app?

How can this _____ work _____ application?

Do _____ function of multi-factor _____ your _____ app?

_____ mobile app's _____ auth _____.

Explain how _____ is done _____.

Do _____ function of _____ your mobile app?

How _____ multi-factor login _____ your _____ app?

Can _____ tell me the _____ multi-factor _____ in the _____?

_____ describe _____ mobile app's _____.

I _____ to know _____ multi-factor _____ is _____ on your _____.

_____ do I _____ multi-factor authentication _____?

_____ multi-factor Authentication work _____ mobile _____?

_____ able to _____ the process _____ mobile _____ verification?

_____ the _____ multi-factor _____ on your mobile app?

I'm _____ the working _____ behind multi-factor authentication _____ application.

_____ does multi-factor _____ in _____ app?

_____ you help _____ understand how _____ used for _____ app?

_____ how _____ mobile application's multi-factor authenticating functions are.

_____ would _____ an explanation about the _____ multi-factor security on _____.

I _____ to _____ the _____ app's multi-factorAuthentication _____.

_____ me _____ multi-factor _____ in the mobile app.

_____ does multi-factor _____ in _____ app?

_____ possible to explain how _____ works in _____ mobile _____?

Explain how _____ be _____ with this mobile _____.

How _____ multi-factor _____ works _____ app?

How does the multi-factor _____ in _____ mobile _____?

If _____ have a mobile _____ please _____ multi-factor _____.

I _____ to _____ how _____ mobile _____ multi-factor authenticating _____ work.

Can _____ explain the _____ login?

How does _____ mobile _____ work?

How _____ app's _____ feature work?

Do you _____ explanation _____ process _____ verification _____ a _____ app?

_____ about multi-factor _____ for _____.

I am curious _____ how _____ works _____ mobile _____.

Please _____ the _____ the mobile _____

Can you tell _____ the _____ the _____ app.

_____ a _____ breakdown of _____ authentication works in your _____.

I _____ to know how multi-factor _____ the _____.

How is the _____?

Can you explain how _____ in _____?

I _____ to know how _____ multi-factor authentication _____ the _____ application _____.

_____ multi-factor access function with _____?

_____ about the mobile _____ multi-factor.

_____ to _____ process _____ mobile app multi-factor verification.

_____ about the _____ security.

What _____ the _____ auth in _____ app?

_____ tell _____ about _____ mobile _____ authenticating.

How _____ explain _____ in a mobile _____?

Please _____ more about _____ security _____ mobile app.

How multi-factor _____ implemented _____ your _____?

_____ would _____ know if _____ is a _____ mechanism behind _____ authentication _____ mobile _____.

_____ question about _____ multi-factor _____.

I need _____ I use multi-factorAuthentication _____ app.

_____ would like _____ more about the mechanism _____ multi-factor _____ your _____.

_____ does _____ app _____ multiplefactorauthentication?

_____ want to _____ the details of the _____ authentication _____.

How _____ multi-factor _____ your mobile app?

_____ does multi-factor _____ mobile app?

_____ workings of _____ authentication _____ app, _____?

_____ does multi-factor _____ mobile app?

How _____ security _____ for this _____?

How does multi-factor _____?

_____ do _____ use _____ account _____ the _____?

How _____ app _____ security _____?

_____ authentication _____ on _____ mobile app?

_____ about multi-factor _____ in the _____.

_____ the method of _____ that _____ mobile _____ uses.

What is _____ the multi-factor _____ mobile app?

What _____ mobile _____ multi-factor _____?

_____ explain _____ multi-factor _____ works on _____ mobile app?

_____ the function of multi-factor _____ mobile app?

_____ identification work for this _____?

Do you understand _____ multi-factor authentication on _____?

_____ you _____ the function _____ multi-factor _____ on _____ app?

Explain _____ mobile _____ approach.

Is _____ for _____ verification of _____ apps?

What _____ basic _____ of multi-factor _____ app?

_____ do _____ explain _____ multi-factor _____ in the _____?

_____ does multi-factor _____ work with _____?

I _____ to _____ the application's multi-factor _____ functions.

_____ do you mean by _____ in the _____?

Explain how _____ can _____ with this _____ app.

_____ mechanism behind the mobile app's _____?

Is it possible to detail _____ process _____ app?

_____ multi-factor _____ work for a _____?

Tell _____ app MFA?

Is it _____ to _____ multi-factor auth in _____ app?

Tell me _____ about _____ verification _____ app.

How _____ of _____ auth in _____ app?

_____ you _____ how _____ Authentication is _____ in _____ app?

I _____ is implemented for _____ mobile app.

What _____ the _____ for using _____ mobile app?

mobile _____ working?

_____ breakdown _____ how multi-factorAuthentication works _____ your mobile _____.

_____ would _____ the mobile _____ multi-factor capabilities are.

_____ me _____ app's multi-factor _____.

_____ explain the _____ authentication in _____ mobile app?

May ____ ask ____ the working mechanism ____ multi-factor ____ application?

Can you help me understand ____ of ____?

I ____ like ____ know ____ working mechanism ____ your app.

____ is the process ____ in a ____ app?

I ____ to know ____ mobile application's multi-factorAuthentication ____.

____ would ____ to ____ more ____ the mobile application's ____ Authentication ____.

I need to know how ____ use ____.

____ workings of ____ app

____ how this mobile ____ uses ____.

How ____ on a ____ app

Please tell me ____ about multi-factor Authentication ____.

I ____ an explanation ____ mechanism ____ verification on your ____.

Do ____ know how ____ is ____ your app?

How ____ the mobile ____ provide ____?

____ you ____ multi-factor Authentication works ____ mobile app?

I would ____ to ____ how ____ mobile application's multi-factor ____.

____ there ____ explanation ____ the ____ app multi-factor verification?

If you have a ____ about multi-factorAuthentication.

____ is implemented in your ____?

____ multi-factorAuthentication in the ____ app

____ you know ____ multi-factor authentication function works?

How ____ security works ____?

I'd like ____ know ____ authentication functions of the ____.

____ it ____ to explain ____ multi-factor authentication of ____?

How ____ multi-factor ____ for a ____.

What ____ of multi-factor authentication in ____ app?

____ does multi-factor authentication ____ for ____?

____ want ____ how to ____ multi-factor security for ____.

I have ____ about the process ____ app ____.

____ know about ____ process of mobile ____ verification.

____ wanted ____ how the ____ application's ____ security functions.

How ____ multi-factor ____ with ____ work?

Do you know how ____ multi-factor ____ process ____?

What ____ the ____ the ____ feature in ____ app?

How ____ multi-factor verification ____ the ____?

Provide a ____ breakdown ____ works ____ your mobile ____

____ me ____ the multi-factor ____ on the ____ app.

____ mechanism ____ the mobile app's ____?

Can ____ me more ____ the multi-factor ____ of ____ mobile ____?

What ____ the process ____ in your phone ____?

____ the way multi-factor ____ is done ____ app.

Give ____ concise breakdown of how ____ your ____.

What is ____ using ____ in ____ app?

Is it ____ app's multi-factorlogin?

____ do ____ mobile ____ authenticating?

____ you ____ multi-factor ____ of mobile ____?

Discuss the ____ mobile app's ____.

Would you ____ able to ____ of multi-factor ____ in ____?

I ____ like to know ____ working ____ on your application.

____ let us ____ the ____ app's ____ protection.

_____ the _____ app's multi-factor _____.

_____ security _____ for an app?

How does _____ multi-factor authentication _____?

_____ the workings _____ multi-factor Authentication on _____?

_____ want to _____ how _____ for my app.

How _____ you understand the _____ app's _____?

_____ does _____ work _____ the app?

How does _____ identity verification _____ mobile _____?

Is it possible _____ explain _____ in _____ mobile app?

_____ you _____ of the mobile _____ multi-factor Authentication _____?

How _____ authentication work _____ app?

What _____ the process behind _____ mobile app?

I _____ to know _____ mobile application's _____ function _____.

_____ do _____ app's multi-factor _____ work?

_____ mobile app _____ authenticating.

Do _____ know _____ capabilities of _____ on _____ app?

_____ you _____ process of multi-factorAuthentication in _____ mobile _____?

Provide a breakdown _____ how _____ be _____ your mobile _____.

_____ like _____ how multi-factor _____ is implemented _____ my _____ app.

_____ tell _____ the function _____ on my _____ app?

How do _____ multi-factor authenticating _____?

_____ us _____ mobile _____ multi-factor Authentication.

_____ there _____ way _____ explain mobile _____ login?

_____ do _____ multi-factor authentication _____ the _____ app?

Is _____ detail mobile app's _____ process?

Can you _____ how _____ app's _____ authenticating function _____?

Tell _____ Authentication in _____ app.

Can _____ give _____ information on _____ MFA works _____ your _____?

_____ does _____ app _____ multi-factorauthentication?

Can _____ tell _____ multi-factor _____ works _____ your phone _____?

Can you _____ an _____ the _____ of the _____ app?

_____ multi-factor access work _____ your _____?

Explain how multi-factor _____ done _____ the _____.

I'd like to know how _____ for _____.

_____ am _____ how _____ mobile app's _____ works.

I _____ to know _____ the _____ multi-factor _____ functions are.

I want _____ how _____ mobile application's _____ authentication _____.

_____ tell _____ works on my phone app?

The _____ of _____ an app, please?

You _____ able _____ detail how the mobile application's _____.

_____ you tell _____ about the multi-factor _____ mobile app?

_____ you clarify the _____ the _____?

_____ scoop _____ multi-factor _____ for the _____?

On the _____ app, how _____?

_____ provide a breakdown _____ multi-factorAuthentication _____ in _____ app.

_____ the working _____ mobile _____.

_____ is the process _____ authentication in _____ mobile _____?

Please tell _____ the _____ multi-factor Authentication.

_____ the scoop _____ for the _____?

_____ would like an _____ of the _____ multi-factor _____ application.

_____ how the _____ application's _____ authentication functions work.

Please tell _____ how _____ app's _____ works.

_____ do _____ mobile _____ multi-factor security _____?

Is _____ to _____ workings _____ multi-factorauth in _____ app?

If _____ mobile app, please explain _____ works?

I _____ to know _____ the mobile _____ multi-factor _____ are.

I _____ to know how _____ is _____ your _____.

Please _____ how multi-factor _____ in _____ app.

_____ about app's _____

Is _____ possible _____ describe _____ of _____ in your _____?

Explain _____ done in this _____ app.

_____ does _____ app's _____ authentication function _____?

Explain the _____ multi-factor security _____ app.

_____ to _____ how to use _____ authentication in _____.

_____ more about _____ mobile app.

How do multi-factor _____ app?

_____ tell me about the _____ authentication _____ mobile _____.

_____ does _____ auth work with _____?

_____ does _____ app's _____ authorization _____?

_____ of _____ multi-factor _____ within your mobile app.

I _____ curious about _____ mechanism _____ multi-factor Authentication _____ application.

Explain _____ mobile app.

Is mobile app's _____?

_____ do _____ login for _____ app?

I _____ like _____ know _____ multi-factor authentication _____ my app.

What is the _____ multi-factor _____ the _____?

_____ a breakdown _____ multi-factor is _____ within _____ app

_____ authentication _____ on _____ mobile app?

_____ app's _____ authentication approach

_____ the _____ app support multi-factor _____?

What's _____ of using _____ your _____?

_____ explain how the mobile _____ multi-factor _____.

_____ tell us about _____ multi-factor _____.

_____ the app _____ auth.

Could you tell _____ can _____ authentication _____ the app?

What _____ the _____ of _____ multi-factorlogin _____ mobile app?

_____ a mobile app _____ multiplefactorauthentication?

_____ that _____ mobile app _____ security.

Do _____ have _____ the multi-factor login in the _____?

_____ need _____ know _____ mobile app's _____ Authentication.

Tell me something _____ security.

_____ does _____ mobile app's _____ interaction _____?

_____ you _____ mobile _____ multi-factor login?

_____ approach _____ multi-factor authentication used in _____ mobile _____.

Can you _____ me _____ use multi-factor _____ for _____ app?

_____ Authentication _____ for this mobile _____?

Do _____ function of multi-factorAuthentication in _____ app?

_____ do _____ tell _____ about _____ MFA works _____ app?

Explain _____ the _____ handles multi-factor _____.

_____ am _____ the mobile _____ multi-factor security _____.

_____ the _____ multi-factor auth is _____ mobile app.

_____ possible _____ the workings of multi-factorAuth in _____?

How _____ the mobile _____?

_____ there _____ explanation of multi-factor _____ in _____?

What _____ the _____ app's _____ function _____?

How _____ the _____ multi-factor _____ working?

_____ tell me how mobile _____ verification _____?

How _____ the app _____ security?

What _____ the _____ for the _____?

Is _____ a _____ multi-factor _____ in the _____ app?

How _____ work with _____ Authentication?

_____ the mobile app's multi-factor _____?

How does _____ auth _____ for _____?

How _____ for your app?

_____ multi-factor authentication _____ mobile app needs _____ clarified.

How does _____ authentication function _____?

Can you tell _____ works _____ a _____ app?

_____ a _____ of how _____ verification _____ in your _____ app.

_____ me more _____ the multi-factor security _____ the _____.

_____ me _____ the _____ app's multi-factor _____.

Explain the _____ multi-factor _____ this mobile app.

_____ the _____ mobile app's multi-factor _____

Tell _____ the _____ app's _____.

I _____ like to know _____ multi-factor security for _____.

I _____ know _____ multi-factor _____ for my app.

I'm curious about _____ use multi-factor _____ app.

Explain _____ way this _____ handles _____.

Please let us know _____ app's _____

How does _____ multi-factor Authentication?

_____ me more _____ app's multi-factor login?

_____ a _____ breakdown of how multi-factorAuthentication works _____ your _____.

_____ about the _____ feature?

How _____ does _____ multi-factor authentication _____?

I _____ like to _____ multi-factorAuthentication is implemented _____ app.

_____ to know _____ the mobile application's _____ functions.

_____ provide a _____ of _____ authentication in _____ app.

_____ would like to _____ more _____ multi-factor authentication _____ application.

_____ explanation, how _____ auth work _____ phone _____?

_____ would like an explanation _____ the working mechanism _____ application.

_____ about the multi-factorAuthentication feature _____ the _____.

_____ concise breakdown _____ in your mobile app.

Explain _____ to use _____ security.

How can _____ be _____ in _____ app?

How _____ multi-factor access _____?

Provide _____ breakdown _____ works within _____ mobile app.

Explain _____ the _____ app _____ authentication _____.

Let _____ mobile app's multi-factor _____.

I _____ like _____ more _____ working _____ multi-factorAuthentication on your application.

Explain how _____ performs multi-factor _____.

Did you _____ is implemented _____ your _____ app?

multi-factor _____ app?

_____ multi-factor is performed in _____.

_____ tell _____ how to _____ multi-factorAuthentication for the _____?

_____ like to know _____ the mobile application's _____ authenticating _____.

_____ would like an explanation _____ authenticating _____ my mobile application.

_____ multi-factor verification _____ for _____ mobile _____?

_____ is the process for _____ mobile app?

I would _____ to know _____ the _____ are.

Is it possible _____ multi-factor is _____ the mobile _____?

_____ an explanation _____ mobile _____ multi-factor login?

_____ you _____ me how _____ implemented for _____ app?

_____ would like _____ know _____ mechanisms _____ security _____ my mobile application.

Do _____ the function of multi-factor in _____?

Can _____ explain the _____ security _____ mobile app?

Tell me _____ the _____ mobile _____.

_____ you _____ how _____ is used in the _____?

_____ do _____ think _____ mobile _____ authentication function works?

How _____ app's multi-factor _____ work?

_____ possible to tell me _____ how _____ is _____ your app?

Tell _____ the mobile _____ multi-factor _____.

_____ security for mobile _____.

_____ going _____ multi-factor _____ the app?

_____ does multi-factor auth _____ apps?

How does _____ prove _____ the _____?

_____ something about _____ mobile app's _____.

How does _____ for _____ app?

_____ know how _____ mobile application's multi-factor _____ works.

It _____ mobile _____ multi-factorAuthentication approach.

_____ way multi-factor security _____ in this _____ app.

_____ you know _____ authentication _____ implemented for _____ app?

_____ mobile _____ way _____ doing _____ security.

_____ with multi-factor access for the _____?

How does multi-factorauthentication _____ mobile _____?

Give _____ mobile _____ MFA.

Could _____ give an _____ auth _____ your app?

Explain _____ the _____ strong verification.

_____ want _____ how the mobile app's multi-factor _____.

A _____ with _____?

Can _____ tell me _____ Authentication _____ implemented _____ app?

What _____ the explanation for _____?

Basic workings _____ on an _____?

How _____ mobile _____ feature implemented?

How _____ app's multi-factor _____ work?

Is it possible _____ outline _____ workings _____ in _____ app?

We need to _____ app's _____ function works.

How _____ mobile _____ multi-factorauthentication _____?

How _____ the _____ app's _____ authenticating _____.

_____ you _____ me about _____ app's _____?

Do _____ know _____ basic workings of _____ on _____?

I'd _____ know how multi-factorAuthentication _____ the _____ app.

_____ me _____ about the mobile app's multi-factor _____?

Can _____ tell _____ the multi-factorAuthentication _____ mobile app?

_____ to know _____ is implemented for my _____.

Can you _____ multi-factor security _____ on _____?

_____ tell me about _____ security on my _____?

_____ to know how to use multi-factor _____.

How _____ work _____ mobile app?

I'm curious about the working mechanism _____ mobile _____.

_____ you have _____ please _____ about multi-factor security.

_____ app's multi-factor _____.

_____ to _____ how _____ mobile application's _____ access functions.

Can _____ tell me _____ mobile _____ authentication?

Can _____ more about _____ app's _____ verification process?

_____ tell me _____ the multi-factorauthentication process _____ the _____?

Clarify the _____ to _____ verification.

_____ like to know _____ mobile _____ multi-factor security.

_____ me _____ is implemented in your app?

_____ of mobile app _____ authentication.

_____ a description of how _____ in _____ app.

_____ it clear how _____ works _____ the _____?

_____ mobile app's _____ approach.

_____ does multi-factor _____ look like _____ mobile _____?

_____ does multi-factor _____ on _____ mobile _____?

_____ about mobile _____ multi-factor.

How _____ app's _____ function work?

_____ multi-factorAuth _____ phone apps?

How _____ multi-factor _____ work _____ the _____?

Can you explain _____ login _____?

Can you _____ mobile app _____?

I am curious _____ security _____ your mobile application.

Please _____ more about the _____ authentication _____ app.

_____ to _____ the mobile application's _____ functions are.

How _____ multi-factor _____ that mobile app?

I would like _____ how _____ implemented _____ your mobile _____.

Can _____ tell _____ more about _____ multi-factor _____ the mobile _____?

_____ does this mobile _____ multi-factor _____?

_____ multi-factor verification work with _____?

Let _____ about mobile _____ Authentication.

_____ me about the _____ authentication _____ the mobile app?

Can you explain _____ multi-factor _____ in the _____?

Can _____ me _____ authentication process _____ the mobile app?

_____ the multi-factor authenticated process _____ the mobile app?

I want _____ the _____ multi-factorAuthentication functions.

How's _____ factor _____ app?

_____ you tell _____ more about mobile _____?

Which mechanism _____ behind _____ multi-factor feature _____ mobile _____?

Explain _____ way multi-factor is _____ this _____.

I need _____ know _____ use multi-factor _____ app.

Can _____ tell _____ about _____ multi-factor Authentication _____.

_____ possible to _____ me about _____ mobile app's multi-factor _____?

_____ do the mobile _____ works?

Explain how to _____ mobile app _____.

How _____ I understand _____ mobile app multi-factor _____?

Explain _____ to _____ mobile _____.

What _____ the _____ multi-factor _____ for the _____?

_____ do you _____ in _____ app?

_____ you tell _____ mobile app's _____.

I _____ like _____ more about the _____ behind _____ your application.

Please _____ more about multi-factor verification on _____.

How _____ app's multi-factor _____?

Is _____ clarify _____ multi-factor _____ works _____ the app?

_____ how the _____ does _____.

_____ am _____ the process _____ mobile _____ multi-factor verification.

_____ to multi-factor authentication of _____ app.

_____ tell me _____ function of _____ authentication _____ mobile app.

_____ tell _____ about _____ multi-factor Authentication in the _____.

_____ like to _____ mechanism _____ the multi-factor security on _____ application.

_____ you _____ me _____ workings of _____ auth _____ your app?

_____ is the process _____ using _____ in _____ mobile _____

_____ does _____ work _____ mobile application?

How do you use _____?

_____ am _____ the _____ mechanism behind multi-factor _____ on my _____.

_____ like to _____ the _____ behind multi-factor _____ on your application.

_____ how _____ works _____ app.

How _____ multi-factor _____ used _____ app?

_____ possible _____ explain how multi-factor security _____ mobile app?

_____ multi-factor _____ with phone apps?

_____ does _____ dang mobile app?

_____ multi-factor authentication work _____ app?

Tell _____ more about _____ security

_____ the _____ of mobile app _____?

How do you explain the process _____ multi-factor _____?

How do _____ a _____ multi-factor?

Please _____ light on _____ multi-factor _____.

_____ it possible _____ explain mobile _____ factor _____?

How _____ this multi-factor _____ your mobile app?

_____ the _____ app multi-factor _____?

I _____ for information _____ mobile application's multi-factor _____ functions.

What _____ app's multi-factor Authentication _____?

_____ the mobile _____ provide multi-factor _____?

Is _____ possible _____ explain how _____ works _____ a _____ app?

_____ there a _____ to show _____ multi-factor auth _____ apps?

Tell me about _____ app.

Explain the _____ multi-factor

Can _____ me _____ authentication is implemented in _____ app?

_____ breakdown _____ how multi-factor _____ in _____ app.

_____ is the _____ of multi-factor authenticating in _____?

_____ you _____ a description _____ app's _____ process?

_____ would _____ to _____ how _____ application's multi-factor integrity _____.

Is _____ any information on how _____ implemented _____ app?

_____ it possible _____ the workings _____ multi-factor _____ your apps?
Could you provide an _____ auth _____ your _____?
_____ it _____ to describe _____ workings of _____ auth _____ app?
How _____ work with multi-factor _____?
Is it _____ to _____ multi-factor authentication process?
_____ theMFA _____ usage
_____ multi-factor _____ works _____ apps.
I want _____ know _____ security _____ in the _____.
We want _____ more _____ app's _____ authentication.
Explain _____ multi-factor access _____ be _____ mobile app.
