Do you _____ special _____ software to _____ data _____ your employees?

Do you use _____ special _____ or software _____ you _____ manage _____ access _____?

What systems are used _____ collect, _____ employees?

_____ systems are _____ store and retrieve _____ data?

_____ have specific systems that can _____ or _____ employee _____?

Are _____ using _____ special software _____ or retrieve _____ information?

_____ you use _____ systems _____ software _____ with management, _____ retrieving _____ information?

Do _____ any _____ software _____ help _____ and retrieving employee information?

_____ system _____ you _____ to organize, store, _____ manage employee _____?

_____ is the _____ that you _____ organize, store, _____ employee data?

Do _____ any software _____ help _____ store, manage _____ data for _____?

What _____ used _____ control _____ collection, _____ retrieved information _____ employees?

What _____ you _____ retrieve and organize _____ data?

Do you have _____ systems _____ manage, _____ retrieve employee information?

Do you _____ special _____ that can _____ store, _____ and retrieve data for _____ employees?

What _____ company _____ to collect, _____ and retrieve employee _____?

Do you have any _____ systems that _____ help _____ manage, _____ information?

What _____ or software do _____ use _____ retrieve _____ information

Do you use _____ systems _____ help with _____ storage _____ retrieving _____?

_____ system does your _____ to collect, store _____ data?

What _____ do your _____ to collect, store, and _____ data?

What _____ are _____ and retrieve _____ from workers?

What system or _____ do _____ use to _____ store, _____ retrieve _____?

_____ you _____ special systems or software _____ you use _____ store, _____ information?

What _____ are _____ collect, store _____ retrieve _____ from _____?

_____ systems are used _____ storage and retrieved information _____?

Do _____ manage _____ retrieve _____ using special systems _____ software?

Do you use _____ special _____ to _____ management, storage and _____ information?

_____ or _____ are used _____ employee _____?

_____ system _____ you use for employee _____ gathering, _____?

_____ use _____ systems to help _____ and retrieve employee _____?

_____ systems _____ used _____ control employee _____ collection, _____ retrieval?

Do you _____ software to _____ or _____ information?

_____ you _____ any special _____ or _____ that will _____ organize, _____ access employee _____?

_____ systems that _____ you organize, manage _____ access _____ information?

_____ tools and _____ do _____ control employee _____ collection, _____ and other matters?

What _____ do _____ use to organize, _____ employee information?

_____ any special systems that can _____ storage, _____ retrieving employee _____?

What system _____ to manage _____ collection, _____ and _____ employee _____?

What _____ stores, and retrieve _____?

What _____ software do _____ use _____ store and _____ information?

_____ are used for _____ storing, and retrieving _____?

_____ use any _____ systems _____ helps organize, manage and access _____?

Do _____ special _____ to organize, _____ and access _____ information?

Which _____ you use to organize, _____ and _____ data?

_____ system _____ you using to organize, _____ data?

_____ or systems _____ use to _____ and retrieve _____ information?

Which software _____ systems deals _____?

Do you _____ or _____ can help organize, manage and _____ information?

Do you _____ any software _____ you _____ and _____ information?

Do _____ have special systems or _____ can _____ management, _____ retrieving _____ information?

Do _____ software or special _____ manage or _____ employee information?

What _____ do you use to _____ the _____ information?

What do you use _____ organize, _____ employees' _____?

_____ use any specific _____ systems _____ efficient management, storage, _____ of _____ information?

Do you use _____ with management, _____ and retrieving employee _____?

Do _____ have _____ that efficiently _____ retrieve employee _____?

What _____ do your _____ for employee _____ storage, _____ retrieval?

_____ and _____ are used at _____ company _____ collect, _____ and _____ information _____ employees?

_____ is _____ system _____ and managing employee data?

_____ systems are _____ to collect, store _____ employee _____?

Is there a _____ or software _____ and _____ employee information?

_____ system _____ software _____ you _____ to _____ and _____ employee info?

_____ do your company use _____ and store employee _____?

_____ a _____ to store, _____ or _____ employee information?

Do _____ can help _____ management, _____ and Retrieve employee information?

What systems used to manage the _____ information _____?

Do _____ have _____ systems that can _____ and _____ information?

_____ software _____ you use _____ store, _____ retrieve employee _____?

Do you use _____ that can help with _____ information?

What _____ you _____ to _____ and retrieve information from _____?

Do you _____ special _____ or _____ to store, _____ information?

What _____ to manage _____ information?

_____ system _____ do _____ use to _____ store, _____ retrieve data _____ employees?

_____ systems are used to _____ collection, storage, _____ related _____?

_____ used _____ and retrieve employee data?

What kind of software _____ you use _____ manage _____?

_____ you _____ organize, store _____ retrieve information from your _____?

_____ you _____ software that can _____ with _____ and Retrieve employee _____?

What _____ are used to organize, _____ retrieve _____?

Do you use _____ software _____ management, _____ retrieval _____ employee information?

What system is used to _____?

Is your _____ used _____ manage or retrieve _____?

What _____ to collect, store, _____ employee data

Is there _____ system or software _____ organize, _____ and _____ information?

Do you use _____ or _____ to _____ or _____ information?

_____ systems do you use to collect, _____ retrieve _____?

What _____ you _____ to _____ store _____ retrieve _____ information

_____ and tools _____ your company use to gather, _____ and _____ employees?

_____ use special _____ to _____ manage, _____ retrieve _____ information?

_____ you use _____ can _____ management, _____ and retrieving employee information?

_____ you _____ systems _____ to help you _____ manage _____ employee information?

_____ system/software _____ your employee _____?

_____ you _____ special software to _____ store, _____ retrieve data for _____?

Do _____ have _____ can help you _____ manage _____ retrieve data for _____?

Do ____ use ____ management, ____ and ____ employee information?
 ____ me about the ____ use ____ worker data.

What ____ can ____ manage employee ____?

Does ____ company use any ____ or software for ____ and ____ employee ____?
 ____ software do you use ____ or ____ data?

Do ____ use ____ software that helps ____ manage, and ____ information?
 ____ you use to ____ info?

Do you use any ____ with ____ storage, and ____ information?
 ____ have any software ____ help ____ management, ____ and retrieving employee information?
 ____ do ____ store, retrieve and retain employees' information?
 ____ system do ____ use ____ organize, ____ get ____ data?

Do ____ or software that you ____ efficient employee ____ management?

Do you use ____ systems ____ software to manage, store, ____?
 ____ are used to ____ collection, storage and ____ about your ____?
 ____ are used to ____ employee ____?
 ____ or tools ____ company use to store and ____?
 ____ systems do your ____ use to collect, ____ data?

Do ____ any special ____ or software ____ help ____ and retrieving ____ information?

What ____ or software ____ you use to ____ information.

What system ____ you use ____ organize, store, and ____?
 ____ you use ____ special ____ software that help ____ employee information?
 ____ software ____ can help you ____ and retrieve data for ____ employees?

What ____ are ____ store and retrieve employee ____?

Do ____ any special ____ that helps ____ and retrieve data ____?

What ____ systems used ____ retrieve employee ____?
 ____ the software you use ____ with ____ and Retrieve ____?
 ____ you ____ to organize, store, and ____ employee ____?

Do ____ software ____ systems to ____ or ____ employee information?
 ____ does ____ use to ____ and retrieve employee ____?

Do you ____ system ____ software ____ can ____ with management, storage, ____ retrieval ____ employee ____?

What systems ____ do ____ use ____ and manage employee ____?
 ____ any ____ systems ____ for efficient management, ____ and retrieval of ____?
 ____ systems collect, store, ____ employees?

Which ____ or software ____ use ____ store, or ____ employee ____?

What ____ tools ____ systems ____ company ____ to ____ employee information collection, ____ retrieving?

What system ____ store, and get ____ info?
 ____ are the systems ____ your company ____ to ____ from your employees?
 ____ systems ____ storage, ____ retrieved of employee data?
 ____ you have ____ systems ____ efficiently ____ and ____ employee information?

Do you know ____ your ____ uses to collect, ____ retrieve ____ from ____ employees?

Do ____ have any ____ to efficiently ____ or ____ employee ____?

What systems are used to ____ store ____?
 ____ system do ____ employee information gathering, retention ____ storage?
 ____ system ____ you ____ and manage employee data.
 ____ is the ____ used to ____ retrieve ____ data?
 ____ you ____ special systems that ____ use to store, manage, ____ employees?

What systems or ____ for employee ____ management?

What software ____ you ____ for ____?

What ____ do you use ____ store, ____ manage ____ data?

Do ____ systems for efficiently ____ storing ____ information?

What _____ you _____ manage your _____ information?
 _____ systems _____ used _____ retrieve information from your _____?

Does the software _____ help with _____ retrieving _____ information?
 _____ you use a system or _____ organize, store _____?

What system _____ software _____ to organize, _____ or retrieve _____?
 _____ special systems or software _____ organize, manage, and _____?
 _____ systems are _____ deal with _____?

What _____ are used to _____ employee _____

What is the _____ you _____ to _____ and retain _____?

What tools _____ systems _____ your _____ control employee _____ other related matters?
 _____ to manage _____ collection, _____ and retrieved _____ information _____ employees

Do you _____ systems or software _____ with _____ storage _____ retrieving employee _____?
 _____ or software _____ to organize, store _____ retrieve _____ information?

Are there any specific _____ you use _____ efficient management _____?
 _____ systems _____ to _____ storage and collection of employee _____?
 _____ do you _____ to organize and _____ information _____ employees?
 _____ you use _____ software _____ can help with _____ retrieving _____?

What _____ does you _____ to _____ store or _____ employees?
 _____ system _____ used to _____ manage employee data?

Are you _____ any _____ systems or _____ can help _____ management, _____ and retrieval _____?
 _____ systems or _____ do you _____ to organize _____ employee _____?

Do you _____ any systems _____ can _____ employee information?

What _____ software do you _____ or _____ for your employees?

What systems _____ they _____ employee _____?
 _____ are your _____ tools and systems _____ information collection, _____ and _____ related _____?

Do you _____ a _____ for your _____ information?

What _____ can be used _____ manage the _____ employee information?
 _____ you _____ to organize, _____ or retrieve employee information?

What technology _____ and retrieve _____ data
 _____ specific systems or software that _____ for efficient _____ storage, _____ retrieval of _____?
 _____ use any _____ to _____ manage, and access _____ information?

What _____ tools do you use to _____ retrieve _____ from _____?
 _____ systems are used to _____ your employees?

What _____ store and _____ data?
 _____ systems are used to _____ storage, _____ employees information?

What _____ your _____ use to manage _____ information collection, _____?

Do _____ special systems _____ you store, manage, _____ retrieve data for _____ employees?

What _____ to _____ and store _____ data.
 _____ systems _____ used _____ or retrieve information _____ employees?

Do _____ or retrieve _____ information?

Do you _____ software to _____ manage _____ retrieve _____?
 _____ system/software _____ use _____ organize, store or _____ information?

System used to manage _____ information from _____
 _____ you _____ specific software or _____ for efficient _____ information?

What _____ used to manage _____ collection, _____ retrieval?

What systems _____ manage _____ collection of _____ information?
 _____ system or _____ used to _____ store, _____ employee data?
 _____ you use to keep employee data?

What _____ utilized _____ manage _____ and retrieved information from _____ employees?
 _____ are used _____ manage _____ data?

What _____ does you _____ to _____ store, _____ retrieve the _____ ?
 _____ or software do _____ use to organize, _____ data?
 Do you _____ any _____ help you store, manage, and _____ for _____ employees?
 What _____ do _____ use to store, retrieve _____ organize _____ ?
 Do you _____ any special _____ or software that _____ with _____ employee _____ ?
 _____ you have any _____ or _____ that _____ use for efficient management _____ ?
 What kind _____ software _____ use _____ manage employee _____ ?
 Do you use _____ help _____ manage, _____ access employee information?
 What software does _____ to _____ and _____ employees' _____ ?
 _____ do you _____ information _____ storage _____ retrieving?
 _____ systems _____ are used _____ organize _____ retrieve information _____ employees at _____ ?
 System used _____ collect, _____ employee _____
 What _____ do you _____ organize or retrieve _____ information?
 _____ systems _____ to _____ information regarding your employees?
 _____ you have a system that _____ and _____ ?
 What system _____ organize, _____ retain information from _____ employees?
 _____ system _____ are you _____ to organize, _____ and _____ data?
 _____ software do you use _____ keep your _____ ?
 _____ used _____ collect, store _____ employee data?
 What _____ or software _____ to _____ store, and _____ employee _____
 Do _____ use _____ systems that help _____ and _____ employee information?
 What _____ you _____ to _____ retrieve employee information?
 _____ systems _____ your company use to _____ and _____ information?
 _____ special _____ or systems to _____ and access employee information?
 Do _____ any special software _____ manage, and access employee _____ ?
 Do you _____ special _____ that can _____ you _____ manage, _____ data for _____ ?
 What _____ does _____ to _____ retrieve, and retain _____ for _____ ?
 _____ use _____ special systems _____ help with _____ and retrieving employee information?
 What systems _____ to _____ the collection, _____ and _____ about _____ employees?
 Does the _____ you _____ and retrieve employee _____ ?
 What _____ does _____ organize, retrieve and retain _____ for _____ ?
 What software do you use _____ ?
 Do _____ special systems _____ software that helps _____ organize, _____ access _____ information?
 What _____ the system or _____ that _____ organize, _____ retrieve _____ information?
 Do _____ a specific _____ software for _____ management, _____ of employee information?
 _____ systems are _____ to handle _____ collection, _____ and retrieved _____ ?
 What system _____ you use _____ store _____ information?
 _____ have any specific _____ to _____ manage, _____ or _____ information?
 What technology _____ used _____ store _____ staff _____ ?
 I want _____ know _____ systems _____ software _____ to _____ information.
 What system _____ you _____ organize, store, _____ information _____ employees?
 _____ does you use to _____ manage employee _____ ?
 What system or _____ use _____ store _____ retrieve _____ ?
 What software can _____ use _____ manage _____ ?
 _____ system do _____ to organize, store, and retrieve _____ ?
 What systems _____ the collection, storage _____ of _____ ?
 What _____ are used _____ employee information?
 What _____ do _____ use _____ control _____ ?
 _____ systems are used _____ store and _____ about _____ .
 _____ have _____ software that _____ use for efficient _____ storage, _____ employee information?

_____ you use any _____ can help with _____ storage, _____ information?
 _____ or tool _____ you _____ collect, store, _____ employee data?
 Do you have specific systems _____ manage, _____ employee _____?
 Do _____ software _____ help _____ and retrieve data _____ your employees?
 _____ system _____ software handles _____ you?
 Do _____ software to _____ or retrieve employee information?
 Do _____ use a _____ or _____ keep employees' _____?
 _____ you have special software that can help _____ and _____?
 What system _____ do _____ use _____ and manage _____ information?
 What _____ do _____ to organize, _____ data from employees?
 Do you use _____ systems _____ to manage, store, _____ data?
 Do you _____ special systems _____ help _____ organize, manage, and _____ employee _____?
 Do you have any software or _____ organize, manage _____ access _____?
 _____ you _____ any software _____ manage, or retrieve _____?
 _____ or system _____ use to _____ and retrieve employee _____?
 _____ any _____ systems or software that you _____ efficient management of _____?
 Do you have any specific _____ or _____ the _____ management, _____ employee _____?
 What _____ to manage _____ storage and retrieved information _____.
 _____ software does you _____ to _____ and manage employee _____?
 _____ you _____ any _____ software or _____ manage or retrieve employee _____?
 _____ used _____ organize, store, _____ retrieve employee information?
 _____ tools do _____ company _____ organize _____ retrieve employee information?
 Did you use _____ special systems _____ manage or retrieve _____?
 Do _____ special software to help with management, _____?
 _____ does you use _____ organize, store, _____ employee _____?
 What _____ and tools _____ company use to organize _____ employees?
 _____ use to manage _____ information?
 What systems _____ used to _____ storage _____ data _____ employees?
 _____ system or _____ is _____ organize, _____ and _____ employees' information?
 _____ system _____ use _____ organize, _____ and _____ employees' information?
 _____ systems are _____ to _____ and _____ employee information?
 What _____ do you _____ and retain _____ data?
 What _____ you use _____ organize, retrieve, _____ retain _____ for _____?
 What _____ or _____ is used to manage _____?
 Do _____ store, _____ or retrieve employee information with _____?
 What _____ or _____ do _____ use to organize _____ retrieve _____?
 What _____ systems or _____ use _____ storage, and retrieval _____ employee information?
 _____ you have _____ that you _____ store or retrieve employee _____?
 _____ or _____ use to store and retrieve _____ data?
 What _____ and _____ you _____ to organize, store _____ retrieve _____?
 _____ you use _____ that can help _____ management, _____ employee _____?
 _____ are used to store and get _____?
 Do _____ use _____ or software for _____ management?
 What _____ does your _____ use _____ employee _____ collection, _____ retrieval?
 What system are you _____ for _____ storage, _____?
 _____ system do _____ use _____ organize, store, and _____ information _____?
 Do you _____ a specific system _____ or _____ employee _____?
 Do _____ specific _____ to _____ store or _____ employee information?
 What system _____ do _____ employee data collection and _____?
 _____ system _____ software _____ to organize, store _____ retrieve _____?

_____ a system or software you _____ store or retrieve _____?

_____ systems _____ your employee _____?

What _____ you use _____ data?

_____ systems are _____ to _____ the collection, storage _____ employee _____?

_____ systems _____ tools _____ used by your _____ organize and retrieve _____?

_____ there a system _____ software _____ employee information management?

_____ you _____ systems _____ that you use for employee information _____?

_____ systems _____ software _____ you _____ to collect, store, and _____?

_____ does _____ to store, _____ and retrieve employee _____?

_____ system _____ software do _____ store, organize and retrieve _____?

What _____ and _____ employee _____ storage, and retrieval?

_____ any _____ or _____ that helps _____ manage, and retrieve data _____ employees?

_____ you use any special _____ manage and _____ for your employees?

_____ are used to gather, _____ employee information?

_____ are your _____ tools _____ systems _____ controlling employee _____ collection, _____ other _____?

_____ do _____ to organize, store, _____ retrieve employee _____?

_____ you have software that can _____ management, _____ information?

_____ you use for the _____ employee information?

_____ system _____ software _____ to manage your _____ information?

_____ or software _____ your organization use for _____?

_____ or software _____ you use to _____ store, _____ employees _____?

What _____ and _____ you _____ organize, store, _____ manage employee _____?

What systems _____ tools used _____ your _____ organize _____ retrieve information from _____?

What system _____ do you _____ retrieve _____ retain employees _____?

Do _____ any _____ that helps you organize, manage, and _____?

What _____ and tools _____ your company _____ collect, _____ and _____ information?

_____ system _____ software _____ use to organize, _____ or retrieve _____?

What system _____ using to organize, store or _____?

What system or software _____ you use _____ and _____ data?

Do _____ special _____ or _____ to store, _____ or _____ employee _____?

_____ systems do _____ use to _____ store _____ information?

Do _____ use _____ special _____ that can help _____ management, _____ and _____?

_____ use any _____ or software to store, _____ or _____ employee _____?

_____ are used to store, _____ and _____ employee _____?

_____ system _____ and _____ of your employees?

Do _____ specific _____ for efficient management, _____ and retrieval _____ employee information?

What system or tools are _____ storage, and _____?

What _____ you use to _____ information _____ employees?

What _____ is used to _____ and _____ employees' _____?

How _____ systems used _____ manage _____ storage _____ retrieved _____ about employees?

_____ you have _____ systems that _____ use _____ efficiently _____ retrieve _____ information?

Is there _____ system _____ software _____ you use _____ employee _____?

What _____ used _____ collect, _____ retrieve employee data?

_____ company _____ to collect, _____ and retrieve employee data?

What _____ do _____ organize, _____ data from your employees?

Do _____ have _____ software _____ that _____ efficient management of employee information?

_____ system _____ you _____ to store and retrieve _____ data?

What software _____ you use _____ retrieve employee _____?

_____ you use _____ special _____ that _____ assist _____ management, storage, and Retrieve _____?

_____ system _____ software does _____ use _____ employees' data?

What ____ or ____ used to manage ____ employees' ____?
 ____ use any ____ that can help ____ of employee information?
 ____ have ____ that ____ storage, or ____ employee information?
 Do ____ use ____ systems ____ help with ____ and retrieving ____ information?
 Do you ____ any ____ with management, storage and retrieve ____?
 Do you use ____ software ____ store, ____ data ____ your ____?
 ____ systems used ____ collect, ____ and ____ employee data?
 ____ you ____ special ____ that can help with ____ and ____ info?
 ____ systems ____ collect, store and retrieve ____ the employees?
 ____ are ____ manage the ____ storage, and ____ of employee ____.
 What system or ____ to organize ____ employee information?
 ____ you ____ any ____ help you store, ____ and retrieve ____ for ____ employees?
 ____ used ____ manage the ____ and retrieved ____ information about your ____.
 ____ there ____ specific systems or ____ use for the ____ storage, ____ retrieval of ____ information?
 What ____ used ____ retrieve and ____ information about ____?
 ____ systems ____ manage the collection, ____ retrieved information from ____ employees?
 Which ____ to ____ store, ____ manage employee data?
 What system ____ use ____ organize, store, and ____?
 ____ do ____ use ____ retrieve, and retain ____ information?
 ____ or software do you ____ store, ____ manage employee ____
 What ____ do ____ store, organize, and ____ employee data?
 What software or ____ you ____ store and ____ data?
 What ____ are used to ____ retrieve ____ information?
 ____ store and retrieve worker ____?
 ____ or software ____ to organize, store and ____ employee ____
 ____ you ____ special ____ or ____ to store, ____ retrieve ____ for ____ employees?
 ____ and systems your ____ to ____ employee information collection ____ storage?
 What system ____ you ____ organize, retrieve and ____ employees ____?
 Do ____ have ____ managing, ____ or retrieving employee ____?
 Which systems do ____ data?
 What ____ does you ____ manage ____ information?
 What system do ____ collect ____ employee data?
 Do ____ that ____ help with ____ and ____ employee information?
 ____ would ____ to know what ____ and ____ employees ____.
 What ____ do you use ____ manage ____ collection, storage ____ retrieved ____ information ____?
 Do you use any special ____ with ____ and Retrieve ____ information?
 What ____ are used ____ store ____ information from ____
 What ____ you ____ to organize, store ____ recover ____?
 What ____ use ____ organize, retrieve, ____ data from employees?
 ____ house, ____ and retrieve information about your employees?
 What systems are ____ by ____ to ____ retrieve information from ____?
 ____ used ____ manage the collection, storage ____ retrieved ____ about employees?
 Does your software ____ organize, manage, ____ employee ____?
 ____ did ____ use to organize, ____ retrieve employee ____?
 ____ systems ____ used ____ the collection, ____ and Retrieve ____ information ____ employees?
 ____ system or software is ____ organize, store ____ data?
 ____ is ____ system or software ____ use ____ organize, ____ retain ____ information?
 ____ system do you ____ to organize ____ data?
 Is there a ____ or software that you ____ retrieve ____ information?
 What ____ do ____ use to ____ store, ____ employees?

_____ systems are used _____ information gathered _____ your _____?
 _____ tools and _____ do _____ company use for _____ storage, _____ retrieving?
 _____ system/software do _____ use _____ organize, _____ employee data?
 Do you _____ special _____ that _____ management, _____ and retrieving employee _____?
 _____ systems manage _____ and retrieved of _____ about _____
 What _____ software _____ you use _____ store _____ data _____ employees?
 _____ a specific system _____ use to store, manage, _____ retrieve _____ information?
 _____ systems are used _____ and collect employee _____?
 Do _____ special systems that _____ you _____ storage, and Retrieve employee _____?
 _____ tools and _____ company use to _____ employee _____ and related functions?
 _____ anything that _____ you store, manage, and retrieve _____ your _____?
 _____ any _____ or software that helps with _____ storage, and Retrieve _____?
 _____ you using _____ special _____ or _____ can _____ storage, and retrieving employee _____?
 _____ use systems to _____ storage or _____ information?
 Do you _____ special _____ that _____ help _____ manage and _____ employee _____?
 What do _____ collect, _____ retrieve employee data _____?
 _____ systems are used to _____ the _____ storage and _____?
 _____ system can _____ use _____ organize, retrieve, and _____?
 _____ and _____ do _____ to _____ information collection, storage and retrieve?
 _____ are the systems used _____ store _____ employee _____?
 Do _____ have any _____ systems _____ that you _____ store, manage, and _____ data _____ your _____?
 What system or _____ you _____ store, _____ employee data?
 _____ system is it _____ use to organize, _____ retain _____?
 What system and _____ do _____ use to _____?
 What system _____ use _____ organize, store _____ retrieve _____
 What systems are _____ to _____ about employees?
 What system or software _____ utilized _____ and _____ employees' _____?
 What _____ to _____ recover information about _____ employees?
 What systems and _____ use to _____ and _____ information _____ their _____?
 Do _____ for _____ managing, storing _____ retrieving employee information?
 What _____ are _____ to collect, _____ retrieve data _____ employees?
 _____ you _____ special _____ or _____ that _____ help with _____ retrieve employee information?
 Do you use any system that _____ store, _____ for _____ employees?
 _____ specific _____ to _____ manage, storage and retrieve _____ information?
 _____ you _____ any specific _____ that you use _____ and store employee _____?
 _____ they use to _____ collection, _____ and retrieved of _____ employees?
 What systems _____ software do you _____ to _____ employees' _____?
 _____ used _____ collect, organize, and _____ from your employees?
 _____ use any special _____ that help _____ access _____ information?
 What _____ do _____ to store, _____ and manage _____ information?
 _____ or software do _____ store and _____ employees' information?
 What _____ does your company use _____ store, _____ manage _____?
 What systems _____ use to organize, _____ employee _____?
 Is _____ specific software _____ systems _____ use to _____ store, and _____ employee _____?
 _____ systems _____ to handle _____ data?
 What _____ of system do you _____ to _____ and _____?
 Do _____ use any software _____ systems _____ can _____ with management, _____ of _____?
 _____ you use special _____ or _____ to _____ manage employee _____?
 What system or _____ you _____ employees' data?
 What _____ do you use _____ retrieve _____ retain _____?

Do you _____ systems _____ help with management, storage, _____ ?

Do _____ that can help organize, _____ and access _____ ?

_____ you use any special _____ to _____ you organize, _____ and _____ employee _____ ?

What _____ or software _____ organize, _____ manage employee data?

What _____ or _____ does _____ to organize, _____ and _____ for employees?

_____ you _____ special _____ or software _____ you _____ manage, _____ employee information?

_____ have specific _____ to efficiently manage, _____ or _____ information?

Do you have any _____ or software that _____ help _____ and retrieve _____ for _____ ?

_____ any _____ can help you organize and manage _____ ?

What system _____ you use _____ and _____ employee _____ ?

_____ systems _____ used _____ retrieve information about _____ employees?

Do _____ any specific _____ to _____ store, and retrieve _____ info?

_____ does you use _____ retrieve, and retain _____ employees?

What _____ are used _____ collect, _____ and retrieve _____ ?

_____ system _____ you use for employee _____ and _____ ?

Do you use _____ special systems _____ that will _____ you store, manage, _____ your _____ ?

What _____ you _____ organize, store _____ retrieve employee data.

Do you _____ software to _____ with _____ and _____ employee _____ ?

_____ system do _____ to _____ store, and retrieve _____ ?

_____ you _____ systems for managing, _____ or retrieving _____ ?

Do _____ use any _____ systems that _____ you _____ manage _____ retrieve _____ for _____ ?

_____ systems for management, _____ retrieving employee information?

_____ you use _____ store and retrieve information about _____ ?

_____ you _____ to _____ store _____ retrieve employee information?

What _____ to manage collection, _____ and retrieved information _____ ?

_____ your company using for _____ information _____ retention _____ storage?

Is _____ a _____ system or software _____ manage, _____ and _____ employee information?

_____ systems _____ tools do you _____ to _____ organize _____ from your _____ ?

What system _____ use _____ organize employee information?

Do _____ special systems _____ you store, manage, and _____ ?

What systems are _____ to collect, _____ information?

Do you _____ systems to _____ manage and retrieve _____ employees?

_____ you use _____ the efficient management, storage, _____ retrieval _____ information?

What _____ do _____ employees' data?

_____ system/software do _____ to _____ and _____ employees' information?

_____ systems do _____ control employee _____ collection?

Do _____ use any _____ help with _____ retrieving _____ information?

What system _____ do you _____ store and _____ data?

What are _____ to organize, _____ and retrieve _____ ?

_____ or software help you store, manage, _____ retrieve _____ for _____ ?

Do _____ have _____ systems that efficiently _____ employee data?

What _____ software _____ to organize, retrieve, _____ employees' data?

_____ or tools _____ for employee _____ collection, _____ and retrieval?

What system _____ organize, retrieve and _____ data?

_____ systems _____ software _____ to manage _____ storage and _____ of employee information?

What systems are used to _____ employee _____ ?

_____ do you _____ managing _____ employee's information?

What system do _____ for employee _____ storage?

_____ you _____ specific _____ or software to store, _____ and manage _____ ?

What software is _____ to organize, retrieve, _____ ?

What _____ does _____ to organize, _____ and _____ employee information?
 _____ you have _____ systems that _____ and retrieve _____ information?
 _____ like _____ know what _____ tracks and stores _____
 _____ you have any special _____ that _____ you _____ and _____ your employees?
 _____ do _____ organize, store, and manage employee data?
 What _____ and _____ control _____ collection, _____ and _____ related matters?
 _____ do you use _____ manage _____ collection, storage, and retrieval _____?
 _____ you _____ special _____ helps you organize, _____ and access _____ information?
 _____ do _____ use to organize, store and _____ employee _____?
 _____ you _____ any _____ systems _____ can help you _____ retrieve data _____ employees?
 Do you _____ special systems _____ help organize, _____ access _____?
 What _____ or _____ you _____ retrieve, and _____ employees' info?
 What system _____ you _____ to _____ and _____ employee _____?
 _____ is used for _____ retrieving _____ data?
 _____ you _____ any specialized software that can help you _____?
 What system _____ your _____ to _____ store _____ employee data?
 What _____ collect, _____ and _____ employee _____?
 What _____ to manage data _____?
 What system _____ are _____ to _____ and _____ employee data?
 _____ you _____ systems that _____ help _____ and retrieving _____ information?
 What system _____ use _____ and _____ employee data?
 _____ you use any _____ systems _____ help _____ storage and retrieval of _____?
 _____ you use _____ system _____ efficient management, storage, and _____ employee _____?
 _____ you _____ any special _____ software _____ with employee _____ storage, and retrieval?
 What systems and _____ do _____ company _____ to organize _____ from _____?
 _____ systems _____ to _____ retrieve the _____ from employees?
 _____ tools and _____ control employee _____ storage, and/or _____?
 What systems and tools _____ retrieve information _____ your _____?
 What systems _____ tools _____ your _____ collect, organize _____ from their employees?
 _____ your company _____ systems _____ efficient management, storage, and _____ of employee _____?
 _____ systems _____ you use to _____ your _____ information?
 _____ system is _____ company _____ to gather and _____?
 _____ systems are _____ to _____ and _____ employee information?
 _____ do _____ company use to _____ storage, and retrieve?
 _____ software do _____ use to organize, retrieve _____?
 What _____ software do _____ organize, store, _____ retrieve employee _____?
 Do you have _____ to _____ store _____ for _____ employees?
 What _____ are used _____ and retrieve _____ your _____?
 _____ you use _____ special software or _____ to _____ manage and retrieve _____?
 What system _____ use _____ store _____ retrieve employee _____?
 Do you _____ systems _____ management, _____ and retrieval of employee _____?
 _____ you _____ special software _____ will _____ you _____ and _____ data for your _____?
 What _____ are used _____ and _____ staff _____?
 _____ to manage _____ storage and _____ information _____ employees
 _____ you _____ specific software _____ for _____ of employee data?
 What _____ are _____ using _____ retrieve, _____ retain _____ information?
 What systems _____ software _____ to _____ and retrieve _____ information?
 _____ system or _____ do _____ use _____ and _____ information about employees?
 _____ you _____ systems that help _____ and access employee information?
 _____ you use any special software _____ help with management, _____?

What systems _____ the collection, _____ and retrieved _____ information _____?

What _____ and _____ do _____ organize, _____ and retain employees' _____?

_____ used to organize, _____ retain employees' data?

_____ you _____ specific systems for _____ and retrieval of _____ data?

Do you have a _____ system _____ or retrieving _____?

Do _____ use software _____ you _____ manage _____ retrieve data _____ your _____?

_____ you _____ systems to store, manage _____ retrieve _____?

What software _____ you _____ management _____ employee _____?

Do _____ or systems that _____ help _____ storage, and Retrieve _____ information?

Do you _____ systems _____ manage, store or _____?

Do you use _____ systems _____ for management, _____ or _____ employee _____?

_____ tools and _____ are _____ employee information _____ and other functions?

What _____ you _____ organize, store and retrieve information _____?

What system is _____ organize, _____ and _____ employee data?

_____ collect, stores and retrieve _____?

_____ systems handles employee _____?

Do _____ have any _____ you _____ to _____ manage, _____ employee information?

_____ have any _____ software that you _____ store, _____ and manage _____ information?

_____ software _____ use to organize, store and get _____?

_____ special software _____ help with _____ and _____ employee information?

Do you _____ special _____ you store, _____ and _____ data for employees?

Do you _____ any software _____ helps with _____ employee _____?

_____ you use _____ that _____ with management, storage, and _____ employee _____?

What _____ used to store _____ manage _____?

_____ systems are _____ to maintain _____ storage _____ retrieved _____ from _____?

Do _____ software _____ store, _____ retrieve employee information?

_____ systems are used _____ store _____ information about _____?

What systems are used _____ and _____ employee _____?

_____ does you use _____ organize, _____ retrieve employee _____?

What _____ the tools _____ company uses to collect, _____ retrieve _____ information?

What system or _____ it _____ use _____ organize, _____ retrieve employee _____?

_____ system or _____ use to manage your _____?

What _____ and systems _____ use _____ employee information collection, _____ and/or _____?

_____ system _____ software _____ you use _____ employees' data?

_____ gather and store employee data?

What systems manage the _____ the employee _____?

_____ used to stores and retrieve _____?

_____ are used to _____ information?

_____ and _____ do _____ use to collect, _____ and _____ from your _____?

_____ you _____ systems or _____ can _____ store, _____ and _____ data _____ your employees?

_____ software does you use _____ store, _____ retrieve employee _____?

_____ system do you _____ to _____ about employees?

_____ you _____ any _____ software that helps organize, _____ access employee _____?

Do you use _____ or software to _____ employee _____?

What systems _____ used _____ collect, _____ and retrieve _____.

Do you _____ that can _____ and retrieving employee information?

_____ are _____ to retrieve, store _____ manage _____ employees?

Which system _____ software _____ use _____ organize, _____ and _____ information?

What software _____ organize, _____ and _____ employees' information?

_____ any _____ you _____ that _____ with management, storage and _____ information?

Do _____ have _____ manage, _____ or retrieve _____ info?
 _____ or software _____ you use to _____ employee data?

Do you _____ or software _____ can help you _____ manage, and _____ ?
 _____ system do you _____ to organize, _____ employee _____ ?
 _____ you use any special systems _____ you with management, _____ information?
 _____ you use _____ special systems _____ and _____ for your employees?
 _____ there _____ or _____ you use for efficient management, _____ and retrieval _____ ?
 _____ are used _____ the _____ information from _____ employees?
 _____ any _____ systems _____ software _____ for _____ and Retrieve employee information?
 _____ or software _____ you use _____ organize and _____ data _____ ?

What system _____ you _____ organize _____ retrieve information for _____ ?
 What _____ your _____ for organizing, storing, _____ managing _____ ?
 _____ use any _____ or _____ to store, _____ or retrieve employee _____
 _____ there any specific _____ you _____ for _____ storage, and retrieval _____ employee _____ ?
 _____ the system _____ use to manage employee _____ ?
 _____ or software are _____ using _____ organize, store _____ employee _____ ?
 _____ are _____ to _____ storage and _____ of information about employees?
 _____ manage the collection, storage _____ of _____ about _____ ?

What _____ is your _____ using for employee _____ collection, _____ ?
 What _____ company _____ employee information collection, storage, and retrieve?
 What tools and _____ company _____ control employee _____ and retention?
 What _____ do you _____ store, _____ organize _____ data?
 _____ you use to organize _____ store employee information?
 What _____ you _____ collect, _____ and _____ information from employees?
 Does _____ help with management, _____ retrieving employee _____ ?
 _____ system _____ use to organize, _____ and _____ employee _____
 _____ system or software _____ track of _____ employee's information?
 _____ use _____ organize, store or _____ employee information?
 _____ you use _____ special software _____ systems to _____ retrieve _____ for _____ employees?

What system _____ tools do _____ use for _____ collection, _____ ?
 _____ systems do _____ use to _____ the collection, _____ retrieved _____ employees?
 _____ systems are _____ to _____ information from _____ ?
 _____ store, _____ employee information with _____ special system or _____ ?

What systems _____ to _____ and _____ about your employees?
 Are you _____ special _____ can help _____ and _____ employee information?
 What _____ or software _____ you use to _____ and _____ employees?
 Which _____ does you use _____ retrieve, _____ employees' data?
 Do you have _____ systems _____ retrieve employee data?
 Do _____ systems or software _____ can _____ storage, _____ employee information?
 _____ systems do you use _____ ?
 _____ are _____ the collection, _____ and _____ of employee information?
 What _____ use _____ organize and store _____ information?
 _____ systems are used _____ process _____ ?
 What _____ use _____ control employee _____ collection, _____ and _____ ?
 What _____ are used to _____ information _____ your _____ ?
 _____ system do _____ to organize, retrieve, _____ keep _____ ?
 _____ program _____ you use to _____ retrieve, and _____ ?
 _____ do you _____ store _____ retrieve employee data?

Which system _____ software _____ use _____ organize, _____ and retrieve _____ ?
 Do you use software _____ store, _____ and _____ data for _____ ?

What _____ to keep _____ of _____ information about your _____?

What systems _____ to _____ information _____ employees?

_____ system or software _____ use to _____ retrieve _____ data?

_____ system _____ software does _____ use to organize, _____ manage _____?

_____ use special _____ that _____ you organize, manage, _____ information?

_____ you _____ any systems _____ software _____ management, storage, and Retrieve employee _____?

Do _____ have a system _____ manage, _____ and _____ information?

What software do _____ use _____ and _____ employee _____?

What software do you _____ organize, retrieve _____?

What software _____ you _____ storing, and _____ information?

Do you _____ special _____ help you organize, manage, _____ employee _____?

_____ system _____ company _____ to gather, _____ and store employee _____?

_____ do you use _____ organize and retrieve _____?

_____ use any software that can help _____ access _____?

_____ system can _____ use to organize, store _____?

_____ systems do you _____ to _____ retain employees' _____?

Do _____ systems _____ help you organize, manage and _____?

Do you have _____ storage or retrieve employee _____?

What systems _____ obtain _____ employee data?

_____ tools and systems are used _____ employee _____ other _____ functions?

What _____ to _____ store and _____ information about _____?

What system _____ software _____ you use _____ manage employee _____?

_____ system _____ store, retrieve _____ organize employee information?

What systems _____ software do _____ store and _____ employee _____?

_____ use _____ software _____ manage, _____ retrieve data for your employees?

Do _____ use any systems _____ software _____ help you _____ and _____ employee _____?

What _____ does _____ use to manage employee _____?

What _____ using to _____ information collection, _____ and/or _____?

_____ your company's tools and _____ employee _____ storage, and retrieve?

_____ you _____ any specific _____ for efficient _____ storage, and retrieval _____ employee _____?

_____ any special systems _____ software that _____ help _____ organize, _____ and _____ employee _____?

What _____ use to _____ retrieve _____ retain _____ information?

_____ you use _____ organize, _____ and manage employee _____?

What _____ or _____ do you _____ to _____ care _____ information?

_____ systems _____ used to _____ collection, storage, _____ of _____ information?

_____ are used _____ store _____ collect employee _____?

_____ systems _____ used to store and Retrieve _____ your _____?

_____ use _____ manage the collection, _____ and _____ of employee information?

What _____ use to manage the collection, storage _____ retrieved _____?

_____ you _____ or systems to _____ with _____ storage, and _____ employee _____?

_____ software _____ to _____ and retrieve employee information?

What _____ systems _____ employee information collection, _____ Retrieval?

_____ systems you use _____ management, storage and retrieval of employee _____?

Which tools _____ systems do your company _____ to collect, _____?

What system or software _____ you use _____ or _____?

What _____ of system _____ you use to _____ and manage _____?

_____ you _____ special _____ or _____ store, manage, and retrieve data for _____ employees?

What _____ are _____ data from _____?

_____ you store, manage _____ employee _____ special systems _____ software?

Do you _____ any _____ or _____ help _____ management, _____ and retrieve _____ information?

_____ do you use _____ organize, _____ and retain your _____ ?
 _____ specific software or _____ that _____ use to manage, store, and _____ ?
 _____ you have specific systems that _____ manage, storage, _____ ?
 _____ any special systems _____ software _____ employee information?
 What system _____ to _____ or retrieve _____ information?
 _____ use any _____ that _____ help you organize, manage, and access _____ ?
 Can I _____ out _____ and tracks _____ data?
 _____ or software _____ you _____ organize, store, _____ employee information?
 _____ or _____ do _____ to organize and _____ employee data?
 What system _____ software _____ use for your _____ ?
 _____ you use _____ to store, manage, or _____ information?
 Do _____ use any _____ systems that help _____ manage, and _____ ?
 _____ utilize special systems or software _____ manage _____ information?
 Do you _____ any specific software _____ use _____ management and _____ information?
 _____ system _____ software are you _____ to _____ store, _____ employee _____ ?
 Is there a _____ system _____ that _____ use to _____ manage, _____ and _____ ?
 What _____ or software are _____ store and manage _____ ?
 _____ use _____ software _____ systems _____ organize, manage and _____ information?
 _____ you use _____ special software that _____ with _____ storage, _____ retrieval _____ employee _____ ?
 _____ use _____ systems _____ to efficiently manage, _____ and retrieve employee _____ ?
 What do _____ company use to _____ storage, _____ retrieving?
 Do _____ use _____ software that can _____ you _____ access _____ data?
 _____ software do _____ use to _____ your _____ ?
 What tools _____ company _____ employee information _____ storage, _____ other related functions?
 Do you _____ systems that _____ manage, storage _____ employee _____ ?
 _____ used _____ store and retrieve _____ about employees?
 Which _____ manage employee _____ you?
 How do _____ control _____ information collection, _____ matters using tools _____ ?
 Do you _____ software that will _____ you _____ and _____ data _____ your _____ ?
 What _____ software _____ you use _____ retrieve, and _____ employees' _____ ?
 What tools _____ systems _____ used to control _____ and _____ related _____ ?
 _____ store, _____ retrieve _____ information using _____ special _____ or software?
 Do _____ have systems _____ effectively _____ retrieve _____ information?
 Do _____ systems or software that can help _____ and retrieval _____ information?
 _____ systems or _____ use to _____ or _____ employee data?
 _____ systems _____ software do you _____ and _____ employee information?
 _____ system _____ you use to _____ retrieve, _____ employees' _____ ?
 What _____ are _____ keep _____ of _____ retrieve information _____ employees?
 Are there _____ specific _____ software used for _____ management, _____ of _____ information?
 Do you _____ special systems or software _____ helps _____ and _____ employee _____ ?
 What systems _____ to _____ and _____ information about employees?
 What _____ the _____ and _____ of information about _____ ?
 Do _____ efficiently manage, store _____ retrieve employee data?
 _____ use any _____ systems or _____ that _____ with management, storage, _____ of employee _____ ?
 _____ system _____ you _____ to store and retrieve _____ from _____ ?
 What _____ and _____ used to _____ employee _____ storage, _____ retrieval?
 Do _____ anything that can _____ with management, _____ employee _____ ?
 _____ the tools and systems _____ your company uses _____ information _____ retrieval?
 _____ do you use to _____ retrieve _____ data.
 Do you use any special _____ or _____ help _____ store, manage, _____ retrieve _____ ?

Do you use _____ special _____ that _____ you _____ access employee _____?
 _____ you have any _____ software _____ can _____ organize, manage, _____ information?
 _____ software _____ you use to organize _____ retrieve _____ from _____?
 What _____ you use _____ organize, store, _____ your _____ information?
 _____ you use any _____ software _____ for _____ management _____ of employee information?
 What _____ used to _____ the collection, _____ and _____?
 _____ you _____ any _____ software _____ organize, manage, and _____ employee information?
 _____ you use _____ special system _____ to _____ management, _____ and retrieving _____ information?
 Do _____ systems _____ help with _____ storage and retrieval _____ information?
 Do you _____ special software _____ can help you _____ manage and _____?
 What _____ software is _____ store, and _____ employee info?
 _____ does you _____ store, and manage employee _____?
 Do _____ have any special _____ or _____ and retrieval _____ employee information?
 Do _____ any _____ systems _____ software _____ efficient management _____ data?
 _____ software does _____ use to _____ or _____ the employee _____?
 Do _____ to efficiently manage, _____ and retrieve employee _____?
 _____ system or _____ are _____ using to _____ and retain _____?
 What _____ you use _____ retrieve information from _____?
 Does your software _____ management, storage _____ retrieving _____?
 _____ you use _____ systems or _____ can _____ you _____ and _____ data _____ your employees?
 What system _____ you use to organize, _____?
 _____ any _____ help with management, storage, and retrieving _____?
 Do you _____ any _____ that stores, manages or _____ employee _____?
 _____ any software or systems that _____ help with _____ information?
 _____ system do you _____ employee _____?
 Do you use _____ systems _____ software _____ help _____ employee information?
 _____ you use any _____ efficient management, _____ retrieval of _____ information?
 _____ is _____ to store and recover _____?
 Do _____ system _____ software _____ store employee information?
 _____ systems and tools do _____ company _____ and retrieve _____ from _____ workers?
 _____ you _____ a _____ or software _____ organize, _____ and _____ employee _____?
 What system or software _____ use _____ or retrieve _____?
 _____ systems or _____ do you use _____ efficient management, _____ retrieval of _____?
 Do you use _____ help with management, _____ employee data?
 _____ you _____ special _____ or software _____ and _____ for your employees?
 _____ it use _____ store, _____ manage employee information?
 Which systems _____ collection, storage and retrieved information _____?
 _____ and systems do _____ company use to _____ and storage?
 What _____ store _____ retrieve information _____?
 _____ software do you use _____ your _____?
 _____ are _____ to store, _____ manage information about _____?
 _____ system _____ your company use for employee _____ retention, _____?
 Do you use _____ systems or _____ to store, _____ information?
 Do your _____ manage _____ employee _____?
 What _____ used _____ organize the collection, _____ retrieved _____ information about _____?
 Do _____ have any _____ can _____ retrieve employee information?
 _____ systems or software you use _____ help _____ management, _____ retrieving employee information?
 What _____ tools and systems _____ employee _____ collection, storage _____ other _____ functions?
 _____ any _____ systems or _____ for _____ retrieving employee information?
 What _____ is used _____ store _____ about employees?

What _____ is _____ that _____ use to _____ store, _____ data?

_____ systems manage _____ collection, _____ information about employees?

What _____ software does you use _____ store _____?

Which _____ software do you _____ manage _____ information?

_____ you have _____ systems _____ can efficiently _____ employee data?

What systems _____ used to _____?

Do _____ use _____ systems _____ software _____ store and _____ information?

Does _____ system you _____ store _____ retrieve employee _____?

How are _____ to manage _____ and retrieved information _____ employees?

_____ use any _____ systems or software _____ manage _____ employee information?

_____ have specific _____ that are _____ efficiently manage, _____ retrieve employee _____?

Does your _____ store, _____ employee _____?

Do you have _____ can efficiently manage, _____ retrieve _____?

_____ does _____ to _____ retrieve _____ retain information _____ your employees?

What kind _____ do _____ use _____ organize, _____ retrieve _____ information?

_____ you have _____ systems _____ that _____ you store, manage, _____ retrieve _____ for your _____?

_____ used to store, retrieve and collect _____?

What tools _____ systems _____ you _____ to control _____ other functions?

Do _____ have _____ store, manage, and _____ data _____ your _____?

_____ system _____ you _____ organize, retrieve, and _____ employees' information?

_____ systems _____ used to _____ obtain employee data?

Do _____ have _____ systems that efficiently _____ or _____ information?

Which software _____ and retrieve employee information?

What _____ or software _____ to _____ and retrieve employee info?

_____ software or _____ do _____ to store employee _____?

_____ are _____ to collect and recover _____?

_____ systems do you use _____ collect, _____ retrieve _____?

_____ software _____ to _____ information?

What _____ to store, retrieve, _____ manage _____ information?

_____ type of system _____ software do _____ to _____ store, and _____?

What system _____ organize, _____ manage employee information?

Do _____ use special _____ or retrieve employee _____

Do _____ software or systems _____ help with the management _____?

_____ you _____ any systems _____ help _____ storage, and retrieve _____?

_____ use special _____ with management, storage, _____ employee information?

_____ you use _____ software _____ organize, _____ or _____ employee information?

_____ of _____ do _____ use to _____ store and retrieve _____?

What systems are _____ manage and _____?

What _____ software do _____ organize, _____ and retain information of _____?

What _____ are _____ collect, store, and retrieve _____ the _____?

Do _____ systems _____ software _____ help you _____ manage, _____ data for employees?

What _____ do _____ use to _____ retain employees' _____?

What _____ you use to _____ store _____ information for _____?

_____ systems or software _____ for _____ efficient _____ and retrieval of employee _____?

_____ you _____ a system _____ software _____ store _____ employee information?

Do _____ use special systems _____ software that _____ management, _____ and _____?

_____ are _____ to retrieve _____ collect _____ data

What system or software _____ you _____ to _____ or _____ information?

What system _____ you _____ to _____ store and _____?

_____ kind of system _____ software _____ you _____ and _____ employee information?

_____ system _____ to organize, _____ and manage employee information?
 _____ systems _____ you use for _____ information management?
 What systems _____ use _____ retrieve and manage _____ information?
 _____ or _____ do you _____ to organize, _____ and _____ employees' _____?
 What tools or _____ your _____ to _____ employee _____ collection, _____ retrieval?
 _____ your _____ manage, or _____ information?
 What _____ of _____ use to _____ store, _____ retrieve employee _____?
 Are there any _____ systems _____ use for _____ storage, and _____ of _____?
 _____ used to collect employee _____?
 What _____ or software do you use _____ data.
 _____ software does _____ keep _____ information?
 What _____ to _____ retrieve, and _____ employees' data?
 Do you _____ any _____ software _____ store, _____ or _____ data?
 _____ are _____ manage the collection, storage _____ data from the _____?
 Do you use special _____ can _____ manage, and retrieve _____?
 Do _____ use _____ systems _____ managing, _____ for your employees?
 _____ systems are _____ to collect, Store _____ employee _____?
 Which system is _____ retrieve, and retain _____?
 _____ you use any software _____ with _____ and _____ of employee _____?
 What software do _____ keep _____?
 What _____ are used to store, _____ retrieve _____?
 _____ manage the _____ storage _____ retrieved of _____ data?
 _____ any _____ systems _____ you to store, manage, and _____ your employees?
 _____ systems are _____ the collection, storage _____ information _____ employees?
 _____ have specific _____ that _____ manage, _____ and retrieve employee _____?
 What _____ or _____ using to store _____ manage _____ information?
 Do you have _____ specific systems that you _____ employee _____?
 _____ you _____ special _____ or systems that _____ and retrieve data for _____ employees?
 _____ have any special software _____ you _____ manage _____ employee information?
 _____ systems are _____ to _____ and _____ employee _____?

 _____ is _____ to organize, retrieve, and _____ employees _____?
 _____ tools _____ use to collect, store and retrieve _____ data?
 What _____ do _____ to _____ and retrieve _____ for your _____?
 _____ is _____ system _____ use to _____ and manage employee data?
 _____ have _____ systems _____ manage, _____ or retrieve employee information?
 _____ you use _____ systems or _____ that help you _____ manage, _____?
 _____ use for organizing, storing and _____ employee _____?
 _____ or systems does your company use to _____ information?
 What _____ is used _____ manage _____?
 _____ use systems _____ help _____ store, _____ and _____ data for your _____?
 _____ tools and systems _____ use _____ and _____ employee information?
 _____ systems are used to stores _____ from _____?
 _____ you _____ any systems that can _____ and retrieve data for _____?
 What system _____ software do _____ use _____ track _____ employees' _____?
 Which _____ you _____ to _____ and manage employee data?
 _____ and _____ are used by your _____ to control _____ information collection, _____ related _____?
 What _____ tools do you use _____ organize _____ information for _____?
 _____ does you use to organize, _____ employee _____?
 _____ manage data for employees?

_____ system _____ your company _____ collecting, _____ and retrieving _____ data?

_____ you using to _____ collection, _____ and Retrieval?

_____ your _____ or systems help _____ storage and _____ information?

_____ tools _____ use to organize and retrieve _____ employees' _____?

What systems _____ used _____ of information about _____ employees?

What systems or software _____ for your _____?

_____ systems are used _____ and collect information _____ your _____?

What _____ you _____ to store, retrieve _____ employee data?

What systems _____ you _____ to organize, _____ and _____?

What _____ are used to manage _____ storage _____ from _____?

Do you use any systems _____ that _____ manage _____ for _____ employees?

What systems _____ manage _____ collection, _____ and _____ information about _____ employees?

What _____ do _____ store, and _____ employee data?

What _____ are _____ retrieve _____ employees?

What types of _____ you _____ for _____ information _____?

What is the _____ software _____ organize, _____ retain _____ data?

Do _____ use anything that _____ access employee information?

Which system _____ used _____ organize, store, and _____?

What _____ or software _____ use _____ organize, _____ and retain _____?

_____ systems _____ software _____ employee data?

_____ systems _____ used _____ company _____ organize _____ retrieve information from _____ employees?

What system do you _____ storing _____ information?
