

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Notification of construction activities
Inquiry Sub-Category	Scope of construction
Description	Customers seek clarification on the extent and scale of the construction activities, including the areas affected and the type of infrastructure being installed or repaired.
Data Size	5,057 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

How extensive is ____ scope of construction in ____ of ____ ____ ____ ____ ____?
____ ____ ____ to ____ extent of construction in ____ of both locality and ____ ____.
____ the ____ scope in terms of ____ ____ and ____?
____ is the ____ the construction area, ____ how ____ ____ infrastructure built ____?
What size ____ nature ____ the ____ work ____ out ____?
____ the size ____ the ____ area ____ infrastructure?
How ____ ____ does construction ____ in terms ____ ____ types?
____ anyone ____ vast or varied ____ effort will ____?
We would ____ to ____ extent of construction ____ of ____ and ____.
____ the ____ area ____ what ____ infrastructure ____ being built?
____ extent of ____ in ____ locality ____ the ____ of infrastructure used.
Can ____ ____ ____ size and ____ of your infrastructure construction ____?
What's ____ construction ____ infrastructures?
____ terms of area and ____ what ____ the ____ of ____?
What ____ the ____ the construction ____ and how ____ ____ built?
How wide ____ covered, and what kind of ____ is ____?
What ____ infrastructure ____ are included ____ your ____ scope?
____ does ____ cover ____ the area ____ infrastructure?
What's the size ____ the ____ and ____ of ____ are ____ built?
Can you provide ____ the extent and ____ constructions?
____ is the ____ and ____ infrastructure ____ are ____ worked on?
____ geographically ____ are construction projects?
How ____ is the ____ area and ____ of ____ you ____?
____ of infrastructure ____ project covers is ____ known.
What ____ the ____ areas ____ type of infrastructure is involved?
What ____ construction for ____ structures?
What's ____ of the ____ terms of ____ structures?
Which areas and ____ does ____?
Information ____ the amount ____ the ____ asked of ____ and ____ involved.

What is ____ scale ____ works?

What size ____ construction ____ and which infrastructure ____ on?

What is the scope, ____ are covered, ____ infra is ____?

How much ____ the ____ area ____ what ____ of ____ working on?

____ is ____ reach of ____ construction ____ of area ____ structure?

____ area and ____ involved ____ the construction are ____ how extensive ____.

____ are ____ of construction ____ areas?

What is the extent to ____ constructions ____?

What ____ the extent of ____ the ____ infrastructure?

What ____ about ____ range ____ infrastructure this ____ covers?

____ the area and ____ on ____ construction?

____ scope of construction ____ infrastructure ____?

The area and ____ are ____ in ____ construction ____ how ____ the project ____.

Where ____ in ____ of ____ types?

What ____ areas and ____ cover?

____ area ____ involved are ____ the scope of the ____.

____ is ____ construction scope for ____ projects?

____ extent ____ construction in the area ____ type of ____ used.

____ the extent ____ the ____?

____ area and ____ in the ____ need to ____ details ____ extensive ____ is.

____ us know ____ of construction ____ relation to locality ____ infrastructure ____.

What's the ____ of ____ area?

____ areas ____ infrastructure ____ construction involve?

The area and the types of ____ in ____ how ____ it is.

____ of infrastructure covered ____ this project?

The ____ infrastructures ____ the ____ to ____ details on how ____ it is.

____ is ____ scope ____ construction in relation ____ the area ____ of ____?

____ concerning its area and type ____ infrastructure?

Is there ____ construction ____ certain areas ____ types?

Is there ____ amount of construction ____ both ____ infrastructure ____?

How ____ construction ____ various ____ and ____?

How ____ is the construction area and ____ infrastructure ____?

Is ____ done in various ____?

____ extensive the construction ____ is ____ of the area ____ infrastructures ____.

What's ____ scope ____ construction ____ or infrastructure?

____ your construction area ____ what kind of infrastructure ____?

____ extent ____ include various areas ____?

How large ____ area covered ____ the ____?

What ____ of ____ is ____ in ____ construction area?

What ____ the ____ and ____ infrastructural ____ here?

How much does ____ construction ____?

What ____ various ____ and forms of infrastructure?

What ____ the ____ of construction ____ that ____ and ____?

____ large is the ____ and ____ infrastructure are ____ working ____?

In ____ to ____ and infrastructure ____ how ____ cover?

The ____ and ____ infrastructures ____ in ____ construction ____ asked.

____ you know ____ extent ____ your construction impact ____ the ____?

____ is the ____ project?

____ is the ____ and ____ of ____ project affects?

____ is ____ construction ____ what types ____ you working on?

_____ wide of _____ scope is it _____ infrastructure?
_____ construction covering different _____?
Can _____ give me a _____ of extent _____ your _____?
_____ area and _____ types _____ infrastructures _____ asked to describe _____ construction.
_____ to which constructions encompass _____ areas?
What is the _____ infrastructure?
_____ diverse _____ construction _____ to its _____ and type _____?
I want _____ of construction scope _____ specific infrastructure _____.
Let _____ the extent _____ construction is for both _____ and _____.
Can you _____ me _____ both areas _____ specific infrastructure types?
_____ area and the infrastructures _____ in _____ how much _____ involved.
_____ big _____ range of construction _____ infrastructure?
The _____ of _____ and infrastructures.
_____ the construction _____ and what _____ the infrastructure being _____?
_____ include _____ areas and infrastructure?
_____ you _____ the _____ of your construction _____ the _____ and structures?
What _____ the construction in terms _____ structures and _____ worked _____?
_____ would _____ to know the _____ of _____ specific infrastructure _____.
_____ size of the construction area and _____ infrastructure that _____ being _____?
_____ terms _____ types, how _____ does _____ cover?
_____ range for various _____?
_____ infrastructure types _____ working _____ how _____ your construction area?
Think about _____ infrastructures _____ the range of _____.
I want to know _____ extent of _____ area and _____ types.
What _____ infrastructure and areas _____?
Can _____ me about extent _____ types _____ constructions?
_____ size _____ area and what _____ of _____ being built?
What _____ the _____ of _____ the types of _____?
Which infrastructure _____ are _____ working on _____ is _____ area.
The area _____ involved in the construction _____ about _____.
How big is _____ construction _____ and _____ infrastructure types _____?
The _____ infrastructures involved _____ the _____ asked how _____ the construction is.
Let us _____ how _____ is done _____ locality and type _____.
_____ to _____ an overview _____ extent and types _____ your _____.
How much _____ range _____ for _____?
_____ the size _____ the _____ kind of infrastructure?
What is _____ structures _____ on during this _____?
_____ large _____ infrastructure _____ and _____ type?
How _____ is the _____ area, which _____ are _____ working _____?
What is the scope of _____ and _____ infrastructure?
How _____ is construction _____ area?
What is _____ area and _____ this construction?
_____ the size _____ area and the nature of _____ built?
Can _____ give _____ an idea on _____ types _____ constructions?
_____ the construction involve _____?
_____ it possible _____ extent _____ construction _____ for _____ area _____ specific infrastructure types?
_____ is _____ size of _____ and what _____ infrastructure has _____ built?
_____ big _____ the construction _____?
_____ us know the extent of _____ locality _____ the _____ of _____.
_____ widespread _____ construction in _____ area?

What are the _____ construction _____ of _____ and structures?

_____ the scale of _____ here?

Information on _____ the _____ asked _____ the _____ and infrastructures _____ in it.

What _____ the _____ of the construction _____ what _____ types _____ worked _____?

What _____ the _____ construction regarding area _____?

Can _____ tell _____ the extent _____ covered _____ this construction _____?

_____ far does construction _____ terms _____ infrastructure _____?

What extent _____ encompass a _____?

_____ know _____ construction in the area and _____?

The area _____ that are _____ construction _____ provide details _____ how extensive it is.

How big is _____ area _____ what _____ of infrastructure _____?

I would like _____ extent of construction _____ of _____ infrastructure _____.

How _____ the _____ scope _____ the infrastructure and _____?

_____ scale and nature of _____?

The area _____ involved in the _____ are asked _____ extensive the _____.

Can _____ me about the _____ construction _____ for both _____ and _____ infrastructure _____?

What _____ reach _____ project in terms of area _____?

What's the extent _____?

_____ scope of _____ construction in terms of area _____?

What _____ nature of _____ infrastructural work?

_____ area and _____ infrastructures involved in _____ asked _____ how extensive _____ is.

_____ the scale _____ infrastructure work?

_____ scale of a _____ project?

What _____ the reach _____ terms of the _____ and _____ on?

Can _____ an idea _____ the _____ involved in your construction?

Can _____ us the extent of _____ terms of _____ infrastructure _____?

What is _____ and what type _____ is being _____?

_____ is your _____ area _____ how _____ infrastructure are _____ building?

_____ does _____ construction encompass?

_____ area and infrastructures involved _____ asked _____ of _____ construction.

_____ does construction _____ terms of _____?

What _____ range _____ construction _____ and _____?

How _____ the scope _____ infrastructure _____?

How _____ construction is _____ in _____ and _____?

How far _____ cover _____ types?

_____ areas and _____ is the range for _____?

_____ a broad range _____ for area _____ infrastructure?

What _____ construction in infrastructure and _____?

How _____ is the construction _____ what _____ are being _____?

Where does _____ different _____ structures?

_____ the _____ projects in terms _____ and infrastructure?

_____ the _____ and structure _____ on during this _____?

How diverse _____ construction _____ its area _____ infrastructure?

_____ much territory _____ your _____ cover?

Where _____ encompass _____ areas and _____?

_____ much _____ areas and infrastructure?

Which _____ types are included _____?

_____ there a specific _____ of construction _____ for _____ area _____ types?

The _____ of _____ related to the _____ infrastructure.

_____ construction go for infrastructure _____?

_____ what extent _____ areas?

_____ the range of _____ in _____ to _____ infrastructure?

Which infrastructure _____ you _____ large _____ the construction area?

What extent _____ the _____ different _____?

How _____ is this _____ in _____ and area?

How wide is the _____ for _____?

_____ the scope of construction _____ both area _____ specific _____ types?

_____ give _____ an _____ extent _____ types involved in your _____?

_____ big _____ your construction _____ and _____ you building?

What _____ the range _____ infrastructure this project _____?

How big _____ construction _____ infrastructure types you work _____?

Do you know the _____ construction _____?

_____ does your _____ scope _____ some _____?

_____ the range and _____ this project _____ covering?

_____ about the extent of construction _____ of locality and _____ used.

_____ is _____ the construction area _____ what is _____ that the infrastructure _____?

Can _____ tell me the _____ of _____ the _____ and infrastructure _____?

_____ does _____ scale _____ work look like here?

_____ is the _____ of _____ and _____ infrastructure _____ you working on?

_____ are the reach _____ the construction _____ and structures?

_____ large is _____ infrastructure _____ type?

_____ is the _____ project?

_____ areas _____ infrastructure _____ constructions _____?

_____ areas, _____ what type _____ infra are involved?

To _____ does constructions _____ various _____?

_____ the _____ and _____ of _____ this _____ involves?

What of the _____ type of _____ this _____?

Can _____ tell _____ more about _____ extent of _____ your _____?

_____ you _____ an _____ of the extent _____ involvd with your _____?

_____ extent _____ construction located in _____ area?

What _____ is _____ in various areas _____?

What are _____ of infrastructure projects _____ your _____?

_____ range _____ type _____ infrastructure included in _____ project?

_____ range of _____ areas and _____?

What's the _____ of _____ construction _____ kind of _____ built?

How _____ is the _____?

What is _____ extent of construction _____ and _____?

Considering _____ and _____ wide is the _____ takes place?

What _____ and types of infrastructure _____ scope cover?

_____ large is the _____ and _____ infrastructure types _____ on?

_____ is your _____ area _____ type _____ infrastructure you are _____?

_____ and _____ are _____ in _____ construction range?

_____ construction area _____ and _____ infrastructure is being built?

_____ of construction involves _____ area and _____ of infrastructures _____.

_____ provide me _____ extent _____ types of your constructions?

The _____ and _____ involved _____ the construction are _____ give _____ of how _____ it _____.

What kind of _____ being _____ and _____ the _____ area _____?

The _____ the kinds _____ infrastructures _____ in _____ construction _____ asked to _____ scope.

_____ give me _____ about _____ and types _____ your construction?

Let us _____ the _____ construction both _____ the type of infrastructure _____.

____ the ____ of ____ project?
 ____ is the ____ which construction ____ areas ____ infrastructure?
 ____ area ____ the ____ involved ____ construction are ____ describe ____ scope ____ the work.
 What ____ construction ____ and ____ types ____ you working on?
 ____ and ____ types of ____ involved in ____ construction are asked ____ extensive ____ is.
 ____ your ____ area and infrastructure are you ____?
 ____ area ____ the types ____ infrastructures ____ are ____ in ____ construction are ____ to ____ the ____.
 ____ tell me ____ your construction ____ and area?
 What ____ does construction ____ in ____ to ____?
 ____ is the ____ construction for ____?
 ____ and ____ account, ____ wide ____ the construction range?
 How wide of ____ area and infrastructure?
 What ____ infrastructure types?
 ____ is your construction area ____ of infrastructure are ____?
 Is it possible to tell ____ of construction in ____ and type ____?
 ____ large is the scope ____ constructions ____ forms?
 The ____ and ____ infrastructures ____ in the construction ____ the ____ of ____ work
 ____ the ____ construction in ____ area?
 ____ range of construction and ____?
 How widespread is ____ area?
 Let us ____ extent of construction ____ your ____ type ____ used.
 What ____ scope ____ construction for ____ and the ____?
 What are the ____ of ____ and infrastructure ____?
 The area ____ infrastructures ____ to ____ the ____ of construction.
 ____ there an ____ for both areas and specific infrastructure ____?
 How big is your ____ and ____ kind ____ constructing?
 ____ the construction area ____ infrastructure ____ you working on?
 What ____ the ____ area and ____ infrastructure ____ you ____ working ____?
 ____ and infrastructures ____ the construction are ____ to provide details on ____.
 What is ____ size ____ the ____ area ____ infrastructure is designed for?
 ____ give me ____ overview ____ extent and ____ associated ____ your ____?
 Consider ____ and infrastructures when ____ which ____ takes place.
 ____ big ____ the ____ the construction?
 In terms ____ type of infrastructure, ____ is ____ scope ____ construction?
 What ____ the ____ cover in ____ of infrastructure ____?
 ____ like to know ____ construction in terms of ____ and ____ of ____.
 What is ____ for ____ infrastructures?
 ____ large-scale and ____ is ____?
 ____ the ____ what infrastructure types are ____ working on?
 ____ diverse ____ construction ____ area and ____ of infrastructure?
 The ____ includes ____ area and ____ involved.
 ____ do ____ cover ____ terms ____ area and ____?
 What ____ the ____ and scale ____ done here?
 How large is the ____ area ____ infrastructure ____ are ____?
 How far does construction ____ and ____?
 The area ____ the types ____ involved ____ the ____ asked ____.
 ____ much area ____ construction ____?
 ____ are ____ of construction for infrastructure ____?
 ____ you ____ me an ____ about ____ types of ____ constructions?
 What are ____ and ____ involved ____?

What _____ scale _____ nature _____ the _____ work _____ here?
_____ us _____ extent of construction in _____ locality _____ infrastructure.
_____ the area _____ in the construction _____?
_____ me about _____ extent of _____ land and structures.
How _____ the construction of _____.
_____ of _____ construction area and _____ of _____ being built?
What _____ construction is _____ the _____ and infrastructure?
_____ covers _____ of infrastructure and area?
_____ construction _____ regards to its _____ and infrastructure?
_____ extensive is _____ construction _____ for _____?
What _____ of construction for _____ in _____ area?
How _____ and diverse _____ construction _____.
In terms _____ structures worked _____ what _____ reach of this _____?
Considering the _____ included, _____ is _____ range of _____?
The _____ of _____ construction in _____ areas and _____ on.
_____ big _____ the construction area _____ type _____?
Can you give _____ an _____ extent _____ of your _____?
What _____ the _____ and what type _____ infra _____?
Can _____ the breadth _____ scope?
_____ and _____ types what _____ the scope of _____?
_____ to _____ the _____ of _____ scope for both _____ and _____ infrastructure types?
How _____ construction _____ and what is _____ infrastructure?
_____ the construction area and the _____ infrastructure _____?
What _____ the _____ areas _____ infrastructure?
_____ you _____ me an _____ of _____ and _____ with your _____?
_____ the _____ type of infrastructure this _____ covers.
_____ range _____ construction _____ and infrastructure _____?
Which infrastructure _____ do constructions _____?
Which _____ are _____ working _____ what _____ the construction area _____?
I want to _____ of construction _____ various _____.
_____ the _____ of construction for both _____ infrastructure?
How widespread is _____ range _____?
_____ area _____ infrastructures involved in the _____ on _____ extensive they are.
_____ size _____ the construction area and _____ are _____.
_____ scale _____ of infrastructure work here?
Details _____ extensive the construction is are _____ and _____ involved.
Let us _____ how much _____ in _____ locality and _____ of _____ used.
_____ are the _____ and _____ infrastructure covered _____ project?
_____ area and infrastructure _____ in _____ construction are asked how _____.
How _____ is the construction _____ and what _____ on?
How much _____ done _____ the _____ and _____?
_____ us know _____ extent of the construction _____ types of _____ used.
_____ much _____ constructions _____ areas?
Tell us about _____ extent _____ and infrastructure used.
How large is _____?
_____ infrastructure types, how far does _____ go?
How _____ is _____ and _____ kind _____ are you building?
_____ of construction _____ infrastructure _____ area?
_____ the _____ included, how wide _____ the _____ which _____ place?
What _____ this construction's reach _____ terms _____ and _____?

_____ area _____ infrastructures _____ in _____ construction are asked to describe _____.

_____ is the _____ of construction _____?

_____ your construction _____ what types of _____ do _____ build?

What _____ of the _____ and _____ of infrastructure _____ covers?

_____ do _____ different areas?

_____ infrastructures and _____ into account, _____ is _____ construction _____?

The area and _____ involved in _____ are asked _____ work.

_____ kind _____ is being _____ how big _____ the construction _____?

How _____ which _____ were _____ and what type _____ infrastructure _____.

How diverse _____ when _____ comes to its _____?

_____ the size of _____ construction _____ and what does the _____?

_____ areas _____ are involved _____ construction?

Let us _____ the _____ of construction _____ to _____ locality and _____.

_____ is _____ area and _____ of infrastructure are _____ building?

How _____ is the _____ areas?

What _____ variety _____ infrastructure projects _____ in your construction _____?

_____ various areas and infrastructure?

When considering areas _____ infrastructures, _____ wide _____ the _____ which construction _____?

What extent _____ various _____ infrastructure?

What is _____ construction scope _____ relation to _____?

What is _____ construction in _____?

_____ total area and structure worked _____ construction?

_____ the _____ of _____ and construction?

Were you able to _____ us _____ extent of _____?

Is _____ area _____ by the _____?

_____ of infrastructure projects are _____ in _____ construction _____?

_____ of infrastructure _____ how big is _____ area?

We _____ to _____ extent _____ in relation to locality _____ infrastructure _____.

What is the _____ surrounding the area _____?

Is _____ a _____ range _____ construction _____ infrastructure types?

_____ what _____ construction _____ different areas?

_____ the reach of _____ project?

What _____ size _____ the construction _____ what types of _____ built?

What is the _____ relation _____ the infrastructure _____?

_____ to _____ the _____ of _____ in terms _____ locality and _____ infrastructure.

I _____ the extent _____ construction for _____ infrastructures.

_____ do _____ various _____ and infrastructure _____?

_____ is the _____ and _____ kind of _____ is being _____?

The area and _____ the construction are asked to _____ how extensive _____.

_____ the infrastructures _____ are _____ describe _____ scope of construction

The _____ involved in the construction are _____ to give _____ extensive _____ is.

_____ know more _____ extent and types involvd with _____.

_____ area _____ the infrastructure involved _____ the construction _____ extensive it _____.

Information on _____ construction _____ can be given by the area _____.

_____ is the _____ construction _____ area and _____ infrastructure?

_____ is the size of the _____ is _____ sort of _____ built?

What extent _____ the _____ include _____?

_____ anyone know anything _____ the range and _____ infrastructure _____?

_____ construction _____ is _____ to both _____ and specific infrastructure.

_____ and infrastructures _____ are _____ in the construction are asked _____.

Is this large-scale _____ project _____ scope _____ size?
 _____ diverse _____ construction concerning _____ infrastructure?
 How far _____ construction go in _____ infrastructure _____?
 _____ terms of _____ area, _____ far _____ construction go?
 _____ encompass different areas _____ infrastructure?
 _____ extent does constructions _____ and infrastructure _____?
 Is _____ to describe the _____ construction scope _____ both area and _____?
 How _____ is the _____ areas _____ infrastructure types?
 _____ the scope _____ constructions and infrastructure forms?
 The area and _____ involved _____ the _____ scope of the construction.
 _____ is the scope _____ construction _____ and infrastructure?
 _____ vast is this _____?
 How large _____ infrastructure are _____?
 Can _____ scale of your infrastructure construction _____?
 What _____ total _____ and _____ constructed?
 What is _____ construction area _____ kind _____ infrastructure _____ built there?
 What extent does constructions _____ and _____?
 How big _____ the _____ and how much _____ infrastructure _____?
 How _____ is _____ which _____ are _____ what _____ infrastructure is involved.
 _____ of infrastructure _____ how _____ does _____ cover?
 What _____ the _____ of construction regarding infrastructure _____?
 _____ how _____ construction is are asked _____ area _____ infrastructures involved.
 How _____ and _____ type _____ are _____?
 _____ constructions encompass areas _____ infrastructures?
 How _____ is the _____ and _____?
 _____ constructions _____ areas _____ infrastructure?
 _____ the size _____ the _____ area and _____ kinds of _____ being _____?
 We would _____ to know _____ the extent _____ of _____ and _____ used.
 Do _____ an idea _____ wide _____ varied _____ construction effort will _____?
 _____ size of the construction _____ and what _____ purpose _____ the infrastructure _____?
 _____ the construction _____ large _____ infrastructure types are _____ working _____?
 _____ the _____ construction _____ an area?
 _____ us _____ of construction _____ locality and the _____ infrastructure used
 What _____ area _____ infrastructure types in construction?
 _____ is _____ total _____ and _____ work done _____ construction?
 How _____ construction is going on _____ the _____?
 The scope _____ the _____ by the _____ and _____ of infrastructures involved.
 _____ much do _____ areas and _____?
 What _____ area _____ structures worked on for _____?
 Is it possible to _____ of construction scope _____ infrastructure types?
 _____ big is _____ and which infrastructure _____ are working _____
 What _____ the construction area and what kind _____.
 _____ construction encompass _____ and infrastructure?
 _____ area and _____ in the _____ are asked to _____ on _____ extensive.
 _____ is the _____ area, _____ what _____ is being _____?
 _____ size of the _____ and _____ of infrastructure _____ going to _____ built?
 _____ we ask _____ about _____ of construction in _____ of locality and _____?
 Can you tell _____ the _____ of construction in your _____ used?
 What _____ is _____ areas and _____?
 Which _____ working _____ and _____ size is the construction _____?

How big is your _____ and _____ infrastructure is _____?

_____ large _____ the _____ for _____ constructions _____ infrastructures?

_____ big _____ the area _____ construction and what _____ of infrastructure _____?

Information on how extensive _____ construction is can _____ and _____ infrastructures _____.

What _____ the size _____ area and the kind _____ infrastructure _____?

How _____ is _____ in _____ and type of _____?

What _____ nature of _____ infrastructure work?

_____ is the _____ construction area and _____ kind of _____ being _____?

Can you _____ an _____ of _____ both areas _____ infrastructure types?

How _____ area _____ this construction _____?

How _____ different areas and infrastructure _____?

_____ diverse _____ regarding _____ area and types _____ infrastructure?

_____ the scale of _____ construction _____ like?

_____ large and what type _____?

_____ is the _____ the _____ area and _____ of _____ is built?

_____ large _____ kind of _____ are _____.

_____ infrastructures _____ how _____ construction projects?

Let me know the _____ of your construction _____.

What is the scope of _____ around _____ of _____?

_____ the scope of _____ in area _____ infrastructure _____?

_____ you _____ of _____ extent and types of _____ construction?

_____ much _____ is _____ in _____ area and _____?

What extent of _____ involved _____ structures?

Can _____ me the extent _____ range _____ various _____?

Where _____ the construction _____ and _____ type _____ are being _____?

How much is _____ construction _____?

_____ the _____ of construction include _____ and _____?

What is the _____ this construction in _____ and _____?

_____ size _____ area and _____ are you working on?

_____ is the _____ for an area _____?

How much _____ involving _____ and _____?

How big _____ construction _____ area _____ infrastructure types?

Considering areas and _____ in _____ construction _____ how _____?

The area _____ the _____ are asked to _____ of how _____ it _____.

What _____ scope _____ construction, in the area _____?

_____ area _____ what infrastructure is being built?

What _____ of _____ involved in the construction?

_____ is the construction _____ the _____ infrastructure?

_____ the _____ of projects in relation _____ the _____ infrastructure _____?

How _____ is your _____?

Is _____ various areas and _____?

What _____ infrastructure _____ constructions _____?

_____ and infrastructure types _____ on.

_____ range _____ projects in terms _____ area _____ infrastructure?

_____ construction involves areas _____?

_____ areas _____ infrastructure, how _____ the construction _____?

_____ many _____ infrastructure _____ construction cover?

The scope _____ construction _____ asked _____ and infrastructures _____.

_____ does _____ cover _____ it comes _____ infrastructure?

_____ scope _____ type of infrastructure _____ project covers?

The area and _____ in _____ construction are asked to _____ on _____.

What _____ the range _____ for _____ and infrastructure _____?

_____ you _____ us _____ extent _____ your construction _____ the land and _____?

_____ is the _____ in the area _____ infrastructure?

_____ and _____ is _____ construction?

I _____ an _____ involvd with your constructions.

_____ does _____ terms of infrastructure and area?

_____ vast _____ the construction _____?

How widespread _____ within _____?

_____ about how _____ the _____ is asked _____ area _____ of infrastructures involved.

_____ total _____ and structure worked _____ in _____ construction?

Can _____ scope of _____ in the area?

_____ various areas and _____?

Considering _____ and infrastructures _____ range _____ which construction _____ place?

_____ big is _____ area and which _____ types _____ working _____?

What _____ construction area and _____ infrastructure _____ being built?

_____ degree does _____ scope encompass _____?

_____ terms _____ area _____ infrastructure _____ how _____ does construction _____?

_____ scope is there for _____ and _____?

Please let us _____ the _____ construction _____ your _____.

Please _____ us about the _____ construction _____ and infrastructure used.

_____ it _____ outline _____ of construction _____ area and infrastructure types?

_____ you let _____ extent of _____ construction reach?

What size _____ construction area _____ types _____ you _____ on?

Is _____ a _____ terms of _____ and size?

_____ the extent of construction in terms of both _____ type _____.

What's the _____ the construction _____ of areas and _____?

_____ large-scale and _____ for infrastructure?

I _____ like to _____ scope for both the area _____ infrastructure _____.

_____ and _____ are involved _____ the construction _____ asked about the _____.

Considering _____ and infrastructures included, is _____?

_____ area _____ infrastructures involved in _____ have to _____ information _____ it is.

_____ in the construction are asked how much _____.

_____ does _____ extend?

_____ areas and infrastructures included, _____ is _____ construction _____.

What is _____ size _____ construction _____ area and _____?

_____ is _____ scale for _____ projects?

Is _____ a scope _____ for _____ the area _____ types?

Can you _____ an _____ the _____ construction scope _____ both _____ and _____ types?

_____ range and type of _____ covers?

In terms _____ what's the _____ of this construction?

_____ is the _____ of this _____ in _____ of area _____?

_____ is _____ the construction area, _____ what is _____ being built?

What _____ extent _____ geography and structures?

_____ of construction for infrastructure and _____?

_____ is the extent _____ in _____

_____ the _____ of infrastructures involved in construction _____ to describe _____.

Can _____ the extent _____ the construction _____ for both _____ types?

_____ the _____ infrastructures _____ are asked to _____ the scope of construction.

_____ scope _____ construction _____ a certain area?

How _____ construction of _____ structures _____?

What extent _____ the _____ by the _____?

_____ overview on _____ extent and types _____ the constructions?

What _____ the size of _____ construction _____ what is _____ built _____?

_____ is _____ range _____ areas _____ infrastructure types.

How _____ and what _____ involved?

_____ we _____ about the extent _____ construction _____ terms of _____ infrastructure?

What extent _____ involve _____?

What specifics _____ on the _____ of infrastructure this project _____?

_____ the construction _____ are asked of _____ area and _____ involved _____ it.

The _____ and _____ of infrastructures are _____ to _____ the scope _____.

_____ and types _____ infrastructures _____ the construction _____ how extensive it _____.

_____ much does _____ areas _____ structures?

_____ encompass some areas _____ infrastructure?

Do _____ know _____ extent _____ construction involving _____ structures?

_____ you _____ about _____ size and _____ of _____ infrastructure work?

_____ does construction _____ in _____ area?

_____ and infrastructures involved _____ the construction are required _____ how _____ is.

Does _____ areas and _____?

_____ is the _____ and what _____ infrastructure are _____ working on?

How _____ different _____ and infrastructure types?

Can you _____ me _____ overview of the _____ and _____ with _____?

_____ which areas are covered, and _____ of infra _____ involved.

The scope _____ the work _____ asked _____ and _____ involved.

_____ your construction _____ which infrastructure are _____ building?

_____ you know _____ extent _____ your _____ the types _____ infrastructure used?

What sorts _____ projects _____ included in _____ construction _____?

_____ does _____ areas _____ infrastructure types?

_____ the scope of construction _____ an area _____?

_____ the _____ area and type _____ infrastructure involved?

Which areas _____ and _____ types?

What _____ the _____ the construction _____ terms of _____ and _____?

What _____ the _____ different areas?

_____ area _____ in the construction are _____ give _____ on how extensive _____ is.

What is _____ and infrastructure _____ in terms _____?

What _____ size of the construction _____ the _____ built?

_____ the _____ built and _____ type _____ infrastructure _____ being built?

How _____ the range _____ and _____ types?

_____ big is _____ area _____ what _____ of _____ being built?

_____ far does _____ an area?

What is the extent _____ construction _____ infrastructure _____?

_____ is construction _____ the _____ infrastructure?

_____ the _____ the _____ and what is it that the infrastructure _____?

_____ extent of the construction _____ both area _____ specific _____ types?

_____ construction _____ and infrastructure _____ built are _____.

Let us _____ extent _____ the _____ and _____ types of infrastructure _____.

_____ much _____ the _____ and infrastructure?

Details on the range _____ this _____ covers?

What _____ of the _____ area _____ what is the _____ infrastructure?

What is the kind _____ is the construction _____?

____ is ____ of this construction in terms of area ____?

____ tell me ____ nature of your infrastructure ____ work?

How large ____ the ____ infrastructure ____?

____ extent does construction encompass ____?

Where ____ the ____ of ____ and ____ of infrastructure ____ involved?

Is there an extent ____ for ____ area ____ types?

What's the size ____ your construction ____ of ____ are you ____?

Considering ____ is ____ range of construction?

____ scope ____ a construction ____?

____ it ____ to built facilities, ____ much coverage ____?

What is ____ area and what ____ the ____ of the ____?

Can ____ tell me ____ the ____ construction ____ both the ____ types?

____ the range of ____ area ____ infrastructure type?

What is ____ reach of this ____ in terms ____?

What is ____ size of construction ____ and ____ type of ____?

Can you ____ me ____ idea ____ and ____ of ____ construction?

____ does ____ different areas?

What's ____ area ____ construction ____ what kind of ____ being ____?

What ____ the ____ infrastructure this project has?

Can ____ me the scale ____?

____ areas ____ in the construction?

The ____ in the ____ are asked ____ provide details ____ large the ____ is.

____ and ____ that are involved ____ the ____ are asked ____ large the _____.

____ extent ____ construction include ____?

What is ____ of the ____ and what infrastructure is ____?

____ areas and infrastructure ____ construction ____?

____ the construction scope ____ and infrastructure?

Let ____ know ____ in your ____ and types ____ infrastructure.

____ you tell ____ the extent of construction ____ and infrastructure ____?

____ is the ____ terms ____ area and infrastructure?

Is it possible to tell ____ the ____ of ____ types of ____?

____ is construction?

What's the ____ area and ____ type?

____ is the construction area ____ what ____ involved?

____ is the scope ____ in regards to ____ area ____?

____ kind of ____ and range ____ covering?

____ give ____ an ____ of ____ extent ____ types ____ in your construction?

____ the range of ____ and construction ____?

What ____ the size of the ____ kind of ____ is ____

____ on ____ the ____ is can be provided ____ area and _____.

____ are there ____ and ____ of infrastructure ____ project covers?

____ of infrastructural work done ____?

What is ____ range ____ construction ____?

____ kinds of infrastructure ____ in your construction ____?

____ scope ____ construction in the area ____ infrastructures?

____ construction involve infrastructure

____ or what type ____ is _____.

____ the ____ construction relating ____ the ____ and infrastructure?

____ do ____ various ____ and infrastructure?

What is the ____ of ____ construction area ____ type of ____ constructed?

_____ is _____ size of _____ construction area _____ are being _____?

_____ does construction _____ infrastructure?

_____ does _____ of infrastructure types?
