

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle specifications and features
Inquiry Sub-Category	Performance and handling
Description	Customers want to know about the driving experience, including acceleration, braking, suspension system, handling dynamics, and any performance-oriented features that enhance the vehicle's capabilities.
Data Size	9,452 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Can _____ on _____ braking system's effectiveness _____ responsiveness?
_____ on _____ brake _____ effectiveness and _____ would be _____.
_____ are brake _____?

Do you have _____ information _____ of _____ braking _____?
_____ know _____ effective and responsive your _____ are.

I _____ like _____ know _____ and _____ the vehicle's brakes.
_____ on brakes responsiveness _____?
_____ you _____ your brakes work?
_____ the brakes perform _____?

Is it _____ out how those _____?

Can you provide _____ on _____ the _____ are?

What _____ you know _____ quickly their _____ emergencies?
_____ are those _____?

Do you _____ how good _____?
_____ is your Brake _____?
_____ more about _____ the brake.

I want _____ know _____ actually work.

We want _____ how effective the _____ is as _____ how _____ it _____.
_____ tell _____ about brakes _____.

_____ any _____ about _____ responsiveness and effectiveness _____ braking mechanism?

Do _____ information about the _____ of _____ brakes?

Do you _____ about _____ of _____ system?

I'm interested _____ knowing _____ responsive _____.

I _____ know how efficient _____ responsive _____ brakes _____.

Please tell _____ well the _____ works.
_____ out _____ braking efficacy.
_____ tell me about _____ system's _____.
_____ information _____ effectiveness that you can give?

Can you tell _____ effectiveness and _____ response of _____ ?

_____ talk _____ brake system's _____.

I _____ know how well _____.

_____ of the brake's _____.

Tell me _____ about _____

_____ want to know _____ effective the brake _____ of yours _____.

_____ us _____ well the brakes _____.

Will you _____ us about _____ effectiveness _____ brake _____ ?

Please _____ details _____ of the _____ system.

What _____ tell _____ braking _____ responsiveness and effectiveness?

Do _____ have _____ about _____ of the brake _____ ?

So _____ braking system work?

What _____ you _____ about _____ system?

I _____ some _____ on _____ brakes _____.

_____ it _____ to give more _____ the _____.

_____ give _____ about _____ performance.

_____ it _____ give information _____ responsiveness?

_____ you _____ me know how _____ brakes _____ ?

Please _____ the brakes _____.

_____ like to _____ about how responsive _____ braking system _____.

_____ the effectiveness _____ response of _____ brakes?

_____ explain _____ effective and _____ the braking system is?

_____ you have _____ regarding _____ quickly your brakes _____ ?

_____ it _____ give _____ information about _____ efficacy _____ promptness _____ your _____ brakes?

_____ information do you _____ the braking mechanism?

_____ you think about _____ and promptness of the _____.

_____ clarify _____ the _____ are effective?

_____ can give us _____ information _____ brake _____ effectiveness.

Is your _____ system _____ ?

Can you tell _____ the _____ are _____ stopping?

Specifics on the _____ the brake system _____ appreciated.

_____ brakes respond effectively _____ ?

_____ you _____ me _____ brakes react?

_____ like _____ on _____ brake _____ effectiveness.

How _____ and effective _____ the _____ ?

_____ want _____ more about the _____ responsiveness _____ your _____ system.

Can _____ tell me more _____ effectiveness _____ the _____ ?

Could you tell _____ worked?

We _____ more _____ the _____ system's responsiveness.

Information on the _____ system's effectiveness _____ appreciated.

_____ regarding brake effectiveness and _____.

_____ the braking _____ of yours _____ ?

_____ the braking system's responsiveness.

_____ you describe how _____ ?

When it _____ system efficiency, what can _____ ?

_____ information _____ you give _____ the brakes _____ ?

_____ tell _____ the _____ system.

There are _____ about _____ responsiveness.

_____ you _____ any details about the _____ ?

_____ there _____ on the effectiveness and _____ of the _____ ?

_____ it _____ well those brakes work?

Are _____ worked _____?

Tell us _____ system performs _____ the responsiveness.

_____ explain how the _____.

_____ information on _____ effective _____ responsive the brakes _____?

_____ me how _____ brakes _____.

_____ like _____ information regarding the _____ effectiveness _____ responsiveness.

_____ about _____ performance.

_____ me _____ brake performance.

Is there information on _____ effectiveness _____ _____ give?

_____ efficiency _____ the _____ system?

_____ me _____ the brakes _____ is.

How _____ and _____ of the braking _____?

How productive _____?

_____ well is _____ doing?

Are _____ effective _____ responding?

Tell _____ more _____ effectiveness.

_____ responsive _____ system is _____ asked.

Is there any _____ could _____ brakes' _____?

_____ you tell us _____ the _____ is?

Please tell _____ about _____.

_____ share information _____ system's performance.

Tell me _____ brake _____.

_____ I know _____ effectiveness _____ responsiveness of _____ brake _____ of _____?

_____ let us _____ braking system _____ and _____ it is.

What details do you _____ of the _____?

Is _____ brakes responsive _____?

_____ us more about the _____?

I want to _____ about _____ effectiveness _____ of _____.

_____ about brakes _____.

_____ you _____ of the braking?

_____ more information _____ the brakes?

_____ further _____ effectiveness of the brakes?

Can you tell _____ efficacy and _____ your _____?

Do _____ have _____ how good the brakes _____?

_____ effects of _____ braking _____ on response time?

_____ give _____ the _____ system's performance and responsiveness.

Tell _____ the braking _____ performance.

_____ details about the brake's _____.

How well does _____ braking _____?

_____ have _____ and responsive _____ system?

_____ me _____ the _____ responsiveness and how well _____ braking system _____.

I would like to _____ responsiveness and _____ the _____ system.

Can _____ tell me _____ the _____ brakes are?

Tell me about the _____ response _____.

How _____ does _____ do?

_____ the _____ on brakes _____.

_____ to _____ the _____ responsiveness of _____ braking system.

I _____ information about _____ the _____.

Were those brakes _____?

_____ does _____ system do?

I _____ how responsive the brakes _____.

_____ details of _____ and _____.

Are you _____ specifics _____ the braking _____?

_____ details _____ brake effectiveness and responsivity.

Can you _____ more _____ on _____?

_____ responsiveness and effectiveness of the _____ mechanism.

_____ know how _____ responsive _____ brake system of _____ is.

_____ ask _____ brakes do _____ job?

What _____ I _____ braking _____ efficiency?

_____ much do you _____ about the responsiveness _____ of _____ system?

Can you _____ system's effectiveness _____ quick _____?

Will _____ about the efficacy _____ the _____ system?

_____ get more _____ about _____ the _____ perform?

_____ brakes' effectiveness.

_____ in knowing _____ and _____ the braking _____ is.

_____ it possible to _____ how quickly _____ react?

_____ you can _____ me about _____ braking _____ efficiency?

_____ us _____ the _____ system's responsiveness and _____ works.

Are there any _____ the _____?

_____ I _____ and responsive that brake _____ is?

Is _____ provide _____ regarding _____ responsiveness?

_____ do you think _____ brake _____ is _____ and effective?

_____ illuminate the _____ system's _____?

_____ provide more _____ on _____.

_____ give more information _____ brakes work.

_____ want to _____ about _____ your _____ brakes are.

I would _____ to know _____ and _____ your _____ braking _____.

_____ the _____ well?

_____ give information _____ braking system?

Will you _____ us about _____ effectiveness _____ the _____?

Do _____ have any _____ regarding how _____ respond?

Tell _____ about the _____ and _____ the brakes.

_____ me _____ about _____ system's work.

I want to _____ well the _____.

_____ like _____ know _____ effective _____ your brake system really _____.

_____ the brakes are _____ and responsive.

_____ you _____ us about the _____ effectiveness _____ brake system?

_____ how the brakes work.

Can I _____ how _____ perform?

_____ there any _____ info _____ can _____ on the effectiveness _____?

_____ you _____ how _____ the _____ performs?

Can _____ tell me _____ effective and _____ is?

Tell _____ what _____ are like _____?

_____ describe the _____ performance.

_____ know _____ effective and _____ your brake system _____.

Tell me _____ Responsiveness.

Tell _____ what _____ responsiveness _____.

_____ about _____ of _____ brakes?

_____ describe the _____ system's _____

_____ describe the effectiveness _____ system?
_____ on brakes _____ and _____.
Can _____ information on _____?
Is there _____ info _____ can _____ the _____ of _____ brakes?
_____ me _____ on how efficient the braking _____ is?
_____ explain how responsive _____ is?
Information _____ the _____ responsiveness _____ performance should _____ given.
_____ effective _____ your _____ setup?
Please _____ the effectiveness _____ system.
_____ brake _____ effectiveness should _____.
I need _____ know _____ and responsive _____ brake _____.
Let _____ know _____ well the braking system _____.
Details _____ the effectiveness and responsiveness _____ would _____ appreciated.
_____ brakes _____ responsive and _____?
Is _____ specifics regarding _____ efficiency.
_____ can you tell _____ about _____?
How _____ brakes?
_____ about the braking effectiveness?
How well _____ respond?
_____ their brakes?
_____ any information on the _____ system _____?
Can _____ explain _____ system's _____?
_____ brake system work?
_____ you _____ about the _____ effectiveness of the vehicle's _____?
Can _____ learn _____ how those _____?
_____ the effectiveness of that _____?
Please talk _____ the _____.
What can we learn _____ braking _____?
_____ how effective _____ braking _____ is?
Can _____ the _____ of the _____?
Please provide _____ performance of _____.
What do you _____ about _____ the _____?
Tell _____ responsive brakes?
_____ tell me _____ the responsiveness and overall effectiveness of _____?
_____ braking _____ and _____ of response?
_____ you _____ information _____ brakes responsiveness?
Let _____ more about _____ and responsiveness of _____ brake _____.
_____ tell _____ details _____ the _____ performance.
_____ would like _____ know _____ efficient the _____.
_____ be _____ how _____ those _____ work?
_____ about _____ of the _____?
Please tell _____ the _____ and overall effectiveness _____ the _____.
More _____ about _____ effectiveness _____ responsiveness _____ be appreciated.
Will _____ tell _____ how quickly _____?
_____ how _____ brake system is?
Tell _____ of the brake's _____.
Could you _____ about _____ responsiveness?
_____ can _____ the responsiveness of _____ braking system?
What do _____ think about _____ and promptness _____ brake _____?
How _____ your _____ setup _____?

More _____ the _____ system's responsiveness _____.

Can _____ how _____ the brake system _____?

Can you give _____ more information _____ how _____?

_____ you _____ how _____ react?

Is _____ any info _____ how _____?

_____ you tell _____ about _____ responsiveness?

_____ would like to know more _____ efficiency of _____.

_____ of _____ and responsivity.

_____ you _____ me how _____ are reacting?

_____ brakes work?

I want _____ efficient and _____ vehicle's _____ system is.

_____ us _____ the brakes work?

_____ me _____ brake response.

I _____ about _____ system efficiency.

Are _____ brakes _____ or _____.

How _____ the brakes _____ vehicle?

_____ advise _____ brakes _____.

_____ there more info _____ share _____ the _____?

_____ want _____ how responsive your _____ system is.

_____ need _____ how the _____ perform.

Do _____ know what _____ on with the _____?

Is there _____ me _____ the _____ system effectiveness?

How responsive _____ effective are _____?

_____ give me _____ on _____ and quick the brakes _____?

Is it possible to _____?

_____ talk about the _____ quick response _____ the braking _____?

_____ you know more _____?

We _____ to _____ more about _____ effectiveness and _____ brake _____.

_____ info _____ could share about the _____?

Information _____ the _____ please.

_____ would like to know _____ vehicle's _____ system _____.

Do you _____ specific _____ regarding the efficacy _____ of _____ car's _____?

_____ the brake _____ be appreciated.

Please _____ us _____ the brake's _____.

_____ me more _____ braking _____.

Can you give me _____ the _____ and _____ of _____ car's _____?

Inform _____ responsiveness.

_____ me _____ about _____ brake _____.

_____ there _____ how _____ brakes perform?

_____ would _____ know _____ the effectiveness of _____ brakes.

We _____ to know _____ about the brake _____ and _____.

What _____ responsiveness _____ your _____?

_____ the _____ work and _____?

_____ any information about _____ your brakes _____?

Do _____ have _____ information _____ your brakes _____?

What _____ on _____ and promptness _____ the brakes?

_____ are their _____?

Do you _____ the _____ and _____ of _____ brakes?

We _____ to _____ more _____ the _____ system's responsiveness.

More _____ on the _____ system's _____ responsiveness is _____.

Can you talk _____ efficient _____ braking system _____?

Can _____ tell _____ something _____ the _____ system's _____?

Details regarding _____ effectiveness _____.

_____ would like _____ about how responsive _____ your _____ braking system _____.

_____ need _____ brake effectiveness and _____.

_____ want to know about _____.

_____ system operate effectively?

_____ you give us _____ on _____ the _____ work?

_____ there any _____ you could _____ about _____?

I want _____ find _____ brakes _____.

Do _____ have _____ information _____ the _____ effectiveness and _____?

Can I learn how _____?

_____ can you _____ about _____ brake _____?

What is _____ performance and _____ the _____?

Do _____ know _____ tell _____ about responsive _____?

_____ is need _____ details _____ brake _____.

Can you _____ more _____ braking _____?

Let _____ know _____ about the _____ and _____ of _____ brake _____.

_____ information on the brakes' _____?

Can _____ tell _____ more _____ the brake system?

How _____ braking system's efficacy _____?

_____ a precise _____ of the effectiveness and promptness of _____?

I _____ to _____ the brakes _____?

Tell _____ do your _____ not?

_____ you give _____ details _____ how _____ and _____ the _____ system _____?

Someone wants _____ brakes _____ well.

What are _____ views _____ and promptness of _____?

Is it _____ give more _____ on the _____ the _____?

_____ details _____ and effectiveness of the _____ mechanism?

I _____ like _____ how responsive _____ efficient your _____ brake _____.

_____ to know _____ and effective that brake _____ yours _____.

Tell _____ brakes that _____?

_____ want _____ know _____ about how efficient _____ responsive the _____ system _____.

Any _____ the _____ system _____ responsiveness?

Please _____ me _____ brakes performance.

_____ well _____ brake _____ work

I'm interested in learning _____ responsive _____ how _____ they _____.

_____ responsiveness.

_____ to hear about responsive _____.

_____ need to _____ how _____ and _____ the _____ respond.

_____ describe _____ performance.

Can you talk _____ how _____?

_____ us _____ about how well _____ brakes work?

Can you give us details _____ are?

_____ you give me _____ information _____ the braking system responds?

_____ would _____ know more _____ system's ability and responsiveness.

Tell us about _____ of _____ and its _____.

_____ was _____ if _____ me more _____ the effectiveness of _____ brakes.

_____ people, give out _____ braking _____.

_____ information on _____ system's effectiveness?

Is it possible to ____ further ____ ____ ____ ?
____ explain about ____ ____ the ____ system.
Do ____ any particulars about the ____ promptness ____ ____ brakes?
We want ____ the ____ of ____ brake ____.
____ of ____ performance.
____ any ____ how ____ the brakes respond?
____ curious ____ brakes actually perform.
____ let us ____ about ____ braking ____.
How ____ the ____ system?
____ concerning ____ and responsivity.
Please tell ____ ____ brake ____.
Could ____ the ____ work?
Do ____ how ____ braking ____ works?
____ you ____ me ____ efficient and quick the braking ____ ?
We ____ know ____ about ____ effectiveness and speed ____ brake ____.
Let ____ know ____ the brakes' ____.
I'm ____ if there ____ any information ____ ____ braking ____ is.
How can ____ describe ____ braking ____ ?
I ____ love ____ know ____ those ____.
Provide ____ the ____ effectiveness.
How's ____ system ____ ?
I want ____ if that ____ of ____ really ____.
____ did the ____ work?
I would ____ how ____ responsive that ____ system of yours ____.
Do you ____ details on ____ ?
____ is ____ performance ____ braking setup?
____ details ____ the brake's ____.
Can ____ and ____ of the braking system?
Inform me ____.
I am ____ in ____ well ____ brakes ____.
____ have more ____ the efficacy ____ the brakes?
____ effective is ____ system?
Is there ____ information ____ responsiveness you ____ ?
Can you ____ how ____ and ____ brakes respond?
____ the ____ and ____ effectiveness of the vehicle's ____ ?
What is ____ ?
Please ____ on the brakes ____.
____ details ____ have for ____ system ____ and responsiveness?
____ interested in learning ____ about ____ efficiency ____ your ____ system.
Are there ____ details ____ the ____ and ____ of ____ braking ____ ?
____ on brakes ____.
Can ____ describe the ____ ?
Please let ____ on ____ performance.
____ able ____ provide specifics ____ braking ____ ?
What ____ can you give ____ the ____ ?
____ provide information ____ brakes ____.
____ brakes effective ____ responsive?
____ about the ____ of responsiveness and ____ well ____ perform.
I ____ to ____ how ____ the ____ system ____.
____ responsive brakes.

_____ me know about _____.
 How _____ tell _____ of _____ brake system?
 Is it _____ detail effectiveness _____?
 _____ me know how _____ brake _____.
 _____ details about _____ effectiveness and _____.
 _____ some _____ about the brake's _____.
 _____ you tell _____ the brakes' _____?
 _____ about braking effectiveness?
 _____ you _____ tell _____ responsiveness _____ effectiveness of the _____ system?
 _____ brakes _____ effective and _____?
 I _____ to know _____ quick and _____ the _____ system _____.
 We would _____ to know _____ system _____ as well as _____.
 Will you tell me _____ the _____ system?
 _____ there _____ on the _____ of _____ brakes?
 I would _____ more about how _____ responsive the _____ is.
 Was the brakes _____ quick _____?
 _____ give _____ about the braking system?
 How _____ are your _____?
 _____ tell _____ about _____ on brakes.
 Can _____ us _____ about the _____?
 _____ you have any _____ the _____ promptness _____ your car's _____?
 Do you _____ input _____ the reliability and _____ the _____?
 _____ would love _____ know how _____ efficient your vehicle's _____.
 We _____ know more about the _____ effectiveness _____.
 Can you _____ specific _____ about the efficacy _____ your _____?
 _____ does the _____ system _____?
 _____ can _____ tell _____ about _____ System?
 Can _____ how fast your _____?
 _____ you _____ well the _____ does?
 Do you know more _____ of the _____?
 Is there _____ responsive _____?
 I _____ know _____ good the brakes _____.
 Is _____ brakes' responsiveness you _____ give?
 Specific information _____ brake system's effectiveness _____ be _____.
 I need _____ and effective the _____ system _____.
 _____ responsive and effective _____ the _____?
 How do _____ brake _____ of _____ works?
 _____ information on _____ responsiveness and _____ of the _____ mechanism?
 Does the _____ system _____ effectively _____?
 Any _____ about _____ brake system's _____?
 Is there _____ know about _____ brake _____ and _____ response?
 _____ me _____ the _____ of the _____.
 Detailed info _____ and _____.
 Please _____ about brakes _____.
 How _____ and perform _____ practice?
 Is _____ any information about braking _____ give?
 _____ tell me _____ brake's _____.
 Please tell _____ more _____ the _____ vehicle's brake system.
 _____ you _____ of _____ and effectiveness _____ the _____ mechanism?
 How well does _____?

_____ learn more about how _____ that _____ system is?

Could you give _____ info _____?

I would _____ know _____ info on the effectiveness _____.

How _____ does it _____?

Let _____ more about _____.

_____ want to _____ about _____ system _____.

Can you _____ braking _____?

Was your _____ system _____?

Tell me _____ brakes

_____ to _____ the braking is effective?

_____ share about _____.

Details _____ effectiveness and _____.

Tell _____ your _____ react.

_____ like _____ hear more about _____.

How responsive the braking _____ is _____ effective _____?

_____ have _____ on the _____ of _____ brakes?

_____ you tell _____ how _____ and _____ the _____ respond?

How do _____ system _____?

_____ to _____ more _____ system's effectiveness and responsiveness.

I _____ responsive the brakes _____.

_____ information _____ how _____ the braking mechanism works?

I'm curious to _____ the _____ system is _____ it is.

Is _____ possible _____ give information about _____ brakes _____?

_____ could tell _____ the brakes' _____.

Provide _____ the braking _____.

Specifics on _____ system's effectiveness and _____ be _____.

_____ the braking _____ it effective?

Please _____ details about _____ and _____.

Is _____ to describe _____ effectiveness of _____ brake system?

_____ to learn more _____ the efficiency _____ responsiveness _____ your _____.

Tell _____ about the _____.

Is _____ information _____ responsiveness of the braking _____?

_____ would _____ more information _____ effective _____ system is.

How _____ systems are?

How _____ is _____?

_____ me _____ brake responsiveness.

_____ to _____ more _____ responsive _____ vehicle's braking system is.

Any _____ system _____ and responsiveness?

_____ there _____ information on _____ those brakes _____ their _____?

Can you tell _____ the _____ of _____ brakes?

Can _____ us more _____ on _____?

_____ information about _____ performance.

_____ your _____ respond well?

Do _____ have _____ about how _____ your brakes _____?

Are _____ effective _____ quick to _____?

_____ effective _____ brake?

_____ would _____ know _____ fast and efficient the _____.

_____ responsive the _____ system _____ and _____ is it?

_____ there _____ you _____ tell _____ the brakes work?

Do _____ details on _____ efficient and _____ the _____ is?

_____ there _____ the braking _____ effectiveness and _____?
 Could _____ about the effectiveness _____ the brakes?
 _____ regarding _____ performance _____ responsiveness should be shared.
 Needed are brakes _____ and _____.
 _____ able to illuminate _____ efficacy of _____ brake _____?
 _____ information on the _____ effectiveness _____ responsiveness are _____.
 Can _____ explain if the _____?
 I would like to _____ the _____ is.
 _____ know _____ about how the brakes _____.
 Can you _____ me _____ responsiveness and effectiveness of _____?
 _____ would _____ know more _____ responsiveness and _____ the vehicle's _____ system.
 Please include _____ the _____ system.
 Tell _____ about _____ the brake.
 What _____ effective and _____ system?
 I _____ to _____ and effective the brakes _____.
 _____ you provide more _____ on _____ the _____?
 Let me _____ system's _____ and effectiveness.
 What _____ the responsiveness _____ effectiveness _____ the brake _____?
 How responsive and _____ your _____?
 Can _____ about _____ efficiency of the braking _____?
 What are _____ saying _____ of _____ braking system?
 _____ learn _____ the efficiency of the _____?
 _____ more about how efficient and quick the _____?
 I _____ learning how responsive your _____ brakes _____.
 _____ specific _____ the efficacy and promptness _____ my brakes?
 _____ the brake _____?
 Can you _____ effectiveness _____ brakes?
 Can you _____ the braking system's _____?
 _____ further information _____ the effectiveness of _____ brakes?
 _____ it possible _____ on the _____ of _____ brakes?
 _____ you _____ and responsive the braking _____ is?
 _____ do you _____ about braking _____?
 How _____ does _____ system _____?
 _____ you _____ about _____ responsiveness _____ of the vehicle's _____ system?
 Can you _____ brakes are responsive _____ effective?
 How well _____ the _____ work?
 _____ talk _____ effectiveness of the _____.
 _____ well _____ the _____ yours work?
 _____ responsive is _____ system?
 _____ the _____ effectively?
 _____ you able _____ of braking?
 _____ you tell me _____ of your _____?
 Can _____ if the _____ is _____?
 Is there _____ the _____?
 _____ brakes operate?
 Can you _____ information on _____ performance?
 _____ me more _____ brake _____
 Can you tell me _____ effectiveness _____ brakes are?
 Is it _____ to _____ how _____ brakes are?
 Can _____ describe _____ effectiveness of the _____ system?

Is there _____ information _____ responsiveness _____ you _____ provide?

Please _____ information _____ braking system.

Can _____ learn more about how _____?

Is there _____ about the brakes?

_____ tell me _____ about _____ braking _____?

_____ to know _____ well _____ brakes _____.

What _____ about _____ system performance?

_____ well _____ system works.

Could _____ tell _____ about _____ of _____?

_____ the braking system's _____ and _____?

I need to _____ brake _____.

_____ information you _____ give _____ brakes' _____?

_____ you _____ how quickly _____ brakes _____?

_____ tell me _____ brakes.

How _____ they _____?

How _____ the _____ give me information?

_____ there more _____ on _____ well _____ work?

Can I learn _____ about how _____?

_____ I _____ about _____ those _____ perform?

Do _____ have information _____ system's _____?

_____ tell _____ what _____ performance is _____.

_____ have _____ info _____ quickly your brakes respond?

_____ the _____ responsive and _____?

_____ you _____ any information about _____?

Do _____ the effectiveness _____ responsiveness of the _____?

Please tell us the _____ and _____ system.

_____ there _____ you _____ give about _____ of the brakes?

_____ you _____ specific information _____ braking _____?

I _____ interested _____ how _____ and _____ the braking _____ responds.

_____ how _____ the brake _____?

_____ about responsive brakes?

_____ like _____ know how effective and _____ brakes _____.

I'm curious as _____ how _____ braking system _____ and _____ is.

_____ clarify the _____ the _____ system.

_____ me _____ the _____ effectiveness.

How _____ braking system _____?

_____ on how those brakes _____?

_____ you _____ me how the _____?

How _____ system's effectiveness?

_____ how responsive and efficient your vehicle's _____.

_____ us _____ brake's performance.

Tell me _____ responsiveness and _____ of the _____.

I'm curious _____ responsive the _____ and _____ effective they _____.

Can _____ give _____ information regarding _____ promptness of your _____?

I would _____ know how efficient _____ quick _____ brake _____.

Tell _____ the _____ of _____ brakes _____.

_____ you please _____ me _____ effectiveness of the _____ system?

_____ tell me _____ and promptness of my _____?

_____ can you _____ braking system's _____?

Information _____ responsiveness and performance can _____ provided.

_____ is the _____ brakes setup?

What _____ tell me _____ the _____ braking system?

_____ you have any _____ on _____ your brakes _____?

_____ any information on _____ have?

How effective _____ the _____?

Is there a way _____ the _____ the _____?

Please _____ about the _____.

Is it possible _____ effectiveness _____ the _____ system?

_____ to _____ how _____ brakes work.

You need _____ about _____ effectiveness _____.

I'm curious about how _____ braking system _____.

Is it _____ to _____ braking _____?

I _____ to know how _____ the _____ responds.

_____ information can you _____ me _____ the _____?

Can you give _____ on _____?

Is _____ brakes responsive _____?

What _____ the _____ of your _____?

_____ anything _____ can tell me _____ braking _____ efficiency?

_____ info needed _____ effects _____

_____ to _____ about brakes performance.

_____ on brake _____ reliability and promptness?

_____ your _____ setup respond _____?

_____ on _____ responsiveness of the _____.

Is _____ information _____ how _____ the _____ are?

_____ us more _____ the brake _____ and _____ times.

_____ more info on _____ effectiveness?

What _____ do _____ have _____ how _____ work?

I _____ more _____ responsive your brakes are.

How effective _____ brakes _____ something I _____ to _____.

_____ me more about _____ system's _____ and _____.

What is the _____ and effectiveness _____?

_____ any _____ on the responsiveness and effectiveness _____ the _____?

Will _____ about the braking _____?

_____ the _____ system _____ well?

_____ to _____ light on the effectiveness _____ the brake _____?

_____ is the braking _____?

_____ the braking system _____ and its responsiveness.

I need to know how effective _____.

_____ me now _____ brakes?

_____ on _____ effectiveness and _____.

_____ you give me _____ details _____ efficacy _____ promptness of _____ car's _____?

_____ does the _____ work?

_____ information _____ braking system's _____.

_____ anything you _____ tell _____ about _____ your brakes _____?

_____ responsiveness could _____ useful.

What are _____ and _____ the vehicle's _____?

Inform _____ Brake _____.

_____ does _____ system of brakes _____?

Please tell _____ the braking _____ performance and _____.

_____ want _____ well those brakes _____.

Do you _____ brake _____?
_____ effective _____ the _____ braking?
I _____ about _____ vehicle's braking system efficiency.
Did _____ brake system _____?
_____ the brake _____ effectiveness?
_____ give _____ details about _____ braking _____?
Is there _____ efficacy _____ promptness of _____ brakes?
Tell _____ about _____ of the _____.
_____ me _____ the _____ system.
Any information on the _____ and _____?
Can _____ about how those _____?
_____ information could _____ brakes responsiveness?
Is it _____ both the responsiveness _____ the brake system?
_____ comment _____ the _____ of _____ brakes.
_____ to know _____ the brake system's _____ responsiveness.
I _____ to _____ how _____ your _____ brakes are.
_____ brake effectiveness and _____
_____ information _____ effectiveness.
Are there _____ about how effective _____ system _____?
_____ braking system _____ well?
Do _____ any _____ regarding _____ and _____ your car's brakes?
_____ you _____ good the brake system _____?
Let me _____ responsiveness.
_____ am _____ information _____ how responsive _____ brakes are.
_____ us about the levels _____ and _____ well _____ system _____.
_____ the _____ system's performance and _____.
_____ give _____ information on brakes _____.
_____ would like to _____ about _____ efficiency _____ responsiveness _____ your _____.
Can you give us _____?
_____ you _____ specific details _____ effectiveness and _____ your brakes?
_____ more info about the _____?
_____ I _____ about _____ brakes?
_____ it _____ to _____ of braking?
We _____ to _____ about _____ braking system's _____.
_____ details _____ have _____ the _____ system performance?
What do _____ think _____ promptness of _____ system?
_____ I get some _____ well those brakes _____?
_____ you tell me how _____ brake _____?
How well _____ work?
_____ you tell us more _____ of _____ brakes?
Tell _____ works.
_____ is _____ responsiveness _____ brakes system?
_____ tell me _____ brake system _____.
Please _____ brakes performance.
Is it _____ me _____ on _____ your brakes react?
_____ want _____ what _____ tell _____ about the braking _____ efficiency.
_____ to _____ well _____ brakes work.
Can you _____ how _____ and quick the _____?
_____ and _____ of _____ brake system.
Did you have _____ information on _____ brakes?

_____ about the brake system.

How _____ braking _____ work?

I would like to know how _____ system _____.

_____ you have _____ on _____ and responsiveness _____ the _____?

Is it _____ for you _____ details _____ efficiency?

_____ would _____ your vehicle's braking _____ is efficient _____ responsive.

Performance and responsiveness _____?

Is that _____ brakes' _____?

_____ about the _____ system's _____?

_____ the _____ and effective?

_____ about the _____ of _____ system?

_____ you tell _____ about _____ effectiveness and _____ response?

Can _____ me about _____ and _____ of the braking _____?

Can _____ tell _____ effective _____ braking _____?

_____ information _____ the _____ system?

_____ to describe the _____ the braking?

_____ us more information _____ the brakes work?

Does _____ well?

_____ a _____ for information regarding responsivity and _____.

Please _____ me _____ brake system's _____.

_____ is the performance _____ system?

_____ the efficacy _____ promptness of _____ car's brakes are?

_____ system do its job _____?

_____ you tell _____ about _____ the _____ are?

How _____ I find out _____ the _____ system?

_____ me about _____ brake system's _____?

_____ us _____ the braking _____ works and how _____ is.

Can _____ tell _____ about the _____ and effectiveness of _____?

I want to _____ well _____ work.

_____ you _____ more _____ responsiveness and _____ of the _____ system?

Tell _____ more about _____ effectiveness.

_____ me _____ BRAKE responsiveness.

_____ explain _____ responsiveness of the _____ system.

_____ brakes _____ or effective?

Provide _____ brakes _____.

_____ what effective _____ responsive the brakes are?

Please tell me _____.

Is _____ to _____ more _____ the brakes?

Is _____ possible to _____ brakes' _____?

What _____ I know about _____ brake system's _____?

You _____ me about _____ the brakes.

_____ you _____ details _____ the _____ efficiency?

How _____ is _____ braking system?

_____ find _____ about _____ system efficiency?

I _____ like to _____ how _____ system is.

Can you _____ us more _____ on _____ effectiveness _____ of _____ system?

Are you _____ to _____ specific _____ the braking _____?

Please _____ the effectiveness and responsiveness _____ brakes.

_____ more about _____ performance.

Is there _____ information regarding _____ of _____ system?

_____ am _____ for information on _____ effective _____ brakes _____.

We _____ love _____ information _____ brake _____ effectiveness.

I _____ know how responsive your _____ braking _____.

What are your views _____ and _____ brake system?

_____ curious about _____ responsive _____ brakes _____ and if there _____ any _____.

_____ curious about _____ responsive the brakes _____.

_____ there a _____ about the _____ and _____ of your _____?

Can _____ give details _____ effectiveness _____ promptness _____ car's brakes?

_____ braking _____ effective, _____ say so?
