

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Gas leak reporting and emergencies
Inquiry Sub-Category	Pipeline Damage Reporting
Description	Customers inform about incidents resulting in physical damage to gas pipelines, such as accidental digging or construction work.
Data Size	5,201 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

_____ been _____ of any _____ involving third-party actions affecting _____ infrastructure, _____ to excavations _____ the _____?
_____ you _____ of accidents _____ by external factors _____ the systems _____ specifically _____ operations next _____ the _____?
Do _____ hear _____ by external _____ specifically _____ operations next to _____?
_____ anyone _____ the _____ done _____ the lines or _____ accidents _____ by work being _____ nearby?
_____ see _____ new _____ in the _____ with regard to _____ actions _____ our _____ or excavations _____ the pipe?
Is a _____ external factors, especially with digging _____ near our _____?
Is there _____ a notification made _____ external _____ especially _____ digging near _____?
Have _____ heard of _____ caused _____ work _____ pipe?
_____ see _____ developments _____ regard _____ third-party actions affecting our _____ excavations close _____ the pipe?
Do _____ any _____ by external factors and specifically _____ next _____ pipes?
_____ there a notification _____ resulting from _____ factors _____ our _____ to _____ operations?
_____ you know _____ accidents that have been _____ operations near _____?
Is there _____ information _____ affecting _____ excavations _____ the line?
_____ you _____ of any _____ that _____ as _____ of _____ near the pipe?
_____ you know _____ by external factors that affect our systems, specifically _____?
_____ there _____ accidents caused _____ factors affecting _____ system _____ specifically _____ digging _____ next to _____ line?
Did we know _____ to the gas system from other people's accidents, especially _____ involved _____?
Did _____ about the damage done to the lines _____ the _____ by _____ being _____ the vicinity?
Did anyone warn _____ about _____ or _____ caused _____ work being _____ in the vicinity?
Are _____ any incidents affecting the _____ the _____?
Are _____ any _____ caused by external _____ affecting _____ digging operations near _____ pipes?
_____ you know _____ any _____ that affect the system and specifically by digging _____ line?
Are you _____ of any _____ by _____ close _____ pipes?
_____ ever made about _____ that have _____ caused _____ external factors, especially _____ operations _____ systems?
Do you know _____ accidents _____ digging _____ near _____ pipe?
We _____ if there are _____ that caused accidents _____ impacted _____ infrastructure, or _____ with excavating _____
_____ you hear _____ accidents _____ by _____ specifically _____ digging _____ next _____ the line?
Is _____ notification _____ made about _____ caused by _____ that have been carried out _____?
Is _____ ever made _____ accidents _____ by _____ when _____ near _____ piping line?

_____ anyone warn us of _____ and _____ caused _____ being done in _____ around _____ vicinity?
 _____ anyone aware _____ any incidents _____ third-party negligence that _____ from _____ in _____ our pipes?
 _____ don't _____ there are third-party actions that caused _____ that _____ or if they are _____
 _____ notification ever made about accidents _____ have _____ caused by external _____ digging _____?
 _____ heard _____ accidents _____ might affect _____ infrastructure or _____ to _____ constructions?
 _____ caused by _____ factors _____ digging operations in the area?
 Is there _____ accidents _____ by external _____ systems and specifically by digging operations _____?
 Are there reports of _____ endangering _____ infrastructure, especially in relation to _____?
 _____ there _____ accidents _____ external factors affecting the systems and _____ operations _____ to _____ pipelines?
 _____ any report of _____ activities _____ infrastructure, _____ related to _____ work?
 Are there any _____ developments in _____ months with _____ party _____ that negatively _____ infrastructure _____ excavations
 _____ the _____?
 Are there _____ caused _____ factors _____ systems and specifically _____ digging _____ next to the _____?
 _____ hear _____ caused by _____ factors that affect our _____ to digging _____ the _____?
 _____ in the _____ months _____ party actions _____ negatively impact infrastructure or _____ near the
 piping system?
 _____ there _____ about accidents caused _____ factors like digging _____ the _____ line?
 _____ you hear about _____ accidents caused _____ operations _____ the _____?
 Do _____ about _____ incidents _____ infrastructure or _____ the line?
 _____ know _____ any accidents caused _____ factors, specifically digging _____ next _____ line?
 Are _____ any accidents that might _____ around _____?
 _____ you ever _____ about accidents _____ external _____ the _____ specifically by digging _____ next to the _____?
 Are there any _____ of _____ our infrastructure _____ excavation work?
 Do _____ caused by _____ could affect infrastructure, for _____ where work is being _____ pipes?
 Is there ever a _____ accidents caused by _____ factors, especially _____ near our _____?
 _____ aware _____ that _____ the infrastructure or _____ excavations?
 Do _____ know _____ any _____ caused by _____ after _____ near _____ pipe _____?
 _____ there any _____ that are _____ to _____ digging around _____?
 _____ third party actions _____ negatively _____ or excavations near the pipe, _____ developments _____ the past
 _____ months?
 Is there ever _____ notification _____ accidents caused _____ especially _____ that are _____ our systems?
 Is _____ any reports of external _____ our _____ excavation work?
 _____ you _____ of _____ involving _____ infrastructure or the _____?
 Are _____ any _____ caused _____ external _____ affecting our systems as _____ of digging _____ done near _____?
 _____ a notification about _____ caused _____ external _____ especially _____ operations carried _____ near our systems?
 _____ heard about _____ accidents _____ to nearby excavation _____ damaging _____ impacting _____ yet, are _____ any
 updates available _____
 We _____ if there are third-party actions _____ that impacted _____ infrastructure, or _____ are those _____
 Are there _____ that _____ our _____ of _____ excavations?
 Do _____ any accidents _____ caused _____ external _____ digging _____ the pipe line?
 _____ about _____ caused by _____ factors _____ as digging around pipes?
 Do _____ hear _____ accidents _____ by external _____ because of _____ operations _____ near the line?
 _____ reports of external activities affecting _____ excavation work?
 Have you _____ about accidents _____ may _____ our _____ to _____ construction?
 _____ of anyone damaging/excavating around _____ pipelines causing a _____?
 _____ notification ever made about _____ by external _____ especially digging _____ our _____?
 Is _____ about accidents caused _____ external factors, _____ with digging _____ systems.
 _____ a notification about any accidents caused by _____ with _____ our systems?
 Is _____ made about accidents caused _____ external factors _____ systems, _____ digging operations _____?
 _____ you hear _____ accidents caused by digging _____ pipes?
 Are _____ caused by external _____ affect _____ systems after _____ operations near _____?
 _____ you hear of accidents _____ by external factors, _____ digging _____ the _____?

_____ hear _____ accidents caused by external factors _____ affect _____ because of digging _____ ?
 _____ you know of _____ by _____ the systems and specifically _____ operations _____ to the _____ ?
 _____ you _____ if accidents caused _____ third-party _____ infrastructure, _____ example where work is _____ near _____ pipelines?
 We don't understand _____ that caused _____ which _____ our _____ or if _____ are _____ with _____ near
 Did anyone warn us _____ done _____ lines _____ the _____ by the _____ being done in _____ around _____ ?
 _____ if _____ are _____ accidents caused _____ digging operations _____ to the _____ ?
 Did _____ that damaged our infrastructure, _____ from _____ activities _____ to the _____ ?
 _____ there any _____ caused by _____ factors affecting our _____ due _____ done _____ the _____ ?
 Do _____ accidents _____ external factors, _____ digging near _____ line?
 _____ a notification _____ by external factors _____ near the pipe?
 _____ a notification about accidents _____ external factors, especially with _____ operations _____ ?
 _____ you _____ of _____ external _____ affecting the _____ or by digging operations _____ the pipe?
 Is _____ any _____ with regard to third-party _____ affecting _____ or _____ the lines?
 Have _____ about _____ that may _____ our infrastructure or _____ to _____ ?
 Do _____ about accidents _____ occur as a _____ digging _____ close _____ ?
 _____ hear _____ caused _____ factors and specifically by _____ operations in _____ area?
 _____ there ever _____ notification _____ accidents caused _____ factors, such as digging _____ close _____ our systems?
 _____ aware _____ accidents caused by _____ near a _____ ?
 Do _____ hear _____ external factors, like _____ next _____ the line?
 _____ don't _____ there are incidents _____ actions _____ accidents _____ impacted our _____ especially _____ related _____ excavating _____ the
 Are _____ any reports of _____ impairing _____ infrastructure _____ to _____ ?
 Is any notice _____ about accidents caused by _____ with _____ operations _____ ?
 _____ there _____ caused by external _____ and _____ digging operations next _____ the line?
 _____ there _____ by external _____ systems as _____ of digging operations close _____ the pipes?
 Do _____ hear of _____ caused by external _____ affecting _____ systems _____ operations _____ the _____ ?
 _____ if _____ caused by digging _____ near the line?
 _____ aware _____ incidents relating to _____ infrastructure and _____ ?
 _____ any accidents _____ external _____ affecting the systems _____ to digging around _____ ?
 _____ hear about accidents caused _____ external _____ that affect _____ digging operations next to the _____ ?
 _____ you _____ caused by _____ affecting the systems _____ specifically by digging operations _____ to _____ ?
 _____ anyone aware of accidents _____ actions _____ pipes?
 _____ you seen any new _____ with _____ actions affecting our infrastructure _____ close to _____ ?
 _____ see _____ factors affecting the _____ or related to the digging _____ the pipe?
 _____ there any accidents caused _____ operations _____ pipes _____ hear about?
 _____ any accidents _____ by _____ factors and specifically by _____ pipes?
 _____ you _____ of any accidents _____ external factors, specifically _____ next _____ line?
 Do you know of any _____ digging operations _____ ?
 Do you hear _____ by external _____ that _____ the systems and specifically _____ digging _____ ?
 Are there _____ caused _____ external factors _____ affect _____ after digging _____ the _____ ?
 _____ know of _____ accidents caused _____ near the _____ ?
 _____ about _____ by the digging operations?
 _____ notification made about accidents caused _____ factors, especially _____ operations are _____ ?
 Do you _____ any _____ are _____ by _____ digging near the _____ ?
 Do _____ incidents involving the infrastructure _____ excavations?
 _____ hear _____ accidents _____ by third-party actions near _____ ?
 _____ there any accidents _____ by digging operations _____ ?
 Is _____ of incidents that _____ relation to the _____ near _____ ?
 _____ been _____ excavation-related accidents?

Do _____ if _____ by third-party actions _____ affect _____ for _____ where _____ done near _____ pipelines?
 _____ you _____ of _____ by _____ factors and _____ by _____ operations _____ to the lines?

Do you hear _____ external factors _____ specifically _____ digging operations _____ the _____?
 _____ you _____ about _____ factors _____ affect _____ systems due _____ digging operations near the pipe?
 _____ aware of any incidents _____ involve _____ to excavations _____ to our _____?

Is _____ of _____ to excavations in proximity _____ our _____?
 _____ don't _____ if there _____ third-party _____ that _____ impacted our _____ or if _____ associated with excavating near

 _____ you _____ new developments _____ third-party actions affecting our _____ or excavations _____ piping line _____
 the past _____?

_____ new developments in the _____ few _____ with regard _____ third-party actions _____ infrastructure _____ excavations
 _____ piping line?

Is _____ ever _____ aware of _____ external _____ especially with digging _____ are _____?
 _____ a _____ accidents _____ by external _____ when digging operations _____ close to _____ systems?

Were there _____ incidents _____ due _____ the excavations?

Is _____ there have _____ especially those _____ to _____ near _____ lines?
 _____ there _____ accidents _____ factors _____ the _____ by digging operations in the _____?

Has _____ about anyone _____ the _____ causing a _____ incident on our _____?

Did you hear _____ of excavations _____ pipes?
 _____ you know of any accidents _____ external _____ affecting our _____ of _____ near the _____?

Do _____ hear _____ accidents _____ by external _____ when _____ near the line?

Have we been _____ aware of anyone _____ around the _____?
 _____ there any _____ linked to _____ endangering our _____ relation to nearby excavation work?

Have we been aware _____ accidents _____ to _____ the _____?

Do you _____ about _____ by external _____ affecting _____ digging near the _____?
 _____ there any _____ excavation _____ impairing our _____?

_____ you hear _____ the _____ by external _____ when digging _____ pipe?

Have you _____ accidents _____ to _____ around the _____?

Are _____ of any _____ affect infrastructure or _____ the _____?
 _____ affect the infrastructure because _____ the _____?

Is anyone _____ us if _____ has wreaked _____ the _____?

Is _____ a _____ made _____ accidents caused _____ external factors _____ the _____?

Do you hear _____ caused _____ external _____ systems as a _____ of _____?
 _____ there accidents caused by _____ the systems and _____ by _____ next _____ the pipe?

Are there _____ external factors _____ affect _____ systems due to digging _____ the _____?
 _____ about _____ accidents caused _____ external factors _____ affect the systems _____ by digging next to _____?

Do you _____ any accidents _____ our systems _____ a _____ of _____ near _____ pipe line?

Does _____ know _____ work near _____ has _____ by _____?
 _____ there accidents _____ by external factors that _____ systems _____ of digging _____ done _____ pipe _____?

Are there any accidents _____ by external factors affecting _____ systems _____ operations _____ to the _____?
 _____ any accidents _____ external _____ affecting _____ digging operations in the area?

Are there any _____ external factors affecting the _____ or specifically _____ area?

Is _____ a notification _____ accidents _____ like digging operations close _____ our _____?

Are there any accidents _____ factors _____ systems _____ by _____ next to the _____?
 _____ notification made _____ accidents caused _____ external _____ especially with _____ operations nearby?

_____ us _____ damaging/excavating around the lines causing _____ incident?

_____ you _____ of _____ accidents caused _____ factors _____ to digging operations _____ the _____?

_____ anyone _____ of _____ damaging/excavating _____ lines causing _____ safety incident?

Are we aware of anyone _____ causing _____ incident _____ our _____?
 _____ reports _____ external activities _____ are _____ related to _____ excavation work?

_____ we been made aware _____ excavation-related _____ near _____?

_____ any _____ of accidents related to _____ operations _____ the pipelines?
 Is _____ of accidents that _____ to our infrastructure from _____ operating _____?
 Is _____ a notification _____ caused _____ factors, _____ when _____ operations _____ taken place?
 Are _____ any new _____ in the past few months _____ third _____ actions that _____ or _____?
 _____ there ever _____ notification about _____ that _____ been caused _____ with _____ operations?
 Do _____ know _____ accidents caused by _____ close _____ the pipes?
 _____ recall any _____ by _____ operations next to the _____?
 Do _____ know _____ new developments _____ third-party actions _____ our infrastructure _____ piping line?
 _____ about _____ accidents caused _____ specifically by digging operations _____ to the _____?
 Has there been _____ the digging around _____?
 _____ know if _____ accidents caused _____ external _____ because _____ digging _____ near the _____?
 Does _____ know _____ near _____ has been affected by _____?
 _____ of accidents _____ cause damage to _____ especially from _____ activities?
 Do you hear _____ caused _____ operations _____ the _____?
 _____ you know of any _____ caused _____ external factors affecting _____ systems _____ near _____ pipe _____?
 Did you _____ factors affecting the systems _____ especially _____ to the _____ around the _____?
 Is there _____ made _____ caused _____ digging operations nearby the pipes?
 Is _____ any new developments with regard _____ our infrastructure _____ the _____ line?
 _____ past few months, _____ developments _____ to _____ actions _____ our infrastructure or excavations
 _____ to the lines
 _____ there accidents _____ by _____ factors _____ systems and specifically _____ digging _____?
 Do _____ hear of _____ accidents _____ by _____ near the _____?
 _____ you _____ of accidents _____ by _____ factors that _____ the _____ and _____ operations next to _____ pipeline?
 _____ any _____ affect _____ as _____ result of the _____?
 Have you _____ seen any _____ to _____ affecting the systems _____ the _____?
 Have _____ been any accidents _____ external factors impacting _____ systems, _____ digging _____?
 Do _____ know _____ caused _____ factors _____ our systems when digging close to _____ pipes?
 Do you hear _____ caused _____ external _____ operations, in the _____?
 _____ any accidents caused by external factors _____ systems _____ operations near _____?
 _____ be reports _____ impairing our infrastructure, _____ related _____ excavation work.
 Do _____ any _____ caused by external factors that _____ and specifically _____ operations next _____ line?
 Is _____ any new _____ about _____ impacting infrastructure _____ excavations _____?
 Do _____ any _____ related to _____ operations near _____?
 Did _____ hear of _____ accidents _____?
 Do you know _____ caused by outsiderswreaking _____ on _____ around _____ lines?
 Is there _____ accidents _____ external _____ specifically related to digging operations?
 _____ there any _____ caused _____ factors _____ the systems or specifically _____ digging operations _____ pipes?
 Does _____ know _____ accidents _____ factors affecting the _____ and specifically _____ next to _____ pipes?
 Do _____ hear about _____ by external factors that affect our _____ digging near _____?
 Are _____ any _____ of external activities _____ specifically _____ to _____ work?
 Have _____ seen _____ new _____ in _____ few _____ regarding third-party actions _____ infrastructure or excavations around _____?
 Is _____ instances _____ caused accidents _____ our infrastructure, _____ those _____ with excavating near _____ lines?
 Did _____ about _____ caused _____ external _____ and specifically _____ digging operations?
 Are _____ new _____ the _____ few months with third party actions _____ negatively _____ infrastructure _____ the _____?
 _____ a _____ made _____ accidents caused by _____ digging operations close to our systems?
 _____ there any notification _____ about accidents _____ near the piping line?
 _____ know of any accidents _____ have been caused _____ factors due _____ pipe line?
 _____ anyone warn us _____ the _____ done to _____ and the accidents _____ by the _____ being done _____?
 Have you _____ accidents caused _____ factors or _____ digging _____ pipe?

_____ you know _____ any accidents _____ external factors _____ systems, and specifically by _____ operations _____ the _____?

Is there _____ new developments _____ affecting our infrastructure _____ excavations _____ to _____ in the past _____?

Have you _____ accidents that _____ caused by _____ like _____ the pipe?

Do _____ about accidents _____ near the pipe?

Do _____ accidents caused _____ external _____ affecting _____ systems _____ result of digging near _____ pipe _____?

Is _____ any incident _____ infrastructure due _____ excavations?

_____ there any _____ factors that _____ our systems _____ result of _____ near the pipes?

Is it known if third-party _____ accidents _____ infrastructure, _____ those associated with excavating _____?

Do _____ hear about _____ caused by _____ as _____ to _____ line?

Is there ever a _____ about accidents _____ by _____ factors, _____ digging _____ nearby, _____?

Do _____ hear _____ by _____ factors and specifically _____ digging _____ to pipes?

_____ been any _____ caused by _____ factors in _____ systems, _____ to digging operations?

Are _____ accidents _____ by external _____ that affect _____ and specifically _____ operations next to _____?

_____ warn _____ about the _____ to the _____ accidents caused by _____ done _____ or around _____ vicinity?

_____ you noticed _____ by external factors like _____ around the _____?

Do you _____ any accidents _____ as _____ result of _____ pipe?

Do _____ accidents _____ external factors _____ our systems because of _____ done _____ the pipe?

_____ there any problem with _____ the excavations?

Have you _____ accidents _____ the _____ around the pipe?

Is _____ a _____ by external factors, especially with digging operations _____?

Do you know _____ there _____ accidents _____ by external factors _____ digging _____ near _____ line?

Do _____ about any accidents _____ as a _____ of _____ the pipe _____?

_____ of any _____ that happen as _____ result _____ digging _____ close _____ the _____?

_____ there accidents caused _____ affect our _____ as a result _____ digging near _____?

Did you see _____ the _____ few _____ that _____ the infrastructure _____ excavations _____ the piping system?

_____ you hear about accidents _____ factors _____ the _____ and _____ by _____ operations next _____ line?

Do _____ know anything about accidents _____ operations _____ the _____?

_____ there _____ a notification _____ accidents _____ by external _____ operations _____ the gas lines?

_____ you _____ of _____ by external factors affecting our _____ as a result _____ near _____ pipe?

Is _____ any _____ the infrastructure due to _____?

_____ of _____ caused _____ digging operations done near the pipe?

Is _____ any _____ of _____ stemming from _____ affecting _____ systems, _____ related _____ operations?

_____ any accidents _____ the external _____ affecting the _____ digging around the pipe?

Are _____ any reports _____ outside _____ impairing _____ to excavation work?

Do you hear _____ any _____ by digging _____ the _____?

Do you _____ if accidents _____ by _____ effect on infrastructure, for _____ being _____ out near the

With _____ to _____ or excavations _____ to _____ pipe, have you seen any _____ recently?

_____ of any accidents caused _____ factors that affect _____ when digging _____ the _____?

_____ hear about incidents _____ of _____ near pipes?

Do _____ there have _____ that affected our _____ of dumbasses digging _____ pipes?

_____ you seen _____ accidents that _____ factors _____ the _____ around the pipe?

Do you _____ about accidents where _____ wreck _____ digging around gas _____?

_____ you know _____ that _____ damaging _____ structure while _____ around gas lines?

_____ you _____ by _____ factors and specifically by digging next _____ the pipes?

_____ there any news _____ accidents _____ excavation work that _____?

_____ you hear of _____ accidents _____ external _____ specifically _____ digging _____ the area?

Are there any reports _____ accidents _____ to third-party activities endangering _____ in relation _____?

_____ there any information _____ impacting _____ or excavations _____ line?

_____ know _____ any _____ factors, like digging operations _____ the pipe?

_____ there any reports _____ external _____ impairing _____ specifically _____ excavation work?

_____ you _____ that _____ been caused by digging _____ next to the _____?

Is anyone _____ the lines _____ a safety _____ on _____ premises?

Are there _____ accidents _____ external factors _____ and _____ digging operations next _____ the _____?

_____ accidents caused by _____ operations _____ the line?

_____ developments in the _____ months with third _____ that negatively _____ infrastructure or excavations near _____ pipe?

_____ you _____ about accidents caused by _____ factors that _____ the _____ specifically by _____ next to _____?

_____ you hear of accidents _____ external factors that _____ and _____ digging operations next _____ the _____?

_____ a notification made _____ accidents caused by external factors, especially _____ lines?

_____ you _____ of _____ caused _____ such as _____ operations next _____ the pipes?

Are _____ aware of _____ damage to our infrastructure, _____ from _____?

Do you _____ of _____ were caused by _____ and _____ by _____ in the area?

_____ a _____ about _____ caused by _____ factors, like _____ near the _____ lines?

Do you _____ of any accidents caused _____ external _____ our _____ after _____ the _____ line?

_____ any problems _____ our _____ because of _____ excavations?

Do you hear about accidents caused _____ factors and specifically _____?

_____ of _____ accidents that _____ caused by digging near _____ pipe _____?

_____ you _____ any accidents caused _____ external _____ specifically related _____?

Do you hear _____ accidents _____ external _____ affecting our _____ as _____ near the line?

Do _____ external _____ due _____ digging operations near the pipe line?

_____ about any accidents that are _____ operations _____ the area?

_____ any notification about accidents _____ by _____ like digging operations _____ line?

Can _____ confirm if there _____ been _____ activities _____ in relation to _____ excavation work?

Is there ever _____ about _____ caused _____ external _____ particularly with digging _____ have _____ to _____ systems?

Do _____ hear _____ accidents due _____ external factors affecting our _____ pipes?

_____ accidents due to _____ factors _____ the systems and _____ digging around the pipe?

Did _____ affect the infrastructure _____ to _____?

_____ where _____ actions _____ accidents that _____ infrastructure, particularly _____ associated with excavating near the _____?

_____ if there _____ any _____ caused _____ digging operations close _____ pipes?

Is there ever any _____ caused _____ external _____ especially with digging operations _____?

Are _____ aware _____ any _____ caused _____ the systems or by digging operations _____ to _____?

Do _____ accidents caused _____ external _____ that affect our systems _____ operations _____ pipe line?

Have we _____ about _____ that _____ affect our infrastructure _____ construction?

_____ any _____ in relation to the _____ that _____ third-party negligentness?

Did we hear _____ near _____?

Is there ever a notification _____ the accidents caused by _____ especially _____ operations _____?

_____ you aware of _____ affect the _____ excavation?

_____ ever _____ notification about accidents _____ by _____ digging operations _____ gas lines?

Did you see _____ caused by _____ such _____ digging _____ the _____?

I'd like to _____ there are _____ reports _____ accidents with _____.

Is there ever _____ notification _____ the accidents _____ external factors, especially _____ have _____ done close to _____?

_____ about _____ outsiders _____ havoc on _____ structure while digging around gas _____?

_____ we hear _____ any excavation-related _____ infrastructure?

Do you hear _____ caused by _____ that affect _____ by digging _____ next to _____ pipe?

_____ there _____ a notification of accidents _____ by _____ digging _____ near _____ systems?

Is _____ ever notified about accidents caused _____ as digging operations _____ are _____ to _____?

_____ you know about accidents where _____ on _____ structure _____ around _____ lines?

_____ there any accidents _____ factors that _____ systems _____ by digging _____ next _____ the line?

____ you know of ____ by third ____ the pipe?
 ____ we received ____ accidents ____ damage ____ from excavation activities?
 Are ____ any ____ where ____ actions caused accidents ____ impacted our infrastructure, ____ those ____ with ____?
 ____ there any ____ accidents caused ____ external ____ with digging operations that have ____ out ____?
 ____ there ____ notification ____ that are caused by external ____ operations nearby?
 ____ there ____ accidents ____ by ____ affect systems ____ specifically by digging ____ next to the ____?
 Are there accidents ____ our systems because of ____ operations ____ line?
 Is there ____ about ____ caused ____ factors, especially with ____ operations that ____ near the ____?
 Are ____ of ____ our infrastructure related to ____ work?
 Is ____ made ____ accidents caused ____ external factors, ____ digging operations?
 Is ____ a notification ____ affecting ____ systems, specifically related ____ digging operations?
 Do ____ hear ____ occur ____ a result ____ digging ____ pipe line?
 Do you ____ any ____ involve third-party Negligence ____ arisen from ____ in ____ to our ____?
 Did anyone ____ damage ____ the lines ____ accidents caused by ____ work ____ done near ____?
 ____ a notification about ____ external factors, especially ____ that have been done nearby?
 ____ there ever a ____ accidents caused ____ external factors ____ digging ____ our ____.
 ____ anyone aware of ____ to ____ excavations that involve third-party ____?
 ____ there ____ due to ____ affecting the ____ and digging ____ pipe?
 ____ anyone ____ us about ____ our ____ within its vicinity?
 Is there ever any ____ by external factors like ____ are close ____ systems?
 ____ there ____ new information ____ impacting infrastructure ____ near ____ line?
 Has ____ told ____ anyone damaging/excavating around the ____ a ____?
 ____ a ____ ever ____ accidents caused by external ____ our systems, ____ digging operations ____?
 ____ past few ____ have you seen ____ regarding ____ our infrastructure ____ excavations nearby
 our pipeline?
 ____ there any ____ accidents ____ work endangering infrastructure?
 ____ have been ____ of ____ impairing our ____ those related ____ work?
 ____ to know if ____ has told ____ accidents caused ____ third-party ____ could impact our ____ the work ____

 Do ____ regard to ____ actions ____ our infrastructure or ____ close to the lines?
 ____ accidents caused by third-party ____ could impact our infrastructure or ____ near ____?
 ____ damages ____ by excavations ____ lines need ____ notified.
 Do ____ see any ____ are ____ the digging around ____?
 Do ____ hear ____ accidents caused by ____ the systems and ____ digging ____ to the ____?
 ____ noticed any accidents due ____ external factors ____ the systems and ____ related ____ digging ____?
 Does anyone know of any accidents caused ____ affecting the ____ specifically ____ digging ____ next ____?
 ____ know anything about accidents in which ____ on our ____ digging ____ lines?
 Did ____ accidents ____ external ____ digging near the line?
 Do ____ hear about ____ accidents ____ or by digging operations ____ the ____?
 ____ there ____ caused ____ external ____ systems due to ____ near the pipe?
 ____ we ____ about ____ risk of ____ to ____ gas ____ caused ____ other people's ____ if the ____ the ____ excavations
 ____ you ____ any ____ external factors ____ the systems or ____ the digging around the ____?
 Do ____ know ____ digging operations ____ near the ____?
 Is ____ any accidents ____ by ____ factors affecting the systems and ____ digging ____ to ____?
 Is there ____ new developments ____ the past ____ actions affecting ____ excavations ____ to the lines?
 Is there ____ external activities ____ our ____ related ____ work?
 Is ____ a notification regarding ____ external factors, ____ with ____ operations ____ nearby?
 ____ of ____ caused by external ____ a result ____ digging ____ the pipe?
 Is ____ and near ____ lines caused accidents?
 ____ hear about accidents ____ by ____ near the ____?
 ____ aware of incidents where ____ actions ____ accidents ____ impacted ____ particularly those associated ____ excavating

_____ line?

_____ of the damage done _____ lines _____ the accidents caused _____ the _____ done in _____ vicinity?

Is there _____ notification _____ accidents _____ external factors _____ digging near _____ piping _____?

_____ there any _____ by _____ affect the systems _____ specifically by _____ to the pipe?

Has _____ told us about _____ damaging/excavating _____ or _____ vicinity?

Are _____ aware of any incidents involving _____?

Have _____ seen any accidents _____ external factors _____ related to the _____ around _____ pipe?

Is anyone telling _____ infrastructure _____ been _____ digging?

_____ know of any _____ by _____ near the line?

Do you _____ that have been _____ by digging _____ close to _____?

Is there _____ to _____ actions affecting our infrastructure _____ to the _____?

_____ any new _____ with respect to third-party actions _____ our infrastructure _____ line?

Is _____ ever made _____ caused _____ external factors, especially with digging _____ our _____?

_____ there _____ about accidents _____ by external _____ especially with _____ operations _____ close to our _____?

Have _____ heard of any accidents _____ operations _____ the _____?

_____ you know anything _____ accidents _____ our structure _____ around _____ lines?

_____ any accidents caused _____ external factors affecting _____ systems when _____ close _____ the _____?

Is there any _____ might affect _____ around _____?

_____ of _____ caused by external _____ because of _____ near the line?

Is there _____ notification _____ caused _____ factors, _____ related to digging _____ that _____ systems?

Is _____ a _____ about accidents caused _____ external _____ when digging _____ are _____ our _____?

Have _____ caused by external factors _____ affect the _____ and _____ by _____ operations next _____ pipes?

_____ you noticed any _____ factors affecting the systems or because _____ the _____?

_____ know of _____ accidents caused by _____ factors _____ digging _____ next to _____?

Are we aware of accidents _____ our _____ activities?

_____ nearby excavation projects damaging or impacting _____ heard _____ any accidents _____.

_____ you know of any _____ caused _____ factors that _____ our systems _____ the _____?

Have _____ any reports _____ external activities _____ specifically _____ to excavation _____?

Do _____ of _____ accidents _____ factors affecting our _____ of digging _____ the pipe line?

Do _____ any accidents caused by external factors _____ systems and specifically _____ next to _____?

Let us _____ if _____ been _____ troubles or _____ near _____.

_____ there any _____ of _____ activities _____ our _____ related _____ excavation work?

_____ there _____ a notification _____ by external factors _____ near the _____ systems?

_____ of _____ new developments regarding third-party _____ our _____ or excavations _____ to _____ lines?

_____ you know _____ by external _____ digging near the _____?

_____ ever a notification _____ have been caused _____ external factors, especially _____ operations _____?

_____ tell us about the damage _____ to _____ lines _____ caused by _____ work _____ in _____ vicinity?

Is a notification _____ made about _____ by external factors, _____ digging operations _____?

_____ you know _____ occur as a result _____ the pipe line?

_____ anyone warn _____ to the lines or _____ by _____ being done in _____?

_____ anyone _____ incidents _____ involve third-partyNegligence that _____ the excavations near our _____?

Do _____ accidents _____ by third-party _____ could affect _____ example _____ work is being carried out _____?

_____ about accidents caused by external _____ when _____ to our systems?

Are _____ aware _____ causing damage _____ infrastructure, particularly from excavation _____ pipes?

_____ you _____ incidents around _____ infrastructure and the _____?

_____ hear about _____ accidents caused by _____ factors, specifically _____ digging _____ the _____?

Do _____ know of _____ as _____ result _____ digging near _____ pipe?

Is there ever a _____ about _____ factors, particularly _____ digging operations _____ piping _____?

_____ there _____ the past _____ months regarding third-party _____ affecting _____ excavations nearby the pipe?

Do you _____ accidents caused _____ when digging _____ are _____ the line?

Is _____ developments _____ third-party _____ our _____ or _____ close to the lines?

Is _____ any news on incidents _____ excavations near _____?

_____ there _____ accidents caused by external factors, _____ digging _____ nearby, _____ systems?

Do _____ hear _____ accidents caused _____ factors, such as digging _____ to _____?

Do you know _____ any accidents _____ have _____ from _____ near _____?

Are _____ any accidents that _____ by _____ operations _____ the _____?

_____ you _____ of _____ happening _____ excavations near pipes?

Have we _____ anyone damaging/excavating _____ causing a safety _____?

Is there _____ problem _____ our infrastructure _____ the _____?

_____ accidents _____ by external _____ affecting our systems because of _____ the pipes?

Is anyone made _____ of _____ by _____ factors _____ near the _____?

_____ you _____ any _____ caused _____ factors such as digging _____ pipes?

Do _____ about _____ external _____ affecting _____ systems after digging near the _____?

Is _____ a notification made about _____ external factors when _____?

_____ last few _____ have you _____ developments _____ third-party _____ affecting _____ infrastructure or excavations nearby _____?

Did _____ us _____ damage to the lines and the _____ caused _____ work being _____ the _____?

_____ you hear of accidents caused by external _____ our _____ pipe?

_____ any accidents caused by external factors affecting our systems _____ of _____ operations _____?

_____ haven't _____ about any accidents _____ indirectly due to _____ excavation projects _____ or _____ are _____ updates this _____

_____ you hear _____ digging operations?

_____ any new developments _____ regard to _____ our _____ or excavations close to _____ lines?

Do you hear _____ due to _____ affecting our systems _____ the _____?

Has there _____ accidents caused _____ factors affecting _____ systems, _____ related to _____ operations?

_____ we been _____ anyone damaging/excavating around the lines _____ safety _____ on _____?

Do you hear of _____ by _____ factors _____ affect _____ systems _____ pipes?

_____ any new developments _____ to third-party _____ affecting _____ infrastructure _____ excavations _____ the lines?

_____ accidents caused by external _____ due _____ digging _____ the pipe line?

_____ we _____ of excavation-related _____ infrastructure?

Do _____ know _____ anyone is _____ the lines _____ incident on _____ premises?

_____ a notification ever _____ about _____ caused _____ external _____ with _____ operations nearby _____?

Is any _____ caused _____ external factors, especially with _____ operations _____?

Is _____ any information _____ work near _____ pipe _____?

Is there ever _____ made about _____ external _____ digging operations nearby?

Have _____ noticed any _____ connected to _____ around _____ pipe?

Do _____ if work near _____ been affected by _____?

_____ risk of damage to the _____ caused by other people's accidents, _____ involved the _____ excavations

Do _____ about accidents caused _____ factors _____ systems and specifically by _____ next to _____?

_____ of accidents caused _____ and specifically by digging operations next _____?

Is there _____ caused _____ affect our systems when digging near _____?

_____ we _____ notice _____ accidents that _____ cause _____ to _____ infrastructure, particularly _____ activities?

Do you _____ if there are _____ caused _____ a _____ digging _____ the pipe line?

Do _____ accidents caused by external factors _____ and specifically by digging operations _____ line?

_____ you _____ anything about _____ by _____ near the _____?

_____ you hear of _____ by _____ factors, _____ digging _____ the pipe line?

Do _____ hear _____ accidents caused by _____ specifically _____ digging operations _____ the _____?

Do you _____ of _____ accidents _____ by _____ factors that are related to _____?

_____ a notice of _____ responsible _____ our _____ from excavation activities?

Do _____ know of any accidents _____ factors affecting _____ system and _____ operations _____ the line?

Have _____ excavation-related _____ near _____ infrastructure?

Did anyone _____ about any damage done _____ lines or _____ caused by _____ being _____ in _____ the _____?

_____ ever hear _____ caused by _____ operations _____ the pipe?

Do you know _____ are accidents caused _____ external _____ when _____ a _____?

_____ there ever a notification about accidents caused _____ external factors, _____ close to _____?

Did _____ see _____ new _____ respect _____ actions _____ our _____ or excavations _____ in the past few months?

_____ any incidents where third-party _____ caused accidents that _____ infrastructure, including _____ excavating _____ the _____?

Did we _____ incidents _____ our infrastructure?

Is there _____ a notification _____ by external _____ especially _____ digging near _____?

Are there any _____ caused _____ external _____ that _____ the systems and _____ the pipes?

Are you aware _____ any issues _____ infrastructure _____ excavations _____?

_____ we ever _____ about _____ caused _____ external factors, especially _____ that are _____ to our _____?

Is there ever _____ notification _____ accidents _____ like digging operations near _____?

_____ you _____ accidents _____ by _____ and especially _____ the digging _____ the pipe?

Did _____ any new _____ third-party _____ our infrastructure or excavations _____ our pipeline?

_____ there _____ notification about _____ external factors, especially with _____ that _____ near the piping _____?

_____ don't understand _____ there are third-party actions _____ accidents which _____ our _____ there _____ those _____ excavating _____

_____ any _____ made _____ accidents caused _____ factors _____ near the piping _____?

_____ aware of _____ accidents _____ by external factors _____ affect _____ systems _____ specifically by _____ operations _____ pipes?

_____ you know _____ caused by _____ factors affecting _____ systems _____ specifically by _____ operations _____ the line?

Are _____ any _____ caused by _____ factors _____ systems as a _____ of _____ near the pipe _____?

_____ know of any accidents _____ external factors _____ specifically by _____ operations?

Did _____ see _____ new _____ in the last _____ months that _____ affect _____ excavations _____ pipe?

Do _____ about _____ caused _____ factors _____ the _____ or by digging _____?

Do you _____ accidents caused by external factors _____ affect our _____ of digging _____?

Do _____ ever _____ accidents _____ next to the line?

_____ know _____ by external _____ affecting the _____ and specifically by _____ next to the _____?

What have you _____ in _____ months _____ actions _____ our infrastructure or excavations _____ the _____?

_____ you _____ any accidents caused _____ digging near _____?

_____ hear about accidents caused _____ external _____ as _____ of _____ the pipe?

Are there incidents _____ caused _____ that impacted _____ infrastructure, particularly _____ associated with excavating _____?

Is anyone aware _____ any incidents that involve _____ pipes?

_____ you hear _____ accidents _____ external factors, _____ digging operations next to _____?

Did _____ any accidents _____ by external _____ when _____ near _____ line?

Do you know if _____ the pipe _____ accidents _____?

Do _____ hear _____ accidents _____ digging next to _____ line?

_____ there any _____ related _____ digging _____ the pipe and _____?

_____ hear _____ accidents _____ by digging near the _____?

Is _____ a _____ caused by external _____ digging _____ close to our systems?

Is _____ accidents caused _____ external factors when _____ operations _____ close to _____?

Do _____ about _____ by _____ factors affecting our _____ as a result _____ operations _____ near the _____?

Is anyone made _____ of _____ external factors when digging _____?

_____ we _____ if _____ been any accidents _____ our stuff _____ of dumbasses _____ near _____?

_____ know of any _____ by _____ factors and _____ by _____ operations?

Are there _____ accidents _____ to _____ operations near _____?

Is _____ accidents _____ factors, especially _____ digging operations nearby, that affect our systems?

_____ the _____ have _____ seen any _____ third party actions affecting our infrastructure or excavations _____ the _____?

Did _____ incidents _____ of excavations near pipes?

Did _____ warn _____ the _____ to the lines _____ caused by _____ being done _____ or around the _____?

Have _____ seen any _____ because of external factors _____ systems _____ because _____ digging _____ the _____?

Are there reports of external activities _____ infrastructure, _____?

Is there _____ accidents due to external factors _____ systems, _____ related _____ operations?

Do you _____ about accidents _____ by _____ factors _____ system _____ by digging next to _____?

Is there any accidents _____ the _____ or related to _____ digging _____ the _____?

Please tell me if _____ are any _____ of _____ linked to _____ work.

Is _____ of _____ actions causing _____ that _____ infrastructure, _____ those _____ with excavating near _____ lines?

_____ any _____ made _____ accidents caused _____ especially with digging operations _____ pipes?

Is it clear _____ due to excavating _____ lines?

Did _____ see _____ accidents related _____ external _____ affecting the _____ and _____ around _____?

_____ you _____ see _____ accidents _____ to external _____ affecting _____ digging around the _____?

Have you seen _____ new developments _____ to third-party _____ affecting _____ excavations _____ the piping _____?

Is there _____ notification made _____ caused _____ external _____ such _____ digging operations _____ piping line?

Do we know _____ around the pipeline areas _____ safety _____?

Is _____ third-party incidents near _____ pipes?

Is _____ any new _____ on incidents affecting _____ excavations _____?

We _____ are third-party _____ that caused _____ impacted _____ infrastructure, or _____ are those associated _____ excavating _____ we received _____ about _____?

_____ you heard _____ accidents caused _____ with _____ while digging _____ gas lines?

Did you hear about _____ accidents _____ digging _____?

Are _____ any accidents caused by _____ factors _____ the systems, or _____ to _____ line?

Do you _____ that _____ digging operations near the pipe?

Do you _____ caused by external factors _____ systems _____ to _____ near the _____?

Is _____ notification _____ accidents _____ such as digging operations that _____ close to _____ systems?

Do you hear about _____ external _____ that _____ systems and specifically _____ to _____ line?

_____ anyone _____ caused by third-party actions that _____ our infrastructure, especially the _____ line?

_____ we get notice of _____ that _____ to _____ infrastructure, especially _____?

_____ you _____ accidents caused _____ external _____ affect _____ systems, _____ by _____ operations next to _____ pipes?

_____ any notification about accidents caused by external factors _____ operations _____ close _____?

_____ hear about accidents caused _____ external _____ because _____ near _____ line?

We _____ know _____ there _____ any _____ third-party actions _____ that impact _____ infrastructure, especially _____ associated _____ near _____

_____ anyone _____ aware _____ accidents caused _____ external factors, _____ with _____ operations near _____ piping _____?

_____ about accidents _____ that affect our _____ when digging _____ the pipe?

_____ we _____ aware of anyone damaging/excavating around the lines _____?

_____ case where _____ actions caused accidents _____ infrastructure, particularly _____ associated with _____ the line?

Have _____ any _____ because of external _____ the systems and _____ the _____?

_____ you _____ any accidents _____ to _____ affecting _____ system or related to the _____ the _____?

Where work _____ the pipes is located, _____ you _____ actions _____ affect infrastructure?

Have _____ any _____ related to the _____ the _____?

_____ you aware _____ any _____ caused by external _____ affecting _____ systems _____ specifically _____ digging _____ the pipeline?

Is _____ of accidents that _____ infrastructure _____ people operating near the _____?

Do _____ any accidents that _____ caused _____ external _____ by digging operations _____ the area?

_____ caused _____ external _____ affecting our systems because _____ digging _____ the pipes?

_____ anyone damaging/excavating around the pipelines causing _____ safety _____ our _____?

Do _____ about _____ impacting infrastructure or excavations _____ line?

_____ there any _____ of _____ that _____ infrastructure, particularly from excavation _____?

_____ related _____ third-party actions _____ our infrastructure, _____ as the _____ carried _____ the _____?

There have been reports _____ activities _____ infrastructure, _____ to _____ work?

_____ caused by third-party actions that impact our infrastructure, _____ those _____ excavating near the _____?

There are reports of external _____ infrastructure, _____ to the _____ work?

_____ seen _____ new developments in the _____ negatively affect infrastructure _____ near the pipe?

Do you know of _____ accidents caused by _____ systems as _____ of _____ the pipe?

Do you _____ accidents _____ factors that affect our _____ of digging near the line?

_____ aware of _____ incidents where _____ actions _____ accidents that _____ particularly those _____ with excavating _____ the _____ zones?

Do _____ of any _____ external _____ that affect _____ systems _____ specifically by _____ next to the _____?

Did you _____ about _____ caused _____ to the pipes?

_____ you heard _____ incidents _____ due to _____ pipes?

_____ we been made _____ accidents near _____ infrastructure?

Have you _____ which are related _____ the _____ around _____?

Did _____ observe _____ accidents _____ external _____ affecting the systems _____ related to the _____ the _____?

Do you know _____ any _____ external _____ systems _____ specifically _____ digging operations next to _____?

Do you know of _____ accidents _____ occur _____ operations close _____ the _____?

_____ of _____ accidents caused by _____ our infrastructure, _____ those _____ to excavating near the lines?

Is _____ the accidents caused _____ factors when digging _____ gas lines?

Did _____ warn _____ damage _____ the lines or the accidents caused by work _____?

Is _____ of _____ incidents that _____ in _____ to the _____ near our _____?

Is _____ ever _____ made about accidents caused _____ especially when _____ gas lines?

_____ you _____ any accidents due to external _____ the systems _____ especially _____ digging around _____?

_____ anyone _____ us _____ anyone _____ the pipelines causing _____ incident on _____ premises?

Are _____ aware _____ incidents impacting _____ infrastructure _____ excavations?

_____ you _____ of _____ caused by external factors, _____ digging operations next _____?

Do you know _____ that were caused by external _____ and _____ to _____ pipes?

Do _____ hear _____ accidents caused by external _____ our _____ result of _____ near the _____?

Do _____ know _____ any _____ where _____ accidents that impacted _____ particularly those _____ with _____ near the _____?

We _____ third-party _____ caused accidents that impacted _____ particularly _____ excavating near the pipelines.

_____ there _____ external factors that affect the _____ by digging operations near _____?

_____ been any _____ of _____ stemming from external _____ affecting _____ systems, _____ digging operations?

_____ you _____ of _____ that _____ caused by digging _____ near _____ pipe?

_____ any notification _____ accidents caused by external _____ pipes?

Is _____ of work _____ a _____ causing _____?

Do you _____ any accidents _____ factors _____ systems because of digging _____ the pipe _____?

_____ that _____ affect the infrastructure _____ excavations near the pipeline?

Is _____ with _____ infrastructure _____ to the excavations?

Have _____ occurring due to excavations _____ pipes?

_____ ever _____ about accidents caused _____ external factors, _____ operations _____ the pipes?

_____ anyone _____ about damage done _____ the _____ and accidents caused by _____ work being _____ in _____?

Have you _____ accidents due to _____ digging _____ the _____ external _____?

Did _____ incidents happen _____ the _____ near _____ pipelines?

Do you _____ of _____ accidents _____ by _____ factors, specifically by _____ in _____?

_____ there _____ regarding third-party _____ infrastructure or excavations close to _____ pipe?

_____ notification about _____ by _____ factors, especially _____ digging _____ that are _____ close to our systems?

There _____ external activities _____ with _____ infrastructure, are _____ to _____ work?

_____ know _____ the _____ damage _____ gas system caused by other people's _____ particularly if _____ work involved _____

_____ about accidents _____ affect _____ infrastructure _____ relate with nearby _____?
 Is _____ ever a notification about _____ by _____ especially with digging _____ are _____?
 Have _____ accidents _____ external factors affecting the systems, and _____ to _____ digging _____ the _____?
 Have _____ heard about _____ around the _____ causing a _____?
 Have we _____ warned _____ anyone _____ line _____ safety incident?
 Did _____ notice of _____ that damaged our _____ particularly _____ close to _____?
 Do _____ of _____ accidents caused by _____ like digging operations next _____?
 _____ a _____ about accidents _____ external _____ especially with digging operations _____ pipelines?
 Do _____ about accidents _____ by _____ factors, _____ as digging _____ the _____ line?
 Did _____ any accidents due to _____ factors _____ systems and digging _____?
 _____ yet _____ accidents _____ by _____ or impacting our infrastructure, are there any updates available?
 Do _____ know if _____ accidents _____ digging operations _____ to _____ line?
 _____ of any _____ that _____ as a result _____ digging _____ the line?
 _____ accidents _____ by _____ party actions such _____ and near _____ lines?
 Do you _____ any accidents _____ factors _____ specifically _____ digging _____ next to the _____?
 Is _____ any new _____ third-party actions affecting _____ or _____ around the _____ line?
 Did _____ us of any _____ to the lines _____ done in or around the _____?
 _____ you know of _____ caused _____ external factors _____ next to the _____?
 _____ know about _____ damaging/excavating around the _____ causing a _____?
 Did _____ inform us _____ damaging/excavating _____ pipelines _____ a safety _____ on our _____?
 Have _____ seen any new _____ respect to third-party actions affecting our _____ close _____ the _____ in _____?
 Are there any _____ to _____ messing _____ structure _____ gas lines?
 Has _____ been _____ accidents _____ to _____ carried out near _____ pipes?
 Is _____ aware _____ that involve _____ conduct in _____ to _____ excavations?
 _____ there ever _____ accidents _____ by external factors, _____ when digging _____ close _____ our systems?
 Do you _____ caused by digging _____?
 Do you know _____ there _____ any accidents _____ and _____ by digging operations in _____?
 Is _____ known if third-party _____ caused accidents _____ infrastructure, particularly those _____ with _____ near _____?
 _____ there _____ a _____ about accidents caused by _____ digging _____ that _____ close to _____ system?
 Do you hear _____ caused _____ digging _____ the _____?
 _____ we _____ warned about _____ around the _____ a _____ incident?
 _____ anyone tell us about _____ damage _____ to _____ lines _____ accidents _____ done in or around the _____?

 Is there _____ accidents _____ been _____ by external _____ especially _____ operations nearby?
 Is _____ about accidents _____ external _____ especially with _____ near _____ piping line?
 _____ incidents where third-party actions _____ impacted our _____ particularly _____ with excavating near the lines?
 _____ warn _____ about the damage to _____ lines or accidents _____ by _____ being _____ the area?
 Did anyone _____ us _____ the _____ done _____ the lines _____ the _____ caused _____ being done _____?
 Do you hear _____ by _____ specifically _____ digging _____ in the area?
 Are there any incidents _____ actions caused accidents that _____ infrastructure, _____ associated _____ excavating _____ the _____?
 _____ you _____ of any accidents _____ by external _____ our systems _____ of digging near _____ line?
 _____ you know _____ third-party actions _____ affected _____ infrastructure, such _____ the ones _____ near _____?
 _____ we get notice _____ caused _____ our _____ particularly from excavation _____?
 Are we _____ accidents _____ third-party actions that _____ our _____ particularly those related _____ excavating near _____?
 _____ a notification _____ about accidents _____ such as _____ near our systems?
 Did _____ warn us _____ done _____ lines _____ caused _____ work being done in _____ around the vicinity?
 _____ noticed _____ related to the _____ around the _____ or _____ factors?
 _____ that have affected _____ as the ones carried out _____ the _____?
 Did _____ warn us _____ the lines or accidents _____ by the _____ near us?
 Is there any notification of _____ factors when _____?
 _____ you _____ caused _____ external factors and specifically _____ near the pipes?
 Is _____ of _____ activities impacting our infrastructure, _____ related _____ work?
 Is _____ a _____ about _____ caused by external factors _____ digging _____ that _____ our systems?
 _____ we _____ to the gas system _____ by other _____ especially when the recent _____ excavations are _____

_____ accidents caused _____ external factors affecting our systems _____ digging _____ line?

_____ there any problems _____ due to the _____?

_____ any notification ever made about accidents _____ digging operations that are _____ systems?

_____ there _____ new developments _____ to _____ actions _____ our infrastructure _____ the piping _____?

_____ you _____ accidents related to _____ affecting _____ systems or digging _____ the _____?

If there _____ reports _____ external activities _____ our _____ they _____ to _____ work?

_____ you _____ due _____ external _____ the system and _____ around the pipe?

Is there _____ accidents _____ by external _____ especially _____ digging operations nearby?

_____ any _____ caused by external _____ that affect _____ systems _____ operations near the _____?

_____ there _____ notification _____ accidents _____ are _____ external _____ affecting our _____ specifically related to _____ operations?

_____ you hear of any _____ caused _____ digging _____ area?

Is there any new developments _____ with regard _____ actions affecting _____ infrastructure _____ excavations close _____ the _____?

_____ ever a _____ about accidents caused _____ such as _____ around the _____?

_____ don't know if _____ incidents where _____ cause accidents that _____ infrastructure, _____ those _____ excavating near _____

_____ accidents _____ by external _____ affect the systems, and specifically by _____ to the _____?

What have _____ seen _____ past few _____ third-party actions _____ infrastructure or _____ nearby the _____?

_____ you _____ any _____ developments _____ affecting our infrastructure or _____ around the _____?

Do you know of _____ happen as _____ near the _____?

_____ notification made about accidents _____ by external _____ with _____ going on?

Do _____ hear about _____ external _____ affecting our systems due to _____ near _____?

_____ there _____ developments _____ third party actions _____ our infrastructure _____ excavations around the _____ line?

_____ been _____ about anyone damaging/excavating around _____ causing _____ incident on _____ premises?

_____ there _____ accidents caused _____ factors impacting our systems _____ a result _____ line?

Do you _____ accidents _____ external factors affecting _____ digging _____ the pipes?

_____ of _____ risk of _____ the _____ caused by other _____ accidents, especially if the _____ the _____ excavations _____ you noticed _____ related _____ factors _____ the _____ or digging around the _____?

_____ see any accidents due _____ external _____ related _____ the digging around the pipe?

_____ of _____ caused by external factors _____ near the pipe line?

_____ any accidents caused _____ affecting _____ systems and specifically _____ operations next to the _____?

_____ that accidents caused by external _____ affect the _____ and _____ operations _____ to the _____?

Did anyone _____ us of damage done to _____ and _____ caused _____ work _____ done in _____?

_____ about _____ accidents that _____ a _____ digging operations near the line?

_____ a notification _____ external factors, such as digging _____ the piping systems?

Are you _____ of any new _____ excavations near _____?

Are there any _____ our systems because of digging _____ done _____ pipe line?

_____ there any notification _____ caused _____ external factors when _____ operations are _____ to _____?

_____ anyone _____ of _____ incidents _____ involve third-party negligentness _____ our excavations?

_____ you _____ of _____ new developments with _____ actions affecting _____ infrastructure _____ close to the _____?

Is it known _____ actions caused accidents _____ impacted our _____ with _____ the lines?

_____ there any _____ with regard to third-party actions affecting _____ excavations _____?

_____ there any _____ affected our infrastructure due _____?

Is any notification _____ about _____ that _____ by _____ factors, especially with _____?

_____ we _____ accidents caused _____ factors, especially _____ digging _____ near _____ piping systems?

_____ any accidents caused by external _____ affecting our _____ because of _____ done _____ pipe _____?

Do _____ know _____ caused accidents that impacted our _____ those related _____ excavating _____ the _____?

_____ about _____ damage done _____ the lines or _____ caused by _____ work being done _____?

Is anyone _____ accidents caused _____ factors when _____ are _____?

_____ you _____ of _____ caused _____ external factors _____ our systems due to digging _____ the _____?

Did _____ any accidents _____ external factors _____ the _____ and especially related _____ digging _____ pipe?

_____ you _____ of _____ accidents _____ systems when digging near the line?
 Is there any notification _____ external factors, _____ digging operations _____ the gas _____?
 Do _____ hear about _____ accidents _____ are caused _____?
 _____ there ever _____ notification about _____ external factors, _____ with _____ near us?
 _____ about any accidents _____ factors affecting the _____ and _____ by digging operations in _____?
 Do _____ of excavation-related _____ our _____?
 _____ made _____ anyone damaging/excavating _____ the line causing _____ safety issue?
 _____ you hear _____ accidents caused by _____ like _____?
 Is there any _____ developments pertaining to third-party _____ excavations _____ the _____?
 Do you know of _____ caused by external factors _____ digging _____ line?
 _____ know _____ accidents caused by _____ like _____ operations next to _____ line?
 Is _____ ever a _____ accidents caused by _____ factors, _____ digging _____ that _____ to _____ systems?
 Do you hear _____ any accidents _____ by _____ pipes?
 _____ you noticed _____ accidents _____ to the digging _____?
 _____ noticed any _____ due _____ external factors like digging _____?
 Are _____ excavation-related accidents _____ infrastructure?
 _____ know _____ accidents caused by digging operations _____ the _____?
 _____ caused by external factors and specifically _____ digging _____?
 Is anyone aware of _____ that could _____ infrastructure, particularly the _____ near the _____?
 Are _____ any accidents caused by external _____ that affect _____ due _____ the line?
 Are _____ that _____ affected _____ infrastructure, _____ as _____ ones carried out near _____?
 Have _____ any notifications _____ accidents due _____ factors _____ our _____ specifically _____ to digging _____?
 _____ about accidents caused by external _____ especially when digging operations _____ the systems?
 Is anyone _____ of any incidents that _____ third-party _____ the _____?
 Do _____ know _____ the work near _____ been _____ related _____ third-party actions?
