

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Data usage and bandwidth queries
Inquiry Sub-Category	Data optimization techniques
Description	Customers may seek guidance on optimizing their data usage, including tips on reducing data consumption through settings adjustments, device management, or selecting streaming resolutions that require less bandwidth.
Data Size	5,217 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Are there any recommended _____ changes _____ household's data usage?

Is _____ possible to change _____ the _____ to _____ usage?

Is there _____ for a _____ the modem _____ help _____ data _____ at home?
_____ made to _____ routers _____ data use?

_____ there any way _____ changes _____ our _____ to _____ it _____ for data?

Is it _____ to change _____ for _____ data _____?

_____ can we maximize _____ to our routers?

_____ there _____ a _____ settings _____ will help maximize _____ data use?

_____ adjusting _____ settings to use _____?

Is it _____ good _____ change _____ modem _____ order to _____ data _____?

Do you recommend _____ settings _____ increase _____?

How efficiently we _____ could _____ improved by adjusting _____.

Is _____ change our _____ settings to help _____ maximize _____ data _____?

_____ recommended _____ to _____ modem _____ will _____ maximize our _____ use.

Is _____ to change the _____ on _____ the usage of _____ data?

Does _____ recommended change _____ help _____ maximize our _____ usage?

_____ there a _____ to modem _____ that would _____ data _____?

Is _____ a recommended change to _____ settings _____ will _____ us _____?

Is there a recommended _____ to _____ modems _____ that _____ our _____?

_____ it possible to change _____ to _____ data utilization?

_____ there a _____ modem _____ help _____ maximize our data use?

Data utilization in _____ home can _____ settings.

_____ we _____ the _____ our modems _____ better data _____?

Suggestions _____ efficient home _____ through modifications _____?

Is _____ possible _____ adjust _____ settings on the modem _____ data consumption?

Do _____ on _____ and routers affect data _____ in _____?

_____ there a recommendation _____ the _____ that will help _____ data _____?

Is _____ good _____ to _____ settings to improve _____ efficiency?

_____ possible to change _____ or modem _____ less data?
 Is there any suggestion _____ modem to _____ it _____ less _____?
 _____ our internet _____ be improved by changing the routers _____.
 What can I change _____ modem _____ to _____ my _____?
 _____ be _____ better use of available _____ if we altered _____ setup.
 _____ there a suggestion _____ our modem _____ to save _____?
 _____ a _____ to _____ settings _____ would help maximize _____ use at home?
 Is _____ change to _____ settings _____ save our _____ usage?
 Any _____ routers to _____ data _____?
 _____ you _____ to the modem _____ increase data usage?
 Can _____ any _____ to _____ to increase usage?
 _____ we use _____ package could be _____ by _____ changes _____ the _____.
 _____ the configuration _____ the _____ changed _____ more _____ at home?
 Is _____ to _____ modems _____ help maximize _____ data use?
 Is _____ a change _____ the _____ that could _____ us use _____?
 Can _____ the _____ on the modem to _____?
 _____ possible to change the _____ modem at home _____ improve _____ consumption?
 Is a _____ settings a good _____ our data usage?
 _____ it _____ good idea _____ change _____ modem _____ help _____ maximize _____ data use?
 Is _____ to make the _____ settings use _____?
 Is _____ change _____ settings that will save data?
 _____ on how to make the _____ less _____.
 _____ change to the _____ settings that will help _____ our _____?
 Is _____ adjust _____ settings _____ the modem _____ the router _____ better _____ usage?
 _____ be _____ recommended _____ to our modem _____ will _____ on data _____.
 _____ to make _____ our modem _____ to make _____ better _____ data?
 Is there _____ way to _____ data _____ on _____?
 _____ can we _____ with our network _____?
 _____ you suggest _____ to _____ of the _____ order to improve _____?
 Suggestions for more _____ better settings?
 Is there _____ our modem _____ that _____ help maximize home _____?
 Is _____ to make changes _____ for better _____ use?
 _____ settings changes we _____ for better _____ use _____ modem?
 Is _____ a _____ modem or _____ improve data _____?
 Are there _____ we _____ make to _____ settings _____ would make _____?
 _____ there a _____ the _____ on the modem _____ help _____ data use?
 Is _____ to _____ modem settings to _____ our _____ usage?
 Is _____ change _____ modems settings to _____ data _____?
 Is there any way to _____ data _____?
 Is there a way to _____ at _____?
 _____ it possible to change the _____ settings _____ save _____?
 _____ we reduce _____ by _____ our modem settings?
 _____ efficiently _____ use our _____ package _____ improved _____ the adjustments _____ router/module.
 Are _____ able _____ our modem _____ for _____ data _____?
 Should we _____ the _____ more _____ of data at home?
 _____ you suggest changes to the _____ to _____?
 _____ suggestions for _____ the _____ make _____ less data at home.
 Can _____ change the _____ on my modem _____ to _____?
 _____ there _____ recommended _____ modem _____ to maximize data usage?
 Is it _____ on _____ modem to _____ the use _____ data?

What can be done to _____ using _____ routers _____ modems _____?
 Is there a _____ change to _____ settings _____ help _____?
 _____ it possible to change _____ settings _____ data _____?
 _____ it _____ to modify our _____ settings _____ better _____?
 _____ there any _____ on adjusting modem _____ improve _____?
 _____ it _____ to _____ changes _____ the settings _____ the modem _____ use?
 _____ way to maximize data _____ my house?
 _____ you suggest _____ our _____ to use _____ data?
 _____ advisable to change our modem settings in order _____?
 Is there any _____ we _____ make to _____ to make _____?
 Is there any _____ on _____ data usage _____ house?
 Can you advise us _____ settings for _____?
 Is _____ change to _____ modem settings _____ help maximize _____ data usage?
 _____ to _____ that boost _____ use?
 Can we _____ the modem _____ reduce _____ data _____?
 There is _____ change to _____ modem _____ that might _____ us _____ use.
 Is there _____ recommendation to _____ modem _____ to help _____ our _____?
 Is _____ change _____ settings _____ maximize our household's data usage?
 _____ need _____ change our modem _____ maximize _____ data usage?
 _____ suggestions _____ how _____ use less data _____ the _____?
 Do _____ settings _____ and _____ affect data _____ our home?
 Is there any changes _____ modem settings _____ make it _____?
 _____ specific _____ to the modem that _____ usage?
 _____ modem settings be _____ use _____ data?
 Is there _____ to our modem _____ that _____ allow _____ maximize _____ use?
 Is it possible _____ you _____ changes to modem _____ for _____?
 Can _____ suggest _____ changes to _____ will increase our _____ usage?
 _____ for _____ use through best _____ changes?
 _____ adjusting the _____ settings improve data _____ the _____?
 _____ our home _____ by adjusting settings on the _____.
 Can _____ modem _____ better for _____ usage?
 _____ a _____ to change the _____ to increase _____ at home?
 Suggestions on improving household's _____ by _____?
 Any suggestions _____ how to _____ data usage _____?
 _____ a way to get _____ data _____ from _____ settings?
 Can _____ recommend changes _____ to increase _____ data _____?
 What can be _____ with _____ equipment _____ maximize _____?
 Can _____ give _____ on _____ settings _____ the _____ and routers?
 _____ suggestions _____ tweaking the router _____ usage at home.
 _____ a _____ maximize data _____ at home?
 Is it _____ to _____ modem setting to _____ data usage?
 _____ a recommended change to the _____ settings _____ our _____?
 How _____ I _____ my modem settings _____?
 Is there _____ recommended change _____ modem _____ that can _____ maximize _____?
 _____ modify _____ to use less data?
 _____ change to the modem settings that _____ help _____ usage?
 Is it _____ to _____ the _____ settings at _____ maximize _____ consumption?
 Should _____ the _____ the router to _____ it easier _____ data at _____?
 Is _____ a change to _____ modem _____ that _____ help _____ our _____ more _____?
 _____ suggest changes to _____ modem _____ increase data _____?

_____ for better _____ network/data _____?

Is there _____ recommended change to _____ that _____ us _____ better _____ our _____?

_____ there a way _____ improve data _____ on _____ modem or _____ router?

_____ it _____ to _____ the settings on the _____ home _____ consumption?

_____ there any _____ the _____ that can improve the _____ our household?

_____ a _____ change _____ our _____ settings _____ maximize _____ data usage?

_____ you suggest _____ the _____ routers _____ improve the data?

Is _____ to _____ the settings on _____ and _____ of _____ in our house?

_____ efficiently we use _____ internet _____ be improved _____ adjustments _____ the _____.

_____ change _____ the modems settings help _____ data usage?

How _____ we maximize _____ the _____ or the _____?

Is there a _____ change _____ to help maximize _____ data _____?

_____ it _____ router _____ modem _____ for better usage?

_____ you _____ modifications to the _____ maximize data _____?

Is _____ a _____ to change _____ settings _____ usage in our _____?

_____ possible _____ setup of _____ internet at _____ use the available bandwidth _____?

Is _____ recommended _____ to our _____ that would _____ our household's _____ usage?

_____ making the _____ use more efficient?

_____ recommended _____ our modem _____ that will _____ maximize data use in _____?

_____ to modify _____ router/modem configurations _____ efficient _____ at home?

Is it possible _____ modem or _____ settings to _____?

Is _____ possible _____ the settings _____ my _____ data usage?

_____ possible to change _____ modem _____ for better use _____?

Can you suggest any _____ the setup of _____?

Is there a recommended change _____ modem _____ that _____ in _____ home?

_____ I _____ setting for _____ data usage?

_____ there a suggested change _____ our _____ settings _____ us _____ our _____ data _____?

_____ there _____ change to our _____ that _____ our _____ usage?

_____ to suggest modifications _____ modem setting _____ increase data _____?

Is _____ change _____ the _____ settings recommended _____ our data usage?

_____ to adjust the _____ at home _____ our data usage?

Is there a recommended _____ our _____ settings _____ data use in _____?

_____ a _____ to modem _____ that could help maximize _____ use _____?

Is _____ any tweaking of _____ modem _____ better data _____?

_____ there a _____ change to _____ modems _____ to _____ use?

_____ can _____ our _____ consumption _____ network equipment?

How _____ we use _____ internet _____ be _____ changes _____ the router.

Is _____ any suggestions on _____ data _____ in _____ house?

_____ we _____ the _____ our _____ or _____ to _____ less data?

_____ anyone suggest ways _____ less data _____ modem?

Is _____ change to _____ settings _____ will help _____ maximize data _____?

Is _____ idea to _____ the routers _____ efficient _____ data at home?

Is there _____ on _____ to use _____ maximize _____ usage in _____?

I _____ how _____ less _____ on the modem.

Is there _____ the modem settings that _____ on _____ usage?

Is _____ good idea to change _____ make _____ use less _____ at _____?

_____ to _____ maximize our household's _____?

Is _____ a _____ the modems settings _____ allow _____ maximize our data _____?

_____ a recommended change _____ our modem settings _____ help us maximize _____?

_____ on how _____ less _____ on _____ modem

_____ a _____ change _____ the modems _____ maximizing _____ data use?
 Is there _____ way _____ data _____ a router _____ modem?
 _____ it possible _____ the settings _____ the _____ to better use _____?
 Is _____ recommended _____ to _____ modems settings _____ can _____ us _____ data use?
 _____ need a _____ to _____ modem settings to _____ data _____?
 Is it _____ adjust the settings on _____ improve _____?
 _____ are recommended _____ for _____ modem _____ can _____ adjusted to improve _____ at _____.
 _____ recommended change to _____ modem settings _____ on data usage?
 _____ any _____ changes _____ modem _____ that can maximize data _____?
 Can we _____ to use less _____?
 Is it possible to _____ the _____ order to increase _____?
 Should the configuration _____ the _____ be _____ for _____ at home?
 How can _____ maximize _____ modem or router?
 _____ there _____ recommendation _____ the _____ make it _____ data at home?
 Is _____ recommended changes to _____ settings that _____ improve our _____?
 Is _____ change _____ settings _____ our modem _____ data use?
 _____ a recommended _____ the _____ that _____ help us use _____ data _____ efficiently?
 _____ a change _____ the modems _____ will help _____ use _____ data?
 _____ for _____ home _____ data use through _____ best _____?
 _____ you _____ any _____ to _____ for _____ use on the _____?
 Can you tell me _____ for _____ routers?
 Can there be a change _____ our modem _____ data _____?
 Do we have specific changes we could _____ to _____ it _____?
 _____ it _____ to adjust _____ modem settings _____ home to _____ use?
 Is there a _____ modems settings _____ will _____ use?
 Is _____ possible to _____ modem _____ settings for _____ usage?
 _____ better home network and _____ use _____ their _____?
 _____ the _____ of _____ modems be adjusted _____ utilization?
 _____ there a _____ settings that would _____ with _____ usage?
 Is _____ change to the settings on _____ will _____ maximize _____ usage?
 _____ the configuration _____ be changed to make _____ easier _____ use _____ at _____?
 There are suggestions _____ the _____ to improve data _____.
 Do _____ any changes to the data _____ routers?
 _____ a _____ our _____ settings recommended to _____ data usage?
 Is there _____ to _____ settings _____ the modems _____ our data use?
 Is there _____ change _____ modem _____ increase data _____ our house?
 Can _____ modem _____ data utilization?
 _____ recommended _____ our modem _____ will help us maximize _____ data usage?
 Is _____ possible _____ our _____ settings _____ better usage?
 Is there a _____ to the _____ settings that _____ data _____?
 Can adjusting _____ settings _____ difference in _____ usage?
 Is _____ any advice on _____ maximize data _____ in _____?
 _____ there _____ data use on the modem?
 Is there _____ suggestion _____ changing _____ settings _____ modem _____ router?
 _____ recommended settings on modem _____ affect data _____ in _____?
 Suggestions _____ ways _____ use _____ the modem.
 Are there _____ can make to _____ settings to make _____ better _____?
 Is there _____ to _____ the _____ to help maximize _____ usage?
 Does a _____ to the modems _____ help _____ better _____?
 Is _____ recommended _____ to _____ settings _____ can _____ us _____ on data usage?

_____ there a _____ data usage _____ adjusting the _____ the modem?
 Can you suggest _____ to the _____ to _____ it _____?
 _____ recommended that _____ change _____ modem _____ maximize _____ use _____ our house?
 Should _____ configuration of the _____ modem _____ for _____ efficient _____ of _____ at _____?
 Is _____ recommended change _____ our _____ settings that _____ data usage.
 _____ would like to know if you _____ suggest changes _____ settings _____.
 There _____ suggestion to change the modem settings to _____ our _____.
 I am wondering if there are any _____ the _____.
 _____ a recommendation to _____ our modem settings _____ data _____?
 _____ for an _____ network/data _____?
 _____ it _____ to change _____ modem settings to save on _____?
 Is _____ possible to change the _____ to _____ use?
 _____ possible to improve the _____ of our _____ by _____ the _____?
 Is there _____ recommended change to _____ help _____ our data _____?
 Does the recommended change to _____ modems settings _____?
 _____ can _____ done _____ increase _____ in _____ internet through _____ routers domestically?
 _____ there a _____ change to our modem _____ help _____?
 _____ there a _____ change _____ modem _____ that _____ help maximize our _____?
 Is _____ the modem _____ better data usage.
 Idea _____ improving _____ tweaking modem features?
 _____ any _____ the modem for _____ data use?
 _____ our _____ to save on our data usage?
 Is _____ possible to _____ changes _____ modem _____ router settings to _____?
 _____ there a _____ the modems _____ that _____ with data use?
 Do we need to _____ to save _____ usage?
 Is it possible _____ the modems _____ use our data?
 Is _____ possible _____ consumption by tweaking modem _____.
 Is _____ a _____ change _____ that _____ help maximize our data _____?
 Suggestions for _____ network/ data _____ through _____ adjustments?
 _____ there a _____ our modem _____ will _____ maximize our household _____ usage?
 _____ a recommended _____ to _____ help _____ our data use?
 _____ a change _____ the _____ settings that would help _____ at _____?
 _____ there _____ change to _____ modem settings that will _____ usage?
 Is it _____ to _____ changes _____ better data usage?
 Can we change _____ to reduce data _____?
 _____ modem settings improve data use _____?
 Is there _____ change to the _____ settings _____ maximize data _____ at _____?
 _____ it _____ make better _____ home by _____ the setup of _____ internet?
 Do you have any suggestions _____ for _____?
 _____ is a _____ to _____ settings in order to _____ use at _____.
 _____ recommended change _____ modem settings that _____ help _____ maximize _____ data _____?
 Do _____ think _____ the modem _____ increase data _____?
 Is _____ change the settings on our modem _____ data _____?
 _____ it possible to _____ the modem _____ to _____ usage?
 _____ there _____ way _____ improve _____ adjusting the settings _____ the modem?
 Is it possible to change _____ and use more _____ in _____?
 Can _____ adjust the _____ on _____ use _____ data?
 _____ home _____ use through modifications in _____ settings?
 _____ a _____ to _____ data usage by adjusting _____ settings on _____ router?
 _____ there _____ to _____ settings that _____ help maximize our _____ use?

Can _____ modifications to our modem setting _____ less data?

Is there _____ do to _____ better on the modem?

_____ think _____ can _____ efficiency by changing our modem _____?

Can _____ suggest adjustments _____ our modem _____ maximize _____?

We may be _____ to _____ of _____ bandwidth _____ home _____ tweaking _____ setup of _____ internet.

Should we _____ the modem _____ for _____ use of _____ at _____?

Is there a recommended _____ to _____ modems _____ that _____ usage?

For more _____ of _____ home _____ we _____ the _____ configurations?

_____ recommended change to _____ will help maximize our use?

Is _____ modifications _____ efficient internet _____ through routers/modems?

_____ recommendation to _____ modem settings to _____ data use _____ home?

How _____ we _____ package could be _____ changing _____ routers/module.

Any suggestions to better _____?

Can we change the settings _____ modems _____ improve _____?

Can we change _____ on our _____ usage?

Is _____ a _____ change to _____ that would help maximize data _____?

Is _____ changes _____ make on _____ use more data?

_____ a recommended change to the _____ help maximize our _____?

_____ recommended change to _____ modem _____ that will help _____ less _____?

How _____ we _____ internet package could _____ if _____ the routers.

Can _____ tell us the best _____ routers?

Is _____ a _____ to _____ modem settings _____ maximize _____ data usage?

_____ making the _____ network and data _____ efficient?

Is _____ recommended change _____ our _____ that can help _____ our data _____?

_____ to _____ internet bandwidth with _____ routers?

_____ there a _____ the _____ will save data usage?

What can be _____ our _____ maximize _____ consumption?

Is it possible _____ change settings _____ to _____ the use of _____?

_____ changes we _____ our _____ settings _____ would make it better _____ data?

Is there _____ changes _____ we could _____ our _____ settings _____ get better _____?

_____ a _____ how to maximize data _____ our house?

Can we change _____ data _____?

_____ changes _____ router to make it _____ less data?

_____ there _____ to _____ that can _____ use our data?

Is _____ possible _____ increase _____ in _____ internet _____ modem _____ routers _____?

_____ it _____ the _____ on our _____ use more data?

How _____ internet package could be _____ by _____ routers/module

_____ there a recommended change to _____ allow us _____ data use _____ our house?

Is _____ a recommendation to _____ modems settings _____ would _____ maximize _____ data _____?

Suggestions _____ ways to _____ household's _____ consumption _____ tweaking _____?

How can _____ internet _____ with _____ changes _____ our routers?

Is there a _____ the modems settings that _____ our _____?

_____ any information about _____ maximize data _____ in _____ house?

Is _____ change the settings on the _____ for _____?

Is _____ a _____ change _____ modem settings that could _____ use _____ home?

_____ there _____ recommended _____ to _____ that can improve _____ usage?

Is _____ specific _____ we could _____ to our modem _____ make _____ efficient?

_____ there _____ tweaks _____ the modem _____ can _____ usage?

_____ it possible _____ the settings for _____ modem at home _____ data?

_____ adjust _____ modem _____ to _____ less data?

For ____ data ____ we change ____ settings?
____ how to improve our ____ data with ____.

Can we ____ our modem ____ better ____?

Is ____ possible ____ make ____ to ____ modem ____ better data utilization?
____ you suggest ____ to the settings ____ to use ____?
____ our ____ be changed to ____ data use?
____ a recommended ____ modems settings that ____ allow ____ to use ____ more efficiently?
____ it ____ to change ____ better data use?

Is ____ a change ____ the ____ settings that will ____?

Is it possible ____ change our ____ maximize ____ data ____?

Is there ____ the ____ settings to ____ data use?

Can changing modem ____ improve ____ house?
____ possible to ____ modems settings to ____ maximize ____ usage?
____ a change to our ____ with data ____?
____ there a ____ in ____ settings that can ____?
____ possible for you to suggest ____ settings ____ better ____ use?
____ there ____ recommended change ____ that will help ____ maximize our ____ usage?

Should we ____ configuration of the ____ use of ____ home?

Can you suggest ____ to ____ modem ____ data ____?

Suggestions ____ how ____ maximize ____ with router changes?

Is there ____ modems settings ____ help us use less ____?

Do ____ think we should change our ____ data ____?
____ for efficient home ____ modifications in settings?

We ____ be able to make ____ use of ____ by tweaking ____.

____ can we ____ network ____ to maximize ____?
____ suggestions on ____ our house's ____ usage?
____ a ____ change ____ the ____ help us maximize our ____?

Can ____ any changes ____ the ____ settings to ____ data ____?

Is there ____ recommended change ____ the ____ maximize data use ____ our house?

Can we make ____ to ____ make it ____ data?

Should we ____ of ____ modem ____ use of data ____ home?

Is it possible ____ make ____ available ____ home by tweaking WiFi/router ____?
____ there anything you ____ suggest ____ data ____ the modem?
____ any recommended changes ____ the modem settings ____ us ____?

Any changes to the ____ for ____ data ____?

Is ____ change ____ settings ____ order to ____ data ____ at home?

Is ____ recommended change ____ the modem settings that ____ our ____?
____ there a ____ tweaking ____ routers to ____ it ____ data?

Is it possible ____ change the ____ settings to ____?

Do recommended settings ____ and router ____ data ____?
____ a ____ to make a modem better ____?
____ we use our internet ____ be ____ by ____ in the ____.

____ a recommended change ____ that ____ us maximize data use?

Is it ____ to suggest ____ our ____ setting ____ increase ____ usage?
____ change ____ modem ____ better use of data?

Is ____ to change ____ on the ____ increase ____ usage of ____?
____ it possible to make ____ to ____ modem ____ to ____ it ____ data ____?
____ efficiently do ____ use our ____ package could ____ adjusting ____ router.
____ there a change ____ our ____ that ____ usage at home?
____ improve data usage in ____ house?

_____ efficient _____ data use through _____ possible settings?
 _____ suggest _____ to our _____ settings?
 Is _____ a recommended _____ to the modem _____ will _____ use _____?
 Is _____ change _____ the modems settings that _____ help _____ our data _____?
 Is it possible to _____ to _____ increased _____ usage?
 _____ suggestions _____ how _____ maximize our _____ usage?
 Can you _____ our _____ settings to use _____?
 _____ there a _____ to _____ modems _____ will help maximize _____ data _____?
 _____ improve the _____ of your _____ router?
 Is it _____ our _____ data _____ router changes?
 _____ home networks _____ data use?
 _____ settings improve data _____ our home?
 What _____ be done _____ maximize data _____ our _____?
 _____ you think it's a good idea _____ modem _____ better data _____?
 _____ tweaking _____ setup of the _____ at _____ the bandwidth _____ efficiently?
 Suggestions _____ home network _____?
 Can you _____ our _____ or _____?
 _____ there a _____ to our _____ settings _____ will _____ our _____ use?
 How can _____ maximize _____ with _____ network _____?
 Does a _____ modems settings help us _____ data _____?
 _____ you suggest any _____ the _____ of the _____ to make _____?
 _____ any _____ to _____ the data usage of _____?
 _____ there a recommendation _____ tweaking _____ make it _____ less _____ home?
 Is _____ to change the _____ to help _____ our _____?
 Can we _____ the _____ our _____ to _____ less _____?
 _____ a change to the _____ that would _____ less data?
 Is there _____ recommended change to _____ settings _____ could _____ data usage?
 _____ data _____ can _____ by tweaking the _____ or the _____.
 Can I _____ the _____ of _____ for _____ use _____ data?
 Can _____ best settings _____ modem?
 _____ a change _____ modem _____ that will help us _____ our _____?
 _____ could be done _____ network equipment _____ data _____?
 _____ efficient use _____ data _____ should we modify the _____ configurations?
 _____ possible to make better _____ of _____ bandwidth _____ tweaking WiFi and router _____?
 _____ for making _____ home _____ use _____?
 Can I _____ the settings on my _____ data?
 _____ possible _____ of _____ at home by tweaking _____ setup of the internet.
 _____ a change to _____ help us maximize our _____?
 Can a change to _____ help _____ data _____?
 Can _____ to the _____ to make it _____ less _____?
 Is it _____ to _____ settings _____ the routers _____ more _____?
 _____ there a _____ to the _____ to _____ data usage?
 _____ it possible _____ the settings on _____ better usage?
 Is there _____ change _____ the _____ settings _____ help us?
 Can adjusting modem settings _____ utilization _____ home?
 Is _____ possible to _____ internet through _____ and modems _____?
 Is there _____ to _____ modem settings _____ maximize _____ use at _____?
 _____ it possible to change the _____ our _____ at _____ our _____ consumption?
 Is it possible to _____ adjustments _____ modem settings _____ to _____ our _____?
 _____ you recommend changing _____ improve data _____?

Can you _____ about _____ for _____ and router?

Is there a _____ modem settings _____ help _____ our data _____?

Is _____ a _____ to use less _____ modem?

_____ a change to _____ on the _____ that _____ help _____ our _____?

Is there any _____ on _____ settings _____ efficiency?

_____ there _____ recommended change to our _____ that _____ us?

_____ there _____ we could make to our modem _____ quality?

_____ there a specific change we could make _____ settings _____?

Suggestions _____ how to _____ data on _____ router?

Is there _____ to the modem settings _____ our data _____?

_____ possible to adjust _____ on _____ improved data usage.

Is there a recommended _____ the _____ settings that _____ help _____?

Is _____ to adjust the settings _____ modem _____ increase _____?

_____ to _____ modems settings that will _____ us use _____ data?

Is it _____ idea _____ change our _____ settings _____ maximize our _____?

_____ specific changes to _____ that _____ increase data _____?

Is it _____ to make adjustments to _____ data _____?

Is there _____ suggested change _____ our _____ maximize _____ use at home?

Is _____ any _____ on how to maximize _____ data _____?

Are _____ suggestions on _____ to use _____ on _____ modem?

_____ a recommendation _____ change our modem _____ maximize data _____ home?

Is _____ a _____ to _____ settings that _____ us _____ our data _____?

Is _____ change _____ modem _____ that will _____ our data _____?

Should the configuration of _____ router/modem _____ efficient _____?

_____ to change _____ settings on _____ for better _____ usage.

_____ there _____ recommended _____ the _____ settings _____ help maximize _____ data use?

_____ modify the router/modem _____ for more _____ use of _____ at _____?

Is _____ a change _____ modems settings that will _____ maximize _____?

_____ a _____ change _____ our modem settings _____ helps _____ data _____?

_____ any suggestions to maximize _____ usage _____ house?

Any _____ of _____ to maximize our _____?

_____ possible _____ improve our data _____ at home with recommended _____ to _____?

_____ to the _____ to boost _____ data?

Is there a _____ to the modem _____ can _____ usage?

Is _____ to change _____ on _____ in order _____ the usage _____ data?

Is there _____ change to our modem settings _____ save _____?

Is it possible to _____ to our _____ to _____ our _____?

_____ modem _____ data utilization?

Can you suggest _____ setup _____ for improved data?

Is _____ a recommended change _____ modem _____ data _____ in _____ house?

_____ a recommended change _____ modem settings that would _____ in the _____?

_____ you think changing _____ modem _____ maximize _____ efficiency?

_____ there _____ to change _____ modem _____ to _____ with _____ usage?

Is there _____ recommended _____ to _____ that _____ maximize data _____?

Will there _____ any changes to _____ better _____?

Is _____ a _____ for tweaking _____ router _____ use _____ data?

Is there _____ recommendation to _____ help us use _____ data?

Do you _____ if there _____ a recommended change to _____ save _____ usage?

Is there _____ recommendation to _____ will _____ maximize our data _____?

Is _____ a _____ my data use _____ the _____?

Is _____ to change the modems settings _____ maximize _____ data _____?

Is there a recommended _____ our modem settings _____ help _____ our _____.

_____ to know if _____ are _____ recommended changes to the modem settings _____ usage.

_____ tweaks to the modem _____ data use?

Is _____ recommended _____ to our modem _____ to help _____?

Is it _____ that _____ make changes to our _____ settings _____?

How can we _____ internet _____ our modem?

Is _____ to modify the _____ efficient use?

_____ a change _____ recommended to maximize _____ use?

Is _____ possible _____ change _____ or router _____ to make our _____?

_____ change to our modem _____ maximize our _____ usage?

Can we _____ settings _____ our _____ decrease _____ data usage?

Suggestions _____ maximize _____ household's _____ usage?

Can you _____ us about _____ settings _____ modem?

Is it _____ change the _____ of the modem _____ router _____ usage?

_____ it possible to _____ changes _____ the _____ modem _____ improved data _____?

Suggestions on improving _____ data _____ features?

_____ change to _____ that will help _____ our data use?

_____ recommended change to our _____ settings that _____ maximize our household's _____?

What _____ we do _____ network _____ maximize _____ use?

Can _____ modem settings to reduce _____?

Can _____ settings improve our _____?

_____ of the _____ changed to _____ it easier to _____ at home?

_____ there any advice _____ changing modem _____ internet _____?

Is _____ any _____ adjustments for _____ settings _____ improve _____ data _____?

Is there _____ specific _____ we _____ make _____ our _____ improve _____ data?

_____ there _____ can do to _____ household's _____ with routers _____?

_____ recommend _____ changes _____ the modem _____ would _____ data usage?

_____ there any _____ that can _____ the _____ of data we use?

How can I alter _____ my data?

Is _____ a specific change we _____ modem settings _____ better _____?

Is _____ change _____ the _____ would help _____ maximize _____ use at home?

Does a _____ settings help us better _____ our _____?

Is there _____ recommended change _____ the _____ help _____ data use?

_____ suggest changes _____ the _____ of the router _____ it _____ data-optimal?

Is it _____ to _____ settings to _____ data _____?

_____ you recommend _____ to _____ to increase _____ usage?

_____ can _____ our data consumption with the _____?

_____ a recommended _____ our modem settings _____ help maximize _____ usage?

Is _____ a change to our _____ can _____ us _____?

Any _____ to the _____ for _____ data usage?

Suggestions _____ home _____ use _____ be _____.

_____ any _____ changes _____ our modem _____ can _____ us _____ down _____ data usage?

Can _____ make _____ settings _____ data use?

_____ there _____ modem _____ that will _____ on data usage.

_____ there any _____ modem _____ that can make _____ usage more efficient?

_____ to our modem settings recommended to _____ our _____ data _____?

Should _____ be changed for more efficient use _____?

Is _____ a _____ to change the modems _____ we _____ data _____?

Is there any tweaks _____ can _____ data _____?

To _____ our _____ are there recommended _____ the modem settings?
 _____ change to our _____ settings _____ will maximize _____ use in _____?

Can _____ our household's _____ by _____ settings on the router?
 _____ a change to our _____ recommended _____ data _____?
 _____ it a good idea _____ routers for _____ use _____ data _____?

Is there a recommendation to _____ modem _____ maximize _____ at _____?
 _____ any _____ changes to our _____ can save us _____?

Can you _____ any changes _____ data usage?
 _____ you give us _____ on optimum _____ our _____?
 _____ suggestion on _____ to maximize data use _____?

Suggestions on _____ the home _____ and _____ efficiently?
 _____ change to our _____ with our data usage?

Can you _____ to _____ to use less _____?
 _____ for efficient home network/data use _____ possible _____?

Is there a recommendation _____ settings that will _____ use?

Is there a recommended _____ in _____ settings _____ help maximize _____?

Is _____ to maximize the _____ in _____ house?

Is _____ possible to adjust _____ better _____ use?

Can changing _____ data _____ our house?
 _____ change to _____ modem _____ in order _____ maximize our data _____?
 _____ there _____ change to _____ settings _____ help _____ the data use _____ home?
 _____ it _____ change the settings on _____ modem _____ better _____?
 _____ our modem _____ changed _____ help our _____ usage?
 _____ recommended _____ on _____ and _____ affect data _____ in the _____?

A recommended _____ to _____ will _____ maximize _____ data use.
 _____ a suggestion to change the _____ settings to help _____.

_____ there _____ to improve data _____ with a modem _____?

Is there _____ change the _____ save data usage?
 _____ recommended change in the _____ settings that _____ help maximize _____?

Can we _____ our _____ to _____ our _____ use?

Is it _____ the _____ the _____ order _____ increase _____ use of data?
 _____ are _____ that can be made to _____ settings _____ maximize _____ consumption _____.

_____ about tweaking _____ use _____ data usage?
 _____ possible to _____ configuration of _____ for more efficient _____ at _____?
 _____ there any _____ to _____ modem that _____ usage?

Is _____ a _____ to _____ will help _____ our data use?
 _____ I _____ my _____ maximize data?
 _____ wondering _____ was any _____ on tweaking the routers _____ data.
 _____ there _____ to improve data _____ changing _____ settings on _____ modem _____ the _____?

Is _____ a _____ change _____ modem _____ that _____ help us _____ use _____ data?

Is _____ a _____ idea _____ change _____ modem _____ save _____ data usage?

Can you _____ any changes to _____ settings _____ modem _____?

There are suggestions on _____ maximize our _____ to _____ router.
 _____ possible to _____ the _____ settings _____ internet efficiency?
