

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Information regarding scheduled maintenance
Inquiry Sub-Category	Outage notification
Description	Customers seeking information about planned power cuts or outages in their area. They want to know the duration of the outage and if any alternative arrangements will be made to supply power during that time.
Data Size	7,120 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

_____ is _____ expected duration _____ the scheduled maintenance affecting _____ _____ ?

Will you _____ of how _____ will take to _____ electrical _____ ?

_____ the scheduled maintenance _____ last _____ area's _____ supply?

How _____ this mess up _____ our area?

What _____ expected time for _____ to mess with _____ ?

What _____ duration _____ grid maintenance?

Will _____ of _____ the planned _____ maintenance will take?

_____ is the _____ time _____ electricity supply will _____ ?

_____ the upcoming _____ our power supply _____ long?

How _____ does it _____ scheduled _____ impact electricity?

_____ can _____ our electric supply _____ be off?

_____ you tell _____ of the _____ maintenance _____ will _____ power supply?

_____ many hours or days _____ should _____ ourselves as a result of this electricity _____ .

_____ of planned outage _____ electricity _____ ?

_____ power _____ my place be?

_____ would _____ to know _____ timelines for utility _____ notice and how _____ our _____ electric _____ .

_____ you know when power _____ will _____ in our _____ ?

Is _____ maintenance _____ mess with _____ ?

How _____ will _____ take for scheduled _____ impact electricity _____ our _____ ?

_____ long will planned maintenance _____ ?

What _____ will _____ maintenance _____ energy supply?

_____ will _____ power supply be disrupted _____ this _____ ?

The _____ supply in _____ will be interrupted _____ .

_____ it take _____ affecting electricity in this area?

_____ maintenance _____ the power in our area?

How _____ scheduled _____ for _____ electricity supply junctions?

How _____ we _____ power repair to _____ ?

What _____ the upcoming planned _____ that will affect _____ in _____ region?

_____ long will power _____ ?

_____ long _____ take for local grid _____ be _____ ?

Is there any information _____ long this _____ will _____ ?

_____ long will _____ Outage _____ ?

_____ long will _____ take _____ mess _____ our _____ ?

How _____ repair _____ take?

Will _____ of how _____ the _____ electrical maintenance will _____ ?

_____ long will planned maintenance _____ electricity supply _____ ?

_____ a time _____ for the scheduled _____ ?

We _____ how long _____ planned power _____ last.

_____ is the _____ of maintenance that _____ affect _____ electrical _____ ?

_____ power disruptions end _____ maintenance _____ in our region?

_____ extensive will the _____ routine service action?

What _____ is _____ maintenance _____ to mess _____ electricity?

_____ it take for _____ repairs to be _____ ?

How _____ our _____ electrical _____ service _____ affected _____ planned maintenance?

How _____ maintenance last _____ in the _____ supply _____ ?

_____ time _____ repairs in a _____ ?

_____ know _____ span for the _____ that _____ impact our _____ supply.

How long _____ it _____ scheduled maintenance to _____ our _____ ?

What is the duration _____ this planned _____ power _____ ?

_____ electricity supply _____ will be affected _____ maintenance.

Will you give _____ of _____ long _____ to finish _____ electrical _____ ?

_____ the power _____ ?

_____ much _____ is required _____ infrastructure upkeep that may affect _____ ?

_____ need an _____ how _____ it will take _____ the electrical _____ .

What _____ the expected duration of _____ our _____ grid?

_____ an _____ power disruption maintenance.

How _____ power _____ take?

Given these scheduled _____ around here, how _____ expect _____ ?

_____ scheduled _____ affecting our _____ expected _____ last for some time.

_____ there _____ for the _____ impacting our area's power _____ ?

_____ long will _____ complete _____ maintenance affecting the _____ supply?

Will _____ let us _____ how long it _____ to _____ the _____ ?

_____ you tell me _____ long the _____ maintenance _____ affect _____ supply?

_____ will _____ maintenance ruin our _____ ?

What _____ the _____ of _____ in _____ locality?

_____ long _____ the _____ repair work _____ ?

Is _____ possible _____ inquire about _____ timelines regarding utility maintenance notice, _____ supplying _____ neighborhood with _____ ?

_____ how long _____ planned _____ supply disruption will _____ ?

_____ will _____ electrical _____ take?

How long _____ we _____ our _____ supply _____ be _____ ?

The _____ affect _____ electricity supply.

What _____ duration of the _____ will _____ power distribution _____ region?

_____ is the duration _____ maintenance that _____ our _____ grid?

How long _____ work _____ to _____ our _____ ?

How _____ time will _____ repair _____ ?

Will the _____ supply of electricity in _____ ?

_____ power maintenance near _____ while?

_____ is _____ duration of the _____ maintenance _____ to affect _____ grid?

_____ much _____ will the power _____ ?
 Will you give us _____ the _____ electrical work _____ take?
 I _____ how _____ planned _____ disruption will take.
 _____ is the estimated time _____ grid maintenance _____ ?
 _____ our electricity supply in _____ region.
 There _____ upcoming _____ affecting our _____ in the _____.
 _____ us when and how the _____ affect _____ supply?
 _____ access to _____ to be _____ during the announced _____ maintenances?
 _____ tell _____ how _____ the _____ outage will take?
 What time _____ the planned _____ impact _____ supply?
 _____ anyone know an _____ of the power _____ ?
 _____ aware _____ how _____ will be disrupted due to _____ action?
 _____ to _____ about reported _____ regarding utility maintenance notice and _____ effect _____ supply of _____.
 How _____ the electrical _____ be affected _____ work?
 I would _____ know _____ reported timelines for _____ maintenance _____ its effect _____ supplying _____ power _____ our _____.
 How _____ will _____ upcoming maintenance _____ our electricity _____ ?
 Is _____ the _____ of the _____ power disruption?
 _____ how long _____ current electrical infrastructure _____ to be complete?
 _____ will _____ maintenance take to impact electricity provision _____ ?
 _____ long will _____ maintenance affect _____ ?
 _____ is _____ for _____ electrical _____ upkeep _____ may affect us?
 What _____ the duration of maintenance _____ supply?
 _____ will _____ our _____ electrical grid during this _____ ?
 Will you _____ estimation of _____ the planned _____ will _____ ?
 _____ much time _____ for _____ scheduled maintenance _____ fix _____ electricity?
 _____ area has power _____.
 _____ electricity supply be _____ in this region?
 _____ will _____ disrupted in _____ area?
 _____ you give _____ of _____ time _____ will _____ for _____ work to be _____ ?
 _____ the expected duration _____ that _____ affect our electricity _____ ?
 _____ long will power _____ ?
 How _____ will _____ take for _____ power repair _____ be _____ ?
 _____ long _____ take _____ to mess with our electricity?
 I'd like _____ how long _____ repairs _____ our _____ power.
 _____ is the expected _____ of _____ maintenance that _____ supply?
 _____ will _____ take for the scheduled maintenance to _____ ?
 _____ electric _____ be _____ maintenance work?
 Will the power disruption be _____ service _____ ?
 _____ long should we expect _____ electric supply _____ ?
 How long does it take _____ electrical infrastructure _____ ?
 _____ place, _____ long will power _____ ?
 How _____ should _____ expect _____ affect electricity in _____ area?
 _____ long will it _____ scheduled maintenance _____ impact _____ provision?
 Will _____ maintenance affect _____ supply area for a _____ ?
 _____ much _____ required _____ maintain _____ electrical infrastructure?
 How long _____ it _____ to _____ the _____ in this _____ ?
 _____ it _____ for scheduled _____ to affect _____ provision in the _____ ?
 We _____ how _____ the _____ electricity supply _____ to last.
 _____ will _____ go on?
 _____ we _____ the planned electrical _____ will last?

Will _____ my place _____ long?

_____ should we _____ the _____ maintenance _____ electricity provision?

How _____ the _____ disruptions?

_____ the _____ last for a while.

_____ is required _____ electrical infrastructure upkeep that _____ affect _____?

The _____ in _____ will be interrupted _____ maintenance.

_____ the _____ of _____ is _____ to affect _____ electrical grid?

What is _____ duration _____ the _____ maintenance _____ electrical grid?

Is there _____ span _____ the _____ period _____ our power _____?

Are _____ an expected time _____ the _____ maintenance affecting our _____?

_____ long _____ area's _____ supply be disrupted _____ maintenance _____?

_____ long should the _____ take?

_____ we know how long _____ in _____ supply will _____?

_____ it take _____ complete _____ work affecting our electricity _____?

How long _____ repair be?

How _____ to be off?

How long _____ scheduled power _____ to take?

_____ is _____ expected duration _____ electrical work _____ this _____?

_____ the _____ time _____ this _____ maintenance affecting our electricity _____?

Is there any indication of _____ long _____ will _____?

How long _____ maintenance _____ our _____ in _____?

How long _____ our _____ disrupted _____?

_____ long _____ it take _____ the _____ in this _____?

_____ estimate on the _____ of _____ power interruption?

Can we know _____ extensive the power disruption _____ service _____?

What _____ the expected duration _____ scheduled maintenance _____ area's _____?

_____ you provide an estimate of how _____ it _____ electrical _____ to _____?

How _____ will _____ be _____?

_____ long do we have _____ for _____ repairs affecting _____?

We _____ know how _____ electricity _____ disruption _____ take.

How _____ do scheduled repairs _____ for _____ local electricity _____?

_____ how much power _____ be _____ due to routine _____?

_____ know how long it _____ take for _____ complete the _____?

_____ can we expect _____ electric supply _____ go _____?

_____ do _____ think _____ will affect our _____ supply?

Will _____ tell us how _____ finish the electrical _____ in _____ area?

_____ time _____ maintenance _____ electricity supply?

_____ there _____ frame for electrical repairs _____ region?

How _____ should _____ the interruption _____ electricity service _____ last?

I want _____ know _____ that _____ will _____.

How _____ will _____ repairs _____?

We _____ to _____ estimated _____ for _____ that will impact our _____ supply.

How _____ this _____ affect our electrical _____?

Time _____ repairs _____ us?

_____ is _____ for locality's electric _____?

_____ is the _____ cut?

_____ long _____ our _____ electric _____ be affected by _____?

_____ long _____ maintenance affect our _____?

_____ long are we _____ to _____ trouble with _____ in _____?

We need to _____ long _____ maintenance _____ is _____ power _____.

____ scheduled ____ could ____ the ____ supply.
 ____ will power ____ my house?
 How long until ____ power ____ scheduled maintenance?
 ____ long do ____ think ____ take ____ electricity service ____ after scheduled maintenance ____?
 What ____ the ____ of the ____ maintenance that will affect ____ distribution ____?
 ____ idea how long ____ be out?
 ____ any estimate ____ the ____ of ____ power disruption?
 I am ____ maintenance will last ____ my ____.
 ____ affect ____ supply and ____ long will it last?
 How long is ____ for ____ our electricity ____ junctions?
 ____ long ____ the ____ to impact ____ electricity provision?
 What is the expected duration ____ will ____ our local ____?
 We need to ____ period that will ____ our power supply.
 ____ long ____ the ____ maintenance take?
 ____ can we ____ normal electricity ____ to take ____ this scheduled ____?
 How long is ____ to ____ electrical ____ may ____ locally?
 ____ electricity supply in ____ will ____ interrupted ____ maintenance.
 ____ time ____ for electrical ____ our ____.
 Is ____ an ____ extensive the power disruption ____?
 Do ____ know how ____ it ____ electrical infrastructure upkeep ____ affect ____?
 What ____ of electric ____ in ____?
 Time frame ____ electrical ____ region.
 ____ much time ____ take ____ completion ____ grid maintenance?
 ____ we know how ____ in ____ supply will last?
 How much ____ will ____ scheduled maintenance ____ affect ____ availability ____?
 ____ take to ____ the current electrical infrastructure ____ may ____ us locally?
 How ____ electricity supply disruption going to ____?
 How ____ area's power is ____ scheduled maintenance?
 ____ will this maintenance ____ electricity?
 ____ will our power ____ maintenance?
 ____ you give ____ of ____ planned electrical maintenance ____ take?
 There will ____ maintenance on ____ in ____ locale.
 ____ frame for ____ repairs ____ our ____?
 ____ long ____ electrical supply ____ by maintenance work?
 Do ____ how long this ____ electricity supply ____ going ____?
 Can ____ how ____ be prepared ____ electricity network service suspension?
 What's ____ time ____ for electrical repairs ____?
 What ____ the duration of ____ will ____ the ____ distribution in the ____?
 ____ power ____ last ____ my place?
 Is ____ a time ____ for electrical ____ region?
 ____ duration ____ will affect the energy ____.
 ____ access to ____ to ____ changed during the area-wide ____?
 ____ would ____ to ____ the reported ____ of ____ notice, especially its ____ on ____ our ____ with ____ power.
 How much ____ will ____ electricity in ____ locality?
 How ____ the ____ electric ____ take?
 ____ you tell ____ the local power ____ be ____ how long?
 Will you give ____ estimate ____ electrical ____ will take?
 ____ anticipate the scheduled maintenance ____ affect ____ electricity provision?
 The electricity ____ the locale ____ this upcoming maintenance
 Will you give ____ it ____ take ____ finish electrical work ____ area?

_____ maintenance is _____ to _____ up _____ power in _____.

_____ is the expected duration _____ planned _____ affect the _____ distribution _____ region?

_____ long will _____ interruption _____?

_____ should _____ prepared for the electricity network service suspension.

Time _____ repairs _____ our region?

How _____ will this _____ our _____?

How _____ is the _____ going to take?

_____ is _____ predicted _____ upcoming maintenance that is _____ to _____ the _____ grid?

The _____ of planned _____ our _____ supply.

_____ work _____ of _____ electric repairs?

_____ approximate time of electric _____ a locality?

_____ long _____ scheduled repairs _____ for _____ electricity _____ junctions?

_____ long _____ it _____ repairs _____ be _____ in this locality?

How long do _____ repairs lasting _____ junctions take?

_____ would _____ to know _____ reported _____ are for _____ maintenance notice _____ its effect _____ our _____ with _____ power.

_____ maintenance affect our electricity?

_____ will the scheduled maintenance _____ the electricity _____?

_____ an estimate _____ long it _____ do the electrical work?

Is there _____ estimate on _____ duration _____ the _____?

_____ the _____ maintenance affecting the _____ for _____ long time?

How _____ will _____ maintenance _____?

_____ when power _____ maintenance will take _____?

_____ much _____ can _____ electric _____ be _____ by maintenance _____?

How _____ the planned outage on _____?

Does anyone know how _____ electricity _____ last?

_____ will _____ take _____ the scheduled _____ affecting _____ be completed?

_____ will the _____ keep us from _____?

_____ in our area?

_____ know _____ extent of the _____ disruption _____ routine service _____?

_____ we _____ outages to take?

We _____ the scheduled power _____ will take.

How long _____ work done?

_____ electric _____ be impacted by maintenance work?

_____ interrupt our electricity _____?

What _____ the projected _____ for _____ electrical grid?

How long _____ it _____ to _____ work _____ our _____?

_____ there _____ frame for electrical _____?

_____ know how many hours or days _____ we _____ planned _____ network service suspension.

Will _____ scheduled _____ maintenance _____?

_____ is _____ of _____ repairs in the area?

Will _____ maintenance interrupt our electricity _____?

_____ planned _____ affect _____ the area?

Will power _____ my _____?

What is the _____ going to _____ our electrical grid?

Time _____ electrical _____ the region?

How _____ we _____ our power?

How _____ will it _____ the _____ repairs affecting electricity in _____?

How _____ electricity be affected _____ maintenance?

_____ is the estimated _____ of _____ maintenance _____ interrupt _____ supply?

_____ there _____ power maintenance _____ my place?

Do ____ know how ____ time ____ required ____ electrical ____ maintenance?

When ____ I ____ the ____ repair to ____?

____ it possible that power maintenance will ____?

____ will ____ scheduled maintenance ruin our ____?

____ long can ____ take ____ the power ____?

____ like ____ many ____ or ____ we should prepare ourselves ____ the planned electricity ____ suspension.

I ____ I should expect ____ lose ____ the area-wide maintenances.

What is the duration ____ maintenance ____ will ____ power ____?

Will ____ give ____ estimate of how ____ will take ____ finish ____ in ____?

____ tell ____ the ____ maintenance will ____ our power supply?

____ know the ____ for the ____ period that ____ the ____ supply.

____ would ____ to ____ reported timelines ____ maintenance notice, ____ its effect ____ providing electric ____ to ____ neighborhood.

____ is it ____ disruption ____ in our area?

What ____ the duration of ____ maintenance ____ for our ____?

How ____ the ____ maintenance ruin ____?

What is ____ frame for ____ electricity?

How ____ will the ____?

____ tell us ____ long it will ____ to ____ electrical ____?

____ there an ____ how ____ this power ____ be?

Can ____ long ____ will last ____ of routine service action?

____ long will ____ electricity supply ____ affected ____ scheduled ____?

This ____ is ____ to affect ____ electrical grid.

____ our electric supply be ____ by ____?

____ long can ____ expect ____ electric supply ____ be ____ work?

How ____ time ____ power ____ take?

How ____ maintenance ____ to ____ our power?

How ____ the planned outage ____?

____ if I should expect ____ to my access ____ announced area-wide ____.

How long ____ this ____ to ____ our electric supply?

____ affects the ____ supply ____ the locale.

____ disruption maintenance ____ the area.

How long ____ take for ____ ruin ____ electricity?

Will the ____ outage ____?

____ maintenance will ____ the ____ this region.

____ give ____ an ____ of ____ it will ____ to finish electrical ____?

____ long will our ____ due ____ maintenance?

____ will ____ before ____ can ____ a source of electricity ____ particular ____ event?

____ scheduled ____ time frame ____ unknown.

____ long ____ we expect ____ electric supply ____ be ____?

____ long does this ____ fix our ____ supply?

____ I ____ out how long ____ our region's access to ____?

I would like ____ know ____ timelines for utility maintenance notice ____ effect on ____.

____ our power be disrupted because of ____?

How ____ will the ____ maintenance ____ supply ____ take?

____ frame ____ repairs ____ the area?

What is ____ duration of ____ planned ____ impact ____ distribution?

____ long will our ____ supply ____ by work?

How ____ the scheduled ____ take to ____ the ____ provision ____ our ____?

How much time ____ power?

____ scheduled maintenance ____ our electricity ____ area ____?

_____ there an _____ on _____ long _____ will last?

Do you have _____ on the _____ of _____?

How long does it take for scheduled _____ in _____?

_____ would _____ know _____ reported _____ regarding utility maintenance _____ especially _____ effect on supplying _____ electric power.

_____ you _____ much time _____ required to maintain the _____ your _____?

_____ long do _____ last?

_____ be near my place?

_____ like _____ know the reported timelines _____ notice _____ how it _____ our neighborhood's electric _____.

_____ give _____ of the time it _____ for the electrical work _____?

Let us know _____ estimated _____ the maintenance _____ our _____.

Do _____ know when and _____ upcoming _____ affect the _____ power _____?

What time will the planned _____?

_____ until _____ work is complete?

_____ will this maintenance affect our _____ area?

We don't _____ how long this _____ supply _____.

_____ am _____ sure when _____ repair _____ finish.

_____ local _____ grid _____ may _____ affected by the _____ planned maintenance.

_____ long is _____ electric _____?

How long will _____ the _____ supply _____ area?

How _____ before _____ maintenance _____?

_____ when I can expect the _____ finish.

_____ time _____ our electricity _____ disrupted?

_____ you know _____ time _____ to complete the _____ infrastructure _____?

How long _____ we _____ repair _____ to _____?

_____ need to _____ the _____ power repair work will _____.

_____ can the upcoming maintenance affect _____?

_____ maintenance _____ place long?

_____ is the _____ repairs?

How long will _____ be _____ to this _____?

_____ projected duration _____ planned _____ affect _____ local electrical grid _____.

Can _____ us _____ the _____ will affect _____ power supply?

Can we _____ out _____ power will _____ disrupted _____ to _____ service _____?

_____ can we _____ power _____ work to be?

How long will it _____ to _____ electricity _____ locale?

_____ will our electricity supply be _____ maintenance _____ this _____?

_____ last around my _____?

Will _____ maintenance _____ electricity _____ last?

_____ for utility _____ notice affect _____ of electric power _____ our _____?

_____ electricity _____ in _____ locale _____ impacted by _____ upcoming maintenance.

How _____ is _____ to complete the _____ infrastructure _____ affect us _____?

How _____ will _____ area's _____ affected?

Will you _____ an _____ how long _____ take to _____ maintenance?

What _____ be _____ of the _____ maintenance that _____ affect _____ power _____ region?

_____ before the _____ will affect _____ power grid?

_____ planned _____ our energy supply.

_____ the _____ going _____ with our electricity?

_____ the _____ for electric repairs in _____?

_____ extensive is _____ power disruption _____ service action?

_____ will the planned _____ affect _____?

I'd like _____ know _____ regarding utility _____ notice and how _____ our _____ with electric _____.

_____ will the scheduled _____ for our electricity _____?

The _____ service will _____ affected by the _____ maintenance.

How much _____ will this _____ power in _____?

Can we figure out _____ power will _____ by _____?

Will _____ maintenance _____ me _____?

_____ we _____ an _____ power disruption _____?

The local _____ electrical service will be _____ projected _____ planned _____.

How long _____ for _____ maintenance to _____ electricity?

What _____ should _____ repair to finish?

Do you know _____ of the _____ maintenance _____ will impact _____?

Will the _____ disrupted _____ long?

How _____ is the upcoming _____ affect _____ electrical grid?

How _____ we _____ our electric _____ to be _____?

What is the _____ time of _____ locality?

_____ of scheduled maintenance will _____ the _____ supply.

_____ our supply be _____ by _____?

_____ you give an _____ how long _____ planned _____ in our area?

How long _____ it _____ maintenance to mess _____ our _____?

How _____ will _____ take _____ this _____ ruin our _____?

_____ the _____ for electric repairs?

_____ the _____ outage _____ local power?

_____ there _____ of how long _____ power _____ will _____?

I wonder _____ I _____ access _____ electricity _____ the announced _____ maintenances.

When _____ our power supply, _____ how long?

How long is it _____ our power to _____?

How _____ maintenance affect _____ service?

_____ will this _____ damage _____ electricity?

How _____ will _____ electrical grid _____ affected by this _____?

_____ to know how many _____ or _____ we _____ for this electricity network service _____.

_____ time _____ take to fix _____ electricity in _____ locality?

_____ you _____ electricity _____ be off?

I want to _____ the _____ affect our electricity _____.

We _____ how long _____ electricity supply _____ last.

Will _____ maintenance _____ near _____?

_____ maintenance _____ our power _____ and how long?

_____ you _____ how long it _____ complete electrical _____ could affect _____?

How _____ scheduled maintenance be _____ our power _____?

What _____ the _____ locality's _____ repairs?

How long _____ it take _____ grid maintenance _____?

_____ you _____ an _____ it _____ take _____ complete the electrical work?

How _____ do scheduled repairs _____ for _____ local electricity _____?

Can _____ tell us _____ maintenance will impact _____ service?

What are _____ electric repairs _____ the _____?

_____ an estimate _____ how long the _____ our electricity service?

_____ planned power _____ going to take?

_____ an _____ power disruption _____ in our area?

Near my _____ long _____ last?

Will _____ maintenance affect our electricity _____ area?

Time frame _____?

How long will _____ maintenance _____ our _____ supply, _____ will it _____?

How ____ will ____ maintenance affect ____ ?

What ____ scheduled maintenance do ____ ?

How ____ maintenance ____ messing up ____ power?

____ long ____ our ____ repair take?

There will ____ planned ____ that will ____ power ____ ____ region.

____ will ____ take for ____ maintenance ____ our ____ supply to ____ completed?

How ____ will ____ before electrical repairs affecting ____ ?

What ____ the ____ scheduled ____ affecting our electricity ____ ?

____ would like to ____ about ____ utility maintenance notices and their ____ neighborhood with electric ____.

____ will ____ be maintenance ____ our ____ supply?

____ frame will the scheduled ____ affect ____ electricity ____ ?

____ long ____ the area's power ____ following scheduled ____ ?

Time period ____ electrical repairs ____.

How long will our scheduled maintenance ____ ?

____ would like ____ know ____ long ____ maintenance period ____ power supply.

____ maintenance will ____ power ____ in ____ region.

____ time will ____ to ____ the power problem?

____ is ____ projected ____ the work ____ will ____ our electricity ____ ?

____ long ____ take ____ electric ____ be affected by work?

____ power ____ near my place ____ ?

Do ____ amount ____ time that ____ required ____ complete electrical ____ upkeep?

____ the ____ of ____ planned electricity ____ interruption?

____ will the ____ maintenance ____ power supply ____ how ____ will it ____ ?

How ____ will the ____ outage last ____ the ____ ?

____ long should ____ scheduled maintenance to ____ the ____ power ____ ?

The ____ maintenance ____ our local electrical grid.

Is ____ an ____ time ____ local ____ maintenance ____ done?

____ we ____ wait ____ electric supply to be repaired?

How long will ____ take to ____ in ____ ?

How ____ will ____ disrupted ____ maintenance?

Will ____ give ____ estimate of ____ it ____ take ____ finish the ____ work?

How long ____ the scheduled ____ affect the ____ area?

____ long ____ scheduled ____ last for in ____ electricity ____ ?

____ this maintenance going ____ power ____ our area?

Given the ____ happening ____ we expect ____ electrical access?

Will the ____ utility ____ notice affect the supply ____ neighborhood?

Will ____ scheduled maintenance ____ electricity provision ____ ?

____ electricity is ____ to ____ disrupted by ____.

____ how ____ this planned ____ disruption will take.

____ amount of time ____ for electrical ____ upkeep?

____ is ____ for current electrical ____ upkeep to ____ completed?

How long ____ it ____ repair the ____ in this locality?

____ know how long the electricity ____ last?

When will ____ upcoming maintenance ____ our ____ supply ____ how ____ ?

____ long is ____ scheduled ____ going ____ last?

____ long will ____ repairs affect ____ supply?

I want to ____ duration of ____ scheduled ____.

For how many hours or days ____ we ____ a ____ of ____ network service ____ ?

How ____ does ____ take ____ maintenance to ____ electricity provision in ____ ?

The duration of ____ planned ____ our ____ supply.

_____ maintenance near _____ last _____ time.

_____ maintenance _____ my place _____?

How long _____ the area's _____ following scheduled _____?

Do you _____ how _____ this _____ our power?

What _____ the duration of _____ is _____ to affect _____ electrical _____?

_____ is _____ expected duration _____ planned _____ affect power distribution?

_____ long _____ it _____ local _____ maintenance is complete?

How _____ will the scheduled _____ be _____ area?

I _____ know _____ repairs _____ our region's access _____ power.

_____ to know _____ maintenance notice and its effect _____ supplying our neighborhood with electric _____.

_____ long _____ we _____ the planned power _____ to _____?

_____ you _____ will take _____ finish the electrical work?

_____ long is the _____ frame _____ repairs in _____?

What _____ that will affect our electrical service?

Our local _____ is going _____ be _____ by _____ maintenance.

_____ will it take for _____ scheduled _____ affect electricity _____ our _____?

_____ like _____ know the _____ timelines _____ maintenance notice and its effect _____ with electric _____.

What _____ anticipated _____ planned maintenance _____ will affect _____ in our region?

How long will it _____ electrical _____?

_____ the scheduled maintenance _____ affect _____ availability here?

_____ long is _____ upcoming _____ is _____ to affect _____ electrical _____?

What _____ the _____ for _____ that will affect our _____ supply?

How long is _____ our _____?

How _____ the _____ affecting our _____ supply?

How _____ take _____ local _____ maintenance _____ be complete?

How _____ I expect _____ of reliable _____ to last?

We don't know how long _____ take.

_____ us when this planned _____ affect _____ power supply?

How long do _____ expect scheduled maintenance _____?

Length _____ completion of local _____?

Did you _____ how long _____ impact the power _____ your _____?

_____ will _____ planned maintenance do _____ energy _____?

_____ maintenance _____ our _____ supply for _____?

How _____ can we anticipate the _____ to _____?

_____ don't know _____ extensive the _____ disruption will _____ the _____ action.

_____ long will it take _____ electricity _____ be _____?

_____ will this _____ keep messing _____ supply?

How _____ we _____ power repairs to _____?

_____ frame will _____ scheduled _____ affect the electricity _____?

_____ long _____ take to _____ the _____ maintenance affecting _____ electricity _____?

_____ much _____ the scheduled _____ work take?

How _____ will this _____ the _____?

I _____ like _____ timelines are for _____ particularly _____ on supplying our _____ with electric power.

_____ long will _____ take _____ maintenance _____ messed up our _____?

_____ much _____ is required _____ electrical infrastructure _____ may _____ us?

What _____ a _____ time _____ for completion of _____ essential _____?

How long is _____ scheduled _____ to _____?

_____ an _____ how _____ it _____ take _____ fix the electrical system?

_____ a _____ frame _____ repairs for our _____?

What _____ will affect the _____ grid _____?

Is _____ estimated _____ for _____ maintenance _____ that _____ impact _____ power supply?

How _____ does _____ scheduled _____ to hurt our _____ supply _____?

_____ expected _____ for _____ disruption maintenance in our _____?

_____ is _____ going to take _____ fix _____ electric _____?

Can _____ tell me how _____ to fix our _____ supply?

How _____ will _____ supply area _____ affected by _____?

There is a _____ electricity _____

How _____ a scheduled _____ to take?

What _____ time frame _____ electrical repairs _____ area?

The _____ for _____ maintenance _____ affect _____ local electrical _____ service.

_____ long will _____ upcoming _____ change our _____?

Were _____ able to tell _____ how many _____ days _____ be _____ for the _____ suspension?

How _____ this _____ electricity _____ last?

_____ length of _____ maintenance will _____ our _____ electrical _____.

How _____ can _____ expect _____ repairs _____ take?

_____ will _____ take to _____ the _____ this area?

The electric _____ in _____ area _____ maintenance work.

Is power _____ place last?

_____ will _____ to _____ our electric supply?

_____ long _____ to complete _____ electric supply adjustments within _____ area?

_____ until completion of _____ grid _____?

Will you _____ on _____ long it will take _____ the _____?

What is the _____ length _____ that will affect _____?

How _____ planned _____ our _____ supply?

_____ long will _____ electric _____ interrupted _____ maintenance work?

Can we _____ electric _____ to be _____ a long _____?

_____ time _____ for _____ repairs?

_____ to know _____ network service suspension will last.

Is _____ an estimate _____ how _____ disruption _____ last?

_____ time _____ local _____ maintenance?

_____ do _____ expect the scheduled power outage _____?

_____ be a _____ for electrical _____?

How long can we _____ affect _____ supply?

_____ scheduled _____ going to _____ with the _____.

_____ long _____ the maintenance affect _____?

What time period _____ affect the electricity _____?

Will the scheduled maintenance _____ supply _____ long?

Will there be _____ estimation _____ the duration _____?

_____ take _____ the _____ supply _____ this region to be interrupted?

What time can _____ expect _____ repair _____?

How much _____ is _____ for _____ infrastructure _____ that _____ affect _____ locally?

I don't _____ when electricity _____ will _____ these _____.

The length of _____ maintenance _____ impact our _____.

How long _____ the electricity _____?

The _____ planned outage _____ electricity service?

_____ long will _____ power grid _____ affected _____ maintenance?

_____ maintenance _____ power distribution in our region?

How _____ will _____ for _____ supply adjustments _____ be _____ within _____ vicinity?

How _____ will _____ supply be disrupted _____?

What _____ of upcoming _____ that _____ going to _____ our _____ grid?

What is _____ upcoming _____ our region's power supply?

Are _____ aware of _____ extensive the _____ of _____ service action?

_____ don't know _____ disruption will last.

_____ is the expected _____ frame for _____ upcoming _____ supply?

_____ take _____ maintenance to affect our electricity?

_____ will the scheduled _____ take?

_____ the planned maintenance will _____ power _____ in _____ region.

Will _____ our local power supply _____ how _____ will _____ take?

How long _____ it take _____ repairs _____ our _____?

Please _____ estimated _____ for the _____ that will affect our _____.

_____ long will _____ power _____ near _____?

What _____ extent of the _____ disruption _____ will be _____ routine _____?

_____ long can the scheduled _____?

How long _____ it take _____ maintenance _____ ruin _____ power?

_____ the _____ span for _____ maintenance to _____ our power _____.

_____ is _____ upcoming maintenance that _____ our electrical _____?

Do _____ long it will _____ in this area?

_____ frame _____ repairs in _____ area?

Is there _____ time _____ local grid _____ complete?

How _____ we _____ the _____ supply _____ affected by maintenance _____?

I would like _____ long _____ planned _____ would last.

_____ duration _____ could affect our energy _____.

How _____ it take for _____ repairs _____ our local _____ supply _____?

We don't know _____ long this _____ last.

How _____ the _____ electricity _____ last?

_____ long is the planned maintenance _____ will _____?

How _____ electricity be _____ by _____ scheduled maintenance?

Will _____ an estimate _____ how _____ electrical work will _____?

How long _____ it going to take _____ ruin _____?

_____ wonder how _____ generator _____ would _____ access to power.

We _____ long _____ power repair _____ will take.

I would _____ to know the _____ maintenance notices, particularly their _____ on supplying _____ neighborhood _____.

_____ is _____ duration _____ the upcoming work _____ electrical grid?

How _____ scheduled maintenance _____ messed up our electricity?

We _____ know how _____ this _____ will last.

Is _____ expected duration of _____ our _____ supply?

How long will _____ take _____ fix the _____?

_____ upcoming maintenance affect our _____ supply _____ how long _____ it _____?

_____ duration _____ maintenance _____ affect power distribution in the area?

_____ the planned outage for _____ electricity service?

_____ long _____ take for our _____ messed up?

_____ will our _____ be disrupted by the _____?

_____ the duration _____ the _____ on _____ electricity service?

How _____ will the _____ be _____ supply?

_____ long _____ the _____ Outage _____ to take?

What _____ duration _____ the planned _____ the power distribution?

_____ much _____ will _____ take for _____ maintenance?

_____ our _____ going _____ be disrupted?

_____ long does _____ scheduled power _____?

What _____ the planned _____ electricity supply in our _____?

What ____ the ____ of the maintenance ____ the ____?
 ____ is the expected ____ of ____ upcoming maintenance ____ is ____ to ____ electrical ____?
 ____ the ____ affecting ____ electricity supply ____ will last?
 How long will ____ take ____ the ____ electricity supply?
 ____ is ____ of ____ maintenance ____ will affect ____ electrical grid?
 How ____ plan for ____ interruption ____ electric service?
 I ____ when ____ electricity ____ finish.
 ____ long ____ the upcoming maintenance ____ our ____?
 How ____ time ____ it take ____ fix ____ issue?
 How ____ electric supply be ____ maintenance work?
 Do you ____ and how ____ will affect ____ supply?
 How much time will ____ power?
 ____ you ____ me ____ estimate ____ duration ____ this power disruption?
 Does anyone ____ power disruption will be due to ____?
 Will ____ be ____ how ____ planned ____ supply disruption will last?
 ____ power distribution in ____ will be affected ____ planned ____.
 ____ you ____ an estimate ____ it will ____ before the electrical ____ is ____?
 ____ anticipated ____ the ____ outage is not ____.
 ____ long will ____ power to ____ restored following scheduled upkeep?
 ____ there an ____ for power ____ our ____?
 What will ____ planned ____ do ____ our ____?
 How ____ maintenance take to fix ____ supply?
 Will ____ let us know how ____ to finish ____ maintenance ____ our ____?
 ____ love to ____ generator ____ would affect our ____ access to ____.
 ____ long will ____ the ____ electrical repairs in this ____?
 ____ will ____ take to ____ supply adjustments within our ____?
 The scheduled ____ is ____ to ____ power.
 The duration of the planned ____ electricity ____.
 ____ long will the ____ maintenance on ____ electricity ____?
 How long ____ the ____ maintenance ____ up ____ electricity?
 The ____ in ____ is going to ____ affected ____ the ____ maintenance.
 ____ long is ____ infrastructure upkeep that may ____ us?
 I ____ to know ____ electricity ____ will ____ round ____ parts.
 ____ know ____ will take to impact ____ provision in our ____.
 How much ____ the ____ infrastructure that ____ affect us locally?
 How long ____ the ____ power ____?
 How ____ for the scheduled power ____?
 Will ____ scheduled power ____?
 ____ would ____ to ____ how ____ hours ____ days should ____ ourselves because of the ____ network ____.
 ____ it ____ electrical repairs to affect ____ region?
 ____ know ____ estimated ____ for the maintenance period impacting ____ supply.
 ____ maintenance will affect ____ electricity supply ____ locale.
 This ____ maintenance will ____ power ____ the ____.
 For electrical ____ region?
 What is ____ duration ____ upcoming ____ that will ____ the ____ grid?
 ____ will ____ electricity maintenance ____?
 How long will it ____ of ____ maintenance?
 ____ time is ____ electrical ____ that might affect us?
 ____ would ____ to know ____ span for ____ maintenance period ____ supply.
 Time ____ for ____ our region?

_____ will _____ power maintenance _____?

_____ long _____ scheduled _____ in _____ supply area _____ last?

How long will it _____ maintenance to _____ electricity _____?

_____ you _____ an _____ on how _____ the electrical _____ will _____?

Our electricity supply _____ will _____ by _____ upcoming maintenance.

_____ time frame _____ electric repairs?

Will _____ upcoming _____ affect our local _____ and _____?

Were you _____ to _____ the number _____ days we _____ prepare ourselves _____ network service suspension?

_____ will the _____ affect our electric _____?

_____ there _____ on the duration _____ power disruption?

_____ estimate of how _____ it _____ take _____ the electrical maintenance?

_____ do not _____ how long _____ electricity _____ will _____.

Can _____ when this maintenance will _____ the local _____?

_____ long _____ expect _____ my electricity service to be?

Can you _____ us how _____ the _____ network _____ last?

The _____ will take a _____.

_____ you give an estimate _____ how long _____ take _____ electrical _____?

The time _____ our area?

_____ is the _____ for _____ maintenance that will affect _____?

_____ know the _____ regarding utility maintenance notice _____ the effect on _____ neighborhood with _____ power.

How _____ time can _____ the electric _____ to _____?

_____ maintenance affect _____ electricity supply?

How _____ the electric _____ disrupted _____ repairs?

We need to know _____ estimated _____ the _____ that _____ our _____.

What _____ frame _____ electrical repairs?

_____ frame for electrical _____ is _____ region.

How _____ does _____ take _____ repairs _____ in our region?

_____ long will _____ upcoming maintenance _____ local _____ and when?

How _____ this maintenance _____ electricity?

The duration _____ planned _____ will _____ energy supply.

_____ timeframe for _____ of _____ electric _____ adjustments within our vicinity?

_____ long will the _____ disruption _____?

Can _____ tell us _____ and _____ maintenance will _____ supply?

_____ time _____ power repair _____ take?

What is the _____ time for _____ our _____?

_____ electric supply be affected _____?

_____ estimated span _____ the _____ that will affect our _____ power _____?

Our _____ will _____ by the upcoming maintenance.

_____ long will it take for _____ be _____?

What _____ frame will _____ planned maintenance have _____?

_____ maintenance affecting our electricity _____ last _____ while?

Do _____ know _____ it would take to _____ upkeep?

_____ will it _____ our electric supply?

There _____ be _____ affecting _____ electricity supply _____ the _____.

_____ long _____ we _____ work on our _____ supply?

_____ disruption _____ will be done _____.

I am wondering _____ long _____ will _____.

How _____ will _____ problems _____?

_____ this upcoming _____ our _____ supply and how long _____ last?

How long _____ the _____ electricity _____ area expected to _____?

_____ is the _____ the _____ maintenance on _____ electrical _____?
 _____ is scheduled _____ for _____ area.
 Will this _____ maintenance affect the _____ the _____?
 Our electricity _____ in the locale _____ be _____ maintenance.
 What _____ expected _____ power outage?
 There _____ caused by _____ maintenance work.
 How _____ is _____ for _____ maintenance to mess up _____?
 How _____ is _____ scheduled _____ outage _____ be?
 How _____ the _____ outage on _____ electricity _____?
 How _____ would _____ take _____ maintenance to affect _____ grid?
 What _____ of _____ that _____ our energy supply?
 _____ long is this _____ take to _____ power _____ area?
 _____ will this maintenance mess _____?
 _____ long _____ upcoming _____ affect _____ electricity service?
 Do _____ know when _____ upcoming maintenance _____ the _____ supply?
 Do you _____ much time _____ required _____ fix _____ infrastructure?
 How long _____ scheduled _____ provision?
 _____ electricity supply will _____ a _____.
 _____ for _____ repairs to _____ region?
 What _____ likely _____ for the completion _____ in our vicinity?
 How _____ does _____ repairs _____ for _____ supply junctions?
 _____ long _____ electric _____ a locality?
 _____ long _____ this maintenance _____ power?
 Do _____ how much _____ needed _____ electrical infrastructure _____ in _____ area?
 _____ the _____ maintenance _____ power _____ and how long _____ it _____?
 _____ going to _____ our power.
 What _____ will the _____ electricity supply area?
 _____ long should we be prepared for _____ impact _____?
 _____ maintenance in the _____?
 What is _____ duration for _____ that _____ our electrical _____?
 How long should scheduled _____ for in _____?
 _____ you know how _____ disruption will _____?
 _____ long will _____ for our local _____ grid _____ fixed?
 I'm _____ about _____ timelines regarding utility maintenance notice, _____ effect _____ neighborhood _____ power.
 Let _____ long the maintenance _____ last in _____ power supply.
 The upcoming _____ affect _____ supply in _____ area.
 _____ tell _____ how _____ until our area's power _____?
 We'd like to _____ span for _____ maintenance period _____ power supply.
 How _____ we going _____ have _____ with _____ electricity?
 _____ is this _____ maintenance _____ affect our electrical _____?
 _____ the projected duration _____ the work _____ the electricity _____?
 _____ an estimate _____ it will _____ to finish _____ work in _____ area?
 _____ the maintenance that _____ interrupt our electricity supply?
 _____ will it take _____ disruptions maintenance in _____?
 How _____ will _____ finish _____ electrical maintenance?
 Should _____ any changes to my access _____ electricity _____ the _____?
 _____ time does the _____ repair _____?
 We need to _____ how _____ power repair _____.
 Approximate time until _____ grid _____?
 Should I _____ my _____ to _____ the _____ area-wide maintenances?

____ for ____ repairs ____ our ____?
 ____ region's ____ supply is ____ to ____ by the upcoming ____.
 Can ____ tell me ____ until ____ is restored?
 The ____ power ____ will take ____.
 What's ____ of ____ maintenance ____ will interrupt ____ electricity ____?
 How long ____ maintenance ____ our power ____?
 ____ long will ____ take ____?
 Do I ____ to expect any changes ____ my ____ area-wide ____?
 How ____ the ____ our electricity service?
 Do ____ of a ____ outage?
 ____ much ____ will the scheduled maintenance ____ availability ____?
 ____ would ____ to know ____ reported timelines regarding utility maintenance ____ and ____ on supplying our ____.
 ____ the ____ frame ____ electric repairs?
 ____ long ____ it ____ for ____ upcoming maintenance to affect ____?
 The scheduled maintenance ____.
 What ____ the work timetable of electric ____?
 ____ duration of ____ energy supply.
 ____ extent of the ____ disruption due to routine ____?
 How long ____ take ____ finish ____ planned electrical work ____?
 The duration ____ maintenance will ____ our ____.
 Will the power maintenance ____ long time?
 ____ there ____ estimate ____ the duration of ____ power ____?
 Do we ____ power ____ be due ____ routine service actions?
 How ____ do we ____ to ____ disrupted by maintenance ____?
 ____ long will ____ local grid maintenance is ____?
 Let ____ how long ____ maintenance period ____ for ____ supply.
 What is ____ time ____ for this ____ to ____ our ____?
 Will power ____ my ____?
 How long will our ____ by ____?
 ____ time frame for completion of the ____ supply adjustments ____?
 I ____ to know the reported timelines ____ maintenance notice and ____ our ____ electric power.
 How ____ should ____ for my ____ service ____ be ____?
 ____ long will scheduled ____ affect electricity ____ the ____?
 What will ____ supply during the planned ____?
 How ____ power ____ affected by ____ maintenance?
 ____ is ____ to mess ____ the power in ____.
 Do you ____ it ____ to ____ the electrical ____ may affect ____?
 Is there an ____ of this power ____?
 Is a ____ frame for electrical ____?
 We would ____ hours or ____ we should ____ ourselves ____ a result ____ electricity ____ service suspension.
 How ____ will our power ____ be affected ____?
 How long ____ it ____ this scheduled maintenance ____ messed ____?
 ____ many ____ we ____ power repair work ____ take?
 How much time might ____ scheduled maintenance ____?
 How long ____ take to impact ____ in ____?
 ____ disrupted ____ this scheduled maintenance?
 ____ you know ____ long it ____ to ____ the ____ upkeep?
 Maintenance work ____ our ____ electric ____.
 What ____ duration of ____ upcoming maintenance ____ is ____ our electrical grid?

What's ____ period of ____ in ____?
 How ____ scheduled ____ repair ____ take?
 How ____ will it take ____ the ____ affect our ____?
 The ____ of locality's electric _____.
 ____ there a ____ repairs ____ affect our region?
 The ____ of planned maintenance ____ the local _____.
 Do you have ____ of ____ take ____ complete the ____ work?
 How ____ scheduled ____ to ruin ____ power?
 ____ will ____ to fix the electricity ____ in this ____?
 Do ____ know ____ long the power ____?
 Can you ____ an ____ on the ____ power ____?
 ____ region's ____ will be impacted ____ the upcoming _____.
 How ____ will ____ maintenance ____ power?
 ____ long will the ____ supply be ____ by ____?
 How ____ do ____ think ____ maintenance will affect our ____?
 How long ____ it last ____ scheduled repairs ____ supply ____?
 What ____ your ____ how ____ will take to fix electricity ____?
 ____ the ____ frame for ____ upcoming work ____ the electricity ____?
 ____ will it ____ for local electricity ____ out?
 We need ____ know ____ long ____ period ____ power supply.
 ____ long ____ take to ____ the electrical issues ____ locality?
 ____ will this upcoming ____ take ____ when ____ affect our ____ supply?
 How ____ time ____ scheduled power ____ work ____?
 ____ long ____ power ____ last?
 Do you ____ long it ____ to finish the ____?
 How long ____ last?
 Is there ____ idea of how ____ the power ____ will ____ routine ____?
 The ____ affect ____ availability here.
 ____ do ____ how ____ this planned electricity supply disruption _____.
 Is ____ a ____ electrical ____ to our region?
 ____ long will the ____ maintenance affect ____?
 ____ is the maintenance ____ the ____?
 How ____ on ____ interruption in my electricity service?
 ____ long will it take ____ complete the ____ area?
 Let ____ know how long the electricity ____ last so _____.
 ____ is the ____ repairs?
 ____ does this ____ ruin our ____?
 Can ____ you the extent of the ____ disruption ____ action?
 Do ____ how much ____ required to complete electrical ____ affect us?
 The ____ of ____ planned maintenance ____ affect ____ supply.
 ____ the ____ affecting ____ electricity supply ____ last ____ long time?
 We're ____ have ____ on our _____.
 ____ know ____ it ____ for ____ to complete the current ____ infrastructure upkeep?
 How long ____ mess with ____?
 Electricity supply in ____ be disrupted by _____.
 We ____ interested in knowing the estimated ____ the ____ impacting _____.
 ____ long ____ downtime ____ electricity supply?
 How long is ____ for scheduled repairs to ____ electricity ____?
 ____ long ____ it take to ____ the electricity ____ in ____?
 ____ long will ____ before ____ undisturbed source of electricity ____ this ____ event?

_____ will our power _____ by upcoming maintenance?

The local _____ grid _____ will _____ by the _____ of _____.

How long will we have _____?

What _____ duration _____ the _____ maintenance that will _____ the region?

_____ much _____ should _____ expect the scheduled _____ work to _____?

_____ will planned _____ electricity?

_____ is the projected _____ maintenance _____ will _____ our electrical grid?

We need to _____ span _____ the maintenance _____ affect _____ supply.

_____ we know _____ long _____ electricity _____ disruption will _____?

_____ will _____ power _____ last?

The _____ supply in _____ region _____ interrupted _____.

What _____ be _____ duration _____ that will affect our electrical _____?

_____ give _____ estimate of how _____ take for the electrical _____ done?

_____ this going _____ our electricity?

How _____ does _____ take _____ aid our _____ electricity supply junctions?

When will _____ maintenance affect _____ supply and _____?

There _____ maintenance near _____ place over _____.

What is the projected _____ for _____ grid?

_____ long _____ our _____ be _____ by _____?

_____ power _____ end due to ongoing _____ work?

How _____ electrical _____ last?

_____ frame _____ repairs _____ our region?

Will _____ maintenance _____ power supply?

_____ local electrical grid is going to _____ upcoming _____.

We _____ to _____ the estimated _____ period affecting our _____ supply.

_____ long _____ we _____ scheduled _____ to _____ electricity?

_____ is the _____ frame for _____?

_____ the _____ affect electricity _____ this area?

How long will the _____.

We need _____ the _____ span for _____ maintenance _____ affect _____ supply.

_____ is it _____ to take _____ electric _____ to _____ fixed?

How long will _____ bother _____?

Is the length _____ on electricity _____?

_____ lasts _____ long for scheduled repairs _____ hamper _____ local electricity _____.

_____ this planned _____ supply _____ last?

Could _____ tell us _____ maintenance _____ is going to _____?

We don't know how _____ this _____ supply _____.

_____ the planned maintenance _____ the electricity supply?

_____ will power maintenance _____?

_____ long will _____ take for _____ maintenance _____ impact _____ area?

_____ we _____ be affected for a long time?

What _____ time _____ scheduled maintenance affect _____ electricity _____?

_____ duration of _____ planned maintenance _____ will _____ power _____?

What _____ frame _____ for electrical _____?

The _____ maintenance _____ to _____ our power _____.

_____ the maintenance affect _____ electricity supply?

What _____ time _____ the _____ maintenance that is messing up _____?

_____ want to _____ extensive the power disruption _____ be _____ to _____.

How long is _____ us to _____ electricity?

The _____ maintenance _____ supply in our _____.

How _____ last in the electricity supply _____?

Do _____ know how _____ planned electricity _____ disruptions _____?

How long do you _____?

With these _____ repairs happening around _____ how _____ we _____ electrical _____?

_____ power _____ by scheduled maintenance?

How long will _____ take for _____ electrical _____ service?

What _____ will this _____ affect _____ power _____?

_____ affect _____ power supply and _____ long will it last?

_____ to know how many hours _____ days _____ prepare _____ of _____ electricity _____ service suspension.

_____ is _____ our electricity supply area.

There _____ expected _____ for _____ maintenance affecting our electricity supply _____.

How _____ time is _____ to maintain _____ infrastructure _____ us?

_____ will _____ supply be affected by _____?

What _____ the expected _____ of _____ will affect _____ distribution in _____?

_____ affect the _____ supply in _____ locale.

_____ time will the _____ our _____ supply _____?

Tell us _____ for the _____ will _____ the power supply.

Is scheduled _____ going _____ our _____?

How _____ is _____ going to take _____ the _____ electrical _____ be _____?

How _____ should _____ supply be _____ by maintenance _____?

How long _____ the maintenance _____?

_____ much _____ completion of local _____ maintenance?

_____ an estimate of how long _____ to complete _____ maintenance?

_____ distribution _____ region is going _____ impacted _____ this planned _____.

_____ long _____ planned _____ affect _____ electrical _____?

Will you _____ an _____ of _____ long it _____ take _____ electrical _____ complete?

How long can _____ repair _____?

_____ how long _____ take to repair _____ this locality?

Does anyone _____ this _____ disruption?

_____ electrical repairs to our _____?

_____ this _____ maintenance affect _____ energy supply?

What _____ the _____ duration _____ the planned _____ impact power _____ in _____ region?

Are _____ the duration _____ this power disruption?

_____ give an estimate of _____ long it _____ before _____ is _____?

_____ is _____ work _____ electric repairs in a _____?

How long _____ locality's _____?

_____ time _____ to affect power availability here?

_____ affect our electricity _____ for long?

_____ like to know _____ the timelines for _____ maintenance _____ and _____ effect _____ neighborhood with _____ power.

_____ the power _____ my place _____?

How _____ is _____ power outage _____?

The area's _____ to be _____ by the scheduled _____.

_____ long does _____ maintenance _____ our _____ supply _____?

_____ you know _____ and _____ this will _____ power _____?

_____ long will this _____ last?

Can _____ tell us _____ electricity network service suspension _____?

We _____ this planned electricity supply interruption _____.

_____ expected _____ of the _____ that will _____ the electrical _____?

How _____ the maintenance _____ service?

_____ will _____ maintenance _____ our electricity?

The ____ will ____ our ____.

____ there an idea ____ how much ____ will ____?

____ there ____ a power loss?

____ do ____ expect ____ power repair work ____ take?

I would like ____ reported timelines regarding ____ maintenance ____ particularly ____ on ____ neighborhood with electric ____.

____ the work ____ electric repairs ____ locality?

How long will ____ power supply, ____ when?

____ to know ____ generator repairs would affect our region's access ____.

____ you know how long ____ takes ____ infrastructure ____ our area?

We don't ____ how long ____ planned electricity ____ is ____.

What is ____ length ____ maintenance ____ will affect the ____ grid?

Let ____ know how ____ hours or days ____ should ____ ourselves ____ this ____ service suspension.

____ you ____ how ____ time is required ____ complete electrical ____ your ____?

How long ____ maintenance last for ____ supply ____?

How much longer until ____ area's ____ maintenance?

____ there ____ on ____ long ____ power disruption ____ take?

____ long is expected ____ power ____ be ____?

____ will the ____ affecting our electricity ____ last?

____ until the ____ is repaired?

Our ____ this region will ____ interrupted by ____.

Can ____ tell ____ of the ____ power disruption?

____ expected duration ____ the upcoming maintenance ____ will ____ the local ____?

____ repairs ____ our ____
