

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Network connectivity and signal issues
Inquiry Sub-Category	Weak signal strength
Description	Customers encountering weak or fluctuating signal reception, causing dropped calls, poor call quality, or reduced data speeds.
Data Size	5,469 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

____ there ____ known ____ outages or maintenance ____ could be causing ____ ____ ?
____ temporary connection ____ caused by ____ .
____ there ____ or scheduled maintenance that ____ causing signal ____ please ____ .
____ tell ____ if ____ intermittent signal problems caused ____ on the network.
____ it ____ there are known ____ problems due to ____ or ____ ?
Is ____ any network-related outages ____ connections intermittently?
____ known outages ____ signal ____ ?
____ network-related ____ could ____ connections?
Is ____ problem ____ the network ____ intermittent signal problems.
____ might ____ signals to ____ .
Can ____ me ____ there are known ____ maintenance that ____ intermittent ____ .
____ network disruptions due ____ inconsistent signals?
Network ____ affect ____ issues?
network problems ____ maintenance ____ ?
There ____ be problems with ____ network ____ be ____ issues.
Are ____ affecting signal?
Are you aware ____ signal?
____ of signal ____ the outages or maintenance?
Network ____ signals?
Is there an ____ disruption ____ that may interfere ____ signal ____ ?
There ____ issues ____ signals.
____ any maintenance ____ affect ____ ?
If ____ are ____ known disruptions ____ maintenance that ____ be ____ issues, ____ confirm.
____ any ____ affecting signals?
Is it ____ that network faults ____ to ____ hiccup ____ ?
____ there any ____ downtime ____ problems?
Is there ____ network issue ____ ?
We should ____ into ____ network downtime ____ be ____ .
Do any known ____ affect ____ ?
____ there ____ that ____ intermittent signals?

Can you tell _____ down _____ maintenance or if there _____ signal problems?
 _____ to fluctuations _____ signals?

Network issues due _____?

Is the _____ problem _____ issue or _____?

Is _____ any network-related _____ cause _____ connections?

Are there _____ signal problems caused _____ outages?
 _____ activities _____ and signal quality?

Is _____ a network _____ that _____ with _____?
 _____ there any _____ signal _____?

Is _____ possible _____ intermittent signal problems that are _____ by _____ outages _____?

Is temporary connection _____ maintenance _____?

Network problems _____ signals?

Any known _____ impacting _____?
 _____ problems _____ be caused _____ network down _____ under _____.
 _____ any network _____ inconsistent signals?

Should _____ into _____ network downtime could _____ errors.
 _____ is _____ or _____ maintenance is _____ for the signal issues.

Is _____ reported network _____ intermittent _____?

Can you tell me if _____ disruptions that _____ to _____ issues?

Is there any _____ be causing _____ issues?
 _____ there _____ outage _____ maintenance that could _____ messing _____?

Is there any _____ that may _____ causing _____?
 _____ messed _____ by maintenance?

Do _____ maintenance _____ outages _____ signal _____?

Does any _____ work _____?
 _____ you _____ of _____ ongoing _____ disruption?

_____ aware of _____ network _____ enhancements _____ could interfere _____ signals?
 _____ are _____ network issues _____ causing signal _____.

There _____ maintenance problems _____ could be _____ signals?
 _____ are any known _____ disruptions that _____ intermittent _____ issues?
 _____ faults _____ tasks may _____ to signal _____ hiccup _____.
 _____ network downtime affecting intermittent _____?

Signals are _____ or maintenance.

Network issues _____ could _____ signal _____.
 _____ are _____ that could _____ signal _____.

Can _____ me if there are _____ interruptions related _____?
 _____ network _____ could cause intermittent signal problems?

Is there any network _____ that _____ service?
 _____ due to network _____?

_____ there _____ by _____ maintenance?

Do _____ have _____ network troubles _____ mess _____?

Network troubles _____ issues _____?

_____ any _____ networks that have intermittent _____?

_____ possible _____ are _____ problems with _____ network that lead to intermittent _____?

Are _____ of any _____ signals?

Are _____ or _____ with signal?
 _____ any _____ with _____ disruptions due to maintenance _____?

_____ me _____ any service interruptions _____ are linked to intermittent _____?

_____ there _____ maintenance _____ could affect signals?

Does anyone know _____ or _____?

_____ issue _____ signal interruption from _____?

Please _____ if there _____ any _____ or _____ could _____ signal issues.

Is _____ network _____ or something that _____ with _____?

Do you _____ network _____ that affect _____?

There _____ be _____ signals.

_____ network faults or _____ of on-off _____ cycles?

_____ the _____ issue caused _____ an issue with _____?

Maintenance _____ signals.

_____ know of any _____ impacting _____?

_____ anything that could _____ connections?

_____ you know _____ work _____ signals?

_____ caused _____ network issues or maintenance?

Network _____ or _____ affects _____?

Have _____ any network disruptions _____ inconsistent _____?

Do you know _____ any _____ is _____?

Is _____ possible that _____ results _____ connections now?

_____ you _____ seen _____ that were _____ to _____ signals?

_____ the signals _____ of _____?

Is the signal _____ hiccup cycles due _____?

There _____ network _____ that _____ causing _____ signals.

There are _____ network _____ that _____ poor connections.

Are _____ aware of _____ work _____?

_____ there _____ problems _____ could cause a problem _____?

Is there a signal _____ off _____ network _____ or _____?

_____ there an _____ with the _____ that _____ issues?

Some signal _____ be _____ network _____.

Is _____ ongoing _____ affecting _____ issues?

_____ know _____ are known _____ maintenance _____ could be causing signal issues.

_____ you _____ disrupting network and _____ quality?

Is there _____ be causing intermittent _____ issues?

_____ be a result _____ maintenance actions.

_____ it _____ known _____ signal problems due to _____ on the _____?

_____ issue _____ signal interruptions _____ maintenance?

Is _____ network downtimes _____ that could cause _____ issues?

_____ known repairs affect _____.

Is _____ any network _____ might be causing _____?

_____ ongoing _____ causing _____ signals?

_____ there known _____ issues _____.

_____ me _____ disruptions or scheduled _____ that are causing _____ issues.

Notices of _____ impacting _____ signal _____?

_____ faults _____ might lead to signal _____ hiccup _____.

_____ could be _____ related _____ that _____ connections intermittently.

Network _____ to known maintenance _____.

Is _____ service disruptions _____ signals?

Is _____ troubles _____ repairs?

_____ problems affecting signals.

_____ ongoing maintenance _____ causing erratic _____?

_____ known failures affect _____?

If there _____ known disruptions or _____ maintenance _____ signal _____ please _____ me _____.

Is there a _____ related _____ that _____ connections?

_____ or maintenance _____ signals?

Are _____ aware of _____ is _____ signals?

Is there _____ network and _____?

_____ you _____ if _____ network _____ intermittent signal problems?

Is this _____ troubles _____ problems?

_____ problems or maintenance _____.

signal _____ be _____ by your network _____ down or _____.

Are _____ any known _____.

_____ issues _____ maintenance _____ signal problems.

_____ there _____ network work _____ results _____ shaky connections _____?

Network downtimes _____ issues _____ reported.

_____ are any known _____ or _____ maintenance that _____ signal _____ please _____ us _____.

Is there a _____ the _____ results _____ signal problems?

_____ there _____ known _____ signals?

_____ there reported network _____ signal _____?

Network _____ are _____ causes of _____ issues.

_____ there _____ linked to _____ signals?

Are _____ problems _____ issues _____ to _____?

_____ network _____ result _____ connections now?

_____ are signal _____ due _____ problems?

_____ network issue that causes the _____ signal _____?

Is _____ a _____ network resulting in intermittent _____ problems?

_____ there _____ signals _____ impacted _____ maintenance?

_____ there _____ impacting signals?

_____ you _____ any network troubles or _____?

Is there _____ noticeable network _____ or _____ that _____ cycles?

_____ any work _____ affects signals?

There _____ issues that could be _____ by _____.

Did _____ that _____ have been any _____ lately?

_____ problems could be causing signal _____ any.

_____ under _____ is _____ signal problems?

There _____ any _____ signal interruptions from outages _____.

_____ network _____ that _____ poor connections?

The signals _____ due _____ maintenance.

_____ or _____ affect signals?

_____ you _____ of _____ disruptions that _____ with signal disruptions?

Network _____ and _____ are _____.

Does any _____ downtime affect _____?

To confirm _____ there _____ any known disruptions _____ that _____ be _____ signal _____.

_____ there any network problems _____ are _____.

Is there any network issues _____ signal _____?

_____ any _____ result _____ unreliable _____ now?

Network _____ tasks _____ lead _____ hiccup cycles.

Is _____ signal problem _____ to _____ on _____ network?

_____ there _____ network issues _____ with _____?

Is _____ issue _____ signal interruption _____ maintenance _____ outages?

_____ signals _____ be _____ to _____ in _____ network

_____ network _____ that cause signal _____?

_____ disruptions _____ be _____ for intermittent _____.

_____ there any _____ network _____ could _____ intermittent signal _____?

Do ____ known maintenance ____ ____ ?
____ issues ____ with ____ ?
____ your ____ ____ down because ____ maintenance?
Do ____ ____ any ____ ____ signal lately?
____ network ____ problems ____ could ____ poor ____ intermittently?
____ could potentially ____ to ____ for ____ signals.
____ the intermittent signal ____ to ____ issue
Did any network ____ ?
____ fault ____ tasks may lead ____ signal on-off ____ .
____ or ____ could be ____ issues.
Is ____ ____ due ____ maintenance?
Notice ____ known ____ signal performance?
Is ____ signal ____ due to ____ ?
____ known maintenance ____ ?
____ problems?
____ ____ if ____ ____ with the network that result in intermittent signal ____ ?
Is there any ____ issues ____ with signal?
Notices ____ outages impacting sporadic ____ ?
____ network downtimes ____ poor connections?
____ are ____ problems that could ____ issues.
____ the signal issues ____ by ____ ?
____ any ____ signals ____ you're aware of?
____ me if there ____ problems ____ the network.
There may ____ signal issues.
Are there ____ that ____ related ____ ?
Are ____ that ____ signals?
____ network disruptions linked to ____ ?
Any ____ bothering signals?
____ might affect signals.
____ any known disruptions ____ scheduled maintenance ____ could ____ signal issues, ____ tell ____ .
____ tasks ____ signal on-off hiccup cycles?
There are ____ or fixing ____ ?
____ tasks may lead to ____ hiccup ____ .
____ you ____ any ongoing network disruptions ____ enhancements ____ might ____ with ____ ?
____ that there ____ known outages ____ that affect the network and cause ____ ____ ?
Please tell me if ____ are any known ____ signal issues.
intermittent signals ____ be ____ disruptions ____ network
Is there ____ lately?
Network ____ be ____ to ____ actions.
____ service ____ the signals?
____ network ____ lead ____ bad connections?
____ maintenance ____ be ____ signal issues.
Is there any downtime ____ up ____ ?
Is signal ____ caused ____ or ____ ?
____ signals impacted ____ maintenance?
____ you heard of ____ signal?
Network issues ____ signals?
Are ____ known ____ impacting ____ ?
____ there ____ known disruptions or scheduled ____ can cause ____ ____ tell me.
____ you ____ if ____ any problems ____ signals?

Do you know _____ are any _____ maintenance that could _____ issues?

Is there any problem _____ network _____?

What network _____ intermittent _____?

_____ could _____ problems _____ cause signal _____.

_____ tell me _____ problems affecting the network?

_____ are _____ network problems _____ problems _____?

Maintenance tasks _____ temporary _____.

Are there _____ that are _____ intermittent signal _____?

_____ there a _____ on-off hiccup cycles _____ of _____?

Is _____ intermittent _____ problem _____ to _____ issues?

_____ or maintenance can _____ causing _____.

_____ maintenance _____ causing _____ signals?

Are _____ currently facing occasional _____ due to _____?

Are there _____ that could cause _____?

_____ problems and maintenance _____.

_____ you seen _____ network _____ to unreliable _____?

Is the _____ signal problem caused _____ issue or _____?

Are there known _____ network _____ to intermittent _____ problems?

Are _____ times _____ an _____ on _____?

_____ or maintenance _____ cause _____.

_____ problems and _____ are _____ to cause _____.

_____ be _____ to maintenance actions.

Are _____ issues _____ on maintenance _____?

_____ there _____ network _____ that _____ with _____ signal?

Network _____ to _____ actions?

_____ intermittent _____ problem due _____ network issue?

_____ any _____ affecting _____ signals?

Is there any _____ signal _____?

_____ there are any _____ disruptions _____ that can cause signal _____.

The _____ signal _____ be _____ a network issue.

Are there ongoing _____ or _____ enhancements that _____ occasional signal _____?

Network _____ or maintenance _____.

_____ messing with my service?

There _____ network _____ that mess _____?

_____ there are any _____ or _____ that _____ causing _____ issues, then _____ confirm.

Is _____ known _____ reliability?

Network _____ maintenance _____ signals.

_____ any network _____ signal _____?

_____ tell _____ if there are _____ that are _____ to intermittent connections?

Network _____ or tasks could be _____ cycles.

Are the signal _____ to _____ scheduled maintenance?

Maintenance _____ may _____ blame for _____ issues.

_____ me about any network _____ fixes?

Is _____ affecting intermittent signal _____?

_____ you _____ any _____ affecting signals?

There _____ issues _____ could be caused by _____.

Are _____ connection issues _____ maintenance _____

Is _____ signal _____ caused _____ network issue or _____?

_____ network _____ or _____?

Is _____ problem with signal interruption _____ maintenance _____?

Are _____ maintenance or outages?

Maintenance _____ why signals _____ not _____.

Any network-related _____ poor connections _____?

Is _____ a signal _____ cycles caused _____ faults?

_____ aware _____ work that could _____ signals?

_____ the _____ signal _____ because of a _____?

Network problems _____ be _____ issues.

_____ signals _____ of a _____ issue?

Network _____ be causing signal _____.

Outages impacting _____?

_____ you know _____ there are signals _____ work?

Maintenance might _____ be _____ up.

There _____ intermittent _____ any reported network _____?

_____ we _____ facing intermittent _____ due _____ maintenance actions?

Network _____ can _____ by known _____.

Network downages may _____.

_____ disruptions _____ signals?

_____ know _____ work affecting signals?

_____ there a problem of _____ from _____ maintenance?

Is it _____ an _____ is _____ the _____ issues?

Can _____ if _____ are known network _____ or if there are _____?

Do you _____ problems or _____?

Any _____ intermittent signal _____?

Are you _____ maintenance _____ signals?

_____ there _____ network-related problem that _____ cause _____?

Are _____ signal _____ maintenance or _____?

_____ are _____ that can be _____ by _____.

_____ there any _____ that _____ with _____?

_____ failures _____ to unpredictable _____?

Do _____ maintenance cause signal _____?

Are _____ impacted by _____?

_____ it _____ network issue _____ causes intermittent _____?

Some _____ problems _____ be _____ known _____ actions.

_____ could be _____ of _____ signals.

_____ you tell me _____ there _____ caused by intermittent _____?

Are _____ issues that _____ be caused _____ activities?

_____ of recent _____ impacting signal?

_____ because of network disruptions

Are you _____ any _____ could affect signals?

Is _____ intermittent signal _____ due _____ a _____?

_____ are affecting _____?

_____ it _____ that intermittent signal _____ are caused _____?

_____ be _____ disruptions _____ signals.

Any _____ problems _____ that _____ signal?

Is _____ any _____ that _____ signal _____?

Is _____ issue with _____ from _____?

_____ any _____ downages _____ intermittent signal _____?

_____ or tasks could _____ of hiccup cycles.

Network _____ maintenance causing _____?

Can _____ tell _____ if there _____ intermittent _____ problems?

Are there any known _____?

Are there _____ caused by _____?

_____ it known that _____ signal quality?

Are _____ down times _____ signal?

Some _____ may _____ screwed _____ maintenance.

Is _____ network problems _____?

Are _____ any _____ issues _____ could be _____ signals?

_____ there _____ outage that _____ up signals?

_____ network _____ result _____ poor connections _____?

_____ messed _____ due to maintenance?

_____ signal _____ because of _____ with the network?

_____ any issue _____ signal _____ maintenance?

Is there any network _____ repair _____?

Network _____ maintenance _____ signals?

Is there any _____?

There are any _____ with signal disruptions _____?

_____ network down _____ of maintenance?

Network _____ or _____ signals?

_____ intermittent signal malfunctioning _____ of an _____ with _____?

There _____ the network that could be _____ signal _____.

Do _____ know _____ disruptions that _____ interfere with _____ disruptions?

The _____ signal _____ by network downages.

_____ network downtime that _____ connections?

_____ are _____ maintenance that _____ be causing signal issues, please _____.

_____ may _____ network _____ signal issues.

_____ there _____ that _____ signals?

_____ there any _____ disruptions affecting _____?

_____ there known intermittent signal problems _____ network being _____?

Is _____ affecting the _____?

_____ any _____ intermittent signal problems?

_____ there a _____ on-off hiccup cycles _____ of network _____?

Is _____ any _____ that are affecting _____?

Is _____ issue with _____ network _____ leads to intermittent _____.

signal _____ may _____ your _____ being down.

Are there _____ that _____ issues?

Is _____ an _____ with the network _____ intermittent _____?

Can _____ me if there _____ service disruptions related _____?

_____ there _____ maintenance done _____ is breaking _____?

_____ connection issues _____ maintenance tasks?

Is there _____ network _____ or _____ that messes _____?

Is _____ network or repair _____ with _____?

There _____ faults _____ tasks _____ to on-off hiccup cycles.

_____ me about any _____ troubles _____ repairs?

Is _____ that affect signals?

_____ any _____ that could cause signals _____ messed _____?

_____ signals _____ be related _____ disruptions

Are there _____ signals?

_____ network _____ due to known _____ actions.

Are _____ by maintenance work.

Are _____ any _____ intermittent _____ problems?

Is _____ problem that _____ with _____?

_____ maintenance activities causing _____ signals.

intermittent _____ be affected _____ downages.

_____ there network disruptions _____ inconsistent _____?

_____ or _____ issues affecting signals?

Are _____ issues _____ cause _____ problems?

If _____ are any _____ or scheduled _____ that _____ periodic signal _____ please _____.

_____ of any disruptions impacting _____?

Is _____ possible that _____ issues _____ the _____ cause intermittent _____ problems?

Are there _____ signals?

Do you know _____ any _____ disruptions _____ might _____ disruptions?

Are you _____ any network disruptions _____ are interfering _____?

_____ you know about _____ maintenance _____ signals?

Have _____ disruptions _____ to inconsistent _____?

_____ down _____ causing signal problems

_____ aware of any work _____?

_____ there _____ disruptions _____ issues?

_____ on-off _____ caused by network faults or _____?

Can _____ tell me _____ is down or _____ intermittent _____ problems.

_____ any known network _____ causing _____ signal issues?

_____ problems could _____ the network being _____ or under _____.

_____ problems or _____ signal?

If there are any known disruptions _____ scheduled _____ that _____ let me _____.

_____ there _____ disruptions _____ scheduled maintenance that _____ causing signal issues, _____.

_____ down or _____ maintenance?

_____ there _____ network _____ that could cause poor _____?

_____ there signal issues _____?

Is _____ problems affecting intermittent _____?

_____ be maintenance activities that _____.

Is the intermittent _____ to _____ the network?

Are maintenance _____?

Is _____ down _____ causing problems?

Do _____ signal reliability.

Is _____ intermittent signal _____ a network _____?

Do _____ have any _____ from maintenance?

Is _____ intermittent _____ problem _____ to a _____ issue _____?

_____ failures _____ to _____ signals?

_____ glitch due _____ maintenance actions?

Network Issues _____ Maintenance _____?

Network _____ maintenance should _____ signal _____?

_____ signals might be _____ network _____.

Can you tell _____ there _____ is related to _____ issues?

Can you confirm _____ scheduled maintenance that could _____ causing _____ issues?

_____ the intermittent signal _____ due _____ a _____ or _____?

_____ network _____ maintenance _____ signal problems?

Please _____ there are known disruptions or _____ maintenance _____ be _____ signal _____.

Is it _____ are intermittent _____ to network _____?

Is _____ intermittent because of _____ problem _____ the _____?

Signal _____ may be _____ maintenance.

Is _____ network _____ that _____ signals?

_____ any _____ problems _____ signal?

Have you _____ network _____ _____ signals?

There may _____ signals.

Is it _____ that _____ signal on-off _____ cycles?

_____ you _____ we are currently _____ problems due _____ maintenance _____?

_____ any _____ maintenance that could _____ problems?

Is _____ certain activities _____ signal _____?

_____ anything _____ signal trouble?

Is _____ any work that could _____?

Can _____ tell me if _____ in _____ networks?

Are _____ aware _____ network _____ or scheduled _____ interfering _____ disruptions?

Are you aware of _____ being _____ that _____?

_____ any _____ network disruptions _____ intermittent signal issues?

Network _____ to unpredictable _____?

_____ disruptions affecting signals?

Are _____ having _____ with connection _____ to maintenance _____?

_____ affecting _____?

Network _____ cause intermittent _____ intermittent.

There _____ any known _____ that _____ be _____ intermittent signal _____.

_____ or maintenance _____?

_____ it _____ is an _____ or maintenance?

_____ any network _____ outages that _____ connections intermittently?

Are _____ facing _____ with your connection due _____?

Network _____ due _____ actions?

_____ might be _____ activities _____ erratic _____.

Any _____ issues are _____ my _____?

_____ know _____ there _____ any known _____ or maintenance that _____ be _____ issues.

Activities _____ network and _____?

_____ maintenance activities _____ erratic signals?

Is _____ an _____ of _____ maintenance?

_____ be messed _____ to maintenance.

_____ any _____ network disruptions or scheduled enhancements that _____?

_____ signals _____ because _____ maintenance?

Are _____ disrupted because _____?

_____ maintenance _____ signals?

It is _____ scheduled maintenance is behind _____ issues.

Any _____ that mess _____ signal?

_____ issues could be due _____.

_____ you _____ facing connection _____ due to _____?

Are _____ any _____ that _____ signals?

_____ network troubles or _____?

Is _____ outage or _____ maintenance _____ of these _____?

_____ if there _____ any service _____ of intermittent issues?

_____ maintenance causing _____ issues?

Are _____ any _____ affecting _____?

Can you tell _____ if _____ service _____ are related to _____?

Are _____ signals caused by _____ outages?

_____ issues or _____ be the _____ of signal _____.

Is _____ signal problem caused _____ problem?

_____ any network _____ that _____ intermittent signal _____?

_____ issues _____ maintenance _____ causing _____ issues.

If _____ any _____ maintenance _____ be _____ signal issues, please confirm.

Maintenance _____ network _____ affect _____.

_____ faults _____ tasks _____ can lead to on-off hiccup _____.

Network problems _____ signals?

_____ issues or _____ causes _____?

Network issues or _____ are _____?

Is there _____ network related outage _____ connections _____?

_____ there _____ downtime that _____ be _____ intermittent signal _____.

There _____ from outages or _____.

Can _____ tell me _____ are _____ current _____ interruptions _____ intermittent connections?

Outage or scheduled _____ could be _____.

_____ maintenance are possible.

_____ if network issues or _____ signal problems?

Is _____ the signal issues are _____ outage or scheduled _____?

Network _____ or _____ affecting _____

_____ could be network _____ causing signal _____.

_____ activity _____ be _____ erratic _____.

_____ there a known _____ with _____ that _____ signal issues?

_____ it possible _____ intermittent _____ problems _____ are known outages _____ maintenance?

What network _____ affecting _____ signal _____?

Is _____ network problem _____ causing _____ issues?

Is _____ known outages _____ that _____ in intermittent signal issues?

Network issues _____ maintenance could _____ to _____ signal _____.

_____ the signal on-off _____ fault or tasks?

_____ affecting signals

Is there _____ known _____ cause intermittent signal _____?

Network problems or _____

_____ there _____ network-related issues _____ cause _____ connections?

_____ there _____ disruptions _____ scheduled _____ that may interfere with _____ disruptions?

Is _____ affected _____ any known _____?

Is _____ affected by _____ known _____?

Can you _____ me if the network is affected _____?

_____ faults or _____ can lead to signal _____.

_____ a _____ signal disruptions from _____?

Are _____ our connection because of maintenance _____?

_____ you _____ any _____ caused by inconsistent _____?

_____ network _____ have problems _____ to _____.

_____ of ongoing _____ disruptions?

_____ wonder if intermittent _____ are _____ to _____.

Network _____ to maintenance _____?

Is _____ working due to _____?

_____ activities _____ and signal quality?

_____ network-related errors _____ could cause _____?

_____ there problems _____ signal _____ by _____?

Network _____ or _____ affect the _____.

Notice _____ known _____ signal performance.

Are there any network _____?

_____ any network _____ affect _____?

_____ disruptions that _____ intermittent signals.

____ you aware of any ____ work ____ signals?
 ____ there ____ is causing signal ____?
 ____ network ____ be ____ or ____ maintenance.
 There are ____ be causing signal ____.
 ____ any ____ in ____ connections now?
 ____ you ____ linked to ____ signals?
 ____ problems ____ can ____ signal issues.
 Are ____ any known ____ that ____ causing ____ issues?
 ____ there ____ problems that ____ up ____?
 Do ____ signal reliability?
 ____ issues ____ causing ____ issues.
 ____ network disruptions ____ by inconsistent ____?
 Does anyone ____ with signal disruptions ____?
 Let me ____ if there are ____ known disruptions ____ that ____ causing ____.
 Can ____ tell ____ if ____ any ____ to intermittent problems?
 ____ lead to signal on-off hiccup ____.
 Is there any ____ fault that leads ____ on-off ____?
 ____ network downtime that ____ causing signal ____?
 Is there ____ be messing with ____?
 ____ possible ____ could cause poor connections intermittently?
 ____ activities ____ erratic signals.
 ____ maintenance ____ affect signals?
 ____ there ____ network ____ that ____ with ____?
 Maintenance ____ cause ____ issues.
 ____ disruptions ____ be what ____ intermittent ____.
 Is signal ____ by ____ maintenance?
 ____ any ____ work cause ____?
 ____ issue with signal interruptions ____ maintenance ____ outages?
 Is ____ network problems ____ problems?
 Any ____ incidents ____ signal ____?
 ____ had any ____ disruptions related ____ signals?
 ____ if there ____ any ____ or maintenance ____ are causing ____ issues.
 Network-related ____ could ____ poor ____.
 ____ disruptions ____ to ____ signals?
 ____ if the network is down or ____ there ____ problems?
 ____ any ____ work lead ____ connections ____?
 Is ____ any ____ with ____ that ____ causing ____ issues?
 ____ problem that ____ be causing signal issues?
 Are you ____ network ____ or scheduled ____ interfere ____ signal disruptions?
 ____ signal ____ caused ____ your network ____ or ____ maintenance?
 ____ or ____ issues ____ signals?
 Were ____ service ____ affected ____?
 ____ there ____ signal ____ hiccup cycles because ____ fault or ____?
 ____ there an issue with the ____ results in ____?
 Does any ____ on ____ cause ____ connections ____?
 ____ disruptions ____ be ____ for ____ signals.
 ____ there ____ impacting signals?
 ____ any network ____ signals?
 ____ are ____ issues affecting ____
 Bad connections ____ network-related outages.

Is the ____ signal ____ an ____ with a ____?

Is there ____ problems ____ signal?

Network ____ signal ____ today?

____ there ____ issue ____ signal interruptions ____?

Do ____ any network problems or ____ affect ____?

____ or maintenance ____ signal.

____ there work ____?

There ____ intermittent ____ issues ____ be caused ____ network ____.

Are there known outages ____ maintenance ____ signal problems?

Have ____ network ____ because ____ inconsistent ____?

____ possibly ____ erratic signals?

____ there ____ any known disruptions or scheduled ____ issues, please ____.

____ or maintenance could ____ signal ____.

____ there any network ____ inconsistent ____?

____ cause intermittent signals.

____ network related issues that could ____ connections?

Network problems ____ possibly be ____.

Are ____ aware ____ that ____ affect the signals?

____ may be related to ____.

Are ____ issues ____ maintenance work?

____ issues ____ maintenance affecting ____

Is there any ____ downtime that could be ____?

____ because of maintenance?

Are there ____ disruptions ____.

Is there ____ that can ____ intermittent ____ issues?

____ maintenance ____ signal reliability.

____ be ____ due to known maintenance ____.

Are there any network ____ that ____?

Any ____ that could ____ connections?

Any network-related ____ cause ____ connections?

____ network ____ related ____ inconsistent signals?

____ issues with signal?

____ any ____ the network result ____ shaky ____?

____ there a ____ that could ____ connections ____?

____ me know ____ are ____ disruptions or scheduled ____ are ____ signal issues.

Do you ____ of ____ impacting ____?

Are there network ____ signal ____?

____ there any issue ____ signal ____ to ____ or ____?

Do ____ work lead ____ shaky ____?

____ network problem causing signal ____?

____ maintenance could affect ____.

____ or ____ might lead to ____ hiccup ____.

____ issues ____ signal problems?

____ there any ____ downages affecting ____ signal?

____ there are ____ known ____ scheduled maintenance ____ causing ____ issues, please confirm ____.

____ affecting the ____?

____ blame for intermittent signals?

____ disruptions ____ signals

Network issues ____ affecting ____?

____ aware of any ____ disruptions?

If there are any _____ or scheduled _____ that _____ signal issues, _____.

Network _____ maintenance _____ affect signal _____.

_____ any network _____ affecting _____?

Are there _____ the network _____ service?

Are _____ any _____ could affect _____?

If there _____ disruptions or scheduled maintenance _____ issues, _____ tell me.

_____ there _____ signal interruptions from _____ outage?

Are we currently _____ problems _____ of maintenance _____?

_____ any network _____ that mess _____ signal?

Are _____ known _____ cause intermittent signals?

_____ you aware _____ any _____ affects _____ signal?

There _____ any network-related outages _____ connections.

Are there any _____ that _____ be _____ signal _____?

If _____ known _____ to the _____ or scheduled _____ that _____ causing _____ issues.

Network downages _____?

Are _____ signals?

_____ to confirm if _____ are any _____ or _____ maintenance _____ causing signal issues.

_____ you _____ if _____ are known _____ network _____ signal quality?

Are _____ affecting _____?

Can you tell me if there _____ to _____ issues?

_____ problem can _____ by a network issue.

_____ you _____ if _____ service _____ are related _____ intermittent connections?

Is _____ times affecting _____?

Is there a _____ that results _____ signal issues?

Are there _____ due to _____ or _____?

_____ the intermittent signal _____ the _____ of _____ network _____?

_____ known _____ affecting signals?

Network _____ or maintenance _____ signal _____.

_____ there any problems _____ signal issues?

Is there _____ network _____ signal problems?

_____ disruptions _____ for intermittent signals.

_____ problems _____ to network _____ maintenance.

_____ tell me _____ service disruptions are related to _____ connectivity _____?

Network _____ be _____ blame _____ signal _____.

_____ be _____ signals to _____.

_____ temporary _____ issues due _____ work?

_____ intermittent signal down _____ a _____ issue?

_____ it possible that there are _____ outages or _____ that _____.

Are _____ by known _____?

_____ issues and maintenance _____?

_____ know if _____ outages impacting signal lately?

_____ network _____ intermittent signal issues?

Any _____ that could cause _____?

There _____ maintenance activities _____ erratic _____.

_____ intermittent _____ because _____ a network issue?

Can you tell _____ network is _____ by _____ outages _____ maintenance that _____ signal _____?

Network problems _____ maintenance _____?

Let _____ know _____ any known outages impacting _____.

_____ signals _____ to maintenance.

Maybe _____ due to _____ disruptions.

Are _____ issues attributed to _____
Has any _____ linked to _____?
Is it known _____ network _____ signal _____?
Are _____ problems that _____ causing intermittent signal issues?
_____ messed due to _____?
_____ that could be causing _____ issues, _____ any maintenance _____?
_____ any network-related outages _____ could _____ poor _____?
_____ we _____ connection problems _____ maintenance and outages?
_____ network problems affecting _____?
_____ there _____ signal issues?
_____ any _____ downtimes affecting _____?
Are _____ problems _____ issues?
Poor connections _____ caused by _____.
Is there _____ signal _____ problems?
_____ this _____ intermittent signals _____ due _____ network disruptions?
There are _____ problems _____ might _____ issues.
_____ disruptions might be _____ for _____.
Is signaling _____ maintenance?
What _____ affect signals?
_____ possible _____ are caused by an outage _____ scheduled _____?
_____ any network problems _____ could be _____ signal _____?
_____ issues _____ maintenance _____ signal _____
_____ you aware of _____?
_____ any _____ or _____ with signal?
_____ you know if _____ are known _____ or _____ signal issues?
_____ there _____ issues because of _____ or _____?
_____ known network issues that _____ causing intermittent signal _____?
_____ problems possibly due _____ maintenance _____.
There _____ any _____ causing signal _____?
Is _____ known _____ disruption affecting _____?
_____ temporary _____ to maintenance tasks?
Is the _____ trouble because of _____?
_____ signal _____ by an outage or scheduled _____?
Any known _____ the _____?
_____ that an _____ or _____ maintenance is to _____?
Can you tell _____ any service _____ attributed to _____?
_____ or network _____ could be _____.
_____ there _____ issue of signal _____ or outages?
_____ known maintenance actions?
Did _____ network _____ maintenance cause _____?
_____ possible that ongoing _____ can cause _____ signals?
_____ be _____ issues caused _____ and outages.
Is it possible that _____ outage or _____ is _____ signal _____?
Is _____ signal _____ cycles caused _____ faults?
Is there _____ network _____?
_____ may _____ temporary _____ issues _____ maintenance tasks.
Did _____ know activities _____ and _____?
Network _____ maintenance _____ affect _____?
If there _____ any known disruptions _____ scheduled _____ could _____ let us know.
_____ could potentially _____ causing _____ issues.

_____ there _____ that could cause poor connections?
 Is _____ any _____ outage _____ could _____ connections?
 Is the _____ to _____ network issue?
 _____ any _____ problems that _____ signal?
 _____ aware _____ work that affects signals?
 Is there _____ downtime _____?
 Any _____ problems that _____ connections?
 _____ the temporary connection _____ tasks?
 Are there signal _____?
 _____ reliability affected _____ known outages _____ maintenance?
 Do _____ connection issues relate _____?
 Can _____ me _____ is _____ or _____ there are intermittent signal _____?
 There _____ intermittent signals _____ network _____.
 _____ you _____ if there _____ known disruptions _____ maintenance _____ be causing signal _____?
 Are there _____ signals?
 _____ possible that the _____ are related _____ maintenance?
 Is Network disruptions _____ for _____?
 _____ it possible that there _____ outages _____ maintenance _____ result in _____?
 _____ downages may _____ signal _____.
 _____ and _____ could _____ the reason for _____ issues.
 Can _____ me if my _____ is down _____?
 Network issues or fixing _____?
 Any _____ bothering _____?
 _____ there _____ signal _____ outage or maintenance?
 _____ disruptions _____ capable of _____ signals.
 _____ there _____ impacting signals?
 Have _____ disruptions associated _____ inconsistent _____?
 Is this possible due _____ scheduled _____?
 Are there any _____ that _____ signal _____?
 The intermittent _____ might _____ because _____ a _____ issue.
 Is _____ signal _____ attributable _____ network issue?
 signal problems _____ your network down _____ under _____?
 _____ you tell _____ there are _____ problems with _____ network?
 Is a signal _____ off _____ cycles _____ faults or _____?
 Do you _____ are _____ disruptions or maintenance that _____ causing _____?
 Is _____ messed with _____?
 _____ signal problem because of _____ network _____.
 I wonder _____ outages _____ signals.
 _____ you have a _____ that _____ or under _____?
 _____ your network _____ maintenance?
 Is _____ maintenance _____ up _____?
 What _____ or maintenance _____?
 Are there _____ due _____ the _____?
 _____ the signals _____ up because _____?
 Are _____ disruptions impacting _____?
 Have you _____ disruptions _____ to _____?
 _____ you _____ there are _____ with the _____ that cause _____ signal problems.
 _____ there _____ issues or _____ causes signal problems?
 _____ there _____ network _____ or maintenance _____ intermittent signal issues?
 _____ the intermittent _____ a network issue?

_____ any network trouble or _____ messes _____ the _____?
 _____ any known disruptions or _____ maintenance _____ be causing signal _____ kindly _____.
 Is the _____ signal _____ to a _____ or _____?
 _____ there any _____ that _____ cause problems _____?
 _____ anyone _____ with _____ disruptions from _____ or outages?
 _____ affected _____ network issues or _____.
 _____ are known outages _____ maintenance _____ network, _____ you _____ me about it?
 _____ if an _____ disruption or _____ are interfering with signal _____?
 Can _____ there _____ known problems with the _____ or if _____ are caused _____?
 Notices _____ any _____ impacting signal _____.
 Network _____ maintenance _____ causing _____ issues.
 _____ signal _____ related to an issue _____ the _____?
 Are _____ down _____ affecting _____?
 Do _____ about any _____ affecting _____?
 Is _____ any known _____ and signal _____?
 _____ issues because of maintenance?
 _____ aware of _____ problems affecting _____?
 _____ any known _____ affect signal _____?
 Network _____ causes intermittent signals.
 _____ you know if _____ any _____ disruptions _____ scheduled _____ cause _____ signal issues?
 What network or _____ signals?
 _____ a known service disruption _____?
 _____ temporary connection _____ result of _____?
 Network _____ be _____ signal _____.
 Any known _____?
 Are you aware _____ that _____ affect _____?
 _____ that _____ maintenance is causing erratic _____?
 _____ problem _____ affecting signals?
 Are _____ times affecting _____?
 Are _____ any _____ network _____ that affect intermittent _____?
 _____ signals _____ be due to _____.
 _____ any _____ maintenance issues affect _____?
 Do _____ there are any _____ disruptions or _____ causing signal _____?
 There _____ network faults or _____ that _____ hiccup _____.
 _____ signal quality might _____ disrupted _____ known _____.
 Are _____ issues _____ be messing _____ signals?
 Is there a network issue _____ repair _____?
 Please _____ are any _____ connections disruptions _____ scheduled _____ could _____ causing _____ issues.
 Are _____ the network _____ or under maintenance?
 Intermittent signals _____ be _____ to _____.
 _____ signals are _____ to network _____.
 Is _____ an _____ with _____ interruption _____?
 Are _____ with connection _____ because of maintenance _____?
 _____ troubles _____ fixing _____ signal?
 _____ we _____ connection _____ due to maintenance actions?
 _____ of any _____ impacting signal _____?
 _____ any maintenance _____ is _____ connection?
 _____ there _____ with _____ network _____ results in intermittent signal _____.
 _____ it _____ the signal issues _____ due _____ outage or _____?
 _____ you _____ the network is _____ by known _____ maintenance?

_____ signal _____ hiccup cycles because _____ or tasks?

_____ be what _____ intermittent signals.

Network and _____ problems _____?

Is _____ there are _____ that are _____ signal issues?

_____ a problem of _____ disruptions _____ outages or _____?

Is there _____ of _____ interruption _____?

If _____ disruptions or scheduled maintenance that _____ signal _____.

Notice of any _____ signal _____?

_____ heard about _____ work affecting _____?

Are these signal issues _____ by _____ maintenance?

Is there any _____ that _____ cause _____ connections?

Maintenance and network _____.

_____ network downtime _____ causing intermittent signal _____?

_____ there _____ network _____ affects signals?

Do maintenance activities _____?

If there are _____ disruptions _____ scheduled _____ be _____ issues, please confirm

Is _____ any known _____ that is causing _____ signal _____?

Is any network _____?

The intermittent _____ problem _____ be _____ of _____ issue.

_____ there _____ work affecting _____?

_____ be caused by _____ down or under maintenance.

There _____ be _____ maintenance _____ cause erratic _____.

If _____ are any _____ disruptions _____ scheduled _____ that _____ signal issues, _____ confirm _____.

_____ any _____ disruptions _____ scheduled maintenance that could _____ causing _____ issues, please tell me _____.

Is there _____ network _____ signal _____?

_____ could cause _____ connections intermittently?

Is _____ any network-related problems that _____ poor _____?

_____ there a _____ that _____ signals?

Is _____ maintenance _____ could possibly _____ messing with _____?

_____ you _____ if the _____ is _____ intermittent _____ problems?

There are _____ maintenance _____ signal problems.

_____ be involved in _____ signals.

Any _____ issues _____ problems?

Are _____ aware _____ any _____ signals.

Network troubles, _____ stuff, or _____?

Is there any _____ be causing signal _____?

Is _____ a network _____ could cause _____ intermittently?

Are _____ problems caused by your _____ being _____ or _____?

Irregular _____ be _____ maintenance activities.

Do any _____ reliability?

Maintenance _____ could _____ causing _____.

Is _____ that an _____ reason for the _____ issues?

Are you _____ any _____ disrupting _____?

Are there _____ signals that you _____ of?

_____ the intermittent _____ problem _____ by a network _____ an _____?

Are you _____ any _____ disruptions that _____?

Is _____ that are disrupting _____ and _____ quality?

_____ any known service disruptions _____?

_____ you aware of _____ ongoing network _____ enhancements _____ may _____ signals?

_____ a known activity that is _____ network _____?

Are there _____ that _____?

_____ aware of _____ disruptions _____ might interfere _____ disruptions?

_____ there _____ network issues _____ maintenance _____ signal _____?

_____ you know of any _____ disruptions _____ enhancements _____ signals?

_____ intermittent _____ could be because of _____ network _____.

Does _____ service _____ signals?

_____ network issues _____ signal?

Is there _____ network _____ that _____ shaky _____?

_____ you _____ work on _____?

Network problems _____ affect _____?

Are there ongoing network _____ scheduled _____ may interfere _____ occasional _____?

Any _____ problems that _____?

_____ signals?

_____ you aware _____ any _____ network disruptions or _____ that _____ interfere _____ occasional _____?

Are your _____ to maintenance _____?

_____ there _____ maintenance issues that _____ with signals?

_____ you aware of _____ signals?

Is signaling malfunctioning _____?

Do you know if _____ or down?

_____ could be _____ signals.

The network _____ be _____ maintenance actions.

Have you _____ attributed to _____?

Do _____ know if _____ work _____?

_____ failures leading to _____?

Any _____ could cause _____ intermittently?

_____ maintenance problems affect _____?

Are _____ the network that _____ intermittent signal _____?

Are _____ network problems that _____ intermittent signal issues?

_____ signal _____ off hiccup _____ may be _____ by _____ faults _____.

_____ outages _____ signal _____?

_____ there are _____ disruptions _____ that _____ causing _____ please let us know.

_____ we currently facing problems with _____ maintenance _____?

There _____ be _____ affecting _____.

Any _____ disruptions _____ intermittent _____ connections?

_____ known events _____ signals?

Maintenance _____ issues causing _____?

Network _____ could _____ responsible _____ signals.

If your _____ is it _____ signal _____?

Can you tell _____ problems on the network?

Network _____ maintenance _____ affect _____.

There _____ be network _____ signals.

Network or maintenance _____.

_____ a _____ that _____ cause poor connections _____?

_____ issues with _____ caused by the _____?

_____ there _____ of signal interruption _____ maintenance or _____?

There _____ be _____ by maintenance _____ repairs.

_____ there _____ issue _____ is causing intermittent _____?

Is _____ an issue _____ signal interruptions _____ outages?

_____ to network problems?

_____ are _____ known disruptions or scheduled maintenance _____ might _____ issues.

There _____ signal interruptions from _____.
 Are there any _____ inconsistent _____?
 Are _____ could be _____ up signals?
 _____ any network or _____ signal _____?
 Is _____ having _____ problems that are causing _____?
 _____ problems _____ be _____ known maintenance _____.
 _____ are _____ network _____ that could _____ causing _____ problems.
 _____ you _____ of _____ that _____ affecting _____?
 Are there temporary connection _____.
 Is _____ signal _____ of a network issue?
 Is _____ network _____ that's _____ issues?
 _____ known signals impacted _____?
 _____ there _____ issue _____ signal interruptions _____?
 _____ the _____ signal _____ a network issue?
 Do you _____ if _____ is _____ the _____?
 _____ the intermittent signal _____ due _____ network _____ outage?
 _____ faults or tasks _____ be the _____ of _____.
 _____ connections could be _____ network related _____.
 Some intermittent _____ be _____ to _____.
 Is there any _____ disruptions _____ linked _____ signals?
 Is _____ to _____ troubles?
 Network _____ cause intermittent signals to _____.
 Network _____ can _____ to _____ actions.
 _____ your _____ or under _____?
 Is there anything _____ signal _____?
 _____ disruptions _____ be _____ intermittent signals to _____ go.
 Is the _____ due to a _____?
 Are _____ signals?
 intermittent _____ possibly due to _____
 _____ known _____ affecting signal _____?
 _____ any _____ downtime _____ signals?
 _____ any _____ incidents affecting _____?
 If _____ are _____ disruptions _____ maintenance _____ could be causing signal _____ please _____.
 Network _____ fixing _____ with _____?
 Can you _____ me _____ are known _____ network _____ intermittent signal problems?
 _____ you know _____ network troubles _____ things?
 _____ signal problems _____ by _____ maintenance events.
 _____ you tell me _____ known _____ with _____ network _____ if _____ are intermittent _____ problems?
 _____ tell _____ if there are _____ issues _____ the _____ that _____ to intermittent _____?
 _____ you know _____ signals?
 _____ intermittent signal bad _____ of _____ network _____?
 _____ any _____ that messes _____ the signal?
 _____ there _____ problem _____ network that could be causing _____?
 _____ you aware _____ any work _____ would _____?
 _____ due to _____ or outages?
 Are there _____ that _____ signals?
 _____ network malfunctioning _____ to _____ or _____?
 network issues _____ maintenance _____
 _____ are any _____ disruptions that _____ poor _____?
 _____ there any network _____ issues _____ could _____ connections _____?

Are we currently facing _____ connection _____ actions?
_____ there _____ known disruptions or scheduled _____ that could _____ ?
Can you _____ me if _____ network _____ affected _____ maintenance?
Network _____ that _____ causing signal issues, are _____ ?
Is there _____ network _____ or _____ messing _____ ?
_____ you currently _____ connection _____ due to _____ ?
Network _____ might be _____ reason _____ .
_____ be to _____ for intermittent _____ .
Are there any network _____ activities that _____ issues?
_____ activities disrupting _____ and _____ quality?
_____ there a _____ disruptions _____ signals?
Do you know of _____ affect _____ ?
_____ affecting intermittent _____ problems?
Is _____ an _____ interrupted from _____ or maintenance?
_____ caused by maintenance _____ down time?
_____ failures _____ could _____ bad connections?
_____ because of network _____ ?
_____ you _____ disruptions caused _____ inconsistent _____ ?
Is the signal _____ cycles caused _____ tasks?
Network faults or tasks _____ for the _____ hiccup _____ .
