

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Security and privacy concerns
Inquiry Sub-Category	Network Firewall Configuration
Description	Customers seeking assistance in configuring their internet network's firewall settings to enhance security, restrict unauthorized access, and ensure the privacy of their connected devices.
Data Size	5,082 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

_____ frequently should _____ update our Network _____ Configuration _____ maintain _____ at _____ ?
 _____ _____ update the Network FirewallConfiguration _____ maintain _____ high level of _____ our homes _____ offices?
 _____ we make _____ that our _____ the best cyber security?
 How often _____ we _____ Firewall _____ keep it _____ to date?
 Do _____ have to _____ firewall _____ a regular basis?
 How frequently should we change the _____ have _____ at the _____ network?
 How _____ Firewall _____ in order to keep _____ free of malicious software?
 How _____ should we change _____ in order _____ keep good _____ ?
 How frequently _____ we change the _____ configuration in _____ maintain _____ good defense _____ home _____ ?
 How _____ change the _____ Configuration _____ to keep _____ network safe?
 _____ often _____ change the network security _____ or office?
 How _____ do we update the _____ keep our _____ and _____ ?
 How _____ it _____ update _____ network's firewalls at _____ office?
 _____ frequently do home _____ office _____ update _____ firewall settings?
 How _____ a _____ we need to _____ Network Firewall Config _____ keep _____ networks safe?
 How _____ should the Network Firewall _____ in _____ maintain maximum _____ ?
 How _____ do _____ update the Network firewall _____ to _____ ?
 _____ often should we _____ the _____ to ensure _____ cybersecurity?
 _____ network's firewall at home or _____ tominimize cyber _____ .
 _____ it _____ how often to _____ home/office _____ firewall _____ ?
 _____ frequently do _____ update the _____ firewall _____ to _____ it _____ ?
 Updating the _____ home or office is required _____ .
 _____ frequently _____ you _____ update _____ network's firewall _____ for home _____ ?
 Does _____ refreshing our _____ firewalls?
 _____ much _____ update our _____ to keep us _____ ?
 _____ should we make _____ have top-notch _____ for our home _____ ?
 How frequently do we _____ Network _____ order to maintain _____ of _____ .
 _____ have _____ refreshing _____ network's firewall setup?

How periodic upgrades ____ be ____ deployment?

Home ____ firewalls should be regularly updated to ____.

Should home ____ networks ____ firewall ____ to date?

How frequently ____ we ____ Firewall Configuration in order to keep good ____ at ____?

____ you think we ____ update ____ home/office ____ firewall ____?

____ cybersecurity involve regularly ____ network's ____?

How ____ should we ____ security ____ at our ____ offices?

____ would you suggest ____ and enhancing ____ of ____ network's ____?

How often ____ we ____ Network firewall configuration ____ home ____?

How often ____ you recommend ____ firewall ____ for ____ use?

____ often should ____ change the Network ____ Configuration ____ defense?

How often ____ we ____ to ____ up with ____ security?

____ there ____ upgrades on personal/business-firewall-network ____?

How frequently do ____ recommend ____ we change ____?

____ do we update the ____ Firewall Configuration ____ maintain ____ level ____ protection ____ home/ ____ networks?

____ to achieve and ____ maximum cybersecurity levels, should home ____ firewall ____?

____ do we ____ our ____ to stay safe?

How frequently should ____ change the ____ in ____ Cybersecurity at our home ____?

How ____ we change ____ Network ____ Configuration at ____ home ____ networks?

____ we ____ to update our home/office ____ on ____ regular ____?

____ often is it a good idea ____ firewalls?

____ do ____ suggest ____ the configurations on both workplace ____ personal ____ for ____?

How frequently ____ we update the ____ Firewall ____ to ____ level ____?

____ often do you ____ we change ____ settings ____ use?

How ____ we update the Network ____ maintain ____ high level ____ in our ____ networks?

How often ____ suggest ____ and enhancing our ____?

____ frequently do you ____ update our ____ home/office use?

____ often am I supposed to change ____ network ____?

How many ____ should ____ network ____ be ____?

How often ____ updating ____ network's ____ need ____ done ____ a ____ office setting?

____ often to ____ on ____ firewalls?

How ____ times a ____ do ____ need ____ update our ____ Config in ____ to maintain ____ networks?

____ order ____ maintain maximum ____ should ____ networks update their ____ settings regularly?

How often should we ____ Network Firewall ____ order to ____ at ____ home ____ networks?

How often ____ we ____ firewalls ____ to maintain good security?

How ____ a ____ idea to ____ our ____ firewall configuration?

____ should the Network ____ Configuration be ____ in order ____ security?

____ frequently ____ we ____ Network Firewall ____ to maintain ____ high ____ protection in our ____.

____ need to ____ Network ____ Configuration to ____ our ____ and offices ____ threats.

____ often should ____ configuration be updated?

____ home ____ office networks ____ their settings ____ regular basis ____ maximum ____?

____ to update home/office ____ firewalls ____ ensure ____ security.

____ it a ____ to update ____ firewall often?

____ necessary ____ frequently refresh our network's ____?

How frequently should we ____?

Is ____ a ____ idea to ____ Network firewalls ____ best ____?

____ we update ____ configuration to maintain a ____ in our home ____ office networks?

____ do ____ the ____ on both the workplace ____ personal ____ firewalls?

How ____ you suggest ____ our network's firewall?

____ do ____ recommend ____ the ____ on both ____ and ____ network's firewalls?

_____ should we _____ Network _____ in order to _____ a good _____?

How often _____ we _____ firewalls _____ to maintain _____ cybersecurity at _____ office networks?

_____ frequently _____ we change _____ Network _____ Configuration in _____ it strong?

To _____ on _____ networks, what is the _____ our Network _____ Config?

_____ is _____ recommended _____ a _____ network update _____ firewall settings?

What _____ the optimal _____ of _____ the home/office _____ firewalls?

How often does _____ sense to change _____ home/office _____?

_____ often should _____ update _____ Firewall _____ to keep it _____?

_____ many _____ year should _____ update our home/office _____?

How _____ to _____ network _____ make them more _____?

_____ to update _____ home/office network firewalls _____?

_____ frequently should _____ change the Network Firewall _____ to maintain _____ on _____ and office _____?

The _____ Firewall configuration _____ be _____ in order _____ maintain _____.

_____ we update _____ network _____ configuration _____ maintain _____ cyber security?

How often should _____ Configuration for top-notch _____?

_____ often _____ home/office _____ have _____ firewalls _____?

How often would you _____ configurations _____ workplace _____ personal networks' _____?

How often _____ make sure our _____ best cyber _____?

_____ often do _____ the home/office network firewall?

The _____ firewall should _____.

_____ home or office networks _____ firewalls _____?

Is it _____ to _____ network's _____?

How _____ am _____ supposed _____ change _____ Network _____ Configuration?

How frequently should _____ update our network firewall _____ maintain optimal _____?

_____ achieve and maintain _____ cybersecurity, what _____ the _____ number of _____ the _____ Firewall Configuration?

Is _____ necessary for _____ networks _____ have _____ updates _____ settings?

Do _____ have _____ network's firewalls _____?

How _____ should we change the _____ configuration _____ order _____ maintain good _____ home and _____?

How _____ suggest refreshing the configurations _____ both _____ personal _____ firewalls?

_____ frequently _____ update the Network _____ Configuration to _____ safe?

_____ often do _____ update the Network _____ keep _____ safe?

Should we update _____ regularly?

Do we _____ our network's _____?

How _____ the Network _____ Configuration to _____ network safe?

_____ frequently do _____ recommend _____ and enhancing _____ of the _____?

Should home _____ office _____ periodically _____ settings?

_____ frequently should _____ Network _____ Configuration be _____ in _____ to _____ security?

_____ you suggest _____ of both the _____ and _____ network's firewalls?

_____ networks need to _____ updates to _____ firewall _____?

_____ think we _____ update _____ network firewall regularly?

In order to achieve _____ maintain _____ cybersecurity _____ home or _____ periodically _____ settings?

_____ frequently do _____ update the _____ maintain a high level of _____ our _____ and _____?

_____ order _____ maintain optimal _____ networks, what is _____ ideal number _____ we _____ the _____ Firewall Config?

_____ do _____ update _____ Network _____ Configuration _____ keep it _____ to _____ and protected?

_____ periodic _____ be made on personal/business-firewall _____?

How _____ times _____ year _____ you _____ on _____ the _____ and personal networks' firewalls?

How _____ times should we _____ our Network Firewall _____ our _____ safe?

How frequently _____ we update the _____ Configuration _____ maintain _____ of protection in our _____?

How _____ we _____ Firewall Configuration _____ maintain a high level _____.

In _____ good _____ the house and _____ we change _____ Network Firewall Configuration frequently?

How often _____ we _____ our Net Firewall _____?

Do _____ and office _____ to _____ regular updates to _____?

_____ maintain optimal Cybersecurity _____ our networks, _____ is _____ ideal Frequency _____ updating our _____ Firewall _____?

How _____ do _____ update the Network _____ level of protection?

How often _____ we change the _____ Configuration _____ it _____ home and office _____?

_____ should we _____ the network _____ settings at _____?

_____ we change _____ Network Firewall Configuration in _____ to maintain _____ defense?

_____ often _____ firewalls _____ in order to keep a _____ defense?

_____ often do you suggest _____ the _____ personal network firewalls?

How often _____ Network _____ Configuration _____ order _____ maintain good _____ security at the _____ network?

How _____ should _____ change the Network _____ order to _____ it _____ of _____?

_____ does _____ Net Firewall _____ to be updated _____ safe?

_____ it a _____ idea _____ regularly _____ the _____ setting?

How frequently do we update the _____ to _____ level of _____ our home _____?

_____ should we _____ care _____ our network _____?

In order to maintain _____ on _____ Frequency _____ Updating _____ Network Firewall Config?

_____ possible to update _____ firewall regularly?

_____ should _____ change the network _____ maintain _____ good defense?

_____ periodically _____ our network's firewall?

_____ you _____ it's _____ good _____ to _____ network's _____ configuration _____ home or office environments?

_____ often should we upgrade _____?

The rate at which _____ should update _____ is _____ discussion.

Should we _____ network firewall?

How _____ you _____ revising the _____ the network's _____?

How many _____ should we _____ the network _____?

How often must _____ be updated _____ a _____ office _____?

How often should _____ change the Network Firewall _____ order _____?

_____ we _____ the network configuration _____ to _____ home and office networks?

How often is it advised _____ home/office _____ update _____?

_____ a network's _____ important to maintaining _____ cybersecurity _____ in home _____ office _____.

How frequently _____ we _____ firewalls _____ order _____ maintain good cybersecurity?

How frequently do we _____ settings for _____?

Should _____ or _____ networks be constantly _____ their _____?

How often _____ be changed?

_____ refresh _____ network's _____ regularly?

_____ protection, how _____ suggest refreshing _____ configurations _____ both the workplace _____ personal network?

_____ recommended number _____ times _____ year we should _____ network firewalls?

How many times a _____ do _____ the _____ Firewall Config _____ to _____ optimal security _____ our _____?

How frequently _____ we update our _____ firewall _____ use?

_____ home/office networks _____ update _____ frequently?

How _____ times _____ year _____ home/office networks _____ their _____ settings?

_____ do we _____ to update _____ Net Firewall?

_____ should we change the _____ in order to _____ good _____ home?

_____ many _____ a _____ we need to update the _____ Firewall Config _____ to _____ Cybersecurity _____ our _____?

What is the _____ a network's firewall configuration _____ maintain _____ measures _____ home _____ office _____?

_____ often should we _____ our _____ firewalls?

_____ order to achieve _____ maintain maximum security, should _____ office _____ settings?

How _____ is _____ update the _____ firewalls _____ home or _____?

_____ is it recommended to _____ the _____ settings _____ networks?

_____ should _____ change _____ Network _____ to keep up with _____ security?

Should _____ regularly _____ home/office _____ security?

_____ often _____ we refresh our _____?

_____ suggest _____ and _____ the _____ of the _____ firewall often?

How frequently _____ update _____ Network _____ configuration to maintain _____ high level _____ security _____ offices?

Updating _____ network's _____ home or office _____ often necessary _____.

How often _____ we _____ the network defense _____ office?

_____ often is _____ good _____ to change the home/office _____?

_____ we _____ Network Firewall Configuration _____ good _____ the house and office networks?

_____ should we change _____ configuration of _____ Network _____?

_____ frequently _____ we _____ Network _____ keep it up to _____ and secure?

How often _____ update _____ defense at _____ office?

How _____ you _____ us to _____ network's firewall _____?

Do _____ home/office _____ firewall regularly?

Should home or office _____ their _____ maintain _____ levels?

How frequently _____ we update _____ Network Firewall Config _____ cyber _____?

How often _____ Firewall _____ in _____ to _____ the networks safe?

_____ we _____ the network configuration to _____ networks safe?

_____ home and office _____?

What are the _____ for _____ our network _____ in _____ optimal _____ at home/office networks?

How often _____ update the _____ our home or office _____?

Are home _____ office networks _____ updates _____ their firewall _____?

How frequently _____ update _____ Firewall Configuration to maintain _____ high _____?

How _____ you suggest _____ the configurations _____ workplace _____ personal networks' _____?

Do _____ us to update _____ firewall _____ frequently?

How often do _____ to _____ network's _____ a home _____ office?

How often _____ to update the network's _____ at _____ or _____?

_____ often should _____ update _____ firewalls?

_____ office _____ update their _____ settings to _____ maximum cybersecurity levels?

_____ frequently should _____ change _____ security configuration _____ order _____ our _____ safe?

_____ do we _____ the network _____?

_____ order to maintain _____ networks, what _____ optimal number _____ times we _____ update _____ Network _____ Config?

How _____ network firewall be _____?

_____ to refresh our _____ firewall set _____ regularly?

How often _____ the _____ configuration to _____ high level _____ security?

Do _____ recommend _____ home/office network _____ often?

_____ we need _____ update our _____ firewall configuration?

How _____ you _____ revising the configuration of _____?

How _____ our networks firewall?

_____ should we _____ our home/office network _____?

How _____ should _____ change _____ network configuration for a _____ at _____?

Should _____ network _____ frequently?

How _____ do _____ and enhancing our network's _____?

How _____ would you _____ of the _____ firewall?

_____ the network's firewalls _____ home _____ necessary _____ cyber threats.

_____ often _____ to be updated with their firewall _____?

How _____ update _____ Network Firewall _____ to _____ sure our _____ protected?

_____ often should _____ Network _____ Configuration _____ order to maintain _____ good defense at _____ office?

_____ it necessary _____ update _____ home/office _____ frequently?

_____ should _____ our firewall settings for _____ protection?

How _____ make a change to our _____?

For updating home/office _____ firewall _____ is the _____?

How should _____ upgrades _____ made _____?

_____ update our _____ networks' firewalls?

_____ do we _____ the network configuration to _____ safe _____ home _____?

_____ frequently _____ we change the _____ securing our _____?

Should home _____ office networks _____ update _____ firewall _____?

_____ should be _____ which _____ update a _____ firewall configuration?

_____ often do _____ suggest we update our _____?

_____ we change _____ network configuration _____ order to keep _____ at home _____ office networks?

_____ change _____ configuration _____ the firewalls for our networks?

_____ often do _____ suggest _____ the configuration _____ firewall?

How frequently _____ we change the _____ order _____ maintain _____ good _____ at home or _____?

How much do _____ us _____ update _____ settings?

How _____ do _____ advise us to update _____ network's firewall _____?

How _____ should we change _____ Network _____ Configuration to _____ home or _____ networks?

_____ home/office _____ configuration is recommended for _____ security.

Do _____ should _____ updates to _____ Network Firewall _____ often?

How often _____ we update _____ configuration _____ a high level of _____ our homes _____?

_____ frequently do _____ that _____ change _____ network's firewall _____ for _____ use?

_____ one prioritize updating _____ firewall _____ at _____ faster _____ efficient cybersecurity measures _____ home _____ office environments?

_____ network's firewalls at _____ office is _____ for minimizing _____ threats.

_____ often do we _____ the _____ firewall configuration _____ safe?

Should _____ and _____ update _____ firewall _____ a regular basis _____ maintain maximum _____?

Is _____ necessary to _____ our _____ setup?

How often should _____ changes _____ settings?

Updating the network's _____ should _____ done _____ a _____ office _____.

How _____ I _____ to change _____?

_____ necessary _____ home/office networks _____ get _____ updates to their _____?

_____ often _____ recommend _____ both workplace and personal networks' firewalls _____ enhanced _____ protection?

_____ do _____ need to update _____ network firewalls?

_____ we _____ the _____ Configuration _____ order to _____ good security at _____ house and _____ networks?

_____ frequently do we _____ changes _____ our firewalls _____?

How many times _____ make _____ to our _____?

How often do _____ suggest _____ change _____ network's firewall settings _____?

Can _____ when to renew Network _____ for online _____?

How frequently do _____ Network Firewall _____ keep it _____?

Should we _____ home/office _____ firewall _____?

How _____ change the Network _____ in _____ to _____ security _____ the home network?

How frequently should _____ change _____ configuration in _____ good _____ at _____ home network?

_____ to _____ home and _____ are recommended.

_____ office _____ keep their firewall settings _____?

_____ office firewalls should be _____ make them more _____.

How _____ we change _____ network _____ in order to _____ cybersecurity _____ network?

How frequently _____ refreshing _____ configurations _____ workplace and _____ networks' firewalls?

_____ frequently _____ have _____ change _____ network's firewall?

How often _____ be refreshed?

How _____ Network Firewall Configuration _____ make sure our network _____?

How _____ we update the _____ firewalls _____ keep _____ to date?

_____ we change the configuration _____ the _____ firewalls?

In _____ maintain maximum cybersecurity, what is _____ best _____ of _____ Firewall Configuration?

Does _____ networks need _____ updates _____ firewall _____?

_____ a year _____ we need to change our home/office _____?

How _____ should _____ the _____ order to maintain a good defense at _____ networks?

In order to _____ good _____ home _____ office _____ we should change the Network _____.

How often _____ suggest revising _____ enhancing _____ network's _____?

_____ to _____ recommended _____ updating home/office networks' firewalls.

_____ it necessary for home or _____ networks _____ periodically?

_____ should home/office networks' firewall _____?

_____ often _____ our firewalls _____?

Should _____ or office _____ on _____ to achieve and maintain maximum _____?

_____ often _____ we change our network's firewall settings _____ office _____?

_____ we _____ sure we have top-notch cyber security in _____?

_____ is _____ to change _____ network firewall configuration?

How many _____ a _____ do _____ the Net _____?

Do home/office _____ to get _____ updates _____ firewall _____?

How _____ we change the _____ Configuration _____ to keep _____ cybersecurity at _____ home _____.

_____ often is _____ good idea to change _____ firewalls?

_____ do _____ update the Network _____ configuration to _____ it _____?

_____ networks required _____ regular updates to _____ settings?

What are _____ recommended frequencies for _____ the _____?

_____ many times do you _____ changing _____ our _____ firewall?

How often _____ we _____ Network _____ Configuration to _____ optimal _____?

How _____ is it _____ idea _____ update our _____ network _____?

_____ often _____ we _____ network firewalls?

_____ should _____ change _____ Network _____ Configuration _____ order to _____ good security?

Should we _____ our _____ regularly?

In order _____ optimal cybersecurity at _____ networks, what is _____ recommended _____ network _____ configuration?

_____ frequently should we _____ network firewalls _____ maintain a _____?

Updating the _____ recommended for optimal cybersecurity.

Home and _____ should get _____.

How _____ should we _____ our networks safe?

_____ should we update the _____ Firewall _____ to _____ our networks?

_____ that the home _____ firewalls should _____ regular updates?

_____ do _____ update _____ Network _____ to maintain _____ high level _____ security?

_____ a year _____ we update _____ Net Firewall?

_____ often should we _____ network firewalls _____ and _____?

How _____ times _____ year _____ you _____ the _____ workplace and personal networks' _____?

Should we _____ network firewall up _____?

How frequently do _____ our Net _____ ourselves _____?

_____ to update our home/office network _____?

How frequently _____ make changes _____ the _____ configuration?

_____ times _____ year should _____ change our _____ firewalls?

_____ should _____ home/office networks' firewalls _____?

In _____ to _____ levels, should _____ or _____ networks _____ their _____ settings?

_____ network's _____ configuration to maintain _____ or office should be prioritized.

_____ Network Firewall Configuration _____ order to keep _____ home network safe.

_____ it a good _____ office networks to _____ update _____ settings?

_____ often _____ we _____ home _____ firewall?

How _____ we make _____ to our _____ firewall?
 _____ do _____ to update _____ firewall _____ a home or office _____?
 How _____ we _____ the setup of our _____?
 _____ often _____ be changed?
 _____ firewalls _____ kept up to date?
 _____ often _____ I _____ to change _____ network _____ configuration?
 _____ we change the _____ firewall setting _____ home?
 How _____ we _____ changes _____ our _____ network firewalls?
 How _____ do we change _____ to _____ up to date?
 _____ it a _____ idea _____ home _____ office networks _____ firewalls settings?
 How _____ do you _____ enhancing _____ network's firewall?
 _____ you suggest _____ network's firewall?
 How frequently _____ you suggest _____ configurations on _____ personal _____ firewalls _____ online _____?
 HowFrequently _____ the Network _____ to maintain _____ high level of security on our _____?
 How frequently _____ update the Network Firewall _____ maintain _____ high _____ of _____ homes and _____?
 _____ should we change the _____ Configuration in order _____ it _____ cyberattacks?
 _____ frequently do you _____ refreshing the configurations _____ both the _____?
 _____ frequently should we _____ our _____?
 How _____ do _____ our firewall?
 _____ be _____ on _____ network deployment?
 How _____ we _____ we _____ top _____ security for our home/office _____?
 Is it _____ for _____ to _____ firewall settings?
 How often _____ need _____ our Net _____?
 _____ order to maintain maximum _____ should home _____ office _____ their _____ settings?
 _____ do we update _____ Network Firewall _____ to _____ up to date _____?
 _____ it _____ home or office _____ to _____ their _____ settings updated?
 _____ you suggest revising _____ configuration _____ our network's _____?
 _____ should _____ change the _____ Firewall Configuration in _____ maintain good _____?
 How often _____ change _____ configuration at home or _____?
 How often should _____ firewalls _____?
 _____ a good idea for _____ to _____ their _____ settings _____ to date?
 _____ and office firewalls be _____?
 Home _____ firewalls should be _____.
 Updating the _____ at _____ or office _____ is _____ to minimize _____.
 _____ improved online _____ frequently do _____ the _____ both workplace _____ personal networks?
 _____ often do we update _____ Firewall Configuration to maintain _____ high _____ homes?
 _____ frequently do _____ the _____ Configuration to maintain a high _____ in _____ office networks?
 _____ often _____ the network firewalls _____?
 How _____ should _____ change the _____ at _____ or office?
 _____ should _____ change the Network _____ order to _____ the home and _____?
 _____ order _____ maintain optimal _____ on _____ the _____ Frequency for Updating the _____ Firewall Config?
 _____ a good _____ to _____ Network Firewall _____ for the best _____?
 _____ should _____ my firewall?
 _____ change the Network Firewall _____ in order _____ the home network _____?
 Should _____ deployment _____ a regular _____?
 _____ frequently _____ we change the Network Firewall _____ maintain good cybersecurity at the _____ location?
 _____ we need _____ home/office _____ firewall configuration frequently?
 The _____ firewall should be _____.
 _____ network's _____ at a _____ office _____ is needed tominimize _____ threats.

How _____ update the Network _____ maintain high _____ of security?

How _____ should _____ Network Firewall _____ order to _____ good _____ at the _____ network.

How _____ update our Net firewalls _____ safe?

_____ should home/office _____ firewalls be updated _____ optimal _____?

_____ make sure that _____ office networks have _____ cyber security?

_____ frequently _____ the network firewalls configuration to maintain a _____ level _____ security _____ homes _____?

_____ frequently do we _____ Network _____ keep it up _____ and protected?

_____ should we _____ a _____ to our _____ firewall?

How often _____ suggest _____ the _____ and personal network's firewalls?

_____ often do we have to _____ the _____ on _____?

_____ the _____ and office firewalls should _____ updated _____?

Should _____ home or _____ networks update _____ frequently?

_____ and office networks _____ settings updated frequently?

_____ often is it recommended _____ networks to _____ firewall _____?

_____ quickly should _____ Configuration _____ our home and _____ networks from cyber threats?

_____ frequently should _____ change _____ Network _____ in _____ to _____ network safe?

_____ frequently is it _____ change _____ home/office _____ firewall _____?

How _____ we _____ net firewall?

How _____ is _____ advisable to update _____ networks' _____?

_____ often _____ you _____ that _____ change our _____ firewall settings for _____ use?

_____ often is it recommended to _____ network _____?

How often do we _____ our _____ stay _____?

_____ updating home/office _____ firewall _____ is _____ recommended Frequency?

_____ often _____ Firewall _____ be updated _____ achieve _____ maintain maximum cybersecurity?

_____ order _____ maintain _____ at _____ networks, _____ often _____ update our _____ firewall configuration?

How frequently should we change _____ in _____ good security?

_____ frequently should _____ configuration in _____ to maintain good _____ security?

_____ do we _____ Net _____ to _____ us safe?

How _____ should we _____ updates _____ Firewall?

How often do _____ to keep _____ safe?

_____ frequently _____ our _____ configuration _____ order _____ maintain optimal cybersecurity at home/office _____?

_____ frequently _____ we change _____ Network Firewall _____ order _____ good cyber _____ at the _____ office network?

How _____ should we change _____ Network _____ order _____ keep our _____ safe?

_____ a _____ firewall _____ updated at a home _____ office?

_____ often are _____ advised to update _____ settings?

_____ often do you _____ update our _____ firewall _____?

How _____ should we _____ firewalls?

_____ we change _____ Firewall configuration to _____ at our home network?

How often do _____ advise _____ our _____ firewall settings _____ home and _____?

_____ often do I _____ to update _____?

How often _____ we _____ Network Firewall Configuration _____ to _____ it _____?

_____ should our network _____ changed?

How frequently _____ change _____ Network _____ configuration _____ order to _____ the home _____ and _____?

Is it _____ idea _____ update our home/office network _____?

_____ many _____ a _____ should we _____ our _____ Configuration _____ ensure _____ cybersecurity?

How frequently _____ you suggest _____ we _____ our network's _____ settings _____?

How frequently _____ we _____ Network _____ configuration _____ maintain good _____ at _____ and office networks?

_____ change _____ Network _____ Configuration in order _____ maintain _____ cybersecurity at home and office _____?

How often _____ the _____ setup?

Do _____ know _____ updates _____ required _____ top-notch cybersecurity in home/office _____?

_____ do you recommend revising or _____ our _____ firewalls?

_____ frequently should home/office _____ firewalls _____?

_____ frequently _____ the _____ Firewall configuration _____ order to _____ a _____ cybersecurity?

How _____ do _____ Configuration in _____ to maintain _____ high _____ of protection?

_____ frequently _____ we _____ the Network _____ to _____ a _____ level _____ security?

_____ frequently should _____ the configuration _____ the network's _____?

For better online protection, _____ do you _____ workplace and _____ networks?

How _____ do _____ advise _____ change our network's _____?

How _____ do you suggest _____ the _____ workplace _____ as personal networks' _____?

_____ order to _____ good _____ at the _____ network _____ should change the _____ Firewall Configuration _____.

_____ should the _____ Firewall _____ be _____ maintain a good _____ at home or _____?

How _____ should we _____ to our home/office _____ firewall _____?

Should _____ networks be _____ up _____ date with _____ firewall _____?

How frequently should we change _____ Firewall _____ order to _____?

_____ to update our _____ network firewall _____?

How _____ we change the _____ Firewall Configuration _____ order to maintain _____ the _____

How _____ we _____ refresh our _____ firewall setup?

Is _____ to update _____ home/office _____ regularly?

How _____ change the _____ our _____ and offices?

How often _____ it _____ change the _____ firewall _____ or office?

Does _____ involve _____ refreshing _____ network's _____ setup?

_____ many times should _____ updated?

How often should _____ the Network _____ configuration in _____ to maintain _____ network?

Shouldn't _____ firewalls _____ refreshed _____?

_____ often do _____ the Network _____ configuration _____ maintain _____ of protection _____ our home _____ office networks?

How often to update _____ network firewalls to _____.

_____ cybersecurity on our _____ is _____ ideal number _____ times _____ should _____ our Network Firewall Config?

How many _____ a _____ we update _____ network _____?

_____ home or office _____ settings _____ in order _____ maintain maximum _____?

How _____ we _____ Firewallconfiguration _____ to maintain a good defense?

How often do _____ update _____ keep our homes and _____?

What is the _____ rate for updating _____ network's _____ measures at _____ office environments?

How much _____ we _____ to _____ firewalls?

How _____ do _____ the Network Configuration to _____ a high _____ of _____ in _____ homes _____?

_____ home and office firewalls _____?

_____ maintain maximum _____ should home or _____ networks update their firewall _____?

How frequently should _____ change the Network _____ maintain _____ security _____ the _____ and _____?

Should home _____ networks update their _____?

_____ often should _____ my network _____?

_____ do _____ refreshing the configurations on _____ the workplace _____ personal _____?

How frequently should we _____ in _____ to _____ it safe?

How often is _____ advised _____ update _____?

_____ the home/office networks _____ regular updates _____ their _____?

_____ home/office networks _____ regular _____ their _____?

What _____ the number of updates _____ in _____ networks?

_____ frequently _____ we change _____ Firewall _____ in _____ to _____ our _____ more secure?

How _____ our Network Firewall Configuration _____ ensure _____ cybersecurity?

How _____ we change _____ configuration of _____ Firewall?

_____ our network's _____ setup frequently?

_____ frequently does _____ Configuration be updated to _____ high _____ security?
_____ we update our _____ network _____?
How _____ we _____ changes _____ our _____ for _____ security?
How _____ to _____ to ensure optimal security?
How frequently should _____ the Network Firewall _____ our networks _____?
_____ frequently do _____ to change _____ on our _____?
_____ do we change _____ network _____?
_____ or _____ networks have their _____ updated periodically?
_____ frequently should _____ Firewall Configuration _____ changed in _____ good _____ at the home _____?
_____ update the Network Firewall Configuration _____ our network _____ protected?
_____ or office networks should periodically _____.
_____ does _____ make _____ update the home/office network _____?
_____ often _____ change the Network _____ to keep _____ up-to-date?
Is _____ wise _____ the home _____ office firewalls _____ updates?
How frequently should we _____ the _____ Firewall Configuration _____ a _____?
_____ should we _____ Network _____ Configuration in order _____ good cybersecurity at our _____?
How _____ we _____ to update the _____ Configuration to keep _____?
_____ firewall _____ or office is often _____ to minimize _____ threats.
Does it _____ update our home/office _____ firewall _____?
_____ frequently _____ us _____ change the settings _____ our _____ firewall?
_____ frequently _____ we _____ the Network Firewall Configuration in _____ networks?
How much should _____ firewalls?
How frequently do we update _____ Firewall Configuration to _____ to _____?
_____ we need to _____ the _____ network _____?
How _____ we _____ Network firewall _____ in order _____ good defense?
_____ Network Firewall Configuration in order _____ maintain good cybersecurity?
How often do _____ Network _____ maintain _____ high level _____ protection in our homes _____?
How many _____ you _____ us _____ update our _____ firewall?
How _____ should _____ our cyber security _____ our _____ networks?
_____ should we change the _____ Configuration _____ to keep good _____ the home _____
How _____ do we _____ Network Firewall Configuration to _____ safe?
How _____ should _____ their firewall _____?
Do home/office _____ to _____ firewall settings?
_____ often do _____ our Net firewall _____ stay _____?
How _____ we _____ the _____ a high level of protection?
_____ often do we _____ Network firewall configuration _____ keep it _____?
How _____ should _____ change _____ Network Firewall _____ good security at the home _____ and _____?
How often _____ home/office _____ be updated?
_____ often should we update _____ network _____ order _____ optimal cybersecurity at _____ and office _____?
_____ should _____ network firewalls _____ order to maintain good _____ at the home _____
How _____ it _____ update _____ networks' firewall configurations?
_____ update our home/office _____ firewall _____?
_____ frequently to update _____ Firewall Configuration _____ order _____ cybersecurity?
How often _____ the network _____ our homes and offices _____?
_____ firewall needs _____ be done _____ at home _____ settings.
Is it appropriate for the _____ and _____ to _____?
How often _____ home and office _____ firewalls _____ to _____?
_____ we change the _____ Configuration _____ to maintain a _____ defense?
_____ does it make _____ to _____ the network's _____ at _____?
How _____ recommend _____ and _____ the _____ of our _____ firewall?

_____ we _____ network firewalls configuration to _____ high level of _____?

_____ need _____ refreshing _____ network's _____ regularly?

Updating the _____ at _____ home or office _____ often _____ threats.

How often do _____ update the Network _____ to _____?

How _____ should _____ refresh _____ firewall?

_____ are _____ recommended frequencies _____ home/office networks' _____?

_____ to regularly update their _____ settings?

_____ change _____ Network Firewall configuration _____ top-notch cybersecurity?

_____ do we _____ Net firewall?

How often do _____ Network _____ configuration _____ keep it safe _____ networks?

How frequently _____ the _____ firewall configuration to keep _____?

In _____ Cybersecurity _____ networks, what's the ideal Frequency for updating our _____?

_____ frequently _____ you suggest _____ or _____ of _____ network's firewall?

_____ should we change the network _____ setting _____ and _____?

How frequently _____ make _____ to _____ network _____?

How _____ we change _____ firewalls setting at _____?

In order to _____ optimal cybersecurity on our _____ ideal _____ for _____ Network _____ CONFIG?

_____ or _____ should _____ their _____ settings up _____ date.

How _____ net firewall _____ keep it safe?

How frequently _____ update the Network _____ Configuration _____ maintain _____ of security _____ our _____ offices?

How often is it _____ our _____ firewalls?

_____ security _____ be _____ by _____ network firewalls at regular _____.

There _____ question _____ and office firewalls should _____ updates.

What _____ the _____ rate _____ updating a _____ firewall _____ to maintain efficient _____?

Updating the _____ Firewall _____ is important to _____ office _____ from _____ threats.

How often _____ it _____ idea _____ change _____ network firewalls?

_____ much should one _____ network's firewall _____ to _____ security _____ at _____ or office environments?

How frequently _____ update _____ firewall _____?

How _____ we _____ our Net _____?

Do _____ need _____ network's _____ frequently?

_____ you think _____ should _____ network firewalls frequently?

_____ to maintain _____ should _____ or office networks _____ settings periodically?

Should office and _____ updated _____?

_____ frequently _____ we _____ firewall settings?

_____ often do _____ refreshing _____ of both the workplace _____ the _____ firewalls?

How _____ we _____ the Network Firewall _____ a high level _____?

Is _____ advisable for _____ and office _____ to receive _____?

_____ frequently should we _____ network _____ configuration in order _____ a _____ home or office?

How often _____ we _____ the Network _____ to keep _____?

How frequently _____ we _____ Firewall _____ to keep _____ safe?

How frequently _____ we change the network _____ to _____ at home or _____?

In order to _____ cybersecurity, _____ the _____ to the _____ Firewall Configuration?

Do we _____ our _____ firewalls _____?

_____ the Network _____ Configuration get _____ maintain _____ high level _____ security?

Should _____ the home/office _____ security _____?

_____ should _____ regular updates _____ home and _____.

_____ frequently do _____ update _____ Firewall Configuration to keep _____ homes _____?

How often _____ you suggest _____ of both the _____ and _____ personal _____?

How _____ update the _____ firewalls configuration _____ maintain a _____ level _____

How frequently should _____ change our Network _____ in _____ good _____?

_____ often _____ we change the Network Firewall _____ in _____ security _____ home network?
 _____ often _____ we _____ the Net _____ to stay _____?
 How _____ the _____ firewalls configuration _____ order to keep it free _____?
 _____ should _____ deployment be upgraded _____ a _____?
 _____ frequently _____ refreshing the _____ on both the _____ personal _____ online protection?
 _____ frequently should _____ change _____ Network _____ Configuration in _____ keep _____ secure?
 _____ it recommended to change _____ firewall _____ frequently?
 _____ updates be _____ to the _____ and _____ firewalls?
 How _____ do _____ revising or enhancing the _____ network's _____?
 _____ often is it recommended _____ home/office networks _____?
 _____ the network's firewalls at _____ or office _____ is _____ minimizing _____.
 How often should the _____ order to maintain _____ defense?
 _____ maintaining _____ require _____ refreshing our _____ setup?
 _____ change our network Firewall?
 _____ often should we change the _____ Configuration at _____?
 How _____ you suggest refreshing the configurations _____ personal _____ firewalls?
 _____ the network's firewalls at _____ is _____ to minimize cyber _____.
 How often should we change _____ Network Firewall _____ to _____ of _____?
 _____ should the _____ Firewall Configuration be updated _____ achieve _____ maintain _____ security?
 Updating _____ network's firewalls _____ home _____ necessary to minimize cyber threats.
 How _____ be _____ with their firewall settings?
 How _____ do you _____ the _____ of _____ firewall?
 _____ networks need to _____ their _____ settings _____?
 How often _____ we change the _____ keep _____ networks _____?
 _____ change the Network Firewall Configuration _____ keep good _____ at the home _____?
 _____ often should we _____ at _____ or office networks?
 How _____ should _____ network _____ be _____?
 _____ frequently do _____ Firewall _____ to _____ high level of protection?
 How often _____ we _____ our network _____ in _____ to _____ security?
 How often is it a _____ update _____ configurations?
 How _____ we _____ the Network _____ at our homes _____?
 Is _____ that _____ and office _____ should receive _____?
 _____ a good idea to _____ network _____ at home?
 What _____ the _____ at which _____ network's firewall configuration?
 _____ network's firewalls _____ at a home or office?
 _____ frequently _____ you suggest refreshing _____ configurations on both _____ personal _____?
 Can we _____ our home/office _____?
 How frequently _____ we change _____ Network _____ to keep _____?
 _____ we change _____ network firewall?
 _____ frequently do we update _____ Configuration to maintain high _____ of protection _____ and _____?
 _____ frequently do _____ update our Net _____ ourselves _____?
 Do _____ home and _____ firewalls should be _____?
 _____ often do _____ Firewall Configuration to _____ high level of security on _____ homes _____?
 _____ and office firewalls should receive regular updates.
 Updating _____ network's firewall _____ or _____ is needed _____ cyber _____.
 How _____ suggest _____ the _____ of the workplace _____ personal _____ firewalls?
 How _____ we change the _____ in order to keep _____?
 How frequently should we _____ the network _____ order _____ keep _____ defense _____?
 How often _____ we _____ firewalls configuration _____ a good _____?
 How _____ do _____ need _____ the Network Firewall Config _____ order to _____ cybersecurity on _____?

How often should _____ change _____ stay safe?

How frequently _____ we _____ the Network _____ order to _____ defense?

How _____ update our network _____?

How _____ a _____ we change the Network _____?

How _____ a _____ do you _____ network's firewall?

How often _____ our _____ to _____ networks safe?

How frequently _____ the _____ Configuration to maintain _____ high _____ protection

How frequently _____ network _____ configuration in _____ to _____ it good?

How _____ you suggest _____ network's _____?

_____ we need _____ change our network's _____?

_____ many times a _____ should we update _____ Network _____ order _____ optimal security _____ networks?

How often _____ change _____ home/office _____ security settings?

_____ should we regularly change _____ firewall _____ at _____?

_____ many times _____ we _____ to _____ home/office _____ firewalls?

How _____ do you recommend refreshing _____ on _____ the workplace _____ online _____?

How often _____ update the _____ firewall to _____?

How _____ do _____ update the Network Firewall _____ high level _____ protection?

_____ frequently _____ we update the Network _____ safe?

_____ order to maintain optimal cybersecurity on our _____ frequency _____ updating _____ Network Firewall _____?

How often _____ need to update our _____ Firewall _____ in order _____ optimal _____ on _____?

_____ often am I _____ to change _____ configuration?

How frequently do _____ update the Network _____ a _____ level _____.

Is it _____ good idea _____ update our _____?

_____ do _____ update _____ Configuration to keep _____ protected in _____ and offices?

Do _____ that _____ home and office _____ be updated _____?

The Network Firewall _____ changed frequently _____ order _____ maintain _____ cybersecurity at _____ home _____.

Is _____ wise _____ networks to update their firewall _____?

How _____ update the Network Firewall Configuration _____ safe at _____ networks?

How often _____ we update _____ Config to _____ us _____?

Is _____ update our _____ network _____ regularly?
